THURSDAY, OCTOBER 6, 1983

Herb Jacob Retires

Herbert G. Jacob, Treasurer of Sharon Township for the past 35 years has submitted his resignation effective October 1. The Sharon Township Board regretfully accepted his resignation and has appointed Shirley Neigebauer, 19621 Bethel Church Road, a 15 year resident of Sharon Township, to fill the vacancy for the balance of the current elected term which expires November 20, 1984. Herb Jacob has been a dedicated and honest official with constant concern over the growth of property taxes which he

collected for so many years. He has consistently spoken against government waste and bureaucracy and has always been ready to fight for what he believes is right and in the best interest of the citizens he represented.

Herb was born in Sharon Township on November 9, 1913 and continues to live in the very home in which he was born. He has never made his home elsewhere.

He graduated from Grass Lake High School and married Dorothy, his Deputy Treasurer and loving wife on January 1, 1936. They have three children and eight grandchildren. Together they farmed and raised sheep in Sharon Township until Herb decided to take it a bit easy about a year ago.

Herb and Dorothy are members of Emanuel United Church of Christ in Manchester. Until recently Herb also worked for the Michigan Livestock Exchange and formerly he worked at the Napoleon Livestock yard.

Most of Herb's life has been devoted to work yet he enjoys collecting old bottles and processing walnut meats.

All his friends and all the citizens of Sharon Township wish him well and extend a hearty thank you for a great job! Well done Mr. Jacob and many thanks!

1983 HOMECOMING QUEEN

L-P: Last years Homecoming Queen, Gabi Weichl and our new queen Sarah Platt.

Elvira Vogel Elected To MASA Board Of Directors

Mrs. Elvira Vogel of Manchester, President of the Washpenaw Intermediate School District Board of Education and a twenty-five year member of the Intermediate Board of Education has been elected to the MASA Board of Directors.

Mrs. Vogel is married and the mother of three children.

Her activities include volunteer work at church, school and community groups.

She attended the MASA Fall and Mid-Winter Conferences; a member of MASA Conference Planning Committee and Search and Share Project Committee; a member of Michigan Association for Emotionally Disturbed Children, Michigan Association for Children and Adults with Learning Disabilities; and a member of WARC.

Her particular interest is in legislation, school finance and conference planning.

Mrs. Vogel stated, "Having determined early in my life that a good, sound relevant education was important for everyone, I prepared myself for the teaching profession and have been involved in some facet of education ever since. The need for that sound foundation heightens as we build on it throughout our life. The new dimensions of computers, lasers and robotics add to the excitement of preparing ourselves for the worlds in which we live: the worlds of Family, of Public Sector, of Work and of Leisure. The decrease in available funding challenges me to seek greater involvement with the MASA Board where group efforts can make a greater impact for us all."

United Way Begins Campaign

Over sixty enthusiastic United Way Campaign volunteers met at the Bethel United Church of Christ last Wednesday evening to receive their final instructions for the 1984 campaign which was officially launched with the annual Kick-Off dinner.

The delicious dinner which was sponsored by the Uniloy Blowmolding Machinery Division of Hoover Universal was prepared and served by the Bethel Women's Fellowship.

The evenings program began with an honor guard of Manchester Girl Scouts escorting the flag to the front of the dining hall under the leadership of Carolyn Schwab.

Rev. Evans Bentley, pastor of the Sharon United Methodist Church gave the invocation which was followed by President Susan Hamilton welcoming the volunteers and guests. Among the honored guests was Ms. Sandra Hieber who submitted our 1984 campaign slogan: "Put Some Sun in Their Day. Give the United Way".

Campaign Chairman, Jack Zaborowski was introduced by President Hamilton and he in turn introduced all Division chairmen and board members. Jack reported that this year's campaign has been organized into seven divisions, with the following chairpersons: Business - Harvey LaBeau, Rural - Renee Weidmayer, Industry - Clarence Fielder, Manchester Village - Mary Ann Koebe, Schools - Dr. Eugene Thompson, Outside Business - David Little, and Organizations - Janice Little.

Guest speaker for the evening

was Mrs. Carol Wiethoff, a member of the Manchester Substance Abuse Committee. Carol indicated that the committee was organized in January 1982, by concerned citizens who saw a need in our community for an organization that students and parents could turn to for help and assistance in dealing with substance abuse problems. Since its organization the committee has been well received and has provided assistance to many individuals. Carol reported that an important meeting on alcohol, drug abuse and how it can affect family, friends and the community will be presented by Dr. Bill Manning at 7:30 p.m. on Wednesday, October 26th, in the High School auditorium.

In a serious but on a somewhat lighter note, Elvira Vogel gave an inspirational talk on the United Way and presented an explanation of the volunteer kits for team captains and solicitors. Elvira mentioned that this was her 33rd year working for United Way and while the name has changed over the years from community chest, torch drive, etc., the needs have increased. Doing for others is the best purpose for us to be here. Elvira closed her remarks with the advice to "have a goal, a theme and some steam."

On behalf of the Board of Directors, Dr. Okey presented an overview of the agencies included in our 1984 campaign and stressed that the United Way has changed a lot since many of us were children. Many of us can probably

Native American Visits Fifth Grade

Dennis Zotigh, a native American of Kiowa, Sioux, Santee, and Pueblo heritage, visited and spoke with the fifth grade class at Nellie Ackerson Middle School last Thursday.

Mr. Zotigh gave the fifth graders real insight into the traditions and customs of the American Indian. He sang an Indian lullaby and shared pictures of authentic Indian dress.

A special thank you to Mr. Zotigh from the fifth graders. You answered first hand many of our questions about native Americans.

Correction!

In the September 15th issue of the Enterprise, a name was misspelled under the picture of the 1983 JV Football Squad. Instead of Allen Ion, it should have read Shawn Ion #62.

Discussion Of Proposed Sex Ed Program

On Thursday, October 6th, 7:30 p.m. at the Knights of Columbus Hall, a meeting of concerned parents is scheduled. The reason for the meeting is to discuss the pending implementation of a new and broader SEX EDUCATION program for our 4th through High School students.

If you are unaware, the Manchester School Board is attempting to include in our schools curriculum Sexual Education topics such as: "Identify the services which are available in the community for health status evaluation, i.e. STO's, Birth Control Pregnancy," Also "Understand the available prescription and non-prescription means of protecting oneself from sexually transmitted diseases and unwanted pregnancies."

There are many other topics to numerous to list here. If you are a parent with children in school, especially 4th and 6th through 12th grades and are concerned with your child's views on premarital sex you must attend this meeting.

Manchester Athletic Boosters Meeting

September 7, 1983
 The meeting was called to order by Vice President Tom Golding at 8 p.m.
 Secretary's Report was read

and approved.
 The Treasurer's Report was read stating: Balance as of 5/4/83 \$3,551.82. Distributions \$1,647.16. Deposits \$35.00. Balance as of 9/7/83 \$1,682.16.
 Vice President Golding read the names of new officers for the 1983-84 year. They are as follows: President, Al Gebhardt; Vice President, Tom Golding; Secretary, Helen Nickerson; Treasurer, Francis Cleland; Board of Directors: Bill Scaletta, Gene Thompson, Bill Bushaw, Kent Talcott, George Agen, and Tom Lockridge.

A Thank you note, for the donation of \$200 was read from the PACE Committee.

The Snake Dance is scheduled for September 28. Al Gebhardt will be in charge of getting the wood and building the fire. Chaperones are needed for this event.

NEW BUSINESS

Willard Cleland, Clark Getty and Jane Talcott volunteered to sell 50-50 tickets at half-time of the home football games.

Football coaches will be at the October meeting to give a brief presentation of our football program. Everyone is invited.

Francis Cleland has membership cards and will collect membership fees.

A new 30 cup coffee maker was purchased and in the near future we will have to purchase a larger one.

Mattie Agin volunteered to mark all booster equipment with our name.

It was moved by Mattie Agin and supported by Delores Gebhardt to give the Sno-cone machine to Klager Elementary. Motion carried.

Scheduling for use of a room for our meetings will have to be done through Ann Eckert, Director of Community Education.

A discussion took place regarding the installation of water and lights at the new football field. Dick Krzyzaniak will check with the Village to see what is involved.

Moved by Jane Talcott, supported by Willard Cleland that the meeting be adjourned. Motion carried.

Meeting adjourned at 8:30 p.m.
 Respectively Submitted,
 Helen Nickerson, Secretary
 Athletic Boosters

Xi Epsilon Iota News

Dolores Bunney presided over a full range of chapter activities at

the September 20th meeting of Xi Epsilon Iota.
 Exemplar status was bestowed upon our sister, Betty Hershelman in a lovely candle-light ceremony. We all welcomed Betty, at last!

Grandma Cheryl Hamilton was showered with baby gifts for her new granddaughter, Corv. A BIG SURPRISE to her, but lots of fun for us.

The cultural program for the evening entitled, "Lovely People," was presented by Gail Whiting. The presentation gave us all a time to reflect on the many wonderful and truly lovely people who daily enrich our lives.

Items of interest to the community include a list of Ways and Means Projects:

Beautiful Christmas garlands and wreaths will be offered for sale to the community for holiday decorating in late November and early December. Orders can be placed with any chapter member.

Our Christmas talent auction will be open to the public this year. Handmade craft and food items will be sold to the highest bidder in an evening of fun and fellowship. Cannisters of delicious mixed nuts and cashews will also be offered for sale. The date for this event is November 17th, 7:30 p.m. at Emanuel Church. Profits from our sales are used to support chapter activities and many worthwhile community projects in Manchester.

A lovely dessert was prepared and served by Mary Kallewaard - the meeting adjourned at 10 p.m.

Band Boosters

September 26, 1983

The first meeting of the school year was called to order on Monday, September 26 at 6:10 p.m. by President Jan Howell. The minutes from May 23 were read and approved. Treasurer, Penny Getty, reported that the Band Booster accounts show the following amounts: Scholarship \$122.45, Uniform \$639.54, Savings \$5,219.60.

The Savings Account will have another \$100 removed to pay a bill. We have also received \$200 from the proceeds of the 1983 Manchester Mill Run. After

discussion, it was decided to place the money in the Music Camp Scholarship Fund, with the motion being proposed by Carolyn Sauter and seconded by Penny Getty. It was also unanimously decided to send a thank you to Dr. Okey for including us as participants and beneficiaries.

Old Business: A discussion was held about shelves that we still have not been able to have built for us. It was our understanding that they would be built, but this has not occurred. It was decided that we would proceed by obtaining a work order through Mary McClosky, asking that they be built similar to the existing shelves in the music room. We were told last year that they would be funded through the school.

After discussion, it was decided that our meeting time should return to 7:00 instead of 6:00 in the hopes that more band parents would be able to attend.

New Business: We have learned that private tutoring on school grounds will not be allowed this year. Since this is a program with very clear and recognized benefits that has existed for years, the Band Boosters will press for the rescinding of this decision. The general feeling is that a rural school must be considered in a different light than schools which

have easy access to tutoring.
 The Band Boosters would like to make every effort possible to work with the athletic department to promote a good attitude toward school spirit among band members. It was decided, therefore, to ask for a school bus for the games that would allow the band to remain to the end of the game rather than returning to the school after the third quarter as is the practice now.
 The next meeting of the Band Boosters will be on Monday, October 24th at 7:00 p.m. at the High School Library. All are welcome.
 The meeting was adjourned at 7:30 p.m.

Respectfully submitted,
 Nancy Houck, Secretary

St. Joseph Hospital Dedicates Landing Pad

An Arbor-based Survival Flight, an emergency helicopter service, landed at the official opening of St. Joseph Mercy Hospital's helicopter pad.

A new emergency helicopter landing pad was dedicated at St. Joseph Mercy Hospital in Ann Arbor.

John McCabe, MD, director of Emergency Services said the pad will facilitate emergency cases brought to the hospital by helicopter.

"We have had patients transported to and from the hospital for a long time," McCabe said. "The construction of the landing pad is an indication of the importance the helicopter is playing now in emergency medicine, and our dedication to provide the finest and safest facilities possible for our patients."

The ceremony was attended by hospital, police, fire and emergency officials from throughout the area. Helicopters from Survival Flight, in Ann Arbor, and Life Flight, in Toledo, landed for inspection by those in attendance.

St. Joseph Mercy Hospital is a unit of Catherine McAuley Health Center.

SCOUT NEWS...

Cub Scout Pack 421 welcomes Ryan Steele, Andrew Corwin, Christian Weir, George Stripp, Christopher Pilaraki, Jason Rogers, Roger Burpo, Kevin Reese, Bryan Hoelt, Rodney Burkhardt, Jacques Barbour, Stacey Clouse, William Schaffer, and Heath Pagel into our new Wolf dens. Chris Armstrong has joined a Bear den. New Cub leaders are Rev. Robert Macfarlane, Scouting Coordinator, and Bob Gillow, Bob Luckhardt, Wayne Witzenz, Dorothy Davies, Joann Weir, Rita Burkhardt, and Jan Barbour, all new den leaders. It was a great "School Night for Cub Scouting."

Kevin Reese has earned his Bobcat badge and Paul Reese his Bear Silver arrow point.

This Sunday, October 9 at 1:30 p.m. we will take part in the Munhacke District Fall Color Hike (5 miles worth) at Camp Munhacke. This is a family activity which will be highlighted by hot dogs and cider at trail's end. Cubs will earn a beautiful patch for walking the scenic Potawatomi Trail. We will meet at Klager School at 12:00 noon and return at approximately 5:30 p.m. See you there!!

MANCHESTER TIGER CUBS

Pack 421 welcomes to it's affiliate, Tiger Cub Group 421, Aaron Wackenhut, Jared Donnellon, Raymond White, David Arney, Lucas Milheim, and Ronnie Kosinski. Tiger Cubs is for 7 year old or 2nd grade boys and a parent or guardian. If you missed "Tiger Cub Night" call Ernie Reese (428-7834) or Ray White (428-8181) if you would like to join. Welcome Tiger Cubs!!

Waterloo Pioneer Day

The Waterloo Farm Museum's Pioneer Day will be held Sunday, October 9, 1983 from 1 to 5 p.m. at 9998 Waterloo Munith Road, Jackson County.

Pioneer Day at the Museum is like stepping back 100 years to the days of our early settlers. We will have over thirty pioneer crafts demonstrated. Soap making, rug hooking, quilting, carving, basket weaving, candle dipping, spinning and weaving, also many more.

Everyone is invited to share this Pioneer Day at the Museum.

Fire and Flood

This is a reprint of the Manchester Enterprise, dated May 21, 1908.

The Village Was Visited By Both The Same Day And Great Excitement Prevailed

About 1 o'clock Tuesday morning the wooden building that stood on the corner of Railroad street and Maiden lane was discovered to be on fire. Dr. Kapp turned in the alarm and soon the fire ball was clanging away and people rolled out of their beds at the sound to find a very bright light reaching way up into the heavens. The chemical and hand engines were soon at work, but the fire had made such progress that there was no hopes of saving the building or the small wooden structures attached to it, but Dr. Kapp's building, occupied by Putnam's harness shop, was given much attention as well as other nearby structures.

There had been a prodigious rain the first part of the evening and the shingles and roofs of all the buildings were soaked with water which was a fortunate thing. There was no wind, which was another, but pieces of blazing wood were carried here and there by the air currents and many of our citizens kept a sharp lookout to prevent their buildings taking fire.

There was very little in the burned buildings, Moses Stolarsky having taken out most of the rags, etc. he had stored there. He lost a baler worth \$100. Some think the fire the work of tramps or others while some think it came from spontaneous combustion in a bale of rags or from lightning. The building was bought on contract of Wells Martin and we do not think that it was insured.

Nightwatch Hough says that he

passed by the building that was burned not more than forty minutes before the fire and he saw no signs of fire.

Lee Conklin's broom factory was in one of the buildings and his tools and some stock were burned.

A good many men worked hard and it was through their efforts that surrounding property was saved from damage.

About 47 feet of cable were melted at the fire Tuesday morning and 150 telephones put out of commission, most of them being on farmers' lines. Manager Mason got busy and ordered new cables and materials to make the necessary repairs and the lines are all working as usual. That's business.

Great excitement was caused when those who were watching the nearly extinguished fire, were informed that Lonier & Hoffer's temporary dam had sprung a leak and was threatened with disaster. The heavy rains had raised the water in the pond to high water mark and there was a great hustling for men and teams to haul stones and gravel to stop the constantly widening aperture at the west end of the dam. The news of the trouble spread rapidly and scores of men willingly offered their services and a large crowd of people assembled on the bridge to watch the men at work and the surging waters below.

The new apron was carried away at about 8 o'clock and then most everybody thought the dam was surely doomed.

A temporary sluiceway was made at the lower end of the flume Tuesday night to relieve the pressure on the flume and dam and some think this was the means of saving the dam.

Couples Celebrate Anniversaries
50 Years 40 Years

Mr. and Mrs. Walter E. Budnik are celebrating their 50th Wedding Anniversary. They were married by Rev. E.F. Lawrenz on October 7th, 1933, in Trinity E.-angelical Church in Detroit, Michigan, and have lived in the Manchester area since 1937.

Walt retired in 1972 from Ford Motor Company, Rouge plant in Dearborn, Michigan, after 45 years of service.

The Budniks have three daughters and seven grandchildren. Nancy and David

Weaver live in Glen Ellyn, Illinois and have two children: Mark and Julie. Jeannette Stein lives in Manchester and has three children: Jack, Christopher and Jennifer. Dolores and Bill Bunney also live in Manchester and have two daughters: Karen and Melissa.

Walt and Betty will be honored Saturday, October 8th with a dinner and dance, hosted by their daughters and sons-in-law.

They are members of Emanuel United Church of Christ.

On October 2, 1943, Clarence L. Fielder, son of Fred and Cecilia Fielder, and Margaret Feldkamp, daughter of Ben and Frances Feldkamp, spoke their wedding vows before Rev. Fr. McMillan of St. Mary's of Manchester.

Their marriage was blessed by their family which includes Mary Frances, Ronald and Susan, James and Mary Anne, Richard, Cecilia and Lynn Niehaus, Patrick, Craig, Curt and Bernadette. Another daughter, Theresa, died in infancy. The family also includes grand-

children, Amy, Jill, Lance, Sharon, Sandra, Laure, Matthew, Thomas, Ryan, Troy and Nicholas.

Clarence is President of Manchester Tool and Die of Manchester and is Supervisor of Manchester Township. Margaret is a CCD teacher at St. Mary's, a post she has held for fifteen years. The Fielders are avid sports enthusiasts and rarely miss a High School game or summer league game.

The family traveled to Frankenmuth to celebrate the 40th anniversary occasion.

"Corner On The Kitchen"

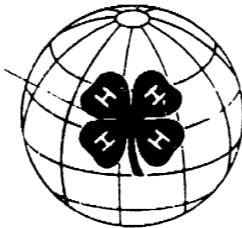

If your idea of vegetarian cookery is eggs and cheese for days on end, scratch it! Jeanne Downing, local homemaker, will demonstrate that vegetarian cookery can yield zesty meals which the family will enjoy.

She will prepare some of her family tested recipes for this month's "Corner on the Kitchen" sponsored by the Cooperative Extension Service, October 12 at 1:00 p.m. and again at 7:30 p.m. in the Extension Activity Room in the County Service Center at Hogback and Washtenaw, Ann Arbor.

Downing has been collecting recipes her family likes for seven years. She has also researched available resources for guidelines to selecting nutritionally sound menus.

Whether you wish to go "vegetarian" all the way or once or twice a week, Downing has much helpful information to share.

A \$2.00 entry fee covers food for tasting. Phone reservations are requested. Call 973-9510.

Food Stamp Transportation Schedule

Free transportation for Food Stamp recipients is available on October 7 and 14. The Senior Citizens van, bus or car leaves the Emanuel United Church of Christ parking lot at 9:00 sharp each of those days. Reservations must be made with Claire Reck, 428-8852 or Ray Gonyer, 428-7613, by the evening before expecting to go. The trips average 2 1/2 hours depending upon the numbers in line at the Department of Social Services.

Local Navy Man Off Coast Of Lebanon

Gary Daniels, son of Mr. and Mrs. Bruce Daniels, formerly of Manchester and a 1980 graduate of Manchester High School, is aboard the Battleship, USS New Jersey, which is now supporting our Marines off the coast of Lebanon. Gary joined the Navy in August 1981.

He is married to the former Theresa Ames, daughter of Mr. and Mrs. Bill Ames.

Gary's address is: FTG3 Gary Daniels, FM Division 379-64-8803, USS New Jersey, FPO San Francisco, CA 96688.

HIT or MISS by farley

Our educational system, after a great deal of discussion, is still a prime subject for discussion in our newspapers, magazines, radio and TV. One outstanding writer, Joan Beck has written a comprehensive summation of the situation which we think says it all. She writes:

"By several objective measurements the United States is failing to educate students as well as other industrialized countries with which we must now compete. A 'rising tide of mediocrity' threatens the nation's future. We have, indeed, 'been committing an act of unthinking, unilateral educational disarmament.' It is true that 'if an unfriendly foreign power had attempted to impose on America the mediocre educational performance that exists today, we might well have viewed it as an act of war.'

"What the report didn't say is that the situation isn't likely to improve - because there is too much political and professional support for policies and practices that have created the current miasma. Reactions to the commission's findings have quickly focused on demands for more money for teachers and schools instead of on other factors more directly related to student achievement.

"If this nation wants to regain its intellectual leadership, to be once more on the cutting edge of scientific and technological progress, here are some of the things it should be doing:

"New knowledge about how the brain learns and works must be incorporated into educational systems. Research, for example, indicates that reading should be taught at an earlier age, that a second language is more easily and permanently acquired the earlier in life it is introduced, and that preschoolers are capable of absorbing many science and math concepts if given appropriate opportunities.

"But the exciting promise of research on early learning means parents must take a bigger role in helping children learn (as Japanese mothers do) at a time when half of the mothers of preschoolers hold jobs and spend less time with their offspring. Public school systems should be developing innovative programs for preschoolers and parents - at a time when most can't find money enough for traditional programs.

"Standards for promotions, high school graduation, and college admission will have to be tightened, as the commission recommended.

"But that means accepting the fact that some children will fail, a disproportionate number of them minorities, that in the short term, at least, a smaller percentage of students will get high school diplomas and the cherished civil rights goal of open admission to college will be abandoned. It would be particularly difficult to tighten admission standards now when competition for students is increasing.

"Inadequate teachers will have to be weeded out and hiring requirements for new faculty stiffened. Raising salaries alone won't assure that the quality of teachers will improve unless poor teachers can be dismissed more easily and good teachers lured by rewards like promotions and raises not dependent just on seniority.

"But this means teachers must act more like professionals and less like union members, that the tenure system must no longer protect the inadequate, that merit pay be given, and that applicants for jobs pass stiff competency exams (even if a disproportionate number of minorities fail) - despite strong opposition from teachers' unions.

"Bright and gifted children should be educated up to their potential, even if it means ability grouping, special programs, or individual tutoring.

"But even though bright children have the potential to make great contributions to society, meeting their needs is usually seen as elitist or even racist. Yet gifted youngsters from disadvantaged homes are the most likely to fall short of reaching their potential because they are apt to be overlooked and because their families can't compensate for the inadequacies

Continued on page 6

Dutch Bomb Comets 35-6

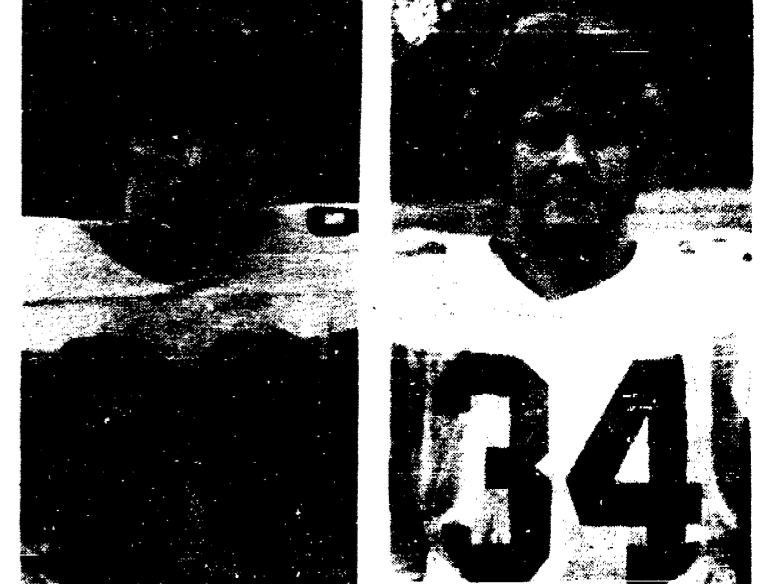

by Jon Hardenbergh
It was Homecoming night for the Manchester Dutchmen and the offense continued their scoring and the defense held out to a mere touchdown. Statistically speaking, we rolled up 225 yards on the ground to go along with our 183 in the air. Junior quarterback Pat Ridenour had a big night tossing 19 and completing 12 while Carl Weidmayer showed power on the turf as he motored for 115 yards.

We jumped to an early 14 point lead as Pat hit Tom Lockridge for a 12 yard touchdown. Mike Agin scampered 13 yards for paydirt while Terry Schuler booted both extra points. Hanover-Horton pulled closer before the intermission as they connected on a 63 yard pass play. This left the halftime tally 14-6.

We added seven more in the third quarter as Carl Weidmayer crossed the goal line from 3 yards out. The fourth quarter was all Dutch as Pat again went to the air and again Tom came down with it for a 24 yard touchdown. Capping our scoring tonight was Mark Lenhart as he wheeled from the six yard line to score. Terry had a super night as he toed all five points after touchdowns through the uprights.

Congratulations go to our reigning Homecoming Queen Sarah Platt.

The Dutch now take their 2-0 league record to Pirate country Friday to face Napoleon.

Pumper Power Road Races

For the third year in a row, officials have ordered a crisp, golden autumn day for participants in the Saline Community Hospital Pumper Power Road Races. Race days in 1981 and 1982 showcased the finest in fall Michigan weather -- and color, and this year's event on Saturday, October 8, 1983 promises more of the same for entrants and spectators.

This year's event is sponsored by R & B Machine Tool Company of Saline.

Race day registration will take place at the old First Assembly of God Church building on Bemis Road from 8:30 - 10 a.m.

For additional information on the October 8 event, please contact Saline Community Hospital at 429-5435.

For a change of pace, the Manchester Art Guild met last week at the Woodshed Eatery in Chelsea. Steak Terriaki and Flounder Florentine were savored while conversation attended to a minimum of business. There was some discussion of the election of new officers, the success of last summer's art fair, and the prospect of a Christmas show. The month-long Christmas shows of the past were dismissed for lack of feasibility this year, but a two-day "art fair" seemed very attractive. The idea will remain tentative, pending the location of a show chairperson. Any volunteers? Contact Jo at 428-8798.

Hit or Miss

of schools.
** More research should be

done to identify the kinds of families and childrearing techniques that produce excellent students. There is increasing evidence that parenting, especially in the early years, permanently affects intelligence and that the role of parents is far greater than just monitoring homework and paying higher taxes for schools.

"But some of the findings will have ethnic, cultural, economic, and life-style implications that many people find politically or socially unacceptable.

"The schools should openly reward intellectual achievement far more than they do now; people tend to behave in ways society clearly values. Athletic performance has been improving consistently, especially among minorities, because it is quickly rewarded by social approval, trophies, applause, college red carpets, and money.

"But schools have been reluctant to encourage open academic competition and reward systems for fear of seeming elitist and of stigmatizing and discouraging the less competent.

"This nation has always been ambivalent about the relationship between excellence and equality -- except in sports. The commission report insists both are possible. And they are, in the sense of providing equal opportunity for all to develop their talents fully. But we still don't know how to achieve equality of academic outcome except at the sacrifice of excellence. That, arguably, is part of the problem."

Now that completes a host of articles on the subject of Education--its shortcomings and needs about which we shall say no more although several of our readers have urged us to continue. All we can say at this time is that we hope sincerely that many constructive things will be done -- something besides talk and the written word. We hope that the powers don't let the subject dwindle away with waning interest and no amount of

action being taken. So many worthwhile things end up in this manner, don't they?

DIAL -A- GARDEN

The following is a schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. The system is in operation 24 hours per day, 7 days per week. Interested persons are invited to call 971-1122 at their convenience and receive timely, up-to-date gardening information.

Thursday, October 6, Canning Pears.

Friday, October 7, Cold Frame Vegetable Crops.

Monday, October 10, HOLIDAY Tuesday, October 11, Autumn Colors.

Wednesday, October 12, Autumn Clean-up Chores.

Sessions For Hearing Impaired Scheduled

A series of eight weekly meetings for the hearing impaired, sponsored by the University of Michigan's Communicative Disorders Clinic, will begin on Thursday, October 13 from 10:15 to noon. The meetings are held at the U of M Hospital's Turner Geriatric Clinic, 1010 Wall Street. Sessions will include free hearing screening, information on hearing aids and techniques to improve communication. Intensive lip reading instruction will be given in small groups. Spouses, children and friends of the hearing impaired are also welcome to attend. Please call 764-2556 for information or assistance with transportation.

Daniel and Madonna Ramp of Jackson are pleased to announce the birth of a son, Brian Nicholas. He was born on September 23 and weighed 8 pounds 12 ounces. Brian has three sisters, Carolyn Marie, 10; Andrea Christine, 7; and Madonna Nicole, 2.

Maternal grandparents are Mr. and Mrs. Robert Chapin of Manchester and paternal grandparents are Mr. and Mrs. Wallace Ramp of Jackson.

Frank and Sue Lobbestael of Manchester are announcing the birth of a daughter, Lisa Marie, born September 24, 1983. She weighed 7 pounds 2 ounces and has one sister, Leigh Ann, 3 years old.

John and Mary Bender of Manchester are pleased to announce the birth of a daughter, Brianna Renee, born on September 10, 1983. She weighed 6 pounds 7 ounces. Brianna joins her 2 year old brother Adam at home.

Mr. and Mrs. Lyie Jacob are proud to announce the birth of a daughter, Lesley Anita on September 19, 1983. She weighed 7 pounds 5 ounces and was 20 inches long. Lesley has a sister Lindsay 3 1/2 years old.

Grandparents are Mr. and Mrs. Raymond Jacob Jr. and Mr. and Mrs. David Hoeft, all of Manchester. Great-grandmother is Mrs. Anita Jacob.

Nancy, Jim and Alison Jo Paul proudly announce the birth of their baby, Mary Allegra, on September 4, 1983. She weighed 8 pounds 1/2 ounce and was 20 1/2 inches long.

Grandparents are Jo Simmons of Manchester and Dr. and Mrs. Harold Paul of Western Springs, Illinois.

Expectant And New Mothers

Are you planning to breastfeed your baby, or are you currently nursing your infant? If so, you will be interested in attending La Leche League meetings. La Leche League is a non-profit, non-sectarian organization founded in 1956 to promote Good Mothering Through Breastfeeding. Like childbirth, breastfeeding is natural, but it goes much better if you're prepared.

League meetings are open to all interested women and it is not necessary to become a member to attend meetings. You may attend any or all meetings in a series during your pregnancy and continue after the baby arrives.

Our current month's meeting is: The Baby Arrives: The Family & the breastfed baby and it will be held Tuesday, October 11 at 7:30 p.m. We will be meeting at the home of Mary Bender, 220 S. Washington St. If you have questions at any time you are always welcome to call a League leader: Linda Meyer 428-9475.

9 Year Old Receives Bowling Award

John Ward, age 9, son of Mr. and Mrs. Larry Ward, 5170 Reno Road, Manchester and a 4th grader at Klager Elementary School has received an award from the Huron Valley Junior Bowling Association for the highest average (110) in his age group for all of Washtenaw County, in the 1982-83 season. He also took 1st place in the County Doubles Tournament with his partner, Corey Weaver, for high series actual (713) that was held at Maplewood Lanes in Saline.

John is in his 3rd year of bowling at Bel-Mark Lanes in Ann Arbor and has already earned 16 trophies.

PTO Meeting Minutes

The October 3rd PTO meeting held at Klager School was opened by President Bihlmeyer. The PTO voted to support Dr. Hammond as she introduces a Michigan Wide-spread discipline plan to Klager parents on October 10 at 7:30. Her theory is to provide a safe, quiet atmosphere during study time of other classes. PTO members also felt the plan could teach responsibility and self-behavior to each child.

Dr. Hammond invited the PTO to attend the informative meeting on reproductive health held October 24 for the district at the Middle School.

The treasurers report was read and happily approved by all. Thanks was expressed to Bonnie Mitchell and Mary Ellen Rodenkirk for chairing the successful "Get Away Weekend" fund raiser. All approved to give \$100 towards replenishing toys or necessities at the Nellie Ackerson kindergarten. Various members will present brochures and prices of playground equipment to be reviewed in next months meeting.

The open house seemed to be a success. Thanks was made to Nancy Bihlmeyer for preparing the well assembled PTO booklets. Birthday buttons are being enjoyed and again we thank Bihlmeyers and the board members for their time assembling them.

The November 11 movie night committees were formed. We are very pleased to have so many

parent volunteers. Carol Savage, teacher representative reported the many expressed thanks by all teachers for the sand box. Playground discipline has dropped since the addition and feelings are that another sand box could be used.

7th and 8th Grade Girls Basketball

On Monday, September 26 the eighth grade girls gained their first victory of the season defeating the Mustangs of Ann Arbor St. Francis 23-21. It was a close game all the way as the Dutch received some clutch free throws from Dawn Brady and Sara Scully in the fourth quarter. Top scorers for Manchester were Cathy Burch with 7 points, and Dawn Brady and Kim Lockridge each with 5 points.

On Thursday, September 29, Michigan Center visited Manchester with the home team again victorious, 30 to 27. The game became close again at the end as Michigan Center staged a comeback, but the Dutch held on. Leading scorers were Dawn Brady and Kim Bailey each with 9 points. Renea Drouare contributed 6 points.

7TH GRADE

Last week saw teams from Ann Arbor St. Francis and Michigan Center invade the Middle School

gym. Good defense helped the 7th grade take a 24-10 victory, with Cheryl Blumenauer getting high point honors with 11. Sherry Rieckelmann had her best game this season by contributing 8. Tracy Stengel and Linda Milkey had 2 each, Sarah Corwin had 1.

The visitors from Michigan Center proved to be too much for the 7th graders on Thursday, as they handed them their first loss, 29-22. Manchester failed to capitalize on free throws, and a lack of balanced scoring allowed the Cascades League foe to hang on in our closest and toughest contest so far. Sarah Corwin and Tracey Stengel were the only scorers with 14 and 8 points respectively. The Dutch faced Jackson Northwest on Monday, October 3rd, details in next weeks paper.

These are blasting caps, and knowing what they look like could save your life. These blasting caps can be dangerous. Explosives are useful tools to construction workers, miners and the like, but they can be destructive in the hands of children or untrained adults. If you ever see something that looks like the blasting caps pictured here, don't touch it. Call the police, or fire department. A free poster and helpful information about blasting caps is available from the Institute of Makers of Explosives, Dept. N, 1575 Eye Street, N.W., Suite 550, Washington, DC 20005.

Letters to the editor

Dear Editor, Girl Scouting isn't just for girls. Adults are needed now more than ever. There are all kinds of volunteer positions in Girl Scouting; you can work directly with girls or you can work indirectly for girls. Every job counts. What you do depends on what suits you and how much time you can give.

Whatever you do for a living your skills and talents can help girls discover new worlds. Bankers, computer programmers, veterinarians, graphic artists, insurance agents, homemakers, doctors, and air traffic controllers, all give of their time and talents to the Girl Scouts during the last 12 months. Some worked as few as two or three hours while others work on a regular basis.

It isn't easy to grow up in today's fast paced world, but Girl Scouting helps girls develop and mature. Girl Scouting can't provide program and supports to girls without adult volunteers. As Huron Valley Girl Scout Council begins its 25th year of service, won't you come on along with us and find a new world through adult Girl Scouting!

Sincerely, Patricia Levos, President Huron Valley Girl Scouts

Dear Sir:

As I read the letter in last week's Enterprise from C. Stilec, I could not help but think about the unborn who also need protection against the insensitivity, the cruelty and the inhumanity of people who seek to destroy them.

Since 1973 when the Supreme Court legalized abortion up to the moment of birth, 15,000,000 abortions have been performed in this country. In some areas abortions outnumber births. The lack of respect for life has also resulted in an increase in child abuse and infanticide.

Last year the State of Michigan spent \$5.7 million on Medicaid abortions. SB131 prohibiting the use of state funds for abortions was passed by the Michigan House and Senate. The governor has promised to veto it. When he does, the bill will go back to the legislature for an override vote. Now is the time to let Representative Margaret O'Connor and Senator Lana Pollock, State Capitol Building,

Lansing, MI 48909, know how you feel about this issue. To paraphrase C. Stilec, we must all work to safeguard the rights of the maligned, the helpless and the disadvantaged. What good are equal rights if one does not have the most basic right—the right to life. Sincerely yours, Betty E. Cummings

SCHOOL LUNCH MENU

Monday, October 10, Chicken Patty/Bun, French Fries, Dill Pickle Spears, Chilled Pear Half and Milk.

Tuesday, October 11, Beef Ravioli, Buttered Green Beans, Bread & Butter, Cookies and Milk.

Wednesday, October 12, Sloppy Joe on Warm Bun, Tator Tots, Carrot & Celery Stix, Fruit Compote and Milk.

Thursday, October 13, Hot Turkey Sandwich with Gravy, Peas & Carrots, Jello Cubes and Milk.

Friday, October 14, Cheese & Sausage Pizza, Tossed Salad with Dressing, Chocolate Pudding, Fresh Fruit and Milk.

Senior Citizens Meals And News

On Tuesday, October 4, the Senior Meals Program menu is: Baked Pork Chops, Dressing,

Kirk Excavating Sand—Gravel—Fill Dirt Basements—Driveways DAVE KIRK 14180 Schleweis Road Manchester Phone 428-7938

Manchester Insurance Agency 122 WEST MAIN STREET Manchester, Michigan Phone 428-8215 Home - Farm General Insurance

Vegetable, Fruit, Rolls and Butter, Dessert, Coffee, Tea and Milk. At noon, Thursday, October 13, they are serving: Spaghetti with Meat Sauce, Tossed Salad, Garlic Toast, Dessert, Coffee, Tea and Milk.

The meals are cooked and served at the Emanuel United Church of Christ under the auspices of the Manchester Senior Citizens Council which is assisted by the United Way. Reservations must be made by the day before if possible by calling the church office 428-8359 between the hours of 9 a.m. and 3 p.m. weekdays.

Programs for the project include card playing on Tuesday afternoons, Exercise Program on Thursday morning at 11 a.m. in the dining room at the church and crafts on Thursday afternoon this week.

The Mystery Trip has been postponed to Friday, October 14, because of a very important program on Medicare at Saline Community Hospital on Wednesday the 12th. Call Millard Uphaus, 428-7461, for details and transportation for the Saline meeting. Call Helen Braun, 428-8966 for the Mystery Trip and other trip information. There is a shopping jaunt to Jackson, Monday, the 17th.

The Senior Medical Transportation Service is in need of more volunteer drivers. Volunteers drive within a 30 mile radius for all doctor, hospital and clinic appointments for Senior Citizens (65 or over). The trips are free, but donations are welcome. The drivers must be registered with the Service Chairman, Helen Knickerbocker 428-7239, and will receive recompense for each trip depending upon the distance. Forms for the Service are available from Helen along with complete instructions. When you call her to volunteer she will need your drivers license number, address and phone number. Seniors who need rides should call her also several days in advance of the appointment.

The Senior Club, which meets the fourth Wednesday of each month, voted at the September meeting to have a potluck each meeting from now on. The next will be on October 26, at 12:30 at the Manchester United Methodist Church.

Stop Smoking Clinic Offered

Saline Community Hospital will be holding a Stop Smoking Clinic from October 17 - 21, 1983. The program will be held from 7:30 - 9:00 p.m. each evening at the

Saline Community Hospital Wellness Center located at N. Ann Arbor and McKay Sts.

The Stop Smoking Clinic will be based on the Five-Day Stop Smoking Plan developed by the Seventh Day Adventist Church and will be presented by Better Living Seminars. There is no fee for the program; however, donations may be made, if desired, to Better Living Seminars for the continuation of the program.

The total Five-Day Plan is aimed not only at a progressive plan for ridding the body of the effects of cigarette smoking but encompasses many aspects of health including nutrition and the value of an exercise program as well.

Registration is required and may be completed by calling Saline Community Hospital at 428-5435, ext. 331.

Curtain About To Rise On State Color Show

From the rolling hills of the southern counties to the rocky crags of the Upper Peninsula, Michigan's fall color extravaganza is a show place for the nation, reports the Automobile Club of Michigan. Michigan offers at least 85 species of soft- and hardwood trees which change colors, more than any other state. Twenty percent of the nation's sugar maples, renowned for their vivid fall colors, are located in Michigan.

Brilliant colors of brown, orange, red and yellow mixed with the green of spruce, pine and other firs supply a beautiful backdrop for many popular autumn activities. Michiganians can take color tours by automobile, boat or train, explore a nature center, visit a college campus on a football Saturday, attend a fall festival or sip freshly squeezed apple cider at one of the state's many mills.

Colors should be best from mid-September through mid-October in the U.P. and in the Lower Peninsula north of a line from Ludington to Standish.

In central Lower Michigan south to a line from Muskegon to Port Huron, fall colors usually peak from early to mid-October. Southern Lower Michigan's forests are at their zenith between mid- and late October.

Ideal conditions for good color development are warm, bright days and cool nights. Cloudy, wet days combined with warm nights usually mean a shorter, less spectacular season. Forestry experts say this autumn has great color potential. Many festivals and special events are in full swing during autumn.

In West Michigan, there are the Rockford Harvest Festivals every weekend in October; Viking Color Festival, Oct. 1-8 in Cadillac; Color Cruise and Island Festival, Oct. 7-9 in Grand Ledge; Autumn Festival, Oct. 8-9 in Ludington's White Pine Village, and the Old Fashioned Fall Festival, Oct. 15 at Middleview's Historic Bowers Mill. Leisurely lunch cruises aboard the Star of Charlevoix leave daily through Oct. 15 while dinner cruises are scheduled for Friday and Saturday evenings.

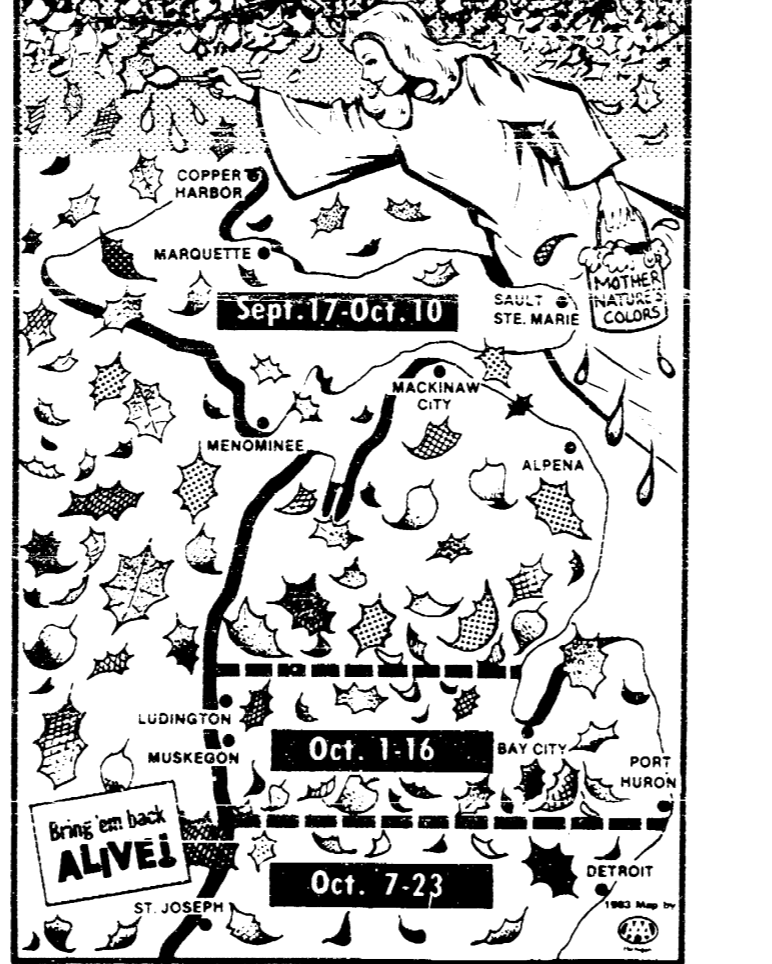

East Michigan is celebrating the season with Fall Harvest Day, Oct. 1 at Alpena's Jesse Besser Museum; Fall Harvest Festival, Oct. 1-2 at Midland's Chippewa Nature Center; Tuscola County Pumpkin Festival, Oct. 6-9 in Caro, and the Harvest Bazaar Farmer's Market, Oct. 8-9 in Standish. In addition, the Au Sable River Queen paddle wheelers run daily weather permitting through Oct. 16 at Foote and Five Channels dams west of Oscoda.

Southeast Michigan events include the Autumn Fest. Oct. 1 in Northville; October Fest, Oct. 1-9 in Dearborn; Original Old World Market, Oct. 1-2 at Detroit's International Institute; Apple Harvest Festival, Oct. 7-9 in Ypsilanti; Apple Festival, Oct. 9 in Plymouth, and the American Country Craft Fair, Oct. 16 at Dundee's Old Mill.

Auto Club members can call their local branches or the Travel Information Center in Dearborn for the latest information on color development.

The Michigan Travel Bureau has a guide titled "Michigan In Autumn," which lists 20 scenic routes ranging from 60 to 228 miles in length. Copies of the guide can be obtained free by writing the Michigan Travel Bureau, P.O. Box 30226, Lansing 48909, or by calling toll-free 1-800-292-2520.

YOUR BACK & YOUR HEALTH DR. W. ATKINSON DIRECTOR What (really) is chiropractic? This is a new column that will appear in this space every other week. Because there are so many misconceptions about chiropractic and chiropractors, this column will attempt to straighten things out. First of all, chiropractic is neither a cure-all nor a worthless practice. It has definite merits and definite limitations. Obviously you wouldn't go to a chiropractor for a broken leg. Then the question is, when should you visit a chiropractor? This series of columns will try to give you some usable guidelines. The first step is to understand the basic principles of chiropractic. Your spine is made up of 24 moveable segments, called vertebrae. Running down through these vertebrae is the spinal cord, which is really a whole lot of nerves, sort of like communications lines from your brain. The nerves extend out from between the vertebrae to send messages from the brain to the organs of the body. Sometimes a fall or a twist or a jar moves a vertebrae out of its normal position. This can prevent the message from the brain from getting through to the body organ the way it's supposed to. The job of the chiropractor is to restore the vertebrae to its normal position so the body can once again function as it should. While this is clearly an oversimplified presentation of chiropractic, it's essentially correct. Your body's natural state is good health. Chiropractic is dedicated to letting the body achieve that state, naturally. Copyright 1975 by International Chiropractors Association.

card of thanks....

We would like to thank our nice family and all our good friends for helping us celebrate our golden wedding anniversary. Also for the many beautiful cards, gifts, and good wishes. Special thanks to Gale, Maryanne, Jim, Joan, Betty and Olga. What would we do without them? May God bless every one of you.
Earl and Milda Koebbe

We would, again, like to extend our deepest thanks to the members of the Manchester Police Department, Manchester Fire Department Rescue Team, and to the Huron Valley Ambulance team who responded so quickly and ably to our call in the wee hours of Thursday, September 22nd. How fortunate we are to live in an area where a personal touch is added in a call of this kind because they know you, and that, alone, gives a feeling of security to the patient and family. Again, our most sincere thanks to these efficient and well trained people.
Jean and Ethel Wheeler

Obituary

Charles W. Schebor
14345 Logan Road
Manchester

Age 82 years, died Thursday, September 29, 1983 at the Saline Evangelical Home.

He was born August 29, 1901 in Wayne County, the son of August and Lizzie Schoenrath Schebor.

He was married to Irene Wolf on January 5, 1945. She survives.

Mr. Schebor had been a Dearborn City Fireman, retiring in 1945. He had also operated a Greenhouse and floral shop in Dearborn and operated the Schebor Greenhouse in Manchester. He had been the Chief of Police in Manchester for 14 years.

He was a member of the Dearborn Moose Lodge and the Police and Fireman's Association of Dearborn.

In addition to his wife he is survived by two sons, Charles of Cincinnati and Robert of Moclips, Washington; one daughter, Mrs. David (Rebecca) Shadley of Manchester; four step-sons, Joseph, Donald and David, all of Manchester, Kenneth of Chicago; nine grandchildren; seven step-grandchildren; and five great-grandchildren.

Private funeral services were held Saturday, October 1, 1983, 10:30 a.m. at the Jenter Funeral Home. Reverend Thomas Hart officiated. Burial followed in Lenawee Hills Cemetery in Tecumseh.

Board Of Education Seeks Applicants For Trustee Position

Due to the recent resignation of Paul DuFresne from his position as President of the Board, the Manchester Board of Education is currently seeking persons interested in serving in a Trustee position.

Persons interested in a position on the Board are asked to submit a letter indicating their interest to either a member of the Board or

to the Board of Education office at 710 E. Main.

The person chosen to fill the position of Trustee will serve until the next regular school election in June, 1984. At that time an election will be held to select a person to fill the remainder of DuFresne's unexpired term.

Several Board members have indicated that a statement from persons interested in the position regarding their reasons for seeking the role would be appreciated as the decision is made.

The Board anticipates taking action at the regular meeting on October 17 to fill the vacant slot.

Manchester Area Historical Society

The Michigan Historical Commission, which meets in the Blacksmith Shop on October 27, was established in 1913 and consists of six volunteers appointed by the Governor for six year terms. Duties specified in the 1913 act included (a) collection, arrangement and preservation of historical materials pertaining to the history of Michigan; (b) procurement and preservation of materials of the early pioneers; (c) collection of materials of every description related to the history, language, literature, progress or decay of the Indian tribes of Michigan; (d) collecting, preparation and display in the museum of the Commission, objects indicative of the life, customs, dress and resources of early residents of Michigan and (e) publication of source materials and historical studies relative to the history of the state.

The Commission is also the advisory Board to the History Division of the Michigan

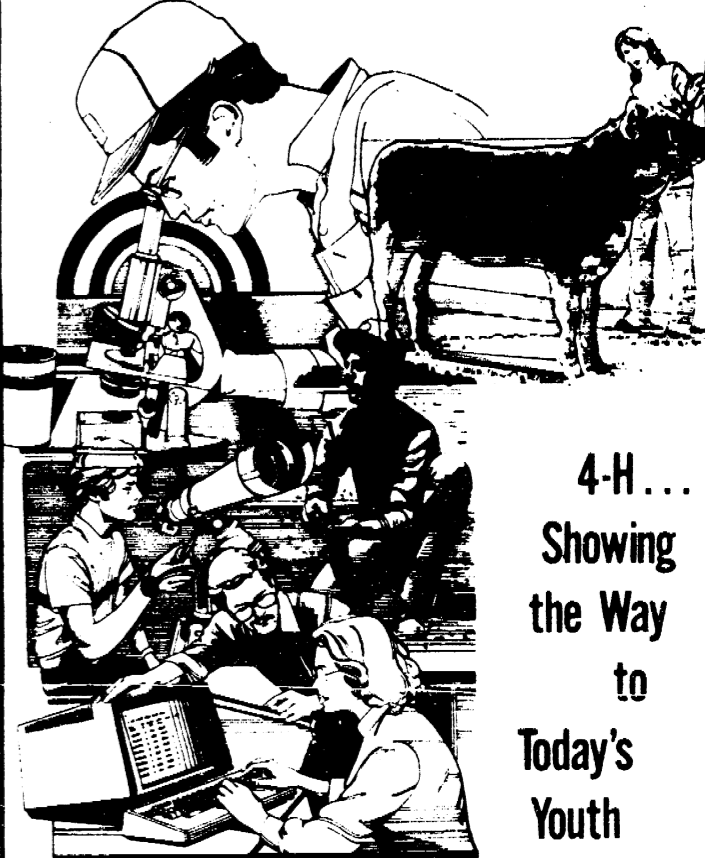

Department of State. Martha M. Bigelow is the Director of the Division and Executive Secretary of the Commission. She has served in that capacity since 1971 and in 1974 was appointed the State Historic Preservation Officer.

United Way

remember our parents giving separately to various organizations throughout the year, but never really knowing where the money was going. Manchester is unique in that it collects the money from its own people and a good portion of the money raised locally remains right here in the community. It goes to support, among other agencies, the Manchester Cooperative Nursery School, Manchester Family Services, the Senior Citizens Council and Manchester Area Recreation.

The dinner meeting committee comprised of Board members, Diana Macfarlane, Lamont Okey, Sallie Anderson and T.V. Ludwick handled the many and detailed arrangements. Del Ludwick, our official United Way photographer, was kept busy taking pictures. Dr. Sallie Anderson, Board member, and her husband Dr. John Anderson were the evenings hostess and host. Alber Orchards donated the cider. The Manchester Enterprise and Simon Steele printed and donated the programs for the evening.

Manchester's United Way volunteer team is ready to go and anxious to contact every citizen in the Manchester Area with the message "Put Some Sun in Their Day. Give the United Way".

4-H...
Showing the Way to Today's Youth

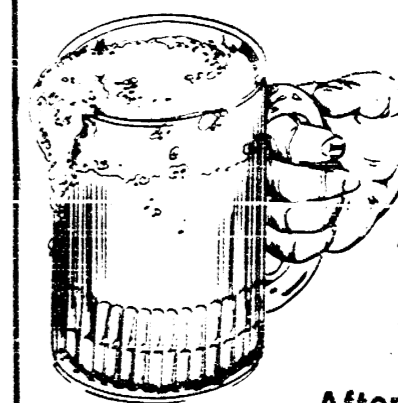

We look upon the 4-H Club as an investment in the future, for the young members of today are the responsible and concerned leaders of tomorrow. All across the nation, 4-H Clubs are helping young people to become aware and involved in the world around them. Through individual projects and active participation, they're given an opportunity to help build a better community, as they develop independence, initiative and character. We're proud to salute 4-H members and leaders for the important work they do.

Substance Abuse Program At Chelsea Hospital

The Kresge Alumni in cooperation with Chelsea Community Hospital and its Substance Abuse Program will present "An Awareness Hour for Alcohol and Drugs". This series of informal lectures will be presented every 2nd and 4th Monday of the month at 7:30 p.m. in the Hospital dining room.

Dr. Kleantous, Medical Director of the Substance Abuse Program at Chelsea Community Hospital, will initiate the series of lectures which will cover different aspects of alcohol and drugs. Upcoming topics for the next lecture will be announced at each Monday night meeting. No lecture will be presented on October 10, 1983.

The meetings are open to anyone willing and interested in attending, free of charge. Further information may be obtained by contacting Kresge House, 475-1311, Ext. 364; Judy Oake, 475-1311, Ext. 353; or Barbara Durrenberg, 761-2260.

Historical Art Competition

Secretary of State Richard H. Austin encourages all Michigan Artists and painters to enter the "Images of Michigan's Heritage" historical art competition to be held in 1984 in Lansing.

Austin said that paintings entered in the contest should show historical aspects of Michigan architecture, events, personalities, products, or places.

All entries must be submitted to the Michigan Historical

Museum at 208 N. Capitol Avenue in Lansing by February 1, 1984. Awards totaling \$1,200 will be presented at 2:00 p.m. on Saturday, May 5, 1984.

Joseph Ishikawa, Director of the Kresge Art Gallery at Michigan State University, will serve as juror. Selected paintings will be hung in the Michigan Historical Museum and the final winners will be on permanent display in the 55th District Court in Mason.

Entry forms and additional information are available at the Michigan Historical Museum at 208 North Capitol Avenue, Lansing 48918 (Telephone 517/373-1979). All residents and former residents of Michigan are eligible to enter.

The exhibit and contest is a cooperative effort sponsored by the Michigan Historical Museum and the Department of State, the Ingham County Arts Commission, and the 55th District Court Art Fund.

Engineering Scholarships Available For High School Seniors

The Michigan Society of Professional Engineers (MSPE) is now accepting scholarship applications from high school seniors interested in pursuing an engineering degree at a Michigan college or university. Applications must be submitted by November 15.

The society plans to offer 36 scholarship grants during 1984. In addition, some scholarship applicants may be eligible to compete on the national level for one of the 154 scholarships from

the National Society of Professional Engineers Educational Foundation. The Educational Foundation will award scholarships and grants worth more than \$802,000 in 1984, with awards ranging from \$1,000 for one-year grants to four-year full-tuition scholarships in excess of \$20,000.

The national society's scholarship program is the largest of its kind in the country with projected assistance already committed to engineering students in the program totalling \$1.9 million through the 1986-87 academic year. The assistance program is made possible through contributions from schools, businesses, the Society's auxiliaries and individual donations.

Students are judged on national standard test scores, essays, transcripts and extra-curricular activities.

For more information, contact local high school counselors or the Michigan Society of Professional Engineers, 215 N. Walnut, P.O. Box 10214, Lansing, 48901.

government and 30 minutes for state and local taxes. That was less than an hour a day for all three.

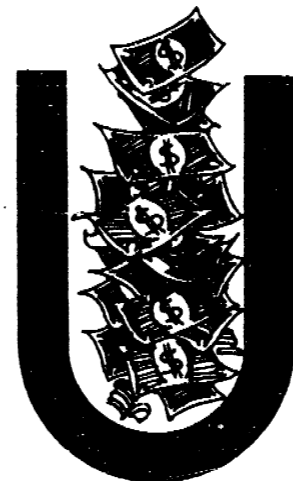

Now, you would think that with each of us working 2 1/2 hours a day to pay our tax bill, that there would be more of a clamor for cutting government spending. However, just the opposite is true. The recent march on Washington, D.C. was more than just a recall of Dr. Martin Luther King's dream. There was also great demand for more government programs. That translates into more government spending, and more spending means we spend more hours of the day working for the government.

Back in 1934, the late Harry Hopkins, secretary of commerce and adviser to President Franklin Roosevelt, said, "Spend and spend, tax and tax, elect and elect."

We've been doing that for 50 years and each working day, we're laboring for the government

2 1/2 times longer than we did then.

Let's not forget that when we go to the polls on state and national election days.

LABORING FOR GOVERNMENT

The typical worker today must put in two hours and 40 minutes of his or her workday just to pay taxes, with one hour and 44 minutes of that time spent to support the federal government and 56 minutes for state and local governments.

Back in 1930, when there was much less pay and much less government, folks worked 17 minutes for the federal

WE'RE RIGHT AT HOME IN MANCHESTER

Comerica Bank is right at home on Main Street, bringing you all the benefits and services of a big-city bank, but with all the friendliness and personality of your neighbor.

Comerica means "clout."

As part of the Comerica family of banks, we have widespread financial clout. That means you benefit from our connections throughout Michigan, the United States, even world-wide. And, of course, right here in Manchester.

Comerica means services.

At Comerica Bank, you always get our friendly, personal attention and a full range of banking services including:

- 24-hour banking with the Wonderbank®

- Comerica C.O.D. Account
- Individual Retirement Account
- Simple Interest Loans
- Paycheck Deduction

And more. We're leaders in banking, and we'll continue to be--right here in Manchester, where we're right at home.
