## Optimists Childrens Shopping Day

Merrill Korth, Optimist Club member, helps one of the children wrap a gift.

The Manchester Optimist Club would like to express their gratitude and thanks to Ace Hardware, Gambles, Krauss Pharmacy, Ben Franklin, Bunski's

### NOTICE: Holiday Deadlines

Due to the Christmas and New Years holidays falling on successive Monday, ALL DISPLAY ADVERTISING AND PICTURES are due by 5 p.m. Friday, December 23 and 30th. News articles and classified ads deadline remains the same - 11 a.m. Tuesday morning.

Thank you,  
Enterprise Staff

ONLY  
3  
SHOPPING DAYS  
LEFT TILL  
CHRISTMAS

Bazaar, and Donnellon's toy outlet for helping us make it a very enjoyable day for the nine children we were honored to have as our shopping guests on Saturday, December 10.

We hope that the children enjoyed shopping for the other members of their family as much as we enjoyed their company and the joy they expressed throughout our day together. It was very satisfying to see the excitement as they wrapped the gifts they purchased for their family members. The lunch of pizza, pop, chips and cake was the finishing touch to our day. Hopefully when they look at the wristwatches they received from the Optimists, they will recall what a very special day it was for all of us.

A special thank you to Chuck King for the pizza and Gloria Weber for the knit hats and fruit cakes she gave to each of the children.

### Luminaria Pick-Up

Luminaria kits may be picked up at the Blacksmith Shop on East Main Street at the following times: Tuesday, December 20, 7:00-9:00 p.m., Wednesday, December 21, 7:00-9:00 p.m. and Thursday, December 22, 2:00-5:00 p.m. and 7:00-9:00 p.m.

## New Librarian Appointed

The Manchester Township Library Board announces the appointment of Helen Klenz to the position of Library Director. Mrs. Klenz, of 2444 Streiter Rd., received her degrees in English, Library Science, and Instructional Media at Mankato State University in Minnesota. Prior to moving to Michigan in 1962 she held positions as librarian in St. Paul, St. Cloud, and East Grand Forks, Minnesota. Her major interest has been with children and youth. Until joining the Manchester Library, Mrs. Klenz had the position of assistant manager of the Dalton bookstore at Briarwood.

Following Federal guidelines, the Manchester Township Library will be closed on Monday, December 26, and Monday, January 2.

As a special holiday present, the week of January 2 through January 7 will be a fine-free period. Patrons are encouraged to bring in any overdue materials and no fines will be charged. (Items can either be brought into the building or left in the drop box outside the front door.) Only Manchester Library materials are included in the fine-free category.

## High School Boiler Project Proceeds Slowly

Superintendent of Schools Gene Thompson has commented about the slow progress on the high school boiler replacement project. "I have been extremely upset at the slow progress and many delays on this project. We have had more problems in getting this boiler replaced than in all of the

## Christmas In Manchester

By Marie Schneider

### OUT OF BOUNDS

-Father Tab  
A little Boy of heavenly birth  
But far from home today  
Comes down to find His ball, the earth  
That sin has cast away.  
Oh comrades, let us one and all  
Join in to get him back his ball.

Manchester is ready for Christmas. The big Christmas Tree on top of the watertower is lighted every evening. Some fifteen years ago Gale Koebbe and a helper yearly have scaled to the top of the tower with a big Christmas Tree which they decorate with strings of lights. Dorney Lamb helped this year.

There are new strings of lights on the tree in the park in front of the library. The old ones were no longer safe so the village invested in new ones and the Christmas lights on the poles along Main Street brighten the evening skies.

The community has had a Christmas Eve Luminaria for many years. At first only Main Street was lighted but for the past five years a group of citizens have attempted to have all the streets lighted. Villagers purchase small candles and bags of sand from them and light the candles Christmas Eve. This year the Manchester Area Historical Society has taken over the project with the committee headed by Karen Hinkley.

The Luminaria was brought here by people who had previously lived in the south where the custom was to light small candles in front of their homes to brighten the way for the coming of the messiah.

One of the timely holiday traditions here is the Live Nativity Scene at Emanuel United Church of Christ on West Main Street. The Christmas story is portrayed on December 21, 22 and 23 from 7 p.m. to 9 p.m. The Senior Choir will sing at the scene on Thursday, December 22 from 8 to 8:30 p.m. People make an effort to be in Manchester on one of these evenings and don't mind traveling many miles to get here. On Christmas Eve there are Candlelight Carols and Communion is at 7 p.m. and 11 p.m. Christmas Day the service is at 10:30 with Christmas Baptism. Glenn Buss is soloist.

St. Mary's Catholic Church will have a Christmas Vigil Mass at 5

p.m. on Saturday, December 14. Parents will have their youngsters participate in a ceremony at the church on West Main Street. Prior to the service children will put straw in the crib for the Infant Jesus before the Vigil Mass. There will also be the Midnight Mass and on Christmas Day, Sunday morning masses are at 8:30 a.m. and 10:30 a.m.

Manchester United Methodist Church on Ann Arbor Street will have an 11 p.m. Christmas Eve Candlelighting Service. A group of carolers will be making rounds on Monday, December 19. Then on Tuesday, Reverend and Mrs. Thomas Hart will hold an open house at their home from 2 p.m. to 7 p.m. On Sunday, December 25, Christmas Day, the worship service is at 10:30 a.m.

Sharon United Methodist Church at the corner of M-52 and Pleasant Lake Roads will have a Christmas Eve Candlelight Service at 8:00 p.m. conducted by the pastor, Reverend Evans Bentley. On Christmas Day, Sunday, December 25, a special worship service begins at 10:30 a.m. Church groups will go caroling at 7:30 p.m. on Friday, December 23.

### SPECIAL TREAT

-Esther Lloyd Dauber

A special treat you have in store. This recipe to try: It's something good for all to make

that you and I can't buy. December twenty-fifth's the time selected as the day To try to make this soul's delight that doesn't cost a dime.

Blend equal parts of Faith and Hope

mixed well with Charity; Stir in Good Will and Sweet Content

and precious Memory. Add Kindness, Helpfulness and Joy;

of Gratitude don't spare; Then drop by drop Love's Essence sweet,

and Praises freely share.

And don't forget such spices rare as Laughter, Smiles and Fun.

Taste often for the best results. (Tis sweet to mince upon.)

Now add a Thankful Heart and then,

the recipe's complete. Your "Merry Christmas" all will like...

So try the season's treat.

### Financial Aid Workshops Set

As the cost of education after high school increases every year, many parents and students are wondering how they will pay for

it. But there is a way, whether it be for college, vocational, or technical school education. More than \$21.7 billion in federal, state, and local aid will be available for students this year. Richard Parson, Manchester High School guidance counselor will tell parents about it at two free financial aid workshops in early January. Both workshops are designed for high school seniors and their parents, as well as, parents of former graduates who are now attending post-secondary schools.

The first workshop will be held on Wednesday night, January 4, 1984 at 7:30 p.m. in the high school library. Here a filmstrip giving an overview of financial aid will be shown, and financial aid forms will be handed out and explained. Other written information will be given to families in attendance and numerous money-saving methods will be discussed. In addition many tips will be given that should help make the forms less complicated. Guaranteed student loans and other types of loans and financial assistance will also be explained.

A second workshop is planned for Wednesday, January 18, 1984 at 7:00 p.m. This will also be in the high school library and is designed to help individual families fill out their financial aid forms. Parents will be expected to bring all their tax information and financial aid forms on this night and will actually be helped in filling out the necessary forms.

### Teaching Grants Awarded

In a program established by the Manchester Board of Education during the previous school year at the urging of Trustee JoAnn Okey, the Professional Council has awarded grants totalling \$1,000. Intended to encourage teachers to try new ideas and to seek innovative answers to the problems of public education, the program has been considered to have been highly successful. Twenty six proposals were submitted to the council by the school district's sixty five teachers.

Proposals dealing with the teaching of German, Revolutionary War History, Computer Applications in Home Economics, Computerized Accounting, and Small Business Development and Operation were

approved. German teacher Susan Davis, Middle School Counselor Phil Mains, Home Economics teacher Judy Miller, Business Education teacher Sheryl Hall and Middle School teachers Mary Ann Dettling and Wes Gall submitted the successful proposals.

Superintendent of Schools Gene Thompson commented, "We were extremely pleased at the large number of proposals which were submitted. The great disappointment, of course, is that we were only able to fund five of the twenty six which were submitted. I am considering going back to the Board to ask for additional funds in order to sponsor more projects. I am extremely proud of all of our staff and would like to extend my congratulations not only to those who received funding but also to those who took the time to put their ideas on paper. This effort demonstrates once again the incredible energy of the Manchester teachers and of their pursuit of excellence in our schools."

### Area Resident Wins Award

Harold D. Walker of 7955 Ernst Road recently won an award for having the best kept road grader in the Washtenaw County Road Commission. This is the second time in three years that he has won this award. The award is given out yearly by the

Washtenaw County Road Commission to the operator who keeps his grader in the best working condition. Pictured above is Mryon Anderson, Superintendent of Maintenance as he presents Mr. Walker with his award.

### Christmas Cheer

### Manchester Insurance Agency

### Merry Christmas

May your Christmas be a most memorable holiday season.

### MANCHESTER LOCKER PLANT

# It was the night before Christmas when all through the house...

Not a creature was stirring, not even a mouse. The stockings were hung by the chimney with care, in hopes that St. Nicholas soon would be there. The children were nestled all snug in their beds, While visions of sugarplums danced in their heads. And Mamma in her kerchief and I in my cap had just settled down for a long winter's nap. When out on the lawn there arose such a clatter, I sprang from my bed to see what was the matter. Away to the window I flew like a flash, tore open the shutters, and threw up the sash. The moon on the breast of the new-fallen snow gave a luster of midday to objects below, when, what to my wondering eyes should appear, but a miniature sleigh, and eight tiny reindeer, with a little old driver, so lively and quick;

I knew in a moment it must be St. Nick. More rapid than eagles his coursers they came. And he whistled and shouted, and called them by name: "Now, Dasher! Now Dancer! Now Prancer & Vixen! On, Comet! On, Cupid! On Dunder and Blitzen! To the top of the porch, to the top of the wall! Now, dash away! Dash away! Dash away all!" As dry leaves that before the wild hurricane fly, when they meet with an obstacle, mount to the sky, so up to the housetop the coursers they flew With a sleigh full of toys, and St. Nicholas, too. And then in a twinkling, I heard on the roof The prancing and pawing of each little hoof. As I drew in my head, and was turning around, Down the chimney St. Nicholas came with a bound. He was dressed all in fur, from his head to his foot, and his clothes were all tarnished with ashes and soot. A bundle of toys he had flung on his back, and he looked like a peddler just opening his pack. His eyes how they twinkled! His dimples how merry. His cheeks were like roses, his nose like a cherry. His droll little mouth was drawn up like a bow, and the beard on his chin was as white as the snow. The stump of a pipe held tight in his teeth, and the smoke, it encircled his head like a wreath. He had a broad face and a little round belly that shook, when he laughed, like a bowl full of jelly. He was chubby and plump, a right jolly old elf, and I laughed when I saw him, in spite of myself. A wink of his eye and a twist of his head soon gave me to know I had nothing to dread. He spoke not a word, but went straight to his work, And filled all the stockings, then turned with a jerk. And laying his finger aside of his nose, and giving a nod, up the chimney he rose. He sprang to his sleigh, to his team gave a whistle, and away they all flew like the down of a thistle. But I heard him exclaim as he drove out of sight, "Happy Christmas to all, and to all a good night."

May you have a most enjoyable holiday season. Greetings from all of us.

### Girls Youth Basketball Program

In an effort to expose a large number of girls in the Manchester school system to the sport of basketball, a Saturday program will begin on January 7, 1984 under the direction of Greg Ollis and Martha Heinrich. Any girl presently in grades 4-6 is encouraged to participate. The times and places are as follows: 4th grade, Klager Gym, 12:00-1:00 p.m.; 5th grade, Middle School Gym, 12:00-1:00 p.m. and 6th grade, Middle School Gym, 1:00-2:00 p.m.

The program will run for 6 weeks. Areas to be covered are basic fundamentals, proper technique of these fundamentals,

and basic rules. Comfortable attire is recommended and tennis shoes are required. Any questions or concerns are welcomed. Contact Martha Heinrich at 662-1724 or Greg Ollis at 971-8551.

### School Expenses Nearly Double in Seven Years

The cost of running elementary and secondary schools nearly doubles from 1975 to 1982 with employee fringe benefits and utility prices substantially upping the ante, according to a new devised measure of school expenses.

What schools paid \$100.00 for in 1975 cost them \$181.70 in 1982, the National Institute of Education reports in a new book.

While combined school costs rose 81.7% from 1975 to 1982, employee fringe benefits increased 179.7% and utility expenses 184.6%.

Teacher and other professional salaries, by comparison, went up 65.8% from 1975 to 1982. These are just some of the more than 100 school expenditures that comprise the school price index, a new measuring device formulated by N.I.E. The S.P.I. tracks price changes in salaries, fringe benefits, supplies, materials, equipment replacement, books and periodicals, utilities and fixed costs - in essence the goods and services purchased for their current operations. Capital outlay and debt service are not included in the index.

### School Calendar Altered

The Manchester Schools have advised parents that the original end of Christmas vacation date has been changed from January 2 until January 3, 1984. Originally students had been scheduled to return on Monday, January 2.

At the time that the original calendar was drafted negotiators missed the fact that the Monday date is a Federal holiday. Since the first of January falls on a Sunday, the following day is the

official holiday. School officials indicate that it will be necessary to reschedule the day later in the school year. Parents will be advised well in advance of the rescheduled date. Rescheduling discussions are currently taking place between the School Administration and the Manchester Education Association.

### Christmas Thought

Reprint from the Manchester Enterprise, dated December 17, 1903

Oh, Christmas is coming again, you say, And you long for the things it is bringing; But the costliest gift may not gladden the day, Nor help on the merry bells ringing. Some getting is losing, you understand, Some hoarding is far from saving; What you hold in your hand may slip from your hand. There is something better than having; We are richer for what we give, And only by giving we live.

Your last year's presents are scattered and gone; You have almost forgotten who

gave them; But the loving thoughts you bestow live on As long as you choose to have them. Love, love is your riches, though ever so poor; No money can buy that treasure; Yours always, from robber and rust secure, Your own, without stint or measure; It is only love that can give; It is only by loving we live.

For who is it smiles through the Christmas morn,-- The Light of the whole creation? A dear little child, in a stable born, Whose love is the world's salvation. He was poor on earth, but He gives us all That can make our life worth the living; And happy the Christmas Day we call That is spent, for His sake, in giving. He shows us the way to live; Like Him, let us love and give! --Lucy Larcom

### 'Yule' Origin Sun Worship

'Yule', which means wheel, honored the god Woden, and the rebirth of the wheel shaped sun. To use anything with a wheel, such as spinning wheels or wagons, would be an insult to the sun, meaning that it was not moving fast enough. In deference to the sun as the source of light and heat, people built large bonfires. All snares, traps and fishnets were removed for the duration so that fish, birds and animals might find the "YULE" a time of peace.

The beginning of holiday merriment in medieval courts was signaled by lighting the "YULE" log. It was a religious ceremony for the Druids, and in some agricultural areas of Europe, the yule log is still blessed. The charred remains of last years log were used to light the new fire - a remnant from when a perpetual fire was kept burning. The burning fire symbolized home and safety, and the Teutons saw it as a rebirth of the sun.

### Santa Claus Is Subject Of Legend

Countless legends cluster about Christmas. The Yuletide season is glorified in songs and stories

that stir the mind and touch the heart.

In America, Christmas means Santa Claus, a combination of patron saint, good fellow, and gift giver. Saint Nick (his alternate name) was once Saint Nicholas, a third century bishop who, because of his generosity, was elevated to sainthood. On the night before Christmas, according to tradition, Santa Claus and his sleighful of toys are whirled through the air by eight reindeer who answer to such spirited names as Dasher, Dancer, Prancer, Vixen, Comet, Cupid, Donner, and Blitzen.

### What You Can Buy For Gourmet Cooks

Any gourmet cooks on your Christmas gifts list? If so, there is a whole exciting world of accessories to give even the most discriminating chefs.

Among useful items are: Professional-type work sets, for preparing oriental dishes; a two-way bread maker kettle; souffle dishes; noodle makers; and a folding omelet pan.

Useful and decorative kitchen aids comprise other items from which to select presents. Among these are metal pan racks, a hanging peddlers' scale and multi-piece wood or metal kitchen tool sets.

### Try 'Clusters' This Holiday

Remember the "cluster" theory for highly effective decorations. This means that multiples, or clusters, of almost anything are far more dramatic than a single object, or even two. Cluster candles of all shapes and sizes to get optimum effect. Cluster tiny potted poinsettias or mums on a big platter or a low ceramic bowl for a centerpiece. Mass pots of flowers under a glass-topped dining or console coffee table or fill an untreated window with a whole blizzard of snow-white chrysanthemum plants, or red tulips.

### Buyer Beware

Watch out for last-minute Christmas sales - an overstocked merchant will announce a "madness Type sale" to clear his shelves. Shoppers buy "bargains" that turn out to be junk.

Hurried and harried shoppers caught in the Christmas crunch are easy prey for merchandising gimmicks and dishonest salesmen. Often the products they peddle are an example of crass commercialization. Our only real defense for discriminating consumers: BUYER BEWARE!

### SURPRISES!

No matter what your favorite Christmas custom - from holly to jolly Old St. Nick you'll probably agree that Yuletide is full of surprises - and not only in the gifts you'll find under the tree on Christmas morning.

### Not Where, But... When Was Christ Really Born

Christmas in medieval England was called "CHRISTES MASSE," until it acquired its present spelling. The day is still known in many European countries as "CHRIST'S BIRTHDAY" and is called NOEL by the French, NATALE by the Italians, WEIHNACHT by the Germans, and YULEN JUL by the Scandinavians.

Most scholars agree that December 25th is most certainly not the anniversary of the Savior, and that He was not born in what we now measure as 1 A.D. The custom of celebrating Christ's birthday on December 25th originated in Rome in the fourth century of the Christian Era, some say in 354 A.D. The Roman monk Dionysius Exiguus, who made the calendar in the sixth century, probably misplaced A.D. 1 by at least six years.

Herod the Great, according to the current Gregorian calendar, died in 4 B.C. He is said to have put to death the boy babies in Bethlehem who were two years old and younger. The first Christmas may have been as early as 6 B.C. H.W. van der Savior's birth at 6 B.C.

A history sponsored by the United Nations Educational, Scientific, and Cultural Organization fixes the year of the Savior's birth at 6 B.C.

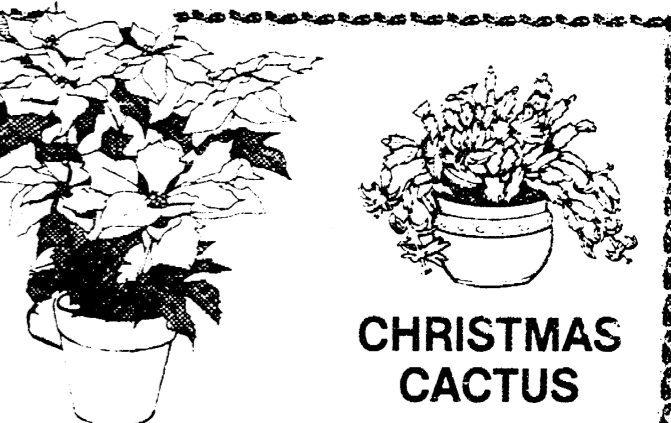

JESUS, the son of God was born in Bethlehem, in the simple surroundings of a crude stable. He was to spend 33 years upon earth, living a life of humility, faith, obedience and highest example. He offered friendship and love to every man and lay down a foundation upon which every man could build eternal happiness.

# FACTS & FIGURES

You can make your own household cleanser for walls and floors by adding a half cup of borax, half teaspoon dishwashing liquid and a tablespoon of ammonia to two gallons of warm water.

You can remove spilled food and odors from your refrigerator with a sponge and a solution of one tablespoon of a product such as 20 Mule Team Borax and a quart of warm water. Rinse with cold water.

To remove stubborn coffee stains and smells you can fill any non-aluminum coffee-maker with water to full cup capacity, then add a teaspoon of borax for every cup. Let your pot percolate, then let it stand for 20 minutes and rinse thoroughly.

For more information about the many uses of borax write to: "Magic Crystal Booklet", Dept. B, P.O. Box 75128, Sanford Station, Los Angeles, CA 90075

## Colonials Held Bayberry Candles Brought Good Luck

Today if you buy a candle designated as bayberry, the wax will have come from one or more species of bayberries in Puerto Rico or Columbia. Most imports are listed under the name of myrtle wax, laurel wax or bayberry. A small amount is obtained from South Africa as bayberry or capeberry wax. Often, ordinary paraffin-wax candles are coated or dipped several times with bayberry wax to give them the olive-green color and fragrance, or they are colored an olive-green resembling bayberry and scented with bayberry essence or chemicals. Most manufacturers make all three and label them to tell you the type.

A merry verse about the good luck the bayberry candle brought abounded during the Colonial era: "If you burn the bayberry candle bright to its end on Christmas night, tis the tale told tried and true 't would great love and health to you."

Bayberry grew wild in the sandy soil along the Eastern coast from Nova Scotia to northern Florida, and candles were in abundance to provide the Colonists with a bright light and pleasing scent. The pleasures of gathering bayberries for candles at Christmas is all but past, except for a few individuals who have bayberry bushes on their property.

# Seasonal Greetings

## TRADITIONAL TREATS WITH NEW ENDINGS

The holiday season is the get-together season. One fun and easy way to entertain is to have the party—or part of it—somewhere other than your house!

For instance, invite friends to join you at a nearby pond for a skating party. Take a group to the local theatre to see the holiday production. Or gather singers to spread holiday cheer by caroling throughout the neighborhood.

After the entertainment, invite everyone to your house for refreshments. Most appropriate are these two party-size recipes, which use traditional favorites of the season in exciting new ways.

### PUMPKIN-GINGER BARS

- 1 package Betty Crocker gingerbread mix
- 1/4 cup raisins
- 1/4 cup chopped nuts
- 1/2 teaspoon ground cinnamon
- 1/4 teaspoon ground nutmeg
- 1 cup cooked pumpkin
- 1/3 cup water
- 1 egg
- Lemon Cream Frosting (right)

Heat oven to 350°. Mix all ingredients except frosting in medium bowl until batter is of uniform consistency, about 2 minutes (batter will be stiff). Spread in ungreased rectangular pan, 13x9x2 inches; smooth top with rubber spatula. Bake until wooden pick inserted in center comes out clean, about 25 minutes. Cool.

completely on wire rack. Spread Lemon Cream Frosting over top. Cut into bars, about 3x1 inch, 32 bars.

- Lemon Cream Frosting
  - 1 teaspoon grated lemon peel
  - 1 tablespoon lemon juice
  - 1 teaspoon milk
  - 1 package (8 ounces) cream cheese, softened
  - 2 1/4 cups powdered sugar
- Mix lemon peel, lemon juice, milk and cream cheese in small bowl. Gradually beat in powdered sugar until frosting is smooth and of spreading consistency.

High Altitude Directions (3500 to 6500 feet): Heat oven to 375°.

### FROZEN CRANBERRY CHEESECAKE

- 1 1/2 cups vanilla wafer crumbs
- 1/4 cup margarine or butter, melted
- 1 tub Betty Crocker Creamy Deluxe cream cheese ready-to-spread frosting
- 1 cup small curd creamed cottage cheese
- 1 cup dairy sour cream
- 1 can (16 ounces) whole berry cranberry sauce

Heat oven to 350°. Mix wafer crumbs and margarine. Press in ungreased square pan, 9x9x2 inches. Bake 10 minutes; cool. Mix frosting, cottage cheese and sour cream in small bowl. Beat on high speed until blended, about 3 minutes. Spread half of the frosting mixture over crust; spread with cranberry sauce. Spread remaining frosting mixture over sauce. Freeze until firm, about 8 hours. Garnish with sugar-frosted cranberries and mint leaves if desired, 16 servings.

High Altitude Directions (3500 to 6500 feet): No adjustments are necessary.

Note: All other regular services and meetings have been cancelled for the week. Members are encouraged to enjoy the holidays with their families and loved ones.

## Shakespeare Christmas Party

"Sing hey! Sing hey! For Christmas Day twine mistletoe and holly For friendship glows in winter snows And so let's all be jolly. This old nursery rhyme set the tone on Tuesday, December 13th for the annual Christmas party of the Shakespeare Reading Club. At noon club members gathered at the home of Mrs. Aaron Nathan for their traditional luncheon and entertainment. A festive meal was served by Mrs. Nathan, Mrs. Floyd Parr and Mrs. Henry van der Schalie, and it was followed by games and a gift exchange. The entertainment was handled by Mrs. James Hamilton and Mrs. Fisher. The topic at the next meeting will be historic monuments, dealing chiefly with Stonehenge and American Prehistoric sites. The club will meet on January 10, 1984 at Mrs. James Hamilton's home.

**COMERICA BANK**

**WE'RE RIGHT AT HOME IN MANCHESTER**

Comerica Bank is right at home on Main Street, bringing you all the benefits and services of a big-city bank, but with all the friendliness and personality of your neighbor.

Comerica means "clout." As part of the Comerica family of banks, we have widespread financial clout. That means you benefit from our connections throughout Michigan, the United States, even world-wide. And, of course, right here in Manchester.

Comerica means services. At Comerica Bank, you always get our friendly, personal attention and a full range of banking services including:

- 24-hour banking with the Wonderbank®
- Comerica C.O.D. Account
- Individual Retirement Account
- Simple Interest Loans
- Paycheck Deduction

And more. We're leaders in banking, and we'll continue to be-right here in Manchester, where we're right at home.

# Christmas Events At Klager

The Senior Citizen dinner was attended by about 75 seniors, 150 students, and 25 other adults. The food was prepared by the parents of the third and fourth grade classes. The annual event is looked forward to by seniors and youngsters alike.

Chairpersons of the dinner were Jan Barbour, Bart Bartels and Nancy Bihimeyer.

Joan Matson, John Bihimeyer and Judy Holzhofer help serve the feast.

Mr. Spike with his granddaughters Michelle Strock and Lisa Lozier.

The 1-2 Team performs a Hanukkah song.

Jon Okey is Santa Claus in the 1-2 Team play.

Parents really come out for Klager events. Here a large group watches the 1-2 Team Room play.

Klager's Annual Christmas Concert was attended by a standing room only crowd.

# Recipes in a Nutshell

## "LOW-SODIUM HOLIDAY TREAT"

Individuals cutting down on salt must be forever watchful of the foods they eat.

Show your thoughtfulness during the holiday season by presenting baked goods with reduced sodium content made with Planters Dry Roasted Unsalted Cashews.

## HOLIDAY CRANBERRY SHORTCAKE

Makes 8 to 10 servings

- 1/2 cup sweet unsalted margarine, melted
- 1 3/4 cups sugar
- 2 cups cranberries
- 1 cup chopped Planters Dry Roasted Unsalted Cashews
- 3 eggs, separated, at room temperature
- 2 1/2 cups all-purpose flour
- 1 tablespoon baking powder, regular or low-sodium
- 1 1/2 cups milk
- 1 teaspoon grated lemon rind
- 1 pint heavy cream
- 1/2 teaspoon ground nutmeg

In small bowl, combine 1/4 cup melted margarine, 1/2 cup sugar, cranberries and cashews; spread evenly in two 8-inch round cake pans. Refrigerate 1 hour or until serving time.

In medium bowl, on high speed of mixer, beat egg whites until stiff. In large bowl, combine flour, baking powder and remaining 1 1/4 cups sugar. In medium bowl, with mixer, beat together yolks, remaining 1/4 cup margarine, milk and lemon rind; blend into flour mixture; fold in egg whites. Spread evenly in pans over cranberries. Bake at 375° F. for 35 to 40 minutes. Invert onto wire racks, cranberry side up; cool completely.

Place one cake layer on serving plate. Beat heavy cream and nutmeg until stiff; spread 1 cup over cranberries; top with remaining cake layer, cranberry side up. Spread remaining and cashews; spread evenly in two 8-inch round cake pipes rosettes around edge of pans. Refrigerate 1 hour or until serving time.

## Wedding Bells Ring

Christina Ruth Opal

Duane Lowell Anderson

Elaine Marie Buss

William Eugene Wilmarth

Christina Ruth Opal and Duane Lowell Anderson were united in marriage at the Milan Free Methodist Church on October 8, 1983.

Christina is the daughter of Mr. and Mrs. Richard Opal of Manchester. Parents of the bridegroom are Mr. and Mrs. Elmer Anderson of Milan.

The ceremony was performed by Reverend Jack Dearth, Kathy Palmiter of Midland, sister of the bride, was the organist, and Sue Opal of St. Ignace, sister-in-law of the bride, was soloist. Bridal solo was sung by Chris.

The bride was attired in a gown of ivory lace over satin, with a finger tip veil over a lace headpiece, worn by each of her three sisters.

Maid of Honor was Merri Opal of Manchester, sister of the bride, while Douglas Gilbert and Douglas Darling of Milan, served as bestman.

Bridesmaids were Dorcas Tolan of Montrose, cousin of the bride, Diane Anderson, sister of the

groom and Nancy Hodges, both of Milan, and Lori Noffsinger of Spring Arbor.

Jamie Warren of Milan, niece of the groom, and the maid of honor wore floor length dresses of burgundy, while the bridesmaids wore dusty rose. Each carried long stemmed roses.

Groomsman were Tom Opal, brother of the bride, Kevin McFall, and Sidney Hodges, all of Milan, with Scott Palmiter of Midland, nephew of the bride, as ringbearer. Ushers were Michael Titterton and Theron Palmiter, brother-in-law of the bride.

Following a reception at the church annex, the couple departed for a honeymoon trip to Laguna Beach and Los Angeles, California.

The bride is a graduate of Manchester High School. Her husband is a graduate of Milan High School and Michigan State University, and operates a dairy farm in Milan, where the couple is making their home.

The Emanuel United Church of Christ in Manchester was the setting for the December 3, 1983 marriage of Elaine Marie Buss and William Eugene Wilmarth. Reverend Robert Macfarlane performed the ceremony.

Elaine is the daughter of Mr. and Mrs. Carl Buss of Manchester. The parents of the bridegroom are Mr. and Mrs. Neill Wilmarth of Maryville, Mo.

Honor attendants were Carol A. Buss, sister of the bride, of Manchester and Ron Shieber of Maryville, Mo.

Bridesmaid was Sandy Swift of Clinton.

Jim Wilmarth, brother of the groom, of Bedford, Iowa served as usher.

Soloist was Glenn Buss of Chelsea, uncle of the bride.

A reception was held at the K of C Hall in Manchester. Darlene Fuller was in charge of the guest book while Joyce Schwab, Mary Blumenaur and Diane Buss cut the wedding cake.

After a honeymoon trip to Las Vegas, the couple will reside in Pickering, Mo.

### Home Gifts

Christmas gifts that fill a need in the home have various advantages — you don't have to know the size and they are likely to outlast all others as reminders of the giver. Also, most people want and need something for the house.

### Deck The House With Greenery

Try decorating the plants that live at your house all year round for Christmas.

Tie a few featherweight red Christmas-tree balls, a few tiny red bows or lacy paper snowflakes and starflakes onto houseplant branches.

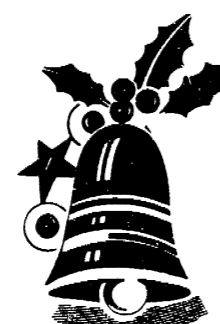

If you have a flourishing hanging plant, wrap the hanging wires with tinsel to strings of small Christmas-tree balls. You can swag drape strung popcorn or cranberries around the outside of the pot, and tuck a Christmas-tree ball or two in among the foliage leaves.

Cluster small, or large, potted plants beside a sofa, on a deep window sill, or at the end of an entrance hall. Remember too, a group of plants reflected in a mirror yields double the pleasure and double the money's worth.

A potted miniature boxwood tree can quickly be converted to a "jewel" tree when you decorate it with bright rings and earrings — not precious, but the kind of cheap and cheerful baubles and bangles that might well play dual decorative roles.

### Use Artificial Tree With Safety In Mind

Metal trees present no fire hazard in themselves. They can, however, be a source of serious shock hazard if you use electric lights on them. Sharp metal edges may cut the cord insulation or the metal needles might touch an electrically charged component. In either case, the whole tree will become electrically charged. The safest way to illuminate a metal tree is to use colored floodlights placed in different spots around the room. These floodlights can become quite hot too, so take care where you put them. If you purchase a plastic tree, pick one that is made of fire resistant material.

### Penny-Wise Motorists Who Neglect Upkeep Are Dollar Foolish

#### CAR'S BATTERY POWER DROPS with MERCURY

As the temperature drops, so does the cranking power of a car's battery. The Automobile Club of Michigan estimates that three of 10 motorists will experience a "can't start" this winter. In most instances it is because of an improperly maintained battery or one weakened by a futile attempt to start a balky engine. The Auto Club urges motorists to check their batteries' fluid level, keep them free of acid corrosion build-up and make sure cable connections and hold-down clamps are tight and clean. A battery in top shape will only produce dependable starts when other engine components are in adjustment.

Since seven of every 10 motorists pump their own gasoline, there is a greater need than ever for Michiganders to be sure their cars are prepared properly for the cold-weather season, reports the Automobile Club of Michigan.

"Because motorists save about 15 to 20 cents per gallon, 72 percent of the gasoline sold in the United States is self-serve," said Robert Tellier, Auto Club's Emergency Road Service manager. "Those dollars saved at the gas pump could be going up in smoke in the form of costly auto repairs if proper maintenance steps aren't followed."

"Motorists who pump their own gasoline sometimes neglect preventative maintenance checkups," Tellier said. "It is important that drivers follow the maintenance schedules in their owners' manuals and do routine checks, such as the engine oil, themselves."

Any motorist-armed with a screwdriver, tire pressure gauge and anti-freeze hydrometer-can make the dozen pre-winter checks in less than 30 minutes.

"The 12 checks are easy enough to perform by anyone who can start a car," Tellier said. "The benefit is a vehicle in good running condition all winter long."

An Auto Club survey of more than 7,000 vehicles checked during last year's car care clinics showed that 85 percent had at least one defect. Slightly more than half of the vehicles checked had deficiencies, which if left unattended, could have resulted in breakdowns. The average vehicle checked was 5.6 years old, while the national average is 7.2.

The Auto Club recommends motorists learn how to do the following 12 items on a cold,

non-running engine with the exception of the automatic transmission fluid:

- \* Check motor oil level.
- \* Brake fluid level should be within a quarter-inch of the top of the master cylinder. The screwdriver is needed to pry off the clip that holds the cover of the brake fluid chamber.

- \* Fill the windshield washer reservoir with a good commercial solvent to prevent freezing.

- \* Check the level and strength of antifreeze in the radiator. Some cars have overflow tanks where the coolant can be checked. Strength of antifreeze can be checked easily with the hydrometer.

- \* Power steering fluid level can be checked on a dipstick similar to the oil. To avoid overfilling, add the fluid gradually and test the level several times.

- \* Hold the carburetor air filter up to the sun or next to a light. If you can't see through it, it's time for replacement.

- \* Check the automatic transmission fluid with a dipstick located on most cars behind the engine on the passenger side of the car. The car should be parked on a level grade with the engine running.

- \* Test for fan belt tension and look for fraying or cracking. Press your thumb on the middle of each drive belt. If the belt gives more than a half-inch, have it tightened or replaced. Also inspect hoses and connections for leaks.

- \* Clean battery terminals and dirty cables with a baking soda and water solution, and check the battery fluid level.

- \* Turn on all lights and turn signals to make sure they work.

- \* Check tire pressure with a gauge and inspect tread wear. Don't forget to check the spare.

\* Check windshield wipers and replace them if worn.

Tellier advised motorists to make these checks on a monthly basis, with the exception of motor oil which should be checked with every tank of gas.

**Della A. Place**  
216 North Union Street  
Manchester

Age 83 years, died suddenly Tuesday, December 13, 1983 at her home.

She was born December 25, 1899 in Sharon Township, the daughter of Martin and Louise Schmidtgal Bruestle.

She had been an employee of the Ford Motor Company for many years, retiring in 1964.

She was a member of Emanuel United Church of Christ and the Womens Fellowship of the church.

She is survived by one sister, Mrs. Ella Duck of Manchester; two brothers, Paul Bruestle of Pahrump, Nevada and Robert Bruestle of Manchester; several nieces and nephews.

She was preceded in death by two sisters and one brother.

Funeral services were held Friday, December 13, 1983, 1:30 p.m. at the Jenter Funeral Home. Reverend Robert Macfarlane officiated.

Burial followed in Sharon Townhall Cemetery.

"We make our fortunes and call them fate."  
— Benjamin Disraeli

### American Legion Auxiliary

The American Legion Auxiliary met at the Legion Home on December 14, 1983 for a potluck dinner and meeting. We were honored with the presence of Mary Anne Leffingwell, 2nd District President.

We are striving to meet our membership quota of 89. As of this date, we have 61 senior members and 13 junior members.

As a community service and on behalf of the Auxiliary, the urns in Wurster Park have been decorated with Christmas boughs. Thanks to Helen Popkey for her efforts.

The party held at the V.A. Hospital on November 12, 1983 was a great success. Aside from refreshments being served, Bingo

was played by the patients, with coupon books as prizes. The coupons are used within the hospital to purchase items for personal use.

Then, on December 6, 1983, Vivian Middlemiss and Edna Knauss helped wrap gifts at the V.A. Hospital. They reported that the patients were very grateful and pleased with the beautiful selection of gifts that they could choose for their relatives and friends.

Area Gold Star mothers were remembered this Christmas with a gift of a Manchester Historical Society calendar.

The next meeting of the Auxiliary will be January 11, 1984, with Helen Rigg, Denise Dresch and Rita Huber serving on the refreshment committee.

### Wrestling News

Steve Vleck has been named Wrestler of the Week. Vleck, a junior, wrestles the 155 pound weight class.

Coach Dan Jordan noted that Vleck wrestled "with outstanding aggression in the tri-meet with Jackson Western and Dexter" at Western last Thursday night.

Overall, Manchester couldn't match the stiff competition provided by the two Class B teams, but Jordan stated that our boys wrestled well, and showed a lot of improvement.

Van Talcott, 112 lbs., won by a pin at 1 minute, 45 seconds in the Dexter meet. B.J. Lee (98 lbs.) pinned his Western opponent in just 30 seconds. Vleck also won on a pin against Western at 3 minutes, 59 seconds.

Following a make-up meet at Clinton, December 20, the Dutch take to the mats again Saturday, January 7, at the Clinton Invitational.

Jordan, the wrestlers and manager Bud Ball wish everyone safe and happy holidays.

### Senior Citizens Meals And News

There are no meals this week at the Senior Center, but the news is a Big Holiday Party for all on Wednesday, the 28th, at Emanuel United Church of Christ. You don't have to be a regular member of the Senior Citizens Club to attend. Just bring a dish to pass and plan to ENJOY. The song fest will be in the expert hands of Dick Kuntz so don't miss. Meals again in January. MERRY CHRISTMAS

### A Christmas Letter Of Henry Van Dyke

I am thinking of you today because it is Christmas, and I wish you happiness. And tomorrow, because it will be the day after Christmas, I shall still wish you happiness. I may not be able to tell you about it every day, because I may be far away or we may be very busy. But that makes no difference — my thoughts and my wishes will be with you just the same. Whatever joy or success comes to you will make me glad. Clear through the year — I wish you the spirit of Christmas.  
HENRY VAN DYKE

### Yesterday's Toys Retain Popularity

Toys, dolls and games for the children have always ranked high on the gift lists and exchanging gifts as Christmas is one of the most time-honored of customs.

In the not-so-long-ago, however, just one important present — a doll for a little girl, perhaps, and a toy accordion for the boy — was all that youngsters might expect at Christmas.

Santa is more bountiful these days but the gifts he brings are like those of yesteryear in at least one way. They reflect the interests and fashions of their times.

Dolls, yesterday and today, dress in the favorite styles of the moment. Toys, too, show the influence of current events.

Toy racing cars, for instance, came in with the automobile, while today more complex types of wheel toys take advantage of modern technological developments.

"Fortune cures us of many faults that reason could not."  
— La Rochefoucauld

**7th Grade Boys Basketball**

**MICHIGAN CENTER 48**  
Manchester 22

The Manchester 7th grade lost its first game of the year as they lost to a good Michigan Center team by a 48-22 score. The Dutch played well in the first half as the score seasawed to halftime with Michigan Center leading 21-17. The Dutch could only score 5 points in the second half as Michigan Center went on to win.

Scoring for the Dutch were John Korican 8 points, Bryan Barnard 6 points, Steve Samonek 3 points, Greg Lee 2 points, Dan Rigg 2 points and Andy Hart 1 point.

**MANCHESTER 45**  
ANN ARBOR ST. THOMAS 37

The 7th grade boys basketball team raised its record to 2-1 for the season with a hard fought game with St. Thomas. The Dutch led after the 1st period 13-4 but had to hang on for the 23-21 halftime lead. The teams exchanged points in the 3rd period and the Dutch led 31-30 after three. St. Thomas went ahead by 4 points before the Dutch took over and scored 8 straight points to win the game. Scoring for Manchester were: John Korican 15 points, Tom Mann 10 points, Bryan Barnard 5 points, Mike Brokaw 4 points, Dan Rigg 4 points, Greg Lee, Bryan Pratt and James Hakes, 2 points each, and Jason Van Deven 1 point. Bryan Pratt led the defense with 9 rebounds.

**MANCHESTER 37**  
ANN ARBOR ST. FRANCIS 30

The 7th grade defeated St. Francis on Thursday to up its record to 3-1 for the season. Manchester got off to a 12-4 lead and were never in trouble after that. Eight players scored in the balanced scoring attack. Tom Mann led with 14 points and 15 rebounds. Bryan Barnard 6 points, John Korican 5 points, Mike Brokaw 4 points, Dan Rigg 4 points, Jason Van Deven 2 points, Andy Hunt 1 point and Steve Samonek 1 point.

Next game will be January 9 at home with Grass Lake.

**Mason Muppets Featured At Local Church**

The Iron Creek Community Church of Manchester is delighted to announce the presentation of a special Christmas program entitled, "Have a Moe Christmas!" The program will be shown at the church on Christmas Day, December 25, at 10:00 a.m., and features the Mason Muppets and participants from all of the Sunday School classes.

The story centers around Moe the Monster (a large and loveable hairy-green muppet) who finds himself in the predicament of being the only one who doesn't get a present on Christmas morning. Representatives from all of the Sunday School classes try to cheer Moe up by presenting him with their gifts of song and love. Will Moe and his muppet friends ever discover the true meaning of Christmas?

Pastor Bill Mason and his family spent five years in their ministry traveling from church to church with their muppets holding workshops and seminars on the use of muppets and visual aids for educational programming. These large and colorful muppets have proven to be a blessing to both young and old alike. The public is cordially invited to attend this special holiday presentation.

The church is located at English and Sharon Hollow Roads in Manchester.

**Merry Christmas**

Peace be with you during this holy season and the days yet to come.

**Owen Cathy**

**EVERY MERRY CHRISTMAS**

To our friends and customers, the peace of Christmas, the joy of days yet to come.

**MANCHESTER TOOL & DIE INC.**

### Letters To The Editor

Dear Editor,

I am writing this letter in response to my outrage at the latest injustice inflicted on a member of the Manchester Band. It offends me that in this "designer" crazed society that the attitude could be carried into our public school system. The fact that one band member be disallowed to participate in 'he annual Christmas concert because he failed to have on the right "color" pants makes a mockery out of what Christmas is all about - Love - Caring - and Sharing.

It is this very callous disregard for one's feelings that has driven almost twenty (20) of our very talented band students from the Manchester Band program. It troubles me that one persons inflexible "rules" could have the support of the staff in Manchester. I can only hope that the people involved will not continue to sit quietly by and watch our band program be destroyed until we are left with a one man band - perfectly attired - ultra cooperative and - anti-creative.

Please support the band program, not by dropping out, but by speaking up for and insisting upon fairness.

Concerned parent,  
Patricia A. Mannor

Dear Mr. Steele:

Recently the *Ann Arbor News* quoted Gary Owen, Speaker of the House, as saying to a group of citizens that the Michigan income tax is scheduled to decrease by 35% in January, 1984. The actual situation is that the tax is to decrease from 6.35% to 6.10% which is a 3.9% decrease. Assuming the *Ann Arbor News* quoted Mr. Owen correctly, he has slipped a decimal point. Even at 3.1%, the tax will be 32% higher than it was when the Democratic administration Mr. Owen is so

proud of took office not even one year ago.

Maybe this is why Michigan has such high expenditures and taxes.

Sincerely,  
Margaret O'Connor  
State Representative

### Holiday Fire Safety

In the interest of promoting Christmas holiday fire safety, the State Police fire marshal officers and local fire departments have joined in cautioning Michigan residents about the use of natural and artificial decorative materials.

Many fires during the holiday season are caused by unsafe or improperly maintained decorations, resulting in loss of property and injury to loved ones. Decorative and fire safe holidays can be enjoyed by following these safety precautions:

- \* Natural Christmas trees should not be set up earlier than 10 days before Christmas and should be limited to 8 feet in height.
- \* Tree stands must provide adequate support and have a large container for water which is to be kept full. Before setting your tree in its stand, make a fresh cut at the base at least 1 inch above the original cut.
- \* A natural tree that shows signs of unusual dryness should be removed from the home immediately.
- \* Electrically operated or lighted tree stands and electric light sets should have testing laboratory labels and be examined for defects before using.
- \* Electric lights should be plugged in only when under the supervision of a responsible person and should be unplugged when not in use.
- \* Christmas trees should be located away from exits.
- \* Electrical lights or wiring should not be used on a metallic

tree.

- \* Plastic trees should have testing labels indicating that they are "flame-resistant".
- \* The use of open flame candles is strongly discouraged.
- \* A portable fire extinguisher should be readily accessible in the event of fire. All family members should know how to operate it.
- \* Post the telephone number of your local fire department at each telephone.
- \* Dispose of Christmas wrappings safely and promptly. Do NOT burn them in the fireplace.

If you have any question: about holiday fire safety, contact your local fire department, or the nearest State Police post.

### Jolly Farmerettes

The monthly meeting of the Jolly Farmerettes was held Tuesday, December 13, 1983 at Becky and Cheryl Blumenauers home. There were 9 members and 4 leaders present. We went Christmas caroling to 6 homes and gave out our annual sunshine boxes. The leaders furnished us with a delicious dinner. The next meeting will be January 17, 1984 at Jennifer Bailey's home. Please bring your materials to make a billfold.

The Jolly Farmerettes wish you a Merry Christmas and a Happy New Year.

Reporter,  
Jennifer Bailey

At this time of year, most teenagers clean their rooms weekly - very weakly!

### Middle School Student Council Purchases Protective Padding For Gymnasium

Pictured are: Sara Scully, Renea Drouare, Mr. Fielder, Tracy Day and Jennifer Barnard, all proud of the Student Council's latest project.

Our student council has become very active in raising funds for school improvements. This year they have purchased protective padding for the walls in the gymnasium. The padding will dramatically decrease the chance of injury to our student body during physical education classes and extracurricular athletic events.

This project is not the only thing on the drawing board for this year. The student council has also developed a plan for constructing a small park between the buildings so that our students will have a place to meet and relax during lunch break. Picnic tables, new shrubbery, flower gardens, etc. are just a few of the ideas being discussed.

Student council members for the 1983-84 school year are as follows:

- FIFTH GRADE - Jay Gillow, Jeff Gillow, Jeremy Galbraith and Shannon Salyer.
- SIXTH GRADE - Melissa Hawk, Stacey Wilde, Jamie Weid, Jason Potter, Lynn Marshall and Angie Schaible.
- SEVENTH GRADE - Amy Schnearle, Kim Lee, Annette Wurster and Sherry Rickelmann.
- EIGHTH GRADE - Tracy Day, Jennifer Barnard, Sara Scully and Renea Drouare.

Mr. Richard Fielder is the faculty sponsor for this student organization.

## Birth Announced

Richard and Nicolette Kennedy, 9805 Case Road, Brooklyn, are proud to announce the birth of their daughter.  
 Lindsey Nicole was born at Bixby Hospital on December 18th and weighed 8 pounds 1 ounce and was 20 1/4" long.  
 Maternal grandparents are Ambrose and Wilma Lentz and paternal grandparents are Douglas and Irene Kennedy, all of Manchester.

## High School Boiler

other renovation efforts put together. It seems that every time we turn around there is an additional problem.  
 The major setbacks have been due to the problems of asbestos in which the old boiler was encased. The demolition company to whom removal of the old boiler had been subcontracted failed to take proper asbestos treatment procedures. Taking an extremely conservative approach in order to be certain that no health threat was presented to our students and staff I contacted the Michigan Department of Health for assistance. They assured me that there was no damage to students or staff but were concerned about loose asbestos in the boiler room area and forced the demolition company to properly clean the room. This major delay then forced scheduling problems with the factory boiler assembly team. The problems became compounded. While our primary contractor must retain the ultimate responsibility, many of the delays have been beyond their control.  
 We are in the process of negotiating a price rollback because of the costly delays. I expect that this price reduction will be in the neighborhood of eight percent.  
 Still, with all of the problems and delays we are pleased that we have been able to maintain a regular program with the portable heating unit. We were forced into an abbreviated schedule for a few days but since then have experienced no major difficulties. At this time our belief is that the new heating unit will be in place and fully operational when school resumes after the holidays."

# Christmas 1983 by farley

(The following first appeared in the December 23, 1955, issue of U.S. News & World Report, written by the late David Lawrence, Editor.)

Someday the spirit of Christmas will mean more in national and international affairs than it does today.  
 Someday there will be peace on earth.  
 Someday there will be good will toward men.  
 When?  
 Can it be while men hate each other, deceive one another, envy one another, rob one another?  
 Can it be while men, without basis, question each other's integrity instead of debating issues and ideas?  
 Can it be while those who boast of freedom and democracy are intolerant of the views of others in their own communities and really do not believe in freedom of speech for their fellowmen?  
 Can it be while men malign one another and distort truth just to win an election to public office?  
 Can it be while men in foreign lands conspire to enslave their fellowmen-to imprison them in isolated camps far from their homes and families?  
 Can it be while tyrants deny liberty to the individual and wield the scepters of despotism over millions of helpless persons?  
 Can it be while men who profess to be righteous sit down to bargain with evil regimes and to negotiate a "live and let live" philosophy that openly condones sin and cravenly runs away from the sacrifices so necessary to win a triumph for a cause that is just?  
 Can it be while men surrender principle and morality and excuse their conduct as necessary to meet "political expediency" in international relations?  
 Can it be while we prate of morals and idealism, and then sell our souls amid the hypocrisies of the hour?  
 The world each year is reminded of Christmas in an outburst of generosity toward kinfolk and friends. But the gifts mostly are of material things. The voice of the spiritual is rarely heard above the din of the crowd. We recite the rituals, but do we fulfill the words which speak the true creed?  
 This is an age of decaying morals and of crass materialism. The prophets of old have been silenced. The new prophets urge the advantages of compromise

resources and, above all, rendering unto others the respect and the consideration that equals deserve from one another.  
 We speak of peace as an objective, but we seldom examine the ingredients of peace that comprise the moral force of mankind.  
 For until the spirit that permeated the life and teachings of Jesus nearly two thousand years ago becomes the code of mankind, there will be continuous friction and misunderstanding and perhaps even war.  
 Peoples do not willingly fight one another. Rulers bring on war by misleading oppressed peoples, hiding the truth from them and falsely accusing other nations of threatening attack. It is the oldest crime in all history. We are conscious of its vicious impact today.  
 The lesson in the life of Jesus, well known to all of us but little heeded, is one of martyrdom for a great principle. This principle offers a firm foundation for all human relationships. It is a principle of unselfish concern for and, indeed, love of one's fellowmen.  
 Nations will never manifest it in their relations with other nations until individuals learn its true meaning and give it effect in their daily lives.  
 For the principle of love is not merely affection for each other. It connotes tolerance, helpfulness, willingness to share each other's

## Community Survey Return Called Disappointing

During the Fall semester each post office box holder in the Manchester Community School District received a survey questionnaire with a stamped return envelope asking for information regarding perceptions of the schools. Approximately 2,200 questionnaires were mailed. Only about 150 were returned to the Board offices.  
 The low rate of response to the questionnaire makes impossible any tabulation of meaningful data. All questionnaires have been reviewed by the school administration for a study of comments.  
 Superintendent Gene Thompson stated, "We would like to extend our appreciation to those persons who took the time to respond to the questionnaire and to write out their comments. While a meaningful data report cannot be generated due to the small number of responses the comments were extremely interesting and enlightening. Each building principal has studied all of the written comments for any possible benefits. We are disappointed, of course, that more voters did not respond. However, those who did mail in their completed form should be assured that all comments are carefully studied."  
 Only truth can overcome it, by reaching into the hearts of men everywhere.  
 Someday there will be a real Christmas.  
 Someday the peoples of the world will rise to pay homage to the principles that will assure peace.  
 But the real Christmas will never come through the electric display of slogans or the myriads of tinsel trees exhibited along our thoroughfares.  
 The real Christmas will come when men have discovered within themselves the power that overnight can frustrate any commands issued by the despots.  
 The real Christmas will come when, among nations like our own and our allies, there is an impulse to follow the courageous will of a liberated Conscience.  
 To achieve this emancipation from the shackles of modern ideologies, we must grow a Christmas tree that doesn't wither the day after Christmas—a tree that is nourished within our own hearts and spreads its branches from man to man as it unites us all in a world of eternal love.

**JOY JOY**

We hope Santa has your number and that all good things of Christmas come your way.

**THE VILLAGE OF MANCHESTER**

**Noel**

Let us journey in spirit to Bethlehem and welcome in our hearts the Prince of Peace.

**Manchester Electric Inc.**

### Realism In Toys Makes Your Gift Appreciated

Realism best describes the trend in new toys. Playthings on the market are inspired by popular media figures, especially TV heroes and heroines — as well as people and places in the news and current social trends. Many new toys, games and dolls are based on TV programs, movies and comic books.

In additions to dolls modeled after famous athletes and superstar characters from TV shows, other dolls include action figures, career dolls, and a variety of fashion and traditional dolls.

With the large number and variety of toys on the market today, the following suggestions may help select the right items for children of various ages and interests.

— Don't buy toys impulsively but consider types of toys that capture your child's interest, not the kind that you enjoyed as a child.

— Choose playthings with some degree of realism. Today's children are aware of and stimulated by the world around them. Psychologists say that playthings that are scaled-down models of real-life objects help children become inventive and imaginative in their play.

— Consider a child's age, interests and abilities before shopping for toys. Take note of the age guidelines printed on most toy packages and select playthings that will help children learn new skills and discover new interests, such as arts or sciences or sports.

— Don't overwhelm children with too many new toys at once. Spread your toy budget throughout the year but use birthdays and other occasions to introduce new toys.

One way to keep a Christmas tree from drying out is to put ice cubes in the base of the stand.

In The Mist  
THE TIME DRAWS  
NEAR THE BIRTH OF  
CHRIST; THE MOON IS  
HID; THE NIGHT IS  
STILL; THE CHRISTMAS  
BELLS FROM HILL TO  
HILL — ANSWER EACH  
OTHER IN THE MIST.

### Whole Wheat Is On The Rise

In recent years there has been a trend toward more healthful eating. Along with this trend has come an increased interest in whole wheat baking.

Sales of whole wheat products have grown considerably in the past ten years. Bread sales in that category have quadrupled, and whole wheat flour sales have climbed 31%.

Whole wheat baking can be tricky at times since whole wheat flour cannot usually be substituted one for one for all-purpose flour. Because whole wheat flour is heavier and absorbs more moisture than all-purpose flour, whole wheat baked goods also tend to be more dense and lower in volume. For the novice baker, this can present problems.

A new baking mix, Bisquick Whole Wheat Baking Mix, has been introduced to take the guesswork out of whole wheat baking and provide the cook with a shortcut in preparation.

This tasty Whole Wheat Apricot-Nut Bread is a sure pleaser. The chewy apricots and crunchy nuts are an excellent complement to wholesome whole wheat. Topped with a tasty glaze and garnished with coarsely chopped nuts, it's a delicious meal or snacktime treat. Wrapped in plastic wrap and decorated with a bow, it makes the perfect hostess gift.

WHOLE WHEAT APRICOT-NUT BREAD

- |                          |  |
|--------------------------|--|
| 3/4 cup sugar            | 1 cup finely cut-up dried apricots         |
| 2 eggs                   | 2 1/2 cups Bisquick Whole Wheat Baking Mix |
| 3/4 cup dairy sour cream | 3/4 cup chopped nuts                       |
| 1/4 cup milk             | Glaze (below)                              |
| 1 teaspoon vanilla       |  |

Heat oven to 350°. Grease bottom only of loaf pan, 9x5x3 inches. Mix sugar, eggs, sour cream, milk and vanilla in large bowl; stir in apricots. Stir in remaining ingredients except Glaze until well blended; beat vigorously 30 seconds. Pour into pan. Bake until wooden pick inserted in center comes out clean, 50 to 60 minutes. Cool 10 minutes. Loosen sides of loaf from pan; remove from pan. Cool loaf completely. Spread Glaze over top, allowing some to drizzle down sides. Garnish with coarsely chopped nuts if desired.

- Glaze
- |  |                         |
|--|-------------------------|
| 1 cup powdered sugar                       | 1 teaspoon vanilla      |
| 1 tablespoon margarine or butter, softened | 1 to 2 tablespoons milk |

Mix all ingredients until smooth and of desired consistency.

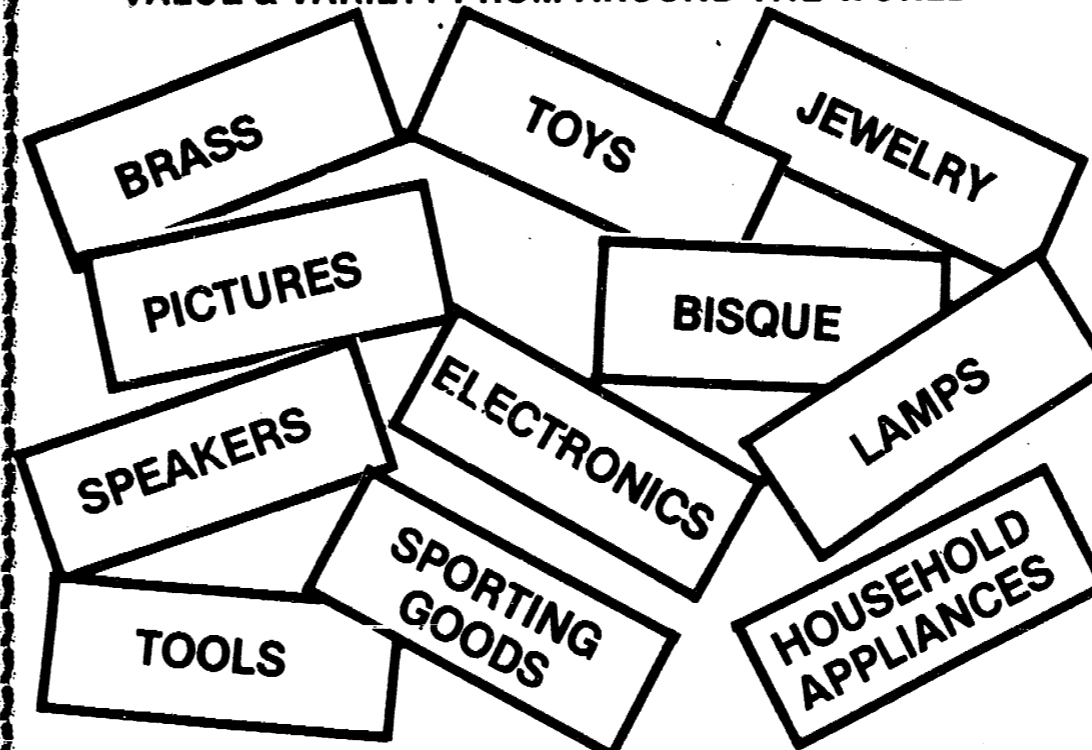

Heat oven to 350°. Decrease sugar to 1/2 cup and baking mix to 2 cups. Increase eggs to 3. Add 1/3 cup whole wheat or all-purpose flour. Bake 45 to 55 minutes.

Bisquick is a registered trademark of General Mills, Inc.
