

Manchester Village Planning Commission

September 15, 1981
The Regular Meeting of the Manchester Village Planning Commission was called to order by Chairman Hinkley at 7:30 p.m. Members present: Hinkley, Kallewaard, Walton, Grossman, Tracy, Smith, Alber, Leeson, Krauss. Members absent: none. A quorum was present.

The minutes of the meeting of August 11 were read, and approved with one correction, on a motion by Smith, seconded by Krauss.

Mr. Luckhardt of the Emil Jacob Post, American Legion, was present to apply for a permit to erect a sign at the American Legion Hall on Duncan Street near Adrian. It would be a single-face sign, facing Duncan Street, mounted on a "monument-style" base constructed of fieldstone. (The same base would also contain two flagpoles and two spotlights directed upward at the sign and flagpoles.) The sign itself would be constructed of metal, with a silver finish. The size of the sign would be 26 square feet. The Legion proposed to erect the sign approximately 13 feet in from the curb, and 20 feet out from the side of the building, centered between two existing maple trees.

The Planning Commission noted that the sign should be placed 18 feet in from the curb, in order to allow for the standard Village right-of-way, should sidewalks be installed at some future date along that

portion of Duncan Street. It was also noted that zoning requirements for Village residential districts place a maximum limit of 18 square feet on such identification signs. Planning Commission members agreed, however, that the 26 square foot sign could be allowed, since the size was not inappropriate in relation to the building and it was contained in a relatively low, horizontal base.

It was moved by Tracy, and seconded by Krauss, that the American Legion Post receive the Planning Commission's recommendation to Village Council for approval of their application to erect a sign, as detailed on architectural drawings presented, but to be placed 18 feet in from the curb on Duncan Street. The motion was passed on a voice vote, with all members voting "aye".

In related discussion, the Legion representatives acknowledged that, due to error, the Legion Hall parking lot extends onto Village property in the area of approximately five parking places, and that areas were paved which were supposed to have been planted with grass. They stated the Legion's intentions to lay sidewalk along Adrian Street, and sod adjoining areas, after installation of curbing along Adrian by the Village. They also detailed long-term plans to expand the parking lot, and to develop a park area along the riverbank.

In reference to the proposed Industrial Park, Alber reported on a meeting attended by himself, Hinkley and realtor/developer Carl Brauer. Some ideas

generated at the meeting include: possible development of cul-de-sacs as a means of cutting development costs; the asking price of the proposed property might be too high to interest an independent developer; costs of installing utilities to sites should now be estimated at \$16,000 per acre; 15% commissions could be possible to a private developer for consultation and sales; Manchester definitely offers advantages to industrial concerns. The Planning Commission will continue to investigate development of an Industrial Park. Hinkley will try to arrange a meeting with McNamee, Porter & Seeley to determine a realistic cost for installation of sewer and water to the proposed site.

The six amendments to the Village Zoning Ordinance, proposed in order to bring the Ordinance into compliance with Michigan Public Act 207, were tabled until the next regular Planning Commission meeting, in order to give members additional time for study of the proposed language.

Leeson reported on the review of Village street names, and the proposed extension of South Washington Street to the south of Territorial Street. Smith reported on the updating of the Village Zoning Map. It was agreed to place all three of these items on the agenda for the next regular meeting.

The meeting was adjourned at 8:53 p.m. on a motion by Krauss, seconded by Grossman.

Kid's Halloween Party

The Manchester Jaycettes along with the help of the Police Department will sponsor a Kid's Halloween Party, October 30th. The party is to be held at the Middle School Gym after trick or treating which will be signaled by the ringing of the church bells of the community. (Trick or Treating is scheduled between 5-7 p.m., therefore the party will commence after this time.) Doughnuts donated by Baker's Doses and cider donated by Alber's Apple Orchards will be served. Prizes will be awarded for different categories. Have a Safe and Happy Halloween!

United Way

Manchester's United Way campaign has reached \$18,032.00 which is 68.6% of this year's \$26,286.00 goal.

Dr. Glenn C. Lehr, 1981 campaign chairman, stated "The campaign is going very well. Our team is working hard to assure the goal is reached by the end of the month".

Dr. Lehr wants to be sure that every resident in the Manchester area has an opportunity to participate in this year's campaign. If you have not been contacted by a campaign worker he asks that you call him at his office 429-8381.

Your United Way supports 36 local, county, state and national health and community services including the Manchester area Recreation, Manchester Family Service, Manchester Senior Citizens Council and the American Red Cross.

The roster in Gill's Gambie Store window is poised and is ready and anxious to crow again for the 22nd consecutive year.

Halloween Safety

by Jon Hardenbergh

On Monday, October 26, the Ypsilanti AAA Office sent some of their employees to area schools to inform kids of Halloween Safety. Some of the points they stressed were: children should wear bright clothing - easy to spot, carry a flashlight, walk with an older brother, sister or parent, always look carefully both ways at a street and have your parents check your candy before eating.

These AAA employees made their costumes (Big Bird, Cookie Monster, Raggedy Ann to name a few) and this added the special touch as they conveyed their message.

Pictured here is former Manchester resident Mary Kidd dressed as Big Bird, with the photo being taken by her sister Carol.

Scott Hunt Nominated For Youth Program

A search for two student delegates from Michigan to participate in the 1981-82 U.S. Senate Youth Program has started. This year marks the twentieth anniversary of the program, which is sponsored by the William Randolph Hearst Foundation.

Two juniors or seniors who hold elective offices in a public or nonpublic high school will represent Michigan in Washington, D.C. January 30 through February 6. The two winners will receive the all expense paid trip to Washington and each will receive a \$2,000 college scholarship.

State Superintendent of Public Instruction Phillip E. Runkel said students who have not participated in the program before are invited to enter the competition. Students are eligible for participation if they are serving as a student body president, vice president, secretary or treasurer, class president, vice president, secretary or treasurer or student council representative.

Two delegates from each state and the District of Columbia will spend a week in Washington, along with their U.S.

Senators. The U.S. Senate established the program in 1962. Runkel said ten regional finalists will be selected by a panel of Michigan educators based on information provided on program applications. The finalists will be given a test that was developed by the U.S. Senate Program officials.

According to James Kappler, Manchester High School Principal, Scott Hunt, the current High School Student Council President, has been nominated for consideration. Scott has been a Council member for three years and served last year as Treasurer. In addition to his Council activities, Scott has been a member of the golf team and for the past three years has participated in the Varsity Choir. Scott is an eleventh grader this year.

Engagement

Mr. and Mrs. Kenneth H. Niehaus of Grass Lake are pleased to announce the engagement of their daughter Cathy Sue to Bryan Len Eisenhauer, son of Mr. and Mrs. Robert C. Eisenhauer of Manchester.

Both are graduates of Manchester High School. Cathy is a 1978 graduate of Ferris State College and is presently employed by Terry A. Timm D.D.S. M.S. of Saline.

Bryan is in his senior year at Ferris State College, in the School of Pharmacy. He will be graduating in May. A Fall of 1982 Wedding is being planned.

Hit or Miss by Farley

A generation or so ago the school teacher was regarded generally as a somewhat superior species of humanity, one to be looked up to by the average person. They had better than average educations and lived an example filled life, they didn't smoke nor, of course, drink and they in most instances, carried their teaching lives over to include usually the teaching of a Sunday School class in their church.

Of course in those days there were many less categories in which women were permitted to become engaged. This too must have had some effect on the individuals who engaged in teaching as a profession. Those who found jobs as teachers cheerfully signed their contracts for the year and if you had asked them if they were going to strike they would have looked at you with astonishment, probably not understanding what you meant. For that matter, workers in most other fields too would have had trouble understanding what you meant either.

But times have certainly changed in the teaching profession as well as in most others and today's teachers are, in most cases, a far different breed than those of my youth. There are, of course, many dedicated teachers today but the majorities attitude is different than it formerly was.

The attitude of the parents and the public too has changed. The teacher has been criticized, unjustly it seems to me, for obeying rules and policies set forth by supervision and demanded by the public.

We've spent a lot of time suing the past few years, finding fault with our shabby education standards, particularly in the upper class levels where high school graduates received diplomas when they could neither read nor write on a grammar school level and now we find criticisms rampant about some other facets of our educational shortcomings, but I'm afraid that the average teacher is not all to blame for these shortcomings.

For example we observe that children in American schools are being shortchanged in their daily classroom instruction by recesses that run too long, leisurely lunch periods and classes that wind up early, according to John Goodlad, dean of the UCLA school of education who found that some schools spend as little as 18 1/2 hours a week on instruction while others spend as much as 27 1/2 hours.

The average for all elementary schools was 22 1/2 hours or 4 1/2 hours a day.

Dr. Goodlad told the National Commission on Excellence in Education recently, that he recommended 25 hours as a standard. He said that the schools that use the day efficiently do not have longer hours. "They get down to business" he said "a 15-minute recess lasts 15 minutes and lunch is 30 minutes not an hour. They don't spend the last half hour of the day cleaning up - they can do it in 5 or 6 minutes."

Eight years was spent in gathering a mountain of data from 38 schools chosen to represent a cross section of America. Both the school with the 18 1/2 hour week and the one with 27 1/2 hour week spent about the same time each day with reading and writing (90 minutes) and on math (55 minutes) they found. But the school that wasted time had only 23 minutes for social studies and 13 minutes for science but the efficient school had an hour for both social

Letter To The Editor

To The Editor:

The purpose of this letter is to inform the voting members of our community about how urgent their vote is to all students.

Proposal I is of utmost importance to the quality of our education. This money will be used for erecting, furnishing, and equipping some needed additions; remodeling and partially re-equipping existing school facilities, and constructing and equipping a bus maintenance facility. This proposition will make for better classroom facilities, more efficient heating, and safer busing conditions. With all the repairs that must be done on all the buildings, this is probably the single most important proposal on the November 9 ballot.

Proposal II is for completing an athletic facility at the track. This will make for a very impressive sports facility and will show how much pride Manchester has for their Athletic Program.

Proposal III is a millage to reinstitute dropped programs. In all of Washtenaw County plus Clinton and Napoleon, Manchester has the lowest total millage. (i.e. operating millage and debt millage). We have five students playing sports at other schools and all are starters. A majority of members of our National Honor Society have participated in sports and many have won League and State honors. Manchester over the years has had many student athletes become a success in many fields. For example, a local Veterinarian,

owner of a multi-million dollar Construction Company, Vice-President of a major conglomerate, Textron, and many, many, more. These men all had the opportunity to play sports and gain from them.

In closing, we would once again state the importance of turning out to vote, and to hopefully vote YES on all three proposals. We would also like to say that we do realize the Nation is in a state of recession, and it is tough to pay additional money for something that does not give you anything, but please don't be selfish. We're sure you had the opportunity to have heat in your lunchroom. We're sure you didn't have to dodge water pails in your hallways and library. We're, also, sure you had the opportunity to play sports. So, once again, please come out November 9 and please vote YES. "OUR" SCHOOL NEEDS YOUR VOTE!

Vivian Middlemiss Named President Of Auxiliary

The American Legion Auxiliary met at the Legion Home on Wednesday, October 14. Hostesses Della Widmayer, Mary Smith and Alice Alexander chose a Halloween motif: orange candles, pumpkins and red oak leaves.

Installation of 1981-82 officers was held. Installing Officer Helen Popkey, with the help of Claire Reck as Chaplain and Ethel Weir as Sgt. At Arms installed the following: President - Vivian Middlemiss; 1st Vice-President - Linda Jacob; 2nd Vice-President - Mara Rigg; Secretary - Evangeline Ludwick; Treasurer - Phyllis Baker; Sgt. At Arms - Judy Hoeft; Chaplain - Edna Knauss and Historian - Della Widmayer. Executive Committee will be: Helen Hosmer, Mary Smith and Arlene Walter.

Gifts were presented to the installing team and a Past President's pin was awarded Helen Hosmer for her three highly successful terms as President.

Treasurer Baker reported the purchase of a four drawer filing cabinet for use in storing records. She also stated that membership quota is set at 80, with 49 paid. Due to a Department increase of \$2.00 per senior member as of November 1, she urged all dues be paid by this date. Helen Hosmer reported 11 Past President's dues paid.

Action taken on appeals by

correspondence were: Donations to Manchester United Way, March of Dimes, Coldwater Regional Center for Development Disabilities, Care, orange juice for the October 19 Blood Bank at Emanuel and a Manchester Enterprise subscription to the Saline Evangelical Home.

Plans were discussed concerning our participation in the November 8 Veteran's Day Parade to be held locally. Helen Popkey will decorate the urn at Wurster Park for the occasion.

Two year planning calendars are now being sold by members to the public. Contact any member of the Auxiliary to purchase these.

The Secretary was instructed to invite 2nd District President Helen Bird and Secretary Roberta Bird to either our November or December meeting.

Good Cheer Chairman for October will be Ethel Weir. November hostesses will be Helen Popkey, Helen Rigg and Marsha Chartrand. Florence Shonshek, Lois Kline and Virginia Motluck were all absent for door prize drawing. Next month's will be \$2.00.

Halloween treats were served by the committee and newly installed President Middlemiss was congratulated.

Secretary,
T.V. Ludwick

Hunter Safety Program A Success

Sixty Eight boys, girls, men and women have successfully completed the Hunter Safety Class this year. The class is sponsored every year by the Manchester Sportsman Club in conjunction with the Department of Natural Resources.

Lauren Huber, Daryl (Bud) Taylor, and Earl Iverson are certified by the DNR and are the instructors. The course consists of approximately 10 hours of class instruction, reviewing, and testing along with the opportunity to handle and use a shot gun, 22 rifle, and bow and arrow.

There is no charge for this class and a certificate is necessary in the State of Michigan for anyone under 18 to obtain a hunting license. In various western states and Canada it is mandatory in order to purchase a hunting license at various older ages.

The instructors were assisted by Cliff Tracy, Bob Trent, Tim Ahrens, David Taylor, Cliff Tracy Jr., Mark Conley, Max Heckaman, Mike Hughes, Rita Huber and several of the parents.

The Manchester Sportsman Club would like to thank all who helped and the participants of this years class, and are looking forward to next years class.

School Bands First Concert Scheduled

The Manchester Community School bands will hold their Fall Festival of Bands Concert Thursday, October 29, at 7:30 p.m. in the High School Study Auditorium.

Performing will be the Middle School seventh and eighth grade bands and the High School concert band under the direction of Jeanne McElheron. Following the concert, the Band Boosters will serve donuts, cider and coffee.

The public is invited to attend.

Resolution To Restore Sports And Services

In official action at its regular meeting on October 19, 1981, the Manchester Board of Education adopted a resolution reaffirming its intent to restore the athletic program and transportation services on the approval of a special millage on November 9, 1981.

Noting that the Board had made a commitment to the community regarding these services it was indicated that such official action was appropriate. Passage of the special millage for operation will mean that transportation services will be restored to their prior level and that a full athletic program will be reinstated at least until June, 1983.

Manchester voters will be asked to decide two bond issues and one millage question in a special election on November 9. The first of the bond issues deals with renovation of all district buildings plus construction of a bus maintenance facility. The second bond issue would provide funds to complete development of the athletic field. The third proposition asks whether or not an additional tax levy of one mill for a two year period to restore programs should be approved.

Daniel Watson Wins Newspaper Contest

The "Name the Newspaper Contest" for Klager School's new paper was won by Daniel Watson, Danny, a fourth grader, named the paper *The Little Dutch News* a clever variation on Manchester Flying Dutchmen Theme. One hundred and seventeen entries from students, parents, and teachers were received.

Contest judges were students, Susie McGuire and Jenny Okey and staff members, Miss Koebe, Mrs. Scully, Mrs. Little and Dr. Hammond.

The newspaper will feature school events, information for parents, photographs and student written stories. Congratulations Danny!!

Food Co-op News

We've changed our name, but we're still the same Co-op! The Raisin Real Foods Cooperative is now known as *Cooperatively Speaking* and after a somewhat slow start, we are gaining momentum.

We are now accepting members on a participatory basis and also senior citizens memberships. We have established a waiting list for non-participatory members - those who do not wish to or are unable to work in return for a discount. Where do you fit in?

Our food co-op's purpose, as outlined in our by-laws, is to provide members the opportunity to purchase wholesome food at the least expensive price. Our primary market at this time is to reach people who

are interested in whole foods. Our ordering and business meeting is held monthly on the third Monday at the American Legion house, 203 Adrian Street. Our next meeting will be held on November 16 at 7:00 p.m. Please join us, and if you have any questions in the meantime, you may contact Marsha Chartrand, Coordinator, at 428-8831. She will be glad to explain the rules and policies of our co-op.

Community Education

The re-scheduled Cardiopulmonary Resuscitation (CPR) class will be held on Monday, November 2, Wednesday, November 4 and Monday, November 9 at the Nellie Ackerson Multi-purpose room from 7:00 - 10:00 p.m. CPR is a combination of artificial respiration and artificial circulation which should be used when a cardiac arrest or certain other emergencies occur. Students will learn proper procedures for dealing with emergencies and helping save a person's life. All three sessions are required. The instructors are assigned through Saline Community Hospital. There is no charge to attend this course. If you had not registered for the postponed session in September you may do so by calling Community Education at 428-7804.

The second session of Fitness Fantasia (aerobic dance) will start on Monday, November 2 at 8:00 - 9:00 p.m. in the High School gym. This program is designed to take the boredom out of exercising and increase the fitness level of your heart through aerobic dance. Members learn specific dance routines designed to increase pulse rates safely. Coline Jester, instructor for the Adrian YMCA and clinician for the Great Lakes Region, will be instructing Fitness Fantasia. Classes will meet Monday and Wednesday evenings, the cost for the 6 week session is \$24. Pre-registration is not necessary. Payment and registration will be done the first class session on Monday, November 2 at 8:00 p.m.

Men In Service

Mark E. Neigebauer, son of Mr. and Mrs. Charles D. Neigenbauer of 19621 Bethel Church Road, Manchester, on August 31, 1981 enlisted in the U.S. Air Force's Delayed Enlistment Program, according to Sgt. Larry F. Howen, Air Force Recruiter.

Mark E. Neigebauer is a 1981 graduate of Manchester High School, and is

scheduled for enlistment in the regular Air Force on January 11, 1981. During the six week military training course at Lackland Air Force Base, San Antonio, Texas, Mark will be selecting a job in the Mechanical Area. Upon completion of Basic Military Training, Mark will be attending one of the Air Forces Technical Training Centers to learn the job he selected.

Mark will receive college credits from the Community College of the Air Force upon completing his Technical School. Once graduated from his technical school, he will be able to take additional college courses earning more credits toward his Associate Degree in a mechanical field and subsequently his Baccalaureate Degree in Mechanical Engineering. While taking these additional courses, the U.S. Air Force will pay up to 75% of Mark's tuition.

Manchester Historical Society

The Manchester Area Historical Society meeting of October 19, 1981 held at Emanuel Church was a great success. Mrs. Mary Walton of the program committee presented the 36 members attending with a thoroughly enjoyable "Old Time Apple Fest and Tasting".

Mrs. Claire Reck gave a brief history of "Johnny Applesed" Chapman which set the mood for Mrs. Nathan Alber of Alber Cider Mill who presented the history of the mill beginning in 1890. Questions from the members revealed the secret of the superior cider made at the mill.

Ethel Brown won a basket of apples for the longest list of apple varieties. She

listed 44 while the group was able to compile a list of 80 varieties. Door prizes of apples, apple cider, apple butter, apple coffee cake, and apple pies were awarded to Aaron Nathan, Elizabeth Buehrle, Rubena Boelter, Margaret Troz, Opal Moore, Howard Parr, David Walton, Mabel Acton, Carolyn Sauter, Loring Ebersole and John Swainson.

The meeting was followed with the "tasting". A table of delicious apple foods such as sour cream apple pie, apple strudel, caramel apples, caramelized apple rice, apple bars, breads and cake with hard sauce, dried apples, applesauce donuts and coffee and cider were served.

A poll was taken to determine the support for the possible purchase of the John Schneider Blacksmith Shop as our headquarters and museum. The results will be considered by the board and further action will be forthcoming.

Join the group again Monday, November 16 at 8:00 p.m. for the program "Manchester and Henry Ford."

Labels For Education

It is that time of year again - time to save labels from Campbell soups and juices, Franco-American products, V-8 juices, and Swanson canned foods for Manchester Middle School.

Thanks to the fine support from the community and the Manchester IGA we have been able to receive much needed audio-visual equipment, teaching aids, and dictionaries free from the Campbell Soup Company during the last few years.

We would appreciate you help again this year!

Obituary

Walter Bahnmiller
3675 Fletcher Rd.
Chelsea

Age 86 years, died Tuesday, October 27, 1981 at the Huron View Lodge in Ann Arbor.

He was born August 21, 1895, the son of Gottlieb and Mary Geyer Bahnmiller.

Mr. Bahnmiller was a retired Freedom Township farmer.

He is survived by one step-brother, Clarence Feldkamp of Grass Lake; two nieces, Mrs. Dolores Corey of Alanson and Mrs. Beverly Hanley of Mt. Clemens.

Funeral services will be held Thursday, October 29, 1981, 1:30 p.m. at the Jenter Funeral Home. Burial will follow in Mt. Hope Cemetery in Freedom Township.

Records Broken At Bloodmobile

American Red Cross Bloodmobiles are scheduled in Manchester twice a year, March and October, now supplying over 400 pints of blood each year for the Southeastern Michigan Red Cross Blood Center and giving the community a good feeling about its part in taking care of those in need. The recent clinic on October 19 added 290 units and broke all previous records of giving for the school district.

Congratulations go first to the men and women who came to the Bloodmobile and offered their gift to save the life of another human being. This sort of giving has been a way of life in the area since 1951 when Stanton Roesch, as American Legion Commander originated the project in cooperation with the Washtenaw County Chapter of the American Red Cross.

Hundreds of local families have been recipients of this service in these last thirty years.

Then there is the mechanics of running a Bloodmobile which is also a community responsibility. In Manchester, the site for the first ten years was Emanuel United Church of Christ with the Legion and its Auxiliary assisting with the promotion and volunteers. As the Manchester United Methodist Church and St. Mary's Catholic Church enlarged their facilities the site began being rotated between the three with Knights of Columbus Hall becoming the site for St. Mary's in recent years.

The Chairman-of-the-Day is chosen from the trained workers in each site. This time Emanuel United Church of Christ furnished the facility and Mrs. Willard Mann was chairman with Mrs. Alvin Kappor as co-chairman. They selected the volunteers, made all arrangements and chose a Canteen chairman from Emanuel Women's Fellowship which made and donated the sandwiches for the donors and a snack-break for the professional staff and volunteers. The orange juice was furnished, as usual, by the American Legion Auxiliary and cider was donated by Alber's Orchard.

Volunteer staff included: Prescreener, Mrs. Ica Schaffer; Registrars, Mrs. Gerald Post, Mrs. Norman MacLeod, Mrs. Ronald Jenter and Mrs. Dan Boutell; Pack Table, Mrs. James Scott and Miss Amanda Schable; Escorts, Mrs. Larry Kouba, Mrs. Millard Uphaus, Mrs. George Vassoff and Mrs. Sam Beal; Canteen, Mrs. Del Ludwick, Chr., Mrs. William Tervo, Mrs. Ernest Kemner, Mrs. Walter Budnick, Mrs. Theodore Stautz, Mrs. Kenneth Niehaus, and Mrs. LeRoy Knickerbocker.

George Goodell helped unload the Red Cross truck and set up the equipment for the Bloodmobile. After it was over, High School students Bob Ross, Eric Duncan, Jeff Hawk, Craig Bondy and Tim Seegert

reloaded the truck for the driver and technician.

Jaycee Auxiliary kept a nursery for donor's children with Cheryl Bunn, Sandy King, Pat Bertke, Altrida Panches and Janet Avery taking hourly shifts.

Drivers for the 77 Double A Products donors, using their cars as shuttle buses, were Edward Galloway, Norman Mollenkopf and Alfred Strang. Dr. Chiau Seng Hwang, Dr. Monty Okey and Dr. William Purfield were "on call".

Needless to say, a Red Cross Bloodmobile is a total community project involving all six industries, eleven churches and everyone in between. Blood, likewise, is available to anyone in the area in most every place in the United States without charge-only the cost of administering the blood is on the hospital bill to the individual or insurance company.

Mrs. Franklin M. Reck, a former Washtenaw County American Red Cross board member and secretary for that board for six years, is the Manchester Coordinator of Red Cross Blood Services.

Senior Citizen Meals

There is a special event Tuesday, November 3, for the Senior Meals Program. Seniors will meet, as usual, at Emanuel United Church of Christ, then ride a school bus to the High School where they will be guests of the School Lunch Program. Take-out meals will be furnished for those needing them by the school and be delivered as usual. (I'm told there will

be chicken.) Following the meal Dr. Eugene Thompson will explain the bond issue and millage vote and answer questions. This will be your opportunity to clarify all those bothersome questions and correct any misinformation.

Thursday, November 5, the menu is: Roast Beef, Mashed Potatoes, Vegetable, Fruit, Bread and Butter, Dessert, Coffee, Tea and Milk.

Rogers Corners Farm Bureau Meeting

The Rogers Corners Farm Bureau Group will meet Friday, November 6 at 8:30 p.m. at the home of Mr. and Mrs. Elvin Meyer on Lima Center Road. Please note date change.

SPOTLIGHT

Pictured: Marian Below and Ruth Goodell.

Marian Below and Ruth Goodell have shared the secretarial duties at the middle school for the last twenty years. Between the two of them they represent forty-six years of service in our school system. Marian accounts for twenty-six of this total. If one was to attempt to figure out the number of band-aids issued by these two or the number of phone calls handled by them over the years the total would

indeed be staggering. When fellow staff members were asked to describe the secretaries in one word a variety of responses were registered — "dedicated", "warm", "outstanding", "beautiful", "unselfish", "terrific". As a staff we feel these responses are accurate and want Marian and Ruth to know that we appreciate all that they have done for us.

Middle School Parent-Teacher Conferences

There will be no school on Thursday, November 5, and Friday, November 6, to allow for the scheduling of this semester's parent-teacher conferences. Parents are encouraged to have their children attend the conferences with them. The time schedules are as follows:

Thursday, November 5 - 9:00 A.M. - 12:00 P.M.; 1:00 P.M. - 5:00 P.M.; 6:30 P.M. - 9:30 P.M.

Friday, November 6 - 9:00 A.M. - 12:00 P.M.; 1:00 P.M. - 4:00 P.M.

Parents planning to attend may pick up their child's report card when they arrive at school. Fifth and sixth grade student report cards will be available in the fifth grade hallway located in the Nellie Ackerson Building. Seventh and eighth grade report cards may be picked up in the hallway by the library in the Middle School. Report cards that are left over will be sent home with the students on Monday, November 9.

Since only one night conference has been scheduled, we are requesting that only those parents who cannot make the morning or afternoon conferences on the scheduled days attend Thursday evening. Hopefully, this will reduce the possibility of long waiting lines which can be a problem for all concerned. If parents discover that they cannot

attend on either of these days, we urge them to call their child's teacher on any school day from 8:15 A.M. - 8:45 A.M. to arrange a conference time that is convenient for both parties. Teachers may be contacted by calling 428-7442.

Information concerning the November 9th Millage and Bonding Proposals will be available in the library. Mr. Brian Schick, Middle School Principal, will be present to discuss the issues with interested parties.

Twentieth Century Club

The Twentieth Century Club began the 1981-82 year with a costume party that kept everyone guessing until roll call unmasked the tricky characters. Mrs. Maynard Blossom was the hostess of October "Fun Night" which turned out to be just that from beginning to end.

A brief business meeting produced a \$25.00 donation to the United Way Campaign and a report by Mrs. Stanton Roesch on the "Jaw of Life" project which is progressing in conjunction with the Manchester Fire Department. It was with deep regret that the club accepted the resignation of Mrs. Roesch from the organization she has served since 1957.

"Fun Night" continued with games, contests and prizes until the hostess and her committee, Mrs. Norman Fielder and Mrs. T.H. Tapping served refreshments.

The next meeting will be November 10 at the home of Mrs. Tom Walton.

Married

Rebecca Sue Opal

Mark Michael Matsco

The Milan Free Methodist Church was the setting for the wedding of Rebecca Sue Opal and Mark Michael Matsco on September 12. Pastors Everett McCormick and Robert Schultz officiated.

The bride is the daughter of Mr. and Mrs. Richard Opal of Manchester. The bridegroom is the son of Mrs. Sophia

Matsco and the late Frank Matsco. Lauri Jo Palmer of Willis, sister of the bride and Girard Ranville of Cleo, Michigan were honor attendants.

Following the ceremony, a luncheon was held at Mantels in Ann Arbor.

The couple now reside in Hancock, Michigan where the groom is attending Michigan Tech.

COUNCIL PROCEEDINGS

October 8, 1981
 Council met in regular session with the meeting called to order by President Schaffer at 7:00 P.M. Present were: Hinkley, Koebbe, Minick, Petsch, Reed, Zsenyuk.

Minutes of the September 21, 1981 meeting were read, corrected and approved in a motion by Petsch, supported by Minick. All yeas, motion carried.

Zsenyuk presented a letter which had been sent by the Village Attorney to Dr. Hwang concerning the barrier fence which was to be erected to conform to the agreement in submitting the Conditional Use application.

The survey of new asphalt for Village streets was reviewed. Moved by Koebbe, supported by Hinkley that the following streets be asphalted: Washington St. - from Main St. to Railroad; Union St. - from Main St. to Madison St.; Macomb St. - from Main St. to Madison St. Zsenyuk is to get a price for asphalt on Elton St. - from Main St. to Madison St. All yeas, motion carried.

A representative of Heeco Co. after checking the containers at the landfill made the decision to replace them with 2 reinforced containers on a trial basis.

Zsenyuk reported the list of trees to be removed had been published in the Manchester Enterprise. It is the decision of Council to proceed with the tree trimming, tree removal and stump chipping according to tree survey made by Shepherd's Tree Service.

The decision has been made to replace the sidewalks in the Business District during the Spring of 1982.

Zsenyuk reported a barrier had been put up by the Adrian Fence Co. to correct a violation at the Sewage Treatment Plant.

Copies of Zoning Ordinance No. 102 to amend Ordinance No. 96 pertaining to "General Sign Regulations" was distributed to members of Council.

Mr. Paul Dankert was present to make a complaint about the dust on West Main St. due to the resurfacing work being done. The problem will be alleviated as soon as the asphaltting is laid.

Public Works Activities as reported by Koebbe included: Donald Smith in the hospital; Parks were opened and maintained; Worked on water system; Gray Pickup was repaired; Installed water meters; Routine maintenance on streets and sewer system; Worked at the mill; Cut weeds for Union Construction; Took trash to the landfill; Cleaned up at the shop; Cleaned off catch basin tops; Meet with B. Zsenyuk; Read water meters; Picked up

cold patch; Emptied trash barrels; Jim Konser, Fire Chief asked that Village residents be reminded not to burn leaves on asphalt streets; The asphalt that is being milled from the Streets is being utilized for other work in the Village.

Mr. Robert Rhee was present to discuss the water problem in his yard when it rains. A report will be given to Mr. Rhee after a survey is made.

Minick reviewed the Police Report for the month of September: Car # 3, 560 miles, 80 gals. gas; Car #5, 3878 miles, 515 gals. gas; Car #6, 308 miles, 44 gals. gas; total-4746 miles, 639 gals. gas. Charles Chapin Receives Award

Charles C. Chapin, son of Robert and Cecelia Chapin of Manchester, recently received a Special Act or Service award in recognition of his work for the U.S. Army Mobility Equipment Research and Development Command, Fort Belvoir, Va. A chemist in the command's Emergency and Water Resources Laboratory, Chapin was cited for his development of an improved procedure for retrofit of an Army's wheeled vehicle fleet to silicone brake fluid. The conversion to silicone brake fluid is expected to save the Army \$21 million in reduced maintenance costs.

Chapin received his bachelor's degree from Kalamazoo College and his masters degree from American University in Washington, D.C. He has been employed at

MERADCOM since 1978, working on basic and applied research and development in the field of fuels, lubricants, functional fluids and corrosion preventatives.

Chapin and his wife, Carol Ann, reside in Woodbridge, Va. They have two children, Natalie and Charles.

MERADCOM is part of the U.S. Army Materiel Development and Readiness Command and is responsible for research, development, engineering and first production buys of equipment in four areas essential to the Army of the 80's: barrier and counterbarrier systems; countersurveillance systems; energy and environmental systems; and supply distribution and construction equipment systems.

World Community Day - November 6

Church Women United in Manchester will celebrate World Community Day on November 6, at the Sharon United Methodist Church, time 1:30 P.M. As a national ecumenical movement of Christian Women witnessing to faith and unity in Jesus Christ through worship, study, action and celebration, Church Women United has a unique opportunity to express the value of an ecumenical witness to peace-building. Since 1943 they have celebrated World Community Day to

emphasize corporate action for justice and peace. This year's theme deals with peace in the world.

This year marks the Fortieth Anniversary of Church Women United as a national movement. The women of Sharon Methodist have planned to celebrate the "Birthday" of CWU at the World Community Day Celebration.

All Manchester area women are invited to attend. A time for refreshments and fellowship will follow the service.

Kid's Halloween Party

The Manchester Jayettes along with the help of the Police Department will sponsor a Kid's Halloween Party, October 30th. The party is to be held at the Middle School Gym after trick or treating which will be signaled by the ringing of the church bells of the community. (Trick or Treating is scheduled between 5-7 p.m., therefore the party will commence after this time.) Doughnuts donated by Baker's Dosea and cider donated by Alber's Apple Orchards will be served. Prizes will be awarded for different categories. Have a Safe and Happy Halloween!

School Milk Sales At High Level

Despite apparently declining milk sales in schools throughout Washtenaw County, Manchester students continue to prefer milk above other drinks.

A recent survey of parents at the elementary level indicated that 80 percent generally preferred white milk for their children. They indicated that sales of chocolate milk should be limited to Fridays only.

Despite initial concerns that limitations on the sale of chocolate milk would result in lower milk sales Dr. Thompson has reassured the dairy industry that sales data in the schools has remained at last year's level while the rest of the county has reportedly declined by 30 percent. This fact is reported to be the result of the nutrition education program at Klager School. Klager students are now offered the opportunity to purchase milk not only at lunch time but also with snacks. This effort has maintained both a sound nutrition program and solid milk sales.

Diabetes Week

Free blood tests to help detect diabetes will be offered by Saline Community Hospital in cooperation with the American Diabetes Association, Michigan Affiliate, in a statewide testing program during Diabetes Detection Week, November 1-7.

For best results, a meal high in carbohydrates with large amounts of starches and sugars should be eaten two hours before the test. Testing is available to persons over 18 years of age who have not previously been diagnosed as diabetic.

Tests will be offered by Saline Community Hospital at the following sites and times:

- Tuesday, November 3, Saline Community Hospital 8-11 a.m.
- Wednesday, November 4, Clinton Medical Center, 8-11 a.m.
- Wednesday, November 4, Saline Community Hospital, 6-8:30 p.m.
- Thursday, November 5, Saline Community Hospital, 8-11 a.m.
- Friday, November 6, Emanuel Church of Christ, Manchester, 8:30-10:30 a.m.

Further information regarding programs to be presented in connection with Diabetes Detection Week may be obtained by calling Saline Community Hospital at 429-5435, ext. 331.

As part of Chelsea Community Hospital's and Chelsea Medical Center's promotion of Diabetes Detection Week, free blood tests

Hit Or Miss

And also in this box or envelope we find quite a stock of miscellany that is more or less valuable as follows:

Organic farming researchers in England have found that dandelions are rich in proteins, contain calcium and vitamin A, and can perk up men's sex appeal.

Doctors in general agree that hiccups can best be stopped by concentrating on something else.

Recent adult observation: The dance band that used to play too short numbers now plays interminably long ones; your high school sweetheart is now a five-time grandmother and it now takes half as long to get tired and twice as long to get rested.

A sick tree runs a temperature and it is highest in the morning.

Hit Or Miss

studies and science with time left over for the arts.

Regardless of how they managed their time the elementary schools devoted 53 percent of their time in classrooms to reading, writing and arithmetic. The campaign may have had the wrong emphasis on basics, said the professor.

He criticized teacher training programs and said the goals that states set for their schools bear little relationship to what is taught.

Perhaps we are just an inefficient person who likes to spoil her grandchildren but it does seem at times that our modern efficiency robs our children of an opportunity to be children. Sometimes I wish they could revert to the so-called good old days when kids were kids and they had more time to just grow and develop in the natural manner in which children do with not so much responsibility for perfection so early in life.

Spur Of The Moment

October 4th was chilly and windy, but it didn't rain and all the hearty horse people came to compete in the final show of the season, at the Spur of the Moment Inc. Club sponsored at Whites Arena. Except for the accident in the Speed events, everything went along very smoothly.

Our judge was Kathy Anderson from Parma and her ringmaster was Sue Kelly from Jackson. They did a bang up job, and we thank them very much. Our arena help

Parents Appointed To Curriculum Council

For the second year the Manchester Schools have appointed parents to share decisions regarding curriculum with teachers and administrators. Jan Waldron and Diana MacFarlane will represent Klager parents. Middle School parents will be represented by Jane Talcott and Lois Vitale. Judy Fahey and Kathy Hagerman will be the high school representatives.

Also serving on the district-wide council will be teachers and administrators from each level as well as a high school council representative. The council will be chaired by Mr. James Kappler, High School Principal.

"The Curriculum Council got off to an excellent start last year," said Dr. Eugene Thompson, Manchester Superintendent. "I am very much looking forward to the results of the Council study and recommendations at the end of the current year. The fact that parents are appointed to the committee is in keeping with continued efforts to involve the community in actual decisions regarding the schools. We very much appreciate the efforts of our many volunteers and aides but the most important thing that educators must learn is to share decision making with parents."

Klager Fall Fun Festival

Becky Scherdt, Missy Vitale and Angie Schaible are captured in the Spook House.

Once again, Klager's Fall Fun Festival which was held Friday night, October 23, was a big success. While the younger children enjoyed the well-lighted rooms, the older children always kept the lengthy line going through the spook house coming out a bit paler than going in. With the 13 different events throughout the school, the children thrillingly rushed from one room to the next.

A poster contest was held and classroom members made posters for local merchants windows. Their teachers judged on the best appearance and our winners are listed: Amber Minor, Richard Lutton, Kelly Lucas, and Melissa Steele are 1st grade; Krista Sahakian, Daniel Petty, Anne Fahey, Johanna Rodenbeck are 2nd grade; Tricia Wurster, Karen Vedder, Jenny Binder, Jeff Gillow are 3rd grade, and Jeff Lozier, David Beck, and Jimmy Diebrick are 4th grade.

Thank you to each participant. The winners won tickets for the festival. Also a poster contest was held and classroom members made posters for local merchants

special thank you to our local merchants who let us advertise in their windows.

We would like to thank all those who gave their time before or on the evening of the fun festival. A special thank you to Dr. Hammond and each teacher, room mothers and moms who worked. Also to those that baked cakes for the cake walks or donated materials for an event.

If we didn't have co-chairmen, Karen Rodriguez and Mary Ellen Rodenkirch, we couldn't have had our successful evening.

Also a thank you to the committee chairpersons: Nancy Bihmeyer-tickets, Shirley Lowery-security, Betty Gregerson clean up, Kay Miller-food, Sandy Smith-pre-sale tickets, Nancy Haussier and Betty Herschelmann-publicity.

We would like to express our appreciation to Saline McDonalds for letting us use their games and donating prizes.

Last, but not forgotten, a thank you for all that stayed afterwards to clean up.

Sharon Ho and David Bunn with clown.

"Thank You, Mrs. Nathan"
 The Manchester Township Library Board extends its thanks to Mrs. Aaron Nathan, who recently donated a four-drawer filing cabinet to the library. It will now be possible, for the first time, to store all important records and other materials together at the library.

I want to thank one and all for all the cards, calls, and gifts I received for my 89th birthday, October 14th.
 Sincerely,
 Lelah Huber

Athletic Boosters Minutes

October 7, 1981

The Membership Meeting of the Athletic Boosters was called to order by President, Tom Burch. Tom welcomed everyone to the meeting and thanked them for their interest.

Jim Fielder, Varsity Football Coach showed films of the 1979 football game between Manchester and Stockbridge.

The minutes of the last meeting were read and approved. The treasurer's report was given by Joe Moore and approved.

The Athletic Boosters are going to sponsor a dance at the high school on Friday, October 16, 1981 for the high school students. Jon Hardenbergh will be the disc jockey.

Tom reported that Chrysler Proving Grounds had invited the Boosters to sell cider and apples at their open house on Sunday, October 4, 1981. Approximately \$70.00 was raised and a good time was had by all that helped.

Tom discussed the upcoming Bond and Millage issues and what the Boosters could do to promote a positive attitude in the community.

There is going to be a Veterans Day Parade in Manchester on Sunday, November 8, 1981. Tom felt that possibly the Student Council could get enough students to build a float for the parade. Dave Little moved that the Boosters donate \$100.00 to the Student Council for the construction of a float. Al Gebhardt supported the motion. Motion carried.

Jan Brouce suggested that we have the Art Department, at school, design a float. It was pointed out that this would have to be done after school.

Tom introduced Jane Talcott, who is coordinator for the PACE Group. PACE means Positive Action in Community Education. Jane gave a report on the steps PACE would like to take to promote support for the November 9, vote. There will be a PACE Meeting on Wednesday, October 14, 1981 at the high school.

Tom Golding moved that the Athletic Boosters donate \$200.00 to PACE. Dave Little supported the motion. Motion carried.

Athletic Booster Meeting

The Manchester Athletic Boosters would like to invite the public to attend our next meeting on Wednesday, November 4, at 8:00 p.m. at the high school in room 110.

This will be an information meeting regarding the millage and bonding issues on the November 9th ballot. Your questions and input are more than welcome.

Scholarship Recipient

Sandra S. Moore, 12894 Sharon Hollow, Manchester was one of the recipients of the Eastern Michigan University Barton Scholarship Award. They were honored at a faculty recital on October 13.

The Barton Scholarship Award is a one-time, non-restrictive cash award of \$500. Recent EMU graduates who have earned at least a 3.0 undergraduate grade point average are eligible to apply for this competitive, prestigious award.

Recipients of the Barton Scholarship Award must pursue graduate study at Eastern or the University of Michigan and continually strive for academic excellence.

Shakespeare Club

The first regular meeting of the Shakespeare Club was held on Tuesday, October 20th at 2 p.m. at the home of Mrs. Norman Bucholtz. There were sixteen members present. Vice-President, Mrs. Howard Parr, presided over the business meeting until Mrs. Marvin Kirk returned from an early morning trip to Lansing.

The quotation of the day was "The King was in his counting house, counting out his money. The Queen was in the parlor eating bread and honey". This provided the only light touch of the program, which was entitled "English Queens" for the lives of England's female royalty provided little or no levity.

The members responded to the roll call with the name of a play or book about a Queen. Mentioned were Mary, Queen of Scots; Empress Elizabeth, wife of Franz Josef of Austria-Hungary; Queen Christina of Sweden; Katherine of Aragon, first wife of Henry VIII; Katherine Parr, last wife of Henry VIII.

Mrs. Aaron Nathan followed with a talk on some English Queens, a discourse which included data on the life, the reign and the contributions to history of Mary Tudor, first Queen of England in her own right, who because of her persecution of heretics earned the nickname of "Bloody Mary". She was succeeded by her half-sister, Elizabeth Tudor, known as "The Virgin Queen" and who is the most renowned of

England's female rulers. Later there was Queen Victoria who had a long and prosperous reign and who became Empress of the British Empire in addition to her former titles. Last was the story of Alexandra of Denmark, who was Queen Victoria's daughter-in-law, married to Edward, Prince of Wales, who at Victoria's death succeeded her as Edward VII.

The response to a call for current events provided an animated and informed discussion on taxing problems such as the crises of the schools.

Mrs. Kirk adjourned the meeting at the usual time of 4 p.m. The next meeting will be held at the home of Mrs. Marvin Kirk on Tuesday, November 2, 1981.

Varsity Choir Performs

On Wednesday, October 21, the Daughters of the American Revolution held their annual conference luncheon at the Methodist Church and were entertained by the Manchester High School Varsity Choir.

The choir, directed by Roger Morrison, has been in session for four weeks and this was their first public performance of the year. Along with several of the choirs' favorite songs, two solo numbers were included and a girls trio performed.

Middle School Artist At Work

Mrs. Korican's sixth grade art class.

Art at the middle school takes many forms. Projects range from individual expression to group approaches emphasizing teamwork and collective decision making. Examples of student creativity are highly visible throughout the buildings.

All students have the opportunity to

participate in art classes at the various grade levels. Program descriptions for each level are available in the principal's office. The following staff members may also be contacted for additional information regarding specific grade objectives. Fifth grade - Mrs. Betty Dalton; Sixth grade - Mrs. Mary Korican; Seventh and Eighth grade - Mrs. Melinda Trout.

Vocational Classes Increased

According to Richard Parson, Manchester High School counselor, there are sixty-seven students enrolled in vocational classes in the South and West Washtenaw Consortium this year. The Consortium is made up of the Chelsea, Dexter, Manchester, Milan and Saline students to provide vocational classes for their students.

Manchester enrollment in the various classes is now: Agriculture - 2; Auto

Service I - 9; Auto Service II - 2; Building Trades - 2; Child Care - 4; Cosmetology - 1; Distributive Education - 3; Electronics - 2; Food Service - 8; Graphic Arts - 7; Health Occupations - 7; Machine Shop - 5; Office Procedures - 6; and Welding/Fabrication - 9. All classes are currently held at Saline High School except Cosmetology which is conducted at Omega Cosmetology Institute in Ann Arbor. Mr. Parson also reports that an agreement between the Consortium and Washtenaw Community College has been reached which will allow Consortium students to place out of up to nine credit hours of college classes at Washtenaw based upon their performance in Consortium classes. The agreement presently covers the fields of auto service, office procedures and welding. During the current school year the work necessary to add food service, electronics, machine shop and child care to the agreement will be completed.

Hit or Miss by farley

Many of our senior citizens have been considerably alarmed about the future of Social Security despite the assurance of various top flight politicians that they will not be left high and probably dry if and when it fails to function as it now does.

However it seems to be simply another government bureau in its mixed up operation. As an example of this we read the other day in a story in an Omaha, Nebraska newspaper of the trials and tribulations of Darlene Barnes.

Now Darlene has been trying mightily to give Social Security back payments she thinks aren't hers for four months without success. In this she differs greatly from the chap down east who was arrested on a federal warrant the other day for cashing his father's monthly check for some time until the government claims that he owes them \$14,000 that he collected illegally.

Mrs. Barnes' problems began in June when her daughter married Charles Fletcher.

As a married woman Mrs. Fletcher no longer qualified for the \$180.90 monthly payment from Social Security that she had received since the death of her father.

But that didn't stop the U.S. Treasury Department in San Francisco and they just kept mailing the checks.

Mrs. Barnes who lives in Bennington, Nebraska said she notified Social Security officials before the wedding that her daughter was going to be married. She filled out forms and sent them to Lincoln, Nebraska, to have the checks stopped. But the checks arrived on time in July and August.

Mrs. Barnes called the Social Security offices in Omaha and they advised her to mail the checks back to San Francisco, which she did.

Then when another \$180.90 check arrived at the beginning of September, Mrs. Barnes decided to take action. She returned the check in an envelope with this emphatic message written on the back flap: "SHE IS MARRIED. PLEASE DON'T SEND ANY MORE CHECKS."

And in the mail that Friday was you guessed it—a check for \$180.90.

"It's a screwed up mess. To be frank they don't know what they are doing," Mrs. Barnes said. "I understand why people are cashing these checks—they're being forced upon them."

Government officials said recently that Social Security checks have been mailed routinely—for up to 15 years, to people who were dead. The cost is estimated to be to the Federal Government some \$60 million.

"Now I know why we are in such a mess. I just can't believe this is happening," Mrs. Barnes said.

When asked what she was going to do about the checks, Mrs. Barnes said, "I'll just keep sending them back, but I'm getting a bit tired of it all."

World Community Day

Church Women United in Manchester will celebrate World Community Day on November 6, at the Sharon United Methodist Church, time 1:30 P.M. This year's theme deals with peace in the world. In addition, the Manchester Unit will be celebrating the Fortieth Anniversary of Church Women United as a national movement. All Manchester area women are invited to attend.

Special School Election Annual Veterans Day Parade Monday, November 9

ON MONDAY, NOVEMBER 9, 1981 THE MANCHESTER COMMUNITY SCHOOLS WILL BE HOLDING A SPECIAL ELECTION TO VOTE ON 2 BONDING PROPOSITIONS AND A MILLAGE INCREASE. THE POLLS WILL BE OPEN FROM 7:00 A.M. TO 8:00 P.M. AT THE MANCHESTER HIGH SCHOOL, 720 EAST MAIN STREET.

PLEASE BE SURE TO CAST YOUR VOTE FOR THIS VERY IMPORTANT ELECTION.

I. BONDING PROPOSITION

Shall Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, borrow the sum of not to exceed One Million Six Hundred Twenty Thousand Dollars [\$1,620,000] and issue its general obligation unlimited tax bonds therefor, for the purpose of erecting, furnishing and equipping an addition or additions to, remodeling and partially re-equipping existing school facilities; constructing and equipping a bus maintenance facility and developing and improving sites?

II. BONDING PROPOSITION

Shall Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, borrow the sum of not to exceed Three Hundred Thirty Thousand Dollars [\$330,000] and issue its general obligation limited tax bonds therefor, for the purpose of constructing and equipping improvements to the Booster's Athletic Field and acquiring additional land for site purposes?

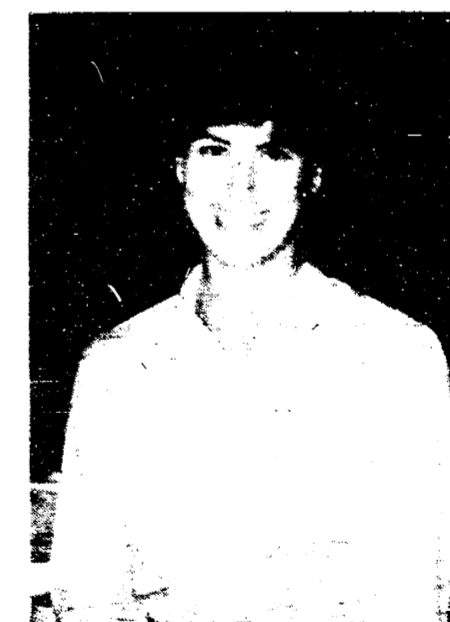

III. TAX RATE LIMITATION INCREASE PROPOSITION FOR OPERATING PURPOSES

Shall the limitation on the amount of taxes which may be assessed against all property in Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, be increased by 1 mill [\$1.00 on each \$1,000.00] on state equalized valuation for a period of 2 years, 1981 and 1982, for the purpose of providing additional operating funds for the purpose of restoring programs?

United Way

"SPOTLIGHT"

Manchester's United Way thermometer has reached 79% and is still going up. As of the last reporting date contributions and pledges totaled \$20,765.03.

All Division campaign workers are busy in a final push to contact every resident in the Manchester area.

Four Divisions have already gone over the top, reporting contributions in excess of their assigned quotas. Their incomplete reports are: Village, Ica Schaffer, Chairperson 127.8%; Outside Business, David Little, Chairman 116%; Organizations, Janice Little Chairperson 105%; and Schools, Dr. Eugene Thompson Chairperson 100.2%.

Partial returns have been reported by the Industry, rural and business Divisions.

Ica Schaffer's Village Division campaign team is: Team A - Captain Lou Ann Preston, Vickie Curley, Joan Keister, Karen Smith and Cheryl Steele. The Washtenaw County Council of Veterans, the Veterans Affairs Office, and the Village of Manchester will sponsor a Veterans Day parade Sunday, November 8th. Manchester Veterans of the Armed Services and active duty members should meet at the Manchester American Legion Post at 1:30 P.M. in their respective Military Uniforms.

The parade, traditionally held at the 11th hour of the 11th day of the 11th month was moved to Sunday so that more people may participate in the festivities.

The celebration is to honor all veterans and particularly those from Washtenaw County, that have served in the Armed Forces and to publicly demonstrate support for those that carry on the torch seized from the Veterans of yesteryear. Washtenaw County has a rich history of citizen sacrifice for our Country, and the parade is to show that we remember and are thankful.

Taps will be blown and a rifle salute will take place at American Legion Post 117 to signal the start of the parade at 2:00 p.m. It will then proceed east to Beaufort, north to Main and West to Macomb. Groups will disband at the Post.

A reviewing stand will be located at Main and Adrian Streets where Grand Marshall Reuben Swisher, with several Village, County and State civil leaders, as well as the parade announcer will review the procession.

Grand Marshall Swisher, recently re-elected Commander of the Washtenaw County Chapter of the Disabled American Veterans for the seventh time, has long been noted for his service to area Veterans. A long-time resident of Ann Arbor, he was recently nominated as Outstanding Federal Handicapped Employee of the year to represent the Ann Arbor Veteran Administration Medical Center. He is a Korean War Veteran and a recipient of the Bronze Star and the Purple Heart.

Klager Book Fair

The Klager Elementary School will sponsor a student book fair November 4, 5 and 6. Students will be able to browse and purchase books. The book fair will be open during Conference times and will be on display in the school lobby.

The book fair committee invites all students, parents and visitors to attend the fair. The fair will encourage student interest in reading and in building home libraries, and will also contribute to a worthwhile project.

The Manchester Elementary P.T.O. is sponsoring this event, with Jan Walden serving as book fair chairperson.

The book fair display will include attractive new books from many major publishers between 39¢ and \$5.95 -- wonderful books to read or to give as gifts. All reading interests will be represented, including classics, fiction, biographies, adventure stories, science, nature, crafts, mystery and reference books. The committee is working with Educational Reading Service, a professional book fair company, to furnish an individual selection of books for the fair.
