Manchester Senior Places Third In Senate Youth Competition

Students apply at the local high school level first. A high school winner is chosen who then advances to the regional competition. Each regional winner advances to the State competition where two winners are selected from every state. Students must fill out a lengthy application which includes a listing of special honors received, community leadership experiences, school leadership experiences, extracurricular school activities, jobs held, interactions with other cultural, racial, or ethnic groups, and a statement of the person's goals and aspirations. In addition, there must be recommendations from the principal and a sponsoring teacher.

Melissa was chosen as Manchester High School's winner and advanced to the regional competition held at the Washtenaw Intermediate School District. In an extremely strong competition, Melissa placed third out of thirteen contestants. The winner of the competition was Landa Kyser of Ann Arbor Pioneer. According to Marjorie Mastie, the program's regional director, "The competition was very close. All who competed were exceptional students and the judges who had to choose one winner had a difficult assignment and deliberated many hours before finally making a decision. Melissa was a delight to meet and get to know. She is an outstanding person and a credit to her school and community." For her work in the competition Melissa will receive a special certificate and a letter of commendation from the Hearst Foundation.

Melissa Bunney, daughter of William and Dolores Bunney, of 19025 Sanborn Road, recently has competed in the United States Senate Youth Scholarship Program. This is a program sponsored by the William Randolph Hearst Foundation in which high school juniors and seniors who held elective offices in high school can compete for \$2,000 scholarships and an all expense paid week long trip to Washington D.C. to learn more about the Federal government and, in particular, the United States Senate. Selection of the winners is based solely on outstanding ability and demonstrated qualities of leadership.

Historical Society Receives Donation

Pictured above from left to right are: Howard Parr, past president of Manchester Area Historical Society, Ronald Mann and Eugene Bentschneider, co-chairmen of the Manchester Chicken Broil, presenting \$7,000 check to John Swainson, president of the Society with John Hinkley, Manchester Mayor looking on.

Manchester Chicken Broil for 1982 has provided the Manchester Area Historical Society a tremendous boost in its effort to finance the buying of the Old Blacksmith Shop. On Saturday, a check for \$7,000 was presented to John Swainson, president of the Society by Eugene Bentschneider and Ronald Mann, co-chairmen of the Broil. This generous gift from the nationally famous community project. The Manchester Chicken Broil, is greatly appreciated and gives the Society a feeling of confidence.

The Building Committee hastens to add, however, that twice as much money needs to be raised by early 1983. A direct mail appeal is going out this week to Manchesterites near and far in an effort to reach this goal.

Preservation of the one remaining relic of Manchester's early days is a worthwhile civic adventure. Saving a real piece of property that can be used for education, demonstration and exhibits will be a focal point for all ages for generations.

Along with the impressive gift from the Broil, the Society is holding Bake Sales at the Shop every Saturday during the current free exhibit "Toys Past and Present" co-sponsored by The Manchester Art Guild and Historical Society. Members and friends of the Society are urged to bring their donations for the sale by 9:30 a.m. on Saturdays through November 13th. Be sure baked articles are completely covered with transparent wrapping and marked with makers name (and the price for which you wish them sold would be a help.)

There are now wooden toys for sale at the Shop, handcrafted by Mr. Wyzman of Jackson. Corn husk dolls from the class and demonstration given by Nancy Feldkamp on the 23rd may also be purchased. Pottery by Bonnie Greenwald is available too. A pair of soft handmade dolls donated and made by Dolores Bunney will be raffled off on November 14 at the regular meeting of the Historical Society. Tickets are \$1.00 for the two.

Local Banks Support United Way

Manchester's three financial institutions, The National Bank of Jackson, Great Lakes Federal Savings and Ann Arbor Bank and Trust Co., and their employees fully support the United Way through their contributions and many employees are active volunteers.

National Bank of Jackson, which is changing its name to Comerica on November 15, sponsored the annual Kick-Off dinner meeting for all volunteer campaign workers as a plus contribution. Jack Zaborowski, Assistant Vice President and manager of the Manchester office announced that 100% of his staff have contributed to this year's fund raising campaign and the bank is also giving a

Parent-Teacher Conferences Set

All parents should be aware that the Manchester Community Schools have scheduled parent-teacher conferences for Thursday, November 4th and Friday, November 5th.

Conferences will be held in all grades from 1:00 P.M. on Thursday, November 4th, until 9:30 p.m. that evening. On Friday, November 5th, conferences are scheduled from 9:00 in the morning until 4:00 in the afternoon. The parents will be notified by the individual schools regarding appointment times.

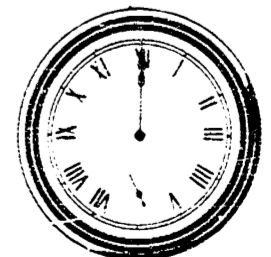

These conferences are designed as a time for parents and teachers to review current student progress and to chart goals and objectives for the remainder of the school year. Parents are encouraged to inquire regarding specific objectives for their children and ways in which they may provide help at home.

Educators are well aware that the best students are those with parents who take a close interest in their work and attempt to work closely with the schools in designing educational programs.

Trick Or Treat Set For October 30

On Saturday, October 30th, Manchester will observe Halloween. Trick or Treating will begin at 5:00 and end at 7:00. Costume judging will follow at the Emanuel Church Hall at 7:15 p.m. Prizes will be awarded to the various categories of costumes. Refreshments of cider and donuts will be served.

The Manchester Police Department are sponsors of this event.

Letters To The Editor

Dear Mr. Steele:

I have just received my copy of the October 21st Manchester Enterprise.

The Judge referred to in a political advertisement on page nine concerning the 14th District Court election was not the undersigned.

Whoever will serve after this election will be a colleague of mine for years to come and I have no desire to be intruded into this campaign, by inadvertence or otherwise.

Very truly yours,
Kenneth Bronson
District Judge

To the Editor
The Manchester Enterprise

The Washtenaw County Board of Commissioners will soon vote to appoint a new member of the County Road Commission because the term of office of Mr. Jim Daniels from Chelsea will expire. Mr. Daniels has indicated that he is not a candidate for reappointment. It should be noted that Mr. Daniels has ably served the whole county and has been particularly

sensitive to the needs of the western end, from which he hails.

The County Road Commission is a 3-person body. Each Commissioner is appointed for 6 years. With Mr. Daniels' departure, the Road Commission will consist of two members from urban areas in the eastern end of the county: Mr. Bent Nielsen from the City of Ann Arbor and Mr. Norm Kennedy from the City of Ypsilanti.

It seems that Mr. Gerald Faye is lobbying for the appointment. Mr. Faye is a Democrat from Ann Arbor. He was defeated in August in his bid for re-election to the County Board of Commissioners, so that makes him a lame-duck member of the body that will make the Road Commission appointment. By sharing my objections to this potential appointment with you, I hope to generate some public interest and discussion of the matter before, rather than after, the vote is cast. This matter is too important to be decided on the basis of back-room deals.

1. The appointment of yet another urban resident would basically silence the voice of county residents in our rural and township areas. Their lives are profoundly affected by Road Commission decisions. Only a small proportion of roads in urban areas come under the Road Commission's jurisdiction, but virtually all the roads in the rural township areas do.

2. The appointment of yet another resident of the eastern end of the county silences the voice of western county residents.

Make no mistake: A vote for Mr. Faye (or any urban resident from the eastern end of the county) will carry a clear message from your County Commissioner. The message is: if you live in a rural or township or western area of the county, you don't count.

Informed, honest, active, interested people who represent a cross-section of our county's residents should be making the decisions that affect your life and pocketbook. We certainly can't expect decent, qualified people to have any interest in serving on our Boards and

Commissions when they see that appointments are mostly a way to pay off political debts and exercise political clout that would not otherwise be available. Your Commissioner's vote on every appointment before the County Board is not a trivial matter.

At the moment, your Commissioner's vote on the Road Commission appointment is especially important. Please discuss this matter with your Commissioner, and urge a vote for a knowledgeable individual who can represent the interests of the western and rural constituencies. An urban, eastern resident like Gerald Faye will not do.

Sincerely,
Elizabeth Keogh
Former County Commissioner and
Democrat from Ann Arbor

To the Voters of Manchester.

We, and all voters of the State of Michigan, have the right and privilege to exercise a certain amount of direct control over law making in the state through actions known as initiative and referendum. Often the results of these actions are in the form of ballot proposals. As seen by the number of proposals on the November 2nd ballot, Michigan citizens are taking advantage of this opportunity.

One proposal, in particular, will affect not only the citizens of Michigan, but all Americans, in fact, all peoples and all life that inhabit this earth. It speaks of our concern for their health, safety, lives, and futures. It is proposal E, the Nuclear Weapons Freeze proposal.

This initiative petition would direct the State Legislature to submit a text to the United States President, Secretary of Defense, Secretary of State and all

Congress members by December 31, 1982. The text in essence would urge the U.S. government to propose to the Soviet Union a mutual, verifiable and immediate freeze on the production and deployment of nuclear weapons.

The Freeze is an agreement to stop. It is the first of a long series of steps that must be taken to assure us of a world free from the fear and/or reality of a nuclear holocaust.

Today, parity in nuclear weaponry exists between the USA and USSR; that is, we are roughly equal in strategic nuclear power. A mutual freeze - now - would hold constant the existing nuclear parity. Neither side would gain the advantage.

At present, the United States and Soviet Union possess 50,000 nuclear weapons. In a half an hour a fraction of these weapons can destroy all cities in the northern hemisphere. Yet, over the next decade, the USA and USSR plan to build over 20,000 more nuclear weapons, along with a new generation of nuclear missiles and aircraft. This new generation of weapons will improve their ability to attack opponent's nuclear forces in what is termed a "limited nuclear exchange." Having such capabilities will undermine the sense of parity, spur further weapons developments and increase the pressure on both sides to use their weapons in a crisis rather than risk losing them in a first strike. On both sides of the ocean, these developments will lead to hair trigger readiness for a massive nuclear exchange.

Soon, other countries may acquire enough nuclear weapons to become additional threats in this situation. The Freeze would increase the incentive of these countries to renounce acquisition of their own nuclear weapons.

At this time a freeze on nuclear missiles

Reward Offered In Shooting

The Washtenaw County Sheriff's Department is seeking any information in reference to the shooting at the Round Haus Pizza, 5790 Bridge Road at Textile on October 22 between 1 and 1:30 a.m.

Anyone who was in the area at the time or has any information on the shooting should contact the Washtenaw County Sheriff's Department and ask for Detective Kennon or Detective Stamper 971-8400 or the Confidential Tip Line 973-7711.

A reward of \$1000 is being offered for information leading to the arrest and conviction of the person or persons involved in the shooting.

Klager Gets Rid Of Head Lice

Head lice is presently increasing in this and other countries. According to Manchester school health nurse, Wanda McGlasson, it occurs at all of the schools in Washtenaw County.

At Klager Elementary the number of

students who had head lice was down this year compared with last. When the problem began occurring, the Klager staff, with the assistance of parents, took the following measures which quickly checked the spread. 1) Checked all children so parents could be notified if children had signs. 2) All children watched a cute cartoon filmstrip to learn not to share hats, combs, etc. which spread lice. 3) Children kept their jackets and hats at their own desks rather than on coat racks. 4) Parents were invited to hear Dr. LaMont Okey talk at PTO about preventing the spread of head lice. Dr. Okey explained that lice is a nuisance but does not cause health problems. Itching is often the presenting complaint. Numerous nits (eggs) are attached by the louse (a tiny bug) to hair shafts. These tiny white eggs are attached to the hair and do not brush off (unlike dandruff). The treatment involves washing the hair with Kwell or Rid shampoo and washing, at high temperatures, all bedding and clothing.

The treatment should not be done more than once a week. A check of all children last week revealed no new cases. The Klager staff wishes to thank parents who quickly

followed the treatment and continue to check their children to prevent lice from becoming a larger problem.

Manchester Schools Begin Volunteer Award Program

In recognition of the many community volunteers who donate their time, services, and often materials to the school system the administration of the Manchester Schools has begun a recognition program. In the near future community persons who have made significant contributions through volunteer activities will be awarded special lapel pins which are in the shape of three human figures holding hands. These awards which have been referred to as "people pins" are a part of the ongoing effort to recognize the many ways in which parents and community members are involved in the schools.

The first persons to receive these awards from the administration were the

Local Banks Support United Way

corporate contribution. Zaborowski said: "Comerica Bank believes it should serve as an example of positive action by supporting its local communities. On a bank wide basis employees of The National Bank of Jackson have contributed 106% of their 1982 goal. And locally, since seventy-seven percent of our staff of eleven full time and two part-time employees live in Manchester, I feel we should have a strong supportive attitude toward our own local United Way. "We are really very fortunate to have our own local United Way and to see the direct benefits of our contributions. The biggest reason that our United Way works is because of the efforts of all the people that work toward a common goal. A goal to REACH IN-THAT WE MAY REACH OUT."

David L. Little, Branch Manager, Great Lakes Federal Savings, said all employees of the Manchester branch have contributed to this year's campaign and, as in past years, Great Lakes is making a contribution.

Little, who is active in community endeavors, is Chairman of this year's Outside Business Division.

Harvey LeBeau, Assistant Vice President, Ann Arbor Bank and Trust also announced all employees of the Manchester branch are contributing to the campaign and the bank is also making a corporate contribution.

LeBeau and Thomas Kallewaard are

Townline Workers 4-H Club

co-chairmen of the campaign's Business Division and are assisted by Ann Pat Dahmen as Division Captain.

Campaign Chairman, Dr. Glenn C.C. Lehr, Jr., announced that as of last Saturday contributions and pledges total \$17,546.00 which is 57.8% of our campaign goal.

Dr. Lehr said: "Because of the tightened economy, campaign results are running below last year's pace. I hope that those who can, will dig just a little deeper to help those in need."

It's Soup Time Again!

Nellie Ackerson Middle School students are collecting Campbell Soup labels again. We need 25 labels from any Campbell's Chunky Soups and 25 blue-green "Swanson" triangles before October 29, 1982. These will earn us bonus coupons to add to the labels saved when we redeem them for audio-visual and library equipment.

Labels from ALL Campbell Soups and Campbell Beans, Campbell Tomato Juice, V-8 juices, Franco-American products, and Swanson canned products count, as well as the "Swanson" triangle from Swanson frozen products. In addition, Prego Spaghetti Sauce and Recipe brand dog food have been added this year.

Please help us get lots of new equipment. Save labels from any of these products!

Townline Workers 4-H Club

Townline Workers excel at Washtenaw County 4-H Recognition Night. Project metals were awarded to: Kelly Bristle in Dairy and Public Speaking; Jeff Horning in achievement; Tricia Horning in Dairy and Dairy Foods; David Weidmayer in Wood Science and Horticulture; and Kevin Weidmayer in Dairy. Project metals are awarded to members between 12 and 14 years for outstanding work in projects.

Awards were given for accomplishments at Dairy Days at MSU. Jeff Horning and Kelly Bristle were on the Senior Dairy Judging team and it placed second in the State. Jeff earned a spot on the State team going to Louisville, Kentucky to the North American Judging contest. The Junior Judging team including Tricia Horning, David Weidmayer and Kerri Bristle placed first in the State. Tricia was top individual judge beating out the other 130 judges in the State. Three members of our club were on the Senior Dairy Bowl team: Jeff Horning, Todd Hazelschwerdt, and Kelly Bristle. The Junior Dairy Bowl team of: David Weidmayer, Kevin Weidmayer, Tricia Horning and Kerri Bristle placed second in the State.

At Livestock Expo at MSU Jeff O'Mara competed in Livestock Judging. Everyone enjoyed the old slides of our parents when they were in 4-H. Also slides of 4-H in 1982 were shown. The evening ended with a favorite dessert tasting party.

Obituaries

World Community Day - November 5th

World Community Day, a national observance sponsored by Church Women United, calls Christian women to gather on Friday, November 5, 1982, to focus their energies on the crisis of scarcity and abundance in our world.

The service this year looks at the universal problem of "Scarcity/Abundance" from a Christian perspective. Written by participants in Church Women United's international Christian Causeways, it draws upon insights gained from these experiences of sharing concerns and building bridges of understanding with Christian women of other countries and cultures.

Eastern Europe, the Pacific.

Church Women United is the national movement bringing more than half a million Protestant, Roman Catholic and Orthodox women together into a Christian "community of caring."

World Community Day services will take place in Manchester on November 5th in the Manchester United Methodist Church at 1:30 p.m.

United Methodist Women organized this program, which will feature Pauline Hart as the main speaker.

Student Council Members To Attend Workshop

Four members of Manchester High School's Student Council will be attending a leadership workshop on November 4. The workshop will be held at the Washtenaw Intermediate School District office in Ann Arbor and all schools in the County have been invited to attend.

School Health Clinic A Success

The Immunization Clinic for the Manchester Community Schools held in the High School Library on October 20 was declared a success by Wanda McGlasson, the Washtenaw County Health

Department nurse who visits all Manchester Schools as part of her job. Not only were students in all three buildings able to avail themselves of free immunizations, a large number of Manchester residents also came to the Clinic.

Assisting Ms. McGlasson with the Clinic were adult volunteers Carol Weitoff, Darla Hock and Hazel Kappler. National Honor Society members Melissa Bunney, Carol Kidd, Martha Moore and Laura Pierce also assisted and the National Honor Society provided refreshments for the workers.

Athletic Booster Meeting

The Manchester Athletic Booster meeting will be held on Wednesday, November 3, at 8 p.m. at the High School, Room 110. Everyone is invited to come, we need your support.

FOR 14TH DISTRICT JUDGE

HAMILTON
THE RIGHT CHOICE FOR JUDGE

59.6% of Primary Voters agreed we need a new Judge for 14th District Court

"In the City of Ypsilanti, where Shea presides, the incumbent had a poor showing behind Hamilton. Shea's uphill battle on his home turf may be an indication that Ypsilanti voters are believing what Hamilton has been saying throughout the campaign. Shea does not treat Ypsilanti's with respect and dignity in formal and informal Court proceedings."

The Ann Arbor News August 11, 1982

"The Michigan Women Lawyers Association has endorsed Walter Hamilton. So has the Washtenaw Trial Lawyers Association. Why? Because Thomas Shea fails to treat people with respect and courtesy."

"Shea even refers to women lawyers as 'girls' in open Court."

"It's time for women and women lawyers to get equal and respectful consideration of their cases."

"That's one reason why I and other lawyers endorse Walter Hamilton."

Offensive and Defensive Players of the week

Pat Ridenour #10
Offensive

Roger Day #22
Defensive

by Jon Hardenbergh

We sure needed to snap our losing streak and this we did 35 to 18 over Dundee. Our two big offensive threats were Jim Krzyzaniak who motored for 110 yards and Pat Ridenour who threw 21 times to complete 22 for 144 yards. All together we total 368 yards of offense.

We took the opening kick and proceeded to move but then a fumble gave control to the Vikings. They went nowhere so punted the sphere flew over the punter's head so we took over down in Dundee territory. In a mere minute and a half we'd it paydirt. As the contest progressed we trucked twice more leaving the tally 20-0.

The Viking's did manage to get on the board twice -- the first on a 40 plus pass reception and the second by returning the 2nd half kick-off 82 yards for a score. We came right back with 2 touchdowns to seal the win.

Stand-outs offensively besides Krzyzaniak and Ridenour were Carl Wiedmayer and Mark Ball with Roger Day doing well on defense.

On Friday we visit Clinton -- the Skin's have a tough team and they also lost a tough battle to Grass Lake Friday, 7-6.

Congratulations go to our J.V. squad twice over as 2 weeks ago they fought back to nip Blissfield, then last week they handled Dundee.

Twentieth Century Club

The Twentieth Century Club began its 1982-83 season with a member-hobby program at the lovely restored county home of Mr. and Mrs. Richard Schmidt on Prospect Hill Road. Many diverse hobbies were described making a tremendously interesting evening which had been planned by Mrs. Paul Alber.

The annual dinner theater meeting was enjoyed by the club members and guests in October. Dinner was at the Brandywine and theater at Potter Center in Jackson on the campus of the Jackson Community College where "Something New, Something Now" was playing. An excellent evening thanks to the efforts of Mrs. Willard Mann and Mrs. Donald DuRussel. In a short business meeting the motion was unanimously passed to contribute to the Community Fund.

Alcohol Abuse Lecture Series

A series of programs on alcohol abuse will be offered by Chelsea Community Hospital. The programs will be conducted by Costas Kleanthous, MD, Medical Director of the Substance Abuse Program at Chelsea Community Hospital.

The dates of the programs and their topics are as follows:
Monday, November 1 - Alcoholism and the Family Part I.

Monday, November 8 - Alcoholism and the Family Part II.
Monday, November 15 - Alcoholism and Sexual Dysfunction Part I.
Monday, November 22 - Alcoholism and Sexual Dysfunction Part II.

The programs are open to the public and are free of charge, although registration is necessary.

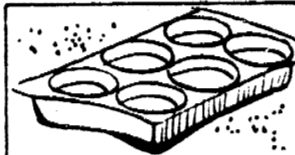

Please call Cindy Bear at 475-1311 Ext. 354 or Shannon Miller at Ext. 225 to register.

Local Student Joins CMU Glee Club

Eric Duncan, a Central Michigan University freshman from Manchester, is a member of the CMU Men's Glee Club.

The club is under the direction of Jeffrey Foote, a member of the CMU music faculty. The members perform folk songs, popular arrangements, barbershop ballads and serious music. The club joins the Women's Glee Club for concerts as well as performing alone.

Eric sings bass in the club. He is the son of Marcia and James Duncan.

Hospice Asks Churches Support

Terminally ill patients can be cared for at home, receiving excellent quality medical care and support services in a comforting environment. This is the message Hospice of Washtenaw has asked local clergy to deliver to their church members.

Hospice helps ease the pain and relieve the stress of terminally ill patients and

their family members. Home care is emphasized. Teams of professionals and volunteers address physical, emotional, social and spiritual concerns. Practical assistance is provided through respite care, transportation and help with errands and chores.

During the week of November 7th, church members will be asked to contribute to a special collection to help support the goals of Hospice care for patients and families. Hospice of Washtenaw is partially funded as a member agency of the United Ways of Washtenaw, Manchester and Chelsea. The Hospice concept depends on community support and involvement. The Hospice Sunday and Sabbath activities are part of a national effort to gain community understanding and support.

Tiger Cubs

Manchester's first Tiger Cub group was formed October 20 at Klager School. Tiger Cubs is a scouting activity in which a second grade or 7 year old boy registers with an adult or guardian and takes part in various family and group activities. The Tiger Cubs are affiliated with Pack 421 which is sponsored by Emanuel Church. Andrew and Gary Corwin, Damian and Donald DuRussel, Bryan and Judy Hoefl, Kevin and Chester Reese, and Ryan and Raymond Steele will participate in their first group activity November 17 at the DuRussel's.

Cub Scout Pack 421

Pack 421 welcomes James Buono, Jeremy Harris, Duncan Macfarlane and Scott Strong as new members.

Our monthly pack meeting was held October 14 at Klager School. Den 3 presented the flag ceremony. Rev. Macfarlane presented The National Summertime Award to Cubmaster Ernie Reese for pack summertime events. Cub Scouts enjoy 12 months of activities. Dens 2, 3, and 5 received Den Summertime Awards.

Wolf badges, gold arrow points, and silver arrow points were awarded to Matt Stautz (3 silver), Jon Uphouse (2 silver) and Jeff Smith (2 silver).

October 16 eight leaders and 34 Cub Scouts journeyed to Camp Munhacke with their families for our annual Fall Color Hike. After the 5 mile hike, hot dogs, chips, and cider were enjoyed by all.

Pack 421 will march in the Manchester Veteran's Day Parade on Sunday, November 7 at 2:00 p.m. Cubs should meet at 1:30 p.m. at the American Legion Hall on Duncan Street.

Bloodmobile News

A Manchester Red Cross Bloodmobile helps anyone who needs blood. For years Red Cross blood has been free to patients in all Michigan and most U.S. hospitals -- any charges are by the hospital only and for their giving of the blood to a patient. Manchester is noted for doing its share to help keep the supply at a safe level. Lifewise, many Manchester area people have been helped when that unexpected need occurred.

It takes lots of people to run a successful Bloodmobile. First and foremost are the donors. 190 people came to the October 18th clinic at the Knights of Columbus Hall and 178 pints of blood were collected. The other 12 donors were deferred for temporary or permanent medical reasons which were explained by the Red Cross

nurse in charge of the clinic.

In the 31 years, Manchester has held regular Red Cross Bloodmobiles -- at first once a year and since 1970 twice a year -- gallon donor records have been kept. There are 244 gallon donors on the Honor Roll and they range from 1 gallon (when the name is added) to 5 gallon donors. Next time there will be a 6 gallon donor!

On October 18, nine more 1 gallon donors were added to this Honor Roll: Jeff Cervene, James Anderson, Mary Smith, Robert E. Nickelson, Harold Miller, David Richardson, Terry Woods, William Hatchett and Bryan Little. Two 2 gallon pins were given to Alberta Fox and James Dubois. A 3 gallon pin was earned by Larry Goodell and a 4 gallon pin went to William Kirk.

Besides the professional staff that comes from the Southeastern Michigan Red Cross Blood Center there is the local volunteer staff. Mrs. William Schwab and Mrs. James Warner were co-chairmen of the day. They were assisted by Pre-screener, Mrs. Minard Diver; Registrars, Mrs. Ronald Jenter, Mrs. LeRoy Knickerbocker, Mrs. Ernest Ridge and Mrs. Norman MacLeod; Nurses Aides, Misses Amanda Schable and Ella Duck and Mrs. James Scott; Escorts, Mrs. Ted Mester, Jr., Mrs. Ray Uphaus, Mrs. John Wallace, Jr., and Mrs. Norman Mollenkopf; Canteen, Mrs. Robert Panches, Mrs. Duffield Ball, Mrs. Paul Wilde, Mary Kirk and Ardis Scheid; Observers, Mrs. Alvin Kappler and Mrs. Aaron Nathan, R.N.'s.

Extra helpers were Drivers, James Cox, Mel Bribin and Paul Willy; Nursery by the Women's League; Betty White, Janice Stautz, Joyce Armentrout, Mary Anne Flader, Patricia Bertke and Janet Avery. Besides all of these people the Knights of Columbus Hall hosted the event; members of St. Mary's Altar Society were the hostesses at the Canteen which was donated by the Society; Alber's Orchard furnished the cider and apples; American Legion Auxiliary, the orange juice; all the industries in the area sent donors and all the churches in the whole school district had volunteer recruiters who signed up members to attend the clinic.

Volunteering is the "name of the game" and Manchester is expert at that.

"Time is the greatest innovator."

Turner Geriatric Clinic

On Wednesday, November 3, at 7:30 p.m., the Turner Geriatric Clinic, University of Michigan Hospitals, will sponsor a six session group "For Men Only: Work, Retirement, and other Pleasures". The issues that men face at retirement age and beyond will be the theme of the meetings. The group will meet once a week for six weeks at the Turner Geriatric Clinic, 1010 Wall St., Ann Arbor. Topics include: Health Problems at Retirement Age, Money Management at Retirement, Alternatives to Living Alone, the Benefits of Early vs. Late Retirement, and other topics to be selected by the participants.

Dr. Ivan Duff, of the Turner Geriatric Clinic staff will speak at the first meeting on "Retirement: A Threat to Health." There will be ample time for questions and discussion afterwards.

Men age 50 and over are invited to attend and participate. There is ample parking at the Clinic and transportation arrangements can be made for those without it. Refreshments will be served. There is no admission fee, but please call 764-2556, if you plan to attend as space is limited.

Klager Students Sell Popcorn For United Way

Gabe and Luke Weiss
 Each week a different group of Klager children have donated and sold popcorn to the school children. After three weeks they have raised over \$100 which will be presented to the Manchester United Way Fund. The last popcorn sale will be October 27.

FOR 14TH DISTRICT JUDGE

HAMILTON
 THE RIGHT CHOICE FOR JUDGE

Thomas Shea is presently the 14th District Judge in Ypsilanti, with a duty to fairly administer justice. Judge S.J. Bronson writing for the Michigan Court of Appeals, wrote this about Thomas Shea, then assistant prosecutor:

The assistant prosecutor and his trial tactics are no stranger to this court...

The history reveals the assistant prosecutor's failure to heed our prior admonitions, and we do not condone his continued use of improper argument and borderline conduct. HIS CONDUCT IS INCONSISTENT WITH BOTH THE LETTER AND SPIRIT OF DISCIPLINARY RULE 1-102 OF THE CODE OF PROFESSIONAL RESPONSIBILITY AND CANONS, WHICH IN PERTINENT PART PROVIDES:

(A) A LAWYER SHALL NOT:
 (4) ENGAGE IN CONDUCT THAT IS PREJUDICIAL TO THE ADMINISTRATION OF JUSTICE.

People v Jones 48 Mich App 334.

Help restore fairness to the 14th District Court. If you elect Walter Hamilton he will.

The Honorable Roy Smith

Dear Roy:

This is a very difficult letter for us to write because of the tremendous friend you are to us as our legislator and because of all the things you have done consistently for many years to support public education in the State of Michigan.

After much deliberation last Friday, our 18th Senate Screening and Endorsement Committee decided to give our endorsement to Lana Pollack.

This decision was based largely on our concerns about the projected make-up of the Senate, and not on concerns about your positions on educational issues.

Whichever way the election turns out, we are looking forward to a continued relationship with you because of our mutual educational concerns.

We wish you well in your campaign efforts, and have certainly appreciated all of your efforts and support through the years.

Most sincerely,

HIT or MISS

BY FARLEY

I've been thinking that I should enroll in a college. I saw in the Toledo paper the other day, a picture of a co-ed neatly tucked in bed with a beguiling smile on her face, while seated beside her with a book open on his lap, was a really good looking young man gazing at said co-ed with a satisfied smile on his face.

The paragraph below the picture explained that at Bowling Green Universities in the co-ed dormitories, there had been inaugurated a program whereby nowadays the girls were tucked in bed by their favorite boy friend who then read to them a bedtime story and when finished kissed them goodnight and also retired.

When I was a pup, college was never like this. I would like to return there and study some more - perhaps psychology.

However I'm not sure that I could pass the entrance exams, but if not further reading of the daily newspapers suggests several other avenues of improvement that I could pursue.

I note that one of the City of Detroit's Councilmen couldn't get his car started the other morning and he, unfortunately as he might have been, had to ride a city bus downtown to his office, dirty and uncomfortable as they might have been, which made him very uncomfortable. This he complained about loudly and so, after due consideration, the Council is about to buy its members all new cars for they only get about \$30,000 a year salaries.

But not being a resident of Detroit I can't pursue this any farther.

However there is nothing to prevent me from running for membership in the

Michigan Legislature. You don't have to prove much to qualify for those jobs. Evidently all you must have is a gift of gab, a great deal of intestinal fortitude and a "program" whatever that is. You must prove that you are a qualified citizen and you must fill out the proper petitions. No intelligence tests nor proof capability is required. Then to get a bit over \$30,000 a year on which they must struggle along - they are the highest paid state legislators in the U.S. and there is a movement afoot to raise their salaries by 100% because of the huge demands and responsibilities required of them. They haven't received this increase as yet but it is not impossible that they might not. They set their own wages, you know.

I haven't yet concluded my research for a job - pardon me, the word should be, I am told, "position", but there must be others available, perhaps like a Detroit teacher who it turns out was "pink slipped" last June at the end of the school year and retired in September. It was found that according to the law they were eligible to receive unemployment compensation which they did all summer, until they were returned, at their usual salaries, for the coming school year. Technically they were "fired" but actually they were not, so they received their full unemployment for each day of their vacation. Now that's the kind of job that I'm looking for - there must be others. Jobs that require no particular preparation now skills except to perhaps develop a pleasing personality and some skills perhaps as a public speaker.

HALLOWEEN SUGGESTIONS

Many families in the area will wish to visit the Manchester Township Library in preparation of the fall Halloween celebration. The staff has arranged a group of easy-to-read and books to read to younger children in a special place in the younger children's room. Included are *Nibble, Nibble Mousekins*; *The Goblin Under the Stairs*; *A Pumpkin Shell*; *The Witch Who Saved Halloween*; *It's the Great Pumpkin, Charlie Brown*; *Dracula*; and *Gaelic Ghosts*. Party ideas for this season may be found in several sections of the building. **Party Ideas for Tots**, *The Keene Party Book* and a varied selection for younger children are shelved under the letters "Y793". For older children and adults, the books marked "793", located with other non-fiction include *Games for all Ages*, *Unusual Party Ideas and Games*, and *Party Fun*, as well as many others. Many of the cook books have menu and party ideas for special days.

For factual information and historical background, *The Book of Holidays*, and *Celebrations* (The Complete Book of American Holidays) should be reviewed.

Though Halloween as we know it in the United States is mostly masquerading and

partying, its origin is believed to be pagan, a celebration of the first day of winter. Presently the Catholic Church in many places celebrates All Saint's (or All Hallows) Day on November 1, to commemorate all martyrs who died in groups or unknown. In Europe, especially in the British Isles, on All Hallows Eve, the old Midsummer night types of activities such as bonfires and fortune-telling still persist. This is probably the basis for the American type of Halloween celebration on Halloween (a derivation of (All) Hallow's (e)vening!)

Xi Epsilon Iota

Darlene Kuebler was hostess for the October 19 meeting of Xi Epsilon Iota. She and President Jane Van Doren announced final plans for the group's annual Talent Auction—a sale of hand-made craft items to be held Wednesday evening, November 10.

The auction is a public event, with free refreshments and no admission charge. It will be held at the Emanuel Church Fellowship Hall, beginning at 7:30 p.m.

The program for this second October meeting was presented by a member of the Ann Arbor chapter of Physicians for Social

Responsibility. He gave a slide presentation and conducted a discussion on the important issues related to Proposition E—the statewide advisory vote on a nuclear weapons freeze. Arrangements for the program were made by Catherine Roberts.

Hospice Open House

Hospice of Washtenaw will host an Open House on Friday, October 29, 1982 from 4 p.m. to 6 p.m. at 2530 South Main, in Ann Arbor. A United Way member agency, Hospice of Washtenaw assists terminally ill patients and their families in Washtenaw County. Volunteers work as advocates for patients and families, providing a variety of support services. Hospice of Washtenaw has been serving the residents of Washtenaw County for almost two years.

The Open House will feature volunteer recognition and an agency status report. Those interested in learning about the services of Hospice of Washtenaw are urged to attend.

BALLOT PROPOSALS: YOUR OPPORTUNITY TO INFLUENCE POLICY

As well as electing a new governor and choosing various men and women to represent us in Congress and state government, on November 2 we will also vote on seven ballot proposals. Government by referendum is a valuable tool enabling the people to address problems their elected representatives have ignored or failed to address. But ballot proposals can often be confusing or so complex they don't receive the

thoughtful attention they deserve.

As with the candidates for public office, it is important that you become familiar with the issues before you. This year, three of the ballot proposals are amendments to the state constitution and four are amendments to Michigan laws. The legislature placed two proposals before the voters, but five other questions are on the ballot through citizen petition drives.

Many of you have read newspaper analyses of the issues before us this year and you may have already heard them discussed at candidates' nights or informational meetings. Below is a brief summary of the questions you will help decide through your vote next Tuesday. Remember, the choices you make on this election day will be significant for years to

of bills that do not relate to legislative duties. This proposal was placed on the ballot by the legislature.

Proposal B: Should the Michigan Department of State Police be created under the constitution with a requirement for minimum staffing and provisions for personnel and their duties? This proposal is a result of a petition drive by the State Police and would guarantee minimum staffing levels for State Police regardless of the state's financial situation unless Michigan's actual population decreases. The Department, established by law in the same manner as other executive departments, would be established under the constitution. The department would be primarily assigned to crime prevention, law enforcement and investigation, traffic enforcement and other related police duties.

Proposal C: Should lending institutions be prohibited from enforcing a "due on sale" clause to foreclose a mortgage or land contract when the property is sold, unless security is impaired? This proposal, the result of a citizen initiative, would stop financial institutions from foreclosing on homes when the seller wishes to transfer the mortgage to a new owner at the original interest rate. The seller would also have 48 months, rather than the present six to 12 months, to repay their mortgages if foreclosure occurs. Although due on sale clauses are normally a part of mortgage agreements, they have not been enforced until recently because of the drastic increases in mortgage interest rates. Passage of this could result in the loss of capital for home mortgages.

Proposal D: Should automatic utility increases be abolished and should rate hearings be required on only one case at a time? Automatic adjustment clauses, instituted in December of 1972, enabled utilities to pass increased energy costs to customers without a hearing before the Public Service Commission because of the escalating and volatile cost of fuel. Proposal D would end that practice, but could adversely affect the financial standing of utility companies by requiring only one rate review at a time.

Proposal E: Should the state of Michigan express the desire for a nuclear weapons freeze between the United States and the Soviet Union? This proposal would reflect the concern of Michigan citizens over nuclear armament and would require the legislature to inform the President, Congress and the Secretaries of Defense and State of our support for a mutual and verifiable halt to the testing, production

"New Horizons" POHI Center Dedicated

Amy Day

Heather Balleff

For over 40 years (since 1939) the physically handicapped children of Washtenaw County have been served in the special education programs offered in the Rackham Center on Eastern Michigan University's campus. When school opened this fall, the physically and otherwise health impaired (POHI) students were excited about the opportunity to attend the new facility located in Estabrook School on Packard Road on the west side of Ypsilanti.

On Sunday, October 31, at 3:00 p.m. the Estabrook-New Horizons Educational Center will be dedicated. The new facility which houses both the Estabrook Elementary School and New Horizons Center for the physically or otherwise health impaired is located on a campus containing the Ypsilanti High School and West Middle School. This new complex represents the continuation of over fifty years of school and community cooperation in providing a continuum of services for the physically handicapped students of Washtenaw County. It was made possible when Washtenaw Intermediate School District's request, for a bonding proposal was overwhelming approved by the county's electorate in June of 1979.

Many dedicated professionals, parents

and friends of special education have worked under the direction of Mr. Nick Ianni, Superintendent of the Washtenaw Intermediate School District and Dr. Robert McLennan, Superintendent of Ypsilanti Public Schools to bring this project to completion. The program currently serves eighty five handicapped students and their families from the constituent districts of Washtenaw County. The program provides special education and supportive services for students ranging from infant/toddlers to students who are twenty five years of age. This new facility brings the opportunity for schooling and social relationships in the mainstream of public education into reality.

Mr. Harvey Gregerson, Director of the New Horizons program and a resident of Manchester and Dr. Henry DeYoung, Director of Special Education for Region V serving local school districts of Manchester, Chelsea, Dexter and Whitmore Lake encourage the community to join in the dedication and tour of the new facility at the open house on October 31st. The address of Estabrook-New Horizons is 1555 W. Cross Street in Ypsilanti.

LOW CALORIE DIETS

Some months ago, I wrote a column about the potential risks involved in going on a very low calorie diet without strict and continuing medical supervision. I was referring to diets of less than 1,200 calories a day continued for weeks and months. The National Centers for Disease Control has linked certain of these very low calorie diets with the deaths of some people.

Now we at the State Health Department are trying to collect and compile information from individuals who may have suffered ill-effects from such weight loss programs, or products taken to promote weight loss. So if you have any such information to pass along, please call the Michigan Department at (517) 373-7574 and ask to speak to a State Nutritionist or write a letter to the Nutrition Division, Michigan Department of Public Health, 3500 N. Logan Street, P.O. 30035, Lansing, Michigan 48909. Accurate and complete data is essential to the validity of any study of health effects so it is very important to us to collect as much reliable information as possible. We will appreciate your help in doing so.

While I'm on the subject, I'd like to emphasize some of the guidelines you

should use in evaluating a diet plan. Any such diet should contain at least 1,200 calories per day, should cause a weight loss of about 1-2 pounds per week, and should contain a variety of foods from the basic food groups: milk or substitute group, meat or substitute group, vegetable - fruit group, bread - cereal group, and fat/oil group. In addition, it should emphasize that the need for increased physical activity, and gradual change in eating habits.

If you're on a diet - or thinking about going on a diet - ask yourself if it meets the above guidelines. If it doesn't, avoid it. And remember before beginning any weight reduction program it is advisable to consult your physician.

Senior Citizens Meals And News

In Memoriam

In memory of
Jay Lamar Hill who died November 1, 1967
In loving memory of our husband, father, grandpa and great-grandpa.

Oh, what would we give to clasp your hand;
Your dear, kind face to see;
Your loving smile, your welcome voice,
That meant so much to us.
God called him home, it was His will,
But in our hearts we love him still;
His memory is as dear today
As in the hour he passed away fifteen years ago today.

Sadly missed by the family

CONGRESSMAN CARL PURSELL

Leadership

FOR THE 2nd DISTRICT

THE MANCHESTER AREA HAS BEEN ADDED TO THE 2nd CONGRESSIONAL DISTRICT. WHILE THE DISTRICT'S BOUNDARIES ARE NEW, THE LEADERSHIP OF CONGRESSMAN CARL PURSELL REMAINS. CARL HAS REPRESENTED THE 2nd DISTRICT FOR 6 YEARS. HE'S A MEMBER OF THE INFLUENTIAL APPROPRIATIONS COMMITTEE... A FIRST-RATE LEGISLATOR WHO IS KNOWN FOR EXCEPTIONAL SERVICE TO THE PEOPLE HE REPRESENTS.

FOR AGRICULTURE

THE MAJOR CHANGE IN THE NEW 2ND DISTRICT IS THE GREATLY INCREASED AGRICULTURAL TERRITORY. CARL IS ALREADY HARD AT WORK ON THIS PART OF HIS PARTNERSHIP WITH THE DISTRICT'S PEOPLE... MEETING WITH FARMERS THROUGHOUT THE DISTRICT... EXAMINING THE COMMODITIES EXCHANGE AND ITS IMPACT ON FARM PRICES... TALKING WITH THE FARM FAMILIES ABOUT THE ECONOMIC SQUEEZE FACING AMERICA'S FARMS.

CARL HAS ALREADY EARNED THE ENDORSEMENT OF THE FARM BUREAU.

HE RECOGNIZES TWO IMPORTANT TRUTHS:

- 1-THE REAL EXPERTS ON AGRICULTURE ARE THOSE WHO MAKE THEIR LIVING AT IT... SO HE LISTENS TO THEM.
- 2-FARMERS ARE BUSINESS PEOPLE IN ONE OF THE TOUGHEST BUSINESSES AROUND, WITH PROBLEMS SIMILAR TO THOSE OF OTHER BUSINESS PEOPLE. AS A FORMER SMALL BUSINESS OWNER, CARL UNDERSTANDS THOSE PROBLEMS, AND IS SENSITIVE TO FARMERS' CONCERNS.

THE KNOWLEDGE OF LOCAL FARMERS, COMBINED WITH CARL'S LEGISLATIVE SKILL, CAN MAKE A GREAT PARTNERSHIP FOR 2ND DISTRICT AGRICULTURE.

CONGRESSMAN PURSELL DOESN'T PROMISE MIRACLES. HE DOES PROMISE TO LISTEN, TO LEARN, TO HELP.

FOR US

UNLIKE MOST CONGRESSMEN, CARL HAS KEPT HIS HOME AND FAMILY IN THE DISTRICT, NOT WASHINGTON, D.C. HE HAS NEVER LOST TOUCH WITH THE PEOPLE. HE NEVER WILL.

Leadership for Washtenaw...
and the 2nd District
CONGRESSMAN CARL PURSELL:

BE ON GUARD. Many Halloween trick-or-treaters will not be as easy for drivers to see as these youngsters who heed the Automobile Club of Michigan's advice to wear bright costumes, have reflective tape on clothing and carry flashlights. The clown and the Indian chief also are wearing face makeup rather than masks which obscure vision. The football player makes one serious traffic safety mistake. He should not be wearing the vision-restricting helmet, especially while crossing the street. To help make this a safe Halloween for young trick-or-treaters, the Auto Club is distributing free "Light Up A Life" safety tip cards at its 56 offices statewide.

Senior Citizens Meals And News

Dessert, Coffee, Tea and Milk.
On November 4 there will be pictures by Millard Uphaus of the most recent trips he and Lillian have taken. These are always excellent and fun. On Tuesday after the Meal there are cards for all. And on Tuesday mornings at 11:00 there is a most helpful exercise program especially for the older generation.
Tickets for the Harvest Dinner on November 3 at Manchester Methodist Church will be available from Charlotte Timmerman. Senior members have a special price of \$4.00 and adults who are not Seniors can get a special pre-sale price of \$5.00 from Charlotte or by calling the Methodist Church office by Tuesday the 2nd. The Baker's Dozen also has tickets for sale. See display advertisement for details. Reservations and money must be in by November 10th for a special dinner-theatre trip to the Crosswell Opera House in Adrian for a showing of "Babes in Toyland" Sunday afternoon, November 21. The group will be stopping at The Brass Lantern for their meal on the way to the theatre. Trip time is 12-noon, from the Emanuel Church parking lot. Proposal G: Should the membership of the Public Service Commission be expanded and should the members be elected rather than appointed by the Governor? This proposal would establish the Public Service Commission in the constitution as a five member board elected to four year terms on the nonpartisan section of the ballot. Presently, the three PSC members are appointed by the Governor for six year terms with the advice and consent of the Senate, and only two can be of the same political party. The proposed commission would have essentially the same responsibilities and powers as the present PSC. However, politicizing the board through elections could result in campaign promises for lower utility rates and political rate-making decisions that could adversely affect our energy flow in the future.

Proposal H: Should certain rate adjustment classes be prohibited while permitting simultaneous rate hearings? The proposal was placed on the ballot by the legislature. Essentially the same as Proposal D, it eliminates automatic pass through of increased gas and fuel costs to customers but provides flexible review of rates.

Orchestra Seeks Soloists For Symphony Concert

The opportunity to perform with a noted symphony orchestra is offered to talented high school musicians of Washtenaw County by The Ann Arbor Symphony Orchestra. In announcing the orchestra's 1983 Youth Soloist competition, the orchestra's music director, Dr. Edward Szabo, stated that the two finalists in the auditions would appear with The Ann Arbor Symphony Orchestra in a concert in Hill Auditorium in Ann Arbor on Wednesday evening, December 15. In addition, the finalists will receive an award of \$25. Auditions will be on Saturday morning, November 13, at The University of Michigan School of Music in room 2038.

Application for an audition is required, after which audition times will be announced.

Auditions for the Youth Soloist competition are open to any student in grades 9 through 12 who is a resident of Washtenaw County attending a public or non-public school in the county. Students can audition in keyboard, voice or orchestral instruments. The audition selection should not be longer than a single movement from a concerto. Contestants must provide their own accompanists, and all solos must be memorized.
 Students desiring to audition for the honor can obtain an application form from the music department at their high school or intermediate/middle school. Applications must be received by November 5 to be considered. Applicants will be notified by November 10 of their audition times.

Detailed information about the competition can be obtained by Dr. Szabo, 2775 Seminole Road, Ann Arbor 48104, or by phoning him at 971-0162.

DONT TOUCH THAT CABLE!
 Governor William G. Milliken has signed into law H.B. 4820, legislation making it a misdemeanor to use, or knowingly participate in, the use of devices to tap into any telecommunications service without paying for it. The new law defines "telecommunication device" as "any service, transmission, emission, or reception of signals, signs, writings, images and sound of intelligence of any nature by wire, cable, television system, closed circuit or coaxial cable communications system."
MICHIGAN RECEIVES TRADE GRANT - The U.S. Department of Commerce has awarded the State of Michigan a grant for \$111,208 to accelerate programs linking Michigan businesses with international markets. Michigan was among 300 applicants for the nearly \$2 million in federal grant money. Only 6 percent of those receiving grants were governmental units like Michigan. Nearly 2,000 Michigan businesses and over 250,000 Michigan workers are involved in some type of overseas marketing or export-related manufacturing.

Hit or Miss

Rong Lardner was purely and simply a baseball fan. Every other sport was a bore. One afternoon a friend took him to a football game. Lardner watched the game with disinterest. Suddenly in the second half, the crowd came to its feet when a punt receiver ran the ball almost the length of the field. "Did you see that" the humorist's friend screamed. "He carried the ball 90 yards." "So", Lardner shrugged. "It isn't heavy is it?"

K.C. School Of Dance

After several years of assistant teaching in Concord, attending classes at Central Michigan University and Jackson Community College plus dancing since the age of four, Cassandra Root has begun a Dance Studio in Manchester. Located at 112 1/2 Adrian Street under her nickname K.C. School of Dance, lessons in tap, jazz, ballet, and tumbling are being offered.

Beginning Wednesday afternoons the pre-schoolers dance to ballet, tap and tumbling music. Immediately after come the young ladies ages eight to twelve to swing to the movements of jazz. Most of these ladies stay on with the addition of a few more to tumble, cartwheel, and spring into a half-hour of fun. Following this class are five to seven year olds very seriously learning to dance on their toes in ballet. Next you hear very busy feet tapping vigorously in their tap shoes to learn many new dance steps. Concluding Wednesday evening is another jazz class of very classy ladies.

Thursday you will find K.C.'s School of Dance opening with a beginning tap class then moving on to some very serious ballet. Highlighted next is a boys group ranging in age from three to twelve tumbling across the mat with tons of enthusiasm and energy. Of course to complete a well-rounded dance studio she offers a "mothers" class, also including older teenagers, exercising to aerobics. Fun is had by all in this class as they trim into shape.

Cassandra is planning a dance recital this spring for all students to present their accomplished talents.

Stanford D. Arnold

James Barrett

"Politics Makes Strange Bedfellows"

In this election year two Michigan civic leaders are surprised to find themselves involved in an unusual coalition to protect the interests of their constituencies.

James Barrett, president of the Michigan State Chamber of Commerce, and Stanford D. Arnold, secretary-treasurer of the Michigan State Building and Construction Trades Council, are working together with Citizens for Michigan Jobs and Energy to fight Proposal D. D is a controversial initiative, put on the ballot by the Michigan Citizens Lobby, which would eliminate the "automatic" fuel adjustment clause on utility bills but, because of hearing delays, could force utility companies to borrow money in order to continue operating.

Arnold's primary concern is jobs. Utility companies are the state's largest single employer of construction workers.

"If the MCL initiative is passed the financing of construction will be seriously jeopardized," says Arnold. "And if utility construction projects are stopped, thousands of construction workers will be out of a job."

Arnold points out, however, that it is not only construction jobs that would be lost if Proposal D passes.

"Consider as well the availability of emergency fuel reserves. If utilities were forced to restrict their fuel supplies to avoid borrowing at today's interest rates, we could be caught short of fuel in the event of unexpected severe weather. And major industrial users are the first to lose energy supplies when fuel runs short. Then when bad weather hits, Michigan workers would be out of jobs — for days — even weeks."

Barrett's concern is for business and industry in Michigan, and the state's prospects for economic recovery. But the bottom line is still jobs.

"Proposal D is dangerous to Michigan's economic climate because it could have an adverse effect on our employment picture," says Barrett. "It also could cripple the long-range capacity of utility companies to offer reliable energy service at reasonable rates."

"It poses a very real threat to the capacity of utility companies to provide reliable, efficient service to industrial and commercial customers. As a result, prospective business and industrial energy users may think twice before saying 'yes' to Michigan as the location for a new production plant or commercial facility."

Barrett and Arnold agree that the problem with Proposal D is

that it permits only one rate hearing before the Public Service Commission per utility at a time. That would be a cumbersome process that could lead to higher interest rates on operating funds — a cost that would be reflected in higher utility bills and could eventually result in service cutbacks.

Both men are backing another ballot proposal, Proposal H, which they say would "allow utility firms to recover, after Commission scrutiny, month-to-month costs of doing business in a timely manner, reducing their need to borrow operating funds at unreasonably high interest rates."

They are joined in the CMJE coalition by other business, labor and civic groups, plus the Michigan Farm Bureau and a number of individuals throughout the state.

Altogether, it is an unusual coalition of Michiganders fighting to defeat a proposal that would mean further economic disaster for the state.

**CONGRESSMAN
CARL PURSELL**

Leadership

FOR THE 2nd DISTRICT

THE MANCHESTER AREA HAS BEEN ADDED TO THE 2nd CONGRESSIONAL DISTRICT. WHILE THE DISTRICT'S BOUNDARIES ARE NEW, THE LEADERSHIP OF CONGRESSMAN CARL PURSELL REMAINS. CARL HAS REPRESENTED THE 2nd DISTRICT FOR 6 YEARS. HE'S A MEMBER OF THE INFLUENTIAL APPROPRIATIONS COMMITTEE. . . A FIRST-RATE LEGISLATOR WHO IS KNOWN FOR EXCEPTIONAL SERVICE TO THE PEOPLE HE REPRESENTS.

FOR ECONOMIC DEVELOPMENT

A LOT OF PEOPLE TALK ABOUT ECONOMIC DEVELOPMENT. CONGRESSMAN PURSELL WORKS AT IT.

HE WAS A LEADER IN GETTING MORE DEFENSE SUPPLY CONTRACTS FOR HIGH UNEMPLOYMENT AREAS, AND CONVINCED PRESIDENT REAGAN TO SUPPORT HIS PLAN. HE WAS A LEADER FOR A NEW REHABILITATION TAX CREDIT TO ENCOURAGE BUSINESSES TO STAY AND EXPAND IN MICHIGAN.

FOR LONG-RANGE ECONOMIC DEVELOPMENT, CARL IS WORKING ON MODERNIZATION OF THE ST. LAWRENCE SEAWAY, THAT WOULD MAKE MICHIGAN MORE COMPETITIVE IN NATIONAL AND WORLD TRADE, AND OPEN NEW MARKETS FOR OUR AGRICULTURAL AND INDUSTRIAL PRODUCERS.

FOR SENSIBLE FINANCIAL POLICY

CONGRESSMAN PURSELL VOTED TO REDUCE YOUR TAXES. HIS VOTE HELPED CUT YOUR PERSONAL TAX 5% LAST YEAR, ANOTHER 10% THIS YEAR, WITH ANOTHER 10% CUT COMING NEXT YEAR.

CARL HAS BEEN ON THE FRONT LINES OF THE EFFORT TO CONTROL RUNAWAY GOVERNMENT SPENDING, AND HAS HELPED TO CUT THE RATE OF SPENDING GROWTH ABOUT IN HALF. HE BELIEVES IN A BALANCED BUDGET, AND THAT SPENDING CONTROLS MUST EXTEND TO ALL DEPARTMENTS.

WELLWOOD ROAD
 Wellwood Road, cutting across the very southwest corner of Manchester township and hence of the county also, took its name from an Irish immigrant family who came to the area in 1873. A widow, Margaret Fisher Wellwood, from Geashill, near Athlone, in central Ireland settled first with her seven children (aged ten to twenty-five) on Ely Road just north of the Reynolds Corners' cemetery. There, shortly after they arrived, nineteen-year-old Mary died of typhoid fever. In the autumn of 1877 the family purchased and moved to a farm on what is now the northeast corner of Wellwood and Mull roads. Here Robert, a bachelor, two maiden sisters, Sarah and Anne and their mother lived out their lives. Two brothers, J. (Joseph) William and Thomas, eventually purchased farms on either side of the homestead; J. William to the west at the corner of Noggies road and Tom to the east with the house on the south side of Wellwood road.

There are today no living descendants of this large family. Eleanor Wellwood, whom some readers may remember was the last to survive. She sold the homestead in 1941 and moved into Clinton. (Rumor has it that she gave the proceeds from the sale of the farm to a church in Brooklyn.) She died in the Rebecca Home in Jackson in 1967. Her mother, Ella, youngest of the widow's children, married Charles McMahon but died two weeks after Eleanor was born. The baby was adopted and raised under what must have been unusual circumstances by her grandmother, a bachelor uncle and two maiden aunts. Although born McMahon she assumed the Wellwood name.

And the name has proved harder than the stock. The road still bears the name and by chance the writer of this tale who now lives in J. William's house was once a Wellwood and two of our sons have Wellwood as a middle name. Although our Wellwood ancestors came earlier to America and later to Michigan they hailed from roughly the same part of Ireland as the widow and her children. My Canadian-born grandfather, Samuel D. Wellwood, came in 1896 to assume the pastorate of the Tipton (then) Congregational Church.

School Buses Pass Inspection

Rusty Lafarge works to maintain school bus fleet

On the recent annual Michigan State Inspection of the Manchester School bus fleet all buses were approved without deficiencies by the end of the inspection day. It is extremely rare for a school to be fully approved with no yellow or red tags at the end of the inspection day.

Teams from the Michigan State Police annually visit each school district to inspect every school bus which is used. This inspection is known nationally for being rigorous and extremely thorough. The process insures the safety of all students who ride buses. Inspectors have the authority to red tag buses which means they may not be used until corrections have been made. Yellow tags mean that a deficiency has been noted but that the school district may continue to utilize the bus until corrections have been made.

"Mr. Rusty Lafarge, Transportation Supervisor, and Mr. Bob Brady, assistant mechanic, have worked extremely hard to keep the bus fleet in top-notch repair," said Superintendent Eugene Thompson. "I am extremely proud of the quality of our transportation department. All persons

Open House At Parr's Body Shop

by Lucy Feldkamp

Steve Parr will be opening a new body shop November 16 at 18481 West Austin Road at the corner of Grossman. Steve, the son of Les Parr of Manchester, has returned to Michigan to open his business after several years spent working in Texas and Arizona.

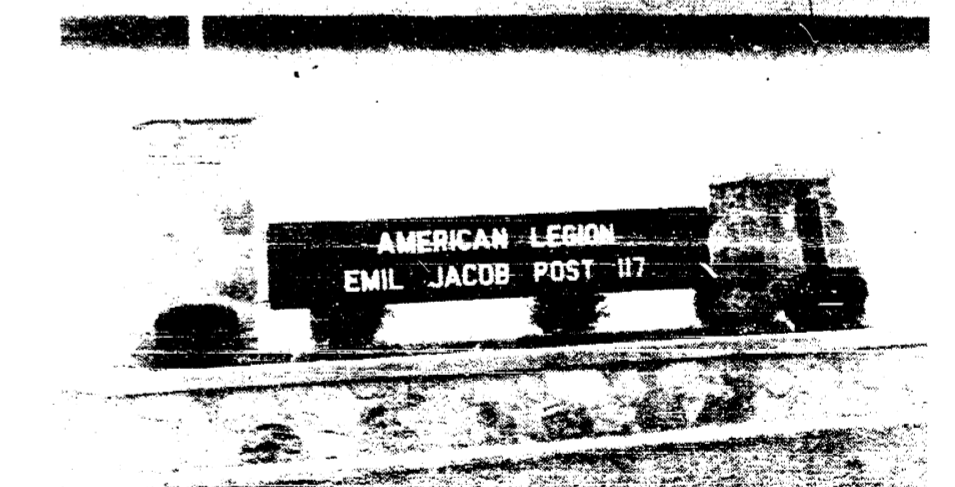

Parr's Body Shop will handle any body repairs, including frame work and painting, and Steve will gladly supply estimates for insurance claims. The business will officially open November 16, but on Saturday the 13th, from 10:00 a.m. to 4:00 p.m. there will be an open house featuring cider and donuts for anyone who would like to stop in and look around.

Steve will be doing all the work himself at the beginning. As the business grows, he plans to gradually hire help. His wife Pam will be doing the books.

The couple met in El Paso, where Steve worked for Mack Massey AMC-Mazda. Steve, who says he has always liked working on cars, spent six years in El Paso, the last three as the shop manager for Massey. Before that, he worked for two years in Phoenix and one year here in Michigan. He graduated from Harrison High School in West Bloomfield, spent one semester at Oakland University, and then attended Chrysler Motech for six months, studying body work and painting. His

**An Ode To World War I
Wives and Widows**

Your rearing was what we would call straight-laced. Nothing did we know of the struggles you faced. During those years when your men went to war. TV news wasn't there for your hopes to soar.

'Overseas' was that place which was so far away. 'Eout all you could do was to stay home and pray. That Your loved one would cope, stay well and have plenty. In the glorious future of the nineteen twenties.

You 'packed up your troubles' and sang 'Over There'. 'Tipperary and K-K-K-Katy' were written to share.

There were mittens, bandages, socks to make— You did what was needed for your country's sake.

Why they came home from World War I, You laid the foundation for great things to come. Veterans in hospitals benefit from your plans. Sixty years of service to God and fellow man.

We honor the living, Fern, Ella, Augusta and Bea, Blanche, Claire and Alma in our Auxiliary. Also Emma, Gaita, Mabel and Lou, Minnie and Nella were here waiting too.

All our love and God's richest blessings from members of the American Legion Auxiliary.
