

American Legion Auxiliary Meeting

The American Legion Auxiliary met at the Legion Home on Wednesday, March 10th with 16 members and 1 guest present.

Bob Rhees and Jim Jenter, representing the Manchester Men's Club, were present to discuss a need for financial support from area organizations to be able to continue with the July 4th fire works display. Our unit voted to donate \$50.00 for this community project.

It was also decided to pledge \$25.00 for the Manchester Community Scholarship Fund.

Child Welfare Chairman, Claire Reck had contacted 47 families in regard to the government surplus cheese program and 27 families accepted the donation.

Our unit will again supply the orange juice for the Blood Bank - to be held March 29th at the Manchester United Methodist Church.

Girls State Chairman Alice Alexander reported 3 junior high school girls had responded and shown an interest in going to Girl's State.

Phyllis Baker reported our poppies have been ordered and May 20th, 21st and 22nd are Legion & Auxiliary days to present the poppies to the public.

Edna Knauss won the door prize and promptly donated it to buy orange juice for the up-coming blood drive.

Good Cheer Chairman, Ruth Oates had a very busy month, but will continue Good Cheer for another month.

We will have an initiation ceremony in April for our many new members.

April lunch committee is Yvonne Huber, Marilyn LaRock and Arlene Walters.

Respectfully Submitted,
Helen J. Hosmer,
Secretary, ProTem

Parent-Teacher Conferences Set

There will be no school on March 18th and 19th so that parents may meet with teachers. At Klager conferences will be from 1:00-5:00 and 6:30-9:30 on Thursday and from 9:00-12:00 and 1:00-4:00 on Friday. Parents will receive the children's report cards at conferences.

United Way Annual Meeting

The Annual Meeting of the Manchester United Way will be held at 7:30 p.m. on Tuesday, March 23, 1982, at the Manchester Township Hall, 275 South Macomb Street.

We have had another successful campaign due to your continued support of the United Way. All members of the community are invited and encouraged to attend. Annual reports will be given by all of the agencies represented in the United Way budget.

An election will also be held to fill four 3-year terms on the United Way Board.

Those members whose terms are expiring include Jim England, Marie Garlick, John Sauter and Alice Swanson. Please plan to attend!

Mime Show Performed At Schools

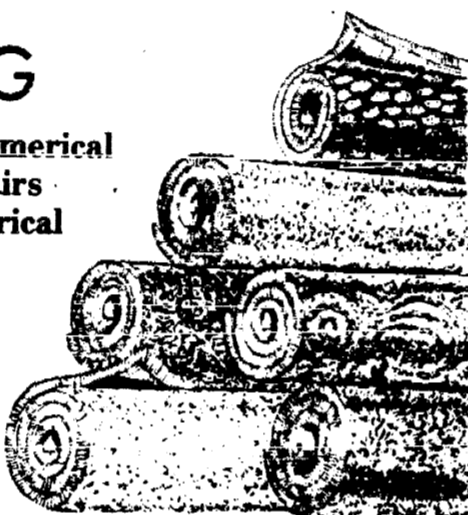

Without saying a word, O.J. Anderson held the attention of kindergarten through high school age students last week. O.J. Anderson, a former Manchester resident, involved students and teachers at Klager the Middle School and High School in his performances. The audience was delighted.

HOW TO BUILD A FORTUNE ON THE INSTALLMENT BASIS!

The new IRA program now offers every working person a virtually risk-free way to accumulate a fortune. Unlike other forms of investment, it does not require a great deal of your time or study, and your investment is insured to \$100,000 with an agency of the federal government.

All you have to do is make weekly deposits to an IRA account at Great Lakes Federal Savings. The tax shelter provided these deposits, plus the high interest earned, plus the magic of compounding make it possible for you to accumulate your fortune. Depending on the age at which you start, you could accumulate \$250,000, \$500,000, \$1,000,000 or more.

Perhaps you can't budget \$38.46 per week for your IRA account but can start with \$10. Then as your wages increase you can increase the weekly deposit.

It's safe. It's sure. With this one investment your financial future can be secure.

WEEKLY DEPOSIT	YOU WILL ACCUMULATE IN . . .				
	20 Years	25 Years	30 Years	35 Years	40 Years
\$ 5.00/Wk.	19,815	36,668	66,370	118,714	210,963
\$10.00/Wk.	39,630	73,337	132,740	237,422	421,926
\$25.00/Wk.	99,076	183,342	331,849	593,570	1,054,820
\$38.46/Wk.	152,418	282,053	510,516	913,148	1,622,728

Above figures assume a 12% annual rate compounded quarterly for an effective annual rate of 12.55%. Withdrawals prior to age 59½ can result in substantial interest and tax penalties.

Senior Health Education

C.S. Hwang, M.D., a Medical Staff member of Saline Community Hospital is pictured as he speaks to the monthly Senior Health Education Program, presenting information on the Heart and Circulation. The Seniors received an explanation of the way in which the heart functions, as well as why heart problems occur and treatment possibilities. Dr. Hwang has an Internal Medicine practice in Manchester.

The Seniors also received information

from Saline Community Hospital staff members, Marianne Wolfe, R.D., the Hospital's Dietitian, and Cindy Brunsben, O.T.R., head of the Hospital's Occupational Therapy Department, regarding the ways in which good nutrition and exercise play an important role in preventing and living with heart disease. The Senior Health Education Program meetings are held monthly on the second Wednesday of the month at 11 a.m. in the Hospital's Blue Room.

Board of Education Contracts With MASB For Education Services

In official action the Manchester Board of Education approved a contract with the Michigan Association of School Boards for negotiation services in order to obtain a Master Agreement with the Washtenaw Livingston Education Association.

Noting that the cost of this service will be \$6,600 the Board and Administration

had hoped that it might be possible to negotiate the contract directly with Manchester teachers. However, as discussion on this topic evolved it became apparent that the local teachers as members of the regional teacher's union, do not have final authority to establish the parameters within which bargaining would take place nor do they have the authority to ratify a final contract.

The Washtenaw Livingston Education Association made up of most school districts in these two counties, retains the authority to establish the limits within which a Master Agreement will be approved. As members of the larger union Manchester teachers are bound by the WLEA constitution to accept this higher authority.

The Manchester Board of Education has requested that Ms. Rita Thomas, an MASB labor negotiator, be assigned to the school district. Ms. Thomas, who is a graduate of the Cooley Law School in Lansing, was raised on a farm near Manchester and has negotiated several teacher contracts for neighboring school districts.

The hope of the Board is that negotiations will be concluded before the end of the current school year in order to provide for continued stability within the school district.

Bethel Church To Host Lenten Breakfast

The annual Lenten Breakfast, a traditional Easter celebration which has been held for many years in the Manchester Community, is being hosted by the Women's Fellowship of Bethel United Church of Christ. It will take place on Wednesday, April 7th, at 9:30 A.M. The church is located on the corner of Schneider and Bethel Church Roads, in Freedom Township.

The breakfast will be followed by a program presented by some of the women of Bethel, entitled "Catch a Rainbow." This year's offering will go to Church World Service and their efforts to provide relief in Poland.

All women in the community are cordially invited to attend this day of worship and fellowship. Baby sitting will be provided.

Please call in your reservation to Karen Weidmayer, 428-8641, by Monday morning, April 5th.

One problem with living in a small town is that your house is known by the name of the people who lived there before.

Hit or Miss by Farley

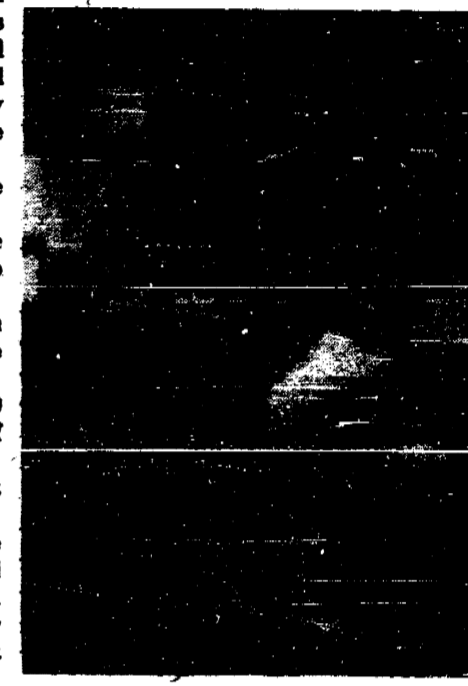

We have, for some time past, been collecting reasons why various individuals thought that Monday was aptly named Blue Monday and the reasons we received were many and varied, and so here they are, some sincere and some supposed to be humorous:

- *You put your contact lenses into the wrong eyes.
- *You came back from lunch and find the "60 minutes news team cameras all set up on your desk."
- *After many years of faithful service you read that you make less than a retired race horse after it has gone to stud.
- *Your neighbor awakens you at 6:00 a.m. to borrow your last two cups of tequila.
- *Your blind date for last night turns out to be your ex-spouse.
- *You put two bottles of beer in the freezer compartment for a quick chill and they just blew up all over the refrigerator.
- *Some genealogist has traced your family name and found that you are not related to anyone of any importance.
- *Someone with the same name as yours has been arrested for promoting dog fights.
- *The neighbor's kid discovers that a blast from his new whistle will trigger your automatic door opener.
- *You throw away your junk mail including the one that says "You may have already won"...and find that you did have the lucky number for a round-the-world cruise.
- *You sneak off from work early and go out by yourself to practice your golf game and shoot a hole in one with no one watching but a moth eaten blackbird.
- *You go all day before someone tells you that you are unzipped.
- *You go out on the porch and find that there is a surveying crew in the middle of your lawn for no good reason.
- *You go out to start your car and find that it has committed hari kari—at least the battery has—during the night.
- *Your phone rings and a voice says: "This is your bank. Did you forget your payment is overdue?"

One chap tells me that his son had a notation on his last report card which read,

"That he was very adept in the art of the creative use of the arts of visual aids for learning" so I called his teacher and asked her just what that meant to which she replied that it meant he copies from the kid in the next seat. You know that nowadays we never put kids down.

Stress Workshop To Be Offered At St. Mary's

Barry Doan, volunteer coordinator of "Call Someone Concerned" in Adrian, will present a workshop on creative stress management, Sunday evening, March 28th.

Rising unemployment and the fast pace of our society has created new pressures on individuals and families. Recognizing these pressures, understanding their effects, as well as finding ways to creatively cope with stress will be some of the topics explored in Mr. Doan's presentation.

Barry is a graduate in Social Work and Sociology from Eastern Michigan University. He has worked in a variety of settings including extensive work with young people at Lenawee Vocational-Technical School and Maurice Spear Campus. He regularly delivers drug education programs throughout Lenawee Public Schools.

He is currently concerned with recruiting and training of new volunteers in crisis intervention.

The workshop will be held at 7:30 p.m. at St. Mary's Church Hall and is open to the entire community. It is sponsored by the Christian Family Movement, a family support group whose goal is to encourage strong families in neighborhoods throughout the world.

Senior Citizens Meals And News

The menu for the Senior Citizens Meal on Tuesday, March 30 is: Tuna Noodle Casserole, Vegetable, Fruit, Bread and Butter, Dessert, Coffee, Tea and Milk.

On Thursday, April 1, they are serving: Roast Beef, Potatoes, Fruit, Bread and Butter, Dessert, Coffee, Tea, and Milk.

Senior Citizens Meals are served each Tuesday and Thursday, unless otherwise announced, at the Emanuel United Church of Christ dining room under the auspices of Manchester Senior Citizens Council, Inc. Reservations should be made by calling the church office, 428-8369, by the day before the meal if possible. Call between the hours of 9 A.M. and 3 P.M. or contact Mr. Ray Gonyer, president of the Council for information, 428-7613.

On Tuesdays there is an Exercise Class at 11:00 a.m. before the meal. In the afternoon Euchre is usually played and all seniors in the area are welcome. There are crafts following the Thursday meal. Something for everyone—Do Come.

The Senior Citizens Club is having a Pot Luck Dinner on March 31, at Manchester United Methodist Church at 12:30. This is a MUST.

Annual Weather Service Program

The Chelsea Communication Club, Chelsea Civil Defense, and members of the

local UAW 1284 Community Service Committees extend their annual weather service program. All persons interested in learning and preparing for the possibility of severe weather conditions and precautionary measures are urged to attend.

Guest speakers will be Ken Rizzo, Meteorologist from the National Weather Service in Ann Arbor, and Dan Harsh, Director of Emergency Management for Washtenaw County. They will present information on weather forecasting, warning signs, precautions and emergency procedures for severe weather, including tornadoes. Slides will be shown in an effort to better educate the public on this matter.

The meeting will take place on Thursday, March 25th, promptly at 7:30 p.m., at the UAW 1284 Building located south of Chelsea on M52. Let's all participate!

Substance Abuse Awareness Committee

A growing concern over substance abuse among Manchester youth prompted the formation of this committee. Substance abuse related to drugs, alcohol, and tobacco. S.A.A.C. is co-chaired by Brian Schick, Middle School Principal and William Zsenyuk, Village Administrator. Other committee members include Carol Wiethoff, Sandy King, Janice Hammond, Kathy Aiuto, Don Steele, James Kappler and Dr. Monte Okey.

The first goal of S.A.A.C. is to develop a presentation which will be relevant to Manchester and informative to its populace. The program will be designed for adult participation.

The informational meeting has been scheduled for Thursday, April 22. It will be held at 7:30 p.m. in the Middle School gymnasium. Part of the program will call for audience input to identify community concerns, direction for this committee, and future topics/suggestions. Babysitting services will be available for parents who find it necessary to bring their children with them in order to attend.

We appreciate your support and sharing our concern and are anxious to work with you. Those wishing more information may contact Brian Schick at 428-7442 or Bill Zsenyuk at 428-7877 during the day.

Legislative Update

Mary Keith Ballantine
23rd District

"Say Yes To Michigan" - Thermofil, Inc. of Laurens, S.C., is moving back to Michigan to relocate its plastic resins operation, because of our "superior work force." Livingston County is the site for the new plant.

"Stay! Yes To Michigan" - Steelecase, Inc. is spending \$63 million to expand its Grand Rapids base of operation. The new plant will initially create 600 new jobs for Kent County.

"Sagan Ste Yeh Zam Michigan" - KUKA Robot Corp. of West Germany is opening its first American facility in Macomb County. The addition of KUKA to Michigan means that our state has quickly become a leader in automated systems production, as well as robotics manufacturing.

Big Mac - Over 2,000,000 Served Annually - What's five miles long, weighs 66,500 tons and cost \$100 million to build twenty-five years ago? Why, it is the Mackinac Bridge and it's almost paid for. The Mackinac Bridge Authority has paid for all but \$26 million of its construction and maintenance debt. It should own the bridge outright by 1987, seven years ahead of schedule. In the past history of the bridge, it has closed a total of nine times because of weather. This year, however, it closed at least that many times in six weeks because of Old Man Winter! Remember him?

Buckle Up The Babies-It's The Law April 1 - Beginning April 1, 1982, all Michigan motorists must make sure that all children four years old and younger are safely secured in their cars. Specifically, all children under four must be carried in safety seats. Children between one and four, however, when carried in the back

seat, may be secured with a seat belt. Child deaths in auto accidents could be cut by 90 percent, according to the Michigan Association for Traffic Safety.

And Watch Out What You Feed Them - The U.S. Food and Drug Administration is recalling all lots of "SMA" infant formula. The FDA believes the products may lack vitamin B-6. Without vitamin B-6, infants can suffer serious health problems, including convulsions, so this is an important warning. The recall includes 32-ounce cans of SMA Ready-to-Fed, 13-ounce cans of SMA concentrate, and one-pound cans of SMA powder. The lots involved have code numbers from A25M through A31M or B1M through B15M, which appear on the top of the cans. If you have some of these on your shelf, return them to the store where you purchased them.

Flood Aid Request - Now that Michigan's worst winter in recent memory is over, new troubles have begun - the worst flooding in recent memory. Governor Milliken has asked President Reagan for emergency federal relief. If approved by Washington, hard-hit victims in Bay, Berrien, Allegan, Monroe, Genesee and Ingham Counties would be eligible for low-interest federal loans.

Mothers March Prize Winners

2000 volunteers answered the call to help with our annual Mothers March door to door campaign. Total funds raised so far are \$41,000 and returns are still coming in. We wish to extend our most sincere thank you to all of our dedicated marchers.

Mrs. Frank Miner of Manchester was one of the lucky prize winners.

All prizes in our prize program are donated by area organizations or businesses.

Alcohol: Effects In The Family

The present society still has a long way to go in the area of alcohol. The effects of alcohol on the family are often overlooked. It can lead to domestic violence, child abuse, and financial problems. It is important to recognize the signs and seek help if necessary.

Obituary

Edward O. Galloway
527 Territorial
Manchester
Age 70 years, died Tuesday, March 16, 1982 at the Saline Evangelical Home. He was born July 29, 1911 in Manchester, the son of Julius and Mary Scully Galloway. Mr. Galloway had been an employee of the Ford Motor Company for 35 years, retiring in 1976. He was a member of St. Mary's Catholic Church and a Charter member and Past Grand Knight of the Fr. Edwin Fisher Council #4354 of the Knights of Columbus. He was also a member of the Manchester Optimist Club. He is survived by one sister, Mrs. Katherine Furgason of Manchester; two nephews and one niece. Funeral mass was held Friday, March 19, 1982, 10 a.m. at St. Mary's Church, Rev. Fr. R.R. Schlunk officiated. Burial followed in St. Mary's Cemetery. The Rosary was recited Thursday, March 18, 8 p.m. at the Jenter Funeral Home.

Articulation Efforts

The South and West Washtenaw Vocational Consortium (Saline, Milan, Manchester, Chelsea, Dexter); the Ypsilanti Regional Career Tech Center; Ann Arbor School District; Willow Run School District; Whitmore Lake School District and the Lincoln Consolidated Schools have concluded negotiations with Washtenaw Community College by signing Articulation agreements in two additional vocational areas, Food Service and Electronics. This is a process of clearly defining

NBJ News

Robert L. Condon, President and Chief Executive Officer of The National Bank of Jackson, today announced that the Board of Directors has approved a regular cash dividend of 50¢ per share. This dividend is payable on April 21, 1982 to shareholders of record March 31, 1982 and represents a total dollar amount of \$507,626, based upon 1,015,252 shares. The annual Shareholders Meeting has been changed from the last Wednesday in April, April 28th, to the last Wednesday in May, May 26th.

Engagements Announced

Mr. and Mrs. John Swanson of Manchester are pleased to announce the engagement of their daughter, Kristina Anne, to Mr. Louis R. Way, son of Mr. and Mrs. Richard Way of California.

Mr. and Mrs. Charles Allen Owen of Farmington Hills, Michigan are proud to announce the engagement of their daughter Penrhyn Hibberd to Finn George Olsen, Jr., son of Mr. and Mrs. Finn George Olsen, Sr. of Manchester.

Kristina is a 1976 graduate of Manchester High School and a 1980 graduate of Michigan State University and is employed by Buffums of California. Louis graduated from Manchester High School in 1973 and is employed by the Chevron Oil Company of California. The couple have chosen May 15, 1982 as their wedding date.

Penrhyn is a graduate of Michigan State University with a degree in retailing, clothing and textiles. She is employed by Jacobson's in Ann Arbor. Finn is a graduate of Albion College with a degree in business and english. He is also employed by Jacobson's in Ann Arbor. A September wedding is planned.

DIAL - A - GARDEN
The following is a schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension

Service. The system is in operation 24 hours per day, 7 days per week. Interested persons are invited to call 971-1122 at their convenience and receive timely, up-to-date gardening information. This week's schedule is: Thursday, March 25, Save Money-Use Leftovers Creatively. Friday, March 26, Propagation of Flowering Shrubs. Monday, March 29, Keep Ferns Healthy. Tuesday, March 30, Shrubs That Stay Small. Wednesday, March 31, Food Tulips Now. Thursday, April 1, Make Your Own Convenience Mixes.

'84 Senior Trip Club Meeting

The Senior Trip Club for 1984 will have a meeting in the High School Library on March 29th at 7:30 P.M. If we do not have our membership doubled, with parents who are willing and able to work on our projects, we will have to liquidate this club. Please attend and bring your folks so you can have a class trip. This could be your last meeting. We have obligations to fill and can not do so with a small group.

Date Change For Annual School Election

Due to an error on the School Events Calendar, please note the following change in the Annual School Election. The calendar has it marked as June 7 but the actual date is June 14, 1982.

Senior Citizens Meeting

The next meeting for Senior Citizens will be a potluck dinner held on Wednesday, March 31 at the Methodist Church at 12:30 p.m. Bring a dish to pass and your own dishes. Join us for a good meal and a fun time.

MICHIGAN STATE COUNCIL

7th ANNUAL MENTAL RETARDATION DRIVE

HELP RETARDED CHILDREN

KNIGHTS of COLUMBUS
APRIL 2nd THRU 6th, 1982

Community Education

The spring session of Community Education will start two weeks after spring vacation. Brochures listing all programs and classes will be mailed out about March 19. Registration will be held from Monday, March 22 through Friday, April 2. Enrichment classes will start the week of Monday, April 19.

Washtenaw Community College will hold a pre-registration night on Wednesday, April 21 from 7-8:00 p.m. in the High School Library. College classes will start the week of Monday, May 3. Please try to attend the pre-registration session or call Washtenaw Community College during the dates and times listed in the brochure and register by telephone.

The next session of Fitness Fantasia (Aerobic Dance) will start on Monday, April 12 from 8-9:00 p.m. in the High School Study Auditorium. It is not necessary to pre-register for this class. Just attend the first Monday session. This class meets on Mondays and Wednesdays from 8-9:00 p.m. for each six week session in the High School.

Your Rights As A Victim Of Crime

Crime affects everyone, but not to the same extent. One common attitude in our society is to blame the victim of crime, believing that they must have brought it on themselves.

Yet society has an ambivalence about victims; we also believe they should be compensated for losses. Michigan passed a Victim Assistance bill in 1977 in response to this need, following in the footsteps of several other states.

Learn what is included in the bill and how it is working by attending an educational presentation at Washtenaw County Cooperative Extension Service on

License Renewal By Mail

More than half of Michigan's 6.5 million drivers will be able to renew their licenses by mail beginning June 15. Secretary of State Richard H. Austin reported today.

According to Austin, a new law now provides the Department of State with authority to renew individual licenses by mail for one time only, providing the individual has a clean driving record for the last four years and is under 71 years of age in the year the license expires.

Notification of eligibility to renew by mail will be made to each driver 45 days prior to license expiration.

Renewal of licenses by mail is expected to save an estimated \$500,000 annually, Austin said.

Tuesday Singles

This is an added week of fun and dancing with the Tuesday Night Singles at the American Legion Hall, South Main Street, Ann Arbor. Dance to the music of the Jerry Robotka Band from 8:30 - 11:30 p.m. on March 30th. Come and join us. Have a nice time. Refreshments are served.

Ballroom dance lessons will be from 7:30 to 8:30 p.m. before the regular dance.

For more information call 482-5478.

Public Notice

Due to the resignation of Councilman Minick, the President will be filling the vacancy for the office of Trustee of the Village of Manchester, for a term to run until March 1983.

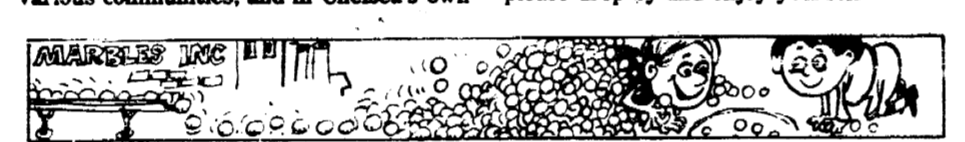

Interested person should submit a letter of application and resume to the Manchester Village Clerk, 120 S. Clinton St., by 4:00 P.M. Friday, March 26, 1982.

Grimshaws To Be Honored

An 'open house' will be held for Mr. and Mrs. William R. Grimshaw of Chelsea. It will be held on March 28, 1982, from 2:00-5:00 p.m. It will be held at the Rebekah Hall at 1194 M-52 (directly across from Village Chrysler-Plymouth).

The Grimshaws have been in the Chelsea area for the past twenty months, serving in the capacity of a missionary couple for the Church of Jesus Christ of Latter Day Saints (Mormons). During that time they have taught numerous genealogy classes in various communities, and in Chelsea's own South and North Schools. The class that was taught to 5th graders at South School has very interesting results. Two young men in that class found out that they have common sets of great-great grandparents!

A marble factory can turn out 1000 glass marbles every five minutes.

We want to be your bank Member F.D.I.C.

Ask the Governor

QUESTION: I saw you on television doing a ribbon-cutting ceremony for a robot exhibition. Won't using robots in industry put people out of work?

GOVERNOR: You are referring to the Robots VI Conference and Exposition held recently in Cobo Hall in Detroit. I was very pleased to be a part of that conference, which displayed virtually every type of industrial robot in existence.

The concern that bringing robotics to Michigan will increase unemployment is understandable. However, while automation may mean a reduction in some jobs, it does not necessarily mean fewer jobs overall.

Robotics allows workers to devote their time to less tedious and repetitive tasks while the automation devices perform the more routine work.

Robotics is crucial to increased productivity, and we must improve our productivity if we are to compete in the world marketplace.

Robotics can, in the long run, help diversify Michigan's economy and provide more jobs for its workers—in the design, development, building, maintenance and servicing of automated manufacturing systems—as robotic systems are called.

Thus, Michigan can reap a two-fold

benefit from robotics—through the development, maintenance and sale of robotic systems and through the marketing of competitively priced Michigan products produced with the aid of robots.

Michigan can become a world center of excellence in robotics. Although most of what must be done has to be done in the private sector, there is a very strong role for government to play and we intend to play it to the fullest.

Last year, I created a High Technology Task Force comprised of business, education and government leaders. This task force is coordinating the efforts of industry, state government and the academic community to achieve a greater high technology force for Michigan.

In addition, we have established an Industrial Technology Institute, a non-profit institute designed to use the resources of Michigan's higher education system, while working with private industry, to develop leading technology in advanced robotics research.

It is not surprising that the High Technology Task Force turned to robotics as the key to Michigan's future. We have in abundance what the robotics industry needs: markets, skilled labor, academic excellence, high technology expertise and a supportive governmental environment.

Michigan is well aware of the potential of the robotics industry—an anticipated

growth in domestic sales from \$100 million in 1980 to as much as \$4 billion in 1990. It also has been predicted that in 20 years there will be a worldwide market for automated manufacturing systems.

Thus, robotics can mean economic growth for our state if we are prepared, as I believe we are, to capitalize on it in the near future.

Art Workshops For Young People

Spring Break Special, art workshops for young people, will occur as usual during the public school spring break, April 5-9. The workshops are held at the Ann Arbor Art Association and run all day, everyday of the week. There is also a special luncheon activity every day that will involve the children in creative movement and music.

Workshop topics include: "Wake-Me-Up Art", "Soft Friends", "Kid's Clay", "Art of Paper", "Tee Shirt Art", "Face Painting", "Paper Bag Theater", "Rubbings", "Pariscraft Masks", "Treasure Boxes", "Printmaking", and several other workshops that involve drawing and painting. Instructors for the workshops are all professional artists and instructors on the permanent staff of the Art Association.

They are instructing in their area of expertise and will provide a thorough and creative art week.

Lunch activities will provide a change of pace for students and involve them in the performing and musical arts. Sandi Ryder of Wild Swan Theater will provide two days of activity based on theater games and story theater. Children will play and learn the way actors are trained with games such as "what am I eating" and "part of a whole". Susan Schell-Clark, formerly with Mirage Dance Company, will conduct improvisational games and creative movement structures for children. On Thursday and Friday, Katho Courant, music instructor at Emerson School will help children discover their non-instrumental musical talents in voice and movement as she leads and accompanies with a variety of instruments.

The entire week is designed to be a creative and exciting set of experiences that carry on the tradition of art education at the Art Association. The Art Association is a non-profit community art center dedicated to learning and enrichment in the visual arts. It offers courses in studio art and art appreciation in four sessions per year as well as having exhibits and workshops and a sales/rental gallery in its facility at 117 W. Liberty. For further information call 994-8006.

Area Health Office To Help Parents Buckle Up Children

By now readers surely have heard that on April 1, Michigan's Child Passenger Safety Law goes into effect. According to the law, children under 1 must be restrained in an approved infant seat. Children between 1 and 4 must be restrained in an approved child safety system when riding in the front seat or by a seat belt when in the back seat. To help parents buckle up their children, the Washtenaw County Health Department and Child Passenger Safety Association are sponsoring a "Check Your Infant's Car Seat Day", on March 25 at Naylor Motor Sales, 2060 W. Stadium, Ann Arbor, from 10 a.m. until 2 p.m.

Parents may bring in their safety seat to this location and find out if it is an approved model and how to install it. Lists of approved safety seats also will be available. For a small fee, a mechanic will install the "tethers" for seats that need them. If you would like to take advantage of this service, but find that it is not convenient on this day, please notify the Washtenaw County Health Department, Health Education Office, at 973-1488 to make other arrangements.

Mortgage Money Available

New mortgage money is available for many Michigan renters who want to buy or build their first home, the Michigan State Housing Development Authority (MSHDA) has announced. MSHDA recently sold \$25 million in bonds to private investors to reopen its single family home mortgage program, according to Richard K. Helmbrecht, executive director. The MSHDA loans are for new homes or builders' models that have not been previously occupied. For the first time, certain condominiums and manufactured houses also will be eligible for MSHDA mortgages.

Helmbrecht said the program offers mortgages of up to \$60,000 at a fixed interest rate of 14.25 percent on homes costing no more than \$69,750. The borrower's annual household income must be under \$31,748, although up to \$4,000 in overtime earnings can be excluded from the total. Federal rules require that in most instances the borrower must not have owned a home in the last three years.

The new loans, called Equity-Builder mortgages, are structured in a novel way. Payments are lower than a conventional loan in the first three years and higher - by 3 percent annually - in later years when the buyer's income is likely to be higher. Because the interest rate stays the same, the increase in monthly payments goes entirely to reduce the principal of the loan, thus paying it off in 17 years and saving the homeowner thousands of dollars in interest costs.

For example, Helmbrecht said, interest payments on a \$45,000 Equity-Builder loan would be approximately \$68,000 less than on a 30-year mortgage at the same interest rate.

Because Equity-Builder payments are significantly reduced in the first year, buyers can qualify with a lower income than would be required for a standard loan, he said.

MSHDA was established by the state legislature to address the housing needs of Michigan's low and moderate income citizens. Since 1971, it has financed more than 10,250 single family homes, as well as thousands of rental units and home improvement loans.

Persons interested in the MSHDA loans should apply at local lending institutions. A list of lenders and a brochure describing the program is available from MSHDA, Single Family Program, 401 South Washington, Lansing, MI 48909; telephone (517) 373-6840.

Patronage Payments

Farm Bureau Services, Inc. and Farmers Petroleum Cooperative, Inc. made patronage payments of more than \$258,480 on March 12, 1982 to member-patrons who did business with the cooperatives in 1980 and 1981. Of this dollar amount, \$189,610 was retained on the companies' records in the stockholders' names as their equity.

As cooperatives, Farm Bureau Services and Farmers Petroleum Cooperative distribute all earnings resulting from business transacted with stockholder-patrons. The retained equities are used by the regional cooperatives to finance improvements in services and facilities for their members.

Farm Bureau Services, Inc. is the largest farm supply distributor and marketer of grain and beans in the state of Michigan. Farmers Petroleum Cooperative is one of the largest distributors of petroleum supplies in the state of Michigan.

Notice of Public Hearing

PLEASE TAKE NOTICE that a Public Hearing will be conducted before the Village Zoning Board of Appeals on the application of the BLACK SHEEP THEATER pertaining to the premises located at 122 W. MAIN STREET, Manchester, Michigan. (OLD METHODIST CHURCH BUILDING). Said hearing has been rescheduled for 8:30 P.M., April 5, 1982, at 120 S. Clinton Street, Manchester, Michigan.

The Public Hearing will consider the appeal of the Black Sheep Theater to change the Manchester Zoning Ordinance - "Article 21.03" to allow their request for a Conditional Use Permit to use the Old Methodist Church Building for a Professional Repertory Theater. Any comments are welcome at the meeting or in letter form. Your attendance is not required.

CHEMICALS IN THE HOME

There's no denying we live in an age of man-made chemical products. They are all around us. A quick inventory of the numerous products in the house and garage that contain chemicals will astonish you. The various items range from detergents to medicines, from wood killers to paints. And each one helps to make living a little easier and more pleasant.

Probably the safest approach to take is to consider that all products containing chemicals may be toxic. Then you are more apt to exercise care in their handling and use.

Actually, "toxic" is a relative term. The effects of a chemical substance or mixture depend on several things. Of importance are what is in a product, basic properties of the chemicals involved, the dosage or conditions of exposure, and the susceptibility of the person exposed. It is impossible to group together all chemical substances as either "toxic" or "nontoxic". Some are more toxic than others during normal use and exposure, while some are generally no threat at all.

Some of the chemical-containing products commonly found in the house include: medicines; furniture polish; cleansers and scouring powders; cleaners for ovens, drains, toilet bowls, metal, carpeting, upholstery; and jewelry; water-proofing sprays; soil-resistant sprays; bleaches; dyes; glues; hair removers; deodorants; lotions for sunbans and hair waving; hair sprays; nail polish removers;

moth balls and mothproofing sprays; and lighter fluids. Other things in the house may have involved chemicals in their manufacture. For example, formaldehyde is used in the composition of some carpeting draperies, and construction materials. Even many of the foods we eat contain additives that are chemicals. However, you need not be concerned about them because before they can be used, the U.S. Food and Drug Administration must be satisfied that proposed additives are safe.

Your garage or storage shed very likely has chemical-containing items in it, such as anti-freeze, kerosene and other petroleum products, lye, lime, paint removers, paints, varnishes, rat and ant poisons, bug sprays, weed killers, and fertilizers. The lists are nearly endless. One should never forget that some chemicals can be harmful if not handled or used in a safe manner. Knowing this, always read the label on a container before using the item. The label will advise as to the contents of the container and, if needed, the precautions to be taken when using the product. If there are young children in the house, storage is important. Be sure to keep chemical items where a child cannot reach them.

If an accidental poisoning should occur, quickly contact the nearest poison control center for advice on what to do. If you don't know where the nearest control center is, make it your business to find out and put the telephone number in a prominent place near the phone.

King's Daughters

The Manchester circle of the Kings Daughters will meet at the Manchester United Methodist Church on Thursday, March 25 at 1 p.m. Francis Nollar will be hostess. Bring a favorite quote of scripture for roll call.

Board Of Education Sets Annual Election Date

The Manchester Board of Education took official action at its regular meeting on March 15, to set Monday, June 14, 1982 as the date for the annual school election. Official notice of this election will be posted in the Manchester Enterprise during the month of May.

Three seats on the Board of Education will be open for election at that time. These seats are currently held by Mr. William Bunney, Mr. Earl Horning, and Mr. Kent Talcott. Candidate nomination petitions for these positions must be filed with the secretary of the Board or in the Board of Education office by 4:00 P.M. of Monday, April 12, 1982. Petition blanks may be obtained at the Board of Education office.

It is also anticipated that the Board of Education will include a proposition for bonding for the purposes of renovating the school buildings in addition to a proposition for renewal of school millage.

Citizens of the community who have not already done so are encouraged to register early in order to be eligible to vote in this election.

News Of Good Things Growing

The first signs of spring can perk up even the dullest day, when the sun starts setting later and the days begin getting warmer. And warm days with freezing nights are good for one of Michigan's agricultural crops - maple syrup.

It's this type of weather which makes sap run and makes possible delicious Michigan maple syrup for topping hot pancakes or waffles, making rich maple candy or glazing your favorite meat dish. For an added treat, try maple barbecued spare ribs. Just substitute maple syrup for sugar in your favorite recipe by using one and one-half cups syrup for each cup of granulated sugar.

Baked goods made with maple syrup should be baked 25 degrees lower than the same recipe using sugar. Be sure to add one-quarter teaspoon soda for each cup of maple syrup and cut down any liquids by one-half where sugar is eliminated.

Last year in Michigan about 91,000 gallons of syrup were produced, sixth highest production in the nation, according to Michigan Department of Agriculture officials. The value was estimated at \$1,747,000.

Only pure, boiled-down sap weighing at least 11 pounds per gallon may have a maple syrup label, reports Dr. Edward Helfron, MDA's Food division chief.

"Syrups may legally be sold as mixtures of maple and other syrups, but the law requires these to be labeled showing the percentages. They must be labeled either imitation maple or maple-flavored syrup."

To make one gallon of maple syrup, about 40 to 60 gallons of sap must be collected. Holes are drilled into a tree and a 'spile', allowing the sap to flow into a bucket or tubing, is placed in the hole. Each tap will yield 15 to 20 gallons of sap during a season, depending on the size of the tree. Larger trees will accommodate two or more buckets.

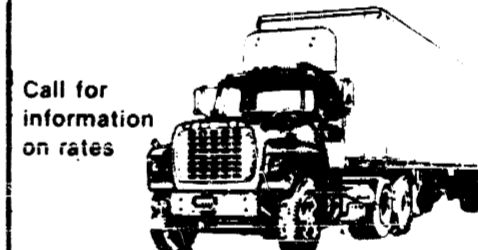

Troop 426 Committee Meeting

Boy Scout Troop 426 of Manchester, will hold a Troop Committee meeting on March 30, 1982. It will be held at the Emmanuel United Church of Christ from 8:00 - 9:00 p.m. ALL committee members are respectfully requested to attend!

The troop is scheduled for re-chartering by April 1, 1982. The troop secretary will contact all committee members before the 1st of April for re-chartering.

If you have any questions concerning the meeting and/or re-chartering please contact the Troop Secretary Leo Clear 428-9694, before 10:00 a.m. or after 10:00 p.m.

Community Sing Of Sir John Stainer's Crucifixion

Musicians and singers from the Ann Arbor area will gather at St. Andrew's Episcopal Church (306 N. Division) to join in the singing of Sir John Stainer's *The Crucifixion*, on Good Friday, April 9, 1982, at 8:00 p.m.

This liturgical work portrays through its text the Passion of Christ, interspersed with congregational hymns expressing a personal response to the action. Written in 1877, it has remained popular to this day.

Traditionally, the choral items in the work are performed by a trained choir, with the congregation joining them for the hymns. This, however, will be the first Ann Arbor performance to involve the congregation in singing the entire Cantata.

The reading will be led by St. Andrew's Adult Choir, directed by Organist & Choirmaster Thomas F. Strode. Featured will be tenor Mark Carlisle and baritone Theodore Rulfs. The organ accompaniment will be played by Brady N. Johnson, sometime Interim Organist at St. Paul's Cathedral, Detroit. The church's 33-rank Reuter pipe organ is more than adequate for the requirements of the score.

Those wishing to come and sing should arrive in time for a 7:30 orientation and brief rehearsal. Although vocal scores will be provided, those owning scores should bring them.

For further information, call the church office at 663-0618.

Special Spring Events

Washtenaw County Parks and Recreation Commission is sponsoring their fifth annual Co-ed Recreational Volleyball Tournament, Saturday, April 3, 1982. This tournament is for teams of comparable recreation skill levels throughout the county. The tournament will be held from 9:00 a.m. - 4:00 p.m. with individual trophies being awarded for 1st and 2nd places.

Also on Saturday, April 17, 1982 the County Parks and Recreation Commission has scheduled their third annual Spring Fun Run. The run will start at the County Service Center with a 3.1 mile run at 10:15 and a 7.8 mile run at 10:25 a.m. The courses include hilly terrain and meandering roadways.

A \$6.00 registration fee includes a shirt for all competitors. Trophies will be awarded for 1st, 2nd and 3rd place finishers in men and women divisions.

For further information on the above programs please contact the Parks and Recreation Office at 973-2575.

Run For Vocational Education

RUNNERS: Get a pre-season preview of part of the Dexter-Ann Arbor Run on March 27, 1982 during the Vocational Education Keeps America "Running" 5K and 10K race, beginning at Dexter High School at 10:00 a.m.

The race begins and ends at the high school and will wind in and around the scenic and slightly hilly area of the Village of Dexter. T-shirts will be given to all participants.

The top three finishers in each of the following categories (both male and female)

will receive awards: 15 and under, 16-18, 19-24, 25-29, 30-35, 40-49 and 50 and over. A prize will also be given to the first vocational education student and staff member who completes the race.

Pre-registration for the race is \$5.00 (\$7.00 the day of the race). Proceeds from the run will go toward continued promotional activities for Vocational Education and job placement. Sponsors for the Run are Control-O-Mation and the Saline Community Hospital in cooperation with Dexter Community Education.

For additional information contact the organizers, Bob Miller, Dexter High School, 2615 Baker Rd., Dexter, MI 48180, (313) 428-4006 or Gerri Powell, Livingston Intermediate School District.

National Nutrition Time

Adding new spring to March each year across the country is National Nutrition Time, sponsored by the American Dietetic Association. Saline Community Hospital will take part in celebrating good nutrition with a special program to be presented by Marlene Gustara, R.D., of the Dairy Council of Michigan which will be held on Monday, March 29, at 7:00 p.m. in the Hospital's Blue Room.

Among the program topics will be information about the current "fad" diets, such as the Beverly Hills Diet, Scarsdale Diet, Pritiken Program and also complete information about safe and effective weight loss programs. An additional emphasis of the program will be "Invest Now... Nutrition is Up" with helpful ideas on being a wise consumer and getting the most for your food dollar investment.

Nutrition activities and refreshments will be featured, as well as a special door prize for the evening provided by Fulford's Produce. Pre-registration is requested and may be completed by calling the Hospital at 429-5435, ext. 331.

Spring-Landscape Maintenance Workshop

Are your shrubs scraggly and overgrown? Is your lawn all weeds? Learn how to maintain your lawn and landscape at a comprehensive workshop being co-sponsored by the Washtenaw County Cooperative Extension Office and the Friends of Matthaei Botanical Gardens. This meeting will be held on Saturday, March 27 at Matthaei Botanical Gardens at 1800 N. Dixboro Road and runs from 9:30 a.m. until 4:00 p.m.

The morning session covers perennial flowers and planting and fertilizing trees and shrubs.

There will be an hour lunch break beginning at noon. Participants should

bring their own meal. Coffee and tea will be provided.

The afternoon session covers lawn care, pruning trees and shrubs and landscape weed control. The workshop will conclude with a discussion of trickle irrigation.

To register send \$3.00 (check or money order) to the Washtenaw County Extension Office at E.O. Box 9645, 4128 Washtenaw Avenue, Ann Arbor, Michigan 48107. The registration covers the cost of materials to be given out at the meeting. Phone registrations will be accepted. Call 973-9610. Persons may also register at the door for \$4.00 on a space available basis.

Attention Golfers!

The Clark Lake 18 Hole Golf League will meet Wednesday, March 31, 7:00 p.m. at the Bauernstube Restaurant.

The league plays at Clark Lake, Thursday, 12:30 p.m. There are openings for regular golfers and subs.

Interested golfers, plan to attend meeting or call Keith Reed 428-8554.

The Clark Lake Manchester Late Golf League meeting will be held April 8, 1982, 7:00 p.m. at the Bauernstube Restaurant. If you cannot attend but plan on playing, call 428-8050, prior to meeting.

Any couple interested in golfing on the Clark Lake Sunday mixed league, please contact Dennis or Cathy Herman at 428-7426. Please call before April 7.

Sons Of The American Legion

The second meeting of Sons of the American Legion Post 117 was called to order by Commander Jacques LaRock at 7:30 p.m. on Thursday, March 18, 1982.

The colors were presented by Jacob Gilbert. The Pledge of Allegiance to the Flag was given. Israel Clouse read the opening prayer. There were nine members present. It was decided to order Sons of the Legion hats and T-shirts.

Any eligible male descendant wishing to join the Sons of the Legion, call Jay Clouse, 428-7432.

"Good Old Days"

When the Manchester Area Historical Society took a look at the "Good Old Days" at their monthly meeting on March 14, the question proved to be not so much whether there had been better days as when those halcyon days really were. With 38 persons, (fourteen men and twenty-four women), ranging in age from 19 to 85, casting their ballots, only four (all women) were unequivocal in preferring the 1960's, although another five (3 women and 2 men), while disavowing any preference for an earlier period, admitted to a wistfulness for certain aspects of an earlier day.

Five (3 men and 2 women) looked back only ten to twenty years to the 1960's and 70's to find better days - when inflation seemed temporary and the "future looked bright".

Reasons given by 9 voters (5 men and 4 women) for looking with longing at the 1940's and 50's were: prosperity, less government and a "unity of national purpose" during World War II. Three of the number (2 men and one woman) all in their early sixties identified the good old days with a period in their own lives when their families were growing up.

Two men chose the 1930's: one relishing happy days on the farm and the other noting that the period had been characterized by less violence, greater personal ambition, and cooperation between management and labor.

The single decade of the 1920's received 6 votes, from two men and four women. Three mentioned the fact (or necessity) of greater family closeness as an important factor in their choice. Another felt the 20's to have been a time of progress and exciting change, and another found a challenge in the hard work and responsibilities of that period. Two women offered no explanation for their choice.

Two (one man and one woman) chose the decade of WWI but only one gave a reason: it was a time of predominantly rural and uncomplicated society. Another pair chose the period 1900-10, the woman noting that life was simpler and it was "before WWI".

One man and one woman (both in mid-fifties) saw the "Gay Nineties" as a

simpler, pleasanter time, particularly if one had "a lot of (domestic) help."

Looking further back in the previous century each of five women found a longed for period. The ones choosing the 1850's and 1870's gave no reasons for their selections. The youngest respondent, a girl of 19, chose the 1860's because it seemed to her a time when both school and family life was free of problems and also she admired the "long pretty dresses they wore" then. The woman choosing the 1880's cited family closeness and the fact that it was "a period between wars" as reasons for her selection.

Finally, one woman would like to have experienced "the many good things happening" throughout the country's whole history from 1776 to 1876, but admits "life must be easier today".

One voter added an obvious but important observation to his ballot: "The good old days are better because it is human nature to remember the pleasant more than the unpleasant."

Thirteen (7 men and 6 women) of those voting were born in the Manchester area with six of that number claiming ancestors who settled here before 1900. Another five were brought here as children by their parents. But almost half (18) of those attending had moved into the area since 1950.

In other business, Mr. John Swainson, Chairman of the fund drive, announced plans for raising money to purchase the John Schneider Blacksmith Shop as well as displaying the new society logo and stationery. A raffle (drawing to be held July 4), bingo night and flea markets are among the events planned. Details will be announced as each affair is begun.

If you are interested in donating to the society, please contact Loring Ebersole, 428-9246, treasurer of the fund drive committee.

The next meeting will be held on Monday, April 19 at 8:00 p.m. at the Blacksmith Shop on Main Street. A look at life was simpler and it was "before WWI".

Good Fortune In Abundance

Pictured above are Jack and Kate Morganville, Stanton Roesch and George Anderson.

Good fortune has smiled on Kate and Jack Morganville in abundance this year. Not only did Jack come up a winner of \$20,000 in a recent Michigan instant lottery, but the Moranvilles were the lucky ticket-holders who won the Zenith Giant Screen TV Home Entertainment Unit at Saline Community Hospital's recent Casino Night held at Travis Pointe Country Club.

The Moranvilles have graciously shared their good luck with others by giving the giant screen TV to the hospital where it will remain in the lobby for the enjoyment of hospital visitors and patients. Pictured are Jack and Kate Morganville as they receive a certificate of appreciation from Stanton Roesch, President of the Hospital's

Board of Directors and George Anderson, Chairman of the Hospital's Development Committee. A plaque in the couple's honor is also mounted on the set.

The Casino Night party was the latest in a series of special fund-raising events which has now brought the current drive to finance a new Radiographic-Fluoroscopic Unit beyond \$75,000. Special appreciation goes to Co-chairpersons Marilyn Koester and John Ivanoff who helped to provide an enjoyable evening for nearly 600 people, which, in turn, boosted the proceeds for the new X-ray equipment. Donations may be sent to the Hospital's Office of Community Services and Development at 400 W. Russell Street, Saline 429-5435, ext. 249.

**HIT OR MISS
by farley**

Every time things get tough and the Government wants more money to balance the budget there arises a clamor for more taxes on booze, gasoline and tobacco. I've been noting in the papers that there is a drive on, fortified with hints here and there, for a "sin tax" on the above.

Somebody announced the other day the results of a poll which indicated most every one was in favor of one or more of these taxes.

Why can't they tax something I don't like, to sort of even out the burden.

Columnist Bob Swift agrees with me in this. He says "You may prefer bowling. If that's your preference then take your ball and roll it."

You may prefer golf. If so take your ball and swing at it.

You may prefer fishing. If so I say to you take your fish and stuff it."

I don't constantly demand an extra tax on bowling, golfing or fishing.

The first thing they think of is more taxes on alcohol or tobacco. I suppose that their hinking is that too much alcohol is bad for you and you don't need it and therefore it is a sinful luxury.

Too much of anything is bad for you.

I know one fellow who would rather eat chocolate than drink Scotch. He eats chocolate cake with chocolate frosting and with a dish of chocolate ice cream, followed by a chocolate bar.

I don't think that much chocolate is good for anyone—they don't need it—it's a luxury but I don't hear anyone wanting a tax on chocolate. I would suggest more taxes on things that I don't like or have no interest, such as:

Designer jeans, raquetball, skis, jogging shoes, jelly beans, diet food, Twinkies, diet soft drinks, Barbara Cartland novels, most TV game shows, Chicken wings, soap operas, hang gliders, lace doilies, cooked

**226 Donors Donate
To Bloodmobile**

Another successful Bloodmobile was accomplished by the Manchester Area, Monday, when 226 donors each gave a pint of blood to the Red Cross Southeastern Michigan Blood Center for use in nearby hospitals. Twenty-three others were deferred to another time for medical reasons and a sudden virus in the district caused 49 who had planned to give to renege.

The Manchester United Methodist Church was host to the clinic and United Methodist Women furnished the canteen refreshments. Alber Orchards supplied the cider and the American Legion Auxiliary the orange juice.

Gallon donor records went to Elizabeth Gonyer and Reverend John Morris who received their four-gallon pins. Three-gallon pins were presented to Mary Frances Cleland, Harry Johnson and Rex Winchell. Jane Korth and Pat Wallace received two-gallon pins while nine others gave their eighth pint of blood at the clinic and received their one-gallon pins: Roger Kappler, Eleanor Martin, Annette Phillips, Kevin Handy, Daniel Marceau, Albert Esmades, Daniel Bauer and Kathleen Richards.

Double A Products broke their donor record by sending 82 employees to the Bloodmobile resulting in 72 pints toward the quota.

Volunteers who assisted Chairman-of-the-Day, Mrs. Robert Little were: prescreener, Annetta Breitenwischer; registrars, Mrs. Jesse Walker, Mrs. LeRoy Knickerbocker, Mrs. Norman MacLeod and Mrs. Ernest Ridge; pack table, Mrs. Ray Uphaus and Amanda Schaible; escorts, Mrs. Guy Little, Mrs. Larry Kouba, Mrs. Alfred Strang, and Linda Weston; observers, Mrs. Aaron Nathan, Mrs. Alvin Kappler and Mrs. Willard Mann. RN's: canteen, Mrs. Wilda Esch, Mrs. Ruth Oates, Mrs. Golda Bertke, Mrs. William

**Annual Bridgewater
Township Meeting**

The Annual Bridgewater Township Meeting will be held Saturday, April 3, 1982 at the Bridgewater Township Hall, 10990 Clinton Road, beginning at 1:00 p.m. The meeting date was incorrectly stated in previous issues of the Enterprise.

**United Way
Annual Meeting**

The Manchester United Way held its Annual Meeting on Tuesday, March 23, 1982 at the Manchester Township Hall. There were 27 present. The 1981 Annual Meeting minutes and the financial report were both approved.

Dr. Glenn C. Lehr, Jr., 1981-1982 Campaign Chairman, was introduced by President Sauter. Dr. Lehr stated he was proud to represent us at the United Way of Michigan Campaign Celebration Luncheon, where Manchester was 12th in the state, percentage wise. He commended the local Board of Directors for their work. An engraved shadow plaque was presented to Dr. Lehr in appreciation for his efforts.

A campaign award plaque was awarded to Pinnacle Engineering Company for their outstanding participation. 1981 tabs were awarded to the following for 100% participation: National Bank of Jackson, Manchester Community Schools, Chrysler Proving Grounds, Double A Products Company, Manchester Stamping Corporation, Michigan Gas Storage Company and Manchester Tool & Die, Inc. A sponsor plaque was awarded to Double A Products Company in appreciation for their sponsorship of the Kick-off Dinner.

All agencies except Child & Family Services were represented to give the past year's activities. They were: Manchester Area Recreation - Bart Bartels, Recreation Director; Manchester Family Service - Claire Reck, Chairman; Merrill Korth, Treasurer; Manchester Senior Citizens - Ray Gonyer, Chairperson; American Red Cross - Wes McKenzie, Executive Director; Catholic Social Services - Nancy Grossman, Continued On Page 7

**Engagement
Announced**

Mr. and Mrs. Edward Magda of Belleville have announced the engagement of their daughter Monica M. to Keith C. Moore, the son of Mr. and Mrs. Joseph Moore of Manchester.

The couple plan a May 22 wedding. Miss Magda is a graduate of Lincoln High School. She is employed by Errin Industries in Ann Arbor. Her fiancé graduated from Manchester High School and is a senior, at Eastern Michigan University, majoring in Accounting.

**Community
Education**

This Friday, April 2 will be the close of Spring Registration.

Important dates to remember for the Spring Community Education Programs are: Fitness Fantasia (Aerobic Dance) starts Monday, April 12 from 8-9:00 p.m. in the High School Study Auditorium. Registration will be taken at first session, Monday, April 19, Enrichment Classes begin this week, Wednesday, April 21 will be Washtenaw Community College pre-registration at Manchester High School from 7-8:00 p.m. in the Library. College classes start Monday, May 3 (please try to attend the pre-registration session.)

A reminder that anyone who has registered for a class in the past will still have their name on file until sufficient enrollment is reached to start the class. If you have been considering signing up don't put it off, your registration could be the one that makes the class or activity "go".

'Meeting Deadlines'

It is our sincere desire to serve our subscribers and advertisers to the best of our ability. In order for us to do this however, we need your help. Deadlines are important in putting the newspaper together properly. Please remember that ALL display ads must be submitted by 5 p.m. Monday for publication of that week. News articles and classifieds MUST be in by 12 Noon Tuesday. If you choose to cancel a classified ad or have any corrections, additions, etc., please notify us by 12 Noon Tuesday. Otherwise your ad will run as is for that week. Our aim is for your best interest.

We thank you for your continued support.
