And this one was dated December 7, 1899.

"About 36 of our citizens accepted the opportunity offered by Landlord Crow, and ate their thanksgiving dinner at the Freeman House. The menu was elaborate and the guests did full justice to it. The handsome dining room never saw a jollier or more appreciative company and Mr. Crow was the recipient of many compliments. The preparing of a special thanksgiving dinner at a hotel is quite a new thing for Manchester, and Mr. Crow showed considerable courage in inaugurating the custom, and now that the ice has been broken we trust that our citizens may enjoy frequent opportunities of meeting together at the Freeman, there to discuss the elegant dinners served on Sundays and holidays."

Many folks who write for a living—columnists, reporters, etc., are always perusing the dictionary looking for new and more expressive words than they are used to and threatening to use them in their writings. We find that there has been recently published a Dictionary of Unusual, Obscure and Preposterous Words, Gathered from Numerous and Diverse Authoritative Sources which is a treasure for all folks who have a deep feeling for words.

Where else, for instance, can you find a definition of giddom (a frantic galloping movement made by cows when plagued by flies.) and onimancy (fortune telling with the fingernails), and omphalokopsis (meditations while staring at one's navel), and sapid (well-flavored). Where can you find in a dictionary to tell you that hirc means armpit hair and that hircismus means "stinky armpits or that cruriphilus means "liking legs" (I don't know whether they mean chicken or feminine), between, which means indecisions. What other book will authenticate sapid, "well flavored or bumfodder, toilet paper or a collection of documents", or illth, "the opposite of wealth."

And then there are many phrases gleaned from various famous or infamous people such as "Wise men make proverbs but fools repeat them", "Go and never darken my towels again" attributed to Groucho Marx, or "I'm not afraid to die. I just don't want to be there when it happens", Woody Allen, or "For three days after death, hair and fingernails continue to grow, but the phone calls taper off" said Johnny Carson, or "Listening to the Fifth Symphony by Ralph Vaughn Williams is like staring at a cow for forty-five minutes" said Aaron Copeland.

And then S.J. Perlman said "To err is human, to forgive supine". While a very popular Irish proverb sez "It's better to be a coward for a minute than dead for the rest of your life". And to proceed: "I know not sir, whether Bacon wrote Shakespeare but if he did not, it seems to me that he missed the opportunity of a lifetime". And then James Berger says, "why do writers write? Because it isn't there". William Faulkner said "if a writer has to rob his mother he wouldn't hesitate", and that "Ode to a Grecian Urn is worth any number of old ladies."

There are many more of these. Among them: "Studying literature at Harvard is like learning about women at the Mayo Clinic," says Roy Blount, Jr. W.C. Fields said "Inflation has gone up over a dollar a quart" while California Governor Jerry Brown remarked that "I see the world is very fluid and very contradictory. I just don't feel the need to say what is going to happen or will not happen." Tarkakov, the chess master, sez that "The mistakes are all there waiting to be made". "Tis said that "A closed mouth gathers no feet." Miss Piggy said "Never eat more than you can lift." Tony Burgess said that "Laugh and the world laughs with you, snore and you sleep alone," while "man is the only animal that laughs and has a state legislature," while only the other day Yogi Berra remarked that "Toots Shores restaurant is so crowded that nobody goes there anymore."

Various authors have said "Casey Stengel said the other day that," they say you can't do it, but sometimes it doesn't

13th Annual Tri-Church Bazaar

Pictured above are this year's chairwomen, Dawna Stockwell, Emanuel Church; Joan Little, Manchester United Methodist Church; and Cindy Steele, St. Mary's Church. The 13th annual tri-church bazaar will be held this Saturday, December 4th from 9 a.m. to 3 p.m. at the Manchester Knights of Columbus Hall located on Madison Street.

1983 Fair Date Changed

The 1983 Manchester Community Fair will be held August 9-13, 1983, a week earlier than previously planned. The change in dates was approved by the Board after a discussion with representatives from Michigan State Amusements concerning the dates their carnival would be available. Michigan State Amusements is a carnival we have not had before. They have 15 rides available and a fun house, as well as video games and food wagons.

In other business Mary Cousino, treasurer, reported a balance of \$1,881.83. President Kopka reminded members that the Michigan Association of Fairs and Exhibitions Convention will be held January 13-15 at the Hyatt-Regency in Dearborn.

There will be no December meeting of the Fair Board. All meetings are held the second Monday of the month at 8:00 p.m. and are open to the public.

Manchester United Way Reaches Record \$28,040

Citizens of the Manchester area contributed a record amount to the 1982 United Way campaign according to Dr. Glenn C. Lehr, Jr., Campaign Chairman. Lehr reported contributions and pledges total \$28,040.31 which is 92.4% of the \$30,358.00 campaign goal. The campaign total of \$28,040.31 is \$615.28 more than the previous record reported last year.

Dr. Lehr said: "The citizens of the Manchester area have again shown their concern for those in need by their generous support of this year's United Way campaign. In these times of an economic downturn this new record of giving is another fine example of Manchester's community spirit."

"I want to sincerely thank the 100 plus volunteer solicitors, captains and division leaders who gave of their time and talents to assure the success of this year's campaign. And a special thank you to T.V. Ludwick, member of the Board of Directors and Secretary, for her guidance and cooperative assistance during the campaign."

"This year, in these troubled times, the citizens of Manchester truly did REACH IN-THAT WE MAY REACH OUT". Chairpersons for the seven campaign divisions were: Industry - Clarence Fielder; Rural - Sallie Anderson; Village - Maryann Koebbe; Business - Thomas Kalleward and Harvey LeBeau; Schools - Dr. Eugene Thompson; Organizations - Janice Little and Outside Business - David Little.

Clarence Fielder, President of the United Way, stated that this year's campaign goal was increased to \$30,358.00 primarily because of the addition of a new member agency, Hospice of Washtenaw. Hospice was allocated \$2,000.00. He said the Board of Directors voted to approve the transfer of \$2,317.69 from the emergency and stabilization fund to this year's campaign fund, the difference between the \$28,040.31 raised and the \$30,358.00 campaign goal, thus assuring that all member agencies will receive the amounts allocated.

Chinese Nurse Executive Arrives In Chelsea - A First

Pictured above are Kathy Brubaker, Director of Nursing and Li Xue-Zeng.

Li Xue-Zeng, Editor in Chief of the Chinese Journal of Nursing, has arrived in Chelsea, Michigan for a four-month stay as the guest of Chelsea Community Hospital.

This educational and cultural nursing exchange is the first of its kind between the United States and the People's Republic of China. Though a number of Chinese physicians and other professionals have studied in the United States in recent years, Miss Li is the first Chinese nurse to have such an opportunity.

A local committee, headed by Mrs. Leonard Woodcock, wife of the former United States Ambassador to China, coordinated the invitation and is handling the details of Miss Li's visit. Funds to bring Miss Li to the United States and Chelsea have been raised entirely from private contributions. Area corporations, individuals, and organizations made

some point during her four-month stay, Miss Li will visit schools of Nursing at the Catholic University of America and George Mason University in Washington D.C. She will also have the opportunity to visit her counterparts; the editors of leading American nursing journals.

Miss Li, 53, attended Bridgemont High School in Peking, the Shandong Provincial Medical School in Shandong, and the School of Nursing of Peking Union Medical College in Peking. She has served as a staff nurse, head nurse, and supervisor in the Department of Surgery of Beijing Union Hospital in Beijing. She was an instructor in the Nursing School of Nanjing and has been Editor in Chief of the Chinese Journal of Nursing since 1980. She has authored several articles on nursing in Chinese medical publications.

While in Chelsea, Miss Li is living with a local family. She will gain knowledge of the American culture through this family living experience.

Basketball Teams Open Season Friday

The 1982-83 basketball program will open up its new season Friday, December 3rd at home against the Sand Creek Aggies. The Aggies are coming off a winning season and return their starting center Joe Beasbriem who stands 6'5" and weighs 240 lbs. It will be a real good test for the Mustangs.

This year's Varsity squad has 14 fine young men led by returning seniors Jim Krzyzanski Co-captain, power forward Dave Malcolm, and center Mike Stimson. Returning juniors feature Co-captain Mark Ball, Center John Blumensaur, and point guard Mike Agin. All of these young men saw plenty of action last year.

First year Varsity players include juniors: Ron Melcher, Tom Bejma, Jerry Post, Jeff Waters, Terry Schuler, Tim Schuler and Jay Wilde. Sophomore Pat Ridenour is in the running for a starting spot at guard.

Coach Bartels notes that "This year's squad is more experienced than last year's club, and we will rely on our quickness and running game to compensate for our lack of size. We are working very hard on our conditioning and look towards the season with enthusiasm and a positive attitude."

The J.V. squad has a full squad also, led by returning sophomores Tom Lockridge, Joel Braesle, Bruce Rhees, Brian Waters, Brian Omsstead, Jeff Pieske, Bob Bunny. Freshmen players are Rob Smith, John Curley, Kevin Creech, Mark Walz, Drew Hoek, Mike Davis, and Steve Bush. The J.V.'s are coached by Curt Fielder.

Optimist Club Honors Manchester Fire Department

Firehouse Tour was given by Optimist guests: Assistant Gale Koebbe, Chief Jim Kensler, Assistant Chief Mike Scully, Lt. Keith Johnson, Secretary/Treasurer Herb Widmayer, along with Optimist Program Chairman Sam Beal.

Equipment Demonstration was given by Chief Kensler and Lt. Johnson, as they hold the "Maverick" which supplies water with a 4 inch hose, to as many as four individual 2 1/2 inch hose outlets. The firemen are very proud of the "Maverick" which was bought with the firefighters' own money. They are still in hopes of purchasing 1000 feet of hose to go with it.

Manchester Firefighters were honored by the Manchester Optimist Club at a recent meeting on Monday, November 8, 1982. Over the years our village and townships have been very proud of the work these dedicated and energetic volunteers give to their community and fellow citizens. Because we value their services, the Optimist Club was pleased to pay special tribute to them. The Optimist men were then given a tour of the firehouse, and some of the major equipment and engines.

"The Moon"

"The Moon" is the subject of The University of Michigan AstroFest series' 118th free public program at 7:30 p.m. Dec. 3 in Auditorium 3, Modern Languages Building.

Jim Loudon, AstroFest director and staff astronomer for the U-M Exhibit Museum, will show slides from last July's Apollo 17, the last and most productive manned lunar-landing mission ten years ago which featured the first scientist-astronaut to walk on the Moon, Harrison "Jack" Schmitt, now a U.S. senator.

"Spacerap" will occupy the second half of the program during which members of the audience are invited to ask Loudon about space.

The AstroFest series is sponsored by the U-M's Exhibit Museum and department of aerospace engineering.

Appraisal Report On Schools

A report prepared by the American Appraisal Company and submitted to the Manchester Community Schools shows the value of buildings, equipment and machinery to be worth over \$5,000,000 on a depreciated basis.

The appraisal and inventory of all school equipment was prepared for insurance and inventory control purposes. The report, which is the first of its kind for the Manchester Schools, details all furniture, science equipment, movie projectors, and all other equipment owned by the school district. This information will allow the administration to maintain records regarding locations and values of equipment items.

Each principal will be provided with a computer print out of all equipment located in his/her building and each year will update this list. A loss of any type will enable the district to provide insurance companies with accurate information.

Manchester Township Library

The Manchester Township Library has a small, but varied collection of records. Patrons are able to borrow most types as they would books - from children's activity records to symphonies. The Children's collection includes Charlie Brown records, Walt Disney songs and sound tracks, Fairy Tales (Peter Rabbit, Jack and the Beanstalk, etc.), popular children's stories and songs (Little Red Caboose), Bible Stories, and some very new Read-a-Long books with records. Bird Songs and Commentary is a well-used record, particularly during the winter months when so many residents have bird feeders at their back windows. The Bernstein Concerts for Young People contain many familiar works and are enjoyed by all ages. Among the other records in the collection are Sacred Ballads, The Newport Jazz

Album, Arthur Murray's dance instructions, and many Sound Tracks (Around the World in 80 Days, Cabaret, South Pacific, My Fair Lady, etc.). For those who wish to learn a language, the Library has German, Spanish and English by record. The Shakespeare Plays are popular with young college students.

At this time of the year the Christmas collection is used daily. In addition to the more common albums, the Library has the Osmond Brothers, the Norman Luboff Choir, the Robert Shaw Chorale, Lorne Greene, John Klein at the Carillon, the Philadelphia Orchestra, and the Messiah.

Because records are fairly delicate, users are asked to take special care. But records wear out, so patrons are encouraged to contribute good used ones for the library collection.

Klager Students Plant Tulips

Ms. Jeffries and some of the first and second graders plant their bulbs

Four hundred tulip bulbs were lovingly tucked in the ground by Klager Elementary students last week. The tulips were purchased by the fourth graders. Each year the fourth graders earn money to travel overnight to Holland for the tulip festival. The tulips that pop up at Klager in the spring will be a nice reminder of those trips. Each student in the school planted a bulb. Mrs. Jane Raus, fourth grade teacher, organized the project.

THE CONCERT CHOIR
Music has always played an important part in the lives of the Mormons. Their love for music, and beauty in general, comes from their belief in following the admonition of Paul: "If there is anything virtuous, lovely, or of good report or praiseworthy, we seek after these things."

The Michigan Mormon Concert Choir is a group with nearly 10 years' experience. The Choir's Christmas and Springtime "Festivals of Music" are already a tradition in the Bloomfield Hills and Westland areas. During Bicentennial festivities in 1976, the choir represented Michigan in activities at Philadelphia and Washington, D.C. The group toured much of the nation in 1978. Locally, the Concert Choir contributed to the restoration of Orchestra Hall over a two-year period with several benefit concerts, which raised money to assist in finishing the repair of decorative plaster around boxes in the main hall. Choir members come from all walks of life, and are from several Michigan locations. They donate their time and talents on a volunteer basis. Although the majority of the Choir's singers are L.D.S. Church membership is not a requirement, and several singers belong to other denominations. For further information regarding the choir, contact member Sandy Winzenz at 428-7125.

I can not and will not be responsible for any corrosion caused to these new sidewalks by the use of salt products. I respectfully ask that my letter be placed on file in the Village Offices.

Sincerely,
John Schaible

Discussions Continue On Drug Curriculum

The committee has agreed on the following items:

1. January 21, 1983, was selected as the target date for completing the project. This date coincides with the end of first semester.
2. Curriculum design will consist of stating general goals/objectives for the entire middle school area. After these statements, outlines will appear giving more specific information for each of the four grades. Each grade outline will be followed by a section describing the materials and resources to be used with that particular grade.
3. All committee members will have specific assignments or areas to investigate. Investigation involves checking with area schools and community help groups for input.
4. Audio-visual aids will be critiqued and evaluated by committee members.
5. The committee will present the drug education curriculum to the school district's central curriculum committee for approval on February 7, 1983.

If you have any questions or suggestions for the committee, please feel free to contact anyone of the following members: Mr. Brian Schick - Middle School Principal, Mr. Roger Boyce - Middle School Teacher, Mrs. Kay Silkworth - Parent/SAAC Member and Mrs. Carol Wiesthoff - Parent/SAAC Member.

NBJ Presents
Who's Not Who and What's Not What,

Part IV.

What does this woman have in common with NBJ? A name change.

Before dressing up her Hollywood career with a fruit salad topknot, Maria Do Carmo Miranda Da Cunha changed her name to Carmen Miranda.

And while our career is based in Jackson and topped off with almost 50 years of banking innovations, we've changed our name, too—to Comerica Bank - Jackson.

You see, we've joined Detroit Bank and Trust and its family of banks in Ann Arbor, Muskegon, Midland, Battle Creek, Kalamazoo, Kentwood, Shepherd and West Branch, and its bank-related companies in Florida, Canada, Mexico and England. And we decided, as wise families do, to unite under a common "surname."

Our new family gives us more financial "clout," too—throughout Michigan, the nation and even the world!

But our name change doesn't mean vast changes in style, service or people. In fact, it doesn't mean even a little tiny change. Because all the things our customers have liked about us for almost 50 years will always be the same.

No matter what our name.

MIS-NAMED

A firefly isn't. It's a beetle.

India Ink doesn't come from India. It's from China and Egypt.

A bald eagle isn't bald. It has flat white feathers on the top of its head when it's mature; dark feathers when it's young.

YOUR FUNNY FACE

We hope you enjoy our name changes. And just to make the event of our name change a bit more fun for our customers, we've invited a caricature artist to visit some of our offices and draw some "funny faces" for you. Stop in at any NBJ—sorry, Comerica Bank—office, and ask your Personal Banker for details.

A new name for the National Bank of Jackson.

Comerica

BANK-JACKSON

The sign of things to come.

☆☆☆☆☆☆

WHO DID WHAT?

What bank in Jackson:

- 1 Was first to open a consumer loan department?
- 2 First to introduce drive-in-windows?
- 3 First with bank credit cards?
- 4 First with Saturday hours?
- 5 First to offer 24-hour banking?
- 6 First to offer both Visa® and MasterCard®?
- 7 First to offer a debit card?
- 8 First with a "Personal Banker" system—allowing office managers to approve loans, adding convenience for customers?
- 9 Introduced the new Comerica Money Market Account?
- 10 Joined Comerica—becoming bigger and better?

If you answered NBJ to 1, 2, 3, 4, 5, 6, 7, 8, 9 and 10 you are absolutely correct. Our name is different now, but our commitment to innovation—to make life a little easier for you—is the same.

AUTHOR, AUTHOR, MAKE UP THY MIND

Robert Louis Stevenson's "The Sea Cook" changed to "Treasure Island."

"Mag's Diversions" was the first title of Charles Dickens' "David Copperfield."

Leo Tolstol's novel "All's Well That Ends Well" was changed to "War and Peace."

John Steinbeck's "Of Mice and Men" was originally titled "Something that Happened."

Feed Grain, Wheat Program Signup

Michigan farmers can now sign up for the 1983 feed grain and wheat acreage reduction programs, according to Bill Spike, Chairman of the Agricultural Stabilization and Conservation Service State Committee. The program requires that farmers reduce their wheat and feed grain planted acreage by 20 percent of the established base to qualify for program

benefits. Acreage reduction requirements are 10 percent with a 10 percent paid land diversion for feed grain, and 15 percent with a 5 percent paid land diversion for wheat.

All farmers with an established base who plant feed grain and/or wheat are eligible to participate in the voluntary programs. Those who sign up will be eligible for land diversion payments, deficiency payments, and price support loans.

Hit Or Miss

work. And way back when Abe Lincoln said "If this is coffee, bring me tea and if it's tea bring me coffee," Lily Tomlin says, "Reality is a crutch for people who can't cope with drugs, while Phyllis Diller remarks "Don't go to bed, stay up and fight," while many of us have said "It takes about ten years to get used to how old we are."

The cutest election joke—or was it was the card of thanks that appeared in an upstate newspaper. It read:

We wish to thank all of you who didn't vote at the recent election. It made my vote so much more important.

A Republican.

All Games begin at 4:30 p.m.

"Farmers may request 50 percent of the 1983 diversion payments and 50 percent of the projected deficiency payments when they sign up for the programs," Bill Spike said. Land diversion payments have been established at \$1.50 per bushel for corn and sorghum, \$1.00 for barley, 75 cents for oats, and \$2.70 per bushel for wheat. "The land diversion payment is based on one half the per bushel payment rate times the farm yield times the acres diverted."

Spike said if a farmer accepts an advance payment and later does not comply with the acreage reduction program provisions, he or she will be required to refund the amount of the advance payment plus interest. Interest charged will be the rate in effect for commodity loans on the date of the advance payment, plus 5 percentage points.

The projected per-bushel deficiency payment rates are: corn, 21 cents; sorghum, 20 cents; barley, 15 cents; and wheat, 65 cents. The ASCS official said advance deficiency payments will be half these rates. Advance payments are not authorized for oats.

To be eligible for program benefits, farmers must agree to limit their feed grain and wheat acreage planted for harvest to no more than 80 percent of the farm's feed grain and wheat base, and also to devote an acreage equal to both the reduction and land diversion to conservation uses.

Program participants will receive target price protection of \$2.86 a bushel for corn, \$2.72 for sorghum, \$2.60 for barley, \$1.60 for oats, and \$4.30 per bushel for wheat. Loan rates per bushel are: corn, \$2.65;

MWPC High School Journalism Contest

The 1983 wheat crop will be eligible for the farmer-owned grain reserve program. Decisions on use of the reserve for 1983 feed grain are being delayed until the domestic and world supply and demand situation is studied.

Participation in the 1983 programs is voluntary. However, only those farmers who take part will be eligible for program benefits. Signup will be conducted through March 31.

The following is a schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. A copy of the rules and coversheet is being mailed for distribution to newspapers and high school English and journalism teachers throughout the state. Entries may be in any of four categories: news stories, editorials, feature stories or feature photos.

First, second and third place certificates will be awarded to the winners. First place winners will be advanced to the National Federation of Press Women's National High School Journalism Contest.

Klager Elementary Thanks Explorers

Klager students Dawn Schaffer and Katie DuFresne present "people pins" to Explorers Todd Gillies and Tammie Honer.

The Manchester Explorers under the direction of Officer Kevin Deacons from the Manchester Police Department have worked as crossing guards for the past two years. The high school and middle school Explorers can be seen daily, in all kinds of weather, on our corners making coming to school safe for younger children.

Klager Elementary students held an assembly to thank the Explorers for their service and present certificates and volunteer "people pins". Explorers receiving recognition were: David Ritz, Todd Gillies, Tammie Honer, Charlene Steele, Mike Davis, Louis Major, Brendon Lenski and Officer Deacons.

Manchester Booster Jackets - Bill Scaletta will check into getting them and the cost.

The First Basketball game is December 3rd, so anyone who would like to sign up for working at the concession stand, should call Marlene Golding.

College Financial Aid Forms Delayed

Because of a court case involving the financial aid process and application, the printing of financial aid forms has been delayed by the Federal government. New deadlines have not been established yet but when any of these are set, it will be printed in the newspaper. The court case has set back the normal time table for this process. The actual financial aid forms are being printed right now and will begin being distributed in early December. They will be mailed to colleges and high schools in the western United States first, then move eastward. In all probability the forms will reach Manchester sometime shortly before the Christmas holidays.

As a result, the annual December

financial aid meeting for parents and students will be postponed until early January. Look for an announcement in this paper the first week in January for the exact date. The first deadline for financial aid forms has always been January 31, so this will still give parents plenty of time to get the forms filled out and mailed on time. If you have any questions regarding this feel free to call Richard Parson, guidance counselor at the high school, at 428-7333 or 428-8274.

While browsing through a stack of this and that which we had saved from the days when we published The Enterprise, we came across a brochure that was evidently published about 1940-42. It was widely circulated at that time and enumerated the town's good points and insisted that it was a good place in which to live and raise a family and that its location in the hills of southeastern Michigan gave it a great deal to offer and that its location adjacent to Briar Hills gave it many educational advantages. At this time the booklet received many compliments and had a wide circulation.

In the brochure were display ads from every Manchester merchant, and there are none of them left now. How many can you remember and where were they located?

Union Savings Bank; The People's Bank; Werthner Brothers - Men's clothing and wholesale gloves, etc.; Marx and Marx - Women's Wear and Carpets and Linoleum; Widmayer's Hardware; G.H. Breitenwischer - General Merchandise; C.H. Seckinger - Groceries; F.D. and R.C. Merithew - Real Estate and Auctioneer; Manchester Bakery; Dresselhouse and Davidter - Hardware and Farm Equipment; Walter Luckhardt - Groceries; C.F. Curtis - 5c to \$1.00 store; Carl Hetrick - Tavern; Hanewald's Market; LeRoy Heimerdinger - Garage; Carl M. Schaible - Ford Sales; Trolz and Eschelbach - Meats; Tossolo Knorpp - Real Estate and Insurance; H.J. Blaess; "Bub" Schill - Wholesale gasoline and oils; Art Wacker - Standard Oil and Herman Kuebler - Plumbing.

Ted Lindsey To Speak On "Drugs And Athletics"

The Substance Abuse Awareness Committee warmly invites you to attend a presentation on "Drugs and Athletics". The featured speakers for this meeting will be Ted Lindsey, former player and coach of the Detroit Red Wings Hockey Association, and his associate Jeff Jay.

The meeting will be held on Thursday, December 9, at 7:30 p.m. at the old Manchester Feed Mill on Main Street.

Bill Scaletta, athletic director for Manchester Community Schools, will speak on local problems involving drugs.

Family Service Annual Food Drive

The spirit of Christmas has taken over Middle School and Klager Elementary as the annual drive for canned and packaged foods, paper goods and soaps gets into swing. These articles are to make up the boxes that are prepared by Manchester Family Service, Inc., for the forty to fifty needy families in the Manchester School District and Manchester Township. The boxes are distributed at the Christmas Shop which is held each year at St. Mary's Catholic Church by the Manchester United Way Agency, MFS.

Everyone is invited to participate in the collection. If you haven't a hard-working student relative or friend in the neighborhood and wish to donate to this worthy cause bring your donation to St. Mary's Church (Madison Street entrance ONLY) between 3:00 and 5:00 p.m. on Tuesday, December 14, ONLY. Since there are a lot of ONLYS in this suggestion, one may call Claire Reck, 428-8852, or Dianne Schwab, 428-8976, for information or assistance. Monetary donations should be made out and sent to Merrill Korth, treasurer, Manchester Family Service, 410 Adrian Street, Manchester.

If there are families in the area who have not been contacted by phone or letter by MFS in the past week, they or a representative should get in touch with the above phone numbers for assistance. Manchester Family Service receives the family names through the Department of Social Services.

Emanuel United Church of Christ Sanctuary Re-Dedication Sunday

On Sunday morning, December 12, 1982, at 10:30 a.m. Worship, the congregation of Emanuel United Church of Christ in Manchester, will hold the final event in their year-long celebrations and capital improvements.

Helping to do the Re-dedication honors will be special guest, Dr. John Rogers, who is the Minister and President of the Michigan Conference of the United Church of Christ. Because Emanuel Church celebrates its early founding days this

year, it is their intention to help the United Church of Christ with its national campaign to assist other areas where newly formed UCC Churches are being started. The first gift installment will therefore be presented to Dr. Rogers on behalf of Emanuel Church to the New Initiatives in Church Development program of the denomination.

Other events taking place on Sunday will be the guest performance of the Bethel United Church of Christ Orchestra, who will play Christmas prelude music, and the Reception of New Members into the Church Fellowship. The Christmas Tree will be up and decorated, along with the placing of memorial plaques.

One hundred years ago, over the spring, summer, and fall of the year 1882, the small German Christian community of faith in the Village of Manchester, worked very diligently, and with many volunteer hours, to construct the Sanctuary with local brick made from the brickyard of Mr. Frederick Schaible.

The Cornerstone having been placed at a ceremony on July 9, 1882 at 2 p.m., the Sanctuary was subsequently officially dedicated on Sunday morning, December 10, 1882. The Pastor was then The Reverend George Schoettle, who ministered in Manchester from 1885 through 1906. In those days the German Lutheran Church was called "DEUTSCHE EVANGELISCHE EMANUELS GEMEINDE."

Everyone is welcome to attend the 10:30 a.m. Worship, and to participate in the re-dedication, not only of a building on brick, but a House of Worship in which generations of Manchester folks have learned about the love of God which came to the world as the Babe of Bethlehem at Christmas, to save us from sin, and to inspire us to service in His name.

FREDERICK "Brickyard" SCHABLE and his brother Michael, both Emanuel Church members, owned and operated the manufacturing operation which supplied the brick for the Sanctuary, as it was built in 1882. (Photo is courtesy of Mrs. Adona Lehman Holmes, oldest living confirmed member of Emanuel Church.)

Library Elects New Officers

The following new officers were elected: President, Nancy Sippel; Vice-President, Olga Nickels; Treasurer, Ann Fowier and Secretary, Margaret Goodrich.
