THURSDAY, MARCH 24, 1988

To The Quartette Of District No. Seven, Freedom

Manchester Enterprise
March 4, 1988

Ed. Enterprise: There are always two sides to a story, and as you have had only one side, I propose to give you the other side.

On going to the school house the first day of my school I was unable to enter, the key hole having been plugged. After some little delay, I succeeded in opening the door. The first week it became necessary for me to punish the largest girl in school, but knowing the unhappy disposition of some of the relatives of said girl, I deferred the punishment for two weeks. At the expiration of that time she became so annoying that I requested her to take a front seat. Refusing to comply with my request, I gave her the choice of two things, to go home or take a thrashing. She very reluctantly accepted the former. The next week she again became disorderly in the class room and I told her to take her seat, which she refused to do. Something had to be done, so I went to my desk and got a whip and again told her to take her seat. She replied, "I shant do it, strike me if you dare." After striking her once she called to some of the larger boys, saying, "come on boys we'll fix him." The boys failed to respond, leaving her to fight her own battles. I didn't spare the rod until she was willing to take her seat. The next morning I received a formal call from her father. After making a few preliminary remarks he vacated the school room. This was the manner in which I "tried to get into trouble with the scholars." I admit that I lack some of the qualifications necessary for teaching that particular school as I had had no experience in missionary work; of course I was a failure in the line. So I will say to the next teacher,

qualify yourself for missionary work, and if you are not now a believer in Darwin's theory you will be at the expiration of your term in District No. 7.

In regard to the statement made about the stove, I would say, take care that you are not pierced by an arrow, guided by a quill plucked from your own foul body. This probably is all you will hear from me on this subject unless I am again compelled to defend myself from the falsehoods conjured up by an uncultured mind, for life is short and too valuable to be wasted by entering into a disgraceful controversy with cattle. This is for those only who were instrumental in publishing the article in last week's paper, signed Tax Payers. Yours with pity,

Herbert D. Reed.
Manchester, March 1st, 1886.

Another Success!

Monday's Red Cross Bloodmobile went over quota with 155 pints of blood donated from 164 caring people who attended! It was a fabulous success with special thanks to the loving ones who came in memoriam for their dear friend and neighbor, James Meranuck, who was buried that same day.

Manchester United Methodist Church hosted the clinic with Methodist Women United furnishing the sandwiches, the American Legion Auxiliary donating the orange juice and Albers Orchard, the cider.

There were fifteen first-time donors to ensure the continuing success of Bloodmobiles for Manchester area in the future. Fifteen people received gallon donor pins from one to four gallons while Robert Panches still tops the list with 67 pints to date (that's 8 1/2 gallons!). A detailed report will follow next week.

Student Of The Month

Optimist member Monty Okey, Sherry Rickelmann, Mrs. Pat Rickelmann.

Sherry Rickelmann has been selected as Manchester Optimist Student of the month for February. Sherry is a junior at Manchester High School and is the daughter of Ed and Pat Rickelmann of Manchester.

Sherry has lettered in sports at Manchester High School since a freshman. She has played Basketball all 3 years of high school, as well as lettering in Volleyball all 3 years. She was captain of the basketball team her freshman year and captain of the volleyball team her sophomore year. She

has been honored by being elected into the National Honors Society this year. Sherry has been active in the leadership class since her sophomore year and also in the student council since her sophomore year. She is vice president of the student council this year.

Sherry plans to attend college, either Eastern Michigan or Michigan State University, and would like to major in business or child care. We are proud of Sherry and her parents and wish her the best in the future!

Oratorical Contest Winners

Melanie Ball, Dan Bihlmeyer

On Monday evening, March 14, the Manchester Optimist Club held their annual Oratorical Contest. A total of ten students, four boys and six girls participated.

The contest winners were Melanie Ball and Dan Bihlmeyer. Melanie is the daughter of Leon and Eileen Ball, and Dan is the son of John and Nancy Bihlmeyer. In the girls' division, Emily Gordon, daughter of Robert and Toni Gordon, placed second. The Runner Up award was presented to Jackie Donnellon, daughter of Matthew and Kathy Donnellon. Also participating was Amy Weidmayer, Kathy Nosbisch and Meghan Hakes.

In the boys' division, Jen Okey, son of LaMont and Joanne Okey, placed second. The Runner Up award was presented to Ryan Shankland, son of Chris and LeeAnn Shankland. Jeff Weidmayer also participated in the contest.

Each of the contestants received a Certificate of Participation while the six winners were presented medallions with neck ribbons. All of the student's orations were on the official topic for this year: "Destiny - Choice, Not Chance."

Rod Morrison, Oratorical Contest Chairman, expressed the thanks of the club to several people: former Governor Swainson, Betty Mann and Phyllis Heinrich for being run-off judges; and Mrs. Dacia Daniels for promoting the contest in her classes and providing technical assistance. Also commended for their role as contest judges were Mr. Alan Burg and Mrs. Anne Gordon.

The two first place winners will compete at the Ypsilanti regional contest in April. Winners from the regional contest will compete for \$1000.00 scholarships at the state contest in May.

K of C Annual Fund Drive, March 25, 26, 27

The 13th annual fund drive to assist the mentally retarded locally and in Michigan will be conducted by Manchester Father Fisher Council 4354 of the Knights of Columbus on March 25, 26 and 27, 1988. Larry Benedict Council Grand Knight, announced.

Last year statewide, the Knights of Columbus, a Catholic men's fraternal society, collected over \$1,149,136.56 in the three-day weekend drive. Locally \$3,233.75 was collected and donated to St. Louis School of Chelsea and Milton Porter School of Tecumseh.

Under the program, which is carried out in most of the 286 K.C. Councils in Michigan, people are asked to donate money to the mentally retarded and are given a Tootsie Roll candy in appreciation of the gift.

Eighty percent of the net income from the donations is retained by the local council for distribution to area groups and agencies. The rest is forwarded to the State Council of the Knights of Columbus to meet expenses of the program and to make donations in behalf of all the 75,000 Knights in Michigan.

A principal beneficiary of State Council funds is the Michigan Association for the Mentally Retarded Citizens. Other gifts also are given to organizations

assisting the mentally retarded.

"The donations to local organizations in the first twelve years of the program by Knights of Columbus Councils in behalf of their contributors proved to be a gratifying experience for our members who are asked to practice Christian Charity as a principle of their membership in the Knights of Columbus", Psaris said. "We are looking forward to even greater participation this year."

Citizens will be able to recognize the Knights and their helpers during the drive because they will be dressed in colorful hats, carrying canisters and wearing bright yellow aprons emblazoned with "K of C Help the Mentally Retarded".

Village Planning Commission Vacancies

New appointments will be made April 4th, to the Manchester Village Planning Commission. Any village resident who would like to be considered for appointment should write a brief statement saying that he or she is willing to serve. Mail or deliver the letter by Wednesday, March 30th, to Mary Kallewaard, Village President.

Senior Citizens News

What a surprise waking up to snow on the first day of spring! It was also 12 degrees, which made it harder to bear. All we need is for March to go out like a lion, it will make us wonder. There will be no meal on Thursday, March

24. Eat Sauerkraut and come join the avid Euchre players at Freedom Township Hall at 8:00 p.m. Pick-up by senior bus will begin at 6:30 (it holds 20), so come and enjoy the evening.

Monday, March 28: The bus leaves at 10:00 a.m. for aquacausal at Michigan Center School. This is free to all who are 55 or over and the exercise is stimulating in the warm water. This is a good way to tone up with a qualified instructor, it really makes you feel great. You feel as if you are in the sunshine while glancing out at the snow. Call Howard Parr to go along.

Tuesday, March 29: Noon lunch features salmon loaf. Come to the Center for the activities following lunch.

Wednesday, March 30: The potluck scheduled for noon has been postponed because of Holy Week activities. Our Trumpeter's calendar of events was conceived and printed a month and a half ago and it is difficult to foresee future conflicts, please excuse.

Thursday, March 31: (Heavens, another month gone!) Exercise at 11:00 a.m., roast leg of lamb is on the menu for noon lunch with bingo following.

The seniors are still saving Bill Knapp's bonus points. Ask for them when you (at any age) pay your bill and return them to the Senior Citizens either at the Center, or in one of our canisters. Our next project is to get enough to purchase with these bonus points, a built-in cabinet and art and craft materials, etc. Thanks again for your consideration.

MANCHESTER AREA SENIOR CITIZENS COUNCIL, INC. is in compliance with Title VI of Civil Rights Act and with Section 504 of the Social Rehabilitation Act of 1973.

Obituary

Meranuck, James R.
7501 Eiseman Road
Manchester

Age 43, died on Thursday, March 17, 1988, of Leukemia, at St. Joseph Mercy Hospital. He was born on May 27, 1944, in Highland Park, the son of George and Wilma (Kauraran) Meranuck. He was married to Phyllis Carty on August 22, 1976, and she survives. He was the founder and president of the James R. Meranuck Co. He was a member of Bethel United Church of Christ in Freedom Township and had been a member of the Church Council. Mr. Meranuck was a U.S. Army Veteran of the Viet Nam War and was a member of the Manchester American Legion Post #117. He was also a member of the North Warren Masonic Lodge #594. He was a graduate of Eastern Michigan University and was co-chairman of the Concerned Citizens for Manchester Education.

In addition to his wife, he is survived by one son, Michael and one daughter, Katherine, both at home; his parents Mr. and Mrs. George Meranuck, of Bradenton, Florida and one brother, Daniel of Toledo.

Funeral services were held Monday, March 21, 1988, at Bethel Church with Rev. Roman Reineck officiating. Burial followed in the Church Cemetery. A Masonic Memorial service was held Sunday, at 8:00 p.m. at the Jenter Funeral Home. Memorial contributions may be made to Bethel Church Sunday School.

Project Health-O-Rama

Project Health-O-Rama, a southeastern Michigan health screening effort sponsored by WXYZ-TV, Blue Cross Blue Shield of Michigan and the United Health Organization, is coming soon, and Saline Community Hospital will be participating.

Health-O-Rama provides important health screening to many people who would otherwise probably not be tested. In no way, however, is it intended to replace the care of a physician, but to supplement it.

Among the tests being offered at Dimensions, Saline Community Hospital's Fitness & Education Center, are: Blood Pressure, Various Blood Tests, Glaucoma, Vision, Pulmonary Testing, Colo Rectal Tests, Hearing, Foot Screening, Dental Screening, and much more.

In addition, numerous educational materials will be available, and many medical professionals and counselors will answer questions, and offer advice.

One of the most attractive features of Health-O-Rama is the cost savings involved. All the tests are free, except for the Blood Panel Test, which costs \$10.00, and the Colo Rectal Kit, which is \$3.00.

This year's Health-O-Rama will

Baseball/Softball Registration

Registration forms for Summer Recreation baseball and softball leagues have been handed out at the schools and should be completed by everyone interested in playing ball this summer. Any parent that did not receive a registration form can pick one up at the Middle School or Klager School office. A registration fee of \$5.00 will be assessed this year for players aged 5-12 years old and \$10.00 for players aged 13-16 years old. A scholarship fund has been established to assist any child with their fees.

Any questions concerning the registration process should call Jim Fielder at 428-7333.

Shakespeare Reading Club

The club met at Emanuel Church on March 15th. Myrtle Roulo's topic was "Georgia O'Keefe, desert artist." Most of her paintings were of various flowers, trees, and things found in the desert. She put her ideas and thoughts on canvas which were beautiful and somewhat unusual. Myrtle brought some of her own paintings along also. They were painted very well.

Please note this. There won't be any meeting on March 29th. Our next meeting will be held on Tuesday, April 12th. We will go to the Stockbridge Home and visit the patients there. Please meet at Emanuel Church at 11:00 a.m., so we can go to Stockbridge and eat our lunch before we go to the home. Each member will take a dozen cookies along. Watch the paper for further details.

Manchester Village Council Proceedings

Approved Synopsis
March 7, 1988

The regular meeting of the Manchester Village Council was called to order at 7:00 p.m. by President Hinkley. The minutes of February 15 and February 29, were presented and approved as written.

Rev. Ray Robichard was present to request a re-hearing on his application for re-zoning. Two letters were presented to the Clerk and read on file.

Reinhart offered a motion, supported by Marshall to put "Discussion on Procedure Concerning Request for Re-hearing from Conquering Faith Fellowship Church" on the next agenda. Roll call vote; ayes-all.

Council was presented with the Treasurers Report and the March payables for approval. Motion by Marshall, supported by Kwolek to pay the March payables in the amount of \$36,935.79 and to have

Harris clarify the \$2,105.00 from Dick Kuntz before payment. Roll call vote; ayes-all.

The following reports were presented to Council for approval: Sheriff's Report, DPW Report, Planning Commission and the Staff Report.

Kwolek offered a motion, supported by Marshall to have our Zoning Ordinance Chapter 51, Article 26, Sections 5.344 and 5.346 enforced by our Zoning Inspector. Roll call vote; ayes-all.

Council initiated a lengthy discussion concerning the wages of the Clerk, Treasurer and Secretaries. After considerable consideration, Harris offered a motion, supported by Becktel to pay the Clerk a monthly fee equaling \$10,000 a year and the Treasurer \$1200.00 a year or \$100.00 a month. Sue Koebe would resign as Treasurer and then be paid \$7.00 an hour for approximately 30 hours a week or how ever long it takes to do the

job, 1 week vacation, 3 sick days, 1 personal day non-accumulated. These wages would take effect on March 14, 1988. Roll call vote; ayes-all.

Motion by Marshall, supported by Harris to go into closed session to discuss employee matters at 10:05 p.m.

Council reconvened into regular session at 10:25 p.m.

Tapping made the motion, supported by Marshall to approve the Mutual Release and Settlement including Attachments A, B, and C as presented to Council from the firm of Pear, Sperling, Eggen and Muskovitz, contingent upon doctors letters stating that he (Naimowicz) is capable to return to work and all conditions of the Settlement Agreement and attached letter of March 7, 1988, are met. Roll call vote; Tapping -yes, Reinhart -yes, Kwolek -yes, Becktel -no, Harris -yes, Marshall -yes, Hinkley -yes; motion approved.

Council adjourned at 10:30 p.m. on a motion from Kwolek, supported by Becktel.

4-H Spring Achievement

Members of the Jolly Farmerettes 4-H Club of Manchester participated in the 1988 4-H Spring Achievement held in Saline on March 12, 1988.

Honor sewing construction and purple ribbon recipients were: Jodi Armentrout, Andrea Clark, Wendy Haessler, Melanie Ball, Jodi Parr, Marie Ball and Jennifer Bailey. Blue ribbon sewing construction recipients were: Michelle Mann and Sarah Feldkamp.

Marie Ball and Jennifer Bailey received special construction awards in the Senior Miss category, with Marie receiving a 1st and Jennifer receiving a 3rd placing. Marie had constructed a wedding gown of her own design and Jennifer had constructed a wool coat.

Sarah Feldkamp tied for 1st place in the Honors category for kits. She had candlewicked a

pillow. An evening style revue found all the club members modeling their constructed garments. Special awards were won by Sarah Feldkamp for Top Young Miss Model (9-10 age group) and by Michelle Mann for Top Junior Miss Model (11-12 age group). Jennifer Bailey and Marie Ball placed in the Top Five Senior Miss Models (13-up age group), with Marie receiving 2nd place. Marie Ball also was the recipient of the "Overall Top Construction" trophy, which is a traveling trophy donated in memory of Mrs. Mildred Lutz, a former 4-H leader in Washtenaw County.

Jodi Feldkamp and Kelly Parr assisted at the style revue by distributing programs to those attending this event. Good job girls! Your club leaders and families are so proud of you.

WE HAVE THE LATEST IN 4 WHEEL ALIGNMENT EQUIPMENT.
6 IMPORTANT FACTS ABOUT WHEEL ALIGNMENT

- Extend tire life**
It's happened to almost everyone: buy a set of tires, and before long one or two tires are wearing out before the others. On today's cars, this applies to the rear tires as well as the front tires. The most common cause of unusual tire wear is improper alignment. Over the years, a properly aligned vehicle can save hundreds of dollars in tire wear.
- Spot problems early**
A suspension system inspection is an inherent part of the wheel alignment operation. This gives the mechanic a chance to spot worn parts that would affect vehicle alignment. It also gives him an opportunity to spot small problems before they become big, costly ones.
- Ensure safe driving**
A periodic four wheel alignment makes sure your car handles properly and, more importantly, provides an opportunity for inspecting the suspension system for defective parts. In some ways, the safe driving aspect may be the most important benefit of wheel alignment.
- Stretch fuel mileage**
Fuel mileage increases as rolling resistance decreases. Proper wheel alignment sets all four wheels parallel which, in turn, assures minimum rolling resistance. This plus proper tire inflation provide top efficiency for maximum mileage.
- Improve handling**
Does your car pull to one side, does the steering wheel vibrate, do you have to constantly move the steering wheel to keep your car traveling straight ahead? These and other handling problem's can generally be corrected by four wheel alignment.
- Get a better ride**
Proper alignment helps the front and rear suspension systems do their job. With all the system components in proper relation, road shock is efficiently absorbed, so the vehicle is more stable, and you get a smoother ride.

Further recommendations will be brought before the Board as soon as possible.

The Board approved the resolution calling for the Annual School Election to be held on Monday, June 13, 1988.

The Board directed the Secretary to have prepared appropriate language for resolutions to be placed on the annual election to be held on Monday, June 13, 1988, for the following millage propositions. (1) a renewal of 4.8 mills for operating purposes for a period of three years. (2) a renewal of 1.5 mills for maintenance repair and renovation of school facilities for a period of five years. (3) additional millage of 1.2 mills for operating purposes for three years. The understanding being that this figure may be adjusted at the regular meeting on April 18, 1988, as more information becomes available regarding projected revenues and expenditures.

Laurie Keister was appointed by the Board to the position of Girl's Varsity Track Coach. The Board approved the revised budget for the 1.5 mills Maintenance/Capital Improvement projects for the 1987-88 school year. The budget represented completion of many projects and anticipated expenditures for asbestos survey and high school shop renovation. (A complete Maintenance/Capital Improvement Project - 1987-88 (reserved 1.5 Mills) is on file in the Board Office.)

Meeting adjourned at 11:00 p.m.

Three New Courses Offered

Washtenaw Community College's Continuing Education/Community Services department will offer three new courses this spring.

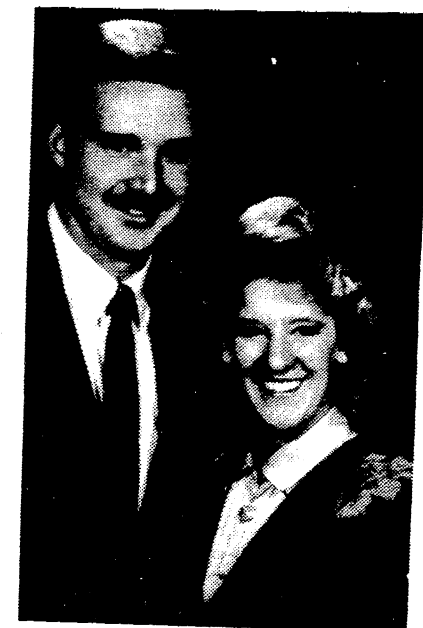

If you are addicted to patterns of failed relationships and would like to learn healthy intimacy the department offers "Break Free of Your Past: End the Pattern of Painful Relationships." This course will be held on May 12 and 19 from 7 to 9:30 p.m. at Brighton High School. The instructor is Jayne Burch, a therapist specializing in addictions and co-dependency. The course fee is \$25.

"Adjusting the Retirement" will begin April 4 and run for three weeks on Mondays from 3 to 5 p.m. This seminar will address health care issues, use of leisure time, emotional adjustments and post-retirement finances. Julie Lavender, a specialist on retirement issues, will teach this class at Burns Park Senior Center. Persons 60 years or older may attend the sessions free of charge. For all others the cost is \$25.

The "Memory Improvement Workshop," beginning May 26, will explore facts and fiction about memory and aging, how and why memory is affected and ways to improve memory. The workshops will be held on three Thursdays from 5:30 to 7:30 p.m. The seminar will be taught by Janet Fogler and Lynn Stein who have conducted numerous workshops on memory improvement. The fee is \$30.

For more information contact Julie Lavender at WCC's department of Continuing Education/Community Services, (313) 973-3493.

Engagement Announced

Faith Vleck of Ann Arbor and Edward A. Vleck of Chelsea, are pleased to announce the engagement of their daughter, Elizabeth A. Vleck to Thomas A. Malcolm, the son of Mr. and Mrs. Richard Malcolm of Manchester.

Tuesday evening saw our young men and women athletes receive accolades from their peers and coaches for their involvement in winter sports.

First up was Cliff Elliot, JV Basketball Coach who gave out four awards. The Most Valuable went to Matt Knul, while Most Improved went to Jim Diedrich. Andy Pagel was the recipient of the Mr. Hustle Award, as Dave Mitchell and Matt received trophies for their leadership.

Ken Haight was next as our JV Girls' Volleyball Coach. Jackie Ahrens was voted Most Improved and Michelle LaRue won the Coach's Award. Nikole Reinhart captured the Most Valuable trophy.

Helen Nickerson, our Cheerleading Advisor, passed our three awards. Melissa Hawk received the JV Most Spirited, as Amy Schnierle won the Varsity Most Spirited. Helen then awarded for the first time a Coach's Trophy - this senior cheerleader had the highest average point total in her four years of tryouts - this went to Keri Bristle. Keri also won Academic All-Conference.

Next up was Kelly Haight, Varsity Volleyball Coach. Senior Renea Drouare won the Most Valuable and she shared the Coach's Award. Renea also was named Ann Arbor News All-Region and First Team All-Conference. Senior Jennifer Barnard received the Setting Award and was the other recipient of the Coach's Trophy. Jennifer also won the Serving

Medal for 17 perfectly served matches. She was named Ann Arbor News Honorable Mention and All-League Honorable Mention. Senior Ami Bragg acquired the Best Hitter Award and was also named First Team All-Conference along with Ann Arbor News Honorable Mention. Jennifer, Sara Samonek, Renea and Rockie Weber were named Academic All-Conference.

Wrestling Coach Dan Jordan had much to say about his much-improved squad. Four of our young wrestlers received All-League honors. They are: Chris Wiethoff (First Place), Mark Fenelon (Second Place), David Wiggard (Second Place) and Jason Woods (Third Place). Mark Fenelon also took All-State Honors. The trophies went as follows: Mark Fenelon, Most

Valuable; Jason Woods, Most Improved; Dan gave Coach's Awards to Bud Ball, Carl Schook, and Hector DeVulder. Mark and Bud also were named Academic All-Conference.

Last but not least was Varsity Basketball Coach Curt Fielder. Those winning awards were: Tom Mann, Most Valuable, All-Conference, and Washtenaw County All-Area; Craig Scully, Most Improved, Academic All-Conference; Jason VanDeven, Mister Hustle, All-League Honorable Mention; Dwayne Archibeque, Coach's Award; Brian Gebhardt, All-League Honorable Mention and Academic All-Conference; Bryan Barnard, All-League Honorable Mention; Brad Uphouse, Academic All-Conference; Nick Miller, Academic All-Conference.

Weight-A-Thon

The Manchester High School Leadership Class and the Manchester High School Football Teams are sponsoring their annual Weight-a-thon this week. The money raised will be used to recondition our existing equipment and buy additional equipment for the weight room.

Our present weight room equipment is over 17 years old and is in need of reconditioning to maintain a safe environment for our students while using the equipment.

To update our weight room and meet the needs of our students and athletes, we need to buy more equipment. With the present equipment we can only work about 10 students efficiently at one time. We want two more machines and some small equipment to make it possible for a full class or team to workout at one time.

If you would like to make a donation please send a check to the Manchester High School Leadership Class made out to Weight-a-thon.

Freestyle Wrestlers

This past weekend proved to be very rewarding for a hearty bunch of Freestyle Wrestlers from Manchester.

The late afternoon of Friday, March 18, the wrestling meet was in Eaton Rapids, Michigan. The competition was tough, but so were we. Chris Wiethoff at 112 pounds proudly accepted a 4th place medal. Isreal Clouse placed 5th at 126 pounds.

The next morning on Saturday, the 19th of March, it was back up to Eaton Rapids for the 13-14 year old age group to wrestle. Matt Wiethoff at 85 pounds earned a 3rd place bronze medal. Stacey Clouse at 105 pounds received a 3rd place bronze medal. Jim Buono at 99 pounds was awarded a 3rd place bronze medal. Steven DuVall at 105 pounds placed 4th.

Sunday, March 20th, Freestyle Wrestlers went to Lansing to wrestle at Everett High School. Stacey Clouse at 105 pounds earned a 2nd place silver medal. Jason Woods at 99 pounds received a 2nd place silver medal. Isreal Clouse at 130 pounds was awarded a 2nd place silver medal.

The Freestyle Wrestlers wish to thank Coach Dan Jordan for volunteering so much of his time to teach freestyle wrestling.

Pleasure Boating Classes Offered

Sheriff Ron Schebil announces that the Washtenaw County Sheriff's Department and the Michigan Department of Natural Resources will offer pleasure boating classes throughout the county during the months of April, May, June, and July.

The pleasure boating classes are open to all without charge; texts, notebooks, and related materials will be provided. Persons successfully completing the course will receive a Boating Safety Certificate. The Boating Safety Certificate also permits persons between the ages of 12-16 to operate a powerboat (6 hp or greater) without adult supervision.

Program instructions will include:
-Michigan watercraft laws and regulations; Familiarization with rules for the road and navigation aids; Principles of safe small boat handling and seamanship; Proper selection and maintenance of

equipment; First aid pertaining to water sports; and -Accident prevention, rescue and assistance.

Classes are scheduled to be on April 9, 30; May 14; June 4, 18; and July 9, 23. Classes will begin at 9:00 a.m. and end at 3:00 p.m.

Please contact the Marine Safety Division of the Washtenaw County Sheriff's Department at 971-7551 for further information and registration.

Birth Announced

Frank and Kendra Kuhn are proud to announce the birth of their daughter, Caitlin J. Kuhn on February 18, 1988. She weighed 7 pounds one-half ounce and was 20 inches long. Caitlin has one brother, Noah 2-1/2.

Grandparents are Frank and Joan Kuhn of Manchester and Karl and Sandra Henkel of Saline.

Nurses Who Made A Difference

Nine registered nurses who exemplify the best of their profession will be honored as "Nurses Who Made a Difference" in a nationwide contest sponsored by the American Hospital Association (AHA) and the American Organization of Nurse Executives (AONE). Patients who nominate the winning nurses will receive two free airline tickets for travel anywhere in the continental United States. Certain restrictions will apply to travel arrangements.

"The contest will recognize the special role that nurses play in patient care, will highlight the nursing profession, and will enhance hospitals' image as providers of high-quality care," according to Connie R. Curran, R.N., Ed.D., AHA's vice-president for patient care services.

"Every day, registered nurses give service to patients and the community that goes beyond what is expected of them," said Maggie Szymke, Associate Director of Nursing, Chelsea Community Hospital. "Too often, these exceptional contributions go unnoticed. This contest gives patients an opportunity to express their appreciation to nurses who made a difference in their lives."

Patients who have received exceptional nursing care during

the past year and members of patients' families are eligible to enter the contest. They are asked to write a short description of the exceptional nursing care received, including specific examples of how the nurses' work demonstrated compassion, leadership, or creativity. A panel of AHA and AONE members drawn from a number of disciplines will judge the entries on the quality of the nurse's contribution, not on how well the entries are written.

Nurses eligible for nomination may work in hospitals, home health nursing, community nursing, nursing homes, physician's offices, or other settings. Nurses must be nominated by patients or patient's families; no entries from co-workers, employers, or relatives will be considered.

One-page descriptions of the nurse's exceptional contribution including the nurse's name, the name and address of the nurse's employer, and the entrant's name, address, and phone number should be submitted to the Nurses Make a Difference Recognition Contest, AHA Division of Nursing, 840 N. Lake Shore Drive, Chicago, IL 60611. Entries postmarked after National Nurses Day, May 7, 1988 will not be considered. Authors of the winning essays will be notified in May.

Washtenaw County older teen and adult leaders are invited to share ideas with others from across the State at the 4-H Foods and Nutrition Workshop April 15-16, 1988, at Kettunen Center in Tustin, Michigan.

The purpose of the workshop is to update 4-H leaders' knowledge and skills and to present new ideas for foods and nutrition projects.

Reservations are due April 5, 1988.

For more information about this workshop or other 4-H activities, contact the Washtenaw County Cooperative Extension Service office, or call 971-0079.

Theater Director Leads Book Discussion

Over refreshments, the discussion continues. Priscilla Haselschwerdt, Jane Korth, Don Fowler, Janet LaBeau Shurtliff, Olga-Nichols, Merrill Korth.

An "insiders-look" at drama as literature was the form taken by the second meeting of the "Reading and Discussion" group hosted by the Manchester Township Library last Thursday evening.

This group, you will recall, has a meeting about every two weeks at which they discuss, with a lecturer from a nearby University, a work they have all been reading. The group welcomes

anyone who wants to start in at any time. You could pick up a book right now at the Library and begin reading for the next meeting on Thursday, April 7th. The lecturer this past Thursday was Professor Helen Manning from Albion College. The readings consisted of two rather short plays: A RAISIN IN THE SUN by Lorraine Hansberry, and THE GLASS MENAGERIE by Tennessee Williams. Professor

Manning, besides being a teacher of English literature, has had extensive experience as an actress and a director, and in fact had directed both of these plays in the past.

And so, at the discussion, we were able to tap her expertise in the theater to add a dimension to the reading of these plays. She shared details such as the way the staging might be done to achieve certain effects in THE GLASS MENAGERIE, or the necessity for functioning props for the realism to work in A RAISIN IN THE SUN.

Professor Manning gave this meeting a much more traditionally academic quality than the previous discussion meeting had, and this was at once appreciated and criticized. The lecture format used by Professor Manning did what lectures do best: communicated her information (interesting and extensive) to the "audience." Although this was enjoyed tremendously by everyone attending, the enthusiastic sharing of ideas we all experienced at the first discussion meeting two weeks ago was missed at this one.

We all look forward to the next meeting to discover what form that discussion will have. Part of it will be shaped by the book being read. (The next reading is the novel ORDINARY PEOPLE by Judith Guest.) Part of the form will come from the lecturer. (Spencer Bennett, Professor of History and Religious Studies at Siena Heights College, will lead the next group.) We welcome all in our community to come and enjoy the discussion - sure to be

lively and interesting - at our next meeting to be held Thursday, April 7th, at the Blacksmith Shop. Pick up a copy of the book at the Library, then read, and enjoy talking about it!

This series is hosted by the Manchester Township Library in conjunction with its 150th Anniversary celebration. Dorothy Davies is the project director. It is sponsored by the American Library Association and the Library of Michigan, with funding provided by the National Endowment for the Humanities and the Michigan Council for the Humanities. Please join us.

Get Acquainted Sessions

Washtenaw Community College will host two informative get-togethers for local high school students and their parents on Thursday, April 14 and Thursday, May 5.

"Parent's Night" on April 14 will give parents of junior and senior high school students information about paying for college, choosing a school, careers for the '90s and programs and services available at Washtenaw Community College. "Parent's Night" will be held from 7 to 9 p.m. in the college's Student Center Building.

The May 5 gathering, "Career/College Day," will give high school students a close look at the occupational and educational choices available. Students and their parents can talk to representatives from career fields, colleges and universities from 9 a.m. to noon in WCC's Student Center Building.

Both programs are free and open to the public. For more information and to reserve a space call 973-3543.

Letter To The Editor

March 19th, the High School Band left the sleepy little antique town of Manchester for their festival in Jackson.

Thanks to a special friend my Grandson taped their music for me. While I listen I can picture the band on stage in their sharp new uniforms, their eyes just sparkling with excitement and pride, and the smile of approval and confidence Miss Hurbes gives them before the applause.

They are still the greatest. They received a No. 1, they ARE going to State Festival in Kalamazoo.

I would like to express our appreciation and gratitude to Miss Hurbes for her time and effort with our children.

A decision is a problem solved. Lets decide to give one of the empty stores to the youth of today instead of the past. There are eight places in town for adults to eat and enjoy friendship.

Lets give the youth a place of their own and show how we feel about the pride and happiness they bring to Manchester.

With the flu bug around some of the students not feeling to good went to the festival to do their best, and they did.

Thanks again Miss Hurbes for last years Middle School Band being No. 1 the first time in eighteen years, and again this years No. 1 It is a large beautiful band, Miss Hurbes you are No. 1 with us.

Love,
Grandma Gillow

Cholesterol Screenings

Every Wednesday the staff of the Henry Ford Medical Center, Ann Arbor offers cholesterol and hypertension (high blood pressure) screenings from 4-8 p.m. The \$5 fee includes both tests.

For an appointment call 973-3090. The Ann Arbor Center, 2755 Carpenter Road, on the second floor of the professional building just south of Washtenaw Road, is open from 9 a.m. to 9 p.m. Monday through Thursday; 9 a.m. to 6 p.m. Friday; and 9 a.m. to 1 p.m. Saturday.

The results of the cholesterol screening, which will be reported to the participant the next day, indicate the amount of cholesterol in the blood. Cholesterol is a natural fatty substance found in

blood cells which, when elevated, can form deposits in blood vessels and eventually impede the blood flow. The buildup of cholesterol on the inside of arteries narrows or clogs the passageways that bring oxygen to the heart. This can result in heart disease or stroke.

The hypertension screening consists of three blood pressure readings taken minutes apart. The readings are then compared and graphed to determine an accurate measure. The results of the hypertension screening are reported immediately. The Ann Arbor staff also counsels participants about their individual condition and provides information about high blood pressure.

Dairy Goat Workshop

Washtenaw County 4-H volunteers are invited to attend the 4-H Dairy Goat Leaders' Workshop April 8-10, 1988, at Kettunen Center in Tustin.

The workshop will enable 4-H leaders to exchange ideas about dairy goat programs and to develop resource materials useful to 4-H goat project members.

Reservations are due March 28, 1988.

For more information on the dairy goat workshop or other 4-H activities, contact the Washtenaw County Cooperative Extension Service 4-H Office, or call 971-0079.

The Wonders Of Science

Visualize the main room of the American Legion Hall, with table after table filled with attractively presented science projects. Add to this 16 two-member teams busily engaged in conversation with the middle school students. Throw in several middle school teachers and staff members engaged in keeping things moving smoothly. Then notice the impatient group of middle schoolers who are waiting their turn in the Legion lobby and you will begin to feel the excitement and anticipation which vibrated in the Legion Hall on Wednesday, March 9, as judging of the projects entered in the Middle School Science Fair took place.

Students, teachers and parents from Nellie Ackerson Middle School had been busily engaged in the process of collecting information and creating projects for this annual event for over two months. Thirty-two volunteers were busily questioning, discussing, and evaluating the work and learning of over 100 semi-finalists. These semi-finalists had been determined through a pre-judging process completed by the middle school science teachers as they

evaluated over 300 projects entered.

This program was coordinated by Mrs. Nondus Buss as part of the Middle School Gifted Program aimed at meeting the needs of the scientifically gifted while improving options for all students. As the afternoon drew to an end the careful, painstaking efforts of the 32 volunteers had determined first through third place winners in four categories for each grade, fifth through eighth. This was a difficult process and some scores were very close together.

Although all who participated were clearly winners due to the hard work illustrated by the many excellent projects, ribbons were awarded to these students:

The first alfalfa that measures up to our standards.
GH747

Leafy. Fine stemmed. Protein-rich. All were high priorities in our alfalfa development program. But our tougher standards also demanded consistent performance. Now we've introduced a new variety that measures up.

New GH747 has one of the highest total ratings given today. It carries a high resistance rating to Bacterial Wilt, Anthracnose, Phytophthora Root Rot and Pea Aphid. It also has resistance to Fusarium Wilt and Stem Nematode and has moderate resistance to Verticillium Wilt. All that plus winter-hardiness and good forage quality. See your Golden Harvest dealer listed below about new Golden Harvest GH747.

Cards of Thanks
We would like to thank everyone for all the acts of sympathy on the loss of my son and brother.

Mrs. Pauline Haller Ed Haller

I would like to thank all my friends and neighbors for their prayers, visits, flowers, cards and calls while in the hospital and since I returned home. Your many acts of kindness will always be remembered.

John Rigg

I would like to thank everyone who supported me in the Village election. It was greatly appreciated.

Wendell Reinhart

I would like to thank the efficient staff at Saline Community Hospital, especially Nancy, Dr. Hwang, Dr. Hoshal and the ER for their special care. Many thanks to all my relatives, friends and co-workers and the K of C for the cards, flowers, gifts and prayers while in the hospital and since my return home. Also, many thanks to Fr. Schlinkert, Fr. Noelke and Rev. Hocking for their visits and prayers. Special thanks to Midwest Ford for the concern and support given to my family, it was greatly appreciated.

Special thanks to my dear husband, children, and their families for their loving care, prayers and constant visits. You were always there when I needed you. God Bless you all.

Benita Auto

Thanks to all of you who voted for me in the recent village elections. Your show of support is greatly appreciated. I will continue to cover Council meetings for the Enterprise and I intend to run again next year for a seat on Council.

Becky Doyle

Many thanks to my friends and relatives for their kindness, cards, phone calls, visits, and prayers during my stay in the hospital and since my convalescence at home. A very special thanks to my children for all they have done to help. It was all appreciated very much.

Doug Kennedy

I want to thank all my friends, relatives, the United Church of Christ, the American Legion, the American Legion Auxiliary, and everyone else who sent cards, flowers, and who showed many other acts of kindness during my prolonged illness, and since my recent surgery at which time I received a replacement hip. May God Bless you all.

Don Sutton

We wish to thank everyone that sent us cards for our anniversary and birthday. Special thanks to the Sharon United Methodist Congregation for the beautiful plant, also Hazel for the flowers. Your thoughts will never be forgotten. God Bless all of you.

Money Management

Are You Having Enough Withheld?

As the April 15 income tax filing date approaches, do you find yourself dreaming about how you'll spend your large refund or are you one of those people beginning to worry about how you're going to pay a huge tax bill?

According to the Michigan Association of CPAs, the wise taxpayer will avoid both extremes. You should strive to come as close as possible to your actual tax bill by having the correct amount of money withheld from your paycheck, says the Association. It doesn't make much sense to let Uncle Sam use your money interest-free, but, by the same token, you don't want to sell your soul to pay your tax bill. Withholding is the govern-

ment's way of collecting tax on your salaried income on a planned schedule, a Christmas club of sorts. An employee with little or no other income has to have a certain amount of money withheld from each paycheck to meet his or her tax obligations. Ideally, the amount withheld by your employer during the year will match the amount of your annual tax liability.

Prior to tax reform it often worked like this. Whenever you started a new job, you were asked by your employer to complete a withholding form. This W-4 form tells your employer how many allowances, or exemptions, to consider in determining how much to deduct from your paycheck for income tax. Chances are, it was one of many pre-employment forms you were faced with and you may not have given it much

thought. In fact, if you were like most taxpayers, you probably used the head-counting method. You counted the number of people in your family and claimed that number of allowances. The more allowances, the less money withheld. Come April 15, if that didn't work out to your liking, you asked your employer to withhold more or less during the following year. It was, for many, a trial and error approach.

Then there were those taxpayers with significant deductions who found that they were being over-withheld and receiving large refunds. The IRS allowed these taxpayers to claim additional exemptions to offset their deductions and bring their withholding closer to their actual tax bill.

Tax Reform And The New W-4
The new tax law has created the need for everyone to re-examine their withholding. Starting in 1987, less tax is being withheld as a result of lower tax rates. But, at the same time, many employees are likely to be affected by changes in the tax law that reduce or eliminate many tax breaks. Fewer tax benefits mean more of your income is subject to withholding. Affected employees who don't increase their withholding may very well find themselves face-to-face with a large tax bill come filing time.

Taxpayers who have been offsetting large deductions with additional allowances should be

aware that under tax reform, the value of each allowance, or exemption, has been increased to \$1,900 - up from \$1,080 in 1986. That means you need to almost double the amount of itemized deductions to warrant each additional exemption on your W-4. Note, too, that many deductions have been limited while other have been eliminated.

If your 1987 tax return shows you had too much or too little withheld, you can correct the problem by filing another withholding form.

The IRS recommends that in situations where both spouses work, both incomes should be combined on one form. For more accurate withholding, the spouse with the higher earnings should claim all the exemptions while the other spouse claims none. Be aware, however, employers are required to submit to the IRS any W-4 form on which more than 10 allowances are claimed.

CPAs recommend that you make every attempt to be as accurate as possible when calculating your withholding because, according to new IRS regulations, if the amount withheld is not equal to at least 90 percent of the year's tax liability or 100 percent of the prior year's taxes, the IRS may impose a penalty. However, the IRS has agreed that, for 1987 taxes, it will waive this penalty for employees who, in good faith, filed a new Form W-4 with their employer on

or before June 1, 1987. If you discover that you're not having enough tax withheld, you should file another W-4 as soon as possible. If you're not well-versed in the change brought about by the Tax Reform Act and think you may need assistance, consider consulting with a tax advisor before filing a revised W-4.

N.H.S. Raises Funds

Al Strieter, Jennifer Barnard and Stewart Stover.

The Manchester High School chapter of the National Honor Society (N.H.S.) recently held a SAVE-A-SWEETHEART CAMPAIGN sponsored by the American Heart Association (A.H.A.). The N.H.S. students sponsored a dance February 5, with a Black and White theme to help emphasize the importance of not smoking or starting to smoke. Seniors Kris Miller and Tracy Day were co-chairpersons of this event. The chapter was able to raise four hundred fifty dollars for the American Heart Association. President Jennifer Barnard, along with Director of Student Services, Al Strieter presented the check to American Heart Association representative Stewart Stover.

To become a member of the National Honor Society a student must first have a Grade Point Average (G.P.A.) of 3.25 or better in the fall of their junior or senior year. These students are given a packet of information, informing them of the selection process and various forms they are to fill out for each member of the selection committee. These forms must then be returned by a specific due date. The selection committee consists of five teachers from different contest areas, including the high school counselor. The National Honor Society advisor is not a part of the selection committee, however, coordinates the efforts of the

selection committee. Students are judged on the basis of four equally important qualities. These principles are scholarship, leadership, service and character which the National Honor Society was founded upon.

The Manchester N.H.S. chapter is a very active organization sponsoring several activities throughout the year such as Senior Citizen's Chore Day (Fall and Spring), Annual M.H.S. Blood Drive, tutoring services, Save-A-Sweetheart Campaign and the Muscular Dystrophy Association Shamrock Campaign.

Registration Continues

Any girl or boy, 5-16 years old, interested in playing in an organized ball league this summer should complete the registration form available at the local school offices, to be eligible for the upcoming team drafts. The leagues start with Pee-Wee Tee Ball for youngsters 5-7 years old and continues up through traveling leagues for 13-16 year old boys and girls. We hope to have youngsters registered and placed on teams by the end of April, so practice can begin in May.

Parents with questions concerning the registration process or league play should contact Jim Fielder at 428-7150 after 4:00 p.m.

Post Office Adds Retail Hours

The cost of mailing a First-Class letter will rise to 25-cents beginning Sunday, April 3, but Detroit General Manager/Postmaster John M. Horne urges customers not to wait until the last minute to make their new stamp purchases.

To assist customers, post offices in the 480, 481, 482 and 483 Zip-Code areas will remain open two additional hours on Thursday, March 31, and Friday, April 8 from 5:00 p.m. to 7:00 p.m.

"We have ample supply of the new 'E' stamps available for sale at all post offices, stations and branches," Horne said. "The stamp has a postage value of 25 cents, the new First-Class rate, and will remain on sale until we receive new dominated postage that conforms with the new rate. Also, we have a good supply of one-, two- and three-cent stamps that can be used with customer's existing stocks of 22-cent stamps to meet the new First-Class rate."

The increase for First-Class Mail represents a 13.6 percent rise while the cost of second-class mail (magazines, newspapers) will rise 18.1 percent, bulk regular third-class will go up 24.9 percent and parcel post will increase 14.8 percent.

"In the three years since the last rate increase, the Postal Service, like most businesses, has experienced rising costs on many fronts—operations, transportation, supplies, labor and health and retirement benefits," he explained.

"For example, our delivery network has expanded rapidly since 1985 to reach a growing number of businesses and households created in the strong economy. Nationally, we're delivering to some seven million more addresses, which requires putting 12,000 more letter carriers on the streets each day," Horne said.

Recreation Task Force

The monthly meeting of the Recreation Task Force met at the home of Bill and Diane Schwab March 10th.

Task Force committee Pete and Kathy Hampton have organized two successful Mount Brighton ski trips. January 23, 41 skiers boarded the bus and had a wonderful experience. February 27th, approximately 50 young people, some first timers, exposed themselves to fun, fresh air and falls. The Task Force appreciates the efforts of the Manchester School staff that help make activities such as this a new experience for many of our youth. Patti Swaney reported Manchester Day Camp will be

Bloodmobile Report

When the Red Cross Bloodmobile came to Manchester March 21, the area greeted it with a turn-out of 155 units of blood from the 164 donors who responded. It was a very successful day; well over the original quota of 120 that had been raised to 150 when registration ran high.

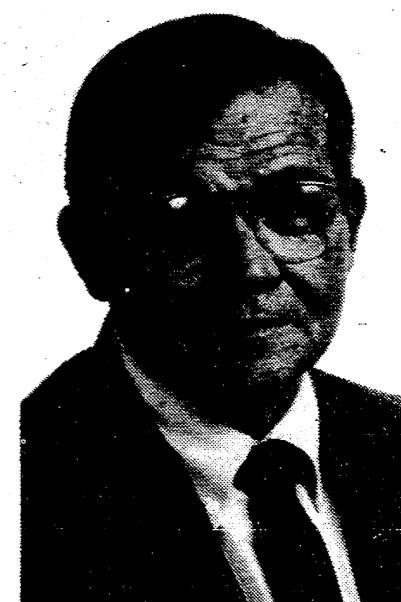

There turned out to be nineteen gallon donors by the time all the lists were checked. Do let the coordinator, Claire Reck 428-8852, know if your name is missing on this list. The highest pins were for 4-gallons - five of them: Arie Knul, John Bihlmeyer, Daniel Monahan, David Ahrens and Jack Lockridge. Eight 3-gallon badges went to: Robert Padley, Richard Marsh, David Goodrich, Christine Brown, Marjorie Scully, Michael Schlosser, Ron Fielder and Dr. Bruce Bates. There were two 2-gallon pins for: Jeffery Schaffer

and Martha Wenk, and four 1-gallons to Clayton Fritz, Michael Mazur, Gary Anderson and John Savage.

As is the custom the five major industries in Manchester responded by sending donor employees on company time. Johnson-Controls had 22 donors, Vickers-Double A had 10, Manchester Stamping Corporation, 9 with Pinnacle Engineering and Manchester Tool and Die 3 each.

Thanks to the recruiters, seven of the dozen churches in the area accounted for 111 of the total number of donors: Bethel United Church of Christ, 20; Emanuel United Church of Christ, 30; Faith Community Church, 5; Iron Creek Community, 2; Manchester United Methodist Church, 19; Saint Mary's, 30; and Sharon United Methodist, 5. There were 13 men and women who gave for the Manchester Blood Bank.

John Swainson Michigan Week Chairman

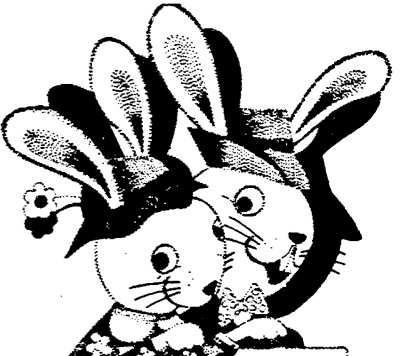

The appointment of former Governor John B. Swainson as State Chairman of Michigan Week 1988 has been announced by Ernest C. Browne, Jr., President of the Board of Trustees of the Greater Michigan Foundation.

The 1988 celebration will take place May 20-28 and will be the state's 35th. Michigan Week is sponsored annually by the Greater Michigan Foundation, a non-profit civic organization dedicated to educating Michigan's citizens about the state's historical, cultural and natural attributes.

John Swainson, a Manchester resident, is currently President of the Michigan Historical Commission. Mr. Browne said about Swainson's appointment: "The Foundation is delighted that Governor Swainson has agreed to accept the 1988 Michigan Week Chairmanship. John works unceasingly with citizens in all parts of Michigan to encourage various civic projects. We are privileged to have his support."
