A Communication

Manchester Enterprise
November 7, 1987

We Can't please everyone and don't expect to. But we shall aim to please one, and hope to be able to please more. The following communication explains itself. The writer has his say, just whether or not we profit by the advice given, time will determine.-(Ed.)

Manchester, Nov. 5th, 1987.

Mr. Editor.—Dont you think you need a little advice about editing your paper? You undoubtedly mean well and desire to please, and it is presumed that your errors are of the head and not of the heart. But, the fact is we are a very peculiar people, and require a very peculiar paper to suit our tastes. Why? Simply because our tastes are peculiar. Why are they so peculiar, and in what respect, you will learn as you read on.

You Mr. Editor, are a stranger in this town. As yet you have not had either time or opportunity to

School Budget Tightest In Five Years

The Manchester Board of Education recently took action to amend the budget for the current school year. As amended, the budget calls for a fund balance of one tenth of one percent, or about \$3,500.

Superintendent of Schools, Gene Thompson, called the budget, "The tightest I have proposed in the five years of my administration in Manchester." Increased labor costs and the costs associated with increasing graduation requirements are noted as two of the significant items in the 1984-85 budget. Energy savings realized as a result of the recent renovation work enabled the balancing of the budget.

"Having a tenth of one percent balance is equivalent to managing a \$20,000 income household with one dollar sixty seven cents left each month to meet unforeseen expenses", said Thompson. "We are very nervous about this entire situation but felt that it was preferable to reducing the educational program we are currently offering. It is my opinion, and that of the Board, that the Manchester Community feels that we should include items such as increased graduation requirements, computer opportunities and other unique learning situations."

Preparation of the 1985-86 budget has begun. It is the goal of the administration to present budget decisions to the Board at the regular February meeting in order to allow maximum time for decisions.

become acquainted with the people of this thriving village. Undoubtedly you would get along very well conducting a paper in Jackson or Tecumseh, but you will find that it requires more and a different kind of talent to conduct a paper here.

It is for the purpose of posting you in relation to your duties as Editor, and our wants as patrons, that induces me to write you this communication.

Of course if we pay our money we expect to get just such a paper as pleases us—not a word printed or thought uttered that can displease, or be offensive to our refined taste; and we are to judge for ourselves and not you for us. And, as soon as an article appears containing anything we object to, we shall take the privilege of giving you a "Blowing up" or a knocking down, or send in a polite request to have the paper stopped, or all three.

First, in regard to what we expect of you. We expect you will give every business man, and every kind of business a puff—that is, every man who takes your paper and advertises his wares or goods in it. Speak especially of our citizens, of the eloquence and piety of our ministers, of the ability and honesty of our lawyers, of the skill and wisdom of our physicians, the truthfulness and politeness of our merchants, the affability and attention of our landlords, of the genius and industry of our mechanics, of the beauty and grace of our young ladies, of the morality and intelligence of our young men, of the modesty and merit of our young boys and girls, of the flourishing condition of our churches, schools, literary, social and secret societies, also, of our billiard, whiskey and lager beer saloons. Be sure to say everything that can be said in praise of our town—of its past glory, its present beauty and its future greatness. Of the inhabitants—their enterprise, wealth, wit and wisdom. Do this, and the Enterprise will prove a success. Fortune and fame will be yours. continued on page 3

National Honor Society Blood Drive

The Manchester Chapter of the National Honor Society will host its annual Red Cross Blood Drive on Monday, February 4, from 10 a.m. to 4 p.m. in the high school media center. Though the drive is primarily trying to reach high school seniors, community members who are not planning on giving during the next community drive are welcome to stop in and support the student effort. If you would like to donate blood, please call advisor Ms. Hauke at 428-7383 to schedule a convenient time.

Chelsea Begins Adolescent And Family Substance Abuse Group

Chelsea Community Hospital will begin offering outpatient substance abuse groups for adolescents and their parents through the Psychiatric and Substance Abuse Clinic. The two groups are both therapeutic and informational, and will run simultaneously with adolescents in one and parents in the other. They will be held on Monday Evenings beginning January 28, from 5:30 p.m. to 7:00 p.m. at Chelsea Community Hospital.

The groups will be conducted by trained therapists from the Psychiatric and Substance Abuse Clinic. A free evaluation is offered to all interested families to determine if participation in the group would be helpful for them.

For more information about the groups or to register for an evaluation call 475-1311 ext. 380. Group fees are covered by most insurances. The Psychiatric and Substance Abuse Clinic is Blue Cross/Blue shield approved and JCAH accredited.

Watch out for Robots we are warned—"Modern robots on the production line can't distinguish a piece of metal from a man," scientists of the Swedish Institute for Engineering Research told the newspaper, DAGENS NYLETER.

Mats Linger and Hans Sjoestrom say industrial robots are dangerous and urge the development of advanced safety devices to prevent workers from being hurt.

Mr. Linger says robots represent a greater occupational hazard than other machinery. Some form of device is needed to make the robot sense when a worker approaches, the two scientists say.

"Robots can approach you from behind, throw things at you and it is often difficult to find the stop button when an accident happens," Mr. Linger was quoted as saying.

We are almost compelled to share with you a definition that we heard on radio the other night. The announcer defined an optimist as a man aged 80 who was certainly an optimist when he married a 25 year old gal and then bought a home a couple of doors from an elementary school.

A sixth grade class in a nearby continued on page 8

Academic Games Begin

Pictured left to right are Dick Parson, Sheryl Hall, Kathy Shick, Jay Hopfensperger, Leonard Hastings and John Korican.

For the second straight year Manchester High School will be participating in the Cascades Conference Academic Games. Students are selected for teams to represent Manchester High School in the areas of Mathematics, Science, English, Social Studies, and Business. Coaches for the Manchester High School teams are Jay Hopfensperger (mathematics), Kathy Shick (science), Leonard Hastings (English), John Korican (social studies), and Sheryl Hall (business). There are three separate business teams, one each in bookkeeping, shorthand, and typing. High school guidance counselor Dick Parson is the

coordinator of the program. The eleven schools in the Cascades Conference will be participating in a single elimination tournament at Jackson Community College on March 22, 1985. Trophies and medals will be awarded to the winning teams. By participating in the games students are given the opportunity to compete and interact with students from other conference schools in their chosen subject area. The Manchester coaches are beginning the process of forming their teams of five members each. All students in the high school who are interested should contact any of the coaches and sign up in the main office.

ARBOR Society Successful In Saving Bur Oak

On Sunday afternoon, January 27, members of the ARBOR Society met in the old blacksmith shop located on Main Street in Manchester. Reports were given concerning how the Society was able to succeed not only in the saving of the ancient oak tree, but also in influencing the attitude of the road commission regarding Michigan's beautiful tree-lined roads.

Most of the meeting was spent discussing fund-raising ideas to pay off the one-thousand dollars worth of expenses incurred during the campaign. It was decided that a newsletter would be mailed to everyone that expressed an interest in the tree. The group also decided to ask a professional artist to do a pencil sketch of the tree, which will be sent in appreciation to anyone who makes a contribution. In addition, The Manchester Historical Society volunteered to

keep in its permanent records a list of the names of anyone who makes a contribution to help save the tree. It was also suggested that perhaps the Society could sell Bur Oak seedlings or have an old-fashioned community social to help retire its debt.

The ARBOR Society is asking for donations from everyone in Manchester Township who loves nature and is interested in preserving this part of our heritage. Donations may be sent to The ARBOR Society, c/o Loring Ebersole, 19825 Sharon Valley Road, Manchester, Michigan, 48158.

Hot Dog Roast At Skating Rink

There will be a Hot Dog roast at the Ice Skating Rink, on Friday, February 15, at 7:00 p.m. This event will be sponsored by the Village of Manchester.

Students Make Dean's Lists

Kathryn Miller, daughter of Mr. and Mrs. Robert Miller, 10955 Hieber Road, Manchester, is named to the Dean's List of Hope College for the first semester of the 1984-85 school year. To be named to the Dean's List a student must have a minimum 3.5 grade point average on a 4.0 scale.

Carol Kidd of Manchester has received recognition for her Academic achievement during the fall term at Davenport College, Lansing Branch. In order for a student to be eligible for the Dean's List, a grade point average of 3.0 to 3.49 is required.

One hundred fifty-six Adrian College students were named to the Dean's List for the 1984-85 first semester. To achieve this honor, a student must maintain a 3.50 grade point average (4.0 = A) on the basis of at least 12 credit hours.

Manchester area students include Vivien Townsend, of 321 W. Main Street, and Lori Voogding of 14555 Bethel Church Road.

Central Michigan University announces honors students for the fall semester. Included in the list is Nicholas Krzyzaniak of 12600 East Austin Road, Manchester. Honors students are

chosen from the top 10 percent of each academic class. In addition, to qualify for honors, a student must complete 12 or more letter-graded hours of on-campus credit during the semester and have a grade point average of no lower than 3.50 (out of 4.0 possible).

Conservation District Announces Annual Meeting

William Fishbeck, Chairman of the Washtenaw County Soil Conservation District announces the 38th District Annual Meeting to be held Tuesday, February 5, 1985, 8:00 p.m. at the Pittsfield Union Grange Hall, 3337 Ann Arbor Saline Road, Ann Arbor. The featured speaker for the

meeting will be Dr. Clare Shelske, Research Limnologist with the Great Lakes Research Division of the Great Lakes and Marine Waters Center, The University of Michigan. Dr. Shelske will discuss the relationship between run-off water and the water quality of the great lakes.

An important event to be conducted at the meeting will be the election of one District Director to fill the expiring term

of Loren Heller who declined to run again. Candidates for the director position are Ermine Finkbeiner, Lodi Township; Jay Hopkins, Lyndon Township; and John Porter of Bridgewater Township. The candidate receiving the highest number of votes will be elected to a three-year term. All occupiers of land within Washtenaw County are eligible to vote in the director election.

Attention Comerica IRA holders: January IRA Bonus Days are almost over.

Make your IRA deposit this month and get a 1% bonus interest rate.

Here's good news for anyone who has previously deposited \$500 into a Comerica IRA. Make a new IRA deposit of \$500 or more this month and you'll get an interest rate that's 1% higher than our already high rates. And your deposit will earn this bonus rate until it matures in 18 months, 2 1/2, 3 1/2 or 5 years.

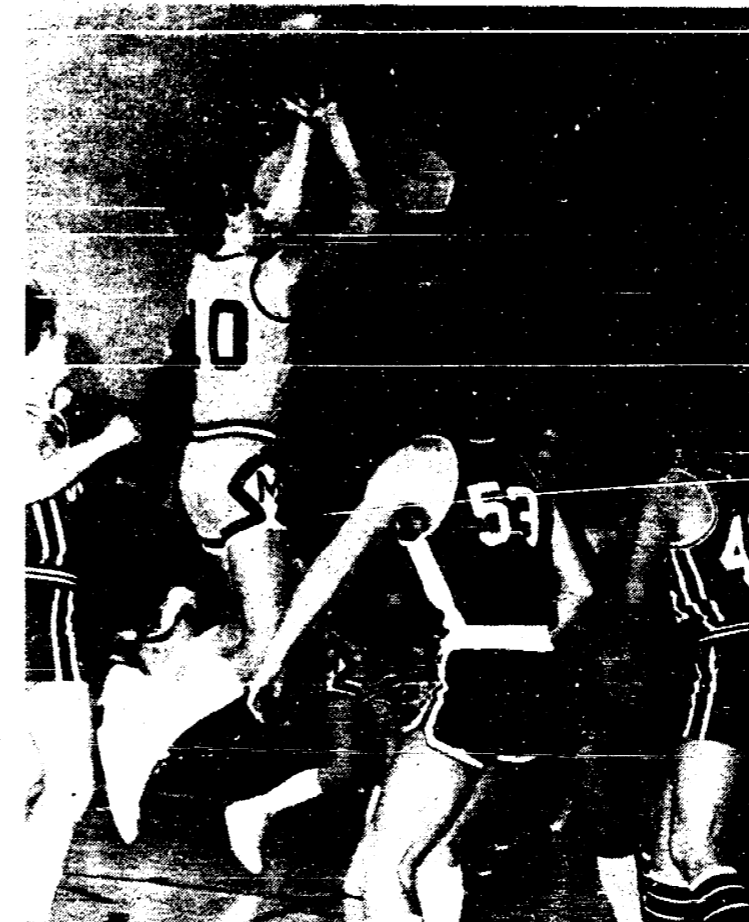

Even if you're not a current Comerica IRA depositor, you can still earn bonus interest rates. Deposits made by new IRA customers will still receive a bonus rate that's 3/4% higher than our already high rates.

But act now. The 1% and 3/4% bonus rates are only offered through the end of January. So visit Comerica soon and take advantage of January IRA Bonus Days. For more information, call toll-free 1-800-292-1300.

There's a reason...
Comerica
BANK

One percent bonus interest not applicable towards Comerica IRA funds removed and redeposited. Terms may vary at Comerica Banks outside Metro Detroit. Substantial penalty and tax liabilities are imposed for withdrawals from Individual Retirement Accounts prior to age 59-1/2 except in cases of death or disability. Withdrawals must begin by age 70-1/2. Member FDIC.

Manchester Dutchmen Basketball

J.V. Action - Ron Clark Shoots.

Roundballers Smash
Clinton 72-56 by Jon

We came up with all the right ingredients and it led us to our first victory of 1985. We outscored the Redskins, hit a good percent of our freebies (12 for 22), and Pat Ridenour, Tom Lockridge along with Mike Agin canned for double figures.

We took the opening tip and never looked back. After 8 minutes on the court we held a 22-15 advantage. The second period saw us keep running and gunning to enter the intermission atop, 40-28. The Skins played us fairly even in the final two stanzas but we sailed to the 16 point win.

Pat was our high scorer as he blistered the net for 20 points. Tom came out with a big performance tonight as he drilled in 5 field goals and 4 of 5 free throws to total 14. Mike also aided by bombing in 12.

Our Little Dutch started off the night by downing Clinton 52-47.

The weather forced us to postpone Fridays contest with East Jackson. The make up date is February 9, Saturday, at Home.

On Friday, we meet Jackson Baptist. They don't have a basketball arena so the game will be at East Jackson. Then on Tuesday, February 5th we host Hanover Horton.

Change in Basketball Schedule

The basketball game postponed due to inclement weather last Friday, has been rescheduled for Saturday, February 9, 1985, at 6:00 p.m.

Also, the basketball game this Friday, February 1, 1985, with Jackson Baptist will be held at East Jackson High School. The Junior Varsity begins at 6:00 p.m.

Wrestling Report

On Tuesday, January 22, the wrestling team traveled to Clinton where they wrestled against both Clinton and Milan. Then on Thursday, Manchester hoisted Napoleon. The Dutch fell prey all three dual meets. Clinton won 56-14, Milan 60-12, Napoleon 48-16. Individual winners for the Dutch included: B.J. Lee pinning Chris Kuzara of Clinton and the decisioned Dave Reamer of Napoleon. Joey Deacons Decisioned Glen Fraley of Clinton. Steve Vieck won all three matches pinning Ken Hines of Milan and decisioned both Keith Rowles of Clinton and Terry Rossberg of Napoleon.

On Saturday, the team traveled to Napoleon and wrestled in their Invitational. Five of the eight wrestlers competing brought home medals. B.J. Lee placed 2nd, Bud Ball placed 4th, Joey Deacons wrestled well taking 4th, Steve Vieck took 3rd, and Hector Devulder placed 6th. The entire team wrestled better than they have all year. As their coach, I am very proud of them. I am seeing improvement from both experienced and first year wrestlers alike. Even those who didn't win but are closing in on more experienced wrestlers.

Manchester travels to Whitmore Lake on Thursday and next Tuesday they travel to Blissfield. Meet time at Whitmore, 7:00 and at Blissfield 7:30. On Thursday, the Dutch will host Michigan Center for the last home meet of the year. This will also be Parents Night. Meet time, 7:00.

Manchester Sportsman Club Annual Meeting
Manchester Sportsman Club will hold their annual meeting on January 31, 1985, at 8:00 p.m. This meeting is for members only.

Manchester School Superintendent Appointed To State Committee

Manchester School Superintendent Gene Thompson was recently appointed to the Conference Planning Committee of the Michigan Association of School Administrators. The conference which will be a joint effort with the Michigan Association of School Boards is scheduled to be held in October, 1986.

MASA meets twice annually for the purpose of providing school superintendents with the opportunity to stay abreast of the latest developments in public education. The Mid-Winter Conference recently concluded meetings in Dearborn.

Thompson commented regarding the recent meetings, "The opportunity to meet and discuss problems with other superintendents and state officers is invaluable. The emphasis of the recent conference was the development of cooperative programs. For school districts such as Manchester, cooperative programs are the key to the future. With rising costs and declining enrollments, small districts must constantly work to eliminate the duplication of efforts with neighboring districts. Based upon some of the ideas gathered at the conference, meetings are scheduled in the near future with other local superintendents."

In addition to his work with the state level MASA, Thompson also serves as Secretary-Treasurer of MASA Region VIII which covers Hillsdale, Jackson, Lenawee, Monroe and Washtenaw Counties. He was elected to this post along with Raymond VanHofer, Chelsea Superintendent, who serves as President of Region VIII.

1985 Weight Watchers 1985
BIG NEWS FOR YOU IN '85!
New, Improved **Quick Start Plan.**

Lose Weight Fast and Easier Than Ever Before!

Last year we introduced QUICK START and thousands of people lost weight 20% faster in the first two weeks. Now, our new, improved QUICK START plan makes losing weight FAST and EASIER than ever before!

HERE'S WHAT'S NEW: Every meeting has a special theme that will encourage you. A new 3-week QUICK START plan helps you lose weight fast and keep it off. New activities that will add "fun" and excitement to your life every week.

HERE'S WHAT'S IMPROVED: Delicious 7-day menu planners... a flexible full exchange food program and a lot more eating satisfaction.

Reach Your Goal Before You Know It.

Our new, improved QUICK START plan lets you enjoy so many delicious foods sensibly, it will actually make losing weight easy. And you'll have a new friend...your SCALE!

Your First Meeting Fee Is FREE!
ONLY PAY REGISTRATION FEE OF \$11.

Here's a sensational offer to help you discover what Weight Watchers can do for you. Come to any meeting listed here and pay NO MEETING FEE! Simply pay the one-time registration fee. Then, continue to come to Weight Watchers for a modest weekly meeting fee of \$6 until you reach your goal. We make losing weight easier and more fun than you ever thought possible. Come on, tip the scale in your favor for a change!

OFFER ENDS FEB. 9, 1985

If you can order from a menu in a restaurant, you can follow our delicious new menu planner.

This new, improved QUICK START plan is so simple that all you have to do is select your favorite foods from our tempting menu plan and presto... you're losing weight and enjoying every bite!

It may not be a miracle, but you'll think it is! We've helped millions of people lose millions of pounds...now you can join them and save money too!

MEETING SCHEDULE:
MANCHESTER EMANUEL UNITED CHURCH OF CHRIST
324 W. Main
Wed: 10 a.m.

Join Weight Watchers (800) 462-7466

NEW MEMBERS: PLEASE ARRIVE ONE HOUR BEFORE START OF MEETING FOR NEW PROGRAM ORIENTATION.

Board Of Education

Board of Education
Regular Meeting
Board Notes
January 21, 1985

The Manchester Board of Education met for its regular meeting on Monday, January 21, 1985, at 8:00 p.m. in the high school library.

Following approval of minutes, financial report, and bills payable the Board moved to discussion items. The Leadership Class presentation was cancelled due to severe weather problems.

Superintendent Thompson presented the results of the Michigan Educational Assessment Program tests. The data reports indicate that scores for students in grade 4 are about the same as last year. Grade 7 scores show signs of improving. However, Grade 10 scores show some signs of decline. The Board requested a report back from the administration within a month or two outlining plans to reverse these problems.

A proposal for an Agri-Business curriculum was presented to the Board. Mr. Gary Weidmayer and Mr. Mark Blumensner, FFA Sponsors, were also present for the discussion. Following a review of the proposal the Board took action to direct the administration to continue to work for implementation of the program with final approval being contingent upon acceptance of the 1985-86 budget.

Dates for the February and April Board Meetings were changed. The February regular meeting will be held on February 25, 1985, at 8:00 p.m. in the High School Library. The April meeting will be held on April 22, 1985, at 8:00 p.m. in the High School Library.

Action was taken to approve the hiring of Ms. Mary Knudsen, a graduate of Slippery Rock State Teacher's College, to replace Ms. Janie Pitt as a physical education teacher at the high school.

The 1985-86 calendar was approved by the Board. This calendar provides for students to begin school on September 3, 1985. A detailed copy of the calendar will be published extensively.

The Board approved Winter Coaching Positions.

Following a presentation by the Administration the Board took action to approve Academic Games, Computer Club, German Club, and Quiz Bowl as extra curricular activities. Sponsors for these activities will be compensated according to the Master Agreement between the Board and the WLEA/MEA. The total additional cost is approximately \$1,400.00.

The meeting adjourned at 9:00 p.m.

Manchester Women's League

The January meeting of the Manchester Women's League was held at 7:30 p.m. on Wednesday, January 9, 1985, in the home of Eloise Kemner.

It was reported that Margaret Goodrich, head librarian of the Manchester Township Library accepted a check from the Manchester Women's League on the library's behalf. This money will be used in the development of a future research room. The money for this donation was raised last summer through a raffle sponsored for this purpose.

Another report announcing the success of the purchase of Christmas gifts for an anonymous needy family in our community during Christmastime was presented. There were items purchased for each member of the family. The gifts were greatly appreciated.

Tentatively the next project will be a bake sale scheduled for Saturday, February 9, 1985. Committees were formed to work on the publicity, arrangements, scheduling and pricing for the

Bake Sale.

Debbie Engelbert will be the hostess for the next meeting of the Manchester Women's League. It will be held at 7:30 p.m. Wednesday, February 13, 1985.

The Manchester Women's League was formed for the purpose of promoting and servicing the community and it's people. Anyone interested in meeting these goals for our community is welcome to join. The meetings are held the second Wednesday of each month. If you have any further questions please call Joyce Scott at 428-8198.

Shakespeare Reading Club

Nine members of the Shakespeare Reading Club met at the home of Mrs. Floyd Parr on Tuesday, January 22. Mrs. Parr presented the topic of the day, Stone Mountain, Georgia.

This great outcropping of granite is one mile wide by two miles long, can be seen thirty miles away, and is estimated to be seven and one half billion cubic feet in mass. The concept of a memorial monument was begun by the United Daughters of the Confederacy in 1915, hoping to have a carving of General Robert E. Lee made on the face of the mountain. It was finally completed in 1970 and includes not only General Lee's likeness, but also those of Jefferson Davis and Stonewall Jackson. Gutzon Borglum, the designer of Mt. Rushmore, contributed plans for the monument which measures ninety by one hundred ninety feet on the face of the mountain. The magnitude of the carvings can be imagined when one is told that six men can stand in the mouth of one of the horses and thirty people can stand on the shoulder of Stonewall Jackson. The monument is a part of a

three thousand, two hundred acre Georgia State Park. The park also includes lakes, beaches, golf courses, campgrounds, museums, and a chair lift to the top of the mountain.

The next meeting of the Club will be on February 5, at the home of Mrs. Jesse Walker. Mrs. Marvin Kirk will present a biography of Thomas Jefferson.

20th Century Club

At the January Twentieth Century Club meeting, the members were treated to an insight into life in Tehran by Mrs. Janice Little. Finding up-to-date information difficult to locate, she was still able to present an interesting picture through maps, photos and books. The round table discussion meeting was held at the home of Mrs. Berdella Alber, with Mrs. Liz Grossman serving as co-hostess.

Members are asked to take note of the following changes in the year book. The next meeting will be held at the home of Mrs. Joan Alber on Tuesday, February 12. The "Cities in the Sand" discussion of Dariusness will be presented at this meeting.

Aid Association For Lutherans To Sponsor Dinner

Aid Association for Lutherans, Branch 4011, is sponsoring a Roast Beef Dinner. Proceeds from this dinner will go towards our fund drive to benefit Bill Haussler, a farmer who was paralyzed in a farm accident.

The dinner will be on Wednesday, February 13, 1985, from 5:00 to 7:30 p.m. It will be at the Freedom Town Hall, Pleasant Lake Road, Manchester.

Tickets in advance are: adults \$4.50, children 11-5 \$1.50, under 5 are free. Tickets at the door will be: adults \$5.00, 11-5 \$2.00, under 5 are free. Tickets can be purchased in advance by calling Sharon at 662-8978, Lesia at 665-7447 or Neil at 665-9073.

Rogers Corners Farm Bureau

The Rogers Corner Farm Bureau will meet at 8:00 p.m. Friday, February 8, at Mr. and Mrs. Neil Stierle's home.

Fifth Grade V.I.P. Winners

Four fifth graders were honored recently by their classmates and teachers for exceptional effort and for displaying positive peer relationships. Pictured are Ryan Macomber, Dan Matson and Jeff Hughes. Not pictured - Patrick Walz.

Soils Workshop

A soils workshop will be held from 7:00 to 10:00 p.m. on Monday, February 11, at the Beach Middle School on Mayer Drive in Chelsea. The program, being co-sponsored by Organic Growers of Southeast Michigan, Soil Conservation Service and Cooperative Extension Service is open to the general public.

Mr. Jerry Fischer of the Soil Conservation Service will discuss soil structure and conditioning. Bobbi Lawrence, Washtenaw County Horticultural Agent will discuss plant nutrients and teach participants how to determine proper fertilizer rates based on soil test results. Participants will learn how to work with both natural organic and synthetic fertilizers and soil amendments.

Washtenaw County Historical Society Meeting

Everitt "Abe" Lincoln of Albion, a collector of old radios, will talk about early radio sets including those made in Ann Arbor at the Washtenaw County Historical Society meeting at 2:30 p.m. Sunday, February 10.

He will also display a mini-museum of early sets, some actually playing, at the meeting at the Ann Arbor American Legion, 1035 South Main. It is open to the public free of charge. Refreshments will be served.

Lincoln, 66, is a retired farmer and state legislator, who says he has been interested in radios since he was eight years old. He served in the Signal Corps in World War II and the Korean War.

Fifth Graders Study Colonial Times

The boys also participated as shown by John Ward, Stephen Haussler, Lance Fielder, Jim Buono, Gary Beard, Cary St. Charles, Jason Wood and Larry Imier.

Pictured in costume are Suzanne Gero, Linda Devalder, April Barotti, Sharon Holzhofer and Amanda Alstrom.

Fifth grade students in Mr. Boyce's and Mrs. Hayward's Social Studies class dressed up as colonial boys and girls on Monday, January 28. They have been studying the colonies and will soon be learning about the American Revolution. Boys clothing includes knee-length trousers with long stockings, three-corned hats, vests, and long-sleeved shirts. Girls wore shawls, aprons, long dresses, and dark-colored shoes. "Wealthy colonists" wore clothing made with fine and expensive materials imported from Europe. "Slaves" were dressed in hand-me-downs that once belonged to their masters.

school not so long ago wrote letters on peace and freedom and sent them to people in positions high enough to effect changes. Sixteen of the students wrote letters to Yuri Andropov, President of the Soviet Union. A few days later his death was announced. A week later the envelope in which these letters had been mailed was returned stamped "More postage needed to Forward". It didn't say where it would be forwarded to.

Fran Heitz, wife of a TV anchorman at Toledo reports that she attended a church service in Ann Arbor recently. The pastor gathered the children in the congregation about him. Using a calculator for illustration, he began explaining the relationship between sins and heaven. Much to the dismay of the children, the pastor informed them that the number of sins allowed for entrance to heaven was zero. Then the pastor added, "Let's pretend you have committed five sins a day each day of your life, times the number of children present, times an average age, say of five years." The pastor

was punching away at his calculator and soon reached a disturbingly large number of sins. "What do you think we should do about this situation?" the pastor asked. After a silence among the children, one bright youngster piped up, "Repent!"

A bird loving friend of ours reports that Starlings may not have the intelligence to go south for the winter, but they put on quite a show while eating bread that is put out for them. "We thought they only had one leg until we noticed they were actually putting one under their feathers to warm it, then changing feet when the other got cold. We figured they had the snow and cold mastered with their maneuver," she says.

One small school of practitioners believes groaning tunes up the cardiovascular system to stave off strokes and heart attacks. They groan daily. For the vibrations. These are supposed to relieve tensions. A mentor to them, Dr. Louis M.

Savary, is quoted as offering only the advice to "groan in private."

Christmas is when our kids tell Santa what they want, and we pay for it. Inflation is what we tell the Government when we want, and our kids pay for it.

Friends Of The Matthaei Botanical Gardens

The Friends of the Matthaei Botanical Gardens will hold their monthly Lobby Sale on Saturday, February 2 and Sunday, February 3, 1985, from 10 a.m. to 4 p.m. at the Gardens, 1800 Dixboro Road, Ann Arbor. Items at the sale will be plants for the home, baskets, decorated trays, stationery and handmade pressed flower cards. Come to the Gardens and tour the Conservatory or walk on the outdoor trails. Winter nature is beautiful. Then shop at the Lobby Sale. The outdoor trails and lobby exhibit are free. There is a fee of \$1.00 for the Conservatory.

The interesting and educational lobby exhibit for the month of February will be Poisonous Plants. There will be a display of live materials, posters, and photos

of plants which are dangerous if eaten or touched. Doents who have had extensive training are at the Gardens for guided tours during the week. Please call the Gardens (313) 764-1168 for reservations. The Garden grounds are open from 8 a.m. to sunset. The inside exhibits are open from 10 a.m. to 4:30 p.m. seven days a week.

There will be a general meeting of the Friends of the Matthaei Botanical Gardens on Sunday, February 10, 1985, at 8:00 p.m. in the Auditorium. Join the Friends as we travel "From Prairies to Plovers" with Sue Cristin of Michigan National Features Inventory in Lansing. Her duties include traveling throughout the state identifying endangered species or natural features that are worth saving. The meeting is at the Gardens, 1800 Dixboro Road, Ann Arbor. Refreshments will be served following the meeting.

Sell It Thru The Want Ads

Message From Representative O'Connor

My Response To Governor Blanchard's State of State Message

The economy has improved because of federal policies not because of anything the state has done. Interest rates are down, inflation is down to four percent, and the Gross National Product is up to 6.5.

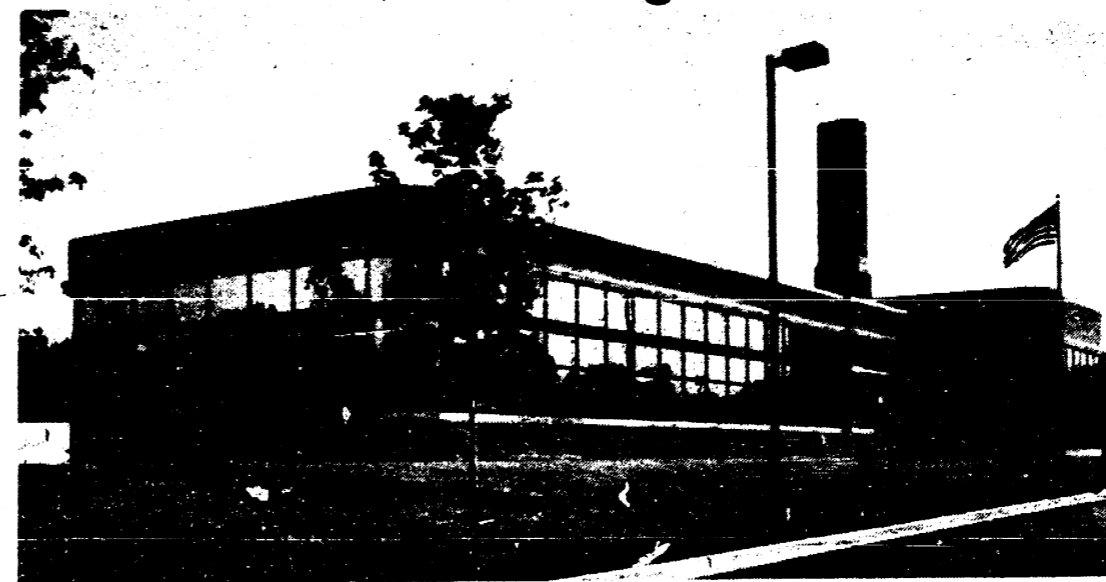

The Governor spoke again of a zero increase in the budget, and implies that the budget has not increased since his term began, but the total budget for the past two years has increased from \$10,650,283,354 (FY83) to \$12,363,905,921 (FY85). There have been few attempts to cut spending by the Legislature nor by the Governor.

The one shot \$65 million property tax relief plan proposed by the Governor will give a small rebate to a few people.

Why not give everyone tax relief by rolling back the income tax rate to 4.6?

Margaret O'Connor
52nd District Representative

Hoover Universal's Manchester Building Wins Award

Hoover Universal's Plastics Machinery Division Headquarters renovation project, Manchester, has received a prestigious "M Award" for excellence in masonry design from the Masonry Institute of Michigan.

Honored at a recent awards banquet was the building's owner, Hoover Universal.

The building was selected for the award by a jury of prominent St. Louis Missouri architects.

"This skillful reuse of an existing power station into a delightful office building demonstrates the timeless quality of a good masonry structure. They were fortunate to begin with a nicely proportioned building, with a beautiful Chicago common brick and nice details on a splendid site. Here the trick was to modify the building in such a discreet way that the original would be enhanced, not overwhelmed, and this the architects did to produce an ingenious 'new' building."

The exterior face of the building is Chicago-style brick, laid in a Flemish Bond pattern with horizontal limestone banding. The Masonry Institute of Michigan is the educational, technical and promotional arm of Michigan's masonry industry. Masonry includes brick, concrete block, stone, glass block and other hand-laid materials.

Conservation District Offers Seedlings

The Washtenaw County Soil Conservation District announces its annual tree and shrub sale for 1985. Orders for planting stock will be accepted until April 8, 1985, on a first-come, first-served basis. Seedlings will tentatively be distributed on Saturday, April 20, 1985, at the Washtenaw County Road Commission garage. Planting stock available this

spring includes: Austrian Pine, Red Pine, White Pine, Norway Spruce, White Spruce, Colorado Blue Spruce, Douglas Fir, Black Walnut, Tulip Poplar, Red Oak, White Oak, White Ash, Silky Dogwood Shrubs and Emerald Crownvetch seed. Wildlife Packets, an assortment of 50 evergreen and hardwood trees and shrubs for wildlife habitat

plantings will also be offered. Tree planting bars, a sturdy tool for the convenient and fast planting of tree and shrub seedlings by hand will also be available as a special item this year. Prices are reasonable for all the tree and shrub seedlings which are two years old and range in size from three to eight inches. The purpose of the District's tree program is to assist landowners in obtaining planting stock at low cost for reforestation, windbreaks, erosion control and wildlife habitat improvement. Order forms containing information on the available species, site preferences, uses and prices can be obtained from the Soil Conservation District Office. For more information on the tree program or to obtain an order form for tree and shrub seedlings, contact the Washtenaw County Soil Conservation District at 6101 Jackson Road, Ann Arbor, Michigan 48108-9598. Telephone: 318-761-6721.

A Communication

smile upon you. Having mentioned subjects that you must treat upon, I will merely hint at a few you had better say nothing about. Keep out all disagreeable, exciting and unpopular topics. Avoid especially committing yourself upon any subject upon which their can possibly be any difference of opinion. Let "neutral in everything, independent in nothing," be your watchword and motto. Eschew politics. Touch very lightly on morality and religion.-If possible have nothing to say about either. Speak of vice in general terms, or in such a vague and indefinite manner that no one will know what you mean, or, if you pounce upon a man let it be some poor scamp who has neither reputation, money or friends. It is well enough to say something occasionally of the vices of the inhabitants of the soddum; but don't as you value your "bread and butter" say anything about the vices of the city of Manchester.

And now while upon this subject allow me freely (of course I can speak freely to you) to express my regrets that the article entitled "The Social Evil" should have found a place in the last number of your paper. What have we to do with the social evils of Chicago? That city is far away and the poor wretches shivering with cold, deceased physically and morally, starving and dying in her back alleys and filthy hovels are not related to us. True they are human beings but they don't belong to our "sett" and we have no desire to be contaminated by their touch or have our nerves shocked by reading of, or seeing such specimens of God's image. If Writ Dexter and other unevangelical men and women of Chicago choose to engage in the low work of feeding and clothing this class of humanity, let them do it. Evangelical christians,

especially the members of the Y.M.C.A., cannot unite with them in any such work. If they cannot unite, why publish it? Be careful how you criticize the official action of our "city fathers." Touch the subject of intemperance lightly, and as you value a sound head, say nothing against the liquor traffic. Should you profit by this advice, your stay in town will no doubt be pleasant and profitable. If not, you will hear more anon from

Manchester.

License Plate Change

Secretary of State Richard Austin announced that Michigan residents temporarily living outside the state may now renew license plates within a six month period before the plate expires.

Previously, individual vehicle owners could only renew within a 45-day period prior to expiration.

A new Michigan law, effective January 1, of this year, enables the Department of State to renew vehicle registrations early. This early registration is expected to be more convenient to workers, students, retirees and others who are out of state for extended periods of time.

Snowmobile Law Change

Secretary of State Richard Austin announced that out of state snowmobilers will no longer be required to pay a \$6.00 operating fee in Michigan.

A new law, effective January 1, 1985, only requires that such snowmobilers be registered in their own state or Canadian province. Previously, all out of state snowmobile operators had to purchase a \$6.00 sticker for their vehicle.

NOTICE OF PUBLIC HEARING
Manchester Village Planning Commission

A Public Hearing will be held before the Manchester Village Planning Commission on Tuesday, February 19, 1985, beginning at 8:00 p.m. in the Council Room of the Village Hall, 120 S. Clinton Street., for the purpose of hearing comments on the petition of Gerald R. Mann to rezone a parcel of land from 0-1 Office District to C-2 General Commercial District; the property described as "Lot 1, Block 4, except the southerly 35 feet and except the northerly 82 feet"; or more generally described as being the property between the Village Hall on the south and the gasoline service station on the north, with frontage on S. Clinton Street. Persons wishing to comment on the matter but unable to attend the Public Hearing may send written comments to P.O. Box 51, Manchester, MI 48158 or leave written comments at the Village Hall office in care of the Clerk or Treasurer. Written comments should be received no later than 3 p.m. on Tuesday, February 19, 1985.

Mary Kaiiewaard, Secretary
Manchester Village Planning Comm.

Council Proceedings

January 7, 1985

The regular meeting of the Manchester Village Council was held January 7, 1985, at the Manchester Township Hall.

President Hinkley called the meeting to order at 7:05 p.m. Present: Harris, Kallewaard, Koebbe, Niehaus, Reinhart, Schablie, Zsenyuk, Smith. Also 29 other people were present.

Kallewaard moved to approve the minutes as read, supported by Harris. Motion approved.

Harris moved to pay the Village Payables of \$29,843.32, supported by Schablie. Roll Call Vote: Aye-all. Motion approved.

Harris reviewed the budget, year thru November.

Niehaus said he would like to thank Don Smith, Jay Bertke, and Terry Walkow for lighting the illumine candles on Christmas Eve.

James Hovey, Peter Sarkesian and Garth Greenan were present representing Rural Housing Corporation.

James Hovey said that he had been coming to Manchester since October 1983, when he first proposed housing in the Community and explained who they were and what his Company wanted to build in Manchester. At that time he obtained a letter stating that the Manchester Village Council feels there is a need for this type of housing. In March of 1984, he informed the Village that Rural Housing Corporation had obtained the financing. In April 1984, they initiated site-plan approval with the Planning Commission. It was tabled. July 1984, the Manchester Planning Commission recommended the site-plan approval of the Manchester

Village Apartments contingent upon the following: 1) The final site plan must incorporate all items listed in McNamee, Porter & Seeley's letter of May 4, and June 12, 1984. 2) The M.D.N.R. must give specific approval for sewer hookup. 3) The first storey exterior of both buildings must be bricked. 4) Any subsequent recommendations of the Village engineers, which are deemed necessary in their opinion, must be included.

Council also said that Torry Street sewer would have to be investigated at the cost of Rural Housing.

Mr. Hovey said they feel all the requirements of the Planning Commission have been met.

Peter Sarkesian said they were at the Council Meeting to get site plan approval. Their Company has expended considerable time and money to produce the results and get this far. Mr. Sarkesian said they had a tacit agreement with Council that when the requirements were met, a site-plan approval would be granted. He said they were asking for a site plan approval subject to the condition that the Village meets the D.N.R. order for Compliance.

Kallewaard asked where were their updated site-plan drawings. She said she wrote Garth Greenan a letter in October 1984, asking for the final site-plan which must incorporate all the items listed in McNamee, Porter & Seeley's letters of May 4, 1984, and June 12, 1984.

Garth Greenan said he had received her letter and he had submitted the revised plans to McNamee, Porter & Seeley, but not to the Village.

Mr. Sarkesian said they would

send the revised site-plans and would like to be on the January 21, 1985, Council's agenda and at that time request a yes or no vote for their project.

Don Limpert stated that Council also has another alternative, they have a right to table the project until such time that all the proper information is presented and have a definitive answer from the D.N.R. as to what they will accept for the total Village, not just the project. A long discussion followed.

Harris said he commends Rural Housing for everything they have done, but that he would have a problem approving their site-plan until the Village has D.N.R. approval.

Reinhart moved to table the Manchester Village Apartments site-plan, supported by Kallewaard. Roll Call Vote: Aye-all. Motion approved.

Hinkley said that he will meet with Patricia Post about the property in the Industrial Park pertaining to taxes.

Larry Becktel asked what are the sites that were recommended to the Postal Service for a Post Office.

Kallewaard said that she wrote a letter to the Postal Service, stating that the Manchester Post Office belongs in the Central Business District. It would be a tremendous inconvenience to the commercial enterprises on Main Street if it was on the fringes of the town or in the residential area. She suggested the following sites: Leave it where it is and negotiate with the K of C; Two corners on Main and Clinton Streets if they are available and that the Village would like to work with the Postal Service through the planning process.

Schablie said he received a bid from Widmayer Ford for a new Police Car and is waiting for a price from Chrysler Proving Grounds.

Betty Hough asked how often Police Officers are evaluated. Hinkley said every six months. She then asked when the last time Don Steele was evaluated. Zsenyuk said December 1983. The reason he was not evaluated is that he was coming up for a hearing and there were discussions with his attorney. To give him an evaluation at that time would not have been fair to Don.

Bob Lowery said that children have been hanging around the Transfer Site causing problems. Hinkley thanked him for bringing it to Council's attention and would try to take care of the problem immediately.

Koebbe presented the D.P.W. and Mechanics reports. Reports on file.

Klager School News

The kindergarten class has special members today: Mr. Happy, Mr. Slow, Mr. Funny, Mr. Topsy-Turvy, Mr. Messy and Mr. Silly. All Characters are from a series of books written by Roger Hargreaves.

Klager's Book Character Parade

Hundreds of book characters paraded through the hallways of Klager. There was Snow White, Mr. Slow, Clifford and Paul Bunyan, to name only a few. Mr. Marrison led the parade singing a song that he taught to the students in music class.

Students chose a favorite character with the help of Mrs. Beurle, the librarian and their classroom teacher. Each student then created a mask, costume or sign to wear to become that character.

After the parade the High School Leadership Class presented each student with a certificate of participation and a bookmark.

The book character parade is just one way used by Klager staff to create an interest in books and reading and to develop library skills.

Rob Hartmann, High School Leadership Class member, is presenting a certificate to Bobby Arkebauer.

Parents Test Math Skills

Parents of the Primary Team kids experienced math first hand by participating in many of the activities that their children are involved in this year.

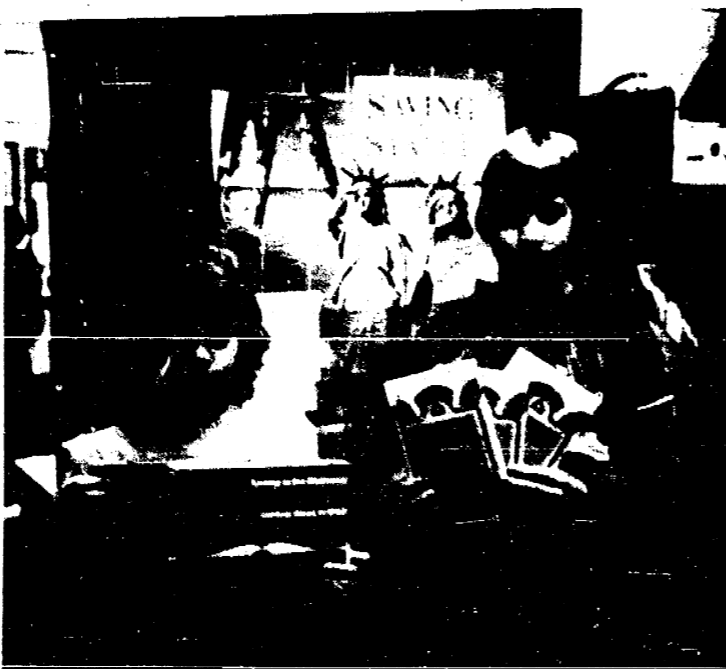

Parents had fun estimating, sorting, classifying, counting, measuring, graphing, and working with place value.

Our graphs indicate that more parents in the team room are driving U.S.A. cars more than foreign made cars; more people were born east of the Mississippi River.

Fried chicken is definitely the favorite as compared with baked or barbecued.

The evening concluded with slides of the children doing math experiences accompanied by their recorded voices singing "It's a Math World."

The parents seemed to enjoy a night of MATH OUR WAY.

Michelle Strock and Richie Luton display supplemental reading materials which were purchased through the generous donation from the Senior Citizens given at our annual Christmas Dinner.

Front row, left to right: DaAnn Lamb, Angie Derby, Jody Brokaw, Beth Evans, Carmen Hopkins and Treasa Rose. Back Row, left to right: Manager Duane Hopkins, Nicki Bragg, Jill Alber, Renee Yeutter, Lisa Rickelmann, Betsy Royle, Ginny Stripp, Jennifer England and Coach Kathy Rose.

Our girls got snowed out of their game Monday, so they met in Vandercook Lake Wednesday. We played a good scrappy game and won the first 2 games to leave victorious. Carmen Hopkins had a big night with 18 sets and 5 assists. Hitters Lisa Rickelmann and Jenny England had 28 spikes, 14 and 12 respectively. Renee Yeutter and Lisa supplied service points, 7 each. The very next day saw our girls visit GrassLake. After falling in the first game 10-15 and being down 2-7 in the second-coach Rose called time. Whatever she said worked as we came firing back to win 16-14. We took the third game 15-11 for the victory. In service we had Renee with 11 and Jodi Brokaw with 10. Treasa Rose posted 23 sets as slammers Jenny and Lisa hit 20 and 16 apiece.

During discussion Board members echoed the need for such a program at the introductory ninth and tenth grade levels and were concerned only that sufficient numbers of students would enroll. Following discussion the Board took action to direct the administration to continue to work on the project with final approval pending upon the development of the 1985-86 budget.

Board Of Education Approves Agri-Business Curriculum

At its regular meeting on Monday, January 21, the Manchester Board of Education discussed and took action to approve a proposal for an Agri-Business Curriculum which was presented by the administration. Following direction from the Board of Education leadership and at the urging of the Manchester agriculture community, Superintendent of Schools Gene Thompson and High School Principal, William Bushaw, have worked to develop a proposal to meet the needs of students interested in studies regarding careers in the agricultural industry. In his memo, Bushaw noted that the FFA was the most active of the extra curricular organizations. Sponsors Gary Waldmayer and Mark Blumenauer, who were present at the meeting, noted that the agriculture industry is the second largest in Michigan.

U-M investigators are evaluating the effectiveness of the drug which, in laboratory tests, has been shown to improve cognitive functioning, memory and learning with virtually no side effects. According to Stanly Berent, Ph.D., director of neuropsychology at the U-M Medical Center and chief of psychology at the Ann Arbor Veterans' Administration Hospital, 50 volunteers are needed to successfully complete the evaluation. Participants must be between 60 and 85, should be in good health and have experienced mild memory loss for at least one year. Following a complete physical examination, participants who meet the criteria of the study will begin taking the medication for a period of weeks. During that time, they will meet with the researchers for periodic check-ups.

To learn more about the study and to volunteer, call (313) 763-9269, or write to Stanley Berent, Ph.D., Neuropsychology Program, University of Michigan Medical Center, Ann Arbor, Michigan 48109.

Handicappers' Handbook Available

The Metropolitan Society for Crippled Children and Adults, an organization serving the disabled for 47 years, has just completed the third printing of its Handicappers' Handbook. This 53 page booklet serves the disabled by providing information on where to go and who to contact on such diverse topics as government aid, camps, employment, orthopedic shoes and many others.

This free handbook can be obtained by contacting: Metropolitan Society for Crippled Children and Adults, 1127 Whittier, Grosse Pointe Park, MI 48230, Phone 881-4278.

Memory Loss

An older man, retired for a year, begins forgetting where he's put things around the house. A woman easily remembers childhood events yet has trouble following television plots from week to week. Another woman attends a party and sees many familiar faces but can't remember their names. She comments that this has been happening frequently. All of these people are experiencing memory problems, a common occurrence in many

WELCOME VALENTINE'S DAY WITH POP CORN SWEETS

The custom of celebrating Valentine's Day with the exchange of sweets and other tokens of affection began during an ancient Roman festival. The first Valentine's greeting card, made of raised paper, dates back to the 1790's.

POP CORN HEART

2 quarts popped Jolly Time Pop Corn
4 tablespoons butter
6 cups miniature marshmallows (1-pkg.)
red cherries for decoration

Preheat oven to 250 degrees. Place popped corn in a large, 4-inch deep buttered baking pan. Keep warm in oven. Butter a 6-cup heart-shaped cake pan. In a double boiler or large saucepan, melt butter over low heat. Stir in and melt marshmallows. Remove pop corn from oven. Pour butter mixture over pop corn, stirring to coat evenly. Pack the pop corn mixture into the heart-shaped pan. Chill. To remove the cake from the pan, place the pan in a shallow dish of warm water and loosen edges with a spatula. Decorate with cherries.

"Living Wills" And "Being Prepared"

Mrs. Judy Ivan, RN, BSN, assistant administrator for nursing services at Saline Community Hospital, will speak on the topic, "Living Wills," in the fourth session of the current series of Senior Health Education Programs being offered at Saline Community Hospital.

This month's two-part program will be held Wednesday, February 13, from 11 a.m. to 1 p.m. in the hospital Blue Room.

The second portion will be titled "Be Prepared." It will feature the Rev. Reginald Hocking, hospital chaplain, as the main speaker with a discussion by a panel comprised of the Peer Counselors of the health program.

The first portion of the program, "Living Wills", will deal with the method by which an individual indicates the scope of medical care he or she desires administered to them once it has been determined that full recovery is not possible for that particular individual and that the only possible recovery would result in a level of functioning which could be considered less than desirable by the individual involved.

The second portion of the program will deal with a practical approach to disseminating essential household information in the event of a death. The speaker and panel will deal with the practical approach to fulfilling the responsibility of each individual to make sure the information necessary is available to survivors. Included would be facts pertaining to what information should be assembled,

where it should be kept, who should assemble it, etc.

Members of the panel will be the Rev. Hocking, Miss Verna Barton of Ypsilanti, the Rev. Curt Borman, Mrs. Lillian Buenger and Mrs. Hazel Stimpson, all of Saline; Hazel Walker of Manchester, and Pat Heininger and Rachael VanDusen of Milan.

Blood pressure screenings will be offered from 10:30 a.m. to 11 a.m., prior to the meeting.

The sessions are open to the public and there is no charge for the program. Those attending may purchase their luncheon meal in the hospital cafeteria after the session.

Approximately 100 attended the last health education program which featured Dr. Peter Clark speaking on the topic of strokes.

Purdue University Announces Winter Graduates

A total of 1,870 students received degrees at Purdue University's commencement December 22.

Bachelors degrees were awarded to 1,179 students, and 232 received associate (two year) degrees. In the two groups, 36 graduated "with highest distinction," a status conferred on approximately the top 3 percent of the graduates, regardless of school.

A total of 64 graduated "with distinction." Ten percent of the candidates in each school who have the highest indexes, none of them with a grade-point average of less than 5.3 of a possible 6, received their degrees "with distinction."

The December graduates from Manchester include Bruce E. Garlick.

The Great 10% Kick-off

10% Interest on Checking

If your checking account doesn't have you kicking up your heels—maybe you're at the wrong bank.

Trade in that old checking account for one at Great Lakes Federal Savings and earn 10% interest.

It's true. If you maintain a balance of \$1000 or more in any Great Lakes Federal checking account, you'll earn 10% interest until April 15th.

And, to help make your switch to a Great Lakes Federal checking account even easier—we'll take care of all the paperwork and transfer your old checking account at that "other bank" to your new one at Great Lakes Federal. Plus, you'll get your first box of GLFS checks free.

So, c'mon! Make the switch to Great Lakes Federal Savings. What have you got to lose—but 10% interest!

10% interest offer applies to balances up to \$20,000.
