"It's Time For Chicken"

Currency Feldkamp
It's the week that makes Manchester famous. Once a year, our town hosts the world for dinner at the annual Chicken Broil. Visitors from all over our county, our state, our country, and even other countries come to enjoy chicken cooked Manchester style.

Not all small towns are lucky enough to host a yearly event like this one. The broil brings together just about everyone in and around town whether to work or just to eat. It affects us all one way or another, even those that do not come. These people have to put up with all the extra traffic crowding town on broil day.

Over the years, profits from the broil have changed the face of Manchester a great deal. The improvements to the athletic field, the school track, Carr Park, and Kirk Park have all made this town a better place to live. We would not enjoy many of these benefits otherwise. This year, by contributing to the Historical Society's purchase of the old Schneider blacksmith shop, the broil will be supporting a project that could grow into a local museum, a place where Manchester's past can be kept alive. Those of us who have never seen a horse shod the old-fashioned way or seen men shape hot iron by hand will now have a chance.

The Chicken Broil is an effort that unites many generations and people from all occupations. Boys butter the chickens that their fathers and grandfathers cook. Students set up the tables and pits and sell the ice cream. Lawyers and doctors with farmers and merchants carting charcoal, packing the grills with chicken halves, or putting dinners together at the serving table or take-out.

People driving through Manchester may think it quaint that the signs at the village limits say "Home of the Famous Chicken Broil." There is no other event, however, that contributes more to our town's identity.

Engagement Announced

Thinking about this encounter I discovered that I had made a very important discovery. Four days later at the office the phone rang and a feminine voice asked for me and said "This is Eileen McDoodle. What is the name and number of your copying machine [Whatever your answer is you are in line for a stupendous sale on copying machine paper]."

"Why, Eileen," said the prospect, "How's your mother. Long time no see. Remind her she promised me that recipe for pickled kumquats."

This caller was quickly disposed of and the system was shared with other girls in the office. One got rid of one salesman in 30 seconds by pretending she knew him and asking if the IRS had ever gotten onto his little sideline that he hadn't reported.

One of the other girls rid herself one caller by asking if his hernia operation had been successful, but the third girl won the prize for her method. The caller had just announced his name in a friendly fashion when she cooed "Oh John thank heaven you called. I have been trying to get ahold of you for several weeks now. You know John, the rabbit died."

Mr. and Mrs. Jackie D. Smith of Manchester are please to announce the engagement of their daughter Jacquelyn May to Alvin C. Mund II, son of Mr. and Mrs. Alvin C. Mund, Sr. of Jackson. Jackie is a 1981 graduate of Manchester High School and her fiance is a 1979 graduate of East Jackson High School. They will be married on October 2, 1982.

Hit Or Miss by farley

A group of the gals was discussing, the other day, the increasing use of the telephone to solicit business in many fields from books and magazines to insurance and in between and what nuisance these solicitors had become and what one could do to discourage them.

One complained that just the day before she had one leg in the shower when the phone rang insistently and she grabbed a towel and stumbled to the phone when a dulcet and sexy masculine voice told her that she had been chosen to receive a certain magazine for a year if she would only send them the postage and when you checked you found that the postage was the exact price of the magazine's subscription for a year.

She thought of many things that she could say but she remembered that undoubtedly the caller was merely trying hard to make a living from such sales methods and to accept the rebuffs as a part of their occupational hazards and so she decided to use a different technique to discourage these pests. Reflecting on how to discourage these calls in a kindly way she stumbled onto a way to rid herself of these callers. It was based on the fact that the callers usually gave you their names in a confidential manner hoping to attract and hold your attention.

"This is Joe Blow," the caller said. "You don't know me but have I got a buy for you."

"I do too know you she responded. "I met you at Gertie's pool party a couple of weeks ago."

"I don't think so" said the puzzled caller. "Oh yes, you're the good looking chap who was so attentive and told such an interesting tale about your trip to Europe."

"But I've never been to Europe" said the puzzled caller.

"Well maybe it was South America then." By now he was flustered and he murmured "You don't want any magazines do you?" and hung up.

I can just hear him telling a fellow worker that "Some nitwit that thought she knew me."

Thinking about this encounter I discovered that I had made a very important discovery.

Emanuel Church 100th Anniversary

SANCTUARY IS 100 YEARS OLD

Sunday, July 18, 1982, the congregation of Emanuel Church of Christ will celebrate the One Hundredth Anniversary of the building of the Sanctuary. Two major events will take place that day, marking a milestone in the life of its people, and their service to the community of Manchester in the name of their Lord and Savior, Jesus Christ.

SUNDAY MORNING WORSHIP 9:30 AM

At 9:30 AM, a special worship service will be held, with former Pastors Rev. Ralph Kuether (now of North Carolina) and Rev. Joseph Wise (now of Texas) bringing messages, and celebrating the Sacrament of Holy Communion, along with the present Pastor, Rev. Robert B. Macfarlane.

The Ministry of Music, under the direction of Mr. Anthony Gaines, will feature Mr. James Baker and Mr. Clark Spike in singing a duet, along with the Adult Choir offering the Halleluiah Chorus.

An Anniversary Guest Book will be signed by everyone as Worship is concluded and after an opportunity to greet the visiting Pastors and their families, an all-church picture will be taken on the lawn.

AFTERNOON CELEBRATION BEGINS AT 4 PM

The afternoon will be more informal and family-oriented, beginning outdoors, as people gather, to the German music and singing of Mr. Luther Schaible. A professional of music, banners, and congregation around the Church properties will then dedicate the new Secretary's Office, the Parsonage residing, an Anniversary Tree-planting, and the Church

Steeple repair.

At approximately 5 PM, we will enter the Sanctuary for worship, where, along with the Pastors, there will be also taking part: Rev. Roman Reinick, Pastor of Bethel Church; Rev. Thomas Uphaus, ordained from Emanuel Church ten years ago and now serving in Port Huron; and Martha (Rest) Ayers, daughter of former Pastor Rev. Kari H.A. Rest, both living now in Rochester, New York; Mr. Roger Morrison singing "Bless This House."

Following worship at 6 pm, ice cream and cake will be served with the compliments of the Adult Fellowship, who had major responsibility for planning and coordination of the day's events.

FOUNDED IN 1862

In the year 1862, Protestant Christian folks in the village of Manchester came together and organized themselves as a Christian community and congregation. Under the caring help of Bethel Church located in Freedom Township, founding fathers in 1862 covenanted together to form the German-speaking "Deutsche Evangelische Emanuels Gemeinde."

SANCTUARY BUILT IN 1882

As the congregation grew steadily under the Supply Pastors from Bethel, it was decided to purchase land west of the village in 1882, and erect the present Sanctuary. It was constructed at a cost of \$14,000, using many Church and Township people as volunteer laborers, and hand-made brick from the local manufacturer, Frederick "Brickyard" Schaible. From start to finish, the 40 by 80 foot Sanctuary was completed in eight months, and dedicated on December 10, 1882.

RE: Attached Letter to the Editor

Dear Editor:

My wife, children and I believe that the citizens of Manchester should be commended.

The attached story, all of which is true, will best explain the above statement, and I would hope that you may find the needed space in your publication to print same.

Thank you for your consideration and understanding.

THE DATE: MONDAY, JULY 5, 1982
 THE TIME: APPROXIMATELY 4:00 P.M.

THE LOCATION: M-52, JUST EAST OF MAIN STREET, MANCHESTER, MI.

My family, wife Betty, son Shawn, daughter Tonya and German Shepard Tasia, were returning from a long weekend of camping in the Waterloo Recreation Area.

We chose to return to Monroe, via M-52 to M-50, and as we neared the intersection of M-52 and Main Street in Manchester, my wife, hearing a noise similar to the sound of a universal joint on it's way out commented aloud on this thought. No more than the words had been spoken I observed, via the side view mirror, one of the tires and wheel from the left side of the travel trailer rolling precariously down M-52.

After pulling off onto the shoulder, my

wife and I began to search for the missing wheel. Apparently, the wheel having become quite overheated in the ordeal, decided to take a cool dip in the Raisin River, where we found it floating.

As I was heading to the storage locker on the rear of the trailer, a young citizen of Manchester, a boy about 12 or 13 years old, came riding up on his bicycle; and, upon seeing our plight, immediately removed his shoes and socks, headed down the embankment, waded into the river and retrieved the tire and wheel.

As this anonymous lad was leaving, an elder resident of Manchester, who resides near the intersection of Main and M-52, approached us, indicating that he had witnessed the incident, and then proceeded to assist us in locating the missing lug nuts and wheel studs which had become dislodged.

After having found most of the missing items, still another good samaritan stopped to render assistance. After looking over the situation, both this man, who I believe to be Mr. Charles Steele, and I decided that I would need new studs in order to mount the spare tire and wheel. He left, indicating that he would speak to his son, and possibly he may have some studs in his garage. Shortly, Mr. Steele's son returned, from his home on Beaufort Street, with four studs in hand.

Realizing that the studs could not be inserted without the aid of a press, he offered the use of his garage and vise for this purpose. After completing the task, which included the cleaning and greasing of the wheel bearing, which I dropped in the gravel on the road shoulder, none of these gentlemen, one of whom was Mr. Don Steele, who I believe to be associated with the Manchester Police Department, would accept any form of compensation for the favors they rendered.

The female Manchester Police Officer, who was on duty Monday afternoon, also stopped to offer her assistance.

In summation, we believe that Manchester has the right to be extremely proud of these citizens, from the young, the senior, and the in between, all these

people were more than helpful. We had serious visions of having to leave the trailer, returning to Monroe, repairing the wheel hub, and coming back to retrieve the trailer; however, your residents provided the solution to what could have been a weighty problem, especially on a holiday when businesses were closed.

The only thing asked of us, by the Steeles, who are apparently avid fishermen, was to let them know when the Walleyes are biting on Lake Erie; and, believe me, that is a paltry price to pay for the assistance and service we received.

Stand up and take a well deserved bow, as you have certainly earned it.

Last nite, all hell broke loose in the village of Manchester in the form of something called "VAUDEVILLE." This DAZZLING SPARKLING LIVE presentation put on by The Black Sheep Repertory Theatre was directed and arranged by "THE SHAFT" Thornton.

Good theatre is a combination of good acting, good scripts and inspired direction. This presentation had none of these. What it did have, was a sympatico feeling with the audience. When you weigh the pluses and minuses, you will find that the sympatico feeling far outweighed any deficiencies that the production may have had. Good theatre is something that the audience can identify with, this audience not only identified with the production, it actually tried to join in. The only thing detrimental that this theatre goer could find, was that the audience laughed so hard that I had difficulty listening to the actors lines. (Not to worry, I intend to return this evening and catch the dialogue that I missed).

I have the feeling that even the cast was surprised by the audience reaction that the play received. One young lady "Not to be identified" we'll just call her A L for amenities sake, laughed so hard that the cast in some cases had difficulty speaking

YEAR IN REVIEW 1981-82

OPERATIONS AND ACTIVITIES:

Library services grew at a modest rate over the previous year. Circulation was up by nearly 8%; registered card holders less stable; and the book collection increased by 7%.

Members of the Staff directed a Summer Story Hour and a Summer Reading Program. In addition, the Staff organized and manned a booth at the Manchester Community Fair with the theme "Michigan's Oldest Township Library", and distributed a brief history of the Library.

Currently, the Staff is preparing an application for grant funds from the Center for Disease Control in Atlanta and the Washtenaw County Public Health Service for a collection of consumer health information material. The Library has also held tours for the Brownie Troop and Nursery School classes, and provided a meeting place for a class in genealogy.

The Friends of the Library, a new support group, has held a used book sale, provided a Christmas film program for

children, and had a "garage sale" at the farmer's market. Proceeds from these activities will be spent on new books and minor repairs and improvements.

Although there have been no Staff changes in the past year, the Board of Trustees appointed two new members, Ann Fowler (Mrs. Don) and Kenneth Arney, to fill the unexpired terms of Lois Kuntz and Mary Kallewaard, respectively.

FINANCES:

The Library received the expected amount in budgeted income during the year. A small surplus, necessary as a cash carry-over, came from gifts, memorials, the sale of a typewriter, and reduced expenses. In addition to cash gifts, the Library received donations of books, services, and money for a microfilm viewer. Memorials continue to be a significant source of funds and the Board has established a Memorial Savings Account to ensure that these monies be spent as designated and not become pooled with general funds. The Staff is to be praised for building maintenance savings and utility economies despite the unusually cold winter and increased

rates. Further savings came from insulating the hot water heater and turning off the gas entrance lamps.

FUTURE PLANS:

Although there will be major reductions in the Library's income from State and County sources next year, it is hoped that services will continue unchanged. Personnel shifts and wage reductions (notably among the student pages) will lower the payroll costs by \$2600. If further cuts are necessary they will be in the book budget (already considered small) or by postponing repayment to the Franklin Rock Memorial Fund.

Consequently, the Library Staff and Board of Trustees anticipate no marked growth or expansion of services in the coming year. Instead, they hope it will be a time to consolidate and streamline operations, and to plan for new directions and improvements when future finances permit.

their lines with the SOMBER DEMEANER that the direction called for. Judging from the reaction of the audience, one would be under the misconception that this was supposed to be a comedy. Now we all know that that couldn't be the case, because with the depressed economic times and conditions that exist in the community, no one really wants to put on a FABRICAL production.

As you must have gathered, much of this article has been written with tongue in cheek, but why not, isn't that what the original concept of Vaudeville was? Manchester should be very proud in its theatre and especially proud of the cast of this particular production.

In closing, I want to make a definitive statement on this production. If this cast and this production had existed in the 1930's, Vaudeville would still be alive. Keep up the good work Manchester and to all of you people reading this article, I recommend that you get out and see this production not once, but twice. Would write more, but I have a very important engagement tonight. I'm returning to The Black Sheep Theatre to see it again. After all, I have to have some way to cheer up what otherwise would have been a very dreary day.

Cards Of Thanks

The Village of Manchester would like to thank the Central Business District for being so gracious and having so much patience during this renovation period. I would like to extend my personal thanks and appreciation to the Business Persons of our community. You are all truly assets to this proud community.

William P. Zsenyuk
Village Manager

When we lose a loved one, we also realize how many friends we have who share our sorrow and give us comfort and support.

We'd like to thank Rev. Bob Macfarlane, Ron, June and Karen Jenter for their friendship and guidance.

Any verbal expression of gratitude we could give to our very, very special friends at the Library-Sharon, Wanda, Rosemary and Erin would be inadequate. Their compassion and help was boundless.

Our thanks to Lehman to serving Family and friends one of his extra-special dinners under less than ideal cooking conditions.

We'd like to express our appreciation to those who gave memorials in the name of Paige L. Coleman to the Manchester Township Library.

And for all the flowers, calls, cards and visits with messages of love and hope—

Thank You

Annual 4-H Marketing Tour

Pictured above is Kelly Bristle with Mr. Jim Burnett of the MMPA staff. Kelly attended the MMPA milk marketing tour.

More than 70 4-H members and adult leaders from throughout Michigan headed for Michigan Milk Producers Association headquarters in Southfield for the 45th annual MMPA 4-H milk marketing tour June 29 and 30.

Attending from this area was Kelly Bristle. The tour, sponsored by MMPA in cooperation with the Michigan State University extension service, is designed to give 4-H members more familiarity with milk marketing procedures and the duties and operations of a dairy farmer cooperative.

The 4-H members toured the MMPA Southfield office and visited Detroit Pure Milk Co. Elwood Kirkpatrick, MMPA president, and Jack Barnes, general manager,

discussed the Association's marketing and price bargaining efforts and its members services.

Tour participants also attended a banquet at the Holiday Inn in Southfield and a Detroit Tigers game.

In a problem-solving session, the 4-H members divided into groups to discuss and solve situations like those confronting the board of directors of a dairy cooperative.

Two of last year's top tour participants, Jackie Karsen of Rogers City and Tom Wing of Bellevue, were session leaders. They chaired various sessions during the 2-day event.

MMPA is a milk marketing cooperative owned and controlled by some 6,200 dairy farmers throughout the state.

Board of Education Elects New Officers

At its organizational meeting on Wednesday, July 7 the Manchester Board of Education elected new officers for the 1982-83 school year.

Elected President on a unanimous ballot was Mr. Paul DuFresne. Serving as Vice-President will be Mr. Earl Horning. In

his third term as Treasurer will be Mr. David Little. The newly elected Secretary to the Board will be Mr. Kent Talcott.

The Manchester Board of Education operates with two standing committees which are referred to as the Executive and the Finance Committee. Two officers serve on each. The Executive Committee will be made up of Paul DuFresne, Kent Talcott, and Ron Mann. The Finance Committee positions will be filled by Dave Little, Earl Horning, and William Broucek. JoAnn King Okey, newly elected trustee, will serve as the alternate to both committees by filling in when any member cannot be present.

DuFresne, who is in his fourth year as a member of the Board of Education, noted that a good year was anticipated for the Manchester Community Schools. "While problems certainly exist I feel that we are on the right road and with help from the community can continue to provide an ever improving educational program. Our computer education program, for example, exceeds that offered by any other school district in this state. We have a great deal of which to be proud."

Attention! Class Of 1977

The Manchester High School class of 1977's fifth class reunion will be on July 24, 1982, at 8:00 p.m., at the Freedom Township Hall. If you have not yet made reservations to attend the class reunion, and would like to do so, please call Mrs. Jane (Rose) Finkbeiner at 428-8379. If you have made your reservations, but have not paid for that reservation, please contact Jane so that this can be taken care of immediately. Pre-registration is required and must be received by Friday, July 23,

Married

David William Cannon
Ann Marie Wroblewski

Ann Marie Wroblewski and David William Cannon exchanged wedding vows at a summer wedding in the St. John Beoco Church, Redford, Michigan.

Father Anthony performed the ceremony for the daughter of Mr. and Mrs. Felix A. Wroblewski of Redford; and the son of Lt./Col. and Mrs. William E. Cannon of Monroe Rd., Tipton.

Metron of Honor was Linda Hayden of Redford, sister of the bride, while Steven Snider of Traverse City served as best man.

Bridesmaids were Tammar Cannon of Tipton, sister of the groom, Renee Sims of Redford, Nancy Sterling of Sterling Heights, and Pam Rutowski of Toledo, niece of the bride. Kimberly Wroblewski of Redford, niece of the bride, served as flower girl.

Groomsmen included Robert Greenfield of Chicago, Illinois, cousin of the groom, Doug DeMartin of Lansing, Michigan, Patrick Truman of Fargo, North Dakota, and Gary Evans of Waterville, Ohio.

Following a reception at the Cultural Center of St. John's Armenian Church in Southfield, the couple left for a wedding trip in the Southeastern States. They will reside in Toledo, Ohio where the bride is a Chemical Engineer at Tedyne and the groom is in the graduate program at the University of Toledo. Both are graduates of Ferris State College.

Carol Poore To Display Artwork

The Manchester Art Guild is pleased to announce Carol Duncan Poore is having a one woman show "I beseech you to look" now through August 20th in their gallery. Ms. Poore is diverse in her presentation of water color, paintings and sculpture. Her works are a bringing together of many natural elements that reflect personal and individual concerns.

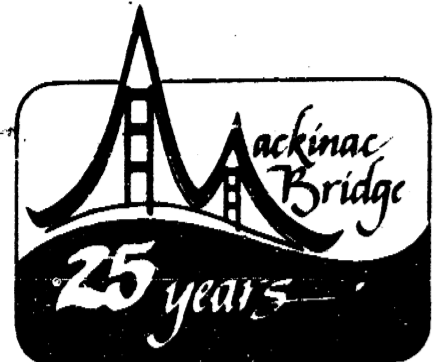

"I am consistent in my inconsistency, every time I paint I am a different person. This show is a reflection of two years of work. I cannot possibly be the same person and grow older. I enjoy the reaction my work receives people either want it or they are uncomfortable. But at least it makes them think."

Carol lives at Iron Lake in Manchester with her photographer husband Gary and their three children Dana, Matthew and Jesse.

Her show will be open one-half (1/2) hour before the Black Sheep Theatre and during intermission, we suggest you see them both, they're excellent shows.

Governor William G. Milliken Wednesday announced the formation of a special committee chaired by former Governor and Supreme Court Justice G. Mennen Williams to coordinate the celebration of the 25th anniversary of the Mackinac Bridge.

"This November 1 marks the 25th anniversary of one of the most important events in the history of Michigan—the opening of the Mackinac Bridge," Milliken said.

"During the intervening years, the Mackinac Bridge has stood as a symbol of Michigan and of the unity between our two peninsulas. It remains one of the most remarkable engineering and political accomplishments achieved anywhere in this country.

"Because of the bridge's significance, considerable discussion has begun to determine appropriate ways to mark its 25th anniversary. I am appointing this committee because I believe it is preferable to try to assure some order and uniformity to any activities held in connection with the anniversary."

"It is appropriate that Governor Williams should serve as chairman of this committee because it was during his administration and under his leadership that the Mackinac Bridge was built," Milliken said. "Because of the unique role of leadership that he played, I am especially pleased that he has

accepted the chairmanship of this group. "Because the bridge has been in use for 25 years, most of us today take its existence for granted. But the fact is it took a great deal of foresight and effort by many individuals to make a reality out of something that had been a dream for decades. Governor Williams was a key and indispensable part of that effort. The Mackinac Bridge Authority was created while he was Governor and the bridge was designed and built under his leadership.

"This committee, which includes all of Michigan's living former Governors, represents all of the individuals and institutions who put so much effort into making the Mackinac Bridge a reality.

"As we celebrate the anniversary of the Mackinac Bridge this year, we also should rededicate ourselves to the future of Michigan."

Senior Citizens News

That blue ten passenger van that's new in town is one that Manchester Area Senior Citizens Council was granted by the State of Michigan Transportation Authority. This is a temporary one which is to be replaced by a fifteen passenger van with a lift sometime in October. This will make it possible to transport larger groups of individuals 55 years of age and older and also to take care of wheel chair passengers in Manchester Township.

Mrs. Duane (Helen) Braun is coordinating the trips for the van at the present time and it is hoped that a schedule can be posted soon. Call Mrs. Braun, 428-8966 for further information. A donation for a 50 mile or less trip is set at \$2.00 per person. Several rules for the use of the van are "seat belts must be worn at all times" and "no smoking".

The Senior Citizens booth at the Farmer's Market on July 10 was well stocked and

successful. The next Seniors' booth will be on Saturday, August 10, so mark it on your calendar now, to bring as well as to buy. Make the Farmer's Market a regular Saturday morning shopping stop—it's great for the buyer as well as the producer.

Things to bring to the market are baked goods which must be wrapped with a transparent covering and jellies or jams. All must be marked with the producer's name. Garden produce and plants may also be offered. For information about the market call Millard Uphaus, 428-7461.

Call-a-Ride service is busy this summer, having 18 trips reported in the past month. This service is available to those over 55 years of age for trips to medical appointments of all kinds, locally and to towns within a 25 mile radius. A 24 hour notice or longer is advisable. Call Helen Knickerbocker 428-7239, Ray Gonyer 428-7613 or Claire Rock 428-8852 to schedule a driver. There is no charge for this service to Senior Citizens, but donations may be made to the Transportation Call-a-Ride Committee of the Senior Citizens Council. This service is underwritten by the Village and Township of Manchester. It is a model being studied by other towns and areas throughout the state. The idea, plans and mechanics of the system were developed by William Zoenyuk, Ray Gonyer, and Millard Uphaus and the Transportation Committee over a year ago.

The next Council meeting will be Tuesday, August 10 at Emanuel United Church of Christ meetings rooms at 10 a.m.

Manchester Area Historical Society

Bring your guests for the Chicken Broil to the Old Blacksmith Shop, 324 East Main, today. The Shop is open and working from 3 to 9 p.m. Thursday with the local blacksmiths demonstrating the basic steps in working with iron: drawing out, bending and twisting pieces of iron into fireplace poker, foot scrapers and tools. Watching red hot iron being pounded into a desired design is fascinating for kids as well as

adults. And it is free to see! There also are a few tables in the yard back of the Shop where Broil take-outs may be consumed.

Thirty members and guests of Manchester Area Historical Society enjoyed a pot-luck picnic at the Wellwood home of Mr. and Mrs. Lewis Kellum, Monday night. Music rang through the grounds and gardens as Sandy Knapp led a Sing-a-long with her guitar accompaniment.

Although working plans for the Chicken Broil were the main topics of the meeting, other activities are in the offing. On August 14 during the Side-Walk-Days there will be a Collectable Sale on the Walton lawn (alternate date, Aug. 28). There will be a membership booth at the Community Fair from August 17 through the 21st. And the Annual Meeting of the Society is scheduled for the 3rd Monday in September, the 20th of September at the Shop.

Tiger Game Tickets

You may sign-up for the annual trip to Tiger Stadium at the Junior Playground Headquarters which is room 113 in the Nellie Ackerson Middle School Building, Monday thru Friday 1-3 p.m. Please sign up by July 15. We are going Saturday, July 23rd to see the Texas Rangers. Buses will leave from the Middle School at 12:00 noon. Tickets are \$2.25 for all children 14 and under, retirees, and ladies. Everyone else must pay \$4.50. You must pay for the tickets when you sign-up. The tickets will be picked up in advance and distributed to those going when they board the buses in Manchester.

Guest Speaker At Sharon United Methodist Church

Mr. Richard Stevens, who has been involved in the Haiti mission project of the United Methodist Church, will speak at the Sharon United Methodist Church at the 10:30 a.m. Worship Service on Sunday, July 18.

This is a unique project of the Ann Arbor District of the United Methodist Church. Thirteen team members representing eleven different churches flew to Haiti last January to spend two weeks building a church. They also took with them one ton of food, tools, medicines, used clothing and eye glasses. The church was to be built on a beautiful mountain but all supplies had to be carried eight miles because no truck could travel the road. There were 1,300 cement blocks delivered by the people of Haiti carrying them on their heads. Delivered by the same method was 120 sheets of metal roofing, 120 2x4x16 boards, 20 church seats, and bags of cement. There are plans for more work in Haiti in the future. The church was completed in two weeks!

Meeting Date Changed

Legislative Update

Mary Keith Ballantine
23rd District

Tourism In Michigan-Tourism in Michigan has already posted dramatic gains over previous years, the State Department of Commerce reports. For example, camping in the Upper Peninsula is up 25.1% over 1981; historic Fort Mackinac on Mackinac Island reports a 61.4% increase in attendance over last year at this time, while across the Straits at Fort Michilimackinac at Mackinaw City reports a 41.8% increase. The U.S. Travel Data Center had predicted a 9%-11% drop in tourism this year in Michigan.

Kinross-Michigan's Newest Community-The old Kincheloe Air Force Base in the Upper Peninsula's Chippewa County has become Michigan's newest community, Kinross Township. The converted base and its surroundings are home to 1,500 Michigan residents.

Death Penalty Petitions Filed-Petitions carrying over 300,000 signatures requesting a constitutional amendment allowing the death penalty for first degree murder have been filed with the Secretary of State in Lansing. If the Secretary of State approves the signatures, voters will be able to vote on the issue during the General Election November 2. Michigan abolished capital punishment over 100 years ago, and previous attempts to reinstate capital punishment have failed.

Other Ballot Proposals-On November 2, Michigan voters will not only elect a new Governor, U.S. Senator, State Senators, State Representatives, U.S. Congressmen and most statewide offices, but they will have a chance to vote on a number of constitutional amendments other than the death penalty question. Expected to appear on the ballot are amendments for minimum funding of the State Police, legislative immunity, the prohibition of open-sale clauses on mortgages, nuclear arms freeze, and the abolition of automatic ability rate increases. For the first time in

several years, there will be no ballot initiatives pertaining to property taxes.

Farm Exports Set New Record-1981 will go down in Michigan agricultural history as exports increased 27% above a previous record set in 1980. The total value of Michigan's farm exports last year amounted to \$943.6 million. According to the Michigan Department of Agriculture, securing overseas markets for our surpluses helped establish the record increase, as well as larger-than-normal shipments of corn, dry edible beans, wheat and soybeans. Two-thirds of Michigan's wheat crop and half of its soybeans were sold overseas last year.

Summer Fun-More and more festivals fill Michigan's social calendar this week. Fremont Old Fashioned Days will be held July 15-18; The Harbor Beach Centennial Festival runs until July 18. Art fairs are planned this weekend for: Grand Haven, Cadillac, Flint, Richland, Atlanta, Houghton Lake, Alpena and Houghton. Other events around the state include the Alpenfest in Gaylord, July 13-18; the National Blueberry Festival in South Haven, July 14-18, and the Captive Nations and Slovak Ethnic Festival, Hart Plaza, Detroit, July 16-18.

MEET CONGRESSMAN PURSELL

"The new congressional district plan adds Manchester to the 2nd District, which I represent. I will seek a 4th term and look forward to the opportunity to serve you.

"I'm one of the few Congressmen who maintains his family and home in his district, instead of Washington. I return home every week for direct meetings with the people I represent.

"My philosophy of government is best expressed by these words of President Abraham Lincoln:

"You cannot bring about prosperity by discouraging thrift. You cannot strengthen the weak by weakening the strong. You cannot help the wage earner by pulling down the wage payer. You cannot further the brotherhood of man by encouraging class hatred. You cannot help the

poor by destroying the rich. You cannot keep out of trouble by spending more than you earn. You cannot build character and courage by taking away men's initiative and independence. You cannot help men permanently by doing for them what they could and should do for themselves."

Chicken Broil A Crowing Success

by Lucy Feldkamp

Once again Manchester's yearly enterprise, our unique chicken broil, was a great success. Our little town did a job that big towns would fear to tackle. The broil fed 14,000 guests of Manchester's famous chicken dinners and turned no one away. The weather, prompted by the capable weather committee, our local pastors, cooperated fully. It was a perfect day, warm and sunny, too hot to cook indoors, but just right to eat chicken outdoors. The broil fed people from the far corners of the world, serving visitors from China and Alaska. Diners got a treat for the ears in the Trivola German Band, which played right up to 9:00 P.M. By that time, everyone had been served and the few leftovers went on sale. A couple of hundred chicken halves, a few gallons of secret slaw sauce, and some radishes and rolls were about all that remained.

50th Wedding Anniversary

Mr. and Mrs. Harold Dresselhouse of Melbourne, Florida will be honored at a 50th wedding anniversary open house Sunday, July 25, 1982 from 2-6 p.m. at 540 Adrian Street, Manchester. The event will be hosted by the couples son and daughter-in-law, Gary and Nancy Dresselhouse and their daughter and son-in-law, Ronald and Janet Whittington and their families. They were married on May 27, 1932 at Trinity Lutheran Church in Jackson, Michigan. They are members of the Emanuel United Church of Christ in Manchester. Mr. Dresselhouse is retired from the University of Michigan and had lived in Manchester all of his life until retiring to Florida.

20 Cents Per Copy

Historical Society

A constant line of guests passed by the hot forge and attending blacksmiths at the Old Blacksmith Shop the day of the Chicken Broil. Their enthusiasm was appreciated by the blacksmiths who were voluntarily adding another reason for the day to be a memorable one for Manchester visitors. It was just that—thanks to the hundreds of hard working volunteers and the thousands of guests.

The next open house with iron molding demonstrations will be on Saturday, August 14, during the Art Fair and Side Walk Sales. The shop will be working from 12 to 3 p.m.

On the 14th, also, there will be a Collectible Sale on the Walton lawn at the corner of Clinton and Main. The Manchester Area Historical Society is sponsoring this event. Items for the sale may be brought to the Walton residence during the week before the 14th. Please call 428-7822 for information.

During Fair Week the Society will be at a booth in the Merchants Tent to answer questions and solicit membership. The Blacksmith Shop will be open and working on the last day of the Fair, Saturday the 21st from 12 to 3 p.m. again.

Area Students Attend Blue Lake Fine Arts Camp

Attending Blue Lake Fine Arts Camp for the second summer session are four students from the Manchester area.

Area students who are at Blue Lake from July 12 - July 25 include: John Leekley, son of Mr. and Mrs. John Leekley, 3621 Haab Rd.; Karla Luton, daughter of Mr. and Mrs. Russell Luton, 9157 Kies Rd.; Molly McGuire, daughter of Mr. and Mrs. John McGuire, 309 Riverbend Dr. and Shannon Sloat, daughter of Mr. and Mrs. James Sloat, 7591 Hasley Rd.

Blue Lake which hosts approximately 3,850 elementary through high school students this summer, offers instruction in a wide variety of fine arts.

Located 15 miles North of Muskegon in the Manistee National Forest, the 16-year-old summer school of the arts has grown to be one of the largest facilities of its type in the United States.

Students attending Blue Lake's second two-week session have the option of majoring in art, band, dance, jazz ensemble, orchestra, organ, piano and theatre. The second session is primarily for junior high students.

Manchester Men's Club Extends Big Thank You

The Manchester Men's Club would like to take this opportunity to thank everyone who bought a square on the fireworks boards or donated to the pails at Carr Park on July 4th. Due to the generosity of everyone involved there will be a fireworks display in 1983. We would like to thank the three bands that performed, the skydiver, and all the people who patronized our beer stand. The Manchester Fire Department for a great fireworks display, Union Construction, Bakers Dozen, Manchester Electric, Manchester DPW, Manchester Police Department, and for the cooperation of the Manchester Village Council.
