USPS NO. 327-480

THURSDAY, NOVEMBER 7, 1985

Optimist Club Outstanding Citizen

Jeff Mann receiving the Optimist award from Dr. Okey.

Jeff Mann was recently honored as Manchester Optimist Student of the Month for October. He is pictured above with Optimist member, Monty Okey. His parents are Ron and Judy Mann of 18885 West Austin Road.

Jeff is in his Junior year at Manchester High School. He has played on the golf team his tenth and eleventh grades, played basketball ninth, tenth and eleventh grades and been a member of the Optimist Steer Club his 3 years of high school. He was elected to the National Honor Society his Junior year and is currently in the leadership class. He is a member of the

Revaluation Field Work to Begin

The data gathering phase of the Manchester Township revaluation program will begin in the near term future. Field Listing Technicians of the Appraisal Research Corporation will be visiting each parcel of real property within the Township, and gathering physical data about the land and the buildings. These technicians will ask to see the interior of the property as well, so that they can gain a complete understanding of the property and gather the proper physical data.

If no one is home at the time of the visit, a card will be left at the property so that the owner can fill out interior information and forward it to the appraisal company.

Anyone with questions about the revaluation program should contact the Township at 428-7090 between the hours of 8:30 a.m. through 11:30 a.m.

Bethel United Church of Christ Youth Group and is a member of the high school Computer Club. Jeff is also 4th in his class academically with a grade point average of 3.8.

Jeff plans to go to college after high school, possibly in a business or computer related area.

Veterans Day Parade

On Sunday, November 10th, 1985, at 2:00 p.m., the Washtenaw County Council of Veterans will be holding their annual Veterans Day Parade in the Village of Chelsea. Each year the parade is held to show support for those who have given their lives in defense of our way of life as well as those veterans still with us, many of whom continue to suffer from injuries or diseases incurred as a result of service to this Country.

This year the parade's Grand Marshall will be Mr. Herman Reed of Chelsea. He is an Honorably Discharged World War II veteran, having served from April of 1943 until being discharged as the result of shrapnel injuries to both arms and legs in July of 1944. He served with the U.S. Army, 246th Combat Engineer Battalion. Mr. Reed received the Purple Heart in recognition of his injuries. Mr. Reed is a life long resident of Chelsea and a founder of the American Legion Post #31 there. Both before and since his retirement from Chrysler Proving Grounds in 1973, he has been active with various veteran

organizations. Mr. Reed has served as a Commander of the Washtenaw County Council of Veterans (1970-71), Commander of the Disabled American Veterans Chapter #13 (four years), and Commander of the American Legion Post #31 (1962-63). He is currently serving as an American Legion delegate to the Veterans Council, a position he has held since 1963, and also serves as Chaplain to that post. He is also currently a DAV representative to Voluntary Services at the VA Medical in Ann Arbor. Mr. Reed has close to 2,000 hours of service there and his wife, Doris, has 2,500 hours. The couple celebrated their fiftieth wedding anniversary on April 13th of this year. They have one son, James Edward Reed, of Onsted, Michigan, and two grandsons.

The parade will be attended by community leaders and all participants are invited to the Chelsea Fairgrounds immediately following the parade for refreshments. All citizens are invited and encouraged to turn out for an afternoon's fun and entertainment as well as to show your support and appreciation of the veteran community.

The Watkins Farm

How Success Is Achieved. A Japanese Student On The Farm

L.D. Watkins of Manchester, who is the proprietor and owner of the Fairview Stock farm, perhaps the finest piece of farming property in Michigan, was at the Wayne hotel, says the Detroit Free Press. For nearly 50 years Mr. Watkins has been engaged in the pursuit of agriculture in the Wolverine state, and he declares that after traveling through every farming state east of the Mississippi, and having engaged in the ranching business in the far west, unquestionably the finest farming territory in the Union is to be found in the lower tier of counties in Michigan.

The Fairview farm contains about 2,300 acres, and is beautifully laid out, with deer parks, private lakes and groves. And not a year since Mr. Watkins has been engaged in farming enterprises has he finished the year with a balance on the wrong side of the ledger.

"The trouble with a great many Michigan farmers," he said, "is that they have stuck too closely to wheat and have not paid proper attention to renewing the soil. Almost universally, they have said that raising stock does not pay, while as a matter of fact stock is the very thing to keep renewed and in good running

condition. I have not missed a wheat crop in the last three years, which is accounted for simply by the fact that my stock on the farm has more than made good the depletion of the soil."

In the last few years Mr. Watkins has had as visitors, for some months at a time, some young Japanese gentlemen who have been sent over by their fathers, and in some instances by the Japanese government itself, to learn American methods of agriculture. The last young man, whose name was Horli Itai, came last summer, and as soon as he arrived, he desired to go right to work.

"I told him," said Mr. Watkins, "that he had better wait a while and get knowledge by simple observation. 'No, no' he declared, 'I work, if you please.' Very well, I told him, the men are thrashing

Kick-off Meeting for 14th District Court Restoration

The Washtenaw County Board of Commissioners has generously doubled the minimum funding necessary to restore the Chelsea District Court to a working court in order to renovate this historic building. The Board of Commissioners and staff, Judge Fink, interested Townships, Villages, citizens, merchants, attorneys and the general public are invited to attend the "kick-off" meeting at the Courthouse on Monday, November 11, 1985, at 2:00 p.m.

The purpose of this meeting is to tour existing Courthouse, to listen to Judge Fink discuss its shortcomings and potential, look at the architects' drawings submitted to the County, as well as the plans of the Villages, Townships, and citizen groups to raise the necessary funds to renovate the interior skylight and marble columns.

Micro-biologist Visits Manchester High School

Miss Deb Stai, Microbiologist-Immunologist.

On Monday, October 28th, Miss Deb Stai visited the Advanced Biology classes at Manchester High School. Miss Stai teaches Micro-biology and Immunology to juniors and seniors at Ferris State College. She was able to share some of her experiences and her role with the students.

Mrs. Punches' Advanced Biology students then took a trip via a slide presentation to Ferris State College. They learned about the many career opportunities available in a health related field. They observed laboratory classroom settings for both four year and two year degree programs. Among the four year programs are: Environmental Health, Health Services Management, Medical Records Administration, Medical

Technology, Nuclear Medicine Technology, Occupational Safety and Health and Professional Nursing (B.S.N.). The two year programs include: Dental Assistant, Dental Hygiene, Dental Technology, Medical Laboratory Technician, and Respiratory Therapy. She also told the students about the school of Pharmacy and seven year School of Optometry. Before Ferris State College offered a School of Optometry, Michigan students had to go to Optometry Schools outside of the state.

Miss Stai gave each student a pamphlet describing each health related program before she left and welcomed students to tour the Center for Applied Health at Ferris State College.

School Board Notes

Manchester Community Schools Board Notes
October 29, 1985

The Manchester Board of Education met for its regular meeting on Tuesday, October 29, at 8:00 p.m.
All members were present. President Kent Talcott advised that he had received a letter from the WLEA regarding a grievance of layoff procedures.
During visitor input, Mrs. Joan Gaughn requested that the Board publish minutes of its meeting. She was advised that a summary of all Board meetings is made available at several village locations and is provided to the Manchester Enterprise. Mrs. Gaughn also presented petitions requesting the removal of Superintendent Thompson for what she described as "disregard for the welfare of our children."
Mr. David Lowery addressed the Board regarding the progress being made by the Athletic Boosters Sub Committee on the new athletic complex. He advised that progress was being made toward obtaining new seating at the complex.
Mrs. Linda Haussier asked the Board to be certain that the fourth grade reproductive health program is carried out this year. Minutes from meetings held on September 16, September 23, September 30, and October 7, were approved.
A financial report indicating a cash balance as of September 30, 1985, of \$839,092.06 was approved.
Bills totalling \$262,848.46 were approved, following Treasurer Jeff Schaffer's statement that he had reviewed the bills.
An extensive report of California Achievement Test Data was presented to the Board by Superintendent Thompson. He indicated that the report had not

yet been discussed in Administrative Council and that a full action report would be prepared for the Board. Copies of the report are available.
Superintendent Thompson advised that the district holds 55 shares of Brown & Sharpe stock which is currently selling for about \$23.00 per share and paying 20 cents per share annual dividend. He indicated that following discussion with the Finance Committee, it was felt that a better investment could be made since these funds are the underlying support for the annual Nellie Ackerson Scholarship award to the high school valedictorian. The Board approved selling the stock and re-investing the money according to the guidelines established by the State of Michigan for school district investment.
The Board approved the Superintendent's recommendation to increase substitute teacher pay from \$30 to \$40 per day in order to stay competitive with neighboring districts. The projected increased expenditure for the current year is \$4,700.
Following a discussion of kindergarten enrollment and class size, the Board accepted the Superintendent's recommendation and authorized him to proceed to advertise and interview applicants for full time teacher aide positions in each of the kindergarten sections. The Superintendent was directed, however, to withhold final hiring until the Board had taken action on a budget analysis in approximately 2 weeks.
A varsity boy's basketball coach was hired. The Superintendent recommended that Mr. Walt Paszkiet, who is currently a teacher and varsity girl's basketball coach at Grass Lake, be employed. Mr. Paszkiet's salary for the coaching position will be

\$2,579.

A parental leave was approved for Susan Ediger for the second semester of the current school year.

Mrs. Joan Thompson, (no relation to the Superintendent) was employed as High School Librarian.

Susan Davis' request for a leave of absence for the 1986-87 school year in order to apply for a Fulbright Teacher Exchange position in Germany was approved. At the Superintendent's recommendation, the position was approved with salary pending agreement by the teacher's union that her German replacement would not be subject to the terms and constraints of the Master Agreement with the WLEA/MEA.

A resignation from Mr. John White, School Social Worker, was accepted, effective November 8, 1985.

Following the approval of an additional 2.2 mills of school property tax, the Board held a Truth & Taxation Hearing advising why it would be necessary to levy the full additional 2.2 mills. A final hearing on this matter will be held Tuesday, November 5, at 8:00 p.m. in the High School Library.

Superintendent Thompson discussed with the Board his plans to resume transportation services on Friday, November 1. Mrs. Peg Townsend, President of the Driver's Association, stated that the driver's objected to beginning on Friday, stating that according to their contract they were entitled to three days notice. The Board directed the Superintendent to begin service on Friday if sufficient numbers of drivers were available.

The Board moved into Executive Session in order to discuss a real estate transaction involving Lot 4 Block 5 of the original plat of the Village of Manchester. It had recently come to the attention of the administration that this lot is owned by the school district. Previously no records had indicated such ownership. The meeting was adjourned at 11:00 p.m.

Klager School News

Jonathon Beagan standing in front of the computer he and his father donated to Klager School.

Computer Donated To Klager

A Texas Instrument computer complete with disk drive and printer has been donated to Klager School by Mr. David

Woodrow and his son, Jonathan Beagan.

Jonathan is a fourth grade student in Mrs. Mary Shaw's classroom.

Mrs. Lou Ann Preston duplicates lesson sheets in the Klager office.

Klager Parents Pitch In

Always a valuable source of enriching programs, Klager parents and volunteers are now donating extra time to help classroom teachers whose time for

severely reduced. Staff and parents are focussing on providing the best possible education for children in light of recent budget cuts.

Schools on Main Street

Schools on Mainstreet has become a tradition in Manchester. Each year during American Education Week Manchester Schools open a Saturday display to allow the community an opportunity to see for themselves what is happening in the schools they support.

On November 29th, the Mainstreet display, set up in the old Ace Hardware store, will be open to everyone. For those strolling down Main Street during this week storefronts will also display samples of children's work.

Middle School Needs Your Help!

Middle School Boosters Club

If this idea sounds good to you and you are willing to get involved, then plan on attending this meeting. The Middle School needs your help now. Alternative methods of funding programs cut as the result of past millage defeats needs to be addressed. We may not be able to solve all of the problems, but let's at least try and see what we can come up with for our youngsters.

The meeting will be held Thursday, November 7, at 7:30 p.m. at the Middle School Gym.

Motorists Urged to Watch for Deer

More than 26,400 car-deer accidents occurred in Michigan last fall, resulting in five deaths, 1,299 injuries and millions of dollars in property damages.

Department of Natural Resources (DNR) officials advise motorists to be alert and on the look-out for deer on the roads, especially from now until the end of December, when deer are much more mobile than at other times of the year.

In addition to the loss of life and personal injuries, "car-deer incidents in the State accounted for more than \$43,000,000 last year in property damages and individual deer value," says DNR Director Ronald O. Skoog. "Therefore, motorists should be particularly alert during the first few hours before sunrise and after sunset, especially near areas posted as deer crossings."

"Remember that deer often move in numbers, and some may lag behind. Buckle safety belts, use high beams if possible, slow down, and most importantly, be prepared to stop immediately if necessary."

Figures show that 4,911 more car-deer accidents occurred last year than in 1983.

Klager Book Fair

The Klager Library, under the direction of Mrs. Liz Beuerle, will host their annual Book Fair on November 14th to 20th. Parents are welcome to browse through the books which will be displayed in the Klager Lobby. These inexpensive books, primarily paper-backed, are often bought as Christmas gifts. The profits from the Book Fair are used to purchase new books for the Klager Library.

It's a Boy!

Mr. and Mrs. Frank Kuhn are proud to announce the birth of their son, Noah David, born September 30, 1985. Noah weighed 7 pounds 11 ounces, and was 20 1/4 inches long.

Paternal grandparents are Frank and Joan Kuhn of Manchester and maternal grandparents are Carl and Sandra Henkel of Saline.

Free babysitting is available and everyone is welcome. For further information call 429-9506.

The Watkins Farm

and they will find a place for you somewhere. He removed his silk coat and was assigned to the straw stack to keep the straw away from the carrier. Anyone who is familiar with that place, with its clouds of disagreeable dust and chaff will appreciate at once how the young Japanese nobleman felt after a few hours. He persevered, however, and said that it is a cardinal principle of the Japanese race that the only way to learn a thing is to get the practical experience. I may say he got some experience before he left my farm, putting barley in shocks, husking corn and few other choice bits of farm work that he will remember to his dying day."

Ed Kirk Named Honorary Captain

Friday evening, October 25, "Honorary Captain" along with his Parents Night at his grandson Mark Walz. It was Manchester Dutchmen football 60 years ago that Ed played the same position as Mark and was

also Captain of the 1925 team that won the League Championship.
 Ed was presented with a Varsity jacket from his family and a Varsity letter from the Athletic Department.
 Ed has 3 sons, a son-in-law and his grandson who have played football for the Flying Dutchmen.
 Other members of the 1925 Championship Team included: Carol Dietle, Geo. Bowles, Don Dresselhouse, Robert Kirk, Lawrence Schaffer, Merritt Walkins, Milton Breitenwischer, Harold Haarer, Carl Braun, Walter Pfau, W. Blosser, Evert Beasley and Edward Scully.

Interior Design for Your Home
 Thoughts of holiday entertaining make most homemakers look at their house with new eyes. Maybe the couch is shabby, the rug faded and the room needs a lift, and making costly decisions can be stressful.
 Cooperative Extension Service is sponsoring a public program, Interior Design for Your Home, to help people make choices and understand options in re-decorating.
 Marylouise Fischback, of Chelsea, will be the featured speaker on November 14, at 1:00 p.m. Ms. Fischback has had more than 15 years experience as an interior designer for local stores.
 CES programs are open to all without regard to race, sex, color, creed, national origin and handicap.
 There is no cost for the event.
 The speaker will tell how to plan a room, beginning with considerations of proportion and balance, how to achieve a pleasing color scheme, how to use lighting and how to accessorize to make the room reflect your personality. She will also discuss the properties of the new fabrics used in home furnishings.

Firemen Honored at Optimist Meeting

Firefighters of Manchester were honored at a recent Optimist Club dinner on Monday evening, October 21, 1985. Representing the 28 volunteer firemen were Ron Mann, Township Supervisor Clarence Fielder, Assistant Chief Keith Johnson, who gave a fine presentation to the Club, and Gary Wiedmayer. Mr. Reno Feldkamp, President of Manchester Optimists, hosted the meeting.

Manchester Cooperative Preschool Auction

Mark Wednesday, November 13th, 7:00 p.m. on your calendar. There will also be a 50/50 drawing and raffle. All proceeds from the Auction will be used to support the preschool's educational and scholarship programs.
 This is a great opportunity to get an early start on your Christmas shopping. There will be many handmade items, Cabbage Patch accessories, Christmas decorations, toys and gifts. Some are now on display in the Ben Franklin Store window.
 There will also be a 50/50 drawing and raffle. All proceeds from the Auction will be used to support the preschool's educational and scholarship programs.
 So plan on arriving a little early to preview everything available and be thinking about that special someone on your list. For more information about the auction, call Kathy Spiess at 428-9497 (after 6:00 p.m.). See you there!

NOTICE!!
 THE TRANSFER SITE WILL BE CLOSED THANKSGIVING DAY. IT WILL BE OPEN SATURDAY, NOVEMBER 30, 8:00 AM TO 5:00 PM.

Alcohol Awareness Week, November 10-16

November 10-16 is Alcohol Awareness Week in Michigan. TEL-MED, a public service providing free taped health information over the telephone, has numerous tapes on various medical topics including:

#942, Alcoholism: The Scope of the Problem; #943, Drinking: Is It a Problem?; #944, To Drink or Not to Drink?; #945, So You Love an Alcoholic; #946, How AA Can Help the Problem Drinker.

These three- to seven-minute tapes can be heard at no charge by calling 668-1551 from the Ann Arbor/Western Washtenaw County area, 434-6120 from the Ypsilanti/Western Wayne County

Substance Abuse Awareness Committee

The Manchester Substance Abuse Awareness Committee (SAAC) held its regular meeting on October 31, 1985, at the high school library. Committee chairperson, Roger Boyce, distributed petitions to committee members from the Citizens for Substance Abuse Services Committee.

The petition supports an amendment to return 25% of the tax revenues on alcoholic beverages to the local communities for alcohol and drug abuse treatment and prevention programs. Here is a way to get our tax dollars returned to our local areas.

An intervention training program for teachers and interested community members will be held on January 8, 13, and 15th from 4:00 to 6:00 p.m. The program will be presented by Nic Cooper and Rick McCoy who are professionals in this field and also community members. More information will be available in the next few months.

The status of our local high school S.A.A.D. chapter is in question due to the millage defeat and consequently the lack of advisors. The SAAC committee hopes to be able to work with the chapter in some way so that it may continue its work in developing awareness.

A number of films and speakers were discussed for future community evenings.

The SAAC Committee will meet again on November 21, 1985, at 3:30 p.m. at the high school library. Any interested person is welcome.

area and 548-2832 from Livingston County. Tapes can be requested by name or number. Hours of operation are Monday through Friday, 9 a.m. to 9 p.m., and Saturdays, noon to 8 p.m.

TEL-MED is sponsored by Bever Memorial Hospital, Catherine McAuley Health Center (St. Joseph Mercy Hospital, Mercywood Hospital), Chelsea Community Hospital, Eastern Michigan University Snow Health Center, Livingston County United Way, M-Care, McPherson Community Health Center, Saline Community Hospital, University of Michigan Hospitals, University of Michigan University Health Service, Veterans Administration Medical Center, Washtenaw County Medical Society and Washtenaw United Way.

A free brochure listing all 272 TEL-MED tapes can be ordered by calling the above numbers.

It's Campbell Soup Time Again!

Manchester Middle School is collecting labels to be exchanged for audio-visual equipment. The collection period ends on February 15, 1985. Please save labels from ALL Campbell Soups, "V-8" juice, Swanson canned and frozen foods, all Franco-American products and Recipe dog food. New this year are Mrs. Paul's frozen foods and Prego Spaghetti Sauce. You may send the labels to any Manchester School to be sent to the Middle School or give them to any Middle School student or deposit them at the local I.G.A. Thanks for helping us again this year!

Daisy Girl Scouts Coming To Manchester

Daisy Girl Scouts are a new group for five-year-olds who want the fun and excitement of being part of a Girl Scout Troop. All interested kindergarten girls and their parents are invited to a Roundup on Wednesday, November 13, from 7-8 p.m. at the Nellie Ackerson Middle School, in Room 102. Please come and bring your daughter. For more information, contact our Manchester Troop Services Director, Lucile Bruner, at 428-8605.

"Non-Traditional Career Day For Women"

A "Non-Traditional Career Day for Women" will be held at Washtenaw Community College November 8. The guest speaker will be Jo De Roche, who works for Grand Trunk Railroad.

Other presenters will include women who work in industries such as computer and automotive repair, graphic arts, criminal justice, management, electronics, construction and trucking. The presenters will discuss tasks involved and opportunities available in each of the industries, as well as salary ranges and the pros and cons of each particular job.

The Career Day, which includes lunch, is free of charge. It will be held from 9 a.m. to 3 p.m. in the Artists' Gallery Dining Room on the first floor of the Student Center Building. Call (313) 973-3493 for reservations.

Shakespeare Reading Club

The Shakespeare Reading Club met on October 15th at the home of Mrs. Norman Bucholtz. The program entitled "Understanding Islam" was presented by Mrs. Sally Marshall. It was noted that there are both great similarities and great differences between Islam and Christianity and that is important to recognize the former and try to understand the historical background of the latter. There are wide divergences also among the various sects within Islam. The Shiites represent the more conservative and, to us, intransigent element and the Sunnis typify the more liberal attitudes. Imbedded deeply in the religious teaching, is the commission to personally avenge a perceived wrong or sight an evil and great honor is accorded to those who become martyrs in such a cause. This can explain the motivation for terrorist acts which, in our view, could only be those of fanatics.

A discussion of current events affecting our relations with the Near East followed.

"A loafer always has the correct time."

Kalamazoo College Dean's List

Kalamazoo College named 103 students to its Dean's List this past quarter. Students named to the Dean's List must achieve a 3.5 grade point average or better on a 4.0 scale.

Students from Manchester include Jennifer G. Feldkamp, daughter of Mr. and Mrs. Reno J. Feldkamp of 8701 Smyth Road.

Young Republicans To Form Local Club

The young Republicans, a nationwide organization of adults between the ages of 18 and 40, is in the process of forming a local Washtenaw County Club.

Pittsfield Township resident Richard Tubbs is leading the organizational efforts in Washtenaw county. Tubbs formerly served as founder and chairman of the Eastern Michigan College Republicans.

"It is our goal to bring young adults into the political fold and get them active," Tubbs said. "When you consider the fact that President Reagan captured about 65% of the young adult vote, there must be a good number of potential young Republicans out there," he added.

Protect Your Child From Accidents

Accidents, not disease, pose the greatest threat to your child's health. A child's natural curiosity and impatience can turn a situation into a potentially dangerous event.

Learn what you can do to protect your child by attending an educational program, sponsored by the Cooperative Extension Service. This program will feature Extension Home Economist, Ann Knisel from Lenawee County and will be held at the Extension office in the County Service Center on November 14, 1985, at 10:00 a.m.

Extension programs are open to all regardless of race, color, creed, sex, national origin or handicap. The program is free. Ms. Knisel will demonstrate how to child-proof your house and explain what to look for in safe toys. Accidental poisoning, a far-too common event for many children, will also be discussed.

Senior Citizens News

Concentrate on good weather Saturday, the 9th, so the rained-out Chore Day can be accomplished this week.

The coming week after the Veterans Day holiday on Monday begins with:

Tuesday, November 12 - 9 a.m. Council Meeting at the Center, Noon Fried Chicken, 12:30 p.m. Cards at the Center. Be sure to make a reservation for the noon meal at Emanuel United Church of Christ, phone 428-8359.

Wednesday, November 13 - 10:00 a.m. Bus leaves for Saline Hospital Program. The topic this month is "Loneliness." Make a reservation.

Thursday, November 14 - 10:45

a.m. Bus pick-up for the day at Emanuel. Call Helen Braun, 428-8966, for pick-up, 11 a.m. Exercise Class, Noon Hash, 12:30 p.m. Tape on nutrition by Yvonne Falk at Emanuel.

Friday, November 15 - Battle Alley trip is postponed to December 6, 5 p.m. - on, Fun Night at the Center. Bring something toward a light meal and spend the evening with your friends. Get your crowd together for a foursome or more.

Saturday, November 16 - 6 p.m. Bus leaves for dinner and Travelogue in Chelsea. Topic is "The Himalayas."

Arbor with several stops on November 18. Call Helen Braun. Bill Knapp's Bonus Points will help furnish the Center so don't forget to ask for them when paying your bill at Knapp's. A handy collection box is at the IGA.

Manchester Area Senior Citizens Council, Inc. is in compliance with Title VI of the Civil Rights Act and with Section 504 of the Social Rehabilitation Act of 1973.

Looking for Best Buys In Home and Auto Insurance?

Consumers looking for the best buys in home and auto insurance can do so more easily by using

two new publications released today by the Michigan Insurance Bureau.

The results of a survey of home and auto insurance rates conducted by the Insurance Bureau are contained in two reports entitled, "Do Not Buy Car Insurance Until You Read This," and "Buyers Guide to Home and Renter's Insurance."

The auto insurance survey gives a brief explanation of no-fault auto insurance coverages and eligibility requirements, and displays rates for four sample driving households in 16 areas of the state. The home insurance survey explains eligibility require-

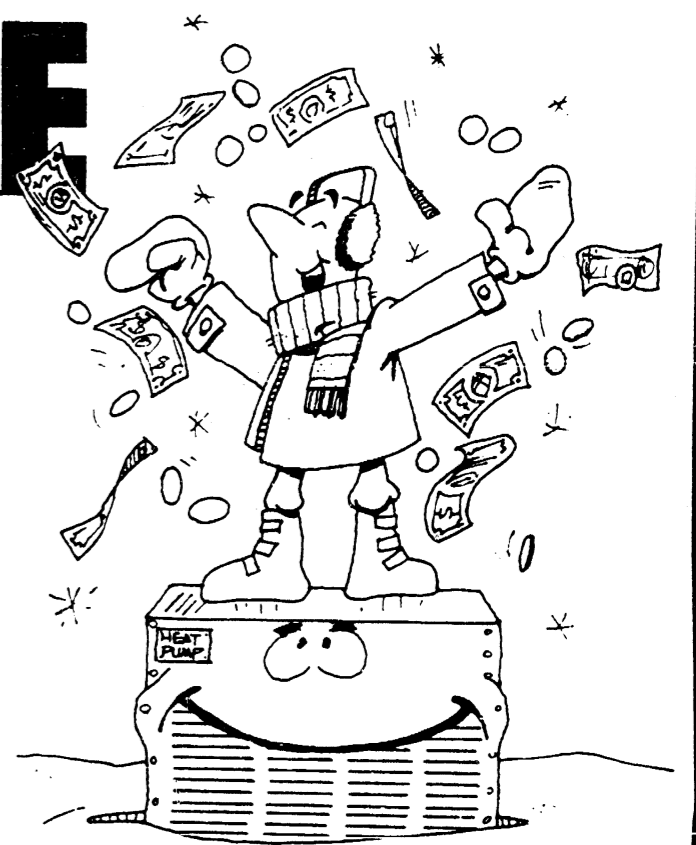

ments, describes the coverages provided by the policies in the four sample households, and lists rates charged for each household in 18 areas of the state.

The reports are intended to emphasize the importance of shopping for insurance by making insurance buyers more aware of the coverages they need as well as how much the cost of those coverages can vary among companies.

Copies of the new booklets are available at no cost by writing to AUTO SURVEY or HOME SURVEY at the following address: Michigan Insurance Bureau, P.O. Box 30220, Lansing, MI 48909.

In France, it is considered good luck to eat pancakes on New Years Day.

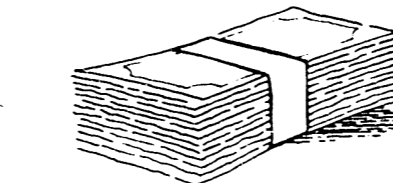

KEEP MORE OF YOUR CASH THIS WINTER...

By Installing a Remarkable Heating and Cooling Machine for All Seasons — A HEAT PUMP

Energy savings from a heat pump can range from 15% to 45% of your present oil or propane heating costs. That could mean substantial savings to you.

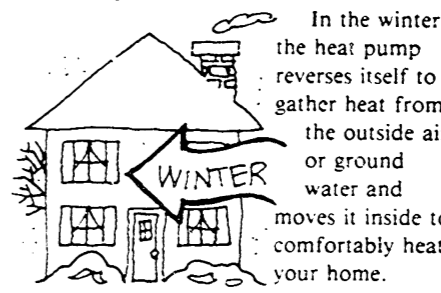

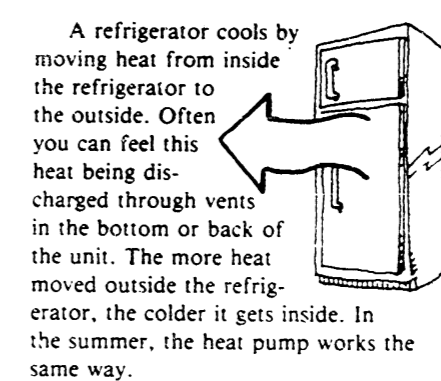

How a heat pump saves your cash.

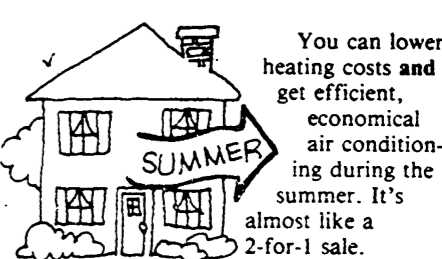

By moving heat, instead of making heat as other conventional furnaces do, the heat pump can reach efficiencies in excess of 180%.

There are two types of heat pumps, air source and water source. Both are high tech adaptations of an old reliable appliance—your refrigerator. They move heat.

*Estimates based on a typical family home at energy prices effective August 1985.

The heat pump provides year-round value and comfort.

You can lower heating costs and get efficient, economical air conditioning during the summer. It's almost like a 2-for-1 sale.

THE HEAT PUMP

So if you want more of your cash this winter — call these local dealers about a heat pump today.

A wise investment in year-round comfort!

THE MANCHESTER ENTERPRISE

Council Proceedings

**Approved Minutes
Manchester Village Council
October 21, 1985**

The regular meeting of the Manchester Village Council was held October 21, 1985, at the Village Hall.

President Hinkley called the meeting to order at 7:04 p.m. Present: Becktel, Kallewaard, Niehaus, Tapping. Absent: Koebbe, Zaborowski.

Becktel moved to approve minutes as read, supported by Tapping. Motion approved.

Rodney Kitchen from Contractor Containers, was present to talk about what is happening to the hauling and disposal industry which effects Manchester. Hauling rates will be increasing and disposal rates are increasing. There are fewer landfills which increases the rates. Mr. Kitchen says Manchester is the only transfer site in the area that does not charge a fee. He recommended that the Village and Townships start charging, especially on larger items, also that the Transfer Site equipment

needs some serious repairs. President Hinkley thanked him for coming.

Naimowicz presented the budget. Purchasing a computer was discussed.

A discussion followed on the cost of the D.P.W. picking up leaves.

Becktel moved to allow the burning of leaves only on even days from 12:00 Noon until 9:00 p.m., and to be printed in the Manchester Enterprise, supported by Kallewaard. Motion approved.

James Hansen asked that a sign be made stating - No Plastic or leaves to be dumped with the wood at the Transfer Site.

Becktel said Carr Park has been winterized and closed for the season.

Becktel said Dan Reineck should be commended for the excellent job of mowing the Village Parks this summer and asked to bid again in 1986 if the Village bids out the mowing of the Parks.

Becktel said \$825 has been

donated or promised for Christmas decorations.

Becktel moved to recind the motion made at the October 7, 1985, meeting, not to purchase Christmas decorations at a cost of \$3,000, supported by Tapping. Roll Call Vote: Ayes - all. Motion approved.

Becktel moved to purchase enough decorations to do the 14 poles on Main Street at the present time, utilizing the \$825 already donated and Village expenditure with freight \$1550. All further monies donated will be used to off set the cost, supported by Kallewaard. Roll Call Vote: Ayes - all. Motion approved.

Kallewaard asked Council to appoint The Historic District Study Committee that will complete the survey that was started several years ago and will present a report to Council and the Planning Commission.

Kallewaard moved to recognize the Historic District Study Committee: Dr. P. Lamont Okey and Robert Daverman as Co-Chairmen, Robert Daverman secretary, other members - Elizabeth Grossman, Harry Krauss, Sue Marshall, Richard Spaford, Sue Gleeson, supported by Niehaus. Roll Call Vote: Ayes - all. Motion approved.

Kallewaard presented the Site Plan for an addition to Hoover's Plant on Parr Street.

Tapping moved to approve Hoover's Site Plan, supported by Becktel. Roll Call Vote: Ayes - all. Motion approved.

Emory Garlick was present to ask Council to give A.R. LaRock approval to build his garage.

Kallewaard said Council cannot approve a Variance only the Zoning Board of Appeals. Becktel said A.R. LaRock should fill out an application for a Hearing before the Zoning Board of Appeals on Tuesday morning so it can be published in the Enterprise and the Hearing can be held

Monday, November 18, 1985. Emory Garlick presented a list of 14 building violations by Tom Ellis at the Old Methodist Church. Discussion followed.

Becktel moved that the fourteen items on the list presented by Emory Garlick, the Village Building Inspector, should be corrected within 10 days, October 31, 1985, or proceed with anything under the laws or ordinance, supported by Tapping. Roll Call Vote: Ayes - all. Motion approved.

Niehaus presented the Police Bi-weekly overtime report. Report on file.

Angie Knauss's raise was discussed. Council asked her to submit a grievance.

Niehaus moved to grant Kevin Deacons permission to live outside the Village and his name to be included on the Residency Ordinance, supported by Tapping. Roll Call Vote: Ayes - all. Motion approved.

Niehaus said that the Explorers should be paid for the School Crossing work they have already done.

Discussion was held on shut-off valves.

Naimowicz presented his manager's report.

Becktel said Wiedmayer should get a cost factor to repair the equipment at the Transfer Site.

Becktel asked permission to purchase 15 dozen Christmas tree lights for Wurster Park. Council agreed.

Councilperson Theodore Tapping offered the following resolution and moved its adoption.

Whereas, Section 13 (7) of Act 51, Public Acts of 1951 provides that each incorporated city and village to which funds are returned under the provisions of this section, that, "the responsibility for street improvement, maintenance, and traffic operation work, and the development, construction, or repair of off-street parking facilities and construction or repair of street lighting shall be coordinated by a single administrator to be designated by the governing body who shall be responsible for and shall

represent the municipality in transactions with the state transportation department pursuant to this act."

Therefore, be it resolved, that this Honorable Body designate Daniel Naimowicz as the single (Street) administrator for the City or Village of Manchester in all transactions with the State Transportation Department as provided in Section 13 of the Act.

Supported by Councilperson Lawrence Becktel. Yeas: Becktel, Kallewaard, Niehaus, Tapping. Nays: None.

Becktel moved to adjourn at 9:45 p.m., supported by Tapping. Motion approved.

Helen J. Kensler
Village Clerk

**Approved Minutes
Special Council Meeting
October 30, 1985**

The Special Meeting of the Manchester Village Council was held October 30, 1985, at the Village Hall.

President Pro-Tem Kallewaard called the meeting to order at 7:05 p.m. Present: Becktel, Koebbe, Kallewaard, Niehaus, Zaborowski. Absent: Tapping.

President Hinkley entered at 7:06 p.m.

The Special Meeting was called relative to the Grant that James Toler is seeking for the Manchester Playhouse.

Mr. Toler proposes to install a three stop passenger elevator in the 118 year old theatre. They are seeking a Grant from the Michigan Equity Program, and the Theatre Board pledges matching funds.

Koebbe moved to endorse the Grant for the Manchester Playhouse, supported by Becktel. Roll Call Vote: Ayes all. Motion approved.

Becktel moved to adjourn, supported by Niehaus.

Meeting adjourned at 7:20 p.m.

Helen J. Kensler
Clerk

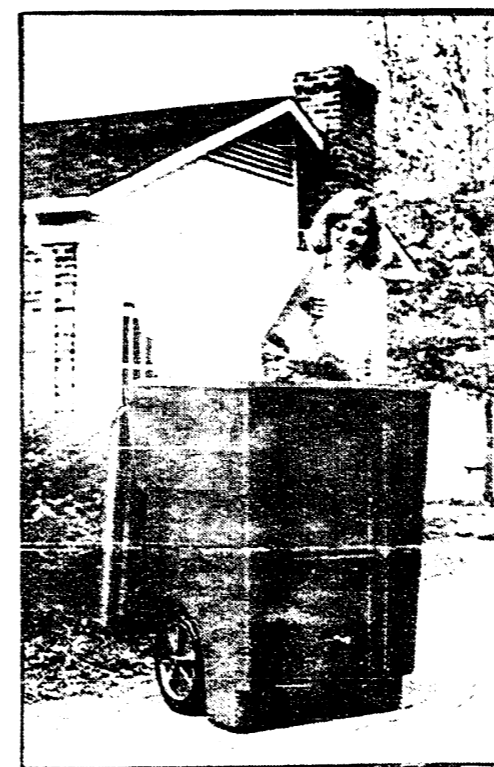

NOTICE

Council has modified the Burning Ordinance and is requesting citizens to restrict their burning from 12 noon to 9 p.m. and only on even days.

The Village will have leaf pickup on Tuesday, November 5th and Tuesday, November 12th. Leaves must be placed between the sidewalk and curb in plastic bags.

10-31/11-7-85

A BETTER WAY TO KEEP TRASH IN ITS PLACE.

MODERN DISPOSAL
AND

INTRODUCE

The Mobile Toter System

IT'S EASY TO USE! Keep your Mobile Toter in a convenient place for loading. Then on collection day, just roll it to your curb. Even loaded with a week's accumulation of trash, it rolls easily and there's no lifting.

IT'S ATTRACTIVE! The smartly shaped, subtly colored Mobile Toter replaces those unsightly 20-gallon trash cans. The tough shell and cover keeps stray animals from spilling your trash and never dents or rusts.

LARGER VOLUME! 90 gallons.

IT'S MORE SANITARY! The Mobile Toter has a tight, latching lid that keeps trash and odors locked inside and animals locked out. It's easy to periodically hose out the Toter.

IT'S ECONOMICAL! Just dump the trash directly into the Mobile Toter. You'll save on expensive plastic trash bags — and won't have to buy or repair a trash can ever again.

IT GETS YOU BETTER SERVICE! Trash pickups will be quieter because the Mobile Toter doesn't clank or bang. Collection people like it because they don't have to handle trash directly... risk cuts... or lift heavy cans either! And, incidentally, the Mobile Toter is great help in collecting leaves or in other yard work.

...AND, now you can have the convenient Mobile Toter collection system at your home.

Mickie Jo Gehringer

Stephen D. Hartman

Mickie Jo Gehringer, daughter of Frank and Dorothy Alexander and Stephen D. Hartman, son of Steve and Connie Hartman, exchanged wedding vows Saturday, October 5, 1985, at the Tecumseh Assembly of God Church. The ceremony was performed by Rev. Clarence Hanson.

Honor attendants were Christina Trinkle, sister of the bride, from Manchester and Mark Jarosmich, friend of the groom, from Adrian. Other attendants were Kristin Krauss, Terri Walker, and Annie Vassoff, all friends of the bride, from Manchester. Tom Hartman, brother of the groom, from Adrian, Dale Summers, from Adrian and Dave Marko, from Tipton, both friends of the groom. Kristi Jo Trinkle, niece of the bride, served as the flower girl and the guests were ushered to their seats by Alton and Dennis Gehringer, brothers of the bride, Darroll Trinkle, brother-in-law of the bride and Eric Minick, friend of the couple, all from Manchester.

Saline Breathers Club

Saline Community Hospital - Wellness Center, 200 N. Ann Arbor Street, Saline, will be the setting for a meeting of the Saline Breathers Club on Saturday, November 16. Scheduled from 10:30 - 12 Noon, the educational/social club for patients with chronic lung diseases will present guest speaker, Chuck Meyers. The pharmacist will speak on the subject: "Cautions of Over-the-Counter Drugs and Lung Disease Patients."

There is no charge for attendance and family members are welcome. Any further questions may be directed to the American Lung Association of Michigan, Ann Arbor (313) 995-1030.

Catholic Social Services Provides Outreach Services

Catholic Social Services provides outreach services to older adults residing in Washtenaw County. Adults over 60 years of age are helped to obtain food stamps, hot meals, transportation, housing, fuel assistance and other community services. An outreach worker makes home visits to older adults, who are often isolated and/or handicapped. If you are in need of information or assistance or are aware of a friend, relative or neighbor in need, call LaVelvet Harrison or Barbara Paison at Catholic Social Services, 662-4534 or 484-1260.

band director of the bride, performed the Wedding Song on the flute with accompanist Shirley Firestone.

The reception was held at The Tecumseh Masonic Hall with Michelle Schook and Dawn Adas of Manchester serving the food.

The couple left for a honeymoon in Frankenmuth, Michigan. They will reside in Tecumseh, Michigan.

Larry Jacob

Laurie Heselschwerdt

Brookside United Methodist Church in Vandercook Lake was the setting for the marriage of Laurie Heselschwerdt and Larry Jacob on October 5.

Parents of the bride and groom are Daryle and Kay Heselschwerdt of Napoleon and Raymond and Irene Jacob of Manchester. A reception was held at the

honor, while Kathy Heselschwerdt, Diana Gazlay, Carolyn Bailey and Wendi Dyer were bridesmaids. Lyle Jacob was his brother's best man and the groomsmen included Dan Reineck, Scott Maurer, Pete Johnson and Bill Jacob.

Andrea Thompson was maid of Grass Lake Lions Club.

5th and 6th Graders Study Manchester's History

Donna Spiess and the arrowhead she found.

The students in Mrs. Korican's 5th and 6th grade homeroom have been studying the history of Manchester. Mr. Claran Knauss gave a very informative talk on Indian artifacts, exhibiting many relics he found. He told the students how to look on their own for relics. October 23, the class walked to some open fields along the River Raisin and Donna Spiess was the lucky one to find an Indian arrowhead. Other students found some interesting stones.

Bill Broucek grabs a pass in Friday's game.

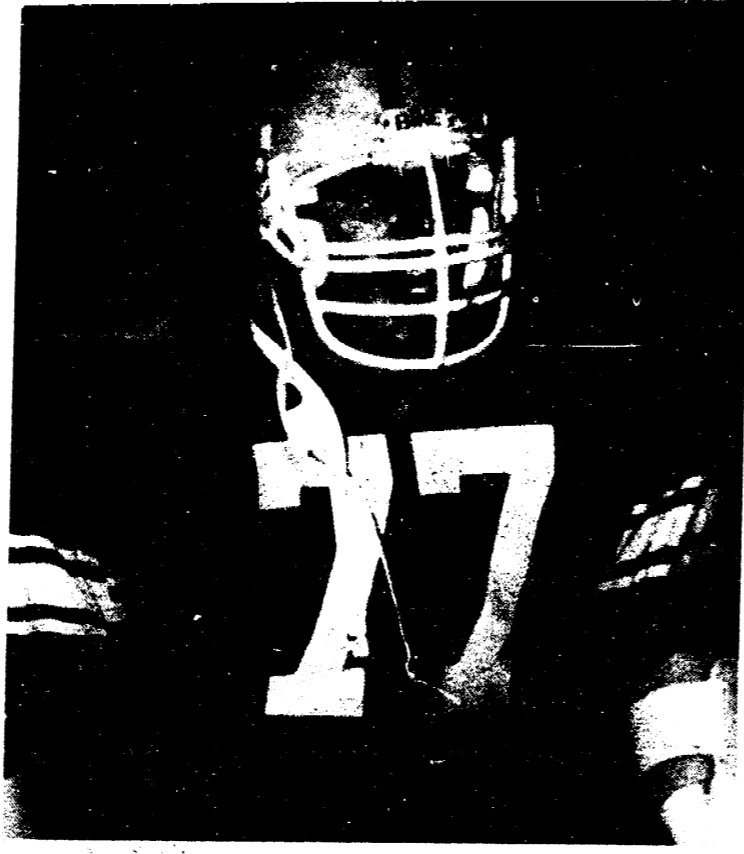

Dutchmen Nipped

by Jon

Our season ended sadly as we hosted the Jonesville Comets on Friday and finished on the short end of an 8-6 score. Our Cascades Conference record concluded at 4 and 2, with overall 4 and 5.

The first period of play was a big defensive show for both squads. In the second stanza, our punter John Kempfer, sailed a beautiful spiral into the endzone for a touchback. Jonesville pitched out and the Comet raced 80 yards for a TD at 9:42. The 2 point conversion was successful. Half the battle became history at intermission with the score at 8-0.

On our first possession of the third period, we drove the ball straight down the field and Ken Gross scampered in from nine yards out at 6:33. The conversion attempt failed, leaving the score 8-6. No points were added in the 4th quarter, therefore the Comets departed victorious 8-6.

Matt Mazurek as defensive tackle has created many problems for opponents.

Holidays Come Early for Art Guild

Visions of sugar plums? Members of the Manchester Art Guild will be celebrating Christmas in November this year. Next week, in fact.

Friends, spouses, and members of the guild are invited to a Christmas party to be held next Tuesday, November 12. (If it seems a little crazy, those involved in planning agreed that December becomes a little hectic and thus settled on next week's get together.)

A potluck of hors d'oeuvres has become an annual feature that is much looked-forward to by those who have attended in previous years. Creativity comes from the kitchen with a variety of little tidbits including ethnic fare, crispy crackers and dip, and sweet delights. The snacks are complimented by a wine punch, or cider for teetotalers.

New faces are welcome to help celebrate the upcoming holidays. "Christmas in November" will be held at the home of Ardella (Jo) Swanberg, 14108 E. Austin Road, about one mile east of the M-52 intersection. It begins at 7:30 p.m. Phone 428-8798 for more information.

"Corner on the Kitchen"

A refreshing change from the usual meat and potatoes routine is hearty, nutritious soup. A steaming bowl of soup filled with meat, beans or vegetables is synonymous with comfort and warmth.

Learn how to prepare homemade soups at an educational program sponsored by Cooperative Extension Service.

"Soup's On" is part of the monthly series, "Corner on the Kitchen". The program is scheduled for Tuesday, November 12, from 7:30 - 9:30 p.m. There will be a lecture-demonstration on how to prepare a basic soup stock and vary it to make a series of tasty potages.

Francis Lyman, Ann Arbor school teacher and accomplished cook will give the lecture-demonstration. Marion Prince, Extension Home Economist will talk about the nutritional contribution of soup and how you can make it the cornerstone of a well-balanced meal.

Extension's programs are open to all regardless of race, color, creed, sex, national origin or handicap. There is a \$3.00 fee to cover the cost of food for tasting. Reservations are required, and can be made by calling the Cooperative Extension Service office at 973-9510.

Girls' Basketball Update

Coach Jay Hopfensperger instructs his girls.

by Jon

On Tuesday, the girls traveled to Grass Lake. The Warriors are the undefeated leaders of our League. Manchester put up a tough fight, outscoring their hosts 19-13 in the final stanza. Unfortunately, Grass Lake prevailed, 52-47. Kim Bailey and Beth Evans shared high-scoring honors as both popped for 12 points.

Our Little Dutch came up with a BIG 35-21 WIN.

We got back on the winning track Thursday, as we hosted Napoleon. Renea Drouare was

high tonight as she dumped in 13 points, aiding the final outcome 42-32. This leaves our overall record at 7-7.

Our JV squad wasn't as lucky as they dropped their contest 33-19.

Girls Basketball Schedule Change

The girls basketball game on November 14th with Clinton will be played at Clinton instead of Manchester. This change is necessary due to Parent-Teacher Conferences that night. Starting times are the same.

Another in a series of informational messages concerning your phone service.

We're trying to make things simple for you again. Starting with your new phone bill.

When all those changes happened in the telephone business a while back, some things got more complicated. Including your phone bill. Ever since, we've been looking for ways to simplify it, so it's easier to read and understand. And after a lot of research and listening hard to customers like you, we think we've done it.

For starters, we've cut out some duplication, so the new bill you'll be getting could have as few as three or four pages.

From now on, you'll just mail in the Payment Page with your payment. The Payment Page is the top page of your bill. We've done away with the computer card you used to have to send in. (If you pay in person, you should bring the whole bill with you.) The Total Amount Due will be easy to find because it's shaded in a box on the Payment Page.

You'll find the new appearance and wording of the bill help make it a whole lot easier to understand.

We think you'll agree that a confusing phone bill is just one more little problem none of us wants to muddle through. That's why we hope our new shorter version will be easier for you.

Turner Geriatric Learning Programs

Hit or Miss

by Farley

"Winterizing Aching Bones and Joints" is the topic for the University of Michigan's Turner Learning Programs workshop on Thursday, November 14, 1:00-3:00 p.m.

A physician will discuss how to take protective measures against the cold to prevent accidental hypothermia (lowering of body temperature) and falls. Bancroft Brien, a Turner peer counselor, will present the most effective footwear for snow and ice. Don Henson, driving instructor, Ann Arbor Public Schools, will give tips on winterizing your car and driving in winter weather. The workshop will be held at the new Kellogg Eye Center Auditorium, 1000 Wall St., next to the Turner Clinic. Call 764-2556 for information.

Alzheimer's Family Support Group

Turner Geriatric Services of the University of Michigan, and the Greater Ann Arbor Chapter of the Alzheimer's Disease and Related Disorders Association invite you to a special meeting of the Turner Clinic Alzheimer's Family Support Group. The meeting will be held on Thursday, November 21, 10:00 a.m. to 12:00 noon at the new Kellogg Eye Center Auditorium, 1000 Wall St., next to the Turner Clinic. Dr. Margaret Terpenning, Medical Director of the Turner Geriatric Clinic will speak on "Alzheimer's Disease: The Patient's Needs/The Family's Dilemma." Call 764-2556 for information.

There are many times when it is terribly difficult to be a member of any legislature, particularly the one that serves Michigan taxpayers. To compensate them for their stupendous efforts, they have voted themselves several pay raises and we are told that now they are the highest paid members of a state legislature in these United States.

As an example of the earth shaking problems that they are faced with, we have been told that there is a weighty debate raging over what the State's official insect is to be. The legislators have been diligently sifting through a list of the creeping, crawling, slimy creatures of this earth trying to choose one that would appropriately serve Michigan as its official insect and it all makes one wonder what might be next. Perhaps it will be an official state disease says one critic, or a state haircut or perhaps an official dog biscuit or cat food.

Evidently using symbols to provide the state with some sort of identity but it seems to us that it would be better to let a state earn a reputation strictly on its merits, but on the other hand, it could provide the state with some type of identity but I don't see why this should be. The state could embody some characteristic that it already has. Some states could naturally lend themselves symbols of this kind. Georgia perhaps could be identified with a state food and as you know, many of its inhabitants are known as

"crackers". The Dakotas and Montana, which seem to be in the middle of nowhere, could, says one critic, be identified with an empty cardboard box.

Perhaps selecting clever state symbols gives the bored legislators something to do with their time when they're not busy finding fault with our schools, prisons, highways, people movers and other not so important problems. There are many other odds and ends available but not so many states have not taken such a momentous step as to name an official bug but most of them have come up with a nickname, a flower, a tree, a song and other odds and ends that people have come to expect to be associated with their location.

Some of them have been truly creative with their accomplishments. Oregon, for instance, has the Oregon grape we are told. This is fine except that it is not the state fruit but the state flower. Some one didn't study botany did they? Massachusetts has a state drink, cranberry juice and before you wonder why they had to have an official drink may we point out that Ohio has one - tomato juice - useful as to know in which to dunk dogs who have

come in contact with a non-friendly skunk.

It's also said to be good when mixed as a Bloody Mary the morning after.

Nebraska didn't come up with a flower, tree, etc., but they have an official state fossil.

Iowa has all the regular designations and also an added one, state colors, but I don't think they're very original. They are red, white and blue.

New Mexico, we are told, has two of the, chili and frijol, which are a hot pepper and a kidney bean they tell us, but chili and kidney beans don't sound so high toned as chili and frijol.

One of the neatest however, comes from Maryland. Fatti maschi, which one comedian says translates to be "Maryland, where the men are fat and the women are on parole."

Hawaii we find, has an exotic motto "Un Mau Ke Ea O Ka Aina I Ka Pono" and a loose translation is said to be "Send us your tourists and we will be sure that they see Don Ho at his restaurant if he's home that week."

A researcher says that the prize however, should go to North Carolina. They have the usual list and also a state gemstone (emerald), mammal (gray squirrel), reptile (turtle), and shell (Scotch Bonnet). And they too

have a state insect, the honey bee. Now I guess the insect could have been worse. It could have been, we are told, a cockroach.

So I suppose Michigan has to join the throng and have an official insect. As far as we can remember right now we can have a state flower (apple blossom), state bird (robin), state stone or gem (Petoskey stone), state tree (pine), animal (wolverine), of which there are none in the state; so I guess we haven't done so bad so far and must have a state insect, but plead not the cockroach. Perhaps the termite which as you know, attacks wood structures and bores from within leaving only the outer shell of a once sturdy structure. I've heard that some think this is what has happened to Michigan.

Local Army News

Army Private Roger A. Friday, son of Sharon W. and Richard L. Friday of 13400 E. Old U.S. 12, Chelsea, has completed basic training at Fort Dix, N.J.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

He is a 1985 graduate of Chelsea High School.

Past and present Detroit Edison electric service customers: You may qualify for a refund!

If you were a Detroit Edison customer at any time in November or December of 1976, you may be eligible for a refund as a result of a Michigan Public Service Commission order.

If you are an eligible customer, you may already have received your refund, including interest and taxes, in one of two ways—in the form of a refund check or as a credit on your October 1985 electric bill.

If you have not received a refund but were a Detroit Edison customer in November or December of 1976, it will be necessary for you to fill out and mail the application below. This applies to customers now living inside or outside the Detroit Edison service area.

If you know someone who may have been a Detroit Edison customer

during the surcharge period, please pass this information along.

If you have any questions regarding your eligibility or need additional applications, please call or visit your nearest Detroit Edison office or write to: Detroit Edison Box 33048 Detroit, Michigan 48232

All refund checks will be issued in the names of the customers as billed during the 1976 period.

Completed applications should be mailed to the above address.

I would like to thank the Athletic Department for honoring me on the occasion of my 60 years of Captain of the Manchester Football Team. Also the school for the Varsity letter and numbers presented to me and my family for the school jacket. It was an honor for me to share the night with my grandson, Mark. Thank You Again. Ed Kirk

Words can never express the thanks for all the love and concern shown to us in the past few weeks. The loss of our wife, mom, and grandma has been difficult but your prayers and support in many other ways have helped us at this trying time. Special thanks to Rev. Bentley, Ladies of the Dorcas Fellowship, Drs. Bernreuter, Kahn, and Gago. And an extra special thanks to the wonderfully caring nurses in the Intensive Care Unit. The Family of Dorothy Armas

Property Owners Unite To Curb Illegal Hunting

A group of property owners in southwest Washtenaw County has formed an association in order to control hunting on their lands. The organization is known as the Iron Lake United Property Owners Association, the ICU logo being a part of the attractive white and red "NO HUNTING" signs which are posted prominently at access points on all the properties.

The area involved is mainly within the boundaries of English Road on the north, Sharon Hollow Road on the east, Wellwood Road on the south and Noggies Road on the west.

The aim of the organization is to encourage ethical, sportman-like and legal hunting practices. Some owners allow limited hunting on their lands, while

others do not allow any hunting. It is the intent of the ICU to watch out for violators and to inform the appropriate authorities promptly when violators are observed. Written permission must be obtained by hunters from owners who allow hunting.

Department of Natural Resources Conservation Officer Robert McHolme attended a meeting of the ICU on October 30, 1985, and gave information regarding game laws and procedures necessary for prosecution, including the possibility of members having to appear in court in certain cases. He also stated that the Department of Natural Resources believes that the formation of such groups as the ICU will be helpful in controlling illegal hunting, as the Department is greatly under staffed. The DNR is co-operating with the aims of the ICU.

Those who wish more information about the ICU may contact Martin Bialecki, 428-7794 or Sybil Abdul-Baki, 428-8108.

Planning Commission Agenda

Manchester Village Planning Commission
Regular Meeting, Tuesday, November 12, 1985, 7:30 p.m.

 - *Resignation of Zoning Inspector
 - *Other New Business
6. Adjournment

problems of spouse abuse over the past several years and some good victim services now exist in our communities. The victims have important legal rights, too. But none of that does any good if the victims don't know about it. This bill will give the victims of abuse the information they need to protect themselves and their children from further violence," Bullard explained.

Bullard said that spouse abuse victims often feel afraid or ashamed to ask for help, or don't think that police will take them seriously. He said he believes that providing the statement provided in the legislation will help to reduce these problems and get victims "over the threshold of protecting themselves."

Hedy Nuriel, of the Michigan Coalition Against Domestic Violence, called the Bullard Proposals "a monumental advance in providing real protection to domestic violence victims by telling them they have a right not to be beaten and they can do something to stop it." Nuriel also said that "safe houses are in place across the state to give many victims immediate protection."

Bullard pointed out that a few cities and counties have already done what he is proposing, but "some encouragement and assistance from the state" would speed progress in this area. "This is a state-wide problem that deserves a state-wide approach," said the Ann Arbor lawmaker.

"There's a long-term link between domestic violence and crime in our society that we must recognize, too," Bullard said. "There are very strong links between family violence and juvenile delinquency, as well as adult criminal behavior. Family violence breeds social violence. So, not only for the immediate victims of domestic abuse, but for our entire society, we need to take every possible step to cope with the problems right now," he said.

Rogers Corners Farm Bureau

The Rogers Corners Farm Bureau meeting will be held Friday, November 8, at 8 p.m. at the home of Edna and Armin Kuhl.

Alcohol Week Activities Mark Huron Oaks Anniversary

Ryne Duren, ex-relief pitcher for the New York Yankees who is recovering from chemical dependency, will speak at 7:30 p.m. Monday, November 11, in the Education Center at Catherine McAuley Health Center (CMHC) to kick off a double celebration.

Other activities planned to observe Michigan Alcohol Awareness Week November 10 through 16 and the one-year anniversary of the chemical dependency treatment program at the Health Center include films, discussions, music and a special children's program complete with balloons and clowns.

Huron Oaks, a 40-bed residential treatment facility that has been the core of chemical dependency programs at Catherine McAuley Health Center in Ann Arbor, opened one year ago this week.

Free complimentary tickets for Duren's speech are available from any of the sponsoring agencies: CMHC, Beyer Memorial Hospital in Ypsilanti, Brighton Hospital, Chelsea Community Hospital, Saline Community Hospital, the Washtenaw Council on Alcohol and The Huron Valley Chapter of the Association of Labor Management Administrators and Consultants on Alcoholism. At Catherine McAuley Health Center, tickets can be picked up

at Huron Oaks, which is located at 5401 McAuley Drive.

The activities continue Tuesday with an open house and a program of "Music in Recovery" at CMHC's Alpha House, an extended residential chemical dependency treatment facility for adolescents, located at 4088 Jackson, Ann Arbor.

The open house will be from 7 to 9 p.m. The program at 7:30 p.m. will focus on the effect of music on the recovering adolescent.

Wednesday there will be movies and discussions from 1 to 8 p.m. in the multipurpose room at Huron Oaks. Each film on chemical dependency will be followed by a discussion. John Hittler, of the Washtenaw County Sheriff's Department, will give a presentation at 1 p.m.

From 6 to 7:30 p.m. Wednesday, there will be a children's program at the Child Care Center, on the CMHC campus. There will be clowns, balloons and a puppet show for children ages 3 through 11.

Neil Carolan, director of Chemical Dependency Programs at CMHC, said the activities are designed to make people aware of the services offered in their community and to educate them about this treatable disease.

For information on the programs, call 572-4300.
