

Senior Citizens News

No doubt about it, March came in like a lamb this year and is continuing to be pleasant. The snowdrops are still buried under all that white stuff, but they will rise above it. The other flowers are trying, too, have seen tulips that are up and at 'em. Let's be at senior meals so you can report on progress. Thursday this week is exercise at 11, lasagna florentine for lunch and bingo. Garnell Johnson plans to be present to exchange ideas on topic: State Funded Senior Citizens Housing. Reserve your meal ahead and be ready to ask questions about this important topic for seniors.

Monday, March 14: Aqua-cise class begins at 11, bus leaves the Center at 10 for pick-up of on-the-way folks. If you wish to go along on this fun and muscle toning exercise trip, call Howard Parr at 428-9233 to be placed on the list. Half the fun is the bus ride with all the kibitzing (yes, we've nearly decided to take along a small card table, but are afraid we might miss something).

Tuesday, March 15: Pastor Macfarlane will give his last clergy presentation with us at 11:00 a.m. Jan and Cindy are serving baked orange roughly (this is delicious) at noon lunch and Center activity will follow. This is also the day to beware the Ides of March'.

School Hot Lunch Menu

Monday, March 14 - Cheeseburger on Bun, Hash Brown Patty, Dill Pickles, Crushed Pineapple, Milk.

Tuesday, March 15 - Baked Chicken, Whipped Potato with Gravy, Buttered Corn, Bread & Butter, Fruit Cocktail, Milk.

Friday, March 18 - Crispy Fish Filet, Oven Brown Potatoes, Cole-slaw, Dinner Roll/Butter, Granola Bar, Milk.

Wednesday, March 16: Chamber of Commerce luncheon meeting begins at noon. Call Rubena at 428-8655 if you wish to go as a senior representative.

Thursday, March 17: Exercise at 11, and sure and begorra it's St. Patrick's Day with corned beef and cabbage (what else?). Wear the green and win some at bingo (there are some who do win, not me). Anyway, may the wind always be at your back, etc.

Looking ahead: Call Helen Knickerbocker at 428-7239 to go along on the bus for these two trips: Saturday, March 19, seniors leave at 5:30 for Chelsea travelog: 'Journey Aboard the Orient Express'. Monday, March 21, the bus will leave at 9:30 a.m. on a shopping trip to Jackson, you may just spot that new Easter outfit.

Shakespeare Reading Club

The club met at Emanuel Church on Tuesday, March 1st. Sallie Anderson's topic was "Michigan Indians". The many tribes who made their homes in Michigan before the arrival of the white man were peaceful and lived off of the land sharing what they had with all. The "medicine men" used plant and grasses for medicine, some of which are still used as the bases of medicine by our modern doctors.

Our next meeting will be held on Tuesday, March 15th, at 2:00 p.m. at Emanuel Church in the lounge. Myrtle Roulo has chosen for her topic "Georgie O'Keefe, desert artist".

Visiting Professor Begins Discussions

Coats on, ready to walk out the door, Hazel Walker and Martha Mackres continue the book discussion with Professor James Diedrick of Albion College.

Last Thursday, March 3rd, the first of a series of five "Reading and Discussion" meetings was held at the Blacksmith Shop. Having read the first book entitled THIS HOUSE OF SKY by Ivan Doig, twenty-five people gathered to discuss the story with each other and with James

Township Library announced the series about a month ago. More people than expected signed up for the program, which necessitated holding the discussion at the Blacksmith Shop rather than at the Library itself. When people began reading the book, they found it quite different from regular novels. The Library had stressed that this would NOT be like a school class - but it was hard to imagine what it WOULD be like.

On this crisp early spring night, in the coziness of the meeting room at the Blacksmith Shop, we found out what it WOULD be like.

Everyone is familiar with a television show being discussed at work, or at a party, or at a gathering. Most people saw it, or at least part of it, and enjoyed it. And everyone has something to say about it: what they thought of a particular character, how it made them feel when so-and-so died, etc. This discussion was very much the same in enthusiasm with the nice, uplifting touch that the subject being so enthusiastically discussed is an excellent story by an enchanting writer. Everyone knew the story (although perhaps not everyone had a chance to finish it).

Professor Diedrick was a boyish professorial type in a wool tweed jacket (of course). He played a flawless role in leading the discussion. He began with a short lecture on his own thoughts on the book, sharing some interesting insights on the setting of the story which was Montana. Then gradually his lecture grew into a round table type discussion. No one was called on to talk - and indeed some just listened and enjoyed what all was said. But many found themselves adding to the ideas being expressed. And a lively and very interesting discussion soon developed.

There are four more meetings in the series which has "Family" as its theme. The next is to be held on Thursday, March 17, again at the Blacksmith Shop. For this meeting, the readings will be two shorter works: A RAISIN IN THE SUN and THE GLASS MENAGERIE. The lecturer for this discussion will be Professor Helen Manning, again from Albion College. Everyone is invited to share in this. If you have a good feeling for reading but seldom have anyone to share your excitement with about the book you've just read, then this series is for you. Or if you haven't tried anything like this before, try it now. Books are available at the Library to check out. You can come and ENJOY the spirited, interesting discussion. And don't worry if you don't quite finish the book before the meeting. After the discussion, you will surely want to!

This series is hosted by the Manchester Township Library in conjunction with its 150th Anniversary celebration. Dorothy Davies is the project coordinator. It is sponsored by the American Library Association and the Library of Michigan, with funding provided by the National Endowment for the Humanities and the Michigan Council for the Humanities.

Pick up your copies of the next two stories in the series from the Library. Then enjoy reading and discussing them on Thursday, March 17th at the Blacksmith Shop. "This is really fun!"

Girl Scouts Host An International Potluck

by Lois Hansen

On Monday, February 22, our Manchester Girl Scouts hosted a very interesting and informative potluck for their families at the American Legion Hall. Each troop picked a country, studied the foods, games, and customs of that country, and did table decorations corresponding to their adopted country. February 22 was chosen as it is "Thinking Day", the birthday of the founders of Scouting in England, Lord and Lady Baden-Powell. Troop #596, the Juniors, did the flag ceremony, and also explained the meaning of the World Association pins, and passed out these pins to each of the girls in the Junior Troop.

Hawaii was chosen by Daisy Troop #675. These girls paired up to put leis over each other's heads, then did a hula dance to Hawaiian music. They had palm tree decorations at their table.

Daisy Troop #607 chose China. These girls had Chinese hats, and they showed us how to eat rice with chopsticks, yum, yum.

Brownie Troop #274 chose France. Their table had French flags and decor.

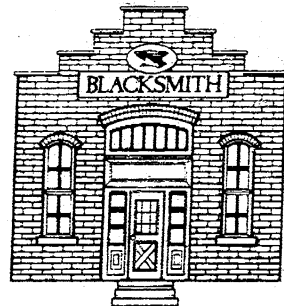

Native American Indians were chosen by Brownie Troop #279. They did an Indian dance for us after the dinner.

Australia was highlighted by Troop #650. They had a tree decorated with doves, and small Australian flags in marshmallows marched down the center of the table. These girls did the Kookaburra Song in a round.

Karen Shuey's mother Betty Luckhardt is from Australia, so Karen made a delicious Australian dessert, a white mound with kiwi fruit, strawberries and star fruits embedded on the side.

Nigeria was chosen by Junior Troop #596. These girls wove placemats, made tie-dyed shirts, and did a native song with clapping motions.

The Scouts and their leaders did a great job and put many hours into these projects. The result was very enjoyable for the 400 or so people who attended the dinner and the program.

The Manchester Area Historical Society will meet on Monday, March 21, at 7:30 p.m. in the Blacksmith Shop, 324 East Main Street. The topic will be a discussion on genealogy by Karen Walker, past president of the Washtenaw County Genealogical Society. Ms. Walker will share her subject in a way that even the most uninformed among us will appreciate, but there will also be an opportunity for any secret "experts" to glean some new information.

The public is cordially invited to attend this informative meeting.

New Tuition Plan Pays For College

Governor Blanchard has announced a new Tuition Incentive Program (TIP) for Michigan youth. TIP is available to low income students who are under 20 and graduate from high school or obtain a GED (General Education Development Certificate) after April, 1988.

TIP will assist students from the lowest income families to meet extra expenses. When students return the self-addressed card found in the brochure, they have started the process of becoming eligible for TIP. They

will be notified whether or not they are financially eligible or whether additional information is needed. A copy of the response will be sent to their high school and the community college of their choice. All students will then be referred to the community college to apply for admission, enroll in classes and pursue other financial aid programs. Those who are eligible will receive a Michigan Opportunity Card which can be used to pay their community college tuition and fees.

TIP will cover tuition and

mandatory fees for courses leading to a certificate or degree at a community college, or courses that are transferable to a four-year college. Classes must be taken within 2 1/2 years following high school graduation or GED completion. Medical coverage may be available if your family was even on ADC. If a student completes community college within 2 1/2 years, he or she may be eligible for \$2000 toward a four year college degree. For more information students should see their guidance counselor.

Grand AM GT's Raised White Letter 70 Series

WE HAVE THE LATEST IN 4 WHEEL ALIGNMENT EQUIPMENT.
6 IMPORTANT FACTS ABOUT WHEEL ALIGNMENT

- Extend tire life**
It's happened to almost everyone: buy a set of tires, and before long one or two tires are wearing out before the others: On today's cars, this applies to the rear tires as well as the front tires. The most common cause of unusual tire wear is improper alignment. Over the years, a properly aligned vehicle can save hundreds of dollars in tire wear.
- Spot problems early**
A suspension system inspection is an inherent part of the wheel alignment operation. This gives the mechanic a chance to spot worn parts that would affect vehicle alignment. It also gives him an opportunity to spot small problems before they become big, costly ones.
- Ensure safe driving**
A periodic four wheel alignment makes sure your car handles properly and, more importantly, provides an opportunity for inspecting the suspension system for defective parts. In some ways, the safe driving aspect may be the most important benefit of wheel alignment.
- Stretch fuel mileage**
Fuel mileage increases as rolling resistance decreases. Proper wheel alignment sets all four wheels parallel which, in turn, assures minimum rolling resistance. This plus proper tire inflation provide top efficiency for maximum mileage.
- Improve handling**
Does your car pull to one side, does the steering wheel vibrate, do you have to constantly move the steering wheel to keep your car traveling straight ahead? These and other handling problems can generally be corrected by four wheel alignment.
- Get a better ride**
Proper alignment helps the front and rear suspension systems do their job. With all the system components in proper relation, road shock is efficiently absorbed, so the vehicle is more stable, and you get a smoother ride.

Varsity Netters Conclude Their Season

First of all, we closed out the regular schedule by downing Michigan Center on Tuesday.

On Saturday we bused to Ida to participate in the Districts which lead to the State Finals. Our first opponent was Flat Rock whom we defeated quite easily: 15-5, 15-7. Next up was Erie-Mason and they tumbled even quicker: 15-0, 15-5. This put us into the District Championship against Dundee. This was an extremely hard-fought battle with Dundee escaping with a victory. The first game went right to the limit as we lost 13-15. Unfortunately we fell in overtime, 14-16, to end our year's campaign. Coach Kelly Haight remarked that everyone played and everyone did well.

Freestyle Wrestlers

Sunday, February 21st, some Freestyle Wrestlers from Manchester traveled to Hazel Park High School in Hazel Park. This day proved to be worth the hassle of the long drive. Jason Woods earned a 2nd place Silver Medal at 99 pounds out of 8 people. Isreal Clouse got 4th place at 130 pounds out of 15 people.

Saturday, March 5th, Freestyle Wrestlers went to the meet at Stockbridge. After a long tiring day, Jim Buono brought home a 3rd place Bronze Medal at 95 pounds. Stacey Clouse, at 105 pounds, took 4th place.

Any boys interested in Freestyle Wrestling, ages 9 years old and up, please meet in the Middle School cafeteria on Thursday, March 10th at 6:00 p.m. Please wear sweats or shorts. Coach Dan Jordan will be there.

Going back to February 22nd, we faced Grass Lake and won in three games: 15-5, 15-5, 15-5. Amy Major was our high point player with 11, as Angie Campbell contributed 7.

On Thursday we hosted East Jackson. Again it took three

games but we prevailed: 15-9, 7-15, 15-3. Michelle LaRue was the high scorer with 8 as Angie posted 6.

We closed out the season with a make-up home contest with Michigan Center. It took us a short time to end it 15-9, 15-1. Jackie Ahrens led the scorers with 8 while Amy Wagner helped with 7.

Dutch Dribblers Dumped In Double Overtime

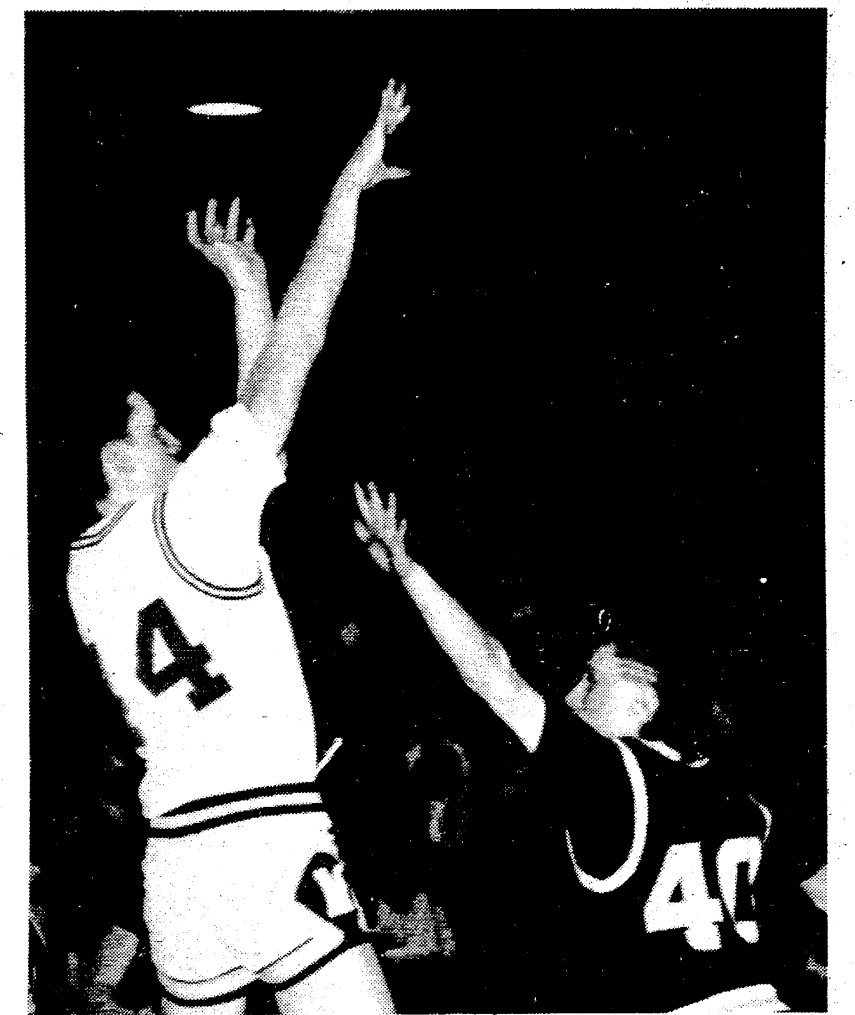

Tuesday night saw us travel to Addison for a non-league contest. We trailed 16-19 after one period of play and closed the half trailing by six. At one point they led by ten points, but we came firing back to lead by five with two minutes to go. They popped a two-pointer with two seconds remaining to send this game into overtime. Both squads added six points so it went into the second overtime. Unfortunately they out scored us 7 to 4 to win 63-60.

Tom Mann and sophomore Matt Knul led our scorers with 14 points a piece and 7 rebounds each. Mike Brokaw contributed in double figures with 11.

In the Little Dutch contest, Addison also squeaked a narrow victory, 64-61.

By the time you read this, we will have faced Blissfield in the first round of the State Playoffs, hosted in Morenci this Tuesday, March 8. We play again Friday if we win, but of course a loss means curtains.

The first alfalfa that measures up to our standards. **GH747**

Leafy. Fine stemmed. Protein-rich. All were high priorities in our alfalfa development program. But our tougher standards also demanded consistent performance. Now, we've introduced a new variety that measures up.

New GH747 has one of the highest total ratings given today. It carries a high resistance rating to Bacterial Wilt, Anthracnose, Phytophthora Root Rot and Pea Aphid. It also has resistance to Fusarium Wilt and Stem Nematode and has moderate resistance to Verticillium Wilt. All that plus winter-hardiness and good forage quality.

See your Golden Harvest dealer listed below about new Golden Harvest GH747.

Ten Free Dogwoods

Ten free white flowering dogwood trees will be given to each person who joins The National Arbor Day Foundation during March, 1988.

The free trees are part of the nonprofit Foundation's efforts to encourage tree planting throughout America.

"The White Flowering Dogwoods will add year-round beauty to your home and neighborhood," John Rosenow, the Foundation's executive director, said. "Dogwoods have showy spring flowers, scarlet autumn foliage, and red berries which attract songbirds all winter."

The trees will be shipped postpaid at the right time for planting between March 1 and May 31 with enclosed planting instructions. The six to twelve inch trees are guaranteed to grow or they will be replaced free of charge.

To become a member of the Foundation and to receive the free trees, send a \$10 membership contribution to TEN DOGWOODS, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE 68410, by March 31, 1988.

Indepndence Hall

Aaron Davis and Cheryl Pfau, students in Mrs. Savages First Grade class at Klager School are looking at a 5 foot high reproduction of Independence Hall in Philadelphia, Pennsylvania. The model was a gift from Polly's Market in Chelsea, Michigan.

During Patriot's month in February, the class learned that Independence Hall is a 200 year old red brick building and that the Liberty Bell hung in the steeple of the building until it was cracked in 1835. Now the bell is in a building near Independence Hall so more people can see it.

They also learned that Independence Hall was finished in the

1740's when Pennsylvania was still a colony and belonged to England. Anyone can visit Independence Hall.

Independence and freedom mean a lot to Mrs. Savage's class as they say the Pledge and sing the Star Spangled Banner each morning.

The model was loaned to the Dexter Public School on Friday, March 4.

Book Mark Winners

The Chapter One program sponsored a bookmark contest for students at Klager to help Celebrate March as reading month. All students designed a bookmark. A first and second place winner was picked from each grade level.

Bookmark Winners are: Kindergarten - Kari Binder in Mrs. Nobsch's room; First Grade - Andy Meyer in Mrs. Groeb's room; Second Grade - Eric Flint in Mrs. Ediger's room; Third Grade - Paul Schulte in Mrs. Grantham's room; Fourth Grade - Steve DeVries in Mrs. Ellsworth's room.

2nd Place Winners are: Kindergarten - Sonja Peters in Mrs. Hankamp's room; First Grade - Jessica Miller in Mrs. Gregerson's room; Second Grade - Evan Carruth in Mrs. Little's room; Third Grade - Pam Preston in Mrs. Lowery's room; Fourth Grade - Erika PUNCHES in Mrs. Ellsworth's room.

"History is the record of that which one age finds worthy of note in another."
Jakob Burckhardt

Mrs. Carol Wiethoff, Chapter One teacher, is pictured with book mark winners: Front Row Left to Right: Sonja Peters, Kari Binder, Pam Preston, Jessica Miller; Back Row Left to Right: Erika PUNCHES, Paul Schulte, Eric Flint and Steven DeVries. Absent are: Evan Carruth and Andy Meyer.

Class of The Week

Mrs. Sherri Hankamp's afternoon kindergarten is the "Class of the Week". One of their favorite activities is sharing time. Children form a circle with Mrs. Hankamp and tell about experiences and show "treasures". This activity develops speaking and listening skills.

County Agriculture Banquet

The 1988 Annual Washtenaw County Agriculture Banquet sponsored by the Washtenaw Dairy-Livestock Council and the Cooperative Extension Service will be held Thursday, March 24, 1988 at the Chelsea High School, Chelsea, Michigan.

The night's activities will start with a swiss steak/ham dinner served at 7:00 p.m. in the high school gym. After a very short business meeting we will move to the auditorium.

The featured speaker will be Pat Leinbach, a farm wife from Vermilion, Ohio. You may well remember that Pat was the featured speaker at the 1982 Agricultural Banquet and was so well received that she was invited back this year. In addition to being a partner with her husband in a potato, vegetable and grain operation, Mrs. Leinbach writes a newspaper column called "Country Wife" which appears in a number of farm publications around the nation. She is also author of three books: A THREAD OF BLUE DENIM, ALL MY MEADOWS and her latest, HARVEST OF BITTER-SWEET.

For additional information call Bill Ames, Washtenaw County Extension Agricultural Agent at (313)-971-0079.

Having Trouble With Tax Return Data? Maybe It's Time To Get Organized

In rounding up the data required for Form 1040, will you be filled with pride once again at the careful organization of your financial records, or chagrined at your inability to put your hands quickly on many of the documents you need?

If you're in the second category, tax preparation is the logical time to do something about putting your papers in order, says the Michigan Association of CPAs. This year, after tracking down the receipts, canceled checks and all the rest, instead of throwing them back into a shoebox or drawer, it's almost as easy to slip them into manila folders marked "Insurance," "Mortgages," "Securities," etc.

What's to be gained by such neatness? Plenty, including: Making sure penalties do not result from overlooking obligations or losses incurred because of a failure to collect amounts owed you.

Avoiding the loss of documents that almost inevitably result when valuable papers get mixed up with routine bills and other mail.

Keeping up with the ever-growing list of records that the government requires us to maintain.

Simplifying the fact-gathering chore at future filing times.

Also, organizing one's records contributes to improved financial planning by making it possible to summarize the results periodically. And, of course, it pulls into one place the papers your family would need in your absence.

Such documents, for example, contracts or negotiable securities, should be kept in a safe deposit box, letting a summary or photocopy replace them in the home file.

The major headings for a personal finance filing system might include:

Bank Records - Savings account passbooks, receipts for deposits, canceled checks and bank statements, along with the checkbook or ledger in which you post transactions as they occur, showing, perhaps, their tax consequences.

Stock, Bonds and Other Securities - Dates purchased and prices paid, dividend dates and accounts, commissions and other expenses incurred.

Nonsecurity Investments - Copies of notes held, contracts, papers on real estate holdings.

Home-Ownership Records - Deeds, mortgages, records of capital improvements. A similar file should be kept for a second home.

Records of Major Assets - Costs of acquiring and holding jewelry, autos, boats, collectible items.

Pension Record - Employer's retirement arrangements, papers from Keogh plans, IRAs, 401(k)s, Social Security, military or government pension entitlements.

Insurance - Policies in force, as well as those with any possible residual values, correspondence with insurers, claims made. Don't overlook coverage provided by fraternal, union, religious, employer or other organizations.

Credit Card Account - Receipts and correspondence. Numbers to be called if cards are lost. You may wish to keep a separate file for business-related, deductible charges.

Taxes - Returns from previous years, depreciation and carry-over schedules, correspondence with tax collectors, records or refunds or additional charges for previous years. If the tax file becomes too bulky, prepare separate folders for each year or separate income taxes from other debts.

Debts and Obligation - Other than those reflected in above files, including those on which you were a co-signer.

1988 Elections 'Passkit' Campaign

Michigan Farm Bureau President Jack Laurie, recently returned from the organization's national policy-setting meeting in New Orleans, said that delegates from across the U.S. are looking ahead to what they want in the 1990 farm legislation, and are well aware that this year's election will be critical for agriculture.

"Generally, the feeling at the 1988 American Farm Bureau Federation annual meeting was one of optimism," he said. "It was a feeling that we've got an industry that can grow, can use new technologies, and can be a dramatic force in the world market."

"The farmers also seemed well aware that the 1988 election will possibly be the most critical election we've ever had as far as the future of U.S. agriculture is concerned. We'll be selecting people to represent us who will make the decisions on what the 1990 farm legislation will be," he said.

"This will be the Congress that will hold the debates, have the discussions, and hear the input on the new farm bill, so it's critical that farmers select those people to represent them who understand agriculture, who have a feeling for our place in the world market and here in the domestic market. It's important that those we elect understand that the agricultural industry must be allowed to grow and be competitive so we can provide food and fiber to consumers at a reasonable cost and, at the same time, allows agriculture to be a profitable industry."

A Passkit neighborhood campaign has recently been launched in Ann Arbor, Bridge-water, Manchester, Milan, Saline, and Willis by the American Lung Association of Michigan (ALAM).

The campaign, patterned after a similar effort of the American Lung Association of Iowa, raises funds to support ALAM programs including SUPERSTUFF and Camp Michi-MAC for asthmatic children; FREEDOM FROM SMOKING PROGRAMS; research into cures for lung disease; anti-smoking education in the schools; and protection from the dangers of secondhand smoke.

In a Passkit campaign, neighborhood leaders circulate a uniquely designed "Passkit" envelope on their block. Neighbors pass the kit to their next-door neighbor, and he or she in turn passes it to a neighbor.

694,949 Michiganders suffer from lung cancer or some form of chronic lung disease. The ALAM has seven regional offices serving the state with public education programs and support groups for lung patients.

For further information on the Passkit neighborhood campaign, please call the ALAM's Passkit Center at (517) 777-7400.

Farmers Protest Diesel Tax Collection Tax

A new tax provision, effective April 1, that requires the collection of diesel fuel excise taxes at the point of purchase is receiving strong objections from the farm community. The provision was included in the Omnibus Budget Reconciliation Act which Congress passed just prior to Christmas and, according to Michigan Farm Bureau's director of public affairs, Al Almy, lawmakers were probably not aware of the problem they created for farmers.

"This new tax provision changes the collection point for the diesel fuel excise tax from the retail level to the wholesale level. This means that previously tax-free purchasers of diesel fuel, such as farmers, will be required to pay the excise tax at the time they purchase it and then file for a refund either quarterly or annually, based upon the amount of refund due," Almy said.

"While the new law permits the refund of diesel fuel excise taxes, the requirement that the tax be paid at the time of purchase will increase the farmer's upfront costs of production. On a typical purchase of 10,000 gallons of diesel fuel, that's more than \$1,500 up-front money. This, in turn, will cause cash flow problems. Additional operating funds may have to be borrowed to pay the taxes and this means added interest costs to the farmer," he said. "It also means an increased paperwork burden in terms of time and cost for farmers."

Almy said the Omnibus Budget Reconciliation Act gives the secretary of treasury the authority to exempt certain uses, such as diesel powered tractors, commercial aviation, and state and local governments, from the taxation at purchase and refund provision.

"The large volume of diesel fuel used in agricultural production warrants a similar exemption for farmers. Most Congressmen are not aware of the problem they created for farmers with the change in collection of the diesel fuel excise tax," Almy said. "We are urging our members to contact their representatives and senators and ask them to support legislation to repeal the diesel fuel excise tax collection before April 1."
