

Fays Lair

By Fay Lair

The Lord knows we've heard enough about women's lib, or at least a great deal about it.

But just last week there was something on TV about men's lib and every man knows that the arrival of the cavalry has got to take a back seat timely wise compared with this long-overdue movement.

I think many of us felt the recently divorced guy on camera had been reading our mail when he started the show off by saying that he now has no say-so in what direction his children take.

"First I was a source of sperm and now I'm a source of income," he said, to which many of us out here in TV land said "amen." Although some of us may not have said it too loudly, for fear wifey poo might not agree.

We live by a multitude of misconceptions in this country. The media says black is white, and our young, educated (?) college graduates don't understand why we can't readily see it - if their colleagues in the media say so - and the first thing you know we believe that black is white.

But what has to be right in the forefront of these misconceptions is the image of the poor little downtrodden wife who caters to her husband's every whim.

Now don't get me wrong. I think women are great. I think they should get equal pay. I think history is liberally strewn with examples of their greatness. And I certainly think that men should have equality with them.

(I might also mention one of my beliefs that isn't as obvious as you may think - I believe that women are different from men.)

I have been around women all my life. As a matter of fact, one brought me into this world, and raised me, and did a very good

job of it, but she never got close to my father again.

Now I may be different, (and there are those who say "definitely") but I have yet to be closely associated with one of those women who get up first in the morning (or in the morning at all, for that matter), who make breakfast, who wash and iron shirts and generally "take care" of their husband.

The trauma associated with getting them up in the morning (first, or at all) proved so great that I barely touched that area of human endeavor, but I have, from time to time, experimented with the laundry bit.

This works out all right provided you can

afford 93 shirts, 93 pairs of socks and 93 suits of underwear. That is the number, I've found, that is necessary for your clothes to get through the feminine laundry pipeline.

It may take a few more socks, because they will wear, with a straight face, that the washing machine eats socks.

And don't try to rescue a shirt from the pipeline and do it yourself, thereby making do with less than 93. Your clothes disappear once they have entered this pipeline and no mere man can ever find them again.

Women have other ways of proving their superiority too.

Take, for example, preserving food. Man

worked for 5,000 years of recorded history, and probably some time before that, to perfect a way of preserving food.

Finally he invented refrigeration, but do you think women use the refrigerator for preserving food. Oh no. They think the refrigerator is where you put food until it is rotten enough to throw away.

But I'll tell you what they are worst at. I'm going to suffer the big one and you won't be subject to this drivel someday when I start to put my shirts in the dryer and find that the lint trap has been cleaned. Later.

THURSDAY, SEPTEMBER 16, 1982

Hit Or Miss by farley

Nowadays reminiscing about the "good old days" seems to be quite a popular sport, perhaps in an effort to forget some of today's problems. We've quoted prices of food, etc. during the depression of the early thirties but we didn't stress the fact that the ingo was about as low as the outgo and that we were just about as bad off then as now, or even more so.

The other day the business editor of the Toledo Blade wrote a column of comparisons which I hope he will forgive us for copying which point up some interesting comparisons, both of prices and of wages which tend to prove that the "good old days" weren't so good and that we tend to remember the nice things about those days and to forget the unpleasant side of our existence in those days. Among the things remembered were the following:

From the newspaper of 1962 he finds that you could drive up to the Toledo Beach Amusement Park and get 10 rides for \$1.00. Down at the movie theatres was being shown Ronald Reagan and Doris Day in "The Winning Team" with a "spook" show thrown in at midnight for free. At other theatres was being shown Gary Cooper in "High Noon" all for 35 cents - 20 cents for the kids.

If you were looking for a new house, \$26,000 would get you one in a better part of town and in the subdivisions they ran from \$14,200 to \$14,900. Out in the wilds of Maumee one could be had for \$9,950, lot and all.

The bus fare was going up to 13 cents but 20 cents would buy an ice cream sundae, and it could be noted that house paint was only \$1.94 at the Bargain Barn and a new Willys could be financed for \$38.00 a month.

But on the other side of the coin it should be noted that folks wondered if the war in Korea would ever be over. A steel strike had just ended and many laid off because of it. The 40-hour week was coming into being.

Wages quoted were as follows: payroll clerk, \$40 to \$50 a week, a typists \$175 a month to start, experienced stenographer \$275.00 a month, keypunch operator \$210.00 a month, elevator operators \$177.00 a month.

A portable radio which weighed "only" 3 1/2 pounds was \$29.95. A 2 inch (black and white of course) TV was \$395.00, 7 or 10 inch used TV's were going for 295.00.

A financial company boasted of its 2 percent rate for savings.

So, you see the struggle for existence was not too far different then than now.

Back in World War I men unfit for military service were judged 4F and among the group for some mysterious reason were the men with flat feet. Now it's known that men with flat feet aren't handicapped, but they can be an asset to some athletes. By distributing the weight more accurately over the bottom of the foot, the flat feet tend to give athletes more endurance.

An old timer is one who can remember when the weather was worse and everything else was better.

Dutch Crush Trojans

Mark Ball intercepts Trojans quarterback pass

by Jon Hardenbergh

We sure started off the football season in grand style as we blew apart Whitmore Lake. We put together a vicious offense that ripped thru the Trojans to the tune of 121 yards in the air and 272 yards rushing. The 3 major ground gobblers were Dave Rodriguez, Jim Krzyzaniak and Carl Weidmayer with 85, 58 and 49 yards respectively. Sophomore quarterback Pat Ridenour had a solid performance as he threw 14 times completing 8 while scampering for 80 yards. Our offense went right and so did our defense with standouts being Jim Krzyzaniak, Mark Ball and Roger Day.

We wanted no time in scoring our first touchdown in some 2 years as Dave Rodriguez ripped off 31 yards at 9:44 of the opening period for six-Carl Weidmayer ran the conversion in so we sat atop 8-0. It was just over 4 minutes later when Jim Krzyzaniak motored 25 yards for six more.

Still in the first period Krzyzaniak hauled in a 15 yard toss from Ridenour for six.

The Dutch kept crossing the goal line as Rodriguez drove from the one yard line at 8:57 and Dave Malcolm snatched 2 passes-one here for a 2 point conversion and his second for a 40 yard touchdown at 2:36. Ridenour ran in the conversion to make the tally 36 to 0.

Again Ridenour hit Malcolm for a 20 yard pass touchdown with :37 seconds left in the third period to open the score to 42-0. The Trojans did tally as they got a 44 yard run with 1:19 left to play.

On Friday, we took to Ida - Ida was downed last Friday by Monroe Jefferson 22-19.

Inducted Into Hall of Fame

Donald "Lefty" Ross and twenty-six other men and two women were inducted into the Michigan Amateur Softball Association Softball Hall of Fame, Friday, September 3, 1982.

Ceremonies were held at the Lansing Hilton and the Lansing Mall. The final induction was held at Ranney Field.

There will be a plaque in the Hall of Fame with Lefty's picture, which will read as follows: Michigan Amateur Softball Association is proud to induct Donald "Lefty" Ross, Manchester, Michigan into the M.A.S.A. Softball Hall of Fame. Category - Player, September 3, 1982.

Lefty Ross pitched his team to the State Class C Championship in 1956 and to the Class A runner up spot in 1965. He also played in the Class A State Championship three other years in his long career as player and manager.

In 1962 M.A.S.A. honored Lefty for his long record of fielding top level teams which consistently competed for state titles. His career was interrupted in his forties by a heart attack, but he returned after a year layoff to play for another decade in Class A ball. He suffered a fatal heart attack in June 1981.

Substance Abuse Committee Continues

The Manchester Substance Abuse Committee is back in action. To facilitate educating the total community SAAC divided to form two sub committees: (1) The Programming committee for planning informative presentations for the total community. (2) The Curriculum committee to plan an educational curriculum regarding substance abuse for use in Manchester Community Schools.

The programming committee is now working on a presentation to be given in early October.

SAAC would like to thank all those who participated in last years programs and hope to have their support again this year.

Further information about the October meeting will be forthcoming.

United Way Campaign Leaders Named

Dr. Glenn C. Lehr, Manchester's United Way campaign chairman, has announced his division chairmen for the forthcoming campaign. Clarence Fielder will head the industry team, Mary Ann Koebe - Village; Dr. Eugene Thompson - schools; Sally Anderson - Rural; Harvey LaBeau at Thomas Kalleward - Business; David Little - Outside Business; and Janice Little - Organizations.

The chairmen are busily recruiting volunteer captains and solicitors and expect to have their teams complete and poised to start the annual solicitation campaign on September 29.

This year's goal is \$30,358.00. Dr. Lehr feels confident that his team will meet the challenge and as has happened for the past 22 years report another victory when the drive comes to a close the end of October.

3 local and 35 county, state and national health and community agencies will receive financial support from this year's campaign. The Budget Committee and the Board of Directors has allocated \$6,300.00 to Manchester Area Recreation, \$200.00 to Manchester Family Service and \$1,000.00 to Manchester Senior Citizens Council.

Other participating agencies are: American Red Cross \$6,000.00; Catholic Social Services \$1,300.00; Child & Family Services of Washtenaw County \$1,500.00; Cystic Fibrosis Foundation \$500.00; Hospice of Washtenaw \$2,000.00; Huron Valley Child Guidance Clinic \$200.00; Huron Valley Girl Scout Council \$3,000.00; The Salvation Army \$1,500.00; United Way of Michigan (25 Agencies) 3,008.00; Washtenaw Assn. for Retarded Citizens \$850.00; Wolverine Council Boy Scouts \$3,000.00.

When your volunteer solicitor calls on you next month "REACH IN-THAT WE MAY REACH OUT".

NOTICE!!

No open burning will be allowed until the burning index is lower. Burning for domestic purposes is allowed in proper containers.

COOKING TIP

Beef gravy makes it easy to create magnificent Beef Rouladen.

Create Magnificent Dishes With Easy-To-Use Gravy

Even if a standing-rib of beef is not in the budget, rich and tasty Franco-American Beef Gravy can provide flavor and consistency for magnificent main dishes, like Beef Rouladen. This recipe uses only a pound and a half of beef for six people.

BEEF ROULADEN

- 1 1/2 pounds thinly sliced round steak (1 1/2" thick)
- 1 tablespoon mustard
- 2 tablespoons finely chopped onion
- 3 small dill pickles, cut in half lengthwise
- 2 tablespoons shortening
- 1 can (10 1/2 ounces) Franco-American Beef Gravy
- 2 medium carrots, cut in 1" pieces
- 1 cup chopped celery

Cut meat into 6 pieces (about 6x4") pound. Spread each with mustard and onion. Place a pickle half on each piece of meat. Roll up; tuck in ends. Fasten with tooth-picks or skewers. In skillet, brown roll-ups in shortening; pour off fat. Stir in gravy. Cover; cook over low heat 30 minutes. Add carrots and celery; cook 45 minutes more or until meat and vegetables are tender; stir occasionally. Thicken gravy if desired. Makes 6 servings.

Obituaries

Ivan M. Haselschwerdt
 5449 Chelsea-Manchester Rd.
 Manchester

Age 84 years, died Sunday, September 12, 1982 at the Chelsea Community Hospital.

She was born November 12, 1897 in Sharon Township, the daughter of William and Nettie Herrick Alber.

She was married to Ray Haselschwerdt on March 4, 1917. He preceded her in death on August 13, 1982.

Mrs. Haselschwerdt was a member of the Manchester United Methodist Church.

She is survived by two sons, Ronald of Jackson and Duane of Manchester; two daughters, Mrs. Richard (Ruth) Barton of Stockbridge, Mrs. Sam (Elsaine) Cushman of Jackson; six grandchildren; three great-grandchildren.

She was preceded in death by one brother.

Funeral services were held Wednesday, September 15, 1982, 1:30 p.m. at the Jenier Funeral Home, Rev. Thomas Hart officiated. Burial followed in Oak Grove Cemetery in Chelsea.

Memorial contributions may be made to the Manchester United Methodist Church.

Thomas G. Post
 600 Parr Rd.
 Manchester

Age 41 years, died Saturday, September 11, 1982 following an extended illness.

He was born April 15, 1941 in Dearborn, the son of Gerald and Patricia Bradstreet Post.

He was married to Pamela Turkett on August 12, 1965. She survives.

He was a U.S. Coast Guard veteran and had been employed as a Tool & Die Maker in the Ford Motor Company, Rawsonville Plant since 1964.

Also surviving are, one son, Gerald at home; two daughters, Kristine and Julie at home; mother, Mrs. Patricia Post of Manchester; one brother, Steven of Manchester; three sisters, Mrs. Diane Potter of Libertyville, Illinois, Mrs. Patricia Ahrens of Manchester and Mrs. Maribeth Arnet of Tecumseh; and several nieces and nephews.

Memorial services were held Tuesday, September 14, 1982, 2 p.m. at the Manchester United Methodist Church, Rev. Thomas Hart officiated. Interment was made in Oak Grove Cemetery.

KIDNEY DISEASE

One of our most serious health problems in Michigan is known as end-stage renal disease or, more simply, kidney failure. Kidney disease was responsible for almost 1,000 deaths in Michigan in 1980 and was a contributing factor in the deaths of another 3,620 Michigan citizens. In addition, kidney-related illness is the major cause of work loss for all women, and the second highest cause of medical absenteeism in all

those under age 25. So it's apparent why kidney disease is a major concern of medical and public health professionals in Michigan.

The people most apt to suffer kidney failure are those with high blood pressure or diabetes, especially blacks, who are four to five times as likely to lose kidney function from diabetes and seven to nine times as likely to do so from high blood pressure, as are whites. Why this is so we don't really know. But one of the projects funded by the State Health Department may eventually come up with some answers. This is the Michigan Kidney Disease Registry which is designed to provide a data collecting and processing system which will classify patients in the state by studying personal characteristics of patients, information on the causes of the disease, results of various treatments, distribution of the disease by subgroup and geographic area, and numbers and rates of incidence of patients in order to plan allocation of resources.

One of the functions of the kidneys is to remove toxic impurities from the blood. When kidneys fail, these impurities build up and the person eventually dies of poisoning. There are two methods of dealing with kidney failure: 1) kidney transplantation, to give the patient a functioning kidney; and 2) dialysis, which is a method of passing the blood through a permeable membrane to remove impurities.

Transplants are, of course, limited by the number of kidneys which are available for transplant. The only alternative is dialysis - either hemodialysis where the patient is connected to a machine for several hours several times each week, or peritoneal dialysis, which uses the patient's own peritoneum as the permeable membrane.

The Health Department now funds a project to try to reduce waiting time for transplants and another project to promote something called continuous ambulatory peritoneal dialysis - which frees the patient from the hemodialysis machine and is less

disruptive to body chemistry. In 1981, about 10% of kidney patients were treated in this way.

Kidney failure, and its treatments, represent a catastrophic illness which without government intervention can destroy the financial basis of most families it affects. We hope that, as a result of our projects, and many others, we can increase the number of donor kidneys, increase the number of patients dialyzing at home, promote self-help activities, and minimize side effects. Ultimately, in part because of the incidence of the disease will be reduced and more effective treatment achieved.

"Toys, Past and Present"

In keeping with the purpose of using the Old Black Smith Shop as a display area, plans are underway for the exhibit "Toys, Past and Present" to be presented jointly by the Manchester Area Historical Society and the Manchester Art Guild. The society chairman, Florence Parr, is urging members and area residents to hunt up toys suitable for this display such as old dolls, games, sleds, handmade toys of all types, wagons, etc.

You are welcome to bring the toys to the Historical Society Annual Meeting to be held at the Old Black Smith Shop on Main Street on Monday, September 20 at 7:30 P.M.

Call Florence Parr 428-8658 for further information. Classes of school children and organizations are encouraged to plan to visit the exhibit which will be open Thursdays, Fridays and Sundays from 1:00 to 4:00 and Saturdays from 10:00 to 12:00, 1:00 to 4:00, and 6:00 to 8:00 from October 14 to November 14.

Retirement wouldn't be bad if you could speed up the days and slow down the years.

Spur Of The Moment

The Spur of the Moment horse show, started out kind of "shaky". First, our announcer, Paula Hartman had the flu and

came from a sick bed to help set up the arena and the speakers. Next, the van which we use for the announcers booth had a dead battery, so that had to be jumped. When we finally got things going it was hot and sticky, but the show was nice.

Our judge was Carolyn Cherniak from Dearborn Heights, our announcer was Stephanie Hendricks from Clinton. We thank them both, they did good jobs.

Pony Pleasure: sponsored by Eames Animal Clinic, Manchester. 1st Cindy Johnson with Shadow, 2nd Kristen Houck showing Minute Man Sentenel, 3rd Shelia Haab and Buttons. 4th Jeannie Buss showing Smokey.

Walk Trot Class: 1st Kerry Hunget on Smokey, 2nd Eddie Monaghan on King.

Pony Speed: Sponsored by Kosmyna Chiropractic Life Center, Clinton. Smokey and Jeannie Buss won high point trophy with (15) points.

Youth Speed: sponsored by Annie White, Huntsville, Alabama (Whites Arena) High Point trophy went to Tonto, and Sue Shear with (20) points.

Adult Speed: Sponsored by David Little and the Clothes Line, Manchester. Jeannie Bunn riding Viking won high point trophy with (17) points.

Our final show of this year will be held Sunday, October 3rd. It just may be the final show, period, if we don't get some of the people coming to compete.

allergies, metabolic causes, burns, bacterial infection, immunologic failure, molds, poisons, tumors, drug reactions, and developmental failure. A physical examination by the veterinarian, together with the history given to the veterinarian by the pet's owner, are essential for a proper diagnosis. Helping to determine the cause are laboratory aids such as blood chemistry, hormone level determination, skin scrapings, and skin biopsies.

Such a variety of skin conditions, many of them very similar in appearance, requires a variety of treatments. Further compounding treatment is the difference in response of a condition to the same medication. What works well with one dog may have little effect in the next patient with the same problem.

The MVMA points out that the common flea can cause an allergy in susceptible dogs. Particularly stressed is the need for regular weekly treatment extending over a period of four to eight weeks, depending upon the season of the year, after the last flea has been seen.

Volunteers Needed For Crises Center

SOS is a non-profit organization that is completing its twelfth year of uninterrupted service, seeking individuals to become crisis counselors for its 24-hour/7 days a week Hotline and Walk-in service. Interviews for prospective volunteers will begin September 21st and continue through September 30th. The initial training program will begin October 1st.

As a volunteer, individuals will receive 65 hours of training in counseling areas such as: empathy, crisis intervention, depression, suicide prevention, relationship problems, and other crisis related areas. To be eligible for training a candidate must be accepted after an interview into the Training Program and be able to work a total of 8 hours per week, (or 16 hours per two week cycle) for the six months following training.

The SOS Community Crisis Center is located at 114 North River Street in Ypsilanti, and is funded by Washtenaw United Way, the City of Ypsilanti, and private donations. We encourage anyone interested in learning more about becoming a volunteer phone and walk-in counselor to call 485-8222, anytime.

Dogs Can Have Allergies Too

Sniffles in humans, skin problems in dogs - both can be due to allergies and both are very frequent this time of year. The only difference in allergies in the human and allergies in the dog is the target site - respiratory system in the human and skin in the dog. Dogs rarely show excessively watering eyes and nose along with a cough, but allergy affects 10 to 15 percent of the dog population.

Allergies can be miserable and even debilitating to the human and equally miserable to the dog. Dogs will scratch, rub, and bite at their skin, occasionally to the point of causing severe damage such as thickening of the skin, flaking and redness, and hair loss can be extensive, leading to bald areas. The Michigan Veterinary Medical Association (MVMA) recommends that dogs with skin irritation be taken to their veterinarian.

Dogs can have skin problems and loss of hair from many causes other than allergy. Veterinarians must deduce the cause by diagnostic selection from such conditions as lack of hormones, excessive hormones, various external parasites, caustics.

MANCHESTER TOWNSHIP PLANNING COMMISSION

Girl Scout Uniforms Needed
Brownie and Junior uniforms are needed. If you have a uniform that you would like to sell or donate to another girl please call Bonnie Colter 428-7337.

Attention! Jolly Farmerettes
The ideal of calm exists in a sitting cat." Jules Renard

CARDS OF THANKS
The Family of Ella Schuman wishes to express our appreciation for the kindness shown us during our recent bereavement. Thanks to Ron, June and Jim Jenter; Dr. Peterson and Staff at Jackson Osteopathic Hospital; The Stockbridge Nursing Home and Staff and Dr. Hwang; Special thanks to Rev. Bob Macfarlane for his many visits to see Mother and his encouraging words; The "General" for his many visits to cheer up Mother. A special special thanks to Alma for her many acts of kindness, and to John and Sue who looked after Mother when we couldn't. Our friends and neighbors for the beautiful floral arrangements and plants and the luncheon put on by the Womens Fellowship. Your kindness will always be remembered. Mr. and Mrs. Ted Chebowaki and family Mr. and Mrs. Earl Schuman and family Mrs. Shirley Schuman and Karen Lee Bagley

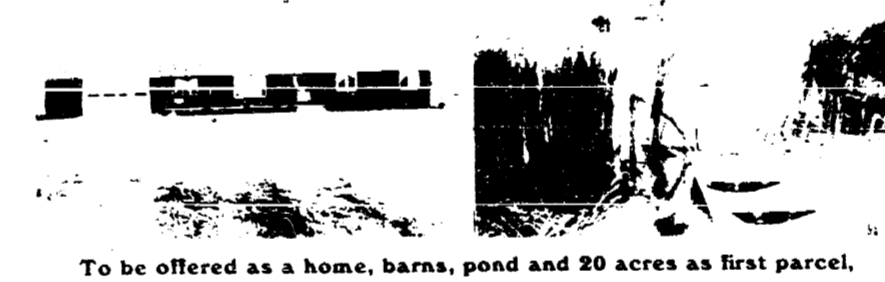

Girl Scouts Is Fun! Join Us
Now is the best time to register for membership in the Girl Scouts of the U.S.A. and join a troop. Girl Scouting can play a large role in the life of a girl as she is growing up. Girls can share many new experiences and friendships. Brownie troops are having their first registration Wednesday, September 15 at 6:45 in the Klager School Gym. Girls need to be accompanied by a parent to sign consent forms and pay \$3.00 registrations if possible. Junior age girls, 4th, 5th and 6th graders will have their first registration, Thursday, September 16th at 6:30 to 7:30 at the Knights of Columbus Hall. Girls should be accompanied by a parent to sign consent forms and pay registration. Junior Troop #653 will have its first meeting and continued registration Tuesday, September 21st at 6:30 to 8:00. Cadette age girls, 7th and 8th graders, will be having their first meeting the week of September 20th. Please call leader Barbara Currence, 475-1993 for more information. Leaders are still needed for some troops. Girl Scouts are special and give so much to this world of ours. Being leaders, gives adults the opportunity to help girls live to their fullest potential and grow to be an important part of their family and community. Come, join a troop. Would you like to make the difference in a girl's life? For more information about Girl Scouting in Manchester call Dianne Schwab, Troop Services Director 428-8976.

Thanks to all for the birthday cards you sent me - it was such a happy surprise. Louise Way

The Band would like to thank all those who helped make our first halftime show a success. Special thanks to Irene's Tailoring for the beautiful tailoring job on our drum major uniform and Sharon Hunt for the design and construction of the majorette uniforms. We would also like to thank Eric Minick for all his time and effort spent on the construction of our conducting box. A special thanks to the parents for their support during all our extra rehearsals. We look forward to cheering our team to victory during our next 3 home games and hope to enjoy your continued interest and support.

Sincerely,
MHS Marching Band

University is seeking persons 29 through 64 years of age, who have had only one heart attack in the past 5 years with no history of heart surgery, diabetes or stroke. All such persons are urged to call the University of Minnesota Hyperlipidemia Study collect at 612-876-4494 for more information.

Iron Kettle Spinners And Weavers Guild

Iron Kettle Spinners & Weavers Guild will meet on Wednesday, September 22, 7:30 p.m. at the Manchester High School, room 103. New members and guests invited as we will be planning the year's activities.

Free House Plant Care Class

Does wintertime spell bad news for your houseplants? Low humidity, grey winter days and cool temperatures are just a few of the factors that lead to houseplant problems. Learning how to diagnose and (even more important) avoid cultural problems may save a plant's life! Get your questions answered and learn how to care for your house plants from an expert. September 22, 1982 at 1:00 p.m. Nancy Butler, Horticultural Assistant with the Cooperative Extension Service will cover the basics in Extension's meeting room, 4133 Washtenaw Avenue (the building with the big red square). The program is free and open to all. The meeting room is barrier free. Call 973-9510 for directions.

Medical Study Seeks Heart Attack Victims

Volunteers are urgently needed to help combat America's number one killer, atherosclerosis. This disease is primarily responsible for heart attacks, strokes, and related fatal diseases that account annually for almost one million deaths or 51% of all deaths in the United States. The National Heart, Lung and Blood Institute is conducting a program at four participating medical institutions, including the University of Minnesota, to determine whether lowering blood cholesterol levels will reduce the risk of heart attacks. The

Mothers Against Drunk Driving

Mothers Against Drunk Drivers of Washtenaw County will hold its next monthly meeting on Thursday, September 23, at 7:00 p.m. at the Sheriff's Department on Hogback Rd. near Washtenaw. The agenda includes the film "Twenty Ways to Recognize a Drunk Driver" and a walk through from the first observation through the booking procedure. (Please bring only the minimum personal possessions with you for the walk through.) Interested persons will also be able to register for the October 14 session on court monitoring to be conducted by attorney Mike Ritzenour.

Historical Society Annual Meeting

The Manchester Area Historical Society will hold its Annual Meeting on Monday, September 20 at 7:30 P.M. in the Old Blacksmith Shop on Main Street. Following the election of officers, the main focus of the meeting will be on the exhibit articles for "Toys, Past and Present" exhibit to be held October 14 to November 14. Any area residents and society members are asked to bring toys such as old dolls, games, handmade toys of all types, skates, sleds, trains etc. to be placed in the exhibit. We hope to make this a truly interesting exhibit for young and old alike. Plan to attend the annual meeting and support the Historical Society keep the past alive for us all. Call Florence Parr 428-8658 for information concerning the exhibit.

NOTICE OF MORTGAGE SALE
WHEREAS, default having been made in the payments of the sum of money secured and made payable by a certain mortgage made and entered by WILLIAM D. POWELL and BARBARA J. POWELL, husband and wife, of 19870 West Austin Road, Manchester, Michigan 48158, as mortgagors to Union Savings Bank of Manchester, now merged into THE NATIONAL BANK OF JACKSON, a Federal banking association, of 245 West Michigan Avenue, Jackson, Michigan, as mortgagee, which said mortgage bears date of May 8, 1981 and was recorded in Liber 1804, Page 385, Washtenaw County Records on June 11, 1981, and WHEREAS, the payments provided for in said mortgage have remained unpaid and in arrears for two months preceding this date, and The National Bank of Jackson being authorized to do so by the terms of this mortgage, and having declared the whole sum secured by this mortgage, due and payable forthwith, and that there is now claimed to be due and payable on said mortgage at the date of this notice the sum of Forty Thousand Two Hundred Eleven and 96/100 (\$40,211.96) together with attorneys fees and costs provided for in said mortgage or any part thereof.
NOW, THEREFORE, by virtue of the power of sale contained in said mortgage and the Statute in such case made and provided, notice is hereby given that on September 30, 1982, at ten o'clock in the forenoon of said day at the front door of the Courthouse in the City of Ann Arbor, County of Washtenaw and State of Michigan (that being the building in which the Circuit Court for said County is held); The National Bank of Jackson will sell at public auction to the highest bidder, the premises described in said mortgage, situate and being in the Township of Manchester, County of Washtenaw, Michigan, and running thence South along the East line of said Section 286.55 feet to the center line of Highway M-11; thence South 72 degrees 36' West along the center line of said Highway 878.36 feet to the beginning of a circular curve to the right of radius 601.60 feet; thence continuing Southwesterly along the center line of said Highway and on the arc of said curve subtended by a chord which bears South 81 degrees 49' 15" West 192.60 feet for a Place of Beginning; thence continuing Westerly along the center line of said Highway in the arc of said curve subtended by a chord which bears North 86 degrees 50' West 44.70 feet to the tangent point of said curve; thence North 84 degrees 42' West along the center line of said Highway 75.35 feet; thence South 0 degrees 23' East 200.00 feet; thence South 84 degrees 42' East 120.0 feet; thence North 0 degrees 23' West 201.80 feet to the place of beginning, containing 55 acres of land, more or less and being part of the Northeast 1/4 of said Section. Situated in Township of Manchester, Section 10, Town 4 South, Range 3 East, Washtenaw County, Michigan. The period of redemption shall be six months from the date of said sale.

Manchester Township Library

222 WEST MAIN STREET
MANCHESTER, MICHIGAN 48138

Though most Manchester Township Library patrons use the Library as a place to borrow books, there are other services available and used by residents. In addition to the story hours for pre-school children which are offered routinely and which will start again in October, school students are encouraged to use the many research books and pamphlets at the Library. The staff is always willing to help find and/or send for items not easily located by the students. The record collection is available on a loan basis and includes children's, popular, and classical numbers and some special holiday discs.

Those patrons who are physically or visually impaired and could benefit by use of books on record or tapes are urged to use the County System's library for the Blind collection. Staff members at our Library are able to certify this need and the materials can be picked up there. (This is a free service funded by the U.S. Library of Congress and includes records or tapes of books, music, and magazines of many subjects; and equipment needed to use them. The Large Print books are also available upon request, either through the same County Service or specifically through our staff.

Films can be ordered and a projector, owned by the Manchester Library, can be

reserved (with refundable deposit) in advance. Patrons who wish to show movies should discuss availability and plan ahead, since the film service is limited and popular.

For special requests of pamphlets or books now owned by Manchester Library, copies of pages or short-term book loans are usually possible from the County or State System. The staff members are willing to search for specific titles.

Near the magazine rack in the hallway of the Library are many government and organizational pamphlets, some of which are free for the asking. Also, the copy machine is available for public use at a small charge. Library patrons have brought in many used books, games, and puzzles which are on tables in the basement. These items are for sale by the Friends of the Library during the times the building is open. The box of coupons for coupon exchange is for all patrons.

And, as a very important service to the Manchester community, the Library houses many items of the Manchester Area Historical Association in an upstairs room. In the collection are many artifacts, photographs, books, and copies of the Manchester Enterprise, some bound, some on microfilm. Access to the collection is by permission of the library staff.

Information Sought On Biological Parents

My stepdaughter, Sherry Lewis, is looking for information on her biological parents. Her mother was Daisy Denton, father, David Eglund or England.

Sherry was born on October 7, 1949 in Ann Arbor, Michigan. Adopted by James (Henry) Vaughn and his wife, Charlene. It is Sherry's understanding that she may have a brother or sisters. The Vaughns lived near Manchester, Michigan when Sherry was born and her father and Henry Vaughn worked together at Kaiser-Fraser.

If anyone can help us, please write or phone: James Vaughn, 956 S. 6th Ave., Kankakee, Illinois 60901. Phone: 815-939-1802.

Manchester Area Historical Society

Interested in an old fashioned hayride when color tour time is here? People go miles to see fall colors while the country roads around Manchester are most spectacular.

The fund raising committee for the Old

Blacksmith Shop is toying with the idea and would like to know if there is any general demand for such a party in the area. Call John Swainson, 428-8009 or Howard Parr, 428-9233 if it sounds like an interesting project. Better yet, bring your suggestions with you when you come to the September meeting of the Manchester Area Historical Society, Monday night, the 20th, at 7:30 at the Old Blacksmith Shop.

Also bring those old-time games and toys mentioned in last week's story in the Enterprise, "Toys, Past and Present". If you need further information about the toy show, call Florence Parr, 428-8658.

Senior Citizens Meals And News

If you haven't started with Senior Meals this fall, phone in your reservation, 428-8359, soon. Linda Hartmann can give you all the information needed.

The menu for Tuesday, September 21 is: Chop Suey, Fruit, Bread & Butter, Dessert, Coffee, Tea and Milk.

On Thursday, September 23, they are serving: Beef & Noodles, Vegetable, Fruit, Bread & Butter, Dessert, Coffee, Tea and Milk.

The exercise classes will start on

School Lunch Menu

Thursday, September 16, Hot Ham & Cheese Sandwich, Oven Brown Potato, Mixed Vegetables, Cinnamon Applesauce & Milk.

Friday, September 17, Fruit Punch, Tacos with Sauce, Lettuce, Tomato & Cheese, Buttered Corn, Molded Fruit Salad & Milk.

Monday, September 20, Chicken Patty/Bun, French Fries, Vegetable Stix, Butterscotch Pudding & Milk.

Tuesday, September 21, Beef Goulash, Buttered Green Beans, Bread/Butter, Diced Peas & Milk.

Wednesday, September 22, Vegetable Beef Soup with Crackers, Deli-Turkey Sub, Dill Pickle, Crushed Pineapple & Milk.

Engagement Announced

Mr. and Mrs. LaVern Eversole of Manchester are proud to announce the engagement of their daughter Dawn Louise to Mark E. Neigebauer, son of Mr. and Mrs. Dale Neigebauer, also of Manchester.

They are both 1981 graduates of Manchester High School. Mark is an Aeromedical Specialist in the U.S. Air Force, stationed at K.I. Sawyer Air Force Base in Marquette, Michigan. Dawn is employed as a secretary at Eden Foods, Inc. in Clinton, Michigan.

A March 19, 1983 wedding is being planned.

COUNCIL PROCEEDINGS

August 16, 1982

The regular meeting of the Manchester Village Council was called to order by President Hinkley at 7:00 P.M. Present: DuRussel, Petach, Koebbe, Tracy, Kalleward and Zeenyuk. Absent Reed.

Minutes of the August 2, 1982 meeting were read. Tracy moved to approve minutes as corrected. Supported by Petach, motion carried.

Vera Kluewe explained to Council that she was withdrawing her request to amend the Zoning Ordinance to include "Veterinary Clinic" among the conditional uses allowed in an R-1B District, because it had become apparent that no mechanism would be found in the Village Ordinances at this time to permit such a use.

Jim England representing the Manchester Senior Village, said he met with a committee from SEMCOG last week. They reviewed the project and they raised the same concerns that Council did, about the sewer and treatment facilities. A committee from H.W.Q.B. (Water Quality Board) indicated that the process that the Village Engineers were recommending was acceptable. As a result of the discussion SEMCOG unanimously recommended the project.

Kalleward read the minutes of the Public Hearing on the petition of the Manchester Senior Village Inc., to rezone a 5 acre parcel of land at the end of Galloway Drive. At the hearing Jim England stated that the development would include a self-contained storm drainage system not attached to the Village system, also approximately 50 foundation and downspout drains, currently connected to the combination drain, and at least 15 of these could be disconnected. Kalleward said the Planning Commission also unanimously approved the project.

Don Limpert asked if Charles Fifield the engineer from McNamee, Porter & Seeley could clarify why the removal of 15 downspouts would allow that project to go ahead. Charles Fifield said this is the number that has been approved by the D.N.R. This is the only way to allow more development in Manchester until the Village corrects the sewer system and builds a bigger Treatment Plant. Don Limpert asked Mr. Fifield if he as the engineer would recommend the project and he said he would.

Helen J. Kensler Village Clerk

Kalleward moved to rezone the 5 acre parcel at the end of Galloway Drive from Agricultural to R3, supported by Koebbe. Roll call vote: DuRussel-yes, Petach-no, Koebbe-yes, Tracy-yes, Kalleward-yes. Motion approved.

Dave Swank from A.I.S. Construction Equipment Corporation came to explain Municipal Leasing. He wanted Council to consider leasing equipment the next time the Village has a need.

A Public Hearing was held at 8:12 P.M. Wendell Reinhart presented the final figures on the millage. Richard Kuntz was present to answer questions.

Tracy moved to adopt 14.68 mills for the 1982-83 Budget, broken down in the following manner: General Fund 9.08 \$199,779.77; General Highway 3.50 \$76,813.56; Bridge Bond .90 \$17,428.28; Water & Sewer 1.30 \$28,724.40; a total of 14.68 \$322,746.00. Supported by Kalleward, motion prevailed.

Tracy moved to approve the Budget as presented with the additions of \$1000.00 for Dial-A-Ride and \$1000.00 for the Narcotics Team. Supported by Koebbe, motion carried.

Council decided not to buy new trash containers at this time.

DuRussel moved to Ban Smoking at all Council meetings, supported by Petach. Motion approved. Zeenyuk said he would post signs by the next meeting.

Tracy said the Police Department will need a new car in the near future.

Tracy said the Police Department needs a new radar unit, which will cost approximately \$1500.00. Council approved the purchasing of a new radar unit.

Koebbe presented the Public Works report: Hauled and spread gravel; Worked on water services on Main St.; Worked at Landfill; Flushed filters; Emptied trash barrels; Routine Park maintenance; Worked on water ditches at the Bauernstube; Installed water meters; Put up street signs; Routine street maintenance; Worked on drinking fountain. Built barricades; Main Street Construction; Opened Parks; Mowed Village grounds; Sewer system maintenance; Worked at Well House; Repaired Street Sweeper; Worked at the shop; Moved tables up town; Set up for Street Fair; Street Fair clean up. Meeting adjourned at 9:40 P.M.

Helen J. Kensler
Village Clerk

News Of Good Things Growing

By Margaret G. McCall

You can get a head start now on autumn apples with the arrival of Paulareds, which ripen about three weeks earlier than the earliest of the fall crop.

This variety is a Michigan original, discovered in an orchard near Sparta about a decade ago, which makes it extra special among the good things growing in our state. Paulareds are a nice bright red, with a light to creamy flesh and a tart flavor. They're good for eating out of hand, for pies, salads and general cooking purposes.

Michigan ranks third among the states in total apple production, and last year harvested 640 million pounds worth about \$56 million, according to the Michigan Department of Agriculture. Our state is the nation's leading producer of Jonathans and Northern Spys.

Apples are delightful in salads, and I'm pleased to see more people using them in combination with meats. Chicken, turkey and ham salad all have added flavor when diced fresh apples are included.

I first encountered applesauce accented with horseradish at a Governor's luncheon at the Ionia fair some years ago, and have been using that combination ever since. It's especially delicious with pork.

Applesauce cake is popular, and sliced apple cake is equally good, but the favorite of my childhood was apple turnover. Sliced apples were spread generously in a buttered pie plate, topped with a rich shortcake batter and baked until done. Then came the "turnover" part, onto a serving platter, after which the hot apple slices were lightly sprinkled with brown sugar and nutmeg.

The turnover was served with hot butter sauce, liberally laced with vanilla. Delicious and easy to prepare!

C.P.R. Saves Lives

Knowing what to do in an emergency can make the difference; knowing C.P.R. may provide the skill to make that difference between life and death. C.P.R. stands for Cardio-Pulmonary Resuscitation which is an emergency first aid procedure which provides artificial breathing and circulation until professional medical attention may be obtained. Classes are

taught by Red Cross certified instructors.

Two separate classes are currently scheduled at Saline Community Hospital. The first class will be held on Saturday, September 18, 1982, from 8 a.m. to 4:30 p.m.

The second class is scheduled for Monday, September 20 and Wednesday, September 22, 1982, from 6:30 to 10:30 p.m. Attendance at both the Monday and Wednesday sessions is necessary for certification for this class.

Additionally, a C.P.R. Instructors class has been scheduled for those already C.P.R. certified who would like to learn to teach others this life-saving skill. The Instructors class will be held on Tuesday, October 26, Wednesday, October 27 and Tuesday, November 3, 1982, from 6:30 to 10:30 p.m. Attendance at all three sessions is required.

The class fee for all C.P.R. classes is \$2 with the purchase of a manual optional. Registration is required and may be completed by calling Saline Community Hospital at 429-5436, ext. 331. Class size is limited.

Fall Tree Sale Closes Soon

October 8th is the last day orders for tree seedlings will be accepted by the Washtenaw County Soil Conservation District, for its Fall Tree Seedling Sale. Interested persons are encouraged to get their orders in prior to this date.

Eight tree species are being offered for conservation and reforestation purposes. They include: Austrian Pine, Red Pine, Scotch Pine, White Pine, White Spruce, Norway Spruce, Colorado Blue Spruce and Douglas Fir. All trees are available for \$12.00 per 100 trees. The trees are bundled in lots of 50, so minimum orders of any species will be 50 trees.

Trees will be available for pick-up on either Tuesday, October 19 or Wednesday, October 20, at the Soil Conservation District Office, 6101 Jackson Road, Ann Arbor, 1/2 mile west of Zeeb Road. Time for pick-up will be between 8:00 a.m. and 4:30 p.m.

For more information, contact the Washtenaw County Soil Conservation District Office, 6101 Jackson Road, Ann Arbor, Telephone: (313) 761-6721.

Pursell To Speak On 'Gifted/Talented'

Pictured above are Carl Pursell, David Little and Bob Weber, assistant to Congressman Pursell.

Honorable Carl D. Pursell, Michigan's 2nd District Congressman, will be speaking on "Today's Federal Perspective on Gifted/Talented" at the High Point Cafetorium, Washtenaw Intermediate School District, 1819 S. Wagner Rd., Ann Arbor on Monday evening, September 20 at 7:30 p.m. The congressman will discuss what's happening for gifted/talented students in the light of shrinking federal dollars and highlight gifted education in U.S. Department of Education priorities. Congressman Pursell authored the landmark legislation for gifted and talented students in Michigan in the early 1970's and at the federal level in Public Law 95-561-Educational Amendments of 1978. Known as one of the republican "Gypsie moths", he serves on both the House Appropriations and the Sub-Committee on Labor, Education, Health and Human Resources.

The Ann Arbor Area Association for Gifted Children is sponsoring the event. For more information call 994-8197 or 429-7273.

Emanuel Church To Hold Third Anniversary Event

SUNDAY, SEPTEMBER 26
At 10:30 A.M. Sunday Morning Worship, Emanuel United Church of Christ will hold the third of four events planned this year in celebration of the Church's Anniversary Years. 1982 marks the 120th year of the founding of the Church, the 100th year of the building of the Sanctuary, and the 25th year of the establishment of the United Church of Christ.

During worship, the third octave of Handbells will be dedicated, when the Adult Handbell Choir performs. This octave is given in memory of Mr. Erwin "Red" Huber by his family, and the new tables and accessories are given in memory of Mr. Robert Clark by his family.

REV. KROEHLER PREACHING
Special guest for the event will be the Rev. Henry G. Kroehler, who was the President of the Michigan-Indiana Synod of the Evangelical & Reformed Church, and who was present at Oberline College, Ohio, where in 1857 the historic merger of four major denominations became the United Church of Christ.

Rev. Kroehler, now retired in Elmhurst, Illinois, was last in Manchester in 1962, twenty years ago, for the celebration of the founding of Emanuel Church in 1862.

EVENING BANQUET
At 4:00 p.m. at the American Legion Hall, the entire congregation will gather for a Banquet, Entertainment, and Dancing. A buffet of Hot Roast Beef and Ham will be served beginning at 4:45, under the direction of Mrs. Dawna Stockwell and her crew. Movies and slides taken of the capital improvements to the Church will be shown, along with singing, a "gong" show, and dancing to the music of Brad Frey's Band, "Hindsight."

The evening has been planned by the Young Adult Fellowship as an event for the entire family. Reservations are still being accepted, and can be called in to the Church office 428-8259.

Anne Ballew United Way Kick Off Speaker

Manchester's United Way Kick Off dinner meeting will be held this year on Wednesday, September 29, at the Emanuel United Church of Christ beginning at 6:45 P.M.

Anne Ballew, Executive Director, Hospice of Washtenaw, will be our guest speaker. Ballew is a graduate of the

Fair Board Survey Results

The Manchester Community Fair Board would like to thank all of you who took the time to fill out one of our survey cards. Your comments and suggestions have all been read and noted. Of the 320 ballots we counted, only 3 said they would not want a Fair next year. The 1983 Manchester Community Fair will be held the third week in August.

Many of you expressed a wish for more/larger/different rides and games. We will be looking into some possibilities a little later in the year.

Some of you thought there should be more displays in the Merchants' Tent. Every year we work hard to completely fill this display, but there are usually a few who have reserved space and can't come at the last minute for one reason or another. Kathy Richardson did an excellent job this year contacting merchants and reserving space.

Some of you also commented on the need for a larger Fairground, possibly one the Fair would own. While we would like nothing better, there are simply no funds to purchase grounds for the Fair.

Manchester's United Way is an all volunteer organization (non profit) incorporated in 1960, solicitation # MISC 3064.

We were very pleased at the number of people who expressed a desire to serve on the Fair Board. The nominating committee will present names at the annual meeting October 11 to fill the vacant positions. Those who are nominated and elected will find that there is a great deal of work to making our Fair a success and the people who are willing to work, though not holding a Board position, are very valuable assets indeed.

At the September meeting it was decided to create a position of Second Vice-President, to be filled at the annual meeting in October. The Board also decided that any Board member missing three consecutive meetings without contacting another Board member (the First Vice-President) in advance would be excused from the Board.

Thank you again for all your comments and thank you to all our volunteers this year whose time and talents helped us make the 1982 Fair another success!

Manchester Area Historical Society

Manchester Area Historical Societies annual meeting was well attended by an enthusiastic group of members and prospective members carrying baskets of toys for the coming exhibit. Election of officers followed the reports of committees for the past year.

John Swainson was elected president of the organization and will continue as chairman of the Fund Raising Committee for financing the purchase of the Old Blacksmith Shop. Mrs. Lewis Kellum will be first vice-president in charge of programming meetings. Mrs. Alvin Kappler as second vice-president will be membership chairman and curator of the museum. Mrs. Jesse Walker is treasurer for the Society and Mrs. John Sauter, recording and corresponding secretary. Four Directors were named: Loring Ebersole, Mrs. Dorothy Mann, Tom Walton and Howard Parr, past president of the group. Mr. Ebersole will continue as treasurer of the Fund Raising Committee and Tom Walton will chair the Building Committee.

The report of the Fund Raising

HIT or MISS

Now that school sessions have settled down and we have become used to our routines for the next eight months or so we have found a report of a survey that will be of special interest to all parents of teenagers. It is entitled "How To Avoid Embarrassing Teenagers" and, as you parents who fall in that category well know is a very important document and every parent in that classification should have a copy.

The authors of the survey report that they interviewed 160,000 youngsters and came up with a list of things they wish wouldn't do. The four most important were:

1. Don't reprimand them in front of friends.
2. Don't treat them like babies.
3. Don't make scenes in public places.
4. Don't act inappropriately.

To give examples:

1. Don't, as your daughter comes into the room to greet her date, say, "Susie, don't squeeze the pimple on the end of your nose."
2. Don't tell his teammates that Johnnie still has his Teddy Bear in the closet.
- 3 and 4. This means that your teenager has a right to do anything that he pleases, that is, anything that could be called legal such as wearing an orange Mohawk hair cut while sis runs about with a large safety pin anchored in her pierced ear. Above all, ignore these things; don't call attention to them, says Ellen Goodman, an evident specialist on such things. Most children who once thought their parents perfect now, at this age, think they are hopeless. They are as critical of their parents as they are of themselves. Anything we do that is

"Reach In-That We May Reach Out"

weird, reflects on them so when we are with them about all we can do is to sit quietly saying "Yes dear", and "No dear". There is no argument with that. Now to go back to number one:

Above all don't reprimand them in front of their friends. I don't know how to accomplish this because that is the only place that they are. They spend about an hour each day awake and alone but usually that is spent in their room in front of the mirror with the door locked. And as for number two, "Don't treat them like babies", Ellen says, that it is rather embarrassing for a mother to reach over and wipe her son's mustache at his college admission interview.

And above all remember that we must, at all times, be on guard that we utterly humiliate and destroy their self esteem by being noticed. Don't do things like laughing out loud, talking out loud, correcting a clerk in a store, sniffing at a cantaloupe, or any other blatant breach of etiquette.

A friend of ours was lounging about in shorts the other day when his grandson age 4 or 5 stood studying the scars on one of his legs from a recent operation. "What is that" he said, pointing to one of them. "That's where I had my leg fixed" replied the friend. "Better get it fixed again" stated the youngster gravely.

Here's one to repeat as quickly as you can. "Double bubble gum bubbles double."

Scout Night Join The Scouts

Cub Scout Packs 421 and 433 of Manchester and Pleasant Lake invite all third, fourth, and fifth grade boys to join the Cub Scouts. Scout Night for these 6, 9, and 10 year olds will be held September 29 at 7:30 P.M. at Emanuel Church Hall, 284 West Main Street. Register and share in the Cub Scout fun, ideals, and fellowship.

Parents watch for the Scout Night flyer and comic book which will be passed out at school. A Boy Scout Leader will be in attendance for boys of Boy Scout age.

Football Game Time Change

Game time for the Varsity Football game with Capac will be 7:00 p.m. This is due to the travel time involved for Capac which is between Flint and Fort Huron. All other Varsity games will begin at 7:30 p.m.
