## High School Community Scholarship Fund Gets Big Boost

Wayne Hamilton presenting Principal Bill Bushaw with Scholarship Fund check.

On May 7, 1986, Wayne Hamilton of Manchester Stamping gave a big boost to the Manchester High School Community Scholarship Fund by donating \$2,500.

During the last few years, the Manchester High School Student Council has solicited funds from area businesses and clubs. This money was lumped together for

Continued on page 7

## June 9th School Millage Information

Voters will be asked to renew the current operating millage of 22.78 mills for five years. In addition to the renewal request, voters will also be asked to approve 4.8 additional mills for operating purposes. The 4.8 mills will be for two years and has been split into two packages of 3.5 mills and 1.3 mills.

The passage of the renewal of 22.78 mills for operating purposes and the additional request of 3.5 and 1.3 mills are needed to operate a full program for the 1985-87 school year. Full program would reflect the reinstatement of all cuts made during the 1985-86 school year.

The following list has been developed by the Board of Education and consists of items and programs that would be considered as possible cuts if the 3.5 and/or 1.3 millage proposals failed.

It should be kept in mind as one reviews this list that all salary figures reflect increment and fringe benefits only and do not reflect any additional percent increases for school personnel. 1985-86 salary and fringe benefits plans were used.

### 1985-86 PROGRAM CUTS

5/7 Teacher at High School	\$ 17,158
0.5 Social Worker	7,370
0.3 Speech Correctionist	4,167
1 Physical Education Teacher - Elementary	26,109
1 Physical Education Teacher - Middle School	29,143
1 Vocal Music Teacher - Elementary	22,440
0.5 Gifted/Talented Teacher - Middle School	15,814
1 Library Aide - High School (2 Hrs)	1,901
1 Maintenance Person	18,328
1 Full Time Custodian	14,394
0.5 Adult Custodian	6,250
0.5 Student Custodian	4,460
Middle School Athletics (Includes Athletic Director)	20,932
Equipment - Capital Outlay	24,000
Library - AV Material	10,000
<b>Total</b>	<b>\$222,486</b>

## Poppy Day Manchester's Top Students Named

On Friday, May 16, the red crepe paper poppy will be offered to the public by the American Legion Auxiliary. This reminder of the sacrifice of countless thousands in four wars is an annual event undertaken by the members of Unit #117 in Manchester.

Volunteers from the Unit will once again take part in this nation-wide program in memory of the citizen soldiers who gave their lives in the cause of freedom.

Funds collected on Poppy Day are used to assist the needy veteran and his family. It is a self-help program, for the Auxiliary's familiar red paper poppy is hand-made in Poppy Shops run by Auxiliary volunteers. In these shops, disabled and hospitalized veterans make the flowers by hand, petal by petal. It is part of a physical and psychological therapy program by veterans for veterans. These poppies are purchased from the shop by the Auxiliary and offered to the public, not at a price, but for a contribution—a few cents to say America remembers.

This memorial flower was adopted by the American Legion Auxiliary in 1920 and since that time, programs have been conducted throughout the United States each year.

Contributions made on Poppy Day are used by the local Unit to aid needy veterans and their families in the community and in hospitals throughout the state. All proceeds are channeled directly into rehabilitation and welfare work for children and youth.

Auxiliary members from Manchester will ask the public to pause for a moment, pin on a poppy, and wear it with pride, remembering the civilian who took an oath to serve his country and gave his life so that America would survive today.

Joelle Armentrout, daughter of Tim and Joyce Armentrout, is the American Legion Auxiliary choice for Miss Poppy 1986. Joelle is a first grader at Klager. Her after school activities include Brownies, Junior Auxiliary, bowling and playing.

RENEE YEUTTER

Manchester High School is proud to announce their Valedictorian and Salutatorian for the 1985-86 school year. These two awards given for four years of academic excellence honor the number one and number two students in the class rankings. The honor of Valedictorian has been earned by Renee Yeutter with a grade point average of 4.00 and the honor of Salutatorian by Kevin Creech with a 3.97 grade point average.

Renee Yeutter is the daughter of Robert and Patricia Yeutter of Walker Road, Grass Lake. In her four years at Manchester High School, Renee has been involved in a wide range of activities in addition to her academic achievements. Renee has been a member of the National Honor Society, the quiz bowl team, and the academic games science team. During the summer of 1985, she was selected to participate in the Germany Summer Exchange Program as well as the State of Michigan Summer Institute for the Arts and Sciences. Renee has recently been selected to the Detroit Free Press All-State Academic Team.

While in high school, she has also participated in volleyball, softball and track. Because of her combination of athletic and academic achievements Renee was honored with the Army-National Guard Scholar-Athletic Award.

KEVIN CREECH

Renee will be attending the University of Michigan next year studying aerospace engineering. She has already been awarded the U of M Regents-Alumni Scholarship, the State of Michigan Competitive Scholarship, and the American Business Women's Association (Maia Chapter) Scholarship.

Kevin Creech is the son of Jack and Elaine Creech of Sanborn Road, Manchester. During his four years at Manchester High School, Kevin has exhibited both academic and leadership qualities. He has been chosen as Optimist Citizen of the Month and was elected class president in ninth grade and class treasurer in twelfth grade. Kevin participated on the academic games math team and Project Outreach Student Leadership Conference. He also has excelled in football and basketball for four years and been a member of the National Honor Society, as well as being a member of the Student Council.

Next fall Kevin will be enrolling at the University of Michigan where he plans to major in mechanical engineering. Kevin has already been offered two scholarships: The State of Michigan Competitive Scholarship and the Hillsdale College Honors Scholarship.

Manchester High School salutes both of these outstanding individuals.

## Hit or Miss

by Farley

We note that one gal has started a campaign to "Save the Kitchen." We heartily commend her. Some experts say that kitchens are all washed up, that they are a hangover from old fashioned society. According to one expert, kitchens will disappear by the end of this century - replaced by microwaves perched on top of TV sets in home

entertainment centers.

The beginning of the end for kitchens has arrived says this expert because the traditional family meal has vanished.

However, one old fashioned girl that I know says that she will never give up her kitchen. She swears that she will not under any circumstances, be forced to microwave her macaroni while listening to "Miami Vice" in a

Friday, May 23, Cheese & Sausage Pizza, Tossed Salad with Dressing, Fresh Fruit, Cookie, Milk.

**300 Club Winner**

This week's 300 Club winner was John Swainson, with ticket #1151, drawn by Sara Laskowski.

**Street Fair App's Out**

Applications to the Annual Manchester Street Fair, this year scheduled for August 9, have been mailed.

The mailing includes information and application to both the juried and non-juried areas of the art-craft fair. The juried fair will consist of quality works, original in concept and design. Three 35 mm Slides, clearly showing individual items should accompany the application. These will be used by a jury panel to judge the work for inclusion in the juried fair.

Application to the non-juried fair need not be accompanied by slides. Any works handcrafted by the applicant will be accepted.

For more information, or to receive an application, phone 428-8798 or (517) 456-7569.

**4-H Youth News**

4-H groups in 25 states, including Michigan and Washtenaw County have been awarded grants ranging from \$100 - \$500 to expand involvement

of the handicapped in the youth program. The funds were made possible by a grant from the Dr. Scholl Foundation, Chicago, Illinois, to National 4-H Council in Maryland.

The projects selected cover a wide range of activities designed to help mainstream the disabled into the 4-H youth program of the Cooperative Extension Service.

Groups in six states, Virginia, Nevada, New Jersey, Maryland, North Carolina and Michigan will initiate or expand current programs of horseback riding, which has proved highly successful in helping the handicapped develop self assurance and interest in the world about them. Washtenaw County's grant of \$300 will be used to expand current horseback riding programs.

Additional information concerning Horseback Riding for Handicapped in Washtenaw County is available by contacting the Cooperative Extension Service at (313) 973-9510 or write, Therapeutic Riding, Inc., 721 Dewey, Ann Arbor, MI 48104.

**Special Recognition**

Faye Lynn Reame of 20420 Bethel Church Road, Manchester, received special recognition during divisional award presentations held in conjunction with Siena Heights College's honors convocation April 25.

Reame is a BA Human Services/Social Work candidate at Siena. Siena Heights is a private, coeducational liberal arts college offering associate, bachelor and master degrees in 34 programs of study.

**April P.T.O. Minutes**

The meeting was called to order at 7:35 p.m. on Monday, April 28, 1986, by President Sharon Anderson. Roll was taken, members absent were N. Bihlmeyer, K. Jefferson and H. Porter. The minutes were approved as read. The Treasurer's report showed \$1,392.49.

The meeting was turned over to JoAnn Okey so that she could leave for a school board meeting. She proposed the P.T.O. sponsor a Meet the Candidates for School Board Night at a date in the last week of May. The P.T.O. agreed and will contact the candidates and set a date. She also ran through a staffing proposal list for the 1986-87 school year and went over parent request procedures for next year.

Kindergarten Round-Up will be May 8th and 9th. Ann Gordon suggested that perhaps the P.T.O. should send a parent to each session inviting parents to participate in the P.T.O. Ann Gordon, Pat Ahrens, Sharon Anderson and Pat Sahakian volunteered.

Under old business, the jackets are due in on April 30th. Ann Gordon asked for help processing orders on Thursday, so jackets could be sent home on Friday, May 2nd. Nancy Haeussler reported that Turner's Nursery would be replanting the Jeff Lozier Memorial Tree that week. Nancy Haeussler also volunteered to finish Birthday Buttons for the year.

Ann Gordon reported proposed amendments to the P.T.O. By-Laws. The P.T.O. would function as a council with 12 representatives; a quorum of 7 members would be needed to run a meeting; only elected representatives would be voting members; all purchases of \$25.00

**Federal Surplus Foods**

Federal surplus foods will be distributed in Manchester area Friday, May 23, from 9 a.m. to 2 p.m. at the Manchester United Methodist Church, 501 Ann Arbor Street, (M-52). Cheese, honey and cornmeal are available.

There will also be the annual Spring Shop for low income families and individuals during the hours listed above.

The income guidelines for eligibility in the Federal Surplus Foods Program for persons under 60 years of age, based on the total income of the entire family in the household is as follows:  
Household of 1 - \$6,968 or \$581

per month; Household of 2 \$9,412 or \$784 per month; Household of 3 - \$11,856 or \$988 per month; for larger families add \$2,444 for each additional member in the family.

For persons over 60 years of age, eligibility is based on the total income of the entire family, counting Social Security, pensions, dividends, interest, etc.; Household of 1 - \$8,576 or \$715 per month; Household of 2 - \$11,584 or \$965 per month; Household of 3 - \$14,592 or \$1,216 per month; for each additional household member add \$3,008.

For further information call 428-8852.

**Adopt-A-Dog Poster Search**

Calling all Dogs!-The American Humane Association and Doglovers Farm, sponsors of National Adopt-A-Dog month (October) are conducting a nationwide search for their POSTER DOG!

The winner of this contest will appear on thousands of posters across the country to promote Adopt-A-Dog month in October. All potential poster dogs must have been adopted from an animal shelter. The contest deadline is June 10th. The dog selected will receive a cash prize of \$5,000 and one year's supply of Meaty Bones and Jerky Treats. A matching cash grant of \$5,000 will be awarded to the shelter from which the dog was adopted. The first runner up will receive a cash prize of \$1,000 with \$500 going to third and fourth place winners.

Adopt-A-Dog month is celebrated to focus attention on the millions of dogs and puppies awaiting adoption at animal shelters. The Humane Society of Huron Valley received nearly 4,000 dogs and puppies last year. Entry forms for the contest are available at the Humane Society of Huron Valley. Phone Adoption Coordinator, Michelle Creek at 662-5545 or 662-5585 for more details.

## Middle School Students Participate In Spelling Bee

Pictured are Amy Scherdt, Tim Harvey, Benji Winzenz. Back row: Hikah Weiss, Melissa Hawk, Jenny Binder, Shannon Salyer, Julie Hamilton, Jon Whiting, Jamie Hall.

The Manchester Middle School's spelling program paid off in a big way last week. We participated in the Cascades League Spelling Bee against other 7th and 8th grade teams from Grass Lake, Michigan Center, Hanover-Horton, East Jackson and Napoleon.

Jenny Binder from Manchester won the 7th grade spell-down

(Amy Scherdt from Manchester was the 7th grade runner-up) and Melissa Hawk from Manchester was the top speller in the 8th grade spell-down.

Each school sent teams of four students from the 7th and four from the 8th. The Manchester

teams were chosen by an elimination process. Any 7th and 8th grade student could participate in the first round spell-down which left 10 semi-finalists standing in each grade. Several weeks later these semi-finalists competed against one another to choose the two teams of four and one alternate.

The 7th grade team was formed by Jenny Binder, Amy Scherdt, Julie Hamilton and Benji Winzenz. Shannon Salyer was the 7th grade alternate. The 8th grade team was formed by Hikah Weiss (who was ill and replaced by alternate Tim Harvey at the competition), Melissa Hawk, Jamie Hall and Jon Whiting. We can be especially proud of the performance of our teams.

### The Reduced-Tillage Fallacy

Last fall was very wet and most farmers did not attempt any fall tillage. From a soil erosion savings point of view this is good. From a farm operation point of view, the manager may now be pressured to get the crops planted because the primary tillage was not completed last fall. This is not good. However, the two points of view can be merged into a satisfactory solution called reduced-tillage - save soil and time.

Reduced-tillage is a matter of residue, not tillage equipment. Confusion between the two causes

many farmers to underestimate the soil lost to erosion on their farms. Many times, farmers associate not using the moldboard plow with reduced-tillage. But it does not take many passes with a chisel plow or disk to bury as much residue as a moldboard plow.

Reduced-tillage by definition leaves 30% more of the previous crop's residue on the surface after planting. In most situations, a farmer can meet the criteria for reduced-tillage in corn or small grain residue by chiseling once for primary tillage and using a field cultivator for secondary tillage.

Soybean residue cannot take tillage like corn stalks. If soybean residue is tilled even once, most of the residue is lost. The Soil Conservation Service encourages farmers interested in no-till to plant into soybean residue. New planters, or older models modified with coulters, can easily plant into soybean residue.

The amount of residue cover can be measured in a few minutes time. Stretch a 100 foot tape diagonally across a reduced-tilled field. Check each foot mark to see if the residue touches that point. The number of "hits" represents the percent field cover. Ask yourself "If a raindrop falls at this point, will it hit the residue or bare soil?" You should count at least 30 "hits" per 100 feet. Take at least three measurements across the field, excluding end rows. Contact the Soil Conservation Service for further information at 781-8722.

## Manchester Township Board

Proposed Minutes  
May 6, 1986

Manchester Township Board of Trustees held a public hearing on the above date at the Manchester Township Hall, 275 S. Macomb St., Manchester, Michigan, on the application of Janet H. Uzelac to change zoning from RC-recreation-conservation district to AR-agriculture/residential district on 40 acres at 15991 Fahey Road.

Meeting called to order at 7:32 p.m. with the Pledge of Allegiance. Roll call of Board: Present: Fielder, Lentz, Burch, Macomber, Widmayer. Absent: none. Also present were George and Ruth Richards, Doreen and G. Lyall Birney, Richard and Judy Fahey, Ethel Fahey, Anne and Calvin Smith, Wm. D. Martin, D.E. Limpert, David and Darlene Scovell, Ron and Janet Uzelac, Attorney Ed Sikorski, Attorney Stanton Roesch, Russell Smith, Victor Kruse.

Supervisor announced that the meeting was being taped; anyone who wished to speak should step forward and identify himself/herself. He then announced reason for hearing.

Clerk read letter from Duane and Judy Simerson voicing approval of the rezoning. (Uzelac file.)

Ed Sikorski, Attorney for the Uzelacs, presented program. He explained what the proposed

building would look like, the benefits to the community. He would suggest/request that we hold a joint meeting with the Manchester Township Planning Comm. and the Township Board to resolve problems.

Discussion and comments from the citizens present who are against the rezoning voiced their opposition. They were: Richard Fahey, G. Lyall Birney, Judith Fahey, Darlene Scovell, David Scovell, D.E. Limpert, Wm. D. Martin, Victor Kruse.

Various reasons for the opposition were:

1. Depreciate value to other land.
  2. Designed solely for outside people - no value to local residents.
  3. Establish a precedent.
  4. Tax impact on surrounding area.
  5. Environmental impact.
  6. No need for this facility.
  7. Could not be plowed if trees were removed.
  8. Conflict with "right to farm."
  9. Location - regards to roads.
  10. If project didn't work - what would be there next?
  11. If project didn't work, it would be hard to dispose of.
  12. If conditional use is granted and great profits are made, Uzelac's could ask for privileges to build more facilities.
- Many questions were asked. Again, Attorney Sikorski requested secondary proposal - to have joint meeting with Township Planning Comm. and Township Board.

Moved by Macomber and supported by Burch to deny the

zoning change requested by Janet H. Uzelac. Roll Call: Fielder - aye; Burch - aye; Lentz - aye; Macomber - aye; Widmayer - aye. Rezoning denied.

Moved by Burch and supported by Lentz to be adjourned. All ayes, carried.

Submitted by:  
Wilma E. Lentz, Clerk  
Approved by:  
Clarence Fielder, Supervisor

### Hospital Schedules Medical Forum

Do you experience - indigestion...shortness of breath... chest pains...abnormal feelings in your arms, neck, jaws, shoulders, wrists???

When such conditions occur, you should call your doctor immediately or be taken to the Emergency Room of your hospital.

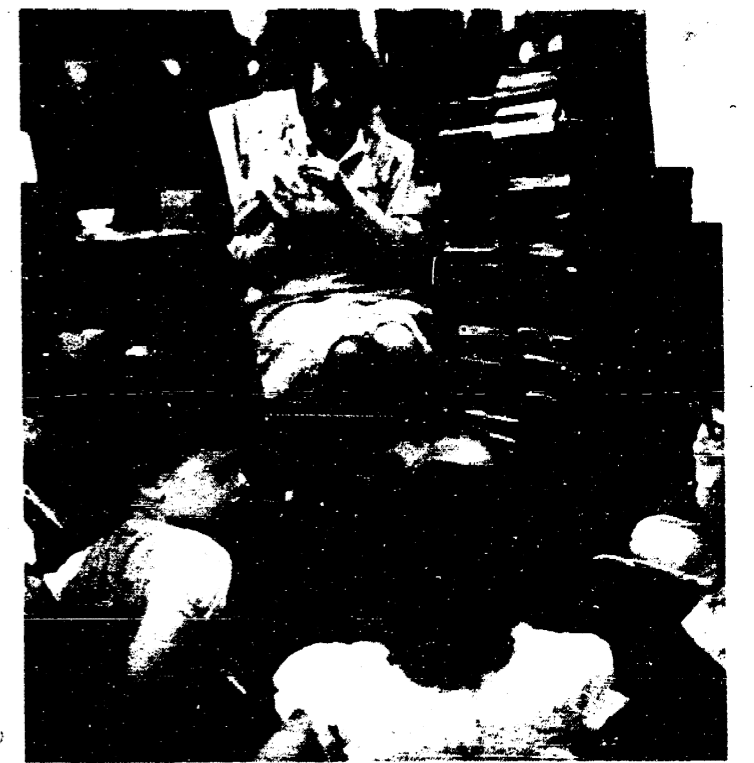

However, before any of these symptoms manifest themselves, learn about your heart by attending the Annual Medical Forum at the Tecumseh Civic Auditorium on Wednesday, May 21st, at 7:30 p.m.

Dr. Ralph L. Brandt, renowned heart specialist serving our area from Ann Arbor, will present a program entitled "Affairs of the Heart".

The Herrick Memorial Hospital, its Hospital Auxiliary and the Tecumseh Herald are sponsoring this public service meeting to make our area residents aware of the causes, diagnoses and treatments of heart disease.

Plan to attend this informative, cost-free event. Facts learned might save a life-YOURS!

## Kindergarten Round Up

Preschool children listen intently as kindergarten teacher Mrs. Sheri Hankamp reads a story.

Sixty-five children and their parents participated in Kindergarten Round-Up on May 8th and 9th. The children had an opportunity to meet with a kindergarten teacher and to enjoy some activities typical of the kindergarten day. School bus drivers outlined safety rules and took the children on a short bus ride.

For children, Round-Up gives a taste of kindergarten and helps them to perceive what school will be like when they begin in the fall.

Parents registered their children and learned more about kindergarten and the elementary school program.

Any parents of children who will be kindergarten age next year, who did not receive an invitation to Kindergarten Round-Up, are encouraged to contact the Klager School Office at 428-8321 to register their child. Plans for the 1986-87 school year are underway now and accurate enrollment information is very helpful.

## South and West Washtenaw Consortium

Angela Derby

Angela Derby, daughter of Richard and Cynthia Derby, is a student in Health Occupations. Her special skills include caring for the sick, knowledge about medical technology and CPR. Angela's future plans include attending Northern Michigan University for a B.S. or R.N. degree.

Charlie Kripas

Charlie Kripas, son of Jerry and Betty Kripas, is a student in Auto Service. His special skills include light service, computerized wheel alignment and balance, tune-up, electronic engine diagnosis and engine repair. Charlie is a finalist, at the regional level, of the Plymouth Trouble-shooting written contest. The contest was sponsored by AAA (auto club) and Chrysler Corporation. Charlie qualified for the regional level after winning at the local preliminary level. Charlie presently works at Widmayer Ford. His future plans include college at Ferris State and a career in Automotive Technology.

### 159th AstroFest

An update on the Space Shuttle program will be featured in the 159th AstroFest film and lecture presentation at The University of Michigan. The free public program is set for 7:30 p.m. May 16, in Auditorium 3, Modern Languages Building.

Slides and an astronaut-narrated film from last year's D-1 Spacelab mission will be the focus of the program, according to AstroFest director Jim Loudon, a mission that was "especially rich in spectacular Earth pictures." AstroFest, sponsored by the U-M's Exhibit Museum and Department of Aerospace Engineering, is "for people who don't necessarily have any previous science background, but really care to know the whole story," Loudon says.

Cheryl Hartman

Cheryl Hartman, daughter of Linda and James Hartman, is a student in Office Procedures. Her special skills include the usage of an electronic memory typewriter and the 10 key touch system in using a calculator. Cheryl presently is employed by The Seva Foundation as a word processor. Her future plans include college to study business.

  - (A) Resolution to Appoint Election Inspectors
  - (B) Teacher of the Year Award
  - (C) Personnel Items
- IX Old Business

### Boys Track

At Hanover-Horton: Once again being out numbered, we had some bright spots in a losing effort. Brian Pilon placed 2nd in the 800M in a time of 2:27.7. Mark Walz took 3rd in the Shot Put with a throw of 32' 3/4", and placed 2nd in the 1600M in 5:26.7

losing by a lean at the finish. John Curley fighting a virus managed 3 thirds - Long Jump 15' 4", High Jump - 5'0 and in the 400M 61.6. Dwayne Andrews ran the 400M in 58.9, good enough for 2nd. Brad Wilson placed 2nd in the 200M in 27.1. The big surprise of the day was Freshman Allan Carson who placed 2nd in the 100M in 11.3, just 1 tenth of a second behind their runner. Then came back in the 200M to win that event in a personal best of 26.2.

Whitmore Lake: Losing to a fine Whitmore Lake team our tracksters looked very good. These kids are starting to really get in shape. Despite having injuries, and being very tired from competing every other day for the past month, our times are improving to great satisfaction. Our 3200 Relay team of Mark Walz, Brian Pilon, Craig Houck and Mike Brokaw finished 1st in a time of 9:48.3. Mark Walz took 3rd in the 1600M (5:27.9). Dwayne Andrews 3rd in the 100M (12.1). Brad Wilson 3rd in the 400M (59.5). John Curley feeling better than on Tuesday, won the Long Jump 16' 6 1/4", and finished 2nd in the High Jump with a personal best of 5' 8". Jon Arney who has been nursing a muscle pull, won the 300 Lows in a personal best of 41.1. His time is in the top 5 or 6 in the area, and should give him a good seed in that event in the regionals on Saturday. Our 1600 Relay of Pilon, Walz, Brokaw and Wilson rounded out the scoring by taking 1st in 3:59.1. Nice Job Guys!

We would like to thank Mr. Korican, Mr. Wilson and everyone else who helped Saturday at the Manchester Metrics on a beautiful job they all did on making the day a great success.

## Is There A Summer Job In Your Future?

Do you like to work with kids? Do you have talent to share as a camp counselor, lifeguard, pool or waterfront director, or small craft instructor? Sure I do! But I don't have training or qualifications.

The American Red Cross may have just the ticket for you. Each year the American Red Cross sponsors a one week training school for people just like you. Michigan Aquatic School is just such an educational opportunity held annually at one of Michigan's beautiful campsites.

During this camping experience, young people are trained as American Red Cross instructors in a choice of any one of five disciplines: Water Safety, Sailing, Canoeing, First Aid, or CPR. As a result of their training, many are able to secure summer employment or part time employment during the school year as life guards, swimming instructors and/or camp counselors.

This year's school will be held at Camp Copneconic in Fenton, Michigan from June 7, through June 15, 1986. Students must be at least 17 years of age to apply. The nine-day school costs \$175.00. This includes room and board, plus all textbooks and materials. Applications are available in the Career Resource Center. For further information regarding the camp or for scholarship information, please call the Education Director at the Washtenaw County Chapter of the American Red Cross at 971-5300.

## June 9th School Millage Information

### ADDITIONAL CONSIDERATIONS

High School Guidance: Clerical	\$ 8,472
High School Athletics (Includes Athletic Director)	56,862
Extra Curricular Activities	17,735
Field Trips - K-12	3,578
Teacher Inservice/Conference - K-12	3,900
Additional Equipment-Capital Outlay	12,205
Additional Library, AV Materials	
Computer Software:	
High School	2,350
Middle School	1,400
Elementary	3,980
1 First Grade Teacher	27,527
3 Kindergarten Aides	8,647
School Board/Administrators	
Conferences	2,200
Printing Expense	
School Board & K-12	400
2 High School Teachers	32,860
1 Assistant High School Principal	24,885
Transportation	113,000
Instrumental Music (5-12)	24,740
<b>TOTAL</b>	<b>\$344,221</b>

The 1986-87 proposed school budget is projecting tax revenues of \$3,235,374 compared to 1985-86 tax revenues of \$3,295,766. The result is a loss in tax revenues of \$60,392.

The district will also be losing revenue of \$25,000 from the rental of Pleasant Lake School to Ann Arbor Public Schools. Ann Arbor has chosen to move their Special Education operation now housed at Pleasant Lake School, back to Ann Arbor.

There is also the possibility of paying the school districts former superintendent as an Educational Consultant through the 1986-87 school year at a contractual cost of \$72,780. If the consultant becomes employed in another school district this cost would be greatly reduced.

These losses in revenue coupled with the Education Consultant expenses equals \$158,172. This figure equates to approximately 1.8 mills.

The reinstatement of 1985-86 program cuts is equivalent to \$222,486 or approximately 2.5 mills.

Adding 2.5 mills for reinstatement of the 1985-86 program cuts and 1.8 mills for losses in revenue and Educational Consultant expense totals 4.3 mills. This leaves .5 of a mill for any additional operating expenses in such areas as liability insurance, wages, class overloads, etc.

It is interesting to note that had these losses in revenue and Educational Consultant expenses not taken place the additional millage package could have been 3.0 mills rather than the present request of 4.3 mills.

## VILLAGE OF MANCHESTER MANCHESTER, MICHIGAN AMENDED BUDGET - MAY 5, 1986 EXPENSES

## Scholarship Fund

scholarships awarded to graduating seniors. Seniors apply for these scholarships in May. Awards are made on the basis of financial need, academic achievement and involvement in extra activities. A committee composed of students, teachers, administrators and community members screen applicants and select the recipients for the scholarship.

Two years ago, two scholarships worth \$300 were presented to seniors at graduation. Last year three scholarships, each worth \$500 were presented to seniors. This year with this most generous donation from Manchester Stamping, each scholarship quite possibly could be worth \$1,000 each.

Wayne Hamilton, president of Manchester Stamping, stated "We had a good year this year, and so I want to share this with the community. Hopefully, next year we can make the same kind of donation or maybe even more." Hamilton continued, "What I would like to see is an individual scholarship from Manchester Stamping and maybe a couple of

other businesses to help a Manchester High School student pursue a career in Engineering. Maybe that's what we can do next year."

High School principal Bill Bushaw accepted the check for \$2,500 and stated "On behalf of the students of Manchester High School, I thank Manchester Stamping and Wayne Hamilton for his generosity. This contribution, along with the many other generous contributions from other businesses and organizations in Manchester, will help our students defray the costs of a college education. The generosity of the people of Manchester is very commendable." If any organization or club would like more information regarding the community scholarship fund, they are encouraged to call Bill Bushaw at Manchester High School at 428-7333.

### Jolly Farmerettes

Our last meeting was at Meghan Hakes' house. All members and advisors were present. We saw the video tape and pictures of the Spring Achievement and there was a demonstration on calligraphy by Sally Bailey.

Kim Bailey, secretary and Kathy Curley, Vice President, resigned. Our new secretary is Marie Ball. Our new Vice President is Melanie Ball. Sue Bailey also resigned. Paula Lantis is our new leader.

Our next meeting is at Sara Samonek's house Tuesday, May 20, at 6:45.

### Senior Citizens News

Have decided that since I worked all day on Mother's Day, will take Father's Day off. In another month I will be rested and ready to forget Mother's Day resolutions. Hope yours was as nice as mine.

No rest for those busy seniors! On Thursday, May 15 - 10:30 Walking Club, 11:00 Exercise, 12 noon Hash for lunch, bingo and men's golf.

Friday, May 16 - Call Helen Braun - 428-8966 - to go on one of our famous 'Mystery Trips'. Come out and enjoy the surprise of where you may end up. Bus will leave at 9:00 a.m. and there is still room for you.

Monday, May 19 - The bus will leave the Center at 9:00 a.m. on a shopping trip to Southwick Mall in Toledo. Call Helen soon, as there is room.

Tuesday, May 20 - The Clergy presentation representative will be Father Raymond Schlinkert at 11:00 a.m. Noon lunch is baked ham, followed by cards and crafts.

Thursday, May 22 - 10:30 Walking Club, 11:00 Exercise, 12 noon Meat Loaf, bingo follows and

men's golf. There is a Senior Leader's Meeting scheduled from 10:00 - 12:00 noon. Public Card Party at Freedom Township Hall sponsored by the Senior Citizens will begin at 8:00 p.m. - we challenge you to try to beat these card players. If you can volunteer your time and talents, etc., to the monthly card parties, call Rubena Boelter (428-8655). The money raised is used for The Trumpeter, our Newsletter.

Looking ahead: Wednesday, May 28 - Monthly Social Potluck will be held. Don't forget to call Helen if you'd like to go on the Wisconsin Dells and Chicago trip June 26-30. You'll spend one night in Madison, Wisconsin, 2 nights at the Wisconsin Dells and 1 night in Chicago. You need NOT be a senior citizen, all ages are welcome. This tour is for relaxing and enjoying the scenery and stops at fascinating places. Call soon!

Don't forget about summer hours at the Center - Tuesdays through Thursdays from 1:00 - 4:00 p.m.

**High School Band Concert**  
The High School Band is performing their Spring Concert

on Tuesday, May 20th at 8:00 p.m. in the High School Study Auditorium. All are invited to attend. Free admission.

### Varsity Choir Concert

The Varsity Choir is performing their Spring Concert on Friday, May 16th at 8:00 p.m. in the High School Study Auditorium. Come and join us for an evening of joyful music. Free admission.

### Washtenaw County Historical Society

Judge Ross W. Campbell will show slides on "The Early History of Ann Arbor and Washtenaw County" at the annual meeting of the Washtenaw County Historical Society at 7:30 p.m. Wednesday, May 21, at Bentley Library on the U-M North Campus.

Judge Campbell, one of Washtenaw's circuit judges, descends from a family that came to Ann Arbor in 1826. He has a large collection of slides made from old pictures which he will

show. Officers will be elected and members will vote on adding two sections to the Bylaws at the business meeting preceding.

Bentley Library is at 1150 Beal on the U-M Campus. The meeting is open to the public, free of charge. Refreshments will be served. Free parking available at Bentley and at the Gerald Ford Library next door.

### Manchester Summer Recreation

The Manchester Recreation Program, in cooperation with the Adrian Recreation Department, is offering a two week course of instructional swimming. The starting date is Monday, June 23, and the course will finish up on July 4th (Friday). The course runs Monday through Friday. A supervised bus will leave from the Manchester Middle School at 9:00 a.m. and return there at approximately 11:30 a.m.

The cost of the program is \$11.00 per student and is due when you register. The class is limited to the first 82 students

who bring in their registration form along with their payment. Make checks payable to the Manchester Recreation Program.

Pre-beginner level Recommended for the child who is still fearful of the water. You must be at least 5 years old by the class date. The skills include: Basic water safety, water entry, breathing, arm stroke, changing direction, floating, and leveling off.

Beginner Level - The skills include: Deep water entry, swimming fifteen yards, floating, beginning strokes, basic water safety, artificial resuscitation, and personal water safety skills.

Instructors - All instructors are Red Cross certified and each student who passes will receive a Red Cross Card which indicates successful completion.

Colleen Susan Scully John Henry Kemner

St. Andrews Church in Saline was the scene of the wedding of Colleen Susan Scully and John Henry Kemner. The April 25, ceremony was performed by Fr. Noelke of St. Andrews and Rev. Robert Macfarlane of Emanuel United Church of Christ. Parents of the bride and groom are Mr. and Mrs. James Scully and Mr. and Mrs. Paul Kemner, all of Manchester. The newlyweds are residing in Manchester.

Kemner of Manchester. Craig Scully, brother of the bride, and Bill Scully seated the guests while Brad and Chris Kemner were ringbearers. A reception followed at the American Legion Hall in Manchester.

Bridesmaids included Brenda Raine of Saline and Eloise

Time Changed For Memorial Day Parade

The time for Manchester's Annual Memorial Day Parade has been changed. The parade will begin at 1:00 p.m. on May 26th. The parade will begin on the Main Street bridge where Rev. McKenzie will say a prayer, the firing squad will give a gun salute and Commander of the American Legion will toss a bouquet of flowers over the bridge to honor those who served, sacrificed and now have passed on. The parade will then proceed to Wurster Park for a ceremony to be held there. From there the parade will go on to Oak Grove Cemetery to pay tribute to fellow veterans who have died.

The ceremony at Norvell Cemetery in Norvell Township will be at 10:00 a.m.

Immediately after the parade in Manchester, there will be an Ox Roast at the Manchester American Legion Post 117. All Manchester area veterans and their families are invited to attend. Please bring a dish to pass and your own table service.

Matthaei Botanical Gardens

Monday, May 19, The Friends of the Matthaei Botanical Gardens will hold their annual meeting at 7:30 p.m. in the auditorium of the Gardens. Mr. William Collins, former Development Coordinator for the Gardens and presently Education Coordinator at the Kingwood Gardens in Mansfield, Ohio, and Mr. Ralph Bottorff, Instructor at Washtenaw Community College, will present a program on their 1985 trip to China. Their slide lecture is entitled "The Botanical Gardens of China," and will include many aspects of Chinese culture. The public is invited.

The lobby exhibit for May is Twenty-five flower prints from the "Golden Age of Flower

Illustration". This collection was owned by the late Mrs. Marie Azary and have recently been given to the Gardens by her daughter, Jan. The prints show the techniques used from the beginning of the 18th century to the middle of the 19th. The exhibit will be through June 5.

Docents who have completed extensive training sessions are at the Gardens for guided tours during the week. Please call the Gardens (313) 763-7060 for reservations.

Come to the Gardens and tour the Conservatory or walk the outdoor trails. The outdoor trails and lobby exhibit are free. For the Conservatory there is a fee of \$1.00; senior citizens 75 cents; and children 50 cents. The Garden grounds are open from 8:00 a.m. to sunset seven days a week. The Conservatory is open seven days a week from 10:00 a.m. to 4:30 p.m.

Special "Guest" at Sharon Church

Rev. Frances Helen Guest will speak at Sharon Church Saturday, May 17, at 8:00 p.m. and Sunday, May 18, at the 11:00 morning worship. Reverend Guest is a United Methodist Minister in the state of Florida and is regarded for her warm joyous spirit and optimistic outlook.

Her life has been filled with rich experiences. She was raised in a missionary family in China and the Philippine Islands. During World War II, as a teenager, Frances Helen was held with her family as prisoners of war by the

Japanese. Following the war, she traveled across the United States encouraging reconciliation with Japan. She married and raised three children and was a homemaker until the death of her husband. She then entered seminary and for the last seven years has been serving churches in Florida. She has recently been appointed to St. Petersburg.

The community is invited to hear Rev. Guest. Saturday evening she will present slides on modern China. She recently spent a month in China with her son, who is a United Methodist Missionary there. She brings a unique perspective, having lived there many years before.

Sunday morning, Rev. Frances Helen Guest will speak on the importance of the Living Christ throughout her life. She will also baptize Sarah Frances Bentley, daughter of Pastor and Mrs. Evans Bentley.

### 'I Can Cope' Program Begins May 27th

All cancer patients, their families, and friends are invited to attend a patient education program about living with cancer called 'I Can Cope'.

This informative and enlightening program, sponsored by the Washtenaw Unit of the American Cancer Society, will meet each Tuesday evening from 7:30 p.m. to 9:30 p.m. from May 27th through July 15th.

'I Can Cope' will be held in Room #4 of the Education Center at St. Joseph Merck Hospital, Ann Arbor.

There is no charge for attendance. For more information, contact Maureen Waters at 995-3873.

### Hit or Miss

so-called entertainment center. She's not gonna part with the fragrance of fresh brewed coffee nor baking homemade bread and the home of many other aromas where she can puree, grate, strain, chop, saute and grind, truly a place where she can cook on high or bake on low. She also says that if she wants to she is gonna smear flour on her nose and muddle in my mixing bowls.

She further claims that no one in their right mind can do without a kitchen. It's the place to put odds and ends. It's the place for the drawer in which reposes all the accumulated junk - everything but the kitchen sink.

Without kitchens I am wondering where one will wash dishes. Perhaps in the bath tub or the shower. Will we stack the dishes on the floor in the dining room under the table and perhaps we can stash the knives and forks and spoons under the davenport. Perhaps we can eat off plastic or paper plates with plastic throw-away knives, forks and spoons. The future homes will not have any need for the pretty silverware nor the patterned china.

Of course there will be no more arguments with the daughters of some families as to who does the dishes but probably there will be

about who gathers up the plates and eating tools and carts them out. Then too, there will be no more stove top anything.

It will be a sad day when kitchens have vanished from our world or at least have been put on the back burner. When no one remembers what family dinner is. No microwave can substitute for the jost of mouthwatering odors that emanated from an old fashioned country kitchen with its never to be forgotten aromas of such things as genuine roasted chicken, home-made rolls a baking, and everything else to make the meal from home-made soups to the fluffy angel food cake and ice cream.

I'm getting so hungry that I can scarcely stand it, so let me go and dream of one of the most pleasant facets of life at present. We will someday be, in the not so far future, able to tell our kids about the "Good old days" - something that has no comparison.

### National High Blood Pressure Month

May is National High Blood Pressure Month. As part of the nationwide focus on high blood pressure, Chelsea Community Hospital is sponsoring FREE BLOOD PRESSURE SCREENING at the following locations: Chelsea Community Hospital Emergency Services, 775 South Main, Chelsea, 24 hours a day, 7 days a week; Comerica Bank, 135 E. Main St., Manchester, Friday, May 23, 10:00 a.m. - 3:00 p.m.;

Manchester - Intersection of Main/Clinton (Hospital Van) Wednesday, May 14, 11:00 a.m. - 1:00 p.m.; Grass Lake - Michigan Ave./Old Depot (Hospital Van) Thursday, May 15, 11:00 a.m. - 1:00 p.m.

Phamlets about controlling high blood pressure will be available at the screening sites listed above.

In addition, Julie Say, Community Nutritionist and Nancy Mason, Pharmacist, will be providing a slide presentation entitled "Blood Pressure: Check It For Life" to the Dexter Seniors on May 20, and the Manchester Seniors on May 27. The following article is printed in recognition of National High Blood Pressure Month:

Every person who controls high blood pressure has found good reasons for following their prescribed treatment. Here are some rewards you may expect as you work to lower your blood pressure:

\*less risk of stroke, heart failure, or kidney failure;  
\*a sense of well-being from knowing you are taking care of yourself;

\*reassurance for your loved ones that you are investing in a healthier future;

\*success with new habits that help lower your high blood pressure (e.g., reducing sodium or calorie intake and remembering to take all your medication every

day); and

\*satisfaction that comes from reaching the goal blood pressure set by you and your doctor.

Use these reasons - or think of others that are important to you - for deciding to stay on treatment and get that blood pressure down.

Whatever your treatment for high blood pressure - dietary changes, weight loss, exercise, daily medication, or a combination of these - following all elements of your treatment every day will pay off in your favor.

And when you succeed - with dietary changes or pilltaking schedule - treat yourself well! Find some special activity or break from your routine to reward yourself, and do it often.

### Meeting Notices

#### American Legion Auxiliary

American Legion Auxiliary meeting will be held on May 14, 1986, at 7:30 p.m. at the Legion Home.

#### Middle School Boosters

The Manchester Middle School Boosters meeting will be held May 15th in the Middle School Library at 7:30 p.m. Please plan on attending.

#### King's Daughters

The Kings Daughters will meet at Margaret Hankes home on May 22, at 10:00 a.m. Please bring your sandwich. You may call Vada Ridge for a ride.

### Peace Corps Pressed To Find Technical Trades

General construction and agricultural specialists are among the most urgently sought labor categories overseas, according to a study conducted by the Peace Corps.

In response to this manpower need, the study recommends that priority efforts be made to recruit U.S. workers willing to transfer their agricultural or skilled trades knowledge to individuals overseas.

A particularly urgent need exists for U.S. Citizens with extensive carpentry, masonry, plumbing or general construction experience.

In agriculture, individuals are sought who have commercial farm experience raising crops, small animals, beef or dairy cattle, bees, or who have participated in 4-H, FFA or FHA.

The Peace Corps study emphasized that college training would not be required because practical knowledge and hands-on abilities would be transferred in these programs. An interest in teaching is desirable.

Agency officials see the growing ranks of retirees as a potential pool from which to draw the needed expertise. No upper age restriction will be established.

Language and cross-cultural training, as well as transportation, medical coverage and living expenses, would be provided by the Peace Corps.

More information on Peace Corps opportunities may be obtained by calling (313) 226-7928, ext. 456, or by writing The Peace Corps, 477 Michigan Ave., Room M-74, Detroit, Michigan, 48226.

How can you guarantee that you could replace your home?

No problem.

Auto-Owners Homeowners Policy offers optional guaranteed home replacement cost coverage for homes that qualify. It's broader coverage—so you'll never run out of money for covered losses. It may be more economical than your current policy that doesn't include guaranteed home replacement.

Just ask your "no problem" Auto-Owners agent to tell you how Homeowners protection can be no problem for you and your home.
