118TH YEAR VOLUME NO. 20

USPS NO. 327-460

THURSDAY, MARCH 7, 1985

Manchester High School Leadership Class

Leadership Class Officers are pictured left to right: Cheris Verhines, Treasurer; Jeff Horning, Vice-President; Heather Mottice, Secretary; and Ron Milkey, President.

The Leadership Class has been extremely busy this year.

In the second semester we are studying Parliamentary Procedure. At the beginning of the semester we elected officers: Ron Milkey - President, Jeff Horning - Vice-President, Heather Mottice - Secretary, Cheris Verhines - Treasurer. Ron runs the class according to Parliamentary Procedure on Mondays and Thursdays.

The rest of the week we spend working towards the following goals: Class Constitution, Klager Health Fair, Student Problems and School Exchange. To reach these goals we are divided into different committees. The committees are working on the following:

Klager Committee; planning the Health Fair, organizing skits on drugs and smoking.

Suggestion Box Committee; working on recommendations the students have to make school even better. They are currently

trying to solve the problem of student parking.

School Exchange Committee; they are working on finding schools to visit and compare in helping make our school better.

Middle School Committee; they are working on letting the eighth graders know what the Leadership Class does and on what high school is like.

Public Relations Committee; we are currently letting everyone know what we are doing during class.

Constitution Committee; they are working on reading and sorting through constitutions from other schools to help us in writing ours.

The class is providing hands on experience that will help us prepare students for future leadership roles.

Planning Commission Vacancy

Due to the resignation of Paul Alber, the Manchester Village Council will be making a new appointment to the Manchester Village Planning Commission. This will be a partial term, to expire in March, 1987. Any Village resident who would like to be considered for the appointment should submit his or her name and qualifications to the Village Council, in care of the Village Clerk, no later than Tuesday morning, March 12th.

S.A.D.D. Comes To Manchester

The newly formed Chapter of Students Against Drunk Drivers (S.A.D.D.) held its first meeting Thursday, February 21, 1985, at 8:00 a.m., at the high school. The advisor, Mr. James Fielder, along with newly elected officers, Betsy Royle, chairperson; Leslie Duncan, vice chairperson; and Heidi Mottice, secretary/treasurer; will be working toward achieving a positive goal in the fight against teenage drunk driving. A secondary goal is to promote car safety in general, including the wearing of seatbelts and not driving while intoxicated. The chapter will also be doing projects among the community to raise the attention of S.A.D.D. to the students as well as the parents. Committees have already been formed in the areas of Public Relations, Activities, Making a Constitution, and working on Chapter Membership. The S.A.D.D. Chapter was started in the growing concern to make students and parents aware of what is going on between teenagers and alcohol. These students voluntarily meet with their advisor and discuss different ways to encourage more responsible behavior for their peers. In many of our neighboring towns, there have been numerous alcohol related accidents. In this group, it is one of our goals to avoid this serious problem of alcohol related accidents.

Annual Village Election

The annual election for the Village of Manchester will be held on Monday, March 11.

There are three 2 year terms for trustee left vacant by the retirement of John Schaible, Wendell Reinhart and Terry Harris.

Four persons will vie for the three positions. They are: Larry Becketl, Ted Tapping, Judy Steele and Jack Zabrowski.

Manchester Area Chamber of Commerce To Meet March 13

The Manchester Area Chamber of Commerce will hold its general membership meeting and luncheon on Wednesday, March 13, 1985, at the K of C Hall, 102 E. Madison. The meeting will begin at 12:00 noon and end promptly at 1:00 p.m. The agenda will include small group discussion concerning our community's image. Last month Don Limpert challenged us to think about Manchester's future. Don will moderate this "Town Hall" session. Those attending will be asked to consider the following questions:

What is Manchester's image? How does this image affect your business? How does it affect your

family? How does it appear to people who would consider starting a business here? Should we attempt to change or strengthen the image? What role does the Chamber have in any such effort? What role do individual businesses have in image building? What role do individual property owners play?

It is expected that this will provide the basis for specific Chamber efforts to build the village image. Be sure you are there to share in this action. Lunch will be available at \$4.00 per person. Kindly RSVP by Monday, March 11 to 422-7121 (Jan), 422-9298 (Judy) or 422-8395 (Sue).

The Township Library

Manchester Enterprise
December 9, 1975

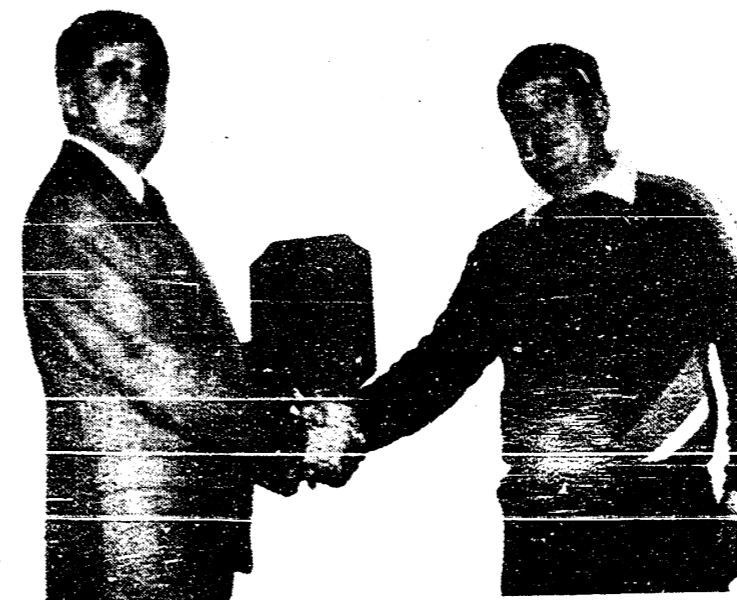

Editor Enterprise: - Knowing from past experience that your columns are always open for communications of a public nature, I have considered it my privilege, as well as my duty, to call the attention of the reading public of this township to the condition of their library. It is well known Manchester still retains the old system of township instead of district libraries. Under this system it becomes the duty of the directors of the several districts, on the first Saturday of January, April, July and October, to draw from the hands of the Township Clerk, the proportion of books to which their districts are entitled. Here then is a very simple, and one would think, a very agreeable duty; but alas! experience of the past few years has shown that directors have been sadly negligent to this regard, or the literary taste of our community has sadly degenerated. The latter proposition can scarcely be credited when one considers the quality and quantity of books, magazines and newspapers which are constantly being circulated and perused by our people; still less can we credit it when we

remember, and with pride, that we challenge the very front and van in the excellence of our primary schools, in the high percent of attendance, and in the avidity and ability of the pupils to receive and appreciate the mental pabulum which a generous people has provided for them. I do not wish to boast or flatter, but speaking from personal knowledge and facts before me, I am certain that we have, within the radius of this township, intellects, tastes, and ambitions which, if properly mustered and cultivated, will result in a rich harvest of good works and stirring deeds for our community and, perchance, for the nation. Shall we let the golden moments pass unheeded? Shall the cares of business or the pursuit of pleasure shut from our sight those services we owe to kindred humanity, to higher civilization, and to ourselves?

Being conscious that the oftentimes merely nominal duties of their office could not entirely hold in their shadow those graver responsibilities which, morally, they must assume, the Board of School Inspectors, as custodians of the Library and Library Fund, resolved some time since, to endeavor to restore that potential

Manchester Men's Club Guest Night

Former President of Men's Club, Bob Rhees, awards Distinguished Service Award plaque to Dave Little.

by Jon

On Saturday, February 16th, I was invited to the Men's Club meeting. They had an excellent guest speaker, Don Burger, who is the National Wildlife's "special agent" in this area. His talk was interesting - he is much involved in the hulabaloo about the Black Panther, which he himself has sighted more than once.

Former Men's Club President, Bob Rhees, presented two awards. The DSA Award was presented to Dave Little. A special award was presented to Varsity Football Coach, Jim Fielder, for his role in the recent undefeated-championship season, and also recognizing the superb achievement of the coaching staff and players.

BAND BOOSTERS

February 27, 1985

The meeting was called on order by President Sallie Anderson in the Middle School Library at 7:10 p.m. The minutes of January 23, 1985, were read and approved. Treasurer Jan Waldron submitted the following report on Band Booster accounts:

Savings:	\$8,893.46
Uniform:	\$1,036.69
Scholarship:	\$783.66
Checking:	\$75.84

Since this had to necessarily be a short meeting before the concert at 8:00, we discussed what Sallie would say to the audience during the concert. The points to be covered:

- All parents with students in the band are automatically Band Booster members, and entitled to share in our decision-making.
- The board would feel better with more input from other parents since we handle large sums of money. There are just a few of us making decisions for many.
- Sallie would mention some of the projects and goals Band Boosters strives for.
- She would mention that the Scholarship Fund is available for any band member for use during the summer to attend Blue Lake Fine Arts Camp, with Band Boosters paying half the cost for any student attending.
- We need chaperones for the bus going to Middle School Band Festival this Saturday.
- Our largest and hardest project is to raise money for new

uniforms which are going to be needed by 1986 due to new students and the wear and tear on the old uniforms.

The next Band Booster meeting will be at 7:00, March 27th, at the High School Library.

The High School Band Festival will be March 16th. The Pre-Festival Concert will be March 12th. The 7th and 8th grade Solo-Ensemble will be April 20th. The meeting was adjourned at 8:00.

Respectfully submitted,
Nancy Houck, Secretary

School Hot Lunch Menu

- Monday, March 11, Vegetable Soup with crackers, Hot Dog on Bun, Dill Pickle, Peach Half, Milk.
Tuesday, March 12, Chili Con Carne, Pretzel, Buttered Green Peas, Fruit Compote, Milk.
Wednesday, March 13, Hot Ham & Cheese Sandwich, French Fries, Vegetable Sticks, Fresh Fruit, Milk.
Thursday, March 14, Baked Chicken, Whipped Potato with Gravy, Buttered Carrots, Bread & Butter, Pineapple Tidbits, Milk.
Friday, March 15, Fish Sandwich, Hash Brown Patty, Coleslaw, Brownie, Milk.

Rogers Corners Farm Bureau

Rogers Corners Farm Bureau will meet on Friday, March 8, at 8:00 p.m. at the home of Harold and Martha Eiseeman.

Manchester To Compete in 3rd Round Quarterfinals Of Alma Quiz Bowl

Manchester High School has advanced to the third round/quarter-finals March 6 in Alma College's 1985 High School Quiz Bowl. There are only 16 teams still in the competition, while 36 schools have lost matches in the single elimination tournament.

Manchester, one of 8 schools still competing in the C/D Division, meets Jackson Vandercook Lake at 7:10 p.m. Wednesday, March 6. After defeating Johannesburg-Lewiston in first round action, Manchester defeated Orchard Lake St. Mary's Prep, 135-100, in the second. Vandercook Lake had a first round bye and beat Middleton Fulton, 170-90, in the second round.

Manchester's team members are: senior and captain Betsy Royle, junior Renee Yeutter, and freshmen Jackie Miller, Matt Royle and alternate Alice Swanberg. Team advisor is Richard Parson.

Semi-final and final matches are March 13. All matches are played in Alma College's Tyler-VanDusen Campus Center. They are open to the public without charge.

Sharon-Manchester Livestock Club

The first meeting of the year for the Sharon-Manchester Livestock Club will be held March 9th, at the Sharon Townhall from 2:00 - 4:00 p.m. New members welcome. Any questions, call Lisa Lozier, 428-7245 or Jeff Lucas, 428-7858.

Engagement Announced

Mr. and Mrs. Dale H. Kohl, Perrysburg, Ohio, are pleased to announce the engagement of their daughter, Karen S. to Len A. Days.

Len is the son of Mr. and Mrs. Leonard G. Dayss, Manchester. The bride-to-be is a graduate of Rossford High School and Owens Technical College. She is employed as a legal secretary in Rossford, Ohio.

Len is a 1982 graduate of Manchester High School. He is a self-employed dairy farmer. A double-ring ceremony is planned for April 27, 1985, at Zoar Lutheran Church, Perrysburg, Ohio.

Letter To The Editor

I would like to offer our deepest thanks to nearly a hundred people who attended the Freedom Township Planning Commission meeting on February 19. Many friends and neighbors, in words and in support, expressed their clear opposition to the Zoning change which would permit an asphalt mill to be installed at Steinbach and Textile Roads. I hope we can count on your continued support for us and for the Township to keep heavy industry out of our area and to preserve the character and integrity of the land which makes us want to stay here. Thank you.

Respectfully,
Perry O. Plouff, Secretary

Red Cross Holds 8th Annual Pheresis Recognition Reception

Southeastern Michigan Red Cross Blood Services' eighth annual Pheresis Recognition Reception was recently held in honor of 1,600 special blood donors.

"Pheresis donors are a special breed," says Shobha Shah, M.D., medical director, Southeastern Michigan Region Blood Services. "Many critically ill patients depend on these very special donors and this unique type of blood donation."

Pheresis is a procedure in which blood is drawn from a donor and passed through a machine that removes a certain component, either plasma, platelets or white cells. The remaining components are then returned to the donor's blood system. The entire process takes between 90 minutes and two-and-a-half hours.

A variety of patients benefit from pheresis donations. Plasma, which contains infection fighting proteins, is used to treat children born with deficiency of these proteins. Platelets, a crucial factor for blood clotting, are used in the treatment of leukemia and other cancer patients. White cells, also obtained through pheresis donations, are used to treat patients who are unable to produce enough of these infection fighting cells.

Pheresis products are particularly important to individuals who have had numerous transfusions and whose bodies eventually develop factors

that destroy transfused blood cells. Unlike components obtained through processing whole blood from multiple random donors, the components from an individual pheresis donor are less likely to cause complications.

For more information about becoming a pheresis donor, contact the Red Cross Pheresis Recruitment office at 494-2787 or 494-2788.

Michael DuRussel is a Pheresis donor from the Manchester area.

Runners Clinic To Be Held At Manchester

A clinic on running will be held over the next several weeks to help improve the runners' knowledge of the sport and to help runners train more effectively. The Track clinics will be sponsored by Manchester's Varsity Track Teams and will be open to all runners of the community, and non-runners that would like to learn more about running.

March 14th, Speaker: U of M Womens Track Coach. Subject: "Motivation and Training Techniques".

March 19th, Speaker: Charlotte Major-Local Runner. Subject: "Preventing Running Injuries".

March 23th, Speaker: Karen Fiat - Dietician. Subject: "Running and a Balanced Diet".

April 2nd, Speaker: Dr. Okay - Local Physician. Subject: "The Physical Effects of Running".

The meetings will be held in the High School Library and each clinic will start at 5:00. Any questions contact either Charlotte Major at 428-8451 or Ken Haight at 428-8410.

Pat Ridenour guns.

Roundballers Nipped In Final Minutes

by Jon

We travelled to Britton and lost in the last 7 seconds, 78-77. Friday the Dutch concluded regular season play in East Jackson. Unfortunately the Trojans rallied in the final period to win 46-41.

Senior Pat Ridenour scored a

career high 30 points and grabbed ten rebounds in the Britton contest.

We have had nine games decided by three points or less this season and tonight's battle was no exception. We battled back from ten points down and went ahead 77-76 with 18 seconds left. But a steal and a bucket by the Torries made the final 78-77.

Besides Pat's 30 point contribution, Mike Agin gunned for 19.

We met the East Jackson

Reserve John Curley hits.

Trojans in Friday's contest and fell short again. After the Trojans led 22-17, we attempted to rally back in the second half but ran out of gas 46-41. Pat was high scorer with 11 as Mike and Tom Lockridge contributed 9 apiece.

We now go into District Playoffs as we challenge the winner of the Napoleon-Clinton game. We play on Wednesday, March 6.

Many thanks to Todd Gillies for his help on picture taking at some of the games.

Santa Claus came for 299 couples and individuals when they filed their income tax reports in 1982. They had incomes of over \$200,000, but used deductions and tax credits and avoided paying a cent of federal income tax in 1982, a search of the records shows. Their incomes totaled \$149 million.

The number of untaxed upper-income Americans was down slightly from the 304 who escaped the tax net in 1981 but considerably higher than the 114 recorded by the Internal Revenue Service in 1979.

However, since the number of returns with incomes over \$200,000 a year more than doubled from 1979 to 1982, the revenue service says, "a high-income return was 55 per cent more likely to be nontaxable in 1982 than it was in 1979."

In 1979, about 9 of every 10,000 people above the \$200,000 level paid no tax; by 1982 the portion had grown to more than 14 per 10,000.

The tax agency is required by Congress to report annually on the tax status of Americans with incomes above \$200,000. The report is based on the unaudited returns filed by these people, and the revenue service declared that almost any change caused by an audit would add the 259 couples and individuals to the roll of taxpayers.

The latest report is for income earned in 1982 and reported on returns filed in 1983. The agency said 207,291 couples and individuals reported incomes above \$200,000 in 1982, up 18 per cent from 1981 and up 70 per cent from 1979.

The report is understated in one respect. A favorite legal way continued on page 8

The Township Library

energy for good, which for some years past has lain dormant in consequence of the disuse into which the library has fallen. As the result of their labors they now have the pleasure of announcing that many deficiencies in the library have been remedied, and new works in the domain of moral, physical and political science added.

Books of travel and adventure, celebrated works of fiction, history and miscellany, have found their place upon our shelves, and, in fine, the most judicious and conscientious use possible has been made of the funds at our disposal. It is true that much remains to be done, but for the present it remains to improve the opportunities now afforded. The library now contains nearly 1,100 vols, some of them almost worthless it is true, but the great majority of them are standard and useful books. We have added Huxley, Darwin, Tyndall, and Spencer to the field of science. Many standard works in politico-economic research and many of those celebrated monographs which for the past few years have astonished, amazed or instructed the entire

reading world. Macaulay, Irving, Merivale, and Prescott in history, Dickens, Scott, Thackeray, Bulwer, Reade and others, whose names are high in the domain of fiction, are now in our possession and waiting to be read.

The first Saturday in January we hope to see nearly it not all the nine districts of this township supplied with library books. Will the Directors co-operate with us? W. G. D.

Rita Burkhardt To Chair Bike-A-Thon

The Central Regional Office of St. Jude Children's Research Hospital announced today that Mrs. Rita Burkhardt has agreed to chair the St. Jude Children's Research Hospital Bike-A-Thon in Manchester.

St. Jude Children's Research Hospital was founded by entertainer Danny Thomas. The institution opened its doors to the public in 1962 to combat catastrophic diseases which afflict our children. St. Jude Hospital is non-sectarian, non-discriminatory, and provides total medical care to over 4,200 patients.

The Bike-A-Thon program is dedicated to "Jaime". Jaime is from Ohio and was diagnosed with

leukemia in May of 1963, and began treatment at St. Jude Children's Research Hospital. Today, her cancer is in remission and she is doing quite well. Jaime is a living example of the progress and success of the research, patient care, and educational programs of this internationally recognized hospital.

We sincerely appreciate the concern that Mrs. Burkhardt has for our work and we hope the citizens of Manchester will support the Bike-A-Thon this spring to help provide the funds that are needed to preserve the world's greatest asset... "Our Children."

Carpeting Soon?

Shop at Lodi for a complete selection of carpeting. Saxony, loop and cut, level loops, tweed, solids, prints—carpeting for every room. Hundreds of samples from which to choose. We use Omalon pad. Our installation is expertly performed and guaranteed.

Volleyballers Conclude Season

by Jon

Our girl Spikers faced the Pirates in Napoleon Wednesday night. This was the first round of the District Playoffs. Unfortunately this was also the last round for the Dutch.

Napoleon won the first and third games to take the set. Jenny England was the high spiker and Carmen Hopkins was the high setter. Renee Yutter's serving attack was typically solid.

Attention! Expectant And New Mothers

"The Art of Breastfeeding and Overcoming Difficulties" will be the topic of La Leche League's March meeting which will be held on Tuesday, March 12 at 7:30 p.m. Hostess for this series is Marsha Chartrand, 208 S. Clinton Street. Pregnant and nursing mothers are encouraged to attend our meetings for advice, encouragement and discussion. Nursing babies are always welcome at meetings.

For further information at any time you may call one of our leaders - Marsha Chartrand, 428-8831 or Linda Meyer, 428-9475.

"Luck Of The Irish" For Dystrophy

In the spirit of St. Patrick, many volunteers will be out in force in the Manchester area collecting the "green to share the luck of the Irish—and all of us,—with people afflicted by muscular dystrophy and related diseases," Mrs. Connie Philips, District Director and chairman of the "Shamrocks Against Dystrophy" drive, announced that volunteers aiding the South Central Chapter of the Muscular Dystrophy Association will give a lucky "Shamrocks" button picturing MDA's Leprechaun, Paddy O'Brian, to everyone contributing to the campaign. "Shamrocks, according to the Irish, are the symbol of hope," noted Mrs. Philips, "and monies raised in this campaign give exactly that—hope, through MDA's research programs, for a healthy tomorrow as well as help today through medical service programs."

"Shamrocks Against Dystrophy" will be conducted here and nationwide throughout March. "The purpose," stated Mrs. Philips, "is to turn this St. Patrick's Day into a real celebration of hope for hundreds of thousands of tragically afflicted children and adults. All volunteers in our "Shamrocks Against Dystrophy" will be giving MDA vitally needed help in its battle against dystrophy. And for everyone in our community, wearing the green of a "Shamrocks Against Dystrophy" button is a wonderful way to add an extra touch of real meaning to this St. Patrick's Day."

Against Dystrophy" will be conducted here and nationwide throughout March. "The purpose," stated Mrs. Philips, "is to turn this St. Patrick's Day into a real celebration of hope for hundreds

Survival Flight Readied

Preparations are shown underway for one of the transfers made by the Survival Flight helicopters which are now a service offered through Saline Community Hospital for patients requiring air transportation for transfers. The Flight program is headquartered at the University of Michigan. It is used to transport patients who are judged to require transfer to tertiary medical facilities, via aircraft, because time is critical to medical management and a physician's presence is required enroute. Such flights are used in various parts of the country to transport patients from such situations as from the scene of an accident to a

hospital or from one hospital to another.

Senior Health Education Program At Saline Hospital

Mrs. Judy Ivan, RN, BSN, assistant administrator for nursing services at Saline Community Hospital, will speak on the topic, "Living Wills," at the Senior Health Education Program to be held at Saline Community Hospital Wednesday, March 13, from 11 a.m. to 1 p.m.

The two-part program, postponed from February 13, due to inclement weather, will also feature a portion titled "Be Prepared" with the Rev. Regional Hocking, hospital chaplain, as the main speaker.

The portion of the program titled, "Living Wills," will deal with the method by which an individual indicates the scope of medical care he or she desires administered to them once it has been determined that full recovery is not possible for that particular individual. It also has been determined that the only possible recovery would result in a level of functioning which could

PROTECTION OF MUSKELLUNGE AND NORTHERN PIKE

The Natural Resources Commission, at its August 10, 1984, meeting, under the authority of Act 230, P.A. 1925, as amended, ordered that effective April 1, 1985, through March 31, 1987, a 30-inch size limit be placed on northern pike and all spearing be prohibited, except that carp may be taken with spear May 1 through August 15, on WHITMORE LAKE, Washtenaw County.

NOTICE MANCHESTER TOWNSHIP PROPERTY OWNERS BOARD OF REVIEW MEETING

Notice is hereby given to all persons liable to assessment for taxes in the Township of Manchester, County of Washtenaw, State of Michigan.

That the assessment roll of said Township as prepared by the assessing officer will be reviewed by the Board of Review at:

**MANCHESTER TOWNSHIP HALL
275 SOUTH MACOMB STREET**

ON
MONDAY, MARCH 11, 1985
9:00 A.M. to 12 NOON AND 1:00 P.M. to 4:00 P.M.
AND ON

TUESDAY, MARCH 12, 1985
2:00 P.M. to 5:00 P.M. AND 6:00 P.M. to 9:00 P.M.

at which time the Board of Review will be in session. Upon request of any person who is assessed on said tax roll or his or her agent and upon sufficient cause being shown said Board of Review will correct the assessment as to such property in such manner as will in their judgement make the valuation just and equal.

Such assessment tax roll as reviewed and approved by said Board of Review will be the assessment roll of said Township of Manchester for the year 1985.

The County Board of Commissioners of Washtenaw County has proposed the following starting ratios for Manchester Township for the year 1985:

	Ratio	Tentative Factor
AGRICULTURE	49.14	1.0175
COMMERCIAL	48.50	1.0310
INDUSTRIAL	45.81	1.0963
RESIDENTIAL	47.08	1.0621

2-28-85/3-7-85

Supervisor

Southeastern Michigan Science Fair

be considered less than desirable by the individual involved. The second portion of the program will deal with a practical approach to disseminating household information in the event of death.

Blood pressure screenings will be offered from 10:30 a.m. to 11 a.m., prior to the meeting.

The programs are free of charge and are open to the public. Those attending may purchase their luncheon meal in the hospital cafeteria after the session.

Health Agencies Consolidate

Home Health Care of Southeastern Michigan and Hospice of Washtenaw have consolidated in affiliation with Catherine McAuley Health Center (CMHC) to form a new health care company. The combined agency, now operates as Amicare Home Health Services, Inc., a non-profit subsidiary of the Catherine McAuley Health Services Corporation.

The hospice program, which provides special services to the terminally ill and their families, will continue to be known by its current name.

In a related change, Marry Respiratory Services of Somerset Center, near Jackson was acquired by CMHC and will operate under the name Amicare Home Health Resources, Inc. (AHHR). The company will provide oxygen services, hospital equipment sales and rentals, and medical supplies for the patient at home. Branch offices of Amicare Home Health Resources are located in Ann Arbor, Somerset Center (Jackson) and soon in Plymouth.

The Southeastern Michigan Science Fair will be held this year March 22 and 23 at Washtenaw Community College.

Approximately 350 junior and senior high school students from Hillsdale, Lenawee, Livingston, Monroe and Washtenaw counties will exhibit scientific displays and compete for prizes at the event, which is co-sponsored by the Ann Arbor Exchange Club, the University of Michigan, and the Ann Arbor News. Its purpose is to encourage and reward student interest in science and mathematics, and to display local students' talents to the public.

A group of ninety experts—professors, curators, and research scientists—will evaluate displays on the basis of creativity, instructiveness, scientific accuracy, thoroughness, skill, clarity and visual appeal. Display categories include biology, chemistry, physics and engineering, mathematics, earth sciences, experiments, models and collections, and science and society. The fair is divided into Junior (grades 7 and 8) and Senior (grades 9-12) divisions.

First and second place winners at the fair receive expense-paid trips to the International Science and Engineering Fair, cash and commemorative medals. Other prizes include cash awards from \$50.00 to \$15.00.

Interested students can contact Dr. John Rosemergy at 994-2162, the Exchange Club at 763-2596, or school science teachers for more information and entry forms. Entries must be submitted two weeks before the fair.

Board Of Review Meeting

Notice is hereby given to all persons liable to assessment for taxes in the Township of Bridgewater, County of Washtenaw, State of Michigan.

Klager School News

Hearts in hand, Mrs. Raus compares a pig and rabbit heart.

Mrs. Major demonstrates a heart model.

Hearts!

February was the month for hearts. And not just the kind you see on Valentines. The Klager third and fourth grades had an opportunity to learn about hearts first hand from Doctor Okey and Nurse Charlotte Major.

The workshop began with a discription of pumps and demonstrations of common pumping machines. Mrs. Major constructed a model pump - to illustrate how the heart works and how much blood is pumped in a body.

Mrs. Raus showed simple hearts from a pig, rabbit, chicken and deer. Dr. Okey dissected a beef heart and showed students the basic parts of a heart.

Students listened to their own hearts using a stethoscope and ultra-sound machine.

Klager PTO Meeting Rescheduled

The Klager Parent-Teacher Organization meeting originally scheduled for Monday, March 4th was cancelled because of bad weather. The meeting has been rescheduled for Monday, March 11th at 7:30 p.m. All Klager parents are PTO members. We warmly welcome everyone to attend this meeting.

Hit Or Miss

to avoid taxes is to invest in tax-free state and local bonds, whose interest is not even reported to the tax agency. An uncounted number of Americans are pushed above the \$200,000 threshold by their tax-exempt interest.

The biggest single means used by the 299 nontaxpaying returns to avoid any liability was the foreign tax credit, which allows a \$1 reduction in U.S. taxes for each \$1 paid to a foreign government. The tax agency said the credit was the largest offset on 189 of the returns.

On the other hand, 163 of the high earners paid no income tax to either the United States or any other country.

The deduction for casualty and theft losses was the largest tax-saving item on 64 of the high-income returns that paid no U.S. income tax. In fact, one of every 10 high-income returns reported a casualty or theft loss, an average of \$4,366 per return. That trend prompted Congress in 1982 to restrict severely future deductions for such losses.

The report showed the deduction for interest paid was the No. 1 item on 33 of the high-

income returns. The investment tax credit, under which the Federal Government pays 10 percent of the cost of buying business equipment, was the biggest tax-saving device on 25 returns. The deduction for state and local taxes paid was tops on 20 returns.

Feeding Fido and Fifi is the largest pet-owning expense shown by veterinary statistics that cross this desk.

The total cost to raise an 80-pound dog to 11 years of age is \$8,953, of which \$5,279 is for feeding costs, \$1,734 for veterinary costs and \$1,340 for the purchase of the pooch and miscellaneous costs.

Cat lovers may not realize it, but feline finances total \$3,957 when raising a 10-pound cat to 11 years of age. Of this, \$1,773 goes for feeding costs; \$1,264 for visits to the Veterinarian and \$920 for miscellaneous purchases and catnip costs.

Now that the world is full of so many perils, where are Superman, Tarzan and the Lone Ranger?

Manchester Optimist Club Annual Farmers Night

The Annual Farmers Night of the Manchester Optimist Club was held on Monday evening, February 25, 1985. Seventy-nine farmers and Optimists were in attendance in the Fellowship Hall of Emanuel Church. Speaker was Mr. Larry R. Ewing, Public Relations Division Director of Information for the Michigan Farm Bureau. Pictured left to right: Program Chairpersons Reno Feldkamp and Robert Little, Mr. Ewing, and David Little who served as host.

The Tortoise and Hare at Iron Creek Church

The age-old race is on again. Another opportunity has been given to the hare to try and outrun the tortoise again. The membership of Manchester's Iron Creek Community Church have organized two teams named after these two folklore characters to see who can get the most new people to attend church.

The seven week attendance campaign will be kicked-off this Sunday. The featured guest will be the well-known Christian author, Roger Campbell. Mr.

Campbell has written a dozen books such as STAYING POSITIVE in a NEGATIVE WORLD, JUSTICE THROUGH RESTITUTION, and LORD, I'M AFRAID. A special gift will be given to each one who brings a visitor compliments of Rubbermaid.

The following Sundays of the campaign promise to add to the interest of the morning services.

March 17 - The Gospel Light Singers of Jackson will be entertaining us with a concert

during the regular service at 10:00 a.m. and also at the closing assembly of our Bible Hour.

March 24 - Tim Walburg, state representative and minister, will be speaking in the morning service and holding an open forum for the adult and teen classes during the Bible Hour.

March 31 - Gospel music soloist, D.J. Popendry, will be singing with taped accompaniments during the morning services.

April 7 - This year's Easter program will include a number of special musical presentations by members of the congregation and an Easter egg hunt for the children.

April 14 - Trans World Radio will be represented by Bill and Sandy Damick from the island of Guam. Mr. Damick will be speaking and Mrs. Damick will be providing the special music with

taped accompaniments.

April 21 - This special day will mark the 130th anniversary of the church. Members will be dressed in old-fashioned attire of the last century. Our special gift will be Ezra Daniels of Fairfield. Mr. Daniels is a senior citizen whose saxophone playing will prove to

be a blessing to all.

The general public is warmly invited to attend these special services. The church is located at the intersection of Sharon Hollow and English roads just southwest of Manchester. For further details you are welcome to call 428-9843.

Manchester High Graduates

by Amy M. Keesicki

For four Manchester High graduates, college life is nothing they expected it to be. They are currently attending Michigan State University and wished they would have known more about college life before they came to campus.

Amy Little, 1982 graduate said she is fully adjusted to the large campus but it took time and new friends to help that transition.

"Being at MSU is excellent. It was a bit hard at first coming from a small town but it just took a smaller group of people to help out," Ms. Little said.

In contrast, for Mike Silkworth, 1984 graduate, the transition from Manchester High to MSU was not that difficult. "It's challenging but you do what you have to do," he said.

Mike Kempf, 1981 graduate stressed his importance of dorm life in adjusting to college.

"Your freshman year dorm experience helps out a lot in making the big college lifestyle changes," Kempf said. "This is when you make most of your initial friends."

At MSU, there are 39,500 more people attending than Manchester High. The academic competition in class can be tough.

Jeff Hawk, 1982 graduate, thought it was a hard transition academically.

"It was frustrating at first," he said. "I finally had to manage my time. I forced myself to study five hours a day, seven days a week just to keep up with everybody in my classes."

Ms. Little likes her classes because of the diversity. "Some classes are small, some are quite large, but you have to put in the effort," she said.

Kempf, an advertising major, feels school doesn't have to be difficult unless you make it that

way. "You can always do a minimal amount just to get by but if you want the good grades you have to work hard."

These students think the decision to what you're going to pursue in life is changed and reevaluated several times throughout high school and college.

For Ms. Little, she thought she was going to be in business or be a design major. Instead, she is pursuing journalism.

"I had no idea when I was in high school I'd ever be a writer," she recalled. "I used to always like to write but never considered it as one of my career choices."

Now Ms. Little is in journalism and is enjoying meeting deadlines and getting no sleep. She hopes to someday work as a radio or television reporter.

Hawk reports the medical field. "I have always wanted to be a doctor of some sort but was unsure what I was going to be studying," he said.

Hawk has now decided to be a physiology major. After his graduation in June 1986, he wants to go to medical school for four years. He hopes to be a pediatrician someday.

Each of these students are quite pleased as to how things are working out for themselves but they still wish they would've been more aware of college life before they started. The social aspect, classes, studying, and being away from home are the most common but definitely should be taken seriously.

Advice Hawk would give to high school students would be to definitely study, take advantage as much as you can in high school. He said, "If you learn and know how to study properly, it will be beneficial when you're in competition with some exceptionally bright students in your college classes."

Ms. Little feels that the teachers at Manchester High are there to help high school students with their college decisions but thinks the students aren't aware of this.

"At MSU, we have to make all the efforts to see the professors, at Manchester High, the teachers were conveniently there but we never realized this at the time," she said.

Kempf says he would suggest picking up as much literature as you can on a particular school. "Find out as much as you can about the school you're interested in. It really helps," he said.

It really is difficult to compare Manchester High to MSU. One reason is size.

When these students were freshmen at MSU, if they forgot to take their maps to class it would've been hours before they would find the right classroom. If Manchester High were placed on Michigan State's campus, it would be considered a small hall.

The social environment also is much different. Kempf and Mike Silkworth have been known to have pig roasts each fall. According to them, it's quite strange to have such happenings in East Lansing.

"Our pig roast is sort of a culturizing event," Kempf said. "Lots of MSU students are truly amazed."

Hawk enjoys spending time at night spots, but realizes he can't afford to do it too often for it takes study time away and also cash. Being active in Pi Kappa Phi takes a lot of time also, but it

is worth it, he said.

Mike Silkworth, marketing major, has enjoyed his short stay at MSU. He has gotten involved in sports and attends football, basketball and hockey games. His voice gets fired up when hockey is mentioned. He says, "MSU has a great hockey team, the games are exciting and a lot of fun."

For these students, transitions were made, some good and bad, but they definitely have a direction in life now that they've already been faced with several decisions.

They all have a sense to be successful and realize that they're at the starting point and are ready to take on more challenges.

For all high school students, take advantage of what Manchester High has to offer, keep up your grades, and remember the teachers are there to help you become that respected, important person. According to these four students it'll be easy if you are aware of such services.

The Ann Arbor Figure Skating Club

The Ann Arbor Figure Skating Club presents the 43rd Annual Edition of "Melody On Ice," Friday, March 15th at 7:30 p.m., Saturday, March 16th at 7:30 p.m. and Sunday afternoon March 17th at 2:30 p.m. at Veteran's Ice Arena in Ann Arbor.

This year's presentation, "It's Showtime," will feature national competitors, precision teams and local skaters performing to movie theme songs like Ghostbusters, Goldfinger, Indiana Jones and The

Wizard of Oz.

Ann Arbor's award winning precision team, The Hockettes, will perform in the show, as well as The Arborettes, a precision team for younger girls, and The Debonaires, an adult precision team.

Tickets are \$3.50 in Advance, and \$4.00 at the Door. Special Student Night rates on Friday are \$2.50, Advance Sale only. Tickets are available from the Ann Arbor Figure Skating Club members, Veteran's Ice Arena, plus several store locations. Please phone Veteran's Ice Arena for further information, 761-7240.

Astrofest At U of M

"Spacesounds II and Best Voyager Films" is the title of the 145th AstroFest lecture and film presentation at The University of Michigan. The free public program is set for 7:30 p.m. March 8, in Auditorium 3, Modern Languages Building.

Jim Loudon, AstroFest director and staff astronomer for the U-M Exhibit Museum, has planned "a multi-media extravaganza of visual and auditory impressions" including historic transmissions from satellites early in the space age, and music inspired by the motions of the planets.

Computer graphics of the Voyager mission events by U-M alumnus James Blinn and time-lapse movies of the storms that rage through Jupiter's atmosphere also will be shown.

AstroFest is sponsored by the U-M's Exhibit Museum and the Department of Aerospace Engineering.

Notes From Manchester Band Department

SENIOR HIGH SOLO-ENSEMBLE FESTIVAL was held in Jackson on Saturday, February 16. Seven events were entered from Manchester with four events receiving a Superior (I) rating and three events receiving an Excellent (II) rating. Those receiving a Superior rating were: Michael Meister, clarinet solo; Rob White, xylophone solo; Jackie Miller, piano solo; and Lisa Knickerbocker, trumpet solo. Those events receiving an Excellent rating were: David Hamming, trumpet solo; Jacqueline Davis, clarinet solo; and Andrea Hagerman and Michael Meister, flute/clarinet duet. Congratulations to all students on a job well done!

Those who elected to enter the State Solo-Ensemble Festival to be held on March 23 at EMU. The State Festival are Michael Meister, Rob White, and Jackie Miller.

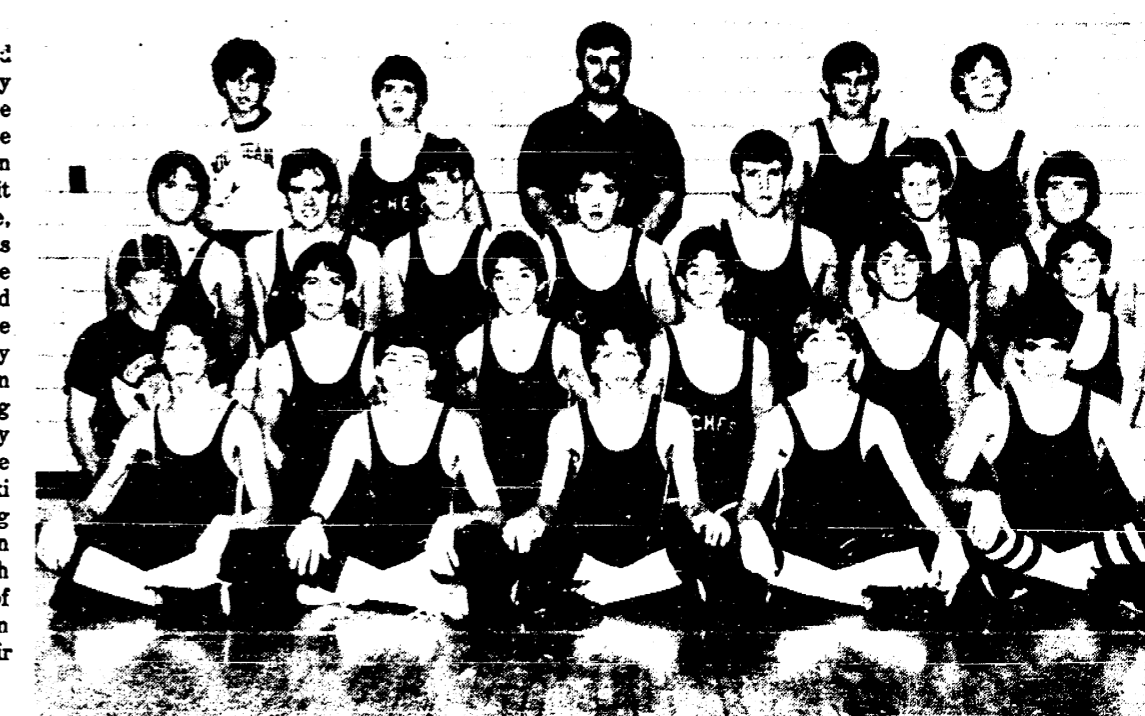

The **MID-WINTER MIDDLE SCHOOL BAND CONCERT** was held on Wednesday, February 27, to the delight of all in attendance. All of the Middle School band groups performed. The concert marked the first performance of the fifth grade band class, the group which opened the program. Following the fifth grade Varsity Band performed various popular selections. "March of the Free Spirit" combined the talents of the Varsity Band and the sixth grade class, and it gave all of the students an opportunity to work together. The sixth grade class

was next to perform and entertained the group with many selections, ending with the "Blue Bells of Scotland." Just when the audience thought their portion was over, the band would play it again, only faster. Melanie White, alto saxophone, was the soloist as the group performed it for the last time. The Concert Band concluded the program with the three selections that it would play for Jr. High Band Festival on March 2. How lively and exciting the group performed, especially on their concluding number "Lone Star Overture." Mr. Vechinski and his group of talented young musicians have done an outstanding job this year. With such a display of talent by all of the groups in February, we can hardly wait until May for their next concert.

The **JR. HIGH BAND FESTIVAL** was held in Albion on Saturday, March 2. The Concert Band performed under the direction of Mr. Vechinski. The band did an excellent job of performing, even surpassing their performance at the Mid-Winter Concert. All students are to be commended for their hard work and effort. The judges awarded the band an Excellent rating (II).

The **SENIOR HIGH BAND CONCERT** will be held on Tuesday evening, March 12, at 7:30 in the High School Gymnasium. The band will be performing its program that it will present at the Senior High Band Festival to be held in Napoleon on Saturday, March 16.

Row 1 (left to right): Rick Shear, Bud Ball, B.J. Lee, Paul Duvall, Shawn Ion. Row 2: Mark Briggs, Van Talcott, Willy Riley, Lewis Major, John Lochey, Darrell Weston. Row 3: Dan Platt, Tom Heath, Mark Fenelon, Mike Sildham, Matt Mazurek, Steve Vlack, Joe Knaalak. Row 4: Shawn Nickerson, Karl Schook, Coach Jordon, Hector Devulder and Joey Deacons.

Also performing on the program will be the students who have entered the State Solo-Ensemble Festival. They are: Michael Meister - clarinet solo, Rob White - xylophone solo, and Jackie Miller, piano solo. Mr. Meister and Mr. White will be accompanied by Mary Sue Moore, piano.

The **SR. HIGH BAND FESTIVAL** will be held in Napoleon on Saturday, March 16. Why not plan to attend and watch the Manchester High School Band present its program? The band will be performing at 10:20 and would welcome friendly faces in the audience.

Yes, the Manchester Band program has been extremely busy this year...and is having a very successful year. A lot of the success is due to the help of the Band Boosters - Sallie Anderson, President. As Mrs. Anderson stated at the Middle School Concert, all parents of band students, in any grade, are automatically in the Band Boosters, and help is always welcome and needed. Mrs. Anderson also stated that the Band Boosters give half scholarships to any music camp that the students might want to attend. Mrs. Anderson said that information on the music camps may be obtained from Mr. Vechinski. Whether the music be from the pep band at a basketball game, or from a group of excited and eager fifth graders...there is music in the schools of Manchester...lift up your head and be proud...the best is yet to come.

Maple Sugar Harvest To Be Held At Cobblestone Farm

The coming of spring was eagerly awaited by Michigan's early settlers who looked forward to the end of winter's isolation and the beginning of the maple sugar season. Traditionally the work of men and young boys, the sugar harvest was an opportunity to escape the confines of their homes and camp out in the dense woods. The work was tedious. Wood had to be chopped, the fire kept going and sap collected several times a day. Evenings were spent around the campfires where stories were told late into the night. The Cobblestone Farm will recreate this special time of the year on Sunday, March 24 and 31, from 12:00 noon to 5:00 p.m.

Costumed interpreters will demonstrate the evaporation process, including syrup and sugar making. A variety of maple products will be available for purchase. In addition, a collection of antique spinning wheels will be displayed. Tours of the farmhouse will be included in the admission price. For further information please call the farm at (313) 994-2928.

GEAR RESTRICTIONS FOR STREAM FISHING DURING SALMON AND STEELHEAD RUNS

Under the authority of Section 1 of Act 230, P.A. 1925, as amended, being Section 300.1 of the Michigan Compiled Laws, the Natural Resources Commission, at its August 10, 1984, meeting, approved the following gear restriction for a period of five years beginning April 1, 1985, through March 31, 1990. This order supersedes subject order of July 11, 1980, CFI-103.80.

Double or treble pointed hooks exceeding 3/8 inch between point and shank and single pointed hooks exceeding 1/2 inch between point and shank may not be used on any stream except St. Mary's, St. Clair, and Detroit rivers before May 15 or after August 31 of each year.

**American Legion
Auxiliary
Scholarships**

There are two scholarships available to residents of the State of Michigan through the American Legion Auxiliary, Department of Michigan, for which applications must be submitted before March 15, 1985, as follows:

1. **NURSES & PHYSICAL THERAPISTS SCHOLARSHIP:** Applicants must be a daughter, son, wife or widow of an honorably discharged veteran; and a first year student nurse who is in the top quarter of his or her class.

2. **MEMORIAL SCHOLARSHIP:** Applicants must be a daughter of an honorable discharged or deceased man or woman veteran and between the age of 16 and 21. The grant would apply toward expenses of tuition, room and board, fees, books and supplies necessary for the pursuit of study in any school, college or other educational institution in the State of Michigan. For more information or an application form, call Joyce Stein, 428-8427.

to with their concerns about hazardous waste. "Increasingly, many people are faced with this dilemma of the industrial age - hazardous waste, what it doing to our environment and what citizens can do about it," said Representative Bullard. "I hope people will take this opportunity to learn about the problem in order to deal with it constructively."

The booklet was prepared for Representative Bullard by the Center for Public Interest Research in conjunction with the Public Interest Research Group in Michigan (PIRGIM). Copies of the Hazardous Waste brochure are available from Representative Bullard's office by calling (517) 373-1289.

**Substance Abuse
Panel To Speak In
Milan**

A program for parents and all interested parties on the topic of substance abuse by pre-teens and teenagers will be presented Thursday, March 28, 1985, at 7 p.m. in Milan High School Cafeteria.

Co-sponsored by the Milan Area Schools Community Education Department and Saline Community Hospital, there will be no charge for the program which is open to the general public.

The presentation will feature a panel of speakers dealing with the topics of abuse of street drugs, abuse of drugs which have been prescribed for therapeutic purposes, and the abuse of

In early England, land was measured by how much an ox could plow in a day. These measurements were known as oxgangs and averaged about 15 acres.

alcohol. Among areas to be covered by the panel will be signs for which parents should be on the alert, some preventive measures they may wish to consider, consequences as a result of abuse, and general information which they might find useful in increasing their knowledge of the scope of substance abuse today.

Phil Barnes, community education director for Milan area schools, will introduce the panel. Mr. Barnes noted that those attending may submit written questions to panel members during a question and answer period to be conducted after the presentation or they may ask questions verbally. No registration is required.

**Manchester
Sportsmen Club
Game Dinner**

The Manchester Sportsmen Club Game Dinner will be held Saturday, March 9th. Cocktails will be at 6:00 p.m. and dinner at 6:30 p.m. Potluck with Rolls, butter and drinks furnished.

**Bullard Issues
Booklet On
Hazardous Wastes**

An introductory booklet explaining some of the ins and outs of hazardous waste is now available to the public, courtesy of Ann Arbor State Representative Perry Bullard. Entitled "A Citizen's Guide to Hazardous Waste," the booklet takes the reader through an examination of the hazardous waste problem, defines the terms a citizen often confronts in reading about the issue, and explains the state and federal programs enacted to address the problem. It ends with a compilation of local, state and federal agencies citizens can turn

HELEN J. KENSLE
VILLAGE CLERK

**PeopleCare
PROFILES:**

- Ralph, Nancy and son Matthew are trying to beat the odds—and cancer—on an income of \$169.50 per month.
- Harold is seriously ill and isolated because he can't afford a telephone.
- Janice and daughter Laurie are living in a house with boarded-up windows, no locks and holes in the roof.

Ralph, Harold and Janice are just names. But they share nightmares of illness, poverty and frustration, as do many others like them. They're real-life faces of human tragedy.

**HERE'S HOW YOU CAN HELP
MAKE IT EASIER FOR THEM**

Consumers Power is asking all residential customers to make a one-time donation of \$2 to PeopleCare. (Larger donations, of course, are welcome.) Details of how to participate accompanied Consumers Power bills.

But you don't have to be a customer to help. You can send your check, payable to "The Salvation Army/PeopleCare," to: PEOPLECARE, Consumers Power Company, 4000 Clay Avenue, S.W., Grand Rapids, Michigan 49508. All donations are tax deductible.

The Salvation Army makes all decisions on who receives aid, how much, and for what—food, shelter, clothing or other emergency needs of an individual or family.

The need is great. But so is the generosity of Michigan residents. It's true. PeopleCare.

Help us make a difference

204-370-C

Council Proceedings

**UNAPPROVED MINUTES
MANCHESTER VILLAGE
COUNCIL
FEBRUARY 18, 1985**

The regular meeting of the Manchester Village Council was held February 18, 1985, at the Village Hall.

President Hinkley called the meeting to order at 7:00 p.m. Present: Harris, Kallewaard, Koebbe, Niehaus, Reinhardt, Schaible, Zsenyuk, Smith.

Kallewaard moved to approve minutes as read, supported by Niehaus. Motion approved.

Rural Housing representatives were on the Agenda but were not present.

Nathan White representing Swann Productions was present to obtain Council's permission to shoot a motion picture, "The Carrier" in and about Manchester for approximately two months starting at the beginning of July, 1985. He said they already have approval from The Chamber of Commerce.

Mr. White said they were not asking for money, just a good working atmosphere. Local citizens will be used in the film

**Red Cross
Bloodmobile
March 18th**

Where can one register for the Manchester Red Cross Bloodmobile for March 18? There are any number of places in the village: all three banks in town have boxes and cards where one can register - Comerica, 1st of America and Great Lakes Federal and there is a similar registration spot at the A&B Market. Fill out the card and put it in the accompanying box. It will be mailed back to you with your definite appointment time scheduled. In case one can't make that time when the 18th comes around call the Manchester United Methodist Church and change the time or drop in when you can, between the hours of 12 and 6 p.m.

Schaible presented the Monthly Police Report. Report on file. The new Police car has been ordered and will take from 8 to 12 weeks for delivery.

Schaible reported that the Safety Committee met on the appeal of Don Steele and unanimously decided to support Chief Zsenyuk's decision to return Don Steele to patrolman.

Koebbe presented the D.P.W. and Mechanics reports. Reports on file.

Zsenyuk stated that Tom Davies, engineer for the State Highway Department said that if the State goes ahead with the M-52 project it will be their responsibility to separate the sewers, especially the catch basins and the drains. They did not count on the separation of the sewers when they put out the bids and he indicated the State will do it, but it would probably cut down on a portion of the project.

Reinhart moved to appoint: Kay Roesch, Chairperson, Vera Schaible, Maxine Widmayer and Mary Blossom as inspectors for the March 11, 1985, Annual Election, supported by Harris. Motion carried.

Niehaus moved to go into closed session at 7:59 p.m. to discuss the Police negotiations. Roll Call Vote: Ayes-all.

Council reconvened the regular meeting at 8:06 p.m. Reinhart moved that in the future the Rural Housing Corporation should contact Zsenyuk or Hinkley instead of the Village Attorney, supported by Koebbe. Motion approved.

Harris moved to adjourn the meeting, supported by Niehaus. Meeting adjourned 8:10 p.m.

Senior Citizens News And Meals

Meals for Senior Citizens for Tuesday, March 12, will feature Chicken and Biscuits with the complete meal and on Thursday, March 14, they are serving a Ham dinner. Call 428-8359 for reservations for meals and information about Tuesday and Thursday activities at the Emanuel United Church of Christ.

For trips and bus information call Helen Braun, 428-8946. For copies of the newsletter (The Trumpeter), for reservations for free tax help preparation on the 13th, for Chore Day information and reservations for April and for turning in Bill Knapp Bonus Points contact Jan Nali at 428-7181 on Tuesday, Wednesday and Thursday afternoons 2 to 4.

Monday, March 11, the bus leaves for a party at the Salvation Army in Ann Arbor at 9:30 a.m. Medicare will be the topic of discussion among other things.

Tuesday, March 12, the Senior Council meets at 10:00. There will be Euchre in the afternoon along with FREE help with Michigan tax preparation by WCCOA tax experts between 1 and 3 o'clock. Make your reservation for this with Jan Nali, 428-7181 so WCCOA will bring enough help to hustle requests through.

Wednesday, March 13, is the Saline Hospital Program on "Living Wills". This was postponed last month for a "snow day" (so you will get to hear it after all, maybe!) Call Helen for transportation.

Thursday, March 14, the

Exercise Class meets at 11:00 a.m., as usual. After lunch there is Bingo with the coverall prize furnished by Great Lakes Federal. Barbara Paison from Catholic Social Services will be at the lunch to assist anyone in need of advice about county wide services of all sorts.

Saturday, March 16, those who have their tickets will leave for the Ice Capades by Senior Bus.

Remember the Burl Ives Show date has been changed to March 23, instead of the 17th. Contact Jan about any conflicts.

Advance notice for the renewal of Senior Citizens Club Card Parties for the public at Freedom Hall start March 28th. More news later.

And don't forget to ask for and deliver those Bill Knapp Bonus Points to Jan whenever you eat at Knapp's. Anyone in the area can help the Senior Citizens with this project to earn furnishings for the new Senior Center.

Grant Application Deadline Extended

The Department of Natural Resources (DNR) has extended the deadline for submitting pre-application forms under the Land and Water Conservation Fund (LWCF) Program from March 1, 1985 to March 15, 1985.

The pre-application forms are available to those Michigan communities who wish to apply for grant funds to develop public recreation projects.

Passage of Proposal B last November, which established the Natural Resources Trust Fund, means additional grant monies could be available through the Trust Fund for public recreation projects this year, if necessary legislation is adopted in time.

Those communities who wish to apply for recreation development grants due to the possibility of additional funds, may take advantage of this extension by completing the pre-application form required under the LWCF Program.

Eligibility requirements for Natural Resources Trust Fund development grants are the same as those in effect for the LWCF Program, including the requirement for a current (since 1980) local recreation plan.

To obtain a pre-application form or for further details, write or call DNR Recreation Services Division, P.O. Box 30028, Lansing, MI 48909; 517-373-1660.

Agriculture In Action

Stockman Could Surpass Foreman

Today farmers' blood pressures rise at the mere mention of Budget Director David Stockman. A few years ago, there was somebody else in Washington, D.C. who was quite capable of achieving that same result—Carol Tucker Foreman.

Foreman was Assistant Secretary of Agriculture for Food and Consumer Services for the USDA and didn't gain many points with farmers during her reign.

She burst onto the agricultural front pages during the era of

consumer boycotts over food prices. She was viewed as a supporter of cheap food policies and was perhaps best known for proposing that farm production be tailored to government determined nutritional needs of the populous. Whether she would have turned the U.S. into a nation of lettuce farmers, we'll never know, because her assault on traditional agriculture was swept away with the Carter administration.

Now along comes David Stockman who looks like a young accountant and has the same propensity for saying controversial things that Foreman did.

One of those statements came when he questioned why taxpayers should refinance what he called, "bad debts willingly incurred by consenting adults who went out and bought farm land when the price was going up because they could get rich."

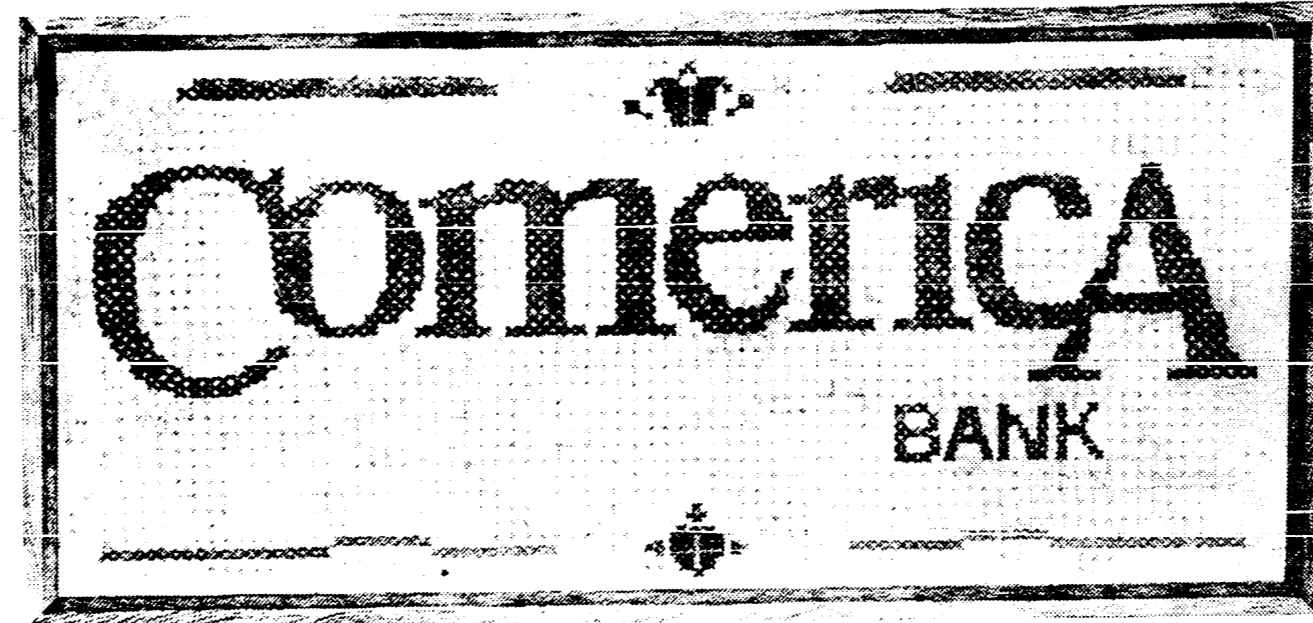

Stockman does indeed seem destined to surpass Carol Foreman as far as raising the ire of farmers is concerned.

Annual Sauerkraut Supper

Emanuel United Church of Christ will have its annual Sauerkraut Supper on Thursday, March 21, in the church hall. Serving begins at 5 p.m. This year's menu includes Sauerkraut, Kniffles, Mashed Potatoes, Roast Pork, Hot Dogs, Polish Sausage, Blood Sausage, Applesauce, Bread, Beverage and Home-made Pies. This year a new service is Take-out Home Delivery in the Village to those who might not otherwise be able to enjoy a delicious German Dinner. Please call the Emanuel Church Office, 428-8359, between 9 a.m. and 3 p.m. any week day to order meal(s) delivered to your home. Deadline to order home delivery is 4 p.m., March 21.

Tickets will be available at the Flower Garden, Mann's Feed Store and Great Lakes Federal Savings. Dinner reservations can also be made by calling the Church office. Cost is \$5-Adults, \$4-Seniors, Under 10-\$2, and under 3 free.
