

# Money Management

**Selecting A Bank:**  
Check On Savings And Save On Checking

(Prepared by The Michigan Association of Certified Public Accountants)

With the dizzying array of new financial services being offered today, choosing a bank can be a challenging experience for even a savvy customer. According to the Michigan Association of CPAs, while deregulation has benefited consumers in some ways, it has made comparing banks more difficult.

With banks now free to set their own rates and establish varying maturity dates on savings accounts, it seems there's as many different rates and terms as there are banks. And with a growing number of other service options to choose from, selecting a bank gets even more difficult.

CPAs recommend that you focus your search for the right financial institution by first determining what services you need. And don't necessarily limit yourself to "bank" banks. Many other financial institutions - such as savings and loans, savings banks and credit unions - now offer full banking services and are worth investigating. For simplicity's sake, however, we'll call all financial institutions "banks." But make sure the institution you select is insured by either the Federal Deposit Insurance Corporation (FDIC) or Federal Savings and Loan Insurance Corporation (FSLIC).

Many financial institutions, eager to capture a greater share

of business, offer incentives for you to do all your banking with them. Bankers call this "Relationship banking." It means that a customer using several services at the same bank, might very well be offered a higher rate on savings, better terms on a loan, or perhaps, reduced service fees. However, if you have the time and the wherewithal, you might find that Bank A offers the best checking account options, Bank B has the best savings rates and Savings and Loan C the lowest mortgage rate. Or you may even choose to bank by mail or phone if the rates are favorable.

**Check on Savings**  
If you want to know the true interest rate a bank or thrift is offering on an account, ask for its effective annual yield. This yield is the result of compounding - the paying of interest on interest. The more frequent the compounding, the more interest you earn; daily compounding gives you more than monthly; monthly more than annual.

But interest rates aren't the whole story. The highest rate may not be the best deal, depending on the service fees charged by the bank. Some banks impose service charges on low-balance accounts; others impose a charge if you close your account within six months or a year of opening it.

If you're planning to open a bank Certificate of Deposit (CD), there are additional questions you'll want answered. First of all, you should make sure you can withdraw your money before maturity, if necessary, and know what penalty the bank assesses

for doing so. Another important factor is whether or not a bank will send you a reminder notice shortly before your CD comes due. Some banks do; others leave it up to you to remember your account's maturity date. Depending on the bank's policy, your account may be renewed for the same term at the current rate, it may be transferred to a passbook rate or even left sitting earning no interest at all.

**Save on Checking**  
When selecting a bank for your checking account, shopping around can really save you money. Some banks charge a monthly service fee, some charge a fee per check written and some do both. Often, the monthly charge is based on the balance you keep on deposit. The higher the balance, the lower the fee is likely to be. Find out how the bank arrives at your balance for the purpose of determining your monthly charge.

Ask, too, about fees for bounced checks, certified checks and stop payment orders. Some banks charge low monthly service fees to attract customers and then try to make up the difference by charging higher fees for bounced checks and related items.

Pay particular attention to the fees for negotiable order of withdrawal (NOW) accounts. NOW accounts are interest bearing checking accounts. In many cases, unless you keep a very high balance, monthly service fees can eat up the interest your account earns.

Another important factor to weigh when looking for a home for your money, is the bank's holding policy for deposited checks. Many banks put a hold on a deposited check but the number of days can vary from three days at some institutions to 15 days at others. During this holding period, you do not have the use of the deposited funds.

### Spending on Lending

Most financial institutions offer a wide range of loans - there's mortgage, home equity, automobile, personal loans and others. Many people wrongly assume that lending rates are pretty much the same, but the truth of the matter is annual percentage rates (APR) can vary quite widely. Luckily, comparing loan rates has been simplified by the Truth in Lending Act which requires all banks to figure the APR the same way. Because loan and mortgage payments can easily be transacted by mail, a good rate becomes more important than the proximity of the bank.

**Convenience Pays Off**  
Convenience is certainly a key factor to consider when selecting a bank. In fact, a recent survey conducted by the banking industry revealed that 40 percent of bank customers selected their current bank simply because it was nearby. A bank that has a branch both near your home and workplace would be a good choice.

CPAs recommend that you keep everything in perspective when choosing a bank - traveling across town and waiting in long teller lines may not be worth an extra 1/4 percent. But, by the same token, don't settle for less than you are entitled to. If the bank you select isn't measuring up, or if you think you could do better elsewhere, it's time to check around.

"He gives twice who gives soon."

## MedSport Announces Basketball Clinic

University of Michigan MedSport will sponsor a basketball clinic on October 12, at 7:30 p.m. in the Fitness Center at Domino's Farms. The clinic will feature several speakers who will address basketball issues. The speakers include:

\*Bill Frieder, Head Coach, University of Michigan Men's Basketball.

\*Bud Vanderwege, Head Coach, University of Michigan Women's Basketball.

\*Ed Wojtyls, Sports Medicine Surgeon, Assistant Medical Director of University of Michigan Sports Medicine Program.

\*Russell Miller, Head Athletic Trainer, University of Michigan and Director of MedSport Training Program.

Russell Miller will also be accompanied by the University of Michigan Training Staff.

Topics for the clinic include conditioning, motivation, drills, techniques, and injury prevention as they relate to basketball.

The MedSport Basketball Clinic is open to high school coaches, athletes, parents and interested members of the general public. Admission is free and no pre-registration is required.

Questions should be directed to Julie Gazmarian at MedSport, 313/763-7400.

## Gazebo — Post Script

by Howard E. Parr

The gazebo is finally completed, but not until the end of a long chain of events which go back to when the materials were ordered in June. The best looking, turned posts specified for this structure didn't come in the length required. They were also hollow and built up of laminated sections of wood. To obtain the necessary length they were spliced at the floor level to another short section which reached down to the

foundation.

The first strong winds after the dedication ceremony made Norm Walz worry. He obtained braces and installed them temporarily to prevent any damage until something could be worked out.

The best solution finally agreed upon by the architect and the builder was a single, solid post long enough to run from the foundation to the roof. The replacement posts are not as decorative as the first ones, but with the matching brackets on each side at the roof line, should be strong enough to stand our normal winds.

It was this replacement work which you saw going on last week. It is unfortunate that any changes had to be made and there may be some who would raise criticism. Please remember this is a volunteer project for the benefit

of the community. Costs involved will be covered by the Historical Society.

## Chamber Of Commerce

Chamber of Commerce members and guests will have an opportunity to learn how they will be affected by proposed designation of the central area of the village as a historic district. This will be the subject of the program at the October general meeting.

Mary Kallewaard, President of the Manchester Area Chamber of Commerce, has announced that Bob Daverman, Co-chairman of the Manchester Historic District Study Committee, will discuss such matters as tax benefits and building regulations which are a part of Historic District designation. This will be an opportunity for all interested persons to learn more about this issue.

The meeting will be Wednesday, October 14, 1987, from 12:00 noon to 1:00 p.m. at the K of C Hall.

Businesses and industries as well as local residents interested in the Historic District project are invited to attend. Members are urged to bring prospective members. Lunch will be available at \$4.00 per person. For lunch reservations please notify Pat Spaulding (428-7684), Mary Kallewaard (428-7194) or Ann Pat Wolf (428-8389). Reservations must be made by Monday, October 12.

## Village of Manchester Receives Grant

The Village of Manchester will receive a \$1.9 million U.S. Environmental Protection Agency grant, Congressman Carl Pursell announced on October 5.

The grant is being awarded in conjunction with Manchester's plan for a three-phase remodeling of the community's existing wastewater treatment plant and separation of storm and sanitary sewers.

The EPA grant will pay for a large part of the \$2.9 million wastewater treatment phase of the project, with Manchester financing the remaining \$983,000, Pursell said.

"I know this is an important announcement for Manchester residents as the village attempts to meet its targeted completion in 1989," the congressman said.

The village already has financed the sewer line work and was awaiting a decision on the EPA

grant before issuing bonds to finance its share of the treatment plant remodeling.

This grant was obtained through the efforts of many people. —Editor.

## Student Of The Month

Pictured with Kim are her parents Jack and Diane Lockridge and Optimist member Monty Okey.

Kim Lockridge has been honored as Manchester Optimist Student of the Month for September. She is the daughter of Jack and Diane Lockridge of Manchester. Kim is a senior at Manchester High School and is interested in a career in Journalism after graduating. She has excelled in sports these past 3 years: Varsity Girls Softball for 3 years, Varsity Girls Basketball for 3 years, and captain and honorable mention all-conference for those sports. She has been on the A and B Honor Roll and had perfect attendance awards for the past 2 years. She has been a secret pal for the football team and participated in the Talent show at Manchester High and also participated at the U of M German Day. Her junior year, Kim was elected to the National Honor Society and was Optimist Girls State delegate. This year Kim is senior class treasurer and was a member of the local S.A.D.D. Despite her busy schedule, Kim also worked at McDonald's this past year! We all wish Kim the best in the future years to come!

**James G. Pratt**  
 316 W. Michigan  
 Clinton

Age 72, passed away Saturday, October 3, 1987, at Herrick Memorial Nursing Home following a long illness. He was born February 16, 1915, in Dexter, to John and Gertrude (Greve) Pratt. He married Ellen Kuienkamp on March 30, 1935, and she survives. He was a lifelong resident of Manchester, where he was a farmer prior to establishing the James Pratt Insurance Agency in town. He retired from the insurance business in 1977. He was an active member of the Manchester United Methodist Church, a past member of the Manchester Masonic Lodge and past president of the Manchester Optimist Club.

He is also survived by two daughters, Mrs. Robert (Barbara) Dubler, of Lambertville, and Mrs. Michael (Marilyn) Mazer of Washington, Pennsylvania; three sons, Roger of Flat Rock, Gary of Clinton and John of West Chester, Ohio; seven grandchildren and one great grandchild; two brothers Robert and Ellis both of Manchester; several nieces and nephews. He was preceded in death by one brother and 4 sisters.

Memorial services were held Sunday, October 4, 1987 at the Manchester United Methodist Church with Rev. Hayden Carruth and Rev. William Cooper officiating.

**Shakespeare Reading Club**

The club met at the new home of Gail Curtis on September 29, 1987. The Shakespeare play called "Othello" was reviewed in an educational way by Gail. She also had pictures of various actors who played the leading part of "Othello" in previous years.

Lenora Parr read two poems about "Casey at the Bat" which reminded us of the problems of

**Senior Citizens News**

A friend from Florida has spent the past week with us and came hoping for nice cool weather after the 90° heat down there. Did Mother Nature ever accommodate her! When she goes back, our temp will surely go up from 34° the other morning. This explains that cold spell! Come on in on Thursday, October 8 (out of the cold) for exercise at 11:00, creamed chipped beef over biscuit at noon and bingo at 12:30.

Tuesday, October 13 - There will be Council meeting at 9:30 a.m. Noon lunch will feature spaghetti and meat balls and sewing at the Center to follow.

Wednesday, October 14 - Seniors will leave the Center at 10:00 a.m. for the Saline Community Hospital. Program Director, Louise Churches, will present ideas on 'Making The Most Of Your Retirement Years' beginning at 11:00 until 1:00 p.m. She is a leading senior from the Area Agency on Aging 1B and will lead discussion on what area seniors are doing to make the

most out of retirement. Free Blood Pressure check will be offered from 10:30 - 11:00 a.m. Call Rubena Boelter (428-8655) or Helen Knickerbocker (428-7239) if you can go along.

Thursday, October 15 - Exercise at 9:30 a.m. on a shopping trip to Jackson. Call Helen to make reservations.

This is the last call for the Christmas at Whiting trip on December 19. If you wish to go, you must have your name and money to Helen Knickerbocker by the end of this week. Why not go along on this most enjoyable fantasy?

We are still collecting Bill Knapp's bonus points, so please ask for them when paying your bill. Return them to any senior, the Center or one of the canisters about town.

**News From O'Connor**

State Representative Margaret O'Connor (R-Lodi Township) confirmed today that she has not accepted the pay raise approved for members of the Michigan Legislature.

O'Connor said that she has been working on a plan to donate the amount of the salary increase to various groups and causes in Washtenaw County.

The first donation will be in the form of prize money for an essay contest for high school seniors in any Washtenaw County high school.

O'Connor said she has contacted all of the public and private high schools in the county informing them of the contest.

The third-term Republican said that she would give a first place prize of \$150.00 and a second place prize of \$50.00 for the best essay on "The Value of the Free Enterprise System."

"I am concerned that our students are not being adequately educated in the value of the free enterprise system and therefore I think this would be appropriate for a senior essay," O'Connor said. "I hope every high school senior in the county will take part in this contest."

The deadline for entries is January 1, 1988. The award winners will be announced later in January.

**Fire Prevention Week**

Lori Lee Anderson and Billy Alber, 1st graders in Mrs. Groeb's room, admire the "Play It Safe with Snuffy" game board on the school's bulletin board.

Boys and girls at Klager Elementary School will be participating in Fire Prevention activities this week. The Manchester Fire Department will visit the school, a fire drill will be practiced and classrooms will be participating in a variety of fire safety games and activities.

**"Learning Tools For Schools"**

Kathy Doyle and Darci Hock deposit the very first "Learning Tools for Schools" seals in the canister.

Students of Klager Elementary School have launched a campaign to collect seals from specially-marked packages of Scott Paper Products. Through a program called "Learning Tools for Schools", the seals will be redeemed for school equipment and learning aids. Seals may be dropped off in the canister in the lobby at Klager.

**Family Graph**

Mrs. Savage's first grade at Klager School made a Family Graph for Math. They displayed it in their room for Open House. The parents enjoyed it.

The graph shows that: No family had just one member; 1 family had 2 - that's Tory Benya; No family had 3; 8 families have 4; 9 families have 5; 5 families have 6; No family had 7; 2 families have 8; 2 families have 9 - that's Kenny Bordine and Paula Young. 27 families in all!

Tory Benya and Kenny Bordine stand in front of the class Family Graph. Tory and Kenny represent the students that have the least and most family members.

let your words do the talking in the **CLASSIFIEDS**

The last thing you need when you're over 55, is a problem paying for your car insurance.

Age has its rewards. Sometimes. It does with Auto-Owners. They give good drivers age 55 or older a discount. So instead of raising your premiums or reducing your coverage you may pay a little less for your auto insurance. Auto-Owners respects maturity and a good driving record. Just ask your "no problem" Auto-Owners agent how he can save you money on your car insurance. When you hear the news, you'll be glad you've got a few years behind you.

## Teens Help Out

Teen volunteer Jennifer Faulhaber, 15, of Manchester, brings a soft drink to a patient at St. Joseph Mercy Hospital.

Jennifer Faulhaber, 15, thinks about becoming a nurse someday. Nalee Park, 14, has thought about becoming a pediatrician. Christa Spork, 15, is interested in a possible career in hospital administration.

All three Manchester teens joined the summer teen program at Catherine McAuley Health Center this summer to gain some firsthand experience in a medical setting.

Faulhaber, a sophomore at Manchester High School, helped out on a nursing unit, assisting nurses by making beds and running errands and assisting patients by refreshing water, answering call lights, running to the gift shop, and taking them for walks.

"I'm trying to decide if I want to be a nurse," she says. "I'm not sure yet. They work really hard."

A ninth grader at Gabriel-Richard High School, Park helped out at the Reichert Health Building information desk and in Audiology.

At the information desk, she answered the phone, transported patients in wheelchairs if needed

and directed visitors to their destinations.

In Audiology, she greeted and registered patients.

"I also learned about how many kinds of hearing tests there are," she says. "One of the audiologists showed me the equipment and explained how they give testing for children with toys and such."

Park says she enjoyed her volunteer work and exposure to hospital life.

For Spork, a sophomore at Manchester High School, this was her second time around. Last summer she volunteered as a clerical assistant. This summer she opted for patient contact on a nursing unit.

"I'm thinking about going into hospital administration, so I wanted to talk to patients to see how they felt and how to make them more comfortable."

Besides providing some career experience, she says her volunteer work was also personally rewarding.

"I felt really good being able to help people. I felt like I did something worthwhile and important that day."

## Quilt Exhibit And Craft Fair

The Ninth Annual American Heritage Quilt Exhibit and Craft Fair will be held on Saturday, October 10, at the First United Methodist Church, State and Huron Streets in Ann Arbor.

The event will take place from 10 a.m. to 4 p.m. with lunch being served from 11 to 2.

Featured will be a basket-maker, spinner, a rug hooker and a tatter. There will also be a bake sale and craft sale.

## Chelsea Home Open House

The Chelsea Methodist Retirement Home will hold its annual fall open house on Sunday, October 11th, from 2:00 until 5:00 p.m.

The home, located at the end of West Middle Street in the Village of Chelsea, has been serving the elderly since 1907 at this location.

Activities at the home are varied; everything from ceramics to swimming. A men's group has just been organized to meet the needs of the growing number of male residents and there is an adult Girl Scout troop for the women.

Tours of the home will be offered throughout the hours of the open house. Refreshments will be provided by the Retirement Home Friends and some of the members of Uncle John's Dulcimer Band will be on hand to provide a festive atmosphere. In addition, information will be available about volunteering at the home.

## Pollack To Seek Another Refund Election

State Senator Lana Pollack (D-Ann Arbor) said she has formed a campaign committee and will seek election to the U.S. House of Representatives in Michigan's 2nd Congressional District.

She is seeking the Democratic nomination for the seat now held by Republican Carl Pursell of Plymouth.

Senator Pollack, who is serving her second term in the state Senate, said her record proves she is not afraid to face up to problems and give straight answers.

Senator Pollack said her campaign will focus on environmental protection; support for senior citizens' health care; an adequate, but not extravagant, defense budget; jobs and the economic well-being of workers; elimination of contra aid; support for education and research; and programs to ensure children the best possible future.

Born in Ludington, Michigan in 1942, Senator Pollack has been a resident of Ann Arbor since 1960.

She previously was a member of the Ann Arbor Board of Education, a teacher, a campaign manager and a community volunteer. She is also a wife and a mother.

As a result of recent Michigan Public Service Commission (MPSC) orders, electric and gas customers of Consumers Power Company will receive refunds in the form of a one-time bill credit in their October bills. The refunds are based on MPSC rulings concerning the Federal Tax Reform Act of 1986.

A typical residential electric customer, using 500 kilowatt-hours per month, will receive a bill credit of \$2.64. Consumers Power serves 1.4 million electric customers in 61 of the 68 counties in the Lower Peninsula.

The October refund amount totals \$11.5 million. By July 1988, Consumers Power will refund an additional \$8.8 million to electric customers as a result of the tax rulings.

Gas customers will receive a refund of \$10.4 million. The refund, appearing as a bill credit, will be \$5.66 for a typical residential customer using 150 thousand cubic feet of gas per year.

By July 1988, Consumers Power will refund an additional \$7.3 million to gas customers due to the same orders. Consumers Power Company serves 1.2 million gas customers in 40 Lower Peninsula counties.

## Manchester Village Council Proceedings

Approved Minutes  
September 21, 1987

The regular meeting of the Manchester Village Council was called to order at 7:00 p.m. by President Hinkley with the Pledge of Allegiance. Present: Hinkley, Tapping, Limpert, Reinhart, Becktel, Harris, Marshall. Also present: Becky Doyle, Kathleen Bachman, Andy Arizalla, James Hendley, Sam Brown, Jim Mann, Gerald Mann, Clifford Tracy, Robert Lowery, Jan Iononti, Gina Knauss, Anne Gordon, Chris Spork, Gary Wiedmayer, Brad Roberts, Vera Kluge.

Limpert apologized to Clifford Tracy and Council for using the word rescind in referring to the Industrial Park.

The minutes of the September 7, 1987, regular meeting were approved as corrected on a motion by Becktel, supported by Reinhart. Ayes - all.

APPROVAL OF AGENDA  
Reinhart requested a closed session on the DPW Contract at the end of the regular meeting (14). Hinkley stated Planning

Commission should be moved from (10) to (5a) and Garbage Collection - Competitive Bids (13b).

Motion by Tapping to approve Agenda as amended, supported by Marshall. Ayes - all.

Hinkley stated the Village Manager will be on a 3 month medical leave starting September 16, 1987. Council will discuss the matter later in the meeting.

CORRESPONDENCE  
The Clerk read letters from (1) Judy Steele - sewer problem, (2) Michigan Department of Transportation - Act 51, (3) Wm. Shurtliff - shrubs on extension, (4) Jeanette Stein - Dumpsters.

Motion by Reinhart, supported by Marshall, to put on next meetings Agenda a discussion of Shrubs on Village extension at 311 Main Street. Ayes - all.

Hinkley read a letter from McNamee, Porter and Seeley. PLANNING COMMISSION

Marshall stated the Planning Commission unanimously recommends that Council approve Vera Kluge's permit as requested in the application with the conditions listed. The required

findings for such application are listed in Chapter 51, Article 18, Section 5.196 of the Village Code. The Planning Commission believes that Dr. Kluge's application satisfies all of the standards contained in this section, if the use is regulated by certain conditions, and Dr. Kluge agrees to these conditions in the supporting documents to her application:

1. Boarded animals to be kept only in specially-designed indoor kennels, not outside these kennels.

2. Building renovations to be made, which will use materials and procedures described in section E of the application.

3. Sound measurements to be made after building renovations are complete, to verify compliance with local ordinances and to compare with the stated goal of 24 db. measured outside of the building.

4. Noxious materials to be stored indoors, and to be removed daily out of town.

Limpert moved to accept the Planning Commission report, supported by Marshall. Ayes - all. PUBLIC HEARING  
Motion by Tapping, supported by Becktel, to adjourn as Council and to convene in Public Hearing at 7:25 p.m. Ayes - all.

proposal for the use of the building at the northwest corner of Main Street and M-52. Anne Gordon and Jim Mann spoke in favor of Dr. Kluge operating a Veterinary Clinic for small animals and a retail pets supply store on Main Street.

The Clerk read a letter from Jeanette Stein also in favor of the new business.

Motion by Marshall, supported by Harris, to adjourn the Public Hearing at 7:42 p.m. Ayes - all.

Tapping moved that the Conditional Use Application submitted by Dr. Kluge be approved as recommended by the Planning Commission and the stipulations recommended in their outline to Council, supported by Becktel. Roll Call Vote: Ayes - all.

PUBLIC PARTICIPATION  
Gerald Mann asked questions about the Village car.

Kathleen Bachman and Andy Arizalla from Micro Arizalla came to inform Council what they have done to help the staff get the computers up to date.

Clifford Tracy asked questions about the Village Manager.

Sam Brown asked about the utilities being extended to the Industrial Park.

DPW REPORT  
Wiedmayer presented the DPW

Report - on file.  
Discussion followed as to where Brad Roberts should work after his training is finished at the Treatment Plant. Council said, at Wiedmayer's discretion, he can utilize Roberts on the streets and one week a month he can work at the Treatment Plant.

After a lengthy discussion on DPW equipment, Becktel moved to purchase a trash pump from Honda, supported by Reinhart. Roll Call Vote: Ayes - all.

Motion by Becktel, supported by Tapping, to purchase a York Rake for \$465. from Napoleon Lawn and Leisure. Roll Call Vote: Tapping - yes, Limpert - no, Reinhart - yes, Becktel - yes, Harris - no, Marshall - no, Hinkley - yes. Motion approved.

Council directed the Clerk to reprint the NO Burning Ordinance in the Manchester Enterprise.

Wiedmayer will be paid for Council meeting when asked to attend.

MANAGER'S REPORT - Tabled.  
Limpert suggested that Council review the Village Manager's Contract.

Motion by Reinhart, supported by Marshall, to accept the Treasurer's Report. Roll Call Vote: Ayes - all. Motion Approved.

Motion by Becktel, supported by Reinhart, to appoint Harris to help coordinate the Village finances. Ayes - all.  
OLD BUSINESS

Limpert Easement - Council is waiting on Garnett Johnson.

Garnett Johnson Proposal - Hinkley appointed an ad-hoc committee of Reinhart, Marshall, Becktel, to work on Senior Housing.

ZBA Re-adoption - Motion by Limpert, supported by Harris, to re-adopt the ZBA Ordinance as presented. Roll Call Vote: Six ayes, Marshall - no. Motion

## Horseshoe Champion

Robert Wells, Director of the Wolverine Horseshoe Pitching Association presented Sandy (Finrock) Smith of Saline, formerly of Manchester, a trophy and check for capturing the title of the Women's Michigan State Horseshoe Championships in Dimondale near Lansing over the Labor Day weekend. This is Sandy's seventh year winning the championship. Sandy now holds the title of most championship wins in Michigan for women. She has also competed in the World Horseshoe Pitching Championship in Greenville, Ohio, in which she took 3rd in her class. Sandy was

the Mid-West Champion in 1984 and 1985; she was the Capital City Open Champion in Lansing and twice champion in the Water Wonderland Classic Championship in Jackson.

Sandy was in Manchester High School's Class of 1966.

## Births Announced

Al and Maryann Bommer are proud to announce the birth of their daughter, Ashley Amanda, on September 26, 1987, at Bixby Hospital. Amanda weighed 6 pounds 12 ounces and was 18 1/2 inches long.

Paternal grandparents are Donna and Al Bommer and maternal grandparents are Colin and Patsy Salyer.

Randy and Kim Henry are pleased to announce the birth of their first born son, Nickolas Lee. He was born September 12th and weighed 6 pounds 11 ounces and was 19 1/2 inches long.

Grandparents are George and Lois Wacker of Manchester and Jim and Dolores Henry of Milan. Great grandmothers are Elfrieda Wacker and Florence Stark both of Manchester.

Nickolas has 1 sister, Courtney Kay, 2 years-old.

Mayor John Hinkley is showing a bright new smile this week. His wife, Karen, presented him with a new addition to the family Saturday morning, October 3, 1987. Julie Mae Hinkley weighed 6 pounds 9 ounces. Annie Hinkley is excited to have a little sister. Annie is being cared for by the

maternal grandparents from Florida, Robert and Lois Lessa. The paternal grandparents are Don and Sally Hinkley of Ewart, Michigan.

## American Legion Auxiliary

The American Legion Auxiliary will meet at the Legion Home on October 14, 1987, at 7:30 p.m.

## Rogers Corners Farm Bureau

Thursday, October 15 - Burrito with Chili, Hash Brown Patty, Mixed Vegetables, Crushed Pineapple, Milk.

Friday, October 16 - Cheese & Sausage Pizza, Tossed Salad with Dressing, Fresh Fruit, Chocolate Pudding, Milk.

# Manchester Sports Report

## Dutch Golfers Red Hat

by jon

On Monday, we had a quadrangular meet as we met Jonesville, Springport and Michigan Center at Lakeland Hills golf course. Nick Miller shot a 43 as we won with a 184 total.

The very next day, we squared off against Sand Creek. Seniors Brad Uphouse and Nick Miller tied for medalist honors, swinging for 42, as sophomore Tim Burkhardt netted a season low of 45. The final score in this golf outing was 174-182. We now stand 11 wins and 9 losses on the season, with this our 5th win in a row.

## Varsity Lady Dutch Fall

by jon

Thursday night was the battle of the unbeaten. After 3 periods were history, the score was tied at 38. Unfortunately the final 8 minutes saw Grass Lake outscore us by 12 points, leaving the final 63-51. The Warriors are now 4 and 0, as we slip to 2 and 1. Renea Drouare had a spectacular night, as she hit 9 field goals and was 4 for 4 from the charity stripe for a total of 22 points.

## Pirates Silence Dutchmen

by jon

Unfortunately, the snap was high with the result being a 2 point safety.

In the 2nd quarter, we started a long, consistent drive which ended in a touchdown. Scott Gross motored in from 5 years out, but his run for extra points failed, leaving the tally 6-2. In the 3rd quarter the pirates

Bisard - Paul 1 3

crossed our goal, going ahead again, 8-6. The final quarter saw the Dutch march down the field but stall at about the 20 as time ran out. Therefore the score remained 8-6.

On Thursday night, our Little Dutch defeated Napoleon, 16-8.

## JV Basketballers Shine

by jon

On Tuesday, we trekked to Vandercrook Lake and left with a narrow 28-24 victory. Jackie Ahrens led our scorers popping for 10, as Stacey Wilde aided with 7.

On Thursday night we hosted Grass Lake and won again 28-20. The tables were turned in scoring as Stacey had 12 points and Jackie contributed 8. Stacey had another huge night in rebounds with 25. We now stand 6 and 2 overall and 3 and 0 in the league.

# Manchester Business Directory

## Rotary Charter Presentation

A directory of businesses, services, and industries in the Manchester area is being prepared by the Chamber of Commerce. The name of the business, address, phone number, type of business and a contact person (if desired) will be included. Any business not on the present Chamber of Commerce mailing list may be listed by phoning Jim Mann (428-8388) or Ann Pat Wolf (428-8380) by October 15th. There is no charge for the listing.

The brochure, which will be in a convenient 6" x 9" booklet form, will be used to encourage the use of local businesses and services. It will be made available to new or prospective residents or businesses.

**SUPPORT YOUR LOCAL BUSINESSES!**

Altogether, with a few invited guests numbered 135. They were a right jolly bunch to a man. The meeting and banquet was held at Emanuel's church hall, and a committee of Manchester men were there with the glad hand to welcome and accommodate the visitors.

Those who comprised the list to start the club in motion in order to procure a charter are: Dr. Lee Davison, Clarence Haarer, Walter Schaible, R.B. Haussler, O.M. Way, Tosselo Knorpp, Alfred A. Snowman, Bennett C. Root, Laurence Wurster, Fred Lehman, Paul Breitenwischer, Ralph Harper, Clarence Lindbert, Waldo Marx, Dr. P.A. Scheurer, O.E. Dunckel and Arthur Jenter. Ted Schaible of Ypsilanti is the father of the movement in Manchester and knowing the

usefulness of Rotary clubs elsewhere, we have no doubt the citizens of Manchester will some day, if they have not already done so, thank him for his interest in what might be called his home town.

A banquet was served by the ladies of the church at 6:30 which was declared by all to be a No. 1.

Then came a program of speeches, songs, etc. Ted Schaible, was master of ceremonies and called on Rev. Harper for invocation, then introduced Marvin S. Pittman as Toastmaster. Addresses of welcome were given by the District Rotarian president, Arthur Erickson of Ypsilanti, James Carson, president of the Tecumseh Rotarians and Horatio Abbot, the best known and popular democrat of Ann Arbor, which were pleasingly responded to by Fred A. Lehman of this village. An address by Ed Knight, first president of the Detroit Rotary club, which was fine was followed by the singing of some lively songs. Then came the presentation of the charter by District Governor Richard Hedke, of Detroit, and response by President "O. E." Dunckel.

Rotary clubs at Ypsilanti, Ann Arbor, Detroit, Tecumseh, Jackson, Plymouth, Highland Park, Hamtramck, Adrian, Monroe and Saline were represented at the meeting.

The officers of the club are O.E. Dunckel, president; B.C. Root, Vice President; Waldo Marx, Secretary; Walter Schaible, Treasurer; Laurence Wurster, Sergeant at Arms.

The directors are: O.E. Dunckel, B.C. Root, Clarence Haarer, Laurence Wurster and Fred Lehman.

"To flee vice is the beginning of virtue, and the beginning of wisdom is to have got rid of folly." Horace

## Preschool News

Left to Right: Audrey Bennett, Cheryl Barker, Amy Preston, Sarah Luckhardt, Nicole Kaminski, Emily Hughes and Sarah Southwell.

Standing Left to Right: Joseph Donnellon, Kevin Turk, Michael Kennedy, Justin Bersuder, David DuRusell, Justin Knouase and Kevin Binion. Seated: Paul Kappler and teacher Linda Ebersole.

The Manchester Co-op Preschool started this year with new household furniture that was purchased from the money raised by a quilt raffle last year. The children now have a new dining set, stove, sink, refrigerator and cupboard. One day the boys from the M-W-F morning class pretended to fix a meal for the girls along with some help from their teacher, Mrs. Linda Ebersole.

"Poor eyes limit your sight; poor vision limits your deeds." Franklin Field

## Celebrating 95th Birthday

Mrs. F.C. Huber will celebrate her 95th birthday on October 14, 1987. Lelah, formerly of Chelsea, is a resident of the Chelsea Methodist Home, located at 805 W. Middle Street in Chelsea.

## DAN'S WESTSIDE AUTOMOTIVE

660 West Main Street Phone 428-9455 Manchester, Michigan

### WHEN THE SNOW FLIES WILL YOUR CAR BE WINTERIZED?

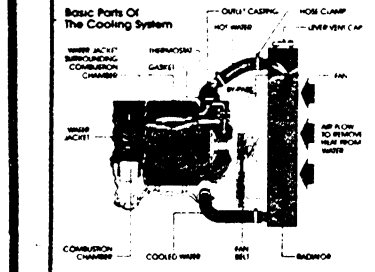

Inspections of the Cooling System are Crucial to the Engines Health

### How To Prevent Car Heart Attacks.

FOR ONLY \$29.90

COMPLETE INSPECTION INCLUDES:

1. Flush Cooling System
2. Check Operation of Thermostat.
3. Test Battery and Charging System.
4. Clean Battery Cables.
5. Inspect Radiator Cap, Belts and Hoses.
6. Fill System With Up to 2 Gallons of New Antifreeze.

Unfortunately, most car owners don't realize that cooling system parts should be replaced before they fail. Like heart attacks in people, car heart attacks can often be prevented with regular inspections of the cooling system.

Today's cars operate at higher engine speeds with more equipment under the hood, smaller engine compartments, and reduced radiator size. So the cooling system — particularly the thermostat, which constantly opens and closes to regulate coolant flow — is under a lot of stress. In fact, the cooling system removes twice as much engine heat as the exhaust system.

## Dial-A-Garden

The following is a monthly schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. The system is in operation 24 hours a day, 7 days a week. Interested persons are invited to call 971-1122 at their convenience to listen to timely, up-to-date gardening information.

Thursday, October 8 - Why Do Leaves Turn Colors in the Autumn?

Friday, October 9 - Landscape Plants with Brilliant Fall Colors.

Monday, October 12 - HOLIDAY - COLUMBUS DAY - NO NEW TAPE.

Tuesday, October 13 - Put Leaves to Good Use.

Wednesday, October 14 - Fertilizing Trees and Shrubs.

## Consumers Beware!

The Michigan Consumers Council is reminding consumers to be on guard for unscrupulous furnace "inspectors" and furnace cleaners - a common problem in Michigan in the fall.

"While routine furnace inspection is critical this time of year, it's equally important that Michigan consumers know how to protect themselves from a scam," said Kent S. Wilcox, director of the Consumers Council.

Wilcox advises consumers to be on the lookout for such common scam techniques as:

- \*Telephone solicitations for furnace inspections and/or cleanings by unfamiliar firms;
- \*door-to-door furnace inspectors who "just happen" to be in the neighborhood;
- \*sales or repair people who indicate you need to buy a new furnace or get expensive service on the spot.

However, Wilcox adds, routine furnace checkups by established, reputable, and licensed heating specialists in the community are a must before the cold weather season.

"The risk of carbon monoxide poisoning from faulty home furnaces outweighs the minimal cost involved in having your furnace checked," he stated. "For example, the Consumer Product Safety Commission estimates that more than 200 people die each year as a result of faulty gas furnaces alone."

Consumers should take extra precautions in having their furnace checked if it is more than ten years old or has an operating humidifier that sits over and drips onto the heat exchange. The heat exchange area is a common problem site for rust and cracks.

Consumers may have their furnace inspected by a licensed contractor, local building department inspectors, or by their local utility company.

The Michigan Consumers Council is a state legislative agency which provides consumer information and referral services as well as consumer counseling and advocacy on consumer-related matters before the Michigan Legislature.

## Manchester Village Council

approved.

**Swimming Pool Ordinance** - Motion by Limpert supported by Marshall, to adopt the Swimming Pool Ordinance as amended and presented tonight. Roll Call Vote: Ayes - all. Motion approved.

**Budget Amendments/Budget Comparisons** - Tabled.

**Ad Hoc Committee Report - Engineering Firms** - Limpert stated that at the present time Council has more priority matters, but will interview 2 or 3 Engineering Firms in the near future.

**Uniform Rental Contract** - Motion by Becketl, supported by Tapping, to accept the Arrow bid for one year. Roll Call Vote: Ayes - all. Motion approved.

Bob Lowery asked Council what should be done about complaints on the Manchester Apartments. Council asked Mr. Lowery to handle the matter per discussion.

**Garbage Collection - Bids** - Motion by Limpert, supported by Becketl, to seek bids for Garbage Collection using the specifications presently outlined in the Village Contract with the addition of a statement on Spring Clean-up and an agreed upon schedule with the Contractors. Roll Call Vote: Ayes - all. Sealed Bids will be due on October 19, 1987.

Limpert led a discussion on the Village Manager and what should be done.

The Clerk will take care of the Act 51 problem.

Motion by Limpert, supported by Becketl, to send a registered letter to Dan Naimowicz,

requesting he reply in writing, within 48 hours, as to how he will fulfill his contractual responsibility to the Village of Manchester. Roll Call Vote: Ayes - all. Motion approved. Council will call a Special Meeting when they receive the written reply from Dan Naimowicz.

Motion by Becketl, supported by Harris, to enter into closed session at 10:07 to discuss DPW Contract.

Returned to regular meeting at 10:54.

Meeting adjourned - 10:55.  
Helen J. Kensler  
Deputy Clerk

## Manchester Village Council

Approved Minutes  
Special Meeting  
September 28, 1987

The Special Meeting of the Manchester Village Council was called to order by President Hinkley at 8:00 p.m. Present: Hinkley, Tapping, Limpert, Reinhart, Becketl, Harris, and Marshall.

**VILLAGE MANAGER INTERIM** - Council reviewed the letter sent to Mr. Naimowicz on September 22, 1987, and the Mailgram received from him on September 24, 1987. The board would not except the mailgram as official notice, one reason being there was no signature.

The Clerk reviewed long term and short term disability with Council. It was also brought to Council's attention that Mr. Naimowicz has 1 1/2 hours of sick time, 40 hours of personal and 80

hours of vacation time left. After some discussion Council decided to send another letter to Mr. Naimowicz asking specific questions. Letter on file. **COMPUTER UPDATE**

Terry Harris reviewed with Council the progress being made with the computer and financial statements. It was reported that training had been completed and that the reports had been run off. Things still to be done were: 1. Accountant to verify the accuracy of input from "books" to the computer. 2. Data input for September. 3. Obtain an audit. 4. Provide new budget. 5. Provide financial reports monthly on income, expenses, assets and liabilities.

Becketl offered a motion, supported by Reinhart, to give Harris the authorization to spend up to \$300.00 to hire an accountant to review the books. Roll Call Vote: Ayes - all.

Becketl wanted to publicly thank Harris for all the help on the computer and for taking a vacation day to attend the training session.

Council adjourned at 9:10 p.m. on a motion by Becketl, supported by Tapping. Ayes - all.

## NRC Steel Shot Rules

The Natural Resources Commission has extended non-toxic steel shot rules for the 1987 Michigan waterfowl season and has said it will require steel shot statewide by 1989.

Federal requirements call for a nationwide ban on toxic shot by the year 1991, but the NRC is calling for an earlier phase-in and expects to begin reviewing a plan this fall.

There are six steel shot zones this year. The changes include expansion in the Saginaw Bay area and the inclusion of all of Macomb and St. Clair counties. Last year, only portions of those counties were designated.

A description of the zones is listed below:  
**Saginaw Bay Area**

Steel shot is required county-wide in Saginaw, Tuscola, Huron, Bay and Arenac counties, including all waters of Saginaw Bay and the waters of Lake Huron offshore of Arenac and Huron counties out to the international boundary with Ontario.

**Central Michigan Area** - Steel shot is required as posted in the wetland wildlife management units of the Maple River State Game Area.

**Southeast Michigan Area** - Steel shot is required county-wide in St. Clair and Macomb counties and in Wayne and Monroe counties east of I-94. This includes all boundary waters between Michigan, Ontario and Ohio. Steel shot is also required in some inland portions of Ingham, Livingston, Oakland, Wayne, Washtenaw, and Jackson counties. These inland areas are

the same as were required in the 1986 waterfowl season and will be described in detail in the State Waterfowl Hunting Guide.

**Southwest Michigan Area** - Steel shot is required county-wide in Muskegon, Ottawa, and Kalamazoo counties and Allegan County west of US-131. This includes all offshore waters of Lake Michigan out to the Wisconsin border.

**Houghton Lake Area** - Steel shot is required in a zone around Roscommon County's Houghton Lake described as south of Mead's Landing Road, County 300, and County 100, west of the M-18, north of M-55, and east of US-27. This is the same requirement as in the 1986 season.

**Eastern Upper Peninsula Area** - Steel shot is required on the waters of Potagannising Flooding on Drummond Island and in a zone around Munuscong Bay. These zones, both in Huron counties out to the international boundary with Ontario.

The NRC adopted a resolution at its June meeting recommending that Michigan be phased into statewide steel shot use by the 1989 waterfowl season. Wildlife and Law Enforcement divisions will present the NRC with a phase-in plan at the September 1987 meeting.

LTD Crown Victoria LX

Thunderbird Turbo Coupe

## THE 1988 AUTO SHOW

**TAURUS GL WAGON**  
The 1988 Taurus GL Wagon continues to feature the styling, engineering and overall performance that has won it the praise of the public and world automotive authorities. The GL Wagon is equipped with a 5.0 liter electronic fuel-injected engine with a 4-speed automatic overdrive transmission. Other standard features on the GL Wagon include luggage rack, tinted glass, AM/FM stereo and interval wipers. The Taurus GL Wagon is proof that Ford is changing the way America thinks about wagons.

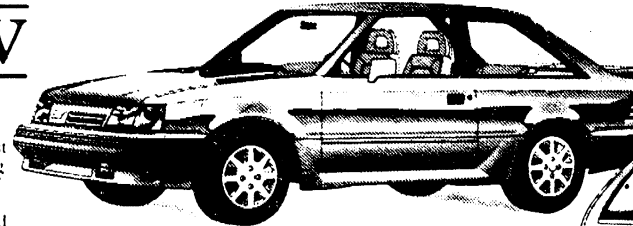

**ESCORT GT**  
Escort GT is leading the way in 1988. The proof is in its 1.6 liter high-output hemi-head engine and smooth shifting 5-speed manual transaxle. The 88 GT is also equipped with specially valved struts and shocks, plus larger front and unique rear stabilizer bars. The 1988 Escort GT—a unique combination of styling and performance.

**FESTIVA LX**  
Not all small cars are created equal. And for 1988 the Festiva LX is solid proof. The '88 Festiva LX is equipped with a peppy 1.4 liter overhead cam engine, power front disc brakes, a MacPherson strut front suspension with stabilizer bar and torsion bar rear suspension. Festiva LX for 1988, combining the practical concerns of economy and comfort into a well-built small car that's fun to drive.

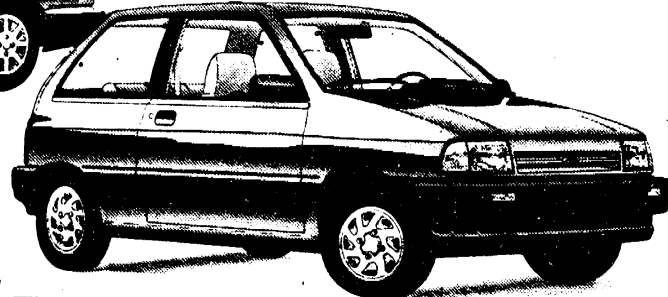

**TEMPO LX**  
The all-new Tempo LX has been redesigned to emphasize aerodynamics and performance. The LX is now powered by a 2.3 liter high-wort combustion engine with multiple-port electronic fuel injection. It is also the most luxurious Tempo, featuring main comfort and convenience items as standard. Tempo LX for 1988, superior value with sophisticated new styling and improved performance.

**LTD CROWN VICTORIA LX**  
The LTD Crown Victoria LX for 1988 features a new, more refined styling along with a traditionally smooth, quiet ride. Crown Victoria LX maintains a distinctive image for 1988.

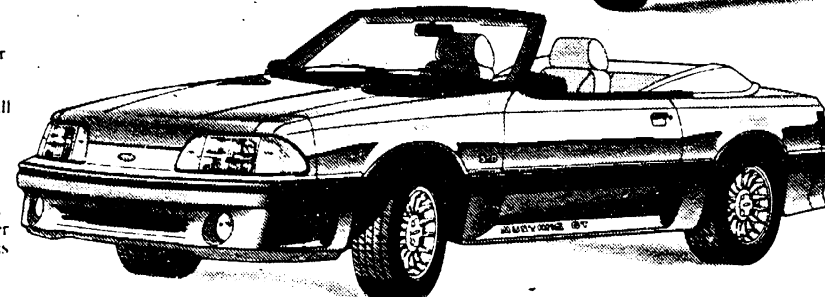

**MUSTANG GT CONVERTIBLE**  
The '88 Mustang GT convertible combines aggressive aerodynamic styling with high performance. Mustang GT is equipped with gas-filled front struts, quadra-shock rear suspension, quick ratio power-assisted rack and pinion steering and road-hugging performance radials. The '88 Mustang GT is pure performance and serious fun.

Ranger STX

F-150 XLT Lariat

Bronco II

Aerostar XLT Wagon

**RANGER STX**  
The '88 Ranger STX is free-spirited fun. STX is equipped with a 140-horsepower V-6 engine, front and rear stabilizer bars and all-season performance tires. STX models include the Regular Cab or SuperCab and 2-wheel or 4-wheel drive. The 1988 Ranger STX is a personal use compact pickup. Built Fun Tough.

**F-150 XLT LARIAT**  
The '88 F-150 XLT Lariat offers first class comfort and styling in a tough, hardworking pickup. The Lariat is powered by an electronically fuel-injected engine with a 5-speed manual overdrive transmission. Other features include rear Anti-lock brakes and a Twin-I-Beam independent front suspension. The '88 Ford XLT Lariat, America's favorite pickup keeps getting better.

**BRONCO II**  
The 1988 Bronco II is Ford's fun-to-drive two- or four-wheel drive compact utility vehicle. Bronco II is equipped with a 2.9 liter V-6 engine with multi-port electronic fuel injection. For increased driver control, Bronco II is equipped with rear Anti-lock brakes and nitrogen gas-pressurized shock absorbers. Bronco II for '88. Built Fun Tough.

**AEROSTAR XLT WAGON**  
The 1988 Aerostar Wagon is suited to meet the needs of today's family. Aerostar is equipped with a 3.0 liter V-6 engine and has roomy seating for up to seven. Its design offers both the maneuverability of a sedan and the comfort and convenience of a van. The Aerostar XLT Wagon for '88—shaping the way America's families travel.

**COME AND SEE THE BEST-BUILT AMERICAN CARS AND TRUCKS SEVEN YEARS RUNNING AT THE AUTO SHOW.**  
"Quality is Job 1." In fact, for the past seven consecutive years, Ford quality has led all other American automotive companies. This is based on an average of owner-reported problems in a series of surveys of '81-'87 models designed and built in North America.

## Hospital Chapel Sunday October 18th

On Sunday, October 18, 1987, throughout the Chelsea Community Hospital service area, a special campaign will be launched to raise funds for the completion of a Hospital Chapel. Space for the new Chapel has been designated on the main floor, near the center for the patient traffic flow.

Under the Chairmanship of Reverend Kathryn S. Batell, the Hospital's Chaplain, a Steering Committee of Hospital and community lay people, as well as area ministers have provided direction on development of the fund raising campaign.

Steering Committee members include: Cindy H. Harrison, Assistant Director, Human Resources, Chelsea Community Hospital; Costas Kleantous, M.D., Medical Director, Sub-stance Abuse, Chelsea Community Hospital; Rev. Erwin R. Koch, St. Paul United Church of Christ, Chelsea; Rev. Robert B. Macfarlane, Emanuel United Church of Christ, Manchester; John W. Mitchell, Sr., Staffan-Mitchell Funeral Home, Chelsea; Jeanene Riemenschneider, Auxiliary, Chelsea Community Hospital; Rev. Harry Shaefer, St. James' Episcopal Church, Dexter; Rev. Ronald C. Smeenge, Covenant Church, Chelsea; Janet R. Tupper, Director of Volunteers, Chelsea Community Hospital.

On Hospital Chapel Sunday, **Manchester Enterprise September 7, 1916**

## Substance Abuse Awareness Meeting

There will be a Substance Abuse Awareness Committee meeting on October 22, at 3:30 p.m. in the Middle School Library. We will be discussing current projects and setting goals for the year. This meeting is open to all area residents and your opinions and suggestions are welcome. If you cannot attend this meeting and would like to be notified of future meetings, please call Roger Boyce at Manchester Middle School, 428-7442.

## Bloodmobile Report

Manchester area added 121 pints of blood to the critically low blood supply of Southeastern Michigan, Monday, October 12. 127 donors attended the clinic. Over 9000 units have now been donated at Bloodmobiles in Manchester to the American Red Cross since 1951. There were 14 gallon donors this time. Detailed news next week.

## Your United Way Dollars At Work

Manchester's United Way Campaign goal has been established at \$42,500, an increase of \$2,500 over last year. We need complete community involvement like we've had in previous years to meet this optimistic goal.

Work has already begun using approximately \$2500 previously raised by Chelsea Community Hospital's Auxiliary. All who contribute to the fund will have their names recorded in a beautifully bound leather record book which will be permanently located and displayed in the new Chapel. In addition, the memorial opportunities have been identified. Engraved plaques will specify the donor of each memorial gift.

Hospital Chapel Sunday is an opportunity for people of all faiths in the hospital's service area to contribute to the development of this very important place. The Chapel will serve patients, families and staff. For more information about Hospital Chapel Sunday, or to inquire about giving, contact the Hospital Chaplain, Rev. Kathryn Batell, (313) 475-1311.

## What Manchester Needs

**Manchester Enterprise September 7, 1916**  
**A Rest Room For Out-Of-Town People, A Tie Shed For Horses, Among The First**

In order to hold the patronage of people living within a certain radius of Manchester, the merchants should do everything they can to make it convenient, easy, pleasant and profitable for them to come here to do their marketing and trading. A whole lot of genuine friendship should go with it.

The mail order houses in the big cities are the business ghosts of the country merchants. They send out their seductive catalogues telling about their goods and the parcel post and rural delivery make it easy for country people to trade with them. Merchants should more thoroughly advertise their goods in the Enterprise, then the country people will not say, "I didn't know you kept it."

Every effort should be put forth to improve its highways. Although many come to town in autos, a large proportion still drive horses. A tie shed should be provided for their accommodation.

A public comfort station centrally located, large, comfortable, sanitary, with rest room well warmed should be provided at once.

More public drinking fountains and watering places for horses should be erected.

Regulations for parking autos so not to interfere with or frighten horses driven by ladies are among the necessities.

During the busy summer season when farmers have no time to come to town during the day, if business places are closed on certain evenings, arrangements should be made for their accommodating the farmers who have broken a machine, or are in immediate need of something, to keep in touch with him and fill his order by rural mail next morning.

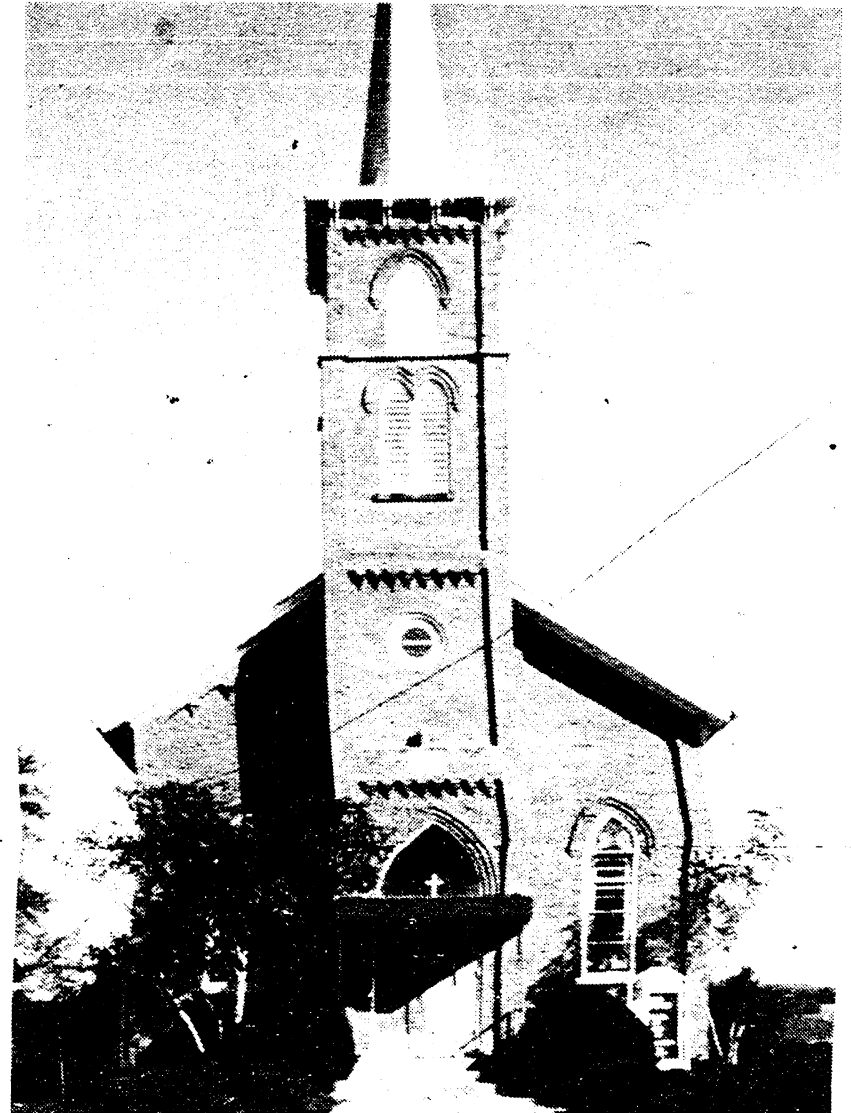

There are many other ways to help and even build up ones business, that are worth trying.

## Federal Foods Distribution

Federal surplus foods will be distributed in the Manchester area October 23, at the Manchester United Methodist Church between the hours of 10 a.m. and 12 p.m.

Those eligible for Federal Foods should meet the low income requirements of the government. For further information, call Claire Reck, Manchester Family Service, at 428-8852 or the Washtenaw County Community Service Agency at 994-1650.

## Sharon United Methodist Church Historical Site

The Michigan Historical Commission has listed Salem Church (Sharon United Methodist Church), Sharon Township, Washtenaw County, in the State

## Help Name That Group

A young adults organization is being formed in Manchester for ages 21-40.

This group will adopt community activities as well as establishing social activities as part of their agenda. Meetings are held on the first Monday of each month at The Black Sheep Tavern, 7:30 p.m. All are welcome to attend, attire is casual and atmosphere is relaxed.

They are sponsoring a contest to establish a name for the organization. Everyone is encouraged to take part. Send entries to P.O. Box 322, Manchester, MI, by October 17, 1987. Winners will be determined by a review of the new membership. The winner will receive dinner for two.

For any further information call John Vecchioni at 428-7595 or Karen Smith at 428-7808.

Register of Historical Sites. The Sharon Society was organized March 22, 1874, by Rev. Edward Weiss with 17 members. On January 25, 1876, they decided to build a church on Rowe's Corners, land which Gilbert Rowe had purchased from the government in 1831. The Rowe family is buried in the cemetery west of the church.

Through the years the church has served the community. Today, it's illuminated steeple points the traveler to God. The brick structure, with its stained glass windows, is typical of the churches of that era. Salem was the first name of the church and is written above the front doors in stained glass. The congregation is dedicated to the preservation of the building. Recently the brick walls were tuck-pointed and the stained glass windows are being replaced.

Sharon United Methodist Church is located on the corner of the Manchester-Chelsea Road (M-52) and Pleasant Lake Road north of Manchester.

## Kings Daughters To Meet

The Manchester Kings Daughters will meet at the Manchester United Methodist Church on October 22nd at 12:30 p.m.
