

Deterioration Of County Roads

A dramatic illustration of how lack of funds is contributing to deterioration of Michigan's primary county roads is revealed in a new survey just completed by the County Road Association of Michigan.

The survey shows the state's 63 county road commissions, faced with dwindling gas and weight tax revenues, have drastically cut back on resurfacing and basic maintenance programs.

"Severe reductions in recapping and sealcoating on Michigan's 25,980-mile county primary road system mean possible loss of our road bases," according to Earl F. Rogers, engineer-director of the County Road Association.

"Unfortunately, proliferation of potholes and cracked pavements produce added costs for motorists in terms of reduced gas mileage, greater tire wear, and damage to vehicles.

"Our study shows at least 1,350 miles of county primary blacktop roads should be recapped every year just to protect the surface, but lack of funds forced counties to limit recapping to only 522 miles in 1980 and just 256 miles in 1981. Without periodic recapping we risk loss of the surface and road base itself.

"Sealcoating, which protects roads from cracking and deteriorating, should be done on at least 2,250 miles of county primaries every year, but funds are so tight that road commissions could afford to treat only 1,150 miles in 1980 and 890 miles in 1981."

Primary roads are main county arteries over which millions of motorists travel daily to reach freeways or major county communities.

Rogers warned that unless more adequate funds for roads and streets are found soon, the state will face a multi-million dollar cost to rebuild basic road bases.

Noting that the county share of state gas and weight taxes had decreased from \$245 million in 1979 to 128 million in 1980 and \$217 million in 1981, Rogers said the funding crisis has been crippling to county road administration.

"In addition, lack of funds has caused reductions in equipment replacement and maintenance. Counties normally should spend \$28 million annually to keep truck fleets and machinery at standard operating levels but in 1980 they spent only \$21 million and that was cut further to just \$11 million in 1981."

Rogers noted that local county revenue sources, such as special assessments, township fund-matching, and county appropriations, have steadily increased in recent years but the limit has been reached in ability of local units to shoulder road maintenance costs.

State motor fuel and license plate revenues have shrunk for several years as motorists shifted to lighter, more fuel-efficient vehicles while at the same time costs of road construction and maintenance rose with inflation.

Rogers said the plight of county primary road upkeep is serious but even worse for county secondary roads which have been all but ignored due to fund shortages. Secondary roads serve subdivisions and rural areas, acting as feeders to the primary and state trunkline systems.

Area Morning Fog Creates School Start Up Problems

On several mornings recently thick fog has created severe problems for the transportation department of the Manchester Community Schools. Often fog conditions form just before daybreak. This is approximately the time at which drivers begin to check their buses and prepare for morning runs.

A decision must be made at approximately 7:00 in the morning as to whether or not runs will begin at the normal time. This decision is, of course, based upon visible distance. Department of Education regulations state that school buses must have clear visibility for a minimum of 400 feet in either direction. If in the opinion of the transportation supervisor and the superintendent the safety distance is less than the required space, start up time is delayed for at least one hour. This fact is immediately reported to radio stations WJR, WPAG, WNRS, WAAM and WEMU. If weather conditions look questionable parents should be certain to listen carefully to one of these stations.

Telephone calls either by students or parents to the transportation office serve only to disrupt the necessary communication lines which must be available to the administration. All persons are requested to please refrain from calling the bus garage in order to obtain information regarding start up times. All such information is broadcast by the radio stations.

"I am probably a little more conservative than most superintendents in making the decision about whether or not buses should run in the fog," says Superintendent Eugene Thompson. "I much prefer to delay school just a little bit longer in order to be certain that none of our buses are in extreme danger when they are stopped. We recognize the problems which are created for single and working parents especially but feel that the inconvenience is preferable to the risk of having children injured as the result of poor visibility."

"The Last Epidemic"

On Saturday, at 7 p.m., the film: "The Last Epidemic" will be shown at the Manchester United Methodist Church. This film looks at the issue of Nuclear Weapons. A discussion of the film and the ballot proposal E will follow the film presentation. The meeting is open to anyone from the community.

M.H.S. Students Honored

Scott Hunt
Paul Voytas

Scott Hunt and Paul Voytas, members of Manchester High School's Class of 1983 have been commended in the 1983 National Merit Scholarship Program.

Scott, the son of Mr. and Mrs. Bruce Hunt, 327 Schaffer Court, has been active in extra-curricular activities in High School. He has participated in varsity choir, school plays, wrestling and football, as well as being a member of the National Honor Society for the past two years. He has also been a member of the Student Council for four years. As a Sophomore, Scott was elected Council Treasurer; as a Junior he served as Council President and he is currently Council Vice President. He plans to major in engineering and is considering attending the University of Michigan, Michigan Technological University or the Air Force Academy.

Paul, the son of Mr. and Mrs. Joseph Voytas, 17723 Pleasant Lake Road, is a member of the National Honor Society. As a Sophomore, Paul was placed on an academically accelerated program to enable him to enroll in college a year early. As a result, he finished his high school course work at the end of the last school year and is currently enrolled at the University of Michigan as part of the University's Young Scholars Program. He plans to major in physics. By next June Paul will have already completed one year of college but he will return to graduate with his class at Manchester High.

will benefit by the full development of their talents.

The students being commended this month entered the 1983 Merit Scholarship competition by taking the qualifying test in 1981. Commended participants scored high, but slightly below students in their respective states who qualified as Merit Program Semifinalists. Only the 15,000 Semifinalists, who were announced in a national news release on September 16, will receive further consideration for about 5,000 Merit Scholarships to be awarded this next spring.

Campaign In High Gear

Pictured above are members of United Way campaign, Village Division, Team B. From left to right they are: Betinda Rogers, Kim Stripp, Dawn Adams and Kelly Patton, Captain.

Manchester's one hundred plus United Way volunteers are out in force, contacting every citizen in the Manchester area, to receive their contributions to this year's campaign. Their goal is \$30,358.00 in support of 38 local, county, state and national health and community agencies.

Dr. Lehr's campaign structure includes seven divisions. The divisions, chairpersons and campaign quota are: Business, Harvey LeBeau and Tom Kallewaard, \$3,734.00; Industry, Clarence Fielder, \$18,214.00; Organizations, Janice Little, \$364.00; Outside Business, David Little, \$609.00; Rural, Sally Anderson, \$4,250.00; Schools, Dr. Eugene Thompson, \$1,366.00 and Village, Maryanne Koebbe, \$1,821.00.

Most divisions are organized into teams. Members of the Village Division's six teams will be carrying the message "REACH IN - THAT WE MAY REACH OUT" as they solicit contributions from every household in Manchester Village. The teams and captains are: A Robena Boelter; B Kelly Patton; C Brenda Rose; D Connie Schaffer; E Ilene Ball and F Eleanor Ball.

Campaign progress reports are compiled weekly and will be portrayed on the famous chicken thermometer in the display window of Gill's Gamble store. He is anxiously waiting and is ready to have "Something to Crow About."

Dr. Lehr again reminds residents employed out of town that it is important their contributions be designated to Manchester United Way.

Faith Community Celebrates 15th Anniversary

Faith Community Church will be celebrating its 15th Anniversary, Sunday, October 17, 1982. Our first pastor, Rev. Hicks will be with us and there will be additional special music for the Morning Worship Service at 10 a.m. The mortgage burning and a potluck dinner will follow. Our evening service remains at 6 p.m.

Faith Community Church is located on Sharon Hollow Road just south of Austin Road, Manchester.

We invite all to share this time of praise with us.

Trick Or Treat Set For October 30

On Saturday, October 30th, Manchester will observe Halloween. Trick or Treating will begin at 5:00 and end at 7:00. Costume judging will follow at the Emanuel Church Hall at 7:15 p.m. Prizes will be awarded to the various categories of costumes. Refreshments of cider and donuts will be served.

The Manchester Police Department are sponsors of this event.

Letter To The Editor

A Letter to Concerned Citizens

I would like to coast along until election day, November 2, then cast my ballot along party-lines, as I've done so many times before, and leave the voting-place smugly satisfied that I have done my duty.

But this year there is an issue, Proposal E, the Nuclear Weapons Freeze, so vital, so filled with significance for the future, even for survival, that I feel compelled to speak out.

Still, it is not my voice I want you to hear.

Rather, I would have you hear the resolutions for peace formulated by the World Council of Churches, the Union of American Hebrew Congregations, the National Conference of Catholic Bishops, The Friends' Service Committee and of every major Protestant denomination.

I would have you listen to Sen. Mark Hatfield, as I did in Ann Arbor this Sunday night. Here is one of the most respected and most powerful Republican members of the U.S. Senate, with thirty-one years of government service, jointly sponsoring the resolution for a nuclear freeze in Congress!

His appearance in Ann Arbor was sponsored, not just by the peace organizations, but by the major churches. The standing-room-only crowd was with him one-hundred-percent when he said "The ultimate strength of a nation is the

spiritual strength of its people." We must listen, too, to the voices of thousands of American doctors who belong to "Physicians for Social Responsibility" and who are active and articulate in supporting the nuclear freeze.

Listen to the report of the Senate committee who confronted all of the joint-chiefs-of-staff of the military, this year, with the question: "Would you trade our military arsenal for that of the Soviets?" Not one would answer in the affirmative.

Passage of Proposal E is only the first step in a long-term effort to end the arms-race, but it will convey to Congress the desire of the people of Michigan to halt the build-up NOW.

Consider Proposal E prayerfully!
 Margaret Hankes

Bridgewater Township Planning Commission

September 13, 1982

The meeting was called to order by Gerald Marion, Vice-Chairman. The Chairman, Roger Hardenbergh, was absent due to illness.

Roll was called at 8 p.m., Bridgewater Township Hall. Present: Marvin Breitenwischer, Gerald Marion, Al Cowby, Louise Fraumann, Deanna Beckelamer, Leonard Days, Gabe Dull and Gene Braun. Absent: Roger Hardenbergh. Attending: Harlin Fraumann, Zoning Inspector.

The minutes of June 14, 1982 were unanimously approved as corrected. Correction: The decision to publish both the minutes of the Township Board and of the Township Planning Commission in the Manchester Enterprise was taken at the Annual Township Meeting.

Old Business: None.

New Business: A request to add three apartments to a piece of property, presently containing a single family dwelling, on U.S. 12 has been discussed with the Township Board and with the Zoning Inspector. Some questions were seen to be important if this question were to be referred to the Planning Commission for a Conditional Use Permit: Will the

owner live in it? Would each apartment need to be a prescribed square footage? And what about the question of a health permit?

In regard to the legality of our zoning ordinance, the Secretary reported that of several places contacted including the County Planning Commission and the Township Association, none could see any reason to question the legality. The legal presumption is that the ordinance is legal unless challenged in court, and that we did satisfy requirements.

The meeting was adjourned at 9:20 P.M. Moved by Leonard Days, seconded by Al Cowby.

Respectfully submitted,
 L.K. Fraumann, Secretary
 Bridgewater Township Planning Commission

New Members Welcomed To Xi Epsilon Iota

Marsha Chartrand, Mary Frances Fielder, Shirley Lowery, Betty Mann and Gail Whiting were initiated into the Exemplar rank of Beta Sigma Phi during a meeting held Tuesday, October 5 at the home of Judy Mann.

The ritual was conducted by Jane VanDoren, President of the local Xi Epsilon Iota chapter.

The program for the evening, prepared by Marsha Chartrand, was a discussion of the structure, operations and advantages of cooperative buying groups. She gave detailed information about the food co-ops currently active in Manchester.

Dessert was provided by co-hostess Marsha Haessler.

Manchester Schools Emphasize Time On Task

Recent educational research has produced the not surprising information that time on task produces improved learning. In other words, as students learning time is maximized academic achievement is improved.

Despite the apparent similarity of many school district's schedules, careful classroom observations show that the amount of time students actually spend on

learning tasks varies greatly from school to school and from classroom to classroom.

For example, the Institute for Research on Teaching at Michigan State University found that the students in one classroom spent a total of 84 minutes a day on reading, but their peers in another school devoted only 24 minutes a day to the subject.

In the Manchester Schools principals have been instructed to examine their curriculums closely in order to be certain that the valuable classroom instruction time is used to provide the greatest possible learning opportunities for students. "I have told the principals that one of their major responsibilities for the 1982-83 school year is to be certain that students are provided with the maximum possible time on task," said superintendent Eugene Thompson. "Education has become a very expensive product. We have the responsibility both to the students and to their tax paying parents to provide every learning opportunity possible."

Obituary

Mrs. Cynthia L. Brown
 804 East Duncan Street
 Manchester

Age 31 years, died Thursday, October 7, 1982 at St. Joseph Mercy Hospital.

She was born April 30, 1951 in Tecumseh, the daughter of Robert and Pauline Johnson Kensler.

She is survived by one son, James Scott Brown; parents, Mr. and Mrs. Robert Kensler of Manchester; one sister, Miss Roberta Kensler of Boulder, Colo.; one brother, John Kensler of Alpena; Maternal Grandmother, Mrs. Sophia Johnson of Manchester; several uncles, aunts and cousins.

Funeral services were held Monday, October 11, 1982, 1:00 p.m. at the Jenter Funeral Home. Rev. Robert B. Macfarlane officiated. Burial followed in Oak Grove Cemetery.

Manchester Area Historical Society

Historical Society Officers for 1983 are pictured above. They are: Loring Ebersole, Mrs. Jesse Walker (treasurer), John Swainson (president), Tom Walton, Mrs. Lewis Kellum (1st v-president), Mrs. John Sauter (secretary), Mrs. Alvin Kappler (2nd v-president), Mrs. Willard Mann.

Manchester Area Historical Society is starting a new year with the regular meeting October 15 at the Old Blacksmith Shop, 324 E. Main Street at 7:30 p.m. The drive to meet the obligations of purchasing the antique meeting place and museum is top priority. It is also annual renewal time for membership in the organization. The memberships are \$5.00 for couples, \$3.00 for singles, \$1.00 for students and \$100.00 for Life Memberships.

The public has a great opportunity to visit the Old Blacksmith Shop the coming month when "Toys Past & Present" are on display in an exhibition jointly sponsored by the Historical Society and the Art Guild. (See story in this issue of the Enterprise on "Toys".)

The program for the October meeting will be by Florence Parr on the highs and lows of "collecting a collection." There will also be readings from early children's books, some of which are in the exhibit.

There will be time to study the collection and to remember the old country school days before TV.

Sweet Adelines To Perform

The Ann Arbor chapter of Sweet Adelines will present their fifth annual show, "Bandstand Boogie" on Friday, October 22 and Saturday, October 23, 8:00 p.m., in Huron High School auditorium on Fuller Rd. in Ann Arbor.

Featuring the Ann Arbor 1982 Sweet Adeline Lake Erie Regional Championship chorus, the show will highlight music from Dick Clark's American Bandstand television shows. In addition to the local 75 voice chorus, directed by Jack Herr of Warren, other featured performers will be "The Friars" from the U of M's Men's Glee Club on Friday only; The Harrington Brothers barbershop quartet, the youngest

mens registered quartet, who were International Finalists in 1981 and 1982. The boys, ranging from 14 to 19 years old, from Louisville, Kentucky, and singing together only 3 years, will sing on Saturday only. Also featured will be the Regional Third Place women's quartet "Top Priority".

Making his fifth appearance with the Ann Arbor Sweet Adelines will be the celebrated singer and popular WJR radio personality "Fat Bob" Taylor as the Master of Ceremonies.

"A portion of the show proceeds will go to benefit the work of Safe House, a haven for battered and abused families."

Tickets for both performances may be purchased in advance from chorus members, as well as at the door. A special rate will be offered on Friday only for senior citizens and children. For further information call 485-7276.

School Board Agenda

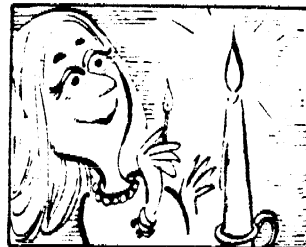

The Manchester Community Schools Board of Education will hold their next regular meeting on October 18, 1982. The agenda will be:

- I Roll Call.
- II Communications.
- III Visitor Input.
- IV Minutes of Previous Meetings:
 - (a) Regular Meeting - September 20, 1982.
- V Financial Report.
- VI Bills Payable.
- VII Discussion Items:
 - (a) Bus Radio Borrowing.

- (b) Policies 9000 Series.
- (c) Award Ceremony.
- VIII New Business.
- (a) Food/Athletic Budgets.
- IX Old Business
 - (a) Administrative Management by Objectives.
 - (b) Executive Session - WLEA negotiations.

Tuesday Night Singles

For an enjoyable evening with happy people, join the Tuesday Nite Singles at the American Legion Hall, Main Street, Ann Arbor, on October 19th. Dance from 8:30 - 11:30 to the music of Danny Venice. Come and meet some new friends. For more information call 482-5478.

Candles burn more slowly and evenly with minimal dripping if you place them in the refrigerator for several hours before using.

THINGS DON'T STAND STILL!
The auto parts business is just as dynamic and ever-changing as other fields. New things are happening all the time to help the consumer.

Kevin O'Mara, Manager of Counter Sales at A&L Parts, Inc., says that manufacturers try to keep ahead of the demands. "We're helping Monroe introduce the new Gas-Matic™ shock absorbers, designed to cushion the small-car ride. It has a special sealed-in, low-pressure gas charge that actually improves the ride over bumps, tarstrips, and other road hazards. Then, too, Champion will be marketing a new copper-tip spark plug for small cars; and there's this new anti-freeze for aluminium engines.

"Here at A&L, we still carry OEM (original equipment manufacturer) parts, and a lot of others, too. Just recently we also added the Standard/Blue Streak line of replacement parts — one of the best respected in the business.

"Retail sales? Sure, we sell retail. Our counter people are all very expert at helping all our customers figure out what they need — then getting it. The Saturday morning shopping hours seem to help, too."

Caution the Best Policy in Use of Aspirin with Children

Many medical scientists now believe that giving aspirin, or any medication that contains aspirin, to a child who has chickenpox or flu may increase that child's chances of developing Reye syndrome, a rare but sometimes fatal childhood disease.

First recognized some 19 years ago, Reye syndrome is a serious condition that begins with vomiting and lethargy and may progress to delirium and coma. The condition is rare: fewer than 1,200 cases occur each year in the United States. But it may be fatal. Death occurs in 20 to 30 percent of all reported cases, and permanent brain damage has been reported in many children who survived.

Reye syndrome most often occurs in children between the ages of 5 and 16 who are recovering from viral infections, particularly chickenpox and influenza. Although the cause of this condition is unknown, researchers have, for years, suspected an association between the development of Reye syndrome and the earlier use of common medications to treat the preceding viral illness. They have been especially suspicious of aspirin.

Now, controlled studies by health departments in Arizona, Michigan, and Ohio have provided substantial evidence that there is at least a relationship between the as-

pirin that a child is given for a viral illness and the subsequent onset of Reye syndrome. For that reason, I, as Surgeon General, have felt it prudent to tell parents and physicians about this new medical evidence and to warn them that they should not give aspirin to children who are suffering from chickenpox, influenza, or a flu-like illness. The American Academy of Pediatrics has issued a similar warning.

I should emphasize that the relationship between aspirin and Reye syndrome is suspected, not proven. Yet, as a parent and a physician, I know that in all matters involving the health of our children, it is better to be safe now than sorry later. The better, safer way, when your child is sick with chickenpox or flu or with an illness that you think might be the flu, is to leave the aspirin on the shelf and pick up the phone—call your pediatrician or family physician and ask for his or her advice.

Most childhood illnesses, you'll learn, are minor and self-limiting, which is to say that they quickly go away, with no need for medication. Thus, not only is it unwise to give aspirin to a child with a viral illness, it is also unnecessary. In all cases, your physician is the best source of advice on the many available ways to reduce fever, if that is necessary, and to make your child comfortable. So, by all means, ask. You won't be sorry.

Married

Finn George Olsen, Jr. Penrhyn Hibberd Owen

The First Presbyterian Church of Farmington Hills was the setting for the wedding of Penrhyn Hibberd Owen and Finn George Olsen, Jr.

The September 4th afternoon ceremony was officiated by the Rev. George W. Ramsey.

Parents of the bride and groom are Mr. and Mrs. Charles Allen Owen of Farmington Hills and Mr. and Mrs. Finn George Olsen, Sr., of Manchester.

For her wedding the bride chose an off shoulder gown of candlelight ivory tissue taffeta featuring a bodice of imported Alecon lace accented by seed pearls and a chapel length train with matching lace. The short puffed sleeves were enhanced by taffeta bows and silk flowers, and the chapel length veil was of ivory illusion secured by a headpiece bow. She carried a cascade bouquet of gardenias, white roses, stephanotes and ivy.

Seating the guests were Robert D. Oelkers of Dearborn, a cousin of the groom, Jeffrey Harness of Grosse Pointe, and William Hall of Ann Arbor.

A reception followed the ceremony at the Orchard Lake Country Club.

After a honeymoon at Banff, Canada the newlyweds will reside in Ann Arbor where they are both employed by Jacobson's.

Owen, sister of the bride, of Chicago, Illinois and John T. Olsen, brother of the groom, of Manchester.

Bridesmaids included Miss Leslie Harris of New York and the Misses Jackson and Leslie Owen, sisters of the bride, of Farmington Hills.

The maid of honor and the bridesmaids were attired in gowns of crisp white and cloudy blue organza trimmed with a matching blue satin sash and collar. They carried loose bouquets of lavender, lavender daisies, roses, carnations and statice.

Positive Feedback Results On Orientation Night

Last Wednesday evening parents of our fifth graders were invited to participate in an "Orientation Meeting" presented by the building principal and the fifth grade teaching staff. The main purpose of the meeting was to give parents a better idea of what their child's day consists of and to tell parents how they could help their child with the various academic classes offered. Speaker format consisted of the following personnel and their topics:

Weekly Schedules.
Miss Gay Williams - Physical Education.
Mrs. Nondus Buss - Mathematics, Spelling, Reading, Thinking Skills, and Computers.
Mr. Roger Boyce - Science, Woodshop.
Mrs. Betty Dalton - English, Art.
Mrs. Karen Ellsworth - Social Studies, Pioneer Days.
Mrs. Lynette Wanlass - Band, Vocal Music.
Mrs. Nondus Buss - Gifted/Talented

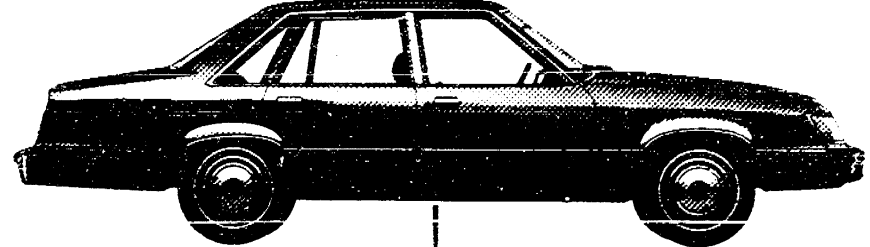

Program, Resource Center. Immediately following the meeting, parents were invited to visit the classrooms and to follow up with any questions that they may have had. Many of the parents who attended the meeting were very positive when commenting on our fifth grade curriculum.

"Toys Past and Present"

Today from 1 to 4 p.m. is the Opening Day of the month long exhibit "Toys Past & Present" at the Old Blacksmith Shop, 324 E. Main. A special tour for children from Klager School has been scheduled for the day. The public is invited to the free exhibit on Thursdays, Fridays and Sundays from 1 to 4. On Saturdays the Shop will be open from 10 to 12, 1 to 4 and 8 to 8. Special group visits may be scheduled with Florence Parr, 428-8658 or Sue Lambarth, 517-456-7821, joint chairpersons for the exhibit from the Historical Society and the Art Guild.

An antique doll collection is a high point of the show along with doll buses, cradles and their histories. Some of the dolls belong to Mrs. Aaron Nathan who is last-minute-substituting the opening day for Virginia Proctor who is unable to attend as planned.

A pair of modern, soft, handmade character dolls will be on display. Raffle tickets on these will be on sale at the Shop for \$1.00. The dolls were made by Dolores Mrs. Wm. Bunney and donated to the sponsoring organizations. Winners will be drawn at the regular November 15 meeting of the Historical Society, the day after the closing of the show. One need not be present to win.

Another special is the collection of Albert Warnhoff toys loaned by Robert Hansen, 11499 Parr Road. Mr. Warnhoff became known as "Ann Arbor Santa" in

the 1950's because of his devotion to making hundreds of toys each year over two and a half decades, for children's hospital patients and others.

There will be wooden toys for sale and to order, made by Hugh Wyzmans of Jackson. These toys have been at the various Art Fairs in the area for some time.

Craft workshops for corn husk dolls (October 23), apple heads for dolls (November 6) and baskets are a few that are scheduled. A donation basket will be the usual fee charged for these workshops. Details will be announced each week as the events come up.

"Taking Care Of Your Heart!"

Turner Geriatric Clinic will present a workshop titled "Taking Care of your Heart" on October 21, Thursday, from 12:30 p.m. until 2 p.m. It will be held at the Dexter Nutrition Site, 9825 Chelsea-Dexter Road, in Dexter.

Julie Say, Nutritionist with the Chelsea Medical Center, will speak on proper diet. Dr. James Peggs of the Family Practice group will speak on caring for the heart, by avoiding over-exertion, getting proper exercise and diet.

The program is free and open to the public. For further information, call Turner Clinic, 764-2556.

Manchester Township Library

The Friends of the Manchester Library will hold the second annual meeting on Tuesday, November 7, time and place to be announced in the Enterprise at a later date.

The Friends, organized in 1981, is concerned with raising money for some "extras" for the Library and with providing services to the community. During the recent past, the organization has held three successful used book sales, two on the Library lawn during the Street Fairs and one at the Manchester Community Fair. The basement of the Library has a continuous used book sale during regular library hours. A garage sale was also held this spring, the proceeds committed to improvements of the building. In addition to improvements to the building, the Friends have donated money for purchase of books not otherwise available in the budget. The Friends

sponsored a very successful film program for the children of the area during Christmas vacation last year, and hope to continue such community activities.

Tom Rykwald, chairman of the Friends, reports that new memberships are available now and can be purchased from him, the vice-chairman, Charlotte Major, Treasurer Roxanne Hawk, other board members Joan Okey and Don Fowler, or at the Library desk.

Suggestions for additional programs and activities may be made to Board members or at the Library.

It's Soup Time Again!

Nellie Ackerson Middle School students are collecting Campbell Soup labels again. We need 25 labels from any Campbell's Chunky Soups and 25 blue-green "Swanson" triangles before October 29, 1982. These will earn us bonus coupons to add to the labels saved when we redeem them for audio-visual and library equipment.

Labels from ALL Campbell Soups and Campbell Beans, Campbell Tomato Juice, V-8 juices, Franco-American products, and Swanson canned products count, as well as the "Swanson" triangle from Swanson frozen products. In addition, Prego Spaghetti Sauce and Recipe brand dog food have been added this year.

Please help us get lots of new equipment. Save labels from any of these products!

WHAT OTHER BANK, WHAT OTHER BROKER MATCHES IT?

IT'S LIKE HAVING A CHECKING ACCOUNT THAT PAYS MONEY MARKET RATES, AND IT'S INSURED.

It's our new COMERICA MONEY MARKET ACCOUNT, and only NBJ has it.

Introducing the Comerica Money Market Account, an exclusive in this area at NBJ. Earn the high interest rates of a Money Market Fund in this account that you can use instantly, just like a checking account.

A minimum deposit of \$20,000 in a Comerica Money Market Account delivers all this:

Earnings: Money Market yields on all your funds.

Liquidity: You have unrestricted access to your funds. You can use your C.M.M.A. like a checking account. Write checks or use your NBJ Bank Card at any of NBJ's 10 convenient locations.

Security: The protection of \$100,000 of insurance from the F.D.I.C., with the solid security of NBJ's 50 years of experience.

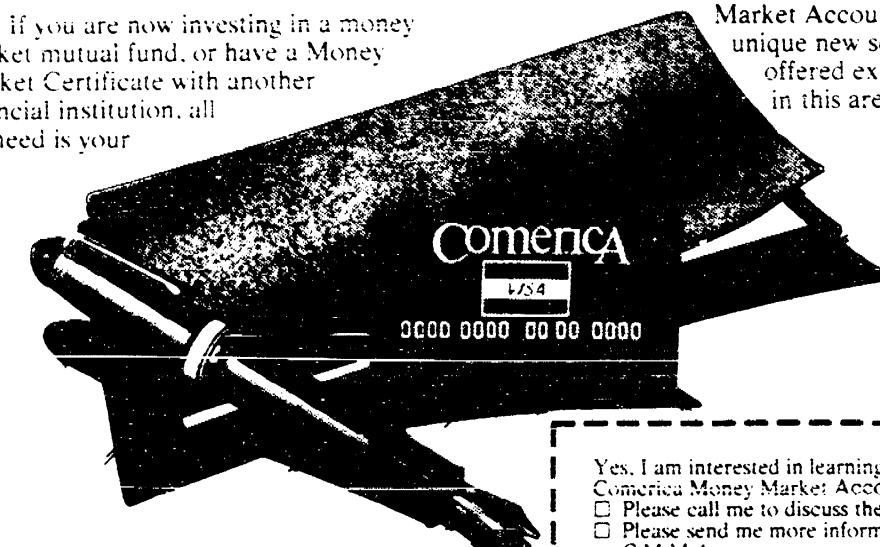

Visa® Gold: When you open your C.M.M.A., we'll give you a complimentary Visa Gold Card. It unlocks a whole world of special conveniences: hotel reservation service, personal check-cashing privileges at hotels and airlines, \$150,000 in travel insurance and more.

If you are now investing in a money market mutual fund, or have a Money Market Certificate with another financial institution, all we need is your

permission to transfer your funds to NBJ and open a Comerica Money Market Account for you. We can handle it all. That can make things a lot more convenient for you.

See us today, and talk with one of our NBJ Personal Bankers about this unique account. We have convenient weekday hours, and Saturday hours at many of our 18 neighborhood offices. You can also mail in the coupon to learn more about the Comerica Money

Market Account, a unique new service offered exclusively in this area by NBJ.

**Immunization
Clinic Set For
October 20**

The Washtenaw County Health Department in cooperation with the Manchester Community Schools will hold an immunization clinic at the Manchester High School Library on Wednesday, October 20, from 8:30 a.m. until 12 noon. The clinic is open to school age children with signed consent forms and immunization checklists. Pre-schoolers from the community accompanied by a parent or guardian and adults requesting a tuberculosis skin test are also invited to attend. The State of Michigan requires that all public and private school students be adequately immunized against diphtheria, pertussis, tetanus, polio, measles, mumps, and rubella. No fee will be charged.

For further information call Karen Foree (973-1488) or Wanda McGlasson (973-1460) at the Washtenaw County Health Department.

School Lunch Menu

Thursday, October 14, Crispy Fish Fillet, Hash Brown Patty, Vegetable Stix, Bread & Butter, Whipped Gelatin and Milk.
Friday, October 15, Cheesy Pizza, Tossed Salad with Dressing, Apricots, Sugar Cookie and Milk.
Monday, October 18, Chicken Patty/Bun, French Fries, Coleslaw, Diced Pears and Milk.

Wednesday, October 20, Hamburger/Bun, Hash Brown Patty, Lettuce Salad with Dressing, Fruit Compote and Milk.

**News Of Good
Things Growing**

By Margaret G. McCall

You say you don't like pizza? Maybe

these two unusual recipes for pizzas, using some of the good things growing in Michigan, will change your mind.

Cherry Pizza is a dessert, featuring Michigan red tart cherries, and our state is the nation's largest producer of red tart cherries, according to the Michigan Department of Agriculture.

Breakfast pizza, which is great for a weekend brunch, makes use of Michigan pork sausage, eggs, cheese and potatoes.

First, the cherry dessert pizza, adapted from a recipe of the National Red Cherry Institute, which is headquartered in Michigan, of course:

Set oven for 350 degrees. Line a pizza pan with your favorite pie crust and bake 15 minutes. Blend together 8 ounces cream cheese, one-half cup of sugar, two eggs and a teaspoon of vanilla. You may add one-third cup of chopped nuts, if you like. Pour the cream cheese mixture over the crust and bake another 10 minutes. Cool, then carefully cover with tart cherry pie filling. Chill before serving, and add a topping of whipped cream if you like.

Breakfast pizza may take a little more time to prepare, but the results are worth it. Again, start with a pizza pan lined with pie crust, or form a crust from packaged crescent rolls.

Brown one pound of Michigan pork sausage with 5 chopped green onions. Drain well, sprinkle in pizza shell. Top with one cup shredded Cheddar cheese. Sprinkle with one cup frozen hash browned potatoes (thawed). Beat together 4 large eggs, 1/4 cup milk, 1/4 teaspoon salt and a pinch of nutmeg. Pour slowly over the breakfast pizza, sprinkle with grated Parmesan. Bake at 350 degrees until set and lightly browned, about 45 minutes. Cut into wedges and serve.

For variety, you can add a layer of thinly sliced mushrooms before adding the cheese.

This recipe readily adapts to appetizer status. Just form your crust in a jelly roll pan, layer on the various ingredients and garnish with thin strips of green pepper. Cut the finished product into squares or triangles, serve to hungry guests and watch the pizzas disappear.

**Klager Project
Successful**

The P.T.O. Board would like to thank all those people that supported and participated in the Klager school family portrait offer on October 2. We were very pleased with the response. A special thanks to the many volunteer workers and organizers.

Coming on November 5 at the High School is movie night. Mark your calendar. More detailed information will be sent home with each child of Klager.

Fourth Graders Study Pacific Islands

Mrs. Eloise Kemner demonstrating Hawaiian dance

Mrs. Blossom and Miss Kuyda's fourth graders have been learning about the Pacific Islands. To culminate their unit the students prepared a delicious feast of tropical dishes.

Mrs. Eloise Kemner of Manchester, formerly of Hawaii, was their guest. She explained Hawaiian customs to the students and danced to the Hawaiian Wedding Song. Many of the children were delighted to learn to dance to "The Little

Grass Shack" taught by Mrs. Kemner.

As a special treat, Mrs. Kemner brought macademia nuts for all to try.

Men's Club Meeting

The Manchester Men's Club will hold their next meeting October 21 at Baur Manor for a frog leg dinner. Members will be contacted.

"The Michigan Senate needs the presence and scrutiny of this direct, hard-working, highly principled woman."

Wednesday, October 20, Preserving Fall Foliage.

Girl Scout News

The first two meetings of Girl Scout Troop 186 mainly consisted of registration. We elected a troop treasurer, Lisa Cousino and a troop scribe, Krissy Post. We also planned a weekend at Camp Lindon, October 1-3. There were many things to do. They had sing-alongs and games, among other activities.

At our meeting on Tuesday, October 4, we took inventory of our supplies and discussed what we will want to do in the future.

Respectfully submitted,
Krissy Post, Troop Scribe

SHRINKAGE
Michigan's 5.9 percent reduction in state government personnel in 1981 was second only to the State of Georgia, which experienced a 6.3 percent drop in government employees last year. Michigan now ranks 40th among the states in the number of state employees per 10,000 residents.

JURY DUTY BILL SIGNED INTO LAW

Governor Milliken has signed into law legislation which forbids an employer from requiring an employee summoned for jury duty to make up lost hours spent in court, unless the juror has agreed to make up the extra hours lost, or if arrangements were previously made in a bargaining agreement.

**IT'S OFFICIAL: NO DEATH PENALTY
PROPOSAL ON BALLOT**

A U.S. District Court judge has refused to overrule the decision of the State Board of Canvassers that signatures on petitions to place the death penalty question on the November 2 General Election ballot are invalid. The Canvassers claimed that the petition drive did not have the 287,000 valid signatures needed to place a referendum before the public.

FALL COLOR BOOM

The Upper Peninsula and Northern Lower Michigan are reporting increases in tourism this fall as thousands of color-seekers pour into the area to view the reds, golds, yellows and oranges of autumn. Perhaps it's because Michigan and the Midwest are expected to have one of the coldest winters ever that people are enjoying every minute of Michigan's most dramatic season - fall.

**Spur Of
The Moment**

The Spur of the Moment Inc. had the final show, in Whites Arena, on Sunday,

October 3rd. We have had just about perfect weather, all summer long, and wish to take this opportunity to "thank" whoever made that possible. It does make it a lot better, and much more comfortable, for all. We also want to thank the people who have come to the show this year, the judges, and the arena help. Since Annie White has moved, we have had to rely on Paula Hartman as announcer, and she is coming along very well. We have two and sometimes three men who have been setting up the arena for us and it helps to have the show running smoothly. All in all, we are working as a team and it is nice. Believe me, we still miss Annie, though. We give our thanks to Barney Davis, Pat Monaghan, and Gary Blades, for being reliable arena help.

STATE OF MICHIGAN
IN THE CIRCUIT COURT FOR THE
COUNTY OF WASHTENAW

MARVIN B. SCOTT, Plaintiff, vs.
JOANNE L. SCOTT, Defendant

No. 82-29703 DM

ORDER TO ANSWER

At a session of said Court, held at the Courtroom thereof in the City of Ann Arbor, County of WASHTENAW, and State of Michigan on August 9, 1982

PRESENT: HONORABLE ROSS W. CAMPBELL

On the 4th day of August, 1982, an action was filed by MARVIN B. SCOTT, plaintiff, against JOANNE L. SCOTT, defendant, in this Court for absolute divorce.

IT IS HEREBY ORDERED that the defendant, JOANNE L. SCOTT, shall answer or take such other action as may be permitted by law on or before the 4th day of November, 1982. Failure to comply with this Order will result in a judgment by default against such defendant for the relief demanded in the Complaint filed in this Court.

Cards Of Thanks

We would like to thank all our family and friends for all the visits, cards, gifts and rides to the hospital during Ben's stay. Also to Rev. Macfarlane for his visits and prayers.

A special thanks to the Manchester Police Department for their quick response and to Curt and Elwin for being there. Also, to the Staff at the Saline Hospital. Home and to all the therapists.

A special thanks to our children and grandchildren for all their help and support.

Doris and Ben Evilsizer

The Manchester Men's Club would like to thank Manchester American Legion, St. Mary's Catholic Church, Don Limpert, Manchester Deli, Brad Frey and Hindsight, Jenter Funeral Home, Mrs. Huff, Manchester Village Council, Manchester DPW, and the people of Manchester for helping make the Old Mill Harvest Festival a big success.

Manchester Men's Club

"TO CINDY"

Here's to Cindy, the only one. I remember our childhood and all the fun.

The ups, the downs, the smiles, the frowns.

The ballgames in our homemade park and playing hide-n-seek after it got dark.

But years go fast, that was the past. Somehow we grew and lost our chance to start anew.

But for you, my friend, this is not the end.

It is a whole new beginning, to be REALLY winning.

So here's to you Cindy, one last time.

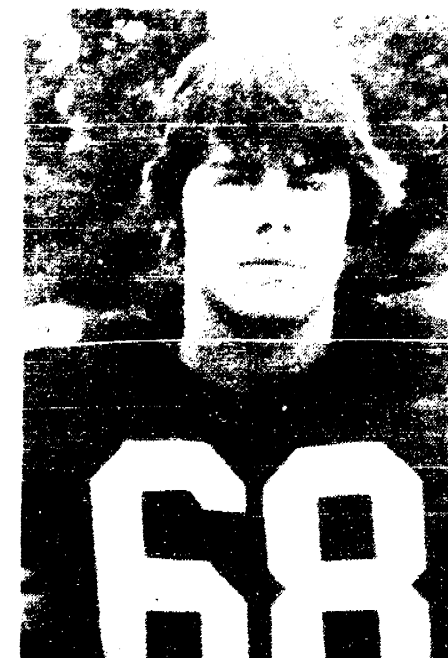

And if I know God, you're doing just fine!

Your Friend,
Pat

United Way

Defensive Player Of The Week

Scott Drouare #68

by Jon Hardenbergh

On Friday, Hudson brought their 4-0 record to town and left 5-0. The Tigers played good offense and awesome defense to take home the 29-0 victory. Again we did play much better in the second half but Hudson had 21 first half points to pave the way.

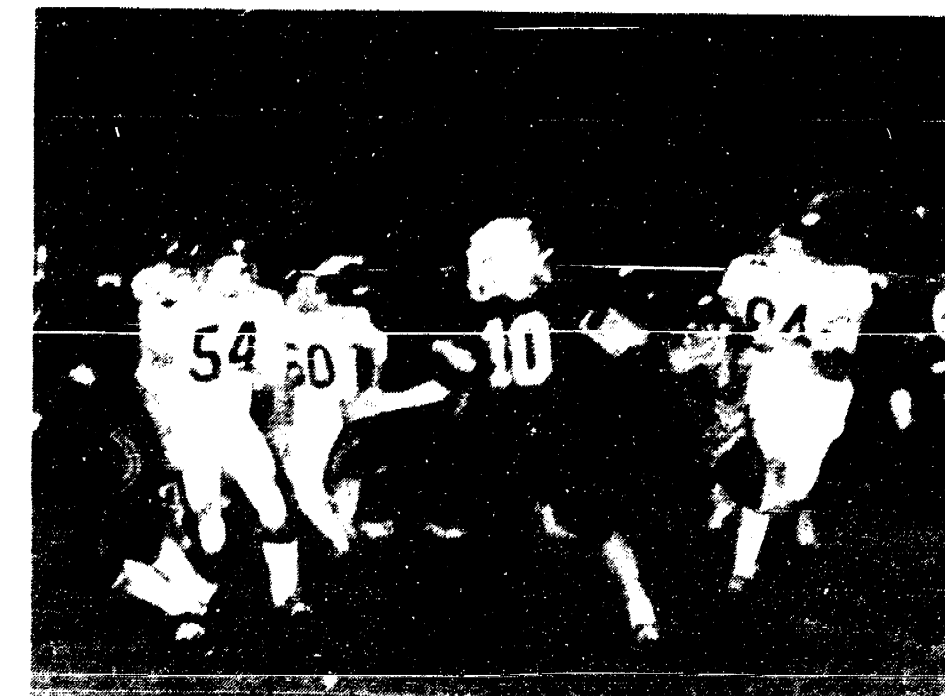

One thing I want to point out is Hudson has been rough defensively all season as Clinton found out, as Hudson's score was made by their defense. To go one better Hudson has allowed only a few points to be tallied against them so far.

On their second possession of the night, Hudson began ploughing their way down the field and scored six. Soon after, they controlled and their halfback went out for a pass - caught it on the dead run - only to cross our goal 51 yards later. A successful 2-pointer made it 14-0 at 1:12 of the opening period. The next drive for the Tigers also netted six and with a good kick it stood 21-0.

Everything we did, Hudson stopped it, as on the night we totaled just over 100 yards offense as they had 354. Hudson scored with only 15 seconds left to make it 29-0.

We now travel to Blissfield on Friday.

Tigers Overpower Dutch

Our quarterback, Pat Ridenaur, sweeps left

STATE PROPOSALS

GENERAL ELECTION, NOVEMBER 2, 1982

PROPOSAL A—A PROPOSAL TO ALLOW THE LEGISLATURE TO PASS LAWS TO REFORM THEIR EXISTING CONSTITUTIONAL EXEMPTION FROM CIVIL ARREST AND PROCESS DURING LEGISLATIVE SESSIONS.

The Michigan Constitution now provides: "Senators and representatives shall be privileged from civil arrest and civil process during sessions of the legislature and for five days next before the commencement and after the termination thereof. They shall not be questioned in any other place for any speech in either house."

1. The proposed amendment would allow the legislature to pass laws to reform this exemption.

Should this amendment be adopted?

PROPOSAL B—A PROPOSAL TO CREATE BY CONSTITUTION A MICHIGAN DEPARTMENT OF STATE POLICE, PROVIDE FOR ITS PERSONNEL, PRESCRIBE ITS DUTIES AND REQUIRE MINIMUM STAFFING.

The proposed amendment would:

1. Change the Michigan Department of State Police from a department created by law to a department created by the constitution.
2. Make director of state police head of the Department.
3. Set out powers and duties of the department and its officers.
4. Permit reduction of enlisted personnel below the number employed as of April 1, 1980, only in the event of and in proportion to a decrease in the state's population.

Should this amendment be adopted?

PROPOSAL C—PROPOSAL TO PREVENT A LENDER FROM USING A "DUE-ON-SALE" CLAUSE TO FORECLOSE A MORTGAGE OR LAND CONTRACT WHEN THE PROPERTY IS SOLD, UNLESS SECURITY IS IMPAIRED.

The proposed law would:

1. Prohibit court foreclosure of mortgage or land contract when based on transfer of mortgagor's or buyer's interest; EXCEPT where transfer is proved to impair security interest.
2. If court foreclosure is based on "due-on-sale" clause and lender has not proved security impaired, then extend time to redeem property from 6 to 48 months.
3. Prohibit without exception foreclosure of mortgage by advertisement when based on transfer of mortgagor's interest.
4. Apply to existing and future mortgages and land contracts.

Should this law be adopted?

PROPOSAL D—PROPOSAL TO REQUIRE HEARINGS ON ALL UTILITY RATE INCREASES, ABOLISH RATE ADJUSTMENT CLAUSES AND ESTABLISH PROCEDURES IN RATE HEARINGS.

The proposed law would:

1. When rate increase is requested, require full and complete hearing on all costs of utility service, including fuel costs.
2. Abolish existing adjustment clauses that allow rate changes.
3. Allow only one rate increase hearing per utility at the same time, unless hearings are for different services provided by the utility.

Should the law be adopted?

PROPOSAL E—A PROPOSAL EXPRESSING THE PEOPLE'S DESIRE FOR A MUTUAL NUCLEAR WEAPONS FREEZE WITH THE SOVIET UNION AND REQUIRING STATE OFFICIALS TO CONVEY THAT DESIRE TO THE PRESIDENT OF THE UNITED STATES AND OTHER FEDERAL OFFICIALS.

The proposed law would:

1. Establish as a "finding and declaration" the danger of nuclear war and reduction of that danger by a mutual agreement between the USA and USSR to establish nuclear freeze.
2. Require House Clerk and Senate Secretary to send to President and other federal officials a communication urging:
 - a. The USA propose to USSR a mutual nuclear weapons freeze, both countries agreeing to halt the testing, production, and further deployment of all nuclear weapons, missiles, and delivery systems in a way that can be checked and verified by both.
 - b. Transfer of nuclear weapons funds to civilian use.

Should this law be adopted?

PROPOSAL G—A PROPOSAL FOR AN ELECTED PUBLIC SERVICE COMMISSION.

The proposed amendment would:

1. Establish a 5 member Public Service Commission to be elected for 4 year terms, with no more than 3 terms expiring at same time.
2. Provide that the Commission perform the duties currently assigned to the appointed Public Service Commission.
3. Require nomination of candidates for Commission to be by partisan political party convention and election of candidates to be on non-partisan portion of ballot.
4. Provide that each Commissioner to be elected shall appear on the ballot as a separate office.

Should this amendment be adopted?

PROPOSAL H—PROPOSAL TO PROHIBIT CERTAIN ADJUSTMENT CLAUSES; PROHIBIT RATE INCREASES WITHOUT PRIOR NOTICE AND HEARING; AND PROHIBIT STATE LEGISLATORS FROM ACCEPTING EMPLOYMENT WITH A UTILITY FOR TWO YEARS.

The proposed law would:

1. Prohibit certain adjustment clauses and provide that utilities may, upon request, recover reasonable and prudent costs of fuel, purchased gas or purchased electricity, only after "full and complete hearing" on such costs.
2. Permit separate hearings to be held on any change in cost of fuel or purchased gas at the same time as hearings on general rate case.
3. Prohibit members of the present legislature from working for any Michigan utility for two years after leaving legislative office.

Should the law be adopted?

Community Education

Manchester Community Education in cooperation with Saline Community Hospital will sponsor a CPR (cardiopulmonary resuscitation) course at Manchester High School on Monday, October 18 and Wednesday, October 20. Both sessions are from 6:30 to 10:30 p.m. CPR is a combination of artificial respiration and artificial circulation which should be used when a cardiac arrest or certain other emergencies occur. Students will learn proper procedures for dealing with emergencies and helping to save a person's life. Both sessions are required. There is a \$2.00 charge to attend this course. If you have not registered and wish to do so, please call the Community Education Office at 428-7804 prior to the class starting date. Final enrollment will determine the number of instructors and student handbooks needed. Don't put it off, this is an excellent opportunity to learn this life saving skill.

The next six week sessions of Fitness Fantasia (aerobic dance) will start on Monday, October 25 at 6:30 to 7:30 p.m. and 8:00 to 9:00 p.m. in the high school study auditorium. Fitness Fantasia is a fun, exciting way to achieve total fitness. Participants will decrease body fat, increase muscle tone, have more stamina and have greater ease of movement from increased flexibility and agility. Fitness Fantasia is never boring. Each course offers you a new set of completely choreographed exercise routines set to a variety of music. All exercises have been carefully selected to offer you a total fitness program.

The class meets twice weekly on Mondays and Wednesdays for six weeks at the times indicated. The cost is \$25. The instructor is Cindy Benedict, a Certified Instructor for the YMCA. Registration and fees will be done at the first night of class on October 25 for either session.

4-H Youth To Receive Scholarship

Kim Bristle, daughter of Karen and Steve Bristle of Manchester and Leonard McCalla, Jr., son of Jan and Leonard McCalla of Chelsea, will be the recipients of the 1982 4-H Don Johnson Memorial Scholarship. Both 4-H members were selected on the basis of their involvement and leadership in the 4-H program. Kim is presently a Sophomore at Michigan State University and studying food systems management. Kim was a 4-H member for 9 years. Her project areas

were clothing, dairy, modeling, dance, demonstrations, foods, crafts, home design, softball, dairy cattle judging and involvement in the Teen Leader's Association.

Leonard is presently a Freshman attending Central Michigan University and majoring in Agricultural Engineering. Leonard's involvement with 4-H included woodworking, softball, swine, poultry and vegetable gardening. Leonard was also involved with teen activities.

Leonard and Kim will receive their award at the Annual 4-H Recognition Ceremony to be held October 18, 1982 at W.I.S.D./High Point Center.

Cooperatively Speaking

The Cooperatively Speaking Manchester Food Co-op will hold its monthly ordering/business meeting Thursday, October 21, at 7:00 P.M. The meeting will be held in the American Legion House on the corner of Adrian and Duncan Streets.

Current members are reminded to turn their monthly orders in to Ave Veneklasen no later than Monday, October 18. Anyone interested in joining our food cooperative should contact Paul or Jonelle Dankert at 428-9487 for more information.

Chrysler Employees Support United Way

Left to right, standing: David McAllister, Robert Schantz, Mike Weiss, Bill Mitchell, Gary Packard, Rick Ruppel, Clarence Fielder. Seated are: Marv Updike, Charlie Burgess

Over the years, Chrysler Corporation and their employees have been staunch supporters of the United Way in communities where the corporation has factories and facilities. Chrysler Proving Grounds on M52 is no exception. Here the annual campaign is in full swing spearheaded by Plant Manager, Bob Ludwig, Personnel Manager, William P. Mitchell, President UAW Local 1284, David H. McAllister and members of the Community Services Committee. Their goal is 100% employee participation and the encouraging of contributors to give their fair share. The corporation also contributes generously to United Way programs.

At the Proving Grounds the company payroll deduction plan permits employees to designate their contributions to United Way organizations in the communities where they reside.

Bill Mitchell said "Chrysler employees are deeply concerned about the economy and the affect it is having on our nation and organizations like the United Way. It is my hope that people will continue to recognize the needs of this worthwhile cause and continue to support United Way agencies through their contributions."

The union's Community Services Committee members Charlie Burgess, Marv Updike, Gary Packard, Rick Ruppel, Robert Schantz and Mike Weiss are actively campaigning for the United Way. "I have personally campaigned for the United Way," Dave McAllister, Union President, said. "The United Way represents people helping people and caring for one another. Through the various agencies affiliated with the United Way the means are supplied for people who care to reach out and touch those in need no matter what the need may be."

Chrysler Proving Grounds is operated by the company's Engineering Office for the prime purpose of evaluating the all-around safety, performance and endurance of Chrysler cars and trucks.

Most of the work is concerned with future models.

Surrounded by 11 miles of fencing, the Proving Grounds is a vast 4,000 acre plot of rolling terrain including some of the roughest and smoothest roads in the world. Every year, 24 hours a day, test vehicles cover more than 15 million miles-a distance equivalent to about 4500 trips from coast to coast across the United States.

Currently 577 men and women, who reside in seven surrounding communities including 40 some from the Manchester area, are employed at the Proving Grounds. 347 are represented by UAW Local 1284. The payroll exceeds over one million dollars a month.

Clarence Fielder, President of Manchester United Way and Chairman of the Industry Division for this year's campaign says all industries in our area fully support the United Way and encourage employee participation.

Campaign Chairman, Dr. Glenn C. Lehr, Jr. announced that as of last Saturday contributions and pledges total \$7,590.00 or 25% of this year's \$30,358.00 goal.

Girls And Boys State Candidates

The Manchester Optimist Club Girls State, and Boys State candidates were honored Monday evening, Melissa Bunney, daughter of Mr. and Mrs. William Bunney, attended Girls State at Central Michigan University, in Mt. Pleasant, with 500 girls. Scott Hunt, son of Mr. and Mrs. Bruce Hunt, traveled to Michigan State University, in Lansing, with 1100 others in June.

Ms Bunney's interest is Law, and she told about the long convention, and discussions on the ERA. With interest in computers, Mr. Hunt was involved with The Boys State newspaper, and told the Club, politics is for politicians.

Both enjoyed the educational, political and social atmosphere that surrounded them during their week long event.

Dorothy Mae Retires Her Scissors

by Lucy Feldkamp

One of Manchester's favorite business women, Dorothy Moore, has given up cutting and curling in favor of bowling and golf. On October 1, Dorothy Mae's Beauty

Shop was passed down to younger hands, and Dorothy is now a woman of leisure after spending 43 years taking care of the female heads of this community.

Born and raised in Manchester, Dorothy learned her trade at Riggs Beauty College in Hillsdale. She had already been doing hair for several years. Dorothy says she was 12 years old when she first finger-waved her mother's hair, and since that moment she knew what she wanted to do for a living. After beauty school, Dorothy worked briefly at a shop in Dundee, whose owner, Josephine Doty, encouraged her to start her own place. At the ripe age of 19, Dorothy opened shop at the corner of Main and Riverside across from today's Village Tap.

The house had been a doctor's office and Dorothy rented it in 1939 for \$18 a month. She needed a grand total of \$1000 to start her business and charged 65 cents for a shampoo and set and \$2 to \$10 for a permanent wave. Some of her first customers were still coming to her when Dorothy sold her business to its new owner Marti Bondy. Over the years, Dorothy Mae's moved to several different locations and Dorothy worked with 35 or 36 different beauticians.

Asked if she would do the same thing over again, Dorothy replied with a firm yes. "I loved doing hair and I loved being in business," she says. She credits husband

Klager Searches For Grandpersons

Mrs. Rubena Bolter, Mrs. Virginia Schwab, Mrs. Milda Koebbe, Mrs. Helen Braun visited the First-Second Team Room to talk about what their school days were like.

What is a Grandperson? A grandperson may or may not be a grandparent themselves. A grandperson is generally sixty years of age or older. A grandperson is someone who is willing to share love, rich experiences from the past and/or skills with children. A grandperson spends at least one hour a week listening to a child sharing a book or teaching a skill to a small group of children.

This should be a rich experience for both children and grandpersons alike. The program has not yet begun so this is an excellent time to join up. Interested persons may contact Miss Mary Koebbe or Dr. Janice Hammond at Klager 428-8321.

A new program at Klager Elementary will hope to bring older persons and children together. All older people in the community are invited to participate. (We can always use "younger" people as classroom helpers in other programs too. The rationale for the grandpersons program are first that many young people
