## Rock Products Company Making Progress Eugene Bentschneider Retires After Thirty Years In Business

This is a reprint of the Manchester Enterprise, dated January 30, 1930

**They Have Gone Ahead With Their Building Operations Despite Much Bad Weather.**

Officers of the new industry located on the Merithew farm in the western part of the village have shown their courage in planning, developing and building temporary quarters in which to operate during the winter months, so when spring comes they will have, not only samples of their products, but a fair amount of finished products to take care of some of their first customers.

A visit to the plant last Saturday was really a surprise to the Enterprise because we found a sizable gang of men busily engaged. Many thousand concrete blocks have been made and might have been delivered but the company has not yet put a side-track to the plant but expect to do

so in the spring. Undoubtedly some blocks will be delivered by truck before the track is finished.

The engineer at the plant says that with the one machine they are able to turn out 180 blocks an hour and when the new building is constructed other machines will be installed and a larger force of men employed to meet the demand, as they have succeeded in constructing a block to meet great building requirements. They have also succeeded in discovering how to color the blocks, pink, red and other colors. They seem certain that they have struck an exceptionally fine quality of sand and gravel here and aim to make the sale of both a leading part of the business when fully developed.

They will make blocks of various sizes and colors. There is material enough on hand to keep a big business going here in Manchester for years, which we believe will be of great benefit to the business interests of the village. Messrs. Bowman and

Alfred are the engineers and managers of the company but have other men associated with them in the business.

Sample blocks of their products are on display at the Peoples Bank, the Enterprise office and at other places.

### Athletic Boosters Sponsor Hockey Game

How can you have an inexpensive fun-filled evening for the whole family and contribute to the Manchester Athletic Boosters at the same time? Just plan to attend the fourth annual hockey game between the Manchester Raisin River Flyers and the Washtenaw County Police Team.

Ted Lindsay, former player, coach and general manager of the Detroit Red Wings, will again be Manchester's "secret weapon."

Admission is a modest \$2.00 per person, with age 10 and under free. Circle the date, Saturday, March 24.

## Eugene Bentschneider Retires After Thirty Years In Business

Eugene Bentschneider, who has been a partner at Manchester Tool and Die, has announced his retirement after thirty years in business.

In March, 1954, he, together with Clarence Fielder, started the Manchester Tool and Die.

Both men are tool and die journeymen serving their apprenticeship with the Ford Motor Company at the former Manchester Plant. In September, 1952, they left Ford Motor Company to work at Ratel Television in Grass Lake. It was during this time that the two men decided to go into business for themselves. So, keeping their steady jobs, they set up shop in the Fielder's garage. After their regular work day they spent many hours working in their garage shop. Bentschneider was the first to leave Ratel and worked alone in the garage shop while Fielder joined him on the night shift. The shop outgrew its location and a site was sought to build a larger shop. Ted Stautz owned land adequate for the building and at this time he also joined the partnership. The men were also partners in Manchester Stamping Corporation which they started in 1963 with Ted Stautz as president of the Company. Fielder and Bentschneider continued to manage the Tool and Die Company. The present building on Austin Road was built in 1966. In 1978, this operation was sold to Wayne Hamilton and Richard Govan, the present owners.

Ted Stautz retired from the companies in 1982. Ted has been active in many community projects having served on the Fair Board as President for many years and was chairman of the United Fund drive. He has also worked on many athletic, church and community committees—being a member of the Manchester Fire Department. Ted resides in Manchester with his wife, the former Norma Wurster.

Bentschneider has served as Village President and councilman. He was instrumental in organizing the Athletic Boosters Club being its first president. He has served as United Fund chairman and was a member of the Board of Education. Presently he is co-chairman of the Manchester Chicken Broil. Eugene lives in Manchester, with his wife, the former Marjorie Alber.

Fielder has bought out the interest in the Manchester Tool and Die and will continue its operation together with his sons Ronald and Patrick who have earned their journeymen cards at Manchester Tool and Die.

## Dutch Capture Cascades Title

By Jim Krzyzaniak

Vandercook Lake came to town Wednesday in an attempt to prevent the Dutch from capturing the Cascades title outright. Vandercook Lake had a very talented and tall team, but the Dutch as they have all year rallied as a team under Coach Bartels, and took the Cascades title outright winning in dramatic style 64-63.

In the first quarter the action was fast up and down the court as

a very pumped up Vandercook Lake team led 20-14. In the second stanza Vandercook Lake still controlled the tempo and led 32-27 at halftime. The Dutch seemed to play kind of a sluggish first half. As the third quarter began Vandercook Lake came out and scored the first three baskets, and boosted their lead to eleven points with five minutes remaining in the third period. The Dutch rallied somewhat in the final five minutes but trailed as the fourth began 52-45. Vandercook lake had led the

whole game. In the fourth period the action became very exciting as the Dutch cut the lead to one 56-55 with four minutes remaining. At this point Vandercook Lake seemed to lose their composure as they turned the ball over several times. The Dutch were led in the fourth quarter by Mark Ball and Mike Agin as they each made key baskets to propell the Dutch to a tie 58-58 with 2:40 left in the fourth period. The action remained close and the score was tied at 62-62 with one minute to

play. Vandercook had control of the ball and worked the ball around playing for the last shot. They called time out with :14 seconds remaining to set up the last shot. They worked the ball around and missed, the Dutch's John Blumenaur was fouled on the rebound with :01 second remaining. He sank the first end of the one-and-one but a excited Manchester crowd filed onto the court and the Dutch were assessed a technical foul. But John calmly made his second free

### Sharon Church Lenten Services

On the Wednesdays during Lent that there is not a community Lenten service, there will be a special service at Sharon United Methodist Church. As with all services, anyone is welcome to attend.

Wednesday, March 14, at 8 p.m. Rev. Evans Bentley, pastor at Sharon Church, will tell of his recent trip to the Holy Land and will also show slides to illustrate his talk.

Wednesday, March 28, at 8 p.m., Mr. Richard Arnold will bring a special message on "The Thief on the Cross." Dick is presently working with prisoners in Jackson; there will also be special music by a quartette.

Wednesday, April 4, at 8 p.m., Rev. Ronald Iris, former pastor at Sharon and now pastor at Elkton United Methodist Church, will be speaking.

### CPR Class Offered

Manchester Community Education is offering a CPR class

taught by the American Red Cross, Washtenaw Chapter. The class will run for three weeks, beginning on Thursday, March 8, 1984 from 7:00-10:00 p.m. in the Manchester High School Library. The cost of this course is \$2.50 to cover the cost of the book. To register, call Manchester Community Education at 428-7804 or send your name and address to 710 E. Main, Manchester, MI 48158.

### Coming Home Week A Great Success

How do you bid the mid-winter blah's a fond farewell? Try participating in a high school coming home week. The activities this week at Manchester High School certainly did a lot to lift peoples' spirits and to prepare us for spring. The festivities began with each day of the week designated with different themes. These included Slum Day, International Day, Tourist Day, Blue and White Day, and No-Sweat Day. On Tourist Day, students dressed in straw hats, sunglasses, burmuda shorts, and Hawaiian shirts and carried cameras, binoculars, and maps. The teaching staff was re-assigned to teach in different subject areas. The voice of Sheryl Hall, our business teacher was heard singing Hansel and Gretel in German and Greg Ollis, the gym teacher was instructing students in dangling participles and prepositional phrases.

During the week, students voted for Mr. Legs. After a heated election that paralleled the Iowa Caucuses, the winner was announced. It was none other than Mr. Cal Wilkinson, our new Biology and Chemistry instructor.

Friday morning, when students arrived at school, they were greeted with hall decorations. The sophomore hall was decorated with maroon and gold and "Garfield Comics". Students were heard to exclaim that it was a jungle in the junior hall as it was decorated with grape vines and spooky looking critters. Seniors decorated their hall in a blue and white motif.

At a pep assembly on Friday

afternoon, the students competed in tug-of-war contests, were led in "Symon Says" by football coach Jim Fielder and watched a re-creation of the dating game. Three basketball players discovered the girl of their dreams and in each case it turned out to be their mother. In addition, the Coming Home King was announced. This year it was junior Brian Finkbeiner.

The events of the week ended successfully Friday evening with a difficult triumph over East Jackson in a basketball game that clinched Manchester a tie for the Cascade League Championship. After the basketball game students attended a dance sponsored by the High School Band.

### Animal Science Leader Seminar

On March 8 a special Animal Science leader seminar will be held at St. Andrews Church Hall in Dexter for 4-H leaders in the Beef, Sheep, Swine, Horse, Dairy Cow and Goat, Rabbit and Poultry 4-H project areas.

Michigan State University specialists and assistants Dr. Gale Baumgardner, Dr. Sam Verghese, Ken Gallagher, Ken Guens and Keith Forbush will be providing program information on specific projects and leader/member 4-H opportunities. Sample topics include: Teaching techniques, project selection, trends in the livestock industry, record keeping, animal diseases, judging teams and state events, to name a few.

Over 50 participants are expected to attend the 9:30 to 3:30 all day workshop.

### Community-Wide Ash Wednesday Worship At Emanuel Church

On Wednesday evening, March 7, at 8 p.m., Emanuel United Church of Christ will be host to the people and congregations of the various Churches in Manchester, for the Community-wide Ash Wednesday Service of Worship.

Together, they will be ushering in the season of Lent, with this traditional and solemn occasion of blessing and receiving the gift of ashes, as a reminder of the

sacrifice or our Lord upon the Cross.

This Service of prayer and consecration will also provide us opportunity to hear once again the beautiful Lenten music of the season. Under the direction of Organist Marjrim Thoen, the Emanuel Church Choir will provide two anthems, and Miss Dawn England will play the Trumpet.

Save the date of Wednesday, March 7th at 8 p.m. Join with the people of St. Mary's Church, Sharon and Manchester United Methodist Churches, and Emanuel United Church of Christ.

### Science Fair

This year's Southeastern Michigan Science Fair will be held this year March 30 and 31 at Washtenaw Community College. Junior and senior high school students from Hillsdale, Lenawee, Livingston, Monroe, and Washtenaw counties will exhibit scientific displays and compete for prizes at the event co-sponsored by the Ann Arbor Exchange Club, the University of Michigan, and the Ann Arbor News. Its purpose is to encourage and reward student interest in science and mathematics, and to display local students' talents to the public.

First and second place winners at the Fair receive expense-paid trips to the International Science and Engineering Fair, cash, and commemorative medals. Other prizes include cash awards from \$50.00 to \$15.00.

Interested students can contact Dr. John Rosemergy at 994-2162, the Exchange Club at 763-2596, or school science teachers for more information and entry forms. Entries must be submitted two weeks before the fair.

### Wrestling Finals

Jeff Daubner, Coach Dan Jordan and a small but loyal

following have returned from the Class C wrestling finals near Grand Rapids last Saturday. Manchester fans were proud to have an entrant in this prestigious event that included over 200 of the state's finest wrestlers. Seventy-four different schools were represented, and 377 individual matches were wrestled.

In spite of a shoulder injury Jeff (185 lbs.) proved he was qualified for such stiff competition with a 17-8 victory over the third place wrestler from the Bronson Regional. His next match, against a wrestler with a 46-1 record, he lost only 11-8. Another loss by just 3 points, 6-3, eliminated him from the rest of the two day tourney.

Approximately 1,400 wrestlers competed in the first round of Class C competition at the District level. Four hundred sixteen advanced to Regionals, and 208 competed at State. Good work, Jeff!

### "The Breakup And You"

To shed light on the AT&T breakup and the many new options left in its wake, Washtenaw Community College has planned a public information session "The Breakup and You: A Practical Look at Your New Telephone Choices" for Monday, March 12 from 7:30-9:30 p.m. This free program moderated by George Goodman, Director of the Michigan Municipal League, will feature a panel discussion with telephone company representatives, question and answer periods, and a display of telephone equipment.

The event will be held in the College Theatre, first floor of the Liberal Arts and Science Building on the College's main campus at 4800 East Huron River Drive. There is no charge and the session is open to the public. Free parking on campus is provided.

### Michigan Mathematics League Contest

Manchester Middle School students are participating in the Michigan Mathematics League Contest for the second year.

Seventh and eighth graders were tested on February 15 while the 9th and 10th graders were tested on March 6. The top five scores from each grade were added together to make a team score for Manchester. The top five scorers from the seventh grade were Linda Hansen, Bryan Pratt, Lyle Portice, and Michelle Sannes with Julie Post, Rod Rodriguez, and Steve Samonek tying for fifth. Eighth grade high scorers were Jackie Miller, Dan Dezarov, Matt Royle, Kris Miller, and Amy Feider. The team scores have been submitted to the Michigan Mathematics League for competition against other schools in our region. Results are to be here by May 21.

children in the southwest, Spanish Americans and Blacks to provide protein concentrate and U.S. government surplus food. The stamps are sent to Mission Control Center and they in turn sell the stamps to world wide stamp dealers.

The American Legion Auxiliary is asking that area citizens and businesses save all U.S. and foreign stamps. Process the cancelled stamps by leaving at least 1/4 inch around them (or the Auxiliary will trim them for you). A box for the stamps has been placed at Great Lakes Federal, or any Auxiliary member would be happy to accept your stamps.

### Tuesday Singles

Come alone or come with a friend. Be our guest at the Tuesday Night Singles at the American Legion Hall, South Main Street, Ann Arbor on March 13th. Dance from 8:30-11:30 p.m. to the music of the Wally Duda Band. Good time by all.

This week there will be a special monthly dinner at 7:15 p.m. before the regular dance. For more information call 482-5478 or 971-4480.

### A Way To Help Others

One way to help others is to save cancelled postage stamps. Monies derived from their sale goes to Navajo and Pueblo Indian

### Manchester Students Excel On State Tests

According to recently released statistics Manchester students at every grade level exceed the average for students tested throughout the state on the Michigan Educational Assessment Program. The MEAP is designed to measure skills in reading and math at grades 4, 7, and 10.

The greatest difference was observed in the 4th grade where 85% of the Manchester students mastered at least 75% of the tested skills. Ninety four percent of the 4th graders scored at the mastery level in math.

Manchester scores dipped slightly in the 7th grade on both reading and math. However, the same was true throughout the state. Eighty-one percent mastered 75% of the skills in reading while 68% of the Manchester students scored at the top level in math.

Tenth graders also exceeded state averages. A high of 91% of the 10th graders mastered at least 75% of the tested reading skills. Sixty-seven percent of this group were in the upper category in math.

Superintendent of Schools Gene Thompson commented, "We continue to be pleased with the numbers of our students who are scoring in the upper level in reading. These scores demonstrate the success of our programs and the good job our teachers are doing at all levels. While our math scores look good at the 4th grade level we are concerned about the falloff in grades 7 and 10. The fact that the scores also falloff throughout the state is some indicator that the problem may be with the tests. However, our intent is to focus on these areas during the coming year to be certain that we are doing everything possible to insure that our students have mastered the necessary basic skills."

Michigan Educational Assessment Program Date - Percentage In Top Quartile

	Manchester	Michigan
GRADE 4		
Reading	86%	76%
Math	94%	81%
GRADE 7		
Reading	81%	80%
Math	68%	64%
GRADE 10		
Reading	91%	80%
Math	67%	64%

Janice Marie Coval

Craig Douglas Little

Janice Marie Coval and Craig Douglas Little were united in marriage on January 28, 1984 in an evening service at St. Andrews Catholic Church in Saline with Father Noelke performing the ceremony.

The brides parents are Mr. and Mrs. David Little of Manchester. Parents of the groom are Mr. and Mrs. Herman Coval of Ann Arbor.

The bride chose a gown of white taffeta with nylon and lace over the taffeta and matching lace on the veil. She carried a bouquet of white miniature carnations, pink sweetheart roses and baby's breath.

Pam Martin of Manchester was maid of honor. She was attired in a long gown of pick taffeta and carried a bouquet of pink and white carnations and mums. Bridesmaid was Amy Little, sister of the groom of Manchester. Her

gown and flowers were the same as the maid of honors.

Russell Hough of Manchester served as best man while James Coval, brother of the bride, of Ann Arbor was usher.

A reception followed at the Freedom Township Hall in Pleasant Lake. The couple spent their honeymoon in Ft. Meyers, Florida.

### Birth Announced

Mr. and Mrs. John Gialanella of Manchester are announcing the birth of a son, Nicholas, born February 28, 1984. He weighed 7 pounds 8 ounces and has a brother John Andrew 2 years old.

Paternal grandparents are Mr. and Mrs. J.A. Gialanella of Ann Arbor, maternal grandparents are Mrs. Pauline Waller of Winton Salem, N.C.

## NOTICE MANCHESTER TOWNSHIP PROPERTY OWNERS BOARD OF REVIEW MEETING

Notice is hereby given to all persons liable to assessment for taxes in the Township of Manchester, County of Washtenaw, State of Michigan. That the assessment roll of said Township as prepared by the assessing officer will be reviewed by the Board of Review at:

MANCHESTER TOWNSHIP HALL  
275 SOUTH MACOMB STREET  
ON  
MONDAY, MARCH 12, 1984

## Agriculture In Action

### CRITIC RATING RILES BEAN BOOSTERS

The menu in the U.S. Senate dining room states that "Whatever uncertainties may exist in the Senate of the United States, one thing is sure: Bean soup is on the menu...everyday." Michigan citizens have always been proud that the bean soup served daily in both the Senate and House dining rooms is made of Michigan navy beans. They're proud, too, that Michigan is the only state that has a product printed on the Senate menu, that pride took a blow recently when a French food critic described their Michigan bean soup as "friendly, but bland." Not a bad rating, perhaps; French food critics are tough to please. But not good enough for two of the state's boosters—the Michigan Bean Commission and the AAA Michigan Living magazine.

They are conducting a contest to select the state's best bean soup recipe, with the winner of the contest going to Washington, D.C. to prepare the soup for Michigan's congressional delegation and members of the U.S. Senate. They're certain the ratings of that prestigious group for the prize-winning recipe will be higher than that given by the French food critic.

The distinguished panel of judges who will decide which of five finalists will take his or her bean soup recipe to Washington includes: Michigan's First Lady, Paula Blanchard; U.S. Senator Carl Levin; Hans Schuler, president and chairman, Win Schuler's, Inc.; Jack McCarthy, WXYZ-TV; Molly Abraham, Detroit Free Press; Nancy Kennedy, Ford Times; Evelyn Cairns, Mellus Newspaper; Andrea Wojack and Sandy Silven, Detroit News.

According to Jim Byrum, executive secretary of the Michigan Bean Commission, the contest rules are: The recipe must have Michigan navy beans and other readily available ingredients and serve four to eight persons (no alcohol can be used). Entrants must be Michigan residents. The

ingredients and cooking instructions (no abbreviations, please) must be typed or neatly printed and mailed to: Michigan Bean Commission, P.O. Box 22037 AAA, Lansing, Mi. 48909. The recipes must be received by May 1.

## Softball Leagues Now Forming

Softball leagues are now forming for the newly constructed Interstate Park. The two new softball fields which were specifically designed for adult softball are located at 13380 Luick Drive, just one mile southeast of the village of Chelsea.

The new softball park promises to be not only one of the nicest designed but the best run facility in the area. The league hopes to draw good competition from the surrounding villages.

Plans are presently for Slow Pitch Leagues consisting of a Men's Double Header 'C' League, Men's 'D' League, Mixed Church League and possibly a Co-Ed League. The leagues will be determined by the amount of interest expressed for each. Also several summer tournaments are planned.

The facility will boast a

concession stand and restrooms. Home run fences will be constructed before the first games. All leagues will abide by A.S.A. rules.

If you would like more information or have a team interested in joining a league, please call Art Farley at 475-3409 or Craig Coltre at 475-3485. There will be a meeting for anyone interested, March 22, 1984 at 7:00 p.m. in the Mark IV basement at Chelsea Lanes.

The Interstate Park will PLAY BALL June 2 & 3 with a Men's Class C sixteen team invitational Slow Pitch Tournament.

## Showing Of The Massey Tapes

A showing of the Massey Tapes, also known as "What You Are is Where You Were When", will be offered by Saline Community Hospital as a free public service. The showing will be offered in the Hospital's Blue Room on Tuesday evening, March 13, 1984, from 7 to 9 p.m. The film depicts ways in which attitudes are formed as persons are growing up and how those attitudes influence adult values and interpersonal relationships. For further information, please contact the Hospital at 429-5435, ext. 331.

 Discussion followed. Roll Call Vote: Harris no, Koebbe no, Schaeble no, Schaffer yes. Motion failed.  
 The Bridge Bond of .8 of a mill has not been renewed.  
 Schaeble moved to pay \$80.00 for the "Hot Dog Roast" and the money to be taken from the Park Fund, supported by Harris. Roll Call Vote: Ayes - all. Motion approved.  
 Hinkley said that he accepts with regrets Thomas Kallewaard's resignation from the E.D.C. Board and he asked for a motion to approve Wayne Hamilton to replace Thomas Kallewaard.  
 Koebbe moved to approve Wayne Hamilton's appointment to

## Eighth Grade Orientation Night

On Tuesday, March 13, 1984 Manchester High School will host the annual eighth grade orientation night for all eighth graders and their parents. It will be held in the study auditorium of the high school beginning at 7:30 p.m.  
 At this time parents and students will learn about Manchester High School. William Bushaw, high school principal, will explain the new graduation requirements for the class of 1988. Richard Parson, high school guidance counselor, will discuss the four year plan that is required of all incoming freshmen, as well as answer any questions parents or students may have about the high school. In addition, individual high school teachers will give presentations on their subject areas. The evening will conclude with a tour of the building for all prospective freshmen.

It is said that Louis XIV of France owned 412 beds.

## Attention! Class Of '79 Graduates!

Our five-year reunion will be held Saturday, June 9, 1984 beginning at 12 noon at Jon Hardenberghs cottage, 11011 East Anstia Road, Manchester, Michigan. There will be a pig roast (1 p.m.), swimming, volleyball, horseshoes, music and other outdoor activities. Picnic supplies, beverages and a dish to pass are required.  
 Please watch your mail for an invitation and return the enclosed card along with \$5.00 per person to Lori England. If an invitation does not come, RSVP by March 30th to Lori at 250 Wilkinson Apt. #217, Chelsea, Michigan 48118 or call 475-8587. Please include any address changes along with your parents names, address and phone numbers. HOPE TO SEE YOU THERE!

## Letters To The Editor

LIFE GOES ON...

When is this community going to stop arguing over what should be taught to whom and to what age group regarding the reproductive and genital health issue? When we have a few more cases of Sexually Transmitted Diseases or when we have a few more girls becoming mothers? Forget the birth-control issue! Girls get pregnant also because they really don't know exactly which part of the sexual act causes what. They don't know what they are doing nor the consequences of it. The law of the land says that ignorance is "no excuse". What is our excuse for keeping these kids ignorant of sexual matters? During this delay, life still goes on. Children are conceived, aborted, birthed, given up for adoption, or stuffed into some back alley garbage can hoping that no one will ever know that this child existed for even the briefest of moments.  
 The consequences of some of

the decisions a young person has to make will effect not only their life but the lives of so many persons. The ideal situation, of course, is that no one participates in sex unless they are happily married. Well, life is rarely ideal... the realities of life seem to continually be getting in the way of idealism.  
 The pain and desperation created from one wrong decision could be disastrous for the teenager, not to mention the pain of the parent, but let's think-- Why is this kid in the situation of trying to make good decisions after the fact of becoming a child-mother-to-be or a child-father-to-be? Someone has failed to give these kids guidance when they needed it. It could be any number of people who has failed them. It could be the church, we can't blame it on the school--you won't let them teach them, so I'm afraid the parent must bare the largest burden of guilt. These kids need knowledge to make good decisions. I wouldn't go to a physician without a degree, would you? How can we expect these kids to grow up to be responsible

adults making responsible decisions without educating them to the fullest degree possible?  
 Parents, you have to remember! Remember the peer pressure when you were in school. Remember the emotionally-heavy times. Think of those you know, or those of you who truly "had to get married". Think of the things that have happened to you or could have happened to you because you didn't know the truth, the whole truth and nothing but the truth about SEX! This problem isn't new. Sex has been here since the beginning of time...and we're all ready for the luney-bins if you think it's going to go away before the end of time.  
 Don't you think it's wiser for a kid to know all the facts before making a decision? What if a student were to make a chemical compound and the teacher failed to inform the student that one of the chemicals if introduced in the wrong order would be explosive? This is not the only situation that a student goes through in life that can be explosive in the way it effects lives.  
 I wonder if a teen you know or you as an adult can answer these questions.  
 1. What biological function transpire to create a pregnancy?  
 2. Can syphilis or gonorrhea be caught off of a toilet seat?  
 3. Is the syphilis gone when the chancre is healed and no longer present?  
 4. Are there always clinical symptoms that will warn a girl that she may have contracted gonorrhea?  
 Believe it or not, there are high school students who really do not know the biological functions that lead to pregnancy. Basically it is ignorance of the other sex's body functions that is misunderstood.

The bacteria that causes syphilis and gonorrhea are anaerobic bacteria. Anaerobic means that they can not live in the presence of air; therefore, they could not live on a toilet seat and a dead pathogen is not infectious. A syphilis chancre will heal by it itself-untreated, but the bacteria is still present and multiplying itself within the system. It will later develop into a rash that does not itch and will cover 75% of the body (including the palms of the hands and the soles of the feet). The consequences of untreated syphilis is deadly! It is unlikely that a male could have gonorrhea and not know it. The sore is similar to the syphilis chancre but unlike the chancre the gonorrhea sore is very painful! The sore is painful. Urination is painful. Because of the pain they will get treatment. The girl is not so lucky! She may have contracted gonorrhea and show NO symptoms. She can pass it to someone else unknowingly and by the time she is mature and ready to raise a family, her fallopian tubes have been blocked by the scarring of a disease she didn't know she had. She is sterile. Like I said, decisions and knowledge that can change your whole life!  
 If you're against kids getting the truthful information through the school, it's your choice--keep your kids out of the class! But don't deny the knowledge to my kids or others who want it. The chances are that those of you who are fighting this program are those who talk to their kids and are probably doing a fine job. But what do we do to help those who have no one telling them the true facts? Do we leave them in ignorance and tell them how sorry we are after they get caught? Some people believe that by

teaching the true facts you would be endorsing promiscuity. I believe that you would be teaching responsibility, the responsibility for the life or death of another human being, the responsibility for contracting and spreading a sexually transmitted disease that may or may not be curable, responsibility for themselves and their own sexual behavior. Growing up to adulthood means to be responsible for all of ones own behavior. Should we throw in an exception to this...SEX?  
 Parents, don't stick your head in the sand! Think of the kids who may not have access to the openness that you have within your family. We must help these kids in some way. Isn't it a better idea to learn in a classroom correctly than done incorrectly on a street corner? Pregnant women and girls are here to stay. Let's hope that they are all wanted babies and that they are all born of loving married people--it's natural to hope for the best. But, it doesn't always happen that way.  
 Think of any problem that you have to solve. Isn't it true that the fewer unknowns in a problem the less difficult the solution? Algebra certainly works that way. Therefore, isn't it true that the more information a teenager or an adult has on sexual problems the more likely their solution to the problem will be the correct solution and hopefully the best solution? A decision that a parent could be proud that their growing-up child made!

Pat Yeutter

**Child Care Credit Helps Working Parents**

Taxpayers who pay others to care for their children while they work may qualify for a special tax credit. The Internal Revenue Service says. This Child Care Credit applies not only to babysitters and day care centers that watch your child or disabled dependent while you work, but also to relatives and certain household workers you pay for this service.

This credit is available to married couples who file jointly, including those in which one spouse works and the other is a full-time student or disabled.

The credit also applies to a divorced or separated parent who has custody of a child under 15, even though the parent may not be entitled to a dependency exemption for the child. The parent claiming the credit must, however, have custody for a longer period during the year than the other parent. A spouse who qualifies may take the credit if the other spouse is absent for the last six months of the taxable year.

The credit is from 20 to 30 percent of eligible expenses depending on the taxpayer's adjusted gross income. The maximum credit that may be taken is limited to \$720 for one qualifying person and to \$1,440 for two or more qualifying persons.

To qualify for the child and disabled dependent care tax credit, a taxpayer (1) must have income from work; (2) must have incurred the expense in order to work or look for work; and (3) must have maintained a household that included one or more qualifying individuals. Qualifying individuals are dependent children under 15 years of age, a disabled spouse or a disabled dependent of any age.

Additional information is available in the free IRS Publication 503, *Child and Disabled Dependent Care*, which may be ordered by filling out the order blank in the tax package or by calling the Forms/Tax Information number listed on the telephone directory.

**Maple Syrup Festival**

The annual Maple Syrup Festival will be held at the Waterloo Nature Center on Saturday and Sunday, March 24 and 25. Hours for the Festival will be 11 a.m. to 5 p.m., with an admission of \$1.50 per person.

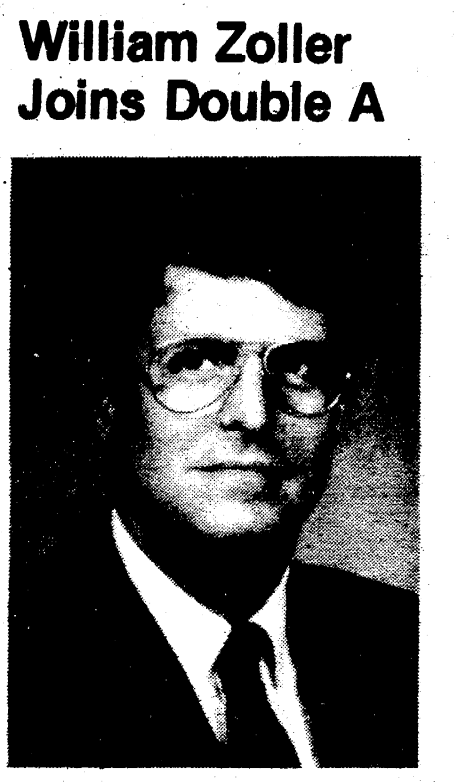

Watch maple sap being boiled down to syrup. Gather around the evaporator and taste a sample of the product.

Visit a sugarbush with a naturalist. See a lowland woods where maple trees are tapped and sap is collected.

Watch a half-hour movie about an old time farmer, as he philosophizes about the old ways of making maple syrup.

Examine equipment illustrating the Native American and pioneer methods of tapping, collecting, and processing sap into sugar.

To reach the Waterloo Nature Center take I-94 to Exit 157, proceed north on Pierce Road, turn left on Bush Road. Entrance is 1/2 mile west on left side.

**William Zoller Joins Double A**

Double A Products Co. of Manchester, Michigan announces the appointment of William F. Zoller as Manager, Product Applications Group at the company's marketing offices located in Ann Arbor, Michigan. Mr. Zoller will be responsible for directing a staff of product managers and application engineers in the development of markets for Double A's fluid power products.

Mr. Zoller joins Double A from Ford Motor Co., Tractor Division, where he served seven years in various engineering assignments, including product warranty and hydraulic system design. He was previously employed at Chrysler Corporation as Project Engineer for truck steering and suspension systems. Mr. Zoller also served as Engineering Officer on nuclear submarines in the U.S. Navy.

Mr. Zoller holds both Bachelor and Master degrees in Mechanical Engineering and a Master of Business Administration degree, all from the University of Michigan.

**Meeting Notices**

**ROGERS CORNERS**

The Rogers Corners Farm Bureau Group will meet Friday, March 9, 8 p.m. at the home of Mr. and Mrs. Loren Koengeter.

**SONS OF AMERICAN LEGION**

The Sons of American Legion will meet Thursday, March 15 at 7:30 p.m. at the legion hall. Andrew and Jeff Hughes will furnish refreshments.

**LA LECHE LEAGUE**

La Leche League of Manchester will meet at the home of Marsha Chartrand, 208 S. Clinton St., on March 13 at 7:30 p.m. The topic of discussion will be "The Art of Breastfeeding and Overcoming Difficulties".

Any woman interested in breastfeeding is welcome to attend league meetings. For help or information at any time, call Linda Meyer, 428-9475.

**AMERICAN LEGION**

The American Legion Auxiliary will meet at the Legion Home on March 14, 1984, at 7:30 p.m.

**SCOLIOSIS ASSOCIATION**

The Ann Arbor-Toledo Branch of the Scoliosis Association of Michigan will hold its monthly meeting, Thursday, March 8, at the Occidental Branch of the United Savings Bank of Tecumseh, beginning at 7:30 p.m. The film, "Scoliosis Screening for Early Detection", will be shown. The support group meetings are open to everyone. For more information, please call Sue Rodenberg at 592-6508.

**KLAGER P.T.O.**

The Klager P.T.O. will meet on Monday, March 12, at 7:30 p.m. at the elementary school.

**Where Can You Go In March To Enjoy A Sunday Afternoon?**

Escape the winter blahs at the Detroit Historical Museum Sunday afternoons, during the month of March, and learn about Detroit's history through slide talks presented by guest lecturers of the Detroit Historical Society.

On March 11, we reach back into the time of the first explorers and through drawings, prints and early photographs, learn about Detroit in a slide presentation entitled **Recorded History Of Detroit Until The Automobile**. Of particular interest to the ladies, is the program on March 18 when we look at **One Hundred Years Of Fashion**, a review of the changes in women's clothes from 1830 to 1930. The gowns shown are selected from the Museum's significant costume collection, considered one of the finest in the mid-west.

**Scenes Of Early Detroit**, a post card tour of Detroit as seen by a visitor arriving by ship or rail, including famous old hotels, shops, entertainment spas and landmarks, is the subject of the March 25 slide presentation.

All programs are free and scheduled to begin at 2 p.m. in the Education Hall of the Detroit Historical Museum, Woodward at Kirby. Parking is available in the Kirby lot. Pre-registration is not required, however, a telephone call (833-7934) the Friday preceding the slide presentation will assist us with seating arrangements.

**Eugene Bentschneider Retires**

Clarence, who is presently serving as Manchester Township Supervisor, has also served as a member of the Board of Education. Past Grand Knight of the Knights of Columbus, Past President of the Optimists Club, United Fund, Recreation committee, trustee of Family Service and numerous church committees. Clarence, together with his wife, the former Margaret Feldkamp, and family reside in Manchester.

**SCHOOL LUNCH MENU**

Monday, March 12, Chicken Patty/Bun, Tator Tots, Vegetable Sticks, Sliced Peaches and Milk.

Tuesday, March 13, Homemade Italian Spaghetti, Warm French Bread with Butter, Tossed Salad With Dressing, Fresh Fruit and Milk.

Wednesday, March 14, Tomato Soup With Crackers, Deli-Turkey Sandwich, Dill Pickles, Applesauce and Milk.

Thursday, March 15, Fruit Punch, Taco's with Sauce, Lettuce & Tomato and Cheese, Buttered Corn, Lemon Pudding and Milk.

Friday, March 16, Macaroni & Cheese, Buttered Green Beans, Dinner Roll/Butter, Cake and Milk.

**Hearing Loss Program**

The Saline Community Hospital Senior Health Education Program to be held on Wednesday, March 14, 1984 will focus on Hearing Loss. The program will be held in the Hospital's Blue Room from 11 a.m. to 1 p.m. Shane Mullias, a Speech Pathologist, with the Hospital's Speech and Language Therapy Department will present information about the normal hearing process, how aging affects hearing and diagnostic services available. Information will also be available regarding assistive devices with an emphasis on telephone services.

Free blood pressure screening will be available before the start of the program from 10:30 - 11:00 a.m. A cafeteria luncheon is available at the conclusion of the program. For further information regarding the program or to request information regarding transportation assistance, please call Saline Community Hospital at 429-5435, ext. 331.

**Schools Transportation Costs Below Average**

According to recently released costs of school transportation the Manchester Community Schools spend fewer dollars per mile than averages in both the remainder of Washtenaw County and across the state.

County averages for the year 1981-82 (the most recent for which data are available) indicate an average of \$1.59 per mile. Across the State school districts spend an average of \$1.41 per mile. The Manchester Community Schools report an expenditure of \$1.26 per mile to transport the students.

For the year reported the Manchester Schools spent \$282,000 in order to transport regular, vocational, and special education students. Sharp contrasts are noted between the costs of regular and special education transportation. In Manchester the cost in 1981-82 to transport general education students was approximately \$200 per student. For special education students the costs jumped to approximately \$2,500.

In discussing the data, Superintendent of Schools Gene Thompson commented, "I am

pleased to see that our per mile costs are as low as they are. Our numbers are significantly below the average for both the county and the state. This is particularly pleasing to me in that we cover probably the largest distances over the worst roads in the county. Percentage wise I'm sure we transport far more of our students than would be the average throughout the county. In spite of this information we are able to keep our costs down. Our drivers and the bus facility maintenance personnel do an excellent job of taking care of equipment and maintaining what we have. I feel that the tax payers of the Manchester Community Schools receive their monies worth from the transportation department. We log almost a quarter of a million miles per year while transporting somewhere in the neighborhood of 170,000 students safely and at relatively low cost."

The first macaroni factory in the U.S. was established in 1848.

**SALE! PEANUT BUSTER PARFAIT 99¢**

**Dairy Queen**

**obituaries . . . .**

**Andrews A. Engel**  
Lake, Michigan

Age 75 years, formerly of Manchester, died suddenly Thursday, March 1, 1984 at the Mt. Pleasant Community Hospital.

He was born May 14, 1908 in Adrian, the son of Thomas and Mary Elizabeth Engel.

He was married to Dorothy Trinkle in 1930. She survives.

Mr. Engel had been an employee of the Ford Motor Company for 36 years. He was a member and a past president of Emmanuel United Church of Christ. He was also a life member and a pastmaster of Manchester Lodge #148 F & AM.

In addition to his wife he is survived by one daughter, Mrs. Kenneth (Mary Jean) Lloyd of Plymouth; two grandchildren, Douglas Harrington of Plymouth, Anne Harrington of Ann Arbor; one sister, Mrs. Mildred Higgins of Tracy, California and four nephews.

Funeral services were held Saturday, March 3, 1984 at 1:30 p.m. at the Jenter Funeral Home. Reverend Robert Macfarlane officiated. Burial followed in Oak Grove Cemetery.

**Zella (Combs) Sloat**  
Onaway, Michigan

Formerly of Manchester

Age 71 years, died February 29, 1984 at Little Traverse Hospital of Petoskey.

She was born Zella Walcutt May 31, 1913 in Ohio City, Ohio.

Mrs. Sloat spent most of her life in the Ypsilanti area and moved to Onaway in 1975. She was a member of the Sportsman Club.

She is survived by husband, Sherman; two step-daughters; five nieces and one nephew who were raised by Mrs. Sloat. Also survived by two brothers, Robert Walcutt of El Centro, CA., Ora G. Walcutt of Manchester; two sisters, Clarissa Walker of Tecumseh, MI. and Mrs. Virgil (Margaret Ann) Mull of Central Lake, MI. and numerous other nieces and nephews.

One sister Madge Walcutt Ray and son Robert Ray preceded her in death. Funeral services were held Saturday, March 3 at 1 p.m. at Eckerle Funeral Home with Elder LeRoy Ormsber officiating. Burial was in South Ellis Cemetery in Onaway.

Memorials in her honor may be made to American Cancer Society of Cheboygan County.

**Dutch Capture Title**

throw to give the Dutch their first basketball championship in ten years. Mark Ball gave a strong performance with 17 points, providing good leadership in the fourth quarter when he pumped in 10. Mike Agin collected 13 points and five assists, Pat Ridenour scored 12 points and Ron Melcher had 9 points and 11 rebounds.

The whole Dutch team should be congratulated on capturing the cascades title. They worked very well as a team, they were never outthrust. Coach Bartels should also be congratulated as he captured his first basketball championship as head coach of the Dutch which began back in the 1974-75 campaign. Surely no coach deserved a championship more than Coach Bartels as he had suffered some lean years in the past.

On Friday, we traveled to Michigan Center to close out our regular season action. The thought on everybody's mind was letdown. Michigan Center came out flying and never looked back as they handed the Dutch their fourth loss 75-62. Pat Ridenour turned in a fine effort Friday as he scored 24 points. Our final season record ended up at 16-4 overall and 10-2 in the conference. Once again congratulations to the Dutch Basketball team!

In Junior Varsity action this week the little Dutch were involved in two close contests but came out on the short end in both. On Wednesday they lost to Vandercook Lake 42-40. High scorers were sophomores John Curley with 10 points and Rob Smith with 8 points. On Friday we trailed Michigan Center the whole way but rallied in the fourth quarter but fell short 48-47. High scorers were Sophomores Billy Broucker with 16 points and Steve Busch with 12 points. The little Dutch ended up with a 2nd place finish and a 14-6 overall record. They should also be congratulated for a fine season. Curt Fielder also did a fine job of coaching.

Finally I would like to thank John Hardenbergh for letting me cover the exciting action while he was away.

Q. How does one apply for burial in the V.A. cemetery at Battle Creek?  
A. At time of death family contacts Fort Custer, National Cemetery, V.A. Medical Center, 5600 Dickman Bldg., 145 Battle Creek, Michigan 49016. (616) 966-5480.

Q. Who is eligible?  
A. Burial is available to any deceased veteran of wartime or peacetime service (other than for training) who was discharged under conditions other than dishonorable at all Veterans Administration national cemeteries. Members of the Reserve and the Army and Air National Guard who die while performing or as a result of performing active duty for training may also be eligible. Burials is also available to an eligible veteran's wife, husband, widow, widower, minor children and, under certain conditions, to unmarried adult children.

**Pesticide Certification Test To Be Held**

A number of farmers have received notice from the Michigan Department of Agriculture that your pesticide certification has or will expire shortly. To help you renew your certification, a test will be held Thursday, March 15, 1984, in the East Classroom of the Parks & Recreation building, 4133 Washtenaw. There are two test times: 9 a.m. to 12 noon; 1 p.m. to 4 p.m.

If you can't make this meeting, the same test will be given at the Jackson County Cooperative Extension Service, 412 Erie Street, Jackson, on Wednesday, March 28, 1984, from 9 a.m. to 3 p.m. You may also take the test at the regional Detroit office, State Fairgrounds, Gate 2, every Tuesday and Wednesday from 9 a.m. to 3 p.m.; other days are by appointment. The telephone number is (313) 368-8160. The Lansing regional office offers the test by appointment Tuesday through Thursday. Their phone number is (517) 373-1087. They are located in the Ottawa Building, 4th Floor (two blocks west of the State Capitol) in Lansing.

**Photo Copying**

Old and not-so-old photographs of Washtenaw County people, places and events may gain a place in history by bringing them for copying at 2:30 p.m. Sunday, March 11, at the Ann Arbor American Legion, 10-35 South Main.

The copying is sponsored by the Washtenaw County Historical Society. Sam Breck of Ann Arbor will copy and return the photos then and there, free of charge. The copy negatives will be placed on file at Bentley Library on the

### Board Of Education Election June 11th

The Board of Education of the Manchester Community Schools has advised that the annual school election for the purpose of electing Board members will be held on Monday, June 11, 1984. No financial questions are anticipated to be on the ballot at that time.

Three seats on the Board of Education will be available. Board Members David Little and William Broucek are currently completing the last year of their first terms in office. At this time neither has officially declared an intent to run for re-election.

Board Member Thomas Golding was appointed to the Board to fill the vacancy created by the resignation of Paul DuFresne. According to State School Code appointments to a Board of Education are permissible only until the next school election. Three years remain on DuFresne's unexpired term. Mr. Golding has not yet indicated his intent to run for election for the remainder of that term.

Nominating petitions for these Board of Education positions may be obtained from the administration office at 710 East Main. Completed petitions are due no later than Monday, April 9, 1984 at 4:00 p.m. in order to be legally in place for the election.

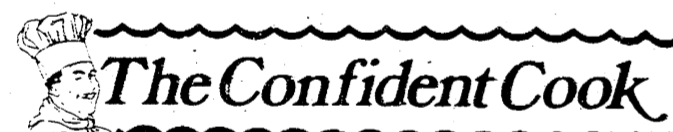

### Senior Citizens Meals And News

Tuesday, March 13, the senior citizens meal at noon at the Emanuel United Church of Christ dining room is: Chicken and Biscuits, Vegetable, Fruit, Dessert, Coffee, Tea and Milk.

On Thursday, March 15, they are serving: Boiled Dinner, Fruit, Roll and Butter, Dessert, Coffee, Tea and Milk.

The Senior Citizens Council meets on Tuesday an hour earlier than usual, at 9 a.m. in the Emanuel Church library. There will be cards to entertain the regulars and guests after the noon meal.

Wednesday, March 14, there is

### Step-by-Step Cooking Instructions

#### Spill The Beans For Hearty, Low Cost Eating

The lowly bean gets high marks these days as it provides an important and economical source of protein for our daily diets. Beans have been on man's menu since before Jacob served up his pottage of lentils, and for good reason. They have high nutritive value, easy storage and a long shelf life. According to the USDA\*, one cup of cooked white or pea beans supplies 31 percent of an adult's requirement of protein, 28 percent of the iron requirement and 35 percent of the phosphorus; 3 1/2 ounces of cooked beans equals 120 calories.

\*USDA Handbook #456

#### JACOB'S SOUP

- 1/4 cup butter or margarine
- 1 1/2 cups chopped onion
- 1 cup sliced celery
- 1/2 cup sliced carrot
- 1 medium clove garlic, minced
- 1 pound dried lentils (about 2 cups)
- 1/2 cup chopped salt pork
- 8 cups water
- 2 cans (12 fluid ounces each) V-8 Vegetable Juice
- 1 teaspoon salt
- 1/2 teaspoon thyme leaves, crushed

Make a 2000-year-old soup for today's dinner with lentils, chopped vegetables, V-8 Vegetable Juice and herbs.

- 1/2 teaspoon pepper
- 1 medium bay leaf

1. In 5-quart Dutch oven or saucepot over medium heat, in hot butter, cook onion, celery and carrot with garlic until tender.
2. Wash and sort lentils under cold running water. Add to onion mixture along with remaining ingredients; heat to boiling.
3. Reduce heat to low; cover and simmer 2 to 3 hours or until lentils are done, stirring occasionally. Makes about 14 cups, 8 servings.

### Bloodmobile News

Give Blood! Save Lives! This is our campaign slogan for Manchester's March 19th Red Cross Bloodmobile drive for donors. Registration displays and appointment cards are to be found at Comerica, Great Lakes Federal, First of America and IGA's A & B Market. Every church in the area has a blood-donor recruiter and all local industries have a registration program in progress.

There will be a nursery for small children while donors are being processed. The day is Monday, March 19 at the Knights of Columbus Hall from 12 to 6 p.m.

### Band Boosters Minutes

The meeting was called to order in the High School Band Room on Wednesday, February 22, at 7:05. The minutes from January 25 were read and approved. The following amounts were given by Treasurer, Penny Getty as the current Band Booster accounts: Checking \$21.88, Uniform \$881.10, Savings \$7,135.46 and Scholarship \$559.07. Penny was pleased to announce that the scholarship fund has received donations from the following: The Michigan Livestock Exchange, the Knights of Columbus, the 20th Century Club, XI Epsilon Iota, the American Legion Emil Jacob Post No. 117, Manchester Automotive, and the Manchester Men's Club. All members joined in a unanimous thank you to these groups.

Penny also mentioned that a letter has been sent to Lansing for an I.D. number necessary for our bank accounts. We have been informed that we will have no trouble in securing the number.

Old Business: Replacement of uniforms is on "hold" for now, since we cannot get them in time for next September, and since we need to know what kind of assistance the school administration is willing to extend to the band since we will not have enough to replace the uniforms by ourselves.

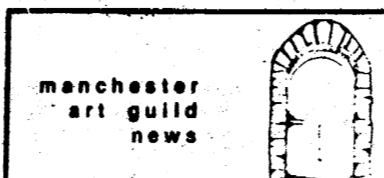

It has been decided that the 5th and 6th graders will sell a selection from Natural Foods by Country Life. There will be prizes awarded for the 5th grade top seller, and the 6th grade top seller, (\$20) and prizes for those selling 15 items or more. It was decided that three or more students would be chosen from the latter group by drawing numbers from a hat. The Chairman of this sale is Jan Waldron. There is a total of \$100 in prizes.

The High School Band trip to Chicago has turned out to be too expensive, so Mr. Vechinski is considering Detroit with possible excursions to the Renaissance Center, the Art Institute, a Concert, etc. It is scheduled for May 11th and 12th.

New Business: Dr. Okey informed us that the Manchester Mill Run would be held the weekend of August 11th and 12th, and requested that the Pep Band attend. This was confirmed by President Jan Howell. Dr. Okey also gave us the good news that one-third of the proceeds would go to the Band Boosters. The Band Boosters will also provide manpower to assist with the race.

Next month's meeting will be primarily to elect new officers: President, Vice-President, and Treasurer. The meeting was adjourned at 8:10.

manchester art guild news

### GUILD LOOKS AHEAD

The Manchester Art Guild activity level seems to rise annually with the coming of spring, and this year is no exception. Now, we all are painfully aware that it's not spring yet, but the calendar tells us that it must be around the corner!

Last week the Guild met in its new store in the State Farm Building and took in work from Joyce Sysol. This brings a fourth watercolorist to the gallery-like setting and another interesting contrast in styles.

The meeting also produced chairpersons for two annual events: the spring exhibition of artwork by Manchester High School seniors, and the August Street Fair. Jo (Ardella) Swanberg will organize the senior exhibition, and Pat Swaney will chair the Street Fair effort in coordination with the Manchester Merchants. Presently, Street Fair applications are being designed and anyone desiring to be placed on the mailing list should contact Maureen Lochey at 428-9286.

The shoestring was invented in England in 1790. Prior to this time, all shoes were fastened with buckles.

Respectfully,  
Nancy Houck, Secretary

### YOUNG VIOLINIST ENTERTAINS CLASSMATES

On Thursday, March 2, Mrs. Savage's First Grade at Klager Arbor Schools.

David explained the parts of the violin and let the class pluck the strings and hold the violin. He takes lessons at the Ann Arbor Suzuki Institute which offers group and individual violin lessons. Thank you David! We are proud of you.

### Letters To The Editor

Editor of the Manchester Enterprise

Dear Mr. Steele,

All registered voters of the Village of Manchester will have an opportunity to vote on amending the Charter at the Annual Election, March 12, 1984, regarding changing elections for the Village Officials from partisan to non-partisan.

A partisan election, a candidate has to declare a preference for one political party.

A non-partisan election is not controlled by or influenced by any single political party. Non-partisan form of government would eliminate the Primary Election which is costly and time consuming.

If you have any questions please call me at 428-7877 or 428-8140.

Sincerely,  
Helen J. Kensler  
Village Clerk

Dear Manchester High School Pep Band Members:

We wish to thank the High School Pep Band for all their support of the Basketball team this season by playing during the warm-up time for the varsity game and also during half time.

As a parent and an Athletic Booster, I sincerely appreciate the time and effort it took on the part of the members of the band to perform at each game. We have BY FAR the best Pep Band in the whole conference and anywhere else we played ball this season!!! Your performances were outstanding and enjoyed by everyone who attended the games.

Thank you for sharing your time and talents with us.

Sincerely,  
Mattie Agin

To The Editor:

How we thank you for serving your community by allowing all sides to be heard!

As for me and my house we will serve.....

The position of a board member is a very interesting one. It seems that a school board is to represent the community.

Yet, when a meeting is held,

and 75% of the people expose the bad taste of a program and its consequences, the school board would go ahead and accept. Two of the members were definitely against it, three of them stated that this should be taught in the home, and three that originated this idea were for it.

Within the last three members mentioned, one stated that she had been in a similar program and had benefited from it, therefore it made it worthwhile. What a tragedy to be in a position to serve "The People" and yet approve something because it has been good for ME.

The danger of the school teaching "sex education" to our children were exposed as before at previous meetings.

1. We do not need it. (biology and health are sufficient)
2. The school and the teachers have their hands full trying to teach the three "R's".
3. There is a lot of other worthwhile things that we can teach the children.
4. President Reagan pleaded for the schools to teach more computer and language, not sex.
5. Subject cannot be taught adequately according to ages and readiness.
6. Because of crowded schedules children would not be getting proper follow-up.
7. Children may want to put into practice the things that were discussed and more.
8. In this day and age, it is already hard enough to be a child.
9. The subject belongs to the family.
10. It would rob children of their innocence.
11. To many values would be destroyed.
12. It will produce sexual illiterates.
13. Most people would rather have their children educated and pure.
14. We have no guarantee of what will be said in class.

What is the main goal for the school? To teach writing, reading, math, science, history, or sex? We have chosen these people to serve the community as a whole, we can choose to keep them or replace them.

Options such as teaching parents, parent and child or the community were presented to the board and ignored. As my mother pointed out after a brotherly quarrel, the winner is not the one that gets his way but the one that feels that he did all he could and does not regret it.

Manchester is a Very Special Community! May God forgive those who move in and try to destroy IT, for they know not what they are doing.

Thank you,  
Nicole McGarry

Editor,  
Manchester Enterprise

Back in November, there was a school board meeting which purpose was to review a proposed curriculum for sex education for kindergarten thru twelfth, discuss same, and for the board to act upon. It was known before hand that Superintendent Thompson recommended the board acceptance of this program. This was a very well attended meeting. The pre meeting publicity stated that the board would take as long as necessary to discuss the issue. In spite of the board presidents attempt to stifle opposition by imposing speaking regulations, it was clear that about eighty percent of those voicing opinions were against the proposal. In fact there was so much heat that the matter was tabled.

Now I have just returned from another meeting, same subject. This time Mr. Thompson's scheme worked. By singing out the fourth grade now and ram rodding that program thru there won't be too much opposition. Catch the other grades later. Once again opposition to implementation of the program was about two to one, as

"CHESTER WHITE BREEDING STOCK SINCE 1927"

# HIT or MISS by farley

A friend of mine asked me the other day after she had been shopping at the food store, what the difference was between a No. 2 can and 303 can, and while we knew that there was some difference we were not aware of the exact difference and thinking about it we became curious and contacted an employee of the Bureau of Weights and Measures, who work to protect consumers from short weights and measures. They told me that they were glad to explain that a No. 2 can of fruit or vegetables was standard for many years and contained 16 ounces of contents and was priced accordingly but that some years ago some canners introduced the 303 can which contained but 14 1/2 ounces but which, unless compared side by side, seemed to contain as much as the No. 2 can. It, of course, contained about 10 1/2% less and, in most instances, was priced less than the No. 2 cans. This made it, to some purchasers, a better buy but in reality this was not the case.

However every can of vegetables or fruit or other material must, according to a Federal law, have printed on its label somewhere the amount of its contents. Some times however, the type in which this information was printed is so small that one needs a magnifying glass to be able to read it. These smaller cans also made it possible for many canners and retailers to advertise these products for from two to six or seven cents a can cheaper than the standard No. 2 cans. So it behooves the purchaser to read the fine print.

There is nothing illegal about this practice and the retailer should not be blamed for its prevalence. The practice is known as "merchandising" and is just another instance of the well worn phrase "let the buyer beware".

The food and drug inspectors also say that they find instances of this merchandising in many other places in our food stores. Many packaged meats such as bacon, hot dogs and lunch meats you will find, come in 12 ounce packages instead of the pound packs that one assumes them to be and which, to the casual glance, are the same size as the full pound units. Some hot dog packages, for instance, either contain six rather than eight "dogs" and although they, at first glance, seem to be the same, the

units are either fewer or skinnier just another example of merchandising. Another example of this practice pointed out to me was the case of a well known prepared mustard which it was noted, had not increased in price for the past five years but which, upon inspection, proved to have been changed from a round bottle to an oval shaped container, the front and back of which were the same size as heretofore, but which upon close inspection was really smaller though it didn't seem to be and while the older bottles contained six ounces, the newer ones contained but 4 1/4 ounces.

Most of these instances were not priced to cheat the buyer but to perhaps make certain brands seem the better buy and increase the sale of a particular brand. Over this doings the retailer has no control, he accepts the merchandise as it is sent to him and, in most cases, prices it according to the price he is charged for it.

Another field of confusion is the breakfast cereal field. The packages come in all imaginable shapes and sizes and prices and, unless one has a pocket adding machine, all the buyer can do is pick out one that seems to be a good buy and hope for the best for even the packages they come in are no indication of the amount of the contents.

Another instance of the need for supervision the Food and Drug investigators has been interested in has been their investigations in the pharmaceutical industry. They have been checking many of the firms who make and package various pills, tablets and capsules. An investigation showed that, for instance, some bottles of the cheaper brands of aspirin labeled 100s contained only from 92 to 96 or 97; various packages of vitamins, a like number and other nostrums were also guilty. These products are, of course mechanically counted and packaged and perhaps are not intentionally shorting the customers but, of course, such procedure should not be allowed.

May we point out that the retailer is not to blame for these shortages. He gets these products counted, packaged and sealed from his wholesaler and has to trust him to correctly label the product. Even some prescription

drugs have been found to have been miscounted in the sealed bottles in which they have been sold. So you see that life nowadays is ever increasingly complicated and that many and varied are the pitfalls that await the public in their endeavor to get their money's worth for their food and drug dollars.

## Parent Advisory Board Update

The Nellie Ackerson Middle School Parent Advisory Board has been meeting on a regular basis since December. The committee members and the grade areas they represent are as follows: Fifth Grade - Mrs. Ann Fenelon, Mrs. Rosemary Hamilton and Mrs. Sandy Winzenz. Sixth Grade - Mrs. Carol Schuite, Mrs. Sonja Knul and Mrs. Jan Waldron. Seventh Grade - Mrs. Carol Samonek, Mrs. Jan Howell and Mrs. Sharon Hunt. Eighth Grade - Mrs. Ardella Swanberg and Mrs. Delores Strahle.

The following objectives have been developed to act as guidelines for the board. -To assist in developing more open lines of communication between the middle school, the home, and the community. -To develop a thorough understanding of middle school operations and curriculum offerings so that the committee members have sufficient background in these areas. -To offer suggestions for possible operational and curriculum changes for the middle school. -To be available to parents who may have concerns about the middle school.

All parents/guardians who have concerns about any issues involving the middle school are urged to contact any of the committee members listed or Mr. Brian Schick, building principal. Your concerns will be placed on the agenda and discussed at the next scheduled meeting. You will receive feedback from the committee. Many topics have been discussed by the advisory board since December. The following list will give parents an idea of the types of issues discussed. -Middle school band program. -Fifth grade scheduling and

curriculum. -Vertical articulation, especially involving the transition from fourth grade to fifth grade. -Orientation for incoming fifth graders. -Results of the Educational Audit conducted last spring. -Sixth grade scheduling and curriculum. -Fifth and sixth grade drug education curriculum. -Amount of homework given at the various grade levels. -Possible changes in the fifth and sixth grade format for the 1984-85 school year.

## Free Classes On Asthma

Help yourself to better breathing. The American Lung Association of Michigan, Huron Valley Region is offering free classes to pass along vital information to people who suffer from Asthma, on Thursday, March 8th. The topic this month will be "Medication" and will be presented by Cary Johnson, Pharm D. The program is scheduled for 7:00 p.m. at the American Lung office, 1925 Pauline Plaza, Suite E Ann Arbor. Adults and children welcome. For more information please call 995-1030.

## Service Offered To Senior Citizens

The Washtenaw County Council on Aging is accepting appointments to prepare senior citizen's (age 65+) Michigan Tax Rebate form (1040 CR-1 and the Home Heating form 1040 CR 7). This service is offered as an in-home service or at the Council on Aging office on Monday afternoons from 1:30 to 4:00 p.m. and the Social Security Office on Wednesday mornings from 9:00 a.m. to 12:00 noon. The appointments are made through the Council on Aging Office at 665-3625 NOT at the Social Security Office.

This service is also extended to the residents of senior high rises and public housing throughout the Washtenaw County. Please call our office at 665-3625 for appointment or information.

Our volunteers have been trained to prepare your forms by a representative from the Michigan Department of Treasury. However, we do not do Michigan or Federal Income Tax forms.

**Back-Saving Exercises From Your Chiropractor**

Nobody deals as much with back problems as a chiropractor. So it's quite logical that nobody can recommend better exercises than a chiropractor. Here are a few. A warning: don't over-do, don't try to do too much; just feel the stretch and quit when there's discomfort.

1. Lie face down on floor, arms above head. Raise from the waist up and hold it a moment. Go back to original position and repeat.
2. Get down on hands and knees. Arch back upwards, lower head. Now raise head and push back downward, like a sway back horse. Repeat.
3. Lie face down on the floor with a pillow under your chest. Raise head straight up with chin tucked under. Hold, then lower. Repeat.
4. Sit in chair. Slump forward, with the action taking place in the spinal column. Then slowly straighten up, starting with the lower back and gradually moving upward. Repeat.

These are just a few of the chiropractor-recommended exercises that will do a lot to eliminate back problems later on. They are especially good for those whose daily routine does not include sufficient movement of the spine.

Practice them daily. Your back will really appreciate it.

## Cards Of Thanks

I would like to thank everyone for their thoughts, cards and prayers during my recent stay in the hospital and recuperation at home. Special thanks to my mother and father, Dr. Hwang, Reverend Macfarlane, the Village of Manchester and the members of the Manchester Township Fire Department. Words cannot describe the feelings for true friends and the people that cared. Thank you Don Steele

Thank you, friends, for the many cards, visits, prayers, gifts, fruit, flowers, food and meals. They were so numerous that I can not name you all but I know and I love you dearly.

Fern Strang

We wish to thank all our wonderful friends, relatives and neighbors for the gifts, money, cards and food that made our 45th Anniversary Party a very memorable occasion. Erwin and Thelma Blumenauer

My deepest gratitude goes to the Manchester Fire Department and all my friends and neighbors who responded to my call. I appreciate the quick response and without your efforts the damage would have been worse. In addition to each fireman I would like to thank John and Nancy Bihlmeyer, Steve Kuebler, John and Rick Vitale and Dave and Nancy Haeussler for all of their help and kindness. God bless you all, Betty Herschelman

A big thank you to Dawn Adas, Bernie Fielder, Alisa Ross, Tammie Honer, Michelle Schook, and Jim Smith for assisting with the girl's basketball program. The community is fortunate to have caring people, such as these, who are willing to volunteer their time for the youth of Manchester. Martha Heinrich

## Letters To Editor

evidenced by those expressing opinions.

It was asked if the proposal could be put to a vote of the people. Thompsons answer; "I recommend the board vote on the proposal". Needless to say the board voted just as it had planned to back in November, had they not met so much opposition.

Now I may be kind of mixed up on my thinking, but when I went to school, (a one roomer), I think we were taught that in America the majority ruled. In some cases you elected someone to represent the interests of the majority and vote accordingly. Oh well, so much for the American dream. Anyway, my memory is still good enough to recall five names that won't get an X beside them on any ballot of mine. Probably not from any member of my extensive family either.

Thanks Mr. Golding and Mr. Broucek for truly representing the community. You stand head and shoulders above the rest.

Charlie Dettling

## Council Proceedings

February 27, 1984

The regular meeting of the Manchester Village Council was called to order by President Hinkley at 7:04 p.m. Present: Harris, Kallewaard, Schaffer, Schaible, Zsenyuk, Smith. Absent: DuRussel, Koebbe.

Schaible moved to approve minutes as read, supported by Schaffer. Motion approved.

Patricia Swaney, representing

the Manchester Art Guild stated that the Manchester Street Fair would be held August 11, 1984 from 5:00 a.m. to 6:00 p.m. They would like permission to close Main Street from M-52 to Clinton Street. Council granted permission.

Harris moved to transfer the carried forward equities of \$20,179.00 and \$24,363.00 from the Revenue Sharing Fund and the 1970 Bridge Bond and Interest Redemption Fund respectively to the Sewer and Water Fund to pay for the new filters in the water system, supported by Kallewaard. Roll Call Vote: Ayes - Kallewaard, Schaffer, Schaible, Harris. Motion carried.

Harris moved to amend the 1983 Budget by changing - General Fund Disbursement Total to - \$405,682.00; Dental Benefit Disbursement Total to - \$4,300.00; Equipment Fund Disbursement Total to - \$55,100.00; Major Streets Disbursement Total to - \$50,000.00; Local Streets Disbursement Total to - \$44,600.00; General Highway Disbursement Total to - \$51,000.00; Park Improvement Disbursement Total to - \$44,520.00; Sewer and Water Fund Disbursement Total to - \$140,500.00, supported by Schaffer. Roll Call Vote: Ayes - All. Motion carried.

Harris presented the proposed budget for the fiscal year beginning March 1, 1984 and ending February 28, 1985 of \$322,778.15 - 13.88 mills, allocated in the following manner: General Fund 7.97, General Highway Fund 3.5, Park Improvement 1.11, Sewer and Water 1.3.

Schaible moved to accept the

1984-85 Temporary Budget by Department within each fund; any further determination by life item is for internal use only, supported by Harris. Roll Call Vote: Ayes - Harris, Schaible, Schaffer, Kallewaard. Motion approved.

At 7:30 p.m. Hinkley adjourned as Village Council and convened as Zoning Board of Appeals.

Kallewaard said that the matter before the Zoning Board of Appeals is Patrick Fielder's request for a variance on a lot at 315 Macomb.

Guy Little, David Miniek, David and Martha Wenk and Laurin Leeson were present for the Hearing. No written comments were received. Discussion followed.

Schaffer moved to deny Patrick Fielder's request for a variance, supported by Harris. Roll Call Vote: Harris-yes, Schaible-no, Schaffer-yes, Kallewaard-yes. Motion carried.

Guy Little stated that he believes that S. Washington should be made a Village Street.

Hinkley adjourned as Zoning Board of Appeals at 8:19 p.m. and reconvened as Council.

Don Smith presented the Public Works and Mechanics Reports. Reports on file.

Zsenyuk presented three bids for trash removal at the Transfer Site. Discussion followed.

Kallewaard moved to hire Contractors Container Corporation Mister Rubbish at a rate of \$188.00 per removal, it was the lowest of the three bids, supported by Schaible. Roll Call Vote: Ayes - all.

The Muscular Dystrophy Association of Jackson, Mi. will be holding their annual "Shamrocks Against Dystrophy" Campaign and they have requested permission to solicit in the Village the week of March 11th through the 17th, 1984. Council granted permission.

The following note was read: Mr. Hinkley, This note is NOT to complain

## PUBLIC NOTICES

### NOTICE OF PUBLIC HEARING SHARON TOWNSHIP PLANNING COMMISSION

Please take notice that the Sharon Township Planning Commission will hold a Public Hearing on an application from Consumers Power Company for a special land use permit, date: MARCH 19, 1984, time: 7:00 P.M., location: SHARON TOWN HALL, PLEASANT LAKE ROAD.

This special land use permit would allow the installation of a microwave tower, shelter and fencing. To be located as follows: the N 10.1 acres of the SW 1/4 of the N.W. 1/4 of Section 15, T3S, R3E, Sharon Township, Washtenaw County, Michigan. Consumers Power Company will have engineering and technical personnel attending the meeting.

3/8-15

Chairman  
Ed Hurst

The Bridgewater Township Planning Commission will hold a Public Hearing on March 12, 1984 at 8:00 P.M. at the Bridgewater Township Hall. Subject of hearing: Proposed amendments to the Bridgewater Township Zoning Ordinance of September 12, 1981.

The proposed Amendment would delete, under Section 2.02 - Definitions, as follows: On Page 8, under the heading HOME OCCUPATIONS, the final sentence: "The definition of a home occupation shall not include clinics, hospitals, barbershops, beauty parlors, tearooms, tourist homes, animal hospitals, kennels, millinery shops, music studios and similar uses" would become "The definition of a home occupation shall not include clinics, hospitals, tearooms, tourist homes, animal hospitals, kennels, and similar uses."

Also, in Section 4.03A, and 4.03B, on pages 23 and 24, Barbershops, Beauty Parlors, Millinery Shops, and Music Studios will be listed as "C" in all three districts.

For comments or examination of text of ordinance, contact Lewis Blaisdell, Township Clerk.

but rather to let you know how much we appreciate the good work that your Department of Public Works do. Especially directing "A job well done!" to Don Smith, Gary Wiedmayer, Brad Roberts, Ed Townsend and Terry Walkowe. Their professionalism and courtesy is greatly appreciated.

Mr. and Mrs. James Warner  
Meeting adjourned at 8:45 p.m.

Helen J. Kensler  
Village Clerk

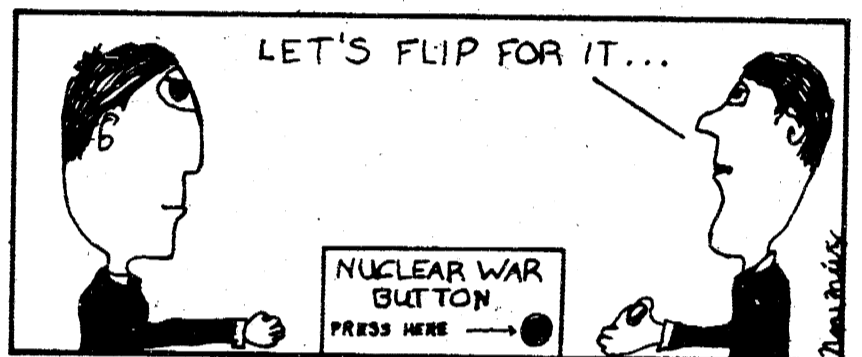

## Newborn Girls To Receive Girl Scout Undershirts

Girl Scout Week is March 11-17. During this week, the Huron Valley Girl Scout Council will be conducting a unique invitation to join Girl Scouting. Newborn size undershirts saying "Future Girl Scout" will be presented to all baby girls born between 12:01

a.m., March 11 and midnight, March 17. The shirts will be accompanied with an invitation for the baby to join Girl Scouting when she becomes five years old.

Twelve hospitals will be participating in the undershirt giveaway: Annapolis, Wayne; Beyer, Ypsilanti; Flower, Sylvania, OH; Garden City Osteopathic, Garden City; McPherson Community, Howell; Mercy Memorial, Monroe; Riverside Osteopathic and Seaway, Trenton; St. Joseph's Mercy and Women's Hospital, Ann Arbor; Wayne County General, Westland; and St. Mary's, Livonia.

Cadette and Senior Girl Scouts will be presenting the undershirts to babies and parents at Annapolis, Beyer, McPherson Community, Riverside Osteopathic, Wayne County General and Women's Hospital.
