Why Cannot A Woman Become A Mason

Manchester Enterprise
January, 2, 1968

At the late anniversary of Masons of Austin, Nevada, the orator of the day discoursed upon this vexed question:

"Woman sometimes complains that she is not permitted to enter our lodges and work with the craft in their labors, and learn all there is to be learned in the institution. We will explain the reason. We learn that before the Almighty had finished his work, that he was in some doubt about creating Eve. The creation of every living and creeping thing had been accomplished, and the Almighty had made Adam, (who was the first Mason), and erected for him the finest lodge in the world, and called it Paradise No. 1. He then caused all the beasts of the field and the fowls of the air to pass before Adam for him to name them, which was a piece of work he had to do alone, so that no difficulty might thereafter arise when Eve, whom he knew would make trouble if she was allowed to participate in it, if he created her before-hand. Adam being very much fatigued with these labors of his first task, fell asleep, and when he awoke he found Eve in the lodge with him. Adam being Senor Warden, placed Eve as the pillar of beauty in the south, and they received their instruction from the Grand Master in the east, which, when finished, she immediately called the craft from their labor to refreshment. Instead of attending to the duties of the office as she ought, she left her station, violated her obligation, and let in an expelled Mason, who had no business there, and went around with him, leaving Adam to look after the jewels. This fellow had been expelled from the Grand Lodge, with several others, some time before, but hearing the footsteps of the Grand Master, he

suddenly took his leave, telling Eve to go to making aprons, as she and Adam were not in proper regalia. She went and told Adam, and when the Grand Master returned to the lodge he found his gavel had been stolen. He called for the Senor and Junior Wardens, who had neglected to guard the door, and found them absent. After searching for some time he came to where they were hid, and demanded of Adam what he was doing there instead of occupying his official station. Adam replied that he was waiting for Eve to call the craft from refreshment to labor again, and that the craft was not properly clothed, which they were making preparations for. Turning to Eve he asked her what she had to offer in excuse for her unofficial and unmasonic conduct. She replied that a fellow, passing himself off as a Grand Lecturer, had been giving her instructions, and she thought it was no harm to learn them. The Grand Master asked her what had become of his gavel; she said she didn't know unless that fellow had taken it away. Feeling that Eve was no longer trustworthy and that she caused Adam to neglect his duty, and let in one whom he had expelled, the Grand Master closed the lodge, and turning them out, set a faithful tyler to guard at the door with a flaming sword. Adam repenting of his folly, went to work like a man and a good Mason. In order to get reinstated again. Not so with Eve; she got angry and commenced raising Cain. Adam, on account of his reformation, was permitted to establish lodges and work in the lower degree; and while Eve was allowed to join him in the works of charity outside, she was never again to be admitted to assist in the regular work of the craft. Hence, the reason why a woman cannot become an inside Mason.

Pace Committee Reactivates

The Committee for Positive Action in Community Education (PACE) has reactivated due to the importance of the school election to be held June 10th. The Committee will conduct a public information drive to inform voters of the critical need to pass the millage issue on the ballot.

The Committee will emphasize that Manchester is a self-supporting school district. We do not receive state aid for each child and haven't for some time. The proposed 85-86 budget indicates a shortage of approximately \$350,000. These funds are needed to continue the present K-12 programs and to add two new programs.

Stated for addition next fall is "Agri-Business" for Freshmen and Sophomores allowing Manchester students to achieve FFA affiliation; and the "Autistic Program" bringing the district up to minimum state level.

PACE is a registered Ballot Question Committee legally entitled to raise funds and conduct a campaign. If you would like to help, please call Co-Chairmen Lynn Keil at 428-7336 or Mary Noshich at 428-9426. Contributions may be sent to Linda K. Hartmann, Treasurer, 6701 M-52, Manchester, MI 48158.

Speakers Bureau Opened With Mr. Howard Parr

The Parent Advisory Committee at the middle school arranged for Mr. Howard Parr to speak to all three sections of our fifth grade about life in pre-World War II Manchester. The blacksmith shop was used as a gathering place on Wednesday, April 24.

Mr. Parr discussed the use of many old tools in vivid detail.

Some of the tools discussed included lanterns, lantern-heated hair curlers, Soapstone foot-warmers, hog scrapers, markers for numbering sheep, and a horse hide lap robe. Our fifth graders were also treated to a special videotape on the Manchester Chicken Broil.

It was a special day for all of us and we wish to thank Mr. Parr for sharing his time with us.

Local Students Participate In Talent Search

This year the Midwest Talent Search Project of Northwestern University conducted its fourth annual search for junior high students who are academically talented. This year 9 seventh and eighth grade students from Nellie Ackerson Middle School participated in the search. These students qualified for the Northwestern program by scoring at the 95th percentile or higher on the verbal or mathematical portion of a standardized in-grade achievement test. They took the College Board's Scholastic Aptitude Test (SAT) in January, a test usually taken by high school juniors and seniors. The purpose of the SAT is to provide more information about students' abilities. Local schools use this information to help provide special services and programs for such students.

The Midwest Talent Search Project serves eight states in the midwest: Indiana, Michigan, Ohio, North Dakota, South Dakota, Wisconsin, Illinois, and Minnesota. Over 20,000 students participate in the talent search on an annual basis. The students who participated this year are: Ryan Burkhardt, Angela Campbell, Jamie Hall, Linda Hansen, Melissa Hawk, Cindy Schulte, Wendy Waldron, Hikah Weiss, Dawn Wenk.

Hit Or Miss

Some time ago I wrote a tale about my visit to the hospital for a diagnosis of a "not well" feeling and the diagnosis therefore and the operation which followed.

Then sometime later we wrote one about a friend of mine's visit to his doctor's office both of which quite a few readers found humorous. That was the vein in which they were written, not in a critical manner, for I thought that we all need to find events which bring to us a smile to counteract the events of our sordid everyday

life. I'm sure that everyone who stops to think realizes how fortunate we in this area are to have available in this immediate area the medical facilities that are available to us all. We are indeed fortunate.

And now we have been told by a fellow writer his tale of a trip to the emergency department of a nearby hospital which those who have also been there we hope will enjoy. Here goes:

I hardly ever get sick. It's probably because I always dress warmly, get plenty of sleep, stay out of drafty places and don't eat at home any more often than necessary.

Despite these precautions, the other day I came down with something. I don't know what it is, but I have a headache and a cough and an upset stomach. I haven't felt this lousy since the day after the office Christmas party. For the first time in 16 years, I decide to stay home from work. When a man with four kids, two gerbils, a dog and three telephones stays home from work, you know he's sick.

I tell the woman who promised to love, honor and shake my thermometer that I do not feel so good and I am going to stay home from work.

"All Day?" she asks.

For Some Children Spring Means Rashes!

Springtime for many children means playing out of doors, shedding bulky winter clothes, eating ice cream and looking forward to summer. For some youngsters however, spring means rashes. One generally misunderstood and sometimes misunderstood rash is Fifth disease (Erythema Infectiosum). Fifth disease is most common among school-age children, affecting boys and girls in equal numbers. A rash appears in three stages. It begins on the face, giving a "slapped cheek" appearance, spreads to the trunk, arms and legs, and finally fades, leaving a rash with a "net-like" appearance. The rash may last from 2 to 39 days, with the average being 14. Itching and peeling rarely occur.

It is important that a physician diagnose a child with a rash to rule out rubella, rubeola and scarlet fever, 3 diseases with which Fifth disease is often mistaken. If a child is diagnosed as having Fifth disease, the child need not be kept home from school. There is no accepted treatment for Fifth disease and no laboratory tests are available to confirm it.

Wheels For Life Sponsors Sought

Riders for the Saturday, May 11, St. Jude Children's Research Hospital Wheels For Life Bike-athon are asking Manchester citizens to pledge a contribution for each mile they ride. "Every mile our bikers go earns money bringing us closer to a cure for cancer. The life-saving study of childhood cancer at St. Jude has become critical to children all over the world," said Bike-a-thon chairman Rita Burkhardt. "Let's show we care. Help this cause," Rita said. "Your generous pledge encourages riders. After the event, help them get the money to us quickly." The ride starts at Manchester Fire Hall at 9 a.m.; registration at 8:15 a.m. "If you haven't been asked to sponsor a rider, but are interested, please call 428-8083 and a rider will contact you," Rita said.

"Each rider gets a lap card at registration," Rita said. "Every time riders pass the checkpoint (s), we initial the card. At the end of the ride, we check and sign it to show that the rider earned what the sponsor pledged." Riders return to sponsors to collect the pledge. Riders can still get sponsor/registration forms at school or call 428-8083.

40th Wedding Anniversary

Bernard and Irene Kemmer will be celebrating their 40th Wedding Anniversary at an open house in their honor on Sunday, May 5, from 3-5 p.m. at Emanuel Church Hall.

The couple was married on June 12, 1945, at Sharon Evangelical Church by Rev. A. A. Weinert. Honor attendants were Alice Voegeding Mauer (Warner) and Ernest Kemmer. Bridesmaids were Dorothy Moore and Lois Crownenwett. Reno Feldkamp and the late Glenn Feldkamp served as ushers.

Benny and Irene are lifetime residents of Manchester and members of Emanuel United Church of Christ. Benny has recently retired from active farming. Their family includes Janet and John Krambrink of Grand Teton National Park, Wyoming; Barbara and Gary Haas of Mayville, Michigan; Margaret Kemmer and Greg Kujawa of Staunton, Virginia; Lois and David Corrigan of Saline and six grandchildren.

Summer Seminar For Christian Family Movement

Every family writes a different prescription for the perfect vacation. But the summer conference of the Christian Family Movement FAMILIES GROWING TOGETHER offers something for every member of the family. The 24th National Convention of Christian Family Movement will be held August 8-11, at St. Mary's College in Notre Dame, Indiana.

Noted author and lecturer Dr. Clayton Barbeau is one of the many experts who will address the group. He is best known for his captivating five film series on "Creating Family...Intimacy, Love and Sex." James and Mary Kenny, a professional counselor-columnist-author couple, will speak on the very practical matter of keeping the family together despite all the pressures that pull us in so many directions. Consultant therapist Bettye Lechner will deal with how remarriage, young adults moving back home, and aging parents are altering the traditional definition of family. Keynote speaker Fr. Dean Uhing will open the conference with his presentation on "The Family Circus."

There are programs, activities and socials for both parents and children, as well as, a special family night featuring a concert by Joe Wise.

The Christian Family Movement is a nationwide network of small groups with the goal of enriching family life. The national president couple, Gary and Kay Aitchison, stated that there is a tremendous interest in family life today and parents are forming small support communities. This is evidenced by CFM's fifty percent increase

April P.T.O. Minutes

The meeting was called to order at 7:30 p.m. on Monday, April 1, 1985, by President Nancy Bihlmeyer. The minutes were approved as given by Secretary Mary Nostbich. The treasurer's report was given by Sandy Kwolek and showed a balance of \$3,480.57 with outstanding bills of approximately \$430.00. Under old business the movie night was discussed, over 300 people attended. The science raffle was well under way and the drawing was scheduled for 1 p.m. on Thursday, April 4th. Hobby Day was set for Friday, April 20th. Kathy Jefferson and Sharon Anderson volunteered to coordinate dessert for the hobbiests.

A Hands On Science Lab Day will be held on May 24th. Volunteer parents are needed to man different experiment stations and to help with set up. Those interested in helping should contact the office.

Millie Grantham presented a demonstration on the use of the projection microscope that was purchased by the P.T.O. Everyone was pleased with the ease and durability of the microscope.

JoAnn asked the P.T.O. to consider the purchase of a display case for the school. We will look into the possibility of purchasing a used one. She also told us that she was unhappy with the child abuse filmstrip that she had

ordered along with the stranger awareness kit. We directed her to look into the possibility of returning that portion of the kit.

Betty Gregerson, Mary Koebbe, Helen Nickerson, and Mary Smith were our guest staff speakers. Under new business we talked about signing up with the Family Portrait Company for our Fall Fund Raiser. The P.T.O. also agreed to purchase popcicles and ribbons for the Klager 1 Mile Fun Run which will be held Friday, May 17th. Pat Sahakian will be in charge of getting the popcicles.

JoAnn asked the P.T.O. to purchase a classroom set of small calculators and a clear calculator for a teacher to use with the overhead projector. After some discussion the P.T.O. voted to approve the purchase which should come to \$200.00. She also asked the P.T.O. to consider the purchase of a sound activated stop light that could be used in the lunch room to help monitor noise at a cost of \$460.00. The P.T.O. voted down the purchase.

Mrs. Grantham requested that the P.T.O. consider funding a trip to Lansing for two third grade classrooms. This trip was something that they had been doing for the last few years as followup of their Michigan Unit and had to be dropped this year because of a tight budget. The P.T.O. approved the money to fund the trip at an estimated cost of \$162.50 and asked that the

other 3rd grade be included if they wished to participate.

Holly Porter moved that every class should be given a chance to take one field trip that would be no more than 60 miles round trip and that the P.T.O. would fund the transportation costs. Kathy Jefferson seconded and the motion was approved unanimously.

The meeting was adjourned at 9:50 p.m. until Monday, May 6th at 7:30 p.m. at Klager School. Our staff speakers will be Teddy Groeb, Janice Little and Teri Williams. Our meetings are open to all interested parents of Klager Students.

Health Careers Highlighted

Catherine McAuley Health Center is sponsoring a free Health Career Day for high school students from 8:30 a.m. to 12:30 p.m. May 4, in the Education Center Auditorium of St. Joseph Mercy Hospital.

Students will have an opportunity to find out more about various careers in the health field. There will be department tours, slide shows and health risk appraisals. For information, call 572-3263.

Rogers Corners Farm Bureau

The Rogers Corners Farm Bureau will meet at 8:00 p.m. on Thursday, May 9th, at the home of Edwin and Amanda Horning.

American Legion Auxiliary Meeting

There will be an American Legion Auxiliary meeting at the Legion home on May 8, 1985, at 7:30 p.m.

The repeat performance of the "Mock Wedding" at Emanuel United Church of Christ last Sunday night is reported to have topped the opening night a year ago—too bad, if you missed it.

This week in Manchester for all 55 years or over is: Monday, May 6, Shopping trip to Adrian.

Friday, May 10, 10:00 a.m. Trip to Highpoint and lunch at Bill Knapp's. Make reservations.

Trips: for information and reservations call Helen Braun, 428-8966. Space is getting scarce for the Senior Power Day trip to Lansing on May 15, so make reservations by the week-end. Another special-week-long trip in late September is now organizing. Strawberry Festival

registration slips and information about the quilt contest may be found on posters at IGA, Emanuel and Manchester Methodist Churches bulletin boards. The deadline for quilt registration is June 1 for the June 15, event.

Now that all Senior Citizens in the Manchester Area have received their copies of the Trumpeter (Newsletter for Seniors) through the mail (it came in the Prime Time envelope) get those important dates on your regular calendar at once. For instance, the regular monthly meeting of the Senior Club is May 29, at Manchester United Methodist Church at 1:30 and everyone has received his personal invitation to attend.

Prime Time is pertinent information on health topics put out each month by Chelsea Community Hospital. The brochure has been a companion of the Newsletter for many months. If you didn't get your copy call Jan.

For general information about the program for Seniors in the Manchester area, call Jan Nail, program developer, at 428-7181 on Tuesdays, Wednesdays and Thursdays or see her at the regular meeting scheduled this week when she's not in the new Senior Center office. Robena Boelter, president of the council may be reached at 428-8655 when needed.

**FROM ITALIAN FAST & FRESH (HARPER & ROW)
BY JULIE DANNENBAUM**

CHICKEN BREASTS WITH SAUSAGE

- 3 whole chicken breasts, skinned, boned, and halved
- 2 tablespoons oil
- 1 small onion, chopped
- 1 garlic clove, chopped
- 1/2 pound sweet Italian sausage, casings removed
- 1/4 cup fresh bread crumbs
- 1 tablespoon chopped flat-leaf parsley
- 1 teaspoon chopped rosemary
- Salt and fresh pepper to taste
- 4 tablespoons butter
- 6 finger-size pieces mozzarella or Fontina
- 1/4 cup dry white wine
- Juice of 1/2 lemon

Flatten the 6 pieces of chicken by pounding with a wet mallet or pound between sheets of wax paper or foil.
Heat the garlic in a skillet. When hot, add the onion, garlic, and sausage meat. Cook, while stirring with wooden spatula, for about 5 minutes, or until the sausage is cooked through. Using a slotted spoon, remove the mixture to a bowl. Pour off the fat. Mix the breadcrumbs, parsley, and rosemary with the sausage. Season with salt and pepper.

Melt the butter in the same skillet. When the foam subsides, sauté the chicken pieces, a few at a time, about 2 minutes a side.

Remove the chicken pieces. Lay them on a board or countertop and divide the filling evenly. Lay cheese on each. Roll up the chicken, tucking in the edges. Tie to secure or fasten with toothpicks. Lay in a baking dish, seam side down.

Add the wine and lemon juice to the skillet. Boil up to deglaze. Swirl around over heat for 1-2 minutes. Pour over the chicken. Bake at 350 degrees for 15-20 minutes. Remove strings or toothpicks.

FETTUCINE WITH SHRIMP AND FRESH PEAS

- 1 1/2 pounds shrimp, peeled and deveined, shells reserved
- 1 pound peas, shelled
- 1 small onion, finely chopped
- 1/2 cup sliced mushrooms
- 1/4 cup dry vermouth
- 2 cups heavy cream
- Salt and fresh pepper to taste
- 1 pound spinach fettuccine

Place the shrimp shells in water to cover. Bring to a boil. Cover and cook on moderate heat 20 minutes. Strain. Reserve 1 1/2 cups of stock.

Place the peas in a saucepan with just enough water to cover. Bring to a boil, reduce heat to moderate, and cook 10 minutes, or until barely tender.

Add the shrimp to the peas (it may be necessary to add more water but do not add too much). Cook until the shrimp are just poached, 2-3 minutes. Strain and reserve the juices. Place the shrimp and peas back in the pan.

In another saucepan, place the onions, mushrooms, dry vermouth, reserved shrimp stock, and strained juices from shrimp and peas. Reduce over moderate heat to approximately 1 cup.

Add the heavy cream and cook until the mixture coats the back of a metal spoon. Combine the reduced mixture with the peas and shrimp. Reheat. Season with salt and pepper to taste. Serve over hot pasta.

Serves 4-6.

ORDINANCE 14

AN ORDINANCE TO ESTABLISH CHARGES FOR FIRE DEPARTMENT SERVICES UNDER MICHIGAN PUBLIC ACT 33 OF 1951, AS AMENDED (COMPILED LAW 41.801 etc.), AND TO PROVIDE METHODS FOR THE COLLECTION OF SUCH CHARGES AND EXEMPTIONS THEREFROM.

THE TOWNSHIP OF BRIDGEWATER ORDAINS:

Section 1. PURPOSE

The within Ordinance is adopted for the purpose of providing financial assistance to the Township in the provision of fire department services from those receiving direct benefits from the fire protection service. It is the further purpose of the within Ordinance to provide for full funding of the contracted for fire department services which remain, in part, an at-large governmental expense based upon the general benefits derived by all property owners within the Township from the existence under a contract for the fire department services and said fire department's availability to extinguish fires within the Township and perform other emergency services.

Section 2. CHARGES

The following charges shall hereafter be due and payable to the Township from a recipient of any of the following enumerated services from the contracted Fire Department:

- A. Grass or forest fire \$500.00
- B. Rubbish fire \$500.00
- C. Vehicle fire other than truck \$200.00
- D. Truck fire \$300.00
- E. Aircraft fire \$300.00
- F. House fire \$200.00
- G. Fire in multiple family dwelling \$300.00
- H. Fire in farm building (each) \$200.00
- I. Petroleum storage \$400.00
- J. Fire in commercial building \$300.00
- K. Fire in industrial or manufacturing building \$300.00
- L. Emergency Rescue Service \$200.00
- M. Resuscitation \$200.00
- N. Swimming Pool \$200.00
- O. All other services not specifically enumerated \$200.00

Recipient is the owner of land or other property served. Fee is to be multiplied by the number of fire departments providing service and charging Township therefor.

Section 3. TIME FOR PAYMENT FOR RUN.

All of the foregoing charges shall be due and payable within 90 days from the date the service is rendered and, if in default, payment shall be collectible through proceedings in district court or in any other court of competent jurisdiction as a matured debt.

Section 4. EXEMPTIONS.

The following properties and services shall be exempt from the foregoing charges:

- A. False alarms.
- B. Fires involving township buildings, grounds and/or property.

Section 5. LIEN RIGHTS.

Where land or other property of value remains following a fire call by the contracted Fire Department, the Township shall hereby have a lien upon the same to secure the payment of the foregoing rates and charges due to the Township resulting from such fire protection service. Such lien shall remain upon the property until the charges have been paid in full and may be foreclosed by the Township to secure such charges in the same manner as the foreclosure of mechanics' liens under the laws and statutes of the State of Michigan existing at the time of such foreclosure.

The foregoing lien rights shall not preclude the Township from proceeding in district court by suit to collect any monies remaining unpaid.

Section 6. NON-EXCLUSIVE CHARGE.

The foregoing rates and charges shall not be exclusive of the charges that may be made by the Township for the costs and expenses of maintaining fire department services by contract, but shall only be supplemental thereto. Charges may additionally be collected by the Township through general taxation after a vote of the electorate approving the same or by special assessment established under the Michigan Statutes pertinent thereto. General fund appropriation may also be made to cover such additional costs and expenses.

Section 7. MULTIPLE PROPERTY PROTECTION.

When a particular service rendered by the contracted Fire Department directly benefits more than one person or property, the owner of each property so benefited and each person benefited where property protection is not involved shall be liable for the payment of the full charge for such service hereinbefore outlined. The interpretation and application of the within section is hereby delegated to the Township Treasurer subject only to appeal, within the time limit for payment, to the township Board and shall be administered so that charges shall only be collected from the recipients of the service.

Section 8. SEVERABILITY.

Should any provision or part of the within Ordinance be declared by any court of competent jurisdiction to be invalid or unenforceable, the same shall not affect the validity or enforceability of the balance of this Ordinance which shall remain in full force and effect.

Section 9. EFFECTIVE DATE.

This Ordinance shall take effect upon its publication. Made and Passed April 15, 1985.

MAYONNAISE KEEPS CHICKEN MOIST

Perfectly-baked chicken is moist on the inside and crunchy on the outside. Here's a recipe that does just that! The chicken is brushed with real mayonnaise then coated with crushed seasoned croutons (any flavor). For other chicken, fish and vegetable recipes that use this method of baking, write to "A New Way to Bake Chicken and Other Foods," Dept. NW-C, Box 307, Coventry, CT 06238.

CRISPY BAKED CHICKEN

- 2 cups seasoned croutons, coarsely crushed
- 2 to 3 pounds broiler-fryer chicken parts
- 1/3 cup Hellmann's real mayonnaise

Place croutons in plastic food bag. Brush chicken on all sides with real mayonnaise. Add one piece at a time to crouton crumbs; shake to coat well. Place chicken in broiler pan rack or in ribbed baking/roasting dish so that pieces do not touch. Bake in 425°F. oven 35 to 45 minutes or until golden brown and tender. Serves 4.

Some used to say that carrying elder tree twigs in the pocket would make horseback riding more comfortable.

Hit Or Miss

"I'm afraid so."
 "Terrific. I've got a lot of things for you to do. The faucet in the bathroom is leaking and the basement door is warped and..."
 "Don't you understand? I'm sick. I'm going to spend all day right here in this bed."
 "That's all right. I can push the bed into the bathroom and get your tool box for you."
 "Boy, thanks for the sympathy."
 "Sympathy? Why should I feel sympathetic for you? Remember the last time I didn't feel well? You told me to take two aspirins and have dinner on the table by 5:30."
 "Yeah, but you make a big fuss out of every little discomfort."
 "Labor pains are not a little discomfort."
 I spend the day in bed. By the next day, I do not feel any better. If anything, I feel worse.
 "Maybe it's the flu," she says.
 "I'll call the doctor."
 She calls the doctor. He recommends that I go to the emergency room of my nearest hospital to find out what's wrong with me. I go to the emergency room of my nearest hospital. It is crammed with people wearing slings and bandages and tubes up their noses. I haven't seen so many sick-looking people in one place since the Democrats nominated Mondale.
 I stand at the end of the line. One by one the people ahead of me go up to the desk to be interviewed by the nurse. One man has a broken leg. The next has a broken leg and facial lacerations. A woman after him has two broken arms, tying the

world record.
 By the time it is my turn, I am feeling a bit guilty about being here. But it is too late to escape. I am blocked in by the guy on the stretcher behind me.
 "And what seems to be wrong with you?" the nurse behind the desk asks.
 "I, uh, don't feel too well."
 "Could you be a little more specific?"
 "I have this cough. And, uh, an upset stomach."
 "Anything else?"
 "Else?"
 "For instance, have you had any vomiting?"
 "No."
 "Diarrhea?"
 "Fever?"
 "Well, not exactly." At this point I would give anything for a temperature of about 103.
 "Basically, then, what you have is a cough and an upset stomach," she says.
 "Yes," I mumble, staring at the floor.
 "If you can cling to life for a few more minutes, we'll have someone examine you."
 I take a spot in the waiting room, next to a woman whose entire body is in a cast. She eyes me suspiciously.
 "What's the matter with you?" she demands.
 "Uh, actually, they haven't been able to diagnose it, yet?"
 A while later, a nurse wheels me into a room for X-rays. Then she wheels me back to sit some more with a bunch of people who may or may not be with us tomorrow. Finally a doctor appears.
 My name is called in a booming voice. "We've found out what's wrong with you." It is like an

Attention All Freshmen Class Students And Parents

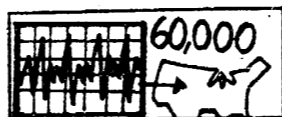

E.F. Hutton Commercial. Every head that is able turns to listen.
 "What is it?" I ask. If he says I just have a cold, I think I'll kill myself.
 "What you have is pneumonia." I glance around triumphantly at the other patients. It's pneumonia. A very serious illness. I've never been so relieved in all my life.

High blood pressure is listed as the primary cause of death for 60,000 people each year.

Forty percent of food poisoning occurs between May and October. The most common forms come from eating picnic food like potato salad, ham, fried chicken and many meats.

High School Students Receive Perfect Attendance Awards

Back row: Bill Hansen, Brad Uphouse, Craig Scully, Lewis Major, Stephanie Evislizer, Mark Lenhart. Second row: Jonathan Walz, Buck Houghton, Erin Davis, Lisa Hamilton, Deanna Gilbert. Front row: Amy Fielder, Tracy Nickerson, Tressa Rose, Tammy Steele and Heidi Haselschwerdt.

Manchester High School honored 23 students for having perfect attendance during the third card marking of the 1984-85 school year. These students were not absent or tardy from school on a single day from the end of January until the end of March. The certificates were presented to students by high school principal, Bill Bushaw and counselor, Richard Parson. Of the 23 students, nine have had perfect attendance throughout the entire school year, starting from last August.

Perfect attendance for entire school year. Back row: Brad Uphouse, Craig Scully, Erin Davis, Mark Lenhart. Front row: Amy Fielder, Tracy Nickerson, Heidi Haselschwerdt.

Principal Bushaw stated, "Last year we only had two students who had perfect attendance throughout the year. This is a great improvement and I am really excited about it. It demonstrates a very strong commitment by these young people toward education." The following students are not pictured but are NOT absent: Craig Portice, Heather Walkowe, Darrell Weston, Terry Steele, Mike Swanberg, and Denise Spaulding.

Successful Investing Requires Planning

Investing has become trickier in the 1980s and a comprehensive approach has developed that deals effectively with the new financial environment, according to the Michigan Association of CPAs.

Over the past few years, the pace of financial change has been furious, complicating financial decisions for the average investor: Bank deregulation has unleashed a plethora of new financial products from which to choose, interest rates lack the long-term stability they once had and new laws continue to flow out of Washington. What's an investor to do? According to CPAs, you may find some answers by designing an investment plan and incorporating it into an overall financial strategy.

Following are some ideas on how to lay the groundwork for your investment plan.

Set your goals. "A lot of people invest blindly," says Suzanne McGrath, a CPA and investment

advisor. "They don't invest with an eye toward their personal goals or plan their investments to fit in with their tax bracket and overall financial picture." Will your investment income go toward paying your rent or mortgage? Are some of your investments purely speculative? Or are you investing in your child's education? In each case, your investment should be tied to your reason for investing. Married couples should discuss shared financial goals. To help narrow your investment choices, list your goals in order of importance.

Match goals with investments. You'll want to match the maturity, risk, yield and tax implication of an investment against your goals. Consider the case of a married couple who want to fund their seven-year old's college education. The couple knows they have a 10-year time-frame in which to achieve their goal. They agree that their goal precludes high-risk investing. Once this kind of preliminary evaluation is completed, you can

narrow down your investment options still further.

Evaluate your investment options. "Every investment has specific benefits and drawbacks," says Howard Safer of the American Institute of CPAs' Personal Financial Planning Committee. "That means people should chart the pluses and minuses of each investment option."

Safer suggests evaluating investments and goals based upon four criteria: safety of principal, cash flow, appreciation and tax implications. "Each of the criteria should be weighed on a scale from one to five, with the total not exceeding 10," says Safer. "Then compare how you rate each investment and how the criteria match the ratings of your goals."

Here's how this evaluation grid would work in the case of the young couple who want to fund their child's education. In one column they'd rate their goals for safety of principal, cash flow, appreciation and tax benefits. Alongside their goals, they would rate two investments between which they are trying to decide. Drawing up a system for

evaluating investment options is just one of the factors in investment planning.

Matching goals with investments and designing a system to evaluate investment options are only a small part of a person's investment plan. The major effort of investment planning is directed at incorporating your investment strategy into your overall financial picture. Your investments must complement your retirement, estate, insurance and tax strategies. Investments should be re-evaluated annually, at the very least, to determine if you are on the right track. You may want to contact a CPA for help.

After initial screening, personal interviews will be conducted for the candidates deemed most highly qualified. The awarding of the scholarship will be based on academic achievement and sincere interest to further education in a health oriented field.

Three Scholarships Offered By Chelsea Hospital Auxiliary

Chelsea Community Hospital Auxiliary will present \$500 scholarships to three area students. To be eligible for a scholarship a student must be enrolled full-time in a health career program for which

certification is given or a degree is granted, and must be a resident of the hospital service area.

Scholarship applications are now available at Chelsea Community Hospital and may be picked up at the information desk near the main entrance. Applications may be obtained between 9 a.m. and 7 p.m. Completed applications should be returned as indicated on the form with the deadline being Saturday, June 1.

After initial screening, personal interviews will be conducted for the candidates deemed most highly qualified. The awarding of the scholarship will be based on academic achievement and sincere interest to further education in a health oriented field.

Chelsea Community Hospital has given over \$6,000 in scholarships since 1979.

Monies came from projects such as the Christmas Home Tour, the Arbor Nook Gift Shop, cookbook sales, a fashion show, raffles and bazaars.

Members of the scholarship committee are Gail Olson, Donna Lane, June Flanigan and Madeline Vallier.

Annual 4-H Spring Achievement Awards

The annual 4-H Spring Achievement Program was recently held on Saturday, April 13, at Saline High School. The day long program included the exhibition and evaluation of 4-H projects in woodcraft, leathercraft, demonstrations, cultural arts and crafts, clothing construction, and crocheting. Along with these activities, there were two modeling style shows presented in the afternoon and evening.

The Washtenaw County 4-H staff members along with the entire 4-H volunteer community and the many 4-H parents and supporters salute and congratulate the following 4-H members for their accomplishments at this year's Achievement Program:

SPRING SPORTS

Varsity Baseball Squad Red Hot

by Jon

Our boys had a very good week as they played 4 times and won all four. We now have a 5-2 over-all record.

Monday, Pat Ridenour took the mound against the Trojans from East Jackson. We crossed home plate 5 times in the first inning on the way to the 8-5 victory. Pat, Todd Rickelmann and Bruce Rhee supplied the bat power.

The Wednesday game got postponed so Friday brought on Vandercook Lake. Again the Dutch scored right away and this held until Vandie knotted it 1-1 in their fifth. We had a big surprise for them as we pounded Vandie pitching for six in our sixth to ice the 8-1 win. Bruce was the pitcher of record as 2 or more hits were smacked by Pat and Brian Finkbeiner.

Columbia Central came to town Saturday to make up the Wednesday rain-out. The first game went all our way for the 12-0 killing. Tom Lockridge was our winning hurler in this contest.

This was a double header which saw Mike Agin pitching for the Dutch. We held them off to win 5-4 as Mike posted the win although Rob Smith entered late as a reliever. Columbia Central had the bases full and Rob shut the door.

Our up-coming schedule has us host Michigan Center on Wednesday, then trek to Hanover-Horton on Friday. On Monday, May 6th, we welcome Grass Lake. Saturday, we start play in the Ann Arbor News

Tournament. This is a two maybe three weekend series. On May 4th, at Vets 5 (The field across from Maple Village) is the 9 a.m. battle against Saline. We then bus cross town for a 3 p.m. game with Novi at Washtenaw Community College field. We then have more May 11 and I'll let you know next week.

Girls Track

Grass Lake Invitational

At the Grass Lake Invitational this past Saturday, Manchester Girls Track Team competed against 14 other schools. Manchester's Tracey Schuler placed 5th in the 2 mile with a personal best of 18:16. The meet included some of the states finest runners and could be the most competitive meet that Manchester will run in.

Manchester Metrics

Saturday, May 11th, Manchester Metrics has 10 teams competing in Relay type events which makes it very interesting for both runners and spectators. All those interested in watching a portion or all of the meet can see the action get started at 10:00 and will continue throughout the afternoon.

Whitmore Lake Invitational

Manchester Girls Track Team took home several medals at a 6 team Invitational and put in many

fine performances. Tracey Schuler ran a 13:38 in the 2 mile to win a second place. Jodi Brokaw placed second in the 110 High Hurdles with a time of 18:1. The Shuttle Hurdle Relay Team made up of Beth Evans, Rita Talcott, Carla Neigebauer and Jodi Brokaw not only took first place but set a meet record with a time of 1:06. The team ran well and several runners are performing very well for this time of the season.

Manchester Vs Vandercook Lake

The meet against Vandercook Lake was close but Manchester lost 76-52. The Dutch did not pick up any points in the shot or discus but Manchester's participants are new to these events.

Jodi Brokaw with eyes on the school record, jumped 15' to take a first place in long jump. Mary Cleland jumped well in the high jump with a 4' 8" jump for a first in that event. Jodi Brokaw also took first in the 100M Hurdles (18.1) and the 100M Dash (13.7) Lisa Beck ran well in the 1600M Run with a time of (6:16) for a first. The 4x100M Relay Team placed first, consisting of Jodi Brokaw, Charlotte Walkowe, Carla Neigebauer, and Rita Talcott. Charlotte Walkowe took first in the 200M Dash with a time of (29.9) and Tracey Schuler came close to a school record in the 3200M Run with a time of (13:25).

INTO THE MOUTHS OF BABES A Natural Foods Cookbook for Infants and Toddlers

by Susan Tate Firkaly

INTO THE MOUTHS OF BABES is purportedly a book about making your own baby foods; but the scope of this book goes far beyond babyhood and even beyond toddlerhood. This book would be an excellent introduction to basic nutrition for children and anyone interested in learning more about better eating.

Firkaly begins with the basics of good nutrition and whole foods and continues with prenatal and infant nutrition. She also discusses food allergies and intolerances and how to cope with them, including recipes and suggested diets excluding the most common food allergens: wheat, eggs and milk.

Continuing with "Beginner", "Intermediate" and "Advanced" recipes, for the latter half of the infant's first year, we learn how to make easy pureed fruits, baby cereals from whole grains; progress to yoghurt (Home-made) and pureed vegetables; and then on to the more interesting early foods including fewer and fewer "blended" foods and more of the foods we are more accustomed to eating in childhood and adulthood:

Whole-grain pancakes, salads, puddings and casseroles.

Whole Family Recipes are also included at the end of the book so that the entire family can enjoy a new spectrum of good eating. The recipes are easy to prepare and delicious. However, it would not be simply for the recipes that this book would come highly recommended. The author's coverage of the very complex subject of nutrition in basic, easily understood terms is well worth the reading.

H & R Block Employees Honored

H & R Block employees of Manchester were guests of honor at the April 15th office party held at the VFW in Tecumseh.

Following the swiss steak family style dinner, Manager Don Dickerson commended all for their efforts during the recent filing season. Those attending from the local office were Don Nutt, Mr. and Mrs. Bruce Geer and Doris Pardon. Employees of Tecumseh and Dundee were also in attendance. Mr. and Mrs. Dickerson own and operate the H&R Block offices there in addition to the local tax office here.

Joe's Body Shop

Joe Bryan—Owner

When a body shop does good work, the word spreads quickly. People will go out of their way to find men that will do a craftsman-like job. Because of the lighter materials used in cars today, it takes an expert to do the job right, and in the Brooklyn and surrounding area, that expert is Joe's Body Shop. A quality repair and paint match will gain you hundreds of dollars when you sell or trade.

Located at 124 South Main, Joe's Body Shop, phone 592-3530, can handle any job from glass replacement to a major rebuild.

Restoration work is performed on the older models and fiberglass repairs are available for the newer models. The quality of work here has earned them the respect and confidence of area residents and insurance adjusters alike.

As writers for this 1985 Community Review, we know you'll be glad you trusted Joe's Body Shop for a proper job that will save you money.

Shelly's Hindquarter

Richard Shellberg—Owner

Everyone's concerned about quality these days. Everyone's also concerned about price. Well, at Shelly's Hindquarter, you can be assured of getting the absolute finest, both quality and price-wise, when it comes to custom meats!

Stop in at Shelly's Hindquarter at 129 North Main in Brooklyn and see for yourself! The careful selection of animals that this shop uses consistently provides better meat for your meat dollar. Speaking of your dollar... here's one firm which is able to keep your cost at an absolute minimum through their wise marketing practices.

Phone 592-3216 and get a friendly price quote on a quarter or half of beef. There are also party trays available for your parties and group gatherings. The writers of this 1985 Community Review think you'll agree that it's tough to beat the kind of value and quality you'll find at Shelly's Hindquarter in Brooklyn.

Napoleon Feed Mill

Denny Heselschwardt—Owner

Today's farmer and dairyman need all the help that the latest in feed research has to offer. Your productivity depends on the maximum weight gain or the production from each animal. In this area, the people to see are at Napoleon Feed Mill in Napoleon.

They offer a full line of the finest in Master Mix feeds and supplements. The proper feed can boost your production. These men can advise you in making the right choice. Their Master Mix feeds are famous for quality and results. They also offer bulk, bag, and liquid fertilizer and other farm chemicals.

Naturally, they offer a complete selection of feeding equipment for your convenience. For more information, drop by Napoleon Feed Mill, located at 120 Depot Court in Napoleon. Or phone them at 536-8311. It is our pleasure to point out this valuable company to our readers. They are ready and able to serve you because it's their job to help.

Quality Glass

Gary Babcock—Owner

A substance that most people take for granted, until an accident occurs and breakage results is glass, and a complete selection of all kinds of glass including plate, mirror, sheet, auto and insulated glass can be found at Quality Glass, located at 310 West Brooklyn Road in Napoleon, phone 536-8202.

The expert glaziers here can cut any type of glass to any size order. Whether your need is for some glass for that broken window or a complicated pattern for a fancy desk top, you can be assured of expert work by this firm.

Commercial work is an additional feature of this progressive "House of Glass". Some outstanding storefronts in our area have been created by Quality Glass.

This establishment is the place to contact for real value in glass of any type. The writers of this 1985 Community Review would like to suggest you keep this number - 536-8202 - handy throughout the year.

Carpet Kraft

Wm. Wilson—Owner

There comes a time and season when your carpets need a deep down and thorough cleaning. Anyone who's ever done this type of cleaning knows that vacuum cleaners just can't get all the dirt and dust out of carpets.

That's where Carpet Kraft comes in. Their professional process is a process where the soil is extracted, not scrubbed in deeper. And it's the best you'll find anywhere for the money.

To do your home or your office a favor, just phone Carpet Kraft at 592-6791 for a free estimate. You'll be surprised how reasonably priced this carpet cleaning service is.

Whether for your home, vacation cabin, or business, we, the writers of this 1985 Community Review know you'll be happy you phoned Carpet Kraft of Lake Columbia.

Tecumseh Tavern & Restaurant

Bob & Joanie Powell—Owners

A favorite with the people in Tecumseh and the surrounding area is the Tecumseh Tavern & Restaurant, at 108 West Chicago Boulevard in Tecumseh, phone 423-7086.

This spot is popular for four things: friendly people, cold drinks, delicious food, and good times! Whenever you drop in the Tecumseh Tavern & Restaurant, you can relax and enjoy yourself, and of course, a full menu is available with complete dinners. Tecumseh Tavern & Restaurant is closed on Sundays.

There are a lot of taverns and restaurants in the area, but very few that have earned the distinction of a "traditional stop" in Tecumseh.

The compilers of this 1985 Community Review proudly point to the friendly people at Tecumseh Tavern & Restaurant and suggest you stop in your next time in town. The entire staff here appreciates their customers from this entire area, and looks forward to serving you in the future.

Twin Oaks Sales & Service

The name Twin Oaks Sales & Service in Cement City at 400 Main, phone 592-8501, has become a popular word in this area for farmers, businessmen, and everyday drivers for their friendly service and excellent line of high quality Cooper tires.

We all know that worn tires can be dangerous, and Twin Oaks Sales & Service carries a large stock of sizes on hand so you won't have to drive on those skins while waiting for your tires to come in.

Along with their fine line of reasonably priced Cooper tires, you'll find them friendly and fair to do business with. Their employees are trained in selecting the right tire to do the job... and to make sure that when it is mounted, it will be in balance.

In this 1985 Community Review, we, the writers, are pleased to point out this Cooper tire dealer to all of our readers, and commend the management for continued efforts to serve the people of this section to the best of their ability.

Driveways, parking lots, subdivisions, streets, patios, service station lots, roads and lawns are some of the jobs handled by this firm. Complete surfacing work or patching and repairing is done as well.

There are so many ways Wayne Asphalt Paving, located at 9144 Willow Road in Saline, can help you from being "stuck in the mud" whether you be in town or on the farm. They do their work in an economical manner and do it so that it will last. A phone call to (517) 456-7205 will provide you with facts and figures about your paving job.

ZIEBART APPEARANCE & PROTECTION SERVICE OF SALINE

"Under New Ownership"

Beautiful your car as well as materially increase its value by having it cleaned and reconditioned at Ziebart Appearance & Protection Service Of Saline, located at 765 West Michigan Avenue in Saline, phone 429-9487.

Your car deserves more than a lick and a promise. Here they will completely clean and recondition the exterior and interior. Then, except for occasional washings to get rid of surface dirt, you can forget it for a whole year. They feature automobile undercoating and rustproofing for your cars' protection and can install sun roofs and running boards, too.

Individual owners, garage and service men, and automobile dealers over a wide area avail themselves of this unique service, and speak most highly of it. Be sure to ask about their motor reconditioning service.

The employees at Ziebart Appearance & Protection Service Of Saline, certified by Ziebart, are courteous, and see that your car is handled as carefully as if it were their own. Your car's beauty and increased value are the business of this establishment. Their reputation was built on good service and fair prices.

The writers of this 1985 Community Review suggest you stop in soon at Ziebart Appearance & Protection Service Of Saline.

TECUMSEH DIESEL SERVICES

Wendell Frost—Owner

There are plenty of places that repair gas engines in cars and trucks, but what about your diesel unit? See Tecumseh Diesel Services at 424 South Maumee in Tecumseh for complete repair on all types of diesel engines. Trucks, farm and heavy equipment all require the specialized skills that only a diesel shop has to offer. Don't trust the rig that earns your living to just anyone, phone 423-4121 whenever you have a problem with a diesel rig and let the pros go to work!

Professional truckers throughout the area know that this firm will be able to get them rolling in the shortest time possible. This is one firm that realizes what your needs are and do everything in their power to get you back on the road with a minimum of down time. The kind of service and the quality of work put out by this diesel specialty garage has won them the praise of truck drivers and heavy equipment operators who demand the most for their repair dollar. Get the best... call Tecumseh Diesel Services at 423-4121. We are sure you'll be pleased with their service.

VCR AUTOMOTIVE BODY RESTORATION

Steve Cho—Owner

The personnel at this firm are specialists in body and fender work as well as auto painting. The place to have your car body rebuilt or painted is at VCR Automotive Body Restoration, located at 2231 Platt in Ann Arbor, phone 971-6362.

This firm fully understands auto body and fender repair work and specializes in BMW, Volkswagen, Honda, Porsche, Audi, Mercedes and Toyota body repair. They also feature expert workmanship on race, exotics, and prototypes. Whether it is a small or a large job, you will receive the same courteous treatment and professional workmanship.

This is one of the best known auto body repair shops in this area because of its excellent workmanship and service.

Most insurance policies now permit you to choose the repair shop you like best. Select them to do your work. Their body work as well as auto painting is among the best done in this section. They have the "know how" that puts their work in a class by itself.

The narrators of this 1985 Review invite you to see VCR Automotive Body Restoration for all work of this type.
