

**DIAL  
—A—  
GARDEN**

The following is a schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. The system is in operation 24 hours per day, 7 days per week. Interested persons are invited to call 971-1122 at their convenience and receive timely, up-to-date gardening information.

This week's schedule is:  
Thursday, March 11, Conserve Nutrients When You Cook Vegetables.  
Friday, March 12, Ivy Tree-Botanical Wonder.

Monday, March 15, Indoor Hanging Plants.  
Tuesday, March 16, Indoor Water Gardening.  
Wednesday, March 17, Five Easy Houseplants.

**Tree Seedling Sale  
Closes Soon**

The Board of Directors of the Washtenaw County Soil Conservation District, reminds county residents that April 5, 1982 is the last day orders for tree and shrub seedlings, will be accepted for

the District's Annual Spring Tree Sale. According to Chairman, William Fishbeck, limited quantities of the following tree and shrub seedlings and tree and ground cover seed are still available: Austrian Pine, Red Pine, Scotch Pine, White Pine, Colorado Blue Spruce, Norway Spruce, White Spruce and Douglas Fir. Wildlife shrubs: Autumn Olive, Silky Dogwood and Siberian Crab. Seeds: Black Walnut seed and Emerald Crownvetch seed. In addition, a limited number of Wildlife Packets suitable for wildlife food and cover, are available. These packets offer an assortment of 50 tree and shrub seedlings, including: Austrian and Red Pine, Mountain Ash, Sargent Crab, Autumn Olive and Honeysuckle.

All seedlings offered are available on a first-come first-serve basis, while quantities last. For further information and to obtain an order form, interested persons should contact the District Office, 6101 Jackson Road, Ann Arbor, 48103; Telephone: (313) 761-6721.

**Tuesday  
Singles**

For an enjoyable evening with happy people, join the Tuesday Night Singles at the American Legion Hall, South Main Street, Ann Arbor, on March 16th. Dance from 8:30 - 11:30 p.m. to the music of the Frank Venice Band. Come and meet some new friends. Ballroom dance lessons will be from 7:30 to 8:30 p.m. before the regular dance. For more information call 482-5478.

**Middle School  
Bands To Have  
Fund Raiser**

The Manchester 5th and 6th Grade Bands are conducting a fund raising campaign which started on Tuesday, March 1, 1982.

They will be taking orders for family care products every family can use. All are highly concentrated, so a little goes a long way.

We all use these products, so let's buy one or more bottles to help the Manchester Middle School Bands reach their goal.

**New Law Adopted**

If you drive and carry young children in your car, there's a new Michigan law you should know about.

The law, to go into effect April 1 of this year, requires all infants under four years of age to be protected when riding in vehicles.

How do you protect an infant riding in a vehicle?  
Two ways—with child restraints or with seat belts.

The new law requires all infants under four to be placed in infant restraints when carried in front seats. Children between one and four in the back seat may be put in seat belts, but children under one must always be held in a restraint device whether carried in the front or back seat.

In 1980, 26 children under four were killed and 3,331 injured in Michigan highway accidents. The new law is expected to substantially reduce these deaths and injuries.

More information on Michigan's new child restraint law is available at all Secretary of State branch offices.

**1982 Agricultural  
Banquet**

The 1982 Washtenaw County Agricultural Banquet, sponsored by the Dairy-Livestock Council will be held Friday, March 26 at the Chelsea High

School. "The Contemporaries" a group of young women from Chelsea High School, under the direction of Tamara Barbrit will provide several musical selections.

The featured program for the evening festivities is Pat Leimback, a farm wife from Wermillion, Ohio. In addition to being a partner with her husband in a potato, vegetable and grain operation, Mrs. Leimback writes a newspaper column called "County Wife" which appears in a number of farm publications around the nation.

She is a member of the Associated County Women of the World and the American Agri-Women. She served for a year on the Project for Women of the USDA.

Thanks go out to the Agri-business firms who support this event and supply the numerous prizes for the drawing at the end of the evening.

Tickets for this year's banquet may be purchased from members of the Dairy-Livestock Council or by calling Bill Ames, Extension Agriculture Agent at the Washtenaw County Cooperative Extension Service: 313-973-9510.

**4-H Spring  
Achievement Show**

The Washtenaw County 4-H Spring Achievement Show will be held on Saturday, March 27, at the Saline High School.

The Show will be highlighted by two fashion revues. Young models ages 7 through 12 will be featured at 2:00 p.m. The 7:30 p.m. show will include 30 top young models from the afternoon revue, along with all the Junior and Senior models.

Leathercraft and woodworking projects will also be displayed through out the day. Evaluations will be conducted during the morning. The outstanding projects will be honored during the evening revue. There will also be various demonstrations during the day.

The event is free, open to the public, and barrier free.

**Associate Director  
To Speak At Lenten  
Services**

Janet Palrud, Associate Director of Michigan Church World Service/CROP, will speak at the March 24, 1982 Community Lenten Services, at St. Mary's Catholic Church, Manchester. The service begins at 7:30 p.m.

CROP is the branch of Church World Service that tries to educate the public on world hunger and poverty. The Manchester Churches have been making donations to CROP's work for a number of years, and welcome this opportunity to hear of the work of Church World Service. You may have heard of CROP through its many Walks For Hunger in Michigan.

Ms. Palrud is a graduate of Michigan State University with a degree in Agricultural Economics. She has been working for CROP of the past four years. In 1979 she spent two weeks in Jamaica studying hunger in the Third World countries. Just this January she spent three weeks in India studying how that country responds to hunger and poverty.

A highlight of the trip to India was a visit with Mother Theresa of Calcutta. "She is simply beautiful," says Janet. "She greeted each of us with her warm hand and soft eyes. Not wasting a minute she told about her work with the dying of Calcutta and her life in Christ. 'We must feed the hungry and help the poor,' she says, 'but it is even harder to give them our love...and there are more people who are hungry for love than anything else. Begin with a smile and begin with your own families and then reach out in love, love, love until it hurts.'"

The public is invited to the March 24, 1982 Community Lenten Service at St. Mary's Church at 7:30 p.m.

**Freshman Civics  
Class Project**

On March 18 and 19 the Freshmen Civics Class of Manchester High will have on display their Governmental Leadership Awareness Project. This project will be on display in Mr. Koricans room 118. It is a mix of picture, personal letters and biographies from Ronald Reagan, George Bush, Tip O'Neil, The Supreme Court, William Milliken and all other governmental leaders of Michigan.

All information was received as a result of inquiries from the students requesting information.

**Hit or Miss by Farley**

Back in the 1880's there was a poet who became quite popular with the "masses" and who, it always seemed to me, a rather bitter outlook on life but whose poems, in any instances, are as appropriate today as they were then. For instance in one of his poems he wrote:

"God give us men at a time like this  
Men with a conscience who will not lie;  
Men with a conscience whom the lust of  
money will not buy."

All of which is surely as much needed now as then.

And then in another of his poems he wrote:  
"There is a destiny that shapes our ends,  
Rough hew them as we may.  
We hope, we struggle, we aspire, we pray,  
But our feet still cling to the common clay,  
And we mount to its summit round by round."

My father, who loved to quote this verse insisted that the verse was mis-punctuated and that the first line should have read "there is a destiny which shapes our ends rough," which is quite true.

One morning when he was on an assignment for an Indianapolis newspaper, James Whitcomb Riley stopped to pat a dog on the street. The dog took to him at once and followed him back to the newspaper office.

Riley made no attempt to discourage the animal. They walked inside together and up to his desk and the dog stretched out at his feet.

Later in the day the dog's owner came into the office and placed an ad offering a reward for the animal's return. As he was leaving he passed Riley's desk and spotted his pet.

"There's my dog. 'What's he doing here?'" Riley quickly responded, "Our advertising brings quick results."

Aging is a condition accompanied by the realization that you have prematurely gray hair.

In several parts of the country we notice of late, that various factions are advocating the resurrection of the Civilian Conservation Corps which was introduced by President Roosevelt in 1933 to get the unemployed young men who were out of work and out of school off the streets and doing something useful.

These fellows signed up for CCC and were sent to barracks built near their areas and were put to work repairing roads and bridges, cleaning up our fields and streams and our forest areas, etc. For this they were paid \$30 a month and their food and clothing furnished. Of this they were required to send \$25.00 a month home and were given \$5.00 for spending money.

This \$25.00 gave the folks back home a lift in their standard of living for these were the days when bread was a dime, hamburger a dime and pork steak 14 cents a pound and even a can of sardines as little as a dime.

Nina Babcock, editor emerita of the Cedar Springs newspaper is one advocating such procedure and she interviewed several of the chaps who went to these CCC camps. Now of retirement age these fellows had many pleasant memories of the camps in 1933 and 1934 and said that it saved the morale of many of the inhabitants. It also greatly aided families impoverished by the depression.

The 50th anniversary of the CCC is near at hand and we are celebrating the 100th anniversary of Roosevelt's birth.

The Corps was deactivated in 1942. The country was at war then and needed every able bodied man to be employed in the war effort.

The law enacted by Congress in 1932 and active until 1942 was put on the shelf as there was work for every man in the country, but couldn't that law be reactivated now and get thousands of young men off the streets and into some form of useful employment?

**Substance Abuse  
Awareness  
Committee**

A growing concern over substance abuse among Manchester youth prompted the formation of this committee. Substance abuse related to drugs, alcohol, and tobacco. S.A.A.C. is co-chaired by Brian Schiek, Middle School Principal and William Zsenyuk, Village Administrator. Other committee members include Carol Wiethoff, Sandy King, Janice Hammond, Kathy Aiuto, Don Steele, James Kappler and Dr. Monte Okey.

The first goal of S.A.A.C. is to develop a presentation which will be relevant to Manchester and informative to its populace. The program will be designed for adult participation.

The informational meeting has been scheduled for Thursday, April 22. It will be held at 7:30 p.m. in the Middle School gymnasium. Part of the program will call for audience input to identify community concerns, direction for this committee, and future topics/suggestions. Babysitting services will be available for parents who find it necessary to bring their children with them in order to attend.

We appreciate your support and sharing our concern and are anxious to work with you. Those wishing more information may contact Brian Schiek at 428-7442 or Bill Zsenyuk at 428-7877 during the day.

**Red Cross  
Bloodmobile**

Monday, March 29, the Red Cross Bloodmobile will be at the Manchester United Methodist Church, 501 Ann Arbor Street from 12 noon to 6 p.m. Anyone from 17 years of age through 65 who is in good health is urged to make an appointment and come to give blood to meet the urgent need in Southeastern Michigan. You may make an appointment by signing a card and dropping it in a box at four different sites—Ann Arbor Bank and Trust, Great Lakes Federal, National Bank of Jackson (Main Street) and the A & R ICA Market, all in Manchester. Every industry in the area will be scheduling donors in the next two weeks and all churches in the area have recruiters whom you may contact.

If you have specific questions, contact the Chairman-of-the-Day, Mrs. Robert Little, 428-8888; Mrs. Franklin Reck, 428-8632 or Blood Services at the American Red Cross in Ann Arbor, 971-5900.

Giving blood to help a neighbor, or oftentimes unexpectedly to a member of your own family is not a new experience in Manchester. This area has been affiliated with the Red Cross Blood Program since its inception in Washtenaw County in March 1951.

There are still many people in the area however who don't really understand a Bloodmobile's function. It means free blood at all hospitals in the Southeastern Michigan five county area and also most parts of the United States for accident and surgery victims. When one is due to have surgery, indicating that blood is needed, the Red Cross is notified and the blood is there and ready at the right time. Regular Bloodmobiles throughout the area usually keep this supply in proper control. If however there is a short supply for a certain type, extra requests are sent out by TV, newspapers and phone calls to known donors to be sure the right kind of blood is on hand for the surgery. When you give blood you help keep this process flowing smoothly.

For this reason the March 29th Bloodmobile is urged to collect 200 to 250 pints of blood or more to meet the regular schedule. If you have never donated blood before you may just want to come by and see what goes on. You are welcome.

**Engagement

**LETTERS TO THE EDITOR**

To the Editor:

Bridgewater Township faces what is, for it, and unprecedented recall election. Three dedicated and capable Trustees with more than three quarters of a century of experience have been maligned and criticized on trumped-up charges by a small group of ill-advised and unknowledgeable people.

As a Township official with more than a passing interest in the recall issue, I choose not to attempt to answer the ridiculous charges made in the recall petitions, nor even to disclaim the libelous statements in the protagonists' letters to the press. However, I should like to point out one thing we all seem to be ignoring. Recall is

not a vehicle to remove elected officials with whom we disagree. Recall is an instrument for the removal of crooks, malfeasants and miscreants. Bridgewater has not now, nor ever has had, this problem. Lies and innuendos to the contrary, the only legitimate complaints anyone has, or can make, involve judgmental policy decisions which should only be changed by the regular election process. The misguided recall effort should be turned back with three NO votes by all serious-minded voters in Bridgewater.

Roger G. Hardenbergh

In response to Mr. Doug Parr's letter in the Clinton Local, it is indeed a pleasure to see that he has taken the interest to respond to public input and attempt to answer questions that have been presented to him on numerous occasions at public meetings, in which at that time, were answered with a great deal of double talk.

The new zoning ordinance has been studied over and over again by a great number of people, including an attorney. This ordinance was a result of more than 3 years of study and development, not just 1 1/2 years as Mr. Parr stated. It was 1 1/2 years before it finally became public knowledge. After the plan was already developed by the county and the Planning Commission which at that time, Doug was a member. The General Development Plan Map was certified by Washtenaw County on May 14, 1979. The base map was prepared in September, 1978 and updated in March, 1975. There were only 3 major areas of conflict between the old zoning ordinance and the Township Rural Zoning Act (P.A. 184 of 1943) They were as follows:

125:273-Township Zoning Districts: basis for plan; purpose. 125:294-Zoning Ordinance: amendment procedure; conformance to court decree. 125:286b-Notification regarding special land use permits.

The citation 125:273 was probably the most serious because it stated that The zoning ordinance might not have held up in court because it was not based on a future land use plan. However, there is no Public Act that would mandate a local unit of government amend their zoning ordinance like our Board of Trustees insisted. The amendment of a local zoning ordinance is at the discretion of the local unit of government.

The A-2 classification certainly does look to the future of development. Something that the Board of Trustees keep insisting they are against. It is not implemented at this time, but there are three requests presented to the Board for this zoning. They are in sections 2, 6, and 11 of the Plat Map. A-2 is intended to provide reasonable land use of a rural agricultural character for those lands in the township, presently rural and undeveloped in which the township master plan indicates that no agricultural development is expected to occur. Agriculture in A-2 is regarded as clearly a temporary use. It also provides a 10-acre minimum building site until the land is rezoned from A-2 to residential or industrial or whatever, at the Board's discretion. We are the only township in this area which has this definition. It also should be noted that on several occasions, in front of a group of people, Mr. Parr stated that A-2 should be deleted from the ordinance and that he did not approve of it.

As for the special election, the Board of Trustees have chosen to listen to an opinion by the Attorney General. This opinion was advisory only, and did not carry the weight of law, nor would it serve to stop the 3 public votes, if the Board had wanted to proceed. In addition, the Board ignored the fact that neighboring Freedom Twp. had recently held a very similar referendum without interference from the Attorney General. They chose, instead to

ignore Public Act 104 of 1966 section 168:361 which clearly states, "The Township Board of any township may call a special election to be held in such township for the purpose of submitting any proposition or propositions to the electors thereof. In this by refusing an election, they have clearly denied our rights under the first Amendment of the Constitution of the United States which states that we "may petition the government for a redress of grievances". Is this how a Board who claims to be interested in public input acts?

Regardless of how you as an individual may feel about the 3 proposals the Board has refused to place on the ballot, it should be obvious that the Board by their actions, are more concerned with their own ideas about the future development of Bridgewater, then the concerns and input of the people they supposedly represent. Even if you are against the 3 proposals, you should vote in favor of the re-call in order to obtain township representation concerned with and unafraid of the Democratic process.

The communications on zoning have proceeded through two channels, the Planning Commission and the Township Board. The actions and re-actions of the public have once again been overlooked. The taxpayer has brought their views to the Board only to have the Board turn a deaf ear and pacify the public by saying one thing and doing another. Because of their recent actions, I feel that the Township Board is keenly interested in a development plan which will eventually result in a high density population. I realize that each position has its pros and cons. The taxpayers in Bridgewater have tried to deal with the Board in an open and honest manner in order to resolve the issues, using the Democratic process.

**COUNCIL PROCEEDINGS**

March 1, 1982

The regular meeting of the Manchester Village Council was called to order by President Schaffer at 7:00 P.M. Councilmen present: Schaffer, DuRussel, Hinkley, Koebbe, Petch and Reed. Also present Zsenyuk, Steele and Smith.

Minutes of the February 1, 1982 meeting were accepted as corrected. Minutes of the February 22, 1982 meeting were read. Moved by Hinkley, supported by Koebbe to approve minutes as read.

Mrs. Moulton presented the plans for changing her home to a two family dwelling. President Schaffer told her to take the plans to the Planning Commission meeting on March 9th. The Council will hold a Public Hearing on the Variance April 5, 1982 at 8:00 P.M.

Limpert asked, can you grant a multiple use of a single, by virtue of a Variance. Hinkley stated by his knowledge, yes.

Mr. Doyle submitted a letter to Council. President Schaffer stated the letter will be on file in the Village Offices.

Zsenyuk stated Mr. Smith, himself and Mark Gistingier met with Mr. Skala, Mr. Ophimer and Mr. Burt regarding the 12" Water Main problem. Our engineers have requested Hoover for some further data on the water system within the plant. They will be supplying this to our engineers and we have a tentative meeting date set up for March 8th, if our engineers get the information. Hopefully we will have some information for Council by the next Council meeting and get this problem resolved as quickly as possible.

Hinkley said he met with Gene Smith of Pinnacle and the exterior design has been resolved.

President Schaffer read the Village Zoning Ordinance, Section 60.06, that after a request for a Conditional Use approval has been received, it shall be published in a newspaper of general circulation in the Village not less than five and not more than 15 days before the Public Hearing.

Zsenyuk said because of a discrepancy of 10 feet in two surveys on Mound Street, our Attorney's would like to request for an approval to have Charles Wilson Associate Surveyors to stake out the property so the Gilloes will be able to see where their property line ends. The Council requested that our Attorney's should get a firm commitment on the cost of staking out the property after the snow melts.

Bill Zsenyuk and Don Smith secured bids for a Pick-up and a one ton Dump Truck. Reed stated that the Council had not requested bids. Zsenyuk stated the Public Works was in need of a truck. Council directed Zsenyuk to return the bids - bids to be requested at a future date.

**Card of Thanks**

I would like to thank my relatives and friends for their visits, cards and gifts while I was in the hospital and since returning home.

A special thank you to Rev. Runyon and Rev. Macfarlane for their visits and prayers.  
 Gladys Johnson

A special thank you to Jim Kenster and Gary Widmayer for coming to our aid so quickly when we called for help.  
 Edna and Heidi Keezer

I hereby wish to extend my sincere thanks to all my friends, neighbors and relatives for their kind remembrances while I was in the hospitals and since returning home, also Rev. Macfarlane for his visits and the entire staffs of the hospitals for the care I received and especially to my family for all they are doing for me.  
 Helen Ahrens

How can we begin to thank the many thoughtful and caring persons who helped our mother and family during these last many months, and since her passing?

To the nurses, aids, and others at Saline Evangelical Home who so ably, and cheerfully cared for her. To Dr. Hwang for doing all within his means to make her comfortable and keeping us informed of her condition.

To the residents of the home who came to know her and were concerned for her wellbeing.

To Lillie Miller for the many times she ministered to her physical and spiritual needs.

To Mary Carey who loved her dearly and made that love known, and who played her funeral music.

To her friends and neighbors for their visits and encouragement.

To the bible study group of which she was a member, for numerous visits and sincere prayers which uplifted her, and for their comforting words and prayers at the funeral home.

To St. Mary's Altar Society for their visits, cards, and prayers; and the fine dinner after her funeral mass.

To Fr. Schlinkert for his many visits and bringing her holy communion frequently; and for his kind and inspiring words, prayer service and funeral. To Fr. Lewis for his assistance at the prayer service and as co-celebrant of her funeral mass.

To the St. Mary's parish family for their prayers on her behalf.

To those who gave flowers, masses, other gifts, and food.

To the friends who called at the funeral home.

To hon and June Jenter for their kindness and good will.

How shall we thank you? The same way Mother would; by saying God bless you, and praying for you all.

The Family of Nellie Detting

**Senior Citizens Meals And News**

The Manchester Senior Citizens Council sponsors meals for Seniors on Tuesdays and Thursdays each week at 12 Noon at Emanuel United Church of Christ. Reservations should be made by calling the Church office, 428-8369, between the hours of 9 a.m. and 8 p.m. by the days before the meal, if possible. Take-out meals are available for Seniors who are unable to get to the church or upon doctors orders. For further information call the Church office, or Mr. Ray Gonyer, 428-7613, president of the Council.

The meal for Tuesday, March 23 is Baked Chicken, Mashed Potatoes, Vegetable, Fruit, Bread & Butter, Dessert, Coffee, Tea, and Milk.

Next Thursday, March 25, there will be NO Senior Meal, due to the fact that Emanuel Church's annual Sauerkraut Supper is that evening.

The Exercise Class for Seniors takes place at 11 a.m. on Tuesdays. Euchre is usually played following the Tuesday meal. So come and join the meal and fellowship time on Tuesdays and Thursdays.

On Wednesday evening, March 17, the Senior Citizens Housing Committee will meet at 7:30 p.m. at the Manchester Township Hall. Everyone interested in the Senior Housing Project is encouraged to attend.

A HEALTH O'RAMA, sponsored by the Saline Hospital will take place at Emanuel Church from 9 - Noon on Thursday, March 18. This is for everyone and is FREE. Tests include Blood Chemistry, Blood Pressure Screening, and Health Hazard Appraisal.

Donations and questions may be directed to Saline Community Hospital's Office of Community Services and Development, 400 W. Russell Street, Saline. Phone: 429-5435, ext. 249.

The American Legion Post 117, Sons of the Legion will hold their next meeting on Thursday, March 18.

### Public Notice

Due to the resignation of Councilman Minick, the President will be filling the vacancy for the office of Trustee of the Village of Manchester, for a term to run until March 1983.

Interested person should submit a letter of application and resume to the Manchester Village Clerk, 120 S. Clinton St., by 4:00 P.M. Friday, March 26, 1982.

The search for the reason that a child didn't turn out right is made easier by the automatic elimination of heredity.

### Letters To The Editor

Myself, along with other taxpayers, are outraged at the deceitful and high-handed manner employed by the Board to subvert these issues. For this reason and no other, I urge a yes vote on the re-call. Mr. Parr keeps mentioning emotionalism. How would he react, had his rights been denied? Emotionalism is a far better stance to take than deceit and character assassinations to gain support.

Deanna L. Becklehamer  
Bridgewater Planning  
Commission Member

Dear Sir,

The past two years I have had the opportunity to do some substitute teaching at Manchester High. I want to thank those involved for making it a pleasant experience. Mr. Kappler has provided all the understanding and support a person could want. He is all available instantly. Mr. Scaletta has been equally helpful and I owe both of them a great deal.

The teachers make all the difference in the world because they prepare the students and lesson plans and they follow up on every problem.

I haven't words to tell how wonderful the students have been. I have been teaching for 30 years and never known a finer group of students. Thank you again for being so good to me.

Mr. Arnold

Dear Editor:

We and our son moved to Bridgewater township 25 years ago from Wayne County because land was scarce to buy in Wayne County to farm. We have a beef operation

that feeds out 600 head of cattle a year. We do not want an ordinance that would take land out of Agriculture that our son and his family can farm. We feel that the new ordinance will protect a farming community. Mrs. Deanna Becklehamer said that Mr. Bill Klager should go to see Canton Township. All the towns close to Detroit are expanding because our population is growing. Two acres is better than 10 acres to take out of Farming land. The Klager family are satisfied here but not if to much land is taken out of Agriculture land.

About the recall, read your ballot good before putting your X in the right box. It reads, shall a board member be recalled from office of Bridgewater township, if you want him in office vote no, if you do not want him vote yes. Please get out to vote.

Mr. and Mrs. Andrew Poet

To the voters of Bridgewater Township

Bridgewater Township board members have been criticized; in recent articles in the press by members of the Bridgewater Action Committee; for mismanagement of Township funds.

This same committee has organized the recall election, at a cost to the taxpayers of about \$2,000.00, which is a waste of much needed revenue.

Most voters are aware of the fact that this action can be taken against public officials, for no valid reasons, usually for political or personal advantage.

This committee also requested that we have an advisory election concerning certain changes in the zoning ordinance, which was recently passed by the township board. We were advised by the County Clerk that this election would be illegal, because of a ruling by the Attorney General, a waste of township funds.

It is plain to see who is really interested in saving the taxpayers money. It is not the Bridgewater Action Committee. I urge the voters of Bridgewater Township to go to the polls and vote on March 23. This is necessary to preserve responsible government.

Sincerely,

Harold G. Bersuder, Treasurer

To The Voters of Bridgewater Township:

RE: Special vote coming up March 23, 1982

Manchester Township Board would like to encourage all voters of the Township to study the issue very carefully. Manchester Township has worked very closely with Bridgewater Township officials over the years on fire, inspections, and transfer site and we have a very good relationship, working out problems with mutual concern.

Keep township government strong. Be sure and get out and vote - March 23, 1982.

Manchester Township Board  
Clarence Fielder, Supervisor  
Wilma E. Lentz, Clerk  
Dorothy Burch, Treasurer  
Carl Macomber, Trustee  
Lyle Widmayer, Trustee

I have been a township resident for 67 years and involved in township government for 30 years and never have I felt that the boards or committees did not have the residents first on their minds in making any decisions.

In regards to the new ordinance since 1970, 16 of the twenty townships in the county have rewritten their zoning ordinances. Bridgewater was the last to do so.

The BAC has contended that the board would not listen to them but Mr. Dull's letter in the paper stated the proposed zoning changes were not implemented.

Mr. Becklehamer stated that the

township possibly could not survive until 1984. Bridgewater township has survived for over one hundred years without Mr. Becklehamer and I'm sure it will continue to do so with or without him. See you on MARCH 20.

E. Lewis Blaisdell

To the township residents:

Having lived on a farm all my life and a good share of it in Bridgewater township I would not be in favor of passing an ordinance which I felt would harm our agricultural or rural atmosphere. We have been told that we have not listened to what the people want but who do you listen to?

Bridgewater Action Committee seems to think 10 acre minimum lot size would help to save farmland and discourage development and reduce taxes. With this I do not agree. How do they figure using 10 acres for a building lot save more land for agriculture than using 2 acres.

When you are on the board you are trying hard to please the majority of the people, not just a few.

Marvin H. Breitenwischer

Bridgewater Voters and Other Concerned Citizens.

It is very disgusting to observe the half-truths, rumors and slanderous statements which are being spread around our community about taxes, sewers, individuals and the development of Bridgewater Township. Perhaps the motives of these rumor-mongers are sincere, but it is easy to feel their motive may be a desperate one to confuse and muddy affairs just before an election. Let's review a few basics again.

1. Zoning doesn't CAUSE taxes to go up. Taxes have been going up mostly because sale prices of property have gone up each year in all classifications. The State

### Manchester Village Planning Commission

February 9, 1982

The Regular Meeting of the Manchester Village Planning Commission was called to order by Chairman Hinkley at 7:36 p.m. in the Council Room of the Village Hall. Members present: Hinkley, Kallewaard, Alber, Smith, Leeson, Tracy, Krauss and Grossman. Absent: Walton. A quorum was present.

Minutes of the Regular Meeting of January 12 were approved as read, on a motion by Leeson, seconded by Smith. Minutes of the Special Meeting of February 4 were approved as read, on a motion by Tracy, seconded by Alber.

Mr. James Scully of Double A Products Company presented a site plan for final review, in connection with the company's plans to create additional office space inside the power unit building, 800 East Duncan Street. The architects' drawings were reviewed and it was noted that there are already 111 parking spaces at the power unit building, plus 99 additional spaces in the company's other lots; therefore the company would still be in compliance with the off-street parking requirements of the Zoning Ordinance. Tracy made a motion, seconded by Krauss, that Double A Products Co. receive

approval of the final site plan for interior alterations to the power unit building, as presented at this meeting. The motion was unanimously approved on a voice vote.

Hinkley reported on the following items of Old Business: 1) Council has determined not to proceed with rezoning the I-1 parcel to C-2; they have not yet considered the other proposed rezoning. 2) Alber and Hinkley have reviewed Pinnacle Engineering's proposal for the front elevation, and will meet with Gene Smith to work out a final version. 3) State grant applications have not yet been submitted, since the State has not yet furnished final details of grant requirements.

The proposed amendment to the Zoning Ordinance, which would add "live professional repertory theatre" to the list of conditional uses in an R-1B district, was discussed. Strict limitations were suggested concerning hours of use, noise level, sale of food, and loading/unloading. Action was postponed until after the February 26 Public Hearing on the proposed amendment.

The meeting was adjourned at 8:40 p.m. on a motion by Krauss, seconded by Alber. Mary Kallewaard, Secretary

February 26, 1982

A special Meeting of the Manchester Village Planning Commission was called to order at 8:25 p.m. by Chairman Hinkley in

the Council Room of the Village Hall. Members present: Hinkley, Kallewaard, Walton, Grossman, Tracy, Krauss, Leeson, Smith, Alber. Members absent: none. A quorum was present.

The Secretary read aloud the text of a proposed amendment to the Village Zoning Ordinance (complete copy attached) which would add a new conditional use in R-1B Districts of the Village. The request for this amendment was previously made in a petition from the Black Sheep Repertory Theatre.

A motion was made by Leeson that the Planning Commission recommend to Village Council the adoption of the proposed amendment, as read. The motion was seconded by Smith. The roll-call vote was as follows: Alber, yes; Smith, yes; Leeson, yes; Krauss, yes; Tracy, yes; Grossman, yes; Walton, yes; Kallewaard, yes. The motion was declared passed.

The meeting was adjourned at 8:29 p.m. Mary Kallewaard, Secretary

### Saline Hospital Health-O-Rama

Saline Community Hospital will join with nearly 50 other health care organizations in bringing the 1982 Project Health-O-Rama to area residents. Project Health-O-Rama is a seven-county wide program of free health tests and health information sponsored in southeastern Michigan by the United Health Organizations, WXYZ-TV Channel 7 and Blue Cross/Blue Shield of Michigan. Project Health-O-Rama in Washtenaw County is sponsored by Washtenaw United Way in Cooperation with area hospitals, health educators and other health-related agencies.

Saline Community Hospital's first Project Health-O-Rama event will be held at the hospital in the Blue Room on Wednesday, March 17, 1982, from 7 a.m. until 1 noon. Free testing offered will include blood pressure screening, blood

chemistry test for glucose, cholesterol, blood count and hemoglobin, health hazard appraisal and hearing screening. Also available will be free health education materials and an audio/visual presentation regarding life habit choices and how they relate to health.

The second Project Health-O-Rama event sponsored by the hospital will be held at Emanuel United Church of Christ at 324 Main Street in Manchester on Thursday, March 18, 1982, from 9:30 a.m. to noon. Free testing available will include blood pressure screening, blood chemistry test for glucose, cholesterol, blood count and hemoglobin, health hazard appraisal and free health education materials and audio-visual presentation.

Milan Community House at 147 Wabash Street in Milan will serve as the site for Saime Community Hospital's third Project Health-O-Rama event from 8 a.m. to 10 a.m. on Thursday, March 19. Free tests available at the Milan location will include: blood pressure screening, blood chemistry test for glucose, cholesterol, blood count and hemoglobin, health hazard appraisal and free health education materials and audio-visual presentation.

Area residents are invited and encouraged to participate in these free health screening events. Project Health-O-Rama may provide very important benefits at a time when economic conditions are difficult. For further information regarding testing at any of the locations provided by the hospital, please call 429-5435, ext. 331.

A discussion followed on the amount of hours Sue Koebe was supposed to work. DuRussel states she was guaranteed 32 hours. Reed moved to pay Sue Koebe for hours she needed to work. Motion failed for lack of support.

Reed moved to submit the final figures of the 1981 Budget as the Preliminary Budget for the year 1982-1983. Supported by Petsch, all yeas, motion carried.

Councilperson Gale Koebe offered the following resolution and moved its adoption.

Whereas, Section 13 (7) of Act 51, Public Acts of 1961 provides that each incorporated city and village to which funds are returned under the provisions of this section, that, "the responsibility for street improvement, maintenance, and traffic operation work, and the development, construction, or repair of off-street parking facilities and construction or repair of street lighting shall be coordinated by a single administrator to be designated by the governing body who shall be responsible for and shall represent the municipality in transactions with the state transportation department pursuant to this act."

Therefore, be it resolved, that this Honorable Body designate William Zsenyuk as the single (Street) administrator for the Village of

Manchester in all transactions with the State Transportation Department as provided in Section 13 of the Act. Supported by the Councilperson Keith Reed, Yeas - DuRussel, Hinkley, Koebe, Petsch and Reed. Nays - None.

I hereby certify that the foregoing is a true and correct copy of a resolution made and adopted at a regular meeting of the governing body of this municipality on the 1 day of March A.D. 1982. Signed: Helen J. Kensler - Village Clerk.

Schaffer said that he would like the minutes to state that the Village has received letters dated January 15th, February 9th and February 23, 1982 from Mr. Frank Leonard and they are on file in the Village Clerk's Office.

Zsenyuk said he would like to make a statement commending the budget director Reed, Don Smith and Sgt. Steele for understanding 98% of all the line items of the budget.

President Schaffer said "Gentlemen it has been a pleasure working with you for the last six years. I will cherish the memories."

Meeting adjourned at 9:05. Helen J. Kensler Village Clerk

## KEEPING UP WITH SPORTS

by Jon Hardenbergh

by Jon Hardenbergh

Much has happened in Dutch activities in the last 2 weeks and here is what. Starting with Girl's Volleyball, way back on Monday, March 1—we had a double game with the Hudson Tigers. We took the first game in consecutive sets 15-2 and 15-8 as Kari Agin had 15 spikes and 13 points, Carrie Rice had 5 points and Linda Rose and Colleen Burch totaled 8 assists, 4 each. We took the second game in the same fashion by the scores, 15-8 and 15-4. Kay Eversole had 19 points as Karen Dulle had 6 points and 6 assists. In spikes Kari slammed home 6 as Colette Rickelman had 4. This left our girls with a 11-0 league record.

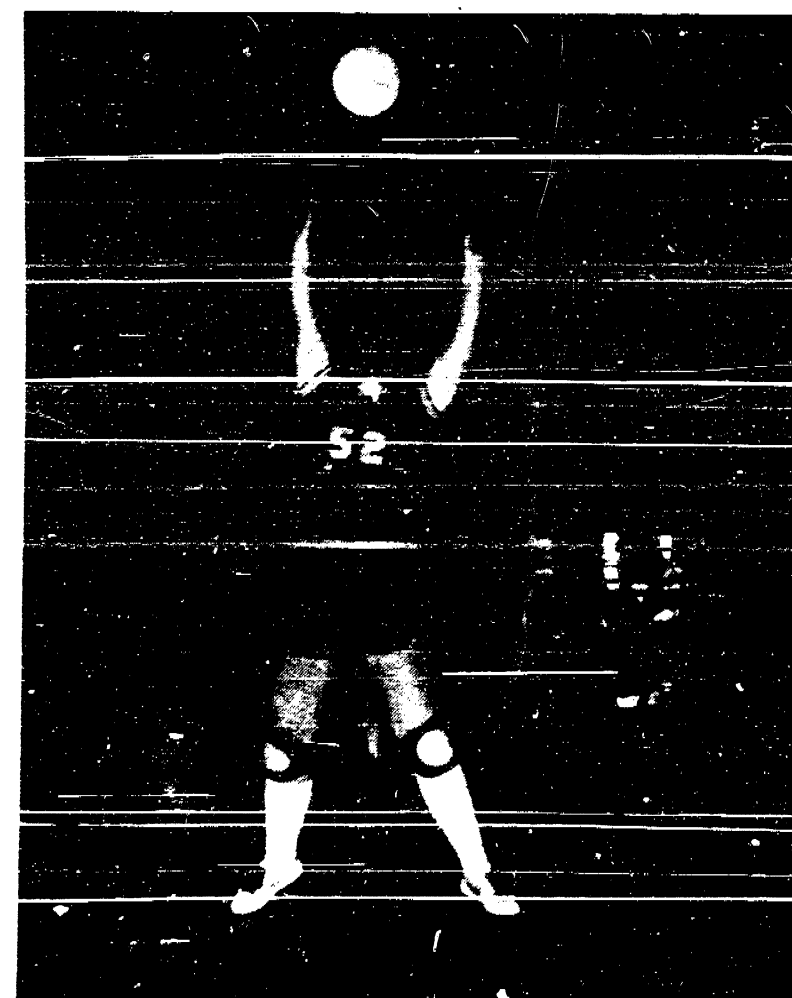

Tuesday was quite busy as our volleyball squad hosted Michigan Center in a pre-district match. In the other battle our roundballers trekked to Clinton. First our girls won, but it took 3 sets as we captured the first 15-10 but Michigan Center fought back to force the third by winning 9-15. We dominated 15-5 to enter the Saturday district 17-6 overall. Karen had a big night as she posted 23 assists and 10 points. Kay had 15 spikes and 8 points as Kari

hanged 18 spikes while Linda contributed 16 assists. Our guys sure had problems in Clinton as we just couldn't put the ball thru the hoop. In the first period we tallied 8 points and by halftime we added 9 more. In the meantime the Redskins had hit 25 and 22. They just kept scoring as the final score read 94-47. Ten Dutchmen scored: Mike Agin 5, Eric Duncan 4, Pete Johnson 7, Lance Clark 1, Jim DuRussel 2, John Blumenaur 7, Bill Scully 4, Tom Malcolm 11, Jim Krzyzaniak 4 and Steve Barker 2.

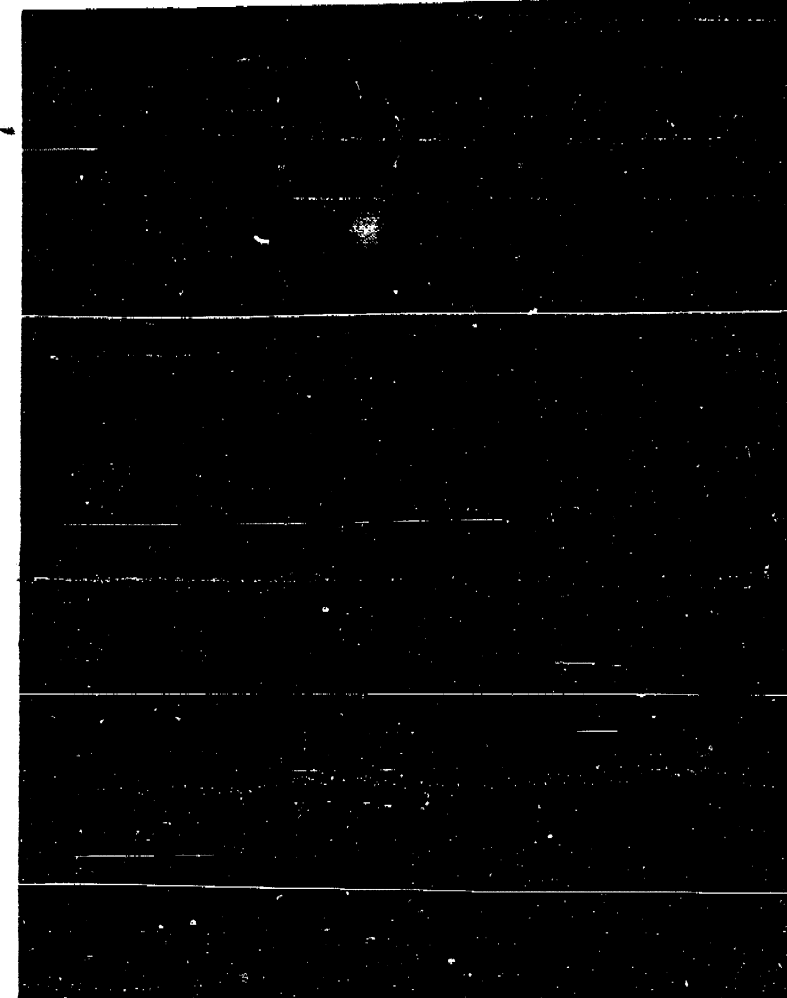

On Wednesday, March 4, our girl spikers downed Onsted 15-2 and 15-10 to become the L.C.A.A. champs with an unbeaten record of 12-0. Kari led the way in points with 12 as Kay led in spikes with 12. Linda dominated tonight in assists with 8.

On Friday, we closed our regular basketball season in Onsted. Putting the points on the scoreboard was pure disaster for us in the opening period - 2 - but the Cats helped by only adding 7. Part way thru the third period Onsted went up 15 and it looked curtains for us but we fought back within 6 but no closer. The final was 49-40 as Pete Johnson hit for 12 and Dave Malcolm popped for 11.

On Saturday, we trekked to Hanover-Horton for the Volleyball District in which our first opponent was Addison. We lost the first game 13-15 but grouped together and played good solid ball to take the next 2, 15-11 and 15-6. Kay Eversole had 19

Karen Dulle sets

Linda Knasak sets

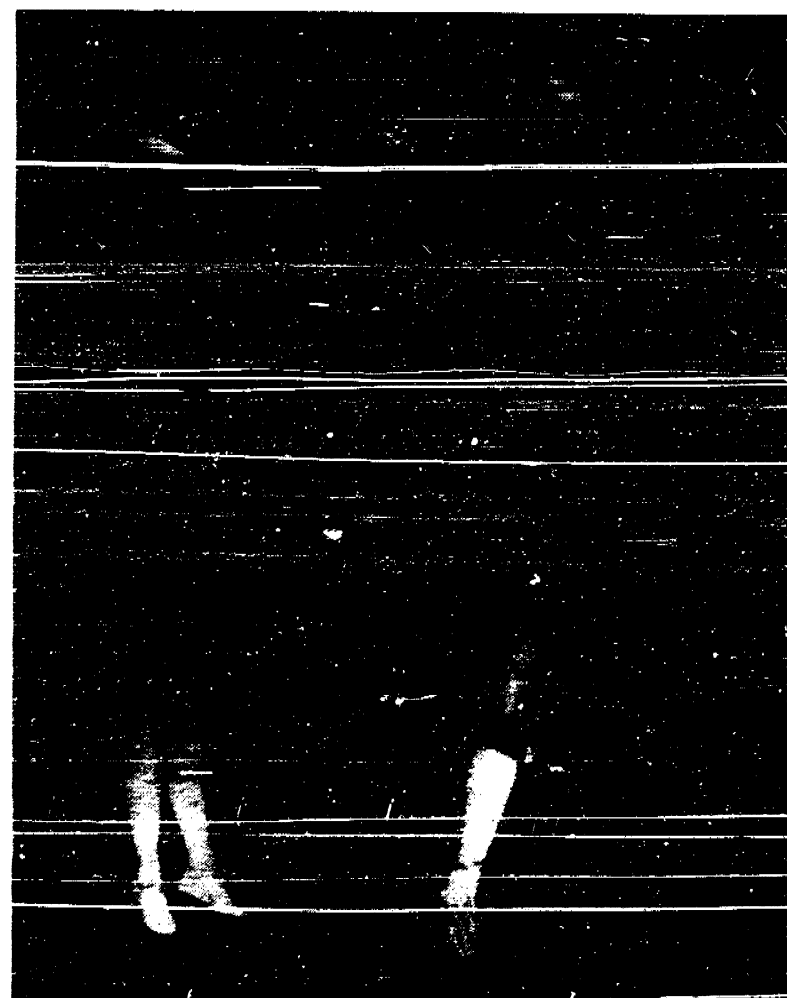

points. Kari Agin had 17 spikes as Linda Rose and Karen Dulle teamed for 22 assists, 12 and 10 respectively. The next contest was with Vandercook Lake and believe me it was no contest. We were flat and not together so they sent us home in 2 games 8-15 and 4-15. WE ARE STILL 12-0 LEAGUE CHAMPS AND OVERALL 19-7.

Last week, March madness started—this is when all high school basketballers try for the State Championship. We drew a bye in the first round so were able to sit back and watch Hudson nip Clinton, Tuesday by 2 points for the right to play us. The Tigers just kept running and shooting and by the time the contest ended

they stood well ahead, 67-34. Pete Johnson canned for 10 with Bill Scully having 8.

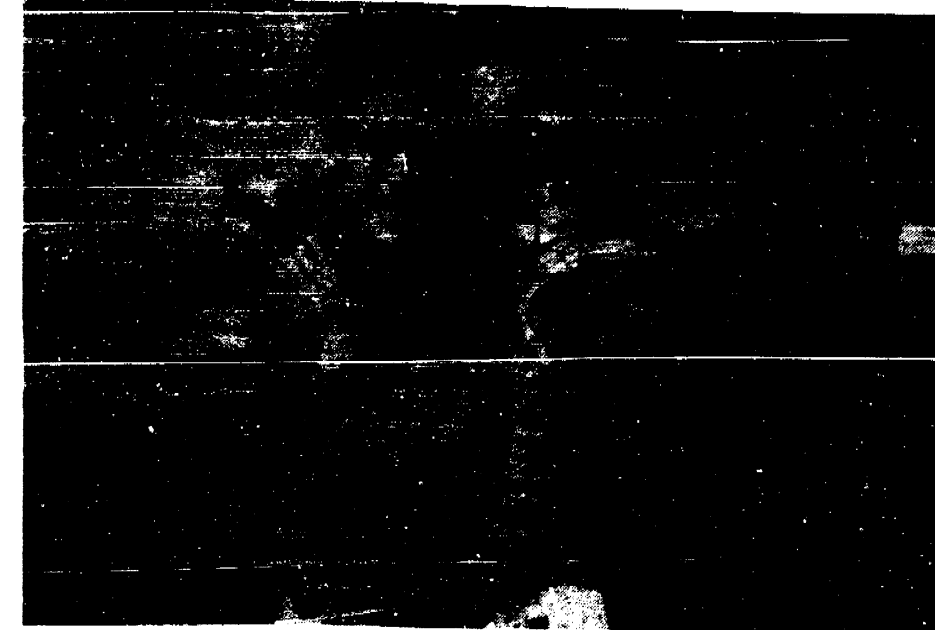

Friday, March 12, I witnessed the 2nd annual Raisin River Flyers vs Washtenaw County Police Hockey Meet. The Flyers were aided by the expertise of former Detroit Red Wing star Ted Lindsay, despite this the police squad just kept us under a steady barrage of shooting pucks of which 16 hit net to our 6. It was a fun game and I enjoyed watching it—LOOK OUT NEXT YEAR.

I do plan on having pictures of Volleyball, Basketball, Fun Night and this Hockey Meet in the ensuing weeks.

## Letters To The Editor

constitution and tax laws require assessments to keep pace with "actual cash value" of property.

2. The size of a building lot does affect taxes. When initially split, 10 acre parcels are treated and assessed as farms. This causes both the residential user and the farmer to pay more taxes as 10 acre parcels are sold at increased prices. 2 acre lots are not treated as farms and do not have the same effect on assessments.

3. Taxes have gone up in nearby townships which have in force the 10 acre building lot minimum. The increases there have been comparable if not greater than those in Bridgewater.

4. The size of lots when stated in acres (as opposed to 66 x 132 foot lot size, for example) does not force construction of sewers. Normally septic tanks and wells are very acceptable on two acre lots which will perk.

5. Bridgewater is protected from its expanding neighbors by its new sewer ordinance adopted on September 20, 1981. Article 3, Sec. 3.14 states: "It is the intent of Bridgewater Township to remain rural and agricultural in character. For that reason no extensions of Public water or sewer shall be permitted INTO (emphasis supplied) Bridgewater Township without annexation."

This provision is intended to meet the problem of urban sprawl from a neighboring township or village. Normally it does because the area involved does not want to lose tax base, population or its own identity. The ordinance doesn't say Bridgewater would annex to Clinton; it says exactly the opposite if sewer and water are involved.

6. It is difficult to see how the Board encouraged development by adopting a new zoning ordinance. The language in the ordinance is accompanied by a zoning map. Many ideas for changing the zoning map were brought forth and discussed, but the

old map (with existing areas identified on it) was kept under the new ordinance. No development areas were provided; no other areas were changed to move toward development of residential property. We still believe development is going to take place in Bridgewater (with or without the support of our opposition) but will be spread out in small parcels which will leave more land for farming. This is the key to staying rural.

In summary, the lot size argument, the sewer argument and the zoning ordinance argument all fail to meet the test of logic as far as increased taxes are concerned. That leaves personalities and personal opinion to be discussed.

I don't want to get involved in the personality problem referred to regarding planning commission appointees. I was not intimidated into making appointments. I voted to retain an incumbent who could continue to bring the benefit of his experience to the Commission.

No township board, school board or city council can ever do everything every citizen may ask of it. We deal with what is good for the greatest number of people, with due consideration for the rights of minority groups. I believe we have done that for Bridgewater. Most of the present board members have lived here all our lives and may even be third and fourth generation Bridgewaterites. If failing to do what one vocal group demanded of us constitutes cause for recall, then we need to know that.

Douglas Parr,

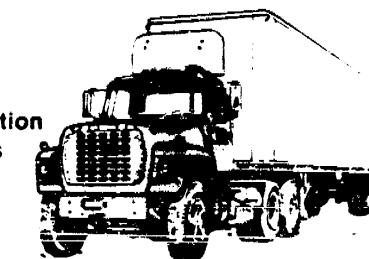

Supervisor, Township of Bridgewater

### Douglas Spike To Present Organ Recital

Douglas Spike, son of Mr. and Mrs. Lowell Spike of Grass Lake will play an Organ Recital at the Sharon United Methodist Church on March 21, 1982 at 3:00 in the afternoon.

Doug, a former member of the Sharon Church, is a 1964 graduate of Manchester High School. While in school Doug received scholarships to Interlochen National Music Camp and Smith-Walbridge Band Camp. Doug was active in both vocal and instrumental music programs and he took private piano and organ lessons from Hazel Davider.

Doug has a Dairy Production degree and a Masters in Agricultural Education from Michigan State University where he continued his avocation in music and the arts by working as assistant organist at University Methodist Church and taking organ at M.S.U.

Currently Doug is Manager of the Bloomfield Hills School Farm. His wife Sandi is a Home Economics teacher in that system and their children Bruce, 9, and Sara, 6, enjoy living on the "farm in the city" of 100 acres and a large variety of farm animals used in the K-12 agriculture education program operated by the Bloomfield Hills School District.

"While I consider music my favorite avocation," says Doug. "I also enjoy photography, theater, and computer programming. I believe it is important to encourage students in our schools and churches to become involved in the arts. I have fond memories of growing up in Manchester and appreciate the encouragement and sacrifices of my parents and others in order to provide a broad range of experiences for Manchester youth. I look forward to playing for my friends on the 21st.

The Sharon Church invites you to attend the concert and the hymn singing just before it, March 21, 1982, at 3:00 p.m. at the corner of M-52 and Pleasant Lake Road. Mrs. Marion Voegeding our head organist will lead the hymns. Admission is free, parking is available north of the Church, and a free will offering will be taken to defray costs.

### Local Students To Participate In Art Show

"Youthful Expressions," the fourth annual exhibition of young people's art of the Manchester Art Guild will be held from March 18 through April 4. Students from the following schools will be represented in the exhibit: Clinton, Columbia Central, Dexter, Manchester, Saline and Tecumseh.

Manchester High students with work in the show include Laese Miller, Cathy Walkow, Dawn Day, Kathy Mahony, Kim Johnson, Carol Widmayer, Linda Minor, Bill Hansen and Larry Wright. Middle School students in the show are Andrea Hagerman, Toni Bejma, Jack Paul, Darrin Engle, Leslie Duncan, Brendan Lenski, Brad Finkbeiner, Stacy Walkow and Beth Evans.

A reception for the artists and their families as well as the general public will be held Sunday, March 21, from 1:30 to 4 p.m. at the Guild's gallery at 128 East Main Street. The gallery will be open on Fridays and Saturdays from 7 to 8:15 p.m.; Saturdays from 10 a.m. to 2 p.m. and Sunday afternoons from 1 to 4 p.m. for this exhibit.

### Shakespeare Reading Club

The Shakespeare Club entertained their husbands with a special dinner on Tuesday at Emanuel Church. There were also seven guests who joined the members and their husbands in a beautiful St. Patrick's setting.

Mrs. Henry VanDerSchalie was program chairman and Dr. VanDerSchalie presented a very interesting program with slides on the clams and mussels found in the Raisin and Huron River.

### Free Blood Pressure Checks During Conferences

Parent conference hours have been set for parents of Manchester High School students. On Thursday, March 18, no classes will be held and teachers will be

available for conferences from 1 to 5 p.m. and in the evening from 6:30 to 9:30 p.m. During conference hours, students enrolled in Health class will provide free blood pressure checks using equipment furnished by the National Kidney Foundation of Michigan. They will be assisted in the afternoon by Mrs. Alvin Kappler and in the evening by Mrs. Richard Krzyzaniak. Students involved in the project are Carmen Hopkins, Kristin Krauss, Brian Pieske, Colleen Riley, Betsy Royle, Terry Schuler, Kim Shadley, Kim Stripp, Stephanie Struble, Cliff Tracy, Trisha Wahl and Mark Walkow.

No classes will be held for students on Friday, March 19, so teachers may participate in an in-service program. Classes will resume on Monday, March 22.

### Barbershop '82

The Huron Valley Chapter, Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Inc. (SPEBSQSA) presents "Barbershop '82," at the Pioneer High School Auditorium, Ann Arbor, Michigan, on Saturday, March 20, 1982 at 8:00 p.m.

A fine blend of old and new four part men's harmony will be presented by the Huron Valley Chapter Chorus "Washtenaw County Friends of the Chord," directed by James Stephens and assistant director Scott D. Turnbull.

These Chapter quartets will be featured: "TAKE NOTE" - Bob Simmons, Tenor, Keith Opal, Lead, John Allesse, Baritone, and Ken Gates, Bass. "PIONEER SOUND" - Lyle Hanson, Tenor, John Peterson, Lead, Scott Turnbull, Baritone, and Jim Pollock, Bass.

The current Pioneer District SPEBSQSA Championship quartet, "SATURDAY NITE FEATURE," Detroit #1 Chapter and the outstanding 1980 and 1981 SPEBSQSA International Contest Semi finalist quartet, "FRIENDS" from Chicago will be the headline quartets.

Tickets are available for \$5.00 for adults, \$3.00 for seniors and \$3.00 for children, from Wilkinson Luggage, Ann Arbor, and all chorus members. For additional information call Ann Arbor 769-8169.

The Huron Valley Chapter meets each Tuesday evening at the Senior Citizens Recreation Center, 1015 Congress Street, Ypsilanti. Men with the desire to sing are always welcome. Phone 769-8169 for additional information.

The Huron Valley Chapter SPEBSQSA is a co-sponsor of the Institute of Logopedics, which provides therapy and special education for persons with communicative handicaps.

### SPRING SHOW

If you can imagine the trees displaying their greenery and soft spring breezes (ah, how we've waited!), then imagine an exhibit titled *Of Trees and Woods*. The Manchester Art Guild will be presenting a multi-media show with that theme in the gallery from May 7 - May 23. Artists and Craftsmen are invited to submit related works and should plan on bringing them to the gallery on Monday, May 3, from 6:30-7:30 p.m., or Tuesday, May 4, from 12:00-1:00 p.m. For more information, call Jo Swanberg at 428-8786 or Hal Horton at 428-4221.

### GENERAL MEETING

The first General Membership Meeting of the year will be held this Monday, March 22 at 7:30 p.m. in the Manchester High School Art Room (#102). Come for sharing of marketing and selling ideas. The Board will meet at 7:00 p.m. and is open to all. Hope to see you there!

### Iron Kettle Spinners And Weavers Guild

The Iron Kettle Spinners and Weavers Guild will meet on March 24, at 7:30 p.m. at Manchester High School, Room 103. The program to be: Dyeing in the green. For further information call Jan Barbour 428-9215.

### American Legion Auxiliary Meeting

The American Legion Auxiliary met at the Legion Home on Wednesday, March 10th with 16 members and 1 guest present. Bob Rhees and Jim Jenter, representing the Manchester Men's Club, were present to discuss a need for financial support from area organizations to be able to continue with the July 4th fire works display. Our unit voted to donate \$50.00 for this community project.

It was also decided to pledge \$25.00 for the Manchester Community Scholarship Fund.

Child Welfare Chairman, Claire Reck had contacted 47 families in regard to the government surplus cheese program and 27 families accepted the donation.

Our unit will again supply the orange juice for the Blood Bank - to be held March 29th at the Manchester United Methodist Church.

Girls State Chairman Alice Alexander reported 3 junior high school girls had responded and shown an interest in going to Girl's State.

Phyllis Baker reported our poppies have been ordered and May 20th, 21st and 22nd are Legion & Auxiliary days to present the poppies to the public.

Edna Knauss won the door prize and promptly donated it to buy orange juice for the up-coming blood drive.

Good Cheer Chairman, Ruth Oates had a very busy month, but will continue Good Cheer for another month.

We will have an initiation ceremony in April for our many new members.

April lunch committee is Yvonne Huber, Marilyn LaRock and Arlene Walters. Respectfully Submitted, Helen J. Hosmer, Secretary, ProTem

### Parent-Teacher Conferences Set

There will be no school on March 18th and 19th so that parents may meet with teachers. At Klager conferences will be from 1:00-5:00 and 6:30-9:30 on Thursday and from 9:00-12:00 and 1:00-4:00 on Friday. Parents will receive the children's report cards at conferences.

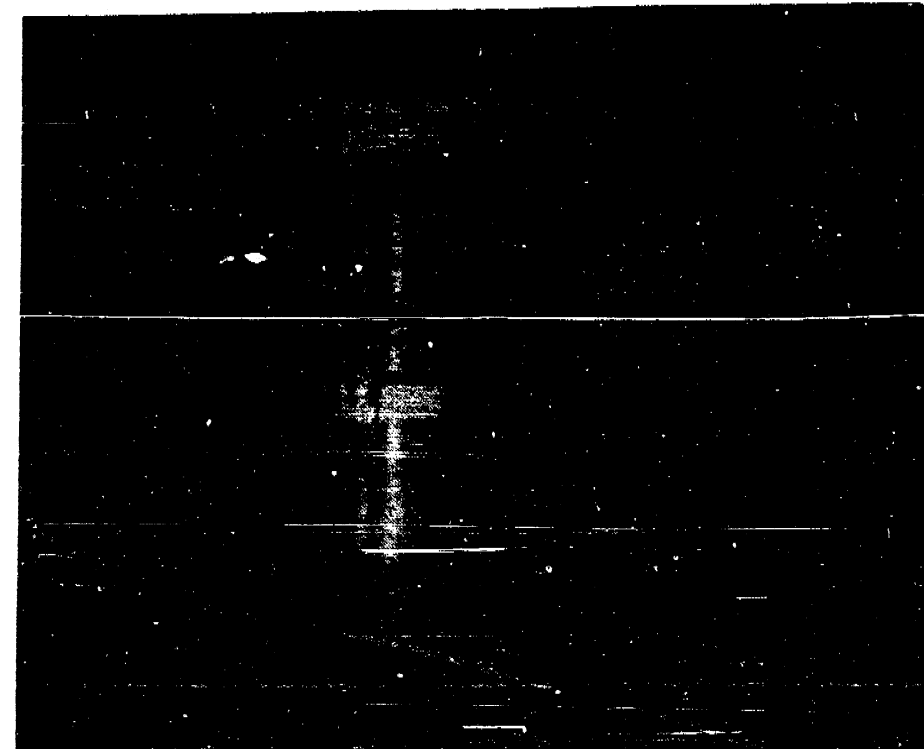

### United Way Annual Meeting

The Annual Meeting of the Manchester United Way will be held at 7:30 p.m. on Tuesday, March 23, 1982, at the Manchester Township Hall, 275 South Macomb Street.

We have had another successful campaign due to your continued support of the United Way. All members of the community are invited and encouraged to attend. Annual reports will be given by all of the agencies represented in the United Way budget.

An election will also be held to fill four 3-year terms on the United Way Board. Those members whose terms are expiring include Jim England, Marie Garlick, John Sauter and Alice Swanson. Please plan to attend!

### Mime Show Performed At Schools

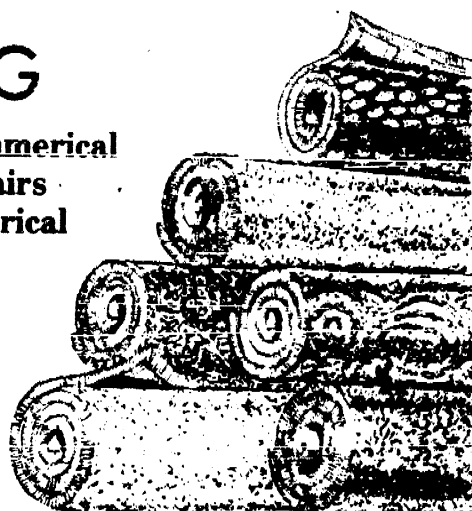

Without saying a word, O.J. Anderson held the attention of kindergarten through high school age students last week. O.J. Anderson, a former Manchester resident, involved students and teachers at Klager the Middle School and High School in his performances. The audience was delighted.

## Senior Health Education

C.S. Hwang, M.D., a Medical Staff member of Saline Community Hospital is pictured as he speaks to the monthly Senior Health Education Program, presenting information on the Heart and Circulation. The Seniors received an explanation of the way in which the heart functions, as well as why heart problems occur and treatment possibilities. Dr. Hwang has an Internal Medicine practice in Manchester.

The Seniors also received information

from Saline Community Hospital staff members, Marianne Wolfe, R.D., the Hospital's Dietitian, and Cindy Brunsben, O.T.R., head of the Hospital's Occupational Therapy Department, regarding the ways in which good nutrition and exercise play an important role in preventing and living with heart disease. The Senior Health Education Program meetings are held monthly on the second Wednesday of the month at 11 a.m. in the Hospital's Blue Room.

## Hit or Miss by Farley

We have, for some time past, been collecting reasons why various individuals thought that Monday was aptly named Blue Monday and the reasons we received were many and varied, and so here they are, some sincere and some supposed to be humorous:

- \*You put your contact lenses into the wrong eyes.
- \*You came back from lunch and find the "60 minutes news team cameras all set up on your desk.
- \*After many years of faithful service you read that you make less than a retired race horse after it has gone to stud.
- \*Your neighbor awakens you at 6:00 a.m. to borrow your last two cups of tequila.
- \*Your blind date for last night turns out to be your ex-spouse.
- \*You put two bottles of beer in the freezer compartment for a quick chill and they just blew up all over the refrigerator.
- \*Some genealogist has traced your family name and found that you are not related to anyone of any importance.

\*Someone with the same name as yours has been arrested for promoting dog fights.

\*The neighbor's kid discovers that a blast from his new whistle will trigger your automatic door opener.

\*You throw away your junk mail including the one that says "You may have already won"...and find that you did have the lucky number for a round-the-world cruise.

\*You sneak off from work early and go out by yourself to practice your golf game and shoot a hole in one with no one watching but a moth eaten blackbird.

\*You go all day before someone tells you that you are unzipped.

\*You go out on the porch and find that there is a surveying crew in the middle of your lawn for no good reason.

\*You go out to start your car and find that it has committed hari kari-at least the battery has-during the night.

\*Your phone rings and a voice says: "This is your bank. Did you forget your payment is overdue?"

One chap tells me that his son had a notation on his last report card which read, "That he was very adept in the art of the creative use of the arts of visual aids for learning" so I called his teacher and asked her just what that meant to which she replied that it meant he copies from the kid in the next seat. You know that nowadays we never put kids down.

## Stress Workshop To Be Offered At St. Mary's

Barry Doan, volunteer coordinator of "Call Someone Concerned" in Adrian, will present a workshop on creative stress management, Sunday evening, March 28th.

Rising unemployment and the fast pace of our society has created new pressures on individuals and families. Recognizing these pressures, understanding their effects, as well as finding ways to creatively cope with stress will be some of the topics explored in Mr. Doan's presentation.

Barry is a graduate in Social Work and Sociology from Eastern Michigan University. He has worked in a variety of settings including extensive work with young people at Lenawee Vocational-Technical School and Maurice Spear Campus. He regularly delivers drug education programs throughout Lenawee Public Schools.

He is currently concerned with recruiting and training of new volunteers in crisis intervention.

The workshop will be held at 7:30 p.m. at St. Mary's Church Hall and is open to the entire community. It is sponsored by the Christian Family Movement, a family support group whose goal is to encourage strong families in neighborhoods throughout the world.

## Board of Education Contracts With MASB For Education Services

In official action the Manchester Board of Education approved a contract with the Michigan Association of School Boards for negotiation services in order to obtain a Master Agreement with the Washtenaw Livingston Education Association.

Noting that the cost of this service will be \$6,600 the Board and Administration

had hoped that it might be possible to negotiate the contract directly with Manchester teachers. However, as discussion on this topic evolved it became apparent that the local teachers as members of the regional teacher's union, do not have final authority to establish the parameters within which bargaining would take place nor do they have the authority to ratify a final contract.

The Washtenaw Livingston Education Association made up of most school districts in these two counties, retains the authority to establish the limits within which a Master Agreement will be approved. As members of the larger union Manchester teachers are bound by the WLEA constitution to accept this higher authority.

The Manchester Board of Education has requested that Ms. Rita Thomas, an MASB labor negotiator, be assigned to the school district. Ms. Thomas, who is a graduate of the Cooley Law School in Lansing, was raised on a farm near Manchester and has negotiated several teacher contracts for neighboring school districts.

The hope of the Board is that negotiations will be concluded before the end of the current school year in order to provide for continued stability within the school district.

## Bethel Church To Host Lenten Breakfast

The annual Lenten Breakfast, a traditional Easter celebration which has been held for many years in the Manchester Community, is being hosted by the Women's Fellowship of Bethel United Church of Christ. It will take place on Wednesday, April 7th, at 9:30 A.M. The church is located on the corner of Schneider and Bethel Church Roads, in Freedom Township.

The breakfast will be followed by a program presented by some of the women of Bethel, entitled "Catch a Rainbow." This years offering will go to Church World Service and their efforts to provide relief in Poland.

All women in the community are cordially invited to attend this day of worship and fellowship. Baby sitting will be provided.

Please call in your reservation to Karen Weidmayer, 428-8641, by Monday morning, April 5th.

TAX SHELTERS FOR EVERYONE

# HOW TO BUILD A FORTUNE ON THE INSTALLMENT BASIS!

The new IRA program now offers every working person a virtually risk-free way to accumulate a fortune. Unlike other forms of investment, it does not require a great deal of your time or study, and your investment is insured to \$100,000 with an agency of the federal government.

All you have to do is make weekly deposits to an IRA account at Great Lakes Federal Savings. The tax shelter provided these deposits, plus the high interest earned, plus the magic of compounding make it possible for you to accumulate your fortune. Depending on the age at which you start, you could accumulate \$250,000, \$500,000, \$1,000,000 or more.

Perhaps you can't budget \$38.46 per week for your IRA account but can start with \$10. Then as your wages increase you can increase the weekly deposit.

It's safe. It's sure. With this one investment your financial future can be secure.

WEEKLY DEPOSIT	YOU WILL ACCUMULATE IN . . .
