

Roy Smith-18th Senate District

State Representative Roy Smith (R-Pittsfield Township) announced today that he will seek the Republican nomination to the Michigan Senate for the new Washtenaw County 18th Senate District.

Smith was first elected to the Michigan House of Representatives in 1966. He completes his present term this December. Roy has fully 14 years of local government experience, eight of which he served as Ypsilanti Township Supervisor, concurrently serving eight years on the Washtenaw County Board of Commissioners and, in 1966, was elected Chairman.

"While I have been able to accomplish a lot during my service in the House of Representatives," Smith said, "there is still a great deal which needs to be done. I want to continue my fight for relief from the unfair burden of local property taxes."

"I believe more strongly than ever that we must depart from the political philosophies of spend and spend, tax and tax which have brought the State to the brink of financial ruin."

Roy believes that his many years of government experience (28), along with his previous business experience at Ford Motor Company, will serve the needs of the people of Washtenaw County.

15440 Ventuyle Rd.
Manchester, MI 48158

Co-sponsored this year by the Manchester Community Fair, it will be held on Saturday, August 21, 1982, the last day of Fair Week.

The art fair will be located adjacent to and outside the main admission gates of the Community Fair. A multi-media advertising campaign is planned, as well as inclusion in main fair publicity. It has been published in the calendar, "Arts, Crafts, Fairs, and Festivals" by the Michigan Council for the Arts.

In past years, visitors have enjoyed the variety and quality of the fair. Several educational demonstrations of fine arts and

heritage crafts will be presented this year, as in the past.

Work will be juried by slides. Only original art and handcrafted items will be accepted. For more information or to request an application, write the Manchester Art Guild, P.O. Box 4, Manchester, Michigan 48158, or call Jo at 428-8796, Maureen at 428-9286, or Bonnie at (517) 456-7569.

Distinguished Student Ranking

A total of 8,435 Purdue University students received distinguished-student

rank for the spring semester of the 1981-82 school year.

The students represented, scholastically, approximately the top 18 percent of the 25,821 undergraduates on the West Lafayette campus during the second semester.

In order to qualify for distinguished ranking, a student must have a grade index of at least 5.5 (B+) of a possible 6 (A) in no less than 14 academic credit hours. The student may have no grade below 4 (C).

Named to this list was Bruce Garlick, 644 West Main St., Manchester in Electrical Engineering.

John Schneider Blacksmith Shop Forge Reactive

This is a picture of John Schneider working at the forge in the Blacksmith Shop. Watching him is Jim Kensler, who used to spend many hours watching the smith at work. Kensler is now Manchester Fire Chief.

The old forge at the John F. Schneider blacksmith shop was fired up on Thursday, June 17, 1982, for the first time in many years. The Blacksmith committee of the Manchester Area Historical Society gathered for a meeting in preparation for the demonstration scheduled for July 4th. John S. Kasnick, Tim D. Armentrout, David R. Goodrich and Robert L. Mottice make up the committee and have many years experience as blacksmiths between them.

The Old Blacksmith Shop will be open from 12:00 noon until 2:00 p.m. when the July 4th Parade is scheduled; will be closed during the parade, and will reopen after the parade and will remain open until 6:00 p.m.

The art of the blacksmith will be demonstrated, and hand forged items will be for sale, as well as some gifts for children.

Rose Marie

The Black Sheep Repertory Theatre of Manchester will present ROSE MARIE for one more weekend, performances being Thursday through Saturday at 8:15, and the final showing at 4 o'clock on Sunday, June 27. The excellent production features the music of Rudolph Friml and Herbert Stothart with such memorable tunes as the INDIAN LOVE CALL, ROSE MARIE, the MOUNTAIN SONG, and the DOOR OF HER DREAMS. Ticket prices are \$7 Adult, \$5 senior/college student, and \$2 Youth (under 18). For RESERVATIONS call (813) 428-9280 noon to six daily, closed Monday.

An original production of VAUDEVILLE will open July 9 at the Theatre.

The society recently obtained an anvil, thought to have been originally used in the blacksmith shop when it was operated by John F. Schneider. Mel Faulhaber of 6015 Esch Road made the anvil available to the society, and it fit perfectly where the anvil had been. The society had searched for months for an anvil used in the blacksmith shop. The search included contacting the warden at the State Prison for Southern Michigan (Jackson) because it was said that the prison received the anvil after the death of John F. Schneider. The Department of Corrections had no record of receiving such an anvil.

The Representative from Dimondale, and Jerry Roe, a member of the State of Michigan Historical Society helped in the search, but to no avail. After tracking down many rumors and false leads, the anvil now being used in the Blacksmith Shop was provided to the society by Melvin Faulhaber of Esch Road, and is greatly appreciated by the members of the society.

The society is now searching for coal for the forge for the demonstration on July 4th, as well as for future demonstrations. It has been suggested that there may be coal in the coal bins of residents of this area, that remained in the basements after the heating plants were converted to other fuels. The society would make arrangements to remove the coal if anyone knows of such a cache, and all they would have to do is give Howard Parr, President of the Manchester Area Historical Society a call at 428-9233. In fact, the society would be glad to receive any contribution of tools or artifacts having to do with the blacksmith shop. Tongs, blowers, swages, vices, etc., would be most welcome.

Manchester United Methodist Church To Burn Mortgage and Dedicate Church

Sunday, June 27, 1982 is a special day in the life of the Manchester United Methodist Church when it plans to celebrate the burning of the mortgage of the church building and to dedicate the church.

In March 1966 a Study Committee was named to evaluate the needs of the church. At a Quarterly Conference on March 21, 1968 a Building Committee was named. In May 1970 a Crusade for funds was conducted. On Sunday, April 18, 1971, a Ground Breaking Ceremony was conducted. On November 7, 1971 there was a Cornerstone Laying Ceremony. The first service was held in the new church at 501 Ann Arbor Street on April 23, 1972. The building was consecrated on May 14, 1972.

At the June 27, 1982 morning worship service at 10:30 District Superintendent Dr. Robert Selberg will speak. The Reverend O. William Cooper, who was here when the building project was started, and the Reverend Walter Damberg, who was here when we moved into the new church, will both participate in the worship service.

Following the worship there will be a potluck dinner at 12:30 p.m. in Hoffer Hall. At this time the Reverend Maurice D.

Sharai, who served in the new church, will join us. There will be an open house in the afternoon for all friends of the church.

"It's Chicken Broil Time Again"

by Lucy Feldkamp

It's that time of year again. Chicken Broil time. Once again Manchester will be a big town for one day when 12-14,000 people will visit us for chicken dinners. Gene Bentschneider, general chairman of the broil, says that last year's was the biggest and most profitable ever, and he expects at least as many people to show up this year.

The committee list should be in the mail this week. Anyone who has not yet volunteered and would like to should call Gene Bentschneider or Ron Mann.

This year's entertainment has not been chosen yet. Who can forget last year's attraction, the Parris Island Marine Corps Band? Manchester was as much a treat for the Marines as they were for us. At the reception held for them at Bob Ross' farm, many of the band members said they would like to come back this year, but economics have made that impossible.

The Marines may not be able to make it, but our old friends Bud Guest and Fat Bob Taylor are planning to come. "PM Magazine" is sending a camera crew out to film the broil, but the footage will not appear until next year, when our hometown extravaganza will be thirty years old. Maybe, just maybe, J.P. McCarthy will get his first taste of Manchester chicken this time around. Bob Ross, longtime publicity chairman, and Dave Little, his successor, have been invited to appear with Bud Guest on J.P.'s WJR "Focus" show at noon on July 7.

So remember the third Thursday in July, the 15th, and plan to be around for the best little chicken broil in the state of Michigan.

Students Participate In Citizenship Seminar

Nearly 230 Michigan high school juniors and seniors participated in the 29th annual Michigan Farm Bureau Young People's Citizenship Seminar June 14-18 at Albion. During the five-day seminar, sponsored jointly by the Michigan Farm Bureau and its county organizations, students participated in a mock election process, learned about America's systems of government, democracy and the American free market enterprise. Representing Washtenaw County at the seminar were, front row, left to right, Brian Braun, Ann Arbor; Linda Finkbeiner, Ann Arbor; Terri Gaskill, Saline; Jo Anne Marion, Saline. Back row, left to right, Larry Masqueler, Saline; Karen McCalla, Manchester; Lauren Willson, Manchester; and Doug Bihlmeier.

LETTERS TO THE EDITOR

To the Editor:

It was a real pleasure to come back to Manchester after 40 years and be treated with such hospitality.

Thanks to Brad Roberts and Don Smith, the Police Department and all involved in helping us set up our 5th wheel trailer, at the water works, so we could attend the Alumni Banquet.

Manchester has grown but the people are all the same - "Great".

We would like to thank the Floyd Parr's and the class of '42' for making us welcome at their 40th reunion.

Betty Brown "41"
Mrs. Wells Herrington
14520 Embassy Lane
Tampa, Florida, 33612

To the Editor:

Many of our citizens are about to be "fooled again" by Lansing's politicians.

Lansing refuses to believe that our bad reputation for having an unhealthy, unproductive business climate is principally caused by our taxing and spending and regulating policies put upon us by self-serving, special interest legislators who have driven many employers out of the

state or worse yet out of business entirely. It does not take a genius to know that Michigan must lower the tax burden on all of our citizens.

Some of our political leaders are finally recognizing that property taxes must be reduced...but, they offer a shift to other taxes. A shift will not correct our dilemma. The people want a Tax Cut not a Tax Shift. People are asking, "Where are the Tisch Petitions?"

Thousands of petition forms are in circulation but signatures are slow in returning to us.

We need tens of thousands of signatures before July 5th so that come next November's election the voters can have a choice as to how best to correct our severe economic condition.

We need many of your readers to help us collect signatures in these last crucial days. We'll gladly mail petitions to anyone who calls us at area code 517-651-5874. Volunteers are on duty from 9 a.m. to 10 p.m. every day.

The Tisch Tax Cut is a finely tuned Michigan constitutional amendment conceived to deliver the same benefits, over the next four years, that the people of California and Massachusetts are now enjoying...benefits of increased employment, higher earnings, no loss of public services or visible weakening of revenues (see current June issue of Nations Business Magazine.)

We can do it too if your readers will help us.

Thank you,
Robert E. Tisch
Laingsburg, Michigan

Lana Pollack-State Senate

Lana Pollack, a member of the Ann Arbor Board of Education since 1979 and former chairperson of the Ann Arbor Democratic party, announced today that she is a candidate for the State Senate from the 18th senatorial district.

In announcing her candidacy, Pollack said:

"I want to represent Washtenaw County in the State Senate because I want to put to use in Lansing the experience I have gained in public office making tough decisions, asking difficult questions, and establishing important governmental priorities.

Michigan is facing troubled times. Education from kindergarten through graduate school has reached a crisis point: the cost of health care has climbed to an intolerable level; our family farms are faced with the prospect of bankruptcy; unemployment is at the epidemic stage.

The stereotypes of the past and the "business-as-usual" approach no longer suffice. We need new answers to difficult questions. We need to invest our resources in our people—at least to the degree that we invest them in capital—to educate them, to train them for meaningful work and to help them successfully to be productive citizens in the world of the 1980's and 1990's. In Washtenaw County, we need to capitalize on our place as the state's primary education center by blending with high technology and other industry.

Pollack served as co-director of Senator Edward Pierce's successful campaign in 1978, and as regional coordinator for his campaign for the gubernatorial nomination. In 1980, she was Washtenaw County coordinator of Kathleen O'Reilly's campaign for the United States House of

Representatives.

A graduate of the University of Michigan with bachelor's degree in political science and an M.A. in education, Pollack has taught social studies, dance and basic education in the United States and Africa, where she also served as a school administrator. An active member of the Michigan Association of School Boards, she served on its long range finance planning Committee, recommending courses of action for the financing of public education in Michigan.

Pollack lives with her husband, Henry, and their son, John, at 2065 Columbia, Ann Arbor.

protesters, to a certain extent, but these people are but one side of the question. As Pearl Bailey often says, when discussing a questionable action or a disagreement, "It takes two to tango" Is anyone getting through to the Moscowvites to teach them to "Tango"?

Let us sincerely hope that the forthcoming disarmament talks scheduled will prove fruitful. Perhaps the only emotion the Communist bloc is capable of understanding is fear and the only way to keep them in line is to build ourselves a stockpile of weapons sufficient to instill fear in their high places.

Whichever or whatever, may we pray that these conferences do not occur in vain.

Since nuclear wastes may remain a deadly danger to mankind for 10,000 years we are told, and no language in history has lasted that long, in an unmodified form, how are we going to warn future generations about this persistent peril?

Someone tells me that there is a new cocktail out. Two of them and you change color and fall to the ground.

A friend of ours told us recently, the tale of a friend of his who, after a long and dragged out evening session, had failed to sell a prospect a large bill of goods that he had, for some time hoped to, wended his way home quite upset.

It was customary for this chap and his Missus to have a late night snack together after these sessions of his and so he stopped in at a bar, whose hamburgers were of the best, to pick up two to go.

Feeling that he shouldn't go home in such a foul mood, he ordered a beer and finished it and then a second and a third and finished them too.

The hamburgers still weren't ready so he idly bought a couple of state lottery tickets and the second one proved to be good for \$1,000.

And then the wise guy who related the story added, "It's amazing what a few beers can do for a fellow", by the time my friend got home he was completely over the blues.

"Clean gilt frames with beer says a friend of ours. Maybe so, I do a lot of things around the house with beer, especially in the summer time.

Primary Election Date Changed

Secretary of State Richard Austin reminded all voters today that the change in the primary election date to August 10 means that Michigan residents have an additional week in which to register.

The final date for registering to vote in the primary is July 12.

Austin also said that Secretary of State branch offices will "step up their voter registration efforts between now and July 12."

To be eligible to vote in the primary all individuals must be registered. Those individuals not yet registered may do so in the office of any city or township clerk or at any Secretary of State branch office.

Since voter registration began in branch offices in 1975, Austin said more than 3.6 million people have used Secretary of State branch offices to register or update their registration status.

Fast Pitch Softball Camp at EMU

A fast-pitch softball camp for high school softball players, prospective players and coaches is scheduled for July 12-15 at Eastern Michigan University.

Sponsored by the Division of Continuing Education, the camp offers four days of concentrated instruction and coaching for players, as well as special daily sessions for participating coaches.

Player seminars will focus on the

development of the proper fundamentals of the game including specific batting and fielding techniques, strategy development and coached scrimmages.

Coaches' sessions will cover recruitment, conditioning, coaching methods and player attitude development.

Fees for the camp range from \$55 for commuting participants, to \$85 for on-campus registrants, which includes room and board. Coaches who attend with their teams pay no fee, except for a \$60 room and board fee.

To enroll, for further information, contact the Division of Continuing Education, 330 Goodison Hall, EMU, Ypsilanti 48197, or call (313) 487-0312.

Lawyers To Provide Free Legal Aid

A major effort to involve private attorneys in the providing of legal assistance to indigent residents of Washtenaw County was announced today. A letter signed by a number of prominent local attorneys as well as every judge in the county will be released this week urging lawyers to voluntarily commit a maximum of 12 hours or 2 cases per year to the provision of free legal aid under the plan administered by Legal Services of Southeastern Michigan, LSSEM Executive Director Roger Chard points out that this is one of the few ways to restore some of the services lost through federal budget reductions, and he is hopeful that it will also bring some organization to the

supplying of legal help for the poor by private attorneys which has often been quite random and, therefore, unevenly distributed. He is particularly appreciative of the support shown for the idea and for the help in formulating the plan given by Peter Darrow, John Kirkendall, Melinda Morris and Sally Rutsky—all members of the standing committee of the Bar for this project. The support of William Anhut, President of the Washtenaw County Bar Association, and many others has been very valuable, Chard states, and we hope now that the biggest beneficiary of all will turn out to be the low-income residents of this county.

Appointment To Be Made

The Washtenaw County Board of Commissioners will, on July 7, 1982, make one appointment of Consumer representative to the Emergency Medical Services Commission for a term expiring December 31, 1982, left vacant by the resignation of Walter Jarrell.

A one page resume should be addressed to Carol Hampton, Controller/Administrator's Office, County Administration Building, P.O. Box 8645, Ann Arbor, Michigan 48107. Those resumes received by Friday, July 2, will be submitted to the Board of Commissioners for their consideration on July 7, 1982.

BIRTH RATES

I know that statistics, even so-called vital statistics, can all too often be dull, and confusing. So I try not to use them too often. But one of the state health department's most important functions is to collect and compile vital statistics—those related to birth and deaths, as well as marriages figures for 1981 show several trends which I thought you might find interesting.

Since July of 1980, Michigan's birth rate has been declining, even though the national rate has continued to rise slightly. In July of 1980, Michigan had 12,990 births. Since then the numbers have generally gone down, falling to 10,460 in December of 1981. The birth rate was 15.7 per 1000 population in 1980. The rate for 1981 is 14.9 a decline of five percent. Meanwhile, over the same time, the national rate rose from 15.8 to 15.9.

A related area where the pattern for Michigan seems in contrast with that of the country, is marriages. In 1981, the number of marriages in our state is estimated at 85,600—down about 1,200 from 1980. Our marriage rate was 18.3 in 1981 compared to 18.8 in 1980. Meanwhile the national marriage rate held steady at 21.2. So we are significantly below the national averages for both births and marriages. The first question most people ask when

they hear about these figures is "Why?" We really aren't in a position to answer that. We collect and compile the data for use by many other specialists including demographers, sociologists, and health planners. But it does seem apparent that the declining birth rate is related to our current economic problems and high unemployment. The lowest birth rates ever recorded occurred during the depression years of the 1930's. So history tells us that the number of births tends to go down when the economy is down. It is a natural, and most unfortunate, means of birth control.

Next year, at this time, I hope I will be able to tell you about a rising birth rate. Because that will mean better times for all of us.

4th of July Parade Picnic & Fireworks

Sunday, July 4th is the seventh annual Parade, Picnic & Fireworks at Carr Park. This day has become one of those times

you don't want to miss. The parade starts at 2 P.M. at the North side of the Athletic Field. We need as many participants as we can get, so get out your old car, horse, bicycle or what have you. We start lining up at 1:30.

Following the parade will be time for a good old fashioned town picnic, games for the kids, softball and more. During the afternoon and evening, there will be 3 bands to entertain you in the main pavilion along with a beer tent set up.

At dark (about 9:30) The Manchester Township Fire Department will shoot off their always spectacular display of fireworks. Following the fireworks will be a dance in the main pavilion.

This day is sponsored by the Manchester Men's Club. Each year it becomes more costly to run. The Men's Club will be soliciting your donations to cover the cost of the Fireworks, please reach deep into your pockets. Many towns have done away with their fireworks, because of the cost. Manchester is one of the smallest communities to still have fireworks, thanks to your generous help in the past. Let's keep it going. If you have any questions please contact Bob Rhees 428-8672 for donations please send them to the Manchester Men's Club, Manchester, Michigan.

Manchester Village Planning Commission

REGULAR MEETING

May 11, 1982

The Regular Meeting of the Manchester Village Planning Commission was called to order at 7:38 p.m. with Secretary Kallewaard presiding in the absence of Vice-Chairman Smith. Members present: Walton, Aiuto, Kwolek, Leeson, Grossman, Alber, Kallewaard. Absent: Smith and Kraus. A quorum was present.

Minutes of the Regular Meeting of April 12, 1982 were approved as read, on a motion by Alber, seconded by Leeson.

Howard Parr was present to represent the Manchester Area Historical Society in their petition for a conditional use permit, to use the former Schneider blacksmith shop on East Main Street as Historical Society headquarters. He submitted a letter and site plan (copies attached), and explained that the use would be limited to meetings, housing of archives, and historical displays and programs; use of the forge would be another matter which might be considered at some later date but was not part of this present request.

Commission members referred to the Village Attorney's letter of February, 1982, stating the opinion that the Historical Society could qualify for a conditional use permit under the listing for "public buildings".

In answer to questions, Parr said that handicap access would be at the front of the building, and an allowance would have to be made by the Village Council for people attending Historical Society functions to park on Village property along the old railroad right-of-way, to the rear of the Historical Society's property—if the Society was to meet the off-street parking requirements of the Zoning Ordinance.

He described two signs which were planned: one to display the Historical Society name, in the transom above the front door; a second sign identifying the building as a Michigan Historic Site, which would be mounted on the south wall of the building, to the right of the front door.

Grossman made a motion, seconded by Leeson, that the Planning Commission recommend approval of the Historical Society's petition for a conditional use permit, as described above. The motion was passed unanimously on a voice vote. Kallewaard noted that the Public Hearing would be Monday, June 7 at 8:00 p.m.

Jerry Pirkle, of 317 Torrey Street, was present to request a dimension variance to

permit construction of a garage two feet from the lot line, instead of 15 feet as required in the Ordinance for R-1B District. He submitted a site plan.

In answer to questions, he said that the building would be 30 by 36 feet in size, but would include the following features as a means of making it more harmonious with the neighborhood: siding in the same material and color as the house, framed-in windows, standard garage doors in the front, a shingled roof with the same pitch-and gable facing the same direction-as the house, walls the same height as the house walls.

In regard to the dimension variance itself, it was noted that that section of the R-1B District already had numerous nonconformities on setbacks, since it is an older section of the Village.

In answer to questions about the use of the building, Pirkle stated that the extra size of the structure was necessary to house three cars, a 16-ft. boat, and a canoe; also that his hobby was restoring old cars and he wanted to do this work inside rather than in the yard. There was discussion about the possibilities of this work developing into a business and creating a nuisance in the neighborhood.

Kwolek made a motion, seconded by Grossman, that the Planning Commission recommend approval of the requested variance by the Village Zoning Board of Appeals. On a voice vote, the motion was passed.

Alber made a motion, seconded by Walton, that the Board of Appeals consider the following stipulations in regard to the requested variance: 1) all auto restoration to be done inside the building, not outside; 2) building should be landscaped to make it harmonious with the neighborhood; 3) no annoying noise, smells, or other types of nuisance to be allowed. The motion was passed unanimously on a voice vote.

Dave Donelson and Jack Zaborowski of the National Bank of Jackson were present to apply for a sign permit, for a sign on the north elevation of the branch bank at Main and Adrian Streets, identifying the automatic teller machine being installed there. It was the opinion of the Commission that this would constitute a second sign on that building, in violation of the Village Zoning Ordinance. After discussion, the bank's representatives withdrew their application in order to consider other alternatives, such as placing

Ferris State College Honors List

Over 1,900 Ferris State College students are included on the academic honors list for the recently completed spring quarter. Dr. Donald A. Priebe, vice president for

academic affairs, announced.

To be eligible, a Ferris student must have compiled a 3.25 grade point average in at least 14 quarter hours of graded work; a 4.00 is all A's.

Among them is Bryan L. Eisenhauer, son of Mr. and Mrs. Robert Eisenhauer of Manchester, with a 4.00 grade point.

The total list of 1,901 students honored includes 161 who earned all A grades.

Improve Your Employment Odds

Individual assistance to sharpen job search skills is available to 1982 high school graduates. The program includes:

- resume preparation and resume use.
- job search strategy.
- research of prospective employers and job openings.
- selling yourself (and enjoying) the interview.
- employment search etiquette.

The program is provided through the South and West Washtenaw Consortium of Chelsea, Dexter, Manchester, Milan and Saine School Districts. For information call Bob Miller at 426-4008 or 662-9898.

Cards Of Thanks

The family of Irwin Kappler would like to thank Sue Brunk the LPN at Double A Products, Mo Mashaud, Art Lamarand, Don Steele, the Huron Valley Ambulance crew, Herrick Memorial emergency room staff, and the Life Flite crew from St. Vincent's of Toledo for saving his life. Even though he is still critical, we wouldn't have him at all if it weren't for these people. A special thanks to those at St. Joseph's Mercy Hospital in Ann Arbor who are taking care of him now. Thanks again from all of us.

Mom and Dad Poet,
Thanks for all your help and concern when I needed it. It was greatly appreciated. Thanks again.
Denise

Thanks for the usual beautiful job of planting petunias to the Manchester Fire Department and thanks to Ron Mann for the weed killer.

VACANT LAND
Various parcels ranging from 1 to 50 acres. Beautiful rolling land to suit every building need. Call for details.

This man will make your banking better.

Meet BJ® the Wonderbanker®. You'll wonder how you ever banked without him.

How will this man make your banking better? By introducing you to Manchester's first—and only—24-hour banking service. You see, he's the "brains" behind the service. And you'll find him at our downtown Manchester NBJ office.

If you're already an NBJ customer, BJ thinks you'll like banking anytime you want. And if you're not an NBJ customer, he thinks his 24-hour banking service (and other goodies you'll read about below) gives you more reason than ever to bank at NBJ!

Better banking 24-hours a day.

No more hurrying off to the bank before the office or drive-in closes. Use BJ the Wonderbanker to do 90% of your banking, anytime. Make deposits to or withdrawals from your checking or savings accounts. Over 39 different transactions in all. And you can use BJ at nine other Wonderbanks in the greater Jackson area.

See how BJ makes your banking better—and take home a FREE GIFT!

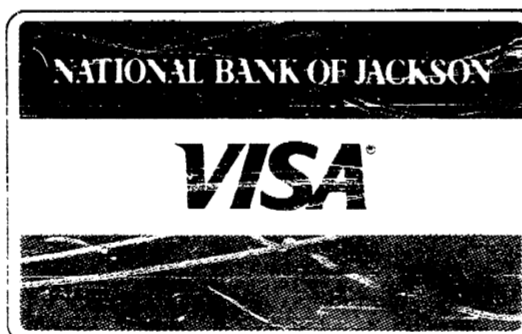

Take a free demonstration of BJ the Wonderbanker anytime during regular office hours—Mondays through Thursdays, 9-4; Fridays, 9-5; Saturdays, 9-noon. See how he'll make your banking better. And take home a free gift! If you're one of the first 300 people to meet BJ, you'll get a ticket to Manchester's Famous Chicken Broil. If you miss out on the tickets, you'll get a free BJ the Wonderbanker frisbee or t-shirt while supplies last!

Make your banking better, and we'll add \$5 to your account.

Just apply for a PIN, and we'll add \$5 to your NBJ account. "What's a PIN?" you ask? PIN stands for Personal Identification Number. And used along with your NBJ WonderCard, NBJ VISA/Credit Card, NBJ VISA/Debit Card or MasterCard®, it lets you use BJ the Wonderbanker. It tells BJ you're the owner of the card, and it prevents others from using your card if it's ever lost or stolen. You have to have a PIN to use BJ, and we'll add \$5 to your account when you apply for it!

Better checking without writing checks.

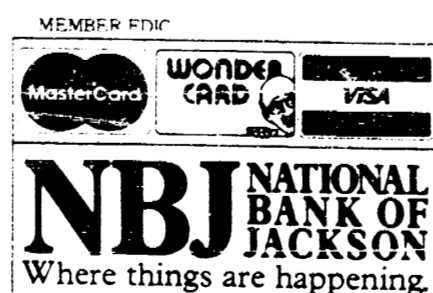

It looks like a regular VISA Card. But it's the new NBJ VISA/Debit Card. Use it to make purchases anywhere VISA cards are accepted, and the purchase amount is deducted from your checking account. You can even use your NBJ VISA/Debit Card to get cash from VISA-member banks. Apply for yours today!

Better VISA Credit the NBJ Way.

You can use your NBJ VISA/Credit Card at BJ the Wonderbanker, too. Make payments on your account, or get cash advances up to \$100. Remember, NBJ was the area's first bank to offer credit cards, and we've processed credit card transactions for years. So if you don't have an NBJ VISA/Credit Card, apply for one when you take your BJ the Wonderbanker demonstration.

See your NBJ Personal Banker at the Downtown Manchester office on Main Street through June 30. And see why BJ the Wonderbanker wants to make your banking better.

Walter K. Hamilton Judge-Of The 14th District Court

Walter K. Hamilton, an Ypsilanti attorney, has announced his candidacy for the position of Judge of the 14th District Court. In announcing his candidacy, Hamilton made the following statement. "No one owns the title of Judge. It is lent to him by the people he is elected to serve, and he is, and ought to be, accountable for the character and quality of the justice in his Court. I believe that this year provides an opportunity to improve the quality and responsiveness of the 14th District Court serving Ypsilanti."

"Each case coming before a District Judge should be resolved fairly and with equal individual, unprejudiced attention. No litigant should ever feel that his matter has been predetermined by the Judge's

attitude toward a kind of person or a kind of case. We have adequate judicial resources in this community to provide efficient and prompt justice without haste and without communicating to individuals before the Court that they do not have the right to take up the Judge's time. A Judge can by his manner and deportment and his respect for the system and the human beings involved convey the very real impression that this Court is an expression and agent of a truly civilized society. A district Court is a bottleneck of troubled and disturbed humanity and many of the most human problems of the community. A Judge has enormous prestige and potential for leadership in the community and has an obligation to become involved in community efforts, both on and off the Bench. I live in and understand Washtenaw County, its people, its government and its needs. I can work with all parts of the community."

Hamilton, 37, was raised in Flint and received a Bachelor's degree in history with highest honors from the University of Michigan in 1966. He is a 1969 graduate of the University of Michigan Law School with cum laude honors. Following his graduation from law school, he served as a law clerk to now Supreme Court Justice Charles Levin and Federal Court Judge Thaddeus Machrowitz. He has lived in Washtenaw County since 1966 and entered the practice of law here in 1970.

Hamilton has been admitted to practice before all Michigan Courts and the United States District Courts for Michigan and is a member of the American Bar Association, Michigan Bar Association and the National State and Local Trial Lawyers Associations. He is Vice Chair of the Legislation Committee of the Family Law Section of the State Bar.

Hamilton is a member of various community organizations and has been since 1975 a member of the Washtenaw County Community Mental Health Board, holding both the offices of Treasurer and Vice Chair.

He resides with his wife, Nancy, and two children on Edison Street in Ypsilanti Township.

The Commission reviewed the application of the Manchester United Methodist Church, for a sign permit to allow a replacement sign ("bulletin sign") in front of the church on Ann Arbor Hill. Architect's drawings of the proposed sign were submitted. Leeson made a motion, seconded by Aiuto, that the permit be granted for construction of the sign as presented. The motion passed unanimously on a voice vote.

In discussion of Old Business, Kwolck volunteered to prepare a proposed new Fee Schedule, and application forms as necessary.

Under "New Business", the Secretary called for nominations for Chairman. Paul Alber was nominated by Walton and seconded by Grossman, and unanimously elected.

Also under "New Business", Leeson introduced discussion relating to the composition of the Village Zoning Board of Appeals. The Secretary was requested to consult with the Village President and Village Attorney on this question.

The meeting was adjourned at 9:35 p.m. Mary Kalleward Secretary

stated, "The open house will give the community the opportunity to view the new equipment which their donations have helped to make possible. The Hospital is grateful for the extraordinary support provided by area residents."

The fund drive has now provided over \$183,000 of the needed \$150,000 with some gifts still pending. Independent of the current fundraising activities, donations designated for other specific Hospital needs totaling over \$14,000 have been received. Additionally, an estate has been donated to the Hospital which provides a further indication of community support. If the \$150,000 goal is not reached, the additional funds required will be drawn from a portion of the donated estate.

Area residents wishing further information may call the Office of Community Services and Development at the Hospital at 429-5435, ext. 249.

Scholarships Awarded

"Old Maid's Day" is a day to honor all never-married women over the age of 35. It was established by Marian Richards of Norristown, Pa., in 1949. Old Maid's Day is celebrated with fun and humor 'tis said. Roses and daisies are the symbols of the day—now sponsored by two other Pennsylvanians Judith Tomasek of Allentown and Grace Kersamer of Bethlehem.

We read an article the other day on "How To Raise Your Parents" which said, "Do not be afraid to speak your parents' language. Try to use strange sounding phrases like 'I'll help you with the dishes', and 'Yes'."

Relief For The Aching Back

Although backache is the single most common cause of chronic pain, it need not continue to cramp your style. Most backaches are muscular in origin and can be cured by implementing the following suggestions:

- Unless you're in top physical condition, avoid jolting sports such as jogging, horseback riding, bowling, baseball or golf.
- Do special exercises to strengthen stomach and back muscles.
- To relieve backache and tension, roll your head loosely in both clockwise and counterclockwise directions. Then lie with back on floor and bent feet drawn up to buttocks. Raise the pelvis while pushing lower back gently toward the floor.
- Make sure your bed and car seat are firm and supportive.
- Sit erectly in straight-backed chairs with both feet on the floor.
- Change sitting positions frequently and take brief, regular walks.
- If forced to sit for long periods of time, raise one or both legs straight out in front and hold a few inches off the floor.
- Rocking in a rocking chair reduces back pain.
- If your bed is too soft, place a large piece of plywood between mattress and spring or put the mattress on the floor.
- Sleep with a pillow that supports your head.
- Sleep on your side in the fetal position.
- If you sleep face down, put a pillow under your stomach. If you sleep on your back, place the pillow under your knees.

Manchester Township Library
302 WEST MAIN STREET
MANCHESTER, MICHIGAN 48134

Among the new editions at the Manchester Township Library are some recently published books written especially for children. **Nutrition** by Paul Thompson, contains a history of food and eating habits with sections devoted to health needs, vitamins, and food controversies. **Shaw Finney's Cheerleading and Baton Twirling** details training procedures and illustrated routines for the interested student.

For young people interested in drawing, the book by Don Bolognese, **Drawing Dinosaurs and Other Prehistoric Animals**, has complete descriptions of the animals as well as detailed instructions with line drawings. Also of interest to young artists is **Drawing the Big Cats**, which includes the methods of drawing, tools and their uses, and techniques, by Paul Frame.

A group of Easy to Read Activity Books will provide hours of enjoyment this summer. **Calculator Fun** by David A Adler contains riddles, puzzles, and games as well as directions for standard use of the calculator. **Making Dolls**, by Carol Nicklaus, explains in detail how to make simple and complicated dolls from things around the house, such as clothespins, pipe cleaners, spoons, and bags of beans. **Coin Fun**, with basic information for the young coin collector, history of coins, and a few coin tricks, is by Ken Reisberg. **Food Fun** is a beautifully illustrated cook book written by Phyllis Hayes for very young people, and has simple step-by-step recipes. **Sun Fun**, a very seasonal volume by "Caroline Arnold," explains construction and uses of reflectors along with many other facts and figures about the sun. **Snow Fun**, by Caroline Anne Levine, is less seasonal, but includes many kinds of

amusing and educational facts and ideas about use of snow in games, food preparation and science.

Looking ahead, **Christmas Gifts Good Enough to Eat** by Susan Purdy, is not confined to winter holiday recipes. It contains ideas for use anytime or any holiday.

Look to eggs for light and lively menu ideas

They're light in preparation time, light in calories and light in cost, but ever so lively in color and flavor! What more could you ask of a recipe? What are they? Light but Lively Deviled Eggs.

An ever-popular picnic food, deviled eggs are equally in demand at parties and barbecues as well as at snack time. They're just plain all-around appropriate! At 92 calories per serving,

weight-watchers will love this version, too. But whether you're weight-watching or not, cool summer eating is always welcome. Look to Light But Lively Deviled Eggs to do it!

LIGHT BUT LIVELY DEVILED EGGS

6 appetizer servings (92 calories or less per serving)

- 6 hard-cooked eggs*
- 2 tablespoons bottled low calorie or lite Italian-style salad dressing
- 1/2 teaspoon prepared mustard
- 1 jar (2 oz.) chopped pimiento, drained
- 1 tablespoon chopped fresh mushrooms
- 1 tablespoon chopped green pepper

aside. Mash yolks with fork. Blend in dressing and mustard. Stir in remaining ingredients. Re-fill whites using about 1 table-spoon yolk mixture for each egg half. Chill to blend flavors, if desired.

*To hard-cook, put eggs in single layer in saucepan. Add enough tap water to come at least 1 inch above eggs. Cover and quickly bring just to boiling. Turn off heat. If necessary, remove pan from burner to prevent further boiling. Let eggs stand covered

in the hot water 15 to 17 minutes for large eggs. (Adjust time up or down by about 3 minutes for each size larger or smaller.) Immediately run cold water over eggs or put them in ice water until completely cooled. To remove shell, crackle it by tapping gently all over. Roll egg between hands to loosen shell, then peel, starting at large end. Hold egg under running cold water or dip in bowl of water to help ease off shell.

Cut eggs in half lengthwise. Remove yolks and set whites

Larry Steeb-52nd District

Larry Steeb, a former teacher and coach in the Manchester Schools has announced his candidacy for the 52nd District State House of Representatives seat that is being vacated by veteran Roy Smith who is running for the State Senate.

The 52nd district includes Dexter, Chelsea, Milan, Saline, Bridgewater, part of Ann Arbor as well as Manchester.

Steeb, who currently teaches social studies and coaches in the Whitmore Lake Schools, taught and coached for 6 years in the Manchester Schools and his teams won several championships in track and cross-country.

Steeb said that he felt now was the time to run for office because of the need to keep pressure on in Lansing for property tax reform. He also stated, "In tightening the state budget we must set priorities, it is irresponsible to let our schools decay while we maintain our present welfare system that costs more to run and delivers less than other Midwest States." Also, Agriculture which is Michigan's 2nd largest industry and a stabilizing factor in poor economic times, has been hurt by our taxation policy and the loss of farm land to poorly planned development.

Long active in county politics, Steeb is active in youth and civic organizations, and was co-founder of the Dexter-Ann Arbor Run, the county Kiwanis Track Meet of Champions, as well as the Manchester Cross-Country Invitational. Steeb is 35 years old, married, and has lived in the Ann Arbor-Saline area his whole life.

Klager Students Participate In Fitness Program

The students of Klager Elementary School participated in the Nabisco Amateur Athletic Union (AAU) Physical Fitness Program this spring. The primary purpose of the program is to help American youngsters discover their physical capabilities, and to provide an incentive for them to strive for maximum development of individual physical potential. The program contains five test items which are: bent-knee sit-ups, push ups, standing long jump, run/walk and a choice of one of the optional events: pull-ups, sprints, running high jump, and shuttle run. For each test item a specified standard is provided for boys and girls and for various age groups which the children strive to achieve. The tests which form the basis of the Nabisco-AAU Physical Fitness Program provide the means of determining the present physical capabilities of young people between the ages of 6 and 18 - and the standards listed are designed to motivate boys and girls to increase sports participation for the development of physical fitness.

There are three types of certificates attainable for students participating in the program. A Certificate of Participation is given to any boy or girl who participates in the AAU Physical Fitness Test so as to acknowledge participation whether or not he or she has been able to equal or surpass the test's proficiency standards. A Certificate of Attainment is received by boys and girls who achieve the AAU Physical Fitness Test standards for their age-group by passing all four required events and one of the optional event. The AAU Physical Fitness Test is designed to be a challenge for the majority of the nation's boys and girls, it is anticipated that some youngsters will find the test easy to master and will desire a more difficult one. Therefore, a special point system has been adopted for these high

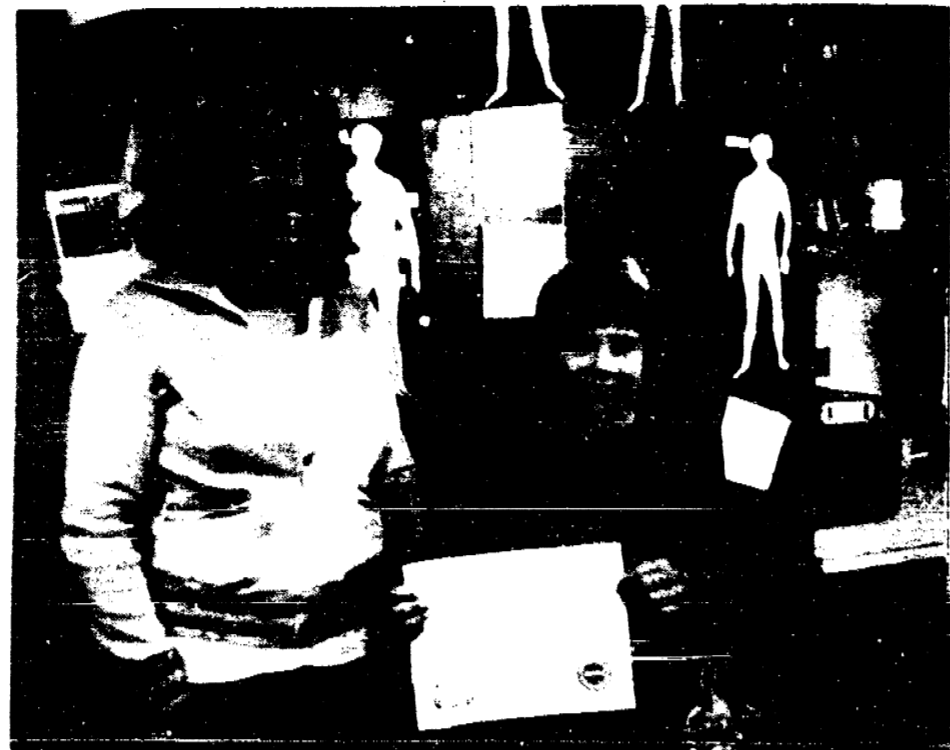

achievers - and those equalling or surpassing the required point totals will receive the Outstanding Achievement Award. To achieve this award an individual must pass all four required events and one optional event and attain a combined total of 150 or more points for the five events. Points are awarded only for those performances in each event that surpass the basic standards of the AAU Physical Fitness Test. There was one individual in Klager School who earned this Outstanding Achievement Award. Andy Pagel, a third grader, earned 151 points to achieve the Outstanding Achievement Award.

The following students earned a Certificate of Attainment Award for equalling or surpassing the AAU Physical Fitness Test standards:

First Grade - Gary Barrett, Rodney Burkhardt, Kathleen Noshisch, Jamie Sloat, Amanda Tubaugh, Lynnette Wackenhut, Jeff Weidmayer, Joey Whiting, Angelo Yeutter, Chris Pilaraki, Andrea Karpo, Stacey Clouse, Jennifer Coppernoll, Andy Corwin, Kristin Cyers, Shane Fielder, Laura Isom, Amber Minor, Melissa Nimke, Kerrick Rentfro, Holly Seales, Meghan Hakes, Pamela Herrst, Kellie Lucas, Richard Lutton, Greg McLennon, Steven Raab, Kim Reeb, John Runyon, Jenni Schearie, Ann Spiess, Michelle Mann.

115TH YEAR VOLUME NO. 36

USPS 327-460

THURSDAY, JULY 1, 1982

JULY 4th SPECTACULAR!

As you know the fourth of July is here, and the Manchester Men's Club is sponsoring their annual fourth of July activities. Starting at 12 noon, beer will be sold at Carr Park till 1 a.m. At 2 o'clock a parade will start from the Athletic Field and proceed through town to Carr Park with many antique cars and show cars plus many other attractions. Three bands will be performing at the park throughout the day. The Manchester High School Pep Band starts off the day playing many popular songs from 1 to 3. At 3 o'clock we will have a very good country western band from Ypsilanti called Acoustic Country, one of the better country western bands in Southern Michigan. At 8 o'clock John Anthony and his band will perform. Requested by many people to come back again this year. John and his band have played all over southern Michigan, and has cut the record call Michigan Lady.

We also sponsor a fireworks display which is performed by the Manchester Fire Department. We have received help from The American Legion, Legion Auxiliary, Societies of Manchester, Village of Manchester, Freedom Township, Sharon Township, and Bridgewater Township to help fund partial amount of cost of the firework display. Last year it was estimated that 3,500 people witnessed the fireworks display, yet we received only \$759.00 in donations that day. To continue this display we need help from you, the people. The fireworks next year would be as good or better than this years if everybody could give at least one dollar in donation to the canvassers in the crowd or in the pails at the beer stand. Donations can also be mailed in care of Bill Puchas. The Men's Club and American Legion will be collecting the donations at the park.

Later in the afternoon Manchester's own famous stuntman and member of the Men's Club, Eddie Green and his partner, will skydive into the park aiming for second base on the ball diamond. It will be his 2,500 jump. He is coming special from Ann Arbor to make this in front of his hometown crowd.

In order to cover these expenses, beer stand, bands, and skydiver, we need your support for this afternoon of entertainment to make it continue for years to come. We are looking for many picnics and a fun day for all on July 4 at the park. Come early and stay late, this will be a day to remember.

"Main Street" To Have New Look

As many of you are aware, trying to travel down Main Street recently has been somewhat of an obstacle course. In due time, however, all this will cease, and our eyes shall behold a beautiful transformation. Planned renovations include replacing sidewalks on both sides of the street, new curbs and gutters, blacktopping the street, and planting of trees. The completion date is set for July 14th. Manchester Merchants regret any inconvenience these renovations have caused shoppers and invite them to park in the rear lots and use the back entrances.

Historical Society Open House At Old Blacksmith Shop

The late John Schneider and his portable blacksmith shop preparing to show a couple of horses on a farm near Manchester.

On the Fourth of July, you can visit the Old Blacksmith Shop on East Main in Manchester and see it in working order as the local "Smithies" demonstrate the art of blacksmithing. Manchester Area Historical Society has arranged an Open House from 12 to 2 and 3 to 6 with an hour out from 2 to 3 for the Parade.

After 3 the program will include the shoeing of a horse (or horses) at the outdoor site. Bill Kellum of Adrian, a farrier with seven years experience at the trade, will bring his portable shop from

Lenawee County to do the demonstration.

A blacksmith did more than shoe horses, he repaired all equipment made of metal, made tools and even invented tools needed for special purposes. Quite often the blacksmith and his family enjoyed a favored station in the community because he was not directly affected by the economic conditions of the time. Horses had to be shod and equipment maintained no matter what the price of corn.

All afternoon, blacksmiths John E. Continued on page 9

Old-Time Horse And Wagon Ride

by Lucy Feldkamp

Wendell Reinhart and his volunteers will be repeating their popular horse and wagon shuttle service at the Chicken Broil this year. Anyone who parks at the high school can hitch a free ride to the athletic field and the best barbecued chicken dinner in Michigan. As usual, there will be no charge for the ride, not even a tip. The only thing you will need is the patience to wait in line awhile.

Reinhart first got the idea during the Bicentennial. That year he rigged up a wagon with seats, harnessed his draft horses, and drove down to the broil, thinking it would add a little historical flair to the occasion. People loved it and stood in line for a ride instead of taking the school buses which usually did this chore. Since then, Reinhart has added more teams and wagons every year, until now most of the local teams, and even one from Adrian, have been signed up for duty. The school buses are no longer needed.

Last year, eight wagons, each carrying 16 to 25 people, made four trips an hour from 4:00 to 8:00 P.M. Reinhart estimates his equine taxis carried about 2000 people all told. This year Reinhart says he and his crew, which includes Lloyd Hughes, McCalla Feeds from Chelsea, Jim Hone,

Denver Eicker, George Macomber, Andy Poet, and others, will field the same number of wagons, but will stop service around 7:30 to avoid overworking the horses. Anyone with a team who would like to increase this number should call Reinhart at 428-8540.

Kids love the horses, which include ponies and mules, as well as the giant Percherons and Belgians, but Reinhart says they are just as popular with the elderly. Many older folks remember the days when the farmer's most valuable tool was his team of horses, not his tractor.

So when you go down to the broil this year, plan on participating in a little re-creating history. Rest your feet and let the horses hooves do the walking for you.

Luther Schaible's 25th Anniversary

Mr. and Mrs. Luke Schaible of Manchester will be honored with a 25th Anniversary Open House on Sunday, July 4 at their home, 4665 Fletcher Road, from 2 to 6.
