## Mayor's Exchange Day

Lee Owen Kilbourn

Mayor's Exchange Day will find Lee Owen Kilbourn, Mayor of the City of Auburn, and his wife Kathy accompanied by Auburn's City Administrator Steve Ledoux and his wife Pam and Commissioner John Bacon spending the day of May 21st here in Manchester.

Lee is the general manager of Tri-City Furniture. He was born in Long Island, New York and received a nomination to the U.S. Air Force Academy by Congressman Norman Lent of New York.

Steve Ledoux graduated from Notre Dame, Indiana and has served as an assistant manager to a small city in New York before coming to Auburn.

John Bacon is a life long resident of the Auburn area, married and has four grown children. He has been a rural mail carrier for the postal service for many years. He is also an avid bee keeper.

The delegation representing Manchester and spending the day at Auburn will be as follows:

Manchester's Mayor John Hinkley and his wife Karen; John Schaible and his wife Deneine; and Wendell Reinhart and his wife Shirley. Everyone is encouraged to attend the cocktail hour at 6:00 p.m. and dinner at 7:00 p.m. at the K of C Hall on May 21st. Tickets may be purchased at the Gambles Store for \$7.50 each.

## Annual Boat And Canoe Races Sunday, May 20th

The annual Boat and Canoe Race, sponsored by the Manchester Optimist Club, will be held on the Raisin River in Manchester, Michigan, Sunday, May 20, 1984 at 1:00 p.m. There will be five, various events that can be entered. Trophies will be awarded for each event. Rules and entries are available at the Gamble Store in Manchester. Entries close on Saturday, May 19, 1984 at 4:00 p.m.

## Spring Band Concert May 21st

The Manchester High School Band will be presenting its last concert of the school year on Monday, May 21, at 7:30 p.m. in the high school gymnasium.

Mary Stierle will be performing "Poem" by Charles T. Griffes. This selection is the one on which Mary auditioned for the Youth Arts Festival in April and named as a semi-finalist. Mary will be accompanied by Mary Sue Moore on piano.

Joining the band as student soloist for the evening will be Kraig Sauter. Mr. Sauter will perform "Seascape" by Alfred Reed. "Seascape" is a dramatic essay for solo baritone and band.

Other than the final Spring Concert by the high school band, here is the rest of the spring music programs: Monday, May 28 - Memorial Day Parade; Tuesday, May 29 - Nellie Ackerson Middle School Band Concert. The high school band will also be performing at the Awards Night on May 22 and at Graduation on June 3.

## Village Trash Pick-Up May 25th

The Village of Manchester trash pick-up will be on Friday, May 25, 1984.

Please place trash between sidewalk and curb or in like vicinity. Leaves must be bagged.

## Poppy Days May 18-19

On May 18th and 19th, 1984, the red crepe paper poppy will be offered to the public by the American Legion Auxiliary. This reminder of the sacrifice of countless thousands in four wars is an annual event undertaken by the members of Unit #117 in Manchester.

Volunteers from the Unit will once again take part in this nation-wide program in memory of the citizen soldiers who gave their lives in the cause of freedom.

Funds collected on Poppy Day are used to assist the needy veteran and his family. It is a self-help program, for the Auxiliary's familiar red paper poppy is hand-made in Poppy Shops run by Auxiliary volunteers. In these shops, disabled and hospitalized veterans make the flowers by hand, petal by petal. It is part of a physical and psychological therapy program by veterans for veterans. These poppies are purchased from the shop by the Auxiliary and offered to the public, not at a price, but for a contribution... a few cents to say America remembers.

This memorial flower was adopted by the American Legion Auxiliary in 1920 and since that time, programs have been conducted throughout the United States each year.

## Prizes Announced For Fair Drawing

The Manchester Fair Board announced that for the second year it would be holding a drawing August 18th, the closing day of the fair.

First prize will be a trip for two, winner's choice of a Bahamas cruise-Las Vegas-or Disney World.

Second prize is a G.E. portable 19 inch color television and third prize is a \$150 shopping spree sponsored by A & B IGA of Manchester.

Sellers of winning tickets will be awarded cash prizes by the fair board. Again this year non-profit organizations may sell drawing tickets on a 30-70% basis. Such organizations are asked to contact Pat Dulle, 428-9117 or Carol Britten, 428-8474/428-8589. Tickets are available at the present time.

Modest profits from the '83 drawing went directly to the support of the fair, and were earmarked for the future purchase of land for the fair.

However, we have been notified from the state that supportive funding would again be cut by 67% (\$2,200.00) for the '84 year. This is the third successive year state aid has been diminished in large amounts. It is evident that new profit making additions, such as the drawing are fast becoming necessary if the fair is to continue to survive.

Contributions made on Poppy Day are used by the local Unit to aid needy veterans and their families in the community and in hospitals throughout the state. All proceeds are channeled directly into rehabilitation and welfare work for children and youth.

Auxiliary members from Manchester will ask the public to pause for a moment, pin on a poppy, and wear it with pride, remembering the civilian who took an oath to serve his country and gave his life so that America would survive today.

## High School Announces End Of Year Activities

With the end of the year approaching a number of special events are scheduled for the high school.

On Wednesday, May 16th, Manchester High School will celebrate the "Fine Arts Festival," from 6 to 9 p.m. This event will include an art show, musical performances, and various other exhibits of work done by high school students.

The Junior/Senior Prom this year is scheduled for Saturday, May 19th. The Prom will last from 7 p.m. until 12 midnight and will be held at Jackson Cascades Clubhouse in Jackson, Michigan.

On Monday, May 21st, the high school band will be performing in the high school gym, starting at 7:30 p.m. Then, on Tuesday, May 22nd, a number of high school seniors and underclassmen will be honored at the Fourth Annual Awards Night. Presentations will include those for band, perfect attendance, students with all A's and B's and special scholarships and commendations. This program will start at 7:30 in the Study Auditorium and all students and parents are invited to attend.

Baccalaureate is scheduled for 8 p.m. on Thursday, May 31st in the high school Study Auditorium. This special evening will honor our seniors just prior to graduation. Finally, commencement will be held Sunday, June 3rd at 3:00 p.m. on the football field. In the unlikely event that it would rain on Sunday afternoon, graduation will be moved to the high school gym. If this were the case, each senior would be limited to inviting 5 people to the ceremony.

High School Principal, Bill Bushaw states, "We're making all the necessary preparations to make these events special for our students and the community. We at the high school look forward to these events and seeing many of our friends there. If anybody has any questions, we ask that they call us at the high school."

## Fire Department Purchases Utility Truck

Clarence Fielder, Manchester Township Supervisor, presents new fire truck keys to Fire Chief Mike Scully. Pictured are Gary Wiedmayer, Ron Mann, Chief Scully, Supervisor Fielder, Jim Kensler, Gale Koebbe, Keith Johnson, Doug Flint and Herb Widmayer.

There will be a new look to "Fire Response Calls" by the Manchester Township Fire Department very soon. A new 1984 utility truck, ordered in November, and just delivered, will be the first fire vehicle on the road for every run.

Fully equipped, it will provide fast efficient response to all

rescue and emergency runs, thus reserving all fire equipment exclusively for fire runs.

This truck was purchased out of a special fund established under our contract with the three adjoining townships of Freedom, Bridgewater, and Sharon, and has been fully paid for from that fund.

The Manchester firemen are donating their time and expertise

to installation of the equipment, plus several hundred dollars from their associations' private funds. They are very proud of their part in making all of this possible.

Mike Scully, Fire Chief, states that now we can put in reserve "old faithful" which was purchased 30 years ago and has made every run over the ensuing years.

One of the nurse's aides at a nursing home in a nearby town quit the other day we were told, and so a job applicant was notified to come in the next day and report for work.

When she arrived she was placed in custody of one of the aides who was told to show her her duties and instruct her in the procedure involved in the performance of her duties, so the instructor told her how the patient's bed should be made and then gave her a chart for that patient with instructions as to how it should be made out and handed her a blood pressure kit telling her to take the patient's blood pressure and pulse and enter the results on the chart. The instructor then went about her duties and returned some time later and asked how she was doing.

The novice said that she was experiencing some difficulty in taking the blood pressure and when she went to inspect the job she found that the newcomer had placed the pressure bandage around the patient's wrist. Whereupon she laughingly explained that that was not correct, that the bandage went on

**Girls Track News**

**Manchester vs. Sand Creek**

The Varsity girls track team came close to setting a school record in the most points scored in a meet by defeating Sand Creek 88-39. Not only were several first places taken but we swept the long jump (1st, 2nd, 3rd), the 300 L.H (1,2,3) and also finished 1,2,3 in the 200. First place finishers were Carla Neigebauer in the 100 M dash (13.1), Carla Neigebauer in the long jump (13'11"), Cherie Verhines in the 800 M run (2:52), Rita Talcott in the 300 low hurdles (55.2), Heather Walkow in the 200 M dash (30.8) and Tracey Schuler in the 3200 M run (13:43).

The 3200, 800, 400, and 1600 relays were all won by Manchester. Manchester Metrics went well and the girls team had some of the years best performances. The long jump team of Jodi Brokaw and Carla Neigebauer won medals in placing third and the shuttle hurdle relay team of Jodi Brokaw, Mary Cleland, Beth Evans, and Rita Talcott also did a fine job in placing third in a field of eleven teams.

**Manchester vs. Hanover-Horton**

The Varsity girls track team won all of the relays, and took first place in the high jump, long jump, 300 hurdles and the 2 mile run. The team had one of the season's better performances but we still edged out by Hanover-Horton 66-62.

Individual winners included Missy Walkow in the high jump, Carla Neigebauer in the long jump, Rita Talcott in the 300 low hurdles and Tracey Schuler in the 2 mile run. The team has gotten stronger with each meet and has shaped up into a team that has not been beaten easily. Many team members will be participating at Regionals May 18, and at the Conference Meet May 22nd.

**Hardly Any Time To Cook**

Quick...hurry...gotta' eat...no time...what's fast?...what's ready?...what's defrosted?...what's leftover?

If this goes through your mind at mealtime, you're not alone. Whether you work outside the home or not, you often find yourself with very little time to cook. Michigan's food products, fresh and processed, can come to your rescue. With a minimum of preplanning, you can prepare quick meals for one, two or more with little effort.

These menu suggestions will get you started. Consider **Chili** poured over cornbread. The chili may be canned or homemade leftover. We recommend freezing extra chili in single servings, so it's easy to defrost in the microwave oven or a heavy saucepan over low heat. If cornbread is a little dry, the chili topping will moisten it.

Or perhaps **Big Beef Burgers**. Freeze Michigan hamburger or ground beef in individual patties, three or four to the pound. Simply defrost and slowly cook the burgers in a heavy frypan. Slices

of Michigan tomato and Michigan onion enhance the burgers' flavor. Or turn the burgers into **Beef Benedict** with just a few additions.

Try a **Baked Michigan Russet Potato** with various toppings. A potato will bake in a microwave oven in 4 - 6 minutes at full power. Besides the usual toppings of sour cream or shredded cheese, find other leftovers in your refrigerator; a spoonful of Michigan cottage cheese, creamed chicken or turkey, crumbled meatloaf, a few meatballs, any leftover vegetable with a little cheese. Let your imagination roam to all corners of the refrigerator.

Fresh **Michigan Vegetable Relishes** make a handy salad, as well as doubling as snacks for later. Carrot sticks, celery sticks, green onions, green pepper rings, cherry tomatoes, cauliflowerettes, kept cold and covered in the refrigerator, give bonus vitamins and very few calories.

For dessert, rely on the old favorite, canned Michigan cherry pie filling and another leftover.

**CHILI**

1 pound Michigan ground beef or Michigan ground pork  
 1 large Michigan onion and green pepper, chopped  
 1 can (1 lb. 13 oz.) tomatoes (3 1/2 cups)  
 1 bay leaf  
 1 - 2 tablespoons chili powder  
 2 teaspoons salt  
 1/8 teaspoon red pepper  
 1/8 teaspoon paprika  
 1 can (16 oz.) Michigan kidney beans

Brown meat in heavy skillet. Add onion and green pepper and cook until almost tender. Drain well. Add tomatoes and seasonings. Cover and simmer about 2 hours. Add kidney beans and liquid; remove bay leaf. Heat through. Makes about 6 servings.

**BEEF BENEDICT**

1/4 - 1/2 pound Michigan ground beef  
 1 English muffin, split and toasted  
 1 egg  
 Hollandaise sauce or creamy salad dressing

Shape ground beef into a patty and cook according to any method. Poach egg to desired doneness. Place hot beef patty on English muffin half; top with egg. Spoon Hollandaise sauce over egg and top with muffin half. Makes one serving.

**Manchester High School To Hold 107th Alumni Banquet**

by Marie Schneider

Manchester High School Alumni Association will hold the 107th Alumni Banquet on Saturday, June 9 at 6:30 p.m. at the Manchester United Methodist Church Fellowship Hall at 501 Ann Arbor Street. For the first time in many years all of the Alumni officers are from Manchester.

Celebrating special anniversaries are classes of 1934, 1944, 1959, and 1974. Cost of dinner is \$8 and the deadline for reservations is May 25. No additional tickets will be sold at the door. Checks should be made payable to the Manchester Alumni Association and mailed to the treasurer, Mrs. Mark (Marilyn) Schuitz of 14460 Bethel Church Road, Manchester 48158.

President this year is Harold Sutton, class of 1934. Other officers are Leon Ball, class of 1959, vice-president; Marilyn Uphaus Schulte, treasurer and Mrs. Brad (Kathy) Roberts, recording secretary. Both are members of the class of 1974.

Special entertainment is planned. New alumni books available at the banquet or from Mrs. Lucille Williams, 226 Auburn Street, cost \$1.00. If mailed there is an additional \$1.00 charge. New addresses or name changes should be sent to Mrs. Marian Voegeding 14355 Bethel Church Road.

Of real interest this year is that the entertainment will be the Manchester Varsity Choir directed by none other than Roger Marrison who has been director here for many years. The choir with the support of their director are working on some

delusional music which should delight everyone attending the 107th Alumni Banquet on Saturday, June 9 at the Manchester United Methodist Church Fellowship Hall.

Reck representing the Manchester United Methodist Church will discuss their respective church histories. The panel will be chaired by Mrs. Rolland Grossman. Audience participation is, as usual, encouraged.

Annual FFA Plowdown Held

The local chapter of the Future Farmers of America held their annual plowdown contest on May 1st. The "plowdown" took place at the FFA ground, located behind Klager School. The purpose of this event is to prepare the ground for spring planting; however, it also sharpens member's tractor operating skills and promotes proper safety skills. Seven FFA members participated in this year's contest. They were judged on straightness, levelness, neatness

and depth of the furrow. Safety was also a major concern. Each area was rated on a scale of one to ten. Eric Beuerle was awarded first place, Robert Lobbestael, second place, and Todd Haselschwerdt, third place. Elmer Diable, of Diable Feeds and Mark Blumenauer, co-advisor performed as judges.

FFA Chapter Participates In Skills Contest

A team from Manchester High School traveled to Michigan State University in East Lansing to participate in the annual FFA Agricultural Skills contests on Saturday, April 28.

The purpose of the contests is to evaluate achievement and provide recognition for vocational agriculture students through a agricultural contests. "Gold" awards are presented to teams that achieve the highest level of excellence in the contests. A "Silver" award, the next highest level of recognition, was presented to the Farm Business Management team. Team members included Todd Haselschwerdt, Jeff Horning, and Becky Blumenauer.

More than 1250 students from 93 FFA chapters across Michigan participated in the annual event. Nearly 400 official teams participated in 15 technical agriculture subject areas. The Michigan State University College of Agriculture and Natural Resources sponsored the contests in cooperation with the Michigan Association of FFA.

Elementary P.T.O.

The Manchester Elementary P.T.O. met at Klager school May 14 at 7:30 p.m. The treasurer's and secretary's report were read and approved.

Old business consisted of the "new truck" which was added to the playground from P.T.O. funds. The teachers and children have rated it A-OK. We express our thanks to the dedicated parents and principal that were involved in the setting up. We'd also like to thank John Bihlmeyer for picking up the equipment. Career days was a big success and enjoyed by all. We are happy to be getting five new moms that are willing to serve on the 1984-85 board. Dr. Hammond expressed the pleasure she has working with the P.T.O. If other interested Moms and Dads want to serve a term we are still anxious to welcome you. We now have one male P.T.O. member and welcome other interested dads.

New business followed with discussion focusing on the balance left in P.T.O. funds after the purchase of the truck. Motion was made and approved by all to purchase playground supplies (such as jump ropes, hula hoops, soccer balls, etc.) for each classroom. Another sand box will also be constructed during the summer. Motion was made and approved to have another birthday button contest. Dr. Hammond will have each 3rd grader design their own and the board will judge these in June.

Future school activities were discussed. The Cinderella play is going smoothly. Tickets will be sold at Klager on Monday A.M. The one (1) mile run will take place in June. The last meeting for this school year will be June 4th at 7:30. Please feel welcome to attend. Salesperson Linda Dyer suggested ideas of future fund raisers. The board showed an interest in selling flower bulbs in September. We will discuss this at the August meeting.

Local Woman Appointed

Lucille Bruner (left) is a new resident in Manchester. Diane Schwab recently recruited Lucille to the position of Troop Services Director for the area on behalf of the Huron Valley Girl Scout Council.

Lucille Bruner of Manchester has been appointed to a volunteer supervisory position with the Huron Valley Girl Scout Council, it has been announced by Wendy Mellenthin, Council Director of Field Services.

Mrs. Bruner will be responsible for recruiting and training troop leaders, recruiting and placing girls in troops, and supervising and coordinating Girl Scouting in the area. In addition she will act as liaison between the nine area troops and the Huron Valley Girl Scout Council.

Mrs. Bruner has a long association with Girl Scouting. She previously served for four years as a leader for Brownie and Junior age Girl Scouts, as a

trainer, and as a day and resident camp unit leader. "I got involved years ago so my daughter would have a leader," commented Mrs. Bruner. "I think there is an important need for Girl Scouting in the development of a girl. As a teacher I have seen children who truly need the opportunities and values offered through the Girl Scout program," she added.

Mrs. Bruner taught school for 15 years and completed a doctorate in Psychology at Chapel Hill in North Carolina last year. Mrs. Mellenthin stated, "We are excited about having Mrs. Bruner working with Girl Scouts in the area. She has so many skills that will benefit the program."

**"Where Will Home Be Next?"**

"Where Will Home Be Next," a series of four weekly meetings focusing on housing concerns and alternatives for older adults and those caring about them, will begin on Tuesday, May 22, from 1:00-3:00. The group is sponsored by Turner Geriatric Clinic, Child and Family Services of Washtenaw County, and the Housing Bureau for Seniors, Inc. (affiliated with Turner Geriatric Services of the University of Michigan Hospitals). The meetings are held at Child and Family Services, 2301 Platt Road, Ann Arbor. Please call 764-2558, 483-1887, or 763-0970 for registration or assistance with respite care or transportation.

**McCauley Announces Candidacy**

Mike McCauley, a Plymouth-Canton High School teacher since 1971, officially announced his candidacy for United States Congress in the 2nd Congressional District on the Democratic ticket. "The time has come for new leadership in the 2nd District," McCauley said. "What has Carl Pursell ever done for this District? In a time of high unemployment, dwindling funds for education, inefficiency in government spending and most importantly confused priorities, the 2nd District has been hit hard and needs strong and dedicated leadership in Washington to turn things around." "Carl Pursell has had eight years to help make the 2nd District a better place to live. Needless to say, we deserve more

than we're getting. For example, in the past three years over 315,000 people have left Michigan because of dwindling opportunity. Opportunity that should be better than it is. What has Carl Pursell done in the last year to improve the 2nd District, to ease the pain of unemployment or increased government deficits or bettering education for the youth of Michigan? Of the 9,321 bills introduced in the 98th Congress, Carl Pursell sponsored only four of them. None of his sponsored bills had an effect on the major problems of Michigan—employment, education and inefficiency in government spending. The bills he sponsored included the Good Samaritan Act; the second bill concerned non-profit service clubs qualifying for

third-class postal rates; the third was an amendment of the Internal Revenue Code of 1954; and the fourth was the year of the secretary designation. All of these bills have a place in American legislative process, but I believe there are more pressing issues that must be dealt with." "In the area of education, Carl Pursell voted down over \$18 billion worth of legislation that would have improved America's public schools. Carl Pursell also voted for the MX missile and a \$249.8 billion defense appropriation bill. Because the 2nd District hasn't had effective leadership in Congress, Michigan has slipped from 25th to 47th of the 50 states in receiving defense contracts."

"What the 2nd District needs is a congressman who has his priorities straight. A congressman who is willing to invest in American youth and education, not inefficient military spending."

**Rabies - the fear returns**

Summertime - and the outdoor activities for both you and your pets may also mean greater exposure to a threat many people in this country thought all but eliminated: **RABIES!**

Currently, the United States is experiencing the worst outbreak of the dreaded disease in over 30 years and health officials fear that the disease will spread from three affected areas: Washington, D.C., Georgia-Florida and the great plains from Texas to the Montana border.

Yes, rabies is a growing problem and Michigan is not exempt. Last year a little girl from coldwater died of rabies after being bitten by a bat, and a rabid dog was reported as near by as Livingston County.

Nationally over 7,000 cases were reported in 1981, most of these in wildlife. Domestic animals accounted for nearly 1,000 cases. Rabid cats outnumbered dogs in 1981 and cattle accounted for the highest number of domestic animal cases.

Pet owners must do their part by vaccinating pets - both dog and cat!

Also **DO NOT** try to make pets

of captured wildlife or of wild species purchased from pet stores. Even some apparently healthy skunks can transmit rabies and there are no approved rabies vaccines for wildlife.

Often the rabid animal will be ill and depressed, enabling humans to approach. It is vital to teach children never to touch wild animals.

Although many people associate foaming at the mouth as a typical sign, veterinarians say there is no one typical symptom of rabies. And, they add, different animal species and even animals within the same species often show different signs.

If you suspect your pet has rabies **DO NOT TOUCH** the animal. Lock it up and contact a veterinarian immediately. Chances are good that you are mistaken.

Again, vaccination is the best preventative. Most veterinarians initially vaccinate cats and dogs at 14-16 weeks of age. Check with your own veterinarian for specific vaccination recommendations and schedules.

## "Entertainment Spectacular"

Senior Citizens of the area are invited to the second annual free "Entertainment Spectacular," Saturday, June 2 at 1:30 p.m. at the Michigan Theater in Ann Arbor. The Mich Con Retirees Club is hosting the event which features WJR radio host "Fat" Bob Taylor, the Washtenaw Community College Jazz Band, the famous Burton Pipe Organ in concert and the exciting classic film "That's Entertainment" starring Fred Astaire, Bing Crosby, Gene Kelly, Peter Lawford, Liza Minnelli, Donald O'Connor, Debbie Reynolds, Mickey Rooney, Frank Sinatra, James Stewart and Elizabeth Taylor.

The movie is a nostalgic collection of scenes from nearly 100 Metro Goldwyn Mayer musicals made during the Hollywood era of large-cast,

lavishly produced spectacles which established a level of excellence in American movie business unsurpassed anywhere in the world.

The Michigan Theater is co-hosting the event by giving free pop and popcorn from the concession stand to all Seniors attending the party.

Although the entertainment is free, one must have a ticket. In Manchester, call Helen Braun, trip coordinator for the Senior Citizens Council, 428-8966, with your reservation soon. Thirty tickets were allotted the Manchester group and the only cost to patrons will be \$2.00 for Manchester bus service to the event. The bus will leave Emanuel Church parking lot at 12:30 p.m., Saturday, June 2.

### Ambassadors To Play Gary Benefit

The Chelsea Community Hospital John Gary Benefit Concert will be an extra special treat for those attending. In addition to having John Gary provide audience entertainment rarely matched, the Ambassadors will provide the musical magic to complete the evening.

The Benefit performance is being held for the Chelsea Community Hospital Substance Abuse Program. Funds raised will assist those who are financially unable to receive treatment for chemical dependence to do so.

The Benefit is cosponsored by the Kresge Alumni Association.

For John Gary fans and newcomers alike, this evening promises to be one of unforgettable enjoyment. Gary, an entertainer for over two decades, is an audience favorite around the country. His clear voice and easy going style appeal to every age and type of music lover. Gary, along with the Ambassadors, will fill the house of the Michigan Theatre with musical memories. This is the perfect Mother's Day gift.

Tickets for the Benefit Concert which will be held on Saturday May 26th, are available at the Michigan Theatre, 668-8480 and the Chelsea Community Hospital Ticket Office, 475-1311, ext. 390. Ticket prices are \$10, \$15, and \$18. Benefactor and Patron sponsorships are also available through the Hospital. Join in on an evening of entertainment and fun, and support a worthwhile cause.

### Stained Glass With Pat Swaney

Local stained glass artist, Pat Swaney, will be demonstrating her skills this Saturday from 9:00 a.m. - 12:00 noon at Manchester Outlet, 146 E. Main Street.

One of the Manchester Art Guild's original members, Pat has been working with glass since taking classes at the Ann Arbor Art Association seven years ago. Since then, she has exhibited in the Manchester Street Fair and guild-sponsored exhibitions, but most of her work has been through commissions and stained glass repair.

One prominent example of Pat's repair work is displayed currently in the Mill: glass work in the old Union Savings Bank sign which had been damaged upon removal for renovation.

Of her many commissioned items, she is very proud of a large room divider designed for an Australian family who specified that it encompass a scene typical of their native land. However, unlikely the assignment seemed, the product developed into a beautiful abstraction of kangaroos and trees.

A related skill which she practices is painting on glass, which involves brushwork using a silica paste which is then fired in a kiln so that the painting and glass are united and permanent.

Like most other Manchester Art Guild members, she juggles time spent on her craft with other very important aspects of her life: husband Bill and daughter Julianna, age one-and-a-half. This year, she added the responsibility of heading the '84 Manchester Street Fair committee as well.

Pat Swaney plans to demonstrate wrapping and soldering Saturday morning and will welcome visitors and questions. Manchester Outlet is located in the front of the State Farm Building.

**Notice Of Mortgage  
Foreclosure Sale**

Default having been made in the  
conditions of a certain mortgage made  
by 122 South Main Street Limeric  
Partnership, 118-124 South Main  
Street, Ann Arbor, Michigan, in  
Mortgages, to FIRST OF AMERICA/  
BANK-ANN ARBOR, a Michigan  
banking corporation, of Ann Arbor,  
Michigan, as Mortgagee, dated July 20,  
1983, and recorded in the Office of the  
Register of Deeds for Washtenaw  
County, Michigan, on July 22, 1983, in  
Liber 1884, Pages 799-801.

And the Mortgagee having elected  
under the terms of said mortgage to  
declare the entire principal and accrued  
interest thereon to be due, which  
election it does hereby exercise,  
pursuant to which there is claimed to  
be due, at the date of this notice, for  
principal and interest on said  
mortgage, the total sum of  
\$859,239.43 no suit or proceedings at  
law or in equity having been instituted  
to recover the debt secured by said  
mortgage or any part thereof.

NOW THEREFORE, pursuant to the  
power of sale in said mortgage, and the  
statute in such case made and  
provided, notice is hereby given, that  
on June 14, 1984, at ten o'clock in the

forenoon, local time, said mortgage  
will be foreclosed by a sale at public  
auction to the highest bidder at the  
North Main and Huron Street entrance  
of the Washtenaw County Courthouse  
in the City of Ann Arbor, Michigan (that  
being the building where the Circuit  
Court for the County of Washtenaw is  
held) of the premises described in said  
mortgage, or so much thereof as may  
be necessary to pay the amount then  
due on said mortgage, allowed by law,  
and also any sum paid by the  
undersigned to protect its interest prior  
to said sale, which said premises are  
described as:

Commencing at a point on the west  
line of South Main Street 22 feet  
northerly from the SE corner of Lot 7,  
Block 1 South of Huron Street, Range 3  
East, thence northerly along the W line  
of Main Street to a point in the center of  
a brick wall lying between this property  
and the property immediately to the  
north which is approximately 83 feet  
1 1/2 inches north of the place of  
beginning and approximate 27 feet 1/2  
inch south of the NE corner of Lot 8,  
Block 1 South of Huron Street, Range 3  
East, thence westerly along the center  
line of said brick wall and of said brick  
wall extended to the west line of Lot 8,  
1 1/2 inches north of the place of  
beginning and approximate 27 feet 1/2  
inch south of the NE corner of Lot 8,  
Block 1 South of Huron Street, Range 3  
East, thence S along the W line of said  
Lots 8 and 7 to a point 22 feet N of the  
South line of Lot 7, thence E parallel to  
the south line of Lots 7 and 8, Block 1  
South of Huron Street, Range 3 East  
Original Plat of the Village (now City) of  
Ann Arbor, County of Washtenaw, as  
recorded in Transcripts, Page 152,  
Washtenaw County Records.

together with the tenements,  
hereditaments and appurtenances  
thereunto belonging, as in said  
mortgage provided.  
The redemption period as determined  
under Section 27A.3240 of Michigan  
Statutes Annotated is six months from  
the time of such sale.

Trustees will hold a public hearing at  
7:30 p.m. EDST May 21, 1984, at the  
Manchester Township Hall, 275 South  
Macomb Street, Manchester, Michigan,  
on a proposed Amendment to the  
Manchester Township Zoning  
Ordinance to change the zoning from  
RC-Recreational Conservation District  
to AR-Agricultural-Residential District  
of premises situated in Manchester  
Township, Washtenaw County,  
Michigan, described as: The North 1/4  
of the west 1/2 of the SW 1/4 of Section  
26, Town 4 South, Range 3 East,  
Excepting the North 600.00 feet  
thereof.

MANCHESTER TOWNSHIP BOARD

PUBLIC HEARING  
Freedom Twp. Planning Commission

On June 11, 1984, the Freedom  
Township Planning Commission will  
hold a public hearing at the Freedom  
Town Hall at 8:00 p.m. The purpose of  
this meeting will be to consider the  
proposal by a group of property owners  
to amend the Freedom Township  
Zoning Ordinance as it pertains to  
extraction operations under Section  
11.10. Anyone wishing to examine this  
proposal prior to the public hearing  
may do so at the home of the  
undersigned at 14355 Bethel Church  
Road on May 21, or June 4, 1984,  
between 7 and 9 p.m.

**School Bus Drivers  
Compete In Rodeo**

Thirty professional bus drivers  
from three county school districts  
will compete in a regional School  
Bus Rodeo on Saturday (May 19)  
at Brighton High School, 7878  
Brighton Road, Brighton.

The rodeo will involve drivers  
from Livingston, Washtenaw and  
Monroe County school districts  
and is one of 13 regional events to  
be co-sponsored through May 26  
by the Automobile Club of  
Michigan and the Michigan  
Association for Pupil  
Transportation. Each region's  
three top drivers will participate  
in the June 20 state championship  
rodeo in Lansing.

"The rodeos encourage drivers  
to improve their bus driving skills  
and allow us to salute highly  
skilled drivers," explained Robert  
Cullen, Auto Club's Safety and  
Traffic Engineering manager.  
Entrants must drive a standard  
school bus in narrow areas, back  
into a stall and perform other  
maneuvers which demonstrate  
their judgment of clearance and  
distance. The rodeo also rates  
drivers' verbal, written and  
behind-the-wheel knowledge of  
safety regulations for crossing  
railroad tracks, loading  
elementary students and other

routine situations.  
Saturday's regional event  
begins at 8 a.m. and concludes  
with an awards ceremony.

**Local "Give A Kid A  
Break" Employment  
Needs Sponsors**

The South and West  
Washtenaw Consortium, serving  
the Chelsea, Dexter, Manchester,  
Milan, and Saline school districts,  
is seeking community minded  
employers to sponsor summer  
work sites for area youth. We  
provide the wages - You provide  
the experience. We have a  
number of job-ready youth who  
need an employer to help them  
get started in the world of work.  
The "Give A Kid A Break"  
program is an excellent way for  
employers to learn about and  
"Try out" future employee's. If  
you are interested in finding out  
more about sponsoring the "Give  
A Kid A Break" program, call:  
Steve Larsen, Dexter High  
School, 426-4623 (ext. 254) or  
Diane Bertram, Saline High  
School, 662-9898. All phone  
messages will be returned.

**Farm To Table  
Tour Set For June 5**

Dairy products are the focus of  
the Washtenaw County  
Cooperative Extension Service's  
annual "Farm To Table" tour,  
Tuesday, June 5th.

In the morning, participants  
will visit the Gordon Dairy Farm  
near Saline and see for  
themselves how much feed a dairy  
cow consumes each day to  
produce her daily output of milk.  
They will also see calves, the  
milking parlor and feeding  
stations. They will learn how milk  
is obtained from the cow, how it is  
pooled, cooled, transported,  
tested, etc. and what happens to  
dairy cows when their milk  
production drops off. The  
marketing order systems and milk  
production costs will be  
discussed.

At noon, the group will adjourn  
to the Saline Town Hall for a  
luncheon prepared by the Dairy  
Diplomats and featuring, of  
course, dairy products.

After lunch, Eloise the Cow (a  
puppet), will share some  
interesting facts about milk and  
Marion Prince and Helen  
Fairman, Extension Home  
Economicists will discuss nutrition  
and health issues related to milk  
consumption, handling, storage  
processing, fortification, etc. Tim  
will be allowed for questions.  
Participants will get to taste  
milk and cheese samples and then  
cast their "vote" for their  
preference. The afternoon will  
conclude with a "visual" visit to a  
bottling plant.

Everyone will go home with a  
packet of information and  
"goodies" collected during the  
day, and may sign up for a  
teaching packet of lesson plans for  
re-teaching what they have  
learned.

Cost for the tour is \$5.00 to pay  
for the luncheon. What a bargain!  
Call the Washtenaw County  
Cooperative Extension Service at  
973-9510 for a registration form  
and program. Early registration is  
encouraged to avoid  
disappointment. The number of  
participants is limited to 40.

**High School Student Accepted  
For Special Summer Program**

Leslie Duncan

Leslie Duncan, sophomore at  
Manchester High School, was  
accepted as one of 12 students in  
Washtenaw County to attend the  
"Summer Institute for the Arts  
and Sciences" to be held at  
Eastern Michigan University.  
Leslie, the daughter of Mr. and  
Mrs. James Duncan on Main  
Street in Manchester, is the 5th  
in her class of 100 students. She  
has a grade point average of 3.81  
and has been on the honor roll in  
the ninth and tenth grades.

In addition, Leslie has been  
involved in varsity choir, high  
school band, and was a member of  
the Cascade Conference Academic  
Team in English for Manchester  
High School this year. She has  
also worked at the Black Sheep  
Theater for five years and

attended Blue Lake Fine Arts  
Camp for four years.

Leslie will attend the  
"Communication/Theater Arts  
Workshop" at Eastern Michigan  
University from July 15th to July  
28th. This program is sponsored  
by the Michigan Department of  
Education and is provided to  
Leslie at no cost. It has been  
made available for highly talented  
tenth and eleventh grade students  
throughout the state.

Upon learning of her selection,  
Leslie stated, "I'm real excited  
about attending this program and  
I feel very honored by being only  
one of 12 students in Washtenaw  
County to be selected to  
participate."

# Middle School Competes In Spelling Bee

(Due to illness, Billy Joseph could not attend and was replaced by the alternate, Yolanda Casanova). 8th grade: Kris Miller, Amy Fielder, Craig Houck, and Matt Royle. (Alternate Tammy Pieske did not attend). Although Manchester did well, especially Michelle Sannes and Kris Miller, the competitions were won by Michigan Center and Hanover-Horton. All students received medals for participation. Silver medals went to Kris Miller and Michelle Sannes while all other team members received bronze medals. The spelling competition is to be an annual event in which Manchester plans to continue to be involved.

## HIT or MISS

the patient's upper arm. After the pressure and pulse had been entered on the chart, the instructor turned to the girl and asked her if she had had experience which she listed when she applied for the position and the newcomer replied "Of course." "Where was this," asked her instructor. "At Kentucky Fried Chicken," blandly replied the student. Then, somewhat mystified, the instructor who, when she had the chance, went to the office and checked the girl's application and sure enough on the application following the words "Experience" the girl had written the word "Yes" which I suppose could not be classified as a fabrication. Which reminds us of the story about the author Edna Ferber who was sent a blank to be filled out so that she could be listed in "Who's Who In America" and it was said that when she came to the line on it which said "Born" she truthfully answered "Yes."

Picture are (front row left to right) Michelle Sannes and Steve Samonek. Back row, Angie Campbell, Miss Dettling and Yolanda Casanova.

On Thursday, May 3, Michigan Center hosted a spelling competition for 7th and 8th graders in Cascade League schools. Six districts participated: East Jackson, Hanover-Horton, Manchester, Michigan Center, Napoleon, and Vandercook Lake. Each school sent a team of four seventh graders and a team of four eighth graders.

Following two preliminary competitions, the following students won the right to represent Manchester. 7th grade: Angie Campbell, Michelle Sannes, Steve Samonek, and Billy Joseph.

Ray Geiger, editor of the Farmer's Almanac sent the following postcard to a friend the other day which stated, "Ever notice that when you reach a certain age, everything you have seems to wear out, spread out or fall out."

A friend relates that a neighbor's boy was followed home the other day by a puppy and after much pleading, although the pup evidently was some relation to a Doberman and a Lab, he was told he could keep it, but the parents placed an ad in the paper and found the owner some five blocks away. The day after taking him back home there was a scratching at the door and upon opening it they found the very same puppy scratching to get in.

Nystagmus Eye Gaze for alcohol testing. It is now being inaugurated by the Ohio State Police. It is a test that has been used by the California Highway Patrol for ten years and helps identify those persons likely to test over 0.10 limit. Nystagmus uses the involuntary eye muscles the person can't control. If the eye jerks when moving all the way to the side or if there is twitching there, it indicates the presence of alcohol. A trained eye gazer can predict the Intoxisizer result right on the number."

# Cards of Thanks

The Manchester Community Schools recently participated in a student exchange program with Hildesheim, West Germany. Eleven host families were privileged to share this unique experience by opening their homes and our hearts to these wonderful ambassadors. We cannot thank Susan for her guidance, enthusiasm and hours of preparation adequately. The host families wish to recognize Susan for her great contribution to the community and school activities.

The Host Families

We wish to thank all of our kind relatives, friends and neighbors for their many expressions of sympathy and condolence during our recent bereavement.

From the office of THE GOVERNOR

### NEWS FROM THE OFFICE OF THE GOVERNOR

The 11th annual Governor's Ambassador and Embassy of Tourism Awards will be presented by Governor and Mrs. James J. Blanchard at the First Annual Governor's Conference on Tourism at the Hyatt Regency Hotel, Flint, May 14-15. "Tourism is Michigan's business," the Governor said, "and these individuals and organizations have made significant contributions to our state, to tourism and to the quarter-of-a-million men and women who work in the Michigan travel industry."

Named as Ambassadors of Michigan Tourism are: B.G. (Bill) Brown of Grand Rapids; James Cordray of Montague; Dixie Franklin of Marquette; Scott Lorenz of Plymouth, and George Cantor of Southfield. Named as Embassies of Michigan Tourism are: The W.K. Kellogg Company of Battle Creek; the Upper Peninsula Championship Rodeo, Inc., at Iron River; the Ypsilanti Heritage Festival of Ypsilanti; the Michigan Tech Chapter, Blue Key National Honor Fraternity of Houghton, and the Great Lakes Forestry Exposition of Mio.

Kenya and Zimbabwe during the first part of May. Other participants in the state's delegation will be State Commerce Director Ralph Gerson, State Representatives Morris Hood, Jr., and Carolyn C. Kilpatrick, both of Detroit, and representatives of eight Michigan companies.

"This mission marks our first formal effort to enter into trade with these two countries," the Governor said. "They have a combined population of 28 million and represent a vast potential market for many products made in Michigan." The Michigan companies participating include: Ford Motor Company (Tractor Division), Hicks Export Co., Kuhlman Corporation/Bennett Equipment Corporation, Ulozi Enterprises, The Emanuel Co., Generic International Supply Corp., Massey-Ferguson Industries, Inc. and PenDarvis Associates. Blanchard said the participation of Mayor Young and the state commerce director and state representatives was important to the success of Michigan's first formal visit to the two nations.

#### APPOINTMENTS

V. Lonnie Peek, Jr., as Deputy Director for Project Self-Reliance, the job placement program offering work opportunity to 7,500 Michigan welfare recipients. Peek

will head the Detroit Office for Project Self-Reliance.

#### SIGNED INTO LAW

H.B. 5118 (P.A. 91) and H.B. 5119 (P.A. 92), sponsored by Reps. Robert Emerson (D-Flint) and Vernon Ehlers (R-Grand Rapids), eliminate the time-consuming and sometimes arbitrary review system by the Corporations and Securities Bureau and replace it with the filing of a simple notice from the business stating that it will sell franchises in Michigan.

H.B. 4900 (P.A. 94), sponsored by Rep. John Bennett (D-Redford) clarifies the exemptions section of the Motor Carrier Act to enable someone reading only that section to understand that Public Service Commission authorization is required for most cartage operations within the Detroit commercial district.

H.B. 4453 (P.A. 93), sponsored by William Keith (D-Garden City), provides greater convenience for credit union members by allowing a credit union to perform "teller's window" transactions, such as cashing checks, receiving deposits and accepting loan payments, for members of another credit union. Legislation to eliminate lengthy delays in payment of insurance benefits and keep insurance costs down in cases involving some group disability policies was signed into law by Governor Blanchard.

S.B. 363 (P.A. 64), sponsored by Sen. Arthur Miller (D-Warren), establishes necessary guidelines to determine the policy under which a specific claim is to be paid. To bring about the changes, S.B. 562 (P.A. 65) amends the Insurance Code, S.B. 563-565 (P.A. 66-68) amends the Nonprofit Health Care Corporation Reform Act, S.B. 566 (P.A. 69) amends the Public Health Code and S.B. 567 (P.A. 70) amends the act regulating non-profit dental care corporations.

S.B. 37 (P.A. 75), sponsored by Sen. Alan Cropsey (R-DeWitt), makes Michigan's "child snatching" law (P.A. 138 of 1983) more effective by increasing the maximum penalty from one year in prison to one year and one day. H.B. 5431 (P.A. 76), sponsored by Rep. Lloyd Weeks (D-Warren), allows purchasers of new cars, trailer coaches or boats, who

ordered their new vehicles before March 14, 1984 and received them after that date, to receive the same sales tax reduction as those who received vehicles before March 14.

H.B. 5022 (P.A. 77), H.B. 5023 (P.A. 78), and H.B. 5024 (P.A. 79), Rep. James O'Neill (D-Saginaw), remedies a previous oversight in the 1982 reforms of motor carrier regulations by providing that a motor carrier of passengers which required or permitted a driver to operate a bus in violation of the act or its rules would be guilty of a misdemeanor.

H.B. 4246 (P.A. 71), sponsored by Rep. Vernon Ehlers (R-Grand Rapids), gives county boards of commissioners the flexibility to schedule their annual business meeting between September 15 and October 15 each year. Currently, they are required to hold an annual meeting on the second Tuesday in October.

H.B. 5270 (P.A. 81), sponsored by Rep. Michael Hayes (R-Midland), amends "Code of Ethics for Public Officials" to make it clear the act relates to governmental decisions as well as contracts.

H.B. 5301 (P.A. 74), sponsored by Rep. Richard Fitzpatrick (D-

Battle Creek), broadens the definition of police officer in the Michigan Vehicle Code to include county weighmasters, for the purpose of enforcing the code's limitations on vehicles' height, weight and load.

H.B. 5234 (P.A. 73), sponsored by Rep. James O'Neill (D-Saginaw), remedies a previous oversight in the 1982 reforms of motor carrier regulations by providing that a motor carrier of passengers which required or permitted a driver to operate a bus in violation of the act or its rules would be guilty of a misdemeanor.

H.B. 5301 (P.A. 74), sponsored by Rep. Richard Fitzpatrick (D-

## PART II INSURING MICHIGAN'S FUTURE

"The demand for electricity in the United States closely tracks our economic activity. If our economic output increases, the consumption of electricity goes up. If our economy is stagnant, the demand for electricity stays flat. It's been that way for more than fifty years."

Dr. Chauncey Starr, Vice Chairman Electric Power Research Institute

#### POWER TO GROW

Electric use grows at a rate approximately equal to the growth rate of the Gross National Product. The two track side-by-side. One cannot grow without the other. Careful studies of that relationship since the 1973 oil embargo have demonstrated conclusively that economic activity and electric consumption are linked more closely today than ever before. As our economy grows, so grows our electric use.

In a previous message on these pages we discussed the issue of electric energy supply in Michigan and how we must increase that supply by completing ongoing construction projects. As you have almost certainly read or seen, not everyone agrees with us on that issue. There are those who say we need no new generating plants, that our forecasts of growth are too high, that we can get by for a number of years with just the generating plants we have operating today. But think a minute. If electric consumption in our state is not going to grow appreciably in the 1990s, as some sources suggest, and given the interrelationship of electric consumption and our economy, what they are really saying is that Michigan is going to stagnate economically, that our economy is going to grow barely, if at all, in the coming decade.

We simply cannot accept that proposition. We're not predicting nor are we building for an economic boom in Michigan. We're predicting and building for a very modest growth rate. Our projection for growth parallels that of Detroit Edison, which forecasts increases of 2.6 percent per year,

and those of utilities in Ontario, Ohio and other nearby states whose forecasts range from 2.1 to 2.8 percent per year. Even the Michigan Public Service Commission staff forecast of Consumers Power's load growth is virtually identical to ours until about the year 1993.

#### ENOUGH TO GO AROUND?

But there are also those who say it doesn't matter if our forecasts are more accurate than theirs, that it doesn't matter if we're right in our planning. Sure, they say, we may be short on our own electric capacity, but that's all right, we can just buy power from those utilities that are building for the future.

Perhaps. But will there be enough power available to us from others, and what will be the price of that power? Look again at the growth forecasts for the utilities around us, those from whom we would be buying power. That growth is in their areas and states and provinces, not ours. We have no guarantee that those utilities will build enough new capacity to meet their own needs, let alone ours. If they do, they will sell power to others only after they have served their own people and industry, and the power they sell will be the most expensive power they produce. Right now we have the lowest electric rates in Michigan. If we depend upon other utilities to supply our customers with power, that will no longer be the case.

#### ENERGY DEPENDENCE?

Is that the way we plan for the future in Michigan? Is that a rational course of action when one of the highest priorities of our state is to encourage industrial expansion and attract new business? In the wake of the 1973 oil embargo one concept was burned into the minds of most Americans: Energy independence. No longer would we entrust our energy future to others; we would control our own destiny.

At Consumers Power Company our goal for almost a century has been to provide power to our customers when they want it and need it. That's the basis of our planning, the blueprint for our construction. By carrying through with our plans we intend to ensure that our customers hold the key to the future—a reliable electric energy supply—in their own hands.

## Jackson County Rose Festival

The Jackson County Rose Festival will select its 1984 Rosequeen on Saturday, May 19 at a pageant that once again promises to be one of the festival's premier events.

Ten semi-finalists will compete for the Miss Rosequeen title, scholarships and the opportunity to compete in the Miss Michigan pageant.

The pageant, usually a sellout event, will be held at 8 p.m. at the Potter Center Music Hall at Jackson County Community College. Tickets are on sale at the Potter Center Box Office Monday through Friday, 11 a.m. - 4 p.m., and at the Greater Jackson Chamber of Commerce, 401 S. Jackson Street, Jackson, Monday through Friday, 8 a.m. - 5 p.m. Ticket prices are \$7, \$6, and \$5.

The pageant program will include vocal performances by several p... Rosequeens, Kelli Diane Swartz (1973), Christine Lynn LaRock (1982) and Lori Woodruff Pelham (1976). It will also feature a performance by the Northwest High School Jazz Band. For the twelfth consecutive year the pageant's master of ceremonies will be William F. Wheelers, of Greenville, S.C. He is affiliated there with the NBC station WFBC-TV.

In addition to the opportunity to compete in the Miss Michigan pageant, the 1984 Miss Rosequeen will win a \$2,000 educational scholarship. The first runner-up will receive a \$1,500 scholarship and the second runner-up will receive a \$1,000 scholarship. Further information on the pageant and 1984 Jackson County Rose Festival is available from the Jackson County Rose Festival, Inc. 401 S. Jackson Street, P.O. Box 80, Jackson, MI. 49204. # MANCHESTER

by George Rawson

Manchester Enterprise  
April 22, 1869

Some men boast of prairies so broad and so fair,  
As if there was nothing but happiness there.  
And others of cities so charmingly grand,  
That humanity's love they always command;  
And while they thus boast of places so blest,  
They find that Manchester is one of the best;  
Its people are prosperous, happy and good,  
Always doing what's right as honest folks should.

With a spirit for building, and improving the town,  
They keep steadily working while other burghs frown  
And gaze on with wonder, vainly hoping the day  
Of retrogression will come, and their hopes wash away;  
Deluded, ye mortals, why stand back and stare,  
We started the race, and victory's fair;  
Our town is growing fast, and growing 'twill be,  
Until it is known from sea unto sea.

With trade always lively, and business for all,  
In winter, in summer, or yet in the fall;  
Her churches united, thereby gaining might,  
Her liberality too is always all right.  
The schools and the lyceums which adorn here fair name,  
Are destined to grow in strength of her fame,  
While society moves in the wisdom of sense,  
And her newspaper lives, not like some, by pretence.

Then stand back ye sluggard nor get in the way,  
Her success and her progress ye

never can stay,  
For the work is kept moving by men who care not  
For drones, false predictions or misers dull lot,  
And as years roll away on the swift wing of time,  
May her virtue and morals with prosperity chime,  
Fill from cottage and palace, from the workshop and store,  
Will come the same prayer, may she grow evermore.

## Obituary

**Mark D. Bower**  
2560 King Road  
Saginaw

Mark D. Bower, age 33, formerly of Manchester, died suddenly May 13, 1984.

He was born May 5, 1951 in Tecumseh the son of Gerald and Shirley Thurman Bower.

He is survived by his father, Gerald Bower of Manchester; sister, Mrs. Susan Kruse of Manchester; Grandmother, Mrs. Donna Thurman of Napoleon; and three nieces.

He was preceded in death by his mother and two brothers.

Funeral services will be held on Thursday, May 17, 1984 at 10:00 a.m. at the Jenter Funeral Home. Rev. Robert Macfarlane will officiate and burial will follow in Oak Grove Cemetery.

## American Legion Auxillary

The American Legion Auxillary met at the Legion Home on May 9, 1984 with 18 members present.

Claire Reck reported 5,665 cancelled stamps which had been cut and trimmed, had been mailed out to Mission Control Center. The profits from the sale of the stamps will help provide protein concentrate and U.S. Government surplus foods to the Navejo and Pueblo Indian children in the southwest, Spanish American and Blacks.

Claire also reminded us that the Red Cross Blood Bank will be held in the Legion Hall on July 16, 1984. Auxillary members volunteered to work at the Blood Bank, with T.V. Ludwick acting as Chairman of the Day and Helen Rigg as Chairman of the canteen. The Auxillary will furnish the sandwiches and orange juice.

Poppies will be sold by Auxillary senior and junior members on Friday, May 18, 1984. The window at Great Lakes Federal will be decorated by Mary Smith and Vivian Middlemiss.

Helen Popkey volunteered to plant flowers in the urns at Wurster Park. This will be done before Mayor's Exchange Day.

T.V. Ludwick displayed the handmade slippers, lab robes and bibs that had been made by members of the Shakespeare Club for hospitalized veterans at the Ann Arbor V.A. Hospital.

Americanism Chairman, Edna Knauss, brought to our attention the need to preserve the national anthem as it was written by Francis Scott Key in 1814 and officially adopted on March 3, 1931 as the national anthem of the United States. The anthem should be sung with reverence and respect and not cheapened or made light of by altering the words or tempo of the music. Edna encouraged members and area citizens to write to our congressman to adopt a law

officially making the national anthem as it was written and also the original version as it is sung.

The election of 1985 officers will take place at the June 13, 1984 meeting. The refreshment committee will be Phyllis Baker, Joyce Stein and Arlene Walter.

## Health Career Scholarships Available

The Chelsea Community Hospital Auxillary will present \$500 scholarships to three area students. To be eligible for a scholarship a student must be enrolled full time in a health career program for which certification is given or a degree is granted, and must be a resident of the hospital service area.

Scholarship applications are now available at Chelsea Community Hospital, and may be picked up at the information desk near the main entrance or at the switchboard desk which is just inside the courtyard entrance. Applications may be obtained between 9 a.m. and 7 p.m. The completed applications should be returned as indicated on the form with the deadline being Monday, June 3. After initial screenings, personal interviews will be conducted for those candidates deemed most highly qualified. The awarding of the scholarship will be based on academic achievement and sincere interest to further education in a health

oriented field.

Chelsea Community Hospital Auxillary has given \$6,000 in scholarships since 1979. Monies come from projects such as the Christmas Home Tour, the Arbor Nook Gift Shop, Cookbook sales, a fashion show, raffles, and bazaars.

Members of the scholarship committee are Jean Mann, Gail Olson, and Donna Lane.

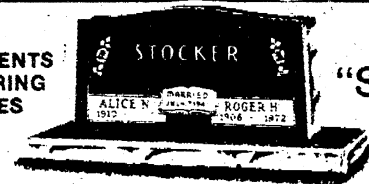

Joan Kay Schaible of Manchester, daughter of Mr. and Mrs. Luther Schaible, was a 3 year recipient of a scholarship while she was a nursing student at Madonna College.

## Federal Surplus Distribution

Federal surplus cheese and butter will be distributed in Manchester on May 25 (Friday) from 9 a.m. to 1 p.m. at the Knights of Columbus Hall next to the Post Office in combination with the annual Spring Shop for low income families from the Manchester area.

Federal determination for low income of a household is one in which the annual income of the whole household is less than \$6,075 for one, \$8,175 for two, \$10,275 for three and an additional \$2,100 for each additional member. Food Stamp, Medicaid or Michigan Unemployment cards may be used along with present address identification. For further information, call 428-8852.
