117TH YEAR VOLUME NO. 48

USPS NO. 327-460

THURSDAY, SEPTEMBER 20, 1984

A Promise Kept

Pictured above from left to right, Ron Mann and Eugene Bentschneider, Co-Chairmen of the Manchester Chicken Broil, are presenting a check for \$4,100 to John B. Swainson President of the Manchester Area Historical Society, while Loring Ebersole, Financial Secretary looks on.

On a cold winter day in February, 1982, a contract was signed to purchase a long closed blacksmith shop on East Main Street to be used as a museum and public building for the community. The blacksmith shop was built in 1877 and remained in continuous operation until 1952 when John F. Schneider, the last blacksmith in Manchester retired. John F. Schneider died in 1953, and the blacksmith shop was closed. The original tools were still in the building twenty years later.

It was planned that the old forge would be preserved to demonstrate how the blacksmith trade was conducted in the 19th Century. It was hoped that the curious children of today could enjoy watching a blacksmith labor at the forge much as their grandparents would have many years ago.

Now in September, 1984, over two and a half years later, these plans have come to fruition through the continued and generous support of the Manchester Chicken Broil. Through its support over a two-year period, the Manchester Chicken Broil has made the acquisition and preservation of the John F. Schneider Blacksmith Shop a reality.

At 9:30 a.m., on this past Saturday morning, September 15, 1984, Mr. Ron Mann and Mr. Eugene Bentschneider arrived at the Blacksmith Shop with a check for \$4,100 to be used by the

Manchester Open

The Manchester Open Golf Outing will be held Thursday, September 27, 1984. Tee off time is 12-12:30. \$30.00 includes golf, dinner and cart. Any interested persons may sign up at Gambles or Keith's Barber Shop.

Last day to sign-up Monday, September 24th.

Manchester Area Historical Society to retire all of its remaining debts incurred by the purchase of the building in 1982.

This brings to over \$12,000 the amount of money that the Manchester Chicken Broil has contributed to the purchase and restoration of the John F. Schneider Blacksmith Shop as an official State of Michigan Historical site, and the only building in the village of Manchester to be so designated with a historical marker affixed to the building.

John B. Swainson, President of the Manchester Area Historical Society, commented; "We are indeed fortunate to have available to us a building dating from 1877, that has not been converted to another use. It remains a blacksmith shop together with a forge and the tools and equipment of a by-gone age. It is the last remaining blacksmith shop on a main street in a village in Michigan and it is right here in Manchester. We deeply appreciate the generous support provided by the Manchester Chicken Broil."

Klager Elementary Open House September 20th

Thursday, September 20th, is the date set for the Klager Open House.

Nellie Ackerson Kindergarten parents will gather in Mrs. Hankamp's room from 6:30 to 7:00 p.m.

Klager School will open its doors at 7:00 p.m. at 7:30 p.m. the bells will ring to signal the beginning of the half hour teacher presentations.

Parents, students and staff will have an opportunity to socialize from 8:00 - 8:30 p.m.

Marie Hale Chairperson Of United Way Campaign

Marie Hale

Speaking for the Manchester United Way Board of Directors, Dr. Lamont Okey is pleased to announce the selection of Marie K. Hale as General Chairperson of the Manchester United Way 1985 Campaign. Marie succeeds Jack Zaborowski who was last years Campaign Chairman.

Marie is currently the Personnel Manager at Manchester Plastics, Inc., a position she has held since May 1983. Manchester Plastics is a local custom injection molding business which currently employs approximately 100 people.

Marie received her Degree in Business Administration from Eastern Michigan University where she majored in Management, along with specializations in Personnel, Industrial Relations, Organization Behavior and Development.

Being a relatively new resident to our community, Marie indicated that she is very thrilled by the opportunity to serve as Campaign Chairperson. During the short time she has lived here, Marie noted that she could readily detect a sense of pride on the part of Manchester area residents for their record of giving for the United Way and she is looking forward to achieving another highly successful campaign for the community.

Marie also emphasized she is appreciative of the support provided for the Manchester United Way Campaign by her employer Mr. Ronald T. Larizza, owner of Manchester Plastics, and Mr. Emery C. Jonas, President of the Company. Their support both financial and through donation of personnel, is strong evidence of their management philosophy that all businesses and their employees have a civic responsibility to the community in which they live and/or work.

Marie reports that plans are well underway for the annual kick-off dinner for all volunteers to be held on Wednesday, September 26th, at the Manchester United Methodist Church.

President McKinley's Funeral

MANCHESTER ENTERPRISE
September 19, 1901

Seen At Buffalo By A
Citizen of Manchester
Buffalo, N.Y., Sept. 16, 1901

EDITOR ENTERPRISE: - My trip to Buffalo and the sad event at the time will never be wiped from the tablets of my memory. Upon reaching Cleveland on Monday, the general topic was the president's condition, and the fate of his assassin. Everyone was anxious to get the reports and as they reported him on the gain and out of danger, it seemed like taking a burden from their hearts, yet in the big parade of Wednesday I noticed a different spirit than in the great parade at Chicago a year ago.

Thursday morning at 8 o'clock we left Cleveland on the steamer City of Buffalo with 3,000 on board, and a more beautiful day I never spent on the lake. We had

hardly gone 25 miles when one of the engines became disabled and caused us to be three and a half hours late in Buffalo and just in time to catch a severe rain storm while landing. This caused some excitement because on account of the storm street cars were not running near the dock and people had to walk to Main street to take a car.

Friday morning a report was spread that President McKinley was dying, and soon after came one that he was better. In the afternoon in company with a friend I went to Delaware avenue, one of the most beautiful in the city, to get a view of Milburn house, in which the president lay, but ropes were stretched across the streets two blocks from the house each way and police are on guard. No one excepting newspaper reporters and those having business at the house are allowed near. A company of

United Way Contest Winner

Shown above, from left to right, are Dr. Lamont Okey, President Manchester United Way, along with Pat Sahakian, winner of the 1985 United Way Slogan Contest, and Marie Hale, member United Way Board of Directors, and the 1985 Manchester United Way Campaign Chairperson.

Dr. Okey reports that Pat's suggested slogan "Manchester Shares Because Manchester Cares," was chosen as the winner from over 30 entries turned in at the United Way booth during Manchester's annual community fair week. He was particularly pleased with Pat's slogan because it highlights so clearly the pride and generous support that the citizens of the Manchester area have given to our own United Way Campaign throughout the years. Manchester is one of the few communities of its size remaining in Michigan, which still retains and conducts its annual campaign within the community. A significant portion of the funds contributed to the Manchester United Way remain right here in the Manchester area.

Our 1985 campaign slogan

winner, Pat Sahakian, is well-known throughout the Manchester area for her willing and sincere support of many community wide activities. She has served on the Nursery School board of directors for almost four years, while making many important contributions of time and talent to the Manchester Parent Teachers Organization, where she is currently serving her second two year term.

Pat is a strong supporter of the Manchester United Way and indicated that she believes that the United Way adds greatly to the quality of life in the community because everyone benefits from the United Way. Pat reports that as her children are growing up, they have

Public Invited To Ann Arbor Meetings On The Adoption Experience

How does it feel to be an adoptive parent? What is it like to be an adopted child? What skills are needed to parent an adopted child? The Interagency Adoption Committee is sponsoring two public workshops, September 29, and November 3 in Ann Arbor, to answer these questions. Panels of adult adoptees and adoptive parents will be featured speakers. Emphasis will be placed on older children, special needs children or those in a group of brothers and sisters.

The Interagency Adoption Committee, District VII, is hosting both events at the Fellowship Hall of the First Unitarian Universalist Church, 1917 Washtenaw in Ann Arbor. Advance registration is suggested but registration is also available at the door for each session beginning at 9:00 a.m. The workshops will continue until 12:30. A \$1.00 donation is requested at the door.

The Interagency Adoption Committee includes representatives from the local DSS offices in Eaton, Ingham, Jackson, Washtenaw, Genesee, and Livingston Counties, as well as Family Services and Children's

Fifth Grade Open House Scheduled

All parents/guardians of fifth graders are cordially invited to attend an open house at the Nellie Ackerson Middle School on Thursday, September 20th. The open house will run from 7:00 p.m. to 9:00 p.m.

The purpose of this event is to give parents/guardians an opportunity to meet the fifth grade teaching staff and to become better acquainted with the program for this year.

Muscular Dystrophy

Kids in Manchester collected door to door for M.D.A. Each \$25 collected put their name in a drawing for a ten-speed bike and many other prizes.

The winners were drawn during the Telethon and Manchester Kids did well.

Toby Riley won the ten-speed bike and Ryan Weigle and Larry Reed won watches.

Notice of Public Hearing
A Public Hearing will be held on Tuesday, October 9, 1984, beginning at 8:00 p.m., in the Council Room of the Village Hall, 120 S. Clinton Street, Manchester, Michigan, before the Manchester Village Planning Commission, for the purpose of hearing comments on changes which are proposed to be made in the Manchester Village Zoning Ordinance. The proposed changes deal with the following topics:
*Placement of Historical Markers
*Generation of Hydroelectric Power
*Appointment of Zoning Board of Appeals
*Apartments in C-2 District
The complete text of the proposed changes is available for inspection at the Village Hall during regular office hours. Persons wishing to submit written comments, which will be read aloud at the Public Hearing, should have them delivered to the Village Hall no later than 3:00 p.m. on Tuesday, October 9, 1984.
Mary Kallewaard, Secretary
Manchester Village Planning Commission

METHODISM For Two Centuries PROCLAIMING Grace and Freedom

The Manchester and Sharon United Methodist churches invite the community to a bicentennial service 4:00 p.m., Sunday, September 30th. This year, Methodism celebrates two hundred years of proclaiming grace and freedom throughout America.

The special service will be held on the front lawn of the Manchester United Methodist Church or in the sanctuary, depending on the weather. The service will have an early American theme and will feature our Church founders John Wesley (Rev. Hayden Carruth) and his brother Charles Wesley (Rev. Evans Bentley). The congregation is invited to dress in early American style clothing.

As in the good Wesleyan spirit, the service will be filled with song, special music, and holy fun. And no Methodist gathering would be complete without food. A potluck of fingerfoods, cookies, sandwiches, etc. will follow. Also, a youth hayride is planned for 6:30 that evening.

Letter to the Editor

I feel that Girl Scouts offers girls a much needed chance to get a solid background with good values and hope for the future. I enjoy having a small part in helping girls get this chance. I also enjoy the opportunity to work with other adults in Girl Scouting and learning from their many experiences.

Being a Girl Scout leader gave me the opportunity to learn and grow with the girls. I am now a Troop Services Director. Now one of my jobs is recruiting troop leaders, getting them started and providing on-going help. If you want to have fun while helping girls grow and mature, volunteer by calling 483-2370.

Sincerely,
Debbie Geney

To the Youth Of Manchester:

Hi Kids, Allow me to introduce myself. My name is Premature Death.

I haven't met any of you who are reading this personally, but I have met some of your friends. I've been around for some time,

but I've become more active in the community in recent years, so I thought you should get to know a little more about me.

I believe a person should be active in a community they like. I do like this area for the same reason others like it, I have friends and associates here. Who are my friends? They are store owners who sell alcohol to minors, parents and other adults who want to be pals with you and furnish you booze, and those of you who sneak alcohol out of the house for yourself and your friends.

As in any community, you don't expect to get along with everyone and I'm no exception. Bill Zsenyuk has been trying to get rid of me ever since he came here. People like Brian Schick and Bill Bushaw would also like to see me leave town.

These people can't get rid of me and if you young people don't gang up on me and run me out of town, I'll be around for a long time.

Don't listen to people like Bill Zsenyuk when they try to

persuade you that booze is bad for kids. They just don't want to have to tell your parents and brothers and sisters if you and I happen to meet.

If you do listen to them, you'll probably be around Manchester for only 60 to 70 years. When you meet me, it is forever.

So, the next time someone offers you a drink, be macho, take it and give some to your friends. My desire to meet you is insatiable, I need all the help I can get.

Sincerely,
Premature Death
(Tom Golding)

Birth Announcement

Christopher and Pamela (Handy) Curtis are proud to announce the birth of their daughter Rebecca Lee, born September 8th.

Rebecca weighed 7 lbs. 1 oz. and was 20 inches long. She has a sister Lacey Marie, age 5.

Maternal grandparents are Robert and Jane VanDoren of Manchester and paternal grandparents are Clifford and Mary Curtis of Jackson and Sam and Barbara Dobbins of Michigan Center.

Senior Citizens News And Meals

Roast Beef, Mashed Potatoes, Squash, Fruit Salad, Cake and Beverages are being served Tuesday, September 25, at Emanuel United Church of Christ dining hall for all over 55 years of age. Information and reservations are had by calling 428-7630 or 428-8359.

Pork Chops, Broccoli and Rice, Cole Slaw, Apple Pie with Ice Cream and Beverages are to be served on Thursday, September 27th.

The group taking the Washington, D.C. Tour leave Monday, the 24th.

Tuesday, the 25th, blood pressures will be available at the church between 11:00 and 12:00. Cards are on the afternoon agenda as usual.

Thursday, the 27th, there will be a John Denver movie "Bighorn" following the noon meal.

The Walking Club is now meeting every Tuesday morning at 9 a.m. at the church rain or shine. When outside walking is

unsatisfactory, it takes only 50 laps around the gym to make a mile! Volunteer leaders are Helen Tervo and Florence Paul. All are invited to join the group.

Volunteers who can give an hour or more around noon on Tuesdays and Thursdays should contact Helen Knickerbocker, 428-7239. One doesn't have to be a Senior Citizen to volunteer for this service to the community.

Donations of garden-stuff can be used in limited supplies and are greatly appreciated. Contact Ethel Weir at 428-7630 or 428-9396 or call Helen Knickerbocker.

Don't mislay those Chore Day Applications—get them to Jan Nali at the Senior Citizens Office or at a meal now.

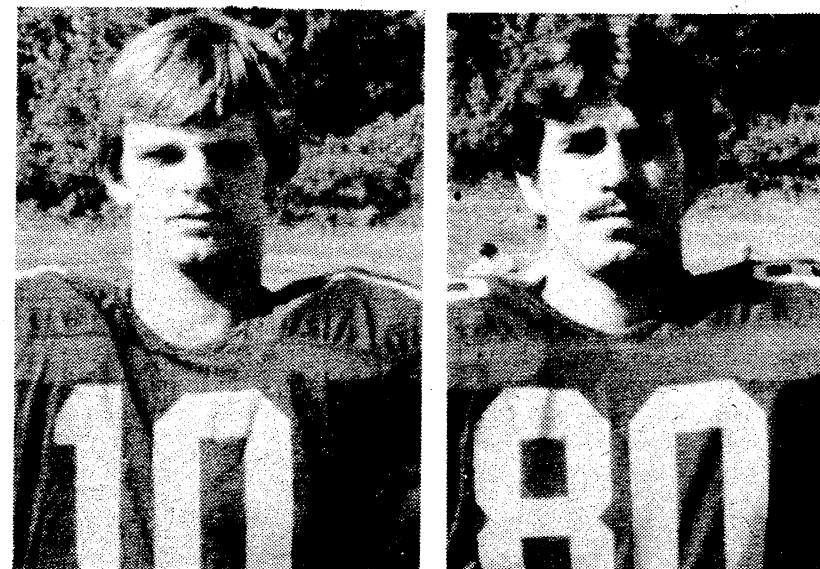

Bulb Sale A Tremendous Success

Our Klager School Tulip Bulb Sale was a tremendous success thanks to the support of our Klager kids, parents and especially community. Total sales were \$10,700!!

Our top three sales people were 1st Prize (radio-stereo) Kevin Detting; Second Prize (tent) Mark Branch; and Third Prize (sleeping bag) Katrina Bihlmeyer. As far as we are concerned, everyone was a winner for their contributions.

The school will be able to keep 40 percent of the total sales. The P.T.O. will be looking into where this money can best be put to use for Klager.

"Players Of The Week"

Offensive Players of the Week
Pat Ridenour Bruce Rhees

20th Century Club

The Twentieth Century Club had their first meeting for the year at the Methodist Church September 11th. Twenty three members and guests were present.

The Marathon Bridge committee reported that \$720 had been given to the Manchester Area Historical Society. This is sponsored by the Club and includes many area bridge players.

Several members reported that they were dressing dolls for the Christmas Shop for the local Family Service.

The theme for the upcoming

year is "Cities In The Sand." Our first city to visit was Jerusalem and the area surrounding it. Rev. and Mrs. Evans Bently presented their slides that they had taken on their trip there last February. Their description of the scenes was very interesting.

Our next meeting will be on October 24th with dinner at the Leutheusers Restaurant in Saline, following which, the club will see "Fiddler on the Roof" at the Michigan Theatre in Ann Arbor.

A delicious dessert was served by Pat Post.

MADD Meeting September 27th

Mothers Against Drunk Drivers will meet on Thursday, September 27, 1984, at 7:30 p.m. at Chelsea Community Hospital in the Outpatient Psychiatric Building. Judge Karl V. Fink will discuss his approach to drinking drivers and his sentencing policy. Judge Fink presides over the 14th District Court located in Chelsea. Last Spring Judge Fink announced a tougher policy towards drinking drivers, minors in particular. Come hear how the new policy is working. For more information, please call 662-2722.

American Legion Auxiliary

The American Legion Auxiliary held its first meeting of the 1984-85 season at the Legion Home on September 12, 1984, with 18 members present.

Various committees gave their reports. Claire Reck informed us that a Blood Bank would be held in Manchester on October 15th. The Auxiliary will donate the orange juice on that day.

Kay DuRussel informed us that there will be a "Meet the Candidates" night to be held at the Saline American Legion Hall on October 8, 1984. The public is invited.

This year, our Dept. of Michigan Auxiliary President's theme is: "Investing in America - By Investing in Our Veterans".

Our Unit plans to adopt a number of veterans from our area who are hospitalized or home bound, and remember them with cards and visits throughout the year.

A few items made by area citizens were displayed. These items will be delivered to hospitalized veterans at the Ann Arbor V.A. Hospital. We are very grateful to the ladies who have donated their time and effort for the comfort of the veterans.

The refreshment committee for the October 10th meeting will be Beth Clouse, Kay DuRussel and Linda Jacob.

soldiers was opposite the house and a detail was guarding each side of the same. Our desire to get a glimpse of the house caused us to cut across a lot from one block to another, which brought us inside the ropes, and we took places beside the reporters directly opposite the house. Several times during the evening the report was spread that the nation's chief was dead, but not till Saturday morning was the official report given.

Saturday was to have been railroad day at the exposition and thousands flocked to the city only to be disappointed, as it was closed Saturday and Sunday in honor of the dead president.

The City was soon draped in deep mourning and one could look in any direction and see the picture of the dead president draped in black and white. Badges with the president's picture and the words, "We mourn our loss" soon made their appearance and thousands are being worn. Arrangements were first made to remove the body of the president to Washington on Sunday morning but several committees sought to have it lie in state here so that citizens of this city and its visitors might pay their respects to the dead chief.

On consideration the request was granted and at 11 o'clock a short ceremony was held at Milburn house, after which the remains were taken to the city hall, which was decorated with palms, black and white drapery and American flags. On the tier were many flowers and a beautiful silk flag.

At 12 o'clock the anxious crowd began reviewing the remains and at 11:45 that night the doors were locked, excluding a large number. From one to four o'clock the rain fell in torrents, but that did not break the desires of those who wished to review the remains. I was one and a half hours in the rain before gaining entrance to

the hall. It is estimated that 125,000 people viewed the remains, passing two abreast on each side of the bier.

At 8 o'clock Monday morning word was given to proceed to the depot. Mounted police headed the procession, followed by 65th regimental band of 30 pieces, the several companies of regulars and marines, then carriages with members of the cabinet, then came the remains drawn by four horses with a policeman beside each, the pall bearers being soldiers and marines three on each side, next came the G. A. R., following, the new president and others. At the depot was an anxious crowd awaiting the procession and as the special train with two engines draped in white and eight coaches started for Washington, it was a sorrowful sight and many eyes were filled with tears. I saw old soldiers crying like children for love of our beloved and martyred president, Wm. McKinley.

Carl F. Wuerthner

United Way Winner

enjoyed participating in the Manchester recreation program, Girl Scouts and the Tee-Ball league; all of which are supported by our local United Way.

Pat and her husband, John, along with daughters, Krista, age 10; Jennifer, age 8; and son Kevin, age 2, live on Bethel Church Road.

The suggested slogan "Help Us Help Others," submitted by Jennifer Tucker and Angie Derby, was selected for runner-up recognition.

The directors of the Manchester United Way thank Pat for her excellent slogan. Let's all join Pat in showing that "Manchester Shares Because Manchester Cares," by supporting the Manchester United Way.

Council Proceedings

SEPTEMBER 4, 1984

The regular meeting of the Manchester Village Council was called to order by President Hinkley at 7:00 P.M. Present: Harris, Kallewaard, Koebbe, Niehaus, Reinhart, Schaible, Zsenyuk, Smith.

Schaible moved to approve minutes as read, supported by Niehaus. Motion approved.

Ray Gonyer was present to ask Council to go on record and protest the Telephone Toll Charges from Manchester to Chelsea and Ann Arbor.

Mr. Gonyer said he wrote Margaret O'Connor, our State Representative and she sent him a letter from the Michigan Public Service Commission, which stated they are considering several options to raise more revenues, because the F.C.C. will be reducing rates on long distance calls. They will know more in the near future.

Mr. Gonyer asked the Council to write a letter to Margaret O'Connor and The Public Service Commission in protest of eliminating the Extended Area Service.

Zsenyuk said he would draft a letter of protest and hoped other communities would do the same.

Garth Greenan was present in a follow up to the Council meeting he attended two weeks ago. He asked Council to look at letters from McNamee, Porter and Seeley and the D.N.R., written in reply to the plans he discussed with Council concerning the investigation of the sewer on Torry Street and rehabilitation of that line and construction of a sanitary sewer lead from his project to the corner of Duncan and Torry Streets.

The D.N.R. approved Rural Housing project as proposed:

(1) Sewer rehabilitation through grouting, lining or replacements.

(2) Construction of a service lead from the apartment complex to an existing sanitary sewer.

McNamee, Porter and Seeley are in basic concurrence with the Rural Housing's proposed plan with the following exceptions:

(1) Smoke testing and televised inspection must be performed, as a minimum, in the initial investigation step. The results of this investigation, along with any recommended rehabilitation steps, must be submitted for comment prior to any construction work taking place. The Village and its Engineers shall have the last say on what rehabilitation measures if any, should be undertaken by the developer.

(2) All costs associated with the proposed plan would be born by the developer, Rural Housing Corporation.

(3) The developer must receive approval from the Village Engineer, for any completed rehabilitation work prior to connection of the proposed apartment service lead.

(4) Maintenance of the service lead by the owner of the development must include as a minimum:

A. Periodic inspections, cleaning and flushing required for normal uninterrupted service.

B. Prevention of root growth intrusion.

C. Relocation within Village Right-of-way, if so directed.

D. Adjustment of manhole rims/casting if required.

Harris moved to allow Rural Housing to proceed with the investigation of the Torry Street sewer by the process already slated with a representative from the Village and McNamee, Porter

and Seeley to be on hand during the investigation with the cost being incurred by Rural Housing. Roll Call Vote: Ayes-all.

Council refused site plan approval at this time.

The following petition was presented to Council:

We the undersigned residents of Manchester wish to make known to the Village Council our views on the project which Rural Housing wishes to build on a parcel of land on East Main Street and Duncan Street.

In our opinion:
(1) The project which will have a Federal subsidized loan and will not pay full real estate property taxes is competing with current landlords in the Village who are paying their full share of costs.

(2) There are many present homes in the Village which are not on the sanitary sewer system. If we spend money to make changes in the system lets take care of existing homes first.

(3) The apartment complex seems set up to attract people with several children per unit. This will place a burden on our school system as the apartment project will not pay enough taxes to support these children in the system.

(4) There is a need for Senior Citizen Housing if we are going to subsidize a project.

(5) The Village Council has spent public money on an Industrial Development Park which will need a great deal of sewer service. This project should be placed ahead of subsidized housing built by outside owners who will never live in Manchester.

(6) Although the proposed apartment project meets the standards for space on the present parcel of land we feel it is a greater density than the neighborhood can absorb.

(7) The proposed apartment project is planned by a group using their own studies for need and number of people who will be attracted. It seems to us that independent studies should be made before subsidized housing is built.

(8) How did this parcel of land get to be zoned multi-family in the midst of single family homes? We feel the Village Council should review the zoning in the Village. If there are areas where the present zoning does not appear logical, lets correct it now.

There were 188 valid signatures.
Jim Hovey from Rural Housing was present to answer the questions on the petition:

(1) Rural Housing pays the same rate per \$1,000.00 of assessment as the single property owner, they do not ask for a tax abatement, but the State of Michigan allows a lower assessment to subsidized apartment builders.

(2) Rural Housing is paying the entire cost for the sewer extension to the apartments.

(3) The entire apartment complex probably will not have more than 12 children.

(4) There is a need for Senior Citizen Housing, but there is an overwhelming need for moderate income housing.

(5) Same as answer two.

(6) The apartment project complies with the Zoning laws.

(7) It was already zoned multi-family, so an independent study was not necessary.

Jim Hendley asked permission to explain number (8) on the petition:

Due to litigation against the Village of Manchester, November 8, 1979 in Circuit Court, Washtenaw County, Jim Hendley was granted a judgement for

multi-zoning of his property on East Main and Duncan Streets. Zsenyuk said he would like to hold Bradner Construction Company's bill because of the unsatisfactory painting of the inside of the water tower.

Harris moved to pay the Village Payables of \$27,280.19, excluding Bradner Construction's bill, supported by Kallewaard. Roll Call Vote: Ayes-all.

Schaible moved to give Stan Duede his step raise from \$17,000 to \$17,850. Supported by Koebbe. Roll Call Vote: Ayes-all.

Zsenyuk reported on the search for the animal that is killing sheep in Sharon Township. The Sheriff Department is handling the search. Manchester has had no paid personnel involved.

Koebbe presented the D.P.W. and Mechanics reports. Reports on file.

Kallewaard moved that any Public Works Employee who wants to participate in the 50-50 program for uniforms should be allowed to, supported by Koebbe. Roll Call Vote: Ayes-all.

Reinhart moved and supported by Niehaus to approve the following Resolution:

WHEREAS, the Village of Manchester is presently engaged in negotiations with the Fraternal Order of Police relative to the creation of a contract between the Village and its Police department and,

WHEREAS, said negotiations require the formation of a committee to meet and negotiate with the representatives of the Fraternal Order of Police relative to said contract subject to ratification by the Village Council;

NOW THEREFORE, IT IS HEREBY RESOLVED that William Zsenyuk, Mary Kallewaard and Mark W. Gisting be appointed as the negotiating committee representing the Village of Manchester in said negotiations.

It is expressly resolved that said Committee shall have no authority implied, express or otherwise to bind the Village to any agreement, contract or part thereof without subsequent ratification by the Village Council.

Roll Call Vote: Ayes-all.

Thank you notes were read from Carol Clark and Al and Deloris Gebhart.

President Hinkley adjourned the meeting at 8:45 P.M.

Hit Or Miss

by farley

Before World War II millions of Americans washed their hair with any old kind of soap that was handy. They used the same kind of soap for their hair that they used for everything else.

I remember very distinctly that my father used to be an addict to Packer's Tar Soap or Grandpa's Tar Soap with which he washed thoroughly from end to end and which left him smelling like a misplaced pine tree.

There was shampoo in them days but the rich folks made fun of the poorer ones who weren't so high toned.

Shampoo researchers were ridiculed a great deal at that time and many of them became discouraged and went back to perfecting a deodorizing foot powder reminiscent columnist Russell Baker. But after the war the researchers went back to the shampoo business, and we became conscious of the epidemic of "dull film", and the convert to shampoos had to make a momentous decision every time he washed his hair. Shampoos came in special kinds for oily hair, dry hair or for regular hair and for curly hair and straight hair.

I don't think I ever found out whether my scalp was inhabited

by oily hair, or dry hair or regular hair, so when I went to buy it I always took the kind that was for regular hair. I never had the fortitude to ask the druggist for the oily hair kind. That sounded if I had something basically wrong with my tender scalp.

Nowadays, shampooing the hair has become a complicated process but now about this time the shampoo magnates discovered "hair conditioner". They consist of a heavy viscous liquid that you put on your hair after you have rinsed the shampoo out and then you have to get the conditioner out before you have nice clean feeling hair and just what is hair conditioner anyway? But, of course, I use it when I shampoo my few remaining locks. I guess I have tried 'em all. One leaves my hair felling as if it had been coated with axle grease while others make my hair cry out to be thoroughly washed again with good bath soap within an hour or so after it has been washed. I have no solution for this earth shaking problem, have you? I sometimes yearn to go back to the simple days of tar soap. At least then you could tell by the smell whether you and your hair was clean for hours after washing it

just by the remaining odor of pine.

The other day I looked in the bathroom and found there three plastic bottles and on the first it said "Conditioning shampoo for dry hair and scalp." The second says "Shampoo-frequent use" and the third says only "Limp hair."

Now is the first batch not useful for frequency? Will the second be a catastrophe for dry scalp? Does the first batch raise heck with dry scalp? The third bottle says only "Limp Hair." In it is not limp hair but a thick pink goop described as a quinine conditioner for dry lifeless hair. Must be true for I have seen no signs of life in any of my few remaining scalp hairs.

Seems like one needs a medical degree nowadays even to get your hair and scalp neat and clean.

One of our neighbors reports that his four-year-old nephew remarked the other day when looking at the sunflowers on the edge of a neighbors garden "Gee, they have got big dandelions."

Second Annual 10K Road Race To Be Held

Siena Heights College will hold its second annual 10K Road Race on Saturday, October 27, as part of Alumni Weekend activities.

Alumni director Ann Hughes said the inaugural run last year attracted 45 runners and that trophies were given out in six divisions. The best time was chalked up by Jim Hood of Adrian who ran the course in 36:51.

October 22 is the deadline for entries by mail. Additional entries can be made the day of the race after 7:45 a.m. at the Siena Heights fieldhouse. Race time is 9 a.m. There is a \$6 entry fee which includes a T-shirt. Refreshments will be provided after the race.

Starting at the same time is a 5K Walk or Run and a 1-Mile Fun Run. The entry fee is also \$6 for the 5K and 1-Mile events and includes a T-shirt.

Manchester Village Planning Commission

REGULAR MEETING
August 14, 1984

The Regular Meeting of the Manchester Village Planning Commission for August was called to order at 7:30 p.m., by Chairman Alber in the Council Chambers of the Village Hall. Members present: Alber, Leeson, Grossman, Stautz, Kwolek, Smith, Walton; Members absent: Secretary Kallewaard, and Member Lowery. A quorum was present.

Member Leeson was asked to take notes of the proceedings.

The Agenda was approved. Minutes of the Regular Meeting of July 12, 1984, were read. It was moved by Grossman that there be added to the paragraph relative to the Masonic Lodge sign the statement, "Lowery was instructed to inform the Masonic organization that it is permissible to move their sign as requested." Motion seconded by Stautz, and approved unanimously.

Minutes of the Public Hearing of July 31, 1984, relative to the requested change in zoning of the Sooten (Farr) Road addition from AG (Agricultural) to I-2 (General Industrial) were read. It was moved by Smith that in the first paragraph, the reference to Highway M-51 be corrected to M-52. Motion seconded by Kwolek, and unanimously approved. The Minutes, as corrected, were approved.

Minutes of the Special Meeting of July 31, 1984, were approved as read.

A proper and complete application from L. Joseph Rahn to install a sign at his newly opened place of business, 134 East Main Street was considered. It was moved by Kwolek, seconded by Stautz, that we recommend to Council that the sign, as described in the application, be permitted. The motion was unanimously approved on a voice vote.

An application from Mark C. Rutherford, for a variance from

the Zoning Ordinance to allow only 13 feet, 5 inches from the lot line to an existing accessory building, instead of the usually required 35 feet. The building has been in this location for more than a year, and would create a hardship to move it. Mr. Rutherford was not present, and a letter of objection has been received from his neighbor, Mrs. Koernke. No action was taken other than a suggestion from Smith that it might be more reasonable to move the building than to pursue the paper work and expense of attempting to gain permission to leave the building in its questionable location.

A discussion was held regarding the possibility of defining a so-called temporary or portable structure, and establishing something of an interpretation of the relationship of a small tool or yard shed to the zoning and building codes. Also, that if such specifications do not already exist, that they be included in the new revision of the Ordinances. Chairman appointed Bill Kwolek and Russ Smith to look into this.

Adjournment was moved by Kwolek, seconded by Stautz. The meeting was declared adjourned at 8:25 p.m.

Laurin F. Leeson

\$\$\$MONEY MANAGEMENT\$\$\$

New Law Affects Almost Everyone

In an effort to reduce the federal deficit, close up some tax loopholes and make the rules more equitable, Congress enacted the most complex and cumbersome tax act in history. The 1984 Deficit Reduction Act (or Tax Reform Act) is the third major tax act in five years and probably not the last one. Its 1450 pages add tremendous complexity to an already complex system and affects everyone in some way.

Here are just a few of the changes that may affect you, according to the Michigan Association of CPAs.

If you are an investor, you only have to hold an investment for six months (and a day) to qualify for long-term capital gains tax treatment. Only 40 percent of a long-term capital gain is added to your income. For investors in the 50 percent tax bracket, the maximum tax paid is 20 percent of the gain. These new capital gains rules apply to all assets acquired after June 22, 1984.

If you purchased a luxury car for business use after June 18, 1984, you can no longer write-off its full cost using a three-year depreciation formula. Now, the depreciation of all cars will be limited to a \$4,000 deduction in the first year the car is in service and a \$6,000 deduction in all subsequent years.

Divorced people will find that the law tightens a patchwork of rules on property settlements and alimony payments. The new language also dispels some confusion surrounding employee fringe benefits.

Real estate investors must now depreciate property over 18 years instead of 15, which allows smaller deductions over longer periods.

The tax on a gallon of diesel fuel went from nine to 15 cents a gallon as of August 1. The tax on distilled spirits goes up \$2, to \$12.50 a gallon, on October 1. And the Act puts a bite on sport fishermen who must pay a 10 percent excise tax on an expanded list of fishing gear beginning October 1.

Computer buyers must also contend with changes in amounts

they may deduct for the business use of their computers. For computers placed in service after June 18, 1984, to qualify for an investment tax credit, more than half of its use must be for business.

Additionally, to write-off up to \$5,000 for a computer in a single year or to depreciate it over five years, more than half its use must be for business and not personal reasons. A computer used 50 percent of the time or less for business must be written-off under a 12-year depreciation formula, and will not qualify for an investment tax credit.

Not all the changes in the tax law hurt; some breaks are offered. For instance, if you drive a car for charitable reasons, such as picking up clothing for a local charity, you can deduct 12 cents a mile beginning in 1985 instead of nine cents a mile. So, if you drive 5,000 miles for your local charity, you will be eligible for an additional \$150 deduction.

Another change in the tax law, brought about by changing patterns in the way Americans receive medical treatment, affects medical deductions. Specifically, the new law allows you to travel to an outpatient clinic, such as the Mayo Clinic, and deduct as much as \$50 a night for lodging at a hotel for the period of treatment.

If a friend or relative accompanies you, another \$50 deduction is allowable. You risk losing this deduction if a significant amount of recreation or vacation is connected with the medical trip. The medical expenses qualify for deductions only if—along with your other qualifying medical expenses—they exceed five percent of your adjusted gross income. This higher floor for medical expense deductions was part of the last tax law.

Equine Survey To Begin

ponies, donkeys and mules) in Michigan, will be conducted this fall by the Federal/State Michigan Agricultural Reporting Service (MARS). Selected owners will be contacted beginning in late September, to determine the number, type, and use of their

equine. The Michigan Equine Industry has repeatedly been identified as an agricultural sector which has the potential for expanded development. This survey will help to define the nature and scope of this industry and identify areas for possible expansion.

Equine owners may be contacted by mail, telephone, or by trained members of the MARS staff. All individual information will be kept strictly confidential and used only for the purposes of this survey. Owner cooperation is necessary to the development of reliable estimates. Only with this cooperation is it possible to compile dependable data for decision making.

Survey results are expected to be released in June 1985.

Contenance Program For Older Women

When Archie Bunker flushes the toilet on TV, it's funny and everyone laughs. But when someone who is incontinent must find a bathroom every half hour because they're afraid of wetting themselves, it's no laughing matter.

"People without bladder control often lead isolated lives...like the woman who was afraid to go to her son's wedding for fear of embarrassment," states Dr. James Peggs, Director of the University of Michigan Family Practice Center at Chelsea. "Many people assume that nothing can be done, but that is not true," continues Dr. Peggs. "Incontinence can be caused by a urinary tract infection, poor bladder support and other conditions that can be treated."

One out of five older women has a urine control problem and University Hospital has developed a Contenance Program for Older Women to assist with this problem. The program recognizes the physical and social discomfort caused by uncontrolled urine loss or other urination problems. Its services are available at little or no cost to women 55 years of age or older.

A special session describing the program and the services available will be held at the University of Michigan Family Practice Center at Chelsea on Thursday, September 30, at 7:30-8:30 p.m.

The program is free, but preregistration is requested at 764-8010.

Can You Pass The Test?

A Construction zone can be dangerous—both on the road and on a test.

And if you know the speed limit in a highway construction zone is 45 miles an hour and that alcohol is involved in more than 50 percent of fatal highway crashes, you should be able to get through any construction zone—and test—safely.

But, if you don't know that a small amount of alcohol affects the judgment of most people, or that you are most likely to see a pedestrian crossing sign near an intersection, you could make a couple of wrong moves—both on the road and on a test.

According to Secretary of State Richard H. Austin, these four questions are the most missed on the 15-question, multiple choice test given to approximately 1.2 million drivers who renew their license each year.

The most controversial question on the test asks about the effects of alcohol on judgment. The proper answer is that alcohol affects the judgment of most people. However, many individuals who do not use alcohol complain that they have no way of knowing this.

The Department continues to ask this question with the rationale that everyone should know alcohol can affect the judgment of another driver.

Austin said that the test questions are frequently changed to reflect changes in driving and the law. One new question involves use of infant restraints. The law, effective April 1, 1982, requires all children under four must be carried in safety seats, but children between one and four carried in the back seat may be secured with a safety belt.

To help prepare drivers for their renewal test, the Department of State sends a pamphlet entitled, "What Every Driver Must Know to Renew a License," with the license renewal applications. License renewal applications are sent 45 days before expiration.

Michigan has approximately 6.2 million licensed drivers. Most driver licenses expire every four years.

If a 170 pound man expended energy at the rate of the tiny hummingbird, he would have to eat 285 pounds of hamburger or twice his weight in potatoes each day in order to maintain his weight.

Guyer Resignation Will Leave Void, Says Michigan Farm Leader

The resignation of Gordon Guyer as director of the Cooperative Extension Service, effective December 31, will leave a void in Michigan agriculture that will be difficult to fill, according to Michigan Farm Bureau President Elton R. Smith.

"His years of service, dedication and commitment to our state's agricultural industry have earned him the respect and gratitude of Farm Bureau members throughout Michigan," Smith said. Guyer was the recipient of Michigan Farm Bureau's highest honor, the Distinguished Service to Agriculture, in 1983. Smith said this tribute was paid to Guyer on behalf of the organization's over 80,000 member families for his numerous contributions to the agricultural industry.

"They paid him tribute particularly for being a guiding force behind the establishment of MSU's world-renowned pesticide research center, and for the influence and inspiration he has provided to thousands of agriculture's young people. "Michigan agriculture has long been the beneficiary of Gordon Guyer's quality leadership and his extraordinary concern for the future of farming," Smith said.

Some Important News

You can help yourself live longer if you're wise to the risk factors that cause cancer. Medical experts at the National Cancer Institute report you can reduce cancer risks by following these steps:

- Don't smoke or use tobacco products. Smoking of any kind causes cancer and increases risks from other cancer-causing agents.
- Vary your diet to include low-fat foods that are low in calories, too. Include fresh fruits and vegetables and whole grain breads and cereals in your diet.
- Avoid excess sunlight. Wear protective clothing and use sunscreens.
- Avoid X-rays unless your doctor or dentist says they're necessary. Even then, ask for shields to protect the other parts of your body.

DUTCH TEAM ROLLS IDA 34-6

Tom Lockridge snags the sphere, one of five catches for 118 yards.

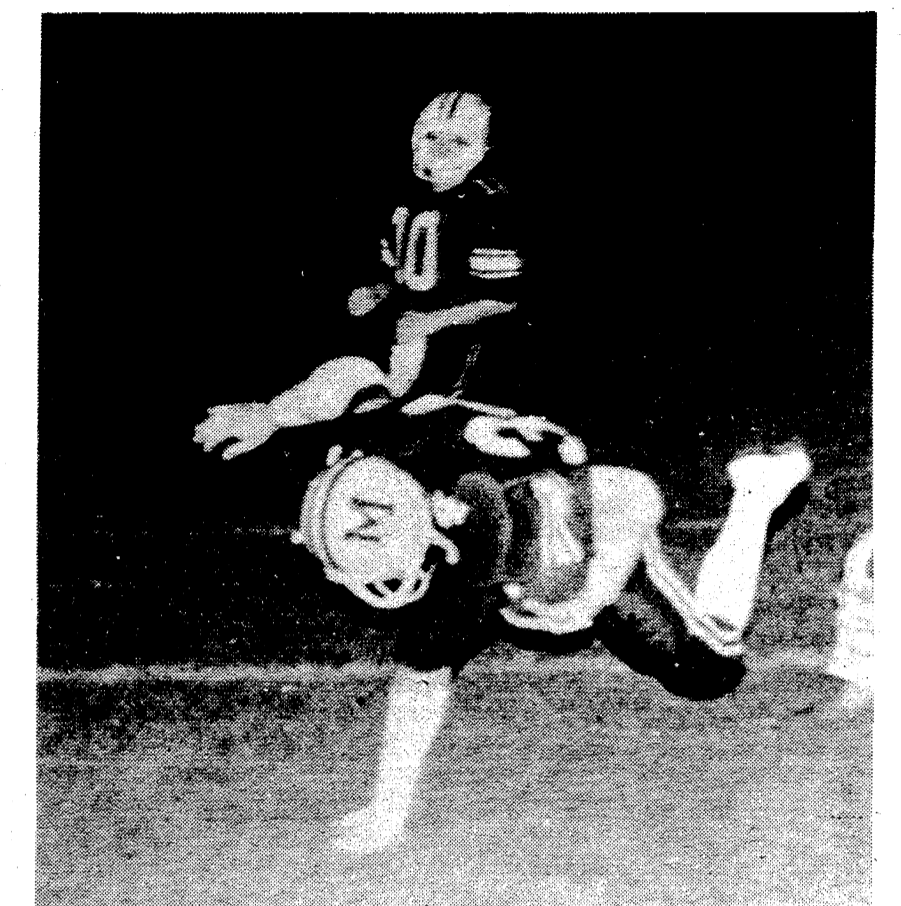

We are off to a super start this season as we remain undefeated thru our first two contests. This means we have 9 consecutive wins (counting the 7 straight from last year). Friday we open our Cascade League campaign as we host East Jackson. The tone of this game was set

on the second play as Pat Ridenour hit Tom Lockridge and he motored 59 yards for the touchdown. Soon after we were on the move again and when Pat handed the pigskin to fullback Brian Waldron from 1 yard out he ploughed for paydirt. Pat's pass to Bruce Rhees for the 2 point conversion was good so we led 14-0.

There were no tallies in second quarter so at the intermission we sat atop 14-0.

We outscored the Bluestreaks in the third stanza of play as halfback Bob Bunney scampered over the goal line from 8 yards out for the touchdown.

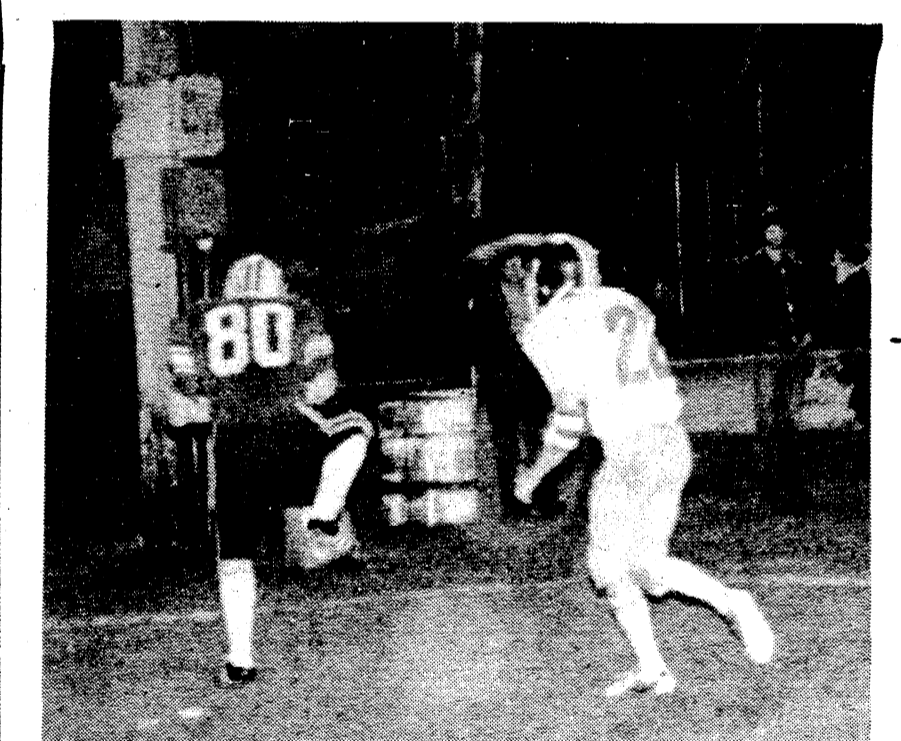

The final quarter saw 20 points go on the scoreboard, 14 for us and 6 for Ida. Bob zoomed for a 6

Brian Waldron lunges into end zone for touchdown against Ida.

yard touchdown and Pat passed to Rob Smith for the conversion making it 28-0. Unfortunately we executed poorly on a fourth down punt play enabling Ida to recover on our 6 yard line. It took them some 5 plays (including penalties) to score but they did with about 5 minutes left. Soon after they returned the fumble as we took over from their 10. Pat saw an opening and ran in for the

touchdown. The clock soon ran to zero leaving the final 34-6. Pat completed 9 of his 19 attempts for 132 yards with 5 of these passes going to Tom netting 118 yards. Mike Agin was our big ground attacker as he rambled for 136 yards. Two defensive standouts were Todd Rickelmann with 8 tackles and 1 quarterback sack along with Bruce and his 6 tackles.

#80 Bruce Rhees catches for 2-point conversion.

STATUE RESTORATION

Many Americans are on the run, toning up for a national campaign to help get Miss Liberty back into shape. Designed for both running enthusiasts and the casual jogger, the Stroh's Run for Liberty is scheduled for October 13 in 123 cities throughout the United States. The eight kilometer (five-mile) trek allows Americans of all ages to actively support restoring the Statue of Liberty to her former glory.

RUN FOR LIBERTY: The restoration of the Statue of Liberty will be paid for in part by a mammoth run:

The Run, sponsored by The Stroh Brewery and supported by Brooks Shoe, Inc., will gain national attention and funds for the statue restoration project. It is expected to be the largest single-day running event ever held in the U.S., with more than 400,000 runners, walkers and wheelchair athletes sharing the pride of patriotism and participation. A portion of the eight dollar entry fee will be used for the restoration of the Statue of Liberty.

America's most famous statue became an object of national concern in 1982 when an examination by the National Park Service showed a seriously deteriorating condition. President Reagan initiated the Statue of Liberty-Ellis Island Centennial Commission to organize a fundraising plan for repairing the damage. The brewery com-

pany was one of the first corporate sponsors to support the cause.

The repair of the statue is expected to be completed by 1986. To participate in this aspect of the Statue of Liberty renovation project, one can enter the run by registering with the appropriate entry form, available where Stroh's and Brooks products are sold. Runners will receive a T-shirt and commemorative booklet. In addition, the top five finishers in 18 categories will be awarded medals. You can also register by calling toll free, 1-800-USA-1986.

"Fitness Five" is a beginning exercise plan to improve overall muscle tone and increase cardiopulmonary capacity. Each of five exercises should be done six days per week for five weeks, according to the Auto Club Life Insurance Company. The number of repetitions or period of exertion gradually increases and varies according to age. After five weeks, a person might want to ease into activities like jogging, swimming or tennis. It is recommended that anyone starting an exercise program should consult a physician before beginning.

IT'S A FACT!

The game may still be tough for some but the Rules of Golf have been made simpler. The rule on dropping is a good example. Under the revision, it states, in part, that when a ball is to be dropped, a player is required to stand erect, hold the ball at shoulder height and arm's length and drop it. There is no restriction on the direction a player must face.

The new rules, the first major revisions since 1951, were adopted by the United States Golf Association (USGA). The purpose is to make the rules of golf more uniform, easier to learn and apply. A copy of "Revised Rules of Golf 1984" is available for \$1.00 from: United States Golf Association, Golf House, Far Hills, New Jersey 07931.

Obituaries

OBITUARY

Mrs. Joseph (Vivian) Holzhofer
16924 West Austin Road
Manchester, Michigan

Age 55 years, died Thursday, September 13, 1984, at St. Joseph Mercy Hospital.

She was born December 2, 1928, in Saline, the daughter of Jesse and Vena Kelsy Bird.

She was married to Joseph Holzhofer on June 10, 1950. He survives. In addition to her husband, she is survived by two sons, Kenneth of Manchester and Gerald of Saline, two granddaughters; four brothers, Floyd, Reedley, California; Karl, Saline; Jesse (Bob), ElCajon, California; and Clifton of Interlochen. She is also survived by one sister, Mrs. Marie Hayward, of Escondido, California.

Funeral services will be held Monday, September 17, 1984, at 1:30 p.m. at the Jenter Funeral Home, Rev. David Grinnell will officiate. Burial will follow in Oak Grove Cemetery.

Memorial contributions may be made to the Cancer Fund.

Jeffrey S. Brokaw
488 Hollywood Drive
Saline, Michigan

Age 16, died Tuesday, September 11, 1984, at the University Hospital as a result of an automobile accident. He was born September 19, 1967, in Saline, the son of Kenneth D. and Janet Walter Brokaw. He had been a Saline area resident all of his life. Jeff was a senior at the Saline High School, a member of the school's wrestling team and a member of the Saline Police Cadets. Survivors include: his

parents, Mr. and Mrs. Kenneth D. Brokaw of Saline; one brother Brian; two sisters, Dawn and Kendra, all at home; a nephew Erik, also of Saline; his maternal grandparents, Mr. and Mrs. Homer Walter of Manchester and his paternal grandmother, Mrs. Dorothy Brokaw of Saline. Several aunts, uncles and cousins also survive. Cremation has taken place. Memorial services will be held Friday, September 14 at 11 a.m. from the Robinson-Bahnmler Funeral Home with the Rev. Ron Zehnder officiating. Burial of the remains will take place at Oakwood Cemetery immediately following the memorial services. The family will receive friends at the Robinson-Bahnmler Funeral Home Thursday, September 13 from 2-4 and 7-9 p.m. In lieu of flowers, memorial contributions may be made to the Survival Flight Gift Fund. Envelopes will be available at the funeral home.

OBITUARY

Mrs. Ina Ayers
Corvallis, Oregon

Age 71 years, a former Manchester resident, died Monday, September 17, 1984 in Corvallis.

She was born April 27, 1913 in Cushing, Oklahoma. She was married to Lee Roy Ayers. He preceded her in death on December 25, 1964.

Mrs. Ayers is survived by one son, Terrance Ayers, of Bloomington, Illinois; two daughters, Mrs. Kay Elkins of Oakland, California and Mrs. Martha Stewart of Corvallis, Oregon; 7 grandchildren; 2 great-grandchildren; 1 brother and 4

sisters. Memorial contributions may be made to the American Cancer Society.

Funeral arrangements are pending at the Jenter Funeral Home.

Farm Prices Continue Decline

The Index of Prices Received by Michigan farmers for all farm products was 133 percent of its 1977 base for the month ending August 15. This represents a 4 percent decline from July, according to the Federal/State Michigan Agricultural Reporting Service. Despite this month's decline, farm commodity prices remain 2 percent above a year ago. The Index of Prices Paid by Farmers, Nationwide, for commodities and services, interest, taxed, and farm wage rates for August was 165 percent of its 1977 base. This was unchanged from July but 3 percent above a year earlier. Index increases from July to August of this year for family living items and feeder livestock were offset by decreases for feed and fuel.

Overall, crop prices dropped 5 percent from a month ago and livestock prices declined 1 percent. Price levels were down for most commodities included in the monthly index. Winter wheat, dry beans, and hay showed no price change. Milk was the only commodity that showed a price increase during the month. Price declines were noted in corn, oats, soybeans, steers & heifers, cows, calves, hogs and eggs.

Nationally, the August All Farm Products Index of Prices Received by Farmers was unchanged from July at 144 percent of its 1977 average. The index was 4 percent above a year ago. Higher prices for oranges, lettuce, tomatoes, milk and tobacco were offset by lower prices for cattle, corn, soybeans, broilers and hogs.

State Traffic Fatality Count Down Over Holiday

The Michigan State Police credited increased safety awareness generated by Operation CARE and other safety programs with holding the state traffic fatality count to 16 this Labor Day weekend.

Operation CARE provided 3298 hours of increased patrols, according to Col. Gerald L. Hough, department director. Troopers issued 9905 traffic citations and arrested 237 drunk drivers. Specially equipped patrol cars using VASCAR enforced the speed limit along I-94 in southwestern Michigan as part of a special project to reduce speed trends.

Not all motorists who were stopped received tickets. Many were rewarded for wearing safety belts as part of a special Operation CARE promotion. Troopers stopped more than 500 motorists and presented them with a gift certificate provided by Bill Knapp's restaurant chain. Assistance was also provided to 2167 motorists on Michigan highways.

Operation CARE safety breaks staffed by 45 volunteer organizations at 59 rest areas throughout the state were heavily used by holiday motorists.

The 16 deaths were the result of two one-vehicle, four two-vehicle, and five pedestrian accidents. Motorcycles were involved in one and bicycles in two accidents.

Volunteers Sought

Planned Parenthood of Mid-Michigan seeks volunteers to work in its new Bookstore/Specialty Shop scheduled to open this Fall in their new facility. The Shop is a service-oriented project and will provide learning and retail experience for those interested in becoming part of a growing reproductive health resource center. Shifts are available late morning, afternoon, and evening. Orientation and training will be provided for all volunteers. For further information, please call 996-4000.

Michigan Identified As Key Farm Vote State

American Farm Bureau Federation political analyst Richard Neubauer says the presidential election could very well be decided in the midwest and south, where the farm vote could make the difference. Among the key states in the presidential election are Michigan, Ohio, Illinois, Iowa, Minnesota, Texas, Florida and Virginia, he said.

According to Neubauer, farmers could have a much greater impact on the outcome of the 1984 elections than might be expected of a group composed of only about 2% of the nation's population.

Manchester Cooperative Preschool Begins 20th Year

Teacher Karen Meyer (left) and Sue DuRussel help four-year-olds Justin Turk, Sarah Gould, Tracey Staples and Eric Flint put feathers on "Big Bird."

Sarah Gould enjoys snacktime.

Seventy of Manchester's youngest students started the school year right along with their older brothers and sisters this month as Manchester Cooperative Preschool opened its doors for the twentieth consecutive year.

The idea for the school began in 1963 when a small group of Manchester mothers decided they wanted a preschool program here for their own children. Classes first began in January of 1964 with a total membership of just five children.

Now enrollment averages around seventy children, who attend one of five classes for two and one-half to four-year-olds held in the Emanuel Church basement. The school employs two certified teachers—Mrs. Karen Meyer and Mrs. Eloise Kenner. A scholarship program is available for families who are unable to meet the tuition fee.

A cooperative preschool can't be successful without parents willing to volunteer time and effort to keep outside costs down. Parents work as teacher's assistants once or twice each month, bring snacks, do laundry, prepare educational materials, buy supplies—even clean the nursery fish tank.

All classes for the 1984-85 academic year are full now, but anyone with general questions about the program can call Sara Laskowski, President of Manchester Cooperative Preschool at 428-7355.

Michael Eversole spends some quite time with the pegboard.

Teacher Karen Meyer and Eric Flint work on a cut-and-paste project.

Victory Church Receives New Pastor

Pastor Barry Cantrell, his wife Denise, and their children Stacie and Annie.

Barry Cantrell has been named Pastor of the Victory Baptist Church of Manchester.

Born and raised in the Flint area, Barry attended Durand High School, Lansing Community College, Grand Rapids Baptist College and Grand Rapids School of Bible and Music as well as serving in the U.S. Navy.

His wife Denise was born in Onaway, raised in the Flint area, attended Byron High School and Grand Rapids Baptist College.

They have two children, Annie, age seven and Stacie, age four. They are Home Missionaries under Galilean Baptist Missions which is part of the General Association of Regular Baptist Churches.

Pastor Cantrell pleased the Lord through the members of Victory Baptist Church who has chosen him to serve here. His primary job is to share the Fundamental Truth of Jesus

Christ. His goal is to make Victory Baptist Church a strong Fundamental Baptist Church serving Jesus through Fundamental Faith and Living.

Cub Scout School Night Change

Due to a scheduling conflict with the Middle School, Pack 421's School Night For Scouting has been changed to September 27, 7:00-8:30 p.m., in the Middle School Gymnasium. This is for present Cubs and those 3rd, 4th, and 5th graders who wish to join.

Tiger Cubs

Second grade boys and their parents who wish to join a Tiger Cub group can do so Wednesday, September 26, 6:30 - 7:30 p.m. in the Klager School Gymnasium. Tiger Cub Coordinator is Ernie Reese.

Manchester Township Board

PROPOSED SYNOPSIS

Proposed synopsis of the Manchester Township Board meeting held on September 10, 1984, at 8:00 p.m. at the Township Hall. Meeting opened with the pledge of allegiance with Board members Fielder, Lentz, Burch and Macomber in attendance - also five others. Absent: Trustee Widmayer.

Approved various minutes as submitted.

Monies disbursed since last meeting presented. Treasurer reported \$35,046.83 General and Federal Revenue Sharing Funds.

Approved General Fund bills of \$2,931.28 and Federal Revenue Sharing bills for \$5,456.60. Enter Keith Johnson.

Approved transfer of pump from '54 truck to tanker by Koebe Welding, price not to exceed \$750.

Fire hall doors, maintenance agreement for Fire Department radios, fire alarm and Library discussed.

Permission granted for Fire Chief Scully to order two coats. Approved payment of \$250 maximum for firemen EMT training to be paid at completion and no more than 4 firemen per year.

Approved payment to Manchester Township Library of \$150 toward the fire alarm. Petty cash report given.

Approved contract for maintenance agreement with University Office Equipment for the copy machine and IBM typewriter.

Correspondence presented. Accepted Supervisor recommendation and appointed Anne Smith to the Manchester Township Planning Commission to fill the vacancy created by the resignation of Patricia Carlton - term expires May, 1987.

Numerous announcements made. Trial of Manchester Township v.

Michael Lowery is over - verdict will be received in 90 days. Approved tax levy for 1984 for 1.16 mills.

Approved Larry Fillyaw as a fireman as recommended by Chief Scully, contingent on favorable physical report.

Constable Moore to put public awareness notice in paper regarding danger of off-road vehicles using public roads.

Township has received summons from Brian and Patricia Ewald re: Moratorium at Park Heights subdivision.

Meeting adjourned at 9:30 p.m.

Submitted by Wilma E. Lentz, Clerk and Approved by Clarence L. Fielder, Supervisor

U.S. Airforce ROTC Field Training Completed

Joel W. Petterle, son of Robert D. Petterle of 15827 McGuire, Taylor, Michigan, and Annastacia H. Bailey of 11004 Wampplers Lake Road, Brooklyn, Michigan, has completed a U.S. Air Force ROTC field training encampment at Plattsburgh Air Force Base, New York.

Field training, attended by cadets normally between their second and third year of college, gives an opportunity to evaluate each student's potential as an officer, according to an Air Force spokesman.

The summer's curriculum consists of orientations on jet aircraft, career opportunities, human relations education and equal opportunity training. Physical fitness and survival training is also emphasized.

The field training is four weeks, but cadets in the two-year ROTC program receive an additional two weeks of instruction in the development of air power and the contemporary Air Force.

Petterle is a student at Michigan State University, East Lansing.

DIAL -A- GARDEN

4-H'ers Compete In Standardbred Show

Seventeen Michigan 4-H horse project members competed in the fifth annual Michigan 4-H Standardbred Horse Production Project Show August 26 in Adrian.

The show was the last of a number of events planned to help Michigan 4-H members participating in the Michigan Standardbred Production Project to develop a greater understanding of the Michigan harness horse industry.

Three 4-H'ers - Tracy Smith of Livingston County, Greg Hilyard of Clare County and Ann Randolph of Oakland County - took top honors in the fitting and showmanship and conformation judging classes and earned all expense-paid trips to Toronto November 15-18. They will attend the Royal Agricultural Fair and Royal Horse Show, visit various historic and cultural sites and return to Michigan by way of Niagara Falls.

Other top winners in the fitting and showmanship division were Kristy Isley, of Lenawee County; Gina Gaskill, Huron; Kim Vanderkelen, Montcalm; and Sara Schut, Cass. Conformation judging class winners included Sue Clemens, of Ogemaw County; Tracy Smith, Livingston; Christine Karnes, Macomb; Kristy Isley, Lenawee; and Sara Schut, Cass.

Other 4-H'ers participating in this year's program were: Diana Bitler, of Mecosta County; Lisa Buono, Washtenaw; Sandy Haas, Arenac; Elizabeth Herring, Wayne; Anne Jagielo, Missaukee; Lisa Maile, Oakland; Brenda Schneeberger, Clinton; and Johanna Steiner, Barry.

4-H members involved in the production program are given weaning Standardbred foals to raise for one year. During the year the 4-H'ers attend a number of workshops, including a trip to a breeding farm, a session at a large racetrack, a training and driving day, a county fair racing program, and programs on health, feeding and careers. The 4-H members also keep detailed records on their horses' growth and development, as well as detailed expense

records. At the end of the program, members take their yearlings to a special show so that judges and prospective buyers can evaluate the horses' condition and training and potential as winning harness horses.

The yearlings are sold at an auction and 4-H members receive one-third of the selling price plus expenses. The breeder who donated the horse to the program receives the remainder.

Smith's yearling, donated to the program by Donald Price of Williamston, sold for \$8,000, which was the highest price received by any of the

participants in the project. Hilyard's and Jagielo's yearlings, donated by Shiawassee Farms, Inc., of Durand, brought \$5,700 and \$5,500, respectively, the second and third highest prices received.

Selling prices for this year's horses ranged from \$1,000 to \$8,000 and averaged \$3,281.

The Michigan Standardbred Horse Production Project is jointly sponsored by the Michigan Harness Horseman's Association, the Michigan Standardbred Breeder's Association and Michigan Cooperative Extension Service.

7th and 8th Grade Girls Basketball

On Monday, September 17th, the Dutch traveled to Dexter for their opening game of the season. After falling behind 12 to 4 in the first quarter the Dutch fought back outscoring their hosts 11 to 2 in the second quarter to lead 15 to 14 at the half.

Manchester started the second half slow and soon found themselves down by five points. An evenly matched fourth quarter kept the margin at five, with the final score 30 to 25 in favor of Dexter.

Leading scorer for the Dutch was Lynn Marshall with 14 points.

The Manchester 8th grade girls notched their first victory of the 1984 basketball season by defeating Dexter 15-12. A sluggish offense and very few fouls kept the score low. A Dutch press caused several turnovers that preserved a first half 6-5 lead. Sarah Corwin was high scorer with 7, while Tracy Stengel's defensive performance in the 2nd quarter helped hold Dexter scoreless. A strong bench effort resulted in a hard earned victory for the Dutch.
