John Cousino Awarded Eagle Scout Rank

Manchester Troop 426, Boy Scouts of America, congratulates John David Cousino upon his advancement to the rank of Eagle Scout. John, son of Mr. and Mrs. Francis Cousino of Bridgewater Township, has completed an Eagle Project consisting of raising ringed neck pheasants and releasing them between Manchester and Clinton. Out of every one hundred boys that join scouting, less than two are ever awarded the Eagle Scout Rank by the National Court of Honor. John is a junior at Manchester High School.

Hit or Miss

by Farley

A friend of ours, D.L. Stewart, has after a great deal of research come up with some more or less conclusions about canine quadrupeds that we feel we must share with you. He has decided that dogs do not care what brand of dog food you give them. They are more interested in the quantity not the quality. He says that is you ran a tiny chuck wagon through the kitchen most of them would just yawn and keep on scratching.

However, the other day just before Christmas, D.L. tells me that he received a phone call from a chap who said "I'm from the Bedtime For Bowser Boarding Kennels and has your dog had a chance to sit on Santa's lap yet?" "Who?", I retorted.

"Santa Claus. The big fat fellow with a white beard and a red suit. You must of heard of him this time of year. You've probably seen him."

"I know who Santa Claus is. I meant did your dog have a chance to sit on his lap."

"You do have a dog don't you?" "Sure, most everybody round here has a dog."

"Well then I'm sure you'd be interested in a new feature we're featuring this year. If you bring in your dog you can have his picture taken on Santa's lap for

only \$2.98."

"Why would I want my dog's picture taken on Santa's lap?"

"For the same reason you would have your kids picture taken. So you'll have a permanent record of how your dog looked at Christmas time."

"That makes sense. I'll bring him tomorrow afternoon."

That evening I mentioned to the woman who holds my leash that I am going to have my dog's picture taken on Santa's lap.

"Why would you want a picture of that mutt on Santa's lap?" she demanded.

"Are you out of your mind. That dog is ten years old. For the past nine years it has looked just the same and next Christmas she will look just the same as she does now."

She had a point there but I had promised that I would take her so the next day I led her into the garage and told her to hop into the car. This means usually, a trip to the vet, so she cringed into a corner.

At the Bedtime For Bowser Kennels I paid my \$2.98 and lead her into the room where Santa was sitting on a chair. It turns out that Santa is the mother of the Kennel's helpers. She has been Santa Claus for the past ten years but this is her first season for dogs instead of kids.

United Way Wrap-Up Luncheon

On Thursday, January 16, 1986, at 12 noon at the K of C Hall, there will be a Wrap-up Luncheon, sponsored by Manchester Tool & Die, for all Campaign Workers who contributed to the outstanding success of this 1985-86 United Way Campaign. Contributions raised went well over the set goal of \$34,000.00!

At the luncheon, plaques and pins will be presented by the United Way Board President, Diana Macfarlane, to recognize and say thank you to those people who did such an outstanding job on this Campaign.

The demonstrated hard work, dedication, and enthusiasm is evidenced by the final tally and is most appreciated by all who benefit from United Way...and emphatically appreciated by the Manchester Community.

Public Meeting To Be Held

The Manchester Substance Abuse Awareness Committee has arranged for a special public meeting to be held at the High School Library on Wednesday, January 22, at 8:00 p.m. Mike Marek, from the Chemical Dependency facility at Catherine McCauley Health Center, will be speaking on the philosophy of treatment at Huron Oaks and identification of alcoholism. A representative from the Washtenaw County Council on Alcoholism will also be present to inform the audience of programs available through that agency.

Attention! Eagle Scouts

All area Eagle Scouts past and present are asked to contact S.G. Roesch, 428-7421, about Optimist Club annual Scout Night.

We Need A New County House

Manchester Enterprise
January 13, 1910

The county supervisors and the supervisors and the superintendents of the poor have recently completed the expenditure of \$2,200 for repairs at the county house. Conditions there are now in better shape than before the agitation last fall, and are practically as good as they can be made so long as the county contents itself with county house buildings nearly 100 years old.

A hospital ward has been established and a trained nurse, Mrs. Jessie Beatty, employed to take care of patients. Lavatories have been equipped within the building, and new plumbing installed throughout. The male and female patients in the hospital have been placed in different wards, and the tuberculosis patients have been isolated completely from the rest. In addition to what has already been done the superintendents have ordered a number of new sanitary cots to replace the old iron and wood beds now in use. The only criticism possible is that the improvements have hardly gone far enough. New bedding for the inmates was more urgently needed than new beds, but the superintendents have evidently followed the excellent motto that every little bit helps, and it is certain that what they have done does help immensely.

But the most casual inspection

of the county house says the Ann Arbor News, even after the improvements of the past fall cannot fail to convince anyone that money put into it is money wasted, unless the improvements like those recently made can eventually be transferred to another building. The county house is in the sere and yellow leaf. The floors sag; three inch cracks show above the tops of the doors; the plaster is falling in great patches from the ceilings; the walls are pulling apart. At the southwest corner of the south end of the building there is a crack between the junction of the south and west walls big enough to admit a man's hand. It is almost certain that if the state inspector of buildings should happen around the rickety old building would be condemned on the spot.

In view of these facts the decision of the supervisors to ask the county for \$75,000 for a new county house next April appears most timely. How the people could possible vote against the proposition is a mystery to anyone who will take the time to look at the present affair.

The superintendents now in charge are the following: J.W. Breining, Ypsilanti; Henry O'Neil, Manchester; Michael Staebler, Ann Arbor, Mr. Staebler of this city recently succeeded Adam Wurster of Manchester.

There are at present 52 inmates of the county house. Of these seven are in the hospital ward.

Martin Luther King Day A New National Holiday

Zach Maghes and Bryan Duvall stand in front of a poster honoring Dr. Martin Luther King's life and special impact on America.

January 20th will be the first time our nation has officially honored Dr. Martin Luther King's life and dream with a national Holiday. Students in Mrs. Henry's second grade class are learning about Dr. King and his philosophy of non-violent social change.

Lavon Hudkins Retires

Lavon Hudkins retired from the A&B Grocery on January 1, 1986, after 24 years of employment there. I would like to publicly thank her for her years of service. Lavon was the first employee we hired when we bought the Grocery Store on the corner of Ann Arbor Hill and Main Street in April of 1961. She was a part of the store right from the first day she came to work for us. There is no area in the store that she has not worked in, and was my Store Manager for the last 10 years. She has been a very faithful employee and missed very few days of work. Lavon will be missed by everyone at the A & B Grocery, and especially by me. Thank You, Lavon.

We now have 93 members, making 2 over our quota. Various committee reports were given. New Bingo schedules are in the process of being prepared. Application forms for various Auxiliary Scholarships have been provided to Mr. Parsons at the High School. As a Community Service, the Auxiliary wishes to alert the community of the availability of our hospital equipment. This equipment is loaned out on a temporary basis, at no charge, to Manchester area residents. At the present time, our equipment includes hospital beds, wheel chairs, commodes, crutches, etc. If an item is needed, call Helen Popkey, 428-7131, or Helen Hosmer, 428-8282. Our next meeting will be February 12, 1986. Refreshment Committee will be Judy Hoelt, Alice Alexander and Linda Jacob.

The Manchester Area Historical Society will hold its regular monthly meeting on Monday, January 20, at 7:30 p.m. at the Blacksmith Shop, 324 East Main Street. Norma Every will speak on "Tea Leaf China." Members and guests are welcome to bring examples of their own tea leaf China for everyone to see. Refreshments will be served by Dorothy Mann and Mary Walton. The public is cordially invited to attend.

Kliger School Receives Special Gift

Kliger students received a special Christmas present from the Parent-Teacher Organization. The P.T.O. purchased two televisions and video recorders for the children to use at school. Having access to video players will allow Kliger students to view TV documentaries and selected programs as well as to use instructional video tapes from the Washtenaw County Intermediate District. The P.T.O. made its surprise presentation to students and staff at the Christmas assembly just before vacation.

Roundballers Drop Two

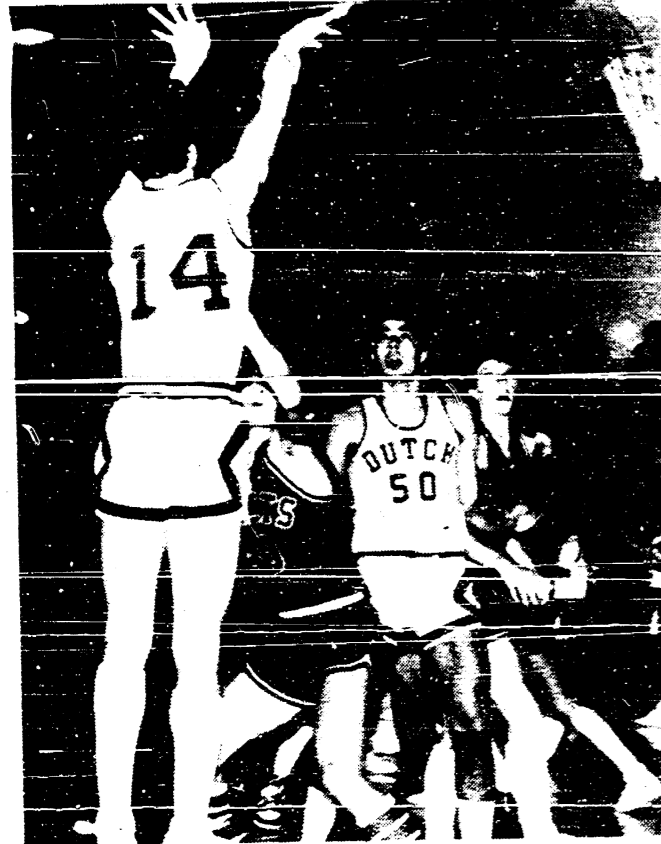

#14 Rob Smith scored 31 points this week.

Tuesday's game marked the start of the 1986 schedule as we trekked to Clinton. The Redskins had little trouble downing us, 66-47. Rob Smith led the Dutch scorers hitting for 15, while Bill Broucek popped for 10.

Our Little Dutch won their game 41-35.

On Friday we trekked to Vandercreek Lake. It was a tough, close battle for 3 periods with only 1 point separating the two squads. In the final stanza the Jayhawks outscored us 14 to 8 to capture the victory, 51-44. Rob was again high scorer as he canned 16, and Bill scored 11. Kevin Creech led all rebounders with 14.

At this point, Manchester has 1 and 5 overall record, and is 1 and 1 in the League. Our only win this season came December 19, as we edged Hanover Horton by a single point. John Curley had a big night as he burned the nets for 20 points.

Obituary

Mrs. Wayne (Jeannette M.) Moore
Marion, Indiana

Age 71 years, formerly of Manchester, died Saturday, January 11, 1986, at her home after an illness of 5 1/2 years. She was born August 21, 1914 in Manchester, the daughter of Alfred and Edna Schluchter Snowman. She was married to Wayne Moore on January 10, 1945. He survives.

They have lived in Marion, Indiana for the past 19 years. She was a member of Westminster Presbyterian Church, Monday Conversation Club, Hostess House, a member and past president of Welcome Wagon.

In addition to her husband, she is survived by 2 sons, Brian Moore of Rock Springs, Wyoming, Glenn Moore of Marion, Indiana, one daughter, Mrs. James (Mary Jean) Bailey of Albuquerque, New Mexico.

Funeral services were held Wednesday, January 15, 1986, at the Needham Funeral Home in Marion, Indiana. Rev. Paul St. Louis-Romine officiated. Burial service was held at Oak Grove Cemetery in Manchester. Rev. Hayden Carruth officiated at the graveside services.

What To Do With A Pension: Options Explored

(Prepared by the Michigan Association of Certified Public Accountants)

For someone who is going to retire in the next few years, selecting the right pension payment option is like walking through a financial maze. Each path seems to lead in the right direction, but only one path will actually carry you to your destination.

The sheer array of complicated options that pop up at retirement time make people uncertain about which direction is the right one for them. A major decision is whether you want a "single life pension" or a "joint and survivor pension."

A single life pension pays monthly installments until you die. Under a joint and survivor pension, a survivor you name continues to receive monthly payments after your death. According to the Michigan Association of CPAs, knowing the differences between the single life and joint and survivor pension payouts is important to people planning retirement.

The single life/joint survivor question comes up whenever a

retiree invests his or her pension money in an annuity. Annuities pay a specified amount every month beginning at retirement and continuing for life. They're attractive because they're secure.

With all annuities, the single life/joint survivor question is critical, CPAs say. The annuity may also be the pension plan sponsored by an employer. It can also be one that you purchase privately. Many persons are purchasing annuity contracts with proceeds from lump-sum distributions. Another common way to fund an annuity is by rolling over a lump sum from a pension plan into an IRA annuity.

Your money is invested by an insurance company and you are paid back in monthly installments. Although the after-tax return on an annuity may not be high when compared with many other investments, the annuity is attractive to people who want to lock in a guaranteed income to pay fixed expenses. It adds a cushion for those receiving Social Security benefits.

When a retiree purchases an annuity or when a person nears retirement, there is a choice between payout methods. Basically the decision boils down to this: Do you want to receive a smaller monthly payment and have the annuity continue to pay your spouse after you die? Or, do you want to receive a larger monthly stipend and have little or no annuity payments available to a spouse after you die? Your answer depends on your personal financial situation.

You can choose a single life pension, which pays nothing to a surviving spouse in the event of your death. Or, you can choose a joint and survivor pension, which continues to pay your spouse after you die. The survivor, incidentally, can be someone other than a spouse. It can be a child or grandchild, for instance. Payments may be spread over a

beneficiary's lifetime - or over a specified number of years.

If you select a joint and survivor contract, you usually must choose between at least two kinds: A 100 percent joint and survivor option pays you and your spouse the same amount, even after your death; a 50 percent survivor option pays your spouse half as much as before your death.

Federal laws ensure that a spouse is treated fairly in making joint and survivor/single life pension decisions: For employer-sponsored pension plans, a spouse must sign a waiver declining the joint and survivor option whenever a single life payout is chosen by a married couple.

Here's what these annuity payout options might look like for a typical retiring couple, Bob and Linda. Bob is planning to retire at age 63 and his single life pension benefits, according to his policy, would guarantee \$7,390 a year for as long as he lives. If Linda waives her rights to a joint and survivor payout, she will receive no further annuity payments after Bob dies.

However, if Bob and Linda choose a 50 percent joint and survivor option, they will receive smaller benefits while they are both alive, say \$6,500. Should Bob die before Linda or Linda before Bob, the surviving spouse would receive half of the \$6,500 a year benefit, \$3,250. Under the 100 percent joint and survivor option, Bob and Linda would receive a regular \$5,616 yearly benefit. Even if one spouse survives the other, the \$5,616 payment remains the same.

In addition to the single life and 50 or 100 percent joint and survivor payout options, there is one other viable alternative: You could choose a single life payout and purchase an insurance policy to fund a life insurance benefit. The insurance policy would fund

Do You Have Time For A Child In Need?

Can you make time in your life for a child who needs you? Washtenaw County Department of Social Services needs foster homes to provide care for children who have been removed from the home of their natural family because of abuse or neglect. We also work with some short term voluntary situations because of hospitalization of the caretaker.

We need black and white homes for children of all ages. Because we work with so many children who are also sexually abused, we especially need families who are willing to learn to work with older children with special needs. We also have a shortage of black families willing to do long term care or to adopt children of all ages.

We have a foster parent/adoption training program starting Wednesday, January 22, 1986, from 7:00 p.m. to 9:00 p.m. at the Department of Social Services, 2350 W. Stadium Blvd., Ann Arbor.

Please call Pat Ruby at 994-1004 to register or for more information.

Thank You

The Manchester Athletic Boosters wish to express their gratitude to the Manchester Men's Club for their time and fine effort in constructing the pressbox at the new athletic complex. The Men's Club dedicated their labor and building experience to complete the project in time for use this Fall at our football games. This is the kind of community spirit that has brought the athletic project to realization in only six months from the start of our fund raising drive.

Again, a hearty thanks to the Manchester Men's Club for their support.

YOUR BODY HAS A LOT OF COMMON SENSE

The body is a lot smarter than most people think. It knows how to stay well - if allowed to do so. It has been proved in many thousands of cases that often the difference between good health and poor health is a vertebra out of place (from a twist or a fall or a bump). The nerves that reach out from between vertebrae to serve the body organs are then kept from doing their job properly. To permit the body to regain its natural health, the "offending" vertebra must be returned to its normal position. And that's what chiropractic is all about. It's a matter of common sense.

Dutchman Wrestling Report

Manchester went to Gabriel Richard on January 7th to fight the "Fighting Irish". It was a close meet with Manchester losing 30-36. The Dutch had open weight classes and wrestlers who changed weight classes to fill them. Joey Deacons, Darrell Weston and Dan Platt sat on the sidelines because of injuries. The team will be glad to have them back wrestling soon. Individual winners were Shane Clouse (105), B.J. Lee (112), Rick Shear (126), all with pins, as well as Karl Schook (185) and Tom Heath (198).

On Thursday, January 9th, Grass Lake came to Manchester. Manchester lost with a score of 8-58. The Flying Dutchmen winners were Rick Shear (119) and Tom Heath, (185).

Manchester went to the Clinton Invitational on January 11th, and was one of eleven schools who had wrestlers there. We had one medal winner! B.J. Lee (112) won 3rd place. Other wrestlers who won one or more matches were: Hector Duvulder, Bud Ball (126), Shawn Ion (132), John Kempfer (155), Karl Schook (167), Tom Heath (185), and Mark Fenelon (198).

January P.T.O. Minutes

The meeting was called to order at 7:40 p.m. on Monday, January 6, 1986, by President Sharon Anderson. The minutes to the last meeting were approved as read. The treasurer's report was given and shows a balance of \$1,786.74.

Under old business, copies of the P.T.O. by-laws will be made available to each Board member at the February meeting. Nancy Haeussler, Holly Porter and Susan Mann volunteered to write a job description for each Board member to be kept in a notebook belonging to the Vice-President.

The Klager Book Club letters have been sent home, allowing parents to be able to donate a book to our library in their child's name. The Nellie Ackerson merry-go-round and the wood chips on Klager's playground will be taken care of as soon as weather permits.

The P.T.O. agreed to sponsor three additional assemblies this semester - The Wonderful World of Chemistry, a Harpist, and the Goodtime Player's Production of Snow White. Our total allocation for assemblies to date is \$520.00. The marionette show "Rumplestiltskin" is scheduled for February 4th at 10:00 a.m. The Wonderful World of Chemistry is scheduled for March 21st.

We shall sponsor a family square dance on February 21, 1986, at the High School with music by Jim Burmeister's band. We will charge an admission rate of \$3.00 per family. Nancy Bihlmeyer and Mary Noshik volunteered to pop popcorn. Susan Mann volunteered to take care of purchasing cider. We could use some parents to volunteer their services to teach

square dancing to students at Klager before the dance. Mrs. Okey thanked the P.T.O. and in particular Holly Porter for initiating the Christmas Assembly and to Ann Gordon for making candy cane Thank You's for our staff. The P.T.O. gives special thanks to Mr. Roger Harrison and his fine Manchester High School musicians who did an excellent job in providing our Klager kids with some holiday cheer. The P.T.O. presented the school with a Christmas present of two Hitachi Colored T.V.'s and two Quasar V.C.R.'s which were enthusiastically received by staff and students.

Under new business, it was decided to move our meeting date to the 4th Monday of each month due to a shift in the School Board meeting schedule. Sandi Kwolek and Nancy Haeussler volunteered to set up a P.T.O. Calendar for the remaining school year. Holly Porter suggested we have a panel of experts discuss children's allergies at our meeting on February 24th.

The P.T.O. also expressed much frustration at the loss of our music and physical education program. These particular cuts have had a significant and detrimental impact on each of our 359 students. As a Board we decided to do whatever is necessary to work for the reinstatement of these programs. Vicki Miller and Holly Porter offered to draft a letter stating our position.

The meeting closed with a presentation of the Manchester High School Slide Presentation. The meeting was adjourned until Monday, January 27, 1986, at 7:30 p.m. All Klager parents are welcome to attend.

Respectfully Submitted, Pat Sahakian

Memorials have been given for Lewis Kellum, Kenneth Furgason, Leo Scully, Donald Huffman, Mildred Smith, Laura Rein and Robert Popkey.

School Superintendent Receives Honor

Eugene Thompson, Superintendent of the Manchester Community Schools, is one of 100 outstanding school managers in North America, according to THE EXECUTIVE EDUCATOR, a magazine for school executives. Thompson is cited in "The Executive Educator 100," a blue-ribbon listing for school management similar to the "Fortune 500" or the "Forbes 400" for business and industry. This year's 100 are recognized for their excellent leadership of school systems with enrollments of 2500 or fewer. The Executive Educator 100 are highlighted in the magazine's February issue. Thompson was chosen for the honor by an independent panel of nationally recognized experts on school administration.

Turner Geriatric Clinic

The Intergenerational Women's Group will meet on Thursday, January 23, 1986, from 10:00 a.m. to 12:00 noon at Turner Geriatric Clinic, 1010 Wall Street. Sherry Wittenberg, M.S.W., will meet with women of all ages to discuss "The Changing Self", exploring the changes women experience in terms of their physical, emotional, social, and sexual well being. For more information, call 764-2556.

Financial Aid

For parents of seniors or college students it is once again time to begin thinking about filling out financial aid forms for college. This can be a very complex and time consuming process. To help parents with these forms a workshop will be held in the High School Study Auditorium at 7:30 p.m. on Wednesday, January 15, 1986. All aspects of the financial aid process will be explained including the few significant changes from last year. A film strip will be presented which will show the different types of financial aid. The financial aid forms will be given out as well other written information. There will also be a discussion on guaranteed student loans and other types of loans. This meeting is open to both parents and students.

The Low Vision Support Group of Turner Geriatric Services will meet on Wednesday, January 22, 1986, from 1:00 - 3:00 p.m., at Turner Clinic, 1010 Wall Street. Barbara Zaret, Coordinator of Medicare Counseling Service at the Council on Aging, will talk on "Obtaining Health Care and Paying For It". For more information, call 764-2556.

P.T.O. Meeting Date Changed

The Klager Parent-Teacher Organization meeting regularly scheduled for the first Monday of each month has been changed to the fourth Monday. The next meeting will be on January 27th, at 7:30 p.m. at Klager School. All Klager parents are members of the P.T.O. and are welcome to attend all meetings.

Governor Signs Three AG Related Bills

Governor Blanchard recently signed three bills of importance to agriculture, according to Bob Smith, legislative counsel for Michigan Farm Bureau. Public Act 199 amends the state Uniform Commercial Code to address the problem of a buyer of farm commodities having to pay for the commodity twice if the commodity had a secured lien against it. "This new law sets up a procedure similar to what we've had for the grain industry," Smith said. "A producer has to provide to his lender a list of not more than five buyers or points of delivery that he expects to use. Then the lender must notify the potential buyer of any secured lien that might be on the

commodity." Public Act 200 allows assessors to use agricultural land sold at auction as evidence of true cash value. "In recent years more property has been sold at auction, and it would indicate the declining values that we're now facing if such data could be used for determining the true cash value," he said. Public Act 197 creates a wage reporting system to detect persons holding jobs while continuing to receive welfare payments. Smith said most other states have similar laws to hold down welfare costs. He estimated that Michigan could save as much as \$25 million per year. He added that Michigan Farm Bureau was successful in making sure the new law does not require duplication of reports already provided by farm employers.

Conservation District Offers Tree Seedlings

The Washtenaw County Soil Conservation District announces its annual tree and shrub seedling sale for 1986. Orders for planting stock will be accepted until April 14, 1986, on a first-come, first-served basis. Seedlings will tentatively be distributed on Saturday, April 26, 1986, at the Washtenaw County Road Commission garage. For more information on the tree program or to obtain an order form for tree and shrub seedlings, contact the Washtenaw County Soil Conservation District at 6101 Jackson Road, Ann Arbor, Michigan 48108-9598. Telephone: (313) 761-6721

plantings will also be offered. Tree planting bars, a sturdy tool for the convenient and fast planting of tree and shrub seedlings by hand will also be available.

The purpose of the District's tree program is to assist landowners in obtaining planting stock at low cost for reforestation, windbreaks, erosion control and wildlife habitat improvement. Order forms containing information on the available species, site preferences, uses and prices can be obtained from the Soil Conservation District Office.

Planting stock available this spring includes: Austrian Pine, Red Pine, White Pine, Black Hills Spruce, Norway Spruce, Colorado Blue Spruce, Douglas Fir, White Ash, Red Oak, Black Walnut, Silky Dogwood shrubs and Emerald Crownvetch seed. Birth Announcements

Mr. and Mrs. Mark Chapin are pleased to announce the birth of their son, Michael Benjamin on January 2, 1986.

Michael weighed 9 pounds, 11 ounces and was 21 inches long. He has two brothers, Pat and Jeff and one sister, Laura.

Paternal grandparents are Mr. and Mrs. Robert Chapin of Manchester. Maternal grandparents are Mr. and Mrs. Irwin Magadanz of Garden City.

Glenn Wiley and Patricia Rogers are proud to announce the birth of their daughter, Brandy Lynn Wiley. Brandy was born December 18, 1985, and weighed 8 pounds, 2 ounces.

Grandparents are Carolyn Isom of Manchester, James Rogers of Tecumseh and Mr. and Mrs. Glenn Wiley of Manchester.

Fatal Accident Statistics For 1985

During the calendar year of 1985, 42 persons lost their lives on roadways in Washtenaw County. Comparing this figure to the 59 fatalities in 1984 shows a

reduction of 29%. The State of Michigan reports that a total of 1,510 persons died on Michigan roads in 1985 as compared to 1,552 in 1984. This is a 3% reduction of fatalities statewide. The Sheriff attributes this reduction to public awareness and participation in safer driving habits along with continuing strict enforcement of traffic laws including drunk driving and the sale of alcohol to minors.

Washtenaw County's "Buckle-up" rate was a significant 74% when compared to the Michigan's overall rate of 58% (Office of Highway Safety Survey 7/85). The Sheriff attributes this to an enlightened and concerned public supported by the successful efforts of our Health Department, MADD and SADD groups, Washtenaw County Drunk Driving Task Force, Washtenaw County Chapter of the American Red Cross, SAY Carseat Program and the incentive plans of many local businesses and corporations. Washtenaw County Sheriff's Deputies made over 1,300 drunk driving arrests in 1985 and has undertaken enforcement of "off premise" licensed establishments. This new program was implemented to decrease the availability of alcohol to minors.

Hit or Miss

I picked up our dog and placed her on Santa's lap.

"She doesn't bite when she's nervous?" asked Santa.

"In some ways there is little difference between her and the kids."

"Yes," I replied, "she doesn't bite when nervous, she just dribbles."

A man points the camera at them.

"Smile," he says.

"I don't think she can do that," I reply. "However, she can roll over and fetch a stick."

The cameraman snaps a picture and let's go of the dog who scrambles to the floor. I thought that she was anxious to get out of this place but she might have been anxious to get home and chase the little chuck wagon.

I know this is a bit late but I had to share this adventure with you.

Michigan Death Record Project

Michigan Genealogical Council and Michigan Department of Health, in a unique cooperative venture, will create a computerized databank of all Michigan death records from 1867 to 1897. This thirty-year span encompasses 505,000 death records of Michigan pioneer families. The project will be known as the Michigan Death

Record Project. The pilot program is slated to begin in conjunction with the celebration of Michigan's Sesquicentennial year.

This databank will be unique in America, making an unprecedented body of material available to researchers. A death record shows the name of person who died, age, sex, place of birth, cause and place of death, occupation, names and residence of parents of deceased and sometimes more. The accurate reassessment of these records will provide unparalleled data for the field of medicine, genetics, historians, geographers, genealogists, and social studies researchers for future generations.

The Michigan Death Record Project will be done in three stages. The original death record will be photocopied. The photocopies will be transcribed by volunteers on computer forms which can be optically read. A computer will read the forms and create the databank, thus preserving the record for the future as Michigan law directs and making the information instantly and easily available for governmental and private use.

Michigan Genealogical Council and its sixty (60) member societies have offered to transcribe the death records, which will take approximately 66,000 manhours.

Michigan Genealogical Council asks the Michigan Sesquicentennial Commission to underwrite part of the Michigan Death Record Project by providing \$25,000 to print 505,000 forms on which records will be transcribed, \$500 for writing of computer program, and \$48,000 to underwrite the computer which reads the forms and creates the final databank.

In providing this grant the Michigan Sesquicentennial Commission will aid Michigan government as it records the lives and deaths of its citizens, will aid

Michigan citizens researching the lines of their ancestors, and will aid researchers over the entire world by making available this unparalleled data.

Agriculture In Action

Setting in for the Winter
As a thick layer of snow and cold blankets farm country today, there is a quiet resolve among farmers to stay in business. They are burrowing under a stack of farm records and searching for a way to move their product. As one farmer said, "even selling it at a loss is better than not selling it at all."
Establishing a cash flow by marketing grain or livestock through the operation is the key to staying in business today.

Ideas of expanding their farm operation have been put on hold as farmers concentrate on maintaining the current business. Many realize that \$5 wheat, \$9 soybeans and \$70 cattle are not "just around the economic corner." They're going to have to survive on slightly lower, but perhaps more stable, commodity prices...and with this stark reality comes the understanding for the need to improve marketing skills.
Combine these improved skills with a workable government farm program and perhaps farmers can do more "pencil pushing" and less "vocalizing" this winter.

ORDER TO ANSWER
At a session of said Court held in the City of Ann Arbor, County of Washtenaw, State of Michigan on the 18th day of December, 1985.
PRESENT: HONORABLE Patrick J. Conlin, Circuit Court Judge.
On the 15th day of October, 1985, an action was filed by DWAYNE L. LEE, Plaintiff, against JOANNIE T. ALSTON, Defendant, in this court for divorce.
IT IS HEREBY ORDERED that the Defendant, JOANNIE T. ALSTON, shall answer to take such other action as may be permitted by law on or before the 23rd day of January, 1986. Failure to comply with this order will result in a judgment by default against such Defendant for the relief demanded in the complaint filed in this court. Such answer or other action shall be filed in the above-entitled cause and a copy thereof sent to the Plaintiff's attorney.

over the Saline River between US 12 and Klager Road in Saline Township.
All three bridges were previously posted with a three ton limit; however, as a result of the Road Commission's biannual structural survey of all County bridges; it was determined that they had deteriorated to the point that they were unsafe and needed to be closed. Once bridges are determined to be unsafe, agencies face suspension of federal funds unless action is taken to close the bridges. The Washtenaw County Road Commission anticipates receiving almost \$4 million in federal aid during 1986.

Recent efforts to receive Federal Critical Bridge Funds to reconstruct these bridges were unsuccessful, although the County Road Commission has recently been awarded such funds to reconstruct two other deficient County bridges. These bridges, on Whittaker over Stoney Creek, between Liss and Milan-Oakville, and Willow over Paint Creek, between Tuttle Hill and Whittaker, will be reconstructed this summer.
Since federal funds will not be available for the three closed bridges, the Road Commission has committed County funds to construct temporary structures so

that the bridges can be reopened as soon as possible. Road Commission crews began fabricating the temporary bridges last month; however, winter maintenance activities have slowed progress. It is the Road Commission's intent to reopen all three bridges by late spring.

Letter To The Editor

Dear Friends,
My family and I had the delightful experience of driving thru your beautiful town Christmas Eve. It was midnight or a little later due to my own Christmas Eve Services. Our spirits were lifted and we were energized to complete our journey yet that night. We drove up and down many of your streets to see the luminaries and the light displays on many of your homes, they were beautiful. As the star shown bright that 1st Christmas so Manchester shown bright that night.
God Bless You All
