A Communication

Manchester Enterprise
March 7, 1901

Editor Enterprise: — Within the last two or three months, upon coming home, complaint has come to me from the best grade of our citizens respecting the financial condition of our village and general methods by which our affairs have been conducted.

Of late the complaint has been more frequent. To these complaints I have asked, "why do you not then air the situation and lay bare the truth, for it never harms proper conduct." The reply usually is that the ones to be complained of, when the subject is approached, rail out "you are a kicker" and kindred expressions.

In this country of free thought and liberty for honest criticism such replies are foolish and usually inspired with biting sarcasm. All in authority and doing official acts are legitimately open to honest criticism, and if they cannot stand the fire, they should retire; manifestly then something is wrong.

Just as we are about to have a village election it is opportune to inquire and look over the stewardship of those seeking official preferment, and if any blame is to be attached, then honestly but fearlessly discuss and decide.

My citizenship has been that long in this locality that I am able to speak something of its history since this village came under the general charter of the state, and

Manchester Citizens Get Lead Roles In "The Carrier"

After many months of auditions, Swan Productions has announced that two residents of Manchester have been chosen to have lead roles in the film "THE CARRIER", a psychological horror film, being filmed in Manchester this summer. Among those chosen for lead roles are Robin Fleck and Kimberly Lee.

The creators of "THE CARRIER" report that distribution plans for the finished film are going well. Says Nathan White, director of the film, "Aaron Leider, producer, tells me that the domestic market for horror films is very strong, with the foreign market just as strong or better. He showed the final version of the screenplay around Hollywood and received a PG-13 rating. The PG-13 rating will allow the greatest number of people possible to see the film in the theatres."

White still expects to be shooting on location at farms and fields by August 1. The downtown Manchester shoot will follow in August or September, with plenty of public notice beforehand.

with some authority for its management upon the economic or financial lines.

Until within the last two or three years our corporation taxes have been within fair bounds and easy, if not pleasant to discharge; yet in looking up my tax receipts, I find that village taxes have gradually advanced from about \$10 to \$46 for last year, being \$27 for 1899; and another's tax, who I represented, jumped from \$11 in 1899 to \$18 for 1900, and of course it follows other tax payer's payments must likewise and proportionally have advanced, and I am told by many this is true, the assessment value, however, of the village being practically the same.

Right here permit me to remark, that it is my observation, nine cases in ten, that it is not true assessment of property which causes taxes generally to be burdensome, but rather an extravagance, if not reckless and often scheming raids upon the treasury that has taken place.

Whether this is true in our village, am not prepared to say; the facts, however, will disclose to any one who may take the time to look them up. And in this connection I desire to say to my fellow citizens the books, accounts vouchers and all are legally open to your inspection.

In other days we built a good village hall, equipped a fire department and acquired no little property with funds which accumulated in the village treasury. This accumulation arose from the liquor licenses, no fund being raised by direct tax, save only for the "highway or

Board Of Education Sets Special Election Date For September 9th

At a special meeting the Manchester Board of Education took action to set September 9 as the date for the special school election.

Following the defeat of a millage proposal on the ballot in June, the Board immediately rescheduled the election.

Several Board members commented that it was clear that the schools could not continue to provide the same program without additional millage. The belief was expressed that there is sufficient support within the community for current programs, but that for various reasons many people had not voted. It was felt that it is essential that all registered voters clearly understand the importance of this election and be offered another opportunity to indicate whether or not the schools should continue to offer current programs.

Board Of Education Sets Millage Proposal

During its regular meeting the Manchester Board of Education took action to set a millage proposal on the ballot of a special school election to be held September 9. After extensive discussion it was decided to once again include the needed millage in one proposition. The Board indicated that the millage would be used for transportation and other general operating purposes.

The Board was unanimous in its opinion that the current program could not be offered with less than a 4.6 mill increase. A Unanimous decision was also reached regarding the one year term of the millage.

The most extended discussion centered on the idea of one package versus splitting the request into separate issues. Several members indicated that they could argue either side of the issue and had a difficult time deciding. At the vote Trustee James Samonek cast the only dissenting ballot against keeping the issues in one proposition. Samonek indicated that he was in total support of the millage but continued to feel that the issues should be separated.

Board work also continued on the effort to identify programs which would be reduced or eliminated if the millage were not passed.

William Zsenyuk Resigns

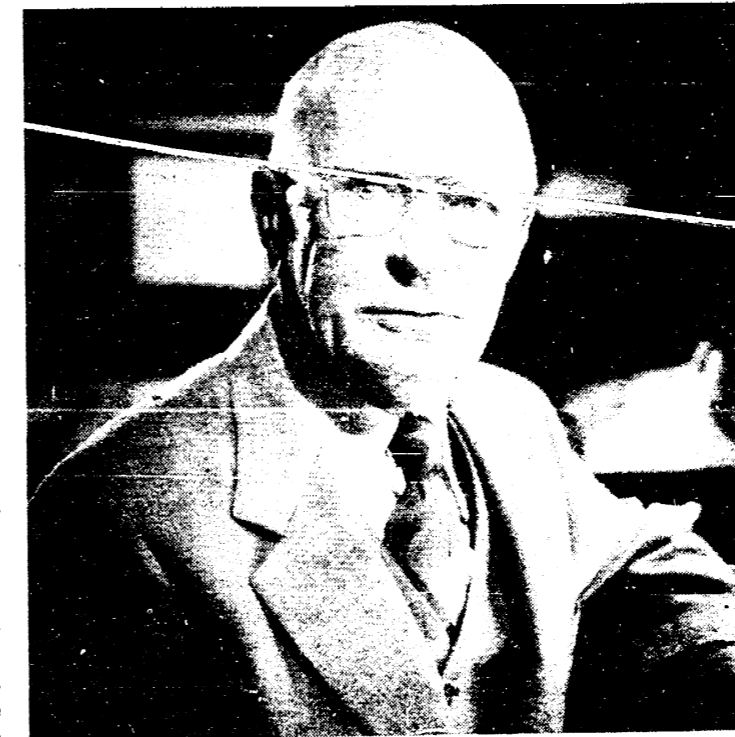

William Zsenyuk, Village Manager and Director of Public Safety, submitted his resignation to the Manchester Village Council on Monday, July 15, at the regular Council meeting. His resignation will be effective, August 14, 1985.

Bill has accepted the position of Chief of Police for the Milan Police Department, Milan, Michigan.

He came to Manchester as Police Chief 13 years ago after serving 18 years on the Detroit Police Department.

This One's For Bob

This is the 32nd Annual Manchester Chicken Broil and if there is any one person in Manchester who has been there from the beginning, it is Bob Ross. So, this one's for Bob!

Every year, the Chicken Broil Committee invites an honored guest. The hospitality of Manchester is extended to the guest before the chicken broil begins at 4:00 p.m. This task usually fell to Bob Ross, and he performed with enthusiasm. He

drove the guest or guests around Manchester, pointing out the significant land marks and extolling the virtues of the people of the village.

Then Bob and Aileen, his lovely wife, would host a reception at their home on Bethel Church Road to further honor the guests of the Chicken Broil.

Bob has done a lot for the Manchester Chicken Broil, and this year Bob and Aileen Ross are our honored guests. This one's for Bob.

Fair Seeks Exhibitors

One of the things that makes Manchester's Fair a community effort is the display in the Exhibit tent. Each year Manchester people enter homegrown vegetables, flowers, home canned fruits, jams and jellies, pickles and relishes, and other hand-crafted items for judging in one or more of the hundreds of categories listed in the Fair book. And each year the Fair awards 1st, 2nd and 3rd place ribbons and cash prizes to the best in these categories.

This year, Exhibit tent chairman, John Gialanella, expects more entries in the fruit and vegetable categories because of the fine weather early in spring. Be sure to enter yours early and choose the best of your crop. Remember, prizes are awarded for the biggest and for the most unusual entries in several categories as well as the most uniform.

Complete rules for entering any of your items can be found in the Fair Book, which will soon be available at the IGA and many downtown merchants.

For those of you who have never entered anything in the Fair, it's easy! Entries will be accepted Monday, August 19,

from 6-8 p.m., and Tuesday morning from 9:00 to 12:00 noon. It is suggested that perishable entries be brought in on Tuesday morning (baked goods, cut flowers and very tender vegetables).

Each exhibitor has his own number. If you have exhibited in the past, this number will help speed things up when you enter your goods. If this is the first time, you will be issued a number when you first come into the tent.

Then one of our volunteer workers (without whom this process would be much more difficult, if not impossible) will type your name and address on the form. You will take the form to the right category - plants, vegetables, baked goods - and another volunteer will fill in the correct numbers and tag your item. You will get a receipt with the numbers of your item(s) on it. Keep this so you can easily claim your goods at the end of the Fair.

If you are exhibiting a large number of items, or if you are competing for one of the Homemaker awards, you are urged to pick up the entry forms early, either at the Fair office before the Fair begins, or from Carol Britten. She may be continued on page 10

4th of July Drawing Winners Announced

For the fourth consecutive year the Manchester Area Historical Society held its annual Fourth of July Drawing in Carr Park prior to the fireworks display provided by the Manchester Men's Club.

The following individuals held the winning tickets in this year's drawing:

\$100 Cash Prize - Mary Fielder, Manchester; Phyllis Koernke, Manchester; \$50 Cash Prize - Janel Kirk, Manchester; A.W. Merz, Tecumseh; \$25 Cash Prize - Mrs. Russell J. Burns, Ann Arbor; Dr. Dixon, Tecumseh; Leon DuFek, Grass Lake; Leon Feldkamp, Saline; Nancy Feldkamp, Manchester; E.W. Garlick, Manchester; Dan Horn, Manchester; Robert Little, Manchester; Emmett Noggie, Manchester; James Reibel, Manchester.

Again this annual drawing was an outstanding success. The society was fortunate to have Floyd Parr serving as chairman of the ticket sales committee, along with Tom Walton, Jim Kruse and many others. In total over 1800 tickets were sold in the 1985 drawing. This resulted in a profit of over \$1,200 being raised to support projects of the society during the coming year.

Letter To The Editor

There are today young men and women in Europe who for a year of more have been dreaming of spending a high school year in America, perhaps gazing in awe at a picture of the Great Lakes. They have brushed up their English, filled out applications, and completed several interviews. Now all that stands between them

and the realization of their dreams is right here. If no families here open homes and hearts to these kids, they'll spend next year still only dreaming of what might have been the experience of their lifetime. Host families make a dream come true while having their own year to remember with a new friend for life. As an area representative for the Educational Foundation for Foreign Study, I have seen the joy the exchange program can bring for all involved. If you would like to host a European exchange student, call me, Linda, at 996-9176.

Sincerely,
Linda Lakshminarayanan

(Reprint from FARM WIFE NEWS.)

I'm not a farm woman—I work at the Holland Patent, New York Post Office. But a man who works in the dairy business made a comment to me one day that made me think about something your readers might be interested in. He was admiring the new seashell stamps, but said, "Why don't we ever see any stamps with cows on them?"

This led him to encourage everyone walking into the post office in the next 20 minutes to fill out a Consumer Service Card suggesting an agricultural series of stamps. After this incident, I thought what a great campaign this could be for farm people nationwide!

If other readers would like to help, simply ask your postmaster for P.S. Form 4314-C. Fill it out and return it to your post office. Let's see what happens!

Bridgewater Township Planning Commission

The meeting was called to order at 8:05 p.m. on Monday, July 8th, 1985, at the Bridgewater Township Hall.

Present: Alfred Cowhy, Leonard Dayss, Louise Fraumann, Gerald Marion, Deanna Becklehamer, Gabriel Dull, Gene Braun. Absent: Roger Hardenbergh, Marvin Breitenwischer. Attending: Harlin Fraumann, Zoning Inspector, Karen Weidmayer, Bridgewater Township Clerk, and Doug Parr, Township Supervisor.

The minutes of the meeting of May 13, 1985, were read and accepted and approved as read.

So that a report can be made at the September 9th, 1985, Planning Meeting, in regard to the request by Doug Parr for information so that the zoning map can be updated, the Commission broke into a working session.

At its conclusion, the Zoning Inspector gave an update on the use of the conditional use permits granted to Straubel and Weirick.

Gene Braun moved, and Louise Fraumann seconded, the motion to adjourn, at 9:45 p.m.

Respectfully submitted,
Louise Keatley Fraumann,
Secretary

Attention!

As anyone who has ever worked in the Fair Food Tent knows, there are many hours of work that need to be done. The Athletic Boosters are sponsoring the Food Tent this year to raise funds to complete the Athletic Complex. If anyone would like to help for 1 shift, bake pies or in any other way, call or contact any Booster member. For pies, call Betty Mann at 428-8090. Any other offers of help may call 428-8775 after 5 p.m.

Senior Citizens News

This is The Day - July 18 - everyone eats chicken!

Saturday, July 20, is the inexpensive way to see the Speedway racing at Brooklyn. Sure, one never goes because the crowd, driving and parking is a mess. This is the way to do it - in all the comforts of the Senior Citizens bus with driver, Maynard Blossom and free tickets. The bus will leave Emanuel parking lot at 10:00 Saturday morning and will take in as much of the time trials as the group likes, lunch out and home. The real buffs can go on Sunday and pay for the crowded roads and jam to see the real thing at a price. Call Helen Braun, 428-8966, or Maynard Blossom, 428-8259, for details. All

that's necessary is that you are 55 years of age or over.

Monday, July 22, a 9:00 bus leaves for shopping at Briarwood. Call Helen or be at the lot at Emanuel Church on time.

Tuesday, July 23, is brown bag lunch day with Euchre, Bridge and Crafts.

Thursday, July 25, a bus leaves at 11:00 for a visit to the Saline Evangelical Home and lunch out. This is an opportunity to visit with all those friends at the Home who enjoy seeing and hearing about their home town more than you can imagine.

The Public Card Party is Thursday night too, at Freedom Town Hall at 8:00. Call Helen for details. Continued on page 4

Council Proceedings

July 1, 1985

The regular meeting of the Manchester Village Council was held July 1, 1985, at the Village Hall.

President Hinkley called the meeting to order at 7:00 p.m. Present: Becktel, Kallewaard, Koebbe, Niehaus, Tapping, Zaborowski, Zsenyuk, Wiedmayer.

Becktel moved to approved minutes as read, supported by Koebbe. Motion approved.

Sandy Winzenz, Michael and Donna Spiess were present to discuss the burning issue in Manchester. Mrs. Winzenz stated she has lived here 10 years. Having Asthma the burning of leaves and other substances greatly impair her health and its an infringement on her rights. She read the following letter:

Dear City Council Members:

I have been asked to write a letter concerning the burning of leaves in Manchester in the fall of each year. I, Like everyone else in Manchester, am well aware when the fall season is here; the smoke and smell of burning leaves is difficult to ignore. My partner and I also are aware of the burning season in the types of patients and their complaints that they come into our office with: our patients with asthma, allergies, and emphysema have a more difficult time with their illnesses during the burning season. The burning season makes it difficult for them to function in a normal productive manner.

On the other side of the coin, Zaborowski said the Ordinance

I can also empathize with those persons who have a lot of leaves to get rid of. They have the right to be able to dispose of their yearly accumulation in the quickest and safest way possible. I would like to support any method that would lower the health hazard posed by the burning of leaves, while also enabling all of us taxpayers to eliminate the grass and leaves collected over the year. I would like to make a few suggestions:

1. Look at other communities in the surrounding Washtenaw and Jackson and Lenawee counties; see what city policy they have regarding the burning of leaves.
2. Consider shortening the burning period or limiting it to only weekends or certain days or times of days.
3. Look into the cost-effectiveness of a leaf pickup service by the Manchester Public Works Department.

Thank you for allowing me to express the medical and health risks and troubles experienced by some of my patients, while also trying to balance those rights against the rights of those persons without lung diseases. Thank you again for your time.

Respectfully,
Monty Okey, MD

Michael and Donna Spiess stated that the burning of leaves and substance makes Donna so ill that she is unable to leave her home.

Zaborowski said the Ordinance

ESTATE AUCTION

Friday - July 19, 1985 - 10:00 a.m.

Located 15864 Below Rd., Grass Lake, Michigan, 5 miles South of Chelsea on M-52 or 3 miles North of Manchester on M-52 to Pleasant Lake Rd., West 3 miles to Sharon Hollow Rd., 1 mile North to Eusades Rd., 1 mile West of Jacobs Rd., 1 mile North to Below Rd., 1/2 mile West. Watch for Auction Signs.

THIS IS A LARGE AUCTION - Beginning at 12:00 Noon - 2 Auction Rings Will Be Selling.

Manchester Kid Survey On Fair Food

by Amber Clouse, Age 7

by Crystal Perry, Jeno Okey Tom Tzortzis and Tracey Sixby

There are many kinds of food at the Fair. Some things they serve are hamburgers, elephant ears, french fries, onion rings, popcorn, caramel apples, caramel for corn, candy apples and a lot more. We took a survey of the 5th

grade kids at Manchester Middle School and found they like the Fair's food in this order:

17 of the 5th grade voted for cotton candy, 1 of the kids voted for ice cream cones, 6 of the kids voted for french fries, 2 of the kids voted for popcorn, 2 voted for candy apples, 4 voted for other. The big winner is elephant ears with a score of 32.

MJK ARCHITECTS ENGINEERS PLANNERS
LANSING, MICHIGAN

BOILER & HEATING SYSTEM REVISIONS
MANCHESTER HIGH SCHOOL
MANCHESTER, MICHIGAN
PROJECT 8537

Advertisement For Bids

SINGLE CONTRACT: A sealed proposal is requested for all work of all trades for the project according to Contract Documents prepared by MJK Architects Engineers Planners.

PROJECT:
PROPOSAL 1: Make necessary revisions to existing boiler to convert heating system to hot water with new piping, pumps, hydronic specialties, coils, insulation, temperature controls and electrical wiring.
PROPOSAL 2: In lieu of Proposal 1 make necessary revisions to existing boilers, feed water system, water treatment, piping, insulation controls and electrical wiring to put low pressure steam system into proper operation.

Proposals will be received until 3:00 P.M. on Wednesday, July 31, 1985 at the Board of Education, Manchester Community Schools, 710 E. Main, Manchester, Michigan, at which time they will be publicly opened and read aloud. Proposals received after the time specified will be returned unopened.

CONTRACT DOCUMENTS: Contract Documents will be available on or about July 22, 1985. Contract Documents are on file at the following locations:

1. Manchester Community Schools, 710 E. Main, Manchester, MI 48158.
2. MJK Architects Engineers Planners, 520 Cherry St., Lansing, MI 48933.
3. Builders Exchange in Lansing, Flint, Detroit and Kalamazoo.
4. F.W. Dodge Corporation in Lansing, Flint, Detroit and Kalamazoo.

Contract Documents may be obtained by Bidders from the office of the Architect for a deposit of \$25 per set. A maximum of 3 sets per Bidder.

DEPOSIT REFUNDS: When complete sets of bidding documents are returned in good condition, deposits will be refunded to the following:

1. Non Bidders who return complete sets prior to the bid date.
2. Non successful Bidders and all Sub-bidders who return complete sets no later than two weeks after the bid date.
3. The successful Bidder. In addition the successful Bidder will be issued additional sets for distribution to their sub-contractors.

BID SECURITY: Accompany all proposals by a certified check, bank draft or bid bond in an amount of not less than 5 percent of the total proposal amount. Successful bidder will be required to furnish Performance, Labor and Material Bonds, each in the amount of 100 percent of the contract.

RIGHTS RESERVED BY OWNER: The Owner reserves the right to waive any irregularities, reject any or all proposals or accept any proposals that, in the opinion of the Owner, will serve their best interests.

WITHDRAWAL OF BIDS: No bid may be withdrawn for a period of 60 days after the opening of bids.

transportation from the village. Looking ahead: The very important Senior Club monthly meeting will be coming up on July 31 at 1:30 at Emanuel United Church of Christ. Part of the meeting will have to do with changes in the By-Laws which are up for vote. Anyone wishing copies of the By-Laws should contact Jan Nali, 428-7181 (Tuesday, Wednesday or Thursday), Rubena Bowler, 428-8655 or Millard Uphaus, 428-7461.

And way ahead, the Open House at the new Center has been set for September 22, so watch for further notice.

Please try to turn in your Bill Knapp Bonus Points for help toward the furnishing of the Center. It's so easy - all you do is ask the cashier for the Points when you pay your bill at Bill Knapp's. You don't have to be a Senior Citizen to get the points - just ask and give them to the Senior Council in Manchester!

Bloodmobile Report

Congratulations Manchester Areal! An American Red Cross emergency request for blood was met head on Monday with 179 units - well over the 160 quota set for the day. The need has become very critical and the local collection is a boon to the surgery scheduled for the nearby hospitals.

Thanks to the donors (all 188 who came), the volunteers including the Legion Auxiliary Canteen refreshment committee and to the cool comfortable Legion Post's Hall the Bloodmobile was terrific! Details next week.

Transportation Heads List Of Board Of Education Cuts

A four hour discussion by the Manchester Board of Education at its regular meeting led to the conclusion that transportation services would be the first item eliminated if the Board were forced to reduce programs by another millage defeat. The Board was in agreement that required special education transportation would be continued but that all other non-required services would be eliminated.

Also included on the list of program reductions were elementary music and physical education, a portion of the athletic program, the Gifted and Talented program, driver education, portions of the secondary physical education program, three custodial-maintenance positions and a portion of the equipment purchase program.

Discussion regarding the programs to be reduced or eliminated will be continued at the special meeting scheduled for Monday, July 22, at 8:00 p.m. in the high school library. The administration was requested to refine the dollars involved based upon Board discussion with additional information being returned to the Board on the 22nd.

All Board members expressed the concern that the basic education program not be severely damaged if at all possible. Several members stated, "Our mission is education. It is good when we are able to provide services such as a social worker, transportation to school and other non-education items. However, we must keep in mind that we are here to educate kids."

Weeds Or Wildflowers?

Is the ox-eye daisy a weed or a wildflower? County Parks naturalist Matt Heumann will answer that question at Rolling Hills Park Sunday July 21, 10 a.m. - 12 p.m.

The interpretive walk in this rural park will be led through fields which have been reclaimed by wildflowers since the farming was discontinued.

Heumann will also discuss the order in which plants come into disturbed areas, which plants are beneficial or ecologically harmful and which plants are native or alien.

Many people don't realize how many flowers which are recognizable aren't native to this country, says Heumann. For example, ox-eye daisy, chicory, red clover and Queen Anne's lace originated in Europe.

Meet the naturalist in the parking lot. Rolling Hills is off Stony Creek Road, just north of Bemis Road.

Area Students Attend Statewide Citizenship Seminar

Attending the seminar from Washtenaw County were, left to right: (back) Ken Baldus of Dexter, Rob Burg of Chelsea, Jim Hoeft of Saline, and David Renner of Manchester; (front) Dave Weidmayer of Ann Arbor, Diane Braun of Ann Arbor, Sara Graden of Ann Arbor, and Melinda McCalla of Chelsea.

Over 230 Michigan high school juniors and seniors attended the 22nd annual Young People's Citizenship Seminar at Olivet College June 24 - 28. Michigan Farm Bureau sponsors the event to help students prepare for their responsibilities as voters and possible politicians. The seminar also helps them gain an understanding of other forms of government and an appreciation for their own.

Highlights of the week's activities included a mock world of politics where students ran for state and county offices and participated in voter registration,

political campaigns, party conventions, rallies, and primary and general elections.

The students learned about America's free enterprise market system from Dr. Michael Kusnic, senior economist for General Motors, and Dr. Charles VanEaton, a professor of economics at Hillsdale College.

Two speakers gave them an appreciation for their country. Robert Rowland, executive director of Enterprise Square USA, and Maria Schultz, a former Ukrainian refugee and a Naturalized U.S. citizen, compared the freedoms Americans take for

granted with the way people live in communist countries.

No one country's culture is better than another's - they're just different," was the message the students heard from Dr. John Furbay, who has traveled extensively in this country and abroad.

Rev. Bruce Hanks, a distant relative of Abraham Lincoln who closely resembles him, dramatically portrayed Lincoln and talked about how the 16th president would probably feel about the current situation in this country.

Dr. David Landswerk, superintendent of schools in Owatonna, Minnesota, entertained the students with humorous and inspiring remarks about the U.S. educational process. The students were challenged by several other speakers to become good citizens. Saul Anuzis, administrative aide to Sen. Richard Posthumus, introduced them to the world of politics; Wayne County Executive William Lucas presented the winning candidates with awards and shared his observations on the political scene; and Vic Verchereau, a former state FFA officer who now works for Agra Land, Inc., challenged the students to use the knowledge gained at the seminar to become informed and involved citizens.

First Of America Declares Dividend

Dividends for First of America's four issues of preferred stock were declared today by the Corporation's board of directors, announced Daniel R. Smith, chairman and chief executive officer.

A dividend of \$.88 per share was declared for the Series A Preferred Stock, a dividend of \$.81 per share for Series B Preferred Stock, and \$2.035 per share for Series C Preferred Stock. Declared for First of America's new Series D Preferred Stock was a \$1.21 per share pro rata dividend for the 62 days since issuance. Stockholders of record August 12, 1985, will be paid these dividends on September 1, 1985. This is the third quarterly dividend distribution for stockholders in 1985, except for Series D.

First of America Bank Corporation, Kalamazoo, has \$5 billion in assets and 30 banks located throughout Michigan. On July 5, the Corporation announced the signing of an affiliation agreement with Alpena Savings Bank, Alpena, Michigan.

Monday, and Agriculture and Business Day Tuesday. Wednesday, July 17, is Youth Day, highlighted by a "People Power Parade" at 10:00 a.m., with activities scheduled all day for children. Thursday is Cultural Day with quilt displays and arts and crafts and concerts on the town square. Recreation Day, Friday, will feature the over 500 residents who signed up into Brothers of the Brush and Belle groups, as they hold softball, volleyball and other competitions during the day.

Heritage Day, Saturday, July 20, Stockbridge welcomes all visitors to come celebrate the Sesquicentennial with the "150 Years of Parades" at 12 noon. Michigan area clubs and bands will participate with special guests the Michigan Bicentennial Wagon Train Club. The day continues with a summer fair, sky diving competition, and an exciting fireworks display in the evening.

Area residents and merchants have decorated the village for Sesquicentennial with special antique displays in all store windows, banners on homes and businesses and the wearing of centennial costumes in town for several weeks in preparation for the week.

Seat Belt Law Helping

State Police credit the new seat belt law with helping to keep the number of fatalities down over the 102 hour holiday weekend. Fourteen people lost their lives on Michigan highways as compared to 22 fatalities during the last long

Fourth of July holiday in 1978. This was the first holiday with the seat belt law in effect.

Of the 14 fatalities, seven did not have seat belts available, four did not wear them, and three who wore belts were involved in non-survivable accidents. Col. Gerald L. Hough, department director, said the message is clear, "seat belts do save lives." But Hough stressed the fact that alcohol involvement continues to be a key factor in fatal accidents. Drinking was involved in five, unknown in four, and ruled out in three of the 12 fatal accidents.

Increased citizen awareness generated by Operation CARE activity along with safety breaks staffed by volunteer groups at 35 rest areas also contributed to the lower fatality count, Hough said.

During the first week of enforcement of the new law, 631 tickets and 1200 warnings were issued.

Astrofest Film And Lecture Series

Still pictures and films of Earth taken from space will be the subject of the 149th presentation of the AstroFest film and lecture series at The University of Michigan. The free public program is set for 7:30 p.m. July 19, in Auditorium 3, Modern Languages Building.

The program will include "the most spectacular of the more than two million pictures of Earth taken from space, with full explanations," according to Jim Loudon, AstroFest director and staff astronomer at the U-M Exhibit Museum. "Most of the pictures, which range from Michigan to the Sahara to the Antarctic to newly discovered kinds of ocean-surface phenomena, have never before been publicly shown in Ann Arbor."

AstroFest is sponsored by the U-M's Exhibit Museum and Department of Aerospace Engineering.

48th Annual MMPA/4-H Milk Marketing Tour

Among 4-H Club members participating in the 48th annual Michigan Milk Producers Association milk marketing tour is Jeff Horning from Washtenaw County. At right is Jim Burnett of the MMPA staff.

More than 70 members of 4-H clubs and their adult leaders headed for MMPA headquarters in Southfield for the 48th Annual MMPA/4-H Milk Marketing Tour July 9 and 10.

The tour, sponsored by MMPA in cooperation with Michigan State University's cooperative extension service, is designed to give 4-H members more familiarity with milk marketing procedures and the duties and operations of a dairy farmer cooperative.

The 4-H members toured the MMPA offices. MMPA President Elwood Kirkpatrick and General Manager Walt Wosje spoke to the group; 4-Hers also toured Detroit Pure Milk Co. processing plant. Tour participants also took in a banquet at the Southfield Holiday Inn and a Detroit Tigers baseball game.

In a problem-solving session, the 4-Hers divided into groups to discuss and "solve" situations like those confronting the board of directors of a dairy farmer cooperative.

Two of last year's top tour participants, Lori Crandall of

Battle Creek and Paul Wilcox of Lowell, were session leaders. They chaired various sessions.

Saline Breathers Club To Meet July 20th

The Saline Breathers Club will meet on Saturday, July 20 from 10:30 a.m. to 12 Noon in the Wellness Center, 200 North Ann Arbor Street, Saline.

Brian Bowman, a respiratory therapist at the Saline Community Hospital, will lead a discussion and review of "Help Yourself to Better Breathing", a self-management booklet for chronic lung disease patients. The program and materials were developed by the American Lung Association and have helped thousands of lung disease patients cope with emphysema, chronic bronchitis and asthma.

For more information about Help Yourself to Better Breathing, or the Breathers Club, call the American Lung Association of Michigan at 995-1030.

"Michigan History" Publication Available

Did you know that forest fires in Michigan have been the cause of a number of shipwrecks or that the "sawtooth" reef near Eagle River in Michigan's western Upper Peninsula contains the greatest concentration of shipwrecks in the Great Lakes?

These "strange as it seems" facts, along with stories on shipwreck salvage, gravestone rubbing and the state's new Civilian Conservation Corps (CCC) museum at Higgins Lake are included in the July-August issue of Michigan History, the state's official historical publication.

The Eagle River Shoals, nicknamed "Sawtooth Reef" is a five-mile long strip of jagged rock one mile off the Keweenaw Peninsula that has sunk or stranded 15 ships. Smoke from forest fires blanketing that area of Lake Superior and the light of one forest fire, mistaken for a lighthouse, contributed to the wrecks.

In addition to articles on the Great Lakes, the publication also features the history of Lapeer County and architect Albert Kahn who designed the porch of the Grand Hotel on Mackinac Island and the Ford Highland Park Plant.

Published by the Bureau of History of the Department of State, Michigan History is available in single copies for \$2 each or subscriptions for \$9.95 per year. It is also available on newstands. Checks should be made payable to the State of Michigan, and sent to the Michigan Bureau of History, Department of State, Lansing, Michigan 48918.

4-H Youth Show

"4-H Explores the World" is the theme of the 1985 4-H Youth Show being held Tuesday, July 30 through Friday, August 2, 1985, at the Washtenaw Farm Council Grounds, 5550 Saline-Ann Arbor Road, Saline, Michigan.

Gates open each day at 8:00 a.m. and close at 10:00 p.m. Admission is Free.

The public is invited to come and enjoy a variety of events, such as, the annual Livestock Auction, Softball Game, entertainment, and see the wide variety of exhibits and enjoy the Food Sales. Don't miss this family-oriented, barrier free event, held annually at the Washtenaw Farm Council Grounds, 5550 Saline-Ann Arbor Road. The dates, again, are Tuesday, July 30 through Friday, August 2nd from 8:00 a.m. to 10:00 p.m.

For more information, call or stop by the Washtenaw County Cooperative Extension Service, 4133 Washtenaw Avenue, Ann Arbor (County Service Center) or call 973-9510.

Chelsea Community Hospital Board Election A Communication

Art Dils

Patti Harris

Tom Niswonger

Walt Hamilton

Arthur E. Dils has been reelected Chairman of the Board of Trustees of Chelsea Community Hospital for 1985-1986. Dils had served as chairman for two previous terms. Also reelected were Thomas R. Niswonger, Treasurer, and Patricia Harris, Secretary. Newly elected is Walt Hamilton, Jr., Vice Chairman. Dils, who lives in Chelsea, is owner and President of Typographic Insight. He is Vice President of the Chelsea Board of Education and a member of the Board of Directors of the Civic

Foundation of Chelsea. Niswonger of Loch Alpine is Chairman and Vice President of Brady-Chesbrough-Niswonger, Inc. Harris is the instructor-coordinator in the Emergency Medical Technician Program at Jackson Community College. She is a licensed Emergency Medical Technician with ACLS training, a CPR instructor, and has previously served in the Jackson Junior Welfare League. Harris is also a member of the Grass Lake Volunteer Fire Department as well as a wife and mother of two. Hamilton resides in Chelsea and is Vice President of Manufacturing at Edwards Brothers, Inc. He has previously served on the Board of Trustees for the Hospital and is currently on the Board of its parent corporation, Community HealthCare Corporation.

street fund," which ranged from \$600 to \$1000. Of late years, I am told, the treasury is empty long before the close of the fiscal year and money is borrowed to tide over and additional taxes are being raised as well for the "general fund" to meet the expenditures, though the village population all this time remained the same.

In other days it was not an uncommon thing to transfer from the "general fund" to the "highway fund" so that still less taxes were levied to meet the requirements of this latter fund.

I am aware that one-half the liquor licenses go to the county, still \$2000 now arises from this source. \$1500, \$1600 outside, should meet our general village expenses leaving \$400 to \$500 to put into sidewalks, if need be. But right here permit me also to add, the plan of the sidewalk ordinance was not designed as a stepping stone for an onslaught upon the treasury, but frugally handled a blessing to our village, whereby gradually, but not to rapidly, the plan could be worked out. Watchfulness, however, is required that oppression is not the result.

Many ugly rumors I observe, seem afloat along the lines of uncertain management, which I hope is not true. I am also told that the committee work by the village has been charged and audited; if so, this is in direct violation of the charter. There are many other rumors extant of schemes employed to draw money from the treasury, or more than ought to be. Suffice it to say, I can see ominous clouds liable to break as a storm of rebuke, at least into scandalous conditions if the cause for this criticism is not removed.

I have written these few lines in the best of faith, hoping the coat or even the adverse criticism being raised between the lines, fits no one; if, however, it should, rest assured the public in due time will observe the aptitude and duly take care of the conditions. However, I desire to speak reservedly that true facts may obtain and public attention properly directed.

A.F. Freeman.

I am aware that one-half the liquor licenses go to the county, still \$2000 now arises from this source. \$1500, \$1600 outside, should meet our general village expenses leaving \$400 to \$500 to put into sidewalks, if need be. Installation of officers for the 1985-86 year took place. Our outgoing President, Helen Rigg, introduced our new President, Beth Clouse, who took over her presidential duties for the year 1985-86. Helen was thanked for a job well done and Beth was given a vote of confidence.

There will be no meeting in August. The next meeting will be September 11, 1985.

Recent DNR Actions

NRC Sets 1985 Pheasant Hunting Season Regulations

The Michigan Natural Resources Commission has set pheasant hunting regulations for the 1985 season at a recent meeting.

In zone one, Michigan's Upper Peninsula, the season is October 10-20, only in parts of Menominee County that are south of U.S. Highway 2 and parts of Delta County south and west of the Escanaba River.

The bag limits in zone one are one male pheasant per day, two in possession, and one in possession on opening day.

The season for zones two and three, the Lower Peninsula, is October 20-November 11. Bag limits are two male pheasants per day, four in possession, and two in possession on opening day.

Census reports show a "fair to good" count of the birds this year although the State's wild pheasant harvest remains on a downward trend.

The Department of Natural Resources sponsors pheasant chick rearing programs annually throughout the State to aid the bird's population growth in Michigan.

Quail Hunting Closed for 1985

Michigan's quail hunting season is closed again this year due to depleted quail populations, the Natural Resources Commission reports.

Department of Natural Resources Wildlife Division officials say most of the decline in the number of Michigan's quail was caused by the same ice storm which devastated southern Michigan this past winter.

A new census of the birds must be taken before any areas in the State can be designated for hunting quail, they say.

Fall, 1977, was the last open season for quail hunting.

Squirrel Hunting Regulations Updated

Squirrel populations throughout most of Michigan are reported as either stable or increasing as this year's extended hunting season, September 25 to January 1, approaches.

The Michigan Department of Natural Resources has set bag limits for fox, black and gray squirrels at five per day, 10 in possession, and 25 for the season.

The season will remain closed on Drummond Island this year in an effort to monitor the survival and reproduction of a gray and black squirrel released there.

The population is reportedly becoming established in several locations throughout the island.

The DNR reports that the fox squirrel is predominant in Michigan's Upper Peninsula and the gray and black squirrel is predominant in the Lower Peninsula and common in the northern Lower Peninsula.

For more information on these regulations contact George Burgoyne at 517-373-1283.

Our New Goal Setter Savings Lets You Set Your Sights A Little Higher.

If your goals seem light years away, you should look into our new Goal Setter Savings account.

Goal Setter Savings from First of America is a special way to save for a home, boat or college education.

You can open a Goal Setter Savings account with only \$250 and make deposits of \$50 or more, at any time. Each deposit is recorded in your Goal Setter Savings passbook. And you'll receive a statement each quarter so you can watch your savings grow. We offer a highly competitive variable rate of interest that's paid and compounded quarterly.

So ask about our new Goal Setter Savings account. When we work together, you can set your sights on the stars.

Cards of Thanks

I would like to thank my family, friends and all who helped me celebrate my birthday with visits, flowers and many many cards. Very special thanks and "God Bless you all."

Louise Huber

I would like to thank all who helped me when I was sick. Manchester Township Fire Department Rescue Squad, Manchester Police Department, thanks to all my friends who called, sent cards and flowers while I was in the hospital and since I came home. A special thank you to my daughter (Nancy) and her husband, to neighbors Gary & Margaret and granddaughter Karen. Thank you.

Bud Spencer

I wish to thank everyone for the flowers, cards and food that was brought in. Special thanks to Pastor Reineck, my family, friends and neighbors for all they have done while in the hospital and during my recovery. Its great to know you have friends during a time like this. God Bless You All.

Mrs. Lloyd Hughes

We would like to express our appreciation to the Men's Club for sponsoring the fireworks each year. It gives great enjoyment to a lot of people. This year through the generosity of Duane Trolz, we were able to use his elephant ear concession to raise funds for the Athletic Complex. It was a great success and we thank everyone who bought from us.

The Athletic Boosters

NOTICE

During the interim of Dr. William Purfield's illness and recovery, Dr. Fred Goff will assume and continue his medical practice at the 545 W. Main St., Manchester office of Dr. Purfield. Dr. Goff has been awarded admitting privileges at Herrick Memorial Hospital, Tecumseh, and will maintain the same office hours as in the past. Dr. Goff is expected to be in the Manchester area for the duration of Dr. Purfield's illness.

To arrange for an appointment please call 428-7188
