THURSDAY, SEPTEMBER 18, 1986

Hit or Miss

by Farley
It seems that today nothing is safe. It seems that in Archibold, Ohio, the Lions Club some years ago, cast about for a name for their annual festival and some was playfully suggested that it be called a Carp Festival because they were so common in the Tiffin River in the town. So the name was adopted as being something different and this year's Carp Festival was scheduled for the week end of July 19-20.

Now when you have a Carp Festival one should have carp even though it was said that carp were not to be served at this family festival. So they went out and captured four large ones and put them in a holding tank to be a part of the festival.

The association of carp and Archibold is said to have originated back in 1918 when there

was a flood on the Tiffin River and many carp were stranded and caught in pools when the water subsided so other nearby communities began calling the Archiboldites "carps".

This year the captured carp were, as we said, placed in a tank at the home of a Lion's Club member and a few days before the festival were found to have diminished in number by four and it was feared that no carp would be on display at the festival. An intensive investigation was organized and it was found that evidently the missing fish had been stolen from the tank by masked bandits.

The furry thieves had left furry footprints near the tank and they must have had full stomachs for they left some fish in the tank. Raccoons are known to be fond of fish but this is the first time that these raccoons ever found their dinners captured and held in a convenient place for their place.

Local Student Receives Scholarship

Manchester resident, Jennifer Haeussler, is the 1986 recipient of the Morse B. Barker Memorial Scholarship, administered by the Ann Arbor Area Foundation. The Washtenaw Community College sophomore is the daughter of William Haeussler and Martha Meadows.

The Barker Scholarship Fund awards \$1,000 annually to a Washtenaw County resident who is continuing vocational or academic training. Barker was a life-long resident of the Ann Arbor area who was known for his generosity to young people. His family established the fund in his memory following his death from emphysema in late 1983.

Haeussler plans to become a kindergarten teacher. She is a 1985 graduate of Manchester High School, where she was active in the marching and concert bands and in Washtenaw County 4-H. After completing her second year at Washtenaw Community College, Haeussler plans to continue on page 13

Chessie the sleeping cat whose silhouette on Chesapeake and Ohio railroads and boxcars became one of the nation's best known trade marks for the past 52 years is no more. Chessie is one of the casualties of so called progress. "Chessie is not dead", says Milton Dolinger, vice president for public relations and will continue to appear on promotional items such as calendars and neckties even though her days on the rails are numbered. For many years the company put out each year an ornate calendar with pictures on it of Chessie and her family. They were one of the most artistic calendars of their time and we always welcomed them when they arrived in our office.

Chessie first appeared to advertise the first all sleeper air conditioned passenger train which went from Washington, D.C. to Cincinnati. "Sleep like a kitten" the ads then proclaimed.

Chessie accumulated many friends among the school children of that period and the company was deluged by requests for pictures of her and information about this famous cat. Now there are no more air conditioned passenger trains, no Pullman cars, and no berths to sleep in and Chessie is a cat without a cause and is officially retired.

Mark Twain said, "Good breeding consists of concealing how much we think of ourselves and how little we think of the other person."

Merv Griffin was once billed as the "Romantic Voice of America."

"Crack" "Crack" "Crack"

There is a new drug on the streets which is quickly infiltrating and destroying the lives of thousands of young Americans. "CRACK" is a new form of smokable cocaine which is experiencing an unprecedented and alarming popularity among teenagers, and becoming increasingly available in the streets and in our schools. One Florida school, realizing the epidemic had reached their area, inserted flyers in every child's report card to inform and warn parents.

CRACK, which until recently was found only in certain sections of Los Angeles, is now widely available in 17 major cities, and 25 states across the country. The demand for the drug has spread to all sectors of society, crossing

Jay Lantis Retires

After 25 years of supplying the community with food, J. Neil Lantis has retired. Saturday, September 13, was Jay's last day as owner of the A&B IGA Grocery.

In 1961, Jay purchased the old "C.F. Smith" store which was located on the corner of Main and Ann Arbor Streets, the present site of Manchester Automotive.

Outgrowing those premises, Jay then built his new 12,000 square foot store on West Main Street and operated from that location until the present date.

Jay, a native of Chelsea, owned and operated the Napoleon IGA along with his brother prior to his purchase of the Manchester store.

The new owners are Jim and Jerry Wallace of Dexter. They also own IGA stores in Dexter, Stockbridge, and Napoleon and are known as Walco Foods.

Mr. Lantis has not yet determined what retirement will mean for him. "It was a surprise to me - it all happened very quickly," he stated.

Ted Stautz - United Way Campaign Chairman

Athletic Boosters.

Sixteen years ago, in 1970, he served as United Way Campaign chairman for the first time. When asked what seemed to be the biggest change over the years, he said "the amount of dollars!" The budget that year was a little over \$16,000.00. There has also been some change in the percent of contributions coming from the different divisions, with the Industrial Division now providing a greater share.

Manchester residents are reminded that this year's campaign will take a different approach. Instead of a solicitor coming to your door, you will receive a letter in the mail. Please be just as generous! "HARVEST THAT GOOD FEELING - GIVE."

Manchester United Way is fortunate to have Mr. Ted Stautz as Campaign Chairman for 1986, as this year's campaign prepares to get under way on October 1. Mr. Stautz, likes the United Way approach of conducting a single drive to obtain financial support for local social service agencies. He feels that it will be a challenge to meet this year's campaign goal of \$40,000.00, but with the combined efforts of all the division chairmen, captains, and generous contributors to the Manchester campaign, he feels confident that we will do it.

Mr. Stautz has long been active in community affairs in Manchester. Born on a farm nearby, he went to school in Manchester and has lived in the area all but about three years of his life. He has been on the Fair Board several years and has served as its president. He has been an active member of the

Girl Scout Round Up

Girl Scouts and those who want to become Brownie and Junior Girl Scouts, please don't forget to come to the Round-up at the Emanuel United Church of Christ on Thursday evening, September 18, at 7:00 p.m. We will be signing up and setting up troops for the coming year. Bring at least one parent and any outgrown uniforms. In case of questions, you can call our Manchester Area Troop Services Director, Lucile Bruner, at 428-8605. Don't forget!

Library Summer Reading Club

Attending the Manchester Township Library Summer Reading Club program and receiving certificates were, from left to right: Rachel Riggs, Jennifer Messing, Anne Irvine, Seth Goodrich, Erin Riggs and Karin Messing.

School Hot Lunch Menu

Monday, September 22, Cheeseburger on Bun, Potato Chips, Dill Pickles, Pear Half, Milk.
 Tuesday, September 23, Boneless Rib-E-Q, Escalloped Potato, Buttered Corn, Dinner Roll & Butter, Brownie, Milk.
 Wednesday, September 24, Fish Sandwich, Tator Tots, Cole-slaw, Fresh Fruit, Milk.
 Thursday, September 25, Lasagna, Broccoli Spears, Warm French Bread with Butter, Butterscotch pudding, Milk.
 Friday, September 26, Steak Nuggets, Hash Brown Patty, Vegetable Stixs, Granola Bar, Milk.

Sons Of The Legion

The Sons of the American Legion will meet on Thursday, September 18th at 7:30 p.m. at the Legion Home.
 The Hughes' will furnish refreshments.

 The Manchester Substance Abuse Awareness Committee will meet on Thursday, September 18, at 8:30 p.m. in the Middle School Library. We will be discussing plans for Alcohol Awareness

Week (November 9-15), Reach America Training, and activities in support of a chemical free prom and graduation. Join us to share ideas and plan activities for the future.

Twentieth Century Club

Twenty-four members met at the home of Mrs. William Kittendorf, Tuesday, September 9, for a cook-out. The hostess was assisted by Claire Reck, Mrs. Duane Beuerle and Mrs. Willard Mann.
 After the business meeting, an auction was held for the fruits, vegetables, etc. that the members had brought.
 The next meeting will be October 14, at the home of Mrs. Ted Tapping, with John Swainson as the speaker.

Fall Tree Sale Closes Soon

October 3rd is the last day orders for tree seedlings will be accepted by the Washtenaw County Soil Conservation District, for its Fall Tree Seeding Sale. Interested persons are encouraged to get their orders in prior to this date.
 Six tree species are being offered for conservation and reforestation purposes. They include: Austrian Pine, White Pine, Norway Spruce, White Spruce, Colorado Blue Spruce and Douglas Fir. All tree species are still available with a good supply of each. The trees are bundled in lots of 50, so minimum orders of any specie will be 50 trees.
 Trees will be available for pick-up on either Wednesday, October 8, or Thursday, October 9, at the Soil Conservation District Office, 6181 Jackson

Jobs Available For Michigan's Older Workers

Michigan residents, 55 and older, who are looking for jobs have a new service available to connect them with employers who are looking for prospective employees with a lifetime of experience and knowledge to offer.
 The toll-free referral number to call from anywhere within Michigan is 1-800-922-HIRE. Staffers answering the hotline exclusively for older workers will refer the callers to cooperating job placement and training projects in their area looking for older workers.
 The Hotline is a state-wide, toll-free service. It operates Monday - Friday, 9 a.m. to 4 p.m.
 Project ABLE (Ability Based on Long Experience), a program of United Community Services of Metropolitan Detroit, is funded by Job Training Partnership Act (JTPA) funds from the Governor's Office for Job Training and a grant from the C.S. Mott Foundation.
 United Community Services is a Torch Drive supported community service agency that directs its efforts toward community problem-solving through research, planning, community service and demonstration projects, coalition-building, public advocacy and promoting citizen involvement in community affairs.

Manchester Village Planning Commission

Regular Meeting Tuesday, August 12, 1986

CALL TO ORDER
 The Regular Meeting of the Manchester Village Planning Commission for August was called to order at 7:30 p.m. in the Council Room of the Village Hall by Chairman Kwolek. Members present: Kwolek, Lowery, Kallewaard, Walton, Smith, Davenport and ex-officio members Hinkley and Marshall. A quorum was present.
APPROVAL OF AGENDA
 The agenda was approved after the addition of one item (discussion pertaining to issuance of liquor licenses, referred from Council, under New Business), on a motion by Lowery, supported by Davenport, carried unanimously on a voice vote.
MINUTES OF JULY 15, 1986, MEETING
 Minutes of the Regular Meeting of July 15, 1986, were read aloud, and approved as read on a motion by Lowery, supported by Smith, carried unanimously on a voice vote.

The Chairman asked Marshall if the letter to Mr. Donnellon, referred to in the minutes, had been sent. Marshall did not know but will check with the Village Manager and report at the next meeting. The Chairman asked Lowery if the appearance tickets, mentioned in the minutes, had been received. Lowery said that they had been delivered.
COMMUNICATIONS
 The Chairman cited three communications referred from Village Council: a proposed ordinance dealing with swimming pools, a proposed ordinance dealing with weed control on Village lots, and a proposed ordinance dealing with minimum dwelling standards. Marshall commented that the group of ordinances adopted by the Council in July were adoptions of existing language with only fee schedules deleted - no updating had been done or other alterations.
 REQUESTS FROM PUBLIC TO ADDRESS THE MEETING
 Members of the public were in attendance at the meeting, but no one responded to the Chairman's call for requests to address the meeting.

SITE PLAN REVIEW - EAST MAIN STREET DUPLEXES
 Ken Paragon, planner, from the firm of Beckett & Raeder, was present to discuss the site plan for a development of three duplex buildings (six residential units) proposed for the south side of East Main Street east of Wolverine, the property lying adjacent to the site of the East Main village well. James C. and Virginia Hendley, property owners, were also present.
 The Chairman noted that the petitioner had requested review of a combined preliminary and final site plan, as provided for in Chapter 51, Section 5.285 of the Village Code. The Chairman read this section aloud. The Secretary reviewed the dates and the form of filing for the combined preliminary and final site plans, which were in order according to existing policy. A motion was made by Kallewaard that the Planning Commission accept the site plan as a combined preliminary and final plan. Davenport asked if there was precedent for granting approvals contingent upon certain conditions being met. The Chairman affirmed that there was. The motion was supported by Lowery, and carried unanimously on a roll-call vote.
 Paragon outlined the major points of the site plan.
 Kwolek cited Section 5.284 (2) (v) of the Village Code, which requires a letter of approval from the County Health Department in certain cases, and asked the applicants if they had such a letter. Mr. Hendley answered that they did not; that they were relying on a legal agreement of June, 1986, which he felt made such a letter unnecessary.
 Lowery raised the question of which setbacks should be considered front, rear and side, since the development was based on the zero-lot-line principle. The Secretary cited earlier questions answered by Commissioners pertaining to the zero-lot-line concept, and it was agreed that the front yard was to East Main Street, the rear yard was opposite the front yard, and the side yards were to the east and west. Therefore, the setbacks contained in the site plan were in conformance with Code requirements.
 Smith noted that the site plan did not show adjacent lot and structure information as required in Section 5.284 (2) (h) of the code. Commissioners then referred to the set of maps overlaying lot lines on an aerial view of the Village, to establish this information.
 Dan Boutell, owner of property adjacent to the proposed duplex development, asked if the existing cyclone fence bordering the development site would be retained. Mr. Hendley said that it would be kept, to the west and south.
 Paragon explained how a short-term stormwater detention area would be created by grading to make a shallow depression with 3:1 grade, planted with grass, with a collection point at the lowest spot, from which stormwater would flow to the retention pond on the adjacent property of Rural Housing Corporation. This would be filled with water infrequently and for short periods of time, and therefore not fenced.

Kwolek noted that McNamee, Porter & Seeley's letter reviewing the site plan recommended (item 7-d) that the 18" storm sewer in Duncan Street be supplemented or replaced.
 Lowery raised concern that leakage from the dumpster might run off into the 200-ft. radius area of the Village well. Davenport suggested that water be channeled from the cement pad under the dumpster into the sanitary or storm sewer. After discussion, it was recommended that a curb be used around the north, east and south sides of the cement pad, and the ground sloped from the west edge of the pad toward the catch basin just west of the dumpster which would send runoff into the storm sewer system.
 Hinkley expressed the opinion that a sidewalk should be installed along the East Main Street side of the property, connecting with the existing sidewalk running east from Wolverine Street. The Chairman suggested that this could be assessed by the Village at the customary 50/50 cost split.
 Davenport asked if the development met the criteria for off-street parking. Zoning Inspector Lowery stated that it did meet the Code requirements.
 Hinkley asked if there would be one barrier-free parking spot, as required. Paragon said that all the carport spaces would be wide enough to qualify as barrier-free spots, and that there would be no curbs around parking areas, walks and patios.
 Davenport asked what provision would be made for mail delivery. Answer: Boxes along East Main Street.
 Hinkley asked if there would be an accessory building for storage of maintenance equipment. Answer: No. Maintenance services would be contracted for.
 Davenport asked if lighting would be adequate for the incoming drive from East Main Street. Residents in the audience stated that there was a street light right at the point where the proposed incoming drive met East Main Street, and also another light at the west edge of the property.
 Walton asked for verification that the density of development was according to Code requirements. Zoning Inspector Lowery confirmed that it was.
 Discussion of the specific points of the site plan having concluded, Smith raised the question of whether or not the recommendations contained in McNamee, Porter & Seeley's letter of August 11, 1986, should be satisfied before the Planning Commission voted on the site plan. The Chairman outlined two courses of action: To table until these items are resolved, or to recommend approval based on compliance with the engineers' comments.
 Kallewaard suggested a contingent approval, but with the recommendation that the engineers' changes should actually be made on the site plan drawings, and documentation (where requested) actually in hand, before Council would give approval.
 Kallewaard made the following motion: That the Planning Commission recommend Council

approval of the site plan, contingent upon all items detailed in McNamee, Porter & Seeley's letter of August 11, 1986, being made, and these changes to be made on the site plan drawings, and additional documentation be provided, at the time Council gives its approval.
 The Chairman suggested an amendment: That the letter of approval from the County Health Department, as required in subparagraph (v), also be furnished at the time Council gives its approval.
 Lowery and Davenport suggested another amendment: That the site plan be altered to include a concrete curb on three sides of the trash enclosure, and a positive pitch to the nearby storm sewer.
 Kallewaard accepted these amendments as part of her motion.
 There was discussion of whether the trash pad runoff should go into the storm or sanitary sewer. It was determined that runoff to the stormwater system would be adequate, since this was not a very intensive dumpster use.
 Mr. Hendley read aloud portions of a court order from June, 1986, describing a corridor to be allowed across the 200-ft. radius area around the Village well. He identified this as a clarification or modification of the 1979 court order to the Village and Park Land Company, pertaining to development of his property adjacent to the Village well. He stated that the judge's order determined what the Village had to do, not what the County Health Department might say. The Chairman reiterated that the Health Department review is contained in the Village code; moreover that intent of the Planning Commission is not only to follow the law, but also to act carefully to see that current decisions are made as much as possible to protect future generations from possible health hazards.
 The Planning Commission continued on page 11

YOUR FUTURE WON'T WAIT... AND TIME'S A WASTIN'!
 "Time is money"... "The future waits for no man"... Both are well-worn statements and basically true. Your time, however, is worth much more than money.
 If you have been thinking about going back to school for your diploma, don't put it off another day! Adult Education classes will be starting again this fall with many adults from this area taking advantage of the no-cost program available to those working for a high school diploma. Your decision to start now could mean a better or more satisfying job and a richer, fuller life. With a diploma, the way is opened to further technical training or a four-year college program.
 Call the number below and find out how you can get all the help you need to get started on your future. Time's a wastin'!

Keeping Up With Fall Sports

Of the four sports I have stats for, only our JV Football team was a winner. On Thursday our Little Dutchmen hosted Ann Arbor's Gabriel Richard and ended by thrashing them 40-0, to remain undefeated. At quarterback, John Korican, completed four of seven passes for three touchdowns. The backfield trio of Allan Carson, Greg Lee and Jamie Darrow rolled up some impressive yardage - 76, 74, and 53 respectively. In the TD department, Bryan Barnard crossed the goal three times, as Allan, Dave Wisgard and Bryan Pratt hit paydirt once each. Greg had a solid night of defense as he snared three interceptions. In our Varsity contest, the Irish of Gabriel Richard downed us 18-0. They put seven points on the scoreboard in the first four minutes, and that's all they needed to gain victory. Bart Rickelmann was our top runner as he plowed for 93 yards on 13 carries. On Tuesday, both our Girls' Basketball squads bowed to Britton. In the Varsity matchup, it was extremely close, but in the end they prevailed, 35-32. Renea Drouare was our high scorer with 11 points. In the JV game, the score wasn't quite so close, as Trisha Schuler was high scorer with 6.

Players of the Week

Steve Samosok - 30 Defensive

Scott Gross - 34 Offensive

Care Needed In Applying For Hunter's Choice Permits

Over 400 Hunter's Choice (any sex deer) license applicants have submitted incorrect or incomplete application forms, reported the Department of Natural Resources (DNR). The greatest number of errors resulted with hunters supplying their deer hunting license number rather than their hunting passbook number on the application form and not specifying the deer management unit in which they wished to hunt. The Department advises hunters to carefully read the directions provided in the Hunter's Choice application guide for filling out the application cards. The deadline for applying for Hunter's Choice licenses is September 24; a \$3 non-refundable application fee is required when applying.

Antlerless-Only Deer Permits Withdrawn For 1986 Season

An earlier plan to issue antlerless-only permits during the 1986 firearm deer hunting season has been withdrawn by the Department of Natural Resources (DNR). These permits were proposed to allow hunters to take a "bonus" antlerless deer on their first firearm deer hunting license and then continue to hunt after for an antlered deer on that same license. The antlerless-only permit proposal was deemed premature for the 1986 season, reported the Department. The "bonus" or antlerless-only permit proposal will be reconsidered for the 1987 deer hunting season. This year's Hunter's Choice season is unchanged from last year.

It's said the musical juke box gets its name from a West African word, *djug* meaning: "to behave improperly."

NOTICE OF PUBLIC HEARING

Village of Manchester Zoning Board of Appeals

A Public Hearing will be held before the Zoning Board of Appeals on Monday, October 6, 1986, beginning at 7:15 p.m. in the Council Room of the Village Hall, to hear comments on the appeal of Matt Donnellon, 305 Beaufort Street, to renew his Conditional Use Permit for a Home Occupation, to allow him to sell insurance from his home. A copy of the appeal application is available for inspection at the Village Hall during regular business hours. Persons wishing to comment on the proposed variance but unable to attend the Public Hearing may submit written comments either in person or by mailing to Constance M. Schaffer, Clerk, Village of Manchester, 120 South Clinton Street, Manchester, Michigan 48158. Written comments should be received no later than Monday, October 6, 1986 at 4:00 p.m.

Council Proceedings

Approved Minutes
 September 2, 1986

The regular meeting of the Manchester Village Council was called to order by President Hinkley at 7:00 p.m. with the Pledge of Allegiance. Present: Hinkley, Tapping, Limpert, Reinhart, Becktel, Marshall, Wiedmayer, Naimowicz and Spork. Absent: Zaborowski. Also present: Jack Conaway, Bruce Hunt, Robert Lowery, Eleonora diLascia, Tom Walton, Dan Abernathy, Keith Johnson and Scott Bassett. Motion by Becktel, supported by Marshall to adjourn as regular Council and reconvene as Zoning Board of Appeals. Ayes - all. Motion approved. Council reviewed Jack Conaway's request for a variance. Clerk Schaffer read two letters from property owners within 900 feet. Hinkley asked if there were any comments from the audience. Robert Lowery, Zoning Inspector, was the only one to offer any comments. Discussion followed. Motion by Reinhart, supported by Limpert, to reconvene into regular session. Ayes - all. Motion by Limpert, supported by Reinhart to grant Jack Conaway his variance if he moves the fence back to be inline with the side of his house. Roll Call Vote: Tapping - yes, Limpert - yes, Reinhart - yes, Becktel - yes, Marshall - no, Hinkley - yes. Motion approved. Limpert asked Jack Conaway if this could be done in a reasonable amount of time. Conaway agreed that 45 days would be reasonable. Minutes of the August 9, 1986, Special Meeting were read. Motion by Tapping, supported by Marshall to approve minutes as read. Ayes - all. Minutes of the August 18, 1986, Regular Meeting were read. Motion by Becktel, supported by Reinhart, to approve minutes as corrected. Ayes - all. Motion by Tapping supported by Marshall to move the Manager's Report to the last item on the agenda. Roll Call Vote: Tapping - yes, Limpert - no, Reinhart - yes, Becktel - yes, Marshall - yes, Hinkley - yes. Motion approved. Motion by Tapping, supported by Reinhart to go into closed session under Manager's Report to discuss pending litigation. Roll Call Vote: Ayes - all. CORRESPONDENCE The Clerk read two letters to Council; a letter from Wendy Chapin regarding the location of School Crossing Guards which was referred to the Superintendent of Schools for consideration and a letter from citizens requesting to close the alley between Vernon and Duncan Streets. Council asked to have the request to close the alley put on the September 15, 1986, agenda for consideration. Motion by Reinhart, supported by Marshall to accept the bid of Roney and Co. to purchase the Village of Manchester Bonds. Roll Call Vote: Ayes - all. Motion approved. Motion by Tapping, supported by Marshall, to sign the Union Construction contract subject to the attorney's review and the Engineer's approval. Roll Call Vote: Ayes - all. Motion approved. The bid for sealcoating the Village parking lot was opened: Bostwick Co. - \$596.00. Motion by Becktel, supported by Tapping, to accept the bid of \$596.00 to sealcoat the parking lot. Roll Call Vote: Ayes - all. Motion approved. The Clerk opened the bids for renovating the back room: Lone Oak Construction - \$4,168.00; Norm Wals Construction - \$1,994.60. Motion by Reinhart, supported by Becktel, to accept the bid from Norm Wals Construction. Roll Call Vote: Tapping - yes, Limpert - no, Reinhart - yes, Becktel - yes, Marshall - yes, Hinkley - yes. Motion approved. SHERIFF'S REPORT Sgt. Spork said that the monthly report would be presented at the next meeting. Discussion followed on the 2:00 a.m. - 5:00 a.m. No Parking and the possibility of towing. Becktel initiated a discussion on the liability requirements and the contract for towing in this area. DPW REPORT Wiedmayer presented DPW Report on file. PLANNING COMMISSION REPORT Naimowicz stated that Planning Commission Training will start September 22. Any Councilmen interested, please sign up in advance. The job of Zoning Inspector was discussed. NEW BUSINESS Naimowicz reported to Council that the bond sale was successful at 7.2% for 27 year bonds. Motion by Becktel, supported by Reinhart, that the Council sees no conflict of interest with Joe Marshall sitting on the Manchester Village Council and his job with the Washtenaw County Sheriff's Department in the contract that we have with them. Roll Call Vote: Tapping - yes, Limpert - no, Reinhart - yes, Becktel - yes, Marshall - yes, Hinkley - yes. Motion approved. Limpert asked that it be made a matter of public record that even though it may be the opinion of the Sheriff and the Attorney General that there is no conflict of interest, it raises a question in the minds of the public. On this basis alone, Limpert feels that there is

Motion by Reinhart, supported by Marshall to adjourn into closed session at 9:25 p.m. Ayes - all. Council reconvened into open session at 11:15 p.m. Motion by Limpert, supported by Tapping to make an offer to settle with James and Virginia Hendley of Parkland Development. Roll Call Vote: Tapping - yes, Limpert - yes, Reinhart - no, Becktel - no, Marshall - no, Hinkley - yes. Motion unapproved. Motion by Marshall, supported by Reinhart, to have the accountant do a current audit and to have the accountant reconcile the checkbooks for the years of 1984-85 and 1985-86. Roll Call Vote: Ayes - all. Motion approved. Treasurer's report was presented to Council: Cash on hand: 9/2/86 94,479.66 General Fund 6,101.95 Water & Sewer 29,281.91 General Highway 6,718.44 Major Street 562.99 Local Street 84.18 Park Imp. nothing Tax account 190.77 Dental Savings 57,494.18 Cash Savings Account 57,494.18 Payables breakdown for 9/2 General & Equipment 47,748.22 Major Street 688.16 Local Street 561.18 Park Imp. 1,487.78 Water & Sewer 6,280.08 Dental Savings 93.11 Sue Koebbe, Treasurer Council discussed the problem of the Black Sheep and the progress they are making. Motion by Limpert, supported by Tapping, to proceed with the Building Inspectors report on progress under the terms of the letter written by Mr. Travis relative to the Black Sheep violations. Roll Call Vote: Ayes - all. Motion approved. Motion by Tapping, supported by Becktel to adjourn at 11:50 p.m. Constance M. Schaffer Village Clerk Village Payables on page 8

September Artist of the Month

This summer, twenty-three local RNs, LPNs, EMTs, CPRs/Medical Technicians and First Aiders along with eleven non-professional assistants staffed the First Aid Station for 60 hours during the five days of the Community Fair. Special credit goes to Paul Lemon (EMT), a board member for the County Chapter of the Red Cross, who has set up the Station for the past twenty years and manned it for 11 hours the first two days of the fair. Other volunteers for the first two days were: Mary Ann Fielder, Patricia Parr and Florence Parr, Martha Meadows and husband Richard, Sedy Feldkamp and husband Robert, and Marian and Ben Cresson.

On Thursday, the schedule included Nancy Loudin and Mary Lou Gormley, Josephine Simmons and Nellie Uphaus, the Cressons again and Kathleen Daverman and Claire Reck.

Friday's volunteers were: Nancy Althouse, Michelle DeShano, Rachel Lantis and daughter, Kathy Thornton, Rita Burkiardt, Darlene Scoville and Doreen Birnie.

The last long day of the fair included SueAnn and Wayne Kirby, Ann Taddonio and her mother, John Arm of Ann Arbor and Stobham Gorman-Bates, Teresa and Dawn Spiegelburg, Shawn LaRock and Mike Kouba who stayed until the last tractor had finished pulling!

It is devoted volunteers like these that give Manchester its reputation as a "Caring Place."

Manchester Volunteers "Caring People"

Volunteers from the Manchester area are involved in First Aid and Safety Programs for the Washtenaw County Chapter of the American Red Cross as well as for the Blood Program. For the past thirty years, the First Aid for the Chicken Broil has been in charge of by Mrs. Stanton Roesch (RN), who for many years was a Red Cross First Aid instructor in the county. It was Mr. and Mrs. Roesch who began the Manchester Blood Program in 1961, making it one of the oldest in the state.

Cubs, Parents To Meet Thursday

Parents and boys from first through fifth grades who are interested in Cub Scouting are invited to a short Parents' Night program at 7:30 p.m. at Klager School.

There will be information about the Tiger Cub program, for first and second graders, and Cub Scouts for third, fourth and fifth graders.

World Wildlife Fund

FISHING FOR TROUBLE
One of the most popular hobbies is keeping ornamental fish. Collectors should know what kinds not to buy so they don't get into hot water for endangering wildlife.

Butterfly fish are among the most varied—and delicate—of saltwater ornamentals.

Many of the freshwater fish commonly bought by U.S. hobbyists including most guppies, mollies, swordtails, platies, and goldfish—come from fish farms.

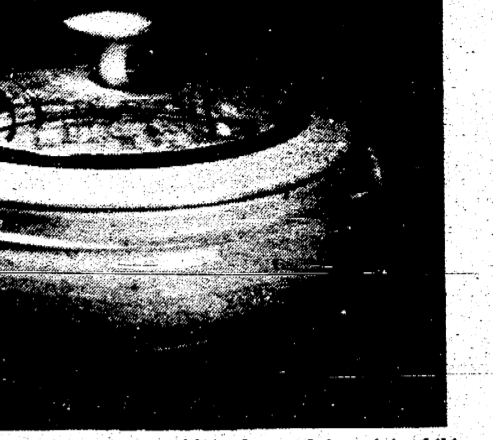

Other freshwater species and most marine species, however, are collected from the wild. Internationally, the largely unchecked trade goes worrisome to biologists is the mortality that occurs when wild fish are collected and transported. Up to 50 percent of all wild-caught freshwater fish die before export.

World Wildlife Fund and TRAFFIC (U.S.A.) are working to protect endangered species and end illegal trading. For information on how you can help write: TRAFFIC (U.S.A.), WWF, 1255 23rd Street N.W., Washington DC 20037, or call (202) 293-4800.

September Artist of the Month

Functional stoneware by Bonnie Greenwald is featured in mini-exhibit at the Gallery through September.

Handsome functional stoneware is the specialty of September's Potter of the Month at the Lansing Art Gallery. Bonnie Greenwald of Manchester, describes her items as "soft, sensitive, and lively," reflecting her love of the feel of clay.

"Clay and hands, working one-on-one, create an extension of the soul," she says, "an interpretation of the maker. I like to combine a stoneware body, known for its durability and strength, with fine and sensitive form and surface. Hopefully, the result strikes an emotional response within the viewer."

Bonnie says her work is oxidation-fired to Cone 7, about 2264 degrees F. Some surfaces evolve with several layers of color slip and glazes - with as many as seven layers. Other surfaces are glazed simply; these items rely on the strength of their form for their interest.

Bonnie has long been an admirer of the art of the Far East.

Obituary

Norman G. Schwab
8716 Neal Road
Manchester

Age 97, died suddenly, Friday, September 12, 1988, at the Saline Evangelical Home. He was born January 25, 1890, in Bridgewater Township, the son of John and Barbara (Blinder) Schwab. He married Veronica Amba on October 24, 1917; she preceded him in death on December 25, 1981.

He was a member of St. Mary's Catholic Church.

Survivors include: two sons and their wives, Paul and Virginia Schwab, Russell and Betty Schwab; one daughter, Miss Marian Schwab, all of Manchester; four grandchildren, four step grandchildren, four great grandchildren, 12 step great grandchildren. He was preceded in death by two sisters and one brother.

Mass of the Resurrection was held September 15, 1988, at St. Mary's Catholic Church. Rev. Fr. Raymond Schlunkert officiated. Burial was in St. Mary's Cemetery.

Birth Announced

Brent and Judy Johnson of Brooklyn are pleased to announce the birth of twin daughters, Angela Elizabeth and Ashley Eileen, born on September 5, 1988 at Women's Hospital in Ann Arbor. Angela weighed 4 pounds 7 1/2 ounces and was 18 inches long and Ashley weighed 4 pounds 3 ounces and was 18 1/2 inches long.

The new twins have a sister Jessica who is 6 years old.

Paternal grandparents are Mr. and Mrs. Herbert Johnson of Manchester and maternal grandparents are Mr. and Mrs. John Martin of Ann Arbor.

"Crack" "Crack" "Crack"

all traditional lines formerly associated with cocaine use. Two properties make CRACK uniquely popular among its users: First, it is cheap and easy to make. Pellets are sold for \$10 to \$15 apiece and are extremely potent. CRACK reportedly has the same potency of freebased cocaine without the "inconvenience" of the freebasing process.

The second cause for CRACK's increasing popularity is that it is highly addictive. This form of cocaine is five to ten times more potent than sniffing cocaine

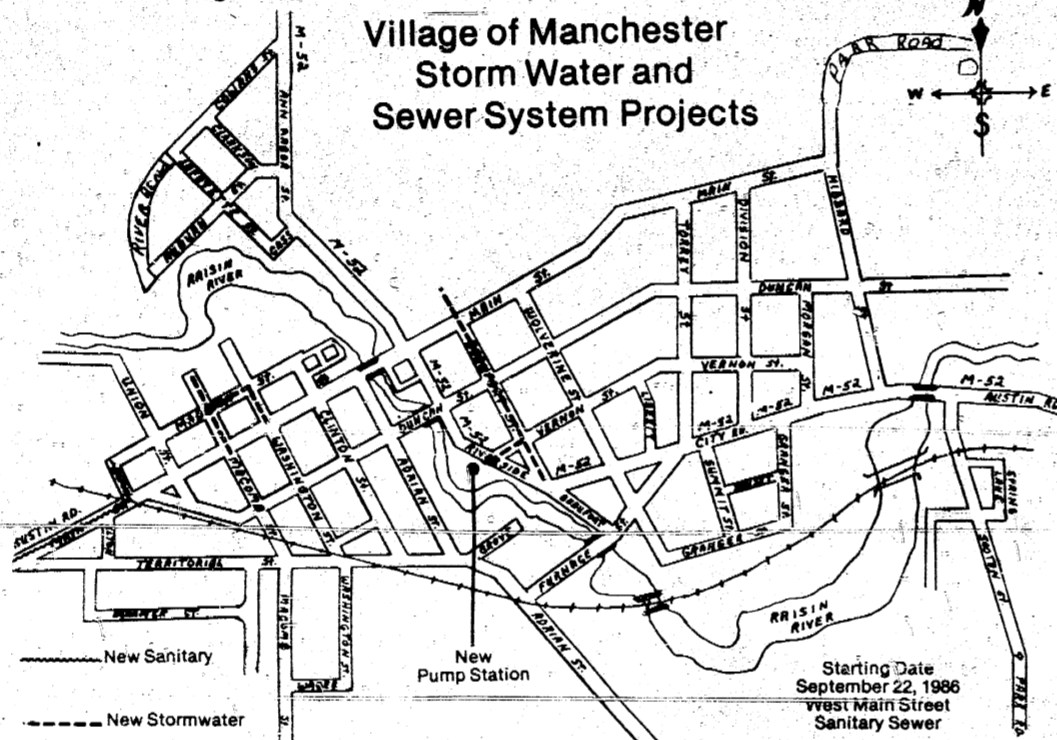

powder. It reaches the brain in less than 10 seconds. The resulting euphoric high lasts about 15 to 20 minutes, and is followed by a crushing depression. The depression causes the CRACK user to crave another hit of the drug within a few minutes after taking the first one.

Where does the cycle end? It doesn't. The road from so-called "recreational use" to addiction is very short. CRACK addicts report addiction occurred after as few as two "hits" or uses. The result is that CRACK has moved from a puzzling phenomenon to a

national epidemic in just a few months. The problems associated with CRACK extend far beyond the user. Its addictive property has caused scores of teenagers to turn to crime - dealing, stealing, and prostitution to support their habit. In New York City, CRACK has become the principal drug law enforcement problem. Drug busts have increased but law enforcement officers readily admit they are losing the war against cocaine. The best answer remains - prevention of first use! CRACK is most dangerous because it can be found anywhere - in the streets, on the job, and in our schools. The need for a national commitment to stop the spread of CRACK and all illicit drugs has never been greater.

The highest city in the U.S. is Leadville, Colorado. It's nearly two miles above sea level in the Rocky Mountains.

Village of Manchester Storm Water and Sewer System Projects

Wedding Anniversary Celebrations

John and Ann Miller, formerly of Pleasant Lake, marked the 60th Anniversary of their marriage on September 15, 1926. Mr. Miller is a retired carpenter and for several years was Freedom Township Supervisor. Mrs. Miller is a retired homemaker. Both enjoy traveling and are members of several senior citizen organizations and Zion Lutheran Church, Ann Arbor. Their family includes Frode and

Marilyn Maaseidvaag, Ann Arbor; Tom and Kathy Kendig, Long Beach, CA; Bob and Lilli Miller, Manchester; and Lauren and Barbara Miller, Orange, CA. The Millers also have nine grandchildren. A reception for family will be held September 21. Visiting from California for the occasion are daughter Kathy Kendig and son Lauren Miller. In the presence of 116 relatives, Miss Margaret Schill, daughter of Mr. and Mrs. Fred Schill, Manchester and Earl Obersdorf, of Ann Arbor, were married at the home of the bride on September 26, 1986. Rev. H.S. VonRogue of Emanuel United Church of Christ officiated. Mr. and Mrs. Louis Haines of Ann Arbor were their attendants. Earl is a World War II veteran and was employed at Ford Motor Company for 40 years. He retired in 1974. Earl is now a part-time

American Legion Auxiliary

The first meeting of the American Legion Auxiliary for the 1986-87 year was held at the Legion Home on September 10, 1986, with 23 members present. At one of our previous meetings, the Auxiliary voted to expend one-half the cost of the new flag and flag pole to be erected at the new athletic complex in Manchester. This has been accomplished.

Committee reports were given. It was noted that September 7 thru 13, was Membership Week. Membership dues should be paid as soon as possible so that we can reach our quota. Our unit has received Certificates for reaching membership quota for the years 1985 and 1986, and also a Certificate for Meritorious Service, plus a blue and red ribbon to be attached to our flag. With Christmas not too far away, a donation for gifts was sent to the VA Hospital in Battle Creek for hospitalized veterans who have no family to remember them at that time.

New Bingo schedules have been prepared and distributed to members.

Our next meeting will be October 8, 1986. Refreshment committee is Jacqueline Armentrout, Phyllis Baker and Helen Popkey.

Manchester Area Historical Society

The annual meeting of the Manchester Area Historical Society was held on Monday, September 15, at 7:30 p.m. at the Blacksmith Shop with 28 members and guests present. The following officers were elected: Chairman - Howard E. Parr; Second Vice Chairman - Omer Robbins, Jr.; Secretary - Betty E. Cummings; Treasurer - Loring Ebersole; Directors - Gail Kellum Curtis and Tom Walton. The 1987 Calendar project was discussed and members were updated on its progress. The artist, Bill Shurtliff, was introduced. He brought nine of the drawings with him for us to see. The other three will be ready by October 1.

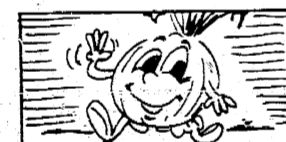

Adult Education classes on Genealogy and a writers group are meeting in the Blacksmith Shop. Other groups may use the Shop by calling Tom Walton and making a reservation. Refreshments were served by Alice Swainson and Elsie Robbins.

Wedding Bells Ring

Mr. and Mrs. Earl Uhr were feted on their 40th Wedding Anniversary at a family dinner at the home of their daughter and son-in-law, Connie and Paul Marion of Saline. Earl and Olga were married on August 27, 1946, in the Catholic Rectory in Clarkson, Nebraska. Besides daughter Connie, they also have one son, Randy Uhr of Manchester and are grandparents of nine. The couple are both retired from Double A Products Company in Manchester. Among the thirty guests present for the celebration were Mr. and Mrs. Robert Panches, observing their forty-second Wedding Anniversary on September 13. Mae Panches and Earl Uhr are sister and brother.

An afternoon service on August 9, united Sandra Lynn Knickerbocker and Martin Carl Haas in marriage at the Manchester United Methodist Church in Manchester. The Rev. Hayden Carruth, assisted by the Rev. Jerome Dykstra of the University Lutheran Chapel in Ypsilanti, officiated at the ceremony. Maid of honor was Deborah Knickerbocker of San Antonio, Texas, sister of the bride, while Frederick W. Haas of Elk City, Idaho, brother of the groom, served as best man. Bridesmaids included Colleen DePuit of Ypsilanti, Pamela Knickerbocker of Springfield, Missouri, and Lisa Knickerbocker of Manchester, sisters of the bride. Grant Wolfe of College Station, Texas, Curtis Taipale of Grand Forks, North Dakota and Martin Engen of Lansing, seated the guests. Parents of the bride and groom are Mr. and Mrs. Clare A. Knickerbocker of Manchester and Mr. and Mrs. Robert Haas of Sioux Falls, South Dakota.

The Welsh national flower is the leek - a vegetable that closely resembles the onion.

Manchester Village Planning Commission

Commission certainly accepts the fact that a judge has handed down a decision in the matter and the Commission does not see the Health Department letter of approval as an obstacle to development of the project...more of a routine matter as listed in the ordinance. He noted that it might at some time be necessary to establish whether the court's order was intended to circumvent the health question.

There was discussion of whether the site plan could be forwarded to Council at their August 18, or August 25, meeting. Paragon will contact the Clerk to request placement on the agenda of one or the other.

The motion on the floor was supported by Walton. On a roll-call vote, the motion was carried unanimously.

OLD BUSINESS - HISTORIC DISTRICT STUDY COMMITTEE UPDATE

Daverman reported that the State had returned comments on the proposed Historic District Ordinance, and a second draft was in process.

OLD BUSINESS - STATUS OF ZONING AMENDMENT TO ART. 27, 5.366

Marshall reported that it would appear on the agenda for the next Council meeting.

OLD BUSINESS - POLICIES PROPOSED FOR ADOPTION

The Chairman reviewed the proposed policies as submitted at the last Planning Commission meeting. In discussion, alterations were made in 3.4 (voting), 3.5 (format for meetings) and 7.3 (making of motions and commenting for the record). A motion to approve the policies as altered was made by Smith, supported by Lowery, and carried unanimously on a voice vote.

OLD BUSINESS - JOHNSON CONTROLS SIGN (M-52 LOCATION)

Reference was made to the Chairman's memo on the subject, and the Zoning Inspector described his follow-up on the complaint. The property owner agreed to change the lighting so that it would not be an annoyance or hazard to neighbors. Marshall reported that the company's appeal would be heard by the Zoning Board of Appeals on August 18, 1986.

OLD BUSINESS - MEMBER COMPENSATION - CURRENT BUDGET

Marshall gave information on the current budget. The Secretary reported that funding for Planning Commission and ZBA training was a separate item, not intended to come from the regular Planning budget (information from Village Manager). She also cited a section of P.A. 285, which might be interpreted to mean that the ex-officio members of the Commission were not entitled to compensation. It was agreed to seek a legal opinion on this question, on a motion by Kallewaard, supported by Smith, carried unanimously on a voice vote.

The Chairman reviewed the

THE MANCHESTER ENTERPRISE THURSDAY, SEPTEMBER 18, 1986 PAGE 11

OLD BUSINESS - ZONING ENFORCEMENT PROCEDURE

Hinkley and Marshall reported on Council's discussion of this topic, based on the Planning Commission's previous recommendations. Council's plan is for a three-level system: 1) verbal warning by Zoning Inspector, including a time limit set at discretion of the Inspector; 2) If not corrected, Zoning Inspector to issue a written certificate of noncompliance, with 30 days in which to correct the situation (a copy of the certificate to be filed with the Clerk); 3) If not corrected, Zoning Inspector to issue an appearance ticket for District Court. Marshall will introduce this as a written policy for adoption by Council. The Planning Commission will draft a suggested form for the certificate of noncompliance.

OLD BUSINESS - REGULATION OF SATELLITE DISH ANTENNAS

No information having been received from the County Planning Commission staff, the Secretary has written to the American Planning Association requesting a copy of their model ordinance, which has been referred to in Zoning & Planning News as one which satisfies the FCC regulations issued earlier this year. Kallewaard made a motion to table the item until information is received from the APA; motion supported by Lowery and carried unanimously on a voice vote.

OLD BUSINESS - REGULATION OF SOLAR COLLECTORS

Daverman will request information on this from the County Planning Commission staff, and the item will remain on the agenda for future meetings.

OLD BUSINESS - ZONING ISSUE PRIORITIES

The Commission reviewed and discussed the listing of priority items prepared by the Chairman. The following list of priorities was adopted on a motion by Smith, supported by Lowery, carried unanimously on a voice vote:

- 1) R-1B setbacks for lots less than 90 ft. frontage and irregularly shaped lots.
- 2) Establishment of a Parkland District.
- 3) Review and revision of existing R-2, R-3, and C-2

REVIEW BE SPLIT UP AMONG COMMISSIONERS

Several Commissioners suggested changes in the format of the printed Code, to allow for easier insertion of ordinance changes as they are made, including three-ring binders and a system of distribution of changes to a regular list of ordinance book holders.

NEW BUSINESS - LIQUOR LICENSES

Marshall explained Council's concern with the current system under which the State can grant liquor licenses without the applicants having to inform the local government or appear at a hearing; without local government even being aware of the application having been made. After discussion, including a question as to whether or not the matter was within the range of zoning and planning matters which the Commission had authority to deal with, the matter was held over to the Old Business portion of the next Regular Meeting.

ADJOURNMENT

The meeting was adjourned at 10:42 p.m. on a motion by Lowery, supported by Daverman, carried unanimously on a voice vote.

Mary Kallewaard
Secretary

"Admish your friends in private; praise them in public." Publilius Syrus

REVALUATION OF FENCE REGULATIONS

Daverman presented his memo proposing revisions to the Village Code to deal with fence placement and structure. A motion was made by Lowery, supported by Kallewaard, to table this item until the next Regular Meeting. Motion carried unanimously on a voice vote.

OTHER OLD BUSINESS

The Chairman asked for clarification of who was to write the letter informing Mr. Donnellon of the expiration of the Conditional Use Permit for Home Occupation. Apparently Council had instructed the Village Manager to do this. It was noted that a question for Council would be whether the fee would have to be paid or not, on a reaplication of this nature.

NEW BUSINESS - "ACCESSORY STRUCTURE" DEFINITION

The Chairman explained his memo of July 23, 1986, on this question. Lowery suggested that accessory structures pertaining to swimming pool use could be covered in the proposed swimming pool regulation ordinance. After further discussion, Daverman agreed to research the matter and report at a future meeting.

NEW BUSINESS - UPDATING OF VILLAGE CODE

Kallewaard asked whether this should be handled in Regular meetings or at special meetings. After discussion, the Chairman suggested that no special meetings be scheduled, but the

TODAY'S WOMAN:

OPTIONS AND COPING STRATEGIES

OCTOBER 4, 1986

Speaker: Della K. Cowing
Vice-President of
Human Resource Development Associates

This day-long workshop will cover such topics as:

- Doing it all: coping with multiple demands!
- Start focusing on results rather than activities alone.
- Learn to set priorities and stick to it!

Plus:

- Explore options and develop a plan for living.
- Learn about the resources that Chelsea Community Hospital and the Women's Health Center have for you!

Participants will enjoy continental breakfast and a luncheon as part of the day's activities. Free follow-up session. Seminar Fee-\$30

STATE OF MICHIGAN IN THE CIRCUIT COURT FOR THE COUNTY OF WASHTENAW
KAREN A. TROUT, Plaintiff, vs. DEWAYNE A. TROUT, Defendant
Case No. 86-35938-DM
Judge: Henry T. Conlin
Washtenaw Legal Center, P.C.
By: Andrew L. Fanta (P29540)
Attorney for Plaintiff
4930 Washtenaw Avenue
Ann Arbor, MI 48104
313-434-3800

ORDER TO ANSWER
At a session of said Court held in the City of Ann Arbor, County of Washtenaw, State of Michigan, on the 7th day of August, 1986, PRESENT: HONORABLE Henry T. Conlin, Circuit Court Judge.
On the 1st day of August, 1986, an action was filed by Karen A. Trout, Plaintiff, against Dewayne A. Trout, Defendant, in this court for divorce.
IT IS HEREBY ORDERED that the Defendant, Dewayne A. Trout, shall answer to take such other action as may be permitted by law on or before the 4th day of September, 1986. Failure to comply with this order will result in a judgment by default against such Defendant for the relief demanded in the complaint filed in this court. Such answer or other action shall be filed in the above-entitled cause and a copy thereof sent to the Plaintiff's attorney.

Farm Prices Continue Slide

The Index of Prices Received by farmers in Michigan for all products as of August 15, 1986, was 105 percent of its 1977 base according to the Federal/State Michigan Agricultural Statistics Service. This is a 5 percent drop from July. The August price

index was 5 percent below its level a year earlier. The price index for all crops in Michigan plunged 11 percent from July. The prices of almost all field crops fell. Corn was especially hard hit. Fruit and vegetable prices also dropped. The livestock and livestock product price index for Michigan rose 3 percent from July. A large leap in egg prices was accompanied by slight gains in meat animal prices.

The crop price index and the livestock price index were 17 percent below and 9 percent above their August, 1985, levels, respectively. The August Index of Prices received for all U.S. farm products was unchanged from July. It was 128 percent of its 1977 average. Higher prices for hogs, cattle, broilers and eggs were offset by lower prices for corn, soybeans and cotton. The

index was 3.3 percent above a year earlier. The Ann Arbor Area Foundation awards the annual Barker Scholarship based on recommendations of a committee of representatives from the Ann Arbor Public Schools, Cleary College and Washtenaw Community College. Grants are awarded from interest income from the Barker Scholarship Fund. Additional gifts to the fund are welcomed. For more information, call the Foundation offices at 668-0401, or write: Barker Scholarship Fund, c/o Ann Arbor Area Foundation, 121 W. Washington St., Suite 400, Ann Arbor, MI 48104.

Scholarship

The Ultimate Truth In Lending.

To anyone who's never done it before, applying for a loan can be a bewildering experience. All those questions, calculations and telephone calls make borrowing seem so confusing. Actually, it's quite simple. Even logical. And to prove that point, First of America Bank is offering The Borrowing Book, a straightforward explanation of how loan officers make up their minds. In it you'll find the questions bankers ask when you apply for a loan. You'll read about the importance of debt-to-income ratios and credit reports. And you'll learn about the wealth of loans available from First of America Bank. Everything from car and boat loans to private lines of credit and bank credit cards.

For personal loans and the whole story behind them, come to your nearby First of America Bank office and get The Borrowing Book free. The plot isn't much, but it could have a very happy ending.

FIRST OF AMERICA.
We're Community Banks First.

New Tax Code - No Answer

"The proposed new Tax Code will not solve America's economic woes and will create more problems for this nation," claims Mrs. Louise Rickert, the leader of the local chapter of the John Birch Society.

Mrs. Rickert holds that, because the measure is revenue neutral, it will have no effect on federal deficits which she feels is our nation's biggest economic problem.

The Birch Society leader insists that America's crying need is for less taxation and less government, not a shifting around of whose pockets the government will pick.

The new tax code will result in a lowering of personal income taxes for many Americans. But Mrs. Rickert claims that "most of that lost revenue will be regained by increasing taxes on corporations by as much as \$120 billion in the next five years."

corporations don't pay taxes; they merely collect them via increased prices to consumers and pass what they collect along to the government.

According to Mrs. Rickert, the effect of this new tax code on some Americans is going to be a lost job. "Some corporations that will be forced to boost prices will no longer be able to compete and will close their doors."

She maintains that Americans at the lower end of the economic ladder who are supposed to be helped by the new tax law "will pay for its shifting of the tax burdens when the prices of goods they purchase are raised."

The John Birch Society, a nationwide educational organization, is critical of Congress and the administration for "shuffling the tax burden and congratulating each other for doing it so effectively, but accomplishing nothing in the area of reducing either deficits or the government itself."

Free Dog Care Clinic Offered

Attention all dog owners! A seminar designed especially for you is being offered by Humane Society of Huron Valley.

Instructors from the Ann Arbor Dog Training Club will be on hand to give valuable tips on topics such as health care, feeding, grooming, housebreaking, obedience training, and dog breed characteristics.

The annual Fall Show for low income families and individuals will also be held during the same hours at Tuesday, September 23, from 7:00 p.m. to 8:30 p.m. at the HSHV Community Education Building, 3100 Cherry Hill Road, Ann Arbor.

What Is Depression?

"What is Depression?" is the topic of a free lecture at 7 p.m. Wednesday, September 24, in the cafeteria of the new Mercywood Health Building located on the campus of Catherine McAuley Health Center at East Huron River Drive near Clark Road in Ann Arbor.

Free Cat Clinic Offered By Humane Society

Are you a cat fancier? If so, the Humane Society of Huron Valley has a special treat in store for you. It's a Cat Behavior and Care Clinic, guaranteed to provide practical tips and sound advice to present and potential cat owners.

This is the third in a series of six lectures on mental health being presented this fall by Catherine McAuley Health Center. For more information, call 572-4000.

Seat Belt Use Urged To Protect Children

Secretary of State Richard H. Austin called on parents to recognize the danger of driving with children who are not in a child safety seat or buckled up.

Austin said, "Some parents do not realize the danger their unrestrained children face in a collision. We have all seen these children bouncing around in cars or sitting in someone's lap. With the sudden swerving of the car or the jamming of the brakes, their precious cargo instantly becomes an unguided missile. Often the result is tragic."

Austin's comments were made at a Lansing press conference to promote Baby Safety Week.

Also present were four children who avoided serious injury in traffic crashes because they were secured in child safety seats. The children were awarded stuffed "Safety Bears" by Secretary Austin on behalf of the Michigan Coalition for Safety Belt Use.

According to Dr. George Baker, medical director of Maternal and Child Health for the Michigan Department of Public Health, "traffic crashes are the number one health problem for children."

Judy Coleman, president of the National Passenger Safety Association, reported that while use of child restraints is over 70 percent, after age four, when child seat use is not required, safety belt use by children drops to less than 40 percent. Improper use of child safety seats is also a serious problem.

Infants must be placed in seats that face toward the back of a car and bigger children must be harnessed into their seats or they are not protected. "We urge all parents to get out the safety instructions for their seats and make sure they're using those seats correctly," Coleman said.

Michigan's Child Restraint Law requires all children under age four to be buckled up. When riding in the back seat, children between ages one and four must be protected with a safety belt or an approved safety seat. Children under age one must be in an

approved safety seat wherever they are seated in the car. Coleman added, "I urge parents not to abandon safety just because their children have outgrown Michigan's child restraint law."

Manchester School Board Minutes

Regular Meeting
September 15, 1986

President Broucek called the regular meeting to order at 8:03 p.m. with the Pledge of Allegiance.

Members present: Broucek, Samonek, Sahakian, Kemner, Davis, Schaffer and Golding.

Also present: Superintendent Niedzwiecki, Principals Schick and Okey and Rusty LeFurge.

Communication: MASH - Fall Conference Information, Letter from Mr. and Mrs. Crawford request for membership waiver, letter from Mr. and Mrs. Bristle request for tuition status along with a letter from M.L. Conn, Superintendent of Saline Schools. Letter from Judith James Wood, Probate Juvenile Court Judge indicating the current court status and service available to assist in Juvenile problems.

Minutes of the following meetings were approved: July 21, 1986, Regular Meeting; August 18, 1986, Regular Meeting; September 2, 1986, Special Meeting.

Financial Report was read with a cash balance as of 8/31/86 being \$114,205.95. Bills Payable will be approved at a later date because check register was not available due to computer breakdown.

Discussion items followed: Bill Kemner will represent the Board in the Summer Recreation Program.

Three members from the Board - Broucek, Kemner and Golding, will work with the Superintendent for the purposes of study, evaluate and develop recommendations to the Board regarding salary, benefits and working conditions of non-organized or union employees.

Discussion on procedures for

developing goals will take place in October. A special meeting will be scheduled as a work session including Board members, Administrators. Representatives from the Citizens Advisory Committee will be invited to participate.

Fry Associates, Inc. from Ann Arbor were retained as Architectural firm for the district on the re-roofing project of the Nellie Ackerson, Middle School and Klager.

The Board approved the recommendation of the Superintendent to employ Mary Nobisch as a full time teacher for the 1986-87 school year.

The Board approved the recommendation of the Superintendent to appoint Ron DuRoss as Middle School Girls Basketball Coach for the 1986-87 school year.

Food Service Agreement was renewed with Chelsea School District for the 1986-87 school year.

Board approved the Waiver of Membership request for Jessica Smith to attend Clinton Schools. Board approved request that Marcus and Karri Bristle continue to attend Manchester Community Schools.

Other discussion items: Board Policy #6143 Chapter I - Consultation with Parents and Teachers was adopted as presented.

Meeting adjourned at 9:38 p.m.

Household Hazardous Waste Collection Days

Twenty-three Michigan counties will participate in a month-long campaign this fall to collect household hazardous waste and raise public awareness of proper disposal methods for household hazardous waste, it was announced by the Home Chemical Awareness Coalition (HCAC).

In recognition of counties holding "Household Hazardous

Waste Collection Days," Gov. James J. Blanchard has declared September as Home Chemical Awareness Month and encouraged "all citizens to recognize the proper use of common household products and the need to dispose of them properly when they have exhausted their useful lives."

The campaign will consist of 14 separately sponsored collection days from the end of August through October. Leftover oil-based paints, garden chemicals and other toxic products which have outlived their usefulness are the types of products targeted for collection. The effort is being undertaken to provide citizens with an opportunity to take these products to collection centers, where they will be sorted and transported for disposal at properly licensed hazardous waste disposal facilities.

"At best, many of these products are stored in garages or basements because people aren't sure what else to do with them," said Joan Peck, Chief of Waste Evaluation Unit for the Michigan Department of Natural Resources.

Peck is a member of the Home Chemical Awareness Coalition (HCAC), a Michigan group comprised of representatives from the Michigan Chemical Council, Michigan United Conservation Clubs, MSU Center for Environmental Toxicology, MSU Cooperative Extension Service and the Michigan Environmental Health Association. HCAC is guiding the simultaneous fall collection effort although each of the sponsors will run their collection efforts independently. The collections are being made possible through state grants, industry contributions and other funding sources.

"We believe that proper disposal of household hazardous waste is an important issue that needs to be addressed now," said Patti Temple, HCAC Chairman.

"The fact that so many counties in the state are already involved in collection programs is an indication of the scope of the problem and the need for coordinated, long-term solutions to it."

Collection for Washtenaw County will take place on October 4, 1986. For further information contact David Fluiddemann, 313-994-2566.

Free Bike Maps Ready For All State Counties

Bicyclists planning fall color tours in Michigan will be pleased to know that bicycle maps for all 83 counties are available from the Michigan Department of Transportation (MDOT).

The new maps are similar to maps published in the 1970's but are more detailed.

They depict roads with paved shoulders, roads with low average daily motor traffic, roads where bike travel is prohibited, designated bicycle routes, and recreational features within the county, such as camping and picnic sites.

The maps are free to cyclists, with a limit of 10 counties per request. Brochures listing the counties also are available.

Cyclists may pick up the brochures or maps at Michigan welcome centers, located on major highways mostly at border points, or may write to:

Michigan Department of Transportation, BIKE MAPS, P.O. Box 30050, Lansing, MI 48909.

The Leaning Tower of Pisa has been leaning since the day it was built.
