

KEEPING TRACK

The Michigan Democratic Party

Hart-Kennedy House
606 Townsend
Lansing, MI 48933
517/371-5410

Dear Friend:

I just get so angry when some Lansing legislators vote with the special interests and big corporations, don't you?

And I get even more angry when those same legislators vote in favor of keeping tax loopholes for Michigan insurance companies but against property tax relief for you.

Why am I telling you this?

Because that's exactly what your state representative, Margaret O'Connor did!

On October 21, 1987, Representative O'Connor voted against forcing Michigan insurance companies to pay their fair share of taxes. Believe it or not, 65 of this state's 85 insurance companies paid no single business taxes at all last year. That's right -- not one dime.

That's bad enough -- but that's not all. The plan that Representative O'Connor voted against would have taken at least \$65 million -- the amount raised by closing that loophole -- and put it into property tax relief for you and your neighbors. Like you, Governor Blanchard and the Democrats in the legislature are trying to close tax loopholes like this one so that they can roll back property taxes. But your State Representative voted no.

The bottom line is this: until Representative O'Connor votes to make the insurance companies pay their fair share, you'll pay their share for them. And that's not right.

Let me raise just one more question with you: When people like Representative O'Connor vote against you like this, why do they keep getting reelected?

I'll bet you're asking that question, too. And you've got exactly one year to ask Representative O'Connor that question.

Sincerely,

Richard Wiener
Richard Wiener, Chair
Michigan Democratic Party

P.S. To make matters even worse, let me tell you this: with all the money your representative spends on newsletters, I'll bet she hasn't even told you about this vote. She probably wouldn't dare!

Paid for by Michigan Democratic State Central Committee, 606 Townsend, Lansing, MI 48933. Not authorized by any candidate committee.

Watermarks On Paper

Manchester Enterprise
October 19, 1922

What They Mean and How They Are Made

Have you ever noticed the patterns on writing paper? They can be seen by holding them up to the light. Some marks are distinct and can be made out quite clearly, but others are so faint that one has a difficulty in tracing them at all. Hardly any are visible when the paper is put down flat on a blotting pad; in order to see them it is generally necessary to hold them up to the light.

These marks have puzzled a good many people. We wonder what use they are and why they are there. They are called "water marks," which is really not a good name, because water has nothing to do whatever in making them. It is the pattern on the wire cloth mold on which the paper hardens from the pulp, which produces them. But they have always been known as "water marks" and the name remains.

These water marks are found in the earliest writing paper ever made. Before people knew how to make paper, all handwriting was done on vellum or parchment. Paper and printing were invented

about the same time, paper a little earlier than printing; and, of course, as books increased, more and more paper was required. It is believed that these water marks may have been used in the first instance for the purposes of advertisement. Nowadays if a man makes anything he puts his name or the name of his firm on it so that everyone knows who the manufacturer is. But there was no use doing that when no one could read. So each paper maker adopted a device which appeared on his own paper. One of the earliest of these is a jug or pot, and anyone who liked that particular paper and wanted it knew exactly what to ask for. He would describe it as a paper with a water mark of a jug or pot.

Almost all the old writing paper had a water mark and so, of course, there are a great many of them. Some of the water marks represented animals, birds, fishes, flowers, home objects; in fact, there are so many that it would be impossible to describe one-half of them. Each maker kept to his own special device and sometimes it happened that the paper came to be called after its water mark. For instance, there was one of which for a long time the water mark was a fool's cap - a kind of

Zion Lutheran Installs New Pastor

Zion Lutheran Church, 3050 South Fletcher Road, Chelsea, is pleased to announce the arrival of Rev. Mark Weirauch. Rev. Weirauch and his family will begin their ministry in Chelsea on November 29, 1987. Zion Lutheran Church has been without a pastor since May of this year.

Rev. Weirauch attended Concordia Jr. College, 1972-74, Concordia Senior College from 1974 to 1976 and Trinity Lutheran Seminary from 1976 to 1980. He served two congregations in Illinois during his internship, one in Mahomet and the other in

Monticello. The last seven years Rev. Weirauch has been in Oak Harbor, Ohio, serving as the Associate Pastor at St. John's Lutheran Church.

Rev. Weirauch has been very active in youth ministry. He has developed programs to reach children of different age levels. He has worked with young adults in local, district and national activities. He has also worked in adult education programs including Bible study and general spiritual counseling. He has been active in the community through the Oak Harbor Ministerial Association, Rotary, a Youth Services Board, and the Area Lutheran Support Group.

Rev. Weirauch will be accompanied by his wife Deborah, and their three children, Rachel who is eight years old, Andrew, three, and Kristin, nearly two. Ms. Weirauch is a Registered Nurse currently working as a school nurse.

Rev. Weirauch's Installation Service will be Sunday, November 29, 10:15 a.m., at Zion Lutheran Church in Chelsea. Rev. Kirk Haval, the Assistant Bishop of the Eastern Michigan Synod, ELCA, will officiate. The congregation will hold a noon potluck in honor of Rev. Weirauch's installation.

Kristin Miller Chosen DAR Good Citizen

Manchester High School is very pleased to announce that Kristin Miller has been chosen as the high school's Daughter of the American Revolution Good Citizen Award winner for 1987-88. Kristin is the daughter of Ted and Kay Miller of Kies Road.

Because our youth hold the future in their hands, the Daughters of the American Revolution established a Good Citizen Contest in high schools in 1934 to recognize and encourage outstanding young people in pursuit of high ideals. Kristin was selected on the established qualities of leadership, dependability, service, and patriotism. She will advance to the State Good Citizen Competition in December by taking a written examination, submitting a transcript of her grades, and letters of recommendation. She will be honored on Saturday morning, February 20, 1988 at the Gerald Ford Library in Ann Arbor.

State award winners will receive educational scholarships and will advance to the National Scholarship Competition. Kristin is a senior at Manchester High School this year who plans to major in accounting in college. While at Manchester, Kristin has been on the honor roll every year. She has been active in varsity choir, track, volleyball, and the drama club. She is a two year member of the Natinal Honor Society, is a member of S.A.D.D., and is on the Board of Youth at St. John's Lutheran Church in Bridgewater. In addition, Kristin works part time in the business office at Johnson Controls in a vocational co-op position.

Early Deadline!

The Manchester Enterprise will have an early deadline for the November 26th publication due to the Thanksgiving Day Holiday.

All display ads must be in by 5 p.m. on Friday, November 20th and all news items and classified ads by 10:00 a.m. on Monday, November 23rd.

"THE CARRIER"

Manchester's own Stevie Lee arriving at the Premier Showing of "The Carrier".

by Julie Nathan J. White, Executive Producer/Writer/Director, headed the news conference with great enthusiasm. A native of Detroit, Michigan, Nathan graduated from the University of Michigan, where he received a Bachelor of Arts degree in film and video.

Miss Stevie Lee, Manchester's local star, says she intends to try out for the drama club at Manchester High School this coming year, and will pursue her career through her future college studies.

The theatre was dressed elaborately for the occasion and the crowd awaited the arrival of the stars. As the long white limousines arrived the crew and stars entered for the preview. Long evening gowns and tuxedos were the dress for the evening.

Nathan started with a brief introduction to the film and an explanation for why he made it. The movie was generally good. It was quite funny in spots which did give it a twist. The acting

was sore in areas but considering the low budget it is good. The best however was Steve Dixon who played Dr. Anthony King. He seemed to have the conviction of this part which the other actors lacked. Another local, John Dwyer should get credit for his parts. He played one of the Jones clan and also several vocal supports. The movie is lacking in history and "what about the disease? Where did it come from?" Being one who enjoys "B" movies it's OK! But I think I'll wait until it's on T.V.

The Nectarine Ballroom was the scene for the after movie gathering, with Punk Rock music and videos as entertainment. The ballroom is very nice with balconies overlooking the large dance floor, which was continually filled with the younger crowd. It was a nice evening, with everyone reminiscing about all the work and fun they had in the making of the film.

Hospital Offers Thanksgiving Meal

Support Offered

Chelsea Community Hospital will once again be offering a traditional Thanksgiving meal on Thursday, November 26, 1987. Roast turkey, dressing, sweet potatoes, cranberry sauce and pumpkin pie will be a few of the traditional features offered at the meal. All patients will be invited to have their spouse or a guest join them at either the noon meal or the evening meal compliments of the hospital. In addition, all staff will also enjoy a meal that between 11 a.m. and 1:30 p.m. and the evening meal is served between 5:15 p.m. and 6:30 p.m. in the main dining room.

Chelsea Community Hospital extends a Happy Thanksgiving to all those in the community!

Letter To The Editor

On Saturday afternoon our family witnessed the aftermath of a head on automobile accident on M52 north of Pleasant Lake Road. Because it was close, an emergency call for help was sent and then I stabilized the victims at the crash site.

Upon quick dispatch and arrival of our emergency personnel, it was apparent that the victims would be treated appropriately and efficiently.

We in Manchester have much to be proud of and especially thankful for our emergency services that are readily available.

Heartfelt thanks to our fire and sheriffs department. They are professional, caring, and quick to respond.

Dr. Stanley E. Gilbert

Senior Citizens News

Did you see the glorious sunrise Monday morning? Our forsythia and some dandelions are blooming suppose they are having their last fling and we, too, are enjoying this nice weather. Let the snow blow in the east, our time will come. Blow in to exercise on Thursday the 19th at 11 and ham loaf at noon. Jan is shooting at feeding a hundred at senior meals. All you who are 55 or over may enjoy these excellent meals in Emanuel's dining room. Come to the senior sponsored card party at Freedom Township Hall starting at 8 p.m. This is the last of these monthly card parties until March, so don't miss out.

Friday, November 20 - Local home visitation to shut-ins will begin at 1:30 from the center. Let's fill up the bus and visit with our old friends in town, it will lift

your spirits!

Tuesday, November 24 - Blood pressures will be taken starting at 11. This is the day for turkey and all the trimmings at noon at the Thanksgiving Feast (don't say you can't enjoy turkey twice in one week). At 12:30, Tom Powers will be present to talk on a health program.

Wednesday, November 25 - NO POTLUCK today.

Thursday, November 26 - 'Over the river and through the woods' to enjoy family and friends on this special day. We are thankful for many things which we take for granted. Thanks, Simon and Enterprise staff, for your dedication to giving us a good hometown newspaper and the many lines of free publicity you have given us. Happy Thanksgiving to all.

Looking ahead - The turkey in Turkeyville has literally flown the coop! Helen made a date change and then found out there was no play that day either. So, on Sunday, December 6, seniors will go instead to Adrian's Crosswell Theater to see "Cinderella". Call her at 428-7239 for your reservation.

Tuesday, December 8 - Senior Citizens will have their annual meeting beginning at 9:30 a.m. Please come and voice your opinion on programs and policy. MANCHESTER AREA SENIOR CITIZENS COUNCIL, INC. is in compliance with Title VI of Civil Rights Act and with Section 504 of the Social Rehabilitation Act of 1973.

Community Resource Center Committee

The next meeting of the newly formed Community Resource Center Committee is now Thursday, Nov. 19th, at 7:30 p.m. at St. Mary's Church Fellowship Hall, in the basement.

Obituary

Maxine E. Hanewald
12799 Schleweis Rd.
Manchester

Age 62, died Saturday November 14, 1987 at her home following an extended illness.

She was born February 10, 1925, in Norvell Township, the daughter of Charles and Madeline (Bertke) Gormley. She was married to Arthur Hanewald on April 19, 1947. He survives. She had been an employee of Manchester Plastics until her retiring because of poor health. She was a member of Emanuel United Church of Christ.

In addition to her husband, she is survived by: 2 daughters, Mrs. Ed (Tanya) Gilmore of Clinton, Mrs. Jack (Nancy) Loudin of Manchester; 1 son, Alan (Cindy) Hanewald of Manchester; 3 grandsons, Brian, Tony and Derick; Mother, Mrs. Madeline Holton of Manchester; 2 brothers, Thomas Gormley of Norvell and Charles Gormley of Toledo; 2 sisters, Mary Jean Welsh of Toledo and Donna Jarzebowski of Toledo. She was preceded in death by a sister Helen and an infant sister Ruth.

Funeral services were held Tuesday November 17, 1987 at Emanuel Church. Rev. Nancy Doty officiated. Burial followed at Norvell Township Cemetery in Jackson County.

Mobile Mammography Unit To Visit Manchester

Breast cancer will strike one in ten American women. The chances are that we all know someone who has suffered the physical and psychological trauma of breast removal. Unfortunately, even after this surgery, the ten year survival rate is less than three in five. But the real tragedy is that the vast majority of such radical procedures could be avoided simply, painlessly, inexpensively and without risk by having regular screening mammograms.

Mammography is nothing more than a low-dose x-ray of the breast tissue which allows the radiologist to find most tumors long before even the most experienced physician can feel them. This procedure is the single best method for the early detection of breast cancers. If the tumors are found early in their development, the surgical procedure is generally localized there-by saving the breast. The ten year survival rate is then nearly 100%.

The American Cancer Society recommends that all women between the ages of 35 and 40 have a baseline mammogram. It is recommended every one to two years if you are between 40 and 49 and annually if you are over 50. It is also strongly recommended that all women do monthly breast self-examination and have regular physician exams.

To make mammograms conveniently available, the mobile mammography unit which is affiliated with Detroit's Samaritan Health Center, will be in this community on Tuesday, November 24, from 7 a.m. to 5 p.m. It will be parked in Emanuel United Church of Christ's parking area at 324 W. Main, Manchester.

This comfortable and private unit is equipped with state-of-the-art, low-dose x-ray equipment and is staffed with female technologists specializing in mammography. The procedure takes approximately 15 minutes. An appointment, which is recommended but not necessary, can be made by calling 428-8084 between 10a.m. and 1 p.m. on Monday, November 23. A report will be sent to both you and your physician.

The cost for this life-saving procedure is much lower than in a hospital. If you bring a copy of this article, the cost will be \$5 less and if you also bring a friend who has a mammogram, the cost will be \$10 off. You will be given a receipt to submit to your insurance carrier for possible reimbursement. Many insurance companies do cover this procedure.

If you are 35 or older, you are urged to take this simple step to ensure a whole and healthy body for your lifetime.

American Legion Auxiliary

The American Legion Auxiliary met at the Legion Home on November 11, 1987, with 21 members present. Also present were 2nd District President, Juanita Houk and Zoe McKessie. To date, we have 75 paid members. Continuous membership will be lost if dues are not paid and into Department of Michigan by December 31, 1987. Unpaid dues should be paid as soon as possible in order to avoid losing your continuous membership.

A poem about remembering the American Flag was read by Jacqueline Armentrout.

American Legion Auxiliary Scholarship Application forms have been received by Dorene Brokaw and will be available at the Manchester High School. Most of these scholarships require that the applicant's mother or father be a veteran.

Vivian Middlemiss and Alice Alexander have purchased 36 gifts for the Ann Arbor Veterans Hospital Christmas Gift Exchange which will take place on November 30, December 1 and 2. Volunteers are needed to help wrap gifts on those dates. Also, at this time, a list of names of area service men and women is being compiled, so that these service people can be remembered at Christmas time.

President Edna Knauss thanked all the Auxiliary members who marched in the Veterans Day Parade, and also those who helped in the kitchen. Our December meeting will consist of a potluck dinner to be held in the Legion Hall on December 9, 1987 at 6:30 p.m.

50th Wedding Anniversary Celebrated

Mr. and Mrs. Rolland Grossman

The 50th Wedding Anniversary of Mr. and Mrs. Rolland S. Grossman of Manchester was celebrated November 15, 1987, at the Emanuel United Church of Christ Fellowship Hall, by many family members and friends.

Elizabeth Lowery and Rolland Grossman were married November 20, 1937, at the home of the bride.

The attendants were George Junior Grossman and Margaret Lowery Trolz, brother of the groom and sister of the bride.

Mr. and Mrs. Grossman have one son and daughter-in-law, Barry and Ellen, and two grandchildren, Brian and Susan, residing near Ann Arbor.

They are life-long members of Emanuel United Church of Christ and members of the Order of

Eastern Stars. Mr. Grossman is a retired Manchester businessman and member of the Optimists and Masonic Lodge #148. He served as a volunteer fireman for nearly 40 years. Mrs. Grossman is a member of the Manchester Historical Society and 20th Century Club. They both enjoy Bridge and Golf.

Project Find Seeks Children

Children with hearing, vision, health or other physical problems often need special help. Youngsters with mental, emotional, speech or learning impairments may also benefit from special services. In most cases, the sooner a child begins receiving the help he or she needs, the greater the chances of decreasing the impact of the disability.

Project Find is actively looking for children who qualify for special education services but are not currently receiving them. These services are available at no cost through the public schools. Children who are eligible may receive services from birth through age 26, or until they graduate from high school.

Different services are offered for different children, depending on their needs. Home visits are provided in some instances for families with very young children. In other cases, youngsters are enrolled in center-based special education early intervention programs. Teachers and therapists work closely with parents to set goals for the children and to select appropriate services. School-aged children usually receive assistance during their regular school day, from teachers and therapists trained to meet their particular needs.

Barbara Banet has recently been appointed the Project Find Coordinator for the Washtenaw Intermediate School District. She works closely with Project Find Designees from each of the local school districts in Washtenaw County. Anyone who would like more information or knows a child who might be eligible for special education may call Barbara Banet

at 994-8168. Inquiries may also be made directly to the special education department of the school district in which the child lives. In Manchester you can call Dr. DeYoung's Office at 475-9131.

"Peter Pan" November 27th

Peninsula Productions of Ann Arbor will present the American musical theatre classic, Peter Pan, at the historic Michigan Theater, 603 East Liberty Street, in Ann Arbor.

Show dates for James M. Barrie's story about "a boy who never grew up" are November 27 thru December 6; curtain time is 8:00 p.m. for all evening performances, with 2:00 p.m. matinees on November 29, December 5 and December 6.

Theatre veteran Connie Barron stars as Peter, the boy who could fly, with Ann Arbor's Beverley Pooley as the ferocious Captain Hook. Robert Chapel will direct Peter Pan, with musical direction by Judy Brown and choreography by Tedee A. Theofil. Flying sequences will be staged by Foy. Tickets for the Michigan Theater's holiday production are available by calling Peninsula Productions at (313) 668-8397 or any TicketMaster outlet.

Bridgewater Township Planning Commission

Public Hearing
November 9, 1987

All Planning Commission members present: Gabe Dull, Karen Weidmayer, Mark Iwanicki, Vic Mann, Gerald Marion, Louise Fraumann.

Hearing opened at 8 p.m. with 45 electors present, Zoning Inspector and Trustees.

Mr. Nick Easton had requested consideration of a Conditional Use Permit to operate an "Antique Mall" on 37 acres on the corner of Lima Center and U.S. 12 and a Conditional Use Permit for a "Country Club" Permit, to cover erection and rental of a permanent building for wedding receptions, etc. The use of the property for Antique Fairs would seem to cover four to twelve such fairs a year. Numbers to and exceeding 3000 cars could be served. Mr. Mike Brooks, Mr. Easton's lawyer, requested the requests for Conditional Uses be withdrawn, and that Mr. Easton would like to apply for "C" Commercial/Business use of the

zoning of the land. He has as yet no "Site Plan", but described, in response to questions from the electors present his plans: "One pole barn back off the road away for an antique shop and mall. Four or five pole barns down the road, which can be rented to antique dealers, for gatherings, or for storage of recreational vehicles." He stated that he would not live there, in response to a question as to care-taking of the property when vacant. A perk test is not at present available for the property. A plan to cover water run-off was requested. Mr. Easton was asked to submit his petition with 1. A legal description of the property (including a street address and the tax code numbers). 2. A scaled map of the property, correlated with the legal description, and clearly showing the property's location. 3. Name and address of petitioner. 4. Petitioner's interest in the property. If the petitioner is not the record owner, the name and address of the record owners, and the owners signed consent to the

petition. 5. Signatures of petitioner and owners certifying the accuracy of the information. 6. Identification of the zoning district requested, and the existing zoning classification of the property. 7. A vicinity map showing the location of the property and the adjacent land uses and zoning classifications. This information is to be filed with the Township Clerk. Electors also expressed concern over additional possible traffic and the impact on possible accidents on U.S. 12, which has unclear sight lanes at this point.

Mr. Mark Weidmayer asked to be able to petition for a Conditional Use, under A-1 zoning, near 9196 Austin Road, for "Repair & Parts for Farm machinery", a Conditional Use permitted under A-1. This land doesn't perk, so a residence cannot be built there. It was noted that the County Health Department has issued a permit for a Special Commercial Septic System for a business. The property is too small to farm. The land is on the north side of Bridgewater, which is the Business/Commercial section of Bridgewater. The County Road Commission will help him get the driveway right. It was noted that this seemed a good possible use of

that land. A pole building would be built.

Respectfully Submitted,
Louise Fraumann,
Secretary

Bridgewater Township Planning Commission Meeting 10/9/87

The regular meeting was convened in the Town Hall at 9 p.m., after the close of the Public Hearing. All six members of the Planning Commission were present.

The minutes of both the October 12, 1987 Public Hearing and Regular Meeting were approved as read.

After a discussion of the preceding Public Hearing, the following recommendations were made:

1. It was recommended to approve Mark Weidmayer's application for a Conditional Use under Section 403A, A-1 (Farm implement sales and repair). Referred to the Township Board for their recommendation.

NEW BUSINESS:
Mr. William Gentner, Gentner Trucking Co. Tecumseh, stated his interest in a 38 acre parcel of land on US 12, across from Day Farm.

He showed interest in applying to re-zone this presently A-1 property to C Business Zoning, and using it to build a headquarters for this Trucking Business and storage facility. Parking of 30 or more gravel-train trucks and a building for his gravel-hauling business would be placed there.

The Zoning Inspector made his report.

We are also taking under advisement the Township Board's reference to us of "Add a new definition under A-1, "Rural District Rural Sales" for a Conditional Use permit under A-1, noting their directions that further work is needed.

The next regular meeting of the Bridgewater Township Planning Commission will be on January 11th, 1988, at the Bridgewater Town Hall, at 8 p.m.

The meeting was adjourned at 10:20 p.m. Moved, Fraumann, Second, Iwanicki.

Respectfully Submitted,
Louise Fraumann, Secretary

Free Publication On New IRA Changes

New Rules For IRAs Explained By IRS

The Internal Revenue Service has issued a new publication to inform taxpayers about changes in the tax law for Individual Retirement Arrangements (IRAs).

The IRS says that its Publication 923, "New Rules for Individual Retirement Arrangements (IRAs)," is a handy guide that explains the new rules that may reduce or eliminate IRA deductions for some taxpayers who are covered by a retirement plan at work. Whether and to what extent the deduction is reduced depends on the taxpayer's adjusted gross income (AGI).

The new publication contains an easy-to-follow chart for individuals who are in retirement plans to work to see if their deductions may be phased out. It also has a worksheet that allows taxpayers to figure their partial IRA deduction if they are affected by the phase-out.

Publication 923 is available free by calling IRS at 1-800-424-3676.

Don't use rubber gloves when polishing silver and don't store silver with rubber bands. Rubber darkens silver.

Watermarks On Paper

Continued from page 1.....

cap that jesters at the king's court always wore. It had long pointed corners and bells. The paper came in time to be called fool's cap paper and although after a time this water mark was given up and in England a representation of Britannia was used and other signs employed in other countries, the name of fool's cap was retained and, as everybody knows is still used.

In olden times the great nobles and other distinguished people had paper made especially for them, and the water marks would be their crest or their armorial bearings. The fleur de-lis was the water mark of the Duke of Burgandy, for instance; and the cross keys with a shield, the arms of the city of Leyden at Holland, was the water mark of the paper

of the official documents of that city. In this way, the water marks often help us to find out when a document was written. Many people in bygone days used to omit to put a date on their writings, but it is often possible to tell from the water mark the period to which they belong, because we know of other papers which are dated, having the same water mark, and thus we can judge about when the paper was made.

Even at the present time some water marks are important, as certain business houses, such as banks, have their own. The water mark of the bank notes of the Bank of England is one of them. How it is made is a great secret. Many people have tried to copy it, but no one has yet been able to do so.

REPAIR YOUR DAMAGED WINDSHIELD FOR A FRACTION OF REPLACEMENT COST.

Most windshield breaks are repairable, and the cost is far lower than windshield replacement. The patented, proven Novus method can restore and repair windshields both structurally and optically, leaving damaged areas almost invisible. But act now! If crack damage spreads too far, it may become necessary to replace the entire windshield.

We come to you... Mobile Service Anywhere in Washtenaw County. MOST INSURANCE COMPANIES WILL PAY 100% OF REPAIR COST.

Manchester Village Council Proceedings

Approved Minutes
November 2, 1987

The regular meeting of the Manchester Village Council was called to order at 7:00 p.m. by President Hinkley with the Pledge of Allegiance. Present: Hinkley, Becktel, Limpert, Reinhart, Tapping, Harris, Marshall, Garlick. Also present: Chris Spork, Vi Garlick, Helen Kensler, Gary Wiedmayer, G.R. Mann, Robert Lowery, J. LaBeau, Jeff Schaffer.

The minutes of the October 19, 1987, regular meeting and the October 21, 1987, special meeting were presented to Council for approval.

Becktel offered a motion, supported by Limpert to approve the October 19, 1987, minutes as presented. Ayes - all.

Motion by Tapping, supported by Marshall, to approve the October 21, 1987, minutes as presented. Ayes - all.

APPROVAL OF THE AGENDA
Council asked to have the Limpert Easement update and the Plumbing Inspector report tabled.

Motion by Becktel, supported by Harris to approve the Agenda as revised. Ayes - all.

CORRESPONDENCE
The Clerk presented two letters to Council for review. Council asked the Clerk to answer Maynard Blossom's letter and to refer the letter from Dixon Engineering to the Interim Village Manager for review.

PUBLIC PARTICIPATION

Mr. Gerry Mann - 208 Torrey St., approached Council concerning the bill he submitted for cleaning of and damage done to his basement when the sewer backed up. Council informed Mr. Mann that the claim along with several others was sent to the insurance company for consideration.

SHERIFF'S REPORT
Sgt. Spork made the recommendation to Council that they make Furnace Street "No Parking" on both sides of the street between Wolverine and City because of the narrow width of the street.

Motion by Reinhart, supported by Limpert, to make Furnace Street "No Parking" on both sides of the street between Wolverine and City. Roll Call Vote: Ayes - all.

DPW REPORT
Garlick presented the DPW Report. It was noted that the Village Leaf Pick Up Program needed alot of work before next year.

PLANNING COMMISSION
Marshall presented Council with the minutes of the last meeting for review. A discussion on applications and how they were to be handled followed.

Limpert offered a motion, supported by Harris, that all applications requiring action by the Village Council should come before this body for referral to the appropriate bodies for recommendation or action. After

some discussion, Limpert withdrew his motion.

TREASURER'S REPORT
Garlick presented the Treasurer's Report as follows:
Bank balances as of October 29, 1987 - General Fund - 64,265.71; Borrowed from other accounts - 182,500.31*; Total - 246,766.02.

Construction Fund - 19,228.98; Retention Fund - 12,871.61; Debit Service - 0; Water and Sewer - 13,120.48; General Highway - 71,439.08*; Major Street - 157.51; Local Street - 235.42; Park Improvement - 4,986.68*; Tax Account - 0; Dental Savings - 291.53*; Cash Savings - 46,472.70; *(Accounting will determine exact pay back amounts.)

It is anticipated \$540,000 of expenditures will be necessary before tax revenue is re-received.

These balances are after tax collection completion. All transfers are completed that are outstanding except that General Fund owes Cash Savings (General Highway, Parks, and Dental) approximately \$182,500.31. If we pay back this amount, we will have approximately \$64,265.72 in General Fund.

Delinquent Taxes Due for 1987: Property - 36,089.06; Personal - 10,826.72.

Delinquent taxes usually come in monthly with the largest check in early July.

General Fund will invest \$140,000.00 and General Highway

\$60,000.00. I am at present talking to a representative from Manufacturers Bank of Detroit and will also check interest rates with the 3 banks in town. I will present my findings to Council at the next Council meeting. We cannot invest in any bank over \$100,000 in one account and have it insured, so we will have to invest in 2 places.

Sue Koebbe, Treasurer
Council was presented with a letter from Markowski & Company concerning the financial status of the Village. The letter dealt with concerns and solutions to the problem. (Letter on file).

Garlick recommended that the following action be adopted by Council:

1. Hire Dick Kuntz to: A. Complete 1986-87 General Ledger with old account numbers. B. Run General Ledger for 1987-88 with new account numbers that coincide with information now applied to our computer program.
2. Run a parallel thru February 1988, so that a proper audit can be made and our computer program can be checked.
3. Establish a citizens advisory committee to assist the Village Manager to accomplish Council's goals: A. Type of management desirable. B. Village functions regarding: DPW; Water and Sewer programs.
4. Hold a Town Meeting, sometime in January, to appraise Village residents of such things as: A. Sewage Treatment Plant status. B. Engineering study for Sewage collection system to correct flooding problems. C. Garbage Pick Up and Transfer Site update. D. Financial condition of Village.

by Tapping, to receive the Treasurer's Report as presented. Roll Call Vote: Ayes - all.

ACCOUNTS PAYABLE
The October account payables were presented to Council in the amount of \$26,399.54. Garlick recommended paying bills in the amount of \$8,662.42 and holding the rest until further notice.

Motion by Reinhart, supported by Marshall to pay the payables as recommended. Roll Call Vote: Ayes - all.

INTERIM MANAGERS REPORT
Garlick presented the Managers report. On file. Items up for discussion were McNamee, Porter & Seeley's sewer recommendations, Village Attorney, The Act 51 report and the roof at the Well House.

Garlick read into the record his personal thanks to the staff - Mary, Sue, Connie, the DPW staff - Gary, Brad, Louis, Ed and Mike and to the members of Council for all their help during the past week.

Council directed Garlick to use his best judgement on the Well House roof.

Motion by Reinhart, supported by Limpert to use Diana Newman as our Village Attorney. Ayes - all.

Motion by Becktel, supported

by Marshall, supported by Becktel to accept the revised 1987/1988 budget as presented, to be amended as needed. Roll Call Vote: Ayes - all. (Copies available upon request.)

NEW BUSINESS
Christmas Lighting
Wiedmayer reported that new Christmas lights for the tree in Wurster Park would cost \$840.00. Council suggested asking the Mens Club for donations.

Garbage Collection Contract
The garbage collection bids were reviewed by Council. It was noted that the Village could no longer pay for garbage collection out of General Fund. A lengthy discussion followed.

Motion by Limpert, supported by Becktel to accept Modern Disposals Contract for \$5.90 a month with the Leaf Pick up at \$500.00 and the Spring Clean Up at \$500.00 (at Councils discretion) for 2 years, with a 1 year renegotiation as proposed and to charge the residents the \$5.90 on their water bills. Roll Call Vote - Becktel - yes, Limpert - yes, Reinhart - yes, Tapping - yes, Harris - yes, Marshall - no, Hinkley - yes. Motion approved.

Marshall wanted to be quoted as objecting because "It put a \$5.90 burden on each and every taxpayer in the Village."

Budget - Garlick presented Council with a 1987/1988

School Closings Due To Weather

proposed budget. There was considerable discussion as to whether or not the budget published in the Enterprise in August was a legal budget.

Motion by Marshall, supported by Becktel to accept the revised 1987/1988 budget as presented, to be amended as needed. Roll Call Vote: Ayes - all. (Copies available upon request.)

Wiedmayer reviewed with Council the status of the trash pump. Motion by Becktel, supported by Harris to keep the trash pump at a cost of \$1150.00. Roll Call Vote: Ayes - all.

OLD BUSINESS

Recreation Grant Update
Clerk Schaffer updated Council on the status of the Recreation Grant. It was hoped that we could recover a portion of the money.

An Ad Hoc committee to negotiate the Sheriff's contract was set up - Garlick, Becktel, Marshall.

Motion by Becktel, supported by Marshall to go into closed session at 9:28 p.m. to discuss the DPW contract. Ayes - all.

Council reconvened into regular session and adjourned at 9:50 p.m.
Constance M. Schaffer
Village Clerk

In the event that severe weather and/or road conditions exist, the Manchester Community Schools will implement procedures to respond to the conditions. Road conditions at selected areas throughout the district will be checked. The Superintendent and the Transportation supervisor will be in communication with the County Road Commission, National Weather Service, Police Department and local school districts in an effort to gather appropriate information.

If it is determined that road and/or weather conditions will affect bus travel a decision regarding the closing of school or delay of school, will be made by 6:30 AM and announced on radio stations.

If school is closed for Manchester students, all programs and activities are cancelled. Special Education, vocational education, adult and community enrichment programs will be cancelled. If conditions are improving, high school athletic events and practice sessions may possibly continue. A decision will be made by 1:00 p.m.

The Pleasant Lake Technical Education Center will close if any two of the three schools sending the most students (Manchester, Saline and Chelsea) plus one of the other two schools (Milan and Dexter) are closed.

In the event weather conditions are changing rapidly during a school day, and it is decided to dismiss students early, notification will be broadcasted on the radio stations. All programs and activities including high school athletics, will be cancelled when school is dismissed early.

The following radio stations will be broadcasting "school closing" information WAAM 1600 AM/WPAG 1050 AM/WUOM 91.7 WJR/WNRS 1290 AM/WIBM 94 FM/WKHM 970 AM.

ORDER TO ANSWER
At a session of said Court held in the City of Ann Arbor, County of Washtenaw, State of Michigan on the 20th day of October, 1987.

Present: HONORABLE Ross W. Campbell, Circuit Court Judge.

On the 20th day of October, 1987, an action was filed by GWENDA L. HUGHES, Plaintiff, against, JAMES J. HUGHES, Defendant, in this court for divorce.

IT IS HEREBY ORDERED that the Defendant, JAMES J. HUGHES, shall answer to take such other action as may be permitted by law on or before the 30th day of November, 1987. Failure to comply with this order will result in a judgment by default against such Defendant for the relief demanded in the complaint filed in this court.

Such answer or other action shall be filed in the above-entitled cause and a copy thereof sent to the Plaintiff's attorney.

MAMMOGRAPHY CAN GIVE YOU PLENTY TO SMILE ABOUT.

Thank goodness for mammography. It can help save your life.

You see, mammography is the most effective way to detect breast cancer early. While it's still a tiny spot. And nearly 100% curable.*

Without early detection, the spot can grow into a lump. Then the cure rate is only 60%.*

That's why it is recommended every woman between 35 and 40 have a baseline, or first, mammogram. Then every year or two afterwards. At age 50 and older, annual mammograms should be done.

Ask your doctor about scheduling a mammogram. It's safe, easy and quick. If you don't have a doctor, we'll be glad to refer one. Just call us at (313) 429-1555. At your request, we'll also send you our free brochure on mammography.

Remember, mammography is a simple precaution that can help save your life. And that can give you plenty to smile about.

*American Cancer Society Statistics

The results can be lifesaving.

Class of the Week

Boys and girls at Klager had the opportunity to see a unique presentation of Cinderella. The story of Cinderella was performed in dance with a minimum of dialogue. The dancers included ballet, jazz, tap, rock and roll, jitterbug and even the charleston in their routines. This special event was sponsored by the Manchester PTO.

Mrs. Ellsworth's fourth graders are "Class of the Week". Mrs. Ellsworth, Jeremy Spurr and Jenny Sahakian are designing Thanksgiving Day floats. The parade of floats are on display in Klager School's lobby.

PTO Fundraiser Grand Prize Winners

The students in Mrs. Van-Raden's and Mrs. Patten's class have worked hard all week preparing their idea of favorite Thanksgiving meals. They used a variety of materials to construct their dinners. They invite anyone to come feast their eyes!

Top salespeople were presented with their prizes at a special assembly. High salespeople were: Michelle Ross, Lisa Anderson, Meghan Staffeld, Emily Parr, Timmy Hough, Luke Hugel and Jonathan Williams. Robert Litwin was a winner in a special drawing that included the names of all salespeople.

Jason Campbell, Ryan Weir and Brandon Young adding the finishing touches to their favorite Thanksgiving meal.

The Heating Season Is Fast Approaching

WHAT CAN I DO to support my fire department?

You can help by preventing fires at home:

- HAVE YOUR HOME INSPECTED by the fire department for fire hazards.
- MAKE A FIRE ESCAPE PLAN and practice it with the whole family every few months.
- POST THE FIRE DEPARTMENT'S NUMBER by every phone.
- INSTALL SMOKE DETECTORS and fire extinguishers. Ask your fire department for help in placing smoke detectors.
- OTHER HOME FIRE SAFETY TIPS:
 - Dispose of cigarettes and ashes properly.
 - Check wires and cords for breaks and wear.
 - Keep your house free of clutter — especially the basement and attic.
- MAINTAIN HEATING EQUIPMENT — Have it checked and cleaned yearly by a qualified professional.
- STORE FLAMMABLES SAFELY — Gasoline, kerosene, paints and thinners should be stored outside your home, in approved containers.

Remember: contact your fire department if you have any questions about fire safety.

For those of you who burn wood, remember you need to CHECK and CLEAN your chimney once a month.

Mike Scully, Chief
Manchester Township Fire Dept.

Manchester Area Historical Society

The Manchester Area Historical Society met on Monday, November 16, in the Blacksmith Shop to hear a presentation on the Constitution of the United States by Barbara Vaccaro, Assistant Director of the State of Michigan Legal Library. With her enthusiasm, she brought to life this 200 year old document that gave us our present form of government.

It was James Madison's idea to call a constitutional convention for the purpose of amending The Articles of Confederation. What came out of the convention was our Constitution. Slavery was a big issue and states were afraid of losing their rights. The ratification process was helped when the states were promised that, upon ratification, a Bill Of Rights would be added. The first ten amendments are the Bill Of Rights. We take these rights for granted (for example, free speech, the right to bear arms, the right to a speedy and public trial, and prohibitions against unreasonable searches and seizures), but the people in England did not have them.

It is important to remember

that the Constitution is a framework not a code of laws. It is to provide us with a structure. As citizens we have a duty to read the Constitution and the documents behind it and to keep up on current issues to ensure that our form of government endures for another 200 years. Florence and Lenore Parr served refreshments.

WANDA JANE AND JIMMY WATSON, OWNERS

SPECIAL THANKS...

to the folks of The Village Shoppe, Pyramid Office Supply, and the Baker's Dozen for making our daughter's 12th Birthday an occasion to remember. Your spirit of fun and extra efforts are just one more reason why we know the move to Manchester was the right one for us!

Gary and Tracey Bell
and "Bo Peep"

The last thing you need now is a problem paying for more car insurance.

A family can have many drivers. And many drivers can mean many cars. There may be a problem with finding a full gas tank or the right keys. So you don't need a problem with car insurance. You deserve a discount. And, that's exactly what Auto-Owners gives families with two or more automobiles. A nice one too! Your independent Auto-Owners agent prides himself on the substantial savings he can give multiple car families. And with a name like Auto-Owners—he's won fame with his claims service. Find out from your "no problem" Auto-Owners agent just what the one advantage could be of having many cars and many drivers in your family. It's no problem!

Pets

Symptoms of illness in animals may show up in places disassociated from the location of the illness. Ulcers in the eyes and mouth of a cat for example, may be due to rhinotracheitis or calici, two respiratory viruses. Presented in the interest of better pet care by: Vera L. Kluwe, DVM
Michigan Veterinary Clinic 18901 Sharon Valley Rd. Manchester, Mich. 48158 Phone 313-428-8365

Manchester Township Board

Proposed Synopsis 8:00 p.m. at Township Hall
Grossman Road. Resolution adopted to set January 19, 1988 for the Special Election. Clerk to send certified letter to Michael and Shirley Lowery regarding removal of footings that are in violation. Various reports and correspondence presented. Meeting adjourned at 8:33 p.m.

Submitted by, Wilma E. Lentz, Clerk Approved by, Clarence L. Fielder, Supervisor

Approved various minutes as submitted. List of bills paid since last meeting presented. Treasurer reported \$1211.81 in General Fund.
Adopted Resolution for transfer of funds for a temporary loan from Special Housing to General Fund.
Approved payment of General Fund bills for \$2370.88 as money becomes available. Approved payment of Special Housing bill \$142.18.

Supervisor to instruct Constable Moore to contact Alvy Payne in regard to his gravel pit as per Planning Commission request.
Budget thru September 30, 1987 reviewed.
Petition presented requesting special election to reject actions of Township Board on October 5, 1987 and October 13, 1987 regarding the rezoning of 2.33 acres on Augusta Township.

David Woodrow discussed alternatives with the Board for selling property at corner of Pleasant Lake and Lima Center Road.
Two bids obtained for new water softener. Will seek another bid and make decision at December meeting.
Approved salary of \$750 per year for Ordinance Enforcement Officer.
Payment of all bills was approved. Meeting adjourned at 9:15 p.m.

"Thanksgiving Spirit"

Manchester Enterprise
November 19, 1986

By Helen Bruce Wallace

What is the Thanksgiving spirit we bring to our holiday?

We know what it was in the good old days when savages lurked and famine stalked for the undoing of men and women who, tucked away in crevices among the ancestral cradles, candlesticks and tankards that cumbered the Mayflower, were finally dumped on an inhospitable shore.

We know what it is aimed to be. But what in reality it is, this spirit that is supposed to run rampant on the last Thursday of November?

How many Americans even remember the origin of the holiday and the purpose to which it was dedicated, much less even sum up their blessings, individual and national?

We've had merry Thanksgivings given over to pumpkin pie, turkey and catching up broken or stretched family ties; we've had frivolous Thanksgivings when we have shouted ourselves hoarse and run the risk of pneumonia for our favorite football hero, or have laughed and cried with the rest of the holiday keeping matinee through; we've had sad Thanksgivings when loneliness has caught us up in her grip and the memories of brighter days have seared our quivering hearts; but who of us has had a thankful Thanksgiving?

Not many of us, if we would be honest enough to confess it. Yet why not?

It is what the day is for-to take stock of our blessings and give credit for them.

Who of us is so down in our luck as to be blessingless? Surely in 365 long days there have been a few when something good has come our way.

If there have been then it is only good manners, if nothing else, to make acknowledgement of them.

Somehow most of us are better mathematicians when we reckon our woes than when our blessings are computed.

No adding machine is necessary to get at the sum total of our misfortunes. We multiply with lightning rapidity the times our friends have failed us, our business has come a cropper, or our health has gone to the bad.

An hour of toothache makes more impression than a year without the dentist; one stock that drops will cause more agony of mind than a twelvemonth of inflation gives pleasure; a slight will rankle where a kindness is forgotten.

We can see how they, poor hungry, half-forgotten terror-stricken Puritans had much to be thankful for; but if they had the Indian, we have the railroads to mutilate us.

It will make new women of us if we once learn to reckon our mercies. There is no greater sweetener of the disposition and smoother of the tangles of life, than to think on the things we have to make us happy.

If we would grow into sour, disgruntled women with whole baskets of chips on our shoulders

and bunch of grievances to make us the terror of our acquaintances let us acquire the habit of thinking all the world better off in blessings than we are.

The Thanksgiving spirit need not, nay, should not be limited to one day once a year. Spread it over 365 days, and throw in the nights, but make Thursday, the 26th, a gala day of thankfulness when the accumulated mercies of many months will be summed up and gratefully acknowledged.

Gratitude is expensive, or should be, so the direct result of the true Thanksgiving spirit is to pass the mercies along.

From our store of blessings some scraps should be culled for those less favored. The lonely, the sick in the hospitals, those to whom Thanksgiving joys are unknown all should come in for a share of our attention, that their day may be made brighter and they, too, have a chance to reckon their causes for Thanksgiving.

Thanksgiving Services

Please come and "SHARE" it with someone at the Manchester Community Thanksgiving Celebration to be held on Wednesday evening, November 25 at 7:30 p.m.

This event will take place at the Manchester United Methodist Church, 501 Ann Arbor Street with the Rev. Robert MacFarlane preaching. Music will be by "The Manchester Arts Quartet" and Helen Norman organist.

Sponsored by Emanuel U.C.C., Bethel U.C.C., Sharon and Manchester United Methodist churches.

Tri-Church Bazaar Saturday December 5th

"Country Christmas" is the theme of the Christmas Bazaar to be held on December 5, at the Emanuel Church Hall, located at 324 W. Main Street. This is the annual Tri-Church bazaar sponsored by the Manchester United Methodist Church, St. Mary's Catholic Church and the Emanuel United Church of Christ. The bazaar will begin at 10:00 a.m. and end at 2:00 p.m. Soup & Salad Bar will be served from 10:30 a.m. to 1:00 p.m.

Christmas Open House Sunday, November 29th

Santa Claus, a giant Christmas tree, and lots of special activities will highlight the annual Christmas Open House on Sunday, November 29, from noon until 5:00 p.m.

The traditional Christmas tree outside the Old Mill was donated by Reno Feldkamp.

Santa Claus will be arriving at 1:00 p.m. He will drive down Main Street from M-52 to his headquarters in the former Widmayer Hardware Building at Clinton Street.

Children can visit with Santa until 4:00 p.m.

The Manchester High School Band will play Christmas music at Santa's headquarters from 12:40 to 1:15 p.m. Manchester Merchants will be open noon until 5:00 p.m. with many special values for holiday shoppers.

Manchester United Way Exceeds Their Goal

Campaign Chairman, James Datsko, reported contributions and pledges total \$44,683.30 which is \$2,183.30 over the \$42,500 campaign goal. In the midst of this Thanksgiving week we remember that the United Way is about helping people in need; families, senior citizens, the homeless, disabled, the ill and the hungry. Manchester once again has shown their concern for others through their generous donations.

Chairman James notes that appreciation should go to all divisions and contributors and particularly noteworthy is that fact that the Industrial division substantially exceeded their goal, helped in a large part by Johnson Controls. Manchester United

Way expresses gratitude and thanks to all contributors and volunteers. It was a combined effort as this year's slogan said ... Go Dutch! Let's Give Much!, and you did! Thanks to you, it works for all of us.

THANKSGIVING

May this special time of year bring you closer to those you love. As we celebrate the spirit of brotherhood, we wish you all a healthy, happy day.
