THURSDAY, OCTOBER 30, 1986

Hit or Miss

by farley
Thank those of you who have told me that you have enjoyed the mish mash of various items which have appeared here lately. We have collected in a box on our desk, items of varied interests, some of it humorous, some of it informative and some of it otherwise. As we have said before, we have the most cluttered desk that you have ever seen and sometimes it becomes utterly necessary to classify the clippings and it seems that many of them are worth sharing with you. They are not necessarily quotes from famous people - just things that we thought you might enjoy.

why does it only begin after graduation? Why doesn't it begin in the first grade with the first report card. Every social scholar has a different opinion about the matter.

Behind cloistered walls in old France a servant served the monks. As they played in their court with a ball, they cried out "Tenez", meaning "take heed", as he served them. Both our words "serve" and "tennis" started there.

At the beginning of the railroad era, England made the best locomotives by far. That's why U.S. railroads are exactly as wide - 4 feet 8 1/2 inches - as ancient Roman chariot wheels. The Romans left chariots on the British Isles. Later cars and coaches were patterned after them. Tramways on which horses pulled such carts were built to the same width. Likewise, eventually Americans purchased the good

Regents of University of Michigan
Trustees of Michigan State University
Governors of Wayne State University
County Commissioner
Justices of Supreme Court
Judges of the Court of Appeals
Judge of the Circuit Court
Judge of Probate
Judge of the District Court
Community College Trustees
Manchester Township Library Trustees

Location of voting places in the following townships:
Bridgewater Township - 10990 Clinton Road; Freedom Township - 11508 Pleasant Lake Road; Manchester Township - 275 South Macomb Street; Sharon Township - Corner of Pleasant Lake and Sylvan Roads. Hours are 7 a.m. to 8 p.m.

Trick or Treating Friday, Oct. 31st

Trick-or-treating in Manchester will be from 5 - 7 p.m. Friday, October 31st. There will be extra policemen on duty for the safety of the children.

There will be no public party for the children following trick-or-treating.

Fall Induction of National Honor Society

Pictured from left to right are - bottom row: Tracy Schuler, Heather Mottice, Sara Samonek, Jennifer Barnard, Marie Ball, Deanna Gilbert, Kristin Miller. Middle row: Jacqueline Davis, Renea Drouare, Kim Lockridge, Dawn Brady, Heidi Huber, Amy Fielder, Tricia Horning. Top row: Craig Scully, Jeff Mann, Brian Gebhardt, Jon Arney, Brad Uphouse, Brendan Lenski, Rob White, Brad Finkbeiner, Tim Golding. Not pictured are Jackie Miller and advisor Mrs. Punches.

The Manchester High School Chapter of the National Honor Society (NHS) held its fall induction Wednesday, October 15, in the High School Media Center. Twenty-four high school students were inducted into the chapter this year. New inductees include: Juniors - Craig Scully, Brian Gebhardt, Brad Uphouse, Rob White, Jacqueline Davis, Renea Drouare, Kim Lockridge, Dawn Brady, Amy Fielder, Sara

Samonek, Jennifer Barnard, Marie Ball, Deanna Gilbert, Kris Miller and Jackie Miller. Seniors - Jon Arney, Brendan Lenski, Tim Golding, Heather Mottice, Tracey Schuler, Brad Finkbeiner, Jeff Mann, Heidi Huber and Tricia Horning.

The ceremony began with the existing National Honor Society members entering into the candle lit Media Center, followed by the new inductees. During the

ceremony, the new officers were installed and new members were inducted into the Manchester National Honor Society Chapter. New officers are: President - Tricia Horning; Vice President - Jennifer Barnard; Secretary - Heather Mottice; and Treasurer - Deanna Gilbert. Mrs. Astrida Punches is the advisor to the National Honor Society. A punch and cookie reception followed.

Manchester United Way At Work In 1986

Our Local Agencies

1. MANCHESTER AREA RECREATION: Activities in 1986 included children involved in T-Ball, Little League, Girls Slow Pitch, Pony League and Mickey Mantle baseball, Girls Junior and Senior Softball. Children had instructional swimming classes and recreation swimming was held. Roller skating and Jr. playground was held each day for children 5 to 10.

2. MANCHESTER FAMILY SERVICE: Gives direct emergency aid and locates proper agency for client's further care. 25 volunteer drivers made 217 trips totaling 6,586 miles, transporting those in need to medical, dental and business appointments. Along with the Christmas Bureau, agency distributed Easter and Thanksgiving baskets to families. Furniture, emergency food and clothing orders and Food Cupboard helps area residents

who are in need.

3. MANCHESTER AREA SENIOR CITIZENS COUNCIL: Offers hearty and delicious meals to seniors over 55 on Tuesdays and Thursdays. Delivered 11 meals to shut-ins per serving day. Card parties follow Tuesday meals. An exercise program is conducted before Thursday meals and following meal, they have slide programs, games and speakers.

4. MANCHESTER COOPERATIVE PRE-SCHOOL: This allocation will be used for the purpose of providing scholarships and maintaining equipment.

5. SUBSTANCE ABUSE AWARENESS COMMITTEE: This committee has designed a comprehensive drug education curriculum created for fifth through eighth grades. The committee also arranges public meetings to educate parents on the community's drug and alcohol problems, has set up a local

Continued on page 2

World Community Day

World Community Day on Friday, November 7, is an ecumenical worship event sponsored by Church Women United that brings together women of different Christian traditions to share a common commitment to actively make this world a just and peaceful place for all humankind. The 1986 service, entitled "Look to the Mountains", was written by women of Church Women United in New Hampshire. They used as their inspiration the Great Stone Face high in the White Mountains of their state, whose existence is being threatened by pollution and acid rain, to focus attention on the human desecration of the earth's environment.

In the Manchester area, World Community Day service will be held at the Sharon United Methodist Church at 1:30 p.m., Friday, November 7. The service of worship will include a message by Rev. Evans Bentley, "Being

School Hot Lunch Menu

Monday, November 3, Chicken Patty on a Bun, French Fries, Dill Pickles, Fruit Cocktail, Milk.
 Tuesday, November 4, Homemade Italian Spaghetti, Buttered Green Beans, Warm French Bread with Butter, Granola Bar, Milk.
 Wednesday, November 5, Fish Sandwich, Hash Brown Potato Patty, Vegetable Stix, Pineapple Tidbits, Milk.
 Thursday, November 6, Chili, Buttered Corn, Warm Pretzel, Applesauce, Milk.
 Friday, November 7, Cheese & Sausage Pizza, Tossed Salad with Dressing, Fresh Fruit, Chocolate Chip Cookie, Milk.

Parent/Teacher Conferences Set

The Manchester Community Schools invite all parents to participate in the Parent/Teacher Conferences on Thursday and Friday October 30 and 31, 1986.
 October 30, 1986 - Klager, Middle, Nellie Ackerson, High School Conferences will be held from 6 to 9 p.m.
 October 31, 1986 - No School for Students. Conferences: All Schools - 8:00 a.m. - 12:00 and 1:00 p.m. - 4:00 p.m.
 If you have any questions concerning the Parent/Teacher conferences please contact your child's principal at the proper school.

Senior Citizens News

Last week was the week that was - seniors are the busiest people. For those who missed the Senior Birthday Party on the 21st at St. Joseph Mercy Hospital, it was great fun. Four of our area

seniors were given 75 year pins to help Catherine McAuley Health Center celebrate their 75th: Millard and Lillian Uphaus, Dorothy Hamilton and Del Ludwick. We were delightfully entertained by Fat Bob Taylor (who has moved to WAAM radio) and the Afromusicology Ensemble. Congratulations, may we be as young at 75.

On Thursday, October 30 Noon lunch will be pork chop bake. At 12:30, Dean Baker will give a brief talk.
 Get ready for the little ghosts and goblins on Friday. Can you remember your Halloweens when you were a child? I remember and try to get my storm windows on by that date (if it will quit raining again!). Have a happy day.

Another month: Tuesday, November 4, begins with flu shots from 10:00 - 12:00, have you checked with your doctor? At noon, lunch will feature almondine fish bake (sounds good). Craft classes at 12:30 which will include knitting or crocheting slippers for area needs. There is yarn on hand, come and help on this project.

Thursday, November 6 - Exercise at 11:00 a.m., southern pork Bar-B-Q with those delicious homemade buns and bingo at 12:30 rounds out the day.

Looking ahead: Seniors will leave the Center at 9:00 a.m. on Friday, November 7, on a trip to Gibraltar Trade Center. Call Helen Braun 428-8966 to go along.
 On Wednesday, November 12, leave at 10:00 a.m. for Saline Hospital program: Preventing illness. Call Helen for your spot on the bus.

When you eat at Bill Knapp's, be sure and ask for bonus points when you pay your bill. These points are helping the seniors to furnish items at their Center. You can turn them in to any member or take them to the Center Monday through Thursday between the hours of 1:00 - 4:00 p.m.
 Attention: This is the last newsletter mailed by Prime Time. Call the Center at 428-7181 if you

wish to receive the Manchester Senior Citizens Trumpeter.

Athletic Boosters Meeting

The Manchester Athletic Boosters will hold their monthly meeting on Wednesday, November 5, 1986, at 8:00 p.m. at the Manchester High School Library. Anyone interested in attending is welcome.

Manchester Girl Scouts Attend Fall Ball

Manchester Cadette Troop #343 led by Kathy Donnellon was part of the 237 girls from Huron Valley who participated in the weekend event called the "Fall Ball" October 17-19, at Camp Linden in Livingston County. The girls chose their activities from a wide variety including canoeing, aerobics, semaphore, sign language, drama, advanced outdoor cooking, survival skills, sexual or drug abuse awareness, CPR, nature lore or crafts. They slept in platform tents and fixed pits pizzas on the campfire. Hiking to the monkey bridge and viewing the beautiful lake were all part of the fun. The girls participated in a pumpkin-decorating contest and put on a skit for the other girls. Amie Foley, Jackie Donnellon, Tara Small, Julie Kruse, Diane Randall and Jodi Donnellon all had a great time together. Special thanks goes to Lucile Bruner for attending and helping out.

Up-and-coming activities for Troop #343 include a special demonstration on facial care and make-up application by Sandy Winzenz on October 29, at 6:30. The troop will be traveling to "Not Just Gymnastics" and a modeling school later on. On November 22, the girls will be attending a Christmas Fashion Show at the Westland Mall. The troop is also looking forward to another camping trip soon. Troop #343 is having lots of fun.

Home Away From Home

The American Cancer Society, working jointly with the University of Michigan Medical Center, will open a low-cost lodging resource for adult patients undergoing extended radiation therapy within walking distance from the Medical Center in Ann Arbor. Slated to open in mid-November, Wilmot House will provide a family style approach to patients and family members.

"Many cancer patients and their families," Rosemary Cullinan, Chairman for the American Cancer Society, Wahtennaw Unit and a member of the Wilmot Steering Committee said, "drive long distances - coming from as far away as the Upper Peninsula - for treatment in Ann Arbor. These radiation treatments often must be given every day for four to five weeks. This places a heavy burden, both emotionally and financially on the cancer patients and their families. Wilmot House will help lighten that stress." Wilmot House will accommodate up to nine individuals at a time in an atmosphere that Cullinan describes as comfortable, warm and cozy. Features like a living room with a fireplace, an outdoor patio with built-in grill and a family style kitchen will accent the relaxed, upbeat approach that underlines the entire project.

Community cooperation has been vital in this project. The University of Michigan donated the actual structure, as well as

OUR PRECIOUS FREEDOMS GO VOTE

A special day is quickly approaching - November 4, 1986. On this day, you are requested to participate in one of the most significant freedoms guaranteed by the United States Constitution. The qualifications are simple. You must be a citizen of the United States, you must be 18 years of age or older, and you must have a few minutes of spare time.

If, by chance, you are still baffled over the significance of this important event, November 4 is Election Day. And, there are races in every state, on every level.

Candidates representing a diverse spectrum of views have been diligently working to gain your attention. These candidates want to represent you, your voice, your ideas, and your concerns in the democratic process. But, you must show that you care. You must vote.

Many Americans take their right to vote for granted. If we know the issues, if we have strong party affiliation, if we can identify with the candidate, and if we take some time, then we vote. But just imagine for a minute what the consequences would be if this privilege was taken away.

Equal representation is one of the pillars of our democratic system. There are 28 countries in the world dependent on this system. But voters in these democracies take greater advantage of their electoral processes. For example, in New Zealand, which has a voting system similar to our own, voter turnout is 90.4 percent. The average voter turnout in other democracies is 78.6 percent.

But since 1945, the average voter turnout in the United States is a mere 58.5 percent. On congressional election years, such as 1986, that number can drop by 10 to 20 percentage points.

If you forfeit your right to vote, you are saying that you don't care who represents you in the White House, in Congress, in the statehouse or on the school board. Media coverage of the elections has brought information to you on television, in the papers, on the radio, in your mailbox, and on billboards. Being aware is unavoidable.

This election year is offering a politically exciting battle over the control of the Senate. It is receiving attention both across the nation and around the world. It can affect the last two years of the Reagan administration. Clearly, Republicans want to keep control of the Senate, just as much as the Democrats want to take it back.

Now it's your duty to show that you care. Take advantage of your Constitutional privilege. On November 4, go to the polls and vote. A democracy which millions have fought to preserve is certainly worth a few minutes of your time.

Studying Columbus Day A New Way

Teacher Yvonne Henry has devised a unique way to teach elementary students about a traditional holiday.

On a summer trip to Europe, she took along an unusual traveling companion - a hand puppet named Fuzzy Bear. As she photographed various sites in the countries she toured, she included pictures of Fuzzy Bear seeing the sights, examining the exhibits and dressing up in local costumes.

When she returned to Manchester, Mrs. Henry arranged the slides relating to Columbus

into a show that she shared with all the Klager children.

At the assembly, Fuzzy Bear, dressed in Spanish shirt and a sombrero, was introduced to everyone. As the story of Columbus unfolded, Fuzzy Bear could be seen peeking around ships' wheels and touring related sites in both Spain and Portugal. The children identified instantly with Fuzzy Bear and saw the program through his eyes. What a wonderful way to give new meaning to the story of Columbus' discovering of America.

News From Your State Representative

With state spending getting more out of control every year, State Representative Margaret O'Connor said that lawmakers need to start voting against budgets loaded with items that cannot be justified.

O'Connor said the 1986-87 K-12 (school aid) budget is another good example of how the appropriations process has become a pork barrel for special interest groups.

"It was with great reluctance that I voted 'No' on the school aid budget," O'Connor said. "I tried several times to amend the budget and clean out questionable programs that had been dropped into it, but the opposition was too strong."

School Board members from Dexter, Milan, Manchester, and Saline commended Rep. O'Connor on her "No" vote on the state school aid bill. Dr. Ruell Long of Dexter, Beverly Ross of Dexter, Ron Satterthwaite of Chelsea, Karen Christensen of Saline, and Marie Tellas of Milan agree that a "No" vote was in order.

The 52nd District lawmaker said that \$37 million of the state aid went to offer incentives to school districts if they will adopt a curriculum suggested by the state. "Shouldn't parents, school board members, teachers, and administrators together determine the needs of their children, rather than a bureaucrat in Lansing? \$500,000 is offered towards school districts that will consolidate with an adjoining district. Again, shouldn't that be a local consideration and

decision?" O'Connor said.

Almost \$20 million will be sent to Detroit from the budget in an item called Municipal Overburden "because Detroit says they pay too much in property taxes."

\$700,000 will be spent to pay low income students, who skip school 40 percent of the time, to stay in school. If they up their attendance to at least 80 percent, the schools will give them jobs paid for with taxpayers' money.

In addition, \$118,000 will be spent to instruct teachers in the Japanese language before they go on an exchange program in Japan. O'Connor stated, "The Blueprint on Education calls for all three-year-olds to be enrolled in school in the future. Next year a pilot program for four-year-olds to attend school at a cost of \$1 million will begin the implementation of that plan. After talking to my constituents, I came to the conclusion that these programs are desired by the bureaucrats, not by the majority of my constituents."

Would you have voted for these programs?

Money Management

Ten Tips To Help You Invest In The Stock Market

(Prepared by the Michigan Association of Certified Public Accountants)

Some people know when to make a move in the stock market by the position of the planets. Others depend on intuition. For those who would rather give common sense a try, the Michigan Association of CPAs recommends some simple guidelines that can give you a winning advantage on Wall Street.

VOTE YES ON PROPOSALS 1 AND 2 FOR WASHTENAW COMMUNITY COLLEGE

WCC WORKING FOR YOUR FUTURE

(Paid for by the Supporters of the WCC Millage, William Broucek, Finance Chairman)

1. Don't invest more than you can afford to lose. CPAs remind you to keep enough money aside to meet your everyday needs as well as emergencies. Picking a winning stock won't help you if you are forced to sell before its price goes up. How much money depends on your financial situation, the nature of your other investments, your investment strategy and several other factors. Whatever you invest, to be safe, first build a financial base by putting your money on to low-risk stocks. Then move on to growth, aggressive growth and speculative stocks only when you feel comfortable doing so.
2. Be sure to set some goals. Do you want to invest for short-term profit or long-term appreciation? Once you decide, buy only those stocks that fit your strategy.
3. Don't hold on to losers. No one can invest without running into at least some disappointing deals. The trick is to cut your losses by getting out, before you lose too much money. Many investors find this hard to do. After all, no one likes to take a loss, much less admit they picked a sour investment. Others become attached to a favorite stock and won't sell it. Remember, if a stock loses half its value, its price will have to double for you to break-even.
4. Diversify. One basic rule for gaining in the stock market is to diversify your holdings. Too many investments of different types, however, can be difficult to track. A good mutual fund is one recognized way to diversify.
5. Look to the future. Looking only at a stock's history is not the best way to measure future performance. You may find a clue

opportunities; don't buy stocks in the food industry where you may have less practical knowledge. If you are a regular customer at a large company, you may already know enough about the company to evaluate the prospects for its securities.

Purchased wisely, stocks can be an important part of your financial plan. But choosing the winners is not easy. It will help to follow a clear strategy and make careful choices. It is also important to choose a good financial planning team. A CPA can help you analyze the tax effects of taking a gain or loss and can help you with your overall financial plan.

Michigan's First Railroad To Be Honored

Michigan's first railroad will be honored at 2:00 p.m., Sunday, November 2, in Blissfield, Michigan. Exactly to the day, 150 years ago, the Erie & Kalamazoo (E&K) Railroad began service between Toledo (then Port Lawrence) and Adrian. The railroad was the first in the U.S. west of Schenectady, New York.

Activities honoring the railroad's sesquicentennial will take place at the railroad crossing on Blissfield's North Main Street. Blissfield was chosen as the site of the event because original trackage still exists there.

Events include:

*The dedication of an official state historical marker;

*A reception/buffet where Michigan Department of Transportation will present a historic set of linen maps of the Erie and Kalamazoo line to the State Archives;

*A display of railroad artifacts and memorabilia by the Southern Michigan Railroad Society;

*A locomotive and a railroad coach also will be on display.

Originally, the E&K Railroad was to connect the Maumee River to the headwaters of the Kalamazoo River which flows to Lake Michigan. The economic panic of 1837, the Michigan-Ohio boundary dispute, and Michigan's government ownership of railroads venture resulted in the E&K line ending at Adrian - a distance of 35 miles from Toledo.

The first Republican to run for President was John C. Fremont in 1856. He was defeated by James Buchanan. The second Republican Presidential candidate was Abraham Lincoln. He won.

health for all

AMERICAN LUNG ASSOCIATION of Michigan

Ritalin Abuse May Cause Severe Lung Disease

Intravenous drug abusers may be courting severe lung disease by repeatedly injecting a common prescription drug called Ritalin, used to treat children with behavioral disorders.

Presenting the results of his study at the Annual Meeting of the American Lung Association and its medical section, the American Thoracic Society, Charles B. Sherman, M.D., of the University of Washington in Seattle, reported that intravenous abuse of methamphetamine (Ritalin) over a period of years may cause severe emphysema, a debilitating lung disease that progressively impairs the patient's ability to breathe. Emphysema is usually seen only in older persons who are long-term cigarette smokers.

Ritalin is frequently used by doctors to treat children with attention deficit disorders; or minimal brain damage, a syndrome characterized by distractibility; a short attention span, and an increased level of physical activity. It is considered safe when taken orally under a doctor's direction.

Although abuse of this substance is not widespread, in certain areas of the country, particularly in Seattle, cases of substance abuse is regularly reported. Intravenous drug abuse has been known to cause damage to the blood vessels in the lungs,

causing a condition known as restrictive lung disease. Ritalin is no different than other drugs in this respect, and cases of this form of lung disease have previously been documented.

Dr. Sherman's study included the treatment of six patients with severe emphysema, all between 35 and 43 years of age, and all intravenous abusers of ritalin for at least 10 years. The age group is well below the age at which this disease usually occurs even in heavy smokers. Five patients were light smokers and four abused heroin and lesser quantities of other drugs intended for oral use.

These patients showed even greater disability from their disease than is normally seen in long-term emphysema sufferers. "Five of them remain totally disabled and one has died of respiratory insufficiency."

Dr. Sherman noted that there remains the possibility that this early severe emphysema might be due to a combination of smoking, repeated injection of the talc used in the manufacturing process of ritalin, and other as-yet-unknown factors associated with prolonged drug use.

For further information on emphysema, contact your American Lung Association of Michigan at 403 Seymour Avenue, Lansing, MI 48933 or call toll free at (800) 292-5979.

TOWNSHIP OF FREEDOM COUNTY OF WASHTENAW

THE TOWNSHIP OF FREEDOM ORDAINS:

SECTION 1 - Permission is hereby granted to THE DETROIT EDISON COMPANY, a Michigan corporation, its successors and assigns, to construct, maintain and operate in the public streets, highways, alleys and other public places in the Township of Freedom, Washtenaw County, Michigan, all needful and proper poles, towers, wires, pipes, mains, conduits and all such lines and other apparatus requisite for the transmission, transforming and distribution of electricity for public and private use, and to transact a local electric business within said Township, subject, however, to all conditions and restrictions hereinafter contained.

SECTION 2 - The conditions of the foregoing grant are as follows:

- A. The grantee shall do no injury to any street, highway, alley or other public place, or to any shade trees, or in any manner disturb or interfere with any water or gas pipes, or with any public or private sewer, now or hereafter laid or constructed by any authorized person or corporation.
- B. The trimming of trees when necessary to make the lines safe and accessible, shall be done in compliance with all existing governmental laws, ordinances, rules and regulations.
- C. The construction of the said lines shall be in accordance with the rules and regulations of the Michigan Public Service Commission or its successor.
- D. The said grantee, before entering upon any street, highway, alley or other public place for the purpose of erecting and constructing any poles, wires, pipes, mains, conduits, or other apparatus, shall notify the Township or its representatives of the proposed construction, and shall, if the Township so requires, file with them a sufficient plan and specification, showing the nature and extent of the proposed erection and construction.
- E. No street, highway, alley or public place shall be allowed to remain open or encumbered by the construction work of the said grantee for a longer period than shall be necessary to execute the said work, and the grantee shall at all times conform to all ordinances of the Township, now or hereafter in force, relative to the fencing and lighting of obstructions and excavations.
- F. The grantee shall save the Township harmless from any judgment that may be recovered against the Township by reason of the wrongdoing or negligence of the said grantee in the erection and maintenance of said poles, mains, wires, and other apparatus or construction.
- G. Said grants shall make due provisions upon five (5) days notice in writing by raising its wires or otherwise, for the passage of any barn, building or other structure on or over any street, highway, or public place occupied by the poles, mains, wires, and other apparatus of said grantee.

SECTION 3 - In consideration of the granting of this franchise, grantee agrees that its rates and charges for electric service in the Township of Freedom shall not exceed its rates and charges for like service elsewhere in its service area, as evidenced by its uniform rate schedules at the time on file with and approved by the Michigan Public Service Commission. It is understood that the grantee is subject to regulation by the Michigan Public Service Commission and that any order, rule, or regulation by that Commission, or its successor, will prevail over any regulation herein contained or provided for in case of conflict.

SECTION 4 - This grant shall take effect if said grantee shall, within fifteen (15) days from the date of the passage of this Ordinance, file with the Township Clerk, its written acceptance of the terms of the same, and upon the confirmation of this grant, by the affirmative vote of a majority of the electors of said Township voting on the franchise at a special election to be held on Tuesday, the 9th day of December, 1988, as provided for by the Statutes and the State Constitution. If not confirmed by the electors voting on the franchise at said election, this Ordinance shall be null and void.

SECTION 5 - This Franchise and Ordinance shall be and remain in force for thirty years from and after the date of its confirmation by the electors of the Township of Freedom, Washtenaw County, Michigan.

SECTION 6 - Nothing in this grant shall be construed to alienate the title of the public in and to any street, highway, alley or public place or any portion thereof, neither shall anything herein be construed in any manner as a surrender by the Township of Freedom of its legislative power with respect to the subject matter hereof, or with respect to any other matter whatsoever; nor as in any manner limiting the right of the said Township of Freedom to lawfully regulate the use of any street, avenue, highway or public place within its jurisdiction, as to all other matters.

Dated this 14th day of October, 1988.

2 Year Program To Replace Deficient Bridges

A major two-year program to replace 183 critically deficient bridges on the state's county roads, city streets and state highways has been approved by State Transportation Director James J. Pitz.

Pitz said the projects will be paid for with funds from the Federal Highway Bridge Replacement and Rehabilitation Program and the Michigan Critical Bridge Program.

"Last year we were able to reduce the number of structurally deficient or obsolete bridges by 140," said Pitz. "With our two year program, we hope to make even more headway by repairing or replacing 78 bridges in 1987 and 105 bridges in 1988."

The bridges, one on the state highway system and the rest on county roads and city streets were recommended for replacement by a nine-member committee set up under the Michigan Critical Bridge Program.

The committee, representing the Michigan Department of Transportation (MDOT) the 83 county road commissions and the municipal street agencies establishes priority for bridge replacements. Their decisions are based on the condition of the bridge, its importance to the street or road network and the local agency's ability to finance its share of construction.

On most of the bridges, federal funds pay 80 percent of the cost, and the state and local agency 10 percent each.

Bridge repair in Washtenaw County in the 1987 Repair Program include the bridge on Austin Road over the River Raisin.

The 1988 Program will include 3 bridges in Washtenaw County: Huron River Drive over the Huron River; Wallace Road over the River Raisin; and Torrey Road over Big Marsh Drain.

LIGHT UP A LIFE

TIPS FOR A SAFE HALLOWEEN

- Carry a flashlight so you can see and be seen easily.
- Wear a costume that makes it easy for you to walk, see and be seen.
- Use reflective tape on your costume so people driving cars can see you.
- Wear highly visible face makeup rather than masks.
- Have a parent, older brother or sister go trick-or-treating with you.
- Cross streets only at corners and look all ways before crossing.
- Have an adult check treats before you eat them.

HAVE A SAFE AND HAPPY HALLOWEEN!

Is Margaret O'Connor Effective?

Meeting Of Iron Creek United Property Owners

A meeting of the Iron Creek United Property Owners (ICU) took place Sunday, October 12, 1986, at the home of Martin and Margaret Bialecki, 11983 Noggles Road, Manchester Township. The group was formed one year ago to control hunting on properties in the southwest quarter of the township.

Those attending reconfirmed their determination to prosecute violators of hunting laws and to compel respect for their property rights. They continue to be alert to possible violations on their own properties and those of their neighbors by noting hunters' numbers and license plate numbers.

Members are much encouraged by the success of their efforts during the year since the inception of the organization. Red and white "NO HUNTING" signs with the ICU logo proliferate the area along roadsides and around property boundaries.

Sybil Abdul-Baki is preparing an up-to-date map and list of participating owners, as well as a newsletter, which will be distributed to members before the next meeting. Dues of \$2.00 per year are contributed by each owner.

The Department of Natural Resources encourages and assists the efforts of organizations such as the ICU because its staff is lacking in personnel to respond adequately to individual calls. Other matters discussed at the

Wedding Bells Ring

Coleen Hartman and Daniel S. Bedrosian were married August 2, at Our Lady of Sorrow in Farmington. The Rev. Kean Cronin presided at the ceremony uniting the daughter of Mr. and Mrs. George Hartman of Trenton with the son of Mr. and Mrs. Sidney Bedrosian of Plymouth, formerly of Manchester. Honor attendants were Angela Hartman, maid of honor and sister of the bride, of Trenton, and Ronald Frenette, best man of Redford. Bridesmaids were Patti Kerr of Royal Oak, Jenny

Lisa Lynn Huber, daughter of Mr. and Mrs. Lauren Huber of Manchester, and David Harrison Townson, son of Mr. and Mrs. Arthur Townson of Dearborn Heights, were married Saturday, October 11, 1986, in Emanuel United Church of Christ in Manchester. Rev. Robert Macfarlane of Emanuel UCC and Rev. Dr. Frank Marvin of Cherry Hill Presbyterian Church in Dearborn Heights performed the

ceremony. Dr. Marjim Theone was the organist for the ceremony and Roger Morrison was the soloist. The bride made her gown and veil. The gown was a Victorian chapel length with satin over dress and lace trim with long puff sleeves, featuring long button cuffs. Her veil had a cathedral train with lace trim. She carried a bouquet of white mums and red roses.

Jodi Holleran of Brooklyn was her sister's matron of honor. Serving as bridesmaids were Heidi Huber of Manchester, sister of the bride, JoAnn Townson of Dearborn Heights, Marilyn

of Los Angeles, CA, sisters of the groom and Sherri Achtenberg of Dexter, friend of the bride.

Bridal attendants wore floor length gowns of dark wine and carried silk bouquets of white mums, pink daisies and wine lilies.

The bestman was John Benschak of Dearborn Heights, friend of the groom. Groomsman were Donald Townson of Troy, brother of the groom, David Holleran of Brooklyn, brother-in-law of the bride, Blake Withall of State College, PA, cousin of the groom and Dirk Mammen of Grosse Point Woods, friend of the groom.

The bride and groom rode to the reception at the American Legion Hall in a horse and buggy driven by Wendell Reinhardt. Guests were greeted by Mr. and Mrs. L. Dean Trois and Mr. and Mrs. Robert Padley.

Teresa Brown of Clinton and Mary Lindahl of Clark Lake, cousins of the bride, cut and served the cake.

Sue Townsend of Bellevue, MI was in charge of the guest book.

The newlyweds are residing at 7802 Big Sky Drive, in Madison, Wisconsin.

The bride is a graduate of Michigan State University and is employed at Smith Barney in Madison, Wisconsin.

The groom is a graduate of Michigan State University and is doing graduate work at the University of Wisconsin.

South American Indians called the rubber tree *cahucu*, which means weeping wood. The drops of oozing latex made them think of big white tears.

DUTCH TRIVIA

The answer to last week's question: Mary Ann Kriahynycky.

This week's question is on varsity football. Who is #50?

1986 "Flying Dutchmen" JV Football Squad

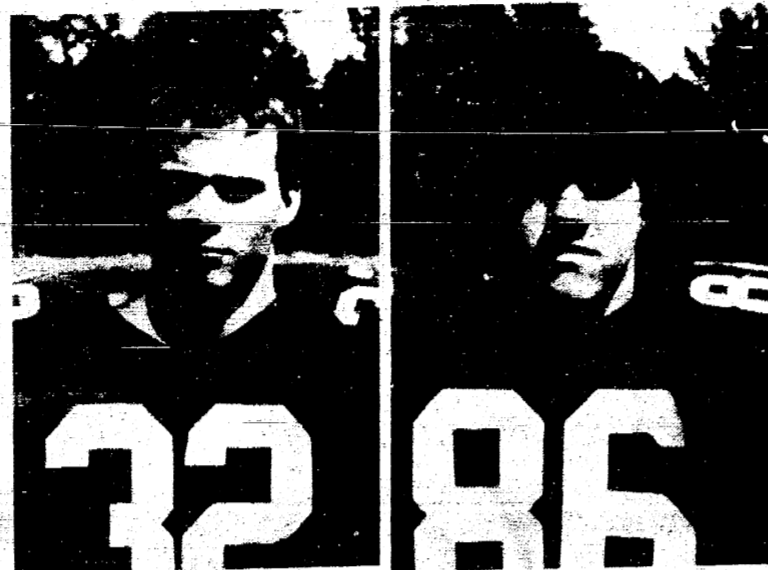

Back Row: Coach Dick Fielder, Greg Lee, Brian Pratt, Mike Mazurek, Tim McGinn, Matt Knul, Steve Andrews, Mike Sroufe, Ron Rentfro, Coach Curt Fielder.
Middle Row: Manager Matt Fielder, Brian Ball, Chris Fosket, Greg Meeks, Brian Howell, Dave Witzgird, Dave Beck, Jamie Darrow, John

Girls Basketball Happenings

Unfortunately, our JV squad had their 5-game win streak halted as Vandercook Lake won 55-51.

In the Varsity contest, we lifted our league record to 5 and 3 by edging the Jayhawks, 39-37. Dawn Brady hit a 2-pointer with 30 ticks remaining on the clock to ice the victory. Guard Rocky Weber was our big gun tonight, canning 12 points, while Dawn totaled 10.

Players of the Week

DEFENSIVE
Dan Platt

OFFENSIVE
Denny Steele

Dutchmen Mash Cardinals

Friday's win gives us a share in the Cascade's Championship with a 5 and 1 record. We now take on Springport in a Cascade's vs Big-8 Play-off game Friday night at 7:30 in Springport.

Last week's battle saw us visit Michigan Center and completely dominate offensively and defensively. Our standouts on defense were Bart Rickelmann, Dan Platt, John Kempher, and Brian Gebhardt. On Offense Jason VanDeven motored for 100 yards on 9 attempts. (He has now rushed 245 yards in his last 2 games). Bart ran for 76 yards on 15 carries, and made 2 TD's.

Scott Gross picked'em up and laid'em down to total 92 yards on 20 carries and contributed 1 2-point conversion.

JV Footballers Crush Michigan Center

Congratulations go to our Little Dutch squad as they concluded the season with an 8 and 0 record to win the Cascades Conference Championship. As far as we know, this is the first time the JV's have won back-to-back Championships. Last year we ended play with 6 straight wins. This season added 8 more, giving us 14 consecutive victories.

A mark of good team is well-balanced offense and defense. Thursday night against Michigan Center we had that balance. Offensively, we put 34 points on the scoreboard, while defensively we stonewalled the Cardinals for no points.

Greg Lee was our big rusher as he ran for 97 yards and 1 TD. Jamie Darrow plowed for 86 yards and Allan Carson had 82 yards, but scampered for 2 touchdowns. The last TD of the night came via the airways, as John Korican tossed to Bryan Barnard from 25 yards out.

VARISITY/JV GIRLS BASKETBALL
Oct. 30 - Napoleon
Nov. 4 - East Jackson
Nov. 6 - Michigan Center

SAVING ENERGY TIPS

Now's The Time To Winterize Your Home

crawl spaces and around basement areas.
Windows And Doors: Consider installing storm windows and doors to keep warm air in and cold air out. Keep curtains and shades open to let in warm sunshine during the day but close them when the sun goes down.
Weatherstripping/Caulking: Warm air can escape through cracks around doors, windows and other openings, such as pipes and ducts. Seal these escape routes with caulking or weatherstripping.
Thermostat: Set between 65 and 70 degrees Fahrenheit during the day and five degrees lower while you're asleep. Consider an automatic clock thermostat.
Heating System: Clean furnace and replace filter as needed. Close heating vents in unused rooms. Consider installing devices which can increase the efficiency of your existing system.
Water System: Try a lower thermostat setting and consider an insulation wrap. Install water flow restrictors in showers and faucets. They cut hot water use without affecting comfort.
To help you with the winterization of your home, CertainTeed Corporation is offering a \$1 rebate - up to \$30 - on each package of its 3 1/2 inch thick R-11 (or greater) fiber glass insulation. For more information on the "Buck-A-Bundle" program, write to the CertainTeed Home Institute, P.O. Box 860, Valley Forge, PA 19482.

If you've been waiting for the weather to cool off before you winterize your home, don't wait any longer. Winter is just around the corner, and so are higher utility bills.

For some tips on getting your home ready for winter, use the following checklist.

Attic Insulation: Check to see that your attic (including the door) meets recommended insulation levels for your area. If it has fewer than six inches, you should add at least another six inches of CertainTeed fiber glass insulation. It's available in rolls or batts for easy installation and can help prevent the warm air in your home from escaping through the roof.

Floors And Basement Walls: Check for adequate insulation under floors,

OCTOBER 1986

MAKE A "HEALTH" SHOPPING LIST

There are many important items, some of which you cannot buy, that would go on this very special list. The very first entry would be your family physician. Naturally, you have chosen him carefully and you place your trust in his judgment.

YOUR FAMILY DENTIST IS NEXT

Your second entry on your list belongs to the dentist you choose to watch over the dental needs of your family. He too must inspire your confidence, for with his regular checkups you can enjoy good dental health.

SELECT A PHARMACY FOR YOUR FAMILY

Medical authorities suggest that you select one personal family pharmacy to supply you with all prescriptions and medicines. We appreciate it when you put us on your "health" shopping list.

KEEP UP TO DATE

Is your medicine cabinet all in order? Is everything labeled and all no longer needed medicines discarded? Have you taken all the safety precautions to avoid accidents in your home? Do you keep an accurate record of your medical expenses? All of these should be part of your list.

Southern Michigan's Longest Hiking Trail Dedicated

Public dedication ceremonies for southern Michigan's longest cross-country hiking trail system - 46 miles - took place Saturday, October 25, 1986, at the Green Lake Campground, just north of Chelsea, reported DNR Parks Division officials.

Representatives of the DNR and other groups and individuals involved in the development of the trail spoke briefly during the dedication. Trail maps were available at the dedication, or may be obtained at the Pinckney or Waterloo Recreation Area Headquarters.

"This 46-mile trail system, which connects the Pinckney and Waterloo Recreation Areas in Washtenaw and Jackson Counties, has been in the works since 1965," said Jack Butterfield, DNR Parks Division Chief.

"Thanks to combined funding/construction efforts between the Department, Michigan Civilian Conservation Corps, Boy Scouts of America, Ann Arbor Sierra Club and numerous private citizens," added Butterfield, "the desire to provide long-distance hiking opportunities in southern Michigan has seen fruition, and notably as Michigan gears up for sesquicentennial activities."

The trail begins at Big Portage Lake in the Waterloo Recreation Area and winds east over undulating moraine countryside to Silver Lake in the Pinckney

Recreation Area, including pine plantations, deciduous forests, open fields and wetlands and a myriad of wildlife.

Additionally, hikers can enjoy adjacent recreation activities within the two recreation areas, added Butterfield. Within walking distance for hikers are 13 lakes offering swimming, boating and fishing, with canoe/rowboat rentals available. Modern or rustic camping sites, rental cabins and a number of picnic facilities also are accessible.

The Department's proposal to combine Pinckney and Waterloo Recreation Area with a cross-country trail came in 1965. Soon after, DNR Parks Division staff began developing trails on state-owned land within the recreation areas, purchasing additional properties for trail development as they became available.

The final two-mile link, joining Waterloo's 22 miles of cross-country trail with Pinckney's 22 miles of trails, came in late 1983/early 1984. Two private property purchases (funded by the Natural Resources Trust Fund) and an agreement with the Washtenaw County Parks and Recreation Department to traverse Lyndon County Park finalized the last parcels of land needed for the trail. Development of this stretch was completed this fall.

Hanging a mirror in the back of a deep linen closet helps keep track of stored items.

World Travel Market

For the fifth consecutive year, Michigan will participate in the World Travel Market (WTM) in London, England. It will be the second year that Michigan has joined in the cooperative promotion at WTM as a part of the Great Lakes States USA - a cooperative marketing group for international tourism promotion. The group, officially called the Great Lakes States USA, hired consultant Michael B. Kurtz, who has already worked with the group to design a logo and establish an international image campaign for the region.

House Bill 4761

The Michigan travel industry will enjoy a greater voice in state travel programs under the just-approved HB 4761, sponsored by Representative Thomas Alley.

The new legislation eliminates Michigan Travel Commission seats currently earmarked for specific organizations, replacing them with gubernatorial appointments (which require the advice and consent of the Senate). The bipartisan legislation provides that at least seven of the 13 members of the commission will be travel business owners/operators and that at least four of those seven will be from small businesses. It also assures geographical balance.

NEWS IN PICTURES

This candid photo, taken near the end of the Old Oregon trail after harvest time in late August, captures a tranquil scene of one of Oregon's original homesteads. The winning entry in the Eighth Annual Color Slide Competition for National Bible Week was taken by Wilma Roberts, a photo gallery owner from The Dalles, Oregon. It illustrates 1 Timothy 1:2 "...Grace, mercy and peace from God, our Father..."

PUBLIC NOTICE ELECTION NOTICE TO THE ELECTORS OF THE TOWNSHIP OF FREEDOM WASHTENAW COUNTY, MICHIGAN

NOTICE IS HEREBY GIVEN, that at a special election to be held at Precinct No. One - Township Hall - 11508 Pleasant Lake in said Township of Freedom, on Tuesday, the 9th day of December, 1986, the following question will be submitted to you:

Do you favor the confirming of a franchise to THE DETROIT EDISON COMPANY, granting permission to erect, construct, lay, operate and maintain, within the Township of Freedom, all needful and proper poles, towers, mains, wires, pipes, conduits and other apparatus requisite for the transmission, transforming and distribution of electricity for public and private use, subject, however, to all conditions and restrictions of said franchise, as passed at a session of the Township Board of said Township, held on Tuesday, the 14th day of October, 1986.

A copy of said franchise is on file with the Township Clerk, and it is open to the inspection of the electors of said township.

At said election the form of ballot will read as follows:

Confirming grant of franchise to THE DETROIT EDISON COMPANY for the purpose of the erection, construction and maintenance of towers, poles, mains, wires, pipes, conduits, apparatus, etc., requisite for the transmission transforming and distribution of electricity for public and private use.

YES
NO

The polls of said regular election will be open at 7 o'clock a.m. and will remain open until 8 o'clock p.m. on the day of election.

October 30, November 6, November 27, December 4, 1986

River Raisin Watershed Council

The River Raisin Watershed Council will hold a Special Meeting on Wednesday, November 5, 1986, at 1:30 p.m. at the Office of Civil Preparedness 965 S. Raisinville Road in Monroe.

In 1984, 47.9 percent of the voting age population participated in electing their representatives to Congress.

November Is Diabetes Month

The American Diabetes Association has announced November as Diabetes Month, and November 2nd through 8th, 1986, as Diabetes Detection Week in Michigan. The Michigan Affiliate of the American Diabetes

Association will sponsor free diabetes screening tests throughout Michigan in cooperation with hospitals and health facilities during Diabetes Detection Week. The testing is limited to those over 18 years of age and persons who have not previously been diagnosed as diabetic. To assure an accurate test, it is important to eat a high carbohydrate meal, one

with large amounts of starches and sugars, two hours before the test. A good breakfast to have before the test, for example, would be fruit or juice, cereal with milk and sugar, two slices buttered toast with jam, and coffee or tea. A person planning to take the test after lunch could have a bowl of soup, a sandwich, cake or pie for dessert and a glass of milk. The meal should be eaten within a 15-minute time period and nothing else except water should be taken before the test.

People who are over 40, overweight, and blood relatives of persons with diabetes are particularly urged to take the test since they are in the "high risk" group of those most likely to develop diabetes. The most common symptoms of diabetes are excessive thirst, frequent urination, blurring vision, constant hunger, or the slow healing of cuts and scratches. The disease, however, may be present without any symptoms.

Free diabetes screening sites in this area include:
Chelsea Hospital/Chelsea Med. Lab, 775 S. Main St., Chelsea - Monday thru Thursday, November 3-6, 1:00 p.m. - 8:00 p.m. and Friday, November 7, 1:00 - 4:00 p.m.

Testing will be in the Medical Laboratory in the Family Practice Building.

Saline Community Hospital, 400 W. Russell, Saline - Tuesday, Wednesday, & Thursday, November 4, 5, & 6, 8:00 - 12:00 noon.

Testing will be at Saline Community Hospital, Professional Office Building.

American Smokeout

The Washtenaw County Board of Commissioners has proclaimed November 20, as Cold Turkey Day, and November 1st through November 30th as "Breathe Easy Month" in conjunction with The American Cancer Society's 10th Annual Great American Smokeout on November 20.

The American Cancer Society encourages all smokers to take the day off from smoking and the Washtenaw County Health Department is joining in by sponsoring a drawing to win a cold turkey.

Any individual or organization wishing to participate in the drawing can obtain entry forms or more details by contacting Polly Paulson at the Health Education Office of the Washtenaw County Health Department at 973-1488.

High Tech Weigh Station Helps Nab Unsafe Trucks

Many truckers are developing a love-hate feeling about new electronic weigh-in-motion scales installed by the Michigan Department of Transportation along I-75 Freeway just north of the Ohio border.

They love the way they can roll through the scales at 10 to 20

HALLOWEEN SAFETY TIPS

Halloween can have the sort of scary spirit your youngsters enjoy—while not giving you a ghost of a cause for fear—if you follow a few safety tips:

Make sure Halloween make-up is hypo-allergenic.

- Costumes: These should be made of non-flammable material. Use reflecting tape to make trick or treaters more visible. Use only hypo-allergenic make-up such as that in PAAS kits. These safe makeup kits let a child use his imagination to create his own look. Unlike masks, they don't obscure vision. The kits can help make dozens of different looks.

- Treats: Safe treats could include strips of stickers, gift certificates to a local fast food restaurant, or trading cards. Novelty stores offer inexpensive, safe items and of course, store-wrapped treats are a good choice.

- Trick or Treating: If children will be out after dark, be sure each has a flashlight. Young children should be with an adult. Make a trick-or-treat map for your children outlining exactly where they should go.

miles an hour without getting tied up in the long lines that formed almost daily at the old scales two miles to the south.

They hate it when the high-tech scales detect a load that's over the weight limit for the number of axles on the truck. A lighted sign directs the violators to a static scale where the overweight is confirmed and the entire rig is then inspected for safety defects by a State Police motor carrier officer.

"These state-of-the-art devices represent part of our commitment to reduce truck accidents on highways," said State Transportation Director James P. Fitz.

"Truck accidents in Michigan have increased more than 50 percent the last two years," he said. "I'm sure one reason is because truck traffic is up significantly. But there are other reasons, and one of them is unsafe vehicles."

"In no way do I mean to indict the overall trucking industry for unsafe vehicles. But I do feel some truckers knowingly take chances, operating vehicles with safety defects. For the sake of saving a few dollars in repair costs, some truckers will postpone repairs."

Lt. Bill Mohr of the State Police Motor Carrier Division said the new scales on both the northbound and southbound freeway are weighing up to 400 trucks an hour in each direction.

"We're writing lots of tickets for weight and safety violations," he said. They include such things as defective lights, brakes and coupling devices and cracked frames.

The Transportation Department built the two scales and adjoining facilities for \$4.5 million.

Two more weigh-in-motion stations are under construction on busy I-94 Freeway — at New Buffalo near the Indiana border and near Grass Lake east of Jackson.

Planned increases in the size of the State Police Motor Carrier Division also will help the truck safety program. The division force of 120 officers statewide will increase to about 160 with the graduation of a new class of officers early next year, said Col. Gerald Hough, State Police director.

Use Your Credit Card To Pay For Plates And Licenses

Residents of six Michigan counties can now use their credit cards to pay for license plate and driver license fees when using the Department of State's mail program, Secretary of State Richard H. Austin announced today.

Austin said this test program is designed to determine whether the acceptance of credit cards will increase the volume of business through the mail and achieve significant savings in departmental costs.

Michigan is the first state in the nation to allow residents to charge driver license and license plate fees.

Legislation introduced by Senator Lana Pollack of Ann Arbor was enacted earlier this year authorizing the Department to accept credit cards.

In the test program, residents of Cass, Clinton, Muskegon, Ontonagon, Tuscola and Washtenaw counties receive a charge slip with renewal notice which allows them to use the VISA or MasterCard to charge fees. Additional counties may be added beginning in January after the test program is evaluated. All counties could be included by July, 1987.

Charge cards cannot be used in Secretary of State branch offices.

Mexican Breakfast

Elda Cantu and Kevin Haeussler enjoy gomei (breakfast).

Learning about nutrition can be both fun and taste great, as children in Mrs. Groeb's and Mrs. Little's classes discovered. The students capped off a study unit of the four basic food groups with a Mexican breakfast of Heurvos

Rancheros (scrambled eggs, cheese and tomato wrapped in a tortilla) and juices.

Moms, Mrs. Porter, Mrs. Manor, Mrs. Preston, Mrs. Turk Mrs. Meranuck and Mrs. Haeussler were the expert cooks.

Middle School Boosters Meeting

The October 12, meeting of the Middle School Boosters was called to order at 7:30 in the Middle School Library. Present were Bob and Terry Gillow, Terry Woods, Carol Scherdt, Bill

Kemner, Mary Nosbisch, and Brian Schick.

Discussion was held on the merits of a new copier versus a used copier. Motion was made to give the school board \$2,000.00 for a copier to be decided by Brian Schick. McDonalds Shades and Draperies is the only bid in on the new stage curtains. Other bids

are expected. Bill Kemner made a motion not to exceed \$1,099.00 for the background curtains, seconded by Terry Woods, motion carried. Brian Schick will decide which bid to accept.

The finance statement was given by Terry Gillow:
 balance in account \$3,408.21
 raffle tickets printed -61.65
 coffee/cookies - parents night -8.13
 copier -2,000.00

PTO Sponsors Assembly

Teacher Jane Raus holds a Ball Python snake out for students to look at and to touch. Seth Goodrich and Tommy Leach wait their turn.

How many people do you know that have petted a python or looked a hedge hog in the face? At Klager everyone had a chance to do just that! The PTO sponsored a special assembly where Saline Pet Store owner Steve Marsh brought a wide

array of exotic animals to school. He showed each animal and talked about their unique characteristics. There were examples of the mammal, amphibian, reptile and bird families. Students looked, listened to and in many cases touched the pets.

Balance 1,388.48
 We had 1500 raffle tickets printed with over 1,000 being distributed by the kids.

The matter of obtaining a tax number is on hold until we get more information.

NEW BUSINESS:
 We discussed how to raise and spend our money. We need a "wish list" from teachers, parents, and Middle Schoolers. Also ideas for fund raisers.

We will sponsor a Fall Athletic Recognition night in November. Terry Woods moved to purchase medals for all students in all sports for the year at \$1.30 each with trophies going only for teams with outstanding records, seconded by Bob Gillow.

Further discussion will be made pertaining to medals for other achievements than athletics, such as "A" Honor Roll.

Our next meeting is November 9, at 7:30 in the Middle School Library. All Middle School teachers and parents are members of this group. We'd like to see you there and have your input.

Secretary,
 Carol Scherdt

NEWS OF WOMEN
YOUR CREDIT RIGHTS

by Warren Lyons, Executive Vice President of Field Operations, AVCO Financial Services

In the age of credit, it's wise for women to establish and maintain their own credit history. Women should be aware of their credit rights as established under the Equal Credit Opportunity Act in 1975.

- Women cannot be required to reapply for credit because of marriage, divorce, or death of spouse.
- Information about one's husband need not be supplied unless he will be using or responsible for the account, if the state of residence is a community property state, if the applicant will rely on spouse's income, or if there is alimony or child support income.
- Women have the right to obtain credit without a co-signer if the applicant meets creditor's standards.
- Women have the right to keep their own accounts after they change their name or marital status, reach a certain age or retire, unless a creditor has evidence that the applicant is unable or unwilling to pay debts.
- The creditor may not ask about plans or ability to have children.
- Alimony and child support payments must be considered by creditors if applicant lists them as income.
- Joint accounts opened after June 1, 1977 are automatically reported under both names. Separate credit files for accounts opened before then can be maintained by creditors if requested in writing.
- Married or widowed women can ask creditors to evaluate history of any account used in one or both spouses' names.
- If you have any complaints against any type of creditor you can write to the Department of Justice, Civil Rights Division, Washington D.C. 20530.

It's wise for women to establish and maintain their own credit history.

VILLAGE OF MANCHESTER WASHTENAW COUNTY, MI

NOTICE OF LAST DAY OF REGISTRATION

A special election having been called to be held in the Village of Manchester on the 9th day of December, 1986 for the purpose of voting upon the following propositions:

WASTE WATER TREATMENT PLANT IMPROVEMENTS BONDING PROPOSITION

Shall the Village of Manchester, Washtenaw County, Michigan, borrow the sum of not to exceed Two Million Two Hundred Thousand Dollars (\$2,200,000) and issue its bonds therefor in one or more series for the purpose of defraying the cost of improvements to the Village's waste water treatment plant?

WATER AND SEWER SYSTEMS IMPROVEMENTS BONDING PROPOSITION

Shall the Village of Manchester, Washtenaw County, Michigan, borrow the sum of not to exceed Five Hundred Thousand Dollars (\$500,000) and issue its bonds therefor in one or more series for the purpose of defraying the cost of improvements to the Village's water and sewer systems?

THEREFORE, NOTICE IS HEREBY GIVEN, that Monday, the 10th day of November, 1986, up to 5:00 o'clock P.M., Eastern Standard Time, is the last day on which unregistered persons may register in order to be eligible to vote at said special election.

Application for registration should be made to the Village Clerk at the Village Hall, 120 S. Clinton Street, Manchester, Michigan 48158. Persons already registered upon the registration books of the Village Clerk need not re-register.

Manchester High School, received his Associates degree in science from Ferris State College and is employed by S.W.A.C. Distributions as a sales representative. The couple is planning a 1987 wedding.

Engagement Announced

Mr. and Mrs. Daniel Horan of Fenton, Michigan, announce the engagement of their daughter, Marcie Lynn, to Scott Thomas Gormely, son of Mr. and Mrs. Thomas Gormely of Novell, Michigan. Marcie is a 1979 graduate of Lake Fenton High School and is employed by Genesee County Road Commission as an equipment operator. Scott is a graduate of

Birth Announced

Keith and Kyle Johnson are pleased to announce the birth of their daughter, Sydni Lauren, born October 16, 1986. Sydni weighed 7 pounds 6 1/2 ounces and was 19 1/2 inches long. She has one sister, Kelsey 3, at home.

Maternal grandparents are James and Helen Kensler. Paternal grandparents are Alton and Margaret Horning, all of Manchester.

Home On Leave

SP4 Michael R. McCoy, who is stationed with the HHC 1/13 Armored Division in Illshiem, Germany, recently spent a 30 day leave with his parents, Mr. and Mrs. Randle R. McCoy of Manchester, Michigan. SP4 McCoy received an Army Achievement medal as Food Service Specialist for the 1st Battalion, 13th Armor Division during the Grofenwalk and Hoehenfels training exercises from April 13, to May 13, 1986, in Illshiem, Germany. SP4 McCoy returned to Germany October 27, 1986.

Wedding Bells Ring

bridal veil belonging to her mother-in-law. She carried a bouquet of red roses and baby's breath. Honor attendants were Joanne Stierle, sister of the bride, and Kevin Murray of Columbus. Katie Miller of Manchester, Alice Renton of East Lansing and Ellen Snively, sister of the groom, served as bridesmaids. The brides attendants wore pink taffeta and lace tea length dresses and carried pink and white carnations with baby's breath. Serving as groomsmen were: Jeff Van Liew and Monte Taylor, both of Columbus, Indiana, and David Blackwell of Brownstown, Indiana. After a reception at the church hall the bride and groom departed for a trip to Delray Beach, Florida. They are now residing in Indianapolis, Indiana.

Parents of the newlyweds are Mr. and Mrs. Lehman Wahl of Manchester and Mr. and Mrs. Richard Piotrowski of Redford. Patricia Rotla of Redford, godmother of the bride, was matron of honor while Sarah Feldkamp of Manchester, cousin of the bride, served as flower girl. Jodi Feldkamp, godchild of the bride, carried the rings. Mark Piotrowski of Redford attended his brother as best man. Steve Piotrowski of Redford brother of the groom, and Bob Dempsey of Toledo, seated the guests. A reception followed at the Knights of Columbus Hall in Manchester. The newlyweds honeymooned in the Upper Peninsula. They are now residing in E. Lansing while David is completing his masters degree in geochemistry. Jean Ann is the elementary media coordinator for Godwin Heights Public Schools in Wyoming.

Pvt. Joey Deacons, son of Mr. and Mrs. Kerry Deacons of Sheridan Road, Manchester, has completed his basic training and AIT (Advanced Infantry Training) at Ft. Benning, GA. Joey received plaques and certificates for achieving the maximum test scores on the Army Physical Fitness test, the Mid-Cycle Testing and End of Cycle testing. Joey was promoted to E2 and is now in his first week of Airborne School at Ft. Benning. Joey is a 1986 graduate of Manchester High School.

World Community Day

Good Stewards of God's Creation. Refreshments and fellowship will follow the service. All area women are welcome.

"I have watched the College grow from the time it was but an idea. I am proud and happy to see the strength and quality of the education it provides to the students of our county. Please give your support to Proposals 1 and 2 November 4."

— Elvira M. Vogel
Manchester citizen
Member, Washtenaw Intermediate School District Board

For the first time in 16 years, Washtenaw Community College is asking for a tax increase. This increase amounts, for the 2 proposals combined, only slightly more than a mill — 10¢ a day for the average homeowner. Vote yes on Washtenaw Community College Proposals 1 and 2 Tuesday, November 4.

VOTE YES ON PROPOSALS 1 and 2

WCC WORKING FOR YOUR FUTURE
(Paid for by Supporters of the WCC Millage. William Boucek, Finance Chairman)

remodeling of the interior and exterior of the home.

Radiation Oncology staff and volunteers and staff of the American Cancer Society have acted as members of the steering committee.

The Friends of the University, a civic group dedicated to helping the University of Michigan, donated \$25,000 for major improvements. Volunteers of the American Cancer Society will staff the house during the day and early evening so that 24 hour assistance is available. A special gift registry has been set up at Hudson's Department Stores statewide so that interested persons may donate small home items such as electrical appliances, cookware and table

settings. All items will then be shipped directly to Wilmot House. Those interested in volunteering their time at Wilmot House are encouraged to contact their local American Cancer Society Unit.

Flood-Stricken Farmers Urged To Apply For Aid

An amendment co-sponsored by Michigan's Senator Don Riegler that provides direct aid in the form of PIK certificates to flood-ravaged farmers was part of the continuing resolution passed by Congress before it recessed last weekend. Al Almy, Michigan Farm Bureau's director of public affairs, said that reimbursement will be made on the amount of loss a farmer suffers that exceeds 50%.

"For example, if a producer had an 80% loss, he would receive no reimbursement for the first 50%, but would receive total reimbursement for the remaining 30%," Almy said. "The reimbursement will be limited to \$100,000 per producer. The USDA will write regulations within 30 days and farmers will have until January 31, 1987, to apply for aid. Reimbursement to the producer will be made within 45 days after application is made."

Farm Bureau is encouraging farmers to apply early.

"This new law is designed to aid those farmers with a potential to reorganize and will allow them to financially restructure where existing law cannot," he said.

New Bankruptcy Law For Farmers

The law would limit the use of Chapter 12 to family farmers by requiring that the farmer receive at least 59% of his income from farming and that at least 80% of the debt must be from the farm. It also limits the amount of allowable debt to \$1.5 million.

Bureau agricultural economist, the objective of the new "Chapter 12" is to help family farmers keep their farms and to pay creditors out of future earnings.

"Farm Bureau believes that the current bankruptcy laws have been unable to address the unique problems facing family farmers and have actually worked to their detriment," Craig said.

"This new law is designed to aid those farmers with a potential to reorganize and will allow them to financially restructure where existing law cannot," he said.

The law would limit the use of Chapter 12 to family farmers by requiring that the farmer receive at least 59% of his income from farming and that at least 80% of the debt must be from the farm. It also limits the amount of allowable debt to \$1.5 million.

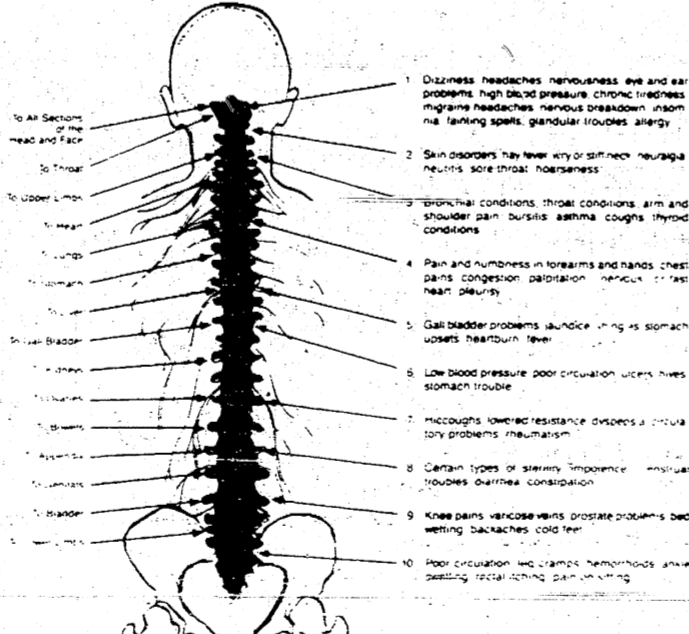

MANCHESTER CHIROPRACTIC CLINIC

DR. STAN GILBERT

LISTEN TO YOUR BODY
It will tell you if something is wrong

PINCHED NERVES MASQUERADE AS MANY HEALTH PROBLEMS

Nerves control each and every function of the human body. Nerves transmit all sensations to the brain... control all movement... make possible sight, smell, taste and hearing. Nerves maintain the balance and keep the body temperature at 98.6 degrees F. Nerves control the blood pressure, stomach action, blood flow, speech and breathing. In fact, every function taking place in your body is under the control of the nerve system. Therefore, it doesn't take much imagination to understand what can happen when a nerve is "pinched," when its function is diminished. Pinched nerves can "mimic" every known disease. Pinched nerves can meticulously mock all the symptoms of such disorders as asthma, pleurisy, sinusitis, bronchitis. Pinched nerves can faithfully copy the discomforts of skin diseases, allergies, sore throat, gastritis. Pinched nerves can exactly duplicate the frightening signs of coronary disease, meningitis, encephalitis, emphysema. Pinched nerves can even fabricate the actual physical changes of ulcers, eczema, bursitis, arthritis — in fact, EVERY disease known to man.

This has been proven in millions of cases in which an erroneous diagnosis was made... the treatment prescribed failed to get a response and then a chiropractic examination later revealed pinched nerves as the culprit, the underlying cause.

CARDS OF THANKS

We want to thank everyone who in any way remembered us on our 50th Anniversary that made it a memorable occasion. It's great to be remembered by so many friends.
Herman and Rubena Boelter

United Church of Christ members and friends in Manchester:
Jim and I want to express our thanks for all the cards, prayers and inquiries while Jim was hospitalized and since he returned home.

Special thanks to Pastor Bob Macfarlane for his calls to me when I needed his prayers so much.
Also to our daughter Marilyn for her visit when we needed her.
God Bless You All
Jim & Gerry Mulrenin

I would like to thank my friends for all the cards and prayers I received during my stay in the Chelsea Community Hospital and since returning home.
Also Rev. Carruth for his visits and prayers. And my children who are caring for me in their homes. All is appreciated very much.
God Bless You All.
Alma Uphaus

A Big Thank you goes out to fireman Brad Roberts for taking the time to teach us about fire safety. We learned a lot about taking care of ourselves during a fire and what to do to prevent a fire. Thanks also for letting us have literature about fire safety to take home and for allowing us to see the fire station, fire trucks and fire fighting equipment. We appreciate your efforts and dedication in getting this message to us.
Sincerely,
All the students of the Manchester Cooperative Preschool and their teachers
Eloise Kemmer & Linda Ebersole

Breakfast Streusel Bread Baked With Safflower Oil

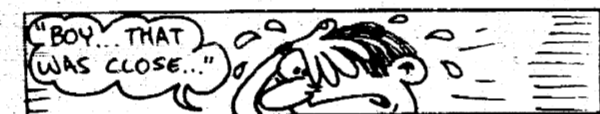

To perk up boring breakfasts, bake a spicy streusel-topped apple bread. This is a sweet wake-up treat, yet it contains good nutrition to start the day. Fiber-rich unpeeled apple chunks go into a part whole wheat, low cholesterol batter using only egg whites, skim milk and safflower oil. Safflower is suggested because it is a light, cholesterol-free oil that is low in saturated fat but highest of all vegetable oils in cholesterol-lowering polyunsaturated fat. (Streusel bread can be baked ahead and held in the freezer until ready to serve. To enhance its flavor, be sure to warm the bread after defrosting.)

APPLE STREUSEL BREAD
 1 cup all-purpose flour (unsifted) 2 egg whites
 1/2 cup whole wheat flour (unsifted) 1 teaspoon pure vanilla extract
 1/2 cup sugar 1 1/2 cups diced unpeeled tart apples
 2 teaspoons baking powder 1/2 cup skim milk
 1 teaspoon ground cinnamon 1/2 cup Hollyhock Safflower Oil
 1/4 teaspoon salt Streusel Topping (recipe follows)

Preheat oven to 350°F. Oil an 8-inch loaf pan; set aside. Combine first 6 ingredients. In large bowl combine milk, safflower oil, egg whites and vanilla. Add flour mixture; stir until moistened. Stir in apples. Spoon in to prepared pan. Sprinkle with Streusel Topping, gently press into batter. Bake 45 to 50 minutes. Turn onto a wire rack.
YIELD: 1 loaf

STREUSEL TOPPING
 In small bowl combine 1/4 cup each flour and sugar and 1 teaspoon ground cinnamon. Drizzle 1 tablespoon safflower oil over mixture. Stir with fork until crumbly.
YIELD: 1/2 cup

How much does one vote count? It could be a lot. The narrowest recorded percentage win in an election would seem to be for the office of Southern District Highway Commissioner in Mississippi in 1979. The winner got 133,587 votes; the loser, 133,582; a difference of .0001 percent.

Hit or Miss

locomotives and built their tracks to the British specifications. Diets didn't work and she didn't exercise one woman told another. "Finally I lost 40 pounds by getting myself a newspaper route."

A baseball player can get to first base in six ways, including one way in which he doesn't even step into the batter's box. Name it. - It's too obvious - As a pinch runner.

Although one of the compelling reasons given for the "bail-out" of Chrysler by the government was "the saving of the jobs of some 26,000 auto workers", that many are still said to be out of their jobs.

We were told the other day of a Toledo couple who were recently wed, cast about for something different to do at the ceremony and came up with the idea of having friends and family release balloons instead of throwing rice.

Each balloon had attached a long ribbon and a card with the newlyweds address. When they returned from their honeymoon, they found three messages of congratulations awaiting them. One was from Webster, New York and one was from Quebec while the third was from Buffalo, New York and it was found only two days after its launching in Toledo. One wise guy suggests that perhaps we should start sending our mail by balloon.

A pessimist has more chances these days. Either he can think that things are going to get worse or that they can't.

Few things are more discouraging than to try to keep up with neighbors who are trying to keep up with you.

The aborigines along the northern coast of Australia, have always liked oysters a great lot but they would have liked them more if it wasn't for the stupid pearls that many of them had in them. They were nuisances so they tossed them to their children who played marbles with them until the white man arrived to tell them of their error.

Possums keep on growing as long as they live.
 In North Dakota it's against the law to serve pretzels with beer.

We are told that oil floats on water. Not so. For instance, oil of cloves and wintergreen do not. They are heavier than water.

One statistician says that seventy-seven percent of the worlds surface is covered by water and that 20 percent is covered by mortgages.

We read that found in Egyptian tombs are maps showing the deceased how to get to the next world. Perhaps we should restore this custom.

And so there you are - some are supposed, at least, to be humorous, some informative and some we know what nor why but herein is at least variety.

Prize Becomes a Headache

Winning a big prize can turn into a big headache as a couple learned when they took a cheap flight to Atlanta but drove home in style.

They won a 1967 Silver Shadow Rolls-Royce in a contest sponsored by the hotel where they stayed. The four-door gray sedan with red leather upholstery had been owned by a collector and the couple were elated with the prize.

However, after arriving home they began to think about the financial headaches involved. The taxes on the car appraised at \$30,000 amounted to about \$6,000. Some possible costs, such as repairing the hydraulic brake system or replacing the stainless steel exhaust system, could be expensive.

Repairs figured to be a consideration because of the car's age. And it had been driven 90,781 miles. Furthermore, the couple living in a townhouse had no garage. The car kept them awake at night. They kept getting up to see if the Rolls was still in the front of the townhouse. . . .
