THURSDAY, APRIL 21, 1988

Charlotte Major Receives Special Invitation

Many of us know Charlotte Major as a local Manchester resident who has been a nurse for several years with Dr. Monty Okey and many of us also know that Charlotte has been very active each spring in the Manchester Mill Run. But a lot of people are not aware that Char is an avid runner who ranks 5th

among women runners in her age group (40-44) in Michigan and 25th over all women runners in Michigan in the 1/2 Marathon and the Marathon.

Because of this distinction, Char has been invited to participate in the 8th Annual Moscow International Peace Marathon on August 13th.

Char has been asked to travel with the United States team for this Soviet-American Sports Challenge. She will travel as an "Athlete Citizen Ambassador" of the United States. What an HONOR for a Manchester resident!

The trip takes place from August 7th thru the 21st, 1988, and will include stops in Helsinki, Finland and Moscow and Kiev, U.S.S.R.

Bike-A-thon Sponsors Sought

Riders for the Saturday, May 21, St. Jude Children's Research Hospital Wheels for Life Bike-A-Thon are asking Manchester and surrounding area citizens to pledge a contribution for each mile they ride.

"Every mile our bikers go earns money bringing us closer to a cure for cancer. The life-saving study of childhood cancer at St. Jude has become critical to children all over the world", said Coordinator Rita Burkhardt.

"Let's show we care. Help this cause", Rita said, "your generous pledge encourages riders."

The ride starts at the Manchester Fire Hall at 9 a.m.; registration at 8:45 a.m. "If you haven't been asked to sponsor a rider, but are interested, please call 428-8083 and a rider will contact you."

Each rider gets a lap card at registration and every time riders pass the checkpoint, we punch the card. At the end of the ride, we check and sign it to show that the rider earned what the sponsor pledged. Riders return to sponsors to collect the pledge.

Riders can get sponsor registration forms at school offices.

Even if you can ride only one hour, please come. It's fun, there will be refreshments and you will be helping St. Jude's Children.

FFA Host Basketball Game

On April 21, Manchester FFA will challenge Saline FFA at the Middle School in Manchester. The game starts at 7:30 p.m. All parents and friends are encouraged to attend.

Store Front Church: Another Public Hearing

Village Council passed the ball back to the Planning Commission after a public hearing last Monday to hear again the request of the Conquering Faith Fellowship to use a building in a C2 commercially zoned district as a church.

Planning Commission Chairman Bob Daverman presented the recommendation for the amendment to Article 12, which read as follows, to the Council:

General Commercial District (C2) - Conditional Use.

14) Church; only when provided in an existing building on a lot immediately bordering an adjacent zoning district.

Village Council, however, accepted this as a tentative recommendation only and passed a motion returning the issue to the Planning Commission for further study. Mayor Kallewaard's motion asked for more fact finding, another public hearing and that the wording of the proposed amendment be published the required amount of times prior to that hearing.

This will be the third Public Hearing on the issue.

Federal Food Distribution

Federal surplus foods will be distributed in the Manchester area this month on Friday, April 22 from 10 to 12 noon at the Manchester United Methodist Church, 501 Ann Arbor Street.

For further information call Manchester Family Service, 428-8852 or the Community Service Agency in Ann Arbor, 994-1650.

Mayor Appoints Committees

At a regular meeting of the Village Council Monday, Mayor Kallewaard appointed Larry Becktel as Mayor Pro-Tem and Terry Harris and Ted Tapping to the Finance Committee.

The Public Works Committee appointments were Larry Becktel and Wendel Reinhart, and the Ordinance Committee appointees are Joe Marshall and Bill Kwolek.

The return of committees will most likely make things in the Village run a little smoother, spreading out some of the responsibilities of day-to-day business of the village and keeping the meetings at Council shorter. This was in evidence Monday, as the meeting adjourned shortly after 8:30 p.m.

In addition, because the Village no longer has a Village Manager, the committee members will act as officials for those tasks formerly assigned to Dan Naimowicz.

Bands Receive Top Rating In District Festival

This year the High School Band received a superior rating of I in District Festival and keeping right up with them the Middle School Band received an I also.

To help us prepare for festival we had three guest conductors come to work with us. Russ Reed, Director of Orchestras from Eastern Michigan; Don Schleicher, Assistant Director of Bands from the University of Michigan; and John Whitwell, Director of Bands from Steven F. Austin University of Texas.

These students from the Middle School Band will be participating in Solo/Ensemble this coming Saturday. Kathy Nosbisch, Krista Sahakian, Sharon Fielder, Darian Davies, Susan McGuire, Michelle Strock, and Molly McGinn.

Many students from the High School Band participated in Solo/Ensemble this year. Clarinet Octet: Jacqueline Davis, Dayna Hock, Alicia Haeussler, Lynn Marshall, Dawn Wenk, Beth Gilbert, Vicki Warner, and Heidi Beasley. Brass Quintet: Ryan Weigel, Craig Houck, Cheryl Blumenauer, Benji Winzenz, Amy Fielder, Staci Williams, Jackie Miller, Melanie White, Jamie Hall, Rob White, Cara Cox, Julie Hamilton, Melissa Hawk, Lynn Marshall, Alicia Haeussler, Jacqueline Davis, Dayna Hock, Amy Fielder and Laurre Fielder. All of these Band students received good to superior ratings

and deserve congratulations. Those Band students receiving an I at Solo/Ensemble were asked to go to State Solo/Ensemble. Amy Fielder, Rob White, Melanie White, Jacqueline Davis, Julie Hamilton, and Jackie Miller. From these people who were asked to go to State Solo/Ensemble, Jackie Miller and Rob White were asked to attend the Youth Arts Festival Band. This is a group who is composed of 150 of the top Band students from the state of Michigan. Both the Middle School Band and the High School Band deserve congratulations on their hard work this year.

Full payment for this trip is due by June 7, 1988. Any questions or further details may be directed to Deneine Schabile, 428-7422 or 428-8583.

We're all really proud of Char and hope these funds will be raised to send her on her way!

Student Of The Month

Connie is pictured with her parents and Monte Okey

Connie Zimmer, a junior at Manchester High School, has been selected as Student of the Month for the Manchester Optimist Club for April. Connie is the daughter of Kathy and Fred Zimmer of Manchester. Connie has been in cheerleading for 3 years, played volleyball for 2 years, played softball for 3 years, and been on the honor roll for all three years in high school. She is secretary for S.A.D.D., and this year was

inducted into the National Honor Society. She is on the prom committee and is the junior class treasurer. In addition to all of this, Connie received the academic award her freshman year and is active in her church youth group at St. Mary's. Connie plans to attend college here in Michigan. We are proud of Connie, her parents, and wish her the best in the future years!

Letter To The Editor

I attended the Planning Commission meeting on April 12, at the Village Hall. My reason for being there was the petition of Louis Ciotti, who is seeking to rezone approximately 24 acres from Agricultural use (AG) to Mobile Home Park (MHP). The property is located south of Gieske road, east of Hibbard street and at the easterly village limits. This would be in addition to the 16 acres already zoned (MHP) and would make room for a mobile home park with 185 trailers.

It is our opinion that a park of this size would be a burden on the property owners of the Village and surrounding Townships. Some of the issues are:

- 1) Increased school taxes - for more classrooms and teachers to handle the additional children that would live in this park.
- 2) Increased traffic on Main and Hibbard streets. This would mean major repair and reconstruction of these roads, not just patch jobs, also installation of sidewalks.
- 3) Sewer System - the Village soon will be upgrading the sewer system. Why improve a system then turn right around and put this system at a maximum capacity.
- 4) M-52 - This state road was surveyed to go through this property, if M-52 was to bypass the Village in the future. ENVIRONMENTAL ISSUES
- 5) Consumer Power lines - high voltage lines go through the middle of the property, that would be a potential hazard to anyone living in the park.
- 6) At the present garbage and discarded articles, materials from the Village are being hauled away by private contractor, or taken to the transfer site to be hauled away or burned at the site. This is right next to the proposed land to be rezoned. This transfer site

is also used by other Townships. This discarding of refuse may be a big problem for the community in the near future.

7) The Raisin River just south east of the sewer plant is on the DNR's list for being one of the most polluted in the state.

8) The developer is proposing to drill their own water wells, and not be dependent on the Village for a water source. For those who do not know, there is a buried land fill under the present transfer site, we all know the problems that land fills can be to water sources, just read the Ann Arbor News.

I hope that each planning commission and council member will carefully investigate these issues before making a decision. Lets all work toward a growth rate that everyone can handle, including the ones that will be paying the bills, and thats the present Village and Township property owners.

Thank you,
Jerry & Jone Waters

Obituary

**Goldie Lamb
Manchester**

Age 82, died Tuesday, April 12, 1988, at the Saline Community Hospital. She was born July 5, 1905 in Frozen, Kentucky, the daughter of Samuel and Ida (Risner) Brown. She was married to LeRoy Lamb on February 18, 1925. He preceded her in death on June 2, 1979. She had been an employee of the Ford Motor Company for 24 years retiring in 1967. She was a member of the Manchester United Methodist Church.

She is survived by a daughter and her husband, Irene and Victor Wurster of Manchester; 1 son and his wife, Eldon (Dorney) and Marilyn Lamb of Manchester; 1 daughter-in-law, Jeannette Schleede of Chelsea; 6 grandchildren; 4 great-grandchildren; 1

sister, Mary Shepherd of Kenton, Ohio; 4 brothers, Kendall Brown of Grass Lake, Knowlton Brown of Clinton, Samuel Brown of Manchester and Eugene Brown of Lake Placid, Florida; also several nieces and nephews.

She was preceded in death by a son Melvin in 1969 and an infant daughter Inez in 1927.

Funeral services were held Friday, April 15, 1988, at the Jenter Funeral Home. Rev. Hayden Carruth officiated. Burial followed in Oak Grove Cemetery. Memorial contributions may be made to the Manchester United Methodist Church.

Senior Citizens News

Nobody seemed to mind how I goofed up last week's article, so here I go again with one called "The Writes of Taxpayers". Almost every one of us had to write Uncle Sam by the fifteenth. This pesky typing machine of mine hasn't recovered from that deadline yet and keeps jumping and "going directly to line 15" or some dumb thing. The only way I've figured out to pacify it is to pile a bunch of old tax forms near it--the potential continuing tax work seems enough to make it behave itself. Hope nothing serious happens when I throw all the old forms into the fire. We'll see, I may have to do a gradual withdrawal caper to fool it.

There doesn't seem to be much left to say about taxes and the way our government is operating. We seniors are getting some of our taxes back to help with things like the Center and our transportation system. During these days of trying to balance budgets and cut government expenses, I often think of one of Will Roger's lines: "The trouble with cutting gov'ment expenses is that most of 'em votes".

Wednesday's monthly potluck has been cancelled so we can go to Lansing to participate in Senior Power Day. This annual event

THE MANCHESTER ENTERPRISE

USPS No. 327-460

The Manchester Enterprise was established in 1867 and is published each Thursday at 150 East Main St., MANCHESTER, Michigan, with second class postage paid at Manchester, Michigan 48158.
Edward E. Steele, Publisher Lenore A. Steele, Editor
POSTMASTER: Send Form 3972 To: Manchester Enterprise, 150 East Main St., Manchester, Michigan 48158.
DEADLINES: All Display Advertising and Pictures (Black & White ONLY) Are Due By 5 p.m. Every Monday For Same Week Publication. All Classified Advertising and News Articles Are Due By 10a.m. Every Tuesday For Same Week Publication.

keeps seniors from all around the state in touch with each other and their representatives in Lansing and gathers in-put to take care of our concerns. There will be time to see consumer exhibits, hear a keynote address by Dr. Arthur Flemming and cheer our own John Swainson as he receives a Senior Statesman Award. The bus will leave the Center at 7:00 a.m. so we can be there when things begin to happen at 8:30. We plan to be back here at 4:30. A box lunch (suggested \$2.00 donation) will be served at 12:30 at the Civic Auditorium to give us an opportunity to mingle informally with legislators and others involved with our Lansing programs.

Monday 10:00 a.m. the bus leaves for Aqua-cize and shopping in Michigan Center and Eastside Jackson. We combined these two activities last time and it worked great. So far the bus is not over-booked so call Howard 428-9233 if you want to go. Tuesday we have BBQ Meat Balls

for lunch and Joyce Meade, Outreach Coordinator for Senior Housing will speak. Thursday it is blood pressure at 11:00, Swiss Steak lunch followed by Bingo at the Center. 8:00 p.m. Card party at Freedom Town Hall--bus leaves center at 6:30. Friday we are trying to get a bus load to go to Washtenaw Community College for a Housing Fair for Seniors. Call Helen Knickerbocker, 428-7239 if you want to go. To complete a full week of activities the bus leaves Saturday at 5:30 for the Chelsea Travelog program on Alaska.

Chore Day is scheduled for Saturday, April 23rd, beginning at 8:30. Students from the MHS National Honor Society conduct this annual public service project. They help with spring chores--windows, lawns, etc. An appropriate way to thank them is with a donation to either their organization or the Seniors, though there is no requirement to pay. Call Rubena, 428-8655 to get on this list.

WE come to you... Mobile Service Anywhere in Washtenaw County.
MOST INSURANCE COMPANIES WILL PAY 100% OF REPAIR COST.

"German Day" For Manchester Girl Scouts

"Welcome to Germany" was the topic for Manchester's Girl Scouts on Thursday, April 7, from 3:30 to 5:00 at the high school. Their hosts were German Teacher Gisela Schmidt, an exchange teacher from West Germany, and high school science teacher Astrida Punched. Troops from Daisies, kindergarten age Scouts, up to Brownies and Juniors (through 6th grade) saw Frau Schmidt's slides of Germany, then took turns by troops at five different activities in rooms named for the German cities of Hamburg, Bonn, Berlin, Munich and Frankfurt. The cookies, made in the Home Economics room, were Haselnussmakronen, or hazelnut cookies. A German memory game matched German words with picture cards. Zuzwinkern was a German "Winking Game". Also the girls made German flags, and heard about famous artists, athletes, and some of the customs of Germany from Frau Schmidt. It was an interesting and informative afternoon, and very enjoyable. Lucile Bruner, our Troop Services Director, wore her blue checked German dress, red scarf and apron. Len and Lucile Bruner took a trip to Germany a

couple of years ago for Oktoberfest. Our girls have also chosen to represent Germany at the Girl Scout "Go For the Gold" Olympics on May 21.

School Hot Lunch Menu

Monday, April 25 - Juice, Submarine Sandwich, Potato Salad, Dill Pickles, Peach Half, Milk.
 Tuesday, April 26 - Crispy Fish Filet, Oven Brown Potatoes, Coleslaw, Dinner Roll/Butter, Molded Fruit Salad, Milk.
 Wednesday, April 27 - Deli Turkey Sandwich, Tator Tots, Carrot & Celery Stix, Pineapple Tidbits, Milk.
 Thursday, April 28 - Baked Chicken, Whipped Potatoes with Gravy, Buttered Green Beans, Bread & Butter, Pear Half, Milk.
 Friday, April 29 - Cheese & Sausage Pizza, Tossed Salad with Dressing, Butterscotch Pudding, Fresh Fruit, Milk.

Boys Track

Whitmore Lake Invitational: "The Great Depression", that's how the other teams felt after the meet on Saturday. While they were depressed, I was impressed with our results. Our boys brought home 20 medals! Brad Uphouse started out the barrage by placing 4th in the Long Jump (177-1/2). Then tied his personal record by jumping 5' 10 in the High Jump, good for 2nd place. Mike Stidham tossed the shot 40' 9-1/2 (personal record) for a 3rd place medal. Mike Brokaw electrified the crowd in the 100 Dash by just missing out on first place, and taking second place by a lean to the hometown favorite from Whitmore Lake. He also ran a personal record of 10.5. Then our relay teams went to work! There were 6 relay races and we won medals in 4 of them. Now, that's impressive! Our 2 mile relay of Nick Miller (2:10.0), Brian Weidmayer (2:13.9), Dan Young (2:19.3), Jamie Winzenz (2:15.0), placed 2nd. Our Sprint Medley team of Brad Uphouse, Mike Brokaw, Allan Carson, Dwayne Archibeque took another 2nd place. The 440 Relay of Uphouse, Carson, Brokaw and Archibeque came back only to be edged at the tape for another 2nd. 47.6 won it, and we were at 47.7. Then our freshmen and sophomores ran in a Freshman/Sophomore Relay to place 2nd for medals. The team consisted of Jon Uphouse, Matt Knul, Robbie Gonyer and Jamie Winzenz. Our Mile Relay of Miller, Brokaw, Archibeque and Brad Wilson placed 3rd just missing out on medals. Our final relay the Distance Medley team of Bud Ball, Mark Fenelon, Brian Weidmayer, Benji Winzenz placed 4th, no medals but, they still scored points for us.

"It truly was a fantastic day", Thanks guys!

Bridgewater Planning Commission

April 11, 1988

The meeting was called to order at 8 p.m. on April 11th, with the following Commissioners present: Gerald Marion, Mark Iwanicki, Vic Mann, Gabe Dull, Leonard Days, Louise Fraumann. The minutes were accepted as read.

OLD BUSINESS

We reviewed the Conditional Use Permits that are operative in the Township, with Karen Weidmayer, the Township Clerk, in attendance.

It was voted to hold a Public Hearing on Monday, May 9, 1988, at the Bridgewater Township Hall, at 8 p.m. to consider a request for a Conditional Use Permit for Poke-N-Plum Salvage, Boettner Road, Bridgewater, under C-1 "General Business", as requested by Philip Barr.

The request by Louis Valarde to operate a Heating, Sheet Metal, and Aluminum Products business on Michigan Avenue, was referred back to the Township Board for further information.

The following officers were elected for this year: Gabriel Dull, Chairman; Gerald Marion, Vice-Chairman; Louis Fraumann,

Secretary. The meeting was adjourned at 10:00 p.m.

Respectfully submitted, Louis Fraumann, Secretary

Elected Sorority Treasurer

Betsy Royle, daughter of Mr. and Mrs. Jeff Royle of Grass Lake, was recently elected Treasurer of the Alpha Gamma Chapter of Zeta Tau Alpha. She is a junior majoring in Materials and Metallurgical Engineering at the University of Michigan.

Zeta Tau Alpha fraternity is the third largest national and only international sorority, with more than 200 chapters in the United States and Canada and 108,000 active members.

Ms. Royle has previously served the 115 member chapter by holding the planning council office of social chairperson. She has also been active on campus, belonging to Alpha Phi Omega, a service fraternity.

The upper side of the Small Flounder, found in the Gulf of Mexico, imitates for camouflage purposes the appearance of the sand on which it rests.

To Perform At Kennedy Center

The Western Michigan University production of the musical "Quilters" was recently selected as one of seven college productions in the nation to be a winner of the American College Theatre Festival. Mrs. Beverly Smith, daughter of Mr. and Mrs. Reno Feldkamp is a member of the production company. She will be playing hammered dulcimer, banjo and guitar in the seven piece ensemble which accompanies the musical. "Quilters" details the lives of pioneer women as expressed through their handiwork: their quilts. The WMU production will be traveling to Washington D.C. this April 25 to 28 to present three performances at the Kennedy Center for the Arts. Two local performances have been scheduled at WMU's Shaw Theatre on April 22 and 23. Mrs. Smith currently resides near Vandalia, Michigan and is

currently employed with Constantine Public Schools as an Elementary Music Specialist.

Shakespeare Reading Club

On April 12th, the members of the Shakespeare Club went to the "Stockbridge Home" to visit with the patients at a "Tea". It is a cheerful clean "Home" with wonderful workers there to care for the patients. We ate lunch at the Christy's Schnitzelbank Restaurant in Stockbridge first. Our next meeting will be held on Tuesday, April 26th, at 2:00 p.m. at the Emanuel Church. Bonita Daisher has chosen "Unsung Heroes" for her topic.

Open House

An Open House honoring Annabelle Wright on her 80th birthday is being held on Saturday, April 30th, from 1 to 6 p.m. at the Sharon United Methodist Church, corner of M-52 and Pleasant Lake Road. The Open House is being given by her children, Bob and Mary Ellen Freeman, Bill and Joyce Merriman, Herb Wright and Larry and Ann Wright.

King's Daughters

King's Daughters will meet on Thursday, April 28th, at 1:00 p.m. at the Methodist Church.

Manchester Village Council Proceedings

Approved Minutes
April 4, 1988

The regular meeting of the Manchester Village Council was called to order at 7:00 p.m. by President Kallewaard with the Pledge of Allegiance. Present: Kallewaard, Tapping, Reinhart, Kwolek, Becktel, Harris, Marshall and Schaffer. Also present: Larry Woodward, Pat Parr, Mary Jaklevic, Glenn Burkhardt, D.E. Limpert, and Becky Doyle.

The minutes of the March 21st regular meeting and the March 28th special meeting were presented to Council for approval. Motion by Harris, supported by Becktel to approve the March 21st minutes as submitted. Ayes - all.

Motion by Becktel, supported by Harris to approve the minutes of the March 28th special meeting as written. Ayes - all.

APPROVAL OF THE AGENDA
Council asked to have Committee Reports and Glenn Burkhardt added to the Agenda. Motion by Becktel, supported by Harris, to approve the Agenda as amended. Ayes - all.

CORRESPONDENCE
The Clerk read a letter from the Downriver Cycling Club asking for the use of Carr Park on May 1st, from 8 a.m. to 5 p.m. Tapping offered the motion, supported by Reinhart to have the Clerk send a letter to the Downriver Cycling Club giving them permission to use Carr Park on May 1st, and to inform them it would not be exclusively for their use. Ayes - all.

PUBLIC PARTICIPATION
Pat Parr approached Council to

discuss the program "Walk With Your Doc" that will be held on May 14th, sponsored by Chelsea Community Hospital. Council asked the Clerk to work with Pat to coordinate the program.

TREASURERS REPORT
After some discussion Reinhart offered a motion, supported by Tapping to accept Treasurers Report as presented. Ayes - all.

Motion by Harris, supported by Becktel to transfer \$38,000.00 from General Highway cash savings to General Fund to pay the March payables, hand written checks and payroll. Ayes - all.

ACCOUNTS PAYABLE
Council reviewed the March payables. After some discussion Becktel offered a motion supported by Harris to pay the March payables in the amount of \$28,233.42. The Clerk was instructed to hold bills from Manchester Township, Mr. Clean, and Pear Spiering Eggan and Muskovitz for clarification. Roll Call Vote: Ayes - all.

DPW Report - Reinhart and Becktel discussed several items. The following action was taken. It was decided that the DPW committee would write a letter to Miss Dig asking for more information. Wiedmayer is to send letters to property owners on Macomb St. that still have lead lines offering them the opportunity to replace their lines when the street is dug up.

Becktel made the motion, supported by Harris, to allow Washtenaw County to set off the Tornado System and to use the Manchester Tornado System as a

backup system.

Motion by Reinhart, supported by Tapping, to have Lane Northern inspect the filters at a cost of \$700.00. Discussion followed. Roll Call Vote: Six - ayes. Marshall - no.

Motion by Tapping, supported by Kwolek to approve the bid from Layne Northern for \$2500.00 for rental, removal and installation of a porta-tower, based on a 2 week minimum. Bid will be adjusted according to rate schedule attached to bid. Roll Call Vote: Ayes - all.

Committee Reports - Ordinances - Kwolek presented Council with a revised fee schedule for consideration. Council decided to review the schedule before acting on it. Public Act 230 concerning the responsibilities of building inspectors was also brought to Councils attention.

Motion by Becktel, supported by Marshall to allow Kwolek to investigate Public Act 230 further. Ayes - all.

OLD BUSINESS
Dangerous Building Ordinance - Kwolek reported that the attorney suggested a couple changes on the ordinance that would warrant a public hearing.

Motion by Kwolek, supported by Marshall to schedule a public hearing for April 18th. Ayes - all.

Zoning Compliance and Non Compliance Procedures - Kwolek presented Council with new forms and an explanation of procedure. Discussion followed.

Motion by Becktel, supported by Tapping to adopt the new Compliance and Non-Compliance zoning forms and procedures which have already been reviewed by Planning Commission.

Cleaning Bill from Mr. Clean - Motion by Becktel, supported by Reinhart to have the Clerk send Mr. Steele a letter asking him to attend the next Council meeting

to discuss his cleaning bill. Ayes - all.

Risk Control Report - Council was presented with an update on what had been done on the Risk Control Report. Council asked for a report at each meeting until the list has been completed.

Glenn Burkhardt - Motion by Reinhart, supported by Kwolek to approve the following resolution. Resolution on file. Roll Call Vote: Ayes - all.

Burkhardt reported that he would be sending a letter to Clark Construction asking for a 30 day bid extension and that he would prepare the letter of notification to be sent to the DNR and other necessary agencies.

A lengthy discussion followed concerning the basement flooding during the storm on Easter Sunday. Burkhardt asked for written documentation on everything that happened on that day in order to evaluate the problem as accurately as possible. Burkhardt told Council that there would not be a charge for Engineering Services to fix the problem created by the recent work done.

Motion by Becktel, supported by Tapping to authorize Burkhardt to get bids on fixing the problems that were created by the recent work done with the understanding that McNamee, Porter & Seeley will not charge for its services on this project.

Roll Call Vote: Ayes - all.
NEW BUSINESS
Water Rates - Reinhart said he would contact Paul Stauder for more information concerning water rates.

Upgrading Sheriff's Communications - Marshall offered a motion, supported by Kwolek to allow the Sheriff's department to install a new antenna to update their communication system in Manchester. Ayes - all.

Mayor's Appointments - Kallewaard presented Council with the following appointments to Planning Commission: George Boone - 2 years; Mary Blossom - 1 year; Susan Gleason - 3 years; Edward E. Steele - 3 years; Re-appointment - Russ Smith - 3 years.

Motion by Becktel, supported by Kwolek, to accept the Mayor's Planning Commission appointments. Ayes - all.

Parks Commission - Council directed Kallewaard to pursue getting people to serve on a Parks Commission as stated in the Village Code Book.

ZBA - Set Back Variance - Galls - Council accepted Galls' application and sent it on to Planning Commission. A hearing will be set for May 2, 1988.

Motion by Marshall, supported by Kwolek, to adjourn at 9:45 p.m.

Constance M. Schaffer
Village Clerk

Approved Minutes
Special Meeting
April 13, 1988

The April 13, 1988 Special Council meeting was called to order at 7:39 p.m. by President Kallewaard. Present: Kallewaard, Tapping, Reinhart, Kwolek, Becktel, Marshall and Schaffer. Absent: Harris. Also present: Glenn Burkhardt.

Kallewaard asked Burkhardt to briefly review what work was done in Phase I sewer - storm water separation.

Burkhardt briefly reviewed the Reinhart and Steele property. Burkhardt stated that the Steele's problem would require interior plumbing changes and even with that he could not promise that the Steele's problem would be fixed. Burkhardt referred to a September 29, 1988, letter from McNamee, Porter & Seeley dealing with the Steele property.

Burkhardt presented Council with McNamee, Porter & Seeley's plans to provide additional wet weather relief capacity for the Riverside Pump Station and West side combined sewer area. The improvements would consist of the following items of work:

1. Construct an 18-inch overflow for the regulated sanitary sewer on Adrian Street near the

existing combined sewer overflow structure.

2. Construct a 24-inch relief sewer to reduce upstream surcharging near the Kirk Park combined sewer overflow on Clinton Street.
3. Install inlet restrictors on all catch basins tributary to the west side combined sewer area.

Burkhardt reported that these improvements were discussed with Mr. Steve Eldredge and verbal approval was received to proceed. An Act 98 construction permit would not be required according to Mr. Eldredge. Council requested that Burkhardt get that in writing.

A lengthy discussion followed. Burkhardt said that until you have a complete storm water separation you are going to have some basement flooding in severe wet weather events.

A verbal quotation of \$13,000.00 was obtained from Union Construction for the overflow and relief sewer work. It was suggested that the catch basin restrictions be directly obtained and installed by the Village DPW staff at an estimated cost of \$2,000.00. The \$13,000 is available from the \$760,000 bond issue account.

Motion by Tapping, supported by Becktel, to accept the

\$13,000.00 bid from Union Construction for work to provide additional wet weather relief capacity for the Riverside Pump Station and west side combined sewer area. Roll Call Vote: Ayes - all.

Motion by Reinhart, supported by Marshall to install 30 inlet restrictors on all catch basins tributary to the west side combined sewer area to provide additional wet weather relief capacity. Roll Call Vote: Ayes - all.

Council adjourned at 8:40 p.m.

Constance M. Schaffer,
Village Clerk

Freedom Township Board

Annual Meeting
Synopsis
March 26, 1988

The meeting was called to order at 1:00 p.m. at the Freedom Township with 4 board members and 8 electors present. The Secretaries report was approved as read. Treasurer presented financial statement, approved.

Ann Fowler, Treasurer of Manchester Township Library Board, presented need for increase in funds. After discussion, approval was given for increase from \$10.00 per family using the library to \$12.50 per family for 1988.

Approved donation to McKune Memorial Library in Chelsea of \$120.00. Support for Chelsea Recreation program was defeated. Approved Citizens Trust of Saline as depository. Approved Kuesch & Flintoft as Attorney.

Meeting dates for Regular Meeting of the Township Board will again be the second Tuesday of each month at 7:30 p.m.

Motion was passed to have one evening Board of Review meeting in 1989. Approved having Annual Meeting date printed on rate card which is sent out with tax statement.

The Budget for 1988-89 was presented and adopted with \$146,562.56 in the General Fund. Meeting was adjourned at 2:45

American Legion Auxiliary

The American Legion Auxiliary met on April 13, 1988 with 18-members present. We have not reached our membership quota of 98 paid members.

The Auxiliary hosted an afternoon Bingo Party at the Ann Arbor V.A. Hospital on March 13, 1988. Refreshments consisted of Sloppy Joe's, fresh fruit, milk, coffee and apple cider which was donated by Alber's Orchard. Bingo prizes were coupon books which could be used for the purchase of items at the V.A. Commissary.

Poppies have been ordered and received. The Auxiliary will be selling poppies in Manchester on May 20, 1988.

Information has been received regarding the forthcoming nationwide celebration of the National Constitution, with the emphasis being on upholding the Constitution of the United States of America.

Our next meeting will be May 11th. Refreshment Committee will be Donna Burnison, Doris Carson and Hattie Carson.

6 important facts about wheel alignment

1. Extend tire life
It's happened to almost everyone: buy a set of tires, and before long one or two tires are wearing out before the others. On today's cars, this applies to the rear tires as well as the front tires. The most common cause of unusual tire wear is improper alignment. Over the years, a properly aligned vehicle can save hundreds of dollars in tire wear.
2. Spot problems early
A suspension system inspection is an inherent part of the wheel alignment operation. This gives the mechanic a chance to spot worn parts that would affect vehicle alignment. It also gives him an opportunity to spot small problems before they become big, costly ones.
3. Ensure safe driving
A periodic four wheel alignment makes sure your car handles properly and, more importantly, provides an opportunity for inspecting the suspension system for defective parts. In some ways, the safe driving aspect may be the most important benefit of wheel alignment.
4. Stretch fuel mileage
Fuel mileage increases as rolling resistance decreases. Proper wheel alignment sets all four wheels parallel which, in turn, assures minimum rolling resistance. This plus proper tire inflation provide top efficiency for maximum mileage.
5. Improve handling
Does your car pull to one side, does the steering wheel vibrate, do you have to constantly move the steering wheel to keep your car traveling straight ahead? These and other handling problems can generally be corrected by four wheel alignment.
6. Get a better ride
Proper alignment helps the front and rear suspension systems do their job. With all the system components in proper relation, road shock is efficiently absorbed, so the vehicle is more stable, and you get a smoother ride.

Manchester Township Fire Department

Take A Moment This Spring To Appreciate State's Fine Farmers

By Holly Porter

The first of spring is a special time for area farmers. It is a time of renewal and rekindling of spirit. It is also a time to honor America's providers - the 20 percent of the nation's work force who produce, market, transport and sell food and fiber.

We're proud that Michigan ranks among the top 10 states in numbers of agriculturally related jobs in food and fiber. The industry generates \$15 billion each year into our state economy. In 1985, there were 63,000 farmers in our state farming 11.4 million acres. That's an average of 181 acres per farm. With the help of modern technology, each farmer is able to produce food for himself and 113 other people, and does it on less land than ever before.

According to the U.S. Department of Agriculture, 40 jobs are created for every million dollars farmers spend for machinery and equipment. For farm machinery alone, Michigan farmers spent approximately \$366 million in recent years. This means that our farmers in Michigan created 14,640 jobs for factory workers. This does not include the 53 finished tons of food that the average farm worker produces and the more than five non-farm jobs created for people who process, transport and merchan-

dise the crop. Nearly 25 percent of America's labor force is involved in the food industry.

To give you an idea of how diverse Michigan agriculture is, let's take a "tour" of the state. We can begin with the west side, where more blueberries, bedding plants and red tart cherries are produced than anywhere else in the nation. Cucumbers, apples, asparagus, milk and many other crops are found plenty along the Lake Michigan shore.

The agriculture industry in the Upper Peninsula is an important factor in our state's economy. More than 2,250 farms produce corn, wheat, oats, dry beans, barley, potatoes, cattle, hogs, poultry and sheep.

In the northern and many other areas of our state, 700 farmers make Christmas tree production a year-round business. Michigan is the nation's largest grower of plantation Christmas trees. Those 700 farmers shipped almost four million trees in 1984. Some of them were shipped to Hawaii.

Traveling to the east and southern part of Michigan, we find more navy beans produced than anywhere in the country. Sugarbeets, potatoes, mushrooms, onion, carrots, corn, mint, pork, strawberries, soybeans, milk and turkeys are also produced.

In the Ann Arbor area, we produce a variety of commodities

such as corn, oats, soybeans, wheat, hay, beef and dairy cattle, hogs, poultry, sheep, horses, apples, strawberries and honey.

There are dozens of other crops grown in Michigan. Our state ranks only behind California in the diversity of crops grown.

I invite you to take your own tour of Michigan agriculture while you enjoy the beauty of this great state.

Yes, we have cause to celebrate our industry, and yes, we should be proud of the variety and abundance of food and fiber right here from our own soil.

When someone says, "I'm a farmer," think of the large network of manufacturing, sales, advertising and transportation that is created when that farmer harvests his crop. Farmers are good at what they do and proud to produce food for our state and nation.

AG Group Oppose Pesticide Law Amendment

The Farm Bureau and nine other agricultural groups have joined together in opposition to two amendments, offered by Senate Agriculture Committee Chairperson Patrick Leahy, to the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). In a joint letter to the committee, the groups said that while passage of FIFRA amendments is important to agriculture, those amendments should "strike a balance between protecting health and environment and maintaining a viable agricultural industry."

One of Leahy's amendments establishes a citizen suits provision which would provide environmental groups the opportunity to sue the Environmental Protection Agency for missing deadlines or failing to act. The other amendment would require

farmers to keep records for an undetermined period of time on pesticides used, the specific location, amount used and the time they were used.

"We urged the committee to oppose any amendment establishing a citizens suit provision in FIFRA," said Al Almy, director of public affairs for the Michigan Farm Bureau. "Unlike most other environmental statutes, FIFRA regulates a diverse group of people, including farmers, homeowners, dealers, hospitals, manufacturers and government agencies. Such a provision would interfere with the statutorily mandated enforcement authority under FIFRA, and would encourage and harassment that would unduly disrupt the administration of FIFRA."

"We told the committee that we also oppose any amendment to mandate pesticide record keeping requirements upon farmers, by agriculture, environmental and industry groups in 1986 made a number of changes to the record keeping provisions, but maintained the prohibition against record keeping by private applicators," Almy said. "That legislation passed the House unanimously. There is no justification for either of these provisions, and they jeopardize the chances for a bill supported by agriculture."

Manchester Township Board Meeting

Proposed Synopsis
April 11, 1988

Meeting opened with the Pledge of Allegiance with Board members Fielder, Lentz, Uphouse and Macomber in attendance. Widmayer entered at 8:05 p.m. Also present Robert Goss.

Minutes approved as submitted. List of bills paid since last month presented.

Treasurer announced \$8,944.71

in the General Fund.

Approved payment of General Fund and Special Housing bills.

Resolution adopted to hire Robert Goss as self-employed assessor for the fiscal year July 1, 1988, through June 30, 1989.

Amended General Fund by formal Resolution.

Approved payment of Assessing Card bill.

Supervisor brought the Board up to date on the franchise with Consumers Power.

Accepted proposal from Post, Smythe, Lutz and Ziel to perform audit as of June 30, 1988, and preparation of F-65-Mi. Annual Local Fiscal Report.

Various correspondence presented.

Various reports given.

Approved P.A. #116 for Richard C. Wolff and Eunice M. Wolff in Section 4.

Meeting adjourned at 9:16 p.m.

Submitted by, Wilma E. Lentz, Clerk

Approved by, Clarence L. Fielder, Supervisor.

Turner Geriatric Clinic

The University of Michigan Medical Center's Turner Geriatric Clinic is presenting Ms. Constance Spak, U.M.H. Dept. of Otorhinolaryngology on April 28th from 1:00 p.m. to 3:00 p.m. in the Turner Clinic conference room.

Ms. Spak will speak about cochlear implants, which are a new development in restoring hearing and in hearing impaired people. All are welcome, no registration is required.

Want Ads Get Results

I feel compelled to write this letter to you, the Manchester community. As you know, Jim was diagnosed with leukemia, after having only a mild stomachache for several days, on January 21, 1988, and died on March 17, 1988. During those 55 horrendous days, this community - and I truly mean all of Manchester - rallied to our support in ways which are still very difficult for me to describe.

During all those weeks, and even now, the support from Bethel Church and Pastor Reineck, has been our stronghold - the cards, food and especially everyone's prayers will never be forgotten by me or our family.

What surprised us, was not just the wonderful support we received from our Church, but the support and prayers that were given by so many of the other Churches of Manchester. The requests for blood donors, announcements regarding Jim's condition, and all the special prayers will always be remembered.

Klager School, Janice Little, Yvonne Henry and Bill Kindt deserve extra recognition for their concern for my second grade son, Mikey. Their compassion for my son's situation was far beyond their "professional duty." I know that their caring - and that of all the Klager Staff - has helped my son enormously in facing one of the most painful experiences a child must endure.

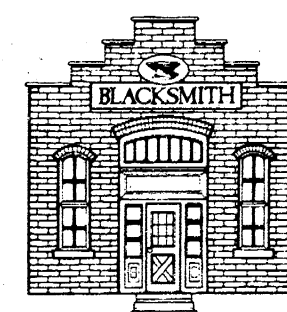

The Manchester business community also deserves my special thanks for many favors done for us. Small favors, like coming to the hospital to cut Jim's hair or offering to deliver prescriptions, meant so much to us, as well as all the special kindnesses shown to me by Jenters.

Throughout all of this I have also had the support of several very special people who spent days at the hospital with me, came late at night or early in the morning, took care of my two children with loving hearts, and most of all let me ramble on when I am not certain that I was even making much sense. To the Goulds, Kueblers, Manns, Moons, Diane Pietrowski, Porters, Reeds, and the Turks I give my most special thanks.

When Jim and I moved here ten years ago we worried if we as "new city people" would be able to become a real part of this community. Never did we think, that not only would we become a part of Manchester, but that Manchester would become such an important part of our lives.

Words are simply inadequate to express my appreciation to all of you. But I want you all to know how much everything meant to Jim and I - if Jim were here I know he would find the right words - without his help, all I can say is THANK YOU.

Phyllis Meranuck

Manchester Area Historical Society

The Manchester Area Historical Society met on Monday, April 18, at the Blacksmith Shop. Professor Emerita Helen Hill of Eastern Michigan University presented a very interesting program on 19th century sea-faring. Her grandfather, Edward Baker, was born in 1831 and went to sea when he was 16. He kept a journal from the time he was 14 years old. He sailed all over the world and kept well-written journals that vividly describe everything that happened.

On one trip back to the United States they ran into one storm after another. Off the coast of Massachusetts, they ran into a blinding snow storm. It was bitter cold and the salt water froze on contact. They chipped 6 inches of ice off the deck and broke ice off the ropes in order to raise and lower the sails. Several sails tore to pieces in the gale - the ship was finally blown ashore.

When they sailed to Liverpool, they took turpentine, tar, beeswax, oil, sperm oil, pork, bones, horn tips, shoe pegs and log wood. They brought back yellow metal, chain cables, iron and steel. Sometimes they took only ballast and, from Smyrna, brought back figs, raisens, dye stuff and opium.

Captain Baker had three close calls during his sailing career. In those days, shipwrecks were not uncommon.

Freestyle Wrestlers

15-16 year old Freestyle Wrestlers wrestled at the meet in Leslie on April 1st. Two boys from Manchester were triumphant. Jason Woods at 105 pounds earned a 3rd place bronze medal. Isreal Clouse at 126 pounds was awarded a 3rd place bronze medal.

13-14 year old Freestyle Wrestlers wrestled at the High School in Dexter for the 1988 District Championships. Matt Wiethoff at 85 pounds brought home a 3rd place bronze medal. Ryan Steele at 90 pounds was awarded a 4th place medal. Steven Duval at 110 pounds earned a 2nd place silver medal. Stacey Clouse at 110 pounds placed 3rd for a bronze medal. The top four Freestyle Wrestlers in each weight group qualified for Regional Competition.

Regionals were held Saturday, April 16th, at Portage Central High School. The air was heavy with excitement. Six wrestlers from Manchester would know before the day was over whether any of them would wrestle at the State Freestyle Championships next week. The competition was as tough as everyone had anticipated. The first five placers in each weight group qualified to continue on to the State Finals.

Chris Wiethoff, at 112 pounds, 3rd place bronze medal. Jason Woods at 103.5 pounds, 3rd place bronze medal. Isreal Clouse at 132 pounds, 3rd place bronze medal. Congratulations, these three wrestlers will wrestle in Grand Rapids on Friday, April 22nd, at the State Freestyle Championship. Great going wrestlers!

On April 9th and 10th the Amateur Athletic Union Freestyle State Championship meet was at Eastern Michigan University. Jason Woods at 105 pounds took a 2nd place silver medal. Isreal Clouse and Stacey Clouse also wrestled at this meet and all three are qualifiers for the Region VI Championships, June 18-21st at Eastern Michigan University in Ypsilanti and also for the Junior Olympic Games in Lawrence, Kansas.

These three have had an excellent season this year and good luck at the National AAU Tournament.

Girls Track Wins 13 Medals

On Saturday, April 16th, the Girls' Track Team competed in the Whitmore Lake Invitational. Despite cold temperatures the team did extremely well. Lynette Wright was a big winner in receiving four medals: Shotput 28' 2-1/2" (3rd place), Long Jump 13' (4th place), and she ran the third leg of both the Sprint Medley 2:04.66 (1st place) and the 440 Yd Relay 55.89 (2nd place). Running in the Sprint Medley and 440 Relay, with Wright, were Amy Major, Laura Meister, and Stacey Wilde. This relay team ran two great races. Jennifer Faulhaber threw 80' 11 in the discus for a 3rd place medal and personal best. Stacey Wilde, besides her medals in the relays, won a 3rd place medal for hitting 4' 8 in the high jump, also a personal best. Rachael Arney placed fourth in the 2 mile run with a time of 14:29. The team competed very well.

The next meet is Thursday, April 21st with Hanover-Horton at Manchester at 4:30 p.m. and Saturday, April 23rd is the Girl's Invitational at Grass Lake at 10:00 a.m.

Financial and Bills Payable reports were read and approved. Cash balance on hand as of 3-31-88, was \$2,379,441.86. Bills to be paid in the amount of \$332,847.66.

Discussion Items: Report: Growing Up Program - the Board approved the continuation of the fourth grade Reproduction Health Curriculum Program.

Athletic Winter Report: Mr. Strieter, Athletic Director, submitted in detail the Winter Report.

Mrs. Betty Dalton's request for a leave of absence for the 1988-89

school year was approved. Coaching appointments were recommended and approved for the fall and winter season of 1988-89. Head Football - Jim Fielder; Varsity Assistant Football - Wes Gall; Jr. Varsity Football - Dick Fielder, Curt Fielder; Middle School 7th grade Football - Brian Schick; Varsity Girls Basketball - Lyndon Lewis; Jr. Varsity Girls Basketball - Mark Ball; Middle School Girls 8th grade Basketball - Kathy Rose; Golf Coach - Dick Parsons; High School Cheerleading - Helen Nickerson; Middle School Cheerleading - Karen McGuire; Varsity Boys Basketball - Curt Fielder; Middle School Boys Basketball 8 grade - Wes Gall; Middle School Boys 7th grade Basketball - Jim Fielder; Head Varsity Wrestling - Dan Jordan; Jr. Varsity Volleyball - Ken Haight; Middle School Volleyball 8th grade - Gay Perry; Track - Nancy Kruse.

Tenure recommendations approved: Margaret Hurbis, Pamela McClure, Mary Noshish.

Continuing second year probationary status approved: Joni DeBall; Vivian Patten; Lisa Schreuerman; David Swanson; Beth Ann Robertson.

Contract extension - Social Worker - William Kindt.

Resolution setting matters to be voted upon at the annual election on Monday, June 13, 1988, was approved. Proposition

(1) a renewal of 4.8 mills for operating purposes for a period of three years. Proposition (11) a renewal of 1.5 mills for Maintenance repair and renovation of

school facilities for a period of five years. Proposition (111) additional millage of 1.2 mills for operating purposes for three years. Also included in the resolution: the following persons have been nominated to fill (2) vacancies to the Board of Education for full terms of (4) years ending in 1992: Anne Marie Gordon, Jan Imonti, and James W. Samonek.

Board Secretary approved the election duties to Superintendent Niedzwiecki and Administrative Assistant Jan Lillie.

Board authorized signatures for borrowing. Mr. Gaughan volunteered to become a member of the AIDS Curriculum Committee representing the Board.

Special Board Meeting - Re: Superintendent's Evaluation and Administrators contract extensions, to be held on Monday, April 25, in the High School Library.

Board adjourned at 9:50 p.m.

Anhydrous Ammonia

The U.S. Department of Transportation has extended, until May 2, the public comment period on a proposal to reclassify anhydrous ammonia from a non-flammable to a poisonous gas. According to Robert Craig, Michigan Farm Bureau economist, the delay is good news for farmers.

"The extension indicates that the U.S. Department of Transportation is willing to work with us and give us every chance possible to explain the detrimental affect this proposal would

have on American agriculture," Craig said. "We've been working to prevent the reclassification because it would cost agriculture millions of dollars and could result in the loss of availability of a widely used and economically efficient fertilizer."

Farm Bureau has recommended reclassifying anhydrous ammonia as a corrosive gas rather than a poisonous gas. "This would make the U.S. classification identical to that adopted by Canada, our largest trading partner in anhydrous ammonia," Craig said.

DIAL - A - GARDEN

The following is a monthly schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. The system is in operation 24 hours a day, 7 days a week. Interested persons are invited to call 971-1129 at their convenience to listen to timely, up-to-date gardening information.

Thursday, April 21 - IPM-What Is It?

Friday, April 22 - Selecting Orchard Pesticides.

Monday, April 25 - Anthracnose of Shade Trees.

Tuesday, April 26 - Planting Potted Trees and Shurbs.

Wednesday, April 27 - IPM Techniques.

The first labor organization in the United States was formed by the Boston shoemakers and barrel-makers in 1648.

Tornado Alert System

When a Tornado has been cited in the area, Washtenaw County will set off the Torando Alert System which will be a 3 to 5 minute siren - residents should take cover immediately. An all clear signal will not be used - Civil Defense recommends that citizens tune to a local radio station (WAAM 1600) for an "all clear".

The Manchester Woolen Mills

Manchester Enterprise
June 24, 1969

This establishment under the control of Messrs. Porter and Jaynes is fast gaining in strength as to capacity, and the quality of goods manufactured can not be surpassed in any mills. These mills employ twelve hands and is now running three looms, and are turning out thirty yards of cloth to the loom per day. They expect to start another loom in a few days, and will turn out 100 yards of cloth per day, (including stopping). They are now filling a contract for some large firm in Chicago, to the amount of 8,000 yards; and we understand that they have another contract to fill in the shortest time possible; This establishment is also running two sets of custom cards and two manufacturing cards, also a spinning jack with 198 spindles and other necessary machinery of the latest improvements. The mills are run chiefly by water power, but they have a large

Two Arrested In Local Theft

by Becky Doyle

A lengthy chase by Washtenaw County Sheriff deputies last Thursday morning culminated in the arrest of two suspects who may have been involved in several other area burglaries, according to the Sheriff's Department.

Michael W. Smith and James L. McAleer, both from the Detroit area, were arrested after abandoning the vehicle they had stolen from a Sharon Township home. Officers called in a police helicopter, a fleet of cars and used all-terrain vehicles in the chase which spanned two townships.

The pair offered no resistance when confronted at gunpoint by the officers.

Manchester has been the target of several break-ins in recent months. It is expected that the arrest of the two will clear up most of them.

Officer Bob Wenk, who was on duty during the chase, said later that the two probably thought the rural area would be an easy target.

"It's unfortunate (that) so many people (who live in rural areas) are so complacent. We leave our doors unlocked, our garages open."

When asked what steps could be taken to prevent future theft in the area, Wenk referred to the Department's Crime Prevention Unit. The unit is available for on site seminars in prevention of burglary and theft to groups who wish the service.

Local Doctors Walk For Fun

On Saturday, May 14, 1988, Chelsea Community Hospital and physicians from the surrounding communities will participate in a community fun walk entitled, "Walk-With-Your-Doc". This is a national event being held in over one-hundred and seventy communities across the country on that day. This event brings physicians, the Hospital and the community together to promote the health benefits of walking.

"Very simply, walking is the safest, most healthy aerobic exercise we can do to keep fit. And for overweight or sedentary people, it's the first, most basic step to cardiovascular health. Besides, walking is fun, social and inexpensive. You need only loose comfortable clothes and a good pair of shoes. The Walk-With-Your-Doc fun walk is the perfect opportunity to get out with family, friends and your personal physician to enjoy a healthful activity."

Walks will be held in Chelsea, Dexter, Manchester, Stockbridge and Grass Lake. In Manchester, some of the physicians who will be participating include Evelyn Eccles, M.D. and Virginia Johnson, M.D., Family Practitioners, Manchester Medical Clinic.

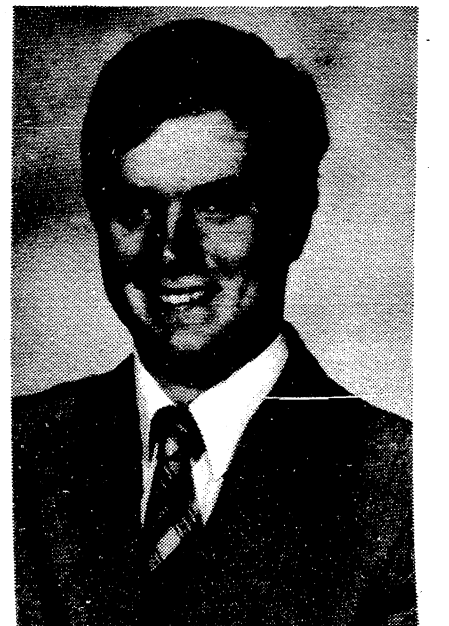

The Walk will begin at 10:00

Two High School Students Receive State FFA Degrees

John D. Cousino

John N. Marhle

The State FFA Degree, the highest degree of achievement in the Michigan FFA Association, was presented March 25th to 171 outstanding members. The presentation was made during the 60th Annual State Convention of the Future Farmers of America on the campus of Michigan State University.

The 171 FFA members awarded the degree this year represent the best of almost 6,000 members enrolled in Michigan vocational agriculture. Students receive the degree in either production agriculture or agribusiness.

FFA members begin as "greenhands" and after one year of membership may advance to the degree of "Chapter Farmer." The State FFA Degree, presented by the State Association, is limited to the top three percent of the State's membership.

Manchester FFA members, John N. Marhle and John D. Cousino were two of the 171 honored with the degree. They both received a certificate and a State FFA Degree charm.

The last day to register in order to be eligible to vote at the annual school election is Monday, May 16, 1988.

Bicycle Safety Day, April 30th

On April 30th, the Manchester Optimists Club will sponsor a Bicycle Safety Day at the Emanuel United Church of Christ.

Area children are invited to attend. There is no charge. There will be a number of antique and classic bicycles on display. Registration begins at 10:00 a.m. The first 50 registrants will receive a free Schwinn water bottle. There will also be the opportunity for one lucky youngster to win a new bicycle donated by Kleinschmidts Hardware Store.

During his four years at Manchester, John was involved with the annual plowdown, attended the National Convention in Kansas City two years and the State Convention five years. He helped to plan the Chapter

Banquet as well as participating in various leadership contests. He served the office of Chapter Reporter for two years.

John Norman Marhle, son of Melvin and Lorraine Marhle of 11475 E. Austin, Manchester, received his degree in agribusiness placement. John presently works at the Neil Weidmayer Dairy Farm while attending Washtenaw Community College pursuing a degree in Mechanical Engineering.

During John's four years of involvement in the vocational agriculture program at the Manchester FFA Chapter, he has been placed on the Porter Farm and Weidmayer Farm while serving as a seed dealer for Rupp Seeds.

Marhle was involved in the annual plowdown and served on various FFA committees. He was also active in the community raising six lambs and two steers to enter in the Manchester Fair, he also helped four years at the Chicken Broil. John's future plans are to finish college and own a farm or ranch.

Congratulations to both for a job well done.

Lend-A-Hand

This year we in the Manchester area celebrate the 150th Anniversary of the Manchester Township Library, the oldest township library in the State of Michigan.

On Tuesday, May 10th, at 7:30 p.m., there will be a community meeting held at the Blacksmith Shop to make plans for the rest of this "year of celebration." ALL ARE INVITED TO ATTEND.

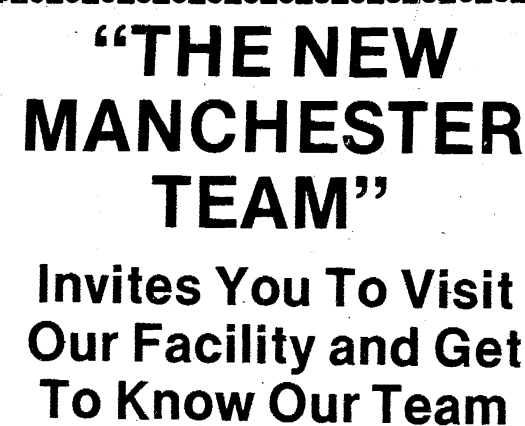

Those who have already offered their names as members of the 150 Committee and the Friends of the Library are especially urged
