## Spring Bloodmobile Successful

Thanks to Manchester Community another Annual Spring Red Cross Bloodmobile was supported by 178 men and women, making a very successful day. Emanuel United Church of Christ was host on Monday, to the event which drew 189 people from all sections of the area.

The number of gallon donors increases with the years. A 6-gallon pin was earned by Willard Cleland this time, while 3-gallon pins went to Lynn Gonyer, Terry Collins and Ted Guenther. Four more received 2-gallon pins: Peter Backes, Bryan Little, Christina Brown and Glenda Dennis. Two more started up the ladder with gallon (that is 8 pints, you know) emblems: Mark Harris and Joan Day.

It takes a lot of volunteers to run a Bloodmobile and assist the professional staff that comes from Southeastern Michigan Red Cross Blood Center. Ica Schaffer was Chairman-of-the-day and her staff included: Prescreeners - Mary Blossom and Margaret Sannes; registrars - Mary Boutell, June Jenter and Marjorie Bentschneider; pack table -

## Reading Champions Work for the March of Dimes

Paul Schulte holds the Reading Champion medals while March of Dimes spokesperson Jan Loader explains the reading program.

Mrs. Jan Loader kicked off the March of Dimes Reading Champions program and Klager students are ready to read and help the fight against birth defects.

Last year Klager children read 1,922 books and raised over \$1,200

for the March of Dimes. This year they hope to do even better. Students will be signing up donors to sponsor their reading during the next month.

Reading Champions are winners who learn and grow from reading and helping others.

## Hit or Miss

The other day our attention was called to a poster which hung in a prominent place on the office wall in a large manufacturing company which said "After all is said and done, there's much more said than done."

I don't think that there is any question about this but on the poster also there was a picture of several hippopotami standing with their mouths wide open.

I don't quite know just what the connection is but just before I was alerted to the existence of this poster, I had been reading about the activities, both physical and verbal, of the state legislature in which was a great deal of information about our 7,461 state legislators and their activities during 1985. It was one of their busiest years. Forty four of them met during that year and most all of them faced budget strains that came from deficit caused cutbacks in federal spending. Many fiscal problems too add to the problems of these very diversified men and women.

If you can remember, once upon a time, this group consisted mostly of a group of homogenous white male lawyers who interrupted their various careers for a few weeks of lawmaking every year or so but now most of them have become power centers. Many of them seem to forget who

represented them and who they represent while they are there. However, they seem to be interested in staying there as many years as is necessary for them to become eligible for a pension.

"As more programs come to the states, the pressures became greater," says William Pound, Director of State Services for the National Conference of State Legislators. "There's no question but that legislators put in more time than they used to."

Part of the increased work load comes from more increased and frequent legislative sessions it is said. In the 1940's only four legislatures met annually while the balance were content to meet every two years. Now only six didn't meet last year.

Sessions too last longer, but many states limit sessions to 60 or 90 working days. Legislators in 19 states - the most populous except Texas and Florida - go round the year if need be.

In states with short sessions many of the legislators engage in serving on interim committees. "It isn't just going to the capitol any more for just three days", says Mr. Pound. "There is committee work and meetings and more pressure on them."

These demands have led to changes in the makeup of the legislatures. Self-employed

Second Graders Operate General Store

Pictured above are Wonder Smith and Marcus McNamara thinking over their purchases with Mrs. Carol Beckington, room mother. Not pictured is Maggie Gistingier, the storekeeper.

The boys and girls in Miss Koebbe's second grade have been learning about money as part of their math program. Among the activities has been setting up a "General Store" at which each child could shop using play money. Items for sale were donated by the children themselves who brought to school old toys, books, games and other things which they no longer needed at home. The children then could purchase up to \$3.50 worth of goods. With the help of parents the store was open for business each day with one child being the storekeeper. The children not only learned how to count out money and make change but have also learned how to plan their spending wisely.

Book Review

Aileen Fisher, EASTER, illustrated by Ati Forberg. New York: Thomas Y. Crowell Company, 1968. 34 pages.

Perhaps the most striking feature of this little book are Mrs. Forberg's illustrations. They are done in warm oranges, yellows, and soft pinks - the colors of spring, the colors of Easter. They don't merely adorn the text; rather they are integrated completely with it and become a part of the story.

Easter grew out of ancient spring festivals. Everyone, Christian or not, seems to be relieved at the ending of winter and people everywhere at all times have celebrated the return of life in Nature. And what is more symbolic of life than an egg? The Easter egg has ties with such non-Christian cultures as China, India, Persia and Egypt and the custom of decorating Easter eggs is very old and widespread. This is where Ati Forberg's illustrations are so helpful as she shows some of the favorite themes and designs that are often used on Easter eggs. Mrs. Fisher also traces the background of Easter egg trees and the heavily jeweled crystal and gold Easter

eggs of Russia, the White House egg-rolling contest, Easter rabbits, the association of lilies with Easter and even the custom of New York City's Easter parade. The heart of Easter obviously is the story of Christ's crucifixion and resurrection. In clear, simple language Mrs. Fisher, again beautifully aided by Ati Forberg's warm pictures, tells the child of Jesus' public life, the events of Palm Sunday, the Last Supper, the trial and death of Christ and then the wonderful discovery of the empty tomb on the first Easter morning. EASTER is written for the Kindergarten or First-grade child. I would think it would be a marvelous way of helping the child understand that Easter is a bit more than chocolate Easter bunnies and why we do what we do in church that day.

**Manchester Family Service Annual Report**

Manchester Family Service is a local volunteer agency incorporated in 1965 to serve all residents of the Manchester School District. Services include limited emergency aid with food, fuel, clothing, furniture and medical needs; the Holiday Gift Project in cooperation with the Department of Social Services

and the Salvation Army; transportation when needed for medical, Social Service, Social Security, Legal Aid and emergency situations and referral service to professional agencies for all special needs. MFS is a Manchester United Way agency and aid does not depend upon income.

In 1985 the agency assisted 122 households including 321 individuals. This total included 158 children and 44 Senior Citizens. There were 25

volunteer drivers who covered 6,586 miles in 219 trips for persons in need. Furniture distribution which depend on the public's willingness to call the agency when usable items are to be given away, supplied 25 households with 36 items from 19 donors this year. The agency has lists of "Haves" and "Needs" by the phone as it has no place to store articles and placements are often made simultaneously. Cooperation is the key to meeting this service.

Clothing and household items were distributed in May, September and December at free "Shops" to an average of 81 households per time. Only good clean, seasonal clothing is usable at each shop and offers must be cleared through a board member (listed in last paragraph). At least 25 volunteers per time are needed to set up the shops and repack the left overs for the House-by-the-Side-of-the-Road (the Washtenaw County emergency clothing agency), St. Louis School, Veterans Hospital and an Indian Reservation. Fifteen hardship cases were served - 6 for food, 5 for fuel, 3 for housing and one medical. MFS assisted the Community Service Agency in Ann Arbor with the Targeted Fuel Assistance Federal Program (TFA) serving 8 households for emergency fuel. Families that are on DSS roles are served through that agency for fuel emergencies. Six families were referred to

## Loose Steer Causes Excitement

I would like to thank those who helped and those who offered to help capture Clement Guenther's 907 pound steer in a 2 1/2 hour chase Monday p.m.

Mr. Guenther was returning home from the Napoleon

Livestock Auction with two steers he had bought when one jumped over a 5 1/2 gate in the trailer and proceeded to raise havoc with traffic on Austin and Sharon Hollow roads - from railroad bed to railroad bed, from Verhines to Bill Kemmer's where he was finally captured after tearing up yards and fields.

A special thanks must go out to the two horsemen who gave so willingly of their time and equipment and faced the danger of that charging steer.

Jerry Barth and Leroy Hone, you are to be commended for a job well done! And thanks to Clement & Gordon Guenther for the risks they took. And I thank God that none of the participants or passing motorists were hurt in the melee!

## Drive Results Announced By Local K of C

Father Fisher Council of the Michigan Knights of Columbus collected \$2,034.44 in the three-day drive of 1985 to assist the mentally retarded, Tom Burch, Grand Knight of the Council announced.

The local contributions are part of a statewide effort which last year reached over \$750,000.00. The total brings to over \$6,500,000.00 collected by the Knights of Columbus in the nine-year history of the drive.

Eighty percent of the net income from the donations is retained by the local council for distribution to area groups and agencies. The rest is forwarded to the State Council of the Knights of Columbus to meet expenses of the program and to make donations in behalf of all the 73,000 Knights in Michigan.

Under the program, which is carried out in most of the 282 K of C Councils in Michigan, people are asked to donate money to the mentally retarded and are given a Tootsie Roll candy in appreciation of the gift. Locally, St. Louis

School (\$1,000) and Lenawee Intermediate School for the Handicapped (\$647.46), will receive contributions from the drive conducted March 21st, 22nd, and 23rd.

Grand Knight, Tom Burch, thanked all those who contributed time and money to the success of this year's M/R campaign.

"I know that the benefiting agencies are grateful for the generosity of so many people", the Grand Knight said. "Through the gifts of the contributors, many mentally retarded persons will have services and equipment available to make their lives more rewarding."

Chairman of the local campaign was Robert Panches.

**Wheels for Life Bike-A-Thon To Be Held May 10th**

Bike-A-Thon Chairman, Rita Burkhardt, today asked Manchester residents to join the St. Jude Children's Research Hospital "Wheels For Life" Bike-A-Thon slated for May 10, at the Manchester Fire Hall.

Rita said this ride honors Jamie, a leukemia patient at St. Jude's. "With every turn of the wheel, riders become 'spokesmen' for all the kids with cancer, like Jamie, who want to know they aren't in this battle alone," Rita said. "People willing to give time to create more time to children crying for help stimulates a better event and raises more money for the hospital," continued Rita. "Riders are really needed. They make or break a Bike-A-Thon."

Sponsors donating a sum for each mile completed are enlisted by riders. "The general plan is to have a good time while helping a wonderful group of children counting on our support," Rita said.

Contact Rita Burkhardt at 428-8083 for details on riding or sponsoring a rider, and if you would like to make a donation.

**Card of Thanks**

I would like to thank all the friends and relatives for the kindnesses and calls shown us during Marvin's illness and death. To Rev. Macfarlane for his visits and the women of the church who took care of the lunch for us, also many thanks to the hospital staff who helped at both St. Joseph and Chelsea hospitals and the visiting nurses who came in to help, and the Jenter Funeral Home for their

help. Your expressions of sympathy will always be remembered by the family of Marvin H. Breitenwischer. With deepest appreciation Gertrude Breitenwischer

**Twentieth Century Club**

The Twentieth Century Club met at the home of Eleanor DuRussell on March 11, with 24 members present.

Various items of business were discussed, one of which was the approval to give \$50.00 to the Band Boosters towards a partial scholarship to Blue Lake Camp.

Following the business meeting, a very interesting talk was given by Ardella Swanberg on "Women Artists" in western civilization from the Renaissance to the present. Several references were made by the speaker about one of her favorites, Mary Cassatt, an American woman painter, but far more recognized in France. Mrs. Swanberg also brought along a few of her paintings which were enjoyed by the group.

The evening ended with refreshments being served by the hostess with Mary Walton as Co-hostess. The next meeting will be held at the home of Mary Boutell on April 8.

We would like to thank our neighbors, friends, relatives and family for the many cards, flowers and food we received while at the hospital and after returning home. A special thank you to Rev. Bentley for his visits.

# Happenings at Klager

As a special treat, the Klager PTO sponsored the puppet show "Alladin" on Wednesday. Puppeteers Mr. and Mrs. Ray Greene took time after the performance to show students the marionettes and demonstrate how they worked. It was a wonderful morning.

Giggles and grins filled Klager's multi-purpose room when Mrs. Kruse and the high school drama club came to visit. Sascha Froehlich, Rita Talcott and Julie Post give Klager students a preview of their play "The Matchmaker."

## New Business Hours For 14A District Court Service Center

The 14A District Court Service Center location, including the Civil Infraction Traffic section, will adopt new business hours beginning March 17, 1986. The new hours of operation will be from 8:00 a.m. to 4:30 p.m., Monday through Friday except court holidays.

This move is designed to standardize hours between the Service Center, Ypsilanti, Chelsea and Saine court locations. It is also intended to ensure full staffing throughout the business day.

The 14A District Court serves Washtenaw County, except for the City of Ann Arbor and the Township of Ypsilanti. Court clients wishing to pay civil infraction fines and costs are encouraged to do so by mail, according to schedules issued with citations by police officers. This will lessen any inconvenience caused by the new hours.

Clients wishing to contact the court by phone during the new business hours should consult telephone directories for the number of the proper court location. The civil infraction traffic number is 971-9261.

## Cascades Conference Academic Games

The 1986 Cascades Conference Academic Games will be held on Friday, March 21st. Eleven area high schools will participate in the Games.

Napoleon High School held the first Academic Games in 1976 with eight high schools participating. Dr. Tim Quinn, then the principal of Napoleon, started the games. This year, the games will be held at Jackson Community College.

Thank you to Fr. Schlinkert for his prayers and visits and to my friends and relatives for the many, many cards which I have received, the flowers, gifts and food. Also to the Firemen's Emergency Crew and of course to my wonderful, faithful family.

We have done it again! We have collected over 25,500 labels from Campbell's soups and other products to exchange for audio visual equipment. We will be receiving a 35mm camera, cassettes and film strips as a result. We wish to thank the I.G.A. and the American Legion for collecting labels for us. Thanks also to everyone who sent the labels in for our use. We really appreciate you.  
Start saving for next year!  
I would like to thank everyone that supported me in the Village election. Your support was appreciated.

### Hit or Miss

lawyers have found it increasingly difficult to keep up with their legal practice and still meet their legislative responsibilities and in their place have come more teachers and preachers, state and local governmental workers and employees of private companies that are willing to pay the price of extended absence in order to have a friendly ear in the legislatures.

Recent years have seen substantial increases in the number of women and minorities serving as legislators and after the 1984 elections there were 1,067 women in the legislatures - 14 percent of the total almost double the 604 in office in the decade before. Minority representation has risen also, bringing the total to 384 blacks and 108 Hispanics.

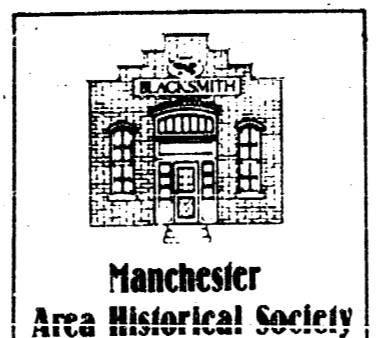

One thing that has not greatly changed is the predominately Democratic majorities in the legislatures but the Republicans have made significant changes in the legislatures but Democrats still control 65 legislatures compared with 33 for the Republicans. Nebraska has a single legislature with no political party ties.

The important fact now is the diversity for at one end of the scale are the 40 members of the California Senate, each one of whom represents about 2,300 more constituents than a Utah House member and perhaps has more power. They seem far away from the 400 members of the New Hampshire House who represent some 2,300 members apiece and represent only 100 dollars a year plus expenses.

The members of the Michigan Legislatures are rated as one of the highest paid legislators in the country, and it seems that a great number of their

constituents are wondering if they are getting a great deal for their money.

The honeymoon is over when he finds out he married a big spender and she finds out that she didn't.

The Manchester and Clinton Historical Societies held their traditional joint meeting on Monday, March 17, at the Blacksmith Shop in Manchester. Among our other guests for the evening was Peggy Richardson from Australia who is here visiting her sister-in-law, Lois Jewel.

The Manchester Area Historical Society has pledged \$2,000 to the Manchester Township Library for its project of microfilming old issues of THE MANCHESTER ENTERPRISE. To celebrate Michigan's Sesquicentennial, the Society is planning a Heritage Day in conjunction with the Chicken Broil in 1987; they hope to get historical markers for the Walton home, the Township Library building, the Manchester Mill and Emanuel Church; and they are spearheading a drive to build a gazebo in the park on the south side of Main Street.

President Howard Parr showed the group two old projectors and then showed the video cassette

tape of events in Manchester during 1985. The events depicted included the dinner for Irv and Donna Gill, the boat and canoe race, high school commencement, the street art fair, the chicken broil, the movie set on Main Street, the fair, the dedication of the Senior Citizen's Center, and the beautiful luminaria on Christmas Eve. This is the third year the Society has produced such a tape.

Refreshments were served by Elvira Vogel and Nancy Feldkamp.

### American Legion Auxiliary

The Auxiliary met at the Legion Home on March 12, 1986, with 12 members present. Committee reports were given.

An American Flag has been donated and placed in the multipurpose room at the Nellie Ackerson School.

A coffee hour at the VA Hospital was sponsored by our Unit on March 8th. For refreshments, Albers Orchard donated apple cider and apples. 63 dozen cookies were donated by Auxiliary members. Coffee, milk and other fruit were also served. The entertainment was Bingo, and 150 coupon books were given as prizes.

Poppies have been ordered and will be sold on Poppy Day in May.

The Auxiliary voted to furnish the orange juice for the Blood Bank to be held in Manchester on March 17th.

Next month's meeting will be held on April 9th. The refreshment committee will be Della Widmayer, Arlene Walter and June Jenter.

### Special Services At St. John's

St. John's United Church of Christ, 12376 Waters Road, Chelsea, will observe special Maundy Thursday Services on March 27, at 8:00 p.m. The theme for the evening will be, "I Walked Today Where Jesus Walked." Marsha Chartrand will sing a solo with that title.

The pastor, Rev. T.C. Winnier, will show colored slides he took of the Holy Land when he visited there. The scenes will include Jerusalem, The Mount of Olives, the Garden of Gethsemane, and the Via Dolorosa, the street leading from Pontius Pilate's courtyard to Calvary, the scene of Christ's crucifixion, burial and resurrection.

The service will conclude with the Sacrament of Holy Communion instituted by Christ in the Upper Room in Jerusalem over 1900 years ago. The public is invited.

### Bloodmobile

Amanda Schaible and Lillian Scott; escorts - Dan Boutell, John Rigg, Gladys Uphaus and Evangeline Ludwick; Canteen - Dorothy Mann, RN, Marian

Creason, LPN, as observers and Martha Vassoff - Chairman of the food committee which consisted of: Virginia Motluck, Norma Stautz, Marilyn Minnick, Betty Budnick and Andrea Vassoff.

Others who are part of the team were the shuttle bus drivers, Alfred Strang, James Cox and Robert Lowery; the nursery attendants who assist the mothers who must bring their children when they come to donate blood - Gail Kunzelman, Cheryl Hamilton, Marsha Chartrand and Elisabeth Gonyer; Del Ludwick who put up the pole signs and Ann Fowler who picked up the posters. All of this preliminary and final arrangements were in the hands of the new coordinator for the Red Cross in the area. Mrs. Robert (Jean) Little who has replaced Claire Reck in that capacity.

Credits go to Alber's Orchard for the cider and apples, the American Legion Auxiliary for the orange juice, the Red Cross for the cookies, and the Emanuel Women's Fellowship for the sandwiches which are the "trademark" of Manchester Bloodmobiles for the last 35 years.

The next Bloodmobile in Manchester will probably be in July.
