

News Of Good Things Growing

Winter vegetables begin to seem a little tiresome while we are waiting for fresh rhubarb and asparagus to signal the arrival of spring. But imagination and a good cookbook give you the chance to bring cabbage and root vegetables to the table in appealing dishes.

According to the Michigan Department of Agriculture, farmers in our state harvested 3.2 million pounds of cabbage last year, nearly 86,000 tons of carrots, 245 million pounds of onions, and about 850 million pounds of potatoes. So you can see supplies are plentiful. Now, what to do with these good things growing in Michigan?

Stir-fried cabbage in cream is quick and easy. Wash and shred one small head of cabbage, saute in 4 tablespoons of butter with one-half cup of chopped onion. Stir until vegetables are coated with the butter, then cover and cook about 5 minutes. Remove cover, pour one-half cup of heavy cream over the vegetables, toss lightly. Cover again and cook about two minutes, just until crisp-tender. Add black pepper to taste, then serve.

Hungarian paprika potatoes also use cream, but in this case it's sour cream. Wash, peel and cube two pounds of Michigan potatoes. Heat 3 tablespoons butter in a heavy casserole. Add one medium onion, thinly sliced, and cook until onion is tender. Add the potatoes, three-quarters cup water, a teaspoon of salt, 2 tablespoons paprika, a dash of pepper, and two bay leaves. Simmer covered over moderate heat about 10 minutes, until potatoes are tender but firm. Shake the pan to prevent sticking, add a bit more water if necessary. Remove the bay leaves, stir in 1 tablespoon vinegar, and cook another minute or two. Stir in one-third cup sour cream and heat, but do not boil. Sprinkle with parsley and serve.

Cream is an ingredient, too, in this recipe for carrots in turnip cups. Wash and peel small turnips, cut slice from stem end of each, then hollow out with a potato scoop or melon baller. Put turnips into sautéing boiling water and simmer just until tender (about 15 to 20 minutes) invert and drain on rack.

Cook carrots until tender, drain well,

mash. Beat in heavy cream, salt, pepper and a pinch of dill weed. Stuff turnip cups with mashed carrots, place in greased shallow baking dish, sprinkle with buttered bread crumbs and broil until lightly browned.

Except for the seasonings, all these recipes are made entirely with Michigan products.

Local Seniors Going To State Contest

Paul Verhines, a Manchester High senior, competed recently in the Vocational Industrial Clubs of American regional competition at the MoTech Automotive Training Center in Livonia. The competition included written exams as well as practical "hands-on" troubleshooting of the automobile. Paul placed in the top three at the regional contest and was honored at a dinner at the General Motors Training Center on March 25. As a result of his placing in the competition, Paul will represent the South and West Washtenaw Consortium at the state finals at Ferris State College in May. Paul is also eligible for up to \$1,000 in scholarships. Paul, the son of Mr. and Mrs. Paul Verhines of 424 Adrian Street, is enrolled in the second year of the Auto Service program.

Bruce Lobbestael, the son of Mr. and Mrs. John Lobbestael, 10730 Manchester-Clinton Road, competed in the regional V.I.C.A. machine shop competition at Ann Arbor's Huron High School and will serve

as an alternate to the state contest in May. Bruce is currently enrolled in the Machine Shop program of the vocational consortium for the second year.

Health For All

CHRONIC BRONCHITIS

Spring is here but your winter cold lingers on. You cough. You spit. And if you're a heavy smoker, too, it could be chronic bronchitis.

Chronic bronchitis is nearly always associated with heavy cigarette smoking. It's likely to start in middle age and get worse as the years go on unless you seek help from a doctor early on. About three times as many men get chronic bronchitis as women. Most people with chronic bronchitis live in cities where air pollution is a problem.

The American Lung Association says that because people don't consider chronic bronchitis a killing disease, it is often neglected until it is in an advanced stage and there is serious damage to the lungs. But in 1981, about 7.1 million people suffered from chronic bronchitis. It brought death to about 3,900. Physicians report more than 330,000 new patients with chronic bronchitis every year. The Social Security Administration grants disability benefits to about 1,500 victims a year. Undoubtedly, chronic bronchitis is one of the nation's costliest diseases in terms of manpower, money and misery.

Since people who get chronic bronchitis are nearly always smoking, the cough is usually dismissed as only "smoker's cough." As time goes on, though, colds become more damaging. Coughing and spitting last longer after each cold. Soon they're with the victim all the time—before colds, during colds, after colds. Generally the cough is worse in the morning and evening and in cold, damp weather.

If your winter cold lingers, see your doctor. He or she can help you enjoy the spring.

For more information about chronic bronchitis and other diseases affecting lung health, call your American Lung Association of Michigan toll free at 1-800-292-5979. In the Greater Lansing area call 484-4541.

Attention Golfers!

The Manchester Centerview Thursday night Mens Golf League meeting will be held Thursday, April 8 at 7:30 p.m. in the basement of the Bauernstube Restaurant. Anyone interested, attend the meeting or call 428-8176.

The Clark Lake 18 Hole Golf League will meet Wednesday, March 31, 7:00 p.m. at the Bauernstube Restaurant.

The league plays at Clark Lake, Thursdays, 12:30 p.m. There are openings for regular golfers and subs.

Interested golfers, plan to attend meeting or call Keith Reed 428-8584.

The Clark Lake Manchester Late Golf League meeting will be held April 8, 1982, 7:00 p.m. at the Bauernstube Restaurant. If you cannot attend but plan on playing, call 428-8050, prior to meeting.

Any couple interested in golfing on the Clark Lake Sunday mixed league, please contact Dennis or Cathy Herman at 428-7426. Please call before April 7.

Lenten Breakfast Reminder

All women in the community are invited to attend the Lenten Breakfast to be held at Bethel United Church of Christ on Wednesday, April 7th, at 9:30 A.M. Your reservations should be called in to Karen Weidmayer, 428-8641, by Monday morning, April 5th. Babysitting will be provided.

As for that old claim that the hand is quicker than the eye, I'll believe it when I see it.

Share the Glory of Easter—Come to Church

Distinguished Service Award

President Bob Rhoss, [right] President of the Manchester Mens Club honors John Wallace [left] with the DSA Award 1982 (Distinguished Service Award) at Guests Night, held at the Knights of Columbus Hall in Manchester.

At 1:30 p.m. on Good Friday afternoon, April 9, the Protestant Churches of Manchester will gather at Emanuel United Church of Christ, 324 W. Main Street, for worship. The Manchester Ministerial Association annually offers this special service of prayer, meditation, singing, and the Preached Word, on the day when the Christian Churches commemorate the day when Jesus, the Son of the Living God, was hung upon the Cross, and crucified.

Host Pastor, Rev. Robert Macfarlane of Emanuel Church, encourages all who would be able, to use this Holy Hour in personal reflection and quiet contemplation, of what it means to have someone sacrifice His life for the ultimate hope of the world.

Preaching will be the Rev. Ronald Iris, Pastor of Sharon United Methodist Church, with worship assistance from Rev. Roman Reinick of Bethel United Church of Christ, and Rev. Thomas Hart of

Manchester United Methodist Church.

Mr. Anthony Gaines will be at the Organ for the Service, and will offer a prelude performance of sacred music beginning at 1:15 p.m. Solist will be James Baker singing "God, My Father", along with the Choir singing, "Jesus, Lamb of God".

Holy Week At Sharon Methodist

The special celebration of worship services of Holy Week begin with the Maundy Thursday Simple Meal at 6:15 p.m. in Hoffer Hall. This meal is similar to the food prepared in Jesus' day. The meal consists of barley soup, cheese, fruit, juice and Arab bread. The Maundy Thursday Communion worship service is at 7:30 p.m. in the Sanctuary. You are invited to attend the communion service even if you do not take part in the meal. The worship service will feature the singing of some favorite hymns, the choir anthem "Ave Verum", and the celebration of the Lord's Supper.

Holy Week At Emanuel Church

The tradition of Holy Week is just what it says: a period of sacred reflection upon the meaning of our Christian faith, as we witness the events of Jesus' entry into the Holy City of Jerusalem, through to the joyful announcement of victory over death on Easter morning.

Emanuel United Church of Christ endeavors to help make those events become real in the lives of its people, in order that each and every worshiper might feel a personal Presence of the Lord Jesus Christ. Accordingly, Palm Sunday last week saw the Church School and parents re-enacting Jesus' Jerusalem entry, with a Festival Parade through the rooms and corridors and the Sanctuary of the Church, with children carrying banners, posters, and palms.

The Rule of Confirmation was bestowed upon seven young people who have been preparing for two years to become full members in the Church: Carrie Alber, Ami Bragg, Dawn Leach, Kimberly Lockridge, Shawn Nickerson, Sara Samonek, and Jonathan Walz.

Maundy Thursday Evening at 7:30 p.m. there will be our traditional Altar Communion, along with a reception of new members, and a Dramatic Sermon presentation by the Pastor, Rev. Macfarlane. Soloist for the evening will be James Baker, with choir. Good Friday Community Service at 1:30 p.m. will be hosted by Emanuel, with special music provided by Clark Spike, Marie Garlick and the Choir.

Easter Sunday morning there will be two Services of Worship. The first at 8 a.m. and the second at 10:30 a.m. will feature Choirs and Trumpet music, with Communion at the 10:30 service, where the newly confirmed members will receive First Communion. Between Services, a Breakfast will be served by the Youth Fellowship, from 9 to 10 a.m. in the Fellowship Hall.

Holy Week At Sharon Church

Thursday, April 8, 9:00 p.m., Maundy Thursday Last Supper and Light Extinguishing Service.

Friday, April 9, 1:30 p.m., Community Good Friday Services at Emanuel United Church of Christ.

Sunday, April 11, Easter Sunday, 6:00 a.m. Sunrise Worship Service, 8:30 a.m. Easter Breakfast, 10:00 a.m. Church School, 11:00 a.m. Worship Service and Confirmation.

Good Friday Closings

In observance of Good Friday, the Manchester Merchants will be closed from 12 noon till 3 p.m. Remember to attend Good Friday services.

Plans Finalized For April 22 Substance Abuse Meeting

The Substance Abuse Awareness Committee is now finalizing plans for their April 22 meeting to be held at the Manchester Middle School Gymnasium at 7:30 p.m.

William Zsenyuk, Village of Manchester Administrator and Police Chief, will begin the program by discussing the substance abuse problem on a local level. Liz Sill, a Circuit Court probation officer in Ann Arbor, will present statistics relating to young people and substance abuse. The final speaker, Janice Hammond, Klayser Elementary School Principal, will discuss ways families can help prevent substance abuse and its relationship to other factors such as feelings about self and pressure from friends.

Following these brief presentations, the audience will break into smaller groups to talk about concerns and solutions related to substance abuse. It is the hope of the Committee that topics for future meetings will be identified from these discussions.

This first meeting is designed for adults; however, babysitting services will be provided for parents who find it necessary to bring small children to the meeting. Anyone desiring more detailed information may call Brian Schick at the Manchester Middle School (428-7442) or William Zsenyuk at the Village Offices (428-7877).

HIT OR MISS by farley

Many doctors are now reported to be studying that common malady known as Spring Fever, and it would seem that they could give some clear reasons for and symptoms of a disease as common as this one. But this is not the case. Most doctors deny that spring fever is a real phenomenon and there is a certain elusiveness - a vagueness that makes it difficult to track down and put down in words or symbols on a chart.

"There's no thermometer for spring fever," says Dr. Arthur Pinter chief of behavioral medicine at Manhattan's Hospital for joint diseases. "You can't take a blood test for it but on the other hand no one would say that it doesn't exist. It's a very nebulous thing."

"About all that is really certain is that it

Letter To The Editor

Dear Editor:
When the majority of my colleagues chose not to overturn our legislative salary increase, I decided to quietly find ways to turn back my increase to the people of Michigan. I personally believe that I cannot take a pay increase this year when so many Michigan residents are unemployed or involved in "give-backs".

My first quarter net pay increase went to the United Way in Jackson County. Like most other charities it is behind in donations; suffering from the same ills that are devastating our state government. This donation was in addition to my own annual pledge.

As Michigan's economic crisis has continued to mount and the state's revenue problems have become more evident, it has become clear that my salary increase can best serve Michigan's citizens by remaining in the state's coffers. I will be turning back in 1982 what amounts to a four week's take-home pay. This is in addition to the United Way donation.

I plan also to not spend at least \$3,000 of my office expenses account which is used for printing, mailing and telephone costs. I will continue to keep my constituents informed through informal meetings in the district and limited mailings.

I sincerely believe that the Legislature as a whole should take some action and will continue to work towards this goal. But until the Legislature does something, I will carry on with my personal efforts which may change when the Legislature comes to some agreement.

Sincerely,
Mary Keith Ballantine
State Representative

Tornado Procedures At Schools

As tornado season approaches the Manchester Community Schools have once again reminded parents regarding the procedures which will be used in the event of tornado danger.

The United States Weather Bureau has divided tornado signals into two definitions. The first is called a tornado watch. This watch is issued where tornados may occur during the next several hours. The size of the average tornado watch area is approximately 100 miles wide and 300 miles long. The second signal is defined as a tornado warning. This means that a tornado has actually been sighted in the area or that its presence has been detected by radar.

If a tornado watch is broadcast before 1:30 P.M. all children will be sent home. If the tornado watch is broadcast after 1:30 P.M. the children will be dismissed at their regular time.

If a tornado warning is issued students will not be dismissed from school. If the tornado warning remains in effect at the normal end of the school day students will not be dismissed but will remain at their emergency stations. Parents may personally pick up their children during a tornado warning. Parents must check with school offices before removing students from school. Neighbors will not be permitted to pick up other children unless a written statement giving permission to release to students to a neighbor has been filed in the school office.

These procedures are included in the policies adopted by the Manchester Board of Education and are designed to provide for the maximum safety of all children in the school district.

New Community Scholarship Being Formed

According to Scott Hunt, Manchester High School Student Council President, the Council and several clubs and organizations in the Manchester area will be financing a scholarship for a deserving 1982 senior at Manchester High. As of now, the American Legion Auxiliary, the Twentieth Century Club, the Band Boosters, Xi Epsilon Iota, Lambda Nu, and the Manchester Education Association have agreed to contribute funds toward the project started by the Student Council.

A committee to select the winner is being formed at the present time. It will be made up of two students who are not members of the senior class, two representatives from the community, two

High School teachers and the High School counselor. The scholarship will be awarded on the basis of three criteria - academic performance, participation in extra-curricular activities, and financial need.

Applications for the scholarship will be available in the Counselor's office during the week of April 12 and must be submitted by April 30. Hunt said, "We are hoping to make no announcement of the winner until graduation day to make it a surprise for everyone."

The Council contacted many groups in the area but did not have a complete list of such groups. Any group which did not receive a letter from the Student Council that would like to contribute should contact either Scott Hunt or Principal James Kappler at the High School.

School Board Agenda

The Manchester Community Schools Board of Education will hold their next regular meeting April 19, 1982, 8:00 p.m. at the High School.

- The agenda will be:
- I Roll Call
 - II Communications
 - III Visitor Input
 - IV Minutes of Previous Meetings
 - A. Regular Meeting, March 15, 1982

MTA-Supported Property Tax Plan

Robert Robinson, executive director of the Michigan Townships Association (MTA) announced in a news conference today the details of the MTA-supported property tax plan. The statewide organization, made up of 1,225 member townships and 6,500 township officials, went on record as supporting a plan that takes the principal responsibility of supporting school operating costs off the property tax.

MTA's proposal would cut 78% off the school operating portion of the property tax up to a ceiling of \$1,800 for resident homeowners and \$2,500 for resident farms. These ceilings would be indexed to the increases or reductions in State Equalized Valuations (SEVs). Homeowners over 62 years of age would pay no school operating taxes. The tax plan also calls for holding schools, business and industry harmless from replacing any losses due to taxpayer exemptions. It also provides that agricultural and forestry land may be assessed on use rather than market value.

The property tax cuts would cause a shortfall of \$1.5 billion. Approximately \$1 billion of that loss would be made up through circuit breaker savings and by increasing the sales tax by 1 cent.

The remaining \$500 million could be made up either through the Legislature increasing the state income tax by eight-tenths of a percent or cutting services. "Never before have the State coffers or the school funding system been in this kind of shape," said Robinson. "Though we would have preferred to support a cut rather than a shift, we realize that this State is in deep trouble and can't afford it right now."

"We believe our members and the rest of the state are clamoring for property tax relief, however, and we feel it's time to base school funding more on the ability to pay."

MTA's Board of Directors voted to give the MTA Property Tax Proposal top priority until the petition drive allows the

issue to be placed on the ballot and until it is passed by the voters in November. Members throughout the State are circulating petitions, with a goal of 450,000 signatures by July 1.

Senior Citizens Meals And News

Tuesday, April 13, the noon meal for Senior Citizens will be: Smoked Pork Chops, Dressing, Vegetable, Fruit, Bread and Butter, Dessert, Coffee, Tea and Milk. Don't forget the Exercise Class before the meal at 11:00 a.m. where you can pick up tips for your own exercises all week. There will be cards following the meal as usual.

On Thursday, April 15, the menu is: Beef Hash, Vegetable, Fruit, Bread and Butter, Dessert, Coffee, Tea and Milk. Crafts are available following this meal.

The Manchester Area Senior Citizens Council meets on Tuesday morning, the 13th, at 10:00 at the Emanuel Church meeting rooms.

In case you didn't know, the Senior Meals are served at the dining room in Emanuel United Church of Christ and are sponsored by the Senior Citizens Council.

Reservations should be made for meals the day before if possible. The cost of a meal is according to your ability to pay with the suggested price of \$2.00. Payment is dropped into the canister at the head of the serving table.

Another service of the Council is Call-A-Ride for transportation for those over 55 years of age to any medical appointments in town or to any town or hospital within a 30 mile radius. This service is free. Donations to the service may be made to Call-A-Ride in care of Ray Goyer, President of the council. For transportation service call Mr. Goyer, 428-7613 or Mrs. Reck, 428-8862.

Meeting Notice

The American Legion Auxiliary will hold their next meeting on Wednesday, April 14 at 7:30 p.m. at the Legion Home. There will be initiation of new members.

DIAL -A- GARDEN

The following is a schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. The system is in operation 24 hours per day, 7 days per week. Interested persons are invited to call 971-1122 at their convenience and receive timely, up-to-date gardening information.

The schedule for this week is:
Thursday, April 8, Eggcellent Ways to Serve Easter Eggs.

Friday, April 9, Care of Your Easter Lily.

Monday, April 12, Tuberous Begonias Now.

Tuesday, April 13, Buying Versus Raising Transplants.

Wednesday, April 14, The Jade Tree.

Men's Softball League Meeting

There will be a meeting for the Men's Summer Softball League on Wednesday, April 14, 7:30 p.m. at the High School, sponsored by the Manchester Boosters. Anyone interested, please try to attend.

Birth Announcement

Bruce and Patricia Beck of Colorado Springs, Colorado announce the birth of a son, Nathaniel Clifton, on April 1, 1982, weighing 9 pounds 7 ounces. He has a sister Jessica Louise, two years old. Maternal grandparents are Mr. and Mrs. William Herbert of Trenton. Paternal great-grandmother is Gaila L. Cathey.

"Give My Regards.. A Musical Salute To Theatre"

Over the years, composers Stephen Sondheim, Anthony Newly, George M. Cohen, Cole Porter, and many others have written special love songs about musical theatre. GIVE MY REGARDS...A MUSICAL SALUTE TO THEATRE, which runs Friday and Saturday evenings at 8:15, and Sunday at 4:00 from April 16 through May 2 at the Black Sheep Repertory Theatre of Manchester, will feature over 35 musical numbers that tell of the love-hate relationship each performer has with his profession.

GIVE MY REGARDS is the sixth original revue to be presented by the Black Sheep Theatre in its five year history. Two of those, An Evening with Cole Porter, and By George-A Gershwin Songbook, are still touring the midwest with the original casts.

GIVE MY REGARDS was conceived and directed by Barbara E. Thorne, founding member of the Black Sheep Theatre. "So many musicals, from Showboat to A Chorus Line, have been written about performing," says Ms. Thorne. "This revue puts together the many different emotional views that composers have of the world they know best, the theatre." Songs about performing from such award winning Broadway musicals as Gypsy, Applause, and Follies are to be performed.

Broadway, always a center for musical theatre in America, is saluted in a medley

of tunes including hits like "Forty Second Street", "Broadway Baby", and "New York, New York".

The seven member cast includes Black Sheep veterans Patricia Rector, Mathew Thornton, and Tim Henning, as well as focusing on the excellent new members of the Creative Acting Company, Cristine Deveau and Carrie Davis. We are proud to feature, in their Black Sheep debut, two brilliant young performers in Tami Spry and Joe McNally.

The Black Sheep Orchestra is directed by Mathew Thornton, and features Roberta Munn at the piano, Joe Kress on bass, Dill Murrell, Martha Moore, reeds; Dawn England, trumpet, and George Olsen, drums. There will be a free wine & cheese party opening night at the Theatre. For ticket information call (313) 428-9280. Noon to six daily. Closed Monday.

Receives Academic Honors

Thomas K. Little, son of Mr. and Mrs. Robert Little of Manchester has been listed on the Academic Honors List at Ferris State College.

Nearly 1,900 students are included on the list for the recently completed winter quarter. Dr. Donald A. Priebe, vice president for academic affairs, announced.

To be eligible, a Ferris student must have compiled a 3.25 grade point average in at least 14 quarter hours of graded work; a 4.0 is all A's.

The total list of 1,935 students honored includes 104 who earned all A grades.

Saline Hospital Offers Cancer Support Group

A new Cancer Support Group has been formed which will meet monthly on the first Tuesday evening of the month at 7:30 p.m. in Saline Community Hospital's Classroom.

The group has been formed to be of assistance to those who have cancer, their families and friends. Group members have decided that the support group will feature an educational emphasis as well as the emotional support offered. Further information may be obtained by calling Saline Community Hospital at 429-5435, ext. 331.

Rape Prevention

The public is cordially invited to attend a program on Sexual Assault Awareness and Prevention in the Community, on Wednesday, April 21st - 7:30 p.m. at Emanuel United Church of Christ. Judith A. Price, Educational Coordinator from the Assault Crisis Center in Ann Arbor, will be the speaker. The Assault Crisis Center helps women, men, and children who have been sexually assaulted recently or some time ago, by people they know or do not know. They help adults who have been beaten or physically abused by a spouse, boyfriend or girlfriend. They also help friends and family members of sexual assault and domestic violence victims.

Xi Epsilon Iota Chapter of Beta Sigma Phi will be sponsoring this event.

The technology includes second generation model designs which are more efficient, less costly, and simpler to operate than earlier equipment. These models offer a range of production capacity options including those required for the international market.

As part of the agreement, Hoover Universal and Bell Engineering staff will work together on assimilation of technical knowledge and business market information.

The Bell technology includes a capability to produce bottles directly from dry blended compound as well as palletized material. Higher throughput of either can be accomplished with a twin screw option. As many as four parisons will be possible based on improved throughput and head design. Locke said that Hoover Universal expects that machinery incorporating these advances will provide the lowest capital cost alternative in high volume applications.

Hoover entered the continuous extrusion blowmolding field in 1962 with introduction of the new 300CE machine. The Company is an established leader in reciprocating screw blowmolding machinery, sold under its Uniloy trade name.

Hoover Universal, Inc., is a leading manufacturer of engineered parts and components for suppliers of industrial, commercial and consumer products. The Company employs about 6,000 people in 44 manufacturing plants in North America and abroad.

Manchester Family Service Meeting

The annual meeting for Manchester Family Service, Inc., which was postponed until further notice on March 4, is to be held April 15 at Manchester Township Hall, 275 S. Macomb Street at 7:30 p.m. The public is invited to attend and a special invitation is extended to individuals and organizations whose support has been so helpful to the agency.

Mrs. John Seuter is chairman of the nominating committee. There are three board members elected each year. This year Mrs. Mildred Huehl is retiring since she moved to Chelsea area. Mrs. Robert L. (Rosemary) Hamilton and Mrs. Paul (Genevieve) Lemon's terms are expiring. Nominations are in order by calling Mrs. Seuter or from the floor at the meeting. Your interest and support will be appreciated.

Plastics Machinery Technology Acquisition

Hoover Universal, Inc., has purchased the second generation technology assets of Bell Engineering Works, Ltd., a member of the Eicher-Wynn Division of the Swiss-based Sulzer group of companies, related to continuous extrusion blowmolding and plastic bottle orientation machinery.

According to Robert V. Locke, Vice President and General Manager of Hoover's Plastics Machinery Division, the acquisition marks a major step in the Company's business strategy to broaden its blowmolding machinery product line into the continuous extrusion blowmolding area and to improve its ability to offer machinery for the international market.

COUNCIL PROCEEDINGS

March 15, 1982

The regular meeting of the Manchester Village Council was called to order by Jeffrey Schaffer at 7:00 P.M. Present: Hinkley, Kallewaard, Koebbe, Petsch, Reed, Zsenyuk and Smith.

Jeff Schaffer read a letter of resignation from Dave Minick. Letter on file in Village Office. Reed moved to accept Dave Minick's resignation with regret. Supported by Petsch, all yeas, motion carried. Koebbe moved to approve minutes of 3/1/82 as read, supported by Hinkley.

The results of the Annual Election held March 8, 1982 were: John Hinkley, President; Helen Kensler, Village Clerk; Sue Koebbe, Village Treasurer; Wendell Reinhart, Assessor; Trustees for two year term: Howard DuRussel, Mary Kallewaard, Gale Koebbe, Jeff Schaffer administered Oath of Office to President John Hinkley. President Hinkley administered Oath of Office to Clerk Kensler, who then administered the Oath of Office to Wendell Reinhart, Sue Koebbe, Mary Kallewaard, and Gale Koebbe.

Zsenyuk stated that Hoover Universal has offered a \$3,000 settlement to the Village regarding the 12 inch water main. Kallewaard moved that Council reject the initial offer of Uniloy regarding the 12 inch water main problem and instruct the negotiating team to make a counter offer, supported by Reed, Yeas: Kallewaard, Koebbe, Reed, Nays: Petsch. Motion carried.

Zsenyuk submitted proposals from Cunningham-Gooding and John Schaible, regarding sidewalks for the business area. Schaible's bid was broken down per owner and Cunningham-Gooding's bid was not. Zsenyuk to request Cunningham-Gooding to break down their proposal per store owner. Hinkley requested Zsenyuk to go door to door to find out who was interested in new sidewalks.

President Hinkley also requested that a notice be published in the Enterprise to determine which homeowners would like to participate in the sidewalk replacement program this year.

account, supported by Petsch. All yeas, motion carried.

Reed asked Zsenyuk to check with the Village Insurance Company whether a citizen, not a bonified employee of the Village, could donate their time in helping the Village.

Don Smith requested permission to purchase trees for the tree program this year. Council requested Smith to get a cost factor on trees. Councilman Reed suggested checking with Mr. Herb Widmayer regarding some trees he might be willing to donate to the Village. Zsenyuk stated Dr. Miller also has some trees he will donate to the Village.

Koebbe presented the Public Works report: Rodded sewers; Dackwashed filters; Removed wood stove and benches from Skating Rink area; Patched holes in streets; Flushed main sewer on Riverside Dr.; Repaired sewer rodding machine; Routine equipment maintenance; Salted streets; Plowed snow; Cleaned at the shop; Took trash to landfill; Sanded gravelroads; Cleaned catch basin tops; Worked at Treatment Plant.

Zsenyuk said he asked Chrysler Proving Grounds for a cost factor on the one Ton Dump Truck with equipment listed so our local dealers would be able to compete with their bids.

Reed requested that the Public Works Committee and the Public Safety Committee look over the wage requests of the employees and return to Council with their recommendation.

President Hinkley stated he would attempt to make committee appointments before the April 8th Council meeting.

Hinkley stated he had a vacancy to fill for Trustee and he would like Councils recommendations prior to next meeting. Kallewaard suggested putting a notice in

Health For All

The baby was premature and experienced respiratory problems in the first few days after birth. Oxygen therapy and good nursing care helped to save his life, but his bewildered parents soon learned that he'd have to stay in the hospital for a while because of bronchopulmonary dysplasia (BPD).

BPD is a disease that develops in premature infants—most often those born in under eight months—who have Respiratory Distress Syndrome (RDS). These babies frequently need oxygen and respirators to assist their breathing, prevent brain damage, and save their lives. The oxygen these premature babies need can be toxic to their lungs, however, and if they must use a respirator, the danger of BPD is increased.

BPD is diagnosed by X-raying the baby's chest while he or she is recovering from RDS. Once BPD has been diagnosed, there is no special or speedy cure. Normally, the baby's lungs will repair themselves over time, but the child will require long-term hospitalization. Parents of BPD babies are advised to be patient, loving and careful while their babies are still hospitalized, and even more careful of their babies' overall health after the infant is discharged.

The American Lung Association is trying to help parents of infants suffering from BPD understand both the disease and what they can do. For more information about BPD, and a copy of "If Your Baby Has BPD: A Guide for Parents," call your American Lung Association of Michigan toll free at 1-800-292-6979. In the Greater Lansing area call 484-4541.

not know where to go for help.

The toll-free Anti-Crime Hotline number is 1-800-368-5664. Operating hours are 9:30 a.m. - 5:30 p.m., Eastern time (8:30 a.m. - 4:30 p.m., Central time and 6:30 a.m. - 2:30 p.m., Pacific time).

Crime prevention specialists will answer the calls and provide information on proven crime prevention strategies. Crime prevention bulletins are available on block watch organizing, home security, operation identification, citizen patrols, robbery prevention, car games and what to do if you become a victim.

The specialists also refer callers to local crime prevention programs sponsored by the police department and community-based organizations in their city or town.

Dr. Milton S. Eisenhower is the Chairman of the privately funded Foundation. "Our ultimate goal is to help those who want to help themselves. It is our intention to reach people who want to do something about the security of their homes and streets, but do not know how or whom to contact for help."

St. Aubin Tax Aid Committee

The St. Aubin Tax Aid Committee of the Washtenaw County Council on Aging will be assisting older adults prepare Michigan State Senior Citizens Homestead Property Tax credit claims and Home Heating credit forms at: The Social Security Office at the Federal Building in Ann Arbor, from 9 a.m. to 12 noon and at the Council on Aging office, 505 E. Catherine every Monday afternoon from 1 p.m. to 4 p.m. Please call for an appointment at 665-3625.

Attention Golfers!

Michigan chickens produce a lot of eggs, actually 1,540,000 last year, according to the Michigan Department of Agriculture, so you can count them among the good things growing in Michigan.

Besides serving eggs boiled, fried, poached and baked, we use them to thicken sauces, add texture and moisture to our cakes, lift a soufflé high above the dish, and as a binder to hold meat and vegetable mixtures together. Larousse Gastronomique, the bible of professional chefs, devotes 20 pages to egg recipes, which gives you an idea of the variety of egg dishes that are possible.

For an exotic dessert using eggs, easy to prepare but most festive, try Baked Alaska, also known as Norwegian omelette. Invention of this dish is attributed to an American-born physicist, Benjamin Thompson, but the origin is also credited to both a French and Chinese chef. And that makes it an international recipe, I guess.

For Baked Alaska, you use a single layer of any cake you choose. It may be any shape - round, square or rectangular. Place the cooled cake on a baking sheet or heat-proof platter. Cover the cake with a thick layer of ice cream, whatever flavor you prefer. Chill until the ice cream is very firm.

Next, prepare a meringue of three egg whites, beating until soft peaks form. Add one-half cup of granulated sugar, about 1 tablespoon at a time, while continuing to beat until the meringue is thick and glossy.

Cover the ice cream and cake completely with the meringue, place in a 450 degree oven for about five minutes, until lightly browned, and serve at once.

Norwegian omelettes omit the cake layer and enclose the ice cream in a light rich pastry which is then covered with the meringue. Either way, it's a dessert you and your guests will enjoy.

For those interested in golfing in the Ladies Golf For Fun, Tuesday morning at Clark Lake, call Ruth Snyder 428-8994.

The "Out of Bounders" golf league that golfs at the Heart Of The Lakes golf course in Brooklyn will hold it's spring meeting April 19, 1982, 7:00 p.m. at the Manchester Methodist Church.

The Manchester Centerview Friday and Sunday Mixed League will have a meeting at the Centerview Golf Course Sunday afternoon, April 18 at 2 p.m. All couples interested attend the meeting or call 428-8178 or 517-456-4917.

The Manchester Centerview Thursday night Mens Golf League meeting will be held Thursday, April 8 at 7:30 p.m. in the basement of the Bannertube Restaurant. Anyone interested, attend the meeting or call 428-5176.

Come alone or come with a friend. Be our guest at the Tuesday Night Singles at the American Legion Hall, South Main Street, Ann Arbor on April 13th. Dance from 8:00-11:30 p.m. to the music of The Merrimen Band. Good time by all. There will be ballroom dancing. For more information call 482-5478.

...or choose this optional combination

Split rate financing ... **10%/15%**

A.P.R. finance charges for the first 11 months A.P.R. finance charges for the balance of your contract

... on purchase of any new Case farm tractor

With Case split rate financing, an Annual Percentage Rate (A.P.R.) of 10% will be applied for the first eleven months of the contract. On the remainder of the contract, the A.P.R. will be 15%. Purchase must be financed through J I Case Credit Corporation.

Example on 10%/15% A.P.R. split rate financing on purchase of new Case farm tractor:

Cash price of tractor	\$47,500.00***
Down payment - cash and/or trade-in	14,250.00
Amount financed	\$33,250.00
Number of payments	three
Payment at 8th month	\$12,952.21
Payment at 20th month	13,674.43
Payment at 32nd month	13,674.43
Total of payments	\$40,301.07
Finance charge	\$7,051.07

***Sales tax as applicable. Insurance charges not included. In this example, the composite ANNUAL PERCENTAGE RATE to the length of the contract is 12.40%.

... plus a check from Case

\$1000	\$2500	\$3000	\$3500
for 1190, 1290 or 1690	for 2090 or 2290	for 2390 or 2590	for 4490 or 4690 or 4890

Important: If you buy any new Case farm tractor listed in this ad... between March 1 and April 30, 1982... Case will send you a check for the dollar amount indicated in the offer you choose. The amount of your check may be applied toward your down payment. NOTE: Government Agencies/Departments do not qualify for rebates.

Offers valid March 1 thru April 30, 1982

THE MANCHESTER ENTERPRISE

Ask The Governor

Question: I've read that I can renew my driver's license by mail from now on. Is that true?

Governor: If you are under 71 years of age and your record has been free of driving violations for the previous four years, you may renew your license by mail for one four-year period. You must certify to your physical ability to operate a motor vehicle. The new law also allows new drivers to waive a road test if they have passed a driver education course which included at least one hour of driving on a freeway. In addition to the convenience this measure will offer Michigan motorists, it is expected to save the state approximately \$500,000.

Question: My children brought home materials during Michigan Tornado Safety Week that said our state is hit by an average of 17 tornadoes every year. Was the recent Kalamazoo tornado the worst?

Governor: Michigan experienced its worst tornado day on Palm Sunday, April 11, 1965, when several tornadoes struck the southern counties and caused 53 deaths and \$51 million in damages. On May 13, 1980, a tornado of similar severity struck Kalamazoo and Van Buren counties. There were 97 personal injuries and \$62.9 million in property damages, but far fewer deaths. Five persons were killed that day.

Michigan Tornado Safety Week was established to make people aware of the early warning signs of tornadoes and proper safety and emergency procedures. Much of this education is carried out in the schools through materials such as those your children brought home. It is a joint effort of state, county and local emergency service coordinators, the National Weather Service, the public and private school

systems and the news media. Michigan is particularly prone to highly destructive tornadoes because it combines a location on the fringe of "tornado alley" and large concentrations of urban populations. Throughout the United States, more than 600 tornadoes strike each year and, as you mentioned, an average of 17 strike Michigan. Since 1960, tornadoes in Michigan have caused 282 deaths. The education effort that begins during Michigan Tornado Safety Week is extremely important in providing lifesaving information about how to recognize the signs of an approaching tornado and what to do about it.

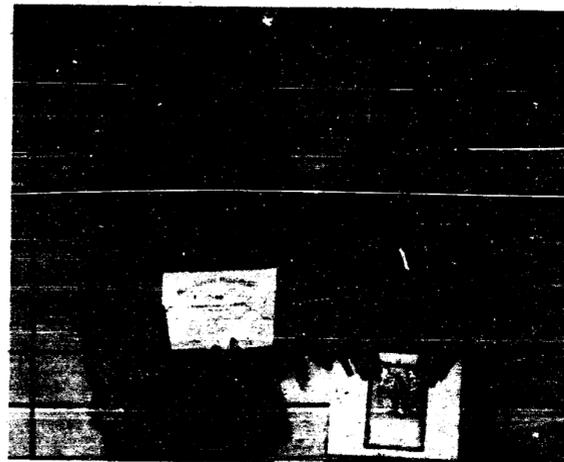

SOME GOOD NEWS

Sometimes it seems that all the news lately is bad news: High unemployment, inflation, shrinking state and federal budgets, reductions in essential services, new chemicals that might cause illness, and many others. So I'd like to focus on some good news as far as public health is concerned.

Because of the work of our local health departments, schools, and private doctors the number of cases of preventable childhood communicable diseases has dropped to a new low. In fact, last year almost 8,000 cases of measles were prevented, saving millions of dollars in direct costs and preventing at least 4

Donations Needed For Flood Victims

The American Red Cross has launched a public appeal for contributions to help victims of flooding in fifteen Michigan counties, according to officials at the Washtenaw County Chapter of the Red Cross.

Nadine Furlong, Chapter Chairman, said donations are needed to supplement local and national Red Cross funds currently being expended to provide emergency assistance.

Checks should be made payable to "American Red Cross", earmarked for "Flood Relief-DR 797", and mailed to the Washtenaw County Chapter, 2729 Packard, Ann Arbor, Michigan 48104. Checks will be forwarded to relief sites.

Red Cross damage assessment surveys show more than 1,470 families and 36 small businesses have been affected by flooding. The counties involved are Wayne, Macomb, Monroe, Lenawee, Washtenaw, Shiawassee, Genesee, Lapeer, Barry, Kalamazoo, Bay, Berrien, Ingham, Eaton and Clinton.

Red Cross is providing free-of-charge assistance to families affected by flooding. Disaster specialists are working with families to determine and verify damage

and assist with needs that cannot be met through the family's own resources.

Larry Becktel Named Top Agent

Larry Becktel, 327 Riverview, Manchester, local agent for Farm Bureau Insurance Group, has been named one of the company's top agents of 1981, based on his excellent record of sales and service for the year.

As one of the year's top agents, Becktel received Farm Bureau Insurance Group's "All American" award during the company's recent annual sales convention in Traverse City. He also earned membership in the 1982 Executives Club, an honor reserved for the company's top 28 agents and agency managers for their superior insurance sales and service.

Becktel was also honored at the Traverse City convention for being among the company's top five leaders in new annuity premium in 1981.

Boy Scout Troop 426 Committee Meeting

Boy Scout Troop 426 will hold a Committee Meeting on April 13th, at 8:00 p.m. The meeting will be held at the Emanuel United Church of Christ. All committee members are invited to attend. The Troop Secretary will be contacting you concerning rechartering fees. We have until April 30th to submit all of our rechartering fees. Please take care of this as soon as possible!

Robert King Accepted To Adrian Chapter

Siena's Sigma Kappa Alpha (Alpha Beta Chapter of Delta Epsilon Sigma National Honor Society) is pleased to announce that Robert King, son of Mr. and Mrs. Charles King of Manchester has been nominated and accepted to membership in the Chapter.

LaLeche League Meeting

The LaLeche League meeting will be held April 13th, 7:30 p.m. at the home of Carol Potter, 8638 Sharon Hollow Road, 428-7074. Subject: Nutrition and Weaning. Pregnant women, nursing mothers and babies are welcome. For further information call Grace Rogers 428-7306 or Linda Meyer 428-7203.

Annual Amateur Boat & Canoe Race

The Annual Amateur Boat & Canoe Race, sponsored by the Optimist Club will be held on May 16, 1982. There will be six classes this year. They are: Man and Woman Canoe, Ladies Canoe Open Partner, Father and Son Canoe, Open Boat Choose Partner, Open Canoe Choose Partner and Open Canoe Sprint Race. Entries may be made at Gambles, Manchester after April 15, 1982.

Film To Be Shown

On Thursday, April 22, 1982 at 7:30 p.m. High Point Center, 1819 S. Wagner Road, Ann Arbor will present the 1980 Academy Award winning documentary film "Best Boy". The film is about a mentally retarded man becoming independent from his aging parents. There is no charge.

deaths, 85 cases of hearing loss, 8 of encephalitis and 8 of mental retardation. All of this was accomplished by giving 96,912 doses of measles vaccine at a cost of only 56 cents per dose.

Then there's the new rabies vaccine being produced by our state health laboratories. This vaccine continues to show excellent results in tests of over 1,000 people in six states and will, we believe, soon be licensed for general use. It is effective, it has very few side-effects, and fewer injections are required. When licensed, it will mean an excellent, low-cost vaccine for all our citizens.

Then there's interferon, a potential anti-cancer drug. In cooperation with the American Red Cross and the Michigan State University, the Michigan Department of Public Health is producing purified interferon which is being used in pilot clinical trials at this time. Today, the

laboratories are producing more than 860 million units a month of this serum. This is enough to treat two persons each month and can make a significant contribution toward establishing the efficiency of interferon against certain kinds of cancer. In earlier columns, I've talked about the fact that Michigan's cancer death rate is well below the national rate, and that our death rate from all accidents has dropped by an amazing 25% in the past ten years. So all the news isn't bad - there are some good things happening also. I'll tell you about some others in another column.

Legislative Update

Mary Keith Ballantine
23rd District

Worker's Comp Reform Goes Into Effect
April 1, Michigan's new worker's compensation reform laws went into effect and Michigan businesses will realize a savings of at least \$250 million during the next 12 months. Reform measures include the coordination of benefits, tighter definitions of eligibility and the removal of fringe benefits from calculation formulas

for disability rates. **Buddy, Can You Spare A Dime?** - As the Michigan Legislature continues to pursue ways to avoid a record deficit and alleviate a severe cash flow problem, Governor Milliken has raised the possibility of increasing the tax on cigarettes by 10 cents. That would bring the total state tax on a pack of cigarettes to 21 cents. In addition, the tax increase has the potential to generate nearly \$120 million annually in new revenue.

Tornado Tip - Once again the tornado season is upon us and it's time to review safety procedures so that tragedy might be averted. The safest place in a home or building is the southwest corner of a basement. If no basement is available, crawl under sturdy furniture. If you are in your car, get out immediately and lay face down in the nearest ditch or ravine. Because tornadoes cause dramatic drops in the barometric pressure, leave windows open slightly on the north and east sides of your home. This will cause the pressure inside to equal the pressure outside, and the chances of your house "blowing up" will decrease.

Fashion Designer Week - This week has been declared "Say Yes to Michigan

Fashion Designer Week by the Governor. The Fashion Group of Detroit, which is being honored for its scholarship activities, plans to send 10 fashion design students to college with the proceeds to be raised at fashion shows and other events centered around Michigan designers.

Stop In The Name Of The Law! - Stiff penalties went into effect last week for those fleeing or eluding police officers. Fines of up to \$1,000 have been established, as well as prison terms of one year for individuals who attempt to flee or elude law enforcement personnel. In addition, the office of the Secretary of State will be required to suspend an individual's license for 90 days following a conviction for fleeing or eluding police officers and the addition of six penalty points to the individual's driving record. Until this new law went into effect, the only penalties for eluding and fleeing involved a \$100 fine and a 90 day prison term.

Promoting employee wellness is one way in which Saline Community Hospital gives the community a double benefit. The employees are themselves residents of the community. Additionally, obtaining a greater level of fitness may, in turn, enable employees to do their jobs with increased stamina. "Dance for Health" has been offered to Saline Community Hospital and Evangelical Home employees and their families and includes aerobic type dances with a variety of music styles and participation level adjusted for individual class members. The classes are held in the activities room of the Evangelical Home with participants from all Hospital Departments. Certified instructors include John Ivanoff, R.P.T., Cyndy Brunhsen, O.T.R. and Kathy Parker, R.N. Pictured are: (l to r) John Ivanoff, Jackie Feldkamp and Irene Bartley.

Over 200 area residents are more aware of health through their participation in Project Health-O-Rama. Saline Community Hospital joined with over 50 other health care agencies in the seven counties of Southeastern Michigan in sponsoring the event at three locations for the convenience of residents throughout the hospital's service area. Pictured are: Saline Community Hospital Volunteer Nurse, Donna Marion, R.N., P.N.P. as she checks the blood pressure of Manchester resident June White.

The Rebuilding of A Fair

For many years Milan has held a "Free Fair" in the ever shrinking space of Wilson Park. In recent years the "Free Fair" has been reduced to a traveling carnival. Many complaints were received from local residents about the poor quality of the Fair, the midway, the exhibits and the entertainment. Serious discussions were held after the 1981 fair about dropping the fair as an annual event.

With these complaints in mind and a driving desire to save the annual fair as a civic and family event, a handful of people from the Milan area have re-vitalized the Milan Fair Board. The Milan Fair Board has launched a very ambitious campaign to not only save the fair as an annual event but to bring in new attractions and establish the Milan Fair as one of the best in the area.

To attain these goals, the Milan Fair Board has obtained the approval of the Parks and Recreation Commission and the City Council to move the Fair to the Sanford Road Park site. This move will give the Fair room to expand and present attractions never before possible because of space and location. Before the move to the Sanford Road site can be accomplished, a great deal of site preparation must be made. In addition to the Milan Fair Board, many local organizations have joined the ranks to develop the Sanford Road site into a useful center for all kinds of activities as well as a fairground. Organizations such as the Easy Riders 4-H club, the FFA, the Milan Booster Club, the annual Pig Roast Group, other 4-H groups and some local contractors, have banded together to make the new fair happen. Initial development plans call for the restoration of the existing buildings, the building of a show arena for horse shows, livestock exhibits and rodeos and the building of a Grand Stand area and track for demolition derbies, tractor pulls, pony pulls and live entertainment. This is a very ambitious task and will require a

great deal of volunteer help and money. The Fair Board has devoted many nights over the past winter, making plans, solving problems and making the necessary contacts to insure that the task could be accomplished.

Some of the changes being planned for the 1982 Milan Fair include: a new midway/ride contractor to bring in a bigger and better midway; a demolition derby; a pony pull and a tractor pull. Some of the old features that are being retained include: the Milan Area Queen Contest; kiddies day; senior citizens day; the 4-H Horse show; the nightly cash drawings; the 4-H fashion show; livestock and small animal exhibits and exhibits by local merchants.

The preparation of the Sanford Road site for the 1982 Milan Fair is a very expensive project. All of the expense for this project is being absorbed by the Fair Board and the other organizations involved. None of the expense will be paid by the Parks and Recreation Commission or the City of Milan. To meet these financial obligations, the Fair Board and others will put on various fund raising projects. Considering the expense involved but being aware of local economic conditions, the Fair Board has established very reasonable admission prices for the 1982 Fair. Daily admission will be fifty cents for adults; twenty-five cents for children (ages 5 to 12); children under 5 will be free. There will be no charge for parking. Under present economic conditions the Milan "Free Fair" must become a thing of the past but the Fair Board is committed to keeping admission down to a level that everyone can afford.

Any person or group that desires to assist the Milan Fair Board in this project may contact Ron Weber, Ralph Cline, Jerry Risch or any other Fair Board member. The rebuilding of the Milan Fair for 1982 will be a very difficult task but it can and will be done. This is an important and worthwhile civic project and with the help and cooperation of the Milan area people, it can be done and everyone will benefit from the completed project.

HIT OR MISS

really exists. Its symptoms include laziness, listlessness, a general desire to postpone all responsibility.

Doctors point out that these symptoms can take us in two directions. We may feel a giddy elation. A desire to go out and frolic and on the other hand we may feel depressed and simply want to retreat from the rest of the world. In either case the arrival of spring clearly affects our behavior. Spring is, for instance, the time for self inflicted injuries.

Then, say the doctors the suicide rate is high. Many people injure themselves intentionally by going out the first spring day and attempting physical feats beyond the capabilities of their winter softened body. One of the first signs of spring is the orthopedists waiting rooms full of sprained muscles, and other aches.

Absentee rates at school and business places increase during the first warm days as do some types of crime. Evidently criminals don't like to work in cold weather any more than we do.

Frank Field, health and science editor at WNBC-TV in New York says: "To my knowledge there have been no in-depth studies to document the physiological changes that take place in the winter. But it is probable that changes in the cardiovascular system and hormonal

imbalance produce the phenomenon called spring fever.

However, this doesn't mean that you have to let yourself run down all winter in order to enjoy spring fever. A simple trip out into the warm sunshine should be enough.

A generation or so ago, people were sent out to face the spring with doses of sulphur and molasses because grandmas believed that blood thickened during the winter months. Sassafras bark and rhubarb root were popular folk remedies for spring fever though it isn't clear whether they cured it or caused it.

The best thing to do, if you can afford it, is to give in to it. Do just enough work so that you don't feel terribly ashamed of yourself. Here are a few suggestions:

Ride your bike. One of the pleasures of spring. If you have no bike—walk. Golf clubs, kites, etc. are optional. Get out and take inventory of the different fauna and flora in yours and your neighbor's yard, you'll be amazed. You could even do it every week all summer.

Whatever you do, don't overdue. Most people have their own methods of dealing with spring fever from the ceremonial packing away of your overcoat to the first chilly picnic. For those who would like to see more serious systematic research on the subject, it might be a long wait.

Which leaves those who want to rid themselves of spring fever with the suggestion of Frank Field. "Why try?"

A patriot is a man who takes his hat off for the flag when it's 10 below zero.

A person looking for a perpetual motion machine needn't look beyond the nearest two year old.

Henry Ford once said, "Whether you believe you can do a thing or not, you are right."

And to close the discussion about spring fever may we add:
An editor called one morning to discuss a forthcoming article with Robert Benchley, and found him reclining on a sofa and during the entire meeting Benchley didn't stir from his position.
"How can you loiter about like this?" said the editor disdainfully. "You ought to get some exercise."
"I've been thinking," yawned Benchley. "As a matter of fact, I'm going to spend some time on the track as soon as you leave."
Some 30 minutes after he had gone the editor realized that he had forgotten his hat and returned to pick it up. Benchley opened the door and then went back to the sofa from which it was apparent he had

recently risen.
"Didn't you say you were going to the track?" he asked Benchley.
"I didn't say out on the track," replied Benchley. "I said on the track. I have a name for every piece of furniture. I call this sofa 'the track'."

'Meeting Deadlines'

It is our sincere desire to serve our subscribers and advertisers to the best of our ability. In order for us to do this however, we need your help. Deadlines are important in putting the newspaper together properly. Please remember that ALL display ads must be submitted by 5 p.m. Monday for publication of that week. News articles and classifieds MUST be in by 12 Noon Tuesday. If you choose to cancel a classified ad or have any corrections, additions, etc., please notify us by 12 Noon Tuesday. Otherwise your ad will run as is for that week. Our aim is for your best interest.

We thank you for your continued support.

THURSDAY, APRIL 15, 1982

Manchester Area Historical Society
New Activities Center

Pictured from left to right are Howard Parr, Society President; John Swainson, Fund Drive Chairman and Don Limpert, former owner of the blacksmith shop.

Manchester Area Historical Society will meet Monday, April 19, at 8:00 p.m. at their new activities center, 324 East Main Street. The program under the direction of Mrs. Loring Ebersole, will be "Manchester Clubs and Lodges: Past and Present."

The historical background of the twelve or fifteen societies to be presented will touch practically every old time family in the area. Attendance is also of prime interest to the new resident who wishes to really become part of his present environment. Come and meet Manchester history.

The old blacksmith shop at 324 East Main, now museum-activities center for the Society became the property of the Manchester Area Historical Society as of February 1982, after its purchase from Don Limpert. Mr. Limpert, Manchester's key rehabilitator, had purchased the

Library Board Seeks New Trustee

At its April meeting the Manchester Township Library Board accepted with regrets the resignation of Trustee Mary Kalleward. Manchester Township registered voters who are interested in filling the unexpired term are encouraged to submit their names to Georgia Willson at the library before April 30. Nominations of other registered voters of Manchester Township are also welcome. The Board, an elected body, meets on the first Monday of the month and is responsible for determining the policies of the library and accounting for its funds. Vacancies are filled by appointment of the Board until the next township election.

building several years ago and had partially restored it. He is responsible for much of the restoration of Manchester's Main Street including the Black Sheep Tavern and is now redoing the historic Feed Mill.

William Neebing, a manufacturer and repairer of carriages as well as a blacksmith opened the original frame shop after the Civil War. Mr. Neebing came from Wurtemberg, Germany in 1850 and had served in the Ninth Michigan Cavalry during the war.

On October 30, 1877, the frame building was moved aside. "It was replaced by a one story brick building, 60 x 28 feet. A gang of masons went to work and in eight days had the building ready for the carpenters", according to Manchester First Hundred Years, 1897-1967. The shop had three forges and all the latest improvements including good lighting and ventilation.

Later the blacksmith shop was owned by Theodore Morshhauser, John Schneider and Carl Schaffer. Schneider was the last to operate it in the village that once had busied eight blacksmiths. He learned the trade in the same shop where he worked for 41 years until his death in 1962.

One forge has been restored and will be used to demonstrate blacksmithing and horseshoeing. Howard Parr, Society President says. Most of the original tools except the anvil are in the shop to date.

Former Governor John Swainson is chairman of a year long fund drive to pay for the building. Loring Ebersole is treasurer of the fund. Anyone interested in assisting in the restoration project and the Society may call John Swainson at 428-8009, Mrs. Ebersole at 428-9246 or Howard Parr at 428-9203.

Attention!

T-Ball, Little League and Girls Softball registration deadline is April 16th. Registration forms may be returned to the office at school.

The T-Ball age span includes any youngster that will be 8 years old by August 1, 1982, but not 10 years old before August 1, 1982. Those already on a team from last year do not need to sign up this year. The Little League age span includes all youngsters who will be at least 10 years old by August 1, 1982, but not 13 years old before August 1, 1982.

Girls Junior League Softball (ages 12-15) may sign up in the Middle School office.

Dr. J. P. Fleming Guest Speaker

Dr. Joseph P. Fleming, director of institutional research and associate professor of physics at Olivet College, will speak at the Emanuel United Church of Christ, 324 West Main Street, Manchester, Michigan on Sunday, April 18, 1982.

Olivet College is a four-year liberal arts college located in south central Michigan. Founded in 1844, the college is fully accredited and awards Bachelor of Arts, Bachelor of Music and Bachelor of Music Education degrees.

Dr. Fleming was graduated from Albion College in 1964 and holds the master's and doctorate degree from the University of Michigan. While at Olivet, Dr. Fleming has served as an instructor and registrar of the college. He is presently engaged in setting up the college's new computer system.

Dr. Fleming and his wife, Mary, have two children and are members of the Olivet Congregational Church.

Substance Abuse In Manchester-Is It A Problem?

Does Manchester have a substance abuse problem relating to alcohol, drugs, and tobacco? What is the relationship between substance abuse and crime in the Manchester area? How can we as parents identify such abuse within our own families? What makes a person turn to alcohol, drugs, and tobacco?

Qualified speakers will address these questions and others at an informational meeting sponsored by the Manchester Substance Abuse Awareness Committee (SAAC). This meeting will be held on Thursday, April 22, at the Manchester Middle School Gymnasium at 7:30 p.m. After the presentations the audience will break up into smaller groups to discuss concerns and solutions related to substance abuse. It is the hope of the Committee that topics for future meetings will be identified from these discussions.

The April 22 meeting will be for adults and parents only; for those parents who find it necessary to bring their small children, babysitting services will be available. In addition, refreshments will be provided at the meeting, compliments of The Baker's Dozen.

The Substance Abuse Awareness Committee appreciates your support and concern. We are looking forward to seeing you at this important first meeting on April 22.

Only the uncomfortable chairs become antiques, or so says an expert. The comfortable chairs get worn out in one generation.

Outstanding Citizen of the Month

Pictured L-R: Mr. Pierce, Laura, Mrs. Pierce and Ed Barnard, Optimist Club member presenting the award.

Junior Laura Pierce was honored as the Outstanding Citizen of the Month by the Optimist Club at their latest meeting. Laura, the daughter of Mr. and Mrs. Edward Pierce, 8321 Smythe Road, has been a member of the track team for the past three years, served as a cheerleader two years, was vice president of her class during ninth grade and became a member of the National Honor Society chapter last fall. She has been a member of the Robie

Hood Rowdies 4-H Club for three years and was formerly a member of the Jolly Farmerettes Club.

After graduation, Laura is interested in getting into the field of systems analysis. At present her choice of college is uncertain, but she is interested in both the University of Michigan and Western Michigan University.

Her hobbies include drawing and painting, archery, and bicycling.
