14th District Courthouse Designated Historical Site

The Michigan Historical Commission is pleased to inform you that the George P. Glazier Memorial Building, Chelsea, Michigan, Washtenaw County, has been listed in the State Register of Historic Sites.

Set on one of the corners at the principal intersection in the center of Chelsea, the Glazier Memorial Building is a robust, trapezoidal, two-story, cut, rockfaced, native fieldstone structure of what was called at the time "French Renaissance" design. It has a red, terra cotta tile, truncated, hip roof. Trimmed in Bedford limestone, the exterior has a shallow, Ionic-column portico sheltering the principal entrance and massive fieldstone piers at the front corners and along the one visible side wall

Manchester Bloodmobile Monday, July 21

The regular summer Bloodmobile for the Manchester Area will be July 21st at the American Legion Hall in Manchester. The hall is located at 203 Adrian Street. The Chairwomen of the Day will be Mrs. Mary Smith and Mrs. Helen Hosmer. The American Legion Auxiliary will host this open clinic from 12 noon to 6 p.m. The Auxiliary is furnishing the canteen as well as workers for the complete clinic.

Registration in order to avoid "bottlenecks" is important. Double A Products, Hoover Universal, Manchester Plastics, Manchester Tool and Die, Pinnacle Engineering and Manchester Stamping Corporation schedule their employees to help keep a constant flow of donors.

Thirteen Churches in the area schedule reservations through their recruiters and there are three drop boxes with registration cards at the banks - Comerica, 1st of America and Great Lakes Federal also boxes have been placed at the Bakers Dozen and at IGA for your convenience.

Manchester has just begun to have this Summer Bloodmobile because of a seasonal blood shortage that occurs during the summer months. Some of the reasons are that no blood is collected on Memorial Day, July 4 and Labor Day. But blood and blood components must be available 24 hours a day, every day. High schools are closed during summer months. High school students donate more than 18,000 pints of blood every year. Attendance at Colleges and Universities declines during summer months. College

Rev. John Morris Celebrates 25th Anniversary

Zion Evangelical Lutheran Church, Rogers Corners, Chelsea, will be honoring the Rev. John R. Morris on his 25th Anniversary Ordination into the Ministry on Sunday, July 13th.

Rev. Morris was born October 13, 1935, in Terre Haute, Indiana, where he graduated from high school. He attended Capital University, Columbus, Ohio, and received his B.A. in 1958. He received his Bachelor of Divinity from the Evangelical Lutheran Theological Seminary in Columbus, Ohio, in 1961.

After graduation, he served Grace Lutheran Church, Elmore, Ohio, and St. Mark Lutheran Church in Graytown, Ohio, until June, 1967, when he was called to Zion Evangelical Lutheran Church, Chelsea.

Rev. Morris was married to Karol Thumm on August 16, 1958, in Lakewood, Ohio. They have three children: David, a graduate of the University of Michigan and employed by the Chelsea Lumber Company; Kathleen, a student at Capital University; and Deborah, a student at Michigan State University.

Rev. Morris has a tireless record of service to his church as well as his community. He has served as President of the Chelsea Kiwanis Club, President of the Huron River Conference, was the Voice of the Chelsea High School Band for eight years, is a member of the Community Chorus, and is an active member of the Chelsea Ministerial Association of which he has also served as President.

A hobby that Rev. Morris enjoys is collecting postcards. He has a collection of 12,000 postcards from 50 states and 60 foreign countries.

Rev. Morris became the minister of Zion during the 100th year anniversary celebration. Then as a congregation a \$400,000

Hit or Miss

by Farley
We've had problems now for some time, not with the birds and the bees but with the birds and the dogs. We find both of these interesting.

Our bird problem dates back a couple of years. Along about that long ago we were cooking something or other on the kitchen range when we heard a chirping sound that seemed to come from the ventilating hood which of course is over the stove.

We paused and listened intently and the sounds continued to come from the fan hood. Between chirpings there were sounds of scratchings on the metal of the fan. This we found curious so we

went outside and listened at the point where the exit of the fan pulled the air out into the outdoors. Then we again heard the chirpings and upon investigating found that there had once been a screen over the end of the exit point but that had broken or fallen off.

A closer inspection showed that in the exit channel there were traces of a bird's nest. On the nest was a tiny bird and in the nest were some four or five eggs on which a bird was faithfully sitting. Along about this time we saw perched nearby the chap who appeared to be her mate with a mouthful of food which he was

Manchester's Benefactor The Chicken Broil

The Chicken Broil is anybody can see from the signs at the village limits. For over 30 years, our town has hosted in the third week of July visitors from countries all over the world and from counties close to home. Chickens roast, smoke fills the air, horses pulling wagons of broil-goers clop down the streets, and in election years politicians shake hands with everyone in sight.

The broil has left more of a mark on this town, however, than those "Home of the Famous Chicken Broil" signs. When the bills have been paid and the profits counted, Chicken Broil money has gone toward many public projects that have made Manchester a better place to live.

The Chicken Broil has made it possible for a town as small as Manchester to have three very nice public parks. Carr Park already existed when the broil began in 1954, but broil money has gone toward many improvements there. Kirk Park and Char-Broil Park would not

have been built had it not been for Manchester's big summer feast.

The school system has been another major beneficiary. The broil has donated fences, lights, out-buildings, and bleachers for the athletic field. Contributions have also gone toward playground and library equipment and the school track.

Several years ago, a gift from the broil helped the Manchester Historical Society purchase the old blacksmith shop on East Main Street. That building is now a museum of Manchester's past and proudly bears a state historical marker.

This year the broil sponsors intend to purchase several lifeline telephone units for elderly or disabled Manchester residents living alone. Lifeline will provide quick communication with Chelsea Community Hospital in case of an accident or a sudden illness.

When you buy a Chicken Broil ticket, you're doing a good deed for more than your stomach. You're making an investment in Manchester that will pay you back in the future.

Obituary

Richard Stanley Horrat, Sr.
15700 Cassidy Road
Chelsea, MI

Age 41, died Friday, July 4, 1986, at St. Joseph Mercy Hospital. He was born March 4, 1945, in Ann Arbor, the son of Arthur and Mary Cosnowski Horrat, Sr. He was married to Doris Hagadorn on April 1, 1967. She survives. He was an employee of Ford Motor Co. in Saline.

He was a member of St. Mary's Catholic Church in Chelsea, Michigan Center Eagles Lodge #3634, and U.A.W. Local 892.

In addition to his wife, he is survived by a son Richard, Jr. and a daughter Kimberly both at home, his mother Mrs. Mary Horrat of Manchester, 4 brothers, Arthur, Jr. of Brighton, Clayton of Dearborn, Paul of Chelsea, Dennis of Manchester, a sister Mrs. Mary Ann Coval of Ann Arbor and several nieces and nephews. He was preceded in death by his father Arthur, Sr. and a brother Walter.

Mass of the Christian burial was held on July 7, 1986, at St. Mary's Catholic Church in Manchester. Rev. Fr. Raymond Schlinkert officiated. He was assisted by Deacon Richard Cesarz. Burial followed in St. Mary's Catholic Cemetery in Manchester.

Senior Citizens News

Summer is going fast, but still lots of time to get out on Thursdays for 10:30 Walking

Club. At noon, bring a sack lunch (a surprise dish will be waiting) followed by 1:00 bingo. The men will be golfing, care to join them? Friday, July 11 - Seniors will meet at the Center at 12:45 for a tour of Uniloy Blomolding Machinery Division of Hoover. Call Helen Braun for transportation. (428-8966).

Wednesday, July 16 - A visit to area folks who are residents of Cedar Knoll and Chelsea Methodist Home is planned. The bus will leave the Center at 1:00 p.m. Call Helen if you wish to go.

Thursday, July 17 - Come and walk at 10:30 (to help get rid of extra calories you will pick up at the Chicken Broil). Men's golf, sack lunch with surprise dish will be held, but NO BINGO today. Our bus and van will probably be used to transport folks back and forth to the Broil - if you need a ride to the Chicken Broil, call Helen Braun. Enjoy the day!

Looking ahead: There are two opportunities to visit Kelly & Company television show. First is Friday, July 18 and then again on Monday, July 21. Helen Braun asks that you choose which day you want to go and call her immediately with your choice. The number is limited.

Friday, July 25, will be Mystery Trip day. Tuesday, July 29, at 1:00 p.m. Rosemary Hamilton will show us how to make Teddy Bears. While you have Helen on the phone, make your reservation for this unique craft. Material must be purchased and class size is important.

Don't forget to send in your questionnaires. Also Rubena asks that you send in your RSVP hours of volunteering directly to address shown on form. These hours should be sent in by the 5th

of each month. In case you cannot get either Helen or Rubena by phone, you may call the Center during summer hours: Tuesdays, Wednesdays or Thursdays between hours 1:00 - 4:00 p.m.

LETTER TO THE EDITOR

The Manchester Mill Run scheduled for Saturday, August 9th, will not be held this year. The race directors regret making this announcement but due to circumstances beyond their control this decision has been made. We wish to express our appreciation to the Manchester Mill Run sponsors and the community for their past support. We look forward to your continued support of the Manchester Street Fair & pancake breakfast.

Sincerely,
Harry Krauss, Charlotte Major & Monty Okey

How can you guarantee that you could replace your home?

No problem.

Auto-Owners Homeowners Policy offers optional *guaranteed home replacement* cost coverage for homes that qualify. It's broader coverage—so you'll never run out of money for covered losses. It may be more economical than your current policy that doesn't include guaranteed home replacement.

Just ask your "no problem" Auto-Owners agent to tell you how Homeowners protection can be no problem for you and your home.

Engagement Announced

Mr. and Mrs. Bobby E. Parker of Martin are proud to announce the forthcoming marriage of their daughter, Patrese Anne, to Craig Steven Rogers son of Mr. and Mrs. Richard Rogers of Martin.

Patrese is the granddaughter of Mr. and Mrs. Carl Parker of Cottage Grove, Tenn., and the late Mr. and Mrs. Brownlee Eaves of Palmersville. She is a 1986 graduate of Westview High School and is planning to attend the University of Tennessee at

Martin this fall. Craig is the grandson of Mrs. Cleo Rogers and the late Mr. Okey Rogers of Shock, W. Virginia and Mrs. Ona Adkins and the late Mr. Lonnie Adkins of Chelsea, MI. He is a 1979 graduate of Manchester High School and received a Bachelor of Science Degree in education from the University of Tennessee at Martin in 1984. He is presently teaching and coaching at Dresden Junior High.

Patrese and Craig will exchange vows at the Martin Church of Christ on July 25, at 7:00 p.m.

New Auto Lemon Law

Michigan joined 39 other states as its new Auto Lemon Law took effect on June 25. The law provides a legal definition of a lemon vehicle and provides avenues of recourse to consumers. Consumers who will buy a new car, pick-up truck, or van are now protected under the new law. Vehicles which meet the legal definition of a lemon may be bought back by the manufacturer or replaced in one of three ways: voluntarily by the manufacturer; through the decision of an arbitration process that meets Federal Trade Commission guidelines; or through the decision of a court of law.

Certain demonstrator and factory official models covered by manufacturer's warranties are also subject to the new law. It does not apply to most used vehicles; leased vehicles; or business or government fleets of ten or more vehicles purchased in the same year.

To assist new vehicle owners

"A Day In The Park"

On Thursday, July 17th the University of Michigan Medical Center's Turner Geriatric Clinic will host the 9th annual summer celebration, "A Day In The Park" for senior citizens in Washtenaw County. This festive event which will be held at Riverside Park from 10:00 a.m. to 2:00 p.m. is totally supported by local business and civic organizations.

Music for the all day picnic will be provided by Alice Rhodes and her band. Morning activities include origami, a decathlon, spelling bee, bingo, parachute games, folk dancing and a sing-a-long. After lunch, door prizes and gift certificates contributed by local merchants and organizations will be given away. Bagpipe music and tap dancing will be the afternoon's entertainment.

Turner Clinic is accepting reservations for the all day picnic which last year drew a crowd of over 400 persons. Box lunches will be provided by Community Service Agency's Nutrition Program. People under 60 are also invited but will be asked to pay \$2.50 for their lunch.

Manchester Bloodmobile Monday, July 21

students donate in excess of 11,000 pints annually. Many business and industrial groups will not sponsor blood drives during the summer before the weekend or near a holiday. Vacations and summertime activities mean fewer donors giving blood at neighborhood donor centers.

For most of us, summer means travel, recreation, picnics and family outings. Many others, however, are robbed of summer fun by illness, injury or surgery. Each day the Southeastern Michigan Red Cross Blood Services must collect 1,000 pints of blood to provide an adequate supply for members of our community. Bring life to a hospital patient whose summer may be marred by sickness or accident. BE A SUMMER BLOOD DONOR.

IS YOUR BACK GETTING IN THE WAY OF GOOD HEALTH?

Stay Healthy Naturally

get a chiropractic checkup

Manchester Chiropractic Clinic
STAN GILBERT, D.C.
227 East Main Street Phone 428-7207 Manchester

Ideally, good health should be natural. Given a chance, the body can work seeming miracles. But if something interferes with normal body functions, natural health is harder to achieve. All too often, the back is the source of health problems. That sudden twist or fall you paid no attention to could have forced a vertebra out of position. And in the process, the nerves that spread out from between the vertebrae can no longer properly serve body organs. The result? Poor health. To make sure your back isn't getting in the way of good health, get a chiropractic checkup.

Wedding Bells Ring

A June 20 evening ceremony united Bernadette Sue Fielder and Craig G. Coltre in marriage. They spoke their vows in St. Mary's Catholic Church in Manchester.

The bride is the daughter of Mr. and Mrs. Clarence Fielder of Manchester. The groom is the son of Mrs. Geno Coltre and the late Mr. Coltre of Chelsea.

Given in marriage by her father, the bride wore a gown of organza with beaded silk venise motifs accenting the Queen Anne neckline and featuring long tapered sleeves and basque waist. Chantilly lace trimmed the skirt and semi-cathedral train. A head piece of satin flowers secured the long veil.

Attendants for the bride included Jean Wamayer, maid of honor; Mary Frances Fielder, sister of the bride; Cecilia Niehaus, sister of the bride; Alisa Ross, Debbie Kastanis, and Sharon Fielder, niece of the bride; all of Manchester served as bridesmaids.

All the girls wore floor length aqua gowns and rings of baby's breathe in their hair.

Bill Coltre of Chelsea, brother of the groom, was best man while Pat Fielder, brother of the bride, Tom Boylan, Tim Calvia, Howard Haselshwerdt, and Troy Niehaus, nephew of the bride were groomsmen.

Seating the guests were Craig and Curt Fielder, brothers of the bride.

Sandy and Ryan Fielder, Niece and Nephew of the bride, served as flower girl and ring bearer.

A reception followed at the American Legion Hall with Bill

Fielder, niece of the bride attending the guest book and Mary and Mary Anne Fielder, sisters-in-law of the bride, cutting the cake.

The newly weds have returned from a trip to northern Michigan and are residing in Chelsea.

County Forms Special Brush Removal Crew

In a continuing effort to improve the safety and operations on the county road system the Washtenaw County Road Commission has formed a special four person brush crew. The sole responsibility of this crew is to undertake extensive brush removal at intersections throughout the county. This crew will be clearing vegetation, brush and small trees some 150' in advance of each leg of the intersection, within the limits of the Road Commission right-of-way. Where determined necessary, permission will be sought from adjacent property owners to extend the clearing outside the right-of-way.

According to Norm Kennedy, Road Commission Chairman, "The primary goal is to increase the clear vision zone at these intersections, thus improving the safety of the intersection for the motoring public." He also noted that in addition to this special crew, the Road Commission will be continuously mowing county roads this summer with initial emphasis being placed at intersections. Also, a two person crew is concentrating on mowing and clearing in front of road signs. Anyone who is aware of any intersections which have clear vision problems due to overgrown vegetation should contact the Road Commission at 761-1500.

Historical Society Birth Drawing Winners Announcement

For the fifth consecutive year the Manchester Area Historical Society held its annual Fourth of July raffle at Carr Park last Friday evening prior to the fireworks display provided by the Manchester Men's Club.

The following individuals were winners of \$25.00: Susan Stremmer - Manchester; Shirley Reinhart - Manchester; Ethel Brown - Manchester; Wilhelmina Mann - Manchester; Oscar Zahn - Saine; Luella Smith - Bloomfield Hills; Lou Way - Fullerton, California; Donald Allen - Stockbridge; M. Blossom - Manchester; Jacqueline Armentrout - Manchester.

Winners of \$50.00 were: Wilhelmina Mann - Manchester; Dick Moore - Jackson; and Winners of \$100.00 were: Milton Schaible - Ottawa, Illinois and Melva Birtles - Chelsea.

Chelsea Players To Present "Camelot"

"Camelot" by Lerner and Loewe will be presented by the Chelsea Area Players on July 17, 18, and 19, at the Chelsea High School Auditorium. Showtime will be 8 p.m. each night with a 2 p.m. matinee on Saturday, July 19. Ticket prices are \$6 for the evening performances and \$4 for the matinee. All seats are reserved and tickets may be purchased at the U.A.W. Hall in downtown Chelsea, at the Ann Arbor Civic Theatre Box Office on Main Street in Ann Arbor or by calling 475-9987 or 475-8713.

Directing the musical will be Burnette Staebler who has previously been involved with Ann Arbor Civic Theatre. Starring in the title role of King Arthur is Joe Diederich of Chelsea. Portraying the role of Guenevere is Becky Boeve of Ann Arbor. Playing the role of Lancelot is David Andrews of Ann Arbor.

The Historical Society thanks everyone who participated in the drawing. This support has enabled the Historical Society to meet its budget each year.

Attention Class of 1981

If you are planning on attending our five year reunion on July 19th, please send your \$5.00 per person to Colleen Scully Kemner (check made to Class of 1981), 403 City Road, as soon as possible. Charge at the door will be \$8.00 per person. See you there!!

School Board Briefs

Authorized banks and signatures were made for the 1986-87 school year for financial accounts.

Executive & Finance Committee members were appointed by President Broucek. They are: Executive Committee: Broucek, Samonek, Sahakian, Finance Committee: Schaffer, Davis, Kemmer, Alternate: Tom Golding.

Executive Committee meets the first Wednesday of each month, 8:00 p.m. Finance Committee meets the second Tuesday of each month, 8:00 p.m.

President Broucek invited anyone from the audience to speak at this time. Duane Kuebler spoke to the Board informing them the Athletic Boosters will have the food tent at the Fair this year. He also requested the use of some of the food service equipment during the week of the Fair. After discussion, the Board recommended Mr. Kuebler return to the Fair Board and negotiate their contract with them, and report back to the Board at their regular July Board meeting. Mr. Kuebler also informed the Board the Athletic Boosters were planning to use the money from the food tent to construct a Girl's Softball Diamond on the new athletic field complex.

The Board took action to appoint the legal firm of Thrun, Maatsch and Nordberg of Lansing

The third Monday of each month was set aside for the Regular Board of Education Meeting at 8:00 p.m.

Board Briefs July 1, 1986

The meeting was called to order by Superintendent Ron Niedzwiecki at 8:00 p.m. Members present: Broucek, Samonek, Davis, Golding, Sahakian, Kemmer. Also present: Supt. Niedzwiecki, principals - Schick and Morrison, also Trans/Maint. Supervisor Rusty LeFurge.

Superintendent Niedzwiecki advised the purpose of the meeting was to organize the new Board and to install the new trustees.

After administering the oath to Patricia Sahakian and William Kemmer, Superintendent Niedzwiecki and the Board members welcomed the new members into the organization.

Superintendent Niedzwiecki advised the Board it is necessary now to elect new officers.

Newly Elected Officers are: President - William Broucek; Vice President - Gary Davis; Secretary - Tom Golding; Treasurer - Jeff Schaffer; Trustees - Jim Samonek, Pat Sahakian, William Kemmer.

The Board authorized the Superintendent to proceed along the Board's guidelines with respect to the Error & Omission Insurance. The Board moved to accept Boiler and Machinery Insurance from the firm of Hall & Kennedy.

Other Business: Superintendent Niedzwiecki informed the Board of the schedule for teacher negotiations. The Board will meet in Executive Session on July 14, 1986, for further discussion on negotiations.

Rod Morrison informed the Board & Superintendent that Susan Davis would not be participating in the Fulbright Exchange Program due to a serious family illness. The Fulbright people did put the exchange on hold for one year and she would be able to participate next year.

New Life Proposed For Straits Ferry

The S.S. Chief Wawatam, the veteran ferry at the Straits of Mackinac, may get a new lease on life, but not as a carrier of railroad cars.

The Michigan Department of Transportation (MDOT) has scheduled a public meeting July 10, in St. Ignace to talk about results of a study to find potential alternative uses for the 75-year-old vessel. The meeting will begin at 9:30 a.m. in the Mackinac County Court House.

"The Chief Wawatam is an important part of the history of the Straits of Mackinac, and it has been there since its construction in 1911," said Carol C. Norris, MDOT's deputy director for Urban and Public Transportation.

"Working with the communities and area legislators, we would like to preserve this element of Michigan's maritime heritage for future generations," she said.

The state-owned, coal-fired ferry has been out of service since August 1984. MDOT has received no proposals from any potential operator to resume cross-straits freight service, and no new developments have occurred to justify resumption of service.

At the urging of local officials last fall, MDOT and the Department of Natural Resources (DNR) hired a consultant, Temple, Barker & Sloane, Inc., of Lexington, Mass., to identify feasible alternate public uses for the vessel. Public meetings were held in December to gain input from community residents and business leaders. They produced a number of ideas for use of the vessel.

"We promised the communities that we would share the results of the study with them, obtain their reactions and suggestions on the alternate uses identified as being most feasible, and review

potential sites for mooring the Chief," said Norris. The study concludes the best use of the Chief would be as a permanently moored floating museum operated on a not-for-profit basis. The next best uses are a museum with shops on board and a museum with a restaurant on board. Eight potential sites for mooring the Chief permanently, all in Mackinaw City and St. Ignace, were identified and analyzed.

Discussions will focus on suggested alternate uses, regulatory constraints, costs of vessel conversion and maintenance, potential mooring sites and their associated costs, and potential financing sources.

Ms. Norris emphasized that no plan has been developed for implementing any of the alternate uses identified in the study.

"We will proceed only after thorough discussions with the communities and after obtaining their commitment to move ahead," she said.

HOW TO SAVE \$47,614 ON YOUR NEW MORTGAGE.

INTRODUCING THE BIWEEKLY MORTGAGE.

It's true. That's how much you can save on a typical \$50,000 Great Lakes fixed-rate, 30-year mortgage. Here's how it works:

Instead of making monthly mortgage payments in the traditional way, you'll make **half-payments** every other week. At the end of the year, you'll have repaid the equivalent of 13 traditional mortgage payments.

Over the life of your loan, the more frequent, smaller payments and the one extra payment can cut your interest expense by 25%. And you'll find your 30-year loan repaid in full after just 20 years.

Ask your Realtor or Great Lakes Federal mortgage lender about the new Biweekly Mortgage. Great Lakes Federal Savings can help you get the home you want for less.

Amount Borrowed	Interest Rate	APR	Payment Amount	Repayment Period	Total Repaid	Savings	
\$50,000	Monthly Mortgage	11.00%	11.43%	\$476.17	30 years	\$171,421	
	Biweekly Mortgage	11.00%	11.37%	\$238.09	20 years	\$123,806	\$47,614
\$75,000	Monthly Mortgage	11.00%	11.41%	\$714.25	30 years	\$257,130	
	Biweekly Mortgage	11.00%	11.35%	\$357.13	20 years	\$185,709	\$71,422
\$100,000	Monthly Mortgage	11.00%	11.40%	\$952.33	30 years	\$342,838	
	Biweekly Mortgage	11.00%	11.34%	\$476.17	20 years	\$247,608	\$95,230

NOTE: These examples are based on a 20% down payment. Different loan amounts and interest rates will still result in significant, though different, savings. The Biweekly Mortgage is offered in conjunction with a Great Lakes Federal Automatic Payment checking account.

Council Proceedings

Approved Minutes
June 16, 1986

The regular meeting of the Manchester Village Council was held June 16, 1986, at the Village Hall.

President Hinkley called the meeting to order at 7:00 p.m. with the Pledge of Allegiance. Present: Hinkley, Limpert, Reinhart, Tapping, Becktel, Zaborowski, Marshall, Naimowicz and Wiedmayer. Also present: Michael Tindall - 208 N. Washington, Mary Kalliewaard - 202 N. Macomb, Bill Kwolek - 503 City Road.

Minutes of the June 2nd meeting were read. Motion by Becktel, supported by Tapping to approve minutes as read. Ayes -

all. Motion approved. **CORRESPONDENCE**
The Clerk read letters from the Historic 14th District Court Restoration Commission, Inc. and Michael Tindall.

Motion by Tapping, supported by Becktel to have Village Manager send a letter to the Historic 14th District Court Restoration Commission, Inc. stating that the project is very worthwhile but because of our very tight budget we will put their letter on file and if we come up with some extra cash we will consider it later. Roll Call Vote: Ayes - all. Motion approved.

Motion by Marshall, supported by Tapping to research Michael Tindall's problem with the ditch behind his house and report at

next meeting. Ayes - all. Motion approved.

PUBLIC PARTICIPATION
None.

Motion by Reinhart, supported by Marshall to add Tele-Communications to the agenda as item B under New Business. Ayes - all. Motion approved.

SHERIFF'S REPORT
Sheriff's report was presented - on file.

Naimowicz stated that there has been a lot of positive response on the way the Sheriff's department handled the last day of school. Many of the merchants stopped by to say that it was handled in a fair and efficient manner. Tapping reported that the school was also happy with the way things were handled and hope it will be done the same next year.

Motion by Marshall, supported by Limpert to accept Sheriff's report dated May 15th and June 9th as submitted. Ayes - all. Motion approved.

DPW REPORT
Wiedmayer presented DPW report - on file.

Council discussed the bid from Asplundh Tree Service for 80 hrs of work, \$37.00 an hour for trimming trees - \$34.00 an hour for stump removal.

Motion by Marshall, supported by Becktel to table until Dan can present all the facts and figures at next Council meeting. Ayes - all. Motion approved.

Wiedmayer discussed the

flower boxes on Main Street.

Motion by Limpert, supported by Marshall to allow the merchants to put a 12 inch fence around each of the trees and to have a raised border above the surface of the sidewalk. Roll Call Vote: Ayes - all. Motion approved.

The roof on the Senior Citizens building was discussed.

Motion by Limpert, supported by Marshall to ask for bids based on a specific requirement equal to a 20 year bonded roof. Roll Call Vote: Tapping - yes, Limpert - yes, Reinhart - yes, Becktel - no, Zaborowski - yes, Marshall - yes. Motion approved.

Wiedmayer presented the bid of \$5500.00 for a tractor to Council. Discussion followed.

Motion by Becktel, supported by Reinhart to purchase tractor for \$5500.00, subject to the oil leaks being repaired and a 90 day warranty. Roll Call Vote: Tapping - yes, Limpert - no, Reinhart - yes, Becktel - yes, Zaborowski - yes, Marshall - yes. Motion approved.

The Clerk read bids from Bostwick Company on Sealcoating parking lots.

Lot #1 - \$450.00
Lot #2 - \$535.00
Lot #3 - \$665.00
Lot #4 - \$410.00
Lot #5 - \$195.00

Total - \$2,205.00

Motion by Becktel, supported by Limpert to have Village Manager send each property

owner on North side of Main Street a letter advising them that we have received bids for sealcoating parking lots and set up a meeting with merchants so they can see the drawings. Also stating that after the lots are done the Village will meet the requirements of stripping them. Roll Call Vote: Ayes - all. Motion approved.

Motion by Limpert, supported by Marshall to table bids until after meeting with merchants. Ayes - all. Motion approved.

MANAGER'S REPORT
Naimowicz presented Manager's report - on file.

Naimowicz discussed the option of using the Treatment Plant to dispose of waste from septic tanks. Discussion followed.

Motion by Marshall, supported by Tapping to explore the possibility of disposing septic tank waste in our Treatment Plant for a fee. Ayes - all. Motion approved.

Naimowicz discussed the recommendation of a realtor for the Industrial Park.

The Clerk read a resolution pertaining to our prosecuting attorney. Discussion followed.

Naimowicz stated that there has been a difference of opinion on a motion made by Limpert on May 19th pertaining to the Planning Commission. Discussion followed.

Motion by Limpert, supported by Zaborowski to table until we are able to get a legal opinion.

Roll Call Vote: Tapping - yes, Limpert - yes, Reinhart - yes, Becktel - no, Zaborowski - yes, Marshall - no. Motion approved.

Limpert's intent was to have Council help set their advisory boards (Planning Commission) priorities, not to stop them from advising to the Council. Discussion followed.

Motion by Becktel, supported by Marshall to rescind previous motion dealing with the Planning Commission until such time that we receive a legal opinion and know which way to go. Roll Call Vote: Tapping - no, Limpert - no, Reinhart - yes, Becktel - yes, Zaborowski - no, Marshall - yes, Hinkley - yes. Motion approved.

NEW BUSINESS
Naimowicz discussed the engineers bids on the Beaufort Street project.

Motion by Becktel, supported by Reinhart to table discussion on Gerry Mann's property. Ayes - 5. Limpert - abstain. Motion approved.

Naimowicz initiated a discussion on making the Village Hall barrier free by October 17, 1986. Discussion followed.

Motion by Marshall, supported by Reinhart, to seek bids to turn one half of the downstairs into a barrier free Council Chambers. Roll Call Vote: Tapping - yes, Limpert - no, Reinhart - yes, Becktel - yes, Zaborowski - yes, Marshall - yes. Motion approved.

Naimowicz asked Council to table the recommendation of a Realtor for the Industrial Park. Motion by Becktel, supported by Tapping, to table. Ayes - all. Motion approved.

Marshall asked Council to start addressing the issue of Telecommunications in Manchester and asked to have it put on the agenda for the July 7th meeting.

Planning Commission since 1983. He spoke from the perspective of a concerned homeowner willing to become actively involved in his community. Ted consistently supported measures to maintain the unique qualities of Manchester. We also thank him for the voluntary extension of his term of office during the transition period.

Motion by Becktel, supported by Marshall to accept Manager's report. Ayes - all. Motion approved.

Naimowicz initiated a discussion on making the Village Hall barrier free by October 17, 1986. Discussion followed.

Motion by Marshall, supported by Reinhart, to seek bids to turn one half of the downstairs into a barrier free Council Chambers. Roll Call Vote: Tapping - yes, Limpert - no, Reinhart - yes, Becktel - yes, Zaborowski - yes, Marshall - yes. Motion approved.

Naimowicz asked Council to table the recommendation of a Realtor for the Industrial Park. Motion by Becktel, supported by Tapping, to table. Ayes - all. Motion approved.

Marshall asked Council to start addressing the issue of Telecommunications in Manchester and asked to have it put on the agenda for the July 7th meeting.

Motion by Limpert, supported by Zaborowski to accept the low bid of Union Construction as recommended by the Engineer,

subject to getting the easements. Roll Call Vote: Ayes - all. Motion approved.

OLD BUSINESS
Motion by Marshall, supported by Reinhart to table discussion on Gerry Mann's property. Ayes - 5. Limpert - abstain. Motion approved.

Naimowicz stated that we were making progress on ordinances and that Council should have final draft of new ordinances until there was more time. Motion by Limpert, supported by Marshall to table. Ayes - all. Motion approved.

Amendments to the Satellite Disk Antenna Code was brought to Councils attention. Motion by Becktel, supported by Marshall to refer back to Planning Commission for review. Ayes - all. Motion approved.

Motion by Limpert, supported by Tapping to table Transfer Site Ordinance. Ayes - all. Motion approved.

Motion by Limpert, supported by Becktel, to adjourn meeting. Meeting adjourned at 9:50 p.m.

There are 27 recognized breeds of cat.

Our Compliments To The Chef. And All The Staff Who Keep Meals On Wheels Rolling.

About two decades ago, a group of enterprising people first opened the doors to what has ever since been a favorite local eatery.

In that time, not a whole lot has changed in the way they run things. The menu's simple. But the food is always hot, fresh and wholesome.

A lot of the staff works for free. And most provide their own cars and gasoline so the operators can still offer home delivery.

And, as it's always been over the years, they've never once made a red cent to show for it all.

But they did manage to make firm believers out of us. They're Meals on Wheels, after all.

So while it is not surprising that they are not in business to make a profit, they still have to pay their bills like everyone else to stay in business.

Otherwise, hundreds of home-bound senior citizens and hundreds more less-fortunate people might go hungry every day.

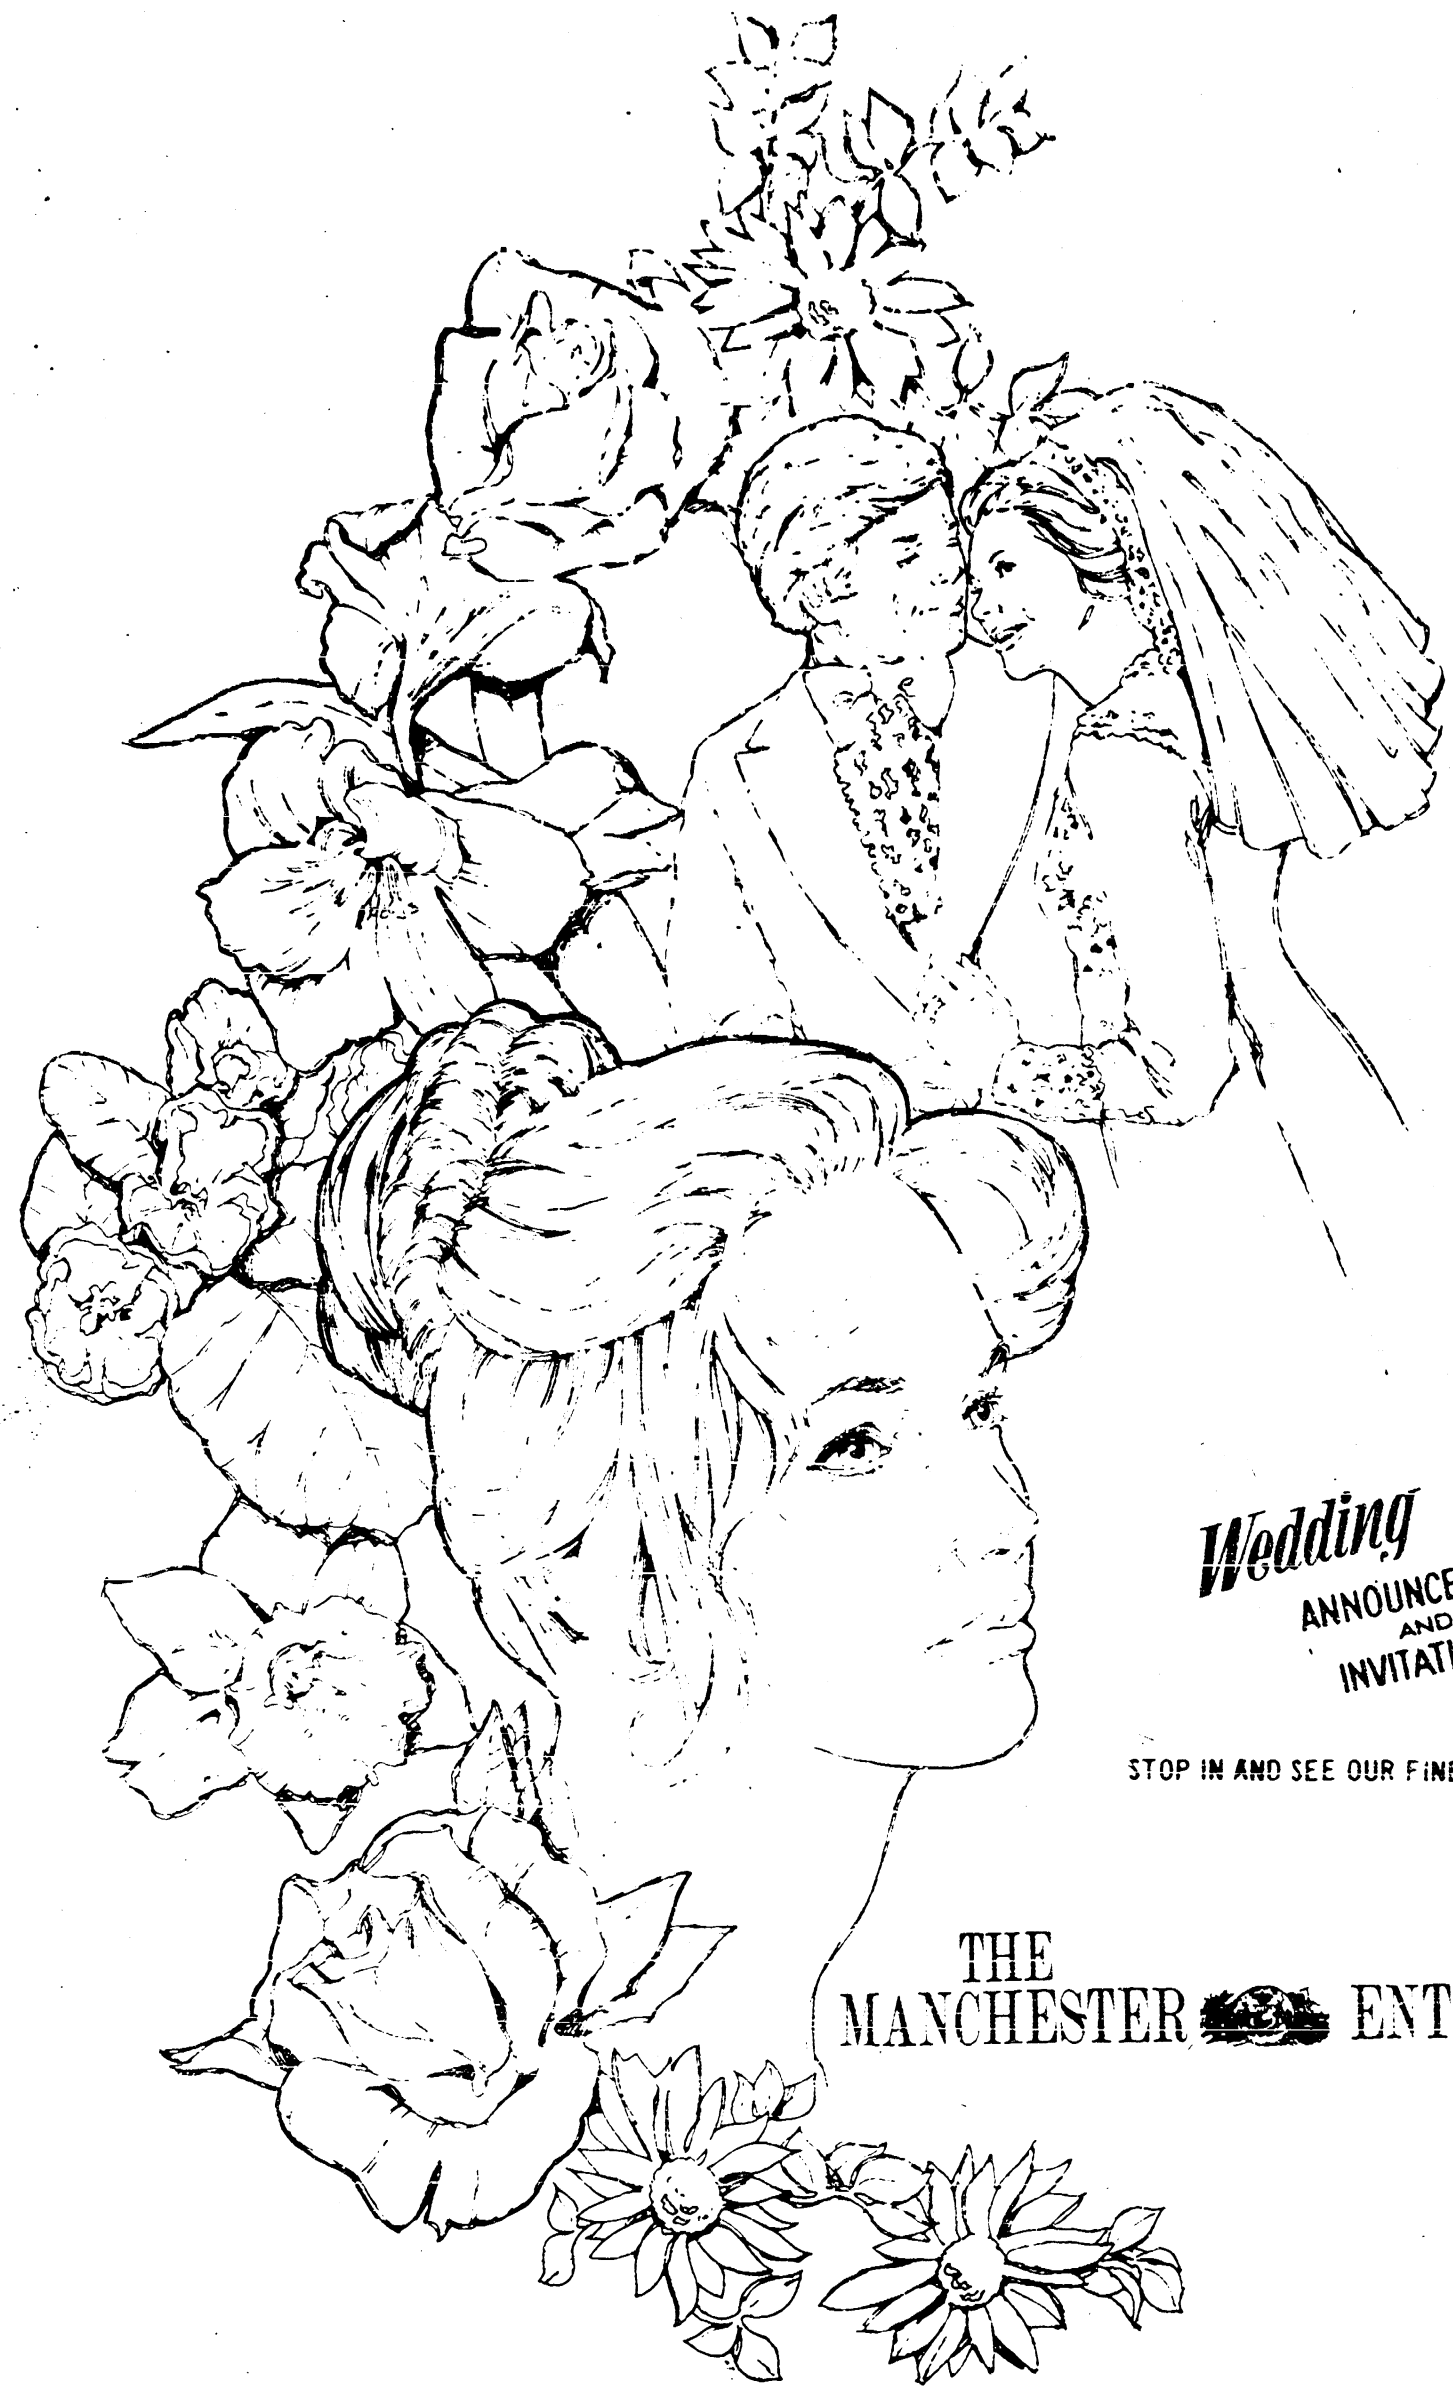

So when they fed us the facts on their cash-flow problem, we gave them the line of credit they needed to keep things rolling.

Not just because we're bankers. But because, more importantly, we're part of the community.

You see, at First of America Bank we think non-profit organizations like Meals on Wheels, who make sure that those in need do not go hungry, are something everyone will eventually profit from some day.

FIRST OF AMERICA
We're Community Banks First.

How To Defer Tax On A Home Sale

[Prepared by the Michigan Association of Certified Public Accountants]

Your home is an excellent tax shelter, as well as an important asset that is likely increasing in value. Selling it may give you a handsome gain - and a hefty tax bill, too. But with some knowledge of the way capital gains are treated when a home is sold, the Michigan Association of CPAs says it's possible to defer or legally avoid much of the tax. But watch out for pitfalls.

Under current tax law, when you sell your home, the entire gain on the sale may not be taxed if you buy or build and occupy a new principal residence two years before or after the sale. The new residence must cost at least as much or more than the adjusted selling price of your old home. Remember, the tax on the gain is deferred, not forgiven. Any gain that is not taxed must be subtracted from the cost of the new home giving you a lower "basis," defined as the amount you are considered to have paid for the new home. If you sell the new home later and buy another one, you may continue to defer the tax. If you do not buy a new home or if the cost of the new home is less than the adjusted sales price of the original home, then part or all of your gain is taxable as long-term or short-term capital gain, depending on how long you owned your home.

The profits on home sales are taxed the same way as capital gains on other investments - such as stocks or bonds. If you own the home for more than six months, it is taxed as a long-term investment, thus only 40 percent of the gain you make on the sale is

taxable. But if you own the home for six months or less, all of your profit is taxable.

A new home need not be a house. The same tax laws apply if your new home is a condominium, a co-op, a trailer, houseboat or other type of principal residence. A home you have constructed can also be considered a replacement residence. Let's say you sold your home in 1984 and gained \$10,000. Within two years you bought and occupied a new home for \$90,000, which is more than you were paid for the sale of the original home. You won't be taxed for the \$10,000 gain in 1984, but you must subtract the untaxed gain from the \$90,000, giving you a \$70,000 basis in your new home. If within two years you did not buy a replacement home, you would be taxed on the \$10,000 gain. If you must sell your home at a loss, the loss is generally not deductible on the federal income tax return.

The capital gain from a prior sale can be reduced or eliminated by increasing what you originally paid for the home by amounts paid out within the 24-month reinvestment period through home improvements. The resulting figure is the "adjusted basis." If you added to your home a porch that cost you \$10,000, you can add that to your basis. If you don't have receipts for your home improvements, you should ask the company that did the work to write an estimate of the cost or retrieve the original receipt. It's smart to keep receipts on all capital improvements.

Home sellers can also benefit by sprucing up their old place. Painting exterior walls, ciling that squeaky garage door and restoring faded paneling will probably drive up the price several thousand dollars. And those maintenance or "fix-up" costs can be subtracted from your

home's selling price if they're done within 90 days of the sale and paid for within 90 days of the sale. But you must have receipts to document these costs. Don't forget to reduce your sales price by certain closing costs on the sale of your old home, such as brokerage fees and legal expenses.

In addition to the tax deferral, the other major tax break coming from the sale of a home is the \$125,000 tax-free profit allowed if you are 55 or older. To qualify, you must have used the home as your principal residence for three of the last five years before the sale. If a home is jointly owned by two spouses, only one spouse need be 55 or over to receive the exclusion.

Since the exclusion is only good once in a lifetime, it may be wise to consult your CPA if you are not absolutely sure when you should take it.

Hit or Miss

Trying to get to his hungry group. We retreated and slyly watched the proceedings that followed. Sure enough the babies in the nest fed by the food that their parents brought and the chirpings continued loudly so we returned to the kitchen and of course left the fan off and watched the progress of the bird family...They seemed to be thriving and in no time at all it seemed that the entire family was out and about our porch and yard each morning and their antics and their chirpings amply repaid us for their trespassings.

I don't know for sure but I suspect that they spent the winter in their metallic home for very early this spring we again heard their chirpings and now their children and, I am sure, their children's children are morning visitors to our porch and yard. From the noises they make in their metallic home I am tempted to believe that all of the children are this year taking tap dancing and I am sure that the clicking noises I hear are the youngsters practicing on the metal floor of their home. After all it really doesn't get very hot in our kitchen after all without a fan. There's air

conditioning in the rest of the home of ours and I never got around to putting a wire guard over the entrance to the fan's exhaust.

By the way, the bird book says these are chickadees.

Speaking of animals, we have the most accurate weather forecaster that we have ever known in the person of my daughter's Irish Setter who comes here with her when she comes to assist with my housework.

Usually he, in fair weather, sprawls on the floor of the house or in the shade of the back yard if the day is sunny but if there is a single cloud in the sky, he lies in the yard with one eye on the cloud and if the cloud thickens to herald a rainstorm or perhaps a violent wind he asks to come into the house long before the storm arrives here. Then he retreats to the bathroom and jumps into the tub and there he remains until the storm is well over. You may hear weather reports on the TV or radio but this big red clown you never watch nor wait for them. Just watch him and when he turns up missing from his usual haunts just look in the bathtub

and if he's in it be assured that there is a storm coming within perhaps a couple of hours for he's never wrong. If we could teach him to read a thermometer we would have it made.

VA New Health Care Procedures

The Veterans Administration began implementing new eligibility assessment procedures on July 1, to determine nonservice-connected veterans' eligibility for cost-free VA health care.

Ronald F. Lipp, director of the Ann Arbor VA Medical Center, said the income-based assessment, required by the Veterans' Health Care Amendments of 1986 (Public Law 99-272), is designed to ensure that VA hospital care is provided to service-connected and lower-income veterans. Veterans with higher incomes will be eligible for VA health care on a space-available basis.

Lipp said most nonservice-connected veterans applying for VA health care will be required to provide information on their total income for the preceding year. Proof of income will not be

Manchester Township Annual Meeting

Proposed Minutes
June 28, 1986 - 12:30 p.m.
Manchester Township Hall
275 S. Macomb Street

Opened with Pledge of Allegiance.

Roll call of Board members: Fielder, present; Lentz, present; Burch, present; Macomber, present; Widmayer, present.

Also present were Constable Moore and 12 electors.

Supervisor announced that meeting was being taped and to be recognized, step forward and give name. He stated the meeting would be conducted under Robert's Rules of Order.

Clerk read the minutes of the last Annual Meeting of June 29, 1985. Moved by Mike Scully and supported by Claire Reck to approve the minutes as read. Voice vote, yeas all. Carried.

Supervisor requested any petitions/correspondence. None. Treasurer Burch explained the financial statement. (Copies were available for all present). She stated it will be posted on the office bulletin board. Motion

made by Widmayer and supported by Scully to accept as presented the financial statement for July 1, 1985 - June 30, 1986. Voice vote - yeas, all. Carried.

Fire Chief Mike Scully gave the Fire Department report.

Priorities are:

1. Refurbish #701 - necessity. Feels it should last 10 more years.
2. 2 Coats.
3. 2 Scot air packs (breathing apparatus) (will eventually catch up on this item.)
4. #703 tanker - tires are bad - should have all new.

He stated if the refurbishing of #701 was approved, they could take it to West Shore this coming week. It will take 60-90 days to get it refurbished.

He explained that the Dutchmen Firefighter's "300 Club" has purchased a deck gun which is capable of pumping 1250 gallons per minute. The approximate cost was \$1600.

Looking ahead - in about three years #703 will need to be replaced and also the army tanker will need to be replaced in near future. The tank on #703 is very old and the truck is rusting badly. (The tank is probably 35-38 years old and was homemade).

Supervisor Fielder announced that #701 will be refurbished if the proposed budgets are

approved today.

Ann Fowler presented proposed budget for library for 1986-87. The Library Board has a goal to micro-film all the old Enterprises. They have had many donations pledged but still need approximately \$5,000 more. President Olga Nickels was unable to attend the meeting but will bring the Board the Annual Library report.

Constable Moore reported that he logged 18,500 miles this year for police and zoning; 43 junk cars have been removed; 5 yards cleaned up. Much more is still to be done. He averaged 45 hours per week patrolling January - February and 51 hours for May - June. He also stated that the Sheriff's Department will be changing to high frequency and a new radio will be approximately \$2800.

Jeanette Kirk commented that she lived in the rural area and the only law enforcement car she ever sees is Constable Moore's. She commended him for doing a good job.

Supervisor thanked Mike Scully, Ann Fowler and Constable Moore for fine reports.

Supervisor explained proposed budget for July 1, 1986 - June 30, 1987. Supervisor explained electors have veto power for salary increases.

Gale Koebbe asked to be recognized and stated that the F.D. #1 priority is to get #701 refurbished and back in business. He feels also that the Fire Chief puts in more time than the Trustees and receives less compensation. He requested that the Board consider more for the Fire Chief in next years budget because the Fire Chief has more duties than the Trustees. Fielder said we will take it into consideration for next year. Moved by Koebbe and

supported by Ann Fowler to accept the General Fund budget for \$195,723 including the Township Board salary increases as follows: Supervisor \$3,900 to \$4,000; Assessor \$5,000 to \$5,400; clerk \$8400 to \$9,000; Treasurer from \$8,400 to \$8,800; Trustees from \$1,000 each to \$1,050 each; and also the other budgets presented excluding Federal Revenue Sharing budget. Voice vote - yeas, all. Carried.

Moved by Keith Johnson and supported by Doris Mahony to authorize the Treasurer to deposit township monies in local banks/savings and loan of her choice that is most beneficial to the township. Voice vote: Yeas, all. Carried.

Moved by Kurt Kensler and supported by Jeanette Kirk to grant approval to assessor to hire a part time secretary for assessing duties. Voice vote: Yeas, all. Carried.

Moved by Jeanette Kirk to hold monthly meeting on the second Monday of each month, at 8:00 p.m., supported by Gary Wiedmayer. Voice Vote: Yeas, all. Carried.

J. Kirk also commended the Fire Department for the good job they do. Supervisor requested any other business. No response. Moved by Burch and supported by Burch to be adjourned at 1:28 p.m. Voice vote: Yeas, all. Carried.

Submitted by, Wilma E. Lentz, Clerk Approved by, Clarence Fielder, Supervisor

Manchester Township Board Minutes

Proposed Minutes
Federal Revenue Sharing Hearing
June 28, 1986

Hearing held following the Annual Meeting. All Board members present; also Constable Moore, Ann Fowler and Doris Mahony.

Federal Revenue Sharing budget for \$5,915 presented for July 1, 1986 - June 30, 1987.

Moved by Ann Fowler, supported by Lyle Widmayer to accept as presented the Federal Revenue Sharing budget. Voice vote: Yeas, all. Carried.

Moved by Ann Fowler and supported by Doris Mahony to be adjourned at 1:30 p.m. All yeas, carried.

Submitted by, Wilma E. Lentz, Clerk Approved by, Clarence Fielder, Supervisor

Lake Superior Tour Officially Signed

FOLLOW THE GREEN AND WHITE SIGN--Michigan's First Lady Paula Blanchard and Rep. Pat Gagliardi, D-Drummond Island, chairman of the House Tourism and Recreation Committee, show off one of the new signs that will officially mark the 1,240-mile Lake Superior Circle Tour. Mrs. Blanchard proposed the sign project and won support from Wisconsin and Minnesota and the Province of Ontario.

The Lake Superior Circle Tour, 1,240-mile route. Each carries the long a popular excursion for motorists, is being officially signed for the first time.

Green and white signs showing an outline of the largest of the five Great Lakes and a belt circling the lake are being placed about every 10 miles along the

to their tourism industries. The Michigan Department of Transportation coordinated the design of the signs and fabricated them for the three states and the Canadian province.

The two-by-two-foot signs are being placed along 515 miles of state highways in Michigan, 140 miles in Minnesota, 100 miles in Wisconsin and about 480 miles in Ontario.

In Michigan, the tour route extends from Ironwood on the west to Sault Ste. Marie on the east. Following state highways, it goes from Ironwood to Ontonagon, Houghton/Hancock, Copper Harbor at the tip of the Keweenaw Peninsula, L'Anse, Marquette, Munising, Newberry, Paradise and then to the International Bridge at Sault Ste. Marie.

Dial-A-Garden

Rev. John Morris Celebrates 25th Anniversary

church was dedicated under his leadership in October, 1974. The congregation has truly been blessed to have such faithful leadership as given by Rev. Morris in his 19 years as pastor.

The morning service on Sunday, July 13, at 10:15 a.m. will be delivered by the Rev. Fred Klopfer of Canal Winchester, Ohio, who presided at the ordination of Rev. Morris in 1961. At 2:00 p.m. a Praise Service will be held followed by an open house in the Church Fellowship Hall. The public is invited to attend.

American Legion Auxiliary Picnic

The American Legion Auxiliary will hold its July 9th potluck picnic and meeting at the American Legion Hall at 6:30 P.M. Bring your own tableware and a dish to pass. Junior members are encouraged to come.

The marathon race was originally 26 miles. It was increased 385 yards in the 1908 Olympic Games so King Edward VII could see the finish from the royal box.

Cards of Thanks
I wish to thank my friends and my family for their prayers, visits, cards and flowers during my stay at the hospital and since I came home.
Erika Frey

To all those who cared:
My family, neighbors and friends for the cards, flowers, visits and calls, during my recent hospital stays and homecoming. To William's sister, Leone, who stayed throughout our trying time.
They were all very much appreciated.
Viola Bross

The Manchester Men's Club would like to express a sincere thank you to all those who donated to our fireworks fund and also to all of you who purchased at our refreshment stand. Also, thanks go out to the Manchester Village Council, Manchester Fire Department, Washtenaw County Sheriff's Department and the Explorers who assisted in keeping everything under control. We hope everyone enjoyed themselves but most of all we hope we can continue to keep this annual event going. Donations for fireworks can still be made by mailing it to Manchester Men's Club, P.O. Box 171, Manchester, MI 48158.

In Memoriam
In loving memory of Don "Lefty" Ross who passed away 5 years ago July 14, 1981.
Those we hold most dear never truly leave us. They live on in the kindnesses they showed. The comfort they shared and the love they brought into our lives.
Sadly missed by
June & Donna

VA New Health Care Procedures

required beyond filling out an application form. Veterans are being urged to have this information with them when they apply for health care at any VA facility after July 1.

He said the eligibility assessment applies to all nonservice-connected veterans regardless of age, except for the following groups: former prisoners of war, veterans exposed to certain herbicides while serving in Vietnam and to ionizing radiation in connection with atmospheric testing of nuclear weapons and in the occupation of Hiroshima and Nagasaki who require treatment of a condition that may be related to such exposure, veterans receiving a VA pension, veterans of World War I, the Spanish-American War and the Mexican Border period, and veterans eligible for Medicaid.

Specifically, the law establishes three eligibility categories for VA

hospital, nursing home and outpatient care. VA is required to provide hospital care to veterans in Category A, and is permitted to provide health care to veterans in Categories B and C on a space-available basis. Veterans in Category C must agree to pay a deductible.

Category A veterans include veterans not subject to the eligibility assessment and nonservice-connected veterans whose income does not exceed \$15,000 if single, or \$18,000 if married, plus \$1,000 for each additional dependent. For these veterans, VA is required to provide hospital care in VA facilities. Outpatient and nursing home care may be provided in VA facilities on a space available basis.

Category B veterans are nonservice-connected veterans whose income is above \$15,000 (but does not exceed \$20,000) if single, or \$18,000 (but does not exceed \$25,000) if married, plus \$1,000 for each additional dependent. Hospital, outpatient and nursing home care may be

provided in VA facilities on a space-available basis.

Category C veterans are nonservice-connected veterans whose income exceeds \$20,000 if single, or \$25,000 if married, plus \$1,000 for each additional dependent.

For Category C veterans, VA may only provide hospital, outpatient and nursing home care if the veteran agrees to pay a deductible when such care is provided on a space-available basis.

Although the new procedures went into effect July 1, 1986, veterans receiving inpatient care prior to July 1, will not be affected until their current treatment is completed, or until the veteran's status changes. The assessment also will not apply during July and August to veterans now receiving outpatient care if additional care is needed to continue treatment, Lipp said.

American Heart Association

Lemon Veal with Spinach

Reduced salt doesn't mean a meal without zip. And limiting salt in your diet may reduce your risk of having high blood pressure.

- | | | | |
|------------|--|----------|-------------------------------------|
| 1 1/2 lbs. | lean veal shoulder, well-trimmed, cut into cubes | 1/2 tsp. | crushed fennel seed |
| 3 tbsps. | oil | 3 | green onions, chopped |
| 1 large | onion, chopped | 2 pkgs. | (10 oz. each) frozen spinach leaves |
| 1/4 cup | water | 1 | lemon, cut into 6 wedges |
| 1 tbsp. | lemon juice | | |
| 1/4 tsp. | pepper | | |

Brown veal in oil in large, heavy skillet. Add chopped onion, cooking until onion is tender. Pour off fat. Add water, lemon juice, pepper and crushed fennel seed.

Cover and simmer over low heat 1 hour or until veal is tender, stirring occasionally. More water may be added if needed. Add green onions and spinach. Cover and continue simmering until spinach is tender, about 5-10 minutes. Arrange veal on warm serving platter surrounded with a border of spinach. Garnish with lemon wedges.

Yield: 6 servings

Notice of Public Hearing On Increasing Property Taxes

PLEASE TAKE NOTICE that on July 21, 1986 at seven—thirty o'clock at Manchester High School the Board of Education of Manchester Community Schools will hold a public hearing on the levying in 1986 of an additional proposed millage rate of 3.131 mills for operating purposes pursuant to Act 5 Public Acts of Michigan, 1982.

The Board of Education has the complete authority to establish that 37.169 mills be levied in 1986 from within its present authorized millage rate.

The maximum additional proposed millage rate would increase revenues for operating purposes from ad valorem property tax levies in 1986 otherwise permitted by Act 5, Public Acts of Michigan 1982, By eight and 42/100 per cent (8.42%).

The purpose of the hearing is to receive testimony and discuss the levy of an additional millage rate. Not less than seven (7) days following the public hearing, the Board of Education may approve all or any portion of the proposed additional millage rate.

This notice is given by order of Board of Education.

Thomas G. Golding, Secretary
