Hit or Miss by farley

Many of our senior citizens have been considerably alarmed about the future of Social Security despite the assurance of various top flight politicians that they will not be left high and probably dry if and when it fails to function as it now does.

However it seems to be simply another government bureau in its mixed up operation. As an example of this we read the other day in a story in an Omaha, Nebraska newspaper of the trials and tribulations of Darlene Barnes.

Now Darlene has been trying mightily to give Social Security back payments she thinks aren't hers for four months without success. In this she differs greatly from the chap down east who was arrested on a federal warrant the other day for cashing his father's monthly check for some time until the government claims that he owes them \$14,000 that he collected illegally.

Mrs. Barnes' problems began in June when her daughter married Charles Fletcher.

As a married woman Mrs. Fletcher no longer qualified for the \$180.90 monthly payment from Social Security that she had received since the death of her father.

But that didn't stop the U.S. Treasury Department in San Francisco and they just kept mailing the checks.

Mrs. Barnes who lives in Bennington, Nebraska said she notified Social Security officials before the wedding that her daughter was going to be married. She filled out forms and sent them to Lincoln, Nebraska, to have the checks stopped. But the checks arrived on time in July and August.

Mrs. Barnes called the Social Security offices in Omaha and they advised her to mail the checks back to San Francisco, which she did.

Then when another \$180.90 check arrived at the beginning of September, Mrs. Barnes decided to take action. She returned the check in an envelope with this emphatic message written on the back flap: "SHE IS MARRIED. PLEASE DON'T SEND ANY MORE CHECKS."

And in the mail that Friday was you guessed it—a check for \$180.90.

"It's a screwed up mess. To be frank they don't know what they are doing," Mrs. Barnes said. "I understand why people are cashing these checks—they're being forced upon them."

Government officials said recently that Social Security checks have been mailed routinely—for up to 15 years, to people who were dead. The cost is estimated to be to the Federal Government some \$60 million.

"Now I know why we are in such a mess. I just can't believe this is happening," Mrs. Barnes said.

When asked what she was going to do about the checks, Mrs. Barnes said, "I'll just keep sending them back, but I'm getting a bit tired of it all."

World Community Day

Church Women United in Manchester will celebrate World Community Day on November 6, at the Sharon United Methodist Church, time 1:30 P.M. This year's theme deals with peace in the world. In addition, the Manchester Unit will be celebrating the Fortieth Anniversary of Church Women United as a national movement. All Manchester area women are invited to attend.

Special School Election Monday, November 9

ON MONDAY, NOVEMBER 9, 1981 THE MANCHESTER COMMUNITY SCHOOLS WILL BE HOLDING A SPECIAL ELECTION TO VOTE ON 2 BONDING PROPOSITIONS AND A MILLAGE INCREASE. THE POLLS WILL BE OPEN FROM 7:00 A.M. TO 8:00 P.M. AT THE MANCHESTER HIGH SCHOOL, 720 EAST MAIN STREET.

PLEASE BE SURE TO CAST YOUR VOTE FOR THIS VERY IMPORTANT ELECTION.

I. BONDING PROPOSITION

Shall Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, borrow the sum of not to exceed One Million Six Hundred Twenty Thousand Dollars [\$1,620,000] and issue its general obligation unlimited tax bonds therefor, for the purpose of erecting, furnishing and equipping an addition or additions to, remodeling and partially re-equipping existing school facilities; constructing and equipping a bus maintenance facility and developing and improving sites?

II. BONDING PROPOSITION

Shall Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, borrow the sum of not to exceed Three Hundred Thirty Thousand Dollars [\$330,000] and issue its general obligation limited tax bonds therefor, for the purpose of constructing and equipping improvements to the Booster's Athletic Field and acquiring additional land for site purposes?

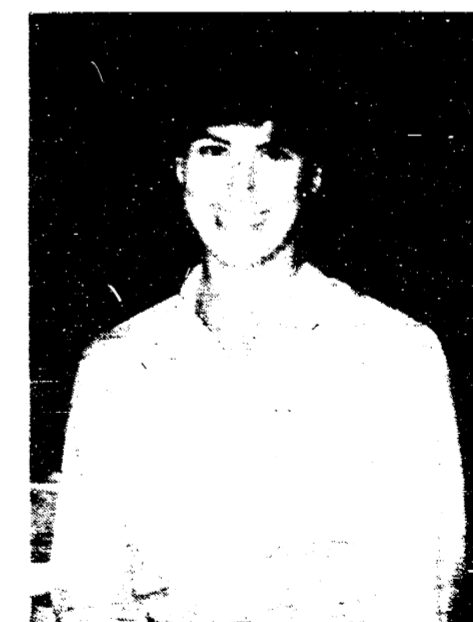

III. TAX RATE LIMITATION INCREASE PROPOSITION FOR OPERATING PURPOSES

Shall the limitation on the amount of taxes which may be assessed against all property in Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, be increased by 1 mill [\$1.00 on each \$1,000.00] on state equalized valuation for a period of 2 years, 1981 and 1982, for the purpose of providing additional operating funds for the purpose of restoring programs?

United Way

"SPOTLIGHT"

Manchester's United Way thermometer has reached 79% and is still going up. As of the last reporting date contributions and pledges totaled \$20,765.03.

All Division campaign workers are busy in a final push to contact every resident in the Manchester area.

Four Divisions have already gone over the top, reporting contributions in excess of their assigned quotas. Their incomplete reports are: Village, Ica Schaffer, Chairperson 127.8%; Outside Business, David Little, Chairman 116%; Organizations, Janice Little Chairperson 105%; and Schools, Dr. Eugene Thompson Chairperson 100.2%.

Partial returns have been reported by the Industry, rural and business Divisions.

Ica Schaffer's Village Division campaign team is: Team A - Captain Lou Ann Preston, Vickie Curley, Joan Keister, Karen Smith and Cheryl Steele. Team B - Captain Hazel Kappler, Carol Clark, Helen Kensier, Pat Fitzgerald, Helen Kenner. Team C - Captain Jancy Seeger, JoAnn Roberts, Judy Foss, Barbara Cartier, Kay Schock, Beth Clouse. Team D - Captain Connie Schaffer, Shar DuFresne, Rosemary Hamilton, Ann Becktel. Team E - Captain Eileen Ball, Deslyn Johnson, Mary Nosbiesch, Michelle DeShano. Team F - Captain Eleanor Ball, Bonnie Conley, Dawna Stockwell, Marilyn Van DeGineste, Margaret Schneider and Linda McGee.

Maria Lehr, Division Chairperson for business has seven captains on her team, Thomas Kallewaard, Joan Beal, Della Widmayer, Betty Mann, Marianne Koebbe, Brenda Lehr and Vicki Lehr.

Annual Veterans Day Parade

The Washtenaw County Council of Veterans, the Veterans Affairs Office, and the Village of Manchester will sponsor a Veterans Day parade Sunday, November 8th. Manchester Veterans of the Armed Services and active duty members should meet at the Manchester American Legion Post at 1:30 P.M. in their respective Military Uniforms.

The parade, traditionally held at the 11th hour of the 11th day of the 11th month was moved to Sunday so that more people may participate in the festivities.

The celebration is to honor all veterans and particularly those from Washtenaw County, that have served in the Armed Forces and to publicly demonstrate support for those that carry on the torch seized from the Veterans of yesteryear. Washtenaw County has a rich history of citizen sacrifice for our Country, and the parade is to show that we remember and are thankful.

Taps will be blown and a rifle salute will take place at American Legion Post 117 to signal the start of the parade at 2:00 p.m. It will then proceed east to Beaufort, north to Main and West to Macomb. Groups will disband at the Post.

A reviewing stand will be located at Main and Adrian Streets where Grand Marshall Reuben Swisher, with several Village, County and State civil leaders, as well as the parade announcer will review the procession.

Grand Marshall Swisher, recently re-elected Commander of the Washtenaw County Chapter of the Disabled American Veterans for the seventh time, has long been noted for his service to area Veterans. A long-time resident of Ann Arbor, he was recently nominated as Outstanding Federal Handicapped Employee of the year to represent the Ann Arbor Veteran Administration Medical Center. He is a Korean War Veteran and a recipient of the Bronze Star and the Purple Heart.

Klager Book Fair

The Klager Elementary School will sponsor a student book fair November 4, 5 and 6. Students will be able to browse and purchase books. The book fair will be open during Conference times and will be on display in the school lobby.

The book fair committee invites all students, parents and visitors to attend the fair. The fair will encourage student interest in reading and in building home libraries, and will also contribute to a worthwhile project.

The Manchester Elementary P.T.O. is sponsoring this event, with Jan Walden serving as book fair chairperson.

The book fair display will include attractive new books from many major publishers between 39¢ and \$5.95 -- wonderful books to read or to give as gifts. All reading interests will be represented, including classics, fiction, biographies, adventure stories, science, nature, crafts, mystery and reference books. The committee is working with Educational Reading Service, a professional book fair company, to furnish an individual selection of books for the fair.

LETTERS TO THE EDITOR

To The Editor

It seems that Mr. or Mrs. C.J. Auldhauser touched a nerve, in as much as a lot of people took him or her to task for the opinion expressed about our School Board's way of doing business. It would seem to me that the man or woman, whatever, can have an unlisted number and also may be a new resident of the district and is not as yet listed on tax rolls. Several weeks ago I attended a board meeting and was amazed at the conduct of our Elected Board of Education. As a woman stood up to address the Board and Superintendent Thompson, Mr. Broeck made the statement that she would not be heard as the Board had adjourned the meeting. People in front of the audience never heard any discussion or motion to adjourn. We are supposed to be operating under the open meetings act aren't we?

The vote coming up on the 9th of November is for a combined total of 4 1/2 mills, a part of which would be levied on your tax bill you are scheduled to receive by December 1st. This in addition to the 10% increase in assessments in Sharon Township at least. Should the assessments be raised next year your taxes would go up at that time, the raise, plus 11 percent over the raise in assessment.

It seems to me that it is about time to cut corners, cut down on top heavy supervision, stop the 7 to 11 percent raise

in salaries, increase class sizes somewhat and try to live within the amount of money available and not be asking for more money everytime it behooves them.

So when you go to the polls on the ninth be sure to vote as your finances dictate.

Being on Social Security and on a fixed income, I personally will be forced to vote NO on all 3 proposals at this time.

I would hope we will be able to get 2 more farmers on the Board next June. Get out and vote on the ninth and vote right, vote NO.

Sincerely,
Herbert G. Jacob
Sharon Township Treasurer

Dear Manchester Residents:

After inspecting the High School, it became quite evident to us that the schools do need renovation desperately. The leaky roofs, poor ventilation system, large 'energy loss' windows, lack of storage space, poor heating system and much more, all indicate that we need to do something now! The purchase of the small tract of land to connect the elementary school to the high school is a valuable investment to the Manchester Schools.

Contrary to some beliefs, if the millage is approved, we will have the transportation restored to the way it was last year. Your children will not have to walk to a bus stop as they do now.

Also, if approved, the Athletic Program will be restored in full - right down to include the 7th grade program.

Please remember to vote on November 9th at the High School. Please think of our students on that day - we need your positive vote on all three proposals to restore our pride in the Manchester Schools.

Sincerely,
George and Mattie Agin

To The Editor

Less than 6 months ago, a school, namely Pleasant Lake, was closed because of declining enrollment, which we are facing here in the Manchester Schools.

Also because of our small enrollment, we cannot afford to offer some small special classes for which we take advantage of the consortium and send 2 bus loads of students from the high school each day to Saline Schools for morning classes.

With a school system of about 1000 students, do we need 3 full time secretaries to assist the superintendent, which according to the bonding proposal, requires an extensive addition on his office, not to mention other additions to the gymnasium and locker rooms.

In a time of increasing taxes and

declining income, should tax payers be expected to pay more and more?

We believe in necessary things, but not in unnecessary things.

Neil and Sharon Weidmayer
To The Editor:

So much has been written pro and con concerning the school millage in the past weeks. I pray that everyone will put all the anger and bitterness aside and really search your hearts, before voting on November 9th.

I would now like to take you back to early Manchester. The following was taken from The Manchester Enterprise.

June 6, 1901 The Central School building has a fire escape on the north and south ends. It is the only school building in the county that has them. But then Manchester generally takes the lead.

September 5, 1901 Annual School Meeting.

From the large number of people who were seen winding their way towards the Central School building Monday evening, one would be convinced the Manchester people surely take an interest in the schools.

When Chairman Conklin called the meeting to order and stated that the first business would be the election of a trustee in place of N. Schmid, whose term of office had expired, he read the law regarding persons qualified to vote at school meetings and said that nominations would be in order, where upon E.S. Hagaman nominated Nathaniel Schmid, supported by A.J. Waters.

Fred M. Freeman spoke on the advisability of placing a lady on the Board. Mrs. Glover presented the name of Mrs. J.H. Kingsley, ably supported by A.F. Freeman. The ballot was then taken and N. Schmid received 69 votes and Mrs. Kingsley 47. Mr. Schmid was declared

electd.

The whole number of children of school age in the district is 385. There were 387 in attendance last year.

The estimated expenses of the schools for the coming year are: for teachers \$3,510, janitor \$300 and incidentals.

The estimated resources are \$5,322.38. The sum of \$2,800 was voted to be raised by tax to defray the expenses for the coming year.

Assessor Kapp then made his report for the year ending September 2, 1901 as follows:

Balance on hand Sept. 3, 1900	\$1,121.09
Primary School Int. fund	666.67
District Tax	2,500.00
One Mill Tax	628.50
Foreign Tuition	370.26
State Appointment	182.40
Other Sources	8.30
Total Receipts	\$5,757.22
Total Disbursements	4,880.01

Balance on hand Sept. 2, 1901 \$ 877.21

The Superintendents salary was \$950. Teachers were paid from \$300 to \$350, and the janitors \$300. Coal cost \$388 and books \$106.

The best of feeling prevailed and congratulatory remarks were made before adjournment.

Wouldn't it be nice, if on November 9, 1961, the Students of Manchester could say the best of feeling prevailed, and Thank You Manchester Voters.

Sincerely,
Helen Kensler

Sharon Valley 4-H Club News

Recently, High Point on Wagner Road, Ann Arbor, was the scene of the 1981 4-H Recognition night program.

Several members of the Sharon Valley 4-H Club were the recipients of medals and awards.

Receiving medals for their participation on the 4-H Horse Bowl teams were Anna and Tommy Heath, Rick and Scott Poet, Scott, the youngest of all the team members, served as the captain of the Junior Team. His sister, Judi, was the captain of the Senior Team.

Judi Poet and Mary Tobias presented leader pins to many area 4-H leaders. Stanley Poet, of this club, received a fifth year leader pin.

After spending a week-end with the new challenge instructors, and surviving, it was only fitting that Rob Poet present them with their instructor certifications. Rob was also elected to the 4-H Council and will represent the Saline-Manchester area. Certificates of acknowledgement for their participation in the Citizenship-A.C.T. (Action Through Citizenship Training) were awarded to Anna Heath, Judi Poet and Rob Poet.

Both Jeff Horning and David Weidmayer received medals for Dairy Judging and Dairy Bowl activities.

County medals, given to 12-14 year olds who apply, were awarded to the following Sharon Valley 4-H Club members. In Achievement - Shana Burke and Anna Heath; Agriculture - Jeff Horning; Clothing - Patty Fuller; Cultural Arts - Patty Fuller; Dairy - David Weidmayer; Horse and Pony - Missy Hamilton; Vet Science - Anna Heath and in Wood Science - Jeff Horning.

For those 14-18 year old 4-H members, there is the 4-H Tel-wards. This involves filling out an application and going through an interview session. Bob Feldkamp assisted in presenting these awards. Club members winning in the county were Anna Heath in Fine Arts; Judi Poet in Horse and Pony; Rick Poet in Safety and Rob Poet in Commodity Marketing and Field Crops. Rob was also a district winner for Field Crops. Along with many other 4-H'ers, Rob was recognized at a gala banquet held at Michigan State University during 4-H Expo Days in June.

The Sharon Valley 4-H Club received a traveling trophy for having the most number of sponsors for the Washtenaw County 4-H Horse-A-Thon held in September at the Chrysler Proving Grounds in Chelsea. Our thanks for Kelly, Missy and Sue and to all those who worked so hard that chilly day in September.

Much appreciation is given to Kelly, Shana and Sue Burke, Karen Dulle, Patty Fuller, Missy Hamilton and Anna Heath, all of whom did a fine job of handling the registration table at Recognition night. Shana, Karen and Anna also acted as the club's voting delegates during the 4-H Council election.

The evening closed with a slide presentation showing various 4-H activities throughout the year. Who knows when a familiar face will appear on the screen? For dieters, the "Favorite Dessert" table is a definite "no-no", but what great taste tempting goodies. Everyone is looking forward to a bigger and better year for 1982.

PACE

The PACE Committee (Positive Action in Community Education) will have an election day headquarters for the convenience of those who would like to have a babysitter or ride to the polls. The phone number, for November 9 only, will be 428-8370.

With pre-election telephoning complete the committee reports that while some voters were critical of the telephone canvass, many more thanked the callers for the opportunity to have their questions answered. PACE has mailed several hundred packets of information; the material supplements the brochure mailed by the Board of Education and contains answers to the questions most frequently asked about the ballot issues.

Anyone desiring to contribute to the campaign fund may send contributions directly to Treasurer Mattie Agin, 8741 Saline-Waterworks Road, Saline, 48176.

School Releases Five Year History Of Finances

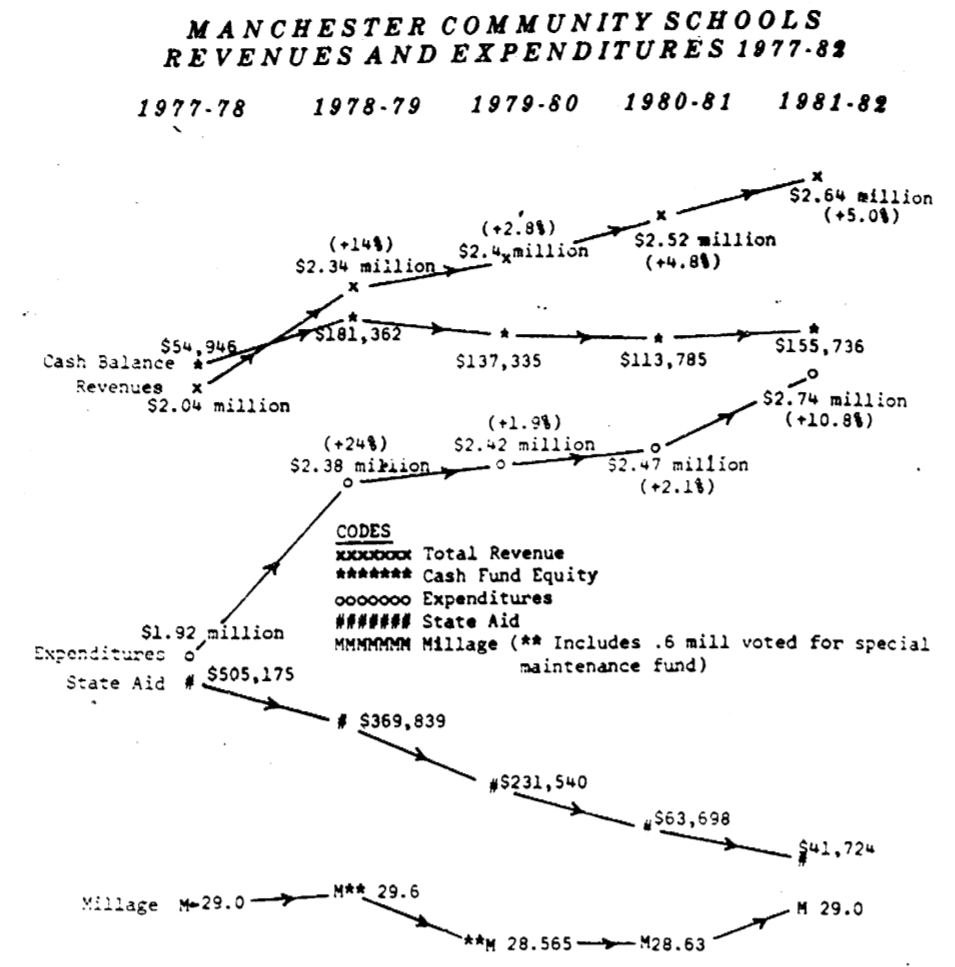

In an effort to explain the true financial picture of the school district to voters the Manchester Board of Education has prepared a five year historical record of the school district's finances. The data are illustrated in the following chart.

During the five year period the total revenues available to the school district have increased by 22% or an average of less than 5% per year. "This concept is difficult to understand," said Manchester Superintendent Eugene Thompson. "During this period all of us have seen our property taxes rise at an incredible rate. Most of these taxes come to the school system however, during this period State support of education declined at an even greater rate. Even though revenues from property taxes increased other sources of revenue declined sharply. The result was a percentage rate of increase in revenue much lower than the rate of inflation."

Thompson reported that during the same period expenditures increased by 30% or about an average of 6% per year. "We have kept our expenses closely in line with revenues," said Thompson. "Our cash balance has enabled us to balance the budget each year."

During the five year period the district's millage rate has generally been at 29 mills or less. In 1978 voters approved a .6 special millage for maintenance purposes, however, the next year the district was forced to roll back millage in order to

comply with the Headlee Amendment. With the current state equalized valuation the district is able to levy the full 29 mills once again. This levy for operational purposes is near the lowest in Washtenaw County. When operating and debt levies are combined Manchester residents pay the lowest tax rate in the region.

Confused? We'll help you choose...

because we want to be your Bank.

There have never been more high-yield, short-term savings plans to choose from. And that makes it harder than ever to choose the right one.

For instance, dependent upon your tax bracket, you could benefit substantially from a one-year All Savers Certificate. With All Savers, you can earn up to \$1,000 in tax-free interest — \$2,000 for married couples filing jointly. For example, if your tax bracket is 35%, your effective tax yield would be approximately 20.88%. And you can deposit as little as \$500.

This yield effective November 2 through November 28 **10.77%**

To find out if All Savers is the best choice for you, talk to any one of our 18 branch managers. They'll give you an objective, professional evaluation of every savings plan and how it will affect your specific situation.

Don't be confused. Talk to the professionals at Ann Arbor Bank. The place where your good decisions begin.

Obituary

Mrs. Richard (Lois) Kuntz
485 Furnace Rd.
Manchester

Age 47 years, died suddenly Thursday, October 29, 1981 at her home.

She was born August 24, 1934 in Lansing, the daughter of Mr. and Mrs. Walter F. Patenge.

She graduated from Michigan State University in 1955.

She was married to Richard Kuntz on June 15, 1957. He survives.

Mrs. Kuntz was a member of the St. Thomas Lutheran Church in Freedom Township, the church choir and a Sunday School teacher. Also a member of the Manchester Township Library Board, the Board of Directors of the Michigan Library Association and the Board of Directors of the Black Sheep Theatre in Manchester.

In addition to her husband she is survived by one daughter, Miss Kristianne Kuntz, a senior at the University of Indiana in Bloomington, Indiana; parents, Mr. and Mrs. Walter F. Patenge of East Lansing; one brother, Roland Patenge of East Lansing; and several nieces and nephews.

Funeral services were held Monday, November 2, 1981, 1 p.m. at St. Thomas Lutheran Church, Rev. Paul Puffe officiated. Burial followed in the Church Cemetery.

Memorial contributions may be made to the St. Thomas Lutheran Church, the Manchester Township Library or the Black Sheep Theatre.

Local Student Receives National Award

Mark O. Lowell, Manchester, a 25 year old student at Washburn Community College in Ann Arbor, received a Fourth

Award of \$250 for his entry submitted in the annual Arc Welding Awards Program sponsored by The James F. Lincoln Arc Welding Foundation of Cleveland, Ohio.

A total of \$15,000 was awarded throughout the United States to students studying arc welding and to individuals using arc welding in farm, industrial or home shops. Awards are made annually for descriptions of equipment or projects involving the use of arc welding.

Mark designed and made an insert for his home's wood burning fireplace. Glass doors allow viewing and prevent heat loss. Fan forced air flow increases efficiency. His total cost was \$295. He credits three instructors, Dan Grey, Bill Figg, and Clyde Hall.

A Jury of educators and representatives of industry judged entries under the Jury Chairmanship of Dr. Donald N. Zwieg of Worcester Polytechnic Institute. The Lincoln Arc Welding Foundation sponsors arc welding award programs and publishes books for professionals, college students, high school students and individuals using arc welding to advance the science and technology of arc welding. The free rules brochure and entry forms for current award programs are available from The James F. Lincoln Arc Welding Foundation, Cleveland, Ohio 44117.

Friends Of The Library

Friends of the Manchester Library will hold an Open House and general membership meeting on Thursday, November 12th at 7:00 p.m. at the Manchester City Hall.

The evening will be highlighted by a social hour featuring homemade cookies and the world's best cider.

Interested community members are welcome to attend and learn more about the role of Friends of the Library.

Come and find out what we have accomplished and will be doing to support our beautiful library.

Middle School Parent-Teacher Conferences

There will be no school on Thursday, November 5, and Friday, November 6, to allow for the scheduling of this semester's parent-teacher conferences. Parents are encouraged to have their children attend the conferences with them. The time schedules are as follows:

Thursday, November 5 - 9:00 A.M. - 12:00 P.M.; 1:00 P.M. - 5:00 P.M.; 6:30 P.M. - 9:30 P.M.

Friday, November 6 - 9:00 A.M. - 12:00 P.M.; 1:00 P.M. - 4:00 P.M.

Parents planning to attend may pick up their child's report card when they arrive at school. Fifth and sixth grade student report cards will be available in the fifth grade hallway located in the Nellie Ackerson Building. Seventh and eighth grade report cards may be picked up in the hallway by the library in the Middle School. Report cards that are left over will be sent home with the students on Monday, November 9.

Since only one night conference has been scheduled, we are requesting that only those parents who cannot make the morning or afternoon conferences on the scheduled days attend Thursday evening. Hopefully, this will reduce the possibility of long waiting lines which can be a problem for all concerned.

If parents discover that they cannot

attend on either of these days, we urge them to call their child's teacher on any school day from 8:15 A.M. - 8:45 A.M. to arrange a conference time that is convenient for both parties. Teachers may be contacted by calling 428-7442.

Information concerning the November 9th Millage and Bonding Proposals will be available in the library. Mr. Brian Schick, Middle School Principal, will be present to discuss the issues with interested parties.

8th Grade Trip

Thank you everyone for the great response. We have two full buses going. All the chaperons and students who have signed up to go can go. Anyone else signing up will go on a waiting list.

The fundraiser started last Friday and will end November 16, 1981. All money, bells and brochures are due that day. The Travel Company should be sending the trip schedule and payment schedules soon. Be looking for them.

Married

Randy Lee
Henry

Kimberly Kay
Wacker

Kimberly Kay Wacker, daughter of Mr. and Mrs. George E. Wacker, of Manchester and Randy Lee Henry, son of Mr. and Mrs. James E. Henry, of Milan were married Saturday, September 19, 1981 at Zion Lutheran Church by the Rev. John R. Morris. The 6:30 candlelight service was preceded by selected love songs played on the piano by the uncle of the bride, Richard Stark accompanied by his wife Ann.

The bride wore a dress and veil of her own design. The dress and veil was handmade of candle white Bridal Satin and

silks illusion. The dress had a high stand up collar with hand applied lace and pearls. She carried a ivory lace fan of dust rose and white carnations, white roses, and light pick orchids.

The maid of honor was Lauren Willson, friend of the couple, from Manchester.

The bridesmaids were Tammy Swartout, friend of the couple from Ann Arbor; Mrs. Ted (Linda) Hinderer, friend of the couple from Chelsea; Mrs. Dave (Irene) Taylor, sister of the groom from Belleville; Wendy Henry, sister of the groom from Milan.

The Junior Bridesmaid was Jodi Parr,

friend of the couple from Manchester. The Flower Girl was Michelle Mast friend of the couple from Chelsea. Both girls wore pink flowered floor length dresses.

The best man was Mike Fisk, friend of the couple from Manchester. Serving as Groomsman and Ushers were Tim Wacker, brother of the bride from Manchester; Brad Henry, brother of the groom from Milan; David Taylor, brother-in-law of the groom from Belleville; Rick Wilby, friend of the couple from Ann Arbor; and Tom Rossettie, friend of the couple from Manchester. The ring bearer was Josh Freysinger, friend of the couple from Grass Lake.

Following the wedding ceremony, a reception was held at the Chelsea Chrysler Union Hall. Mr. and Mrs. Helge Johanson, Godmother of the Bride, greeted the guests.

Pat Kidd, friend of the couple from Manchester, attended the guest book. Mrs. Richard (Arlene) Paul and Judy Hazen cut the cake.

The couple are making their new home in Manchester.

Engagement

The parents of Laura L. Coffman are pleased to announce the engagement of their daughter to Victor A. Dennis. Laura is the daughter of Mr. and Mrs. Darrel Farr of Chelsea and Mr. and Mrs. Dale Coffman of Battle Creek. Victor's parents are Mr. and Mrs. Lee Dennis of Manchester.

Laura is a 1980 graduate from Chelsea High School.

Her fiancé is a 1981 graduate from Manchester High School and is employed by Malloy Lithographing Co.

A December 5, 1981 wedding is planned and will be held at Salem Grove United Methodist Church with reception immediately following at the church parsonage.

NOTICE OF APPLICATION FOR ESTABLISHMENT OF A BRANCH BANK

Notice is hereby given that The Citizens Bank of Saline, 100 W. Michigan Avenue, Saline, Michigan has made application with the Commissioner of the Michigan Financial Institutions Bureau for establishing a bank to be located at 9066 Austin Road, Bridgewater Township, Washtenaw County. The application was accepted for filing by the Financial Institutions Bureau on October 29, 1981.

Any person who desires to protest the application must file a written notice of protest with the Commissioner of the Financial Institutions Bureau, P.O. Box 30224, Room 390, Third Floor, Law Building, Lansing, Michigan 48909 and with the applicant not later than November 22, 1981. The application is on file with the Commissioner and may be inspected during regular business hours.

This notice is published pursuant to section 30 of the banking code of 1969, as amended, being section 487.330 of the Michigan Compiled Laws as amended by Act No. 524 of the Public Acts of 1976, which sets forth the procedures for processing applications and the manner in which protests may be made.

Hit Or Miss by farley

A friend of ours, talking about "old timers" said he had a list of "Do you remember's" that will classify one as being one which include the following questions:
 "Turned off the lights as you left the room."
 "Saved stale bread for stuffing or for bread pudding."
 "Darned holes in your socks."
 "Had one radio in the house."
 "Took a bath once a week on Saturday Night."
 "Ate at a restaurant only on anniversaries or special occasions."

I note that the Rev. Richard Helverson, the chaplain of the U.S. Senate was given a raise in pay from \$42,750 to \$52,750. Maybe we can expect better things from the Senate from now on.

Care Of The Dying Patient

Ingrid Dieniger, RN will present a workshop titled "Care of the Dying Patient: A Challenge of Terminal Care". The program is scheduled for November 6, 1981, 8:30 AM to 4:00 PM at the Holiday Inn West, Ann Arbor. The workshop is designed for health care workers and other persons involved in the care of the terminally ill. Washtenaw County Continuing Education is sponsoring the program.

To register for the program or to obtain more information, please call Barbara Steele, Chelsea Community Hospital, 475-1311, Ext. 353.

FFA To Hold First Meeting

The High School FFA Chapter will meet on Wednesday, November 11, at 8 p.m. for the first time this year. Because the agriculture program is now part of the vocational consortium, Mark Blumenauer and Gary Weidmeyer have agreed to help sponsor the local organization since there is enough student interest to warrant continuation of the group.

Arrangements will be made so that the local chapter members can prepare for FFA contests during the year with other FFA chapters in the South and West Washtenaw Consortium. Traditionally, a major part of every FFA chapter's activities have been contests of different

types. Officers elected for the current year are: President - Jeff Bristle, Vice President - Lauren Willson, Secretary - Vonda Lucas, Treasurer - Todd Haselschwerdt, Reporter - Greg Lucas, and Sentinel - Tim Wacker.

Board Of Education Meets With Township Officials

Represented by President William Broucek, Vice President William Bunney and Trustee Kent Talcott the Board of Education met with Township Officials on Tuesday, October 27 to review the financial issues of the special election scheduled for November 9, 1981.

All elected Township Officials were invited to the session which was designed to provide an opportunity for the exchange of information and concerns between the representatives of all local forms of government.

The Village of Manchester was represented by Mayor Jeff Schaffer. Clarence Fielder represented Manchester Township. Bridgewater Township was represented by Douglas Parr and Marvin Breitenwischer. John Savage, Willard Blumenauer and Herb Jacob represented Sharon Township.

The general consensus at the conclusion of the meeting was that such meetings were valuable and should be held more frequently in the future in order to keep all elected local government officials aware of the problems which each must face.

School Bond Sale Proceeds Use Limited

The Board of Education of the Manchester Community Schools has scheduled a special election for Monday, November 9, 1981. The polling place will be in the Library of the High School. Voting hours are from 7:00 A.M. to 8:00 P.M.

The purpose of the election is to seek permission from the voters to sell school district bonds totaling 1.9 million dollars. Two propositions will cover the sale of these bonds. In the first proposition permission is requested to sell 1.6 million dollars worth of bonds for general renovation of all district buildings. Development of the new athletic site for \$300,000 is the topic of the second proposition.

School district bonds are issued in order to finance long term projects. Such bonds are similar to a homeowner's mortgage. The cost of repaying such bonds is subject to increasing assessment valuations of property in the school district, the interest rate at the time of bond sale, and the length of debt retirement. Based upon information currently available it is estimated that the millage levy for proposition I will be 2.9 mills. Six-tenths of a mill would be required to retire the debt from Proposition II.

The sale of such bonds is subject to the approval of the Michigan Department of Education. Money from the sale of the bonds cannot be used for projects other than those approved by M.D.E.

A third proposition will seek permission to levy 1 additional mill for operating purposes. The Board of Education has adopted a resolution stating that these monies would be used to restore athletic programs and transportation services until June, 1983.

enrollment this fall is matched by the quality of students choosing United," states Dr. John Lepp, Dean of Admissions. "With a gain of more than 30% in new students over last fall, we are encouraged that the excellent program of education United offers is recognized more and more widely."

Almost 85% of the incoming class are United Methodists, and 19 other denominations are represented. This class includes students from 20 states, ranging from Washington to Maryland, and also Germany. "We find the diversity of background challenging and enriching," Dr. Lepp states, "as we work with common commitment toward our high goals."

Women make up almost 25% of the class of '84, which includes 10% minority students.

Dean Newell Wert observes, "The quality of the current student body is an encouraging sign for the Church. We are grateful for the work and support of alumni/ae and friends who encourage committed and able persons to consider ministry and who direct them to United for their seminary education."

Manchester Nursery School

Back to front: Kellie Stockwell, Justin Ebersole, Andrea Tubangh, Kellie Helfrich and Justin Rodgers.

Time certainly flies by so quickly - September, October, November - and our nursery school youngsters are already acting like "old school pros!" They are developing independence, learning to listen and follow directions, to share and cooperate in work and play. And, of course, to have fun with their peers as the above picture so illustrates.

A special event of this past month, for all the classes at the nursery school, was a rolling hayride and tour of John and Nancy Bihlmeyer's dairy farm. Their daughter, Katrina, is in the three year old Tuesday/Thursday A.M. class.

Of course, the art center for October has

featured a variety of cut and paste creations on a Halloween theme. This holiday was also celebrated with a party at nursery school during which all the children wore their costumes, played games, and had a special Halloween treat.

This month, another special event is planned for the children - an outing to Charles DuRussel's home and a tour of the DuRussel Brother's Potato Farm. Charles is in the four year old Monday/Wednesday/Friday A.M. class.

Other November projects, at the art center and learning centers, will be on Fall harvests and Thanksgiving themes.

Back to front: Jeff Kemner, Charles DuRussel, Christopher Schaible, Justin Ebersole, Andy Kallawaard, Michelle Helfrich, Kellie Stockwell, Andrew Macfarlane and Andrea Tubangh.

A GUEST IN THE THIRD GRADE

Students in Mrs. Lowery's third grade class at Luther C. Klager Elementary School will be in for a treat on Friday, November 6. At her invitation, newly elected Guild Vice-President, Steve Ljovshin, will teach an hour of watercoloring. Steve's emphasis of this flowing, wonderfully translucent form of painting will be on the fun and enjoyment of the media. His daughter, Barbara, and classmates will apply paint to wet paper and discover the magic combination of pigment and water!

Grass Lake Man Dies In Car-Tractor Accident

An 85-year-old Grass Lake man was killed Tuesday morning after his vehicle hit a piece of farm equipment head-on on Sharon Valley Road, near Lamb Road in Sharon Township. Herman Spiess of 14996 Sharon Valley Road was pronounced dead on arrival at Chelsea Community Hospital. According to reports, Spiess was headed eastbound on Sharon Valley Road shortly after 9 a.m. Tuesday, October 27, when he struck a field finisher being pulled by a pickup truck driven by Ricky L. Coopshaw, 24 of Wauson, Ohio. The finisher was 16-feet wide and part of it was protruding into the eastbound lane at the time, deputies said. They said the impact ripped off the roof of Spiess' 1968-Dodge.

School Bond Tax Levy Delayed

The Manchester Board of Education has pointed out to voters that approval of Propositions I and II which deals with the sale of bonds for renovation and improvement of school property WILL NOT result in an immediate increase in property taxes.

If the propositions are approved sale of the bonds is scheduled for the Spring, 1982. This means that the initial tax levy required to retire the debt would not occur until the payment of 1982 taxes. This levy would be approximately 2.0 mills for Proposition I which is designed to provide money to renovate buildings and .6 of a

mill to retire the bonds designed to improve the athletic site.

The approval of Proposition III which is a request of one mill for two years would result in immediate funds to the school district. These funds would provide for the restoration of transportation services and athletic programs until June, 1983.

NBJ Approved Cash Dividend

Robert L. Condon, President and Chief Executive Officer of The National Bank of Jackson, today announced that the Board of Directors has approved a 50c cash dividend to be paid November 16, 1981, to all shareholders of record at the close of business October 30, 1981. This fourth-quarter dividend represents a payout of \$605,800 based on 1,011,600 shares. This is a 5c increase in the regular quarterly dividend and brings the total regular dividend payment, year to date, to \$1.85, or 15%, above last year's \$1.64 per share. When the first quarter special extra dividend of 25c is included, the total cash dividends paid year-to-date of \$2.10 per share are 29% over last year.

Letters To The Editor

for voters to give themselves a tax increase. Still, we must be grateful to those who have made the sacrifice in the past. Think how much \$25,000 for the original Union School seemed back in 1867, when a home could be purchased for \$600.

Of course there have always been people who voted "no," such as the 88 who didn't want to spend \$27,000 for a village water plant in 1912. Fortunately 229 voters were looking to the future, and the project was approved.

In 1936 the building still in use at the Middle School cost \$80,022. What a fortune that must have seemed to people in the late Depression years, when our village workers were cut to 20c per hour. And talk about government intervention—it was a Works Progress Administration (WPA) project. Incidentally, a local historian who attended classes there states the roof was leaking just three years after it opened!

So we can see that high taxes, big government and leaky roofs have been with us for a long time. Is that sufficient reason to deny our children and grandchildren well-equipped buildings in good condition? Please vote yes Monday, November 9.

NBJ, Detroit Bank Plan Merger

Robert L. Condon, President of The National Bank of Jackson, Michigan, and Donald R. Mandich, Chairman of DETROITBANK Corporation, today announced an agreement, in principle, whereby DETROITBANK Corporation will acquire all of the common stock of The National Bank of Jackson.

The agreement provides for shareholders of The National Bank of Jackson to receive approximately 1,224 shares of DETROITBANK Corporation common stock in exchange for each of the 1,014,982 outstanding shares of The National Bank of Jackson.

"As a large Jackson bank and, relative to their peer group, one of the most respected and best performing banks in Michigan, a merger with The National Bank of Jackson is extremely appealing to us," Mandich said. "Upon receipt of the necessary approvals, we look forward to participating in the continuing growth of the Jackson market, by utilizing and enhancing the

Kelly Gotts D.A.R. Good Citizen

Kelly Gotts, President of the Senior Class, has been named the D.A.R. Good Citizen this year at Manchester High. This award, sponsored in the county by the Sarah Caswell Angell chapter of the National Society Daughters of the American Revolution, is presented annually to a senior who exhibits the qualities of leadership, dependability, service and patriotism. The qualities are established by the D.A.R. and are part of the selection process. Members of the Senior Class nominate candidates and the High School faculty selects the winner from the nominees.

Kelly, by being named the Good Citizen, will be placed in competition with other Good Citizens for state awards. The winner of the state competition is then placed in competition with the winners from all states for a national scholarship.

Kelly has been a band and pep band member three years, has been active in varsity choir, participated in softball, is currently a member of the National Honor Society and also served as President of her Junior Class. She is the daughter of Mr. and Mrs. Bruce Gotts of Manchester.

The winners will be honored at a reception by the area D.A.R. chapter on February 13, 1982, at the Bentley Historical Library in Ann Arbor.

Optimist Good Citizen

Pictured left to right: Mr. Lou Vogel, Optimist Member, Mark with parents Mr. and Mrs. Leon Ball.

Mark Ball, a sophomore at Manchester High School, has been named the Optimist Club Outstanding Citizen of the Month for November. His hobbies include stamp collecting, hunting and fishing. Last year he participated in junior varsity football, junior varsity basketball and junior varsity baseball.

Mark, the son of Mr. and Mrs. Leon Ball, 611 Vernon Street, is an altar boy at St. Mary's Church where he is also a member of the youth group.

Although his career plans are not definite, he intends to go to college and is seriously considering the field of business engineering at this time.

Special School Election Results

In a record breaking voter turn-out for the Special School Election held on Monday, November 9, Proposals I and II were defeated and Proposal III was passed.

The results were: Proposal I 786 yes, 932 no; Proposal II 520 yes, 1149 no; Proposal III 915 yes, 801 no. 1728 voters cast ballots.

Dr. Eugene Thompson, Superintendent of the Manchester Community Schools, stated that the Bond Issues would be reworked and brought back to the community at a later date. This would most likely be the regular June 1982 election.

Klager Families Meet With Teachers

Klager Elementary's Parent-Teacher Conferences were held on November 5 and 6. Almost 100% of Klager's families met with teachers to receive report cards and discuss their child's progress.

Another highlight during conference days was the PTO Book Fair which gave parents an opportunity to treat their children to delightfully educational materials.

Parents were welcomed at the door by a complimentary "Apple from the Teachers" provided by the Manchester Education Association.

VETERANS DAY PARADE

Pictured: Manchester American Legion, American flags and marching veterans' groups highlighted the annual Veterans' Day parade through Manchester Sunday afternoon. A total of 60 marching units participated in the hour-long parade, which began and ended at the American Legion Post on Adrian Street.

Hit or Miss by farley

Author Betty Friedan says that women have a problem—a nameless one that she first noted in the 1960's. She says they have feminine battle fatigue. She says women don't really know what they want.

They have a job. They have their own bank account. They have a relationship with a fellow. They have a relationship with NOW. They subscribe to MS. They have an ERA button. You belong to a conscious-raising group. You don't have to get married or stay married to anyone or have children or stay at home with them if you don't want to.

But there is still something wrong. There are days when your job drags horribly but you have to keep working because you need the money (who don't). You are still stuck with most of the work at home after office hours. There are days when you wish you were married if you aren't and single if you aren't. Or you want children if you don't have any. But you are supposed to be free-to-be-me and you aren't. You are, she says, exhausted trying to be "me" but you secretly ask yourself "Is this all there is?"

Betty says this disease has as yet no name but she saw her first case of it in the early 1960's and it has since been getting worse and worse. You have been a part of hammering out the most significant movement of the decade—and now you aren't at all sure you want what you have. You just don't like the looks of it, do you? Maybe what you have gotten isn't what you wanted, is it?

Too there seems to be a backlash to all this. The faltering economy may give the establishment males a chance to take away from you your job or your promotion. Nobody is going to provide day care centers or a guarantee of unlimited maternity leave or always equal pay for women's work that is comparable to that of the men.

The new equal rights amendment would like to take away from you your right to an abortion and see you back on the suburban cul-de-sac although no one can afford it nowadays.

And so Ms. Friedan says that the first stage of the women's movement is rapidly ending in discouragement, disillusionment, a lack of leadership and a loss of direction so what next?

Ms. Friedan has written a new book *The Second Stage*, which is a mishmash of generalities, utopian cliches and women's movement revisionisms.

She says the women's movement went very wrong in pushing so hard to escape the bondage of housework and "second-sex" status that it ignores the need of women for husband and children and a home. She says that reconciliation with the anti-ERA forces who turned "family" into a buzzword for reaction and where "family" is the new frontier for the feminist.

It was the feminist's failure to resolve the "insoluble problems of child bearing and child rearing" that lost them the following of millions of women who consider them a threat to the stake they have in motherhood and traditional family life, the author says.

In the second stage of the feminist movement, she says, women will have to work out the unresolved problems of how to divide up the housework and job work
