## Council Honors Area Scout Leaders

CHARLENE STEELE

TAMMIE HONER

The Wolverine Council, Boy Scouts of America held its Annual Scouters' Appreciation Dinner on Tuesday, March 15, 1966 at the Marriott Inn in Ann Arbor.

Featured speaker for the occasion was Walter J. McCarthy, Jr., Chairman of the Board and Chief Executive Officer of the Detroit Edison Company. Mr. McCarthy is an active Scout leader, and is immediate Past President of the Detroit Area Scout Council.

A highlight of the Appreciation Dinner was the presentation of Silver Beaver Awards to three outstanding area Scout leaders: John F. Abel, Temperance; Ronald L. Reeves, Adrian, and John W. Krienke, Ann Arbor. The Silver Beaver Award is the highest honor a Scout Council can bestow upon a volunteer leader for dedication and service to youth.

Charlene R. Steele and Tammie

D. Honer of Manchester was also honored for actions they took in saving a young woman's life last fall. Both Charlene and Tammie are members of Law Enforcement Explorer Post 914 sponsored by the Manchester Police Department.

On the evening of November 6, 1962, a number of young people including explorers participated in a business activity at the home of Joey Deacons in Manchester. During the course of those activities, Julie Honer put a cert mint in her mouth and while running had it become lodged in her throat. She in turn had difficulty breathing and collapsed. Realizing the problem, Charlene and Tammie attempted to clear the airway with blows to the victim's back and use of thrusts to the abdomen. The patient briefly regained consciousness, however a short time later stopped breathing altogether. Both

## Manchester Bloodmobile - March 28

Make a pint of blood your Lenten gift to save the life of a neighbor, friend or even someone in your own family. The Manchester School District Bloodmobile will be at Emanuel United Church of Christ, Monday, March 18 from 12 to 6 p.m. to help.

There are eighteen volunteers from the area working with the professional staff from the Southeastern Michigan American Red Cross Blood Center to collect the blood that is sent to all Michigan hospitals. It is not blood that is raising the cost of hospitalization, for this life saver is supplied freely by volunteer donors from the area and the state and given for free to hospitals for all.

The Emanuel Church is staffing the canteen and donating the snack served to donors, staff and volunteers; The American Legion Auxiliary is giving the orange juice which is standard refreshment and the Women's League has the Nursery at the church for the children of donors while parents are giving blood.

Appointment cards may be found in all three Manchester Banks as well as the JGA A & B Market. Fill out a card and deposit it in the box provided at the display. Cards deposited by the 22nd will be scheduled the 23rd and returned to the prospective donor by Saturday the 26th. Those signed later will be phoned if their choice of appointment time is different from that available in the schedule.

There are recruiters working in all twelve churches in the area with whom one may register. Local industries will be signing up donors the week of the 21st through the 25th. If one has not been able to register, do take time to come in when possible and the staff will "work you into" the busy schedule.

Hospitals are constantly in need of blood and sometimes operations must be delayed because of a lack. Accident patients can not wait, so let's meet our Quota of 250 pints for this day's work. It is much easier to give here than to go to Ann Arbor. One never knows when blood is going to be needed.

## Annual United Way Meeting

The annual meeting of the Manchester United Way will be held at 7:30 p.m. on Tuesday, March 22, 1966 at the Manchester Township Hall, 275 South Macomb Street. Another campaign has been successful due to your continued support of the Manchester United Way. All members of the community are invited and encouraged to attend. Annual reports will be given by all of the agencies represented in the United Way budget. An election will also be held to fill four 3-year terms on the United Way Board. Those members whose terms are expiring include Paul DuPresno, Louis Vogel, Mary Munson, and Robert Ross. PLEASE PLAN TO ATTEND!

## Optimists To Hold Basketball Contest

The Manchester Optimist Club will hold a Tri-Star Basketball skills contest at the Middle School on March 26 at 9:30 a.m. The contest is composed of three basic skill tests aimed at evaluating a contestant's skill in passing, shooting and dribbling.

Boys and girls will compete in six age groups, eight through thirteen; against youth of their own age. All that is needed to compete is the desire and a pair of gym shoes.

There will be plaques awarded to the winners in each age group. Contestants will also receive a memento scorecard and a patch for their jacket.

Entry blanks are available at the offices of the Middle School and Klager School or at the contest site on the day of competition. Each entry blank must be signed by a parent or guardian before a contestant may compete.

## Women's Lenten Breakfast To Be March 30th

The Annual Women's Lenten Breakfast will be held on Wednesday, March 30, 1966, at 9:30 a.m. at Emanuel United Church of Christ. This Church Women United sponsored event will be hosted by Emanuel's Women's Fellowship and a cordial invitation is extended to all the women of the community.

The guest speaker will be Mrs. Corliss Mick, with special music provided by Mrs. Joyce Meade. This should be a very inspiring program.

Child Care will be provided at St. Mary's Church.

Please make reservations for the Breakfast by calling Linda K. Hartmann, 428-8359 or 475-2144, by Monday, March 28.

## NOW and THEN

This article is a reprint from the Manchester Enterprise, dated March 13, 1902.

### The First And Last Village Election And A Few Reminiscences Of The Days That Are Gone

Corporation election passed off quietly Monday and the citizens ticket was elected with one exception. A Jaeger for trustee was defeated by Dr. E. M. Conklin.

There was very little said about election and the vote was light. A number of business men, we understand, did not vote.

The whole number of votes cast was 258. There was seven who voted "no choice."

Following is the full vote, the first name under title being citizen: President - Ed. E. Root 136, Fred Steinkohl 91. Trustees - Harry Landwehr 126, Warren Kimble 123, Arthur Jaeger 112, Lewis Lomax 100, Judson Smith 102 and E.M. Conklin 114. Clerk -

George J. Nish 121, Frank J. Frazer 104, Treasurer - George Wurster 124, Wm. Hoffer 102, Assessor - N. Schmid 121, Geo. Haensler 107.

It was 35 years ago in February that a bill was introduced in the legislature, by the late J.D. Carey, to organize the village of Manchester.

The first election of village officers was held in the old Union hall block, where the union savings bank building now stands, and Newman Granger was elected president; Alvin S. Doty, recorder and Philotus Coon, treasurer. The trustees elected were Munson Goodyear, Marcus D. Case, Conrad Lehn, Wm. M. Brown, Joseph Ottmar and James S. Reynolds.

Of the above named gentlemen only two are now living, Mr. Case who is still a resident of the village and on Monday last cast his vote for the new officers, and Mr. Ottmar, whom we suppose lives in Missouri or somewhere

## Oratorical Contest Winners

Lynda Kosinski and Brad Finkbeiner were judged first place winners in the Manchester Optimist Club's annual oratorical contest held Monday night.

Lynda is the daughter of Mr. and Mrs. Hubert Dawdy, 10656 Clinton Road. Brad's parents are Mr. and Mrs. Ronald Finkbeiner, 9332 Waterworks Road, Bridgewater.

In the girls' division, Debbie Wenk, daughter of Mr. and Mrs. David Wenk, 325 S. Macomb St., placed second. Runner Up awards were presented to Tricia Horning, daughter of Mr. and Mrs. Earl Horning, 11834 Pleasant Lake Road and to Kristin Miller, daughter of Mr. and Mrs. Ted Miller, 9630 Kies Road.

In the boys' division, Chris Pagel, son of Mr. and Mrs. Jerry Pagel, 17601 Mahre Road placed second.

Each of the participants received a certificate in recognition of their excellence in oratory and a medallion for their

individual achievements.

Optimist International sponsors oratorical contests at this time of year throughout the United States and Canada. Nationally the contests began in 1928. Locally the Optimists have been conducting a contest for eighteen years.

The two first place winners, Lynda Kosinski and Brad Finkbeiner, will compete in a regional contest in Flint on April 9. Winners from four regional contests will compete in a state contest in Ann Arbor in early May. The state winners each receive a \$1000 scholarship.

Ted Tapping, the Optimist Club's Oratorical Contest Chairman congratulated all the participants for their excellent preparation and delivery and extended a special thanks to Mrs. Dacia Daniels, eighth grade English teacher at the Manchester Middle School for promoting the contest in her English classes.

**Senior Citizens Meals And News**

Meals for Manchester Area Senior Citizens are served almost every Tuesday and Thursday each week. However this Thursday, March 24, the noon meal is cancelled because Emanuel United Church of Christ is having their annual Sauerkraut Supper that night and the kitchen can not accommodate both projects the same day. Call the church office, 428-8360, for information about deadline for tickets and to make reservations.  
 The menu for Tuesday, March 22, is: Boiled Dinner, Vegetable, Bread and Butter, Dessert, Coffee, Tea and Milk.  
 On Wednesday, March 23, the Senior Citizens Club has their regular monthly meeting at the United Methodist Church on Ann Arbor Street at 1:30 p.m. All Senior Citizens in the area are invited to attend.  
 Check on the bus trip to Ann Arbor Michigan Theatre on Sunday the 27th for Stan Midge's "Hawaiian Travelogue" by calling

Charlotte Timmerman, 428-8190. "Open House" for the new Senior Citizens Bus will be Friday, March 25, from 10 a.m. to 2 p.m. The Bus will be parked in the middle of the business block on the north side of Main Street for all to come and see. This 17 passenger (or 13 and 2 wheelchair capacity) vehicle was received by Manchester Area Senior Citizens Council through a Federal and State Funded Grant.

**WEIGHT LOSS CLINICS**

There's a fairly new, and growing, commercial enterprise flourishing in our country today. It has sprung up in response to our insistence that people should all appear slim, sleek, and svelte. So powerful is this social pressure, that it has created a situation whereby a growing number of young women suffer a serious disease called anorexia nervosa - or nervous loss of appetite - to the point of starvation, and even death. So weight loss has become a kind of cult in this country and commercial weight-loss clinics have been developed to take advantage of this situation.  
 Now weight loss, up to a point, is a good thing since excess fat poses a health risk. But any weight loss program should be long-term and involve a new way of life with changes in both diet and exercise behaviors. Otherwise

whatever weight loss occurs in the short term will be gained back in the long run. So if you're thinking of joining a weight loss clinic, there are several things you should do. First you should consult your physician and discuss the medical advisability of such a program. You need also to consider the costs and the quality of the program in terms of the likelihood of success.  
 Clinics should provide you with information regarding drop-out rates over time; average post-treatment weight loss; and average weight loss at least a year after completion of the program. And, if the clinic promotes unusual diets of special foods and supplements - such as a liquid diet - it should be carefully evaluated, in conjunction with your physician.  
 Weight loss clinics do have limitations of which you should be aware. Any clinic that advertises significant and rapid weight loss with no increase in physical activity should be suspect. Remember, every person with a weight control problem must change both food and exercise habits over a long time, if he or she is to succeed in permanent weight control.

**8th Grade Meeting Regarding High School Classes**  
 All eighth graders at the Manchester Middle School and their parents are invited to a meeting about high school on Tuesday, March 22, to be held at 7:30 p.m. in the High School auditorium.  
 The procedures used to enroll in high school classes will be explained and questions from students and/or parents will be answered, according to Richard Parson, High School Counselor.

**Working With Natural Areas**

Do you live in a natural area or are planning to buy or build in one? You can learn how to preserve existing woodlands and waterways while meeting the needs of you and your family at the upcoming workshop. Some topics to be discussed include: how to evaluate the worth of a tree; wildlife - good and bad neighbors; plantings to preserve banks along streams and waterways; general landscape maintenance practices around natural areas.  
 This workshop will be held on March 19 from 9:30 a.m. to 3:30 p.m. at the Matthaei Botanical Gardens on Dixboro Road, Ann Arbor. Call (313) 973-9510 for information. This is co-sponsored by the Cooperative Extension Service and the Friends of Matthaei.

**Family Service Distribution**

Surplus Federal butter comes to Manchester this week. Manchester Family Service will be distributing the quota for this area on Friday, March 18 from the back entrance of the Manchester United Methodist Church, 501 Ann Arbor Street (M52) between 10 a.m. and noon. (The driveway

to the church parking lot and entrance is the same as that to the Klager School.)  
 Income guidelines for receiving cheese and butter on this Federal grant are:

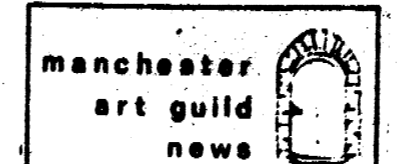

Size of Family	Annual
1	\$5,850
2	7,775
3	9,700
4	11,625
5	13,550
6	15,475
7	17,400
8	19,325
9	21,250
10	23,175

Recipients will need identification and address verification. They must be residents of Manchester School District or Manchester Township, or in the Clinton School District portion of Bridgewater Township.  
 If by any chance the cheese comes in, it will be given out at the same time.

**Masons Degree And Dinner**

The Mason E.A. Degree and Spaghetti Dinner will be held March 21, at the Masonic Temple. Dinner will be held at 6:30 p.m. with degree at 7:30 p.m.

Some dieters say that lemon juice is a lot better than butter on a baked potato.

**FIELD TRIP TO DETROIT INSTITUTE OF ARTS**

The Manchester Art Guild is sponsoring a second car-pool trip Thursday, March 24, as part of its on-going series of trips to places and events of interest. Last month, a group traveled to the grounds of Cranbrook Institute to see an exhibition of ceramics and to tour the Science Museum.  
 Next week, anyone in the community who's interested, is invited to join in an informal tour of the Detroit Institute of Arts. In addition to its usual fare of exhibits with "something for everyone", a special exhibition of Graecoan Pottery is on display.  
 The group will lunch, surrounded by lush greenery, at tables in the museum's indoor patio. A variety of gourmet fare is provided cafeteria-style for \$5.00.  
 If interested, plan on leaving at 9:00 a.m. and returning by 5:00 p.m. There is no admission charge to the museum. Call Jo at 428-8778 or Nancy at 428-8571 for more information, and where to meet.

**Local Teachers Present Program**

Several Manchester teachers attended the Michigan Council for Exceptional Children Conference and the Michigan Reading Association Conference held in Grand Rapids during March 12-15.  
 Led by principal Janice Hammond, teachers Mary Beth Witherow, Janice Little, Teddy Grosh, Terry Jeffries, and Joy Oosterhouse presented a program explaining how Klager teachers have developed the cooperative teaching model which is in use at Klager. This model provides for special education and general education teachers working together to provide services for all students. This Manchester program has attracted the attention of educators from across the State of Michigan. This interest by other educators led to the invitation to the Manchester Staff to come to Grand Rapids for a formal presentation.  
 The two conferences, held in Grand Rapids, will be attended by several thousand teachers from across the state. Also attending from Manchester will be Mary Kooebe, Marge Scully and Boyd of Education Trustee Joann Okay.  
 Dr. Hammond will also present a special program for these in attendance which is designed to teach teachers how books and

other printed materials can be used to help students with the personal problems of death and divorce.

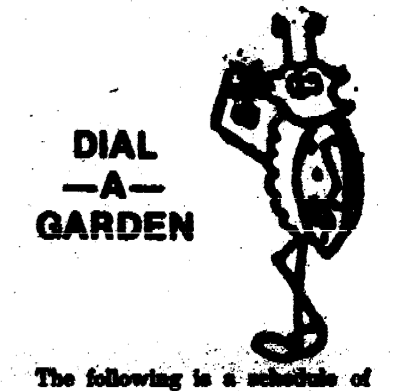

**Cub Scout 421 Pinewood Derby**

Den 4 started an exciting evening with the Flag Ceremony. In the "Den Championships" which followed, Casey Salkauskas, Jeff Smith, Eric Fillyaw, Jeff Hughes, Robby Luckhardt, Mike Reese, and Joey Murphy were awarded plaques as winners.  
 Advancements were awarded to Scott Strong (Bobcat), Jeff Hughes (Wolf, Gold & Silver Arrow Points), Mike Shuey (Wolf Silver Arrow), Casey Salkauskas (Bear), and Eric Fillyaw (Bear Gold Arrow Points). Mike Sroule received the Webster's Traveler activity pin as did Daniel Watson. Ryan Burkhardt earned Outdoorsman and Joey Murphy earned Aquanaut and Artist.  
 In the pack finals which followed Casey Salkauskas was crowned Pinewood Derby Champion. Joey Murphy was 2nd, Ryan Burkhardt 3rd, and Eric Fillyaw 4th. "Most Unusual" car belonged to Israel Clouse. "Best Looking" to Daniel Watson, and "Best Workmanship" to Larry Gorlitz.  
 The "Cubby" stays in Den 2 again!

**Hospice Informational Meeting**

The Hospice of Washtenaw, a non-profit health care agency, trains and utilizes volunteers in the care of the terminally ill and their families. Volunteers serve families in a variety of ways - through supportive counseling, friendly visiting, health care education, light household chores and errand assistance. Other volunteers assist in office operations, publicly, and public speaking. It is not necessary to have a background in health care to be a Hospice volunteer.  
 Anyone interested in learning more about the Hospice of Washtenaw is urged to attend an Informational Meeting to be held on March 21, 1983 at 7:30 p.m. at 2530 South Main Street in Ann Arbor. Please call 906-1985 if you would like more information.

ANSWER: No. It is not necessary to file Form 1099 with your tax return. The 1099 is merely an information statement that tells you and IRS the amount of interest paid on your account during the year. It is a good idea to verify your record of the amount with the savings firm in order to insure that it agrees with the amount reported to IRS.

### SPORTS SEASON CLOSSES

Hockey night - We won 7-6. Here #7, Ted Lindsay fires

Jim Krzyzaniak guns for two. His last 4 games he totaled 57 points.

by Jon Hardenbergh  
Again I must apologise for not keeping up with sports last week - illness slowed me, so this week you'll get all I know - sportwise with basketball, volleyball, fun night, hockey and some district action.

Our Manchester basketball team closed their campaign on high notes as they beat the Torries and Tigers. Tuesday, Britton Macon saw Dave Malcolm drive in 16 as co-captains Mark Ball and Jim Krzyzaniak gunned for 30 points, 15 each. We held the edge after every period as the final read 73-64. On Friday, we took the court hosting Hudson. The Tigers kept close but time ran out with the Dutch 10 up, 73-63. Jim Krzyzaniak led our scorers tonight popping for 15 as Dave Malcolm slammed home 14. Mark Ball and John Blumenaur hit for 13 each.

Our Girls Volleyball squad trekked to Addison knowing a win would make them the L.C.A.A. Champs for the second consecutive year. The first game went our way 15-3 and Addison had a problem hitting Lisa Rickelman's serve back in the second game. She banged 11 straight points to lead us on to the victory 15-7. Lisa ended with 14 points as Karl Agia had 10 spikes while Tammie Honer had 9 assists. Congratulations Repeat Champs!

Saturday was unfortunately a bad day for our spikers as they lost in the districts to Erie Mason - so it's curtains. In the evening was the basketball Fun Night. This shows our up and coming talent as the 4th, 5th, and 6th graders dribble and shoot. Also the night is closed by an alumni game. In the next few weeks I'll have more Fun Night news along with pictures.

This past week saw our basketball team enter the March madness of tournaments. On Tuesday, we faced Addison and disposed of them, 57-45. Jim Krzyzaniak led all scorers as he set the nets on fire for 17 points as John Blumenaur hit for 12 along with Dave Malcolm canning 10. This win advanced us to Thursday in which Hudson was our opponent. The Tigers have always been hard to beat but win we had - twice previously. Well, three was not to be as Hudson left

Ron Melcher springs for 2 of his 11 points on March 6

74-59 victors. We had 4 Dutchmen post in double figures as Dave Malcolm and Pat Ridenaur gunned for 24, 12 each. Ron Melcher was on tonight with 11 as Jim Krzyzaniak had 10. We now put our roundball away having had a good 13-8 record.

Friday was hockey night at Yost Field House. This contest pits the Manchester Raisin River Flyers against the Washtenaw

County Sheriffs team. This was the third time we'd faced them and Coach Zsenyuk and his troops had downed us twice. This time falling behind 4-0 we fought back to victory in overtime 7-6. Again I will have more pictures up coming.

Farmowners coverages expanded  
14 ways... all at no extra cost to you

LARRY BECKTEL  
135 East Main St. Suite 204  
Manchester, Michigan  
Phone 428-7331

Farm Bureau Mutual Insurance Company of Michigan, the state's largest farm insurer, announces 14 major expansions of its Farmowners policy. That means much more protection for your farm at no additional cost... another reason why we insure more Michigan farms than our next three competitors combined.

I'm working to make your future a little more predictable.

Put the last thoughts of winter out of your mind and think about warm weather activities. The Complete book of running by James Fixx is a classic in the field which covers all aspects of running, such as running for women, running when you're over forty, running after a heart attack and how to prepare for a marathon. Canning by Mike Michaelson discusses various types of canoes and their uses, padding, techniques, safety procedures and camping with a canoe. Boomerangs and how to make and throw them by Bernard Mason gives details of several kinds of boomerangs with many illustrations showing how to make them. The Marathoners by Hal Higdon tells the story of three great runners pitted against one another in the 1978 New York City Marathon. Frank Shorter, Bill Rodgers and Garry Bjorkland, Tennis, a basic guide by Clare Riessen is a guide that explains the fundamentals and the finer points of tennis from a professional viewpoint. Kites: how to fly them, how to build them by Ambrose Lloyd describes

how to build sixteen flying models with detailed, step-by-step instructions, including all measurements. The Sweet of the year by R. Palmer Baker is one man's picture of the pleasures of trout fishing in the northeastern United States and Canada. Teaching an infant to swim by Virginia Hunt Newman, a nationally known swimming instructor, explains fully and clearly her simple, proved method for teaching complete water safety to infants aged eight months and up. America's golf book by the editors of Golf Magazine is a comprehensive, illustrated guide to golfing, divided into several categories including history, instruction, great courses, equipment and records of major championships. The American hiking atlas & touring guide by Sue Browder has easy-to-follow hiking maps for 150 vacation and weekend tours throughout all 50 states and Canada. Also mentioned are optional side excursions with points of interest, camping, distances, country stores and hike shops along the way.

### Protection Of Muskellunge And Northern Pike

The Natural Resources Commission, at its November 5, 1982, meeting, under the authority of Act 230, P.A. 1975, as amended, ordered that all spearing be prohibited from April 1, 1983, thru March 31, 1984, on the following waters: WHITMORE LAKE, Livingston and Washtenaw Counties.

### Cancer Myth #4

"Cancer is contagious." Some people believe you can "catch" cancer from another person. That's a myth. It's not true. Cancer is not contagious and cannot be spread from person to person by sneezing, coughing, kissing, or in any other way. Find out what you can do to protect against cancer. ### State Ranks 44th in State Support Of Public Schools

A Federal report shows that Michigan has sunk to the 44th position nationally among all states in percentage of aid to public elementary and secondary schools.

The National Center for Education Statistics reports that the state's share of school spending has declined steadily since 1975. The biggest drop occurred between the 1979-80 school year, when the state furnished nearly 40% of local school income, and the 1980-81 school year when it failed to reach 30%.

Locally the Manchester Community Schools have become a virtually self supporting school district. Five short years ago the Manchester School District budget listed revenues of approximately one-half million dollars in state aid.

It is possible to conclude that the fortunes of the Manchester Schools are totally tied to the property tax or State Equalized Valuation. As the SEV increases the school district is able to maintain and improve services.

The Manchester Day Camp located at Emanuel Church is accepting registrations for the 1983-84 school year.

AN ORDINANCE TO AMEND ORDINANCE NUMBER 113, AS AMENDED ENTITLED: AN ORDINANCE TO PROVIDE FOR THE ACQUISITION AND CONSTRUCTION OF ADDITIONS AND IMPROVEMENTS TO THE WATER SUPPLY AND SEWER DISPOSAL SYSTEM OF THE VILLAGE OF MANCHESTER AND FOR THE COMBINED OPERATION OF THE WATER SUPPLY SYSTEM AND THE SEWAGE DISPOSAL SYSTEM OF THE VILLAGE AS A SINGLE SYSTEM; TO PROVIDE FOR THE ISSUANCE OF SELF-LIQUIDATING REVENUE BONDS TO PAY THE COST OF SAID IMPROVEMENTS UNDER THE PROVISIONS OF ACT 94, PUBLIC ACTS OF MICHIGAN, 1933, AS AMENDED; PROVIDING FOR THE FIXING, COLLECTION, SEGREGATION AND DISPOSITION OF THE REVENUES OF SAID COMBINED WATER SUPPLY AND SEWAGE DISPOSAL SYSTEM AND PAYMENT OF SAID BONDS OUT OF THE REVENUES THEREOF; AND CREATING A STATUTORY LIEN ON SAID REVENUES.

Section 1. Section 10, of Ordinance No. 113, as amended, is further amended by deleting therefrom and substituting the following therefor: Section 10. The rates to be charged for water and sewer service furnished by the system shall be those presently in effect in the Village until December 31, 1979 as established by Ordinance No. 76 as amended by Ordinance No. 88 and Ordinance No. 108 of the Village, and commencing November 27, 1981 shall be as follows:

SERVICE TURN ON AND TURN OFF  
A fee of \$15.00 is charged for turning on water service once it has been turned off, except when turn off is required for repair and maintenance of the water lines. There is no charge for making a final meter reading, final billing and transfer of property owner's name when service is not actually turned off.

place on the weekend of March 19th and 20th, with continuous programs being offered from 11 a.m. to 5 p.m.

Festival activities include: a discussion on the history of maple sugaring including Native American and Pioneer methods, demonstrations on evaporation and tapping techniques, and a movie entitled "Maple Sugar Farmer".

### Obituary

Carl W. Gruber  
5481 Occidental Hwy.  
Tocumseh, Michigan  
Age 77 years, died Wednesday, March 9, 1983 at the University of Michigan Hospital in Ann Arbor.

He was born January 16, 1906 in Palmyra to John and Barbara (Kliner) Gruber. On February 3, 1982 he married Marie Bruns in Manchester. She survives.

Mr. Gruber was a lifelong resident of the Tocumseh area. He was a member of St. Elizabeth's Catholic Church, the Holy Name Society, the St. Vincent DePaul Society and was an usher in the church for many years. He was a self-employed farmer.

Survivors include two sons, Jim and Joe of Tocumseh; one brother, Frank of Tocumseh; ten grandchildren and nine great-grandchildren.  
He was preceded in death by one brother.  
Services were held at 10 a.m. Saturday, March 12, at St. Elizabeth's Catholic Church in Tocumseh with Magr. Vincent J. Howard officiating. Burial was in St. Dominic's Catholic Cemetery in Clinton. The rosary was recited at 7 p.m. Friday at the Proctor Funeral Home in Tocumseh.

### Agriculture in Action

FARM ECONOMY IN TRANSITION  
USDA says this will be a transition year for the farm economy. Do they mean a transition from bad to worse or from bad to good? Assistant Secretary of Agriculture William

Leaher admits the financial outlook isn't good in the immediate future, but of the long term prospects, he indicates farmers can "look forward to moving up."

Farmers have looked forward to moving up for quite a few years now. It's been awhile since the farm economy as a whole had a good year. The outlook brightened somewhat at the beginning of this year with the announcement of the PIK program. Livestock prices also had a run-up. But led by gold and silver, most commodity prices were hammered by falling oil prices and reduced chances of inflation.

It is rather ironic that agricultural commodities never seem to fully share in the stock market boom or the price run-ups in gold and silver, but as soon as these markets sell off, down go farm commodity prices too. The reason farm commodities are buffeted so much now by the other markets is that they don't have strong fundamentals of their own right now. We are basically in an oversupply situation with way too much in storage, and until that is changed farm commodity prices may not show strong direction of their own.

We do, however, seem to be in a bottoming pattern. Here again, the top of a price move seems to be gone in a blink and the bottom lasts forever. A private forecast from the American Farm Bureau Federation indicates farm income this year will improve from last year's level of \$19.5 billion dollars to \$20.5 billion dollars. Not much of an increase. Maybe that is why USDA calls it a transition year. If we are indeed in a transition from bad to good, then maybe the year won't seem so long.

THE APPLE OF YOUR IRA IS AT COMERICA BANK.  
Do you still have questions about opening an Individual Retirement Account (IRA)? Now's the time to "ask an Apple" at Comerica Bank. We've set up Apple Computers at seven Comerica Bank locations. Our Apples answer all your IRA questions. They tell you about IRAs and how much you can save on taxes with an IRA. They can even tell you how much your IRA will be worth when you retire.  
Comerica can help you buy the "Apple" of your eye without spending an arm and a leg. With a deposit of \$1,500 or more into a new or existing Comerica Bank IRA, you can save \$400 on an Apple 2E Personal Computer. With savings like that you can buy a lot of apples.  
So come in and "ask an Apple" about an IRA at any of these Comerica Bank offices:  
Main Office • Westwood • Polo Plaza  
Michigan Center • South Jackson • Brooklyn Village • Manchester

# HIT or MISS

BY FARLEY

As a people, we have long been addicted to awarding first places or prizes for most anything — movies, actors, actresses, sports figures and events, in fact most anything, but we have never seen for the most important book of the year. Many columnists and reporters claim that the most important book published during 1982 is titled "The Budget of the United States, Government Official Year 1984. Very few that I know of have had the time to read it thoroughly but have browsed through it and have read what they thought were the most important parts and have told the public of their findings.

A book reviewer for the Washington Post says that he finds it the best book he has read this year and that "Frankly, I think it is another Winds of War." "You think it's that good" I asked.

"I kept turning the pages to see what government program was cut next. It was more frightening than Rosemary's Baby," he said. "I just couldn't put it down."

"You mean it is a thriller, or a whodunit or a who's doing it to whom?"

"Yes, it's about money and who's in power and the struggle for death and taxes, for survival in a world that he is not to blame for being in existence."

"It's main plot is about a rich uncle" he said, "who is caught up in a recession and couldn't pay his bills. He is down and out and in debt up to his ears. The doctors

said they had to operate in order to save his life, says Art Buchwald in his review of the book, "and they cut everything down to the bone and froze what they couldn't chop out. But in the book he survives, he suffered pain but he was told that it was the only way he could get well. However the doctors all do say that he is now on the mend. That is, the Republican doctors. The Democratic doctors however say that the Republicans have cut out his vital organs to save his life."

If you were a critic we asked, what book would you compare it with?

"Well, for instance," he said, "Grapes of Wrath, but isn't as well written. In it the poor, the sick and the old ones are the ones who get hurt the most."

"What a depressing plot!" I said. "I'm not sure I want to read it all."

"You'll have to," said Art, "That's all the people will be talking about this spring, but it does have an upbeat ending as do all books written by a President. This one predicts that by 1986 uncle will be recovered and he will regain his fortune and everybody will live happily ever after. It should make a good movie and we hear it has been optioned by three TV networks. They are trying to figure out whether to make it as a soap opera, a sit comedy or a docu-drama. I hope they don't ruin it when they put it on the screen as they usually do."

## Scout Leaders

Charlene and Tammie used training they had received as Law Enforcement Explorers to administer mouth to mouth and Cardiopulmonary Resuscitation (CRP). These lifesaving techniques were carried on until an ambulance arrived to transport Julie to the Saline Hospital. At the hospital she received oxygen and further treatment, and was later released...signed statements from witnesses and medical authorities leave no doubt that the prompt actions taken by Charlene and Tammie saved the life of Julie Honer that evening. Both Charlene Steele and Tammie Honer received Meritorious Action Awards from the National Council, Boy Scouts of America.

Myron Smolinski of Monroe served as master of ceremonies for the Wolverine Council Scouters' Appreciation Dinner. He is a member of the Wolverine Council Executive Board.

Musical entertainment for the dinner was provided by the University of Michigan Friars Glee Club.

The Wolverine Council serves Scouting in Lenawee, Livingston, Monroe and Washtenaw Counties, and the Flat Rock area in southern Wayne County.

## Twentieth Century Club

At the March meeting, the ladies of the Twentieth Century Club learned a beautiful lesson from Mrs. John Schaible of The Flower Garden. She gave a clear precise demonstration and from bunches of loose flowers and greens, she created a beautiful table arrangement which hostess, Mrs. Rollie Grossman, used as a centerpiece on her serving table.

After the business meeting, club members played the game "Don't Play With Matches"; Mrs. John Sauter won all the prizes! Because of her amazing skill she was awarded the before mentioned centerpiece.

The next meeting is the annual meeting on April 12 at the home of Mrs. Duane Beuerle, 110 Auburn.

## NOTICE

Oak Grove Cemetery will have their annual meeting March 29, at 8:00 P.M. The meeting will be held at Dr. Eames office. All lot owners are invited.

The Varsity Choir Variety Show promises to be an entertaining evening. The show will have for its Master of Ceremonies, Reverend Bob

Macfarlane. He will be introducing the many musical acts and humorous skits that are all a part of the show. Tickets can be purchased from any Varsity Choir member or at the door. Adults are \$1.50 and Students and Senior Citizens are \$1.00. The Varsity Show is this Friday, March 18 at 8:00 p.m. in the high school auditorium. Proceeds from the Varsity Show will help the Varsity Choir meet expenses for their Northern Michigan Singing Tour.

## Girl Scout Troop 343

In this Girl Scout troop we are making dollhouses out of cardboard. We talked to Gabi, Manchester's German exchange student, for our badge work. We are going to the annual Girl Scout Potluck. We are going to put on plays about the Girl Scout Laws.

## VILLAGE OF MANCHESTER ORDINANCE NO. 115

AN ORDINANCE TO AMEND ORDINANCE NO. 89, ENTITLED: AN ORDINANCE TO REPEAL ORDINANCES NO. 50 AND 72, AND TO AMEND ORDINANCE NO. 89 AN ORDINANCE ENTITLED: AN ORDINANCE TO REGULATE AND CONSTRUCT WATER MAINS BY THE VILLAGE, TO REGULATE THE USERS THEREOF, REQUIRE PERMITS TO CONNECT THEREON AND REGULATE THE TERMS AND CONDITIONS UPON WHICH PERMITS SHALL BE GRANTED, AND TO PROVIDE PENALTIES FOR THE VIOLATION THEREOF; TO PROVIDE FOR THE GENERAL HEALTH, WELFARE AND SAFETY OF THE INHABITANTS OF THE VILLAGE OF MANCHESTER.

The Village of Manchester Ordinance: Section 1. That Ordinance No. 89 as amended is hereby further amended by substituting the following for Section 4 thereof: Section 4. Any person, firm or corporation desiring to connect into the village water mains, directly or indirectly, shall file an application with the Village Clerk, giving the name and address of the user, the owner of the property desiring the water connections, the size of the water meter needed and such other information as may be required from time to time by the village council. Said application shall be accompanied by a fee according to the following schedule based on the size of the water meter to be installed which are hereby declared to be the reasonable charge for obtaining the permit to connect into the village water system and the cost of making the connection or tap in:

TAP PIPE SIZE	METER SIZE	METER GPM at 1 PSI	TAP IN FEE
1"	5/8 x 3/4	9	(Standard residential tap in) \$ 426.00
1 1/4"	3/4	11	380.00
1 1/2"	1 1/4	16	410.00
2"	1 1/2	20	540.00
2 1/2"	2"	26	680.00
3"	2 1/2"	32	1,320.00
4"	3"	40	1,550.00
	4"	50	2,000.00

Should more than one meter be required on a tap in, or should additional meters be required on an existing tap in, the following fee shall apply for each meter installed plus incidental material and labor if any:

METER SIZE	FEE
5/8 x 3/4	\$ 50.00
3/4	60.00
1"	110.00
1 1/4"	140.00
1 1/2"	180.00
2"	220.00
2 1/2"	300.00
3"	400.00
4"	1,000.00

A fee of \$50.00 shall be paid for all fire protection sprinkler system taps in connections plus the actual cost of material, labor, equipment rental, and sub-contract; and, if required, the cost of water main extension.

No fee is required for emergency or non-emergency replacement of any existing tap in connection of the same size. The cost of all material, labor, equipment rental, and sub-contract to be born by the property owner.

Section 5. Whenever an application for connecting into the Village water system has been filed with the Village Clerk accompanied by the fee established in Section 4, the Clerk shall transmit the application to the chairman of the Public Works Committee, and said Committee shall examine the application and report their findings to the Village Council. If the application is denied by the Council, the applicant shall be notified and the fee deposited returned. If the application is approved by the Council, a permit shall be issued to the applicant authorizing such connection. The Village shall make a connection to the water main, and provide the connection fitting (corporation cock), and the water meter. The applicant shall bear the cost of excavation, all valves, curb box, and other materials necessary to extend the water line from the main into the premises. All water connection pipe shall be at least one inch in diameter from the main to the meter and shall be a material other than iron or lead. All work from the main to the meter shall be subject to the approval of the Village before the water is turned on. The Village Clerk shall bill the applicant for all expenses over and above the tap in fee within thirty (30) days after completion and approval of such work by the Village. If such expense shall remain unpaid for a period of three months after demand, the Village shall have the right to shut off and discontinue the supply of water to the premises benefited. If such expense shall remain unpaid for a period of six months after demand, such expense shall become a lien against the property benefited by such connection; and the Village Clerk shall certify monthly, on April 1st of each year, to the assessing officer of the Village, the list of such a lien, whereupon such expense shall be entered by the assessor upon the tax roll, as a charge against such premises and shall be collected and the lien thereof enforced in the same manner as general village taxes against such premises and collected thereon.

Section 2. This Ordinance shall take effect and be in force immediately on and after its legal publication.

Made and passed by the Manchester Village Council at a regular meeting thereof on March 7, 1983.

John J. Hinkley, President  
Heleen Kenner, Village Clerk

I certify that the within Ordinance No. 115 of the Village of Manchester was duly adopted by the Board of Trustees of the Village of Manchester, at a regular meeting thereof on March 7, 1983, and was duly printed and published on March 17, 1983 in the Manchester Enterprise, a newspaper printed and published in the Village of Manchester.

Heleen Kenner, Village Clerk

## Now And Then

west. Mr. Case was again elected trustee in 1874 and president in 1877.

In speaking of this we are reminded that we have had during the past 34 years 17 presidents. Newman Granger served two years, Wm. M. Brown two years, Amariah Conklin eight years, J.H. Kingsley three years, W. Kimble, A.J. Waters and E.C. Westgate each two years. Geo. W. Doty, J.D. Vanduser, Isaac L. Clarkson, M. Goodyear, Arthur Case, M.D. Case, C. Walbridge, C.W. Case, F. Steinhohl and N. Schmid one year each.

Our newly elected president Ed. E. Root, has served the village as trustee and clerk.

When the village was incorporated there was only one plank sidewalk and that led from the hotel to the depot. It was laid on the north side of exchange place to Washington street south on Washington to where LaMar Brown now lives when it crossed the street and passed to the corner of Mark Case's place thence west past Mr. Westgate's and from there to the depot. It was built by contribution to the plank walk society.

Thirty-five years ago this summer the union school building was erected, also the arboret block.

There was a great fight over

the location of the union school building. Some wished it on the top of the hill on Schmid's grove, others wished it on the lot where Lovejoy's chicken house stands while others insisted upon its present location. Many heated discussions were held, night after night over the subject and some of our old inhabitants will remember with what logic the battle was fought.

At that time the popular path to "Soleville" was on the south side of city road, all but one of the residences being on that side of the street.

Ann Arbor street had just been discovered as a resident street and brick dwellings sprung up in the midst of the hazel brush and oak groves.

Then we had three flour and grist mills, a woolen mill, foundry, tannery, hub factory, plaster mill, brewery, wagon and carriage shops, etc.

Oh, this town was indeed wild and woolley when the "busted bondholders," retired farmers, began to look for a haven of rest, since the cruel war was over and they had "made their pile."

## Manchester Area Historical Society

Drawing your family tree is the topic for the March program of the Manchester Area Historical Society which will meet at The Blacksmith Shop on East Main at 7:30 Monday night, March 21. Everyone is welcome and for those interested in making their family tree, bring a clipboard with paper and a pencil with a good eraser!

There will be a brief business meeting with a treasurer report and a preview of the years activities with hopes and dreams for the future.

Two approaches to building a family tree will be presented by Omsar Robbins and Gail Kelum, both of whom have accomplished this endeavor in varying degrees.

One clue is to start with a single known/distinguished ancestor and follow the various branches that would represent his children and so on until you get to yourself in the fifth or sixth generation. You become a leaf (or by this time, a nut) near the outer edge with even smaller twigs and leaflets reaching outward to

represent your children and on--. Or you can start with yourself as the trunk and fill in the names of your parents at the first fork in the main stem and then their parents and theirs at each dividing point. Either way you are sure to find that the more successful your research, the greater becomes your frontier of the unknown. It is like the proverbial "women's work" that "is never done", but once into, becomes the challenge and the fun you cannot let go.

Helpful reference material will also be available. Refreshments will be served by Mrs. Rolland Grossman and he committee.

## Cancer Information Number

The Michigan Cancer Information Service has a new, easy-to-remember toll-free number: 1-800-4-CANCER.

The statewide service of the Comprehensive Cancer Center of Metropolitan Detroit (COCMD) shares this easily-recalled number with 20 other Cancer Information Service offices across the country, allowing callers to pass it on to out-of-state friends and relatives who will automatically be connected to the Cancer Information Service office serving their area.

The Cancer Information Service serves as a central source for referral to community services, and as a contact point

for the latest information about cancer research. In addition to providing assistance over the telephone, the Cancer Information Service office frequently mails free printed materials on a variety of cancer topics, such as specific types of cancer and treatments, or advice on how to talk with cancer patients.

# The last place you should look for an IRA.

**Because once you've seen ours, there's no need to search further.**

Everyone—the banks, the savings and loans, the brokerage houses, the insurance companies—they're all shouting about IRAs. How they save taxes, build whopping retirement funds, and how you can open one any time up to April 15 and still claim a tax deduction for 1982.

But whose IRA is best?

Quite simply, ours is. And that's why we say Comerica Bank-Jackson is the last place you should look for an IRA.

**New! Self-Completing Life and Disability Insurance.**

We're now offering Life and Disability Insurance on our Comerica Bank-Jackson IRA. So if you die before age 65, your estate will receive the same amount of money you'd have contributed if you lived to 65.

**Short time only! Earn up to 25% Bonus!**

If you act now, we'll even pay you to make us "last"! Open an IRA at Comerica Bank-Jackson with \$1,000—and you'll earn a bonus rate of 15%. Open one with \$2,000, and you'll earn a bonus 25%. But don't wait—do it now to earn the most!

**New! More investment options.**

A Comerica Bank-Jackson IRA offers more investment options than our competitors'—another reason ours should be the last IRA you look at!

**New! "Add-to" Accounts.**

Now you can add to your IRA investments—even, for example, during the term of a certificate. Add to your IRA on a regular basis, conveniently through paycheck deduction, and you can still earn Money Market rates.

**Go IRA shopping. Then come to Comerica Bank-Jackson.**

Our IRA is best—we're confident you'll think so, too.

And you'll appreciate the friendly service—coupled with years of experience—you'll get from our Personal Bankers, who'll help you select the best IRA option for your money.

So go somewhere else—first. Then come to Comerica Bank-Jackson.

This is one time we're happy to settle for last place!
