WCC Seeks New Trustee

The Wastenaw Community College Board of Trustees is seeking applicants interested in filling an opening on the board.

The vacancy was created when Trustee John Corey resigned earlier this month. Corey, who has served on the board since 1983, moved from Ann Arbor to Ludington, MI, to accept a job as president of the Ludington Federal Savings and Loan.

The Board of Trustees expects to fill the vacancy in October. The new appointee will serve as trustee until December 31, 1988. County voters will then elect a trustee for a two-year term at the November 1988 general election, and the person elected at that time will be sworn in at the January 1989 board meeting. That term expires in December 1990.

WCC trustees serve as community volunteers and receive no compensation. Applicants must be registered voters of the Wastenaw Community College district. This district is in Wastenaw County and includes ten public school districts: Ann Arbor, Chelsea, Dexter, Lincoln Consolidated, Manchester, Milan, Saline, Whitmore Lake, Willow Run and Ypsilanti.

Interested applicants should submit a cover letter and complete a Background Information Sheet (available in the President's Office) to: Wastenaw Community College, Office of the President, 4800 E. Huron River Drive, P.O. Box D-1, Ann Arbor, 48106. Materials must be received by 5:00 p.m. on Wednesday, September 30, 1987. The Board will review these materials and select persons to interview.

For more information call the President's office at 973-3491.

Manchester Township Board

Proposed Synopsis

Regular meeting of the Manchester Township Board, held September 14, 1987, at Township Hall. Meeting opened at 8:00 p.m. with the Pledge of Allegiance. All Board members present. Also Fire Chief Mike Scully, Virginia and Eric Cunningham.

Various minutes accepted as submitted.

Bills paid since last meeting presented. Treasurer reported \$17,608.73 in the General Fund. Approved payment of \$5,912.14 for General Fund bills. Enter Earl Alber.

Virginia and Eric Cunningham explained that they would like to place a mobile home on her property on Hogan Road for her mother. She was told to bring the necessary documents and apply for a conditional use from the Planning Commission. Exit Cunninghams.

Fire Chief Scully explained the fire departments description of personal injuries and rescue runs. Exit Scully.

Supervisor reported that he has worked out the working time with the two Constables.

Various correspondence presented.

Resolution adopted to increase the property taxes to be levied in 1987 from 1.1256 to 1.1470 as per public hearing held prior to this meeting. Roll call vote: Yeas, all.

Various reports given, including Huron Valley Night Hawks and Michael Lowery case.

Next meeting will be TUESDAY, October 13, 1987, due to Columbus Day.

Clerk talked to Wash. Co. Planning Comm. regarding proposed rezoning for Schaible and Walton. Approval was denied on both by the Wash. Co. Planning Comm. Date was set by Manchester Township Board to

hold hearing on the rezoning for Monday, October 5, 1987, at 7:30 p.m. at the Township Hall.

Meeting adjourned at 9:26 p.m.

Brownsville School Tecumseh, Reopened

Manchester Enterprise
January 26, 1933

Henry Ford Remodeled Building At Tecumseh And Will Maintain It

Some months ago Henry Ford was given permission to restore one of the three district school buildings in Tecumseh and to equip and maintain it for school purposes as in years gone by.

The building of red brick, stands back from the main north and south highway of that village and was in "Brownsville," the original settlement of the village in 1824.

On a corner, one block north of the school building was built in pioneer days, a tavern, by Gen. Brown, which was a great aid to the early settlers.

It was in the first settlement of

Tecumseh as in Manchester. When the settlers built homes, the center of the village was located about a mile from the first settlement, and the name Tecumseh given it, after the celebrated Indian chief.

There were three more taverns erected and on the principal four corners called Snell's Tavern, one three blocks east called "The Michigan Exchange," and one on the west side of Military square that was called the Hoag House.

The three school districts in Tecumseh were located, one in the western, one in the eastern part of the village and in the second block from Main street, and the third was in Brownsville.

This latter was deemed to Henry Ford last fall and he has completely restored it as it was years ago with oil lamps, box stove—wood burning, and old fashioned desks and benches.

The school under Mr. Ford's direction will be operated as a 12 grade school with all books, supplies and a teacher furnished free of charge. Only pupils residing north of Evans creek will be admitted and so far 33 have enrolled.

Glenn Driscoll, of Adrian, who formerly taught at Tipton, and the first semester at Raisin Center, has been engaged as teacher.

On the opening day the children of Mr. Ford's school at Macon were present and furnished a program. Mrs. Sedecor, who lives opposite the school house, owns the little old hand bell formerly used to call the pupils together. She was asked by Mr. Ford to be present and ring the bell on the opening day.

United Way Slogan Winner

"Go Dutch! Let's Give Much!" was selected from approximately 30 entries submitted at the Manchester Community Fair. Mr. Reno Feldkamp submitted the winning slogan for this fall's United Way campaign. United Way Board President Leonard Bruner presented Reno with a check for \$25. Mr. Feldkamp resides on Smythe Road in Manchester.

Watch your mail for your letter from United Way. We hope for the same generosity that was shown last year.

"Go Dutch! Let's Give Much!"

Keri Bristle Crowned Homecoming Queen

Bloodmobile October 12th

The regular fall Bloodmobile for this area will be held at the Emanuel Church Hall on Monday, October 12. The hours of the clinic are from 12 noon to 6 p.m. The local churches will be contacting donors while Mrs. Claire Reck has been contacting the industries in the Manchester area. The Emanuel Women's Fellowship will host the canteen and have a nursery for children of donors. The Chairperson of the day is Mrs. Evangeline Ludwick. Appointment cards are now available at the three banks - Comerica, First of America, and Great Lakes, as well as at the Manchester IGA and at the Bakers Dozen. A sign with a file box and appointment cards beside it make it easy to sign up.

Your blood helps patients who require surgery, lose blood in accidents or have anemia, hemophilia, liver disease, leukemia, kidney disease, or are undergoing chemotherapy for malignant disease or in the treatment of shock. Thanks to modern technology, your blood donation can help as many as four patients. Please plan to donate every eight weeks and up to five times every 12 months.

Datsko Chairman Of United Way

Leonard Bruner, President of Manchester United Way Board of Directors, is pleased to announce that Mr. James Datsko will serve as General Chairman of the Manchester United Way 1987 campaign.

Mr. Datsko grew up in Ann Arbor and now resides in Manchester. He is a graduate of the University of Michigan School of Business Administration and the University of Detroit School of Law. He was admitted to the practice of law in 1974 and began gaining extensive trial experience as an Assistant Prosecuting Attorney in the "thumb area" of Michigan; and later became Assistant City Attorney for Ann Arbor in charge of handling all ordinance cases. He clerked for James C. Hendley during the summers of 1972 and 1973, and put himself through law school using this income, his earnings during the school year as law clerk for the Wayne County Organized Crime Task Force and the savings from his U.S. Army pay.

Jim returned to Manchester in 1976, and purchased the law practice from James C. Hendley in January of 1977. He has served on various community organizations including the Manchester Chamber of Commerce and as President of the Manchester

Chicken Broil Profits Aid Library

Ron Mann Co-Chairman of the Manchester Chicken Broil Library Board, Gene Bentschneider, Co-Chairman, Ann Flower and Hazel Walker of Library Board.

amount of \$4,400.00 to be used for new shelving in the Library.

This money was a part of the 1987 Chicken Broil profits and together with \$2,500 for additional "Life Line" units was in accordance with the commitment made by the chairmen of the various Chicken Broil committees.

The Co-Chairmen stated that after all bills are paid and all monies turned in, there will be published a report on the year's profits.

A few ticket returns are still out and the Co-Chairmen urge that anyone still holding the Chicken Broil money to turn it in to Connie at Sutton's Agency.

Middle School Open House

All parents/guardians of fifth, sixth, seventh and eighth graders are cordially invited to attend an Open House at the Middle School on Tuesday, October 6, from 7:30 p.m. to 9:00 p.m.

Due to the lack of classroom space, the Open House will be for parents/guardians only. Fifth and sixth grade parents will report to their child's homeroom teacher when arriving for the Open House. Seventh and eighth grade parents will report to their first period class. First period will last ten minutes. Parents will have three minutes between classes.

All Middle School students will be receiving maps of the room locations and a copy of their daily schedule prior to October 6, so that they can explain them to their parents. This should help avoid any confusion Tuesday night. Parents should bring this information with them.

The Middle School staff is looking forward to meeting with you.

Rogers Corners Farm Bureau

The Rogers Corners Farm Bureau Group will meet Friday, October 9, at 8 p.m., at the home of Mr. and Mrs. Neil Stierle.

Letter To The Editor

Do I detect something new and exciting? Is the Enterprise planning to muster community opinion on a regular basis? In this spirit I would like to share some thoughts with the citizens of Manchester. The issues concern the Industrial Park sewer and water bond allocation, and the recent involvement of the Manchester Enterprise.

I have been a member of the Village Planning Commission for 6 years. It has been my pleasure to participate in efforts to preserve the lovely characteristics of our town and help determine its future. As a taxpayer, I also feel the frustration of being excluded from discussion regarding some of the most important issues facing this community.

Manchester residents are expressing dismay at the confused behavior of village government. Citizens maintain trust in elected individuals when they demonstrate action in the public interest. Good intentions are not enough. Intentions do not convert to performance when decisions are taken without detailed study

and community participation.

I challenge our village government to actively seek public viewpoint through the Enterprise. Issues involving the quality of life and possible futures must be allowed to collect opinion.

Furthermore, I challenge the Enterprise to ask questions. Let there be competition to inform the electorate. This requires people to assume responsibility. The office of village trustee and the position of newspaper editor carry implicit obligations. Consider your actions with the same care as your personal estate, for you are entrusted with the estates of every citizen.

I challenge John Hinkley, the Village President, to write a weekly newsletter to the community, and Simon Steele to print it without charge. John, tell us what the trustees are thinking. Use names and dates. Ask for community attendance at council meetings when important matters are on the agenda. Simon, encourage your journalist Becky Doyle to find the facts and interview key people. Allow your

newspaper to become a forum for ideas. Concerned citizens of Manchester, when you feel the urge to comment, express your thoughts in writing. Let neither opportunity pass nor someone speak for you.

It is now apparent that the Village Council desires to extend the sewer and water lines through the entire Industrial Park. For a moment, set aside current perceptions and think about the possibilities.

Manchester is special because of the River Raisin. We also possess a uniquely residential feeling not found in other small towns. We are poised on the edge of a fine opportunity. The Ann Arbor area is not providing the housing required by rapid growth. Our village has the basic resources for attracting high quality residential development. Compare the number of desirable homesites to any competitive community. Manchester has the advantage. We can choose to control and direct this development. The characteristics most dear to us need not disappear.

If sewer and water lines are installed across the entire Industrial Park site, well over 100 acres including almost two miles of riverfront will become available for development. This property is not on the Industrial Park site, but across M-52 on the east side of the highway. New sewer and water lines would provide the necessary services required to attract the new construction. Homes in this area would not stress the limited sewer capacity within the existing village. The area is apart from the present village and will not change the historical characteristics of older neighborhoods. Through special assessments, the developers and home owners could eventually pay for the services.

A riverfront residential devel-

opment could be structured to allow public access on both riverbanks. The topography and vegetation could isolate this new neighborhood from both Austin Rd. and M-52. Traffic access could tie into M-52 and minimize impact on existing homes. Residential construction will encourage other development including restaurant, office and entertainment facilities. We may even attract business to the Industrial Park.

The futuring sessions held last year indicated widespread support for this type of growth. Disappointment in the handling of this issue is understandable but it should be set aside. Take a fresh look, define priorities and set goals. These or other possibilities can exist if residents become involved. It is my intention to demonstrate that thinking and talking about an issue will, at the very least, increase the number of options from which to choose. Let's talk about what might be rather than what might have been.

Bill Kwolek

Editor's Note: All Letters to the Editor must be signed by the person writing them in order to be published.

Obituary

Grace F. Brisbin
 14216 East Austin Rd.
 Manchester

Age 77, died Monday, September 28, 1987, at the Chelsea Community Hospital. She was born August 2, 1910, the daughter of Charles and Marie (Gygi) Welsh. She was married to Melvin C. Brisbin on September 1, 1945. He survives. She was a registered nurse and had worked for the Ford Motor Co., retiring in 1963.

She was a member of Manchester United Methodist Church, Past Worthy Matron of the Manchester Chapter #103 Order of Eastern Star.

In addition to her husband, she is survived by a step-daughter Greta Kay of Gladwin, 2 step-grandchildren, and several nieces and nephews. She was preceded in death by 2 brothers and 2 sisters.

At her request, there will be no services.

"Tis not too late to-morrow to be brave."
 John Armstrong

Wedding Bells Ring

Mr. and Mrs. Stephen Edward Martin

Pamela Mae Widmayer and Stephen Edward Martin were united in marriage at Emanuel United Church of Christ on August 29. The Rev. Robert Macfarlane officiated the ceremony. Pamela is the daughter of Mrs. Della Widmayer and the late Veal Widmayer. Parents of the groom are Mr. and Mrs. Edward J. Martin of Livonia. The bride was given in marriage by her brother, Bradley

the elbow length veil of silk illusion.

The bride carried a bouquet of bridal white roses, white mini carnations, stephanotis, baby's breath, and fresh ivy.

Vickie Schiller of Adrian, sister of the bride, served as matron of honor and Edward Martin, father of the groom, served as best man. Bridesmaids were Vallorie Hoffman of San Jose, CA, sister of the bride, and Connie Widmayer of Manchester, sister-in-law of the bride. Groomsmen were David Martin of Canton, brother of the groom, and Joseph Martin of Livonia, brother of the groom.

A reception was held at the American Legion Hall immediately following the ceremony.

Upon returning from their honeymoon on Paradise Island, in the Bahamas, the newlyweds will reside in Canton.

Benedict/Vedlitz Exchange Vows

Teresa Marie Benedict and Leonard William Vedlitz were united in marriage on September 12, in a ceremony at the bride's home with the Rev. Robert Macfarlane officiating.

Teresa wore a Victorian-style two piece dress of ivory and lace featuring a train. A large picture hat and a bouquet of white roses completed her ensemble.

Mrs. Jill Curley Esch of Saline was matron of honor while Andrew Vedlitz of Athens, Ohio, son of the groom, was best man. Miss Holly Andrews of Dallas,

Mr. and Mrs. Leonard William Vedlitz

Texas, and Julie Vedlitz of Atlanta, Georgia, daughter of the groom were bridesmaids.

The bride's attendants were attired in ivory lace over peach satin gowns and carried peach roses.

Groomsmen included David Benedict of Manchester, brother of the bride and Norman Mazvinsky of Houston, Texas, brother-in-law of the groom.

Lyndsay Benedict of Cincinnati, Ohio, niece of the bride, served as flower girl, while Christopher Benedict of Manchester, nephew of the bride, carried the rings.

Parents of the bride and groom

are Mrs. Elwin Benedict of Manchester and the late Elwin Benedict and Mr. and Mrs. Samuel Vedlitz of Shreveport, Louisiana.

A reception was held at the Knights of Columbus Hall following the ceremony. Assisting were Robyn Wellman and Jaqueline Rouare at the guest book and Betty and Kathy Benedict, sisters-in-law of the bride, cutting the cake.

The bride and groom will reside in Dallas, Texas.

MANAGING STRESS
 The Proven Way to Relax

What is "Managing Stress?"

Managing stress is a highly structured program that teaches people to cope more effectively with stress in their lives. Participants learn a systematic technology that is designed to prevent and minimize all types of stress. The methodology is effective, relatively easy to learn, and can be readily utilized in a persons normal living and working environment.

In "Managing Stress" you will learn:

- How to determine your present level of stress and reduce it.
- How to identify the causes of stress in your life.
- How to relax your mind and body within seconds.
- How to recognize erroneous, self-defeating thoughts and replace them with realistic, relaxing beliefs.
- How to organize your life and use your time more effectively.
- How to appropriately express yourself.
- How to avoid illness through proper nutrition and fitness.
- How to communicate effectively.
- How to handle occupational and family stress.

Celebrate Golden Anniversary

Mr. and Mrs. Thaddeus Kuyda will celebrate their 50th Wedding Anniversary with an open house for family, friends and neighbors at 5160 Reno (Pleasant Lake), October 4, 1987, from 2 to 7 p.m. Thaddeus Kuyda and Esther McMurtry were united in marriage in Plymouth, Michigan, October 2, 1937. They lived in Wayne until moving onto a farm on Pleasant Lake road, living there until moving to the present address. Mr. Kuyda farmed until 1953 and at that time opened an upholstery shop which they operated until moving in 1980.

Mr. and Mrs. Kuyda are members of St. Andrew's Catholic Church in Saline and the Saline Area Senior Citizens. Mr. Kuyda is a charter member of the Knights of Columbus at St. Andrews. Mrs. Kuyda is past president of the St. Andrew's Altar Society. They both enjoy

making doll houses, children's toys and gardening. The open house is being hosted by their daughter and son-in-law, Mary and Gerald Shaw. The couple would enjoy the gift of your presence.

Birth Announcement

Daniel and Julie Schaible are proud to announce the birth of their daughter, Kelly Suzanne, on September 14th at St. Joseph Mercy Hospital. Kelly weighed 8 pounds 2 ounces. Maternal grandparents are Gerald and Beverly Merz of Ann Arbor and paternal grandparents are Luther and Barbara Schaible of Manchester. Kelly has 2 brothers, Karl 3 1/2 and Jonathan 2.

Help Name That Group

A young adults organization is being formed in Manchester for ages 21-40.

This group will adopt community activities as well as establishing social activities as part of their agenda. Meetings are held on the first Monday of each month at The Black Sheep Tavern, 7:30 p.m. All are welcome to attend, attire is casual and atmosphere is relaxed.

They are sponsoring a contest to establish a name for the organization. Everyone is encouraged to take part. Send entries to P.O. Box 322, Manchester, MI, by October 17, 1987. Winners will be determined by a review of the new membership. The winner will receive dinner for two.

For any further information call John Vecchioni at 428-7595 or Karen Smith at 428-7808.

School Hot Lunch Menu

Monday, October 5 - Vegetable Beef Soup with Crackers, Polish Sausage on Bun, Dill Pickles, Peach Half, Milk.

Tuesday, October 6 - Homemade Italian Spaghetti, Warm French Bread with Butter, Broccoli Spears, Ice Juice, Milk.

Wednesday, October 7 - Hot Ham & Cheese Sandwich, Potato Chips, Carrot & Celery Stix, Butterscotch Pudding, Milk.

Thursday, October 8 - Baked Chicken, Whipped Potatoes with Gravy, Buttered Sliced Carrots, Bread & Butter, Applesauce, Milk.

Friday, October 9 - Fruit Punch, Taco's with Sauce, Lettuce/Tomatoes and Cheese, Buttered Corn, Fresh Fruit, Milk.

Senior Citizens News

What a nice hot day we had on Sunday, 88° and swarms of people (and bees) at the parade in Clinton. Isn't it fun to watch the antics of the Shriners? We are doing our own antics at the October Birthday Bash Thursday, October 1. Come and enjoy exercise at 11, sauerkraut dinner (free to Octoberites) at noon and bingo.

On Sunday, October 4 - Seniors will leave at 1:00 p.m. for Heritage Day at Hanover. Helen Knickerbocker states there is an organ museum there also to view and enjoy. Call her at 428-7239 to make your reservation - this should be a color tour at this time of year.

Tuesday, October 6 - Roast beef is served at noon lunch at Emanuel. We will then go to the Center to resume our lap robe project. Help is needed on this and other projects - come out.

Thursday, October 8 - Exercise those long-unused muscles beginning at 11 a.m. Noon lunch

will feature creamed chipped beef over biscuits (this sounds good, huh?) and the bingo players will welcome you.

Looking Ahead - American Tours present a Covered Bridge Tour. Quoting from their ad: "Michigan has several covered bridges in the southwestern part of the state. This is also a color tour plus having a mystery stop with lunch included". Call Helen NOW for your reservation or information.

Rubena reminds us to pick up a copy of the September-October Trumpeter at meals or at the Center. If you wish a copy mailed to you, call the Center or Rubena Boelter (428-8655).

Dividend Declared

Directors of Great Lakes Bancorp (NASDAQ-NMS: GLBC) today declared a third-quarter dividend of 15 cents per share.

The dividend will be paid October 16, to recordholders as of October 2, 1987. It is the eleventh consecutive dividend the bank has paid since going public in December 1983.

Recreation Task Force To Meet

The Recreation Task Force will meet Thursday, October 1, at 7 p.m. at the Schwab's, 116 Beaufort, 428-8976.

The meeting is open to the public and you are invited to attend or call with your suggestions.

Education Programs Offered

Chelsea Community Hospital will be offering an education program on Tuesday and Thursday, October 13 and 15. **CPR-Infant/Child** teaches the techniques for infant and child CPR, artificial respiration, and first aid for obstructed airway (choking). The class will be from 7:00 - 9:00 p.m. at the Chelsea High School. Registration is required by calling 313-475-9830.

Ongoing programs are also being offered by Chelsea Community Hospital. The Cardio Pulmonary service offers an educational presentation and a supportive atmosphere for sharing for all interested individuals who have chronic respiratory problems. **Breathers Club** is held the 3rd Saturday of every month from 11:00 a.m. - 1:00 p.m. at Chelsea Community Hospital.

Cardiac Rehabilitation
Outpatient is designed to provide rehabilitation for people who are recovering from a heart attack or heart surgery. Classes are scheduled individually and are held Monday-Wednesday-Friday at Chelsea Community Hospital. (For registration or referral information call Cindy Cope at 313-475-1311, ext. 398).

Speech and Language Therapy for Children - Outpatient Program offers comprehensive, individualized evaluations and therapy programs for youngsters with delayed speech or language development. Therapy programs are scheduled individually at Chelsea Community Hospital. (For more information, call 313-

475-1311, ext. 403). **Substance Abuse Lecture Series** is open to the public to provide awareness and education regarding various aspects of alcoholism and other chemical dependence abuse. Lectures are held every Thursday at 7:15 p.m. in the Chelsea Community Hospital Dining Room. **Outpatient Diabetes Education** is an opportunity for people who are newly diagnosed with diabetes mellitus or who have had diabetes over a longer period of time to have their unique needs addressed. Sessions are individually scheduled at Chelsea Community Hospital. Please call 475-1311, extension 401, for further information regarding fees and registration for these classes or for information about other health education classes.

Scholarship Awarded

Gary King, Executive Vice President of the Michigan Agri-Dealers Association, Lansing, Michigan, recently announced Eric G. Mann of Manchester, Michigan, was the recipient of a scholarship award. Eric is enrolled in the Ag Tech Elevator and Supply Program at Michigan State University and is the son of Mr. and Mrs. E. Glen Mann also of Manchester. The award was for the 1987 Fall term and is based on grade point average, attitude, determination and potential in the pursuit of a career in agriculture.

SAVE ONE PER CHECK

THERE'S NO PER-CHECK CHARGE AT GREAT LAKES

Your bank may be charging you as much as 25¢ for every check you write. Don't get mad. Get a Great Lakes Bancorp checking account.

When you bank with Great Lakes, there's no per-check charge, ever, and you'll earn daily interest on every dollar.

Plus, there are four ways to avoid a monthly service charge:

- Keep \$250 or more in your account
- Over 60 years of age
- Have automatic payroll deposit
- Have your Great Lakes mortgage payment automatically deducted

Before you pay another per-check charge, call us at 1-800-DIAL-453. One call can close your old account and open a new one with us. And at these prices, the savings really add up.

News From Klager

A Surprise Landing At Klager School

by Lewis Cisco

On Thursday, September 24, 1987, the students of Klager Elementary School were happy to see a helicopter landed near their playground! The helicopter belongs to the Washtenaw County Sheriff's Department. The pilot's name was Officer Gray.

Officer Gray gave us a tour of his helicopter and told us how it flies. He also told us how the helicopter is used to catch criminals who have escaped from prison and other criminals who do bad things. We all learned a lot about the helicopter and what it is used for.

When the helicopter took off it gave a big gust of wind.

We watched it from the top of our hill. It was exciting to watch it take off. We waved at Officer Gray and we could see him wave back from inside the helicopter. He flew away in the helicopter. What a nice surprise for kids at Klager School!

Our speech therapist, Caryn Shapiro, explained the Jewish New Year celebration to Mrs. Grantham and Mrs. Ediger's class. She explained how the Hebrew calendar was 3,761 years older than the Christian calendar because it is based on Adam and Eve. The children enjoyed apples and honey, a traditional New Year's treat.

Class Of The Week

Mrs. Littles 2nd Grade

Derek Hanselman and Eida Cantu "paint" a picture of an insect on their bread with colored milk. After toasting the bread, they enjoyed eating their special "Class of the Week" treat.

Both Lady Dutch Teams Win

by Jon

On Thursday night, we hosted the Hanover Horton Comets. In the first game of the night, our JV's won a nail-biter, 30-26. Stacey Wilde led our scorers with 12 points, as Jackie Ahrens contributed 8 points. Stacey did an incredible job grabbing 26

rebounds. In the Varsity contest, after three periods, Hanover Horton stood atop 27-22. The concluding 8 minutes saw our girls scorch the nets for 22 points, as the Comets scored a mere 4. This left the final score 44-31. High scorers were Renea Drouare with 15 and Sarah Scully with 12.

Dutch Remain Undefeated

by Jon

Friday night was Homecoming and we congratulated Keri Bristle as Queen. Hanover Horton

supplied little offense as we sailed to the easy win, 28-0.

It was the Scott Gross night as our senior running back gained 95 yards on the ground and accounted for 3 of the 4 Dutch touchdowns. When the opponents do not score, our defense has done a great job. In the trenches, Mike Stidham helped shut down their running game, as Brian Gebhardt quieted their aerial attack with 2 interceptions. We added points in each quarter.

Scott crossed the goal line from 2 yards out and Jason VanDeven added the P.A.T. to end the first period. In the next stanza, Scott grabbed a 1-yard pass from Tom Mann for 6. In the third quarter Scott rambled in from 3 yards out, then converted 2 more points as he caught a pass from Brian. In the final period, David Wizgird scored from 4 yards out and Jason again added the P.A.T.

Next week we trek to Napoleon seeking revenge, as our only league loss last season was to the Pirates. Be there!

VARSITY GIRLS BASKETBALL TEAM

Front Row Left to Right: Linda Milkey, Nikole Reinhart, Sarah Corwin, Trisha Schuler, Vicki Warner. 2nd Row Left to Right: Sherry Rickelmann, Jennifer Bailey, Kim Lockridge, Rockie Weber, Cheryl Blumenauer. Not Pictured: Heather Loudin, Katie Marecle, Krista Spork, Becky Colter.

Dutch Golf Squad Victorious

by Jon

Our Brad Uphouse clubbed his lowest 9-hole score of the season - 39 - to lead our squad to the win over the Cardinals. Other Dutch scorers were: Nick Miller - 41; Tim Burkhardt - 46; Dave Mitchell - 48. The final tally was 174 for us, Michigan Center 205. Remember in Golf, the low scorer wins.

Manchester Village Planning Commission

Regular Meeting
August 11, 1987

CALL TO ORDER

The Regular Meeting of the Manchester Village Planning Commission for August was called to order at 7:30 p.m. by Chairman Kwolek in the Council Room of the Village Hall. Members present: Kwolek, Lowery, Daverman, Smith, Walton, Kallewaard and Marshall. A quorum was present.

APPROVAL OF AGENDA

The agenda was approved with two alterations: Manchester Automotive Sign Permit Application and PUD discussion with Bob Holliday, both under New Business. The motion to approve was made by Smith, supported by Lowery and carried unanimously on a voice vote.

MINUTES OF PREVIOUS MEETING

Minutes of the July, 1987, Regular Meeting were approved on a motion by Daverman, supported by Walton, carried unanimously on a voice vote. UPDATE ON ITEMS COVERED IN MINUTES OF PREVIOUS MEETING

Marshall reported that Council will be referring the Recreation Task Force proposals to the Planning Commission for study and recommendation.

Lowery noted that no press release on the additions to the Johnson Controls plant had appeared; perhaps the Village Manager could prepare the release.

Council has authorized reorganization of the Zoning Board of Appeals as a separate body, independent of Council, but no ZBA members have been appointed yet.

Naimowicz met on August 5th with consultant Bob Hotaling to discuss procedures for review of the long-range plan and zoning code.

WORK SESSION - ORDINANCE AND PLAN REVISION

Commissioners scheduled a working meeting on Saturday, September 12, beginning at 10

a.m., for a study tour of the Village as part of the inventory and review process. Smith distributed large-size zoning maps for Commissioners to study prior to the working session.

OLD BUSINESS - HISTORIC DISTRICT STUDY COMMITTEE
Daverman reported that the Committee will meet August 12, to prepare the information package for Council members. He also described the schedule of mailings and meetings which will provide complete information to Exchange Place property owners and tenants, and to the Chamber of Commerce.

There was discussion of the boundaries recommended by the Study Committee for the Exchange Place Historic District. Marshall urged that only C-2 property be included. Councilman Reinhart participated in the discussion and stated his concerns about the inclusion of residential properties on City Road. Kallewaard suggested that the recommended boundaries not be changed at this point, since property owners will be able to give their opinions before a final decision is made. A motion to recommend Council approval of the Historic District Ordinance and Commission was made by Kallewaard, supported by Smith, and carried unanimously on a roll-call vote.

OLD BUSINESS - SIGN PERMIT APPLICATION, HOP-IN

Roger Nash of FarrView Limited was present to represent the owners of the Hop-In store at the corner of Main Street and Clinton. He explained that the panel requested for the west side of the building would not be lighted and would not show the Hop-In logo. The panel on the front of the building would be back-lit and show the Hop-In logo in a centered, 16 sq. ft. area, and the applicants considered this 16 sq. ft. area to be the sign; the remainder of the 188 sq. ft. on the front and the 112 sq. ft. on the side being decorative elements of the building fascia, or a lighting package designed to give safety

lighting to the store area.

Marshall explained Commissioners' concerns about the impact of the proposed materials in the Historic District. There was discussion among Commissioners and with Mr. Nash about needs for a corporation to convey a consistent image to the public, through signage, but also concerning instances in which corporations have made significant alterations in their signage plans to accommodate special characteristics of historic or ethnic areas.

Smith asked how far the proposed material would project from the building. Nash said the panels project 12 inches out.

Kwolek asked if Mr. Nash's corporation had ever made any exception to its standard lighting and sign approach. Mr. Nash said that they had not. However, he acknowledged instances in which other national corporations had made design exceptions to meet local needs. He said that he was not authorized to negotiate any changes and asked for approval as presented; though he would be glad to take back any recommendations the Commission might have.

Kallewaard stated reservations about defining only the 16 sq. ft. area to be the sign, since it is actually part of a solid panel, back-lit and bolted to the building, and the entire panel would seem to be the sign. It was also noted the code allows only "one sign per building or entrance way to such building", so the panel on the west side of the building would be allowable only if it were not considered to be a sign.

Both Marshall and Kallewaard discussed the regulations of Section 5.241 of the code, dealing with signs' appropriateness "with the existing or intended character of their vicinity so as not to change the essential character of such area."

After some further discussion, a motion was made by Smith, supported by Walton, to table the application and to send written comments and recommendations to Mr. John DeWitt, President of FarrView Limited. The motion was carried unanimously on a voice vote.

APPLICATION, MANCHESTER ELECTRIC

The new drawing and revision application form were reviewed. There was discussion of the size of the sign and the style of lettering, in consideration of the location in a neighborhood of older homes. However, the application now meeting the code requirements, a motion was made by Kallewaard and supported by Daverman to approve the sign permit. The motion was carried unanimously on a voice vote.

NEW BUSINESS - SIGN PERMIT APPLICATION, MANCHESTER AUTOMOTIVE

The drawing and application form were presented by Daverman, the designer, who therefore participated in discussion only to answer Commissioners' questions, and did not vote. Marshall suggested that the business turn off its lights at the end of the business day, as some other Main Street merchants do. The proposed sign meeting the code requirements, a motion was made by Walton, supported by Lowery, to approve the permit. The motion was carried unanimously on a voice vote.

NEW BUSINESS - DISCUSSION OF PLANNED UNIT DEVELOPMENT CONCEPT

Bob Holliday was present along with Rudy Schmerberg. Together with Ed Hood, they are owners of a 130 acre parcel of land adjacent to the Village east of M-52 and south of Austin Road. They asked to address the meeting, having previously received the Chairman's disclaimer that the Commission could make any specific advisements or accept any plans since no application had yet been filed.

The general idea of development, based on past contacts with Village and Township officials and on the Manchester Futuring discussions, would be for a Planned Unit Development incor-

porating parkland and a river walk, single-family residential, condominium, industrial and possibly other land uses. The partners are presently negotiating with the State for ingress and egress directly to M-52; this could also result in ingress and egress to the Village industrial land west of M-52. The long-range plan would be to seek annexation at such time as sewer and water would be available to the site.

There was discussion of ways in which the PUD concept gives the Village a great deal of control over development; also the mechanics of the PUD and Special Purpose zoning. Daverman requested permission for Commissioners to site walk the parcel, and Holiday agreed.

NEW BUSINESS - PUBLIC INPUT

Cynthia Chavoya, property owner on Hibbard Street, was present to request information about development of a mobile home park in that neighborhood. Kallewaard responded that no site plan for mobile home park development had been filed with the Village as of this date. Marshall explained that a mobile home park developer had spoken to a Council meeting last month about his intent to develop the parcel, in that neighborhood, presently zoned for mobile homes, along with an additional 38 acres which he hoped to purchase and add to the parcel as an annexation. ADJOURNMENT

The meeting was adjourned at 9:45 p.m. on a motion by Marshall, supported by Walton, carried unanimously on a voice vote.

WHEN THE SNOW FLIES WILL YOUR CAR BE WINTERIZED?

Inspections of the Cooling System are Crucial to the Engines Health

FOR ONLY \$29.90

COMPLETE INSPECTION INCLUDES:

1. Flush Cooling System
2. Check Operation of Thermostat.
3. Test Battery and Charging System.
4. Clean Battery Cables.
5. Inspect Radiator Cap, Belts and Hoses.
6. Fill System With up to 2 Gallons of New Antifreeze.

Unfortunately, most car owners don't realize that cooling system parts should be replaced before they fail. Like heart attacks in people, car heart attacks can often be prevented with regular inspections of the cooling system.

Today's cars operate at higher engine speeds with more equipment under the hood, smaller engine compartments, and reduced radiator size. So the cooling system — particularly the thermostat, which constantly opens and closes to regulate coolant flow — is under a lot of stress. In fact, the cooling system removes twice as much engine heat as the exhaust system.

FAITH COMMUNITY CHURCH

Wednesday, September 30 - 6:30 - 8:00 p.m. AWANA program for kids, pre-school thru 6th grade, 7:00 p.m. Prayer Hour & Bible Study, 8:00 p.m. Choir Practice.

This book is about other neat things to do with mud that even real anti-mud Mom is going to like. Miss Stewart suggests a number of very easy experiments by which a child can examine mud. Mud-or soil-isn't all the same kind of stuff. Some of it is clay, some is loam, some is sandy and mud is what plants grow in and where insects, worms woodchucks and other animals live. Mud is actually a very vital part of our environment. In fact mud is used to make jars and even whole houses.

By starting with a material that is so easily available — and so much sheer fun to play with — Miss Stewart has provided a delightful introduction not only to biology but to the world of science as a whole. It is not only in mud but in all kinds of common, ordinary things around us that the wonders of nature lie. Any child from perhaps five to about the second or third grade, especially if guided by an older child or a parent, is likely to enjoy this book.

—by Joan Gaughan

Book Review

Rose Wyler, *Science Fun With Mud and Dirt*, illustrated by Pat Stewart. New York: Simon and Schuster, 1986. 48 pages.

Any kid knows what to do with mud. You mess up your clothes with it. You make mud pies with it and throw things into it. You fill your pockets with it and put it in your ears and hair. You may even eat it. There are so many neat things to do with mud that it's a real puzzle that Moms don't

There are six ways that a batter can get on base without getting a hit in baseball: error, base on balls, catcher drops third strike, hit by pitch, fielder's choice, and interference by catcher.

High School Honor Scholarship

Washtenaw Community College has awarded scholarships to 13 county high school students. The awards were based on the students' grades and recommendations from high school personnel.

Each High School Honor Scholarship will cover the cost of tuition for Fall and Winter semesters, plus \$100 for books and supplies.

The scholarship recipient from Manchester is Julie Craft of Manchester High School.

County Offers AIDS Testing And Counseling

The Washtenaw County Health Department began offering confidential and anonymous AIDS counseling and testing services in July, 1987.

Counseling and testing are available at the Health Department Clinic, 555 Towner, in Ypsilanti during regular clinic hours: Monday and Thursday evenings, 6:30 - 9:00; Wednesday morning, 9:30 - 12:00 noon.

All counseling and testing is arranged by appointment. The number to call is (485-2181).

The Health Department staff will be pleased to answer any questions about this service. Please call Cynthia Wrentmore at 971-4482 or Laurie Smith at 485-2181.

Local Student Awarded Scholarship

Washtenaw Community College has awarded 17 Community Honor Scholarships to local students. Selection criteria included community contribution,

previous grades, vocational goals, and recommendations from community organizations or groups.

The Honor Scholarship is awarded for Fall and Winter semesters. It includes the cost of tuition and \$100 per semester for books and supplies.

The scholarship recipient from Manchester is Clifford A. Tracy, Robotics.

Optimist Contest Winners

The Manchester Optimist Club sponsored a Tri-Star Football contest on September 26. The winners are:

First Place: Rob Swett, Jamie Sloat, Rob Blatchford, Troy Niehaus, Michael Mann and Chris Gilbert.

Second Place: Jon Andrews, Jeff Hughes, Mike Black, Geoff Brooks, Matt Herman and Nick Niehaus.

Third Place: Richie Lutton, Marcus Stockwell, Jeff Kemner, Korry Friday, Chris Rogers and Nick Woods.

Congratulations to all these future "Flying Dutchmen".

Interested persons are encouraged to get their orders in prior to this date.

Seven tree species are being offered for conservation and reforestation purposes.

Trees will be available for pick-up on either Wednesday, October 7, or Thursday, October 8, at the Soil Conservation District Office, 6101 Jackson Road, Ann Arbor, 1/2 mile west of Zeeb Road. Time for pick-up will be between 8:00 a.m. and 4:30 p.m.

For more information, contact the Washtenaw County Soil Conservation District Office, 6101 Jackson Road, Ann Arbor; telephone: (313) 761-6721.

WCC Names Scholarship Winners

Washtenaw Community College has named this year's Departmental Scholarship winners. The award honors academic excellence and is given to in-district students who have demonstrated outstanding contributions to their field.

Each scholarship pays tuition for two concurrent semesters plus \$100 each semester for books and supplies.

The list of scholarship recipients includes William Hansen of Manchester, Physical Science.

Fall Tree Sale Closes Soon

October 2nd is the last day orders for tree seedlings will be accepted by the Washtenaw County Soil Conservation District,

Money Management

Selecting A Bank:
Check On Savings And Save On Checking

(Prepared by The Michigan Association of Certified Public Accountants)

With the dizzying array of new financial services being offered today, choosing a bank can be a challenging experience for even a savvy customer. According to the Michigan Association of CPAs, while deregulation has benefited consumers in some ways, it has made comparing banks more difficult.

With banks now free to set their own rates and establish varying maturity dates on savings accounts, it seems there's as many different rates and terms as there are banks. And with a growing number of other service options to choose from, selecting a bank gets even more difficult.

CPAs recommend that you focus your search for the right financial institution by first determining what services you need. And don't necessarily limit yourself to "bank" banks. Many other financial institutions - such as savings and loans, savings banks and credit unions - now offer full banking services and are worth investigating. For simplicity's sake, however, we'll call all financial institutions "banks." But make sure the institution you select is insured by either the Federal Deposit Insurance Corporation (FDIC) or Federal Savings and Loan Insurance Corporation (FSLIC).

Many financial institutions, eager to capture a greater share

of business, offer incentives for you to do all your banking with them. Bankers call this "Relationship banking." It means that a customer using several services at the same bank, might very well be offered a higher rate on savings, better terms on a loan, or perhaps, reduced service fees. However, if you have the time and the wherewithal, you might find that Bank A offers the best checking account options, Bank B has the best savings rates and Savings and Loan C the lowest mortgage rate. Or you may even choose to bank by mail or phone if the rates are favorable.

Check on Savings
If you want to know the true interest rate a bank or thrift is offering on an account, ask for its effective annual yield. This yield is the result of compounding - the paying of interest on interest. The more frequent the compounding, the more interest you earn; daily compounding gives you more than monthly; monthly more than annual.

But interest rates aren't the whole story. The highest rate may not be the best deal, depending on the service fees charged by the bank. Some banks impose service charges on low-balance accounts; others impose a charge if you close your account within six months or a year of opening it.

If you're planning to open a bank Certificate of Deposit (CD), there are additional questions you'll want answered. First of all, you should make sure you can withdraw your money before maturity, if necessary, and know what penalty the bank assesses

for doing so. Another important factor is whether or not a bank will send you a reminder notice shortly before your CD comes due. Some banks do; others leave it up to you to remember your account's maturity date. Depending on the bank's policy, your account may be renewed for the same term at the current rate, it may be transferred to a passbook rate or even left sitting earning no interest at all.

Save on Checking
When selecting a bank for your checking account, shopping around can really save you money. Some banks charge a monthly service fee, some charge a fee per check written and some do both. Often, the monthly charge is based on the balance you keep on deposit. The higher the balance, the lower the fee is likely to be. Find out how the bank arrives at your balance for the purpose of determining your monthly charge.

Ask, too, about fees for bounced checks, certified checks and stop payment orders. Some banks charge low monthly service fees to attract customers and then try to make up the difference by charging higher fees for bounced checks and related items.

Pay particular attention to the fees for negotiable order of withdrawal (NOW) accounts. NOW accounts are interest bearing checking accounts. In many cases, unless you keep a very high balance, monthly service fees can eat up the interest your account earns.

Another important factor to weigh when looking for a home for your money, is the bank's holding policy for deposited checks. Many banks put a hold on a deposited check but the number of days can vary from three days at some institutions to 15 days at others. During this holding period, you do not have the use of the deposited funds.

Spending on Lending

Most financial institutions offer a wide range of loans - there's mortgage, home equity, automobile, personal loans and others. Many people wrongly assume that lending rates are pretty much the same, but the truth of the matter is annual percentage rates (APR) can vary quite widely. Luckily, comparing loan rates has been simplified by the Truth in Lending Act which requires all banks to figure the APR the same way. Because loan and mortgage payments can easily be transacted by mail, a good rate becomes more important than the proximity of the bank.

Convenience Pays Off
Convenience is certainly a key factor to consider when selecting a bank. In fact, a recent survey conducted by the banking industry revealed that 40 percent of bank customers selected their current bank simply because it was nearby. A bank that has a branch both near your home and workplace would be a good choice.

CPAs recommend that you keep everything in perspective when choosing a bank - traveling across town and waiting in long teller lines may not be worth an extra ¼ percent. But, by the same token, don't settle for less than you are entitled to. If the bank you select isn't measuring up, or if you think you could do better elsewhere, it's time to check around.

"He gives twice who gives soon."

MedSport Announces Basketball Clinic

University of Michigan MedSport will sponsor a basketball clinic on October 12, at 7:30 p.m. in the Fitness Center at Domino's Farms. The clinic will feature several speakers who will address basketball issues. The speakers include:

*Bill Frieder, Head Coach, University of Michigan Men's Basketball.

*Bud Vanderwege, Head Coach, University of Michigan Women's Basketball.

*Ed Wojtyls, Sports Medicine Surgeon, Assistant Medical Director of University of Michigan Sports Medicine Program.

*Russell Miller, Head Athletic Trainer, University of Michigan and Director of MedSport Training Program.

Russell Miller will also be accompanied by the University of Michigan Training Staff.

Topics for the clinic include conditioning, motivation, drills, techniques, and injury prevention as they relate to basketball.

The MedSport Basketball Clinic is open to high school coaches, athletes, parents and interested members of the general public. Admission is free and no pre-registration is required.

Questions should be directed to Julie Gazmarian at MedSport, 313/763-7400.

Gazebo — Post Script

by Howard E. Parr

The gazebo is finally completed, but not until the end of a long chain of events which go back to when the materials were ordered in June. The best looking, turned posts specified for this structure didn't come in the length required. They were also hollow and built up of laminated sections of wood. To obtain the necessary length they were spliced at the floor level to another short section which reached down to the

foundation.

The first strong winds after the dedication ceremony made Norm Walz worry. He obtained braces and installed them temporarily to prevent any damage until something could be worked out.

The best solution finally agreed upon by the architect and the builder was a single, solid post long enough to run from the foundation to the roof. The replacement posts are not as decorative as the first ones, but with the matching brackets on each side at the roof line, should be strong enough to stand our normal winds.

It was this replacement work which you saw going on last week. It is unfortunate that any changes had to be made and there may be some who would raise criticism. Please remember this is a volunteer project for the benefit

of the community. Costs involved will be covered by the Historical Society.

Chamber Of Commerce

Chamber of Commerce members and guests will have an opportunity to learn how they will be affected by proposed designation of the central area of the village as a historic district. This will be the subject of the program at the October general meeting.

Mary Kallewaard, President of the Manchester Area Chamber of Commerce, has announced that Bob Daverman, Co-chairman of the Manchester Historic District Study Committee, will discuss such matters as tax benefits and building regulations which are a part of Historic District designation. This will be an opportunity for all interested persons to learn more about this issue.

The meeting will be Wednesday, October 14, 1987, from 12:00 noon to 1:00 p.m. at the K of C Hall.

Businesses and industries as well as local residents interested in the Historic District project are invited to attend. Members are urged to bring prospective members. Lunch will be available at \$4.00 per person. For lunch reservations please notify Pat Spaulding (428-7684), Mary Kallewaard (428-7194) or Ann Pat Wolf (428-8389). Reservations must be made by Monday, October 12.

Village of Manchester Receives Grant

The Village of Manchester will receive a \$1.9 million U.S. Environmental Protection Agency grant, Congressman Carl Pursell announced on October 5.

The grant is being awarded in conjunction with Manchester's plan for a three-phase remodeling of the community's existing wastewater treatment plant and separation of storm and sanitary sewers.

The EPA grant will pay for a large part of the \$2.9 million wastewater treatment phase of the project, with Manchester financing the remaining \$983,000, Pursell said.

"I know this is an important announcement for Manchester residents as the village attempts to meet its targeted completion in 1989," the congressman said.

The village already has financed the sewer line work and was awaiting a decision on the EPA

grant before issuing bonds to finance its share of the treatment plant remodeling.

This grant was obtained through the efforts of many people. —Editor.

Student Of The Month

Pictured with Kim are her parents Jack and Diane Lockridge and Optimist member Monty Okey.

Kim Lockridge has been honored as Manchester Optimist Student of the Month for September. She is the daughter of Jack and Diane Lockridge of Manchester. Kim is a senior at Manchester High School and is interested in a career in Journalism after graduating. She has excelled in sports these past 3 years: Varsity Girls Softball for 3 years, Varsity Girls Basketball for 3 years, and captain and honorable mention all-conference for those sports. She has been on the A and B Honor Roll and had perfect attendance awards for the past 2 years. She has been a

secret pal for the football team and participated in the Talent show at Manchester High and also participated at the U of M German Day. Her junior year, Kim was elected to the National Honor Society and was Optimist Girls State delegate. This year Kim is senior class treasurer and was a member of the local S.A.D.D. Despite her busy schedule, Kim also worked at McDonald's this past year! We all wish Kim the best in the future years to come!
