

Band Boosters

January 28, 1987

The meeting was called to order by President Sallie Anderson in the High School Library on January 28, 1987 at 7:00 p.m. The minutes of November 19, were read and approved by all present. Treasurer Jan Waldron was unable to attend this meeting, so the Treasurer's report was presented by Nancy Houck:

Checking \$409.53
Savings \$1,837.38
Uniform deposit \$1,019.56
Scholarship \$107.70

Old Business: The main order of business tonight was to work out all details for the dance the Band will be sponsoring in February. The date has been changed to February 12th, which is a Thursday night. There is no school on Friday. It will run from 8:30, after girl's volleyball, to 11:30. The music, disc jockey and video has already been contracted. The ticket charge will

be \$3 per student or \$5 a couple. Heidi Haselschwardt is in charge of publicity, and Jean Kuhl is to arrange for chaperones. Band Director Margaret Hurbis will be asking for volunteer crews for decorating and for clean-up. There will be a sign up guest sheet in the school office as required by school policy.

Plans were also made for the raffle to be held in conjunction with the dance. The drawing will be held at the dance, but you don't have to be at the dance to win, so we discussed having two stubs to each ticket to keep track of winners. Margaret Hurbis will work out a simple design on stencil. We decided to charge \$1 per ticket. We hope to have as many prizes as possible so that the probability of winning something is very high. Sallie Anderson and Nancy Houck will be trying to procure more prizes from local businesses tomorrow, but a number of prizes have already been chosen. Examples are a \$25, \$15, \$10 gift certificate

to a Briarwood Record store, free pizzas, portable cushions for games, Michigan candles, ten dollar bills, and others. The plans are to print 300 tickets for pre-sale, and we will offer them at the dance also.

Other fund raisers were discussed, and Sallie mentioned that we will be finding out this week or next from the fair board on their decision to our request for a Fair Food Booth. They are having their meeting in the beginning of February, and Sallie intends to attend.

New Business: Margaret Hurbis announced the following dates:

February 21, High School Solo/Ensemble.
April 4, Middle School Solo/Ensemble.
March 7, Middle School District Festival.
March 21, High School District Festival.

She doesn't know where they will take place yet.

A discussion followed about the

dire needs of the Band as far as instruments. Margaret pointed out that the Band budget was cut from \$1,700 to \$1,000 which is a 75% cut. This has come at a time when there are more students than ever. There are an extra 15 students this year and there will be 75 in the Band next year. There is only \$200 left in the budget this year which should really be saved for emergencies such as instrument repair. She doesn't know how to pay for the District Festival fees, or other upcoming events. To make matters worse, we are terribly short on decent instruments. A prime example of this is the situation with the tympani. A class C band is required to have 3 (no more than 4) tympani to compete. We own 1 very average tympani. They cost about \$700. Margaret mentioned a number of other instruments. We have decided to initiate some investigation into this problem through the Board members. We also need to attend their meetings to get

better representation.

Sallie adjourned the meeting at 8:00 after announcing that the next meeting will be February 25, at 7:00.

Hit or Miss

by farley

I didn't know we had many readers who appreciated poetry, but several have expressed their pleasure in reading the little one that we published a short time ago entitled "English As She Is Spoke". And so we venture to share with you another more or less classic effort titled "Jack Frost Get Lost", which it seems to us is rather appropriate for this time of year.

Woke this morning to ten below
Found the ground all covered
with snow

Wrapped in pounds and pounds
of clothes

Stepped out and frost bit my nose
My battery died

The car wouldn't start
Started shoveling snow

Got a pain round my heart.
Decided to go back in

Made a hot toddy with gin
Sat debating what to do first

My sister-in-law called,
Her pipes had burst.

So I slowly unwrapped
And crawled back to bed.

Jane Talcott Appointed

Jane Talcott of Manchester has been appointed Director of Development of Cleary College. A graduate of the University of Michigan, she has been active in school and community affairs, recently completing a two-year term as chair of the Washtenaw County Republican Committee.

"I'm pleased to be associated with an institution which has sustained an excellent reputation for 104 years," she noted.

Cleary College is an independent, co-ed four year specialized college of business. It is accredited as a senior college of business by the Association of Independent Colleges and Schools.

Its medical assistant program is accredited by the Committee on Allied Health Education and Accreditation of the American Medical Association.

Cleary's main campus is located at 2170 Washtenaw, Ypsilanti. The Livingston County Branch is in rural setting midway between Brighton and Howell.

Cleary offers Bachelors and Associates Degrees in Business Administration, numerous certificate and diploma programs, and has a course equivalency agreement with Washtenaw Community College. The faculty and administration are proud of the individualized assistance provided to each student.

A native of Cross Village, Talcott has been a Washtenaw County resident since 1956. She is a member of the UM Alumni Society, Cranbrook Institute and the Michigan Historical Society.

The Manchester Township Library Board is currently budgeting funds to microfilm annually the Enterprise. The Enterprise is the basic local document used frequently in tracing events and family histories. The library staff recently made copies of the Oak Grove Cemetery records and of a notebook compiled by Sarah Lovejoy which included many items of historic importance.

The year was just 5 days old and the Manchester Red Cross volunteers were busy working at a blood bank. As usual Chrysler Proving Grounds started the year with a double-header, January 5, noon to 6 p.m. and January 6, 6 a.m. to noon. Ann Fowler was Chairperson-of-the-day for the

clinic held on January 5, and her staff was Robert Panches, Ethel Wheeler and Rubena Boelter. Mrs. Del Ludwick was chairperson-of-the-day for the clinic held on January 6, and her crew was Ruth Oates, Mary Boutell and Mr. Del Ludwick. The clinic on January 5, collected 78 pints and the clinic on January 6, collected 85 pints.

The first Bloodmobile of the village was the annual High School clinic sponsored by the National Honor Society on Monday, February 2. The volunteer staff chaired by Lorraine Mahrlle was Vada Ridge, Carol Schulte and Amanda Schaible, and Mary Krzyaniak. The clinic collected 37 pints of blood, down from last year, but this is very understandable with all the illness in the community. Thanks to all the volunteers for a job well done.

The annual Spring Bloodmobile for the community will be held at the Knights of Columbus Hall on March 16. This clinic will be hosted by St. Marys Church of Manchester. The time of the clinic is 12 noon to 6 p.m. Marja Warner will be the chairperson-of-the-day. She has been busy gathering her staff together. Mark the date on your calendar now and be ready to say "YES" to the recruiter who will be contacting you.

Library Seeks Funds

Editors Note: In error, this article appeared on the front page of last weeks Enterprise with the headline "Historical Society Seeks Funds." It is the Library that is in need of funds for this project. Our Apologies.

Contributions for microfilming The Manchester Enterprise passed the half-way mark in January, when Manchester Plastics and the Manchester Area Historical Society joined the Herrick Foundation and the Manchester United Way with contributions. To complete the project an additional \$3,000 is needed to provide a reader-printer and storage facilities. Residents are again reminded that contributions to the Library qualify as itemized deductions for Federal Income Tax and as 50% deduction from Michigan State Income Tax.

The Manchester Township Library Board is currently budgeting funds to microfilm annually the Enterprise. The Enterprise is the basic local document used frequently in tracing events and family histories. The library staff recently made copies of the Oak Grove Cemetery records and of a notebook compiled by Sarah Lovejoy which included many items of historic importance.

And, since our bankers are asked to handle customer matters on a local level, they're as accountable to you as they are to their bank.

Career Awareness

Jacqueline Parks Andrews, Director of ECUS, the Educators' Collaborative for Unemployment Services, has announced the start of the Career Awareness Program in 17 schools within Washtenaw and Livingston Counties. Aimed at qualified ninth and tenth grade youth, the program is designed to help participants prepare for future employment through vocational assessment, an individually structured learning plan, and the development of personal and career decision-making skills.

Those schools providing the Career Awareness Program include Clague, Forsythe, Scarlett, Slauson, and Tappan Intermediate Schools; Pioneer, Huron, and Community High Schools; and the Roberto Clemente Center, all in Ann Arbor.

In addition, the program has begun at the Regional Career and Technical Center which includes Lincoln, Willow Run and Ypsilanti High Schools; the South and West Vocational Consortium, serving the Chelsea, Dexter, Manchester, Milan and Saline School Districts; the Whitmore Lake School District; and Brighton, Fowlerville, Hartland, Howell, and Pinckney in the Livingston Intermediate School District.

"These kids tend to have few, positive job or career-related role

Continued On Page 3

and the schools.

The next meeting will be at the home of Dianne and Bill Schwab, March 5, 7 to 9 p.m. Again you are invited to attend or to contact any member of this Task Force with your thoughts regarding this important venture.

PARENTS URGE YOUR YOUNG ADULTS, grade 7 and up, to attend a special meeting for them on April 23, 7 p.m., at the K of C Hall. We need their input and for them to act as advisors for their age group. More on this later also - but mark your calendars now!

The past meeting was attend by Barb Fuller, Chairman; Leonard and Lucille Bruner, Bill Cannon, Michaela Conway, Dorothy Davies, Jim Fielder, Marguerite Gallow, Susan Gistingier, Alice Mackins, Dianne and Bill Schwab, our host; Jo Swanberg, Jan Uzelac.

Existing programs were reviewed. The indication is that there is a need for more recreational, social and cultural activities for all ages throughout the entire year. Also noted was the fact that our schools are not used during the summer.

Jim Fielder, Coordinator of the Manchester Recreation Dept. and Summer Programs, attended the meeting. He is very helpful in indicating some of the needs and planning between the Task Force

Manchesters.

Manchester Enterprise

The First.

Manchester, from Man, hill, and Caster, castle, is a city in Lancashire, England. It is the great centre of the cotton manufacture of the kingdom. It is situated on the Irwell river, about 32 miles from Liverpool. It has a population of nearly 400,000. There were in Manchester in 1860, ninety-five cotton mills, and 176 other mills and factories. These works give employment to 70,000 persons, and pay in weekly over 150,000 dollars.

Manchester, New Hampshire, settled at first from emigrants from Manchester, England, is a city on the east bank of the Merrimac river, at the falls of Ampskeag, 18 miles south of Concord, 59 miles north-west of Boston. The town is laid out in broad streets, shaded with elms, and has five public squares. The fall of fifty-four feet in a mile affords water power to from ten to fifteen manufacturing companies, with factories of cotton, paper, locomotives, hardware &c. It has from fifteen to twenty churches, large schools, several newspapers, and good reading rooms. The population is from 23,000 to 30,000.

Manchester, Vermont, is situated on the Battenkill river, which affords very good water-power. It has a large number of manufactories. This town is noted for its excellent and abundant marble. It is a very beautiful and desirable city. Very intelligent and enterprising.

Manchester, Maryland, is a small village situated in Carrol county.

Manchester, Ohio, is a village in Adams Co., in that state. The

Banking Is One
Of Life's Necessities.
The Experience Should
Be A Good One.

You flip a switch and the lights go on.
Start your car and go your way.
Day in and day out, so long as things work like they should, you never give them a second thought. It's the same with banking.
You, along with the rest of us, fully expect your bank to work right. The first time. And every time. From our point of view, that isn't an unfair expectation.
In fact, living up to that is the best explanation of how and why we run First of America Bank

the way we run it.
So in nearly 200 communities across the Midwest, our bankers are reminded that, even though they're part of a major bank company, they should play a major role in the community.
They're encouraged to make loan decisions locally. Which has made us one of the region's biggest lenders.
They're given all the resources of a big bank company to draw on, so they can offer customers a more resourceful bank.

And, since our bankers are asked to handle customer matters on a local level, they're as accountable to you as they are to their bank.

It's made us not only one of the Midwest's biggest bank companies. It's made us one of its most dependable companies. Something that's as good for you as it is for us.

FIRST OF AMERICA
We're Community Banks First.

Bridgewater Planning Commission

February 9, 1987

PUBLIC HEARING: 8 P.M., BRIDGEWATER TOWNSHIP HALL.

Roll, Present: Gabe Dull, Vice Chairman, Karen Weidmayer, Mark Iwaniki and Louise Fraumann. Absent: Gerald Marion, Victor Mann and Deanna Becklehamer. Attending: Harlin Fraumann, Zoning Inspector and 7 Electors.

At the Hearing, Dennis Ruppert, of approximately 14375 Austin Road, requested a Conditional Use Permit to move a trailer onto the site for approximately one year, until the house he plans to construct on the site is built. (Possible start: May, 1987). The trailer is to be removed after this year, and Dennis Ruppert and Sherry Rada are to provide a Performance Bond assuring this. Following requests for comment, the granting of the Conditional Use Permit was moved by Karen Weidmayer, seconded by Louise Fraumann. Vote: Approved unan.

Following the Public Hearing, our Regular Meeting was called to order at 8:45 p.m. by Gabriel Dull, Vice Chairman, in the absence of Gerald Marion. The minutes of the Meeting of January 12, 1987, were read and approved as read. Gabriel Dull, Acting Chairman, suggested that five items should be worked on at the coming meetings.

He suggested that we obtain an up-to-date development map, an enlarged zoning map, that we endeavor to finalize a Private

Drive Ordinance, that we should ascertain if the text change of the Development Plan meets legal requirements, and that we study Section 3.12 of the Zoning Ordinance to see if changes should be made.

Karen Weidmayer suggested that a sixth item be added. This was a review of outstanding Conditional Use Permits.

It was moved by Karen Weidmayer, seconded by Louise Fraumann, that these six items be the topic of discussion at our next general meeting to be held on March 9, 1987, at 8 p.m. at the Bridgewater Township Hall. The vote was unan.

The meeting was adjourned at 10:15 p.m., moved, Dull, seconded, Iwaniki. Next meeting: March 9, 1987, 8 p.m., Bridgewater Township Hall.

Respectfully Submitted, Louise Fraumann

Manchester Township Board

February 9, 1987

PROPOSED SYNOPSIS of Manchester Township Board Meeting held February 9, 1987, at the Township Hall. Meeting called to order with the Pledge of Allegiance. All Board Members present. Also, approximately 66 interested taxpayers and Dick Goss from Appraisal Research Corp.

Approved minutes as submitted. List of bills paid since last meeting approved.

Treasurer reported \$10,286.14 in General Fund, \$66.70 Liquor Law; \$1,060.32 in Federal Revenue Sharing.

Approved payment of General Fund bills for \$6,780.61; Federal Revenue Sharing \$250.00; Special Housing for \$32.00.

Several taxpayers had questions and criticism about the reappraisal of the Township.

Tabled amending the General Fund budget until next meeting. Adopted Ordinance #31 with unanimous roll call vote.

Tabled til later date zoning ordinance sign amendment and Ordinance #8 amendment. Also, tabled ordering of salt brine.

Supervisor will set up meeting regarding 4th of July fireworks, with Township Board Trustees, Fire Chief Scully, Village Council Members, and Men's Club Representative.

Various reports given. Supervisor to get opinion for John Schabile request.

Supervisor will call Huron Valley Nighthawks in for a meeting regarding all the events they have planned for 1987.

Board of Review meetings are set for March 9th and 10th, 1987.

Approved payment to Appraisal Research for services, etc. to be made after the Board of Review hearings.

Meeting adjourned at 10:15 p.m.

Submitted by Wilma E. Lentz, Clerk Approved by Clarence Fielder, Supervisor

Attention Class of 1977

Interested in our 10 year class reunion? Come help us plan it February 26, at 7:00 p.m.

Meeting will be held at Cheryl (Whittington) Helber's. Call Cheryl at 429-9383 or Jane (Rose) Finkbeiner 429-9753 (evenings) for more information.

Manchester Area Historical Society

Meeting Held

The regular monthly meeting of the Manchester Area Historical Society was held on Monday, February 16, at the Blacksmith Shop.

Professor Robert Iglehart gave a very interesting talk on book collecting. People who want to start collecting books should learn about the field; love to read; select an area of interest where books are available; and like to hunt bookshops, book sales, and book dealers. To be valuable, a rare book needs to be in demand. People collect books in many different areas - fishing and angling, penmanship, ghost stories and shipwrecks, and arctic exploration, for example. Professor Iglehart enjoys researching books and traveling all over the world collecting them. He brought some of his 18th century books including two with fore edge painting. These books have a gold edge, but when fanned reveal a beautiful water color.

If you need advice, encouragement or further information please call 428-8831.

Refreshments were served by Florence and Lenore Parr.

Volunteer Recruitment Tea

Saline Community Hospital will be holding a Volunteer Recruitment Tea February 24, from 1:00 p.m. until 3:00 p.m. in the Forum of the hospital's Wellness Center. In addition to viewing displays and materials highlighting various service opportunities at the hospital, current volunteers and officials will be present to answer questions, and make recommendations.

"Saline Community Hospital is fortunate to have so many dedicated, enthusiastic volunteers," said Dorothy Vogel, director of Volunteer Service. "This is a great group of people who do terrific things for the hospital".

The Saline Community Hospital Wellness Center is located at the corner of Ann Arbor and McKay Streets in Saline. For more information, call 313-429-1581.

25TH Wedding Anniversary

Mr. and Mrs. Leon Ball of Manchester will celebrate their Silver Wedding Anniversary on Saturday, March 7, 1987, at the Knights of Columbus Hall in Manchester.

Leon and Eileen (Townsend) were married February 17, 1962, at St. Mary's Catholic Church by the Rev. Fr. William Schneider.

They have five children and two grandchildren. Michael, his wife, Brenda, and their two children Ashley and Alexander are stationed in Augsburg, Germany where Michael is a Sergeant in the United States Army. Mark, who lives at home, is a Junior at Eastern Michigan University. Michelle also lives at home and is a Sophomore at Eastern Michigan University. Marie is a Junior at Manchester High and Melanie is in the Seventh grade.

Leon is a Salaried Personnel Analyst at the Saline Plastics Plant. This October will mark his 25th year with Ford Motor Company. Eileen is employed at Kleinschmidt's True Value Hardware Store as a sales clerk. The couple will celebrate their Anniversary at a party sponsored by their children. This will also be Michael's 24th birthday and the first time that Leon and Eileen will meet their 8 month old grandson, who was born June 25, 1986, in Augsburg, Germany.

Senior Citizens News

It is nearly "too cold for man nor beast" at 4 degrees, but we could have the minus 20 they had up north. Let's exercise at 11 on Thursday, February 19, to get the heat coursing through our bodies. Pork chop bake and bingo help us further relax and ignore the outside conditions. This takes place at Emanuel's dining room on each Tuesday and Thursday for all who are 55 or over, won't you join us?

On Friday, February 20 - local home visits are planned for our shut-in friends and neighbors. If you would like to visit someone who is special to you, please call Rubena Boelter (428-8655) so this (or these) persons may be added to the list of visitations.

Tuesday, February 24 - Blood pressures will be taken at 11:00 a.m., then you may exercise geared to seniors. Baked chicken is on the noon lunch menu, sounds good. Following the meal, Dr. Gilbert will present: "Chiropractic: An Alternative Form of Health Care."

Wednesday, February 25 - There will be no monthly potluck today. You might go along to St. Mary's Chicken and Biscuit Luncheon for your noon meal and then go to the Senior Center for the fun portion of monthly club.

February 26 - Exercise, Cabbage rolls at noon and bingo round out this day.

We are saving Bill Knapp's bonus points and we wish to remind you to keep asking for them when you pay your bill there. Return them to either the Center (open Monday and Wednesday afternoon from 1:00-4:00 p.m., or when activities are planned there), or put them in the canister at the IGA Market.

MANCHESTER AREA SENIOR CITIZENS COUNCIL, INC. is in compliance with Title VI of Civil Rights Act and with Section 504 of the Social Rehabilitation Act of 1973.

Career Awareness

models," says Andrews, who explains that the Career Awareness Program is intended to be a preventive rather than a remedial approach to developing good work habits in our youth. In all, 170 students will receive the benefits of this program, resulting from a funding budget of nearly \$107,000. Andrews also notes that the federally-funded program is unique in that its services are being coordinated by ECUS across both counties.

Another benefit of the program comes from its structure, which Andrews describes as consistent, allowing participants to remain in the program from ninth through tenth grade, including the summers which follow each school year. At that point, the participants will be ready for the next level of training, administered through the Washtenaw/Ann Arbor/Livingston Training and Employment Center (WALTEC).

Birth Announcement

Born to Jennifer and David Noggle, a son, Matthew Emmett Noggle. Matthew weighted 9 pounds and 12 ounces and was born on Thursday, February 5, 1987.

Fielder, Supervisor 2-19-2-28,3-5

Manchester Village Council Proceedings

APPROVED MINUTES

Approved Minutes
February 2, 1987

The regular meeting of the Manchester Village Council was called to order by Mayor Pro-tem Tapping at 7:00 p.m. Present: Tapping, Limpert, Reinhart, Becktel, Harris, Marshall, and Naimowicz. Absent: Hinkley and Spork. Also present: Robert Randolph.

The minutes of the January 19, 1987, regular meeting were read and approved as corrected on a motion from Becktel, supported by Reinhart. Ayes-all.

APPROVAL OF AGENDA

The Agenda was amended to include - 1. Closed session as 14E under Old Business to discuss DiHydro pending litigation; 2. DPW radios as 13B under new Business on a motion from Marshall, supported by Harris. Ayes-all.

CORRESPONDENCE

The Clerk read a letter from Governmental Benefits Group, Inc. asking to be put on the Agenda to discuss a quote on health insurance. Council asked not to have them on the Agenda until after the new budget year.

PUBLIC PARTICIPATION

None.
TREASURERS REPORT
Naimowicz presented the Treasurers Report as follows:

General Fund Account 85,599.85
Debt Service Fund Acct. 27,950.00
Retention Fund Account 21,040.01
Const. Fund Acct. 207,743.97
Water & Sewer Acct. 4,446.57
General Highway Acct. 8,484.43
Major Street Account 8,802.68
Local Street Account 4,394.18
Park Improvement Acct. 37.84
Tax Account (delinquent) 2,710.06
Dental Savings Account 291.22
Cash Savings Account 118,895.58
Sue Koebbe, Treasurer

Motion by Reinhart, supported by Marshall, to accept Treasurers Report. Roll Call Vote: Ayes-all. **ACCOUNTS PAYABLE**

The January 30, 1987, Village Payables were presented to Council for payment. After discussion and clarification of bills there was a motion by Harris, supported by Becktel, to pay the Village Payables in the amount of \$75,988.87. Roll Call Vote: Limpert -no, Reinhart -yes, Becktel -yes, Harris -yes, Marshall -no, Tapping -yes. Motion approved.

SHERIFFS REPORT

Mr. Robert Randolph from the Sheriff's Department crime prevention program was present to discuss with Council the possibilities of initiating a Neighborhood Watch in the Village of Manchester.

DPW REPORT
Wiedmayer presented DPW Report - on file.

A list of expenditures for repairing equipment during the years of 1984, 1985, and 1986 were also presented to Council for discussion.
Motion by Harris, supported by Limpert, to accept DPW Report. Ayes-all.

PLANNING COMMISSION

Marshall reported that the last training session dealing with Zoning was successful.

MANAGERS REPORT

Naimowicz presented Managers Report - on file.

Items up for review were:
Senior Housing, Industrial Park, Budget, Utility Rates and Engineers bills.

NEW BUSINESS

A. Renew Village Insurance with MCM - The renewal of Village Insurance with MCM was handled with the approval of the Village Payables.
B. DPW radios - Marshall expressed his concern about the DPW operating without radios or any way for the Police to contact

them in case of an emergency. Wiedmayer reported that he checked into the cost of radios at \$2510.00. Wiedmayer also reported that he has sold or will be selling old police and DPW equipment at a profit of \$2785.00.

Motion by Becktel, supported by Marshall, to approve the purchase of 5 DPW radios as soon as the FCC license is acquired. Roll Call Vote: Ayes-all.
OLD BUSINESS

A. Fence Ordinance - After a short discussion there was a motion by Marshall, supported by Tapping, to adopt the Fence Ordinance. Roll Call Vote: Ayes-all.

B. Policy and Procedures - Council agreed to table the adoption of Policy and Procedures for 30 days and directed Naimowicz to prepare the implementation.

C. Animal Ordinance - Motion by Becktel, supported by Limpert, to adopt the Animal Ordinance as written, except for the change under Section 1, Article 2 (Keeping Animals), 8.137 (Prohibitions), A (delete "when a death occurs"). Roll Call Vote: Ayes-all.

D. Sewer Rates - Naimowicz recommended tabling Sewer Rates until after the Budget Hearing. Ayes-all.

Motion by Becktel, supported by Marshall, to adjourn into closed session. Ayes-all.
Council returned to regular session at 9:02 p.m.
Motion by Becktel, supported by Harris, to adjourn at 9:04 p.m.

Constance Schaffer
Village Clerk

Dial-A-Garden

News From O'Connor

The following is a monthly schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. The system is in operation 24 hours per day, 7 days per week. Interested persons are invited to call 971-1122 at their convenience and receive timely, up-to-date gardening information.

Rep. Margaret O'Connor (R-Lodi Township) says that she will introduce a bill to prohibit Washtenaw County from implementing a 1986 ordinance to regulate the use of chemicals by farmers and local businesses.

State law sets chemical hazard communication requirements for all state employers and prohibits any local ordinances prior to April 1, 1987. Rep. O'Connor's bill would prohibit enforcement of local regulation by Washtenaw County or any other local unit of government until December 31, 1988.

Rep. O'Connor stressed that "Efforts are under way in the Legislature to improve emergency planning and provide more information to local communities. Premature action by local units of government could disrupt current negotiations."

She also said, "Michigan must soon implement the federal Superfund Amendments and Reauthorization Act (SARA) which sets sweeping new state standards for emergency planning and chemical hazard communication to the public. Even well-intended local initiatives by Washtenaw County could undermine Governor Blanchard's efforts for orderly implementation of SARA."

she continued. "To allow hundreds of differing local ordinances will cripple existing businesses and discourage new jobproviders from locating in Michigan. Efforts by some Washtenaw County Commissioners to surpass state and federal regulations of local farmers and businesses will only lead to shattered dreams and higher unemployment."

"Our commissioners know little about agriculture," Rep. O'Connor concludes. "The use of chemicals by farmers is already regulated extensively by both the federal and state governments. Harassment of local farmers and small businesses by some Washtenaw County Commissioners could be the final nail in the coffin for many Washtenaw County farms as well as nonagricultural businesses."

"The Washtenaw County Board of Commissioners has reorganized since approval of the 1986 regulation and has acted responsibly in its recent actions to repeal provisions in its regulation for fees and inspections of farms. I am hopeful that the reorganized Board will eventually repeal the entire 1986 regulation and support my legislation," O'Connor said.

HOW TO BUILD HOME EQUITY 30% FASTER

**PAY OFF YOUR HOME
8 YEARS SOONER AND SAVE \$31,121
WITH OUR BIWEEKLY MORTGAGE***

BIWEEKLY MORTGAGE	Loan Balance \$45,409.24	\$38,170.12	\$-0-
MONTHLY MORTGAGE	Loan Balance \$47,986.50	\$44,814.39	\$28,034.87

5 YEARS 10 YEARS 21.8 YEARS

5 YEARS 10 YEARS 21.8 YEARS 25 YEARS 30 YEARS

See how much faster you can pay off your home when you choose a Great Lakes Federal Biweekly Mortgage instead of a typical fixed-rate, 30-year mortgage.

Instead of conventional monthly payments, you'll make half-payments every other week. The smaller, more frequent payments and the one extra annual payment make a big difference in the cost and length of your loan.

Find out how you can pay off your home sooner and save \$31,121 in interest. Ask your Realtor or call 1-800-DIAL-GLF for complete details about the Biweekly Mortgage.

*NOTE: This example is based on a \$50,000 loan with 20% down and an interest rate of 9.125% (9.47% APR). Different loan amounts and interest rates will still result in significant, though different, savings. The Biweekly Mortgage is offered in conjunction with a Great Lakes Federal automatic payment checking account.

MANCHESTER K of C HALL

Band Event Successful

Thursday, February 12, the Manchester High School Band held a successful dance and raffle. A video disc jockey was used, and proved to be very popular. Band member Rob Gillow MC'd the raffle where 17 prizes were given out to lucky winners.

The top three prizes of gift certificates to JR's Record Store were won by Ryan Weigel, Amy Fielder and Chris Spaulding.

Most of the other gifts were generously donated by local merchants. Winners were: Mary Lou Quinn, Jon Kothie, Jackie Miller, Darrell Kuebler, Rhonda Evislizer, Tracy Nickerson, Dawn Wenk, Jon Hardenberg, Kris Miller, Pat Spaulding, Margaret Hurbis, Tammy Steele and Craig Houck.

This project and others that the Band has developed will culminate in a much anticipated group trip next year. Details are still in the working, so no decision has been

made to where and when yet, but videos of our High School Band in action will be sent to possible sites for acceptance, since we hope to not only tour, but gain experience playing for others too. Due to the cost of these trips, it will have taken two years to reach the financial goal.

In 1985, the High School Band took an educational tour of Chicago which was very successful and much enjoyed. This was the first of what is hoped to be, many Band program enhancements sponsored by Band Boosters. They also arranged for mini-educational trips to special concerts for the Middle School Band.

Band Boosters feel these trips are not only valuable additions to the students' educational perspective, but that they are incentives to continue musical study throughout their High School years.

Heart Experiment

Mrs. Raus's class was checking out the chambers in a cow's heart. It seems that human's have 4 chambers and cow's have 2. Mrs. Raus and the class were demonstrating on how the body works "on Dudley" the manquin by running water through arteries and veins. We also saw a supper video on the heart.

by Josh Surma

Carrie Petrina & Neil Merzweiler

Mobiles

The mobiles that we are standing by were made on a Hands-off-Hands-on field trip to the Ann Arbor museum and Art Association. All fourth grades were invited. We saw many great works of art.

Candy Shop

Our class made chocolate Teddy Bears on February 12, 1987. We made them as Valentine's Day presents for our friends and teachers.

We began by washing our hands. Next we washed the candy molds. We dried them carefully! We cut "sucker sticks" into 4 inch sections and put them in the molds. We put chocolate pieces in a bowl. Then we put the bowl into the microwave oven. We cooked it on high for five minutes and stirred it every two minutes. When the chocolate was

melted we used a spoon to pour the melted chocolate into the candy molds. We took the filled trays to the kitchen and refrigerated them for about 15 minutes. Then we popped them out of the candy molds and put them into candy bags. We cut red yarn into 12 inch pieces and tied each bag up with a piece of yarn. Then we delivered them to special people for Valentine's Day. We sampled our work and it tasted great!

 - d. Admin. Secretary
 - e. Middle School Principal
- X Old Business
 - A. Hot Water Heater - High School
- XI Other Business

Manchesters.

village is one of the oldest in the state. It was first laid out in 1791. Manchester, (Morgan Co.) Ohio, is a village having quite a number of mills and factories, schools and churches.

Manchester, (Summit Co.) Ohio, is a small village in that state. It is sometimes called Nimisilla, a german appellation. Manchester, Va., is a village in Chesterfield Co. It is the Brooklyn of the city of Richmond, and is united to that place by the famous Mayo Bridge.

Manchester, Ky., is a village situated on the classical Goose river. It is supposed that the famous Confederate Roads, the delectable home of the pious and talented, and always thirsty Rev'd Petroleum V. Nasby is situated not very far from this place.

Thus we might proceed ad infinitum, for there is a Manchester in Clark Co., Ark.; in Dearborn Co., Ind.; in Scott Co., Ill.; in Jefferson Co., Missouri; in Coffee Co., Tenn.; in Ontario Co., N.Y.; in Tuolumne Co., California and in Scott Co., Nebraska. And there are Manchesters in Kansas, in Utah, in Colorado, in Texas, in Nevada, and for aught we know, in Sitka or Alaska.

Manchester, Washtenaw Co., Mich., is a place of such importance, historically, politically, enterprisingly and promisingly, that we shall have to defer our account of it till a future time.

Applications Considered

The Washtenaw County Board of Commissioners is scheduled to consider applications for a representative of Private Sector Business to the Private Industry Council of the Washtenaw County/City of Ann Arbor-Nimisilla, a german appellation.

Manchester, Va., is a village in Chesterfield Co. It is the Brooklyn of the city of Richmond, and is united to that place by the famous Mayo Bridge.

Manchester, Ky., is a village situated on the classical Goose river. It is supposed that the famous Confederate Roads, the delectable home of the pious and talented, and always thirsty Rev'd Petroleum V. Nasby is situated not very far from this place.

Thus we might proceed ad infinitum, for there is a Manchester in Clark Co., Ark.; in Dearborn Co., Ind.; in Scott Co., Ill.; in Jefferson Co., Missouri; in Coffee Co., Tenn.; in Ontario Co., N.Y.; in Tuolumne Co., California and in Scott Co., Nebraska. And there are Manchesters in Kansas, in Utah, in Colorado, in Texas, in Nevada, and for aught we know, in Sitka or Alaska.

The nation's highest civilian award is the Presidential Medal of Freedom. Established by President John F. Kennedy in 1963, it had been granted since 1945 as the Medal of Freedom.

LIFE - HEALTH
The Chiropractic Adjustment
The Chiropractor is a student of the body's vast nervous system. Medical science knows that bodily functions are controlled by nerve energy impulses from the brain through the spinal cord to all parts of the body.
The spinal cord runs down through the spinal column. The spine is composed of 24 movable segments called vertebrae. Between the vertebrae are soft cushions called discs which act as ball bearings and shock absorbers.
When any one or more of the vertebrae of the spine are displaced, nerve pressure results. Nerve fibers are impinged, and vital organs are affected.
The chiropractor uses scientific methods to locate the displaced vertebrae - using his competent hands - to return the vertebra to its proper position in relation to the remainder of the spine. Once the vertebra is back in position, pressure is relieved, and the impinged nerve is free to perform its normal function.
The "adjustment" is simple, gentle and painless. Actually most persons who have undergone chiropractic adjustments have found that already present pain is greatly relieved, if not completely eliminated, by the first adjustment.
It is simple and quick! And it performs wonders in restoring that healthy, feeling fine presence. Another Health and Life article from the office of:

House/Senate Override Veto: Manchester May Benefit

by Becky Doyle

Last Tuesday the House voted 401-26 to override President Reagan's second veto of the Clean Water bill. Wednesday the Senate followed suit with an 86-14 vote.

The bill authorizes \$18 billion in federal aid to build wastewater and sewage treatment facilities over a 7 year span. President Reagan called it a "budget-buster".

Manchester is in line for some of the money if their application is approved, according to Dan Naimowicz, Village Manager. The village has been cited by the DNR

for noncompliance with EPA regulations governing wastewater treatment.

In a bond issue approved by voters last December 9, the sale of \$500,000 in bonds was approved for operation and maintenance of the sewer and water system, and an additional \$2,200,000 was approved to bring the water treatment plant within EPA standards.

The second part of this issue is the portion that would be eligible for federal funding, but local officials are waiting for the July 1, deadline to hear whether the allocation will be approved.

"If that should happen," said Naimowicz, "we could get as much as 70% funded." That would be about \$1.5 of the \$2.2 million. But he cautioned that there is a possibility that only 55% of the total may be approved, or none at all.

Historical Society Seeks Funds

Contributions for microfilming The Manchester Enterprise passed the half-way mark in January, when Manchester Plastics and the Manchester Area Historical Society joined the Herrick Foundation and the Manchester United Way with contributions. To complete the project an additional \$3,000 is needed to provide a reader/printer and storage facilities.

Residents are again reminded that contributions to the Library qualify as itemized deductions for Federal Income Tax and as 50% deduction from Michigan State Income Tax.

The Manchester Township Library Board is currently budgeting funds to microfilm annually the Enterprise. The Enterprise is the basic local document used frequently in tracing events and family histories. The library staff recently made copies of the Oak Grove Cemetery records and of a notebook compiled by Sarah Lovejoy which included many items of historic importance.

General Highways fund to complete the first phase would be replaced at that time.

If no funding is approved, village residents - who have already approved the bond issue - would pick up the tab in increased sewer charges of about \$20.00 and all residents would pay an additional 3 mills in village taxes for the next 27 to 30 years.

"That's the 'worst case' picture, in our opinion," said Naimowicz. If even partial funding becomes available, the cost would be much less, he said.

The new treatment plant would be in the same location and utilize some of the existing structure, but would have completely new equipment, according to village officials.

The DNR, which is the enforcement agency for EPA mandates, has so far allowed the village to delay actual construction of the treatment facility. Local officials would prefer not to begin construction of the new plant until October 1, if the DNR will allow that much delay. Once begun, completion of the new facility will be expected within 18 months.

Optimist Club Basketball Contest

The Optimist Club of Manchester will hold a Tri-Star Basketball skills contest at the Middle School on February 14, at 9:30 a.m. The contest is composed of three basic skill tests aimed at evaluating a contestant's skill in passing, shooting and dribbling.

Boys and girls will compete in six age groups, 8 - 13, against youth of their own age. All that is needed to compete is the desire and a pair of gym shoes.

First, second and third place trophies will be awarded to winners in each age group. A total of eighteen impressive trophies will be awarded.

Entry forms are available in the office at both the Klager School and the Middle School.

Utility Changes To Monthly Billings

by Becky Doyle

This month village residents will begin to see the first changes in their water and sewer bills.

Beginning in January, billing for these services will evolve to a monthly bill instead of the former quarterly statements. Residents will receive bills for January and February in one statement and will thereafter be billed monthly, said Naimowicz.

"Right now it is not our intention to change water rates at all," said Naimowicz. But rates for sewer service will probably

Board Meeting Cancelled

The regular Board of Education Meeting scheduled for Monday, February 16, 1987, has been cancelled.

The meeting will be held on Monday, February 23, 1987, in the High School Library, at 8:00 p.m.

The regular meeting scheduled for the third Monday of every month is being cancelled because the schools will be closed on Friday, February 13, and Monday, February 16 - Presidential Holiday.

Please mark your calendars.

Manchester Marble Works

cannot fail to attract and draw customers. We observed a few of his fine specimens, and speak of them as deserving special mention.

The "Crown of Glory," (of which we have before spoken), lately set up in the cemetery at Clinton, is one of the finest works we have ever seen. A gothic stone for the cemetery at Ypsilanti, and others for Brooklyn, Napoleon and Saline should receive their proper amount of praise. Calls have come from all of these places for more work, and thus gradually these young men are working their way up. They have sent out over \$1500 worth of work already, and have orders for several hundred dollars worth in the shop. Specimens of their work can be seen in the cemetery of our village, among which is a beautiful slab at the grave of Lawson W. Leap. They obtain their American marble from the celebrated quarries of Vermont, and in many instances the American Italian, (so called from its close resemblance to the Italian) admits to as high a polish as the Italian itself, and not every eye can distinguish one from the other when placed side by side. We advise those who want anything in the line of monuments or tomb-stones to call and see these gentlemen, and assist in building up a large trade that will add immensely to our friends future wealth. May prosperity be theirs.

Scholarship Semi-Finalist

Jacqueline Miller, daughter of Mr. and Mrs. Robert Miller of 10955 Hieber Road has been selected as one of eleven semi-finalists in the Japan - U.S. Senate Youth for Understanding Scholarship Program. Jackie, who is a junior at Manchester High School, competed against hundreds of other students from all over the state for the privilege of being one of two Michigan students to spend this coming summer in Japan.

The Japan-U.S. Senate scholarship winners are selected through a rigorous two-step evaluation process. Each fall all written application material, including essays, are reviewed by a selection committee in Washington

Banking Is One Of Life's Necessities. The Experience Should Be A Good One.

You flip a switch and the lights go on. Start your car and go your way. Day in and day out, so long as things work like they should, you never give them a second thought. It's the same with banking. You, along with the rest of us, fully expect your bank to work right. The first time. And every time. From our point of view, that isn't an unfair expectation. In fact, living up to that is the best explanation of how and why we run First of America Bank

the way we run it. So in nearly 200 communities across the Midwest, our bankers are reminded that, even though they're part of a major bank company, they should play a major role in the community. They're encouraged to make loan decisions locally. Which has made us one of the region's biggest lenders. They're given all the resources of a big bank company to draw on, so they can offer customers a more resourceful bank.

And, since our bankers are asked to handle customer matters on a local level, they're as accountable to you as they are to their bank. It's made us not only one of the Midwest's biggest bank companies. It's made us one of its most dependable companies. Something that's as good for you as it is for us.
