Iron Creek Church Plans Spring Campaign

The Iron Creek Community Church of Manchester will begin its **Springing Forward For Christ** April attendance campaign this Sunday, April 1, with "Plant Your Garden" Sunday. Each person attending will receive a free package of vegetable seeds compliments of Mann's Feed Mill to help begin their gardens. The Sunday school has been divided into two teams, the Pumpkin Heads and the Cabbage Patch Kids, to promote some lively competition for the purpose of reaching unchurched residents in the community. A potluck supper will be served at the conclusion of the Sunday school hour. The program begins at 10:00 a.m.

The remaining Sundays in April have been designated as the following:

April 8 - Sunday School on Parade Day; all the children up thru grade six will be marching in a parade to begin the Bible Hour and then demonstrating the things they have been learning. Each child attending will receive a free candy bar.

April 15 - Chain of Faith Sunday; members will be asked to sign a piece of paper promising to be in church on this special day. The piece of paper will be curled into a link to make as long a chain as we possibly can to reach our attendance goal.

April 22 - Easter Sunday; after a worship service of special music and message the Bible Hour will enjoy an Easter egg hunt for the entire family. Children finding the three white eggs will receive a large candy-filled Easter basket.

April 29 - Old Fashioned 129th

Anniversary Sunday; everyone will be dressing in old fashioned clothes, past members are being invited back for a "homecoming day", horse and buggy rides will be provided, a social hour will replace the regular Bible Hour, and some special presentations will be made to the Church Historical Society archives.

The residents of Manchester are cordially invited to attend any of the special days scheduled for April. Come and watch us grow. For further information, call Pastor Bill Mason at 428-9343.

Two Local Women To Chair Cancer Crusade

Mary Smith and Ethel Wheeler of Manchester will serve as chairmen of the American Cancer Society's educational and fundraising Cancer Crusade in Manchester slated to begin April 1.

In announcing the appointment Gary L. Raab, president of the Society's Washtenaw County Unit said, "Under the leadership of Mary and Ethel, this year's Crusade should be one of our most successful campaigns ever. We fully expect to reach all our goals and aims."

Here in Washtenaw County, we expect to raise \$30,000," Raab said. This money will be used to help support programs in the community for the prevention, early detection, and treatment of cancer, and to provide assistance

"Tornado Safety Week"

With spring approaching, thoughts turn to balmy weather, April showers, and May flowers, but the State Police Emergency Management Division reminds Michigan residents that the coming of spring also brings the potential for devastating tornadoes.

Capt. Peter Basolo, Deputy State Director of Emergency Services, explained that a proclamation by Governor James J. Blanchard designated March 25-31 as "Tornado Safety Week" in Michigan and that it alerts residents to the need to know how to prepare for possible tornado danger.

The proclamation pointed out that more than 600 tornadoes strike in the U.S. each year with an average of 17 in Michigan. Since 1950, more than 200 persons have been killed by tornadoes in Michigan with property loss estimated in the millions of dollars.

Michigan ranks third in the number of tornado-related deaths in the country. The state's urban population makes it especially vulnerable to the devastating effects of tornadoes.

The Governor urged the people of Michigan to be aware of the early warning signs of tornadoes and the proper safety and emergency procedures. "Tornadoes usually develop in conjunction with severe thunderstorms. Community siren systems and the broadcast media alert the public when a possible tornado is approaching but often a tornado will touch down before any warnings can be issued. This year state, county and local emergency services coordinators, the National Weather Service, the public and private school systems, and the news media are cooperating to educate the public to the dangers of tornadoes and the safety rules they can follow to save lives", he stated in the proclamation.

Those persons having serious concerns regarding tornado safety are advised to contact the nearest State Police post, local civil defense authorities, police and fire department for assistance. Some agencies have information material to distribute concerning tornado safety.

United Way Annual Meeting

Manchester United Way, which comprizes each one of us who reside in the Manchester School District will meet Thursday, March 29, 1984 at 7:30 p.m. at the Manchester Township Hall, 275 South Macomb St., Manchester.

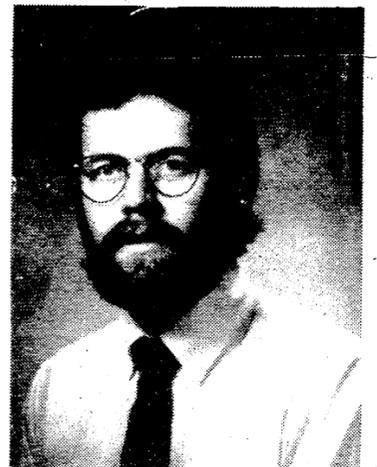

The agenda will be reports from our agencies which make up our United Way: Manchester Area Recreation; Manchester Family Service; Manchester Senior Citizens Council, Catholic

New Positions Announced At Double A Products

S. CHARLES MATTOFF

KURT SCHARFENBERG

Double A Products Company of Manchester, announces the promotion of S. Charles Mattoff to the position of Vice President, Industrial Relations.

Mr. Mattoff has served Double A as Manager, Industrial Relations at the Manchester facility since 1974. Prior to joining Double A, Mr. Mattoff held engineering and personnel positions with the Dana Corporation and I.T.T. Hancock at their Michigan facilities. He lives with his wife, Lenore and daughters, Tanya, Kristina and Trisha in Chelsea, Michigan.

The appointment of Kurt A Scharfenberg as a Power Systems Sales Engineer has been announced in the Manchester facility.

Mr. Scharfenberg joins Double

A Products from Transamerica Delavel, IMO Pump Division, Monroe, North Carolina, where he served as a Sales Engineer responsible for technical support to field sales including product applications and technical training seminars. Mr. Scharfenberg's prior experience also includes designer/draftsman for Canron Railgroup, Inc., Columbia, South Carolina and Hydraulic Mechanic for Southern Hose and Fitting Co., Atlanta, Georgia and Hydraulic Supply and Equipment Co., Detroit, Michigan.

Mr. Scharfenberg is a graduate of Eastern Michigan University, Bachelor of Science, 1975 and Washtenaw Community College, Associate Degree in Fluid Power Technology, 1976.

Remedy For Hard Times

This is a reprint from the Manchester Enterprise, dated February 6, 1868.

We hear much said of the hard times. All business is stagnant, and everything seems at a standstill. And some cry one thing, and some cry another. Some lay the sin at the door of Congress, and others at the door of the White House.

It is much easier to see the sins of others than perceive our own. It is more natural to find fault and blame others, than condemn ourselves. But, in truth, may not some of the main causes of our present condition be traced to other sources that lie nearer home than Washington? There has been a great mania for money-making. Fabulous fortunes have been made in a short time; and hence

there has been a rush to all centres of trade and of manufacture. Every city and manufacturing village has been crowded to its utmost capacity; so that scarcely a tenement could be had. As the natural results of this state of things, the rural districts and farming communities have been depleted and forsaken just in proportion as the other portions have been surfeited. The farmers have found it very difficult to persuade their sons to remain at home and till the soil, and equally difficult to obtain the necessary labor to cultivate their farms, so long as much higher wages could be had in the shops, the offices, etc.; and as the result many of our most productive farms have really produced not a tithe of what ought to have been gathered from

Women In Science

On Thursday, April 5 the Women in Science Program will sponsor an informal tray/brown bag lunch for undergraduate women majoring or considering majors in science and engineering fields. The lunch will be from 12:00 noon to 1:30 p.m. in the Michigan Room of the Michigan League.

Students can buy lunch or bring their own brown bag. Upper class science majors and faculty will be available to answer questions and to talk with students about majoring in the sciences. Discussion topics will include the summer job search, resume requirements, and networking. Everyone is welcome. Questions about lunch? Please call the Women in Science Program, Center for Continuing Education of Women, 764-2382.

Marine Receives Promotion

Raymond L. Schmidt has recently earned a meritorious promotion to Lance Corporal while serving in the United States Marine Corps. Raymond earned his promotion for outstanding recommendations on his IG Inspection.

Raymond is assigned to Administrations of Headquarters Squadron 37, Marine Wing Support Group 37, 3rd Marine Aircraft Wing, FMFPAC, MCAS El Toro, Santa Ana, California.

Raymond entered the Marine Corps August 1st of 1963 as a Private First Class, due to the recruiting program. He has earned a sharp shooter and an expert badge on the Rifle Range. He received a 297 score out of a possible 300 in the physical fitness program.

Raymond is the son of Gerald and Eleanor (Peggy) Schmidt of Manchester.

Men In Service

Army Pfc. James A. Kasapis, son of Lorraine McLaughlin of 301 River Bend Drive, Manchester, has arrived for duty in Nuremberg, West Germany. Kasapis, a track mechanic with the 2nd Support Command, was previously assigned at Fort Riley, Kan.

He is a 1982 graduate of Manchester High School.

Promotion-Retention Policy Considered

At its regular meeting on Monday, March 19, the Manchester Board of Education received from the administration a proposed policy regarding student promotion and retention. The policy defines procedures to be utilized in the event that a student is being considered for retention.

Board of Education member Bill Broucek commented, "We want to be certain that parents are advised well in advance of the end of the school year that their child may be considered for retention".

The Board directed the superintendent to seek community input regarding the policy. Persons interested in obtaining the proposed policy should contact the Board of Education Office at 428-7300. Comments may be submitted to individual Board Members, the administration or personally at the regular meeting on April 16, at 8:00 p.m.

Parent Conferences Scheduled

The Spring Parent-Teacher Conferences have been scheduled for the Manchester Community Schools. On Tuesday, March 27, students will attend class only until 12:00. Parent conferences will be held in the afternoon.

Students will not attend school on Wednesday, March 28. Conferences are scheduled from 1:00 in the afternoon until 9:30 that evening.

On Thursday, March 29, school resumes for students. However, a hot lunch will not be provided on that day. Students at the Middle School and at the High School may obtain salad if they choose. All others must bring their own lunch.

Final Scholarship Deadline

Junior and senior class high school students who are interested in applying for \$1,000 college scholarships should request applications by May 7, 1984 from the Educational Communications Scholarship Foundation, 721 N. McKinley Road, Lake Forest, Illinois, 60045.

Any student interested in receiving an application, should send a self-addressed, stamped envelope with a note listing his/her name, address, city, state and zip code, year of graduation and approximate grade point average. Fifty award winners will be selected on the basis of academic performance, involvement in extracurricular activities and need for financial aid.

Klager Elementary Schedules April 12 Staff Inservice

Students at Klager Elementary School will be dismissed at 11:30 a.m. on Thursday, April 12 in order to enable the teaching staff to attend a computer instruction workshop.

The elementary school is in the process of developing a computer laboratory in which all students will have the opportunity for instruction. For the past two years computer hardware at Klager has been located primarily in individual classrooms. On occasion teachers pulled all of the computers together in order to instruct a class of students.

Future plans will provide for a computer laboratory with all hardware being stationed in a single room while students rotate through on a scheduled basis.

Klager Principal Janice Hammond stated, "It is our belief that a re-organization of the elementary computer program will improve instruction and enable students to enter the middle school with superior computer skills. It is our intent to provide elementary students with a sound basic experience in computer use."

Engagement Announced

Ms. Jean A. Feldkamp, formerly of Manchester, is happy to announce her engagement to Paul D. LaBelle of Worcester, MA.

Jean is the daughter of Mrs. Olive Feldkamp of Manchester. Her fiancé is the son of Mr. and Mrs. Edward F. LaBelle, Sr. of Worcester, MA.

A July 29, 1984 wedding in Manchester, is planned.

Jean is a graduate of Manchester High School and Michigan State University and a resident of Marlborough, MA. She is a Packaging Engineer for Prime Computer, Inc., Framingham, MA, and an MBA candidate at Babson College, Wellesley, MA. Paul is Senior Writer for the Venmark Corporation, Wellesley, MA, a graduate of Assumption College, Worcester, MA and a Master's Degree candidate at Boston College, Chestnut Hill, MA.

Card Of Thanks

We would like to thank Mr. Don Limpert for so generously donating the use of the old mill for our Cancer Crusade meeting on Monday evening, March 19th. It is deeply appreciated.

MEETING NOTICES

ATHLETIC BOOSTERS

Manchester Athletic Boosters April meeting will be held April 11 at 8 p.m. at the high school, room 110.

MANCHESTER MEN THURSDAY GOLF LEAGUE

The Manchester's Men Thursday Golf League will have a meeting April 12th at the Centerview Golf Course on M52, at 7:00 p.m.

Anyone interested in playing, please come and sign up.

MANCHESTER CLARK LAKE GOLF LEAGUE

The Manchester - Clark Lake Golf League will have its Spring meeting, April 12 in the basement of the Black Sheep at 7:00 p.m. Anyone who cannot attend contact Russ Hough at 428-7255 before April 12th.

HOSPICE INFORMATION

An information meeting will be held at 7:30 p.m. on Monday April 2, 1984 for persons interested in learning more about the Hospice concept of caring for terminally ill patients and their families. The meeting will be held at the Hospice of Washtenaw office, 2530 South Main Street, Ann Arbor, Michigan. Those interested in volunteering for Hospice of Washtenaw are encouraged to attend. If further information is desired, please call 995-1995.

A midwest nudist camp has posted this sign every autumn: "Clothed for the season".

Dial-A-Garden

The following is a schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. The system is in operation 24 hours per day, 7 days per week. Interested persons are invited to call 971-1122 at their convenience and receive timely, up-to-date gardening information.

Thursday, March 29, Dandelions, A Spring Delicacy.

Friday, March 30, Ants in the Home.

Monday, April 2, Crabgrass Control.

Tuesday, April 3, Easter Cactus.

Wednesday, April 4, Vegetables You Can Plant Now.

Cancer Crusade

Last year research scientists affiliated with the University of Michigan received \$1.2 million in research grants from the American Cancer Society.

Another important goal is to help save lives. The American Cancer Society with the cooperation of Radio Shack Computer Stores has developed a special, Personal Health Quotient (P.H.Q.) Computerized quiz that residents in Washtenaw County can take to help them learn some clear cut ways to protect themselves from cancer.

"It's very simple," Mr. Raab said. "The computer asks each person specific questions about their age, life style, and personal family health history. A personalized, confidential print-out outlines the individuals cancer risks and points out things he or she can do to avoid some cancers and ensure early detection and successful treatment of others that may develop."

The P.H.Q. quiz can be taken at the Radio Shack Computer Stores at the Westgate Shopping Center in Ann Arbor or the Carpenter Road-Packard Road Shopping

Black Sheep Theatre Presents Comedy

The Black Sheep Theatre, Manchester, Michigan will present "Same Time Next Year," by Bernard Slade as its second production of the 1984 season. Produced by Coralie Parkins, Black Sheep Theatre director, and directed by Mel Kramer, Dearborn, assisted by Bethel Snyder of Chelsea, the play will be presented on the following dates: Thursdays, Fridays, and Saturdays, March 29-31, April 5-7, and 12-14 with curtain at 8:15 p.m.

The cast is GEORGE played by Bob Mann of Manchester, and DORIS played by Fran Gerkin Foster of Ann Arbor. The entire action of the play takes place in a room in a traditional country-style inn in Northern California. The hilarious comedy about two would-be lovers begins on a weekend in 1951 and spans the following years to 1975, with one neurotic, romantic meeting each year - same time, same place. The original cast of Charles Grodin and Ellen Burstyn was first presented at Brooks Atkinson Theatre, New York in 1975. A popular movie followed with Alan Alda and Ellen Burstyn in the leading roles. The plot is made for laughter, a rollicking, funny show!

Letters To The Editor

The Village of Manchester may be small geographically, but its heart is bigger than that of many cities ten times the size. Within the past few weeks, the "town folk" rallied behind the Muscular Dystrophy Association by collecting over \$700.00 during the "Shamrocks Against Dystrophy" Campaign.

On behalf of the Muscular Dystrophy Association, thank you for your tremendous support. Our special thanks to McGlynn's Pub & Grub, The Village Tap, The Bakers Dozen, and especially to Judy and Keith Reed, and their son Larry, for coordinating this campaign. God Bless you all.

Connie Philips
Program Coordinator
Muscular Dystrophy Association

ABORTION: TEN YEARS LATER

By Tim Miles

In Chicago a father sees his child born, and realizes it isn't perfect. He picks his baby up and throws it into a wall, killing the child. He stands trial for murder and we all agree he should be punished. However, one day earlier his wife could have legally aborted that same child, and no one would know or care. I ask you, what's the difference? The honest answer is

there is no difference, both are murder.

You may object to my illustration saying; that only babies in the earliest stages of pregnancy can be legally aborted. This is what the general public believes, but it is not reality. Abortions can take place at any time during the pregnancy, with doctor approval. There are doctors willing to give approval for any reason offered.

In Los Angeles recently a dumpster containing 17,000 aborted babies was discovered. Many weighed over 4 pounds. In Georgia if a baby lives over an hour, outside the womb, they must have a birth certificate, then a death certificate. In one abortion clinic in Atlanta 14 birth certificates had to be issued in 1983. Fourteen babies who lived their lives with no attempt to warm them or preserve their lives. They were left to die of exposure on a stainless steel tray. There is one method of abortion called a hysterotomy which is used exclusively for late term abortions. It is performed exactly like a cesarian section. Babies born like this are left to die of exposure.

Why don't we do something to stop this? I think it's because we don't see it. We aren't in the abortion clinics to see perfectly formed babies taken from their mothers and discarded. On April 9th, at 7:30 p.m. in the high school multipurpose room a movie will

be shown that shows an actual abortion. I believe it's important we be willing to look at what's happening, no matter which side of this issue we are on. Only then can we honestly state where we stand.

ABORTION: A MATTER OF CHOICE?

A movie released by Right to Life entitled; *A Matter of Choice*, will be shown April 9th, at 7:30 p.m. in the Manchester High School multipurpose room. The general public is invited to attend, with no admission cost. It is suggested that young people 17 and under be accompanied by a parent. The movie takes an honest look at the issues involved, and shows what takes place in an actual abortion.

Courtesy of,
Manchester Citizens for Life

Mr. Steele,

This is a copy of a letter sent to each board member as information to the community.

To each board member:
As advised by Dr. Thompson at the board meeting March 19th, I went thru "proper channels".

Monday, March 26th, I met with Dr. Thompson, accompanied by a Mother/P.T.O. advisor. After inquiring the reason for her being there, he stated that her presence was confusing to him. When the meeting was over, it was still unclear to me whose decision it was to restrict volunteer help from Klager. The decision was announced to me by Dr. Hammond, Dr. Thompson stated that it was he who advises her to. We are wondering if Dr. Thompson had his bosses' approval. (7 of them)

I would like the board to render a formal policy stating the

guidelines for volunteer help in the school.

Upon my request to see the Union Representative's advise, Dr. Thompson said that it was verbally filed.

Questions are yet to be answered:

1) Why is Dr. Hammond changing her statement.
2) If my help in 1st grade was so greatly appreciated why can't it be available still.

3) If the news article in question comes from October '83, why wait until March '84 to mention objection.

4) Why do Dr. Hammond and Dr. Thompson's statements conflict. Both claim to have made the decision of restricting help.

Thank you for your time in looking into these issues so that we as a community be better informed.

Parents, do you know that the school belongs to you? Mr. Little explained to me how Dr. Hammond has one boss, Thompson, and he has 7 bosses; do you know who elects these 7 to do their best? 75% of the taxpayers have no children in school but they still care. A special thank you goes to our bus drivers to transport the children safely this winter!

Thank you,
Nicole McGarry

Visit With Artists

home items: Manchester Outlet.

This Saturday, March 31, local artist-potter, Bonnie Greenwald, will bring pots in various stages of completion and "test tiles" (little chips of glazed clay used to develop new surface designs and new glazes and their combinations).

Her education includes a Bachelor of Science in Design from the University of Michigan School of Art. She markets her ware through Manchester Outlet, as well as a retail store as far away as Kalkaska, Michigan. In addition, she exhibits in the Ann Arbor Summer Arts Festival and a host of Michigan art fairs including those in Muskegon, Tawas City, and Houghton Lake. Recently, she was juried into the "Spring Arts Festival" sponsored by the University Artists and Craftsmen Guild scheduled for Plymouth, Michigan in early May.

Manchesterites may recognize her for an active role in the Manchester Art Guild during the last five years. She has written the column, "Manchester Art Guild News" regularly during that time and has been heavily involved in planning the annual "Manchester Street Fair".

A proud mother of two daughters: Michele, age eight, and Meghan, age four, she says all of her activities are really family affairs, thanks to the help of her husband, Dick and children. Art fairs are regularly attended by them all, with everyone pitching in for their success.

Bonnie will be at the Manchester Outlet, located in the State Farm building, 146 East Main, Manchester, from 9:00 a.m. - 12:00 noon.

Tree Seedling Sale Order Deadline Near

The Washtenaw County Soil Conservation District reminds county residents that April 9, 1984 is the last day orders for tree and shrub seedlings will be accepted for the District's Annual Spring Tree Sale.

Limited quantities of the following tree and shrub seedlings and ground cover seed are still available: Austrian Pine, Red Pine, White Pine, Norway Spruce, White Spruce, Colorado Blue Spruce, Douglas Fir, Black Walnut tree seedlings; Tartarian Honeysuckle and Silky Dogwood shrub seedlings; and Emerald Crownvetch seed. Also available are Wildlife Packets suitable for wildlife food and cover. These packets have an assortment of 30 evergreens and 20 shrub seedlings, which may include: White Pine, Red Pine, White Spruce, Mountain Ash, Autumn Olive and Honeysuckle.

All seedlings offered are available on a first-come, first-serve basis, while quantities last. For further information and to obtain an order form, contact the Soil Conservation District Office, 6101 Jackson Road, Ann Arbor, Michigan 48103. Telephone: (313) 761-8721.

Adult Softball Registration

The Chelsea Recreation Department is looking for men and women interested in playing Slow-Pitch Softball. Our plan this year is to have 16 mens teams. We would like to have at least 8 womens teams and 6 Co-Ed teams. Our current plan is to have the men playing on Monday's and Wednesday's. Womens league will play on Tuesday nights with the possibility of some Thursday's. Co-Ed league will play Thursday nights. The mens and womens league will start in mid May with

the Co-Ed league starting in June.

A fall league starting in mid August is already being planned for mens. If enough interest is shown, a womens and Co-Ed league will be formed for the fall also.

A.S.A. licensed umpires will be used for all leagues with two umpires at each game. This year we will be using regular flight softballs for the first time in over five years. Rosters for mens league will be held to 18 players with one non playing coach. Registration forms may be picked up at the Community Education Office (next to High School Cafeteria) from 9:00 a.m. to 9:00 p.m. (except between 5-6 p.m. for lunch) or at Palmer Ford Service Department (see Ron Schuyler) between 7:30 a.m. and 5:30 p.m.

If you are currently on a team, check with your team manager for registration forms. Every player is required to fill out a registration form. If you are looking for a team to join, contact Ron or stop in at the Community Education Department. All registration forms must be turned in two weeks before the dates of the Organizational meetings listed: Women - April 10, 7:00 pm. High School Cafeteria; Men - April 25, 7:30 p.m. - High School Cafeteria.

The final entry date for the A.S.A. District Tournament is April 27, 1984. Teams interested in participating should contact Ron Schuyler.

Hard Times

Hence, the high prices they obtain of all the staple articles of provisions; and, as another natural consequence, there has been so much overtrading and surplus manufacturing, that business must become plethoric and sluggish. The strain has been too great, and almost every branch is giving way under its own accumulated burden; therefore hundreds and thousands find themselves suddenly left without employment, in crowded

cities, obliged to pay high rents and high prices for all the necessities of life.

Suffering there must be, just as in the human body, when the blood rushes from the extremities to the heart; and relief can only be found in a similar manner, by the life current flowing back to the extremities, and compel not the whole to suffer and die by the surfeiting of the centres.

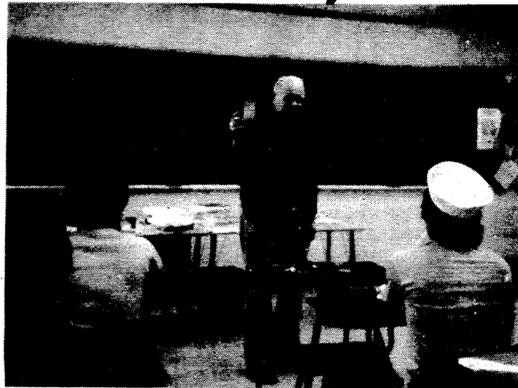

Yes: the crowds unemployed must flow out again into our rural districts. Those who have, for months and years, been breathing the stifled, noxious air of factories, foundries, shops, and overcrowded houses, in the narrow and confined walls of the cities and towns until, pale and haggard, they appear like wan dyspeptics, must seek again to refresh and invigorate themselves upon the farms, breathing the pure air of heaven, and striving to be not benefactors to themselves, but to others also, in cultivating that soil which the great Creator has given to nourish the human race. Let hundreds and thousands learn that the noblest of all arts is to cultivate and till the soil. Then "the waste and desolate places would bud and blossom like the rose, and the wilderness would become like the cultivated fields;" and there would be far less complaining of hard times. Yes: hundreds and thousands could be spared from all our cities; and our worn-out and deserted farms would soon be rejuvenated, and our granaries and barns would be full, and our markets well supplied, and healthy tone and vigor infused into all kinds of branches of business. And, what is more and far better, health and vigor would be restored to hundreds and thousands who now drag out a sickly feeble life; and many a little sickly, wan child becomes a rosy-cheeked, joyous youth, full of all the life and spirit of the lambs and colts that frisk and skip over their green pastures. Nature craves-yea, demands and must have-her own stimulus and heaven-ordained ailment: or health, strength, and life, must pay the forfeit. God made man to till the soil, and breathe the pure, vital air of heaven. "God made the country; but man made the town." Then do not cry "hard times," while you still crowd the city; while you will desert the farm, and rush to the dingy walls of manufactories and shops. Don't complain of high rents, of extravagant prices for flour, beef, and articles of diet; but, up! seek some snug little homestead of a few acres of mother earth, and raise, with your own hands, what now you pay so high for; and it will taste all the sweeter for having raised it. No one knows how sweet, how nice, until he can say, "I raised this."

If you are currently on a team, check with your team manager for registration forms. Every player is required to fill out a registration form. If you are looking for a team to join, contact Ron or stop in at the Community Education Department. All registration forms must be turned in two weeks before the dates of the Organizational meetings listed: Women - April 10, 7:00 pm. High School Cafeteria; Men - April 25, 7:30 p.m. - High School Cafeteria.

The final entry date for the A.S.A. District Tournament is April 27, 1984. Teams interested in participating should contact Ron Schuyler.

Hence, the high prices they obtain of all the staple articles of provisions; and, as another natural consequence, there has been so much overtrading and surplus manufacturing, that business must become plethoric and sluggish. Paul Lemon Speaks To World History Class

Pictured above are Paul Lemon with students Brian Waters, Mike Silkworth and Jay Wilde.

On March 5, 1984, Mr. Paul Lemon, SGM army retired, spoke to the high school world history class about World War II. Mr. Lemon has spent 35 of his 61 years in the army medical corps. The visitation of Mr. Lemon was arranged by Darrell Weston, a student in the history class.

Having served in the army medical corps during World War II, Mr. Lemon related his own personal feelings about being in World War II. He showed the students some interesting memorabilia he brought back from the war - such as a German Luegar, various medals, patches, a replica of a hand grenade, and money issued to the U.S. military men to use overseas.

Mr. Lemon appeared to have a

deep understanding of warfare and the feelings of soldiers involved in war. He summarized war as being - "Fickle, Foolish, and Final". Mr. Lemon also stressed patriotism, and reminded students that they should be extremely proud of the United States.

Final Notice! Softball League

This is the final notice for players interested in the Manchester Softball League. A meeting will be held at McGlynn's Pub & Grub at 7:30 p.m. on Wednesday, April 4. A representative should be present if the manager is unable to attend.

Another Ag Work Comp rate reduction

For the fourth time in less than three years, Farm Bureau Mutual Insurance Company of Michigan has reduced its rates for agricultural workers compensation insurance. We're the leader in Michigan farm protection. Call today.

Making your future a little more predictable.

Klager Read-A-Thon

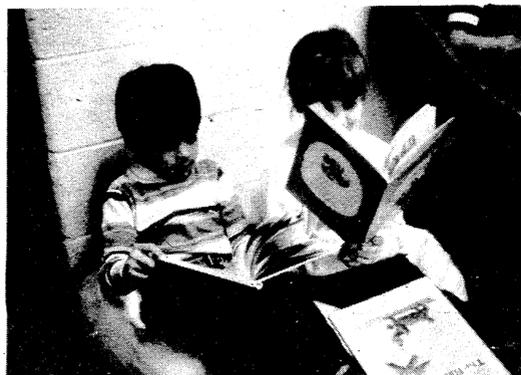

Read-A-Thon 3/4 Teamers Jason Rogers, Jeff Weidmeyer, Rodney Burkhardt, Danny Bihmeyer and Marcus Stockwell.

Groups of Klager Elementary students took turns reading in the lobby to maintain a continuous Read-A-Thon on Monday.

The Read-A-Thon marked the last of the Reading Olympics program where students read

with sponsors for the March of Dimes. Students who read over five books during the month earn Olympic Medals.

March is Michigan Reading Month.

Kindergarteners Andrew Schook and Carrie Matson at the Read-A-Thon.

\$29,000 Beautiful rolling 20 acre parcel. High building site with trees and pond. 1 mile from village limits.
\$10,500 Sharon Township - 10 acre building site, recreation land.

NOTES FROM DINNER...

Art Fair applications passed around the large round table. One was for Central Park, New York. It was met with curious interest and silent contrasts of "big league" and personal struggles. Others were for fairs in Cadillac, Muskegon, Kalamazoo, and the Detroit area.

Recognition was given to member triumphs large and small: Nancy Feldkamp sold a painting on display at Chelsea Hospital, Ardella (Jo) Swanberg, Annalisa Grey-Lion, and Bonnie Greenwald were juried into the University Artists and Craftsmen Guild "Spring Arts Festival" May 12 and 13 in Plymouth, Maureen Lochey obtained exceptional results from a recent glaze firing, and lots more good news.

Supportive ideas were expressed in regard to the Guild's consignment shop, "Manchester Outlet". Marketing ideas for the next few weeks were tossed about, as were reminders that instant success in business is rare. Interest and sales are encouraging.

The Pretzel Bell Salad Bar was a popular choice by members, allowing for creative concoctions heaped high on plates that seemed to be a little too small... Some savored Chicken Terriaki and Steamed Shrimp too.

Time passed quickly—as it does so often when it would be nice if time would stand still. The meeting of aspirations, triumphs, struggles, and friends, departed for another month.

Annual Canoe And Boat Race

The annual Canoe and Boat Race, sponsored by the Optimist Club, will be held on Sunday, May 20, 1984. The race will start at Fellow's Bridge, Sharon Valley Road and finish at the Main Street Bridge in Manchester.

Mr. and Mrs. Michael Ball of Killeen, Texas are pleased to announce the birth of their daughter, Ashley Elizabeth, born March 21, 1984. She weighed 7 pounds 9 ounces.
Ashley's maternal grandparents are Mr. and Mrs. Clarence Raeger of Johnstown, Pennsylvania. Paternal grandparents are Mr. and Mrs. Leon Ball of Manchester.

Julie and Mark Murray of Skandia, Michigan are very pleased to announce the birth of a daughter, Leslie Nicole, born March 23, 1984. She weighed 7 pounds 6 ounces.
Grandparents are Harry and Mary Johnson of Manchester and James and Kay Murray of Fort Worth, Texas.

Foreign oil Kick the habit, scientist urges

America's growth as an electrically powered society is a prime opportunity to kick its dependence on foreign oil, says one of the nation's most celebrated scientists.

The switch to electricity from other, more expensive power sources is "one of the most striking changes in our pattern of energy use," says Dr. Alvin M. Weinberg. Electricity today accounts for more than 32 percent of U.S. primary energy, almost double what it was just 15 years ago.

Dr. Alvin M. Weinberg

"We should push oil out of every sector of our society except transport, where it's genuinely needed," he says. "Only then can we truly be self-sufficient in energy."

Dr. Weinberg's comments on American energy appear in the current issue of *Focus: Views on Energy*, a magazine published by Consumers Power Company. Dr. Weinberg, often called "the grandfather of nuclear energy," is director of the Institute for Energy Analysis. He was director of the Oak Ridge National Laboratory for 18 years, and is past president of the American Nuclear Society.

Replacing oil-dependent energy with electricity, says Dr. Weinberg, is a smart move that America is already making. "The price of electricity has gone up, to be sure," he says, "but not nearly as steeply as the price of oil and gas. As a consequence, electricity is pushing into many areas where it hasn't been used previously. For example, 30 percent of the steel in the United States is being made electrically today. That's far

more than ever before. It's happening in the automobile industry, too."

Where will all of this electricity come from? Coal and nuclear power are Dr. Weinberg's answers.

"I think the use of nuclear power is going to expand in a major way during the next generation," he says. "I'm convinced that the present malaise we're suffering with respect to nuclear energy will pass and we'll get back on course again. Soon."

"The fact is nuclear energy is both cleaner and safer than most other forms of energy."

Already, he says, nuclear power is "a fantastic success. Just think. It's less than 50 years since fission was discovered and by 1990 it will be producing almost 10 percent of all the energy the world needs."

This advertisement is paid for by the shareholders of Consumers Power Company.

18-311-E

Bridgewater Township Planning Commission

February 13, 1984

The meeting was called to order at 8:05 p.m. by Gerald Marion, Chairman, at the Bridgewater Township Hall.

Present: Marvin Breitenwischer, Gabriel Dull, Deanna Becklehamer, Gerald Marion, Louise Fraumann, Roger Hardenberg. Absent: Alfred Cowhy, Leonard Dayss and Gene Braun. Attending: Harlin Fraumann, Zoning Inspector, Doug Parr and Lewis Blaisdell. The Minutes of the Meeting of October 31, 1983, and the Public Hearing of October 31, 1983, were read and approved.

It was moved, Fraumann, and seconded, Becklehamer, to rescind the approval for a conditional use permit for a beauty shop for Rachel Burkhardt of 8139 Ernst Rd. Passed, unanimously.

A discussion of proposed amendments to the Zoning Ordinance followed, on the subject of permitting conditional uses in rural districts for beauty services. Moved, Hardenbergh, and seconded, Fraumann, to delete, on Page 8, under the heading, Home Occupations, the final sentence: "The definition of a home occupation shall not include clinics, hospitals, barbershops, beauty parlors, tearooms, tourist homes, animal hospitals, kennels, and similar uses." Passed, unanimously.

It was moved, Dull, and seconded, Becklehamer, to list in Section 4.03A, and 4.03B, of the Zoning Ordinance, on Pages 23 and 24, Barbershops, Beauty Parlors, Millinery Shops, and

Music Studios as "C" in all three districts. Passed, unanimously.

There will be a Public Hearing on Monday evening, 8 p.m. on March 12, 1984 in the Bridgewater Township Hall concerning the above.

Mr. Harlin Fraumann, Zoning Inspector, reported concerning a cinder-block building on U.S. 12, and Neblo Road, which may be too close to the road. Federal and County Road Officials are being contacted. The meeting was adjourned at 9:54 p.m. Motion, Dulle, second, Breitenwischer.

Respectfully Submitted, Louise K. Fraumann, Secretary

PUBLIC HEARING

March 12, 1984

The Hearing was called to order at 8:05 p.m. on March 12th, 1984, at the Bridgewater Township Hall, by Gerald Marion, Chairman.

Present: Gerald Marion, Gabriel Dull, Deanna Becklehamer, Marvin Breitenwischer, Leonard Dayss, Gene Braun and Louise Fraumann. Absent: Alfred Cowhy and Roger Hardenberg. Attending: Harlin E. Fraumann, Zoning Inspector.

The Public Hearing was for the purpose of hearing comments from the Public on a proposed Amendment to the Bridgewater Township Zoning Ordinance of September 12, 1981.

The proposed Amendment, as advertised in the Manchester Enterprise, on 2/16/1984, and 3/8/1984, would delete, under Section 2:02, Page 8, Definitions, as follows: "Under the heading HOME OCCUPATIONS, the final

sentence: "The definition of a home occupation shall not include clinics, hospitals, barbershops, beauty parlors, tearooms, tourist homes, animal hospitals, kennels, millinery shops, music studios, and similar uses" would become "The definition of a home occupation shall not include clinics, hospitals, tearooms, tourist homes, animal hospitals, kennels, and similar uses."

Also, in Section 4.03A and 4.03B on pages 23 & 24, Barbershops, Beauty Parlors, Millinery Shops, and Music Studios will be listed as "C" in all three districts.

There was no public comment at the meeting. Hearing closed by Gerald Marion, Chairman, at 8:30 p.m.

Respectfully Submitted, Louise K. Fraumann, Secretary

MINUTES

March 12, 1984

The meeting was called to order at 8:30 p.m. on Monday, March 12, 1984 at the Bridgewater Township Hall, by Gerald Marion, Chairman.

Present: Gerald Marion, Chairman, Dull, Becklehamer, Breitenwischer, Dayss, Braun, and Louise Fraumann. Absent: Al Cowhy and Roger Hardenberg. Attending: Harlin E. Fraumann, Zoning Inspector.

The Minutes of the Meeting of February 13, 1984, were approved as read. The approval of the proposed amendment followed. Moved, Fraumann, Sec., Dull. Approval was unanimously. Adjourned at 9 p.m.

Respectfully Submitted, Louise K. Fraumann, Secretary

Bloodmobile Details

Continuing with the March 19 report on the Bloodmobile results, the Honor Roll was equally noteworthy with gallon pins being given out to eighteen donors. Of these, six were new names on the Roll because of receiving their first 1-gallon pins: Jeffery Cooper, Kris Kensler, David Porter, Ray R. Quigley, Karen Rodriguez and Terry Walter.

There were eight who received a star each following their names for 2-gallon pins: Theresa Baran, Edward Barnard, Louis Belleau, Arthur Feldkamp, James Kruse, Richard March, David Roberts and Marge Scully.

A second star was placed after the names of those who earned their 3-gallon pins: Arie Knul and David Goodrich. A third star indicated the two who won their 4-gallon pins: Ann Fowler and Roger Lance. Also in December, Willard Cleland didn't receive credit for receiving his 5-gallon pin.

Bloodmobile day is also a time of giving for the volunteers who make the day. Mrs. William Schwab and Mrs. James Warner co-chaired the staff that assisted the professional unit of nurses from Southeastern Michigan Red Cross Blood Center: Prescreener, Mrs. Minard Diver; Registrars, Mrs. Ernest Ridge, Mrs. Dan Boutell, Mrs. Ronald Jenter, Mrs. James Pratt and Mrs. Helen Hosmer; Pack Table, Mrs. James Scott and Mrs. Ray Uphaus; Escorts, Mrs. Guy Little, Mrs. Duane Roller, Mrs. George Vassoff and Dan Boutell; Canteen, Mrs. Robert Panches, Chairman from St. Mary's Altar Society, Mrs. Paul Wilde, Mrs. Robert Kirk, Mrs. Julia Demitri, Mrs. Ardis Scheid, and Mrs. Richard Hlavka.

Besides this staff, the Nursery was in charge of 6 volunteers from the Altar Society, the Knights of Columbus men set up

the facility for the clinic and Alfred Strang, Robert Lowery and Mel Brisban ran the shuttle buses from Double A to the Hall with Double A donors.

For the many in the area who donate blood throughout the year at the American Red Cross Center in Ann Arbor, these donations are now recorded with the local committee so that records are more complete.

Senior Citizens Meals And News

The menu for Senior Meals starts the new month, April 3 with: Fish, Vegetable, Fruit, Roll & Butter, Dessert, Coffee, Tea and Milk.

On Thursday, April 5, they are serving: Baked Ham, Potatoes, Vegetable, Fruit, Roll & Butter, Coffee, Tea and Milk. Make reservations for meals and pick-up bus by calling 428-7630 or 428-8350 in plenty of time.

Be sure that news for the Trumpeter is in by Tuesday morning when the committee meets at 10 a.m. in the Library at Emanuel United Church of Christ.

Thursday is movie day. "A Laurel and Hardy Murder Case" will be shown at 11 a.m. Slides pictures in the afternoon are about Canada, taken and shown by Celestia Ingraham.

Reservations are needed by Tuesday for the outing on Friday to the Senior Exchange Day at Burns Park Senior Center. Lunch is \$1.00 and Bingo is \$1.00 plus as many games as one wants to play at 25c each.

And speaking of trips, get in line for that Mystery Trip on Monday, April 9, as well as the second visit to "Kelly & Company" on the 16th. Call Helen Braun 428-8966 for reservations and information.

This week, Thursday the 29th is the first Public Card Party of the season with bus picking up in town for Freedom Township Hall - call Helen.

HIT or MISS by farley

Millions of our citizens are now getting "common" colds and making the world a miserable place in which to live. These victims have been divided into two kinds—nose blowers and snorters, according to Dave Barry who writes of such things, and who says that the nose-blowers are the most numerous—they are everywhere and think nothing of public noseblowing. I think they even encourage it in their young.

Evidently the only group that is trying to do anything about this scourge is the ones who advertise on TV. Here is a typical scene from one of their commercials:

(The scene opens in a typical suburban home. The husband walks in through the front door and speaks to his wife who is prone on the floor, wearing a bathrobe.)

Husband: "Are you ready to go to visit my father who is at the home for sickly old people?"

Wife: "I don't think I can, dear. It's this darned old cold. I have a fever of 112 and I can't move a thing on the left side of my body."

Husband: "Here, try some of this Blow No More."

Wife: "Blow No More?"

Husband: "Blow No More."

(And then the scene shifts to a very impressive office with a great big desk and on a shelf behind it is a large collection of books. An actor wearing a white coat with a stethoscope dangling from his neck is standing in front of the desk holding a clipboard.)

Medical looking actor: "Medical tests show that Blow No More, a stupendous collection of the best of medical ingredients is extremely effective when used in a conscientiously applied program

of oral hygiene and regular professional care. Get back on your feet with Blow No More." (The scene shifts to the home for sickly old people.)

Wife: "Gosh, that Blow No More with its collection of priceless medical ingredients is great. I'm back on my feet again with only a slight limp."

Husband: "I'm beginning to feel a bit, just a bit, feverish, aren't you?"

Wife: "Here dear and dad, have a slug of Blow No More and stop those nasty old germs from taking hold, it will make new men of you."

And so peace and quiet and joy are restored to the scene and all is well as the end of a sixty second commercial.

"Some people, says Dave, think the way to avoid colds is to take gobs of vitamin C—something like nine million pentagrams each day, but they get colds anyway. His approach, he says, is to drink large quantities of beer which swims to work. Since he started this program, he says he has had not one cold that he can remember clearly."

Last October, Michigan changed to a new registration system, switching from plate fees based on vehicle weight to a tax on the vehicle's base price. Persons who bought a 1984 vehicle after October 1 will pay more for plates, but that cost will be deductible from their federal income taxes.

For instance, a 1984 Ford LTD, 4-door sedan, has a base price of \$8,605 and weighs 2,804 pounds. Under the old weight system, the plates would cost \$23. Under the new value system, the plates for the first year would cost \$43 and qualify for a deduction.

Motorists who itemize also can deduct casualty or theft losses not covered by insurance. These losses are limited to the excess

Some Auto Expenses Are Tax Deductible

Michiganians who bought a new car last year can claim significant 1983 federal tax deductions, including deducting the registration fee as personal property tax for 1984 cars bought after October 1, reports the Automobile Club of Michigan.

"Motorists who itemize deductions on their 1983 federal income tax forms can claim state sales tax on car purchases plus interest paid on auto loans," said Stan O'Connor, Auto Club Tax manager.

For example, a person who bought a \$9,000 car at the beginning of last year and financed \$7,000 of the purchase price for 48 months at 12 percent annual interest can deduct \$1,120. That total includes a \$360 deduction for Michigan's 4 percent sales tax and \$760 for interest paid during 12 months.

Last October, Michigan changed to a new registration system, switching from plate fees based on vehicle weight to a tax on the vehicle's base price. Persons who bought a 1984 vehicle after October 1 will pay more for plates, but that cost will be deductible from their federal income taxes.

For instance, a 1984 Ford LTD, 4-door sedan, has a base price of \$8,605 and weighs 2,804 pounds. Under the old weight system, the plates would cost \$23. Under the new value system, the plates for the first year would cost \$43 and qualify for a deduction.

Motorists who itemize also can deduct casualty or theft losses not covered by insurance. These losses are limited to the excess

over 10 percent of their adjusted gross income minus \$100 per accident.

Certain moving expenses, medical or charitable travel are deductible at 9 cents per mile.

Persons who used their cars for business can deduct such expenses as Auto Club dues, insurance premiums, license and title fees, gas, parking, tolls, repair costs, depreciation and monthly lease payments.

In lieu of itemizing business expenses, motorists can deduct 20.5 cents per mile for the first 15,000 miles and 11 cents per mile thereafter, plus parking fees and tolls.

"Taxpayers who choose to take personal or business deductions should keep detailed expense records and receipts," O'Connor suggested.

Questions about auto-related tax deductions may be phoned to the Internal Revenue Service. The toll-free taxpayer assistance number is included in the telephone directory's U.S. Government listings.

Council Of Catholic Women

Mrs. William Schwab was elected president of the Washtenaw-Brighton Region Council of Catholic Women at the March 20th meeting at St. Joseph Dexter. She will serve for a two year term. She has been the Organization Commission Chairman for the region.

In the Manchester area she works with the Family Service, the Red Cross Blood drives, the Girl Scouts and has served many years on the Fair Board.

The other officers are Vice-President, Mrs. Richard Dettling,

Pinckney; Secretary, Mrs. Margaret Martinez, Ann Arbor; Treasurer, Mrs. Edward Hartman, Dexter. The new officers will be installed at a mass on June 19th at St. Joseph, Dexter.

Diabetes Education Day - April 7th

Catherine McAuley Health Center will sponsor a free community program, Diabetes Education Day, April 7.

Designed to update the more than 10,000 area diabetics and their families on new developments in diabetes treatment, the program will feature demonstrations of the latest home blood glucose monitoring equipment.

Participants will also learn about new human insulin, be able to obtain material from the state's largest collection of literature on diabetes and check blood pressure and lung fitness.

The free program will be Saturday, April 7 from 12:30 to 4 p.m. in the St. Joseph Mercy Hospital Education Center.

"Human Insulin: Is it for You?" will be discussed by Gene Eavy, RPh, pharmacist at St. Joseph Mercy Hospital. Eric Lewis, MD, postdoctoral fellow in endocrinology at the U-M Medical Center, will review new treatment methods in "Managing Diabetes in the 80s."

Exhibits from the program sponsors will include the Washtenaw County Diabetes Educators, U-M College of Pharmacy (SAPHA), the American Diabetes Association and Catherine McAuley Health Center.

St. Joseph Mercy Hospital is a unit of Catherine McAuley Health Center.

March Is With Us

By Marie Schneider

When winter's zero weather
Is no longer keenly felt,
And its icy grip is weakened
As the snow begins to melt—
Folks begin discussing
What storms March will bring,
And all the time are looking
For a sign of early spring.

Someone sees the robins
And they rush to tell the tale—
A sign they learned in childhood
That was never known to fail.
The wild geese flying northward
From the sunny southern clime,
Adds to this another
Never, never failing sign.

The frogs begin their croaking,
But before the weather's nice
The saying is, "three times they'll
quit
And look up through the ice."
The March wind keeps on blowing
But gets warmer every day,
A sign that seems to tell us
Spring isn't far away.

A sign we've watched so often
Is one that most boys do—
They do it at least once each year
We almost think it's true.
You'll see them bunched in little
groups
Or circled in a ring,
And if they're playing marbles—
Then that's a sign of Spring.

March winds are with us and
last week had quite a variety of
weather. Yes, March 20 ushered
in spring. Everyone is ready for
some sunny days. Why not—it is
almost April. The small
community on the Raisin River
has a lot to offer.

Former Governor, John B. Swainson was interviewed for three days concerning his life over the past few years, by Channel 7 Detroit. The program was aired

Tuesday of this week.

Some of the filming took place in Detroit where the former Governor works on the Mediation Board in Wayne County. Pictures were also filmed at the Old Mill west of town where Swainson talked to Mrs. Lillian Martin who owns and operates an antique shop at the Sharon Mill where she lives. Sharon Mill was first a grist mill. Later it was converted by Henry Ford into a plant that operated and made parts for the Ford cars. The building is still operated by water power from the river.

There were films shot at Manchester's Bakers Dozen where the former likes to eat breakfast and visit with people mornings when he is in town. Last but not least there were films taken at the Swainson home at 10301 Hogan Road southeast of the village where the former governor and his wife reside. This is all part of the daily life of a former governor who makes this village his home. The program was aired Tuesday at 4:00 p.m. on Channel 7.

Ninety-four football fans will be boarding two busses on Sunday, April 15 for a trip to the Pontiac Silverdome for a game against Birmingham. Those going will leave Emanuel United Church of Christ following the service at 11:30 a.m. Cost is \$16.36 payable to Emanuel Church by April 1. Kick-off time for the game is 2:00 p.m. The trip will take about 1½ hours which leaves plenty of time to look around and find the seats before game time. Those going should take a picnic lunch to eat while traveling.

Lafayette was a major general in the U.S. Army at the age of 19.

Diabetic Education Classes Offered At Chelsea Hospital

Chelsea Community Hospital and the Department of Nursing were awarded a grant from the Michigan Department of Public Health to develop a comprehensive Diabetic Education Program for its patients and community.

A person who has Diabetes Mellitus is unable to turn certain foods into the heat and energy necessary for normal body function. His body does not have enough active insulin — a body chemical which comes from an organ called the pancreas — to properly use digested food sugars after they have entered the blood stream. Because of this insulin problem, extra sugar collects in his blood and some of this sugar may overflow into his urine. Too much sugar in the blood and urine are signs of diabetes. Diabetes is usually treated by medication and diet. Regular exercise is also an important factor in treatment.

The unique approach of Chelsea Community Hospital's program is the coordinated educational efforts implemented, not only in the hospital setting, but also in community physician practices. Patients in the hospital will receive a personalized education plan designed by a team of professionals including nurses, physicians, social workers, pharmacists, occupational therapy, the community nutritionist, and the dietician. Jean DuRussel-Weston, the Nurse Coordinator of the program emphasizes the community focus, as well. "We realize that many people with Diabetes will not benefit from education offered to

hospital patients only. That is why our program will try to reach residents where they live in their own community."

Classes will be held in association with private physician practices as well as at Chelsea Community Hospital. Diabetic education materials and information about consultations with teaching staff are also available through private physician practices and Chelsea Community Hospital.

The first class series for the public is scheduled on four Thursday evenings beginning April 5 - 26 from 7-9 p.m. at Chelsea Community Hospital. The purpose of these classes is to provide knowledge, skills and behaviors necessary for people with diabetes to control their disease and its side effects. We also encourage interested family members and friends to attend.

Program content includes: Anatomy and physiology of the diabetic state; control of diabetes - diet, exercise, and medication; personal hygiene - foot care and other complications; emotional aspects of diabetes and coping skills; and health resources.

For further information and registration, call 475-1311, Ext. 354.

Girl Scout News

The Manchester Girl Scouts held their Annual Girl Scout Potluck at the Knights of Columbus Hall on March 21, 1984. We had a Flag Ceremony, and prayer, and enjoyed ham and samples of the dishes brought in. For dessert, we each lit a candle on a cupcake celebrating the birthday of Girl Scouts, March 12th. Then each troop entertained us: Janice Stautz's Brownie Troop #274 with her assistant leader, Cat Meyer, gave their "Cookie Commercial", Dianne Schwab's girls modeled the skirts and nightgowns that they had sewn; Joyce Armentrout's Brownies led us in songs about spring (which we hope is coming soon!!) Karen Paul's troop gave us some Girl Scout cheers; and we ended with a candlelight ceremony, with girls lighting candles representing the Girl Scout Promise and Law.

Our Girl Scout Promise is:
On my honor, I will try:
To serve God,
My country and mankind,
and to live by the Girl Scout Law.
We closed the evening by joining hands and singing Taps.
