HIT or MISS by farley

I have a vivid memory of a time when I was some seven or so years of age and was carted off to the hospital to have my tonsils removed. Following the operation I was forced to remain overnight but removed myself back home the next day. (Most every child who had a sore throat or the sniffles in those days had their tonsils removed).

That ended my experience with hospitals and doctors except for an occasional office call for a cold or such—just how lucky can you get—until a couple of months ago when we discovered that our get up and go had got up and went.

After several trips to the doctor's office it was suggested that we have a thorough check-up, one that would show just what was right or wrong with our innards. The results were favorable in most instances but the x-ray portrait of our gall bladder was out of focus it seems and so we were asked to return to the check-up department where our gall bladder was to have its

Christian Unity Prayer Breakfast

January 18th through 25th has been designated as Christian Unity Prayer Week. This year's Week of Prayer for Christian Unity comes at a time when so much in human affairs makes us fearful for the future, a time when we face new threats of peace and survival. It is also a time, however, when there are quiet but strong indications of what God is doing to draw Christians together.

The churches of Manchester will celebrate Christian Unity Week with a Prayer Breakfast on Sunday, January 22nd - this is a change in format from our afternoon worship services of previous years. The breakfast will be held at 8:15 a.m. at the Manchester United Methodist Church. Reverend Father Raymond Schlinkert will be sharing a meditation. Other clergy participating are: Robert Macfarlane, Roman Reineck, Evans Bentley, and host pastor, Thomas E. Hart.

Each church will send a delegation of 12 laity to the breakfast. Six laity from each church will then travel to another church on this Sunday to be recognized and say a word of thanks for the cooperation among the churches of the community. St. Mary's will travel to Sharon, Sharon to Emanuel, Emanuel to Bethel, Bethel to Manchester Methodist, Manchester Methodist to St. Mary's. The other six laity from each church will act as hosts for those coming to their church.

We hope you will be a part of this day either as a delegate or by attending your own church in joining in the spirit and prayers for unity.

portrait made again by a sonar scan.

When we were asked to return to this department and were not told why we were considerably worried for we remembered that this scanner outfit was used to determine the progress being made by pregnant women and we, for a few moments, wondered if we were confronted with a minor or perhaps a major miracle.

After viewing the results of the scan we were told that our gall bladder was filled with stones of varying sizes and that they and it would have to be amputated. So we agreed to have this done and were prepared for the event. We were put to bed to be prepared for the cutting the next morning. Came morning we were trundled up to the operating room where the surgeon awaited us as also did the anesthetist.

That was the limit of our consciousness and we woke several hours later back in our bed feeling not very uncomfortable but found that we had accumulated an incision in our right abdominal cavity neatly stitched and embroidered, and after four or five days of recuperation we were sent home to await the healing process and after ten days or so we had returned to our normal (?) condition, minus one gall bladder and several acute aches and pains. May we compliment the staff for their job and the nursing staff for their kindly sympathetic care afterwards. But there are several questions in connection with this minor affair that we are curious about.

First: What are the tables on the x-ray machines made of and why are they kept refrigerated? They are always kept at a -10 degree temperature and when they come in contact with your bare hide, every nerve in your body is wide awake. Is this a necessary part of the process?

Second: Why do hospital gowns have to be made the way they are. Can't they be made with a bit of sexy style, or if not that can't they be made of gayly colored material. I have never seen so many sad colors-washed out colors which only add to the sadness that the wearer feels when wearing them?

Third: Why do the nurses make their first trip of the day at the unholy hour of 5:19 a.m.? Don't the night shift have anything to do at that time of day? If they don't, can't they just gather around the nurse's station and soak up some coffee and Danish at least until dawn begins to break on the soggy world.

Reflecting on this, we have decided that we have been one of the world's luckiest guys—never having been really ill for even one day in our 80 years of existence. We devoutly thank our lucky stars for our good fortune.

Sacred To The Memory Of The Old Presbyterian Church and Bell

Reprint from the Manchester Enterprise, dated December 24, 1894.

For 40 years it has swung in the belfry, silent most of the time, but standing like a grim sentinel on guard, watching the walls of Zion. If its tongue only had the power of speech what wonderful things it could tell; tales of want and woe and hardship, when our fathers put their shoulders to the burden of erecting the church when every dollar was needed for the support of their families. But "God loveth the cheerful giver," and so it stands as a monument to this day, to their untiring zeal and devotion to the cause of Christ.

What prayers it has heard, some silent but none the less powerful, others wrestling with the Holy Spirit like Jacob of old, all ascending like sweet incense before the throne of God. Those prayer meetings, can I ever forget them? Surely Jesus was often there, we could almost feel His presence with us. Two of the elders of the church were especially gifted in prayer, Dr. Root and Mr. Van Horn, the latter old and feeble, with snowy hair but with indomitable courage and goodness in every glance. When these two knelt in prayer it seemed as if they laid hold of the horns of the altar and that God drew near and listened to their impassioned pleadings. They have gone to their reward and their works do follow them. They rest in the silent city on the hill, where nothing is seen but glistening marble, that points to their home in the skies, but their memories still linger around the hallowed spot, the church that they loved so well.

How many sermons have been delivered from the sacred desk, words of love, of entreaty, with hatred of sin, all calling the sinner to repentance and the Savior's love, burning and glowing as they fell from the speaker's lips. Many of these pastors' voices are silent in death. I recall a few; Pres. Durgin of Hillsdale, Prof. Estabrook of Olivet, Rev. J. Gordon Jones of Coldwater, all gifted men.

How many baby brows glistened with the baptismal water as their parents dedicated them to the service of the Lord, and young men and maidens have knelt to receive their knew names registered in heaven, while tears of joy fell from the eyes of fathers and mothers as they saw their dear ones saved, as a realization of all hopes and prayers.

And the service of song lingers long as a delightful memory of the faithful ones who for many years turned their hearts and voices to God's service.

Our presbyterian choir is a thing of the past, but we can never forget our glorious soprano, alto, tenor and bass. Each and all

did their part and did it well, "without money and without price."

Of the sisters, the "mothers in Israel," who bravely took up the burden that the brothers laid down, too much cannot be said in their praise. Loyal and brave, earnest and true, they toiled for years to keep the "chariot rolling." Onward was their watchword, for God and the right. Mrs. Spencer, Mrs. Perkins, Mrs. Kief, Mrs. Fitzgerald, Mrs. Weir, Mrs. McMahon, all are sleeping in beautiful Oak grove, close to the scene of their labors, all awaiting the summons of judgement. What a blessed assurance when the trumpet shall sound. Only a handful of us remain. The mantle seemed not to descend on the sons, only the daughters. We "hang our harps on the willows" and mourn for the days that will never return.

Dear old church, thou hast passed into other hands, another congregation assembles beneath thy roof. The old bell no longer swings in the belfry, no more will its silver tongue call us in sweet persuasive tones, come, come, come to the house of prayer, come to the church of God. It will call another people, another nationality to worship. Thrice blessed old bell, it needed no other blessing to fit thee for thy work.

About 1850 a man named Parnell came here to lecture on phrenology and finding that there was no bell in the church in which he was to speak, offered to donate the proceeds of his lecture toward purchasing one. He was taken sick here and died, but before he passed away he requested that at death his head should be severed from his body and sent to Prof. O.S. Fowler of New York, and that his body be buried with the feet toward the south in token of his hatred of the slaveholders. We understand that his wishes were complied with and that his bones are mouldering to dust in the old burying grounds on Washington street. (Ed. Enterprise.)

adjusted gross income. Michigan taxpayers will be required to report on their Michigan income tax form their federal adjusted gross income, including any social security benefits taxed by the federal government. But section 12 of the Michigan Income Tax Act MCL 206.12, lets taxpayers base their Michigan tax return on either the current Internal Revenue Code or the code in effect on November 15, 1982. The 1982 Internal Revenue Code taxed no social security benefits. Therefore, Michigan's 1984 income tax forms will provide for a special deduction for any social security benefits included in adjusted gross income.

Social Security benefits will not be taxed in Michigan unless current law is changed. I do not expect that to happen, as there is currently proposed legislation to provide a specific income tax deduction for social security benefits.

What you should do and who you should call when your phone's in a fix.

It isn't very often that you need to deal with telephone repairs, but when you do, you want them taken care of as fast as possible. Now that Michigan Bell has separated from AT&T, there are some changes in the way repair problems are handled.

We have some suggestions for you on how to identify your phone repair problems so that you can get them handled as quickly as possible. But first it's important to know *who* will make specific telephone repairs. For example, effective January 1, 1984:

1. AT&T assumed ownership of the phones Michigan Bell had been providing you for a monthly fee. AT&T will continue to lease those phones to you and will offer repair services.
2. AT&T will also offer repair service for phones that you purchased from Michigan Bell prior to January 1, 1984.
3. Michigan Bell will continue to service and repair the lines that lead to your home or business.

Now let's talk about how you can tell if it's your phone that needs repairing or your phone lines.

Here's how:

- If you have plug-in or modular service, make sure all of your phones are properly plugged in.
- Check all phones for physical damage or frayed cords. If you find damage, it's probably an instrument problem.
- If you have more than one telephone, check them all for a dial tone. If you don't hear a dial tone on any of the phones, you may have a line problem. If you do hear a dial tone on at least one phone, the problem is probably in one of your other instruments.
- If you determine that the trouble is isolated to one instrument at one location, and you have modular service, try that instrument at another outlet or possibly at a neighbor's (if both you and your neighbor have similar one-party service). If the instrument works at another location, the problem may be with a specific outlet. If the instrument does not work at another phone outlet, the problem is probably with the instrument.
- If you have only one phone and it does not appear to be damaged, but cannot be moved to another outlet for testing, call Michigan Bell Repair Service. We will help you determine whether you have an equipment or line problem.

We suggest you clip and save the following phone numbers and keep them near your telephone.

LINE PROBLEMS... On all line problems, call the appropriate Michigan Bell Telephone Repair Service:

Residence	221-2121
Business	221-3131

AT&T INSTRUMENT PROBLEMS...

Residence	1 800 555-8111
Residence Key	1 800 526-2000
Business Single Line: In area code 313 call	1 800 992-2772
In area codes 517, 616, and 906 call	1 800 248-2772
Business other than single line	1 800 526-2000

PLEASE REMEMBER...

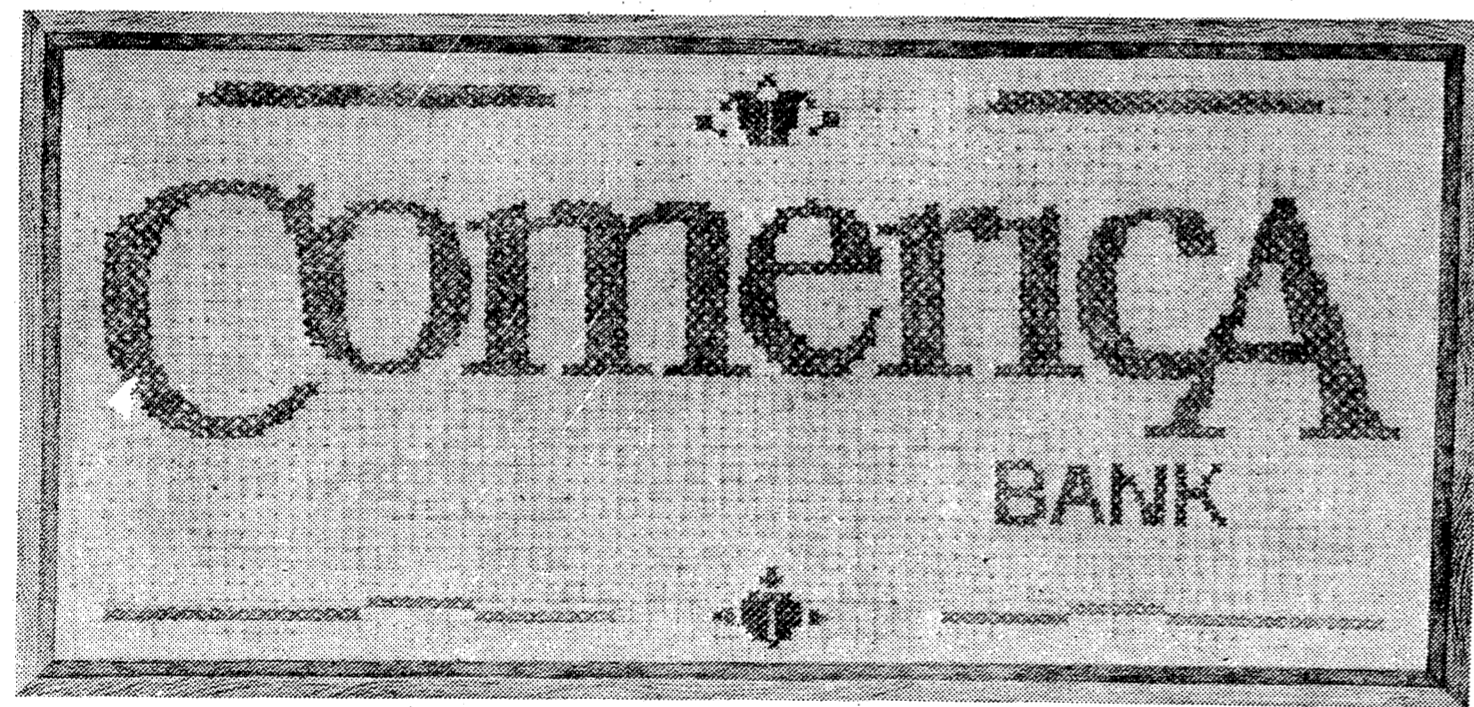

Calling the wrong company for repair service could be costly. For example, if you call Michigan Bell for repair service and the trouble turns out to be in a telephone instrument, you could be charged for a service call and still not have your problem corrected. That's why we've suggested the line and instrument checks before calling anyone.

Michigan Bell can't promise you that you'll never have a repair problem, but we can assure you that we're bringing the same skill and experience to your telephone service repair needs. We want, just as much as you, to keep your service working as it always has.

After all... **IT'S AT&T WE'VE SEPARATED FROM... NOT YOU.**

Facts down the line. Because your telephone business office is busily engaged in normal, day-to-day telephone service matters, we are providing this toll-free number as a source for answers to the questions you may have about your changing telephone company. We also suggest that you watch for our informational messages in your newspapers and in your monthly telephone bills. 1 800 555-5000

Property Tax Assessment Appeal Brochure Published

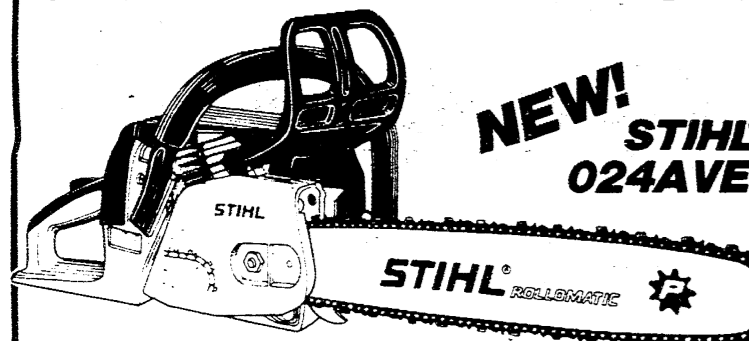

Property owners will soon be receiving their property tax assessment notices. Many may feel that their assessments are unfairly high; unfortunately, they may also feel that it's hopeless to "fight city hall" for a reduction. For this reason, the Michigan Consumers Council has published a brochure to assist consumers in determining whether to protest their assessment and how to proceed through an appeal process.

discussing any errors with the assessor first. Some assessors may be willing to adjust the appraisal, saving the consumer and themselves the nuisance of a formal protest. If the consumer finds it necessary to proceed with a protest, the brochure provides information which will be helpful when it comes to documenting a case before a local Board of Review. It's crucial that consumers observe deadlines. Each township and city has a functioning Board of Review, and all Boards meet sometime between the first week in March and the first week in April. If the protest isn't filed by this time, consumers will have missed their chance to change their assessment.

For a free copy of "How To Appeal Your Property Tax Assessment," consumers can write the Michigan Consumers Council, 414 Hollister Building, 106 W. Allegan Street, Lansing, MI 48933; telephone, 517-373-0947; TDD, 517-373-0701.

Senior Citizens Meals And News

Meals for Senior Citizens, sponsored by Manchester Area Senior Citizens Council, are available at Emanuel United Church of Christ on Tuesdays and Thursdays. Call for information and reservations to Linda Hartmann at the church office: 428-8359. Or phone Jan Nali at 428-7181 Tuesday, Wednesday, or Thursday afternoons.

The menu for Tuesday, January 24 is: Chicken and Biscuits, Vegetable, Fruit, Dessert, Coffee, Tea and Milk. Cards follow the meal for all Seniors whether attending the meal or not.

On Thursday, January 26, they are serving: Hash, Vegetable, Fruit, Roll and Butter, Dessert, Coffee, Tea and Milk. The Exercise Class is at 11:00 a.m. on Thursdays and crafts follow the meal with Ellen Haessler in charge.

This is the last week to get a name in for the Senior News Letter contest, so call Jan with your suggestion and win a prize.

Fun Night is this Saturday at the Old Mill. If you live in the Village and need transportation, there is still time to call Helen Braun, 428-8966, by Friday night. Since the program of music, games, dancing and old movies begins at 7:00, the bus will start picking up clients by 6:45. Besides the program, there will be door prizes donated by Gambles, Mann's Feed Mill and Krauss Rexall Pharmacy. The cost is 50c for all over 50! Rob the cookie jar as you leave home and bring a few to help with refreshments—OK? The monthly potluck dinner meeting of the Senior Club is Wednesday, January 25 at 12:30 at Manchester United Methodist Church. If you are having second thoughts about the changes in the telephone systems, bring your questions to this meeting so the A.T. & T. representative can help you.

At the regular meeting of the Senior Citizens Council, election of officers was held this month. The new president is Mrs. Millard Uphaus; vice-president, Mrs. Duane Braun and secretary, Mrs. Ralph Haessler. Board members are Lee Allan, Mrs. Herman Boelter, Mrs. Everett Dyer, Ray Gonyer, Mrs. Dorothy Hamilton, Mrs. LeRoy Knickerbocker, Mrs. Lauren Leeson, Erwin Paul, Mrs. Franklin Reck, and Mrs. Otto Timmerman.

Manchester Area Historical Society

At the meeting of the Manchester Area Historical Society on January 16, Charles Gaus, Roy Kern, and Herbert Widmayer discussed life in the village as they grew up, attending local schools around the year 1920. Many members of the audience added their recollections about the schools and teachers, businesses, trains (20 each day in Manchester), churches, recreational facilities, hotels (3 at one time), and general activities. Mrs. Don Fowler chaired the program.

During the business meeting, President John Swainson introduced Ms. Dorothy Stockbridge who reported on the Michigan Historical Association meeting she attended in Lansing earlier.

Refreshments were prepared and served by Mrs. Loring Ebersole and Mrs. Robert Little.

Rodrick Morrison Assistant Principal

Association, and member of the police auxiliary.

While at Jonesville High School Morrison was also the head wrestling coach and coached other sports including football.

Morrison received his Bachelor of Science Degree from Western Michigan University with majors in Biology and Environmental Studies. He also received his Masters Degree from Western Michigan University in August of 1980.

"Rod Morrison brings to us youth and vigor which are necessary ingredients for the demanding job of high school Assistant Principal and Athletic Director" stated Gene Thompson, Superintendent. "He has had a wide variety of experiences and has demonstrated time and again his concern for young people."

Bill Bushaw, Manchester High School Principal was in total agreement. "I look forward to working with Rod. He's excited about being with us at Manchester and we all know enthusiasm is contagious! I know he will do a very fine job in his dual role of athletics and administration."

card of thanks

We would like to thank all of our Ann Arbor News customers for being so generous during the holiday season.

Thanks again
Art & JoAnne Herbst
Earl Knickerbocker

To all the beautiful people of Manchester - a great big "Thank-You" for all the love and prayers, cards, phone calls, visits, food, flowers and gifts and the "Get-well" wishes and messages of concern given to my family during both my hospital stays. The one in November for my eye surgery and again in December for recovery from my sudden illness.

A special thanks to Dr. Virginia Johnson, the Manchester Fire Department and Rescue Unit, The Manchester Police Department and the Huron Valley Ambulance Service for their very quick response and expert care.

To Reverend Tom Hart and my church family for many visits and prayers.

To Reverend and Mrs. Robert Macfarlane and the beautiful little carolers for their songs and the lovely basket of fruit.

To good neighbors for their concern.

To my dear family for just EVERYTHING.

It is so great living in a community that when a person needs help, it is there. You people really do care.

Love and Thanks to all.
Sincerely,
Tootie Armentrout

The Justo Burgos family wish to express their sincere appreciation to the Manchester Township, Chelsea and Grass Lake Fire Departments for their quick response to our call on Christmas Eve.

To all of those who so generously donated money, clothing and furniture to us after the fire destroyed our home we owe a debt of gratitude.

And a very special thank you to Mrs. Claire Reck and the Manchester Family Service and to the American Red Cross for their assistance.

SEC. 491. The inspectors of election or primary election in this State, or in any District, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the Township, Ward or Precinct in which he offers to vote. (As provided under Act 116, P.A. 1954.)

TRANSFER OF REGISTRATION, APPLICATION, TIME
SEC. 506. A registered elector may upon change of residence within the Township, City or Village cause his registration to be transferred to his new address by sending to the Clerk a signed request, stating his present address, the date he moved thereto, and the address from which he was last registered, or by applying in person for a transfer. The Clerk shall strike through the last address, ward and precinct number and record the new address, ward and precinct number on the original and duplicate registration cards, and shall place the original registration card in proper precinct file. Transfers shall not be made after the 30th day next preceding a regular or special election or primary election, unless the 30th day shall fall on a Saturday, Sunday or legal holiday in which event registration transfers shall be accepted during the following day.

TRANSFER OF REGISTRATION ON ELECTION DAY
SEC. 507. Any registered elector who has removed from one election precinct of a Township, City or Village to another election precinct of the same Township, City or Village and had not recorded such removal with the local Clerk shall execute a transfer of registration request, listing the new residence address thereon over his signature, with the election board in the precinct in which he is registered at the next ensuing primary or election. The inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicant's registration record and if the signatures correspond, then the inspector shall certify such fact by affixing his initials upon said request. The applicant for transfer, after having signed an application to vote as provided in Section 523 of this act, shall then be permitted to vote in such precinct for that primary or election only. The application for transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the name of any street in a Township, City or Village has been changed, it shall be the duty of the Township, City or Village Clerk to make the change to show the proper name of the street in the registration records, and it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote.

Family Services Says Thank You

As the Burgos family thank you for your help, Manchester Family Service also thanks everyone for pitching in. Of course the Red Cross supplied the initial housing at the Jackson Holiday Inn for Christmas Eve for the stricken family that cold, cold, time and offered assistance with insurance and personal needs until the local agency could take over. Almost immediately housing was made available in the "home area" through the Harold Strahles and recovery began. From then on, furniture, clothing, household equipment and furnishings as well as monetary assistance poured in. It is impossible to list everyone who gave and offered the necessary things or those who trucked in furniture and equipment. Christmas spirit was never more obvious—it was heart-warming indeed. Since Manchester Family Service was handling the monetary funds, the agency wishes to report and thank those who donated the cash that is so important at such a time, especially since all the Christmas gifts had gone up in smoke: The James Pratts, the Omer Robbins, the George Goodells, the James Sahakians, the John Sahakians, and the John Sauters.

The moral to the story is: please make in inventory of YOUR home now and put it in a safe place as your insurance agency has always suggested. Mrs. Burgos can tell you what a headache it can be to make such a list for just one room that has disappeared!

The King's Daughters will meet at the United Methodist Church at 1 p.m. on Thursday, January 26th.

SONS OF LEGION
The sons of the American Legion will meet Thursday, January 19th at 7:30 at the Legion Hall.

BAND BOOSTERS
On Wednesday, January 25, 1984 at 7:00 p.m., the Band Boosters will meet in the high school library. All parents of band students and others interested in our band program are encouraged to attend.

Dutch Wrestlers Place Well In News Wrestling Tournament

Bob Curley was a medal winner in the prestigious Ann Arbor News Wrestling Tournament at Ann Arbor Huron High School last Saturday. Bob was 2-2 in the 145 lb. class with wins of 8-3 over Bradford of Saline and 7-5 over Clark of Huron to earn a 6th place medal in a field of 13.

Joey Deacons was 1 and 2 at 119 lbs., posting a 5-3 win over Beck of Saline in the first round. Also participating in the tournament, which was double elimination after the first round, were B.J. Lee (98), Shawn Ion (112), Steve Vleck (155) and Jeff Daubner (185).

Intense competition came from all schools in the county, plus Belleville, Brighton, Pinckney and Tecumseh. The 126 lb. class was won by Scott Blackmore of Saline, who also earned trophies for "Most Pins in the Least Time" and "Most Outstanding Wrestler."

Grass Lake came to town January 12th and the Dutchmen found themselves on the short end of a 54-20 score. Thirty of Grass Lake's points were scored on forfeits in empty weight classes and 12 of Manchester's.

The Dutch earned points with Bob Curley's 6-5 win at 145 lbs.

Manchester 7th grade defeated Grass Lake for the second time this season by a score of 39-9. The Dutch got off to a 19-4 1st quarter score and never looked back. It was a well played game, as the Dutch had only 7 turnovers for the evening. Mike Brokaw and Tom Mann led the scoring with 10 points each. Jason VanDeven scored 8, Dan Rigg had 4 points, Derek Clark 2 points, Andy Hunt 2 points, Greg Lee 2 points and John Korican 1 point.

The Dutch traveled to Clinton to play its arch-rival "Redskins" and came away with a 35-19 victory. A good Dutch defense which had 26 steals, led by John Korican with 6 steals and Tom Mann with 12 rebounds, held Clinton in control. Clinton was kept to 4 points or less in three of the four quarters. Scoring for the Dutch: Jason VanDeven 8 points, Tom Mann 7 points, Greg Lee 6 points, John Korican 4 points, Brad Macomber 2 points, Mike Brokaw 2 points, Brian Pratt 2 points, Dan Rigg 2 points, and Steve Samonek 2 points. Playing good floor games were Andy Hunt and Brian Barnard. The 7th grade record is now 5-1.

An enrollment charge of \$16 will cover the cost of the textbook and instructional materials. Additional family members may take the course for \$8 each. A certificate will be presented to those who successfully complete the work.

For additional information about the course and pre-registration call 313/426-2902.

Subjects to be covered by the course include: Nautical terms, how a boat sails, maneuvering and boat handling, weather, equipment requirements, basic seamanship, piloting, engines, trawling, marine radio telephone, legal requirements and rules of the road, and marlinespike seamanship (knots and splicing). Class coordinator for the course will be James S. Schlee, public education officer for Flotilla 17-03, assisted by other flotilla instructors.

Master Gardener Program Offered

How would you like to improve your gardening skills while helping others in your community? If so, the Master Gardener program is just for you. The Master Gardener program is a ten-week training program held by the Washtenaw Cooperative Extension Service. Participants will gain knowledge in all facets of gardening—vegetables, houseplants, trees and

shrubs, fruit and lawns. At the conclusion of the class, students must pass a comprehensive test.

Participants are required to donate 30 hours of their time during the gardening season to community projects. These range from giving garden talks and demonstrations, answering garden questions in the Extension office on the phone, working with youth or seniors on gardening projects, writing articles, or maintaining an exhibit garden at the County Service Center.

Meetings are held for ten consecutive Wednesdays starting February 1 through April 4 in the Washtenaw County Service Center. Class times are 10 a.m. to 3 p.m. with an hour break for a sack lunch. The fee is \$30, including materials. To apply for the class, call 973-9510 and ask for a registration form. Enrollment is limited.

Appointed To Trust Fund Committee

The Board of Trustees of the Michigan Veterans Trust Fund hereby announces the appointment of Mr. Louis Freeman, 817 Frederick, Ypsilanti to serve as the American Legion representative on the Washtenaw County Veterans Trust Fund Committee, for a term ending December 31, 1986.

Last year, the Washtenaw county committee assisted 285 veterans, widows and dependents of veterans for a total of \$44,034.42. Throughout the State of Michigan, county committees assisted 26,471 veterans, widows and dependents, with a total expenditure of \$2,133,271.24.

Local Youths Can Participate In Statewide Program

Washtenaw County young people yearning for an opportunity to develop their skills in dance, drama, or vocal or

instrumental music are eligible to participate in the 1984 Performing Arts Program, says Charlene Berels, County Extension 4-H Youth Agent.

Members of the 4-H Performing Arts Program then have the opportunity to join the 1984 Michigan 4-H Performing Arts Troupe.

"The arts program is an excellent opportunity for young people to acquire self-confidence while learning valuable artistic skills," explains Berels. "The Michigan 4-H Performing Arts Troupe gives members a chance to travel and meet new people across the state."

A series of in-depth arts workshops will be held on weekends in January through March for all interested young people. Workshop participants must be at least 13 years of age. Berels points out that participants aren't required to have an extensive background in the performing arts to attend the workshops.

Young people interested in troupe membership must be at least 15 years old by February 1, 1984, and no more than 18 years old or in their last year of high school.

Over the past four years, the Michigan 4-H Performing Arts Troupe has entertained more than 100,000 people through the Midwest. Major appearances include performances at the Pontiac Silverdome, the Upper Peninsula and Michigan State fairs, Boblo Island and the Grand Rapids Arts Festival.

The troupe has also performed with a variety of professional acts, including the new Christy Minstrels, the Sunshine Express and the internationally acclaimed Arete Mime Troupe.

According to Berels, musicians are especially needed for the coming troupe season, but any young person interested in honing his/her performing skills is invited to apply for membership. Interested youths don't have to be current 4-H members, but they must agree to enroll in a 4-H arts project in Washtenaw County upon acceptance as troupe

members.

Two weekend rehearsal camps will be held for members of the Michigan 4-H Performing Arts Troupe, as well as residency and preview programs at MSU's Wharton Center for Performing Arts, the home of the Michigan 4-H Performing Arts Troupe.

There are no membership or application fees for the 4-H Performing Arts Program. Participants are responsible for their transportation to and from workshops, camps, rehearsals, and preview and residency programs. Troupe members are responsible for costs of approximately \$100, which cover meals and lodging for the troupe preview weekends, camps I and II, a T-shirt, a leotard/shirt, dance shoes, scripts and music.

The 4-H Performing Arts Program activities are made possible in part by a grant from the Michigan Council for the Arts. For registration forms or additional information about the 4-H Performing Arts Program and/or the Michigan 4-H Performing Arts Troupe, contact Berels at the Washtenaw County Cooperative Extension Service office or call 973-9510.

Registration forms for workshops must be completed prior to participation in any program activities.

American Legion Auxillary

The American Legion Auxillary met at the Legion Home on January 11, 1984 with 16 members present.

Reports were given by various committees. By unanimous decision, we will subscribe to the Legislative Bulletin to be available at the Manchester High School Library and the Manchester Township Library. The Ann Arbor Veterans Hospital will also be the recipient of a subscription to the Legislative Bulletin.

T.V. Ludwick read off a list of the many items needed by V.A. Hospital patients. If anyone is interested in knitting, crocheting or sewing lap robes, slippers, tote bags or other miscellaneous items for the patients, patterns can be obtained from T.V. We were also encouraged to visit V.A. Hospital during the month of February.

The next meeting will be held February 8, 1984 at 7:30 p.m. at the Legion Home. Refreshment committee will be Deslyn Johnson, June Jenter and Cindy Wurster.

Dutch Sports In Action

By Jon Hardenbergh

Every weekday was filled with athletic action and some good and sad came from these outings. We saw volleyball on Monday and Wednesday along with roundball on Tuesday and Friday. On Thursday, I witnessed our wrestling squad take on Grass Lake. Up-coming Manchester sport events are: Thursday, our wrestlers host Vandercook Lake while the volleyball team travels to Hanover-Horton. The basketball squads find themselves in East Jackson on Friday then host Michigan Center Tuesday, January 24. On January 23, our

Mike Agin scored 19 Tuesday against Grass Lake

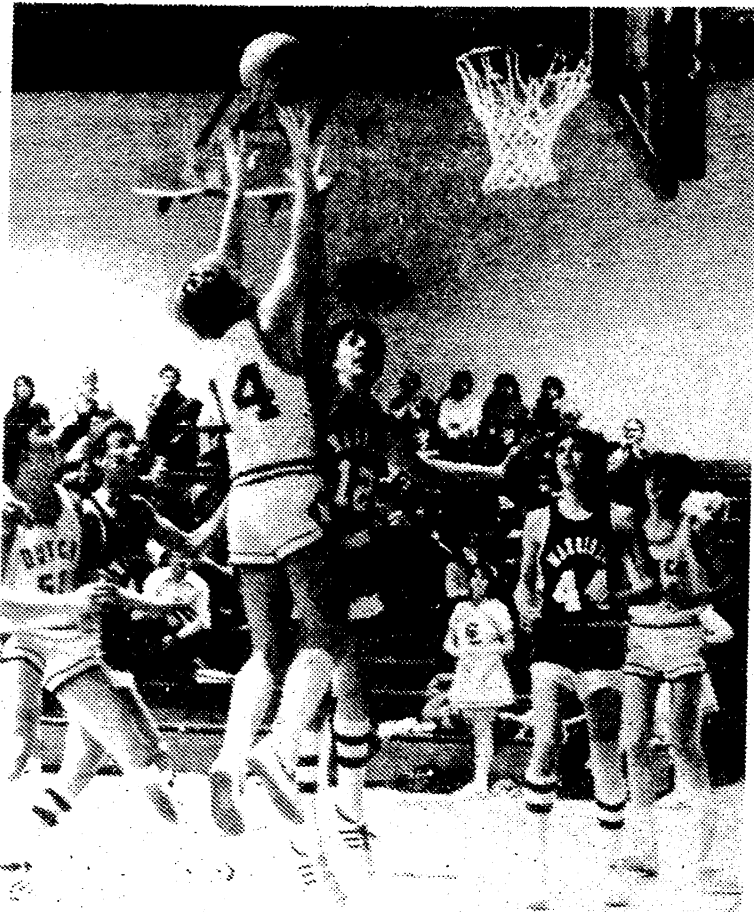

spikers welcome Vandercook Lake.

Monday past, our volleyball squad downed Onsted, 17-15 and 15-8. Jenny England had a big night as she whacked 19 spikes while Lisa Ricklemann followed, hitting 17. The setters also had good nights as Sarah Platt totaled 25 as Teresa Rose had 21.

On Tuesday, the Grass Lake Warriors came to town to play a league basketball game. The first event of the night saw our J.V.'s continue their dominance over Cascade foes by winning 45-38. Our varsity bunch flew out of the box and opened a 14-6 lead to end the first period. Sixteen minutes later we were in great shape 38-28 with 1 period to go. Unfortunately the Warriors clawed and clawed to overtake us and win 56-53. Our 2 big scorers were Mike Agin and Pat Ridenour as they popped 19 apiece. Our overall record is 5-3.

Our losing streaks continued Wednesday and Thursday as our volleyball squad fell to Napoleon and our grapplers lost to the Warriors.

Friday was a super night as we welcomed the Pirate dribblers from Napoleon. Our J.V.'s upped their record to 9-2 with an impressive 48-42 victory. Our varsity took the opening tip and just proceeded to do away with Napoleon. It was a great team effort as all played and most tallied. The horn sounded and we sat atop 64-47 to put our Cascade league record at 3-1. Pat Ridenour gunned for 15 as Mark Ball bombed for 13.

Fetal Alcohol Syndrome

During National Fetal Alcohol Syndrome Awareness Week, the Washtenaw-Livingston Unit of the March of Dimes is continuing its efforts to tell the public about the hazards of drinking during pregnancy.

Fetal Alcohol Syndrome (FAS) has been recognized during the last decade as one of the leading known causes of mental retardation in the newborn. It is not known whether there is an absolutely safe level of alcohol consumption during pregnancy, or if consuming small amounts still poses some risk.

Congress has declared the week of January 15 National FAS Awareness Week. As part of its mission of preventing birth defects, the March of Dimes has supported research in FAS and does extensive public health education about the impact of alcohol and other maternal health habits on the health of the unborn baby.

The effects of alcohol on the fetus are probably felt very early in pregnancy, possibly even before a woman knows she is pregnant. That is why women planning pregnancy - preparing for conception, so to speak - must be made aware of the effects drinking may have.

Among pamphlets available free of charge from the March of Dimes are: "Drugs, Alcohol, Tobacco Abuse During Pregnancy", "Pregnant? Before You Drink, Think"; and a booklet, "Be Good to Your Baby Before It Is Born". Interested persons may contact the March of Dimes at 761-6331.
