Katie Miller National Merit Semifinalist

Katie Miller receiving the National Merit Semifinalist certificate from guidance counselor Richard Parson.

On Wednesday, September 14, 1983, the National Merit Scholarship Corporation (NMSC) announced the names of approximately 15,000 Semifinalists in the current Merit Program. Semifinalists who advance to Finalist standing in the competition will be considered for approximately 5300 Merit Scholarships to be awarded in the spring of 1984. Manchester High School is pleased to announce that

Katie Miller, daughter of Mr. and Mrs. Robert Miller of 10955 Hieber Road has been awarded Semifinalist status.

Over one million students from some 18,000 secondary schools entered the competition last fall by taking the PSAT/NMSQT in their junior year. Those who qualified as Semifinalists include the highest scorers in every state and represent the top half of one percent of this year's senior class. It is hoped that public recognition of these academically talented young people will broaden their opportunities for higher education.

As Semifinalists, these students have completed only the first step in the Merit Scholarship competition. To become one of approximately 13,500 Finalists who will be considered for awards, Semifinalists must meet additional vigorous standards. They must document high academic performance throughout high school, receive the recommendation and endorsement of their principals, confirm their earlier qualifying test scores on a second examination, and provide considerable information about their interests, accomplishments, and goals.

Katie is a senior at Manchester High School. She has been a member of the band for four years, and the National Honor Society for two. In addition, she has participated in track, cross country, varsity choir, and the high school quiz bowl team. For her college career, Katie is leaning towards a liberal arts major. Right now she is considering a number of colleges in Michigan with Hope College high on her list. When learning of the award, Principal William Bushaw stated, "We are all extremely proud of Katie's accomplishment. She is the first Manchester student in a number of years to reach Semifinalist status. She is a credit to her school and community."

Century III Leader Scholarship Available

High School seniors at Manchester have an opportunity to enter the 1983-84 Century III Leaders program, which awards local, state, and national prizes to students who demonstrate the leadership abilities and social awareness necessary to help meet America's needs during our third century.

One particularly outstanding senior will eventually collect the \$10,000 scholarship which goes to the Century III national winner. That person is selected at the Century III Leadership National Conference, March 2-5, 1984, at Colonial Williamsburg, Virginia. National semifinalists earn \$500 awards.

Now in its ninth year, the Century III Leaders program is designed to bring together student leaders to discuss issues facing America in its third century. Students are judged at the local school level on leadership abilities, school and community involvement, a short written essay on an issue facing America, and a current events examination.

In all, the Century III Leaders program awards \$218,500 in scholarships and provided for 102 students to attend the Williamsburg conference. The program is administered by the National Association of Secondary

St. Mary's House Tour-Sunday, October 2

St. Mary's Altar Society is proud to announce a House Tour of six lovely homes in the Manchester area. The tour will take place on Sunday afternoon, October 2nd from 1:00 to 5:00.

The first home on our tour is the home of Lloyd and Pat Spaulding of 9757 Kaiser Road in Bridgewater. This beautiful new home has oak floors and woodwork throughout and has an old fashioned beamed ceiling in the family room.

The totally modern and convenient kitchen features a huge bay window that overlooks the rolling countryside. The house has been beautifully decorated. You won't want to miss this one.

The home of Brian and Debbie Alber is next on our tour. They live at 19426 Pleasant Lake Road. This 19th century farmhouse has all the original woodwork which is in beautiful condition. It has old fashioned french doors separating the living room and dining area. The back staircase that once accommodated the farm hands of old is still intact. The house has been extensively redecorated throughout.

The next home is that of Roger and Dulce Kappler of 19163 Bethel Church Road. The Kapplers have totally remodeled this 140 year old farmhouse. The beautiful wood floors have all been completely refinished. The new family room with its large bay window and fireplace makes a cozy nook in which to spend those cold winter nights. Give yourself a treat and come and experience Michigan's 19th century architecture.

The fourth home on our tour is Steve and Sharon Schlingmann's. This beautiful executive home is

Substance Abuse Awareness Committee

The Substance Abuse Awareness Committee would like you to circle Wednesday, October 26, 1983, on your calendar.

On that day at 7:30 P.M. in the High School auditorium the S.A.A.C. team warmly invites you to attend a presentation on alcohol and drug abuse and how it affects community, family, and friends.

Our speaker will be Dr. Bill Manning, educator, author, consultant, and father of four, who has worked for thirty-five years with the education, intervention, and treatment of chemical dependency and abuse.

Dr. Manning has traveled nationwide to share his personal and practical insight in approaching community problems with substance abuse. For more information call Brian Schick at 428-7442 or Bill Zsenyuk at 428-7877.

High School Boiler To Be Replaced

"There is literally nothing we can do about the temperature in the building at this point. The replacement of the boiler has the highest priority of district concern, work on the project is proceeding on an emergency basis. We can only ask that all students and staff work with understanding of the problem."

"It is a relief, however," said Thompson. "To have the funds necessary to do the required work. We had been saying all along that the boiler was nearing the end of its useful life. We did

During repairs being made in preparation for the coming heating season it was discovered that the boiler at Manchester High School has deteriorated to a point of being unrepairable. Workmen attempting to weld leaks discovered that the walls of the boiler varied from 3/8 of an inch to literally paper thickness. In addition, the water jacket of the steam boiler was found to be virtually solid with accumulated limestone. It was very apparent that the heating source would not serve the school through the

not know how accurate that statement was. I expect the cost of the project to be somewhere in the neighborhood of \$40,000. If the voters had not approved the maintenance millage we would certainly be in the process of reducing or eliminating programs in order to buy the new boiler. Once everything is installed and operating we should expect that the boiler will serve for a good 40 years. Proper maintenance will certainly extend the life of such a piece of equipment."

coming winter.

Superintendent of Schools Gene Thompson immediately began to prepare specifications and solicit for the replacement project. It is anticipated that it will be mid-November before a new boiler is heating the high school.

Parents and students are urged to prepare to dress properly in the event of cool weather. "We will undoubtedly have some days when the high school will be uncomfortable," said Superintendent Thompson.

A Paradise At Home

Reprint from the Manchester Enterprise, dated July 14, 1898

Strangers who chance to spend a day or two in Manchester often remark on the beauty of the scenery. It is a common occurrence to see visitors standing on exchange place bridge, watching the water as it flows gracefully over the dam and sweeps past the little willow island and around the wooden bend, out of sight. Then they turn and gaze up stream at the broad pond with its high terraced banks, surmounted by pretty residences on the right, or looking beneath the railway bridge to the low meadow-land and far away to the woods at the left. The old burying ground at the bend of the river, with its white marble slabs

showing plainly against the green background, affords a contrast to the scene of business activity near which the enraptured stranger stands.

Wheelmen often follow the shady streets past Wm. Lockwood's residence to the second dam, where other beautiful views can be had both up and down the stream, and they are aroused to a state of considerable excitement at sight of large bass and other fish swimming lazily about the waters beneath the bridge.

Occasionally a stranger wanders on to the lower dam to admire the scenery at "Soleville," the first mill site in this locality. Here he sits and watches the water as it dashes over the dam and goes rippling

Dutchmen Explode 42-0

#22 Halfback Bob Sunny

by Jon Hardenbergh
I knew it was just a matter of time before the Manchester Dutchmen would start scoring. We trekked to East Jackson and just stunned the Trojans by rolling up 388 total yards offense while the Manchester defense held them to a mere 19 yards.
The Dutch tallied for the first time this season at the 43 second mark of the opening quarter as Mike Agin scampered 5 yards. Pat Radenour tossed to Tom Leckridge for the 2-point conversion.
Manchester dominated the second half by first having Jeff Daubner block a Trojan punt, then Steve Vleck fell on the ball in the endzone for a touchdown. Mike Agin got his second touchdown of the night as he

intercepted and motored 41 yards for paydirt. It was now Don Dettlings turn as he snatched an East Jackson fumble in mid-air to score. The Dutch offense supplied the next 2 tallies as Pat Radenour hit Mark Ball for a 9 yard touchdown with Jerry Post adding the final six. Terry Schuler booted 4 extra points for our 42 point total.
Radenour had a good night throwing as he attempted 14 completing 10 for 159 yards. Our big ground gainer was Carl Weidmayer as he picked 'em up and layed 'em down for 118 yards.
Friday is homecoming and Manchester hosts Hanover-Horton.
Congratulations go to the JV Football Squad who downed East Jackson 28-0.

Defensive Player Of The Week

Apollo 17 Astronaut To Speak In Jackson

Apollo 17 astronaut, Ronald E. Evans, will appear in Jackson on Saturday, October 8, at Westwood Mall as part of the Michigan Space Center's Silver anniversary celebration of the establishment of NASA and the United States space program.
Captain Evans will speak at 4:00 and 7:30 p.m. on his experiences aboard America's last voyage to the Moon.
On Thursday, October 6, at 7:30 p.m., Mr. Forrest E. Cook will speak showing his collection of historical space memorabilia, and on Friday at 7:30 p.m. Mr. R. Lynn Boudurant, Chief of the Educational Services Office at NASA's Lewis Research Center in Cleveland, will speak on "25 Years of Progress".

Senior Citizens Meals And News

Senior Citizens Meals menu for Tuesday, October 4 is: Swiss Steak, Potatoes, Vegetable, Fruit, Rolls & Butter, Dessert, Coffee, Tea and Milk.
On Thursday, October 6, they are serving: Macaroni and Cheese with Ham, Vegetable, Fruit, Rolls and Butter, Dessert, Coffee, Tea and Milk.
The recreation following the meals will be the usual cards on Tuesday and Bingo on Thursday afternoon. The exercise class is on Thursday morning in the Emanuel Church dining room at 11 a.m. Daily follow-up at home of the exercises demonstrated at each class will be most useful to the older person.
A Federal Grant has given the Senior Council of Manchester the opportunity to obtain a program coordinator beginning October 1st. Ms. Janice E. Nali (nee. Bass) has been hired for the position. She has a Bachelor of Science degree in Social Work from Eastern Michigan University. Her background includes wide experience in Camp Counseling, work as a Home Aid for the Department of Health, a transportation coordinator for the Department of Social Services, emergency Red Cross work and as a case worker for Senior Citizens for the Salvation Army. This job is part time and the office, when it is completed, will be on the second floor of the Village Police Station.
Two trips for Senior Citizens are in this month's plans so far. A Mystery Trip on Wednesday, October 12 and a Shopping Trip to Ann Arbor on Monday, October 17. Call Helen Braun, 428-8966, for reservations and information now.

Homecoming Is Friday Night!

The Cheerleaders would like to invite students, friends, parents - "ALL COMMUNITY MEMBERS" to come to the Homecoming Football Game this Friday night, September 30 to cheer our team on to Victory!
We would like everyone to line up on the field prior to the introduction of football players to show our support to our players and coaches.

Girl Scout News

We are in the process of setting up Girl Scout Troops for the school year. Brownie troops will be meeting at Klager School on Mondays and Thursdays, immediately after school. An evening troop is also planned. Brownies are the girls in grades 1 through 3, ages 6, 7, and 8.
Junior Girl Scouts will meet next Tuesday night, October 4th, at the Knights of Columbus Hall, from 6:30 to 8:00 p.m. When a girl registers, a parent needs to sign a consent form, and pay a \$3.00 registration fee.
Leaders and assistant leaders are still needed. Some troops are not meeting because of lack of leadership. YOU can make a difference in the lives of

Manchester girls! Training and help is available. Call Dianne Schwab at 428-8296.

Foreign Exchange Student Visits High School

Manchester High School is pleased to host Mari Yabuki, a foreign exchange student from Utsunomiya, Japan. She is staying with the Robert Miller family here in Manchester. This is Mari's second visit to the United States, and she is excited about the prospect of meeting new people and improving her understanding of the English language.
Mari is already involved in the extra curricular program at the High School. Not only is she a member of the girls basketball team, but she also plays tennis, skis and plays piano and guitar.
Bill Bushaw, Principal of Manchester High School, states "Mari is a very cheerful young lady who has become actively involved in all aspects of high school life. As a cultural ambassador she gives our students a whole new insight to the Japanese people."

Bible Teaching Offered

Ann Arbor Christian Development Center is a Word-oriented teaching center that uses video tapes and instructors to teach the Bible. Beginning in October will be a video series entitled "Keys to Success" by Marilyn Hickey. This class will meet every Monday evening at 7 p.m. at Calvary United Methodist Church on Miller and Newport Road, Ann Arbor. Also, every Tuesday evening at 7 p.m. at the Emanuel United Church of Christ, 324 W. Main, Manchester, a series called "The Gifts and Ministries of the Holy Spirit" by Dr. Lester Sumrall is being presented. For further information, call Bill and Joyce Estep (313/994-5344) or Janie Hadley (517/467-4392).

Athletic Booster Meeting

There will be an Athletic Booster Meeting on October 5, 1983 at 8:00 P.M. at the Manchester High School.

Watercolors At Rackham

Currently, three members of the Manchester Art Guild are displaying watercolors in the University of Michigan's Rackham Gallery. The work of Jo Swanberg, Joyce Sysol, and Mary Ann Hunter appear in the juried show sponsored by the Ann Arbor Women Painters. Nearly one hundred paintings are exhibited with a great variety of style and media.
Rackham is open Monday through Friday from 10:00 a.m. to 5:00 p.m., and Saturday from 11:00 a.m. to 3:00 p.m.
The exhibition runs until October 7.

Horticulture Class Busy Landscaping Middle School

The "Fence Crew" at work

Mrs. Gay Perry and her horticulture class are presently involved in a landscaping project at the middle school. The purpose of this project is to beautify the grounds that surround the two buildings. The program will consist of two phases.
Phase I or the fall component will focus its attention on the front of the building facing City Road and the side of the building bordering Wolverine Street.
Phase II or the spring component will be aiming its sights at the grounds surrounding the Nellie Ackerson Building.
The fall portion of this program is well underway with the class busy planting flowers, painting, erecting a split rail fence, and planting shrubs.

Huge crowds filled Klager and the Middle School Kindergarten classrooms the evening of September 14. Teachers discussed the year's program with the parents while the children attended a movie. Later the children joined their parents back in the room to show them their work. Refreshments were organized by the room mothers.

Parents of fourth grader Jason Wood seemed very engrossed in his explanations.

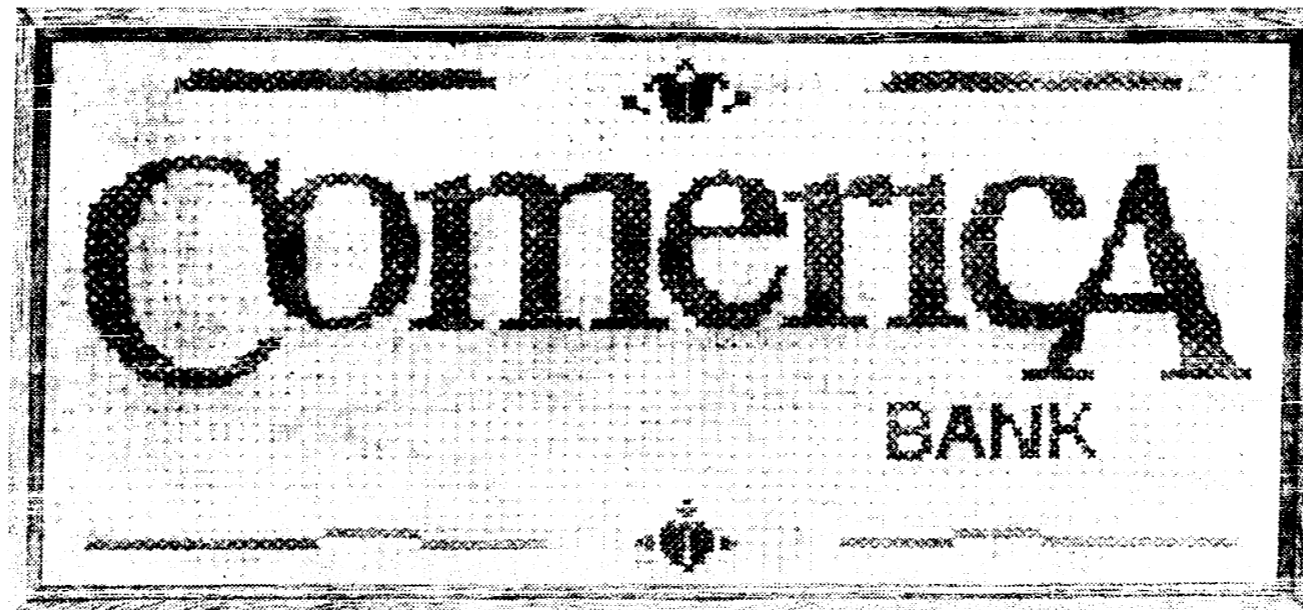

A large group enjoyed socializing in Mrs. Hankamp's Kindergarten at the Middle School.
