"Strikes," by Frank Lazell, "Wishes," by Flavia Knight, "Lillie's Ball," by Edna Lazell. "The Two Little Kittens," by Mabel Minor, "Whistling In Heaven," by Mary Minor, and "The Lost Ring," by Mamie Fisk, were all of the best order. The rendering of Will Carleton's poems, "Over the Hill to the Poor House" and "Over the Hill from the Poor House," was most excellent while "Mother's Fool" and the "Chronicles," the first spoken and the latter read, by Miss Emma Fisk, were well received. Many others might be mentioned, but space will not due Messers, Bunker, Fisk, Minor and others for their kindness.

Henry pronounces it one of the most pleasant schools with which he was ever connected.

CHRONICLES

Now it came to pass during the reign of Rutherford H., of Returning Board fame, that the wise men of a certain portion of Michigan, called Bridgewater, assembled in council for the purpose of selecting a leader in school matters; and after due deliberation they, with one accord, chose Peter, surnamed Knight, as their captain. Now the Knights have been from time immemorial for valiant deeds. We have in history Knights of the Garter, Knights of the Order of Bath, Knights Templar, and last, but not least, Knights of the School. And it came to pass that this Knight, so renowned, cast about him to find a suitable person to preside over the school room, and instruct the youths of the tribes of Peter and Dan., of James and David, and Horace and Edward, and all the others sojourning thereabouts.

And he found Henry, the Son of David, of the house of Palmer, a man well skilled in the management of schools. And he saith unto him six score pieces of silver will I give unto thee, if thou wilt abide with us and guide our youth in the path of knowledge.

And it came to pass that he abode with them many days and Continued On Page 5

the newspapers seem to print is the "bad news" not the "good news". That's not true. In all fairness to the media there is a lot of news printed besides the daily grist or murders, rapes, incests. holdups, drunken drivers and all of the rest of the undesirable's activities-there's a lot of news about the nice people of the world. Mebbe the headings on these tales are not so large nor the stories so spectacular as those about the misfits but they are there. For instance the other day the following appeared in the dailies, and there were several humorous tales counterbalanced the morbid tales:

There was the item about the youngster who was born without bile ducts and who, the doctors said, had but another month to live unless the donor of a liver could be found. After an agonizing search such a donor was located and the necessary operation performed. Last reports said that nicely and was evidently going to be able to live a normal life.

And there was the tale of the boy who found the backpack on the street containing \$6,000 in cash and a considerable quantity of "pot" which he took to the police station and duly turned it in. For obvious reasons nobody

Many are those who lately have claimed the pack and when the told us that the only news that time limit for holding it had expired the county claimed it, but the finder's folks obtained a lawyer and pointed out that the law said, that under such circumstances the found item should be returned to the finder. This the judge at the hearing agreed to but the boy said he laid no claim to the pack and the "pot"

Successful Bloodmobile

Congratulations Manchester Area on an excellent Bloodmobile, Monday, March 19 with 208 pints donated and only 5 donors deferred for temporary medical reasons. The scheduling was superb, with no long lines, continuous service and very little waiting, with a full staff of professionals from Southeastern Michigan Red Cross Blood Center and local volunteers.

Thanks to Knights of Columbus assistance, to St. Mary's Altar Society for hosting the Canteen and the Nursery, Alber Orchards for cider and American Legion Auxiliary for the orange juice, but most of all to the support of the area and local industries.

Further details will be available next week.

Michigan Math League Contest

Fifth and sixth graders at Manchester Middle School were among hundreds from across the state who took the Michigan Mathematics League Contest test on Tuesday, March 6. The top five scorers in the fifth grade were Mike Blumenauer, Amy Scherdt. and Tony Punches tied for first, Andy Pagel, fourth, and Jenny Binder and Jeff Smith tied for fifth. The top sixth graders were Jamie Hall, first, Dawn Wenk and Melissa Hawk, tied for second. and David Beck, Chad Randall and Eric Creech, tied for fifth

In this contest, the team score was obtained by adding the top five scores from the combined fifth and sixth grade scores. It has been submitted to the Michigan Mathematics League for competition against other schools in our region. We are supposed to receive the results by May 21.

Manchester Chorus Participates In **Vocal Festival**

The 46th annual Southwestern Michigan Vocal Festival (SWMVF), presented each year in cooperation with the School of Music at Western Michigan University in Kalamazoo, will take place on Thursday, evening, March 22. The 1200-voice Festival Chorus, composed of high school students from 27 Michigan schools, will present a free public performance at 7:00 p.m. in the James W. Miller Auditorium. This year's guest conductor is Eph Elv from the University of Missouri in Kansas City.

Each year the mammoth SWMVF chorus is prepared for the festival by choral directors in the participating schools. The students rehearse and memorize the chosen festival music under guidelines set down by the guest conductor. On festival day, all of the choirs gather during the morning and afternoon to rehearse their memorized selections under the guest conductor in preparation for the evening's public performance.

The Manchester High School Chorus with Roger Marrison as director will participate in the festival.

Maintaining Health Naturally

What on earth is a column that deals with chiropractic and related subjects doing talking about exercise and diet? it's not at all farfetched when you stop to think about it. Chiropractic is based on a natural way of health, of giving the body a chance to regain and maintain health naturally. A sensible exercise program plus a balanced and moderate diet can do wonders for your well being, now and in the future.

One of the best kinds of exercise is the so-called circulorespiratory type. Excellent examples of these are jogging, swimming, jumping rope and bicycling, all of which help the heart, lungs and skeletal muscles of the body.

The important thing is to start slowly. If you are really out of shape, you can cause far more harm than good if you over-do at

Twentieth

Century Club

The Twentieth Century Club held their monthly meeting at the home of Mrs. Leo Scully. Mrs. Janice Little presided over the meeting. The 22 members present enjoyed the program on retirement given by Mrs. Virginia Fielder and Mrs. Jean Schmidt. They stressed the importance of staying active both mentally and physically. They also gave several suggestions such as taking short courses, traveling and also noted available activities close to home. Delicious refreshments were served by the hostess assisted by Mrs. Helen Dyer.

The April meeting will be held at the home of Mrs. Mary Boutell. Each member is asked to bring something for the silent auction.

to get started on your family tree? This workshop can answer your questions. Representatives of the Washtenaw Geneological Society will be instructing students on how to begin, finding resources in person or by mail, using libraries, courthouses, cemeteries and then how to write down your findings. There will also be time for questions and answers. If you have an interest in finding your roots, come join us on Saturday, March 24 from 9:30 -12:00 a.m. in room 116 of the Manchester High School. There is no charge for this workshop. We suggest you call Community Education at 428-7804 to put your name on the list.

Third Annual FIA Fund Raising Dinner

Despite the threatening weather of March 12, 1984, the third annual Faith In Action, Inc. fund raising dinner was a big success. Eighty-eight guests enjoyed a prime rib dinner provided by and at the Chelsea Community Hospital and the Gaslighters Band added an air of festivity with their toe-tapping music. Proceeds of \$1800.00 represented support from the Chelsea, Manchester, Pinckney, Gregory, Ann Arbor and Ypsilanti

Faith In Action. Inc. is a non-profit, community organization which has been officially operating since February 14. 1983. It is a result of a combined effort of the Chelsea area churches to provide more effective services to people in need. Services are offered by phone or walk-in basis and include: food, clothing and financial assistance. transportation, information and

referral, advocacy, free health clinic and family support through the Parent To Parent Program and Parents Anonymous Group. These services are available to residents of Chelsea, Dexter and Manchester.

The Faith In Action House is located on the Chelsea Community Hospital campus across from the Outpatient Surgery Center. It is open Monday through Friday from 9:00 a.m. to 4:00 p.m. Speaking engagements available request.

Fewer Potatoes On Hand

Michigan potato growers, shippers and processors held a total of 2.4 million hundredweight (cwt.) of potatoes on March 1. 1984. Stocks on hand were 20 percent below year ago levels, according to the Federal/State-Michigan Agricultural Reporting Service. Fresh market and processing growers are beginning to wind-up shipping for the season. Disappearance for the 1983 crop from the start of harvest to March 1 totaled just over 5 million cwt., slightly less than movement for the same period last season. Disappearance during the month of February totaled 900,000 cwt., 25 percent less than a year ago. So far this season, 68 percent of production has been removed from storage compared to 63 percent the

rally, fall potato stocks totaled 108 million cwt., for the 15 major storage states. This down 11 percent from a year ago and 3 percent below the March 1, 1982 stocks. Potatoes in storage totaled 39 percent of fall petato prodution compared to 41 percent a year ago. Processing to March 1 funds totalling \$4.1 million to six was down 1 percent from a year earlier, as the eight major states accounted for 70.1 million cwt.

Manchester Village **Planning** Commission

Tuesday, February 14, 1984

The regular monthly meeting of the Manchester Village Planning Commission was called to order at 7:30 p.m. by Chairman Alber. Members present: Alber, Kwolek, Grossman and Kallewaard. Absent: Smith. A quorum was Macomb St. present.

of January 10, 1984 were approved as read, on a motion by Leeson, seconded by Lowery, passed unanimously on a voice

Patrick Fielder was present to discuss his appeal to the Village Zoning Board of Appeals for a a single-family home on a lot at 66 ft. in frontage while the Zoning Ordinance requires 90 ft. frontage in the R-1B District.

the rear of the one in question. Fielder furnished the deed lot.

present dimensions of parcels designated 1-106A and 1-107 could have evolved from two original lots, each with 105.6 ft. frontage; and how the 105.6 ft. frontage is uniform for a number of lots on the east side of S. Macomb St. Lowery presented a description map of 1915 which showed a variety of other frontage measurements which Leeson, Stautz, Lowery, Walton, pertained, at that time, to the same land on the east side of S.

Kwolek raised the question of Minutes of the regular meeting whether or not there was any history of a previous intention of dividing parcel 1-206A into two lots of 66 ft. frontage each. If, for instance, it could be shown that the 132 ft. frontage was parceled off with the intention of allowing for two 66 ft. lots, then that could relate to a finding of hardship on variance allowing construction of the present owner, Mr. Fielder, which could provide justification 315 S. Macomb St., the lot being for a variance. Numerous other village lots with 60 ft. and 66 ft. frontage were cited.

Fielder stated that his intention Leeson first raised the question was not to build and occupy a of a possibly landlocked parcel to house on the land himself, but to eventually sell the lot as a building site. He stated that he providing an easement to the rear believed the variance should be granted because the empty land Leeson illustrated how the could not be put to much good use

otherwise, whereas a house on the land would provide tax income to the Village. He cited two houses. and a church on the east side, and one house on the west side, of S. Macomb St. situated on lots the same size or smaller than what he proposed to be allowed to build

Lowery questioned whether the narrow width of the lot would require a house with the front door to the side, rather than facing the street, which would make it different from others in the immediate vicinity. Fielder said he believed it would not necessarily have to be built that way. He stated that although narrow, the lot accommodate a house particularly suited to a retired couple or other small family.

Walton cited the lot with 66 ft. frontage on the west side of S. Macomb St., as well as the lot of 60 ft. frontage running through to Schaffer Court. However, he also raised the question of whether the granting of Mr. Fielder's variance request would open the door to a large number of similar requests; for instance on the other 132 ft. lot on the west side of S. Macomb

Alber, Kwolek and Lowery all stated concern about the possibility of numerous similar variance requests in the future. Once again, reference was made to the necessity of finding the "practical difficulties or unnecessary hardship" which the state zoning law requires for the granting of a variance.

Chairman Alber thanked Mr. Fielder for discussing his variance petition with the Planning Commission. No action was taken on the matter, since the Planning Commission is not required to issue a recommendation on an appeal to the Village Zoning

Board of Appeals.

Walton reported his discussion with Bill Zsenyuk concerning the Zoning Inspector's

The Commission agreed that the new flat storage files should be installed in the Council Room, to provide easy access to materials during meetings.

The Secretary reviewed the status of Gallup-Silkworth's proposal to install a 550 gallon kerosene storage tank at the Pump and Pantry store on Main Street.

The meeting was adjourned at 8:36 p.m. on a motion by Grossman, seconded by Stautz, passed unanimously on a voice vote.
