

Freedom, Our Most Precious Heritage

Since ancient times, man has many times rebelled from the command of authority in order to gain his own freedom. Sometimes successful, other times not, the struggle for freedom has always been a contest of wills with heavy consequences and a most treasured prize. Man's strong desire for freedom and an oppressive restriction against such freedom is what makes freedom such a valuable possession. Yet, in our day and age, many people just assume the freedom, that was won for us by our forefathers.

We have been raised in the luxury of freedom for so long that we tend to forget the value of freedom. We do not seem to realize that our freedom cost us thousands and thousands of lives. The public should be reawakened to realize just how precious freedom is. We cannot go on taking our freedom for granted.

Many wars and battles have gone by in the name of freedom; freedom from another country, freedom of religion, freedom to have a democracy, and freedom from enslavement. Valiant men have fought to acquire freedom for themselves and others and have given up their lives in the fight for freedom. They were not just handed liberties as they asked for them. They had to defy and overcome a superior power in order to attain their precious freedom.

As the many generations have lived and died and produced offspring, who have never had to fight for their freedom, there has been a decline in the honor that is placed on freedom. Many citizens don't value their freedom as much as they ought to and they assume that they will always possess the freedoms that they have now. A consequence of this is that people let down their guard and don't protect the freedoms that were passed down to us from our forefathers, and now, some of our freedom is very slowly slipping away from us without our realizing it.

Maybe, if we had to once again physically defend our freedom, we would start to realize how precious it is to us and not just presuppose that we will always have it. I hope that we will not have to go to war and have our freedom threatened before we truly see the value of our freedom. But, I am praying, that if there ever comes a time when our freedom is threatened to be taken away, the nation will be strong and recognize this threat and once more rise up to defend and maintain our most precious heritage.

Saline Hospital Installs New Mammography Unit

Saline Community Hospital's "family" has generously contributed to the purchase of the state's first CGR Senographic 600T mammography unit. Richard Foster, D.O., chaired the physician annual appeal and Gayle Reaume, RN, Associate Director of Nursing, was chairperson of the employee annual appeal. A donation on behalf of the Auxiliary was presented by President Catherine Hill. Stanton Roesch and David Carpenter organized the campaign on behalf of the hospital board.

Living in a small community has its advantages. Friendly neighbors. Less crime. Old fashioned values. A great place to raise a family. But what about services like health care? Is the lack of a state-of-the-art hospital a price that must be paid to gain these advantages? Not if you live near Saline Community Hospital.

With daily breakthroughs, medical technology has advanced at an accelerating rate. But Saline Community Hospital has been able to stay on the leading edge by constantly upgrading equipment and facilities as new, more sophisticated technology is developed. The result is top quality care.

Maintaining this level of medical care requires a major investment, however. Every year the hospital puts hundreds of thousands of dollars into capital equipment and improvements, a significant portion of which is contributed by the communities the hospital serves.

The CGR Senographic 600T mammography unit was one of the first in the state to be installed. This new generation of technology enables physicians to more effectively diagnose breast cancer at its earliest stages, greatly increasing the extent of recovery.

Girl Scout Cookie Time

Information about giving opportunities at the hospital is available by calling Judy Cook, Director of Development Services at (313) 429-1580.

Yes, it's that time of year again — Manchester Girl Scouts are taking orders for cookies from January 15th through February 5th. Those delicious cookies come in seven flavors — Thin Mints, Caramel deLites, Shortbread, Lemon Pastry Cremes, Peanut Butter Patties, and Peanut Butter Sandwiches.

Girl Scout cookies have become an American tradition. This tradition is the financial backbone for providing Girl Scout program and services to nearly 10,000 girl members in Washtenaw, Livingston, western Wayne and northern Monroe counties.

There is a new price this year in Huron Valley of \$2.00 per box. The price increase is consistent with other councils in the area and across the state.

The purchase of Girl Scout Cookies is more than buying groceries. It is an investment in the future of girls ages 6 through 17.

Task Force To Sponsor Camp

Exciting plans are underway for the children of Manchester. The Recreational Task force is sponsoring a Day Camp which will take place this summer. The exact details are still being considered and your help is needed. This is a tremendous opportunity for individuals interested in learning to work and play with elementary school-aged children. The Day Camp, at Carr Park, will probably only take place for a few hours each day and only for as many days as you decide to volunteer.

Manchester is very fortunate to have received from the Huron Valley Girl Scouts Council permission to send up to 4 people (men as well as women), all expenses paid, to attend a Day Camp training seminar. Here, all the help and leadership training we need in organizing and conducting "our camp" will be provided. All we need are volunteers!

The Manchester Day Camp Director has already volunteered. She is Patty Swaney. Patty is responsible for the major administrative roles. She needs a staff to run the program.

Remember that smell of a campfire ready for a cookout lunch, arts and crafts at the picnic table, wearing shorts and sunscreen, singing songs, the warmth of the sun during a summer's hike? Be a leader and make this a memory the children will want their children to experience. Magic can happen between an adult and a child when both are working together in a pleasant atmosphere to learn from one another.

There may be college students that could use this training. Let them know of this opportunity. Call Patty Swaney today at 428-9302.

Animal Waste Management Meeting

An Animal Waste Management Meeting(s), sponsored by the Cooperative Extension Service of Michigan State University will be held on Thursday, January 28, 1988 at 9:45 a.m. - 3:00 p.m. (livestock producers) and 7:00 p.m. - 9:00 p.m. (rural/urban) at the Michigan Livestock Exchange (1 1/2 mile north of Manchester on M-52).

The evening program will center around the topics offered during the day with more emphasis placed on the rural/urban livestock issues. This program would be of benefit to those of you who live in rural areas and those who are involved in making decisions for the community. There is no charge for the program. Please call the CES office (313) 971-0079, if you plan to attend.

Educational Advantages

Manchester Enterprise August 18, 1887

We were told by a young man who lives in an adjoining township that he had intended to come to Manchester to complete his high school course, having satisfied himself that our schools were superior to some others, but had been induced to change his plans owing to the claim set up by certain persons that it would not be a safe place for young gentlemen or ladies to go to school, owing to the fact that there are so many saloons in Manchester. The young man said that he was acquainted with a number of young men who were attending school here and he was convinced that the saloons had no influence upon them as he had found them strictly temperate, and of good moral character. He also acknowledged that he was satisfied that he had made a mistake in not coming here as he had intended, because he said that there were better facilities for obtaining a finished education than where he attended school.

The young man was right. We have good churches, each of which have organized young people's societies, there is a chautauqua club, good templars lodge, musical society, and various other means of pleasant and profitable entertainment outside of the school social and literary society. Our township library is kept up by adding new books each year so that people have an opportunity to read good books which they are not able to purchase. Our citizens are enterprising, prosperous and happy, and take great pride in our schools. We do not believe that any town can build for itself a reputation by attempting to cast discredit upon another, therefore our citizens strive only by doing what they consider right, and by the judicious expenditure of money to build up our village and institutions so that her reputation will be the envy of all others. Send your boys and your girls here to school if you wish to give them a liberal education. Visit our village and our schools and you will become convinced that what we have said is true.

"Coping With A Changing World"

Millrose, Saline Community Hospital's Women's Health Center is pleased to present "Coping with a Changing World", a program in the Women's Night Out for the Health Of It series. Gail A. Parker, Ph.D. is the featured speaker.

It seems that the world is turning faster — especially for today's woman. Jobs change, marriages evolve, children grow, friends come and go. And while this dynamic life offers opportunity and growth, too much change, too fast can cause stress and even lead to illness. Learning to cope with change is an essential survival technique.

Dr. Parker will examine the changes women experience, the resulting stress and its effects. She will offer ways of handling this stress, and coping with an ever-changing world.

Dr. Parker, a fully licensed psychologist for Millrose's Psychological Consultation Service, has a varied background providing counseling services to individuals and groups, including several of the largest auto companies. In addition to holding positions as associate director and co-founder of the Center for Contemporary Psychology in Birmingham, and psychologist for the Women's Continuum Center of Oakland University in Rochester, she was the psychologist for WXYZ-TV in Detroit. There she wrote, produced and reported weekly features and a 5-part series, was a regular guest host for Kelly and Company, and appeared on Good Afternoon Detroit. She has also hosted a weekly radio show.

Dr. Parker attended Wayne State University in Detroit where she received her masters degree in Guidance and Counseling, and her Ph.D. in Counseling Psychology.

This dinner program will take place Tuesday, January 26 at Weber's Inn of Ann Arbor. A social hour will begin at 6:30 p.m., and dinner will be served at 7:00 p.m. The fee for the evening is \$18.50.

For more information, or to register, call (313) 429-1508.

Manchester Historical Society

The Manchester Area Historical Society met on Monday, January 18, at the Blacksmith Shop. Frau Gisela Schmidt presented a very interesting program on Germany. She is here through the Fulbright Exchange Program. During this year she is teaching German and helping with the volleyball team in Manchester, and our German teacher is teaching English and physical education in Germany.

Frau Schmidt gave us some history of Germany and showed slides of the beautiful countryside. West Germany is about the size of Oregon, and East Germany is

Manchester Village Planning Commission

Regular Meeting
December 12, 1987

CALL TO ORDER
The Regular Meeting of the Manchester Village Planning Commission for November was called to order at 7:32 p.m. by Chairman Kwolek in the first floor meeting room of the Village Hall. Members present: Kwolek, Lowery, Kallewaard, Walton, Daverman, Marshall and Smith. Absent: ex-officio members Hinkley and Naimowicz. A quorum was present. Councilman Tapping was present for a portion of the meeting.

APPROVAL OF AGENDA
The agenda was approved after amendments, on a motion by Smith, supported by Lowery, carried on a unanimous voice vote.

MINUTES OF PREVIOUS MEETING
Minutes of the November 10, 1987 Regular Meeting were approved as presented, on a motion by Daverman, supported by Walton, carried on a unanimous voice vote.

REQUESTS FROM PUBLIC TO ADDRESS THE MEETING
There were no requests.

COUNCIL REPORT
Marshall reported that on a vote of six "yes" to one "no," Council rescinded the ordinance creating a separate zoning Board of Appeals. Therefore the Council will continue to act as the Zoning Board of Appeals, according to State law and local ordinance.
Marshall reported that Council, acting on the Commission's October recommendation, voted not to accept the offer of Manchester Tool & Die to buy a former railroad right-of-way. However, Council will allow the company to continue to use the land for parking and to clean it up if the company wishes to do so. The Chairman suggested that rent be charged; possibly a nominal amount, but something to show that the land is used according to Council agreement, with the company benefiting by having parking space and the Village benefiting by having the land maintained. It was also suggested that a policy should be drafted to cover all Village-owned former railroad right-of-way property.

OLD BUSINESS - CIOTTI REZONING PETITION
The Secretary reported that the petitioners had telephoned four hours prior to the meeting to ask that the matter be rescheduled for the January Regular Meeting.

School Superintendent Ron Nedzweicki was present to provide some information on the potential impact of mobile home parks on school districts. He noted the following: - Manchester is currently an "out-of-formula" district and therefore receives only a very small amount of State money. The "formula" is based on a combination of property valuation, number of students, number of mills of tax in the district, and the total amount made available by the State legislature.

With current factors, 28 additional students would put the district "in formula" and qualify for additional State funds. A mobile home park could bring in additional students, but would also increase total property assessments. Therefore additional students might or might not be able to put the district "in formula".

Depending on the ages of potential new students, an increase of 50 additional students might create a need for two new teachers, with a possible cost of \$50,000 - \$60,000 depending on the type of teaching position and benefits.

Mobile home units generate a low tax revenue compared to other housing, while having the capacity of housing just as many students as other housing.
Depending on the ages of potential new students, there could be a need for additional classroom space. All schools are close to 100 percent of capacity now. Resources could be juggled, but capital expenditures might be necessary; these require time and might require additional revenues.

The Superintendent takes no position either for or against mobile home park development, but will furnish specific information, whenever possible, in response to requests from the Planning Commission.
Daverman reported on

information obtained from Kate Warren of the University of Michigan School of Urban Planning: -mobile home parks contain an average of five units per acre; -150 units would be the average expected amount on the proposed Manchester property; -these would generate an average of 35 to 40 school children, mostly in the elementary grades; -an average of 75 percent of the units would be used by people without school-age children.

There was discussion of factors such as balancing the need of people for affordable housing, with financial impact on schools and public services; would there be a difference between rented units and owner-occupied units; how to get factual information to the public on the proposed zoning.
OLD BUSINESS - HISTORIC DISTRICT STUDY COMMITTEE
Daverman reported on the Enterprise article to be published December 17th. Commissioners agreed to request a special joint meeting with Village Council to consider the Historic District proposals. January 13, 1988 at the Methodist Church Hall was recommended.

OLD BUSINESS - SIGN PERMIT APPLICATION - HOP-IN
The Secretary reported that no response has been received, since the last Regular Meeting, to the Commission's inquiry about changing the sign material to wood. A motion was made by Walton, supported by Daverman, to table the application without comment. The motion was carried unanimously on a voice vote.

OLD BUSINESS - RELOCATION OF VILLAGE DPW
Marshall explained the background of Council's request for Planning Commission input on this matter. In discussion, Commissioners then agreed on four general points: (1) Ideally, the DPW should not abut residential property. (2) Ideally, the primary traffic route from a major street to the DPW should not be through a residential area.

(3) The DPW should not be adjacent to wetlands. (4) A joint Village/County DPW yard would be desirable, because it could reduce by 50 percent the amount of Village land necessary for such uses.

The primary site suggested by Commissioners was somewhere on the industrial-zoned land south of Johnson Controls' main plant, for the following reasons: not adjacent to residential uses; with proper design and upkeep, it could be compatible with industrial structures and not an eyesore; having maintenance services nearby might even be a selling point for the Industrial Park; land already owned by the Village.

Other sites mentioned were behind the high school (traffic and gas storage are potential problems so near a school, and it's close to houses); the present County site on Ann Arbor Hill (next to residential, runoff to wetlands and Village well); behind Union Construction off Territorial Street (has to pass some residential to get to Main Street; might someday be alongside a residential neighborhood).

NEW BUSINESS - HOLLIDAY/SCHMERBERG/POOD ANNEXATION PETITION
There was general discussion

of how this proposal, to annex land east of M-52, relates to ongoing work on updating the Master Development Plan, in which it has already been proposed to look to the west of Parr Road, down to a line of Hogan Road extended west, for future expansion to accommodate industrial and office land uses.

Various scenarios were discussed in which there could be a win/win situation for both the Village and Township in future annexations, depending on the use and the immediacy of development. The importance of bringing Township officials into the discussion as soon as possible was emphasized. A motion was made by Smith, supported by Lowery, to purchase additional aerial land maps from the County for use in considering the petition. This motion was carried unanimously on a voice vote.

ADJOURNMENT
The meeting was adjourned at 10:55 p.m. on a motion by Daverman, supported by Lowery, carried unanimously on a voice vote.

Mary Kallewaard,
Secretary

Sons Of The Legion

The Sons of the Legion will meet Thursday, January 21st at 7:30 p.m. at the Legion Home.

Bridgewater Township Planning Commission

Minutes
January 11, 1988

The Meeting was called to order at 8:03 p.m. at the Bridgewater Town Hall, by Gerald Marion, Chairman. The minutes of the previous Public Hearing and Meeting, on November 9, 1987, were read and approved.

Roll: Present, all. Attending: Zoning Inspector and Township Clerk. Twenty electors.

Applications have been received by the Township Clerk from Nick Easton, 173 W. Michigan Ave., Saline, and William Gentner, of Gentner Trucking Co., of Tecumseh, to change the zoning of two pieces of property on U. S. 12 near Lima Center Road, from the present zoning of A-1 to Commercial/Business.

It was moved by Gabe Dull, supported by Vic Mann, to have a Public Hearing to consider both applications on Monday, February 8, 1988. Time: 7:30 p.m., Bridgewater Township Hall, to consider Gentner Trucking, and

8:30 p.m. to consider Easton's "Antique Mall". Passed, unanimously.

Applications for two Conditional Uses in Bridgewater were accepted. It was moved and seconded, Fraumann and Iwanicki, to consider a change to the text of the Ordinance in Section 4-03C, Business. The term, "General Business" would be added to the list of permitted uses, with a Conditional Use specified. This will be considered at 9:30 p.m. during the public hearing on February 8th, 1988. Passed, unanimously.

The Meeting was adjourned at 9:30 p.m. Next Meeting of the Planning Commission will be at 7:30 p.m. on February 8, 1988 for a Public Hearing.

Respectfully submitted,
Louise Fraumann, Secretary

Take A Course In Basic Boating

The Ann Arbor Power Squadron presents a 14 week course in basic boating.

Principles included in the course include: Basic boat handling, sail and power; elementary seamanship; rules of the road; chart reading and plotting; basic navigation.

Course instruction begins February 3, 1988 at Pioneer High School, 601 W. Stadium Boulevard, Ann Arbor, Michigan, Room C-117, 7:30 p.m. until 9:30 p.m.

All instruction is free. There is a \$10.00 charge for the 150 page student workbook. Optional course plotting material and instructional aids are available at a nominal charge.

"Chiefly the mould of a man's fortune is in his own hands."
Francis Bacon

Wrestling Report

On Tuesday of last week the Dutch grapplers traveled to Dansville to do battle with the Aggies. Upon arrival our minds were set as to what we had come to do. But this day the black and gold would be better. 52-23 on the score board and a look of disappointment on our faces told the story.

After a good practice the following day, we felt we were ready to meet the Fighting Irish of Gabriel Richard in Ann Arbor. Whitmore Lake was there and would be the first team we would challenge. 66-12 was the score at the end of the match with a smile on the faces of the Dutch. But we had to wrestle Richard yet. With a great effort, a Maroon 57 and a Green 18 was on the board after Mark Fenelon put the hammo on the last challenger.

We, as a team, are now 6-8 with three remaining duals. Napoleon, Michigan Center and Grass Lake. All being conference meets, we are aware of who is in control of our future. If we are able to pin in these meets the outcome will be favorable. Time will tell.

Hector Devulder now has a 17-6 record and is the anchor at the end of the lineup every team needs. Captain Bud Ball and senior Karl Schook have been pulling out matches for the team and have done an even better job as the type leaders every team must have. Bill Day, Dave Wzigrid and Chris Wiethoff have also contributed heavily. By the way, Mark Fenelon is now 22-0 and is looking better daily.

At home January 21, vs: Michigan Center, January 28, Grass Lake. 7:00 p.m. match time. See You there.

"Genius is the capacity for seeing relationships where lesser men see none."
William James

Commission Re-elects Officers

At their January 5, 1988 meeting, the Washtenaw County Board of Road Commissioners re-elected its current officers to serve for another one-year term during 1988. The current officers are Herman Koenn, Chair; Ulrich Stoll, Vice-Chair and Norman Kennedy, Member. Mr. Koenn is a resident of Sylvan Township and has been a member of the Board of Road Commissioners since 1983. Mr. Stoll, a resident of the City of Ann Arbor, has been on the Road Commission since 1985 while Mr. Kennedy, a resident of the City of Ypsilanti has been a Road Commission member since 1981. The three member Road Commission is appointed to staggered six-year terms by the Washtenaw County Board of Commissioners. The Road Commission is responsible for the maintenance and operation of almost 1500 miles of county roads. The Commission employs a staff of 125 and its 1988 budget totals \$12,465,000. The Board meets on alternating Tuesdays at 1:00 p.m. at their main facility, 555 North Zeeb Road, Ann Arbor, Michigan.

County To Close Bridge

The Washtenaw County Road Commission announced today its decision to close the Fuller Road Bridge over Stony Creek just south of Arkona Road in Augusta Township. The closure is the result of the most recent bridge analysis completed by the Road Commission on the 105 bridges in Washtenaw County. The bridge analysis is undertaken every two years to evaluate the safety of County bridges. If the condition

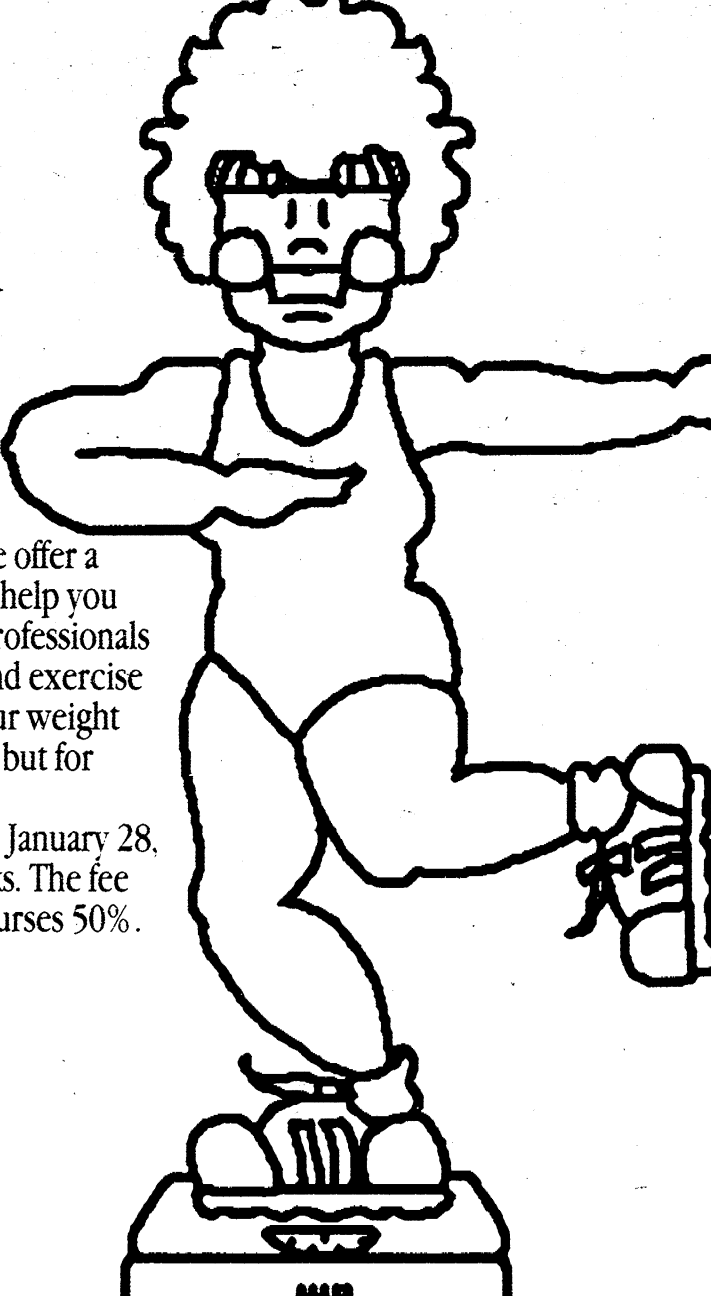

of the bridge has deteriorated to the point where it can only safely carry two tons, it must be closed or the County is no longer eligible for any Federal funds. Recently the Road Commission did receive notification from the Federal Highway Administration indicating that the County is no longer eligible for Federal Funding until the Fuller Bridge is closed. In addition, the county must lower the weight limits on the Austin Road Bridge over the Baver Drain in Saline Township as well as the Dell Road Bridge over the Saline River in Lodi Township. The County must also close the Sheridan Road Bridge over Iron Creek in Manchester Township. However, the County does have a portable bridge structure which it can use to replace the Sheridan Bridge. The Road Commission will proceed to reconstruct the Sheridan Road Bridge and hopefully it will be reopened this spring. During the past two years, the Road Commission has replaced seven bridges within the County and anticipates replacing at least nine structures during the next two year. Most of these structures have been replaced with the assistance of Federal Critical Bridge Funds, however, the Road Commission has replaced seven of the bridges with its own funds or through assistance of the affected townships.

Freestyle Wrestling

Sunday, January 17th, freestyle wrestlers from Manchester went to Lamphere High School in Madison Heights. This was the start of what is anticipated as a very successful season. Five of Manchester's finest freestyle wrestlers participated with four of them bringing home medals.

Hector Devulder, wrestling in the open division as a heavy-weight, was awarded a 3rd place bronze medal. Dave Wizgird, wrestling at 132 pounds in the elite division, brought home a second place silver medal. Isreal Clouse, at 121 pounds in the cadet division was proud to accept a second place silver medal. Jason Woods, at 99 pounds in the cadet division earned a first place gold medal. Stacey Clouse in the schoolboy division at 105 pounds came in fourth. Congratulations wrestlers. Thank you to Mr. Wizgird for some fine coaching at this meet.

On Monday, our girls visited Brooklyn Columbia Central. The first match of the evening was Junior Varsity, and we started out slowly, losing the first game 4-15. But we came on strong winning the next two games 15-11, 15-11. Nikole Reinhart and Jenny Binder led in point scoring with 10 each. Perfect servers were Marci Sloat, Amy Wagner, Karin Fasing and Nikole.

Next up was the Varsity confrontation. It was a hard-fought battle, but we won it in two straight games, 17-15, 15-13. Co-captain Jennifer Barnard led in serves and sets with 12 and 34 respectively. Ami Bragg had 18 hits and 1 kill, as Co-captain Renea Drouare had 13 hits and 2 kills.

On Thursday we opened league play by hosting the Napoleon Pirates. The Junior Varsity squad won in two quick games, 15-8 and 15-9. Alicia Haeussler led the scoring with 12 points while serving perfectly. Amy Major, Nikole, Jackie Ahrens, Karin and Marci also received perfect serving stars. Our girls stand at 3 and 0 this season, but if you look back to last year's record, the Junior Varsity spikers have won 15 of their last 16 games.

Our Varsity squad extended its overall record to 10 and 1, by downing Napoleon 9-15, 15-9, 15-8. Jennifer again was top server and setter with 21 and 32. Ami had 30 hits and 9 kills as Renea collected 18 hits and 8 kills.

assumed control early and led 42-23 at half-time. Our lead was insurmountable as we cruised to an easy 72-56 win. Jason Van Deven led all scorers, popping for 16, as Tom Mann hit for 15. John Korican and Nick Miller contributed 20 points, 10 each. We now stand at 6 and 2 overall, and 3 and 1 in the Cascades. I have a list of the 17 top scorers from our area's region teams. All these schools are class A or B in size except Manchester. We had two top guns Friday in Jason Van Deven and Tom Mann.

REPAIR YOUR DAMAGED WINDSHIELD FOR A FRACTION OF REPLACEMENT COST.

Most windshield breaks are repairable, and the cost is far lower than windshield replacement. The patented, proven Novus method can restore and repair windshields both structurally and optically, leaving damaged areas almost invisible. But act now! If crack damage spreads too far, it may become necessary to replace the entire windshield.

We come to you... Mobile Service Anywhere in Washtenaw County. MOST INSURANCE COMPANIES WILL PAY 100% OF REPAIR COST.

WAYNE'S WINDSHIELD REPAIR

Klager News

Students Looking Forward To Dance

Boys and girls at Klager are looking forward to the PTO sponsored dance this Friday night. Students are making the decorations, including an igloo and mural, for the event. Klager families are invited to attend the dance at the High School Study Auditorium from 7:30 - 10:30 p.m. Children must be accompanied by an adult.

Parents - bring your cameras. You'll have the opportunity to take many pictures.

Mrs. Sherri Hankamp and students in her class.

Its hard to believe that the first semester is almost over. The second semester will begin January 25th. Students at Klager will attend school all day Thursday January 21, but will be dismissed at 11:45 a.m. on Friday, January 22. Morning kindergartners will not be in school Friday morning. Afternoon kindergartners will attend the morning session on Friday. Klager students will bring their report cards home on January 26th.

P.J. Elkins, J.R. Jorgenson, and Jordan Wahl play with the new wooden toys that Mr. Kuyda made for the Kindergarten Classroom.

First Graders To Present Play April 20th

Mrs. Savage's first graders are practicing the play "The Elephant's Child" by Rudyard Kipling. They plan on presenting the play to their parents April 20th.

Danielle Funk, Mary Barrett, Nolan Westcott, Megan Kennedy, and Tina Wenk are making paper-mache melons for their play.

Chelsea Hospital Adds New Mammography Unit

Chelsea Community Hospital's Department of Diagnostic Imaging has recently added two new pieces of state of the art diagnostic equipment. The Mammography Unit, a Thomson CGR Senegraphe 600T, is one of only two such units in the State of Michigan. "We purchased this unit because we wanted to continue to provide the highest quality diagnostic examination possible for our patients and their physicians. The unit is superior to our old unit in that it improves our ability to detect abnormalities and to resolve whether the abnormality is significant," says David E. Baker, M.D., Medical Director of Diagnostic Imaging. "Mammograms are a part of women's health today," says Kathleen Raymond, R.T.R., Technical Director of Diagnostic Imaging. "More and more women are learning and following the guidelines of the American Cancer Society and those of their personal physician to include a mammogram as part of their health examination. This unit

insures that a woman will receive the best possible diagnostic results with as little discomfort and the lowest dose of radiation possible. A small staff of specially trained technicians perform mammograms, breast examinations and self-breast examination instruction in a warm, supportive environment." Referrals for mammograms may be made through the woman's personal physician or through the Women's Health Center.

Another enhancement to the diagnostic capabilities of the Department is the addition of a new nuclear medicine unit. The Elscint Integrated Digital Gamma Camera with SPECT capabilities performs special studies or studies which compliment others such as a CT scan or x-ray.

Notice Of Public Hearing Manchester Village Planning Commission

A Public Hearing will be held on Tuesday, February 9, 1988, beginning at 8:00 p.m., in the first-floor meeting room of the Village Hall, 120 S. Clinton St., concerning a petition by the Conquering Faith Fellowship, which asks that the following change be made in the Manchester Village Code:

To amend Chapter 51 (Zoning), Article 12 (C-2 General Commercial District), Section 5.133 (Conditional Uses) by adding a new conditional use: "Churches".

Anyone wishing to comment on the proposed amendment, but unable to attend the Public Hearing, should mail or personally deliver written comments to Secretary, Manchester Village Planning Commission, 120 S. Clinton St., Manchester, MI 48158. Written comments should be received no later than 4:00 p.m. on February 9, 1988. Written comments will be read aloud at the Public Hearing.

Mary Kallewaard
Secretary

Manchester Historical Society

Continued from page 1

about the size of Tennessee. Until 1871 Germany was a collection of feudal states and they built fortifications and castles for protection. The ruler of each state determined the religion for the state. Many people emigrated to the United States seeking religious freedom.

After World War II, Germany was divided into four parts. The Soviet Union built a wall 1000 miles long separating its part from the rest. Berlin is surrounded by a wall because it is in East Germany. Restrictions have been eased so people from East and West Germany can visit each other more easily.

Many buildings are being restored or have been restored, and they try to preserve old trees and natural areas.

Birth Announced

Gary and Diane Wiedmayer are proud to announce the birth of their son, Dieter Michael, on January 16, 1988, weighing 8 pounds 4 ounces.

Dieter has one brother, Jason 12 1/2, and one sister, Hilary, 11. Grandparents are Dan and Jane Lent of Brooklyn and Alice Wiedmayer of Manchester.

American Legion La Leche Auxiliary League To Meet

The American Legion Auxiliary met at the Legion Home on January 13, 1988, with 16 members present. Committee reports were given. Membership Chairman, Phyllis Baker, reported that we have 96 paid members - our quota is 98.

Information regarding Girls State has been received. Any 11th grade high school girl who is interested in attending Girls State should contact Mr. Parsons at the Manchester High School for more information.

The Second District Meeting was held in Milan on January 10. Representing our Unit at that meeting were Edna Knauss, Jacqueline Armentrout, Phyllis Baker and Vivian Middlemiss.

Kay DuRusell reported that the Michigan Department of the American Legion will host an appreciation dinner for our Michigan Legislators. This event will take place in Lansing on February 9th.

New Bingo schedules have been prepared and are in the process of being distributed to bingo workers.

Our next meeting will be February 9, 1988. Refreshment Committee will be Mary Poley, Arlene Walter and Polly Brokaw.

The Advantages of Breast-feeding to Mother and Baby will be discussed at the next meeting of La Leche League on Tuesday, January 26, at the home of Marsha Chartrand, 208 South Clinton Street at 7:30 p.m. Women who are currently breastfeeding or who are thinking about nursing their expected babies are encouraged to attend these meetings for support, encouragement, information and enrichment.

For further information about La Leche League or about meetings, or for help at any time, please call Marsha Chartrand, League leader, at 428-8831.

Accepts New Position

John Pratt of Cincinnati, has accepted the position of Real Estate Investment Manager for Motors Holding Division of General Motors and will be located at the Corporate Headquarters in Detroit. Mr. Pratt is a graduate of Manchester High School and Eastern Michigan University. He is married to the former Sheryl Hieber and has 2 daughters, 10 years and 4 months.

Faith Community Church Presents JONI

JONI is an inspirational true story of faith and courage. Devastated by a diving accident at the age of 17, she emerges from that tragedy as a quadriplegic, unable to do anything for herself. As a result, she learned a great lesson of dependence upon God.

In a powerful and dramatic film, the agonies, achievements, joys, and hopes of Joni's experience are shared with the viewer. And the impact of its message is made even more outstanding by the performance of the star of the film: Joni Eareckson portraying herself.

Joni will be shown at Faith Community Church, 8400 Sharon Hollow Road, Manchester, Michigan, January 31, 1988 at 6:00 p.m.

DNR News

A special late Canada goose season will begin January 9 and run through February 10 in southern Michigan.

Department of Natural Resources (DNR) Wildlife Division waterfowl managers said the purpose of the special late season is to help control the large populations of locally reared giant Canada geese.

Most of southeastern Michigan, south of a line from Grand Rapids to Port Huron, is open to Canada goose hunting, except in the Allegan County Goose Management Area and the Pointe Mouillee Goose Management Area.

The hunt area boundaries are described in the 1987-88 Michigan Waterfowl Hunting Guide.

The daily bag limit is two Canada geese with a possession limit of four Canada geese.

Cards of Thanks

A sincere thank you to Dr. Vera Kluge for coming to her office on a Sunday and doing emergency surgery on my cat. You're a great vet!

I had to wipe the tears from my eyes after receiving your card from all my friends at the Coffee Shop. It was so darn nice of all of you to remember me. I am on my way to recuperation, it takes time. I love you and thank you all.

Ever your friend,
 Sam Brown

Manchester Board Of Education

January 18, 1988

The meeting was called to order by President Gary Davis at 8:00 p.m. with a Pledge of Allegiance. Members present: Davis, Sahakian, Golding, Kluge, Kemner, Gaughan. Members Absent: Samonek.

Also present: Superintendent Niedzwiecki, Principals Henry, Schick, Morrison, Director of Student Services Strieter, Transportation/Maintenance Supervisor LeFurge.

Communications from National Association of School Boards, and Washtenaw School Officers' Association were read and ordered filed.

Minutes of December 14, 1987 were read and approved. Financial Report with a cash balance as of December 31, 1987 in the amount of \$754,917.69 and Bills Payable in the amount of \$860,116.59 were approved.

Discussion items: Detective Anderson from the Washtenaw County Sheriff Juvenile Division spoke to the Board regarding a program entitled "It's OK to Say No" Program pertaining to child abuse. The Board approved the program for presentation to the students of our district.

Jim Fielder, Director of the Manchester Summer Recreation Program, presented to the Board a report and budget summary of the Program.

Superintendent Niedzwiecki discussed the mini-van for the Special Education Department. Midwest Ford informed Mr. Niedzwiecki that we are eligible to receive a \$500.00 rebate from Ford Motor Car Company.

The Superintendent reported on the High School Shop Renovation Project, the High School Girl's Lockerroom, Pleasant Lake Re-Roofing Project and the Revised Budget Report on Maintenance/Capital Improvement Project.

"Oliver North Slide Show" Manchester Township Board

Proposed Synopsis

The regular meeting of the Manchester Township Board was held January 11, 1988 at the Township Hall with all Board members present. Also present: Thomas Fidge and Michael Schlosser. Meeting opened with the Pledge of Allegiance.

Approved minutes as submitted. List of bills paid since last meeting presented.

Treasurer reported \$12,621.64 in the General Fund. She has collected \$1,186,253.96 in taxes.

Approved payment of General Fund bills for \$6,393.34. No visitor input or old business.

Board Members returned to reconvene the regular meeting at 9:50 p.m.

Following discussion, the motion was made per advice of counsel, to deny the settlement payment requested by Mr. G. Macomber, Jr.

Board scheduled a special Board of Education Meeting on February 8.

The regular meeting was changed to February 22, 1988. Meeting adjourned at 10:00 p.m.

Showing the presentation, and using an accompanying script written by Col. North, will be Edward Taub, the administrative assistant for the AFC at their state office in Southfield, Michigan. "In the many programs that we've done throughout the state so far, we've found that people of both political parties are concerned about the growth of communism and anxious to find the best solution to the global problem," said Taub. "The slide show illustrates how we can never afford to take our freedoms for granted."

Supervisor reported the terrible problem with dogs and sheep. Many sheep have been killed.

Gerald and Sandra Lowery must appear in Circuit Court January 20, 1988 regarding mobile home still on their property.

Attorney Roesch is taking necessary actions regarding violations of Michael and Shirley Lowery.

Meeting adjourned at 8:26 p.m.

Submitted by, Wilma E. Lentz, Clerk. Approved by, Clarence L. Fielder, Supervisor

MFS Christmas Report

The 1987 Christmas Report for Manchester Family Service shows that 83 households were served this past year. Out of the 203 individuals helped, in this number 80 were children and 47 senior citizens.

The agency's Christmas Shop which was hosted by St. Mary's Church again this year was on December 17. Individuals and families meeting the low income standards set by the government were provided with their orders for food or clothing, picked up their boxes of groceries, a new gift for each child in their families, and federal surplus food for the month. Also they had a choice of clothing, household items, toys and footwear from the annual Christmas Shop which filled the church basement to overflowing. Over sixty families supplied the shop with its bountiful store and Boy Scouts in the area repaired toys to add to the collection.

The Manchester Schools collected approximately 1500 canned, packaged and paper items for the 83 grocery boxes. Klager Elementary surrounded their Christmas tree with their donation, 5th and 6th grades figured theirs on a monetary basis with \$236.85 worth of donations, 7th and 8th paid for admittance to the Christmas dance with the needed items and the High School Leadership Class delivered a pick-up load of groceries to the church for packing. Other items came from the Thanksgiving donations at Emanuel United Church of Christ and the American Legion Auxiliary Christmas Party. Mrs. Robert Pratt spent a good share of her

spare time in concocting tiny, cuddly animals and dolls to add to each grocery box that went to families with little children. Bags of candy and chocolate Santa's were also added.

The highlight of "The Shopping Mall" was the new TOY and DOLL SHOP which was the last stop for families with children. This corner of the room was a delightful display, overlooked by a spectacular dragon made by Mary Blossom, of dolls, bears, toys, games, watches, caps and mittens to name a few. The Twentieth Century Club, Xi Epsilon Iota sorority, Cub Scout Den #2, Lambda Nu sorority and the John Sahakian children and many more individuals filled this sumptuous shop.

Specific donations came again from Abtrex Industries of Inkster with direct payment to IGA for turkeys for the clients, and Chrysler Proving Ground Employees and Manchester Tool and Die picked up half of the agency's grocery bill with their gifts to the general fund. The orders for a dozen households in southwest Washtenaw County, outside the Manchester School District were financed by the Manchester Unit of the Salvation Army.

Four families were selected for assistance this year by special groups that felt the need of adding a personal touch to the spirit of the season. Judy Carlton donated the plentiful grocery order for one family through Food Orders from the IGA. Another was given a complete Christmas Holiday by the LDB Family

Interim Pastor Appointed

The Reverend Vernon (Pete) Jones has been appointed interim pastor at the Sharon United Methodist Church. Rev. Jones is a United Church of Christ minister living in Tipton. He will serve as interim pastor until June when the annual conference of the United Methodist Church meets and a regular pastor is appointed.

A welcome pot luck will be held Sunday, January 31, following the morning worship service.

Persons in the community wishing to reach Rev. Jones may contact him through the church secretary, Mrs. Lynn Voegeding.

Celebrates 90th Birthday!

The family of Martha Feldkamp will be hosting an open house, celebrating her 90th birthday, Sunday, January 31, 1988 from 2 p.m. to 4 p.m. It will be held at the U.A.W. Local 437 Hall located at 218 South Main Street in Chelsea.

Martha has lived in this area her entire 90 years. She retired from Federal Screw Works in 1960 and is a member of St. Paul's United Church of Christ. Martha keeps busy with any number of needlecraft projects.

Relatives, neighbors, and friends are invited to stop by Sunday, January 31 and wish her a happy birthday.

Special Olympics Winter Games

WASHTENAW COUNTY SPECIAL OLYMPICS WINTER GAMES ANNOUNCED

Special Olympic athletes from throughout Washtenaw County are preparing to take part in local area Winter Games. The games will be held Friday, February 5, 1988 at Buhr Park in Ann Arbor.

Athletes will compete in cross country skiing, snow shoe and speed skating competition. Also scheduled are figure skating demonstrations and broomball matches.

Volunteers are needed to assist athletes and organizers as well as to add their enthusiasm to the event. Volunteers have the opportunity to serve as: starters, timekeepers, huggers, registrars, and general, all around helpers. No experience is necessary, just be prepared to have fun.

On-site registration for athletes and volunteers will begin at 8:30 a.m. on February 5th at Buhr Park. The opening ceremonies will begin at 9:30 a.m. Volunteers should call the Special Olympics office at 971-3250 to indicate their interest and receive further information.

71st Anniversary!!

Mr. and Mrs. Wallace Widmayer celebrated their 71st Wedding Anniversary on January 24.

The immediate family and Lena Riedel, Amanda's sister, attended the dinner marking the occasion.

Wallace and Amanda were married in Manchester in 1916 at the home of the brides parents. Their children include sons Lyle and Richard, both of Manchester, and the late Veal Widmayer. They have 10 grandchildren and 4 great-grandchildren.

Student Of The Month

Renea Drouare pictured with her parents Roger and Sharon, and Optimist member Monty Okey.

Renea Drouare, a senior at Manchester High School, has been selected as Manchester Optimist Student of the Month for January. She is the daughter of Roger and Sharon Drouare of Easudes Road. Renea has been a member of the National Honor Society her past two years. She has been on the student council for 3 years and was secretary her junior year. She was a member of Students Against Drunk Drivers (SADD) her freshmen year. Renea has excelled in sports all

four years at Manchester High. She has lettered in Basketball, Volleyball and Softball all 4 years of high school. She has been captain of the Basketball and Volleyball teams her past 3 years at Manchester for a total of 5 years as team captain! Renea has been on the Honor Roll her freshman through senior years. Our Student of the Month plans on attending college next fall but is undecided as to a major. We are all proud of Renea and her accomplishments and wish her the best in the future!

"LEAP YEAR"

Manchester Enterprise
January 23, 1988

Custom has assigned to every fourth year, a plan of significant importance in establishing it as a year of opportunity for gay ladies to become gallants, and has authorized them to speak for themselves in the all-important matters which interest those of a certain or uncertain age, more nearly than any other. Now is the appointed time for popping the question, and for doing all manner of things contrary to law and the usual custom of man and womankind.

The first day of January, it is probable all well-informed folds are aware began leap-year. During that year the ladies claim the privilege of "popping the question" to bashful swains, who, though they are trying to do it, always get a fit of what is called the buck ague about that interesting time. We don't speak from experience in the matter, for we have never "been there," but get our knowledge direct from those who have. This city, like all other towns of its size and pretensions, contains its share of ambitious and well to do youths, who are anxious to pay the board and buy the clothes for some nice young lady "as long as they both shall live," anxious to feed one of the adorable gender in order that she may sit at the head of his table, and sew his shirt buttons on, and it is to be expected that

Annual Village Election

The annual Manchester Village Election will be held Monday, March 14, 1988. The following individuals are running as candidates for the various offices for a two year term:

Mary Kallewaard - Village President; Connie Schaffer - Clerk; Sue Koebbe - Treasurer; Del Ludwick - Assessor.

Running to fill three Trustee vacancies are: Joseph Marshall; William Kwolek; Wendell Reinhart and Rebecca Doyle.

Free Tax Aid

Appointments to prepare senior citizens' Michigan tax rebate forms and home heating credits are now being accepted by the Washtenaw County on Aging. This free service is extended to property owners and renters who are 65 and over throughout Washtenaw County. It is offered in the home or at the Council on Aging office. Call 665-3625 for an appointment.
