## Garlick Ends Term As Interim Manager

By Becky Doyle

Emory Garlick presented his last report as Interim Village Manager last Monday night. His report detailed to Council 15 points on which he had been working, some of which will now be followed up by Connie Schaffer, Village Clerk. The 16th and final point was a two word wish for the future of the Village and Council members - "Good Luck".

It looks as if they may need it. In a separate document, Garlick also discussed legal opinions regarding the separation of elected positions in the village from hourly staff positions. The office of Treasurer is currently a 10 hour per week position, and the Treasurer is also currently employed by the village for the

remaining 30 hours.

According to Garlick's report, this situation is not allowed under law, and steps will have to be taken to clear it up.

Council made no decision regarding the problem, but did discuss alternatives.

Garlick also submitted a report to Council rating the streets in Manchester according to state of disrepair and made several suggestions on how the Act 51 monies could be used to maintain them. His report was well received by Council and he was commended for the fine job that he had done.

There has been no action taken to replace Garlick at this time. However, Garlick has said he feels much of the office work could be handled by the Village Clerk, at least on a temporary basis.

## Manchester Family Service Annual Meeting

The annual meeting of Manchester Family Service is Monday, February 15, at the Manchester Township Hall on Macomb Street at 7:30 p.m. This is a public meeting open to all residents of Manchester School District at which the agency's activities for the past year are discussed.

Three of the nine board members are elected each year for a three year term each. This year there will be a fourth member to be elected for a one year term to fill a vacancy. The nominating committee is Mrs. Jean Sauter (428-8445) and Mrs. Jean Wheeler (428-8790). Please call either of them if interested in working on this service agency board or if you have someone to put in nomination. Nominees must give consent to serve when their names are placed in nomination.

Officers of the agency are elected at a meeting of the board following the annual meeting. Refreshments will be served.

## Postal Service Adjustments Announced

Detroit's Field Division General Manager/Postmaster John M. Horne announced that the retail operations of all post offices in the Detroit Division will close for a minimum of one half day each week beginning February 13.

Also, beginning February 14, Sunday collection from street collection boxes will be discontinued, except Express Mail collection boxes. Horne cited compliance with the recently adopted Omnibus Budget Reconciliation Act as the reason for the adjustments in service.

"The Act requires us to reduce operational spending nationally by \$160 million this year, and \$270 million next year," Horne said. "It requires that we accomplish this

in a way that will leave identifiable "audit trails" that the Government Accounting Office can see."

Horne explained that a third of the savings will come from adjustments in service. "However," he added, "we have structured our plans to provide maximum flexibility in achieving these savings."

To accommodate customers during the days lobbies are closed, Horne said that self-service postal centers will be available for use, as well as various contract stations located throughout the Division. The new hours of operation including the location of contract stations in the immediate area will be posted in each post office.

## Wolverine Council's Winter Event

In spite of the lack of snow, the Wolverine Council's Winter Event was held on January 23rd. The Cub Scouts learned about winter camping, ice fishing, and participated in outdoor activities. January also completed our Popcorn sales. The annual Popcorn sale is the major fundraiser for the Pack. Our Pack sold the most Popcorn of all Packs in our District and was the second highest in sales in the Council. Our top 5 Cub Scout salesmen were: Brad Gere, Joe Tobias, John Ross, Mark Branch and Bradley Kemner.

Pack 421, along with Cub Scouts nationwide, will celebrate Scout Anniversary Week February 7-13. This week commemorates the beginning of Scouting in the United States. In Manchester area stores the Cub Scouts are proudly displaying posters and crafts that they've made. The culmination of the Anniversary celebration is the annual Blue & Gold Banquet for all Cub Scouts and their families.

Awards presented at the January Pack meeting: WOLF BADGES: Mikey Meranuck, Justin Turk, Randy Burkhardt, Nicholas Kozar, Herb Mahoney, Bryon Kester and Landon Burkhardt. ARROW POINTS: Mikey Meranuck (1 gold), Nicholas Kozar (1 gold), Herb Mahoney (1 gold, 2 silver), Patrick Chapin (2 silver), Danny Alber (gold, 1 silver).

## Salt Mine Under City of Detroit

Manchester Enterprise February 15, 1923

Many Men and Heavy Machinery Take 1,000 Tons Daily From 1,000 Feet Below Surface

Below the slushy, unromantic streets of west Detroit at a depth of 1,100 feet is a jeweled labyrinth of glistening caverns winding a distance of 20 miles.

This maze of crystal corridors wide as ordinary streets and 25 to 35 feet high spreads out from the foot of a shaft in more than three times as deep as the First National Bank building is high, says the Sunday News.

It will probably be news to many residents of Detroit to hear that the city has within its limits a mine with spacious chambers and vaulted passageways daily in large-scale operation. The product of this mine is salt.

This mine however produces only rock salt. Except for a simple crushing operation, the mineral is put on the market exactly as nature made it. The mine is located just beyond the Fort street bridge across the River Rouge. Some idea of the size of the mine can be obtained from an estimate given by Joe Payton, the mine foreman. He said if all the dug-out passages were placed end to end to form a continuous tunnel, its length would be more than 20 miles. Two gangs of men do nothing but lay track for the narrow-gauge electric railroad that hauls in the

salt from points where digging is in progress to the foot of the shaft.

Once in the mine, the visitor suffers no hardship nor inconvenience. The mine is absolutely dry and from its very nature clean. The corridors are 40 or more feet wide and four or five times as high as a man is tall. One could easily imagine he was walking on the streets of a great city at a late hour on a moonless night. No stooping or crawling is necessary. The view is not broken by unsightly timbers; as far as one can see are continuous white arches and domes.

The vein of salt being worked is 35 feet through. Holes are drilled into the face of the formation, dynamite is inserted and exploded. An electric "steam shovel" follows up the blasters, loading the large salt chunks into the cars of the dinky railroad. Gangs of miners also assist with picks and shovels to get out the daily production of 1,000 tons.

If you bored a well in any back yard in Detroit, you'd strike salt down about 900 or 1,000 feet. Most of the salt and chemical companies run pipes down to the deposit. In these water is pumped down to the salt stratum and the brine is then pumped out and evaporated, thus is made table salt.

The salt from the mine is allowed to remain in its original state and is only crushed. Stock

## Wildlife Recovery Presentation

Fourth graders examine the claws of a horned owl. Mr. Joe Rogers from Wildlife Recovery presented the assembly to all Klager students in grades 1 thru 4.

The Manchester PTO sponsored the Wildlife Recovery Presentation to Klager students Friday, January 29, 1988. Two classrooms joined together for each presentation. Mr. Joe Roberts brought with him a live vulture, a screech owl, a red-tailed hawk and a horned owl that had been injured and could not be returned to the wild. The Wildlife Recovery is a hospital for injured animals located in Mount Pleasant.

## Senior Citizens News

I discovered the hyacinths up on the south side of the house on the 31st. Do they honestly think it's time, tho it feels good to think spring. Dog is dragging in mud so that my mop is getting lots of exercise. Come for a different kind of exercise on Thursday, February 4 at 11:00. Join the February birthday folks at noon for turkey and their birthday bash, then play bingo.

Another kind of exercise is taking place each Monday at Michigan Center (except the third Monday of each month). You won't believe the routine at Aqua-cise in the pool unless you try it! Call Helen Knickerbocker at 428-7239 to reserve your spot on the bus which leaves at 10:15. This is free to senior citizens and is a good water workout. Bring your suit and towel, we are having a great time.

Tuesday, February 9: Council meets at 9:30. Fish almodine is on the lunch menu (one of Jan's specialties). Come help at the

## Obituary

Lorenz Ahrens  
10710 M-52  
Manchester

Age 91, a life long Manchester area farmer, died Thursday, January 28, 1988 at Chelsea Community Hospital. He was born January 22, 1897 in Jackson County, the son of William and Ann Huber Ahrens. He was married to Helen Schable on February 18, 1925. She preceded him in death on September 2, 1985. He was a member of Emanuel United Church of Christ. He is survived by 1 son and his wife, David and Patricia Ahrens of Manchester; 3 daughters and their husbands, Arlene and Max Walter and Doris and Glen DeClaire both of Manchester, Jean and Russell Heiber of Saline; 11 grandchildren; 6 great-grandchildren; 1 sister, Helen Mast of Ann Arbor. He was preceded in death by 5 brothers and 2 sisters. Funeral services were held Saturday, January 30, 1988 at 1:00 p.m. at the Jenter Funeral Home. Rev. Robert Macfarlane officiated. Burial followed in Norvell Township Cemetery in Jackson County.

Center at 12:30, help is needed to make booklets for the area convalescent homes - pictures to be cut (bring scissors).

Thursday, February 11: Let's exercise some more at 11, enjoy chicken pie with batter crust for noon lunch and bingo which follows. Our tasty senior lunches, served each Tuesday and Thursday unless weather forbids, are an inexpensive way to get both vitamins and fellowship. Come join us after calling in your reservation the day before to 428-8359 for all who are 55 and over.

Looking ahead: Saturday, February 13, the bus leaves for Chelsea and travelog 'Keith McColl - Australia' (it's summer down there now). Departure time is 5:30 p.m., call Helen to go along.

Monday, February 15: A shopping trip is planned (no swimming via bus that day). Destination will be forthcoming.

We are pleased to announce that a 5 foot aluminum step ladder has been 'purchased' with Bill Knapp's bonus points. Rubena and the seniors say thank you to the many people who have brought these points home to us for articles for our Center.

## Birth Announcements

Rick and Sharon Ervin are proud to announce the birth of a son, Donald John, born on January 26, 1988. Donald has a sister, Amy, 2-1/2.

Grandparents are Elmer and Shirley Ervin of Manchester and Nancy Decoster of Grass Lake. Great-grandparents are Mrs. Gola Bertke of Manchester and Mr. and Mrs. Donald Irwin of Grass Lake.

Alan and Cindy Hanewald are proud to announce the birth of their son, Justin Alan on December 27, 1987. Justin was born at St. Joseph's Mercy Hospital weighing 8 pounds 9 ounces and was 21 and 3/4 inches long. Justin has 1 step-brother, Derrick.

Grandparents are Martha and Dwight Carr of Saline and Arthur and the late Maxine Hanewald of Manchester.

## Addition To MFS Christmas Report

In doing the Manchester Family Service Christmas Report, three items were inadvertently omitted. More donors to the fabulous "Toy Shop" were Don and Barbara Currence and Carolyn Orth. In alphabetizing the list of financial donors, the Manchester Methodist Women's name was left out. Many thanks to everyone who assisted the Christmas project in dozens of ways.

## Salt Mine

Continued from page 1

raisers, tanners, packers, and ice cream manufacturers are the chief users of the mined rock salt.

The large machinery was all lowered to its position 1,100 feet below the surface in "knocked down" form, that is, it was taken in pieces and some pieces were cut in two and welded together again.

Some day, perhaps the mine will extend like those of Rumania and Galicia. These have become show places for tourists. In the valley of the Vistula is an underground city hewn from rock salt. It was started a thousand or more years ago and today has streets extending 25 miles in one continuous line, has railroad stations, churches, stores, a restaurant. Human beings are born, work, live and die underground.

44 hits, 22 each. Jennifer also led our squad with 52 sets. The scoring went this way: 15-13, 18-15 and 7-15.

Our Little Lady Dutch also fell to Vahdy 13-15 and 9-15. Nikole Reinhart was high scorer for the night with 9 points, as Ami Major and Renea Drouare contributed

Our JV squad easily defeated Grass Lake Thursday. This now brings our season record to 6 wins and 2 losses. Likewise, our Varsity squad dumped Grass Lake 15-9, 15-7. Jennifer had 11 for 12 serves. Coach Kelly Haight stated that "Juniors and Sophomores are really pulling their skill level up and playing very competitively. Vanessa Salyer has been a good strong block in the front row. We're to have Sherry Rickelmann back after a bout with pneumonia."

Our varsity now supports a 12 and 3 overall record.

## "Witness For Peace"

Helen Jeanne Doane, former missionary to Guyana, South America, and mission executive of the United Methodist Church in Michigan, will offer her experience with the relief, study and witness tour of Nicaragua conducted by "Witness for Peace" in 1985. Transporting thousands of pounds of relief materials to war-torn Central American nations in recent years, "Witness for Peace" affords both a vehicle for Christian witness and a perspective on Nicaragua quite different from that presented in North American media.

The Manchester United Methodist Church, 501 Ann Arbor Road, welcomes the community to participate in Mrs. Doane's challenging presentation on Sunday, February 7, at 4:00 p.m. in the church sanctuary. For fellowship and discussion, a light lunch will be served following the presentation at approximately 5:00 p.m. Invite your friends and neighbors, and join us for this special event!

# Dutchmen Super In Home Court

Varsity Basketball  
Bryan Barnard scoring 2 of his 20 points in the Michigan Center game.

This past week we hosted both games and Tuesday defeated Michigan Center and Friday plastered Jackson Baptist.

In the Tuesday battle, Center took a 2 point 11-9, low-scoring lead after 8 minutes of play. We fought back in the second period to lead at half-time 31-19. It was the third quarter that shot down the Cardinals, as we out-scored them 22-8, taking a comfortable advantage into the final period. At the conclusion the scoreboard read 71-60 in our favor. Junior guard Bryan Barnard led our Dutchmen by scoring 20 points. Tom Mann assisted with 12 as Tim McGinn contributed 10.

The contest on Friday night was against the Royals of Jackson Baptist. The opening tip went to Tim McGinn who laid it in for an easy bucket. Both squads went cold for the next couple of minutes, leaving the score 4-4. We needed to spark the momentum, so we applied our "killer" press. In less than one minute we had 5 steals, resulting in a 14-4 cushion. The Royals could never get on track as we continued to fly, leading by 26 points at intermission, with a final score 80-59. Junior Tom Mann led our scoring with 21 points, as Tim McGinn and Nick Miller popped for 24 points, 12 each.

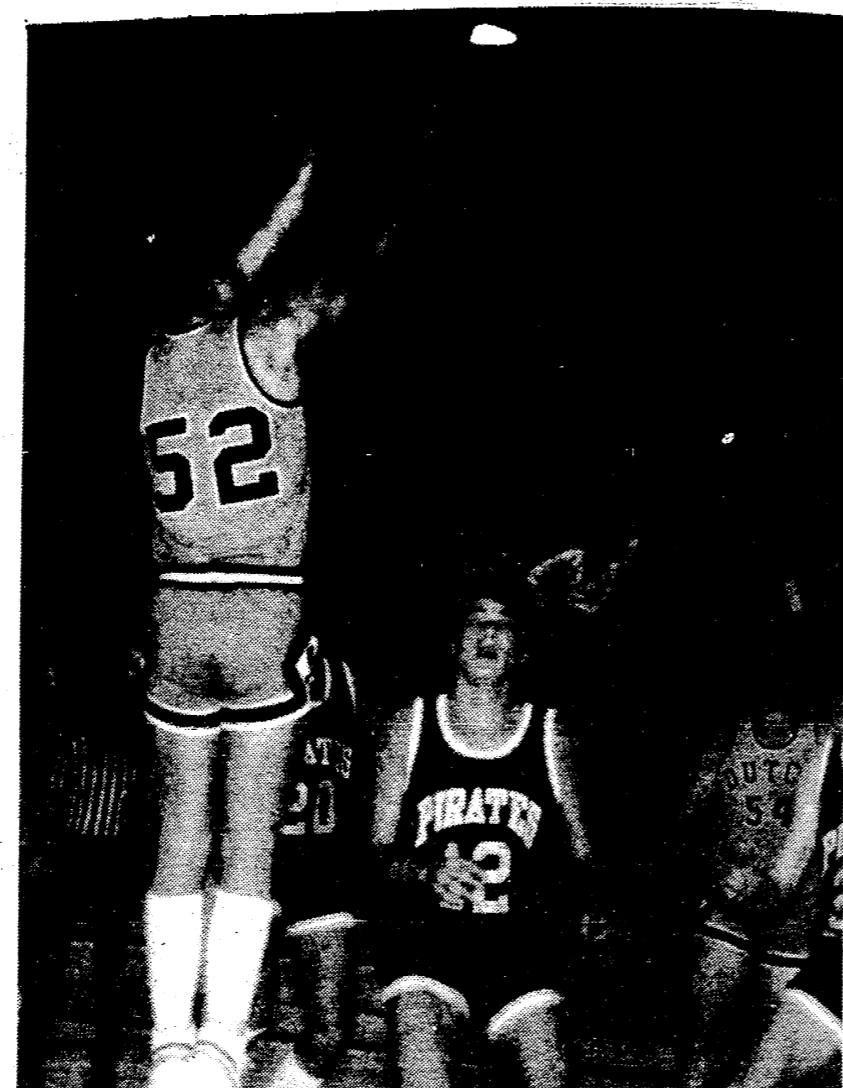

We now stand 10 and 2 overall and have a 5 and 1 League record.

On Tuesday, February 2, we travel to Hanover Horton. The Comets have an identical League record as their only loss was to us prior to Christmas. Therefore, Tuesday's winner will assume top spot in the conference. On Friday, February 5, we host Vandercook Lake. The Jayhawks are the only League team to have downed us this season, so revenge will be in our blood.

Our JV's fell in both contests this week.

### Planning Commission

Marshall reviewed the minutes of the Planning Commission with Council. Relocating the DPW and a Conditional Use Permit was discussed. Motion by Marshall, supported by Reinhart to approve report. Ayes - all.

### Audit Report

Ron Markowski and Dick Kuntz were present to answer any questions Council might have concerning the Audit. Markowski reported that as of the Audit (February 28, 1987) General Fund was the only fund with a deficit. The deficit was in the amount of \$42,152.00.

### MANAGERS REPORT

Garlick presented the Interim Village Managers report - on file. The following items were discussed: (1) General Fund Comparisons; (2) Payables; (3) Meeting with Paul Stauder; (4) Engineering bills since April of 86; (5) The corrected Act 51 report. No action was taken.

### OLD BUSINESS

**Engineers Recommendation** - Wastewater Treatment Plant Bids - Council was presented the six bids for the Wastewater Treatment Plant as received.

Motion by Tapping, supported by Becktel to accept the following resolution: Village Of Manchester, Michigan Wastewater Treatment Improvements Contract Award.

WHEREAS, McNamee, Porter & Seelye of Ann Arbor, Michigan has completed construction plans for wastewater treatment improvements under Contract 86-S-2; and

WHEREAS, an Act 98 permit has been received for the project from the Michigan Department of Natural Resources; and

WHEREAS, the Village of Manchester has received a grant from the U.S. Environmental Protection Agency designated under Project No. C262401-02; and

WHEREAS, An Advertisement for Bid was published in Michigan Contractor and Builder on December 5 and 12, 1987; and

WHEREAS, bids were received on January 12, 1988 and Clark Construction Company of Lansing Michigan offered the lowest responsive and responsible proposal in the amount of \$2,588,000.00; and

WHEREAS, the Village of Manchester has received and reviewed the January 15, 1988 letter of recommendation submitted by McNamee, Porter & Seelye;

NOW THEREFORE, BE IT RESOLVED THAT:

The Village of Manchester hereby approves conditional contract award to Clark Construction Company of Lansing, Michigan at the base proposal contract lump sum amount of \$2,588,000.00. Contract award is contingent upon the sale and receipt of local share bond proceeds, and subject to formal approval by the Michigan Department of Natural Resources.

Roll Call Vote: Six Ayes. Kwolek - Abstain. Motion approved.

Garlick recommended the approval of the amended engineering contract.

## Manchester Village Council

### Approved Minutes Special Meeting January 22, 1988

The Special Meeting of the Manchester Village Council was called to order at 7:00 a.m. by President Hinkley. Present: Hinkley, Tapping, Reinhart, Kwolek, Becktel, Harris, Marshall, Garlick and Schaffer. Also present: D.E. Limpert, Mary Johnson, Sue Koebbe.

Council was presented with a legal opinion from Keusch and Flintoft concerning benefits and compensation of offices - on file. An extensive discussion followed.

Council was especially concerned with public officials also being public employees. It was the general consensus of Council that this matter would have to be discussed further, therefore no decisions were made. The idea of asking for an Attorney Generals opinion was discussed.

Motion by Becktel, supported by Harris to adjourn at 8:16 a.m.

Constance M. Schaffer  
Village Clerk

From: Bill Kwolek, Trustee  
Re: EMPLOYMENT STRUCTURE OF CLERK AND TREASURER - Summary of options discussed during special meeting 1/22/88

### QUESTION FROM COUNCIL

Is the current employment structure of Sue Koebbe and Connie Schaffer serving both elected and staff positions in compliance with Michigan law?

### ANSWER TO COUNCIL

Diana Newman of Keusch & Flintoft presented convincing documentation supporting the opinion that our current employment structure is not in compliance with Michigan law. Refer to her letter of January 21, 1988.

### PROPOSED ACTION

A special meeting of the Village Council was held on 1/22/88 to discuss and determine available options. The Council determined that a change was in order.

Options were reduced to two possibilities:

1. Change the elected positions to include both mandated duties and staff responsibilities. The elected positions would be compensated by a salary in line with the currently existing combined structure.

2. Maintain both elected offices and separate staff positions. The elected office would be compensated by a token amount in the same spirit as Village

## Vocational Education The Competitive Edge

More than six hundred (600) high school juniors and seniors in five local schools are studying in vocational education programs in the area. Students from Chelsea, Dexter, Manchester, Milan and Saline are shoulder to shoulder in classroom and laboratory, and in programs as diverse as electronics to health occupations. Eighteen (18) vocational programs include manufacturing technology, graphic arts (printing), building trades, accounting and computing, advanced business and office, to name just a few.

In these programs, students develop skills and gain experience which are the primary requirements for any job. And a person with up-to-date skills has the competitive edge in today's job market. THE COMPETITIVE EDGE is a signal achievement of vocational education and thus the theme for the National Vocational Education Week, February 7-13.

### SCHEDULE FOR IMPLEMENTATION

It is not possible to effect any change before the March 14, 1988 general election. The requirement of publishing and holding a public hearing before enacting a new ordinance will prohibit the electorate from receiving a fair opportunity to run for a redefined office of Clerk or Treasurer. Redefinition of these offices should include any restructuring of compensation.

The Village Council cannot act in time for this election. However, there are two timing options which were discussed. The first item was determined to be preferable because resignations and the unbudgeted costs of a special election would not be necessary.

1. Enact a new ordinance soon, to be implemented at the next general election. Maintain the current status as a temporary measure until the next general election. The new ordinance will be on the books to take effect in the future.

2. Enact a new ordinance soon. Schedule a special election under the new ordinance for the Clerk and Treasurer. Ask the Clerk and Treasurer to resign. Appoint an interim Clerk and Treasurer and hire the necessary staff.

marketing, cosmetology, office programs and others will be represented.

Students in the South and West Washtenaw Consortium have planned their own way to highlight accomplishments and display their pride. Chelsea, Dexter, Manchester, Milan and Saline students in programs at Pleasant Lake Technical Education Center, Huron Valley Beauty Academy and Saline High School will meet together for the 4th annual "Warm Up". Each of the eighteen vocational programs will have a demonstration or display and students will meet vocational students from other programs and schools. The "Warm Up" will be held Wednesday, February 10 at the Saline High School.

All vocational programs are open to sophomores and juniors. For information on vocational programs available in the five school South and West Washtenaw Consortium, call 428-8327 or 662-9898.

Among the several events scheduled to highlight vocational education accomplishments is the three day demonstration/display at Arborland Mall, Friday to Sunday, February 5-7. Handouts including pencils and rulers with drawings for valuable prizes may whet one's appetite, but the demonstrations will be interesting, informative and mall visitors will see the wide array of exciting training programs available to students in Washtenaw County.

## Missions Emphasis At UMC

Dr. Ted and Helen Jeanne Doane have served as missionaries in Georgetown, Guyana, South America, coordinators of youth ministry in the Detroit Annual Conference of the United Methodist Church, District Superintendent in the Upper Peninsula, and missions executives in the Office of the Advance Special, Detroit Conference.

The Manchester United Methodist Church welcomes them for a day of stimulating learning and inspiration on Sunday, February 7, 1988. The Reverend Dr. Ted Doane will preach in morning worship, 10:00 a.m. on the words of Jesus, "I Sent Them" (John 17:6-18). Helen Jeanne will present audio-visual information about Advance Special (designated) Missions during the adult education hour, 11:15 a.m. At 4:00 p.m. the community is invited to hear and see Helen Jeanne's experience with the relief organization "Witness for Peace" in Nicaragua.

## The Wrestling Report

by Dan Jordan

Wrestling Action  
Carl Schook

Wrestling Co-Captain Bud Ball

The day was Thursday, January 28 and the stands of the high school gym began to fill at about 6:30 p.m. The occasion was the final home wrestling meet. It was Parent's night and many came to enjoy a competition of sport unparalleled by any. Former wrestlers for M.H.S. along with other familiar faces of a day gone by. And naturally the great parents of the squad. The combination gave the team a pump.

As the Grass Lake team enters our gym, ranked third now in class D, we have a game plan. Chris Green starts the team out by pinning in 1:40 of the first period. The war starts when Jason Woods takes care of business at 98 pounds by pinning highly ranked Tom Murphy at 4:30. Chris Wiethoff upped his record to 19-8 by pinning his opponent in the second period. Duane Hopkins, Bill Day and Mark Fenelon also recorded falls for the Dutch. But this was not enough to overcome the power of the Grass Lake team. They win 40-30.

On Saturday, seven members of the team traveled to the always tough Dexter Invite. This tournament consists mostly of A and B class schools but the men were unwilling to concede to their size and wrestled well. Mark Fenelon placed 2nd and has a record of 27-3. Bud Ball wrestled very well and went into overtime in the consolation finals but came up short 5-1 to place 4th.

The younger Dutch went to a J.V. tournament in Napoleon. Good things happened there as six wrestlers came home with medals. Jamie Winzenz and Chris Fosket placed 2nd. Jason Woods and Darren Hock placed 3rd. Chris Green and Isreal Clouse both placed 4th. Not bad in this 18 team all class tournament.

This coming Saturday the squad travels to Jackson Northwest to compete in the conference tournament. We know we can overcome previous defeats if things go our way. But the only way for the tide to turn, is for us to turn it. We must do the little things that make a good team a good team. The posture, motion, changing of levels and the excessive will to prepare!

The Individual Predistrict will be held on the following Wednesday in the gym of the Pirates in Napoleon. GHTD.

## Class of the Week

Mrs. Gregerson enjoys making "Wild Things" masks with Matthew Wheeler, Paul Bordine, Peter Schulte and Katrina Robichard.

This week's honored class at Klager School is Mrs. Betty Gregerson's first grade class. The "Class of the Week" received masks and had a "Wild Things" several special privileges. One included a "Wild Things" activity. The class heard the story "Where the Wild Things Are" by Maurice Sendak, made "Wild Things" masks and had a "Wild Things Rumpus".

**How Tax Law Changes Affect Your Income**

"Base-broadening" is the term Congress likes to use. But to the average taxpayer it simply means that more of his or her income is going to be subject to the tax man. In addition to eliminating and curtailing deductions, Congress took a red pen to many exclusions of income that were allowed under the old law. So while tax rates have been lowered, more of your income is likely to be subject to tax, cautions the Michigan Association of CPAs.

**DIVIDEND EXCLUSION FALLS BY THE WAYSIDE**

Under prior tax law, an individual could exclude from income the first \$100 in qualifying dividends (\$200 on a joint return). With this exclusion repealed, all dividends received on stock holdings after December 31, 1986 are fully taxed.

**UNEMPLOYMENT COMPENSATION NOW FULLY TAXED**

Before the 1986 Tax Reform Act, unemployed workers

received a partial exclusion for unemployment compensation. Payments received in 1987 are taxed just like wages. Although unemployment compensation will be fully taxable, workers' compensation benefits remain tax-free.

**SPECIAL TREATMENT OF LONG-TERM CAPITAL GAINS REPEALED**

Long-term capital gains were significantly affected by the Tax Reform Act of 1986. While in the past investors were allowed to exclude from income 60 percent of their profits from sales of assets held for more than six months - including real estate and stock - the new law eliminates this special treatment. Beginning in 1988, long-term capital gains will be taxed at the same rates as ordinary income. That means salaries, wages, dividends and investment profits will all be taxed at the same rates. To soften the blow to investors, Congress wrote a special provision in the law for this transitional year. Although taxpayers will include net capital gains from their investments in with their regular income, the tax on long-term capital gains, for 1987 only, will be capped at 28 percent. Beginning in 1988, all capital gains, whether short- or

**INCOME SHIFTING LOSES TAX BENEFITS**

Under the prior tax law, parents could realize a substantial tax savings by shifting income into their children's names because interest on money in a child's name was taxed at the child's rate. The Tax Reform Act takes direct aim at this practice. First, it abolished the tax benefits of Clifford Trusts, a tool many parents have used to shift income to their children.

**SCHOLARSHIP RECIPIENTS ARE AFFECTED TOO**

Before tax reform, a student studying toward a degree could exclude from income all scholarship money received for tuition, room and board, travel, books, research, and equipment. Under tax reform, degree candidates may exclude only course-related expenses such as tuition, books, supplies, and equipment.

Previously, degree candidates who were required to teach courses or conduct research as part of their degree requirements were allowed to exclude that income, as well. Now, as a result of the Tax Reform Act, that income will be subject to tax.

The new provisions in the tax law apply to scholarships and fellowships granted after August 16, 1986. Students who receive money from scholarships and fellowships granted before that

above \$1,000 are taxed at the parent's higher tax rate.

For children age 14 and older, all income, earned and unearned, is taxed at the child's rate.

There are still some advantages to shifting income. First of all, a child under 14 can still have up to \$1,000 of unearned income taxes at his or her own rate. That means, at today's interest rates, a child could have more than \$10,000 in his or her name invested in income-producing assets before unearned income would pass the \$1,000 limit.

Professionals are advising parents to consider those investments that defer taxable income until the child reaches age 14. U.S. Series EE Savings Bonds are one example.

The new law actually contains two sets of guidelines - one for children under age 14 and one for children 14 and older. For those under 14, the first \$1,000 of unearned income will be taxed at the child's lower rates. Children who are eligible to be claimed as dependents on their parents' returns will no longer be able to take a personal exemption on their own returns. The law does allow children to use up to \$500 of their standard deduction to shelter unearned income and permits another \$500 to be taxed at the child's rate. Any earnings

date don't have to worry about the new rules.

Non-degree candidates who previously were allowed a limited exclusion receive no exclusion under tax reform. They must pay taxes on the full amount granted after August 16, 1986.

There were some exclusions from income that were not affected by tax reform. These include: premiums for medical insurance and the first \$50,000 of term life insurance paid by your employer on your behalf; life insurance benefits you receive as a beneficiary; damages received as a result of a personal injury suit; money you inherit or gifts you receive; most fringe benefits provided by your employer; interest earned on tax-exempt state and local bonds.

As was the case under the old law, your wages, salary, tips, interest, alimony received, business profits, rents and royalties are all included as income.

The bottom line is that it is entirely possible and probable that the income figure you report on your return is likely to be considerably higher than last year - even if you didn't get a raise.

121ST YEAR VOLUME NUMBER SEVENTEEN USPS 327-460 THURSDAY, FEBRUARY 11, 1988

## Library Open After Renovation

Dorothy Davies, Librarian Margaret Goodrich, and Board member Ann Fowler

Kathryn and Ted Lee Rice

Manchester residents are invited to visit the Manchester Township Library to view the new shelves in the non-fiction room (provided by Manchester Chicken Broil committee funds), walk on the new carpeting on the first floor and stairway, and see the improved arrangement of the first floor. The new children's room is particularly worth a visit and is enjoyed by both children and their parents. Thanks to the Herrick Foundation, local civic clubs and businesses and many individuals, the renovation will continue into 1988, the Library's 150th year of continuous service.

The Library Board will determine how much additional improvement is possible as donations continue to be received for such work. Staff members and volunteers worked many hours during the two weeks the library was closed to prepare for and straighten up after the first phase of the year's project. Among the volunteers who gave time and muscle during the

## Post Office To Reduce Hours

Postmaster, Jacob Houck, of the Manchester Post Office said due to the federal budget reduction, it has been necessary to adjust the hours of operation at this facility.

Effective February 13, 1988, new window hours are Monday thru Friday, 8:30 a.m. to 5:00 p.m.; closed Saturday. For your convenience, after lobby hours will remain in effect for access to post office boxes. Operating hours for acceptance and pickup of Express Mail, our premium overnight service, will remain the same. Your important overnight shipment may be taken to our service door as usual.

Post office retail window hours will be reduced in the six-county southeastern Michigan area an average of four hours per week beginning February 13, in an effort to save \$2,657,000 in the U.S. Postal Service's Detroit Division.

Offices with the 480, 482 and 483 zip codes will be closed on Saturday. In the 481 zip code area, the schedule will vary from office to office. The Chelsea office will be open Saturdays.

The reduction is necessary, say postal officials, because of the recently adopted Omnibus Budget Reconciliation Act of 1987 requiring the USPS to reduce operational spending nationally by \$160 million this year and \$270 million the next year.

Most of the offices have vending equipment in the lobbies to sell postage stamps, said General Manager/Postmaster,

## Hunters Welcome

Manchester Enterprise November 15, 1923

The hunter as he goes forth at this time of year is liable to be confronted with all kinds of surprises. If he's out after rabbits a covey of quail may be flushed at any turn. If he's quietly after squirrel a flock of pheasants may come stalking through his selected retreat. If he was so inexperienced that he had a thought he would have no trouble finding a place to hunt, another surprise is in store for him, for farm after farm in this section is posted against hunting and trespassing.

But about the greatest surprise for hunters is a sign on what A.J. Waters calls his "rough eighty," southwest of the village, adjacent to the bend of the road at the foot of Loucks' hill. A year ago when farmers were active in posting their lands, Mr. Waters, who by the way, is a great lover of sport with the gun and rod, decided to be different, so erected a sign reading "Hunters Welcome," flamingly lettered in red, in the bend of the road, where it could not be missed by anyone going north or south. No one knows how many hunters accepted the invitation, but it is related that one bunch of Ohio sports after being shoed off other likely looking spot, came along and seeing the sign thought they had found a haven. Their surprise led to a consultation. As much as they wanted to hunt, the longer they discussed the sign the more they were in doubt. At last one, thinking perhaps the lettering was in blood said he thought there

## Basketball Contest

The Manchester Optimist Club will hold a Tri-Star Basketball skills contest at the Middle School on Saturday, February 20, at 1:30 p.m. The contest is composed of three basic skill tests aimed at evaluating a contestant's skill in passing, shooting and dribbling.

Boys and girls will compete in six age groups, eight through thirteen, against youth of their own age. First, second and third place trophies will be awarded in each age group. All that is needed to compete is the desire and a pair of gym shoes.

Entry blanks are available at the office of both the Middle School and Klager School. All entry blanks must be signed by the parent or guardian of the contestant.

## The National Honor Society

Friday, December 11, the National Honor Society took its first field trip of the year. We

bussted to Greenfield Village exhibition. Upcoming events planned are blood drive, save a hear campaign and a spring dance.

## It's Campbell Soup Time Again

Manchester Middle School is collecting labels to be exchanged for audio-visual equipment. The collection period ends on March 1, 1988.

Please save labels from ALL Campbell soups, "V-8" juices, Swanson canned and frozen foods, all Franco-American products, Recipe dog food, Mrs. Pauls frozen foods, and Vlasic pickle products.

You may send the labels to any Manchester School to be sent to the Middle School, or give them to any Middle School student, or deposit them at the local I.G.A. Thank you for helping us again.
