

**Vaudeville!**

The Black Sheep Theatre of Manchester announces the return of VAUDEVILLE! its annual salute to the musical entertainment of days past. Originally scheduled to run the first three weeks of October, VAUDEVILLE! has been moved up to July to accommodate our summer patrons and provide a complete musical season for the warm weather months. VAUDEVILLE! performances will be Thursday, Friday, and Saturday evening at 8:15 and Sunday afternoon at 4:00, July 9 through August 1.

Numerous vaudeville shows have played this Theatre since it was first opened in 1867. At that time, Manchester was a crossroads for rail traffic and a very popular recreation spot. The Black Sheep Theatre carries on the tradition. VAUDEVILLE! offers the songs, dances, and fancy patter that entertained generations past and will delight modern audiences. Thrill to the incredible Flying Zucchini Brothers, cheer the Hero and hiss the Villan in a classic melodrama, and call for the hook if an act isn't up to snuff. Will Dick the Floor Sweep return with his impromptu between-the-acts merriment? Come to VAUDEVILLE! and see.

Tickets for VAUDEVILLE! are \$7 - regular admission, \$5 - seniors over 60 and college students, and \$2 - youth under 18. Telephone reservations are accepted at the box office between noon and six, Tuesday through Sunday. Call (313) 428-9280.

barbecue books are out on loan. Perhaps one of you readers could supply instructions.

For a smaller crowd, you can barbecue one or two whole pork loins on a rotisserie, and feed from 20 to 35 people. Figure about three servings per pound, and one or two six-pound boneless pork loins. Ask your butcher to remove the bones and tie the roasts. (Save the bones for spareribs.) Insert a rotisserie rod through center of roast, and test for balance on the spit before you begin operations. It's a good idea to use a meat thermometer, which should not touch bone or rest in fat. Roast on the spit until well done (170 degrees), at a low temperature. Allow about 2 1/2 hours total cooking time. Baste with barbecue sauce during the last 45 minutes. If you have only one rotisserie, you can prepare one loin roast ahead and keep warm in a low oven (basting occasionally) while the other cooks.

Here's my favorite barbecue sauce for pork. It was given to me back in 1968 by a friend from Alabama who used to barbecue whole hogs a couple of times a year, and it's really delicious.

Combine the following ingredients, heat and use to baste meat. Have plenty of extra in a bowl for dipping or to ladle over individual portions at the table.

One gallon apple cider vinegar, 1 pound brown sugar, 1 pint lemon juice, 12 oz. bottle Worcestershire, 1 pint prepared mustard, 1 to 2 tablespoons salt, 1 quart catsup, and Tabasco to taste (I use about 1/2 teaspoonful). Keeps well refrigerated.

Manchester Township Library offers a Summer Reading Program beginning July 6 for all area children who wish to read or listen. Readers are encouraged to choose books on any area of interest (animals, biography, choice, countries, family, fiction, history, humor, mystery, nonfiction, poetry, science, science fiction, or sports). Each time a book is finished participants circle the word or words that describe the book on a special "READIKS CUBE", a copy of which is on the form given each reader when enrolled in the Program. Certificates of Achievement will be awarded to all who have read eight or more books between July 6 and Wednesday, August 25, at the Program's Finale Party. At that same celebration, the participant who reads the greatest number of pages during the summer program will receive a special prize.

In addition to the Program for readers, there is one for pre-school and other non-readers. Each participant is given a GOOD LISTENER CHART where the reader records the titles of books read and the listener records a star for each book

listened to during the program. Good Listener Certificates will be presented to all who have ten or more stars on their charts.

According to Rosemary Hamilton who is in charge of the program, a wall chart in the Library during the program months will provide information about pages read by each participant. Each child is encouraged to register now for a Summer of Reading Fun.

**PAST MOMENTS SHARED AT OLD BLACKSMITH SHOP**

Margaret Schneider, Jean Schneider Westphal, Marie Schneider and Florence Schneider Kirk gathered around their father's old anvil in the John C. Schneider Blacksmith Shop restored for its first Open House, July 4th, 1982.

Nearly 600 people were able to experience a moment from the past when they crossed the threshold of the Old Blacksmith Shop on East Main on July 4. Blacksmiths John Kosirnik, Tim Armentrout, David Goodrich, Robert Mottice and Gene Meade demonstrated their art at the reactivated forge producing many interesting items for sale.

Among the visitors at the open house were the four daughters of John Schneider, the last to operate the blacksmith shop, Miss Marie Schneider and Miss Margaret Schneider of 533 Granger, Mrs. L.V. Kirk, ne Florence Schneider, of 521 Summit and Mrs. Herbert Westphal, ne Jean Schneider of 3693 Waterworks Road. Saline had much to recall as they

viewed the items for sale, antique tools and one of the original anvils now returned to the shop.

Another interesting attraction was Bill Kellum of Adrian, an experienced farrier who brought his portable shop to shoe a horse at the outdoor site.

Those who attend the Chicken Broil will also have an opportunity to visit the Blacksmith shop from 3:00 P.M. to 9:00 P.M. The forge will be in operation and wrought iron items will be on sale. If you missed this demonstration, plan to visit on July 15.

Before the July 4 fireworks began, the winners of the raffle were announced. Those who won \$100 were Stan Kuhl.

**"The Broil Is Sneaking Up"**

by Lucy Feldkamp

The big day is sneaking up on us. The day when Manchester hosts a multitude nine times its size and feeds the whole crew dinner at the 29th Annual Chicken Broil.

All broil volunteers have received their committee assignments, the pre-broil tickets are on sale, and the Gambles store is selling Chicken Broil buttons and hats. This week, the ball gets rolling with the Pre-Broil gathering Thursday, July 8, at 6:00 p.m. All workers are invited to this warm-up party and for a \$3.00 donation, they can get their appetites in gear for the broil by feasting on a good home-made dinner, starting at 7:30.

This week the salad chairmen, Del Ludwick and Lyle Widmayer, will concoct the secret salad sauce first created by Doc Jones way back when the broil was still young. The mysterious ingredients will all go into an old mechanical mixer from Way's Bakery, and when Ludwick and Widmayer are done, they will have 80 gallons of the sauce that makes Chicken Broil slaw famous.

Dave Little says that a German band and strolling musicians have been invited to play a few tunes to accompany the lip-smacking and finger-licking.

Gene Bentzneider, the general chairman of the broil, has made his yearly educated guess and phoned in the order for the chickens. These will come as always in a refrigerated truck from Morren poultry in Galesburg, and will be here in time to go on the grills early in the afternoon on Chicken Broil day.

If the unofficial weather committee,

made up of our trusty local clergy, does its job as well as usual, July 16th should be another bright and sunny one, a good day to cook and eat outside. A lot of fine chicken should meet a glorious end.

**Emanuel Worship To Be At Carr Park**

This coming Sunday, July 11, at 9:30 a.m. Carr Park will be the site of worship for the Emanuel United Church of Christ, followed by a fellowship coffee hour. Everyone is invited to bring a lawn chair. If there is inclement weather, worship will be in the Sanctuary.

The Church Council will meet at 11 a.m. following worship, back at Church. This will be our last meeting to finalize plans for the Anniversary.

The 100th Anniversary of the building of the Sanctuary will be observed on Sunday, July 18th, when there will be two events occurring. Former Pastors Rev. Wise and Rev. Kuether will be visiting for a week and will be preaching, at the 9:30 a.m. Service when Holy Communion will be served. Following worship an all-church picture will be taken on the lawn outside, so church members are all encouraged to come and be a part of the event.

At 4 p.m. in the afternoon, an outdoor celebration will take place, including dedications of the Church Steeple, Parsonage, and Secretary's Office. The cornerstone will be opened, special worship is planned, and will be followed by ice cream and cake. The afternoon event is a community affair, and an open invitation is extended to all.

**50th Anniversary Open House**

Mr. and Mrs. Russell C. Fuller of 10129 Manchester-Chelsea Road, Manchester, will be honored at a 50th wedding anniversary open house Sunday, July 11, 1982 from 2-5 p.m. at the Emanuel Church Hall, Manchester.

The event will be hosted by the couple's three daughters, Arlene (Mrs. Clinton) Fisk of Manchester, Elaine of Belleville, Michigan and Mary (Mrs. Douglas) LeFevre of Savannah, Georgia and their families.

Mr. Fuller is a retired farmer and former Sharon Township Supervisor. He also drove a school bus for Manchester Public Schools from 1963 to 1970.

Mrs. Fuller is a homemaker and enjoys gardening. She is a member of the Rowes Corner Extension.

The Fullers are members of the United Church of Christ in Manchester. They enjoy arts and crafts and are active in 4-H youth groups.

Benefit Pig Roast Successful
The Plymouth Inn in Manchester sponsored a Benefit Pig Roast and

Jamboree on June 13 for Mr. & Mrs. George Macomber whose farm was destroyed by fire on May 15. Approximately 200 meals were served and about 300 people attended to enjoy the wide variety of music performed by "The B.J.'s," "John Anthony and Legend," "Southern Shine" and many more. Bob and Marie Johnson, owners of the Palomino Inn, are happy to report a total of \$817.70 was raised for the Macombers that day.

**This man will make your banking better.**

Meet BJ the Wonderbanker! You'll wonder how you ever banked without him.

How will this man make your banking better? By introducing you to Manchester's first—and only—24-hour banking service. You see, he's the "brains" behind the service. And you'll find him at our downtown Manchester NBJ office.

If you're already an NBJ customer, BJ thinks you'll like banking anytime you want. And if you're not an NBJ customer, he thinks his 24-hour banking service—and other goodies you'll read about below—gives you more reason than ever to bank at NBJ.

**Better banking 24-hours a day.**

No more running off to the bank before the office or after it closes. Use BJ the Wonderbanker to do 97% of your banking anytime. Make deposits to or withdrawals from your checking or savings accounts. Over 35 different transactions in all. And you can use BJ at nine other wonderbanks in the greater Jackson area.

See how BJ makes your banking better—and take home a FREE GIFT!

Take a free demonstration of BJ the Wonderbanker anytime during regular office hours—Mondays through Thursdays, 9-4 P.M.; Fridays, 9-1; Saturdays, 9-noon. See how he'll make your banking better. And take home a free gift if you're one of the first 500 people to meet BJ; you'll get a ticket to Manchester's Famous Chicken Broil. If you miss out on the tickets, you'll get a free BJ the Wonderbanker t-shirt or t-shirt while supplies last.

**Make your banking better, and we'll add \$5 to your account.**

Just apply for a PIN, and we'll add \$5 to your NBJ account. "What's a PIN?" you ask? PIN stands for Personal Identification Number. And used along with your NBJ WonderCard, NBJ VISA Credit Card, NBJ VISA Debit Card or MasterCard, it lets you use BJ the Wonderbanker. It tells BJ you're the owner of the card, and it prevents others from using your card if it's ever lost or stolen. You have to have a PIN to use BJ, and we'll add \$5 to your account when you apply for it.

**Better checking without writing checks.**

It looks like a regular VISA Card. But it's the new NBJ VISA Debit Card. Use it to make purchases anywhere VISA cards are accepted, and the purchase amount is deducted from your checking account. You can even use your NBJ VISA Debit Card to get cash from VISA-member banks. Apply for yours today!

**Better VISA Credit the NBJ Way.**

You can use your NBJ VISA Credit Card at BJ the Wonderbanker, too. Make payments on your account, or get cash advances up to \$100. Remember, NBJ was the area's first bank to offer credit cards, and we've processed credit card transactions for years. So if you don't have an NBJ VISA Credit Card, apply for one when you take your BJ the Wonderbanker demonstration.

**See your NBJ Personal Banker at any NBJ office through July 10. And see why BJ the Wonderbanker wants to make your banking better.**

**Hit Or Miss by farley**

It seems like only a few months since the 1980 primaries for President and the 1980 Congressional and gubernatorial election season was in full swing and now the 1982 primary season is in full swing. Illinois voters have already cast their ballots in this year's first primary. The next one was in Texas May 1. Between June 8 and September 14 when 23 states will hold primaries. Florida's runoff on October 5 will bring the parade to an end.

The direct primary method of choosing candidates for public office has a rather curious history. It evidently was conceived by the winner of an essay contest conducted by the Union League of Voters in Philadelphia in the 1890's. The winning contestant proposed a plan whereby all candidates for public office would be chosen by the direct plurality of the political party and all such nominations should be made on the same day by all parties, the poll to be conducted under the same rules as those governing the regular elections.

The direct primary features of this scheme were adopted by the Republican party in Crawford County, Pennsylvania as a substitute for the delegate-convention system of nomination. Several other counties adopted the system in the 1870's and in the next twenty years it spread west through Ohio, Indiana and across the Mississippi westward.

This method of nomination was sponsored by local party organizations and was confined to small areas where the reform element had gained the upper hand. It indicated a dissatisfaction with machine politics—a movement within the parties to houseclean themselves.

In the south the direct primary movement made rapid progress and between 1890 and 1900 reform was less important than conditions arising from race problems and the overwhelming predominance of the Democratic party. This new system provided an opportunity to hold within the party a real election preliminary to a formal election which merely ratified the decision of party voters. This system was soon adopted in all of the ten southern states of the Solid South.

Primary elections sometimes, as in the forthcoming Republican contest to choose a candidate for Governor of Michigan, a small plurality of votes may mean a victory. So the ten southern states adopted the second or runoff primary which is held when no candidate receives no majority in

the first election. By 1917, 44 states were using the Primary system and now all 50 use it—it is a system peculiar to these United States only.

If you measure and weigh your children periodically you will find that they grow faster in the spring and summer and get on the most weight in the fall and winter.

The so-called generation gap is nothing new. Benjamin Franklin and his son William disagreed about the American Revolution. William fought for the British.

The Yukon Territory town of Dawson now has 900 people but 30,000 once lived there. It was bigger than Vancouver, B.C., or Seattle, Washington, and at that time only San Francisco and Winnipeg in that part of the country had more people. Sometimes one wonders if great gold rushes weren't arranged by schemers to populate the empty spaces.

If you want to dress in scanty attire, I'm sure your doctor will approve. The closer your skin temperature is to the weather temperature, the less likely you are to come down with colds.

### Legislative Update

Mary Keith Ballantine  
23rd District

**May Unemployment Drops** - Michigan's unemployment figures continued to drop in May, the second straight month of such decline. In March, statewide unemployment was 17.1%, but April figures showed a drop in the jobless rate to 15.5%. The May figure, 14.3%, took into account that all of Michigan's 13 labor markets experienced drops in unemployment during the month.

**Business Improvements** - Governor William G. Milliken has signed into law legislation designed to improve Michigan's ailing job and business climate. One bill recently enacted will require every department to review and justify the existence of all paperwork. Aimed at reducing needless paperwork, the new "sunset" clause will make it easier to do business in Michigan.

**One-Stop Permits** - In the past, new businesses have been required to fill out forms from numerous departments and agencies, creating enormous amounts of red tape, and discouraging people from creating new businesses and jobs. However, things will be different now that Governor Milliken has signed into law the "one-stop permit process." Now, all a new business has to do is contact the Department of Commerce and fill out one master form. It will save time and money, and it will reduce regulations, paperwork, and red tape. Say Yes!

**Mandatory Motorcycle Safety** - A new law, passed by the Legislature and signed by the Governor, requires anyone under the age of 18, wishing to get certification for a motorcycle license, to complete a new course in motorcycle safety. Under prior laws, applicants needed only to take a written exam and a road test. The cost of the classes will be covered by increases in motorcycle license fees.

**Fatal Signaling Devices Exempted** - Coast-Guard approved pistol signaling devices have been exempted from the portions of the Michigan Penal Code that regulate the sale and/or possession of hand guns. Since the devices, used to shoot flares and other signals into the air, are safety features for boats and airplanes,

anyone who wants to purchase a pistol signaling device must also show proof of purchase of a boat or plane under the new law. Also, the signaling device user will be held responsible for any damage to person or property.

**July In Full Swing** - Hoping that Michigan's July weather will be better than June's, many Michigan communities are conducting fairs, festivals, and fetes. Cities hosting art fairs include St. Joseph, July 11; Clare, 9-10; Pontwater, July 10; Beulah, July 10; Roscommon, July 10; Utica, July 10-11. The Blue Water Festival will be held in Port Huron, July 8-18; the Sister City Festival in Coldwater, July 9-10; the Lumberjack Festival in Wolverine, July 9-11; Bear Lake Days, July 9-11, and the Linwood Pickle Festival, July 9-11. Other festivals include the Italian Ethnic Festival, Hart Plaza, July 9-11 in Detroit; the Drummond Island Nun Festival, July 10; and Space Days, Michigan Space Center in Jackson, July 10-11. If none of those appeal to you, try the Lowell Show Boat, July 10-17.

### Community Scout Weekend

June 19th and 20th was indeed a fun weekend for the Manchester Scouts.

Approximately 50 girls and boys of all levels of Scouting enjoyed a Community Scout Weekend on the 5 acre parcel of land next to the Ann Arbor Bank and Trust.

All day Saturday (despite the rain) Scouts participated in demonstrations, games, songs, cooking, etc. Special attraction for the day included the Washtenaw County Sheriff's department helicopter and a demonstration by a police dog, part of the K-9 patrol.

Saturday night, Scouts and leaders enjoyed together around the campfire to enjoy games, songs and skits. Badges and awards were given during an awards ceremony.

Sunday morning, rise and shine, time to break camp already! Everyone who participated shared their experiences at the closing ceremony on Sunday.

Good weekend, lots of fun! Let's do it again was the conclusion of the Scouts.

Many people contributed to the success of the weekend. Security was provided by the Manchester Law Enforcement

Explorer Post and Rita Burkhardt was the E.M.T. First Aide on the site. Ann Arbor Bank and Trust volunteered their community room for Security Headquarters.

### Fair Receives Third Cut In Funds

Last week the Fair Board received notice that State funding in premium allocations will again be reduced for this year's fair. This is the third time this year that funds have been cut. The new figure for this year is now only \$3,383.00 compared to \$6,771.96 in 1981. This means that we will need your support this year to be able to make our fair work.

The Fair brings us all lively entertainment for five days each summer. It's hard to imagine being without the carnival rides, tractor pulls, steer and lamb auctions, cotton candy or all the wonderful homemade quilts, preserves and baked goods that are displayed in the exhibit tent.

This year's entertainment slate is filled with a variety of music, dance and pure enjoyment for all ages. New at our Fair this year is the Great Lakes Amusements traveling carnival, which was written up in the May 23, 1982 edition of the Detroit Free Press. Also new this year is a wagon load of video games that is sure to please the most aggressive starship captain.

Please support your Fair. The next meeting will be July 19 at 8:00 p.m. at the Fair Office on the grounds. The public is welcome at all meetings. Remember, the Fair will be August 17-21, and we need YOUR support.

### DIAL -A- GARDEN

### Chinese Nurse Executive To Visit Chelsea

Chelsea Community Hospital has invited a senior nurse executive from the People's Republic of China to spend four months in Chelsea.

While here, she will work closely with the Chelsea Community Hospital Director of Nursing and be involved in a variety of activities which will give her insight into the overall planning, coordination and evaluation of the Chelsea Community Hospital Nursing Department. Concurrently, she will participate in activities and educational experiences which will facilitate her understanding of the role of the nurse and how nursing care is delivered in the United States.

This educational nursing project is the first of its kind between the United States and the People's Republic of China. A senior Chinese nurse executive has never participated in a program of this nature.

The Chinese nursing executive is expected to arrive some time in August. The Minister of Health is in the process of selecting the nurse.

A local committee, including Mrs. Leonard Woodcock, wife of the former United States ambassador to China, has been working on details of the visit.

While here, the Chinese nurse will live with host families in Chelsea. It is hoped that her understanding of the American

way of life will be enhanced through participation in a family living experience. The nurse is also expected to participate in local civic and service organization programs.

While here, the Chelsea Community Hospital has arranged for the Chinese nurse executive to visit the University of Michigan School of Nursing and Eastern Michigan University School of Nursing. She will travel to Washington, D.C. where she will visit the Catholic University of America School of Nursing and the George Mason University.

Funds to bring the Chinese nurse executive to Chelsea are being raised entirely from private contributions. Several corporations, individuals, and organizations have made contributions to meet the project expenses.

Commenting on the project, Willard Johnson, Administrator of Chelsea Community Hospital, said, "Chelsea Community Hospital is pleased to sponsor this important project. Chelsea Community Hospital has pioneered a number of new concepts in health care. This project to provide a nursing exchange in the work setting brings to the Hospital and community the opportunity to participate in an experience in global exchange, which has historically been relegated to an educational setting."

### Senior Citizens Council

Manchester Area Senior Citizens Council will meet Monday, July 12 at 10 a.m. in an

Emanuel United Church of Christ meeting room. This is a new date. It also includes the Transportation Committee. All members of the board are urged to attend. It is an open meeting for all senior citizens.

The Senior Citizens van has arrived and the first trip will be to Jackson Mall on Tuesday, July 13. Call Helen Braun, 428-8986 for reservations and information about the trip. The van holds ten people so reservations should be made soon.

### Local Student Selected To MSU's '82 Club

Scott Kennedy from Manchester was selected to join Michigan State University's prestigious '82 Club, a Senior Class Council club.

Twenty-five outstanding MSU seniors were selected for the club by a panel of faculty members and students. A total of 96 nominations were submitted by faculty, staff, administrators and various student organizations.

New members were selected on the basis of academic achievement (an undergraduate career enhancing the university and pointing toward strong involvement as an MSU alumnus), extra-curricular activities promoting responsibility and leadership, and honors, awards and recognition in academics, athletics or student-oriented activities.

The students were awarded wooden

plaques by MSU President Cecil Mackey.

At MSU, Kennedy has been chairperson of the Associated Students of MSU (student board), representative of the College of Education to ARMSU student board, member of the Athletic Council, Housing Policy Exceptions Committee, Council of Exceptional Children, and Task Force on the Retention of Undergraduate Students, liaison member to the Board of Trustees, and a state government aide in Governor Milliken's office.

Kennedy has also received the Jennie Elizabeth Award Outstanding Special Education Award and made dean's list.

Son of Mr. and Mrs. Dale G. Kennedy, 7870 Eiseman Road, Kennedy earned a bachelor's degree in elementary education and is a 1975 graduate of Garden City West Senior High School.

### Reminder! Summer Rec Swim Classes

The bus for the instructional swim class will leave from the Middle School at 8:15 a.m. on Monday, July 12th and return at approximately 11:00 a.m. Only those who have registered may attend. This program runs for two weeks, Monday - Friday, from July 12 - July 23.

### Tiger Game Tickets

You may sign-up for the annual trip to Tiger Stadium at the Junior Playground Headquarters which is room 113 in the Nellie Ackerson Middle School Building, Monday thru Friday 1-3 p.m. Please sign up by July 15. We are going Saturday, July 23rd to see the Texas Rangers. Buses will leave from the Middle School at 12:00 noon. Tickets are \$2.25 for all children 14 and under, retirees, and ladies. Everyone else must pay \$4.50. You must pay for the tickets when you sign-up. The tickets will be picked up in advance and distributed to those going when they board the buses in Manchester.

### Summer Health Hazards Are A Product Of The Heat

Along with the fun of summer and the enjoyment of the great outdoors comes the health and accident hazards that have their highest risk in hot weather, according to the Michigan State Medical Society (MSMS).

Sun strokes and heat strokes are life-threatening emergencies which occur from too much exposure and too much exercise in the hot sun. Prolonged excessive heat, either in or out of doors, can cause heat stroke. These emergencies are disturbances in the body's heat-regulating system and are caused by extremely high body temperatures due to exposure to heat. The body temperature can be 100 degrees or higher. The skin is red, hot and dry, and there is no sweating. The pulse is rapid and strong. The sufferer may be confused or lose consciousness.

In such cases, the victim should be draped with a wet sheet or towels to rapidly cool the skin. In certain cases the victim may be placed in a tub of cold water. The victim's skin may also be cooled by sponging it with cool water or rubbing alcohol, or by applying cold packs. The process should be continued until temperature drops to 101 or 102. Medical help should be sought immediately.

Heat exhaustion can also occur after prolonged exposure to high temperatures and high humidity, either indoors or outdoors. Body temperatures may be normal or only slightly elevated, the skin is pale and clammy and there is heavy sweating. The victim is tired, weak, dizzy and has a headache. He or she may be nauseated and have stomach cramps.

To help victims suffering from heat exhaustion, move them into shade or a cooler area. He or she should lie down so

that the feet are elevated 8 to 12 inches. Wet cloths should be placed on the forehead and body. If the victim is not vomiting, clear juice or sips of cool salt water can be given. Alcoholic beverages, coffee and/or tea should not be given in either case.

The best preventative for this type of risk begins with two words—moderation and gradualism. Go moderately when temperatures and humidity are above normal and gradually acclimate your system to the more intense exposure that summer brings.

### Senate Candidate Walks 1,000 Miles

U.S. Senate Candidate William S. Ballenger, (R-Lansing), passed through the Manchester area last week on North M-52 (June 29) on his 1,000 mile walk of the State. Ballenger began his walk in 17 degrees below zero temperatures in the upper peninsula in January, and hit the 800 mile mark just north of Manchester on M-52. Ballenger is in an August 10 primary which will determine the Republican nominee against incumbent Donald W. Riege.

### Manchester Cub Scouts

Pack 421's July meeting will be a Bicycle Radio & Safety Clinic to be held July 28, 5:00 p.m.-8:00 p.m. at Carr Park.

During June the pack participated in Community All Scout Field Day, June 19 in Manchester and Cub Day Camp, June 18 - July 1 in Dexter. At Field Day which was a great success and a lot of fun Michael B. Reese received his Bobcat Badge while Daniel Watson, Ryan Burkhardt, and Matthew Stautz were inducted into the Webelos Den.

Cub Day Camp was 4 days of fun, games, and crafts. Special appearances were made by McDonald's "Hamburger" and Chuck Cheese. Benji and Jamie Winzenz, Jon Uphouse, and Sean Lowery participated in flag ceremonies. Larry Gorlitz, Robert Gonyer, Casey Salkauskas, Jason Sloat, Heath Goodell, Marc DeShano, John Donnellon, Ryan Burkhardt, Joey Murphy, Daniel Watson, Jon Silkworth, and Paul Reese also attended. Cubmaster Ernie Reese, Den Leader Carol Reese, and Boy Scout David Hammang from Troop 426

directed the Physical Fitness Station at camp.

"Special Thanks" go out to Linda Gorlitz, Elizabeth Gonyer, Shirley Lowery, Michelle Deshano, Candie Sloat, Rita Burkhardt, and Sandy Winzenz for transporting the Cubs and serving as Den Counselors.

### Waterloo Farm Museum Activities

The Waterloo Farm Museum, 6988 Waterloo-Manich Road, 2 miles west of Waterloo, offers more this summer than just a peaceful setting where pioneering farming in Michigan is brought to life. Local artists and crafts people will demonstrate their work on weekends throughout the summer during regular museum hours - 1 to 4 p.m.

The following activities are scheduled for summer weekends:

- July 11 - Ethnic Pav will demonstrate wheat weaving. Mrs. Pav creates delicate designs from wheat that make wonderful Christmas ornaments and window hangings.
- July 18 - Dick Schultz will be plying his skills at horse shoeing.
- July 25 - Jim Daniels of Chelsea, a wood carver, will be carving plaques, signs, and figures in the round.
- August 14 and 15 - Senda and Jack Wilsey will fire the brick oven in the bake house. Over the weekend they will bake cookies, pies, bread, and beans - typical fare baked for a farm family.
- Soap making, wool dyeing, and forge work are other crafts to be demonstrated during summer weekends at the Waterloo-Farm Museum.

### Senior Citizen Of The Year

Time is winning in the search for Senior Citizen of the Year Award winners.

"Only four weeks remain in this contest," says Kenneth E. Oettle, Director of the Office of Services to the Aging (OSA), one of two co-sponsoring agencies for the awards. Deadline for receipt of applications by OSA is Friday, July 30.

"While a number of applications have been received for this award, I feel there are large numbers of older people certainly qualified in both the category of service and leadership," says Oettle. The fact that his agency has not been overwhelmed by the number of applications received to date in no way, he says, reflects a lack of dedicated, committed, or well-deserving older Michigan residents. "We just aren't hearing about them," says Oettle.

The contest, sponsored for the past several years by OSA and the Michigan State Fair, seeks to highlight the contributions of persons 60 and over to civic and social life. By singling out those individuals who have particularly benefited their peers in the categories of leadership

### News Of Good Things Growing

BY: Margaret G. McCall  
Most Michigan cooks are familiar with "Seven Layer Salad," although ingredients seem to vary widely. As Michigan moves into summer, and harvest of nearly 50 commercial food crops

begins, I've been thinking we could assemble a 10 layer salad in early July, and by September have expanded it to about 15 ingredients.

This salad is a real convenience for food lovers, especially when you need to prepare something ahead for a potluck. You combine layers of crisp fresh vegetables and seal the combination with a topping of salad dressing or mayonnaise, garnished with cheese, crumbled bacon, or both.

The basics include iceberg lettuce, broken into bite-size pieces, chopped onion and celery, fresh peas, and the toppings. Add chopped green pepper, sliced radishes and fresh mushrooms to your layering for variety. Include sliced carrots and cucumbers as the season progresses. If you assemble your salad in a wide shallow bowl, it's easier for each person to get a portion of the dressing along with the vegetables. Surround the rim of the bowl with cherry tomatoes, and you've added another colorful Michigan product. Sprinkle a little dill weed over your lettuce for flavor variation. In autumn, add cauliflower or broccoli bits to the bowl.

It's fun to see what combinations you find most appealing, and fun to count the number of layers.

Altogether, these products represent more than \$75 million in value to Michigan growers. I'm sorry we don't have a price breakdown on fresh peas, broccoli or bacon, but we can provide statistics on these salad items: Fresh cucumbers, valued at \$3.3 million; celery, worth \$15.7 million; cauliflower, \$2.3 million; lettuce, \$7.2 million; green peppers \$3.3 million; fresh market tomatoes, \$9.6 million; carrots, \$12.4 million; mushrooms, \$16.3 million.

### Manchester Mill Run

On Saturday, July 10, 1982, the second annual Manchester Mill Run will be held. This race is being sponsored by Bakers Dozen, Charamar Farm, Drs. Johnson, Okey and Lehr, Great Lakes Federal Savings, and Krauss Pharmacy.

The race will start and end at Manchester High School. Check in time is 8:00 a.m., both races will begin at 8:30 a.m. There will be a 7 mile race and a 2 mile fun run. Trophies will be awarded for first place in each division of the 7 mile race. Medals will be awarded for 2nd and 3rd place in each division of the 7 mile race. Specific information and applications are available at the above sponsor's place of business, as well as Jim Brink 1-517-456-7807 or Tom Fitzgerald 428-7417.

### La Leche League

La Leche League of Manchester will meet at the home of Susan Gialanella, 20284 Kirk Road, on July 13th at 7:30 p.m. The topic to be discussed is "The Baby Arrives - The Family and the Breastfed Baby."

La Leche League is a group composed of mothers who have successfully nursed their babies, and wish to share their experiences with others. Pregnant women, nursing mothers and babies are always welcome at meetings. For directions to the meeting you may call Susan at 428-9606. For information on La Leche League or help with any problems you may be having, our leaders are always on call. Grace Rogers, 428-7305 or Linda Meyer, 428-7203.

Both of them will be glad to talk with you.

problems of the system.

Let us hope that when the commission makes its findings known at the end of this year there will be worthwhile suggestions on how to preserve the solvency of the program. Our nation's elderly deserve a strong Social Security system. And other Americans do, too.

### PERTUSSIS VACCINE

Recently, the popular TV show TODAY featured a segment on the adverse reactions caused by whooping cough vaccine. The report was, in my opinion, sensationalized and largely misleading. So if you are concerned about whooping cough immunization, I'd like to tell you a little about it.

Whooping cough - or pertussis - is a very contagious and serious disease, especially in infants. Its complications include pneumonia, ear infection, brain damage, emphysema, bronchiectasis, convulsions and hypoglycemia. About one child in 270 who contact the disease will die. So prevention is very important. The vaccine is about 70 to 90% effective.

In countries where routine immunization

against whooping cough has been discontinued, there has been a seventy times increase in the disease. In Great Britain, for example, with a population five times that of Michigan, regular immunizations were halted in 1974. During a subsequent epidemic from 1977 to 1979, over 100,000 cases were reported. During that same time, Michigan reported only 170 cases.

So we are convinced that routine immunization is important. It's true that some children may react to the vaccine, but the frequency of permanent neurological abnormality is one in every 310,000 injections. We believe that the relatively slight risk does not compare with the demonstrated benefit of immunization. Obviously, certain infants and children should not get the vaccine - those who are sick, those who have a history of convulsions, and those who have had serious reactions to previous shots. All our health clinics screen for these conditions and tell parents about risks and benefits in a fair and understandable way. And any parents may have immunization requirements for school waived for medical, religious, or other reasons.

We recommend that most children be given three doses of vaccine spaced two months apart beginning at about two months of age, with booster shots six months to a year after the third dose and at school entry. Prevention is still the best policy.

### Guest Speaker At Sharon United Methodist Church

Mr. Richard Stevens, who has been  
involved in the Haiti mission project of the  
United Methodist Church, will speak at the  
Sharon United Methodist Church at the  
10:30 a.m. Worship Service on Sunday,  
July 18.  
This is a unique project of the Ann Arbor  
District of the United Methodist Church.  
Thirteen team members representing  
eleven different churches flew to Haiti last  
January to spend two weeks building a  
church. They also took with them one ton  
of food, tools, medicines, used clothing and  
eye glasses. The church was to be built on  
a beautiful mountain but all supplies had to  
be carried eight miles because no truck  
could travel the road. There were 1,300

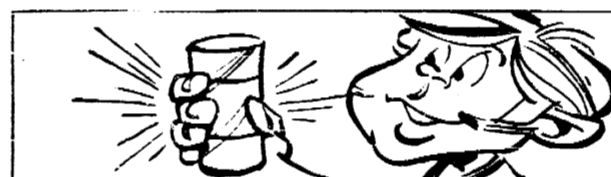

cement blocks delivered by the people of  
Haiti carrying them on their heads.  
Delivered by the same method was 120  
sheets of metal roofing, 120 2x4x16 boards,  
20 church seats, and bags of cement. There  
are plans for more work in Haiti in the  
future. The church was completed in two  
weeks!

### Area Students Attend Blue Lake Fine Arts Camp

Attending Blue Lake, Fine Arts Camp  
for the first summer session are two  
students from the Manchester area.  
Area students who are at Blue Lake  
from June 29 - July 11 include: Leslie  
Duncan, daughter of Mr. and Mrs. James  
Duncan, 400 E. Main Street and Julie  
Howell, daughter of Mr. and Mrs.  
Raymond Howell, 5274 Happy Hollow Dr.  
Blue Lake, which will host  
approximately 3,850 elementary through  
high school students this summer, offers  
instruction in a wide variety of fine arts.  
Located 15 miles North of Muskegon in  
the Manistee National Forest, the 16-year-  
old summer school of the arts has grown to  
be one of the largest facilities of its type in  
the United States.  
Students attending Blue Lake's first  
two-week session have the option of  
majoring in art, band, dance, jazz  
ensemble, orchestra, organ, piano and  
theatre. The second session is primarily for  
junior high students.

### Senior Citizen Of The Year

and service, the Commission and OSA,  
says the Director, believes we are  
presenting an accurate picture of today's  
older adult. "As the number of older  
persons increases each year, persons live  
longer and retire earlier. I should think we  
would want to spend more time getting to  
know this growing segment of our  
population."  
Applications for the Senior Citizen of the  
Year Awards 1982 can be obtained from  
any of the State's fourteen area agencies  
on aging or by writing OSA at 300 E.  
Michigan Avenue, P.O. Box 30026,  
Lansing, Michigan 48909. Only  
organizations, however, may submit an  
application.

Your young child may be able to hold onto a drinking  
glass better if you place two tight rubber bands around  
the glass an inch or so apart. This makes it easier for  
little hands to hold.

THURSDAY, JULY 15, 1982

**Emanuel Church 100th Anniversary**

**SANCTUARY IS 100 YEARS OLD**

Sunday, July 18, 1982, the congregation of Emanuel Church of Christ will celebrate the One Hundredth Anniversary of the building of the Sanctuary. Two major events will take place that day, marking a milestone in the life of its people, and their service to the community of Manchester in the name of their Lord and Savior, Jesus Christ.

**SUNDAY MORNING WORSHIP 9:30 AM**  
At 9:30 AM, a special worship service will be held, with former Pastors Rev. Ralph Kuether (now of North Carolina) and Rev. Joseph Wise (now of Texas) bringing messages, and celebrating the Sacrament of Holy Communion, along with the present Pastor, Rev. Robert B. Macfarlane.

The Ministry of Music, under the direction of Mr. Anthony Gaines, will feature Mr. James Baker and Mr. Clark Spike in singing a duet, along with the Adult Choir offering the Halleluiah Chorus. An Anniversary Guest Book will be signed by everyone as Worship is concluded and after an opportunity to greet the visiting Pastors and their families, an all-church picture will be taken on the lawn.

**AFTERNOON CELEBRATION BEGINS AT 4 PM**  
The afternoon will be more informal and family-oriented, beginning outdoors, as people gather, to the German music and singing of Mr. Luther Schaible. A professional of music, banners, and congregation around the Church properties will then dedicate the new Secretary's Office, the Parsonage residing, an Anniversary Tree-planting, and the Church

**Steeple repair.**

At approximately 5 PM, we will enter the Sanctuary for worship, where, along with the Pastors, there will be also taking part: Rev. Roman Reinick, Pastor of Bethel Church; Rev. Thomas Uphaus, ordained from Emanuel Church ten years ago and now serving in Port Huron; and Martha (Rest) Ayers, daughter of former Pastor Rev. Kari H.A. Rest, both living now in Rochester, New York; Mr. Roger Morrison singing "Bless This House."

Following worship at 6 pm, ice cream and cake will be served with the compliments of the Adult Fellowship, who had major responsibility for planning and coordination of the day's events.

**FOUNDED IN 1862**  
In the year 1862, Protestant Christian folks in the village of Manchester came together and organized themselves as a Christian community and congregation. Under the caring help of Bethel Church located in Freedom Township, founding fathers in 1862 covenanted together to form the German-speaking "Deutsche Evangelische Emanuels Gemeinde."

**SANCTUARY BUILT IN 1882**  
As the congregation grew steadily under the Supply Pastors from Bethel, it was decided to purchase land west of the village in 1882, and erect the present Sanctuary. It was constructed at a cost of \$14,000, using many Church and Township people as volunteer laborers, and handmade brick from the local manufacturer, Frederick "Brickyard" Schaible. From start to finish, the 40 by 80 foot Sanctuary was completed in eight months, and dedicated on December 10, 1882.

**"It's Time For Chicken"**

Currency Feldkamp  
Appical.

for . . . It's the week that makes Manchester famous. Once a year, our town hosts the world for dinner at the annual Chicken Broil. Visitors from all over our county, our state, our country, and even other countries come to enjoy chicken cooked Manchester style.

Not all small towns are lucky enough to host a yearly event like this one. The broil brings together just about everyone in and around town whether to work or just to eat. It affects us all one way or another, even those that do not come. These people have to put up with all the extra traffic crowding town on broil day.

Over the years, profits from the broil have changed the face of Manchester a great deal. The improvements to the athletic field, the school track, Carr Park, and Kirk Park have all made this town a better place to live. We would not enjoy many of these benefits otherwise. This year, by contributing to the Historical Society's purchase of the old Schneider blacksmith shop, the broil will be supporting a project that could grow into a local museum, a place where Manchester's past can be kept alive. Those of us who have never seen a horse shod the old-fashioned way or seen men shape hot iron by hand will now have a chance.

The Chicken Broil is an effort that unites many generations and people from all occupations. Boys butter the chickens that their fathers and grandfathers cook. Students set up the tables and pits and sell the ice cream. Lawyers and doctors with farmers and merchants carting charcoal, packing the grills with chicken halves, or putting dinners together at the serving table or take-out.

People driving through Manchester may think it quaint that the signs at the village limits say "Home of the Famous Chicken Broil." There is no other event, however, that contributes more to our town's identity.

**Engagement Announced**

Thinking about this encounter I discovered that I had made a very important discovery. Four days later at the office the phone rang and a feminine voice asked for me and said "This is Eileen McDoodle. What is the name and number of your copying machine [Whatever your answer is you are in line for a stupendous sale on copying machine paper]."

"Why, Eileen" said the prospect, "How's your mother. Long time no see. Remind her she promised me that recipe for pickled kumquats."

This caller was quickly disposed of and the system was shared with other girls in the office. One got rid of one salesman in 30 seconds by pretending she knew him and asking if the IRS had ever gotten onto his little sideline that he hadn't reported.

One of the other girls rid herself one caller by asking if his hernia operation had been successful, but the third gal won the prize for her method. The caller had just announced his name in a friendly fashion when she cooed "Oh John thank heaven you called. I have been trying to get ahold of you for several weeks now. You know John, the rabbit died."

Mr. and Mrs. Jackie D. Smith of Manchester are please to announce the engagement of their daughter Jacquelyn May to Alvin C. Mund II, son of Mr. and Mrs. Alvin C. Mund, Sr. of Jackson. Jackie is a 1981 graduate of Manchester High School and her fiance is a 1979 graduate of East Jackson High School. They will be married on October 2, 1982.

**Hit Or Miss by farley**

A group of the gals was discussing, the other day, the increasing use of the telephone to solicit business in many fields from books and magazines to insurance and in between and what nuisance these solicitors had become and what one could do to discourage them.

One complained that just the day before she had one leg in the shower when the phone rang insistently and she grabbed a towel and stumbled to the phone when a dulcet and sexy masculine voice told her that she had been chosen to receive a certain magazine for a year if she would only send them the postage and when you checked you found that the postage was the exact price of the magazine's subscription for a year.

She thought of many things that she could say but she remembered that undoubtedly the caller was merely trying hard to make a living from such sales methods and to accept the rebuffs as a part of their occupational hazards and so she decided to use a different technique to discourage these pests. Reflecting on how to discourage these calls in a kindly way she stumbled onto a way to rid herself of these callers. It was based on the fact that the callers usually gave you their names in a confidential manner hoping to attract and hold your attention.

"This is Joe Blow," the caller said. "You don't know me but have I got a buy for you."

"I do too know you she responded. "I met you at Gertie's pool party a couple of weeks ago."

"I don't think so" said the puzzled caller. "Oh yes, you're the good looking chap who was so attentive and told such an interesting tale about your trip to Europe."

"But I've never been to Europe" said the puzzled caller.

"Well maybe it was South America then." By now he was flustered and he murmured "You don't want any magazines do you?" and hung up.

I can just hear him telling a fellow worker that "Some nitwit that thought she knew me."
