

Money Management

The New W-4 Form

(Prepared by the Michigan Association of Certified Public Accountants.)

Under the new tax reform act, all taxpayers will be required to file a new W-4 form with their employer to determine the amount of tax dollars to be withheld from their pay. Technically, taxpayers have until October 1, 1987 to file the new form. But for many, it will be wise to file the new form as early as possible so that the proper amount of tax dollars are withheld from their pay, according to the Michigan Association of CPAs. If a taxpayer is found by the IRS to have paid too little in taxes through withholdings, he or she could be subject to penalties.

The new form and instructions run four pages, including a worksheet with 21 items to compute withholdings, making it twice as long as the old form. Even though the form is twice as long, many taxpayers will be able to provide the necessary information by filling in the first five lines. Single individuals who don't itemize deductions and who don't earn income other than from wages, and one-income couples who also don't itemize or receive outside income will be able to skip the remaining 16 lines on the form.

The first five lines of the worksheet look very similar to the old W-4 Form. The first line directs taxpayers to claim themselves as an allowance. The second line is for the "special allowance."

Taxpayers are allowed to claim a special allowance if they meet any one of the three following conditions: If they are single and hold only one job; if they are married, have one job and their spouse is not employed; or if they have a second job or their spouse has a job where neither income exceeds \$2,500.

The third line directs taxpayers to take a deduction for their spouse unless he or she can be claimed as a dependent on someone else's return. The fourth line

allows taxpayers to enter the number of dependents they can claim other than their spouse. And the fifth line is a total of the first four lines. At this point, many taxpayers will be finished.

Taxpayers who have income of \$950 or more from a working spouse, hold more than one job or earn nonwage income will be required to continue and complete the entire form to correctly calculate their withholdings.

Taxpayers with itemized deductions, tax credits, adjustments to income or deductions for age or blindness should complete the entire form for extra withholding allowances, although it is not required.

To properly complete the worksheet, these taxpayers will find that many of the calculations from their 1986 tax return will be helpful.

In the next 16 lines, taxpayers will use information such as their adjustment to income, itemized deductions and tax credit to claim additional allowances. By following the instructions accompanying the worksheet, taxpayers should have little difficulty figuring their withholding allowances.

After completing the new form, many taxpayers will find that they will be able to claim approximately the same number of withholding allowances as they did under the old law. At the same time, many people will also find that they will have less tax withheld because of the changes in the tax law.

Some taxpayers will end up reducing the number of withholding allowances they claim because several of the tax benefits that allowed for extra withholding allowances, such as IRA contributions and sales taxes,

will be restricted or eliminated under the new tax law.

On the whole, most taxpayers will find that they will probably be able to claim approximately the same number of allowances while having their withholding taxes reduced.

For taxpayers who hold more than one job, they will have to decide whether or not to claim all of their allowances on one job or to claim some one each job. However, they may not claim the same allowances more than once. Taxpayers who are in this situation might find it wise to claim all allowances on the W-4 form for the higher paying job and claim zero on all other jobs.

Whatever your tax situation, be sure to read the instructions thoroughly. If you find that it is too complicated to do yourself, you're not alone. A CPA will be able to help you calculate your withholdings so you can avoid tax problems in the future.

20th Century Club

The January meeting was held at the home of Mrs. Michael Scully with Mrs. Richard Schmidt as Co-Hostess.

The program given by Mrs. Robert Nickles, was a book review of "The Northern Lights", by Charles Hyde. The old light houses of Michigan and the life of the lighthouse keeper was most interesting.

The February meeting will be held at Emanuel Church Hall on February 10.

Soak cup apple pieces in salted water for ten minutes. They'll remain crisp longer and won't turn brown.

Michigan's History

On January 26, 1847, four Kentuckians and a deputy sheriff were searching Marshall for the Crosswhites, a black family who had escaped from Kentucky years earlier. Both black and white Marshall residents spirited the Crosswhites to safety in Canada and then threatened to tar and feather the Kentucky hunters. This incident helped Congress pass a strict Fugitive Slave Law on February 13, 1850, prohibiting the use of county jails for the detention of escaped slaves and directing county prosecuting attorneys to defend the runaways if necessary. The old federal Fugitive Slave Act had allowed arrest and imprisonment of runaway slaves in any state where they were found. Today, visitors to the Museum of African American History in Detroit will relive this and other experiences of blacks in Michigan. For further information, please contact the Michigan Travel Bureau.

Tree Seedlings Offered

The Washtenaw County Soil Conservation District announces its annual tree and shrub seedling sale for 1987. Orders for planting stock will be accepted until April 13, 1987 on a first-come, first-serve basis while supplies last. Seedlings will tentatively be distributed on Saturday, April 25, 1987 at the Washtenaw County Road Commission garage.

Planting stock available this spring includes: Austrian Pine, Red Pine, White Pine, Colorado Blue Spruce, Norway Spruce, White Spruce, Douglas Fir, European Larch, Red Oak, Tulip Poplar, Black Walnut, Imperial Carolina Hybrid Poplar, Silky Dogwood shrubs and Emerald Crownvetch seed.

Wildlife Packets, an assortment of 50 evergreen and hardwood trees and shrubs for wildlife habitat plantings; and tree planting bars, a sturdy tool for planting seedlings, will also be available. Prices are reasonable for all tree and shrub seedlings which are two years old and range in size from three to eight inches tall.

The purpose of the District's tree program is to assist landowners in obtaining planting stock at low cost for reforestation, windbreaks, erosion control, and wildlife habitat improvement. Order forms containing information on available species, site preference, uses and prices can be obtained by contacting the Washtenaw County Soil Conservation District at 6101 Jackson Road, Ann Arbor, MI 48103-9598. Telephone: 313-761-8721.

Hit or Miss Twenty-One

We were talking the other day with a gal who, some weeks ago, was laid off at her place of employment and finally decided that she had to apply for food stamps but she is a bit confused at some of the restrictions set down for their use. We had heard of these but had not paid much attention to them. We noted that therein it says that stamps cannot be used for dog foods, alcoholic beverages, soaps and detergents, and paper products, paper towel, tissues, etc. Must be the chaps who drafted the rules were mad at some of those providers. We can understand the alcoholic beverages bit but the paper products restriction is confusing to say the least. There are some paper products that it seems to me are a necessity, or perhaps there are substitutes.

The following poem has delighted many youngsters for many years and so may we present it for your acceptance. It is titled "English as It Is Spoke".

We'll begin with a boy;
The plural is boxes.
But the plural of ox;
Should not be oxen but oxes.
One fowl is a goose
and not a gooses;
But two we call geese.
Yet the plural of mouse;
Is never meese.
You may find a lone mouse;
Or a whole nest of mice.
But the plural of house;
Is houses not hiee.
If I speak of a foot;
And you show me two feet.

And I give you a boot;
Should a pair be a beet?
So that the English;
I think you agree,
Is the funniest language
That you ever did see.

The biggest reason for decline among the older people is inactivity so reports a Geriatric Center doctor. About the worst thing the elders can do is to get too much bed rest.

An outfit that calls itself the Names Society of Great Britain polled the membership for opinions on the sexiest male and female members of the group and came up with the names David and Susan.

One insomniac says that he has solved his problem at last. He has an exercise bike and pedals madly all through the Johnny Carson show on TV.

What is a normal personality? Students of the mind debate it. One definition says "Normal" is the absence of neurosis, but some contend that an individual without a neurosis is like a hot dog without mustard.

It has been asked "What man in American history has had the best eyesight on record?" This has been claimed for two well known folks—Chuck Yeager test pilot and baseball's Ted Williams.

The word clumsy is derived from a Scandavian word which means "numb with the cold".

Vocational Education Week

Building America's Future
"Building" may lead one to think of Building Trades and the vocational program presently constructing a contemporary ranch house overlooking Brookside Golf Course near Saline. But fifteen additional vocational programs serve junior and senior high school students from Chelsea, Dexter, Manchester, Milan and Saline. Building America's Future, the theme for 1987 Vocational Education Week, suggests a future of satisfying and skilled employment for students acquiring vocational skills, and infers that America's economic future will be effected by a skilled and educated work force. Students from Agribusiness to Electronics and Cosmetology to Health Occupations believe in "Building America's Future."

Saline are invited to an open house of the Automated Machine Technology program at Saline High School, February 11, from 7:00 p.m. to 9:00 p.m. Students

Luncheon Concludes United Way Campaign

United Way Board President, Diana Macfarlane; Luncheon Co-sponsor, Monty Okey; Campaign Chairman, Ted Stautz

On January 13, 1987, the United Way Board of Directors, the 1986 Campaign Chairman, the several Division Chairs, and their key campaign workers were treated to a luncheon at the K of C Hall. The luncheon was sponsored by Drs. Virginia Johnson and Monty Okey.

Approximately 50 guests were present as Board President Diana Macfarlane thanked Campaign Chairman Ted Stautz for his leadership in the highly successful campaign, in which more than \$50,000 was collected for local and state agencies supported by United Way. Stautz then presented and thanked each of the Division Chairpersons: Residential, Susan Mann and Mark VanBogelen; Schools, Ron Niedzwiecki; Industrial, Ron Fielder; Business, Becky Doyle; Outside Business, David Little; Organizations, Janice Little.

Ron Fielder noted that each of the eight corporations which compose the Industrial Division met or exceeded their goals for the campaign. Four of the corporations, Johnson Controls, Manchester Plastics, Manchester Stamping, and Manchester Tool and Die received citations for obtaining participation by 100% of their employees.

Manchester United Way and its member agencies thank all of these people and all of the citizens of Manchester whose contributions helped to make the 1986 campaign one of the most successful ever.

Representatives of the four corporations having 100% employee participation: Kim Horning, Johnson Controls; Marilyn Clark, Manchester Stamping; Ron Fielder, Manchester Tool and Die; Marie Hale, Manchester Plastics

Additions To MFS Report

Due to an oversight, several names were omitted from the donor list for Manchester Family Service in the report from the agency in the January 29, Enterprise. Others include Mr. and Mrs. Wayne T. Hamilton, the Bethel Church Women's Fellowship, and Mr. and Mrs. Omer Robbins (not Roberts).

Obituaries

Thomas M. Lannon Brighton, MI

Age 48, formerly of Manchester died suddenly Thursday, January 28, 1987, in Howell.

He was born January 25, 1939, in Adrian the son of Roscoe and Walda Timmerman Lannon.

He was married to Elizabeth Troiz. Mr. Lannon had taught school in the Birmingham school system for the past 19 years, where he had coached football, basketball, track and softball.

He was a member of St. George Lutheran Church in Brighton.

He is survived by a son, Thomas J. Lannon of Manchester and two daughters, Kimberly and Amy Lannon of Manchester, former wife Elizabeth of Manchester, father and step-mother Roscoe and Walli Lannon of Naples, Florida, two sisters, Mrs. June Turnbull of Birmingham, Mrs. Mary Korican of Manchester and several nieces and nephews.

He was preceded in death by his mother, Walda and a brother, Ronald.

Funeral services were held Monday, February 2, 1987, at Emanuel Church. Rev. Robert B. Macfarlane officiated with burial in Maple Shade Cemetery in Onsted.

Paul W. Eisele 211 Beaufort St. Manchester, MI

Age 69, died suddenly Saturday, January 31, 1987, at the Chelsea Community Hospital.

He was born August 14, 1917, in Sylvan Township the son of Godfrey and Bertha Grieb Eisele.

He was married to Naomi Trolz on November 24, 1946. She survives. He had operated a welding shop for many years. And was a Army Veteran of WWII.

He was a member of the Emanuel United Church of Christ, Manchester Lodge #148 F&AM, Treasurer for 30 years, Manchester Chapter #48 O.E.S., American Legion and Sportsmans Club. He was also a former member of the Manchester Township Fire Department, Manchester Community Fair Board and was a Manchester Township Constable for many years.

In addition to his wife he is survived by one daughter Vicki Eisele of Germantown, Maryland, son and daughter-in-law Scott and Brenda Eisele of Avoca, Michigan.

Funeral services were held Wednesday, February 4, 1987, at Emanuel Church. Rev. Robert Macfarlane officiated.

Burial followed in the Vermont Cemetery. Masonic memorial services were held Tuesday, at the Jenter Funeral Home.

Manchester Sportsman Club

Annual meeting of the Manchester Sportsman Club has been rescheduled for Thursday, February 5, 1987, at 8:00 p.m.

Free Program On Alzheimers

"Alzheimer's Disease and the ABCs of Memory" will be the topic of a free program at 2 p.m. Thursday, February 5, in the Catherine McAuley Health Center Education Center in Ann Arbor.

Alan N. Dengiz, MD, medical advisor for the Geriatric Clinical Program at St. Joseph Mercy Hospital, will present an overview of Alzheimer's Disease, describing symptoms, possible causes of the disease, diagnosis and treatment.

A question and answer session will follow.

Beatrice Wooley, of Ann Arbor, author of "Fact and Fiction about Memory" and "Memory - Use It or Lose It," will explain how the memory system works and will describe the facts and fallacies about memory loss in the elderly. Wooley also will offer helpful memory techniques for such common occurrences as forgetting names and telephone numbers and forgetting to turn off the car lights.

The program is presented by CMHC's Department of Services to the Elderly. For further information, call 572-5189.

Oratorical Contest

The American Legion again is sponsoring the National High School Oratorical Contest. This year is the 50th year of the contest. Each oration is written on some phase of the United States Constitution.

Iver Schmidt, the Oratorical Contest Chairman for the Legion's second district has announced that high school orators from Washtenaw, Lenawee, Jackson and Monroe counties will compete on February 12, 1987.

The contest will be held at Dexter High School for the District Championship. District winners move on to zone, and then to state and national competition. The orators compete for college scholarship awards up to \$600 for state winners and up to \$16,000 for the National Champion.

The purpose of the American Legion National High School Oratorical Contest is to develop a deeper knowledge and appreciation of the Constitution of the United States on the part of high school students.

Other objectives of the contest include the development of leadership, the ability to think and speak clearly and intelligently and the preparation for acceptance of the duties and responsibilities, the rights and privileges of American citizenship.

Village Council Proceedings

Approved Minutes January 19, 1987

The regular meeting of the Manchester Village Council was called to order by Mayor-Pro-Tem Tapping at 7:00 p.m. with the Pledge of Allegiance. Present: Tapping, Reinhart, Becketl, Harris, Marshall, Naimowicz, and Spork. Also in attendance: James Kruse, Susan Kruse, Lance Hansey, Tom Desjardin, Benji Winzenz, Jamie Winzenz and Matt Donnellon.

The minutes of the January 5, 1987 regular meeting were read and approved as written on a motion from Becketl, supported by Harris. Ayes-all.

Correspondence - The Clerk read letters from 1. Bradke, Bowman and Gaudette CPA and Diane Wiedmayer, CPA concerning the bidding of accounting services; 2. Lana Pollack offering her assistance in obtaining the Wastewater Treatment Plant grant; 3. Department of Treasury - concerning the 1986 audit.

Approval of Agenda - The agenda was approved as written on a motion from Reinhart, supported by Marshall. Ayes-all. PUBLIC PARTICIPATION - There were no requests to address Council.

Mayor Pro-Tem Tapping welcomed the four Boy Scouts in attendance and noted that they were working on merit badges.

Planning Commission - Marshall reported that the Planning Commission is working on the following items: 1. Sign Ordinance; 2. Planning Commission Budget; 3. Fence Ordinance; 4. Master Plan - last revised in September, 1972.

Marshall also wanted everyone to know that they were invited to the next Planning Commission training session scheduled January 27, 1987. Naimowicz presented managers report - on file.

First item discussed was the transfer site review. Naimowicz reported that at the supervisors meeting on Monday, January 19, the supervisors unanimously recommended to: 1. Bid out Vendor; 2. Raise the fee for a stake truck from \$15.00 to \$25.00; 3. Close the transfer site on Thursday during the months of February and March; 4. Reconsider the fee schedule.

Motion by Becketl, supported by Harris to raise the fee for a stake truck from \$15.00 to \$25.00 effective February 11, 1987. This decision was made on the unanimous recommendation of the supervisors. Ayes-all. Motion by Reinhart, supported by Marshall to close the transfer site (also on unanimous recommendation of the supervisors) on Thursdays during the months of February and March. Ayes-all. Hinkley entered at 7:30 p.m. Naimowicz also informed Council of the percentage of usage based on the revenue collected Village of Manchester 20%, Freedom Township 17%, Bridgewater Township 19%, Sharon Township 20%, and Manchester Township 24%.

Other items up for discussion under Managers Report were the Wastewater Treatment Plant Grant (\$20 million dollars of 1986 funds left) and reconciliation of the checkbooks. After reading Diane Wiedmayer's bid, Naimowicz recommended using her firm to reconcile the checkbooks. Council discussed the proper procedure for bidding out services. It was the consensus of Council to put

the pocket moving expense in the amount of \$579.00. Roll Call Vote: Tapping - yes, Reinhart - yes, Becketl - no, Harris - yes, Marshall - yes, Hinkley - yes. Motion approved. B. Public Act 198 of 1986 (Clean Air Act) - Naimowicz asked Council for their opinion on a smoking policy. It was the general consensus of Council that the Village Manager should make a policy and implement it, preferably no smoking in the front office or on the second floor.

C. Expense Procedures - Tabled until next meeting. D. McNamee, Porter & Seelye - payable #3 to Union Construction - After considerable discussion Council decided not to approve payable #3 until Becketl, Reinhart and Naimowicz meet with Glen Burkhardt to clarify.

Motion by Harris, supported by Tapping to approve the bill as presented upon a satisfactory explanation to two Council members and the Village Manager.

OLD BUSINESS - A. Animal Ordinance - After some discussion on this ordinance the board was reluctant to approve it as written. Council asked Naimowicz to have a very strict grandfather clause added before they would consider it. Motion by Becketl, supported by Tapping to table the Animal Ordinance until the next meeting and to have a very strict grandfather clause attached. Ayes-all.

B. Sewer Rates - Motion by Reinhart, supported by Marshall to table the recommendation of sewer rates until the next meeting. Ayes-all. Motion by Becketl, supported by Tapping to adjourn at 9:30 p.m.

Motion by Becketl, supported by Marshall to accept DPW report. Ayes-all. NEW BUSINESS - A. Moving Expenses - Naimowicz presented a bill for \$1,079.00 to Council for his cost of moving. Motion by Tapping, supported by Harris to pay out of

Dividend Declared

Directors of Johnson Controls, Inc. declared a regular quarterly cash dividend of \$0.265 per common share payable March 31, 1987, to shareholders of record March 13, 1987.

A cash dividend of \$1.0625 per share of preferred stock, having the same payment and record dates, was also declared.

At the Company's Annual Meeting shareholders elected six directors, all of whom have served on the Board of Directors.

Free Dog Care Clinic

Don't miss a perfect opportunity for you and your dog to beat those wintertime blues! Spot can learn a new trick or two while you'll find out the latest updates on health care and grooming techniques. Come to the Dog Care Clinic sponsored by the Humane Society of Huron Valley.

Instructors from the Ann Arbor Dog Training Club will be on hand to give valuable tips on topics such as health care, feeding, grooming, housebreaking, obedience training, and dog breed characteristics. There will also be demonstrations by the instructors followed by a question and answer period. The clinic will be held on Tuesday, February 10, from 7:00 p.m. to 8:30 p.m. at the HSHV Community Education Building, 3100 Cherry Hill Road, Ann Arbor. It is free to the public but please, leave your pets at home. Relevant pet care literature will also be available at no cost. For directions or more information phone the Education Department at 662-5545.

The Roman Colosseum Comes to Town

Thumb through your favorite dictionary. Under the letter "C" you will find COLOSSEUM defined as an "amphitheater built in Rome in the first century, A.D."

To find out more about the Colosseum, visit the Detroit Institute of Arts statewide services traveling exhibition, "Ancient Arena: The Roman Colosseum." The exhibition is at Manchester High School, Media Center, February 10-19, 1987, 8:00 a.m. to 3:30 p.m. Admission is free.

The show consists of specially designed photo panels featuring 25 paintings, prints, drawings and sketches. Included is a photo of the earliest known representation of the Colosseum by a contemporary artist. And, a scale model of the Colosseum will help visitors get a feel for the past while appreciating the present.

The Colosseum was originally known as Flavian Amphitheater and was often called the "monument to Roman brutality." It is estimated that the Colosseum held a capacity of some 45,000 persons. These audiences viewed deadly games like one-on-one combats, animal slayings and mock sea battles.

The history of the Colosseum has been filled with turmoil. The structure has been struck by lightning, damaged by earthquakes and scarred in wartimes. Even today, pollution and vibration from nearby auto traffic places the Colosseum in danger of collapse.

Still, the Colosseum remains irresistible to visitors from around the world, who come to Rome to marvel at this great monument. Scholars and scientists also visit, to learn more about the Colosseum's structure and the grandeur of the Roman Empire.

"Ancient Arena: The Roman Colosseum" is just one of six traveling shows the Art Institute tours during the year. These traveling shows offer Michigan communities throughout the state an opportunity to see and explore the world of art at no cost to the host area.

Scoliosis Unit To Hold Meeting

The Lenawee-Monroe Unit of the Scoliosis Association of Michigan will hold its next meeting, Thursday, February 12, at the Milton C. Porter Center, Adrian, at 7:30 p.m. The meeting will feature "S Curve," a slide/tape presentation on screening procedures and treatments for scoliosis. A question and answer period will follow. The meeting is open to all interested persons.

The Lenawee-Monroe Unit is a support group which provides an opportunity for scoliosis patients, and their families and friends to discuss scoliosis (the sideways curve of the spine). The group also promotes public awareness and school screenings. For more information please call Dorothy Heinlen at (313) 529-3038 or Renata Snyder at (517) 423-3164.

Pre-School Story Hour

Three to five year olds are invited to attend pre-school story hour at the Manchester Township Library. Sessions will be held on Friday mornings 10:30 to 11 a.m., from February 6, to April 10. For further information, call the library at 428-8045.

Registration Notice For VILLAGE ELECTION

Monday, March 9, 1987

TO THE QUALIFIED ELECTORS OF THE VILLAGE OF MANCHESTER (PRECINCT NO.1) COUNTY OF WASHTENAW, STATE OF MICHIGAN

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Clerk, will upon any day, except Sunday and a legal holiday, the day of any regular or special election, receive for registration the name of any legal voter in said Village not already registered who may APPLY TO ME PERSONALLY for such registration.

NOTICE IS HEREBY GIVEN THAT I WILL BE AT MY OFFICE

120 South Clinton Street
Manchester, Michigan
Monday, February 9, 1987

FROM 8:00 O'CLOCK A.M. UNTIL 3:00 O'CLOCK P.M. THE 30TH DAY PRECEDING SAID ELECTION

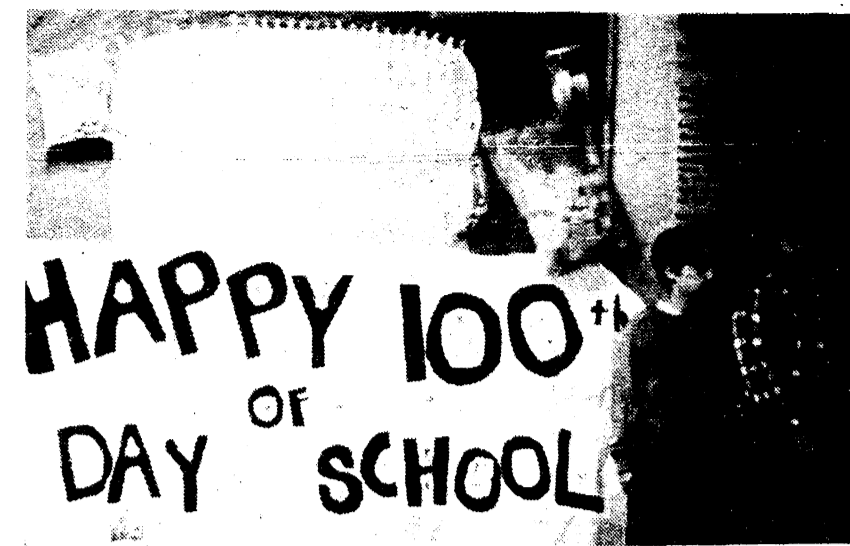

As provided by Section 498, Act No. 116, Public Acts of 1954 As Amended.

For the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said village as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

1/27/87, 2/2/87 Constance M. Schaffer, Clerk

Klager Celebrates 100 Days

Friday was the one hundredth day of school. Children in many classes have practiced counting the days of school eagerly awaiting #100.

On Friday, many Klager students participated in special activities highlighting the one hundredth day of school this year.

The activities included: 100 object collections, 100 cherrios necklaces, 100 candles on a cake, a list of 100 ways to be a friend, 100 exercises, 100 minutes, and many more. All the activities centered on giving children concrete experience with large numbers. They will help children not only learn to count to one hundred, but also to have a realistic sense of what 100 really means.

The 100's Day idea was first initiated at Klager by teachers Janice Little and Teddy Groeb. Since then many school districts across the state have heard about their ideas and are also doing the 100's Day at their schools.

Heather DuRussel brought 100 nails and arranged them to form the numeral one hundred.

Pat Chapin surveys a collection of 100 crayons.

Lee Taddonio and Jayna Nickert carefully string 100 Cherios into a special 100's Day necklace.

These students, working with Mrs. Williams, developed a list of "100 Ways To Be A Good Friend To Others."

Ryan Lentz stamps one hundred dinosaurs on his poster.

Optimist Basketball Contest

The Optimist Club of Manchester will hold a Tri-Star Basketball skills contest at the Middle School on February 14, at 1:00 p.m. The contest is composed of three basic skill tests aimed at evaluating a contestant's skill in passing, shooting and dribbling.

Boys and girls will compete in six age groups, 8 - 13, against youth of their own age. All that is needed to compete is the desire and a pair of gym shoes.

First, second and third place trophies will be awarded to winners in each age group. A total of eighteen impressive trophies will be awarded.

Entry forms are available in the office at both the Klager School and the Middle School. A parent or guardian must sign your entry form before you may participate.

Don't miss it. You will have a good time and you may win a trophy.

Michigan's History

On January 18, 1802, the Northwest Territorial Government approved Detroit's incorporation as a town. In its second year, Detroit's annual budget totaled only \$137.25, but the Board of Trustees still finished the fiscal year with a \$35.36 surplus. Today Detroit is a roaring metropolis with an annual budget of \$1,693,647,992. The Detroit Historical Museum, 5401 Woodward Avenue, Detroit, traces Detroit's history from 1701 to the present. For more information, contact the Michigan Travel Bureau.

LeAnne Ellsworth shares a smile with a friend as she forms a train of 100 leggo blocks.

Stamp Deadline Approaches

Artists have until February 13, to mail artwork for the annual Michigan waterfowl and trout/salmon stamp design competition to the Department of Natural Resources (DNR). Hand-delivered artwork will be accepted by the DNR's downtown Lansing office up to 5:00 p.m. on February 16.

Artists may contact the DNR's Wildlife Division (517-373-1263) or Fisheries Division (517-373-1280) in Lansing for entry forms and rules or for additional information.

The Department anticipates more than 150 art entries will be submitted for this year's competition with the third annual Bluebird Festival and Wildlife Art Show on March 7 and 8. The festival is sponsored by the Dahlem Environmental Education Center.

The public is invited to view the paintings and witness the stamp judging competition on March 7, at the JCC Field House.

Judging for the trout/salmon stamp design will begin at 10 a.m. and at 2 p.m. for the waterfowl design contest. All entries, including the 10 finalists in the competitions will be on display from 10 p.m. to 6 p.m. on March 7, and noon to 6 p.m. on March 8.

Winning paintings will be reproduced onto 1987 Michigan waterfowl hunting stamps and 1988 State Trout/Salmon stamps, which are required of trout and salmon anglers and or waterfowl hunters in Michigan.

A special sealed bid auction of limited out-of-print Michigan waterfowl and trout/salmon stamps also will be held by the DNR on March 7, in the after-

noon. Lists of stamps and sheets of stamps available for sealed bid, including minimum accepted bid prices, are not available. Interested bidders should contact the DNR's Wildlife Division or Fisheries Division in Lansing to receive this information.

Bid materials also will be available at the art competition on March 7, and bids may be submitted on that day up to 2 p.m. The sealed bids will be opened during the waterfowl judging contest that afternoon. Successful bidders will be announced at that time and may pick up their stamps upon payment.

News From Rep. O'Connor

Legislation has been introduced in the Michigan House designed to reduce the number of women and children becoming unknowing victims to AIDS, according to the bill's sponsor.

State Representative Margaret O'Connor (R-Ann Arbor) said she is introducing a bill (HB4034) that would require AIDS testing before a marriage license could be issued if the physician believes the person is at "high risk" for AIDS.

Under the bill, the physician would have the responsibility for determining whether or not the individual is in a high-risk population. It is estimated that only three percent of the Michigan population is considered to be high-risk. The bill requires the written consent of the person to be tested before the test may be conducted.

"My intent with this legislation is not to prevent two consenting adults from getting married, but to protect the unborn children that would very likely be born infected with the AIDS virus if

one of the individuals is carrying the disease," O'Connor said. "I think it's also important for people who are getting married to be informed if their partner is carrying the disease."

"In 93 percent of the AIDS cases, it is the male who will be infected. The women who are intending to marry these men must be allowed to make an informed decision about such a union. She should know that not only may she get AIDS, but that the children who are conceived may well be born with the disease."

The bill includes a provision for the counseling and education of those who test positive for the AIDS antibody. It also stipulates the information obtained must remain confidential between the physician and the marital couple involved.

"It is estimated that currently two-thirds of the AIDS carriers in this state are unaware they have been infected. This is a modest but positive step toward curbing the spread of this deadly disease. More and more babies are being born infected with the AIDS virus, and up to now we have done nothing to help prevent the tragedy."

Dutch Sports Report

JV's Red Hot

by jon

Going back to two weeks ago, our girls downed Grass Lake 15-5, 15-5. Kim Lee led the scoring with 7 points.

In this past week's play, we shut the door on East Jackson 15-3, 15-6. Four girls earned perfect serving stars, as Kim Davis scored 8 points.

In Thursday's win over Greenhills, 15-6, 15-9, there were six players earning stars. Kim Lee posted 7 points, as Stacy Wilde and Connie Zimmer supplied six each.

According to my count, our JV's have been victorious seven straight games.

JV Volleyball
Sherri Rickelmann

JV Spikers Take 1st Place

by jon

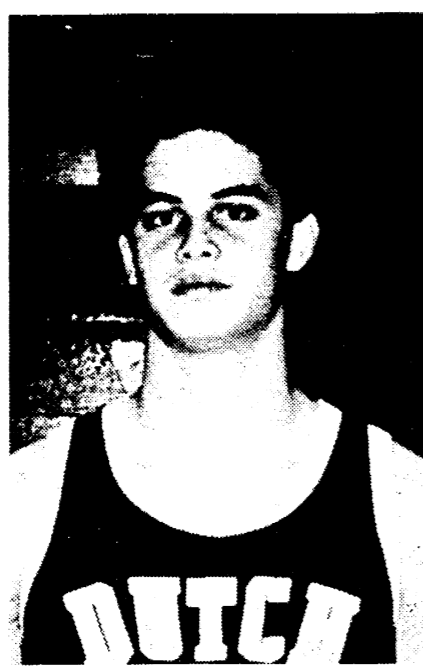

On Saturday our girls participated in the Grass Lake Volleyball Tournament. There were four teams entered: Manchester, Grass Lake, Springport and Jackson Baptist. We won four straight games, therefore standing unbeaten for the day to win the first place trophy.

In game one against Springport, we won in two close games, 15-13, 15-11. Kim Davis led our scoring with 12 points, having served 13 of 14. Heidi Beasley followed with 5 points, serving 6 of 7. Seven girls served perfectly, earning large tournament stars.

Jackson Baptist was our opponent in round two. Vanessa Salyer led the way with 8 for 8 serves and 7 points. The final tally in two straight was 15-11, 15-9.

In game three, against Grass Lake, we won easily, 15-7, 15-7. Kim Lee and Nikole Reinhart both scored 8 points. Eight girls earned stars for perfect serves.

The final game of the tournament against Springport was the only one in which we went to a third game, 15-8, 3-15 and 15-4. Heidi was high point scorer with 11, and Stacy Wilde followed with six points. Seven girls received tournament stars.

Varsity Basketball
Jon Arney

Personal Profile

by jon

Jennifer is a sophomore on our Varsity Volleyball squad. As a freshman, she won the "Promising setter" award, and now starts every game, and has had no bench time this season. She is very coachable and is very dedicated to improving and correcting her setting skills. Jennifer began pre-season skill reviews in early October and attended specialized setting clinic from Eastern Michigan University's coaches. She has good team spirit and good dedication to practice. Her setting is 98% accurate, as her serving is 92%. She has had 60 spikes and 7 kills, even though she is a setter. She has scored 73 total points so far this season, with 8 perfectly served matches. Jennifer is a pitcher on the softball team and is an honor roll student.

Wrestling Report

The Dutch had a quad meet on Tuesday, January 27, with Onsted, Stockbridge and Pinckney. Our winners were David Wizzard, who won all three matches, Shawn Ion, who won two matches, and Brian Howell. Bill Day, Tom Heath, Mark Felonen and Hector Devalder who each won an individual match.

Our J.V. winners were Brian Ball, and Allen Carson.

On Thursday, we wrestled Grass Lake. We only had three winners. They were Dan Rigg, Tom Heath and Hector Devalder. The final invitational was held at Dexter on Saturday. There were twelve schools that participated. They were as far away as Flint Beecher and as close as Dexter and Ann Arbor Pioneer.

Mark Fenelon placed 3rd at this tournament. Napoleon had a novice invitation on Saturday also. Four of our Dutch wrestlers participated. We had one medal winner, Bill Day won 4th place.

The Dutch wrestling season will soon be over. Our remaining meets are away at Blissfield, Vandercook Lake and Dansville. Conferences will be held on February 18.

Roundballers Victorious

by jon

Last Tuesday found us on the road again as we visited Michigan center. It is said free throws can make or break a contest, and we sank 11 of 14 tosses in the final period to ice the win, 71-63.

In the opening period, we outscored the Cardinals to set atop 17-14. The following two periods saw both squads add identical amounts to their scores, 29 each. In the concluding 8 minutes we outscored Center for our second Cascade Conference win.

Bart Rickelmann led our scoring as he fired a season high of 18 points. Bryan Barnard and Tom Mann both hit in double figures, 15 and 14 respectively.

Our Little Dutch had problems and fell 79-60.

Remember the February third contest has been re-scheduled for March third.

Volleyball Update

by jon

We hosted two games and split, beating East Jackson 10-15, 15-2 and 15-3, and losing to Greenhills 2-15, 15-6 and 13-15.

In Tuesday's win over the Trojans, serving stars went to Erin Davis, Ami Bragg, Jennifer Barnard, Rockie Weber and Sara Samonek. Erin had a big night as she totaled 16 points, with 20 for 20 serving. Rockie led the way in sets with 27 and 4 assists. In the spiking department, Renea Drouare pounded 20 for 21 times with two kills.

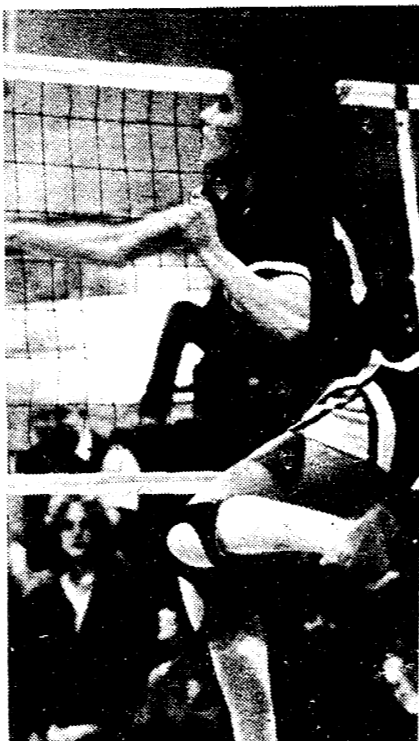

The statistics in Thursday's loss to the Gryphons are as follows: in serving, Sara Samonek had 8 for 8, with 8 points. In spiking, Ami Bragg had 17 for 19, with one kill. In setting, Rockie Weber and Jennifer Barnard had 21 and 20 respectively. Star material for this match were: Renea, Rockie, Jennifer, Sara and Denise Spalding.

Our Lady Dutch now sport an 11-4 overall record, and stand 4 and 2 in the Cascades Conference.

Dutch Trivia

by jon

Last week's Basketball stars were: Tom Little and T.J. Thomas.

This week applies to Volleyball!
Who is this star???

P.T.O. Minutes

Monday, January 26, 1987

The Klager P.T.O. was called to order by President Vicki Miller at 7:40 p.m., Monday, January 26, 1987.

Those absent were Ann Gordon, Cathy Moran, Ralph Brooks, Kathleen Jefferson, Diane Hughs, Terri Scott, Sherry Barber and Mary Kay Kennedy.

The minutes from the January 5th, meeting were read and approved.

Sharon Anderson gave the Treasurer's report. Total cash on hand (Checking and Savings) is \$6,062.94. Report approved.

Special Education/Gifted Talented Information Night is planned for March 9th. This will be an overview of what is offered over and above the classroom. The corresponding Secretary is responsible for getting out information to the public about this meeting.

The R.A.N. program is set to start February 12th, Monica Brooks is organizing parents to be in charge of each room.

Vicki Miller found playground equipment at Pleasant Lake School that could be used at Middle School. Vicki is also in contact with the people that are trying to decide how best to drain the playground. Vicki drew a picture to give us an idea of what the playground could look like and what equipment could be brought over from Pleasant Lake School. Sharon Anderson made a motion

that we purchase a Tree House Climber. Margaret Goodrich seconded. Motion carried.

There was discussion on different school programs. Tentative plans are for:

Physics Is Fun - February 20, 1:30.

Folk Music Show - March 24 or 25.

Magic Show - Date and time to be set.

Mobil light show - January 8, 1988.

We were turned down for a non-profit tax exempt number. We are hoping to be able to use the schools number when needed.

Mary Kobbee, as teacher rep., was asked to inform them that we are still considering their request for a copy machine.

There was discussion on a family night activity. Pat A. will check out Domino's Farm and Vicki Miller will check into area skating rinks.

The P.T.O. would like to contribute something of interest and informative to the Little Dutch News, February 12th, is the deadline.

Mrs. Okey told us about "Math Pentathlon". This is a set of 5 games designed to help children with mathematical, reasoning and strategic skills. P.T.O. members will try to see the games this month with further discussion at our next meetings.

Monica B. made a motion to adjourn at 9:45 p.m., Mary N. seconded. Meeting adjourned.

Education Week Cardiac Unit To Hold Open House

from the Consortium schools will demonstrate their skills on traditional and CNC machines to parents and employers. Refreshments and door prizes await visitors.

Approximately two hundred and fifty (250) vocational students from the new Pleasant Lake Technical Education Center and from Saline based programs will have displays and demonstrations at the third annual Vocational Education Warm-up in the Saline High cafeteria on Tuesday morning, February 10.

The Culinary Arts (Food Preparation and Service) program which usually runs the Hornet Hive Restaurant, will demonstrate skills by preparing and providing refreshments for all. Students from the Marketing and Distributive Education program will have their T-N-T store open for business. Students will have the opportunity to meet vocational students from other programs and schools, and have the chance to brag about what they do.

Most visible at the Warm-up will be the identifying sweat-shirt or T-shirt purchased by one hundred and twenty-eight (128) students and staff with the vocational technical education logo and the phrase "Reach for it. The future is yours".

The design, promotion and sales of the distinctive shirt is the idea of the student vocational councils of Saline and Pleasant Lake T.E.C. vocational programs.

The Saline Graphic Arts Program started the vocational education celebration with an open house for students, parents and area employers during International Printing Week. Video and slide presentations on vocational programs of the South & West Washtenaw Consortium will be given to several classes in the Consortium schools. People interested in information on vocational education and the programs available are invited to call the Consortium office at 428-8327 or 662-9898.

On Tuesday, February 10, the Outpatient Cardiac Rehabilitation Services Program at Chelsea Community Hospital will hold an Open House from 2:00 to 4:00 p.m. "It's a way to introduce ourselves to anyone in the general population who wants to improve his or her overall cardiovascular fitness level," said Robert Pawlowski, the program's director. Everyone who attends the Open House will receive a free blood pressure screening.

"For the past two years, Cardiac Rehabilitation Services at Chelsea Community Hospital have been limited to post-surgical or post-heart attack patients," said Pawlowski. "Now we're expanding the program to serve members of the general public who want a cardiac fitness program designed and monitored by medical professionals."

According to Cindy Cope, the program's cardiac-rehabilitation coordinator, individuals participating in the program will receive a complete cardiac fitness examination-including medical history, cardiac stress test, pulmonary function test, body-fat composition evaluation, and dietary counseling.

Cope will then prepare an individualized exercise prescription based on each participant's cardiac fitness level. "We can design a home exercise program utilizing walking, biking or any personal exercise equipment they own," explained Cope, "or they can use the exercise equipment here under my supervision."

The exercise room in Chelsea's cardiac rehabilitation unit will be available on Tuesdays and Thursdays from 8:00 a.m. to 4:30 p.m., or on Mondays, Wednesdays and Fridays by appointment. Participants use exercise treadmills, stationary bicycles, rowing machines, mini-trampolines and other equipment designed to improve aerobic conditioning and cardiovascular fitness. Lockers and showers are available. "We've found people really want to make lifestyle changes and improve cardiovascular conditioning, but they don't have the will or initiative to do it on their own," said Pawlowski. "We believe a program like this can help people make a commitment to better health and fitness."

Individuals interested in the program should call 475-1311 Extension 350 for information about the Open House or about fees for the initial cardiac fitness examination and exercise prescription. Part of the fee may be covered by certain medical insurance programs. Exercise equipment will also be available for an hourly rate. Chelsea's cardiac fitness program is designed to be used with the cooperation of the participant's private physician. A written physician's referral is not required, however.

Several Washtenaw County 4-H teen and adult livestock leaders will share program ideas and skills with other Michigan 4-H'ers at a teen livestock leaders' workshop February 28 - March 1, 1987, at Kettunen Center in Tustin.

The purpose of the workshop is to teach practical livestock production and management and to develop communication and leadership techniques.

The workshop will emphasize reteaching so that participants can relay what they learn to other

Washtenaw County 4-H'ers. Reservations are due February 13, 1987.

This workshop is sponsored by the Michigan 4-H Foundation through a grant provided by Farm Credit Services, Grand Rapids, Michigan and Michigan Pork Producers Association, Cassopolis, Michigan.

For further information about the livestock workshop or other 4-H activities, contact the Washtenaw County 4-H office, or call 973-9510.

Picture yourself in your own home.

The Michigan State Housing Development Authority (MSHDA) and local lending institutions have two programs to help low- and moderate-income Michigan people buy or build a home.

- 1) The MSHDA Single Family Home Loan Program currently offers 20- or 30-year fixed-rate mortgage loans at 8.5%, which require low minimum down payments.
- 2) The Michigan Mortgage Credit Certificate Program (MCCs) provides a federal income tax credit (up to 20% of the interest paid on the loan) that gives you more income to qualify for a mortgage and to make monthly payments. Lenders use their own interest rates, and the MCC effectively lowers your monthly house payment.

Both programs have income and purchase price limits which vary for new and existing homes.

Only a limited number of homebuyers can be assisted by the programs. You've got nothing to gain by waiting, and a lot to gain by acting now.

Call the toll-free hotline 1-800-327-9158 for pamphlets and lists of participating lenders.

Or you may call (517) 373-6840 (Single Family Loans) or (517) 335-2039 (Michigan Mortgage) for more information.

Looking out at the gloom and fog reminds me of a favorite saying that my husband has: "The sun shines every day somewhere in Michigan." We left in the gloom on Monday and sure enough, when we got to the western part of the state, there were blue skies and (you guessed it) sunshine! Don't you just love people who are always right?

Village Planning Commission

Regular Meeting Tuesday, February 10, 1987 7:30 p.m. Council Room, Village Hall

AGENDA

On the 5th, there is exercise; soup and sandwich bar with the extra bonus of enjoying February birthdays with those special folks (who are 55 or over and especially invited at noon for their free meal). Make your reservation and come join in the fun. Bingo follows for more fun.

7-2. Regulation of Satellite Dish Antennas
7-3. Revision of Master Plan
7-4. Other Old Business
8. New Business
8-1. Manchester Automotive Application for Site Plan Review
8-2. Status of Bid for Consulting Services
8-3. Other New Business
9. Adjournment

Graduates From Siena Heights

Eighty one students completed various degrees during the fall semester at Siena Heights College. The college awarded 67 bachelor degrees, 12 associates and 2 master degrees to students successfully completing Siena's programs.

Graduating from the Manchester area was Carol Duncan Poore, receiving a BFA in Art.

Drug-Bust Loot To Aid Law Enforcement

Michigan State Senator Harry Gast (R-St. Joseph) has authored a successful piece of legislation that will reward law enforcement officials for breaking up drug dealing operations in Michigan.

Senate Bill 279, allowing all profits from drug seizure to go toward local law enforcement agencies to continue anti-drug enforcement measures, was approved by both the Michigan Senate and House of Representatives, and now goes to Governor James Blanchard to be signed into law.

"The profits from a drug bust can be enormous," Gast said. "Cash, property, cars-it can add up to a large sum of money back into local law enforcement agencies to continue cleaning up drug operations."

Under the legislation, any property seized in a drug raid up to \$100,000 will automatically go to local law enforcement agencies. Criminals then have up to 20 days to file a claim if they believe the agency doesn't have legal claim to the goods.

Band Boosters

January 28, 1987

The meeting was called to order by President Sallie Anderson in the High School Library on January 28, 1987 at 7:00 p.m. The minutes of November 19, were read and approved by all present. Treasurer Jan Waldron was unable to attend this meeting, so the Treasurer's report was presented by Nancy Houck:

Checking	\$409.53
Savings	\$1,837.38
Uniform deposit	\$1,019.56
Scholarship	\$107.70

Old Business: The main order of business tonight was to work out all details for the dance the Band will be sponsoring in February. The date has been changed to February 12th, which is a Thursday night. There is no school on Friday. It will run from 8:30, after girl's volleyball, to 11:30. The music, disc jockey and video has already been contracted. The ticket charge will

be \$3 per student or \$5 a couple. Heidi Haselschwardt is in charge of publicity, and Jean Kuhl is in charge for chaperones. Band Director Margaret Hurbis will be asking for volunteer crews for decorating and for clean-up. There will be a sign up guest sheet in the school office as required by school policy.

Plans were also made for the raffle to be held in conjunction with the dance. The drawing will be held at the dance, but you don't have to be at the dance to win, so we discussed having two stubs to each ticket to keep track of winners. Margaret Hurbis will work out a simple design on stencil. We decided to charge \$1 per ticket. We hope to have as many prizes as possible so that the probability of winning something is very high. Sallie Anderson and Nancy Houck will be trying to procure more prizes from local businesses tomorrow, but a number of prizes have already been chosen. Examples are a \$25, \$15, \$10 gift certificate

to a Briarwood Record store, free pizzas, portable cushions for games, Michigan candles, ten dollar bills, and others. The plans are to print 300 tickets for pre-sale, and we will offer them at the dance also.

Other fund raisers were discussed, and Sallie mentioned that we will be finding out this week or next from the fair board on their decision to our request for a Fair Food Booth. They are having their meeting in the beginning of February, and Sallie intends to attend.

New Business: Margaret Hurbis announced the following dates:

February 21, High School Solo/Ensemble.

April 4, Middle School Solo/Ensemble.

March 7, Middle School District Festival.

March 21, High School District Festival.

She doesn't know where they will take place yet.

A discussion followed about the

dire needs of the Band as far as instruments. Margaret pointed out that the Band budget was cut from \$1,700 to \$1,000 which is a 75% cut. This has come at a time when there are more students than ever. There are an extra 15 students this year and there will be 75 in the Band next year. There is only \$200 left in the budget this year which should really be saved for emergencies such as instrument repair. She doesn't know how to pay for the District Festival fees, or other upcoming events. To make matters worse, we are terribly short on decent instruments. A prime example of this is the situation with the tympani. A class C band is required to have 3 (no more than 4) tympani to compete. We own 1 very average tympani. They cost about \$700. Margaret mentioned a number of other instruments. We have decided to initiate some investigation into this problem through the Board members. We also need to attend their meetings to get

better representation.

Sallie adjourned the meeting at 8:00 after announcing that the next meeting will be February 25, at 7:00.

Submitted by
Nancy Houck, Secretary

Hit or Miss

by Farley

I didn't know we had many readers who appreciated poetry, but several have expressed their pleasure in reading the little one that we published a short time ago entitled "English As She Is Spoke". And so we venture to share with you another more or less classic effort titled "Jack Frost Get Lost", which it seems to us is rather appropriate for this time of year.

Woke this morning to ten below
Found the ground all covered
with snow

Wrapped in pounds and pounds
of clothes

Stepped out and frost bit my nose
My battery died

The car wouldn't start
Started shoveling snow

Got a pain round my heart.
Decided to go back in

Made a hot toddy with gin
Sat debating what to do first

My sister-in-law called,
Her pipes had burst.

So I slowly unwrapped
And crawled back to bed.

Jane Talcott Appointed

Jane Talcott of Manchester has been appointed Director of Development of Cleary College. A graduate of the University of Michigan, she has been active in school and community affairs, recently completing a two-year term as chair of the Washtenaw County Republican Committee.

"I'm pleased to be associated with an institution which has sustained an excellent reputation for 104 years," she noted.

Cleary College is an independent, co-ed four year specialized college of business. It is accredited as a senior college of business by the Association of Independent Colleges and Schools. Its medical assistant program is accredited by the Committee on Allied Health Education and Accreditation of the American Medical Association.

Cleary's main campus is located at 2170 Washtenaw, Ypsilanti. The Livingston County Branch is in rural setting midway between Brighton and Howell.

Cleary offers Bachelors and Associates Degrees in Business Administration, numerous certificate and diploma programs, and has a course equivalency agreement with Washtenaw Community College. The faculty and administration are proud of the individualized assistance provided to each student.

A native of Cross Village, Talcott has been a Washtenaw County resident since 1956. She is a member of the UM Alumni Society, Cranbrook Institute and the Michigan Historical Society.

Red Cross Bloodmobile

The year was just 5 days old and the Manchester Red Cross volunteers were busy working at a blood bank. As usual Chrysler Proving Grounds started the year with a double-header, January 5, noon to 6 p.m. and January 6, 6 a.m. to noon. Ann Fowler was Chairperson-of-the-day for the

Career Awareness

Jacqueline Parks Andrews, Director of ECUS, the Educators' Collaborative for Unemployment Services, has announced the start of the Career Awareness Program in 17 schools within Washtenaw and Livingston Counties. Aimed at qualified ninth and tenth grade youth, the program is designed to help participants prepare for future employment through vocational assessment, an individually structured learning plan, and the development of personal and career decision-making skills.

Those schools providing the Career Awareness Program include Clague, Forsythe, Scarlett, Slauson, and Tappan Intermediate Schools; Pioneer, Huron, and Community High Schools; and the Roberto Clemente Center, all in Ann Arbor.

In addition, the program has begun at the Regional Career and Technical Center which includes Lincoln, Willow Run and Ypsilanti High Schools; the South and West Vocational Consortium, serving the Chelsea, Dexter, Manchester, Milan and Saline School Districts; the Whitmore Lake School District; and Brighton, Fowlerville, Hartland, Howell, and Pinckney in the Livingston Intermediate School District.

"These kids tend to have few, positive job or career-related role

clinic held on January 5, and her staff was Robert Punches, Ethel Wheeler and Rubena Boelter. Mrs. Del Ludwick was chairperson-of-the-day for the clinic held on January 6, and her crew was Ruth Oates, Mary Boutell and Mr. Del Ludwick. The clinic on January 5, collected 78 pints and the clinic on January 6, collected 85 pints.

The first Bloodmobile of the village was the annual High School clinic sponsored by the National Honor Society on Monday, February 2. The volunteer staff chaired by Lorraine Mahrie was Vada Ridge, Carol Schulte and Amanda Schaible, and Mary Krzyaniak. The clinic collected 37 pints of blood, down from last year, but this is very understandable with all the illness in the community. Thanks to all the volunteers for a job well done.

The annual Spring Bloodmobile for the community will be held at the Knights of Columbus Hall on March 16. This clinic will be hosted by St. Marys Church of Manchester. The time of the clinic is 12 noon to 6 p.m. Marja Warner will be the chairperson-of-the-day. She has been busy gathering her staff together. Mark the date on your calendar now and be ready to say "YES" to the recruiter who will be contacting you.

Library Seeks Funds

Editors Note: In error, this article appeared on the front page of last week's Enterprise with the headline "Historical Society Seeks Funds." It is the Library that is in need of funds for this project. Our Apologies.

Contributions for microfilming The Manchester Enterprise passed the half-way mark in January, when Manchester Plastics and the Manchester Area Historical Society joined the Herrick Foundation and the Manchester United Way with contributions. To complete the project an additional \$3,000 is needed to provide a reader-printer and storage facilities. Residents are again reminded that contributions to the Library qualify as itemized deductions for Federal Income Tax and as 50% deduction from Michigan State Income Tax.

The Manchester Township Library Board is currently budgeting funds to microfilm annually the Enterprise. The Enterprise is the basic local document used frequently in tracing events and family histories. The library staff recently made copies of the Oak Grove Cemetery records and of a notebook compiled by Sarah Lovejoy which included many

items of historic importance.

Banking Is One Of Life's Necessities. The Experience Should Be A Good One.

You flip a switch and the lights go on.
Start your car and go your way.
Day in and day out, so long as things work like they should, you never give them a second thought.
It's the same with banking.
You, along with the rest of us, fully expect your bank to work right. The first time. And every time.
From our point of view, that isn't an unfair expectation.
In fact, living up to that is the best explanation of how and why we run First of America Bank

the way we run it.
So in nearly 200 communities across the Midwest, our bankers are reminded that, even though they're part of a major bank company, they should play a major role in the community.
They're encouraged to make loan decisions locally. Which has made us one of the region's biggest lenders.
They're given all the resources of a big bank company to draw on, so they can offer customers a more resourceful bank.

And, since our bankers are asked to handle customer matters on a local level, they're as accountable to you as they are to their bank.

It's made us not only one of the Midwest's biggest bank companies.
It's made us one of its most dependable companies. Something that's as good for you as it is for us.

 **FIRST OF AMERICA**
We're Community Banks First.
