### Fishermen, Farmers To Pay Estimated Tax Soon

Individuals engaged in the farming & fishing industries who earned at least two-thirds of their 1980 or 1981 gross income from farming or fishing must make a declaration of estimated tax for 1981 and pay all taxes due by January 18, 1982, the Internal Revenue Service says.

However, farmers or fishermen who plan to file their income tax returns for 1981 and pay the total tax by March 1, 1982, are not required to make an estimated tax declaration.

The IRS has three publications which explain filing requirements: Publication

225, Farmer's Tax Guide, Publication 596, Tax Guide for Commercial Fishermen, and Publication 505, Tax Withholding and Estimated Tax.

The free publications may be obtained by contacting IRS.

### Senior Citizens Meeting

Our next meeting will be held on Wednesday, January 27 at 1:30 p.m. at St. Mary's Church.

**NBJ IRA**  
A WORLD OF DIFFERENCE

Discover the options that set this IRA a world apart.

#### NBJ IRA Options:

1. Savings Account.
2. 18-Month Variable Rate Time Deposit.
3. 30-Month Fixed Rate Time Deposit.
4. 6-Month Fixed Rate Money Market Time Deposit.
5. Common Stocks.
6. Bonds.
7. Money Market Funds.

NBJ introduces an IRA that gives you more ways to make your money a star performer. Besides tax savings, you get the flexibility of choosing from a wide range of IRA options—all paying a high return on your investment, and all providing detailed statements.

• **IRA Savings Account.** Yield for this option is over 50% higher than a regular savings account. You'll earn the maximum of 8% interest compounded continuously. When your investment grows to a set amount (\$1,000, \$10,000, \$25,000, etc.) it can be transferred to another IRA option that pays higher interest. Deposits to your IRA Savings Account can be as low as \$10, and can be made conveniently through a payroll deduction program.

#### • IRA Time Deposits. Includes the following:

- 18-Month Variable Rate Time Deposit\*  
—\$1,000 minimum deposit.
- 30-Month Fixed Rate Time Deposit  
—\$1,000 minimum deposit.
- 6-Month Fixed Rate Money Market Time Deposit  
—\$10,000 minimum deposit.

Other financial institutions may appear to be paying a higher rate. But, in fact, they may not be. NBJ, on the other hand, will pay 1/4% above the rate of 91-day Treasury Bills.\* Other time deposits will be at the prevailing interest rates.

• **IRA Trust Funds.** An important NBJ difference—savings and loans can't offer these. We have an experienced trust department, so we can offer three more IRA options:  
—Common Stocks.  
—Bonds.  
—Money Market Funds.

**Tax savings that make a world of difference.**  
You can deduct your IRA contribution from your taxable income—up to \$2,000 a year if you're single, up to \$2,250 a year if you're married with one income, and up to \$4,000 a year if you're married, have two incomes and two IRA's. And the earnings on your IRA are tax-deferred, too.

The chart below shows you how much money you can save in taxes in 1982 by investing in an NBJ IRA plan now. The information is based on a \$2,000 single IRA contribution, and a \$4,000 contribution to two IRA's by a working couple filing a joint return.

#### POTENTIAL 1982 TAX SAVINGS

Single (\$2,000)		
If your taxable income is:	Tax Bracket	Potential Savings
\$12,900 - \$15,000	23%	\$460.00
\$15,000 - \$18,200	27%	\$540.00
\$18,200 - \$23,500	31%	\$620.00
\$23,500 - \$28,800	35%	\$700.00
\$28,800 - \$34,100	40%	\$800.00
\$34,100 - \$41,500	44%	\$880.00
\$41,500 -	50%	\$1,000.00

#### Working Couple Filing Joint Return (\$4,000)

If your taxable income is:	Tax Bracket	Potential Savings
\$20,200 - \$24,600	25%	\$1,000.00
\$24,600 - \$29,900	29%	\$1,160.00
\$29,900 - \$35,200	33%	\$1,320.00
\$35,200 - \$45,800	39%	\$1,560.00
\$45,800 - \$60,000	44%	\$1,760.00
\$60,000 - \$85,600	49%	\$1,960.00
\$85,600 -	50%	\$2,000.00

#### Down-to-earth fees for an out-of-this world IRA.

NBJ's service fees are a small price to pay for a better IRA. You get the flexibility of several investment options; high, tax-deferred returns; the experience of NBJ Personal Bankers; and excellent records.

See your NBJ Personal Banker today for more information. And discover the options that set NBJ's IRA a world apart!

### HIT or MISS by Farley

Several nationally known columnists have been crying that the "media" lately reports the bad news and not the good news. Now a quick look at any daily newspaper can prove that is not true. We looked the other night, at the days news in one of our larger newspapers and found a great deal of "good" news, not perhaps earth shaking but news that in one way or another, could be called "good". For instance:

Ginger Stewart down in Indianapolis opened a bag of potato chips for a snack when out tumbled \$47 in cash in a wallet containing identification and returned it to the owner.

The owner of the cash thought the return of his wallet a weird chain of circumstances. He said he lost it when, as a mechanic in a potato chip plant in Terra Haute, Indiana, he was working on a new packaging machine when it fell out of his pocket and on to the machine. Thomas thought that the finder could have a good time with the \$47.00, but when Ginger found the wallet she called the police and they restored it to the owner. This Thomas says, has restored his faith in the folks of this world.

And then there was the Rev. Jerry Farwell of Lynchburg, Va., who asked his TV audience not to send him money to continue his good work. He said "If God can't provide me with the funds to save sinners, then I'll find something else to do. Lord knows you need your money more than I do."

Theodore Pinz, a multimillionaire developer bought the Lost Horizon apartments in New York City and planned to convert it into co-operatives which would sell for as much as \$500,000 each. A delegation of Senior Citizens living there went to see him and told him that they would be out in the street if he went ahead with his plan, with no place to live. He answered them by saying "I didn't realize that human suffering was involved in my project. I'm still going to fix it up but you can all stay there as long as you want to at the rents you are now paying. If a person can't do some good in the real estate business, he shouldn't be in it."

And then there was the Toledo woman, who the other day with the temperature reading 14 above zero, and clad in nothing but a T-shirt, jumped into the Ottawa River and rescued a dog who had fallen into the river. She succeeded in dragging the 90-pound Golden Retriever from the frigid water. "It was very cold" said Mrs. Monus, 54, who was working at the William Graham home when the dog fell into the river. "He was my good friend", she added.

Mrs. Mobus, who has been a basketball star and athlete in the native Hungary, says she keeps fit. She ventured out four yards onto the ice and grabbed one of the dog's paws and pulled him out. He promptly rolled around and ran home.

Told that it was brave, she said she didn't think so "I just wanted to save the dog."

Doctors at the Bowling Green Medical Research School have discovered that the human body needs twice as much dessert as was originally believed. They recommend that every person eat at least one banana split, piece of pie, chocolate cake, fruit tart, or sweet cookie or their equivalent with every meal and one

### Addison Defeat Dutch

Mark Ball hit for 13 points in Addison game on Friday.

by Jon Hardenbergh

First of all, the Varsity Roundballers played at Addison on Friday and came within 2 points of a victory. We were coming off our first season win and the Panthers found out we had matured, as a team. The entire game was always close although Addison can pull out front with a 5 to 7 point lead, but these were soon

erased by our hustling, scrapping Dutch. One big factor is 2 of the 3 top point getters got in foul trouble and later did sit down. Another strong point here is, the piners took over for the fallen starters and kept the battle going. With about 41 ticks left on the clock we stole the ball and called time. We then went for the final 2-pointers

## LETTERS TO THE EDITOR

To the taxpayers and voters of Bridgewater Township

After being a resident and property owner in and around Bridgewater Township during the past forty-five years, and because of being a person who lives a fairly simple life, I've missed the point as to why a group of people, calling themselves the Bridgewater Action Committee, are insisting upon an individual having to acquire a minimum of ten acres of excellent agriculture land in order to build a house. They have even gone so far as to legally petition for a recall vote, in order to relieve four out of five township board members of their positions. Do they do not totally agree with the recall proposals? Why not recall the board member also? He must be one of the "good guys" (no disrespect intended).

Not being personally acquainted with any of the persons representing the Bridgewater Action Committee, the assumption has been taken that its members largely consist of responsible, conscientious, ambitious property owners, whom are relatively short timers within the township, many being prior city dwellers, and have moved to the country to get away from the hustle and bustle of big city life. No one would want to deny or deprive them of this privilege, but it is

extremely evident that their knowledge of agriculture land conservation and preservation, and modern farming practices is something to be desired.

Concerning their request for a ten acre parcel of land to build a house on is ridiculous. The manner in which the property is subdivided on Kies Road proves to be a good example. A second example might be the property along the Clinton Road, near the Raisin River. Much of the land in both areas consist of long narrow lots, made up of smaller size acreages, variable in size, possibly between five and fifteen acres, which contain respectable homes built to the rear of the property, with driveways extending the full length, to the public roadway. Considering the ten acre plot, as suggested by the committee, then subtracting from same the space required for a large house, a long driveway, a large garden, septic tank and field, a garage, possibly a pole barn for a couple of ponies, and a coop to house a chicken or two, there would be very little land left for farming. In fact, the very few full time farmers of today, whom are attempting to feed the world, could not turn their large equipment around on the property that would be left for them to utilize, without running over and destroying the total crop.

In all seriousness, a proposal which might be considered would be to require a thirty or forty acre parcel of land within the township in order to build a house or building, excluding such areas as Bridgewater Village, Columbia Lake property, Podunk Lake area, Joslin Lake property and various other parcels of land which might be considered strictly residential. Many of the details would be worked out as to the selling of presently owned homes, plotted sites, houses presently being erected, property owners with intentions of building on existing sites, etc.

It is a certainty that if a ten acre parcel of land to build on, as proposed by the committee, would be legal, so would a thirty or forty acre parcel be the same. Then at least the remaining twenty five or thirty five acres respectively, could be tilled with the equipment of today.

It might even be possible the present township board members could agree to a proposal such as this, whereby conserving farm land, which had better be our goal in order that future generations may prosper and survive. If such a proposal cannot be consummated in any form, then possibly it would be better to stay with the two acre parcel, even though many of us, including myself, are not totally satisfied with this existing ordinance.

Disregarding the agricultural aspect altogether, there might possibly be a

hidden selfish motive being held by some township residents, including the Bridgewater Action Committee, which actually is the major factor of this controversy. Retarding urban development within the township by any means whatsoever could be considered as an advantage to themselves personally.

In regard to the recall of the township officials, I personally have known most of them for years. In the past, as well as the present, they have performed their tasks diligently and to the best of their ability, working for peanuts, you might say, and helping whenever and whomever they could. Included would be receiving township taxes and dog license fees on Saturdays, Sundays and holidays if necessary and registering persons at all hours in their homes in order to vote, and caring for the other duties which are required of all the board members. These items should not be forgotten by any resident of the township.

It may be late to stop this unnecessary recall voting caused by a difference in opinion and understanding. I sincerely hope that every registered voter within the township takes time to vote on this recall, if and when scheduled, and does not let a few, including the Bridgewater Action Committee, sway his or her decision in any way.

I would appreciate any pros and cons or suggestions which might enlighten me as to the facts which I may have overlooked or misinterpreted.

friends and neighbors for your support. Most of you know the amount of time and hard labor we have put into remodeling our home. We do appreciate your kind words and thoughts for us since Mr. Leonard's public verbal attack.

For those of you who expressed a desire to speak out, we would like to ask that you please do not contact Mr. Leonard with your comments. We don't feel it would solve anything to be vicious in turn.

Mr. Leonard has made us feel angry and hurt, but he has also made me feel pity; for the kind of man who would do this is a man who is surely as poor in friends as we are rich in them.

Mr. Leonard, we are both privileged to live in this community. It is a small community in which people are much more likely to join together to help one another than to condemn. My wish for you would be that you learn that before you alienate everyone around you. I would doubt that you will have many "interested parties" contacting you.

Although we know many people in town, we don't know all. If some of you are tempted to give credence to Mr. Leonard's bitter words, please consider the source.

## Church Women United Meeting

On Wednesday, January 20th, the Executive Committee of the Manchester Area Church Women United met at Emanuel United Church of Christ. Among the items discussed were the up and coming Celebrations of World Day of Prayer to be held March 5th at Emanuel Church, and the Lenten Breakfast to be held at Bethel United Church of Christ on April 7th.

The National Organization of Church Women United celebrated its 40th Anniversary on November 1981 and at that time kicked off their Fund Drive for

the Fifth Decade. Monies raised for this fund will be used to fund future growth of CWU and to support already existing programs at the local, state, or national level. Our local unit wishes to contribute to this fund and to be able to support our local work so we have planned a rummage sale to be held later on this year, in the spring. You are urged to begin saving items for this sale now. More information will be available later, when plans are finalized.

We received a letter from the Ecumenical Campus Center in Ann Arbor, thanking those who took part in hosting foreign students on the weekend of October 9-11 last year. There is always a need for homes for these students to visit on weekends and opportunities for Foreign

### Tree Seedlings Offered

The Washtenaw County Soil Conservation District is offering their annual tree, shrub and ground cover program for the Spring of 1982. Orders will be taken until April 5, with seedling distribution scheduled for a Saturday, in late April.

Planting stock available for the Spring of 1982 includes: Austrian Pine, Red Pine, Scotch Pine, White Pine, Norway Spruce, White Spruce, Colorado Blue Spruce, Douglas Fir, Autumn Olive, Silky Dogwood, Siberian Crab, Black Walnut Seed and Emerald Crownvetch Seed. Also available will be a Wildlife Packet for those wishing an assortment of trees and shrubs. Each packet contains 50 seedlings.

According to William Fishbeck, Chairman of the Washtenaw County Soil Conservation District, the main purpose of the District's tree program is to assist landowners in obtaining trees and shrubs at a nominal cost for reforestation, windbreaks, wildlife habitat improvement, Christmas trees and erosion control.

Order blanks containing information on the species available, site preference and prices can be obtained by contacting the District Office in Ann Arbor. For more information on the District's tree program, or to obtain an order blank for the Spring of 1982, contact the Washtenaw County Soil Conservation District at 6101 Jackson Road, Ann Arbor, Michigan 48103. ### Saline Hospital Receives Gifts And Pledges Free Language Course at U of M

Saline Community Hospital continues to seek the support of the community as it reaches toward the goal of \$150,000 for the purchase of a new Radiographic/Fluoroscopic Unit for the benefit of area residents. The total received to date is nearly \$47,000.

Along with the gifts from people from all walks of life and representing all levels of income comes a story of special generosity and love for the hospital and the community. The donor, who asked that her name not be used, had been suffering a gradual loss of eyesight for several years and has been able, through continuing professional health care, to regain that sight. Her gratefulness for the recovery of her sight has been expressed through her gift to the hospital because she knew she could help others to receive the same quality care in this way. She related, "The hospital has always been there when I need them. My husband was a patient at Saline Community Hospital and received excellent care. The staff has been wonderful. I know that the hospital is in great need of the new x-ray equipment and that, by giving to the hospital, it will help others for many years. I, myself, use the

hospital x-ray Department. My own family is blessed with good jobs and good health so I have decided to give money to the hospital instead of buying Christmas gifts."

The Manchester American Legion Auxiliary and Manchester Stamping Company this week have joined with other area community groups in offering support towards this project. These groups, long dedicated to the well-being of the community, has viewed the need for the hospital's new, advanced x-ray equipment as an important part of their dedication to high quality services for area residents. Manchester Stamping Company and the American Legion Auxiliary have pledged financial support which brings the total very close to the \$50,000 mark.

With \$150,000 needed to purchase the new x-ray unit, community dedication to the project is vital.

Donations may be directed to Saline Community Hospital's Office of Community Services and Development at 400 W. Russell Street. Questions regarding any phase of the hospital's development program may be directed to 429-5435, ext. 249.

### Free Language Course at U of M

Free courses in "English as a Second Language" are again being offered to all non-native speakers of English February 2-March 25 through The University of Michigan School of Education.

The classes will meet 11:30 a.m.-12:30 p.m. Tuesdays and Thursdays in the School of Education on Monroe St. at E. University. Children and adults of all nationalities are welcome. Registration will be 10:30 a.m.-12:30 p.m. January 26 and 28 in the School's Whitney Auditorium.

"Individuals and entire families are encouraged to sign up for the course," according to Grace Reuter, lecturer in English language and literature and coordinator of the project.

The classes, which do not carry academic credit, are taught by graduate students specializing in English as a foreign language at U-M. The classes will be organized according to the participants' interests and ability levels, and all will include instruction in speaking, listening, reading and writing English.

In previous years, students have ranged from some who were already very fluent in English to others who spoke no English and were illiterate in their own language.

## COUNCIL PROCEEDINGS

January 4, 1982

Council met in regular session with the meeting called to order by President Schaffer at 7:00 P.M. Present were: Patsch, Reed, Minick, Hinkley, Koebbe, DuRussel, Steele, Zsenyuk.

Minutes of the December 21, 1981 meeting were read. Hinkley moved to approve the minutes as read and corrected. Supported by Minick. All yeas, motion carried.

Zsenyuk reported that Ed Kirk's son Joseph, who lives in Shafter, California, will donate 100 rose bushes from J.C. Perkins Company, in honor of his Grandmother Florence J. Kirk, who will be 100 years old. The Kirk family prefers that the roses be planted in Kirk Park. A discussion followed and the Council decided to accept the roses. They asked Patsch to check and see if some organization or persons will help take care of the roses.

Zsenyuk reported that Layne Northern started cleaning the prime well on January 4th.

Mr. Ray Gonyer representing the Senior Citizens, made a presentation for a Senior Citizen Center Grant. Mr. Gonyer read a list why it should be considered. A discussion followed on grants. No final judgment was made on the Senior Citizen Center Grant until final criteria is set. Council will not make a decision until the program is finalized.

Zsenyuk reported a 12 inch water main leak was discovered at the Unlloy Shipping Department. Mr. Holland of McNamee, Porter and Seeley and Bill Zsenyuk are to meet with Mr. Tony Porter to try and resolve the problem. Engineers are to contact Allen Schaffer or Joe Fitzgerald about the Adrian Street sewer problem.

Sgt. Steele presented the Police Report for the month of December, 1981:  
Car #3, 668 miles, 94.0 gals. gas. Car #5, 4262 miles, 573.5 gals. gas, 4 qts. oil. Car #6, 287 miles, 41.3 gals. gas. Total 5197 miles, 706.8 gals. gas, 4 qts. oil.

Sgt. Steele also presented the yearly report for 1981 (copy on file).

Koebbe reported on the activities of the Department of Public Works: Sanded intersections and salted streets; Covered salt pile; Backfilled 12' main at Treatment Plant; Closed 12' main at Hibbard and Duncan; Replaced stop sign at Territorial and Adrian St.; Worked on broken water main on E. Main St.; Scraped streets and shoveled sidewalks; Hauled snow; Cleaned driveway at cemetery; Dug and covered grave; Worked on sewer on Duncan Street; Cleaned at landfill; Cleaned catch basin tops; Installed water meters; Rodded sewer on Territorial Street; Put up stop sign at Main and Adrian St. corner.

A discussion followed on the water problem on Eula Creeches property, corner of Morgan and Vernon Streets. Council instructed Zsenyuk to contact the D.N.R. to find out if a special permit could be secured to allow the Village to tie into the sanitary sewer. Council also requested Zsenyuk to keep Mrs. Creech updated.

Reed reviewed Village Payables for the month of December. Moved by Reed to pay the bills as presented with the exception of the Union Construction Company's invoice, which has to be checked over by McNamee, Porter and Seeley. Supported by Patsch. **Jolly Farmerettes 4-H Club**

The monthly meeting of the Jolly Farmerettes 4-H Club was held Tuesday, January 19, 1982 at the Sharon Township Hall. There were 16 members, 2 guests, and 7 leaders present. The secretary and treasurers report were read and approved.

We received a letter from Mrs. Esther Feldkamp sending a thank you note about the sunshine boxes to the 4-H Club. We also received our award certificates and pins for the projects that we completed for the 4-H Fair. The Spring Achievement and the 4-H County Fair for 1982 were discussed. Because of budget problems, we may not be receiving premiums for our 4-H projects. However we will still be awarded our 4-H ribbons.

The modeling clinic will be held March 20, 1982 conducted by Ms. Cheryl Hall and Mrs. Bruce Hunt. Mothers Tea will be held March 23, 1982, chairman for this event will be Mrs. James Curley. Spring Achievement Style Show is to be held Saturday, March 27, 1982 at Saline High School.

Mrs. Lambarth gave a leaders report. We also received our 1982 membership card. The next meeting will be held Tuesday, March 16, 1982 at 7:00 p.m. at the Sharon Township Hall. Demonstrations will be given by Becky Blumenauer, Kristen and Kathy Curley will be in charge of refreshments. We will also have a make-up demonstration at this meeting.

Respectfully submitted,  
 Marie Ball, Club Reporter

### Hit Or Miss

Continued from front page  
 portion before going to bed at night. They say "Let your eyes be the judge of what you need."

Then there is the President of the Seppiku Automobile Company of Japan who, the other day said that he would cut back on production and exports to the United States until Chrysler got back on its feet. "A healthy automobile industry is essential to relations between the two countries. We should not try to outsell our friends. I'm sure if we were in trouble Mr. Iacocca would do the same for us."

And so you see there's lots of good news in the newspapers. Try reading yours with a positive attitude rather than a negative viewpoint. It might even change your whole attitude towards the world and the

people in it.  
 And finally there is the story about the chap who was arrested and charged with marrying some 88 women. Giovanni is being held without bond charged with swindling all these women out of their savings which makes him an arch villain, but for a short time at least, he must have brought joy to the hearts of a great many middle aged women, didn't he?

### Tuesday Singles

Rueter notes.  
 "Past participants are welcome to return," she adds. "Our largest language groups have been Spanish and Japanese, but we have had Malay, Tagalog—some 88 languages in all. The course teaches appreciation of cultural differences as well as improvement of language skills."

"The course provides first hand practical experience to the graduate student teachers as well as providing a valuable community service."

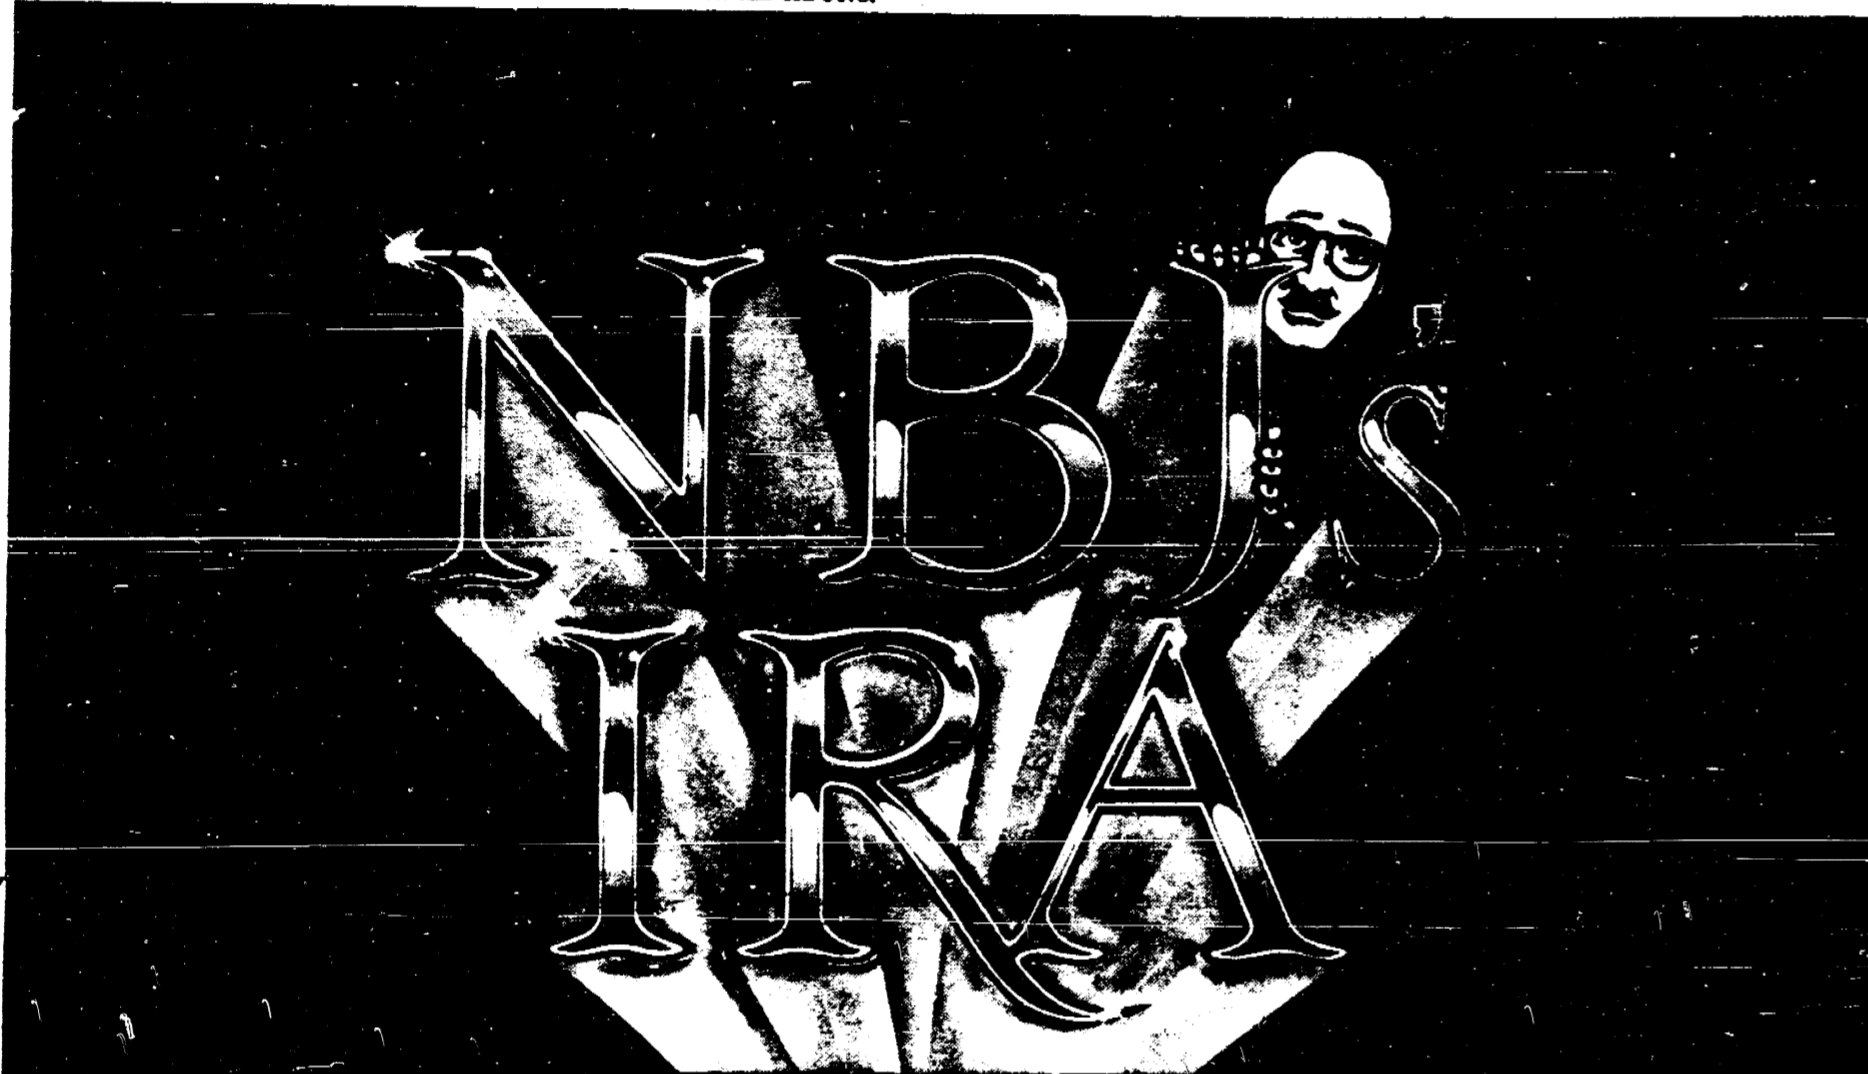

For further information about the free classes, call 764-8420 between 1 and 5 p.m.

## A WORLD OF DIFFERENCE

Discover the options that set this IRA a world apart.

- NBJ IRA Options:**
1. Savings Account.
  2. 18-Month Variable Rate Time Deposit.
  3. 30-Month Fixed Rate Time Deposit.
  4. 6-Month Fixed Rate Money Market Time Deposit.
  5. Common Stocks.
  6. Bonds.
  7. Money Market Funds.
- NBJ introduces an IRA that gives you more ways to make your money a star performer. Besides tax savings, you get the flexibility of choosing from a wide range of IRA options—all paying a high return on your investment, and all providing detailed statements.
- **IRA Savings Account.** Yield for this option is over 50% higher than a regular savings account. You'll earn the maximum of 8% interest compounded continuously. When your investment grows to a set amount (\$1,000, \$10,000, \$25,000, etc.) it can be transferred to another IRA option that pays higher interest. Deposits to your IRA Savings Account can be as low as \$10, and can be made conveniently through a payroll deduction program.
  - **IRA Time-Deposits.** Includes the following:
    - 18-Month Variable Rate Time Deposit\*
      - \$1,000 minimum deposit.
    - 30-Month Fixed Rate Time Deposit
      - \$1,000 minimum deposit.
    - 6-Month Fixed Rate Money Market Time Deposit
      - \$10,000 minimum deposit.
 Other financial institutions may appear to be paying a higher rate. But, in fact, they may not be. NBJ, on the other hand, will pay 1/4% above the rate of 91-day Treasury Bills.\* Other time deposits will be at the prevailing interest rates.

- **IRA Trust Funds.** An important NBJ difference—savings and loans can't offer these. We have an experienced trust department, so we can offer three more IRA options:
  - Common Stocks.
  - Bonds.
  - Money Market Funds.
- **Tax savings that make a world of difference.** You can deduct your IRA contribution from your taxable income—up to \$2,000 a year if you're single, up to \$2,250 a year if you're married with one income, and up to \$4,000 a year if you're married, have two incomes and two IRAs. And the earnings on your IRA are tax-deferred, too.

The chart below shows you how much money you can save in taxes in 1982 by investing in an NBJ IRA plan now. The information is based on a \$2,000 single IRA contribution, and a \$4,000 contribution to two IRAs by a working couple filing a joint return.

**POTENTIAL 1982 TAX SAVINGS**

Single (\$2,000)		
If your taxable income is:	Tax Bracket	Potential Savings
\$12,900 - \$15,000	23%	\$460.00
\$15,000 - \$18,200	27%	\$540.00
\$18,200 - \$23,500	31%	\$620.00
\$23,500 - \$28,800	35%	\$700.00
\$28,800 - \$34,100	40%	\$800.00
\$34,100 - \$41,500	44%	\$880.00
\$41,500 +	50%	\$1,000.00

**Working Couple Filing Joint Return (\$4,000)**

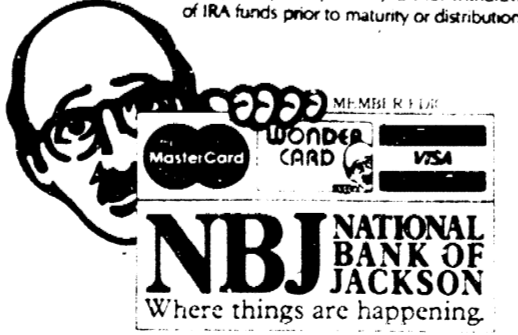

If your taxable income is:	Tax Bracket	Potential Savings
\$20,200 - \$24,600	25%	\$1,000.00
\$24,600 - \$29,900	29%	\$1,160.00
\$29,900 - \$35,200	33%	\$1,320.00
\$35,200 - \$45,800	39%	\$1,560.00
\$45,800 - \$60,000	44%	\$1,760.00
\$60,000 - \$85,600	49%	\$1,960.00
\$85,600 +	50%	\$2,000.00

**Down-to-earth fees for an out-of-this world IRA.** NBJ's service fees are a small price to pay for a better IRA. You get the flexibility of several investment options; high, tax-deferred returns; the experience of NBJ Personal Bankers; and excellent records.

See your NBJ Personal Banker today for more information. And discover the options that set NBJ's IRA a world apart!

\*Based on the average of the last four weekly auction rates of 91-day Treasury Bills.

Substantial penalty is required by law for withdrawal of IRA funds prior to maturity or distribution.

**Area Schools Present 'Showcase'**

On Thursday evening, January 28th, in the Huron High School Cafeteria, Ann Arbor, 7:30 p.m. the public schools in Washtenaw County will be showing some of their best programs and activities. Each district and the community college have submitted one event.

You will have an opportunity to hear a chamber music group from Saline and the top vocal music group from Ypsilanti. Manchester will show how microcomputers are integrated into their middle school curriculum. Ann Arbor's astronomy program will be on display. Information about the extensive health services in Willow Run and the senior citizen program in Chelsea will be available. Dexter is bringing a team of 5th grade students skilled in problem solving techniques, and Lincoln will show how they are utilizing computers to meet the special needs of gifted children. Milan will explain the coordination of their elementary reading program. Whitmore Lake will focus on the development of school pride through a community band and the funding of an athletic program. A program to educate the Trainable Mentally Impaired to function in their community will be presented by the Washtenaw Intermediate School District. The role of the community college in the economic development of the county will be explained through slides shown by Washtenaw Community College. Some of the art work done by Saline students will be shown on slides.

This "Showcase" has been organized by the directors of your Washtenaw School Officers' Association. It is offered to school board trustees and administrators to facilitate the exchange of ideas between districts. An invitation is also being extended to the media.

**Wish Someone A Happy Valentine's Day!**

to tie the score and it missed. Mark Ball burned the net for 13 as Pete Johnson popped for 12. Bill Sealy entered off the bench to add board strength and score 9 points.

The J.V.'s have also had a rough season but they too have been improving with each contest. The Little Dutch opened the campaign against Addison here in our gym, and lost 51-39. But not this time—we hung tough on offense and played well on defense to leave victorious.

I do have some J.V. stats compiled by Coach Curt Fielder. Co-captain Ron Melcher has the best point average with 11.4 thru 7 games. Next is the other Co-captain, Kraig Sauter, with a point average of 9.8 although he is injured, and this is thru 6 games. Other J.V. members having a 5 or under game average are Tom Lockridge, Jim Stengel, Bob Bunny, Brian Waters, Tom Bejma and Todd Rickelman. Another impressive player has been Pat Eidenour with a 9.8 point average thru 7 games. Our Little Dutch now have a 3-5 record.

The next contest is Friday when we host the Dundee squad and this should be an interesting battle for both of our squads. Our J.V.'s fought hard in Dundee but lost out with a 15-13 score. We carried the momentum right thru the third set to win 15-9, therefore winning the match. Karen Dulle again showed expertise in sets with 17 as Colleen Burch had 8 game points. Kari Agin also had 8 points by leading the team with game winning spikes with 5. Our squad now faces Addison in Panther land Thursday.

servicing department as she had 10 winners with Carrie Rice leading the spike attack with 9. Karen Dulle had 10 assists on the night. The coaches comments—good movement with the whole team. On the weekend we were involved in the Chelsea

Tournament in which we lost right away to Brighton but came back to beat South Lyon and Northwest. In this tournament loaded with class B schools we took third place. Kari Agin and Beth Vleck led all scorers by scoring 36 points, 19 each with Kay Eversole having 14. Kari really went wild offensively as she totaled 32 spikes. Karen Dulle led in assists with 18 as Linda Rose had 12. Coach's comments—very pleased with the whole team as they played strongly all day. They attacked and moved well. On Thursday, January 14 we faced Blissfield and came away victorious in 2 sets, 15-10 and 15-7. Kay Eversole led servers with 14 as Kari Agin again led in assists with 12. Karen Dulle continued her assist leadership with 10. Coaches comments—good floor play plus moving well equals good team togetherness and victory. Last Thursday we hosted Dundee and after a hard fought first set Dundee captured it 15-11. The second set was even more of a battle with the Dutch pulling it out with a 15-13 score. We carried the momentum right thru the third set to win 15-9, therefore winning the match. Karen Dulle again showed expertise in sets with 17 as Colleen Burch had 8 game points. Kari Agin also had 8 points by leading the team with game winning spikes with 5. Our squad now faces Addison in Panther land Thursday.

## Workshop On Stress Field

On Thursday evening, January 21, 1982, Janice M. Hammond conducted a workshop on stress for the members and husbands of the Pre-school Fellowship of Bethel United Church of Christ. Dr. Hammond, Principal of Klager Elementary School, explained the various effects stress may have on our physical and mental health and provided numerous techniques of controlling stress in our daily lives. The workshop was extremely informative and thoroughly enjoyed by all members present.

Following the workshop, Holly Porter, President, called the meeting to order and

election of officers was held. Officers for 1982 are: Carol Colby, President; Patti Hesse, Vice President; Phyllis Mersmann, Treasurer; Vickie Roehm, Secretary; Jeannine Chapman, Communications Chairman.

## Senior Citizens Meals

## Snow's On - Schools Off

In 1914 at the Heimerdinger Farms on Sharon Hollow Road, snow removal was all done by hand. (Now George Macomber Farm) Photo compliments of Mable Acton

Guess what kids? It's Monday, no school. That's the way it's been going this year. For the last five Mondays the Manchester Schools have been closed because of icy roads and this week because of the snow that fell all day Sunday. For the most part the schools could not resume until later in the week. On Monday, the pretty white was being pushed around and taken away in trucks to make the Village come back to life. The Double A Products and Hoover Universal were closed because the snowy

## Hit or Miss by Farley

Back in the days of The Depression, when we could afford to, we went to the movies for to be cheered up and to forget our woes but nowadays there is no such relief available. Many of us go to the movies but not to be cheered nor even to be entertained for a short time. Today's film are not like that. For instance it's a good thing they made "The Wizard of Oz" when they did for today's film moguls couldn't do it nowadays. Charles Dickens "Christmas Carol" couldn't be made nowadays. It wouldn't have been written in 1981. Imagine anyone today trying to picture Morley's ghost as he was. The ghost would have to be shown as a psychiatric problem and probably the ghost would be shown lying on a couch talking to a woman—and Scrooge would probably fall in love with her and there went your whole story. Great stories are products of their particular times. They must be written at the right time or never. For instance our heroes don't swashbuckle any more. For instance Douglas Fairbanks would be far, far out of place. If you put into a tale any swashbuckling you make it kind of a joke and point out that this was the kind that mom and dad took seriously when they went to the Bijou. The only thing that is permissible is a burlesque of dad and mom's era because we today are a lot smarter than they were. Swashbuckling today is about as much in style as singing "In the Gloaming" in Madison Square Garden with a piano accompaniment, for trying to get away from reality nowadays is impossible. To prove this we looked on the movie ad pages of a metropolitan daily the other day and found the following: "A picture about a quadriplegic insisting on his right to die and asking "Whose Life Is It Anyway?"

## Bridgewater Recall Vote To Be Held March 23

Bridgewater Township will hold a recall election for three board members on March 23. The Washtenaw County clerk's office has validated petitions asking for the recall of Supervisor Douglas Farr, Treasurer Harold G. Bersuder and Trustee Andrew Poet. Clerk E. Lewis Blaisdell's recall petition was found to be three signatures shy of the required 109. The recall election will give the voters an option of a yes or no vote for the removal of each board member. If any of the three are recalled, a new election will be scheduled to fill the vacancies. Candidates for the new election, though, would not be nominated by petitions. According to a spokesman in the county clerk's office, the executive committee of each county political party would choose a nominating committee of two Bridgewater residents. The nominating committees would pick one candidate for each vacant office, and they would face each other in the new election.

## Library Hours

A recent experiment with closing the Manchester Township Library during school snow days has been discontinued. Library hours are from 1 to 9 p.m. on Monday and Wednesday; 1 to 5 p.m. on Tuesday, Thursday and Friday; and 9 a.m. to noon on Saturday.

## Ice Skating Party

The Village of Manchester will sponsor a ice skating party at Wurster Park on Friday, February 12 at 6 p.m. for all area children.

## icy Roads Curtail School Activities

The buildup of ice on the secondary roads throughout the school district has resulted in a curtailment of school activities for several days recently. Dr. Eugene Thompson, Superintendent of Schools, reported that an inspection of the roads indicated that conditions were too dangerous for travel by school bus. Thompson stated, "We take the issue of student safety while traveling on a school bus very seriously. Until we feel the roads are safe I will not ask our bus drivers to attempt to travel these roads. Even a minor accident caused as a result of icy conditions would be unacceptable. We will simply have to wait until the weather changes or until the road conditions are improved". The Manchester Community Schools average a total of 8 "snow days" in a year. The previous two years were well below that average. It appears that the average will be exceeded during the current school year.

## Optimist Club Scout Night

Manchester Cub Scouts will celebrate Anniversary Week February 6 - 13. A rocking window display can be seen at Great Lakes Federal Savings on Main Street. Scout Sunday, February 7th, the pack will take part in the 10:30 a.m. service at Emanuel United Church of Christ. The Cubs will observe Anniversary Day on Monday, February 8th, by having a Uniform Day. The Blue and Gold Banquet will be held at United Methodist Church at 6:00 p.m. on Thursday, February 11th. A Pot Luck Dinner is planned. Pinewood Derby cars will be passed out at this time.

Scout Night at the Optimist Club was held last Monday evening, January 26. Each year the Optimist have as their guests the Boy Scout and Girl Scout Troops of Manchester, along with their fine and dedicated leaders.
