## United Way Slogan Winner

L to R: Loring Ebersole, member United Way Board of Directors; Mrs. Sandra Hieber, slogan winner; and Mrs. Susan Hamilton, President, United Way Board of Directors.

Mrs. Susan Hamilton, President, United Way Board of Directors, is shown presenting Mrs. Sandra Hieber a check for her winning United Way slogan, as Loren Ebersole, member United Way Board of Director's looks on.

Mrs. Sandra Hieber, 6465 East Michigan Avenue, in Saline, submitted the winning slogan for this year's United Way campaign. Fair Booth Chairman, Dr. Lamont Okey, reports that Sandra's suggested slogan "PUT SOME SUN IN THEIR DAY - GIVE THE UNITED WAY", was chosen as the winner by the United Way Board of Directors from more than 30 entries submitted at the United Way booth during Manchester's Annual Community Fair week.

The suggested slogan "Go all the Way, for United Way", submitted by Karen O'Leffe,

14150 Sharon Hollow Road, was selected for runner-up recognition.

Manchester United Way's exhibit at this year's Community Fair was again made possible through the cooperation of Clarence Fielder and Manchester Tool & Die, which contributed the fair booth space.

Campaign Chairman, Jack Zaborowski reports that plans are well underway for the annual kick-off dinner for all volunteers to be held on Wednesday, September 28th, at the Bethel United Church of Christ, beginning at 6:45 p.m.

The directors of the Manchester United Way thank Sandra for her excellent slogan. Lets all put some sun in our day by supporting the Manchester United Way.

## Fair Logo Contest Deadline Extended

The deadline for the logo design contest sponsored by the Manchester Community Fair has been extended to September 15. The logo design will be used on all Fair correspondence and advertising. The contest is open to anyone.

- Rules for the contest are:
1. Entries must be in black ink on 8 1/2 by 11" white paper.
  2. Entries must incorporate in the design the words Manchester Community Fair and "Michigan's Biggest Little Fair".
  3. Name, address and phone number of the designer must be included with each entry on a separate piece of paper.
  4. Designs must not be folded.
  5. Entries must be submitted to the Manchester Community Fair, 226 or 230 Wager St.,

## HIT OR MISS

by farley

It always seems that it is always much easier for those who write or speak to point out the errors made by the various writers and speakers rather than to praise their more lucid efforts. Quite a list of these slips of the tongue or pen have been collected

## Manchester Voters Approve Full Educational Program

At a special election on August 31, voters in the Manchester School District approved two ballot issues which were designed to maintain current educational programs and to provide additional monies for school renovation and maintenance.

Proposal I which was approved by a total of 210 votes will provide 1.8 mills for general operating purposes. These added revenues will maintain educational programming at current levels. With this added revenue the school district is able to avoid making cuts in programs.

The second proposal will provide 1.5 mills or about \$135,000 per year for the next five years in order to renovate and maintain all school facilities.

Superintendent of Schools Gene Thompson stated following the election, "We are very pleased at the level of support for our program which has been indicated by our community. On behalf of the Board of Education and all Administrators I would like to renew our pledge that all school programs will continue to be managed in the most cost efficient manner possible."

here and there so may we share them with you?

They include:

There was the news commentator on Cape Cod who assured his listeners that "the beached whale at Wellfleet isn't out of the woods yet." Or was it a slip of the tongue which prompted Sen. Harry Goldwater (R) of Arizona, to substitute "lame brain Congress" for "lame duck Congress".

Over in England the BBC is said to be the protector of the Queen's English but a news commentator thereon recently reported that "Fighting broke out in the Indian Parliament and one 'untouchable' MP was punched in the nose."

And the BBC also reported that "Ashton Villa (one of the top teams) began to harness the fruits of some good midfield work."

But harnessing the fruits in midfield is no more difficult than the chore a New York baseball writer assigned to Yankee pitcher Ron Guidry.

"With all that left handed power in the Sox Lineup" he noted, "Guidry will have to study that batting order with the care of a hound's tooth," of which no doubt were scarcer than.

The teaming of ex-lovebirds Richard Burton and Elizabeth Taylor in "Private Lives" on Broadway evoked some media dialogue that would have caused Noel Coward to do a double take.

"The attending publicity bloopered one critic "Got to the stage where you could hardly open a New York tabloid without seeing their picture on the front page."

One of my favorite users of

## Superintendent Nominated For Top Executive Educator Award

Manchester Community Schools Superintendent, Dr. Eugene Thompson has been nominated to the Executive Educator for recognition as one of the top 100 educational executives in the nation by Paul DuFresne, President of the Manchester Board of Education.

Identification of the top 100 educational executives in the country is an annual process conducted by the professional journal which is based in Washington, D.C. Executives from school districts across the nation are eligible for nomination.

In his letter of nomination DuFresne stated that, "Thompson has provided the leadership to transform the school district into a dynamic, forward thinking well financed organization within a short 4 year period."

Thompson assumed the Superintendency of the Manchester Community Schools in November, 1979 following five years as Director of Research in the Ann Arbor Public Schools. At the time he assumed his role the school district was experiencing a teacher strike and serious financial difficulties. Manchester voters recently indicated their approval of the current operation of the school district by approving issues totaling 3.3 mills for operation and maintenance.

Upon being notified of President DuFresne's nomination Thompson replied, "I am very honored. However, in reality the Manchester Schools operate as a team. Administration, Board, Staff and Parents are all part of a very complex and dynamic working unit. I simply happen to be at the center of the team. I am grateful for President DuFresne's nomination and will continue to put forth my very best effort to make the Manchester Schools highly productive and cost efficient."

\*\*\*\*\*

Well, the vacation season is nearing its conclusion. Our neighbor has taken his grandchildren to Cedar Point; a half dozen Senators have returned from a junket to China and another bunch from an expense paid trip to Southeast Asia while still another group went to Egypt and still another bunch to Honduras and we note that when they came home they had a new hair styling salon and stationery shop to enjoy while lurching at their cost-free restaurants, while we sat at home and wondered if we would be able to pay for the electricity that it took to run the air-conditioner.

## 1983 VARSITY TRI-CAPTAINS

Carl Wiedmeyer, Bart Nickerson and Pat Ridenhour

**Married**

**Michelle Louise LaRock**

**Robert Evan King**

The United Methodist Church in Manchester was the setting as Michelle Louise LaRock and Robert Evan King exchanged their wedding vows. The ceremony was held August 20, 1983 with Reverend Thomas E. Hart officiating. Parents of the couple are Mr. and Mrs. A. R. LaRock and Mr. and Mrs. Charles King, all of Manchester. The bride wore a gown of chantilly lace over taffeta with rows of lace going into a cathedral train. She wore a Juliet lace cap with a long veil edged in lace. Her bouquet consisted of peach roses and white carnations. Maid of Honor was Miss Jill Dettling of Ann Arbor. She wore a long peach dress with a lace jacket and carried a chamber light surrounded by flowers. Serving as best man was Mr. Tomas Tassie of Ann Arbor. Bridesmaids included Miss Kay

Eversole of Manchester, Mrs. Patricia Tassie of Ann Arbor, Ms. Debra Gilbert of Ann Arbor and Miss Laura Honer of Ann Arbor. They were attired the same as the maid of honor. Miss Heather Brooks of Napoleon was flowergirl and Billy Bennett of Manchester was ringbearer. Ushers were Mr. Terry Kendrick of Flint, Mr. Louis Ross, Mr. Rick Krzyzaniak, both of Manchester, and Mr. Rick Pipkins of Tecumseh. Back Ushers were Mr. Shawn LaRock, Mr. Darrell Clark and Mr. Robert Smith, Jr., all of Manchester. Organist was Helen Norman and soloist was Roger Morrison. A reception was held at the Tecumseh Union Hall in Tecumseh. After a wedding trip to Toronto and Niagara Falls, the newlyweds will make their home in Manchester.

**Fair Logo Contest**

Manchester, Michigan. They may be mailed or hand delivered to either address. 6. Designs must be received on or before September 15, 1983. Winner of the contest will receive a lifetime season pass to the Manchester Fair.

**THE SEARCH FOR HEALTH**

A Report from The National Institutes of Health Bethesda, Maryland

**AUTO SAFETY BELTS**

Everyone of us can expect to be in an auto crash once every ten years. According to the National Highway Traffic Safety Administration, for one in 20 of us, it will be a serious crash. For one out of every 60 children born today, it will be fatal. Fifty percent of all people who die in passenger cars, light trucks or vans—35,000 could have been saved if they had been wearing safety belts.

Safety experts agree that the use of seat belts dramatically reduces the risk of injury or death. Wearing a safety belt the next time you drive could double your chances of not being hurt seriously if you're involved in an accident.

Safety belts help occupants in five ways: 1. There is the "ride down" benefit, in which the belt begins to stop the wearer as the car is

stopping. 2. The belt keeps the head and face of the wearer from striking such objects as the steering wheel, windshield, interior post or dashboard. 3. The belt spreads the stopping force widely across the body. 4. Belts prevent vehicle occupants from colliding with each other. 5. Belts help the driver maintain vehicle control, thus decreasing the possibility of a second collision.

Using a lap/shoulder belt combination makes your chances of survival three to four times better than they are if you drive beltless. For youngsters, there are a variety of safety seats, including toddler seats, booster seats and convertible models and infant carriers.

For more information write: Office of Occupant Protection, (Public Health), NTS-11, National Highway Traffic Safety Administration, U.S. Department of Transportation, 400 7th Street, S.W., Washington, DC 20590.

**Smoker Stoppers Sessions**

Catherine McAuley Health Center (CMHC) will host free introductory Smoke Stoppers

sessions September 12 and 13 in the Education Center at St. Joseph Mercy Hospital at 7-8 p.m. and at Maple Health Building, at 10 a.m.

Catherine Kinney, director of the Office of Health Promotion at CMHC said the free sessions will illustrate a comprehensive approach to controlling smoking.

She said they will focus on techniques to manage eating, stress and other factors directly linked to the smoking habit. "We treat smoking in the context of an individual's overall lifestyle, not as an isolated event," Kinney said.

Smoke Stoppers has had an excellent success rate. A 1981 survey revealed that three months after completion of the program, 77 percent of the participants remained off cigarettes.

Kinney said participants at the introductory sessions can register for the comprehensive five-day Smoke Stoppers program at the sessions, or by calling 572-3675.

St. Joseph Mercy Hospital and Maple Health Building are units of Catherine McAuley Health Center.

**Obituary**

**Paul D. Smallwood**  
5210 Sylvan Road  
Manchester

Age 56 years, was killed in an automobile accident early Saturday morning, September 3, 1983 in Lenawee County.

He was born March 14, 1927 in Roanoke, Virginia, the son of Purl and Ethel Light Smallwood. On February 28, 1951 he was married to Juanita Stover. She survives.

Mr. Smallwood had been a truck driver for 28 years and at the time of his death he was employed by Roadway Express in Toledo. He was a member of the Moose Lodge in Ann Arbor.

In addition to his wife he is survived by one daughter, Mrs. Gary (Patricia) Gorham of Fickney; five sons, Douglas of Belleville, Paul Jr. of Ann Arbor, Kevin, Bruce and Hugh, all at home; two grandchildren; mother, Mrs. Ethel Gunther of Roanoke, Virginia; one sister, Ethel Bokanski of Gregory; one brother, Harold of Milan; also seven brothers and sisters in Virginia.

Funeral services were held Monday, September 5, 1983, 1:00 p.m. at the Jenter Funeral Home. Pastor William Enslin officiated.

Mr. Smallwood will be sent to Roanoke, Virginia for burial.

**Bomb Group Reunion**

The 397th Bomb Group with its 596th, 597th, 598th, 599th Bomb Squadrons will hold its sixth reunion September 30 through October 2, 1983 at the Holiday Inn, Tampa International Airport, Tampa, Florida.

Former members of this WW2 9th Air Force B-26 Marauder group are asked to contact the 397th Bomb Group Association, Nevin F. Price, Secretary, P.O. Box 1786, Rockville, Maryland 20850. Phone: 301 460-4488.

This reunion will commemorate the 40th anniversary of the formation of the 397th Bombardment Group (Medium) at MacDill Field in Tampa on April 20, 1943, and a 'homecoming' visit to now MacDill Air Force Base is planned.

The last B-26 group to go overseas during World War 2, the 397th soon became known as the "Bridge Busters" for combat missions which began on April 20, 1944. At the peak of its combat history the 397th struck the enemy's communications during the Battle of the Bulge (Dec. 1944-Jan. 1945) and received a Distinguished Unit Citation for a mission on 23 December 1944 when the group withstood heavy

flak and fighter attack to sever a railway bridge at Eller, Germany, a vital link in the enemy's supply line across the Moselle River. This mission cost the group many planes and men.

Born to Steven and Susan Holloway (formerly Susan Westfall) of Ft. Wayne, Indiana, a son, David Michael, on August 14, 1983.

Maternal grandparents are Dick and Joyce Stein of Manchester. Paternal grandparents are Roger and Annette Holloway of Michigan City, Indiana.

Born August 25, 1983, a daughter, Jennifer Marie Bushaw, weighing 6 pounds 6 ounces, to William and Irene Bushaw of Rochester, Michigan.

Mr. Bushaw is the new principal at Manchester High School.

**ADULT HIGH SCHOOL COMPLETION PROGRAM**

The High School Completion Program is designed to help adults and out-of-school youths move forward by allowing a relaxed and mature means of earning a high school diploma.

The all new Manchester Program has been redesigned to make the adult student feel comfortable and build confidence.

WHO MAY ENROLL? All persons sixteen years of age or older who have not completed high school. Adults need not be residents of Manchester School District. Students enrolled in any day school must have written permission from the day school principal before registering.

WHAT IS THE COST? FREE tuition and books will be offered to all Michigan residents taking credit subjects who fall into one of the following categories:

- 1) Anyone working towards a high school diploma.
- 2) A full-time day student in a non-public school.

CREDIT EVALUATION - We realize adults learn much outside of school; therefore we give high school credit for the following experiences: work, military, G.E.D. test results, and other areas. This means you may be closer to a diploma than you think!

INCLEMENT WEATHER - If classes must be cancelled due to bad weather, listen to WJR, WPAG, WNRS, or LIEN radio stations after 1:00 pm.

HIGH SCHOOL COMPLETION CLASSES  
All classes begin the week of September 19, 1983

COURSE	CREDIT	TIME	DAYS	WKS.	LOCATION

Gov. James Blanchard urges motorists to follow the "School's Open—Drive Carefully" advice of the Automobile Club of Michigan. Recognizing traffic accidents as the leading cause of children's deaths, the governor has declared September 2-8 Michigan Traffic Week. Tina Cvetojevski and Glenn Whitehead are among the state's 55,000 safety patrolers who will help 862,000 youngsters safely travel to and from school this year. Blanchard was a patroler while attending Roosevelt School in Ferndale. The belts and the poster displayed are among the supplies the Auto Club annually distributes to 4,200 Michigan schools to help prevent traffic mishaps.

Our nation's first national monument is Devil's Tower, 865 feet high and located in the Black Hills Region of Wyoming. It became a national monument in 1906.

Manchester Township Library

The Manchester Township Library is displaying during the week of September 10-17 a number of books from its collection which most people consider acceptable, or even classic, but which others have sought to ban. You might be surprised to see some of the books to which there have been objections.

People have tried to ban or burn one book or another almost since the first book was produced. Reasons have been as varied as the titles: the language was offensive, or the contents considered pornographic or obscene, objectionable politically or because of religious belief. Other books have disturbed people because of ethnic, cultural or life style differences. The books in the display have been objected to for various reasons. The library doesn't own a copy of the Girl Scout Handbook of 1961, but if it were part of the collection it would be on display. It was condemned as un-American by the Illinois Legionnaires in that year.

It is the contention of the three national book organizations sponsoring Banned Book Week, that individuals frequently think it all right to ban a particular title they might find offensive while being willing to fight for the right to read another book upon which they look with favor. Leaders of the American Booksellers Association, American Library Association and the National Association of College Stores suggest that it is the right of each individual to choose the books he or she wants to read and that it is dangerous to relinquish that right. They believe that a free people, placing high value on the

**"SAFE BOATING TIPS"**  
 From Ann Arbor Florida 17, 03,  
 U.S. Coast Guard Auxiliary  
**"FIRE EXTINGUISHERS"**

If your boat is equipped with a gasoline engine, be sure to have at least one Coast Guard approved fire extinguisher aboard that is fully charged and readily available.

The length of your boat determines how many fire extinguishers are needed to meet state and federal requirements. Larger boats are required to carry more or larger sized extinguishers than shorter boats. Lack of sufficient fire extinguishers in proper working order can result in a citation from law enforcement officers, usually leading to costly fines.

For more information on fire extinguishers, and other required safety equipment for boats, call Courtesy Examiner Glynn Norton, 313/971-4547, between 9:00 a.m. and 8:00 p.m.

freedoms of speech and thought, will not abrogate its freedom of choice in reading matter.  
 A copy of the American Library Associations Library Bill of Rights will be available for those interested in reading it.

Scientists say your house plants will grow better if you talk to them—but how do you say "right on" in germanium?

**Ann Arbor Sweet Adelines Chorus**

The Ann Arbor Chapter of Sweet Adelines, Inc., women's barbershop harmony chorus, will present their sixth annual show, "Harmony Showcase," on Saturday, September 10, at 8:00 p.m. in Pioneer High School auditorium in Ann Arbor.

The 1982 Regional champion Ann Arbor chorus, directed by Jack Herr of Warren, Michigan, will bring to Ann Arbor for this one performance only, the three-time International champion, Gem City chorus from Dayton, Ohio. The Gem City chorus reached the pinnacle of Sweet Adeline competitions in 1974, 1977 and 1982. Also appearing as special guests from Dayton will be the 1974 International Queens of Harmony quartet, "The Sounds of Music."

The 1983 Regional champion quartet, "Top Priority" will also perform. "Fat Bob" Taylor of WJR, Detroit, will again be Master of Ceremonies.

After the September performance, the Ann Arbor chorus will intensify rehearsals in preparation for their first effort in International competition October 28th in Cobo Hall, Detroit.

Weekly rehearsals are held each Tuesday evening at Glacier Way Church on Green Road in Ann Arbor; visitors are welcome.

For further information, call 313-475-1236 or 313-434-2670. Manchester members include Millie Gillies, Sharon Hoover and Karen Rodriguez.

**Local Women Attend Seminar**

Nancy Flint of Manchester and Renee Weidmayer of Ann Arbor, independent (beauty consultants)

with Dallas-based Mary Kay Cosmetics, Inc., have just returned from the company's 20th anniversary Seminar held at the Dallas Convention Center (August 25-27).

This year's Seminar was entitled "Celebrate" in honor of the company's 20th anniversary. Founder and board chairman Mary Kay Ash opened her direct sales cosmetic company in September, 1963. The \$4 million Seminar is an annual extravaganza comprising three days of training, product education and motivation for the 23,000 Mary Kay representatives who attend.

Daily workshops on product knowledge, business management and sales techniques were taught by top sales directors from Mary Kay's 200,000-member sales force. An upbeat, New York-style fashion show presented the latest in fall fashions for both men and women. A professional makeup artist also performed makeovers featuring Mary Kay's new fall colors and various beauty tips.

Highlighting Seminar was Awards Night—a combination of the Academy Awards, the Miss America Pageant and a Broadway opening. On this evening, Mary Kay personally crowned and congratulated the 1983 "Queens" and their courts, awarding fur coats, diamond rings, luxurious cruises and the famous pink Cadillac and Buick Regals to the company's highest achievers. Entertainment was provided by singer Johnny Mathis.

Renee Weidmayer joined Mary Kay Cosmetics as an independent beauty consultant in 1981 and Nancy Flint in February 1983. Nancy and her husband, Doug, have two boys. Renee and her husband, John, have two

daughters. Mary Kay Cosmetics, Inc. is an international manufacturer and distributor of a premium line of skin, hair and body care products, cosmetics, toiletries and fragrances. Net sales for 1982 were \$304.3 million.

**Agriculture In Action**

KNOWING WHAT'S GROWING

Michigan Farm Bureau Editorial

Agricultural intelligence doesn't mean smart tomatoes—it means staying ahead of the competition by knowing what the competition is growing.

As our participation in the world market for farm commodities has become more important in recent years, our U.S. Agriculture Department has developed and used the most sophisticated technologies to find out what is being produced and where and how much.

Modern data-gathering satellites like Landsat pass over all the major farming areas of the world—China, India, the Soviet Union, Argentina and, of course, our own country. They take pictures in visible light, infra-red and other spectra, which they convert into radio signals. These signals are analyzed by computers and converted by laser recording equipment into color pictures. By the density of different colors, the analysts for our Foreign Agriculture Service can tell how

much land is being cultivated, what kinds of crops are being grown, how much moisture the plants are getting, whether they are in good health, and many other kinds of valuable information.

This intelligence-gathering activity benefits the farmer by giving him a kind of crystal ball to see market trends coming in advance. It's not magic, and it's not foolproof, but it does give farmers an edge, and in today's competitive market, that matters.

Resource mapping from satellites 500 miles in the sky is a new science, but it is giving Americans a new tool to help compete in what is truly the oldest profession—the production and distribution of food.

**Manchester Village Planning Commission**

The Regular Meeting of the Manchester Village Planning Commission for July, 1983 was called to order at 7:32 p.m. by Chairman Alber. Members present: Alber, Walton, Kwolek, Smith, Lowery, Kallewaard, Leeson and Stautz. Absent: Grossman. A quorum was present.

The agenda was approved as presented by acclamation. Minutes of the Regular Meeting of June 14, 1983 were approved as read.

The Chairman called for committee reports. Kwolek reported on the Alternate Energy Sources Committee, explaining that the various theories about this rapidly-developing field of regulation tend to deal with the appropriateness of the means of power generation.

Leeson reported for the R-1B Rezoning Committee, noting that research was being done on what would be reasonable revisions in lot size, in relation to actual building patterns in the Village. Leeson made a motion to purchase one or two aerial-view maps of the Village (quantity

depending on price). The motion was seconded by Stautz and passed unanimously on a voice vote.

The Chairman requested that a date be set for the August meeting, since the regular meeting night would conflict with the Manchester Community Fair parade. Kwolek made a motion, seconded by Stautz, that the meeting be scheduled for Monday, August 8, 1983. The Secretary was requested to place a notice in the Enterprise and on the bulletin board in the Village Hall.

Stautz reported on referral of the proposed temporary Cance Race dock to the Manchester Optimist Club.

Kallewaard reported on Kirk Park expenditures, work in progress at Char-Bro Park, and the current status of the Industrial Park.

The meeting was adjourned at 7:53 p.m. on a motion by Kwolek, seconded by Lowery, passed unanimously.

Mary Kallewaard  
 Secretary

## Cooking Corner

Ideas From The Reynolds Wrap Kitchens

### BARBECUE ON A BUDGET

An economy barbecue with a flair...marinated pot roast surrounded by the best in fresh vegetables.

Keep barbecuing costs down by watching for sales on your favorite meats. Pork, beef, poultry and lamb all cook marvelously over the coals and the slow roasting adds a smoky flavor that makes inexpensive cuts ideal for entertaining.

Not only do they serve large groups of people, but roasts in a covered cooker or on a rotisserie require minimal attention and preparation.

A new book called *Barbecue!* details the steps for all sorts of barbecue entertaining. Easy-to-follow photographs take you through all the steps of preparation for dozens of different occasions.

For instance, try a marinated beef chuck pot roast for your next cookout. The recipes for a number of mar-

inades are given and instructions for cooking over low, indirect heat in a covered grill.

This book is far more than a recipe collection. It opens the fascinating world of outdoor cookery that extends beyond hamburgers, hot dogs and other traditional backyard specials.

*Barbecue!* was developed in the Reynolds test kitchens and is published by Random House. The \$9.95 volume can be found in book and department stores.

Round out your pot roast menu with tomatoes stuffed with green peas, boil-baked potatoes and a dessert of all-American baked apples. Look for in-season produce to cut costs even further and add a touch of freshness to your meal.

## March of Dimes Three Wheel Race

The Washtenaw-Livingston Unit of the March of Dimes Birth Defects Foundation, the Washtenaw County Sheriff's Department and The Ann Arbor News announces their Fourth Annual Big Three-Wheel Race.

The race will again be held at the Washtenaw County Sheriff's Department parking lot on Saturday, September 17, 1983 beginning at 8:45 a.m. with opening ceremonies. At 9:00 a.m. the races will begin with the 2-year old racers and continuing with each age group consecutively.

The children will be racing in heats of 5 wheelers per heat on a 75-yard straight track. The five best in each age group will race for the grand prize - a brand new Big 3-Wheel. There are 4 Grand Prizes, one for each age. Every racer will receive a free official "Big Three Wheel Race" T-shirt, an appreciation certificate, a place ribbon, and coupons for drink and snacks (all donated by very willing area businesses). We also have special attractions such as clowns, the Sheriff's helicopter, the Pittsfield Township Fire Truck, etc.

We are having a "Big Wheel" and a Stuffed Horse Raffle; you can purchase one chance for 50¢ each or 3 chances for \$1.00.

A balloon lift release will take place between the 3 and 4-year old races. For an unspecified donation, you can purchase a helium balloon and attach a tag with your child's name and address, then wait for a response from the finder.

If you look back on the whole

picture, you have to agree, that is a lot of fun all rolled into one day! All proceeds from the race will be utilized for the continuing fight against birth defects. For more information call 761-6331. But hurry...registration is \$5.00 until September 15, 1983 - after September 15, registration will be \$7.00. Registration Forms are available in The Ann Arbor News, at The Ann Arbor Newspaper Office, The Sheriff's Department Office, The March of Dimes Office, Wendy's Restaurants and various businesses throughout the County.

If milk or cream spills on furniture, wipe it up quickly. Dairy foods act as mild paint and varnish remover. If spots show, clean with white liquid wax.

## Helping Your Doctor Keep You Alive

### SMOKING: WHAT YOU SHOULD KNOW

Smoking is the Number 1 risk factor for heart disease. The risk of heart attack is doubled in heavy cigarette smokers.

Fortunately, if you stop smoking, the risk decreases almost to the same level as for people who have never smoked.

If you have any questions about heart disease, see your doctor.

This information comes from Smith Kline and French Laboratories, a leader in high blood pressure research and therapeutics.

## BELT LINE

**797** Michigan traffic deaths in 1983.

**494** Had seat belts available.  
(Excludes motorcycles, pedestrians, etc.)

**95%** ( 470 ) Were not buckled up!

# WE'RE RIGHT AT HOME IN MANCHESTER

Comerica Bank is right at home on Main Street, bringing you all the benefits and services of a big-city bank, but with all the friendliness and personality of your neighbor.
