College-Bound? Apply For Federal Financial Aid Before It's Too Late

advantage of the borrower. Under the GSL program, first- and second-year undergraduate students can borrow up to \$2,625 per year, while third-, fourth- and fifth-year students can borrow up to \$4,000 per year. The actual loan amount, however, will be reduced by loan origination fees you must pay the lender. Eligibility for a GSL is based on "remaining need," which is the amount remaining when you subtract the sum of your estimated family contribution and any other aid (such as a scholarship or VA benefits) from the cost of attendance at your school.

Parent Loans to Undergraduate Students (PLUS) and Supplemental Loans to Students (SLS) provide two other ways to reduce or eliminate remaining need. Both programs allow you to borrow up to \$4,000 per academic year to a maximum of \$20,000. To determine the maximum loan amount for which you are eligible, simply subtract the amount of aid received from all sources from the cost of attendance. Unlike GSL loans, the repayment of interest and principal on PLUS and SLS loans begins 60 days after the loan is released. If the lender agrees, students may be able to defer repayment while enrolled full-time. Interest rates are adjusted annually and are currently calculated on the basis of the 91-day Treasury bill rate plus 3.75 percentage points, with a cap of 12 percent. The repayment period ranges from five to 10 years.

Pell Grants range from \$200 to \$2,500 and are designed specifically for students who demonstrate financial need. Unlike a loan, an award under the Pell program does not have to be repaid. Eligibility for a Pell Grant is based on your Student Aid Index.

If you plan to enter college next year, you already know that a college education is far from cheap. Four years at an Ivy League school easily adds up to \$80,000 of debt; even four years at a reasonably priced state school can put you \$25,000 in the red. According to the Michigan Association of CPAs, the best solution for meeting the skyrocketing costs of a college education is long-term financial planning. But if you're scrambling to gather funds for the fall semester right now, one possible solution may be a federal financial aid program.

Federal financial aid offers students loans, grants and jobs to help defray college expenses. If you think you may qualify for federal financial aid and have not already applied for the fall semester, you should do so immediately. The federal government began accepting applications in January and, if past years are a good example, funds may be depleted well before the fiscal year expires at the end of September.

Of the six federally subsidized financial aid programs, five require a needs test for eligibility. Don't let the word "needs" scare you off. Because of the calculations used to determine need, a family whose income is substantial may very well qualify while another with average income may not. To determine your ability to contribute to college costs, you will have to submit a financial aid

Leaves of Three: Leave Them Be

Poison ivy and poison oak are not actually poisonous, but that doesn't mean they're harmless. More than 60 percent of the U.S. population is allergic to poison ivy and poison oak. These plants are not poisonous, but they are coated with an invisible oil that can give people a blistering and itchy rash.

Contact with the oil occurs by touching the plants, by touching animals, clothing or tools that have been brushed by the plant or by coming in contact with the smoke from burning plants.

TEL-MED, a public service offering free tape health information over the phone, has a new tape dealing with poison oak and ivy - tape No. 568. This tape offers information on how to prevent coming in contact with the plant, on what you can do to try to avoid a rash if you do come in contact with it and how to treat the rash if it does appear.

To listen to tape No. 568 or any of the 296 TEL-MED tapes, call 688-1551 from the Ann Arbor/Western Washtenaw County area. Hours of operation are Monday through Friday, 9 a.m. to 9 p.m., and Saturdays, noon to 8 p.m.

Federal surplus foods will be distributed in the Manchester area Friday, May 20, at the Manchester United Methodist Church from 9 a.m. to 2 p.m. The longer hours are available because of the "Low-income Spring Shop" which will be open at those hours also.

Teacher Of The Year

Gary Davis, President of the Manchester Board of Education, presents Nancy Kruse with her "Teacher of the Year" award.

The Manchester Board of Education recently honored Nancy Kruse as the 1987-88 "Teacher of the Year". Nancy is a high school Language Arts teacher and has been teaching in Manchester for the past three years. She has been recognized as an excellent classroom teacher developing positive relationships with students. Nancy is innovative, very energetic, and maintains high expectations of her students.

The high school principal, Rod Morrison, also credits Nancy for developing an excellent fine arts program. "Her play productions have been tremendous. She has the ability to bring out the best performance of her actors. She demonstrates enthusiasm and commitment to the students of Manchester High School."

All-American Buckle-Up Week, May 22nd-28th

In support of the All American Buckle-Up Week, a nationwide campaign to encourage seat belt use, the Washtenaw County Criminal Justice Association is supporting a County wide occupant restraint enforcement effort.

According to the 1987 Michigan Governor's Conference of Traffic Safety, "The single-most effective means of saving lives and reducing injuries resulting from traffic crashes is restraint use. Virtually every study conducted on safety belts indicates that their use saves lives and reduces serious injuries."

In 1987 seat belts are credited with saving 1300 lives nationwide. Since the enactment of the seat belt law July 1, 1985, Washtenaw County has consistently led the state in compliance. Currently Washtenaw County is at an all-time high with 72% of all front seat passengers buckling up. While Washtenaw County compliance rate is above average, over 85% of those who died in passenger car crashes were not wearing seat belts.

The Criminal Justice Association and the Buckle Up Steering Committee of Washtenaw County are initiating a unified enforcement effort to encourage "ALL" motorists to buckle up every time they get into a car. During All American Buckle-Up Week, May 22-28, officers from all law enforcement agencies in Washtenaw County will make a special effort to issue violations to all unbelted or improperly belted motorists. Numerous officers will be assigned to traffic enforcement with a directive to pay particular attention to seat belt violators for the 24-hour period of Thursday, May 26.

Remember, BUCKLE UP. It is a law we can live with.

Memorial Day Parade May 30

The Memorial Day Parade will form at the American Legion Hall at 11:30 a.m., May 31. Ceremonies will be held at the Main Street Bridge at 12 Noon. All members of the American Legion and their families are invited to a dinner following the parade. Please bring a dish to pass and table service. Meat will be furnished.

Canoe Race June 12th

Canoe enthusiasts don't despair. May is slipping away but the Manchester Amateur Canoe Race will still occur this year on Sunday, June 12th. You didn't miss it! It is late this year due to a change of sponsors.

Thanks to the Manchester Area Chamber of Commerce we can look forward to another fun-filled Sunday for all participants and spectators.

The race will start at 1:00 p.m. on Sunday, June 12th. The starting line is at Fellow's Bridge on Sharon Valley Road, one mile east of Sharon Hollow Road and two miles west of M-52. The finish line is at the Main Street Bridge in downtown Manchester.

There will be four classifications: (1) Women's Canoe Open Partner; (2) Open Canoe Choose Partner; (3) Man and Woman Canoe; (4) Adult and Child Canoe. The entry fee for the race is \$5.00 per person. No fee is required for children 12 and under. Entry forms and rules are available at Manchester Chiropractic Clinic, 227 E. Main St.; Krauss Pharmacy, 128 E. Main St.; Pyramid Office Supply, 112 Adrian St.; or by calling 313-428-8088 between 9:00 a.m. and 9:00 p.m.

Trophies will be awarded for 1st, 2nd and 3rd place in each class.

The Chamber of Commerce has taken on the responsibility of sponsoring the canoe race in hopes of continuing a well established tradition which is enjoyed by many enthusiastic supporters.

Editor's Comment

STRIKE - This country is now turned topsy-turvy on account of the greatest strike this world ever knew. The railroad men everywhere seem determined to have their wages advanced or kept at the old figures, while the companies maintain that times will not justify it. Business seems at a stand on account of it, and the end is not near yet. It is our opinion, however, that the strikers will fail in their demands, and either return to work or step aside quietly and allow others to take their places. The riots are provoked by tramps and disorderly people, more than by the railroad men.

REGARDING CIRCULATION

No reasonable, thoughtful man would expect a newspaper, published in a village of between 1,000 and 2,000 inhabitants to have a very extended circulation. Village newspapers are calculated only to supply the demands for local news, leaving the political and social topics of the day to be discussed by the more able and expensive city contemporaries. A village newspaper that circulates in nearly every house in the township and in a few neighboring towns every week, is more thoroughly read, and if it being a well-written sheet, is generally better appreciated better than any other paper that comes into the house. The circulation of a paper depends very much on the location of the place in which it is printed. Detroit papers, for instance printed in the largest city in the State, with every facility for obtaining telegraphic news from all quarters, have large country circulation especially in the weeklies. Papers printed at a county seat are supposed to publish matters of importance regarding the management of the county affairs, as well as the news from the various townships, in advance of other papers, so naturally we want to take "the county papers." The village newspaper devotes its columns to the "local news" of the town, tells what Case paid Brown for his hogs, and who raised the largest crop of corn, etc., compliments John upon the addition to his family; gives the newly wedded couple a good "send-off," wishes them heaps of joy and a long life. By kind words it soothes the bereaved who have lost a dear friend; speaks in praise of their many virtues and commends them to the tender mercies of a kind Providence. Then there is the village and township; the schools, churches, societies, etc., all come in for their share to timely notice in its columns. All these are interesting to the citizens of the village and the farmers who come to town to do

Klager Elementary School Sign Dedicated

Mrs. Janice Little told the students how proud and happy her father, Luther C. Klager, would be of the sign. He loved children very much and enjoyed being with them.

Mr. Luther C. Klager was the Manchester School Board President in 1968 when the elementary school was built.

Boys and girls released hundreds of balloons on Friday, April 22, to dedicate Klager's new sign. The new sign was designed and purchased by the Manchester PTO. The logo is of three children in the primary colors, appropriate for an elementary school.

Due to the Memorial Day weekend we will have an early deadline for all ads, classifieds and news articles for The Manchester Enterprise, Thursday, June 2nd edition.

All display ads must be placed by 5 p.m., Friday, May 27th. All news articles and classifieds by 10 a.m. Tuesday, May 31.

Senior Citizens News

I listen to retired folks say that they wonder how they ever had time to 'work'. Others say it just takes us longer to do our jobs, but watching from next door, our loyal Senior President knocks both these theories out. She will wear (not rust) out and we do appreciate all the nice things you do - thanks, Rubena. So, let's join and support her in senior activities.

Thursday, May 26 - Baked orange roughly is on the noon lunch menu, come! Bingo will be enjoyed at 12:30. The monthly card party at Freedom Township Hall begins at 8:00 p.m., the bus pickup begins at 6:30. Come one and all.

Monday, May 30 - The only trip scheduled on this Memorial Day is the one you wish to make on your own, perhaps uptown to view the parade, or to join the march to the cemetery to honor the nation's war dead. This is the day to pay tribute first and then enjoy friends and family around the barbeque. We make mistakes once in a while on the senior calendar - sorry.

Tuesday, May 31 - Jan will be making beef stew with butter crust (that stands good to me) to be served at noon lunch at Emanuel. Pat Speiser of Jackson Trippers plans a visit with us to tell about their trip program. She will also provide entertainment - intriguing? Come see. Get your lunch reservation in before 10:45 a.m. to 428-7630 to Jan and her helpers.

Five months gone already! Thursday, June 2 - We will be celebrating June birthdays with our monthly bash. We invite all who are 55 or over in our area to come on this day who were born

in June (that's you, Ron Jenter) for your free lunch of pork chops/sauce and birthday cake. How many can we plan to join Ron (you can't say we didn't wish you a special birthday, huh?)

Looking ahead - Saturday, June 4 - Sandy Kennedy has rescheduled your Mary Kay demonstration for 10 a.m. for seniors at the Center. Come get another chance to be beautiful and enjoy the fun trying (as I do).

Monday, June 6 - A bus trip is scheduled to Northville Mill Race Village. Call Helen Knickerbocker at 428-7239 to make reservations for trips; time of departure to be announced.

June 8 - Seniors will leave at 10 a.m. for the Saline Health program. Topic will appear later, but call Helen to go along.

Sons Of The American Legion

The Sons of the American Legion will march in the Memorial Day Parade, meet at the Legion at 11:30 a.m. There will be a baked goods raffle after the parade. Bring something for the raffle.

Sportsman's Annual Campout

The Manchester Sportsmen Club Annual Campout at the Sportsman Club will be Friday, Saturday, Sunday and Monday, May 27th thru the 30th for members, friends and the public. There will be a potluck dinner Sunday, May 29th at 1 p.m. for campers and non-campers.

Eye Care Available

If you know a disadvantaged elderly person who needs medical eye care, ask them to call this toll-free Helpline: 1-800-222-EYES (1-800-222-3937).

Eligible callers will be referred to a nearby eye physician and surgeon (Ophthalmologist) who will provide the care at no out-of-pocket cost.

The National Eye Care Project (NECP) is sponsored by the state society of eye physicians and surgeons and the Foundation of the American Academy of Ophthalmology. It is designed to make medical eye care available to persons age 65 or older who might otherwise not receive critical care to preserve their sight.

To be eligible, a person must be: age 65 or older; financially unable to pay for the care; and in addition, the person must not currently be the patient of an ophthalmologist who is providing medical eye care.

Eye glasses, prescription drugs, and hospital care are not provided by the program.

Former Kings Daughters Meet

Our meeting will be at the home of Margaret Hanks, May 26th, at 10:00 a.m. Brown bag lunch, desert and drink furnished.

DIAL - A - GARDEN

The following is a monthly schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. The system is in operation 24 hours a day, 7 days a week. Interested persons are invited to call 971-1129 at their convenience to listen to timely, up-to-date gardening information.

Thursday, May 26 - Diseases on Fruit Plants.

Friday, May 27 - The Pesticide Label.

Monday, May 30 - NO NEW TAPE, CLOSED FOR THE HOLIDAY.

Tuesday, May 31 - Common Poisonous Plants.

Wednesday, June 1 - Chemicals for Vegetable Gardens.

Commission Members Sought

Chief Judge Judith James Wood is seeking two alternate members to be appointed to the Michigan Boundary Commission. The Boundary Commission acts on petitions to change municipal boundaries, most commonly cases involving cities wanting to annex land.

The Boundary Commission consists of three state appointed members, two non-partisan members and two alternates from each Michigan county. It is required that one appointee and his or her alternate reside in a township and one appointee and his or her alternate reside in a city.

If you are interested in being appointed to the commission, please send a resume to: Judith James Wood, Chief Probate Judge, 2270 Platt Road, Ann Arbor, Michigan, 48104-5197, by June 15, 1988.

Manchester Area Recreation

SUMMER ACTIVITIES 1988

Junior Playground - Monday through Friday from 1:00 p.m. to 3:00 p.m. for any youngster who will be at least 5 years old by December 1, 1988, and up to any child entering the fourth grade in the fall of 1988. Headquarters for the Junior Playground will be Klager School. This program focuses on arts and crafts, indoor and outdoor games, field trips, and picnics. No fee is charged for attendance. This program will begin on Monday, June 13th and finish up on Friday, July 22nd. Note that there will be no Junior Playground on July 21st.

Roller Skating - Every Wednesday, beginning June 15th, we will be going roller skating at the Adrian Roller Skating Rink. Two buses will leave from the Middle School at 12:00 noon and return at approximately 3:45 p.m. The cost is \$2.25 per person and includes their ride over and back, skate rental, and admission. The last skate will be Wednesday, July 20th.

Recreational Swimming - Every Monday, beginning July 13th, we will be going swimming at the spacious Bohn Pool in Adrian to swim for fun! This is an olympic sized pool which features two water slides, a high and a low board, basketball goals, and a snack bar. There are lockerroom facilities, and 4-6 lifeguards on duty at all times. Youngsters

must be at least 7 years old and know how to swim or be accompanied by an adult. The cost is \$1.00 per swimmer. No cut-offs, and hair that touches the shoulders requires a bathing cap. A bus will leave from the Middle School at 12:00 noon and return at approximately 3:15 p.m. The last swim date will be July 18th.

Instructional Swimming - There will be a two week instructional swimming class offered for children at the pre-beginners, beginners, adv. beginners, and intermediate levels. The classes are held in Adrian at the Bohn Pool. The instructors are Red Cross certified and students who successfully complete the course will receive a Red Cross Card. A bus will leave from the Middle School at 9:00 a.m. and return at approximately 11:30 a.m. The class will run Monday through Friday, from June 27th to July 8th.

Detroit Tiger Game - On Saturday, July 9th, we will be taking two busses to Tiger Stadium to watch our Tigers battle the Oakland Athletics. The cost for the reserved grandstand seats and the bus transportation will be \$5.00 per ticket. The busses will leave from the Middle School at 10:50 a.m. for the 1:50 p.m. game. Tickets can be ordered by picking up a form from the school offices or by calling Jim Fielder at 428-7150.

Teacher Exchange

Gisela Schmidt, German exchange teacher, pictured with Rod Morrison, Manchester High School principal.

by Lynda Kosinski

As another school year draws to a close, many students and teachers begin to recollect sweet memories of days gone by.

For one Manchester High School teacher, this school year will have a special place in her memories.

Gisela Schmidt, from Oldenburg, West Germany, has spent this year as a participant in the Fulbright Teacher Exchange Program. She taught MHS students her native German language, while her exchange partner, Susan Davis, a MHS German language teacher for over 15 years, taught English to Schmidt's students in her school, Gymnasium Bad Zwischenahn-Edewecht. Davis will return to MHS for the 1988-89 school year.

The two are participants in an international Fulbright Commission program located in Washington D.C.

Pat Kern Schaefer, chief of the Teacher Exchange Branch, said the purpose of the program is to

"increase the understanding between people of the United States of America and those in other countries." Over 200 teachers from 17 countries are participating this year.

Hopeful applicants undergo a lengthy interview process in which only the best and brightest prevail. Once chosen as a participant in the program,

teachers are matched with other winners in various host countries. They take part in orientation programs, receive a travel grant, a monthly allowance for differences in the exchange rate, and are responsible for finding their own housing.

Exchange teachers receive their regular salary from their home school during their stay in the host country.

Schmidt said this experience led her through a range of emotions from apprehension to total gratification. "The students were suspicious of me at first, but once we got used to each other, everything ran much smoother." "The most challenging part of

teaching in the U.S. was changing my teaching methods," she said.

Schmidt teaches at a "gymnasium" in Germany where all the students are preparing for college. "I had to learn to deal with students of all abilities, I learned to gear my instruction so that the students who learned faster weren't bored and the ones who learned a little slower weren't lost."

One of the nicest things about teaching in the U.S., she said, is having her own classroom. Teachers, instead of students, go from room to room during the day.

Rod Morrison, principal of MHS, described the school's German language program as having a strong tradition of excellence and said that Schmidt was a welcome addition to the school. "She has done a wonderful job. She has high expectations for her students."

He added, "The fact that she is a German native enhances her instruction."

Schmidt, who was assistant coach of MHS's volleyball team, said she plans to take her detailed knowledge of life in the U.S. back to her students in Germany.

"America is so diverse. There are so many different aspects to life. It's been a really good year. This experience has made a great impact on me. I'm eager to share my experiences with everyone back home."

According to Schmidt, her late July departure for home will come all too quickly. "I have many sentimental feelings about Manchester High School because I've made so many close friends. I'll be sad to leave," she said.

Once she is back in Germany, Schmidt said she will be able to "set things in perspective" and recollect and cherish her memories of MHS. "I want to do it again," she said, and then added with a determined smile, "Definitely!"

Memorial Day And The Price of Cherished Freedom

by Gene A. Murphy,
National Commander
Disabled American Veterans

My first trip to Arlington National Cemetery. My immediate impression was sorrow. Lines of stark white tombstones stretched across acres of rolling green hills. All too reminiscent of soldiers in formation. Viewing literally thousands of neatly arranged graves, I cried.

I cried for the brave young men and women who rested there. Soldiers who paid the ultimate price for my cherished freedom. And I cried as I remembered eight very special friends. Friends with whom I shared a unique closeness in Vietnam. Friends with whom I'll never share again. I remembered and paid tribute to them, the men who didn't return with me from the jungles of Southeast Asia.

So many names etched in stone. They began to blur as I slowly rolled my wheelchair through the cemetery. But, as I moved, my sorrow began to ease. In its place, a kind of serenity and deep feeling of pride settled on me.

I'm proud of each and every one of the more than one million men and women who gave their lives in defense of this great country in our many wars. Proud not only of those who died during time of war, but especially proud of those who died in recent undeclared hostilities.

Over 300 have died since the end of the Vietnam War. They

died in Beirut, Grenada, the Persian Gulf, Central America. Nor do I forget the numerous men and women who have died recently as victims of terrorist's bombs and bullets.

My freedom - my wife's and my daughter's freedom - was bought with their blood. This is a debt I can never repay.

I am humbled by their sacrifices. I lost the use of my legs in Vietnam, but I came home. For 14 hours I lay bleeding on the jungle floor. For 14 hours I was sure I was going to die. But I was very fortunate and very blessed. God allowed me to live. On this Memorial Day, I ask all Americans to take a moment and reflect on those who did not come home. A moment to honor the true heroes of our country.

Scoliosis Association To Meet

The Lenawee-Monroe Unit of the Scoliosis Association of Michigan will hold its annual picnic on Memorial Day, May 30, beginning at 1:00 p.m. The picnic will be held at the Bicentennial Park on S. Tipton Highway, Tipton. Everyone who has an interest in scoliosis is invited. Bring a dish to pass and table service. For more information please contact Renata Snyder at 517-423-3164 or Dorothy Heinlen at 313-529-3098 (both after 3 p.m.).

Spring Sports Recognition Night

You are cordially invited to attend the Spring Sports Recognition Night and Pot Luck on Wednesday, June 1, 1988, at 6:30 p.m. at Carr Park.

The Athletic Boosters will furnish hot dogs, plates and beverages. They are asking that each family bring a dish to share.

The Varsity/JV Softball, Varsity/JV Baseball, and boys and girls Track teams will be honored for their participation. Each coach will be introducing their squad and offer some remarks concerning the season. Please join us for this special night that has been reserved to recognize the outstanding achievements of our student-athletes.

It's estimated that sharks attack men ten times more than they do women.

Federal College Scholarship Received

In the second year of a new federal college scholarship award program, the State Board of Education announced today that 216 outstanding Michigan high school June graduates will each receive a \$1,500 college-of-their-choice scholarship.

The awards, the Robert C. Byrd Honors Scholarship, are a one-time merit college scholarship for high school graduates who have demonstrated academic excellence and achievement.

The selection of scholarship recipients is coordinated with the Academic All-State Team Program, which is administered by the Michigan Association of Secondary School Principals, in cooperation with the Detroit Free Press.

The State Board of Education will host a series of 10 regional scholarship awards ceremonies throughout the state during the time period of June 1-8. Congressional and state officials have been invited to participate in the award ceremonies.

Jacquelyn Miller from Manchester High School is a recipient of the Robert C. Byrd scholarship.

Manchester Day Camp

This is the last week to register for the Manchester Day Camp, "Back to the Future", which is taking place August 9, 10 & 11. All children between the ages of 5 and 12 are invited to participate. The activities will begin at 10 a.m. and end at 3 p.m. and include hikes, outdoor games, crafts and snack. Applications have been distributed to all Manchester Schools but if anyone still needs an application or any information, please call Patty Swaney at 428-9302. Get the registration forms completed and sent in by June 1. Don't let your child be left out and "bored" this summer!

The last thing you need now is a problem with your homeowners insurance.

Home, sweet home. Sometimes it's difficult to keep it that way. And the problem with homeowner's insurance is you never know how good it is until the roof caves in. Then it can be too late. A Homeowners policy from Auto-Owners offers you replacement cost coverage on your home and personal property. Some homes qualify for optional Guaranteed Home Replacement cost coverage. And the great news is...this one encompassing policy may cost you less than the coverage you have now because Auto-Owners offers several discounts and rating advantages. There's no place like Auto-Owners when it comes to Homeowner's protection. Just ask your "no problem" agent!

Unusual Animals Visit Klager

Laura Griffin and Lady and J-J, her llamas.

Unusual animals visited Klager School last week. Laura Griffin and her parents, Mr. and Mrs. William Griffin, brought 2 llamas to the classroom, Lady and Joey-John (nicknamed J.J.). The Griffins have twelve llamas at their home. The llamas have been in llama shows in Nebraska, Michigan and Wisconsin. Laura says that their ears show their feelings, if their ears go back they're mad and if their ears go in different directions they don't know.

Mr. Joe Bassett brought miniature horses to school. He raises and currently has seventeen on his farm. The friendly horses loved all of the petting hands, scratches and pats offered by students.

Wiggling Worms

Mrs. Groeb's first grade class learned about earthworms from Sheila Wilson, a student teacher from Eastern Michigan University. The students looked at the worms' segments and bristles with magnifying glasses. They learned that worms' bristles help them move. The students made a list of animals that like to eat worms. The students also learned that worms are good for the garden because the aerate the soil. After we finished looking at the worms, we let them go on the playground. Mrs. Groeb's class really enjoyed watching the wiggling worms.

Left to Right: Alexis Panches, Angela Reed, Mrs. Groeb and Julie Porter.

Chapter I Read-A-Badge Day

These children wore the most badges for Badge Day: Top Row Left to Right - Katrina Bihlmeyer, Nic Baran, Timmy Hough, Matt Lehr; Middle Row Left to Right - Ceara Brown, Elizabeth DeShano, Ryan Lentz, Elizabeth Wiggird; Bottom Row Left to Right - Michelle Barker, Jenny Manwring, Demie Brady.

The Circus Is Coming!

Sammy Guidry and Leigh Ann Lobbstaal join the decorative clown display and want to remind everyone to attend their circus. It will be held May 25, 1988, at 7:00 in the High School gym.

Boys' Track Results

Napoleon

Despite losing 84 to 53 against league power Napoleon, we did accomplish some personal and seasonal best, along with scoring the most points in the past 7 years against the Pirates. Napoleon wasn't sure what to expect against a much improved Dutch team, so they had the meet transferred to Napoleon for that home field edge. We definitely have the Cascades League attention, and boy does it feel good!

Craig Scully won the shot put (49'5-1/2) P.R. and Mike Stidham placed 3rd (40'). Craig came back in the discus to throw (112') for a point. Brad Uphouse on his final attempt in the long jump leaped 18'1-1/4 to win that event. Brad also took 2nd in the high jump (5'6), and was edged at the tape in the 400m (53.7) P.R. for his first league defeat, 53.6 win. Although our 3200 relay (Nick Miller, Brian Weidmayer, Jamie Winzenz, Benji Winzenz) were defeated, they ran a seasonal best of 8:56.8. Ryan Burkhardt and Matt Knul went 2 (18.0) and 3 (18.8) in the 110 highs. Mike Brokaw finished 3rd in the 100M (11.7), and 2nd in the 200M (24.6) to grab some much needed points. Steve Samonek got a point in the pole vault (9'6). Nick Miller's first league defeat came today as he took 2nd place in the 800M (2:15.5) after he ran his best split in the 3200 relay (2:09.9). I think he was a little tired after that one. Jamie Winzenz took 3rd in the 1600M (5:01.4) but came back strong in the 3200M (10:59.6) P.R. with brother Benji close behind for 2nd place (11:01.3) P.R. to hurt Napoleon for 1st and 2nd. Our 400 relay held onto the baton (which Napoleon couldn't) to win in 48.7. Allan Carson, Robb Gonyer, Brad Wilson and Dwayne Archibeque ran on that team.

Then we wanted Napoleon to try and run with our 1600 relay

(Mark Fenelon, Brad Uphouse, Mike Brokaw and Brad Wilson) but they couldn't and we won easily in 3:38.2 seasonal best with no competition.

East Jackson

The Trojans of East Jackson came to town Thursday for our final dual meet only to find the boys of Manchester had grown to men as we defeated them 85-52. That ended a 3 year drought against East Jackson. Raised our dual meet record to 4 wins, 5 losses, (3 wins and 3 losses in league competition), and right in the thick of things for the league meet next Tuesday at Michigan Center. We could finish as high as 2nd place in the league, depends on what happens at league. Our base finals standings on 50% dual meets, and 50% league meets standings, so mathematically we could finish very well. In the past we've finished 6th or 7th but that could change this year!

We thought this meet would be a little closer, but we got some great performances from key people to shut the door on the Trojans. Steve Samonek pole vaulted 10' to win, and Jason Woods grabbed 3rd (9') in the pole vault. Craig Scully (43'11) P.R. and Mike Stidham (42'5) went 1 and 2 to out shot put them there. Brad Uphouse was busy as usual, taking 2nd in the high jump (5'10), 2nd in the long jump (18'9-1/2) P.R., getting 3rd in the 200M (24.3), and winning the 400M (52.7) P.R. for a team high 12 points. Denny Steele came through in the discus to win that with a 120'6-1/2 throw. Craig Scully took 2nd (117'6) P.R. to add to his point total. Our 3200 relay team of Brian "Weedy" Weidmayer, Dan Young, Benji Winzenz, Nick Miller could have walked the last lap to win easily in 9:44.5. Ryan Burkhardt took 3rd place in the 110 highs (19.1), not his best but effective. Mike Brokaw running with a swollen left foot got us 2nd's in the 100m (12.0), and 200m (24.1). Allan Carson took 3rd in the 100m

(12.2), then led off the winning 400 relay (Carson, Mike Brokaw, Robb Gonyer. Dwayne Archibeque (47.2). Brad Wilson took 3rd in the 400m (54.6) P.R. for more points. Nick Miller back on the winning track won the 800m (2:11.7). Matt Knul placed 2nd in the 300 hurdles (46.2). Then the Winzenz' twins went to work. Jamie out raced brother Benji in the 1600M to win in 4:55.7, Benji was 2nd in 4:57.0 P.R. Then Jamie came back in the 800M (2:13.1) for 2nd place. Benji who decided he's had enough of watching Jamie's heels out sprinted Jamie in the 3200M to win in 11:36.2, Jamie was 2nd in 11:36.6. These two who are only Freshmen are truly two super competitors, and are two great kids. Coaches only dream to have kids like them. I'm glad that its not a dream and its reality! You mark my words, you're going to read a lot about these two in the next 3 years. These two, and the rest of THIS team sure have made me look good! "Thank You All", Joe!

Manchester Metrics

Some of the big teams (13 of them) came to Manchester on Saturday. We weren't to be denied against them as we scored 28 points and placed 6th. This is truly a tribute to the 1988 Boys Track Team. They don't care who they run against, they just want to know where and when. We don't back down from no one! Craig Scully and Mike Stidham combined to throw 84'1 to place 2nd. Our 6400 relay team of Benji Winzenz (5:01.0), Jamie Winzenz (4:52.0), Nick Miller (5:01.1), Brian Weidmayer (5:07.9) took 4th place. Denny Steele and Craig Scully combined in the discus for a total of 234'9 to get 4th place. Middle distance relay of Nick Miller (2:13.7), Brad Uphouse (54.3), Mike Brokaw (54.1), Jamie Winzenz (2:11.3) placed 5th. Freshman/Sophomore relay of Robb Gonyer, Matt Knul, Jon Uphouse, Jamie Winzenz grabbed a 5th place. Our 400 meter relay team of Allan Carson,

Mike Brokaw, Brad Uphouse, Dwayne Archibeque (46.9) got 5th place in a finish they'll talk about for a long time. Less than 1 second seperated 4 teams, wow! The 1600 relay team of Mark Fenelon (54.9), Brad Uphouse (53.4), Mike Brokaw (54.6), Brad Wilson (54.7) woke up the high school track circuit by running 3:37.6 and getting 3rd place medals. I think everybody in that relay sort of counted the Dutch out, but like I've said before "Be careful who you call patsies" because we'll jump you, and all you'll see is the behind side of the dutch.

Regionals:

On Friday our boys team competed at the Bronson Class C State Regional Meet. We fared pretty well, bringing home 10 Regional medals. Brad Uphouse received 4 medals, the maximum that can be won by a runner. Brad is a senior and in only his 2nd year of track. This is the same kid that only last year after running his first 400 Meter thought about giving up track. Well, I'm glad he didn't, and I think he's glad he didn't! His accomplishments Friday, and all thru the season, are a tribute to a super young man. Brad placed 4th in the 400 Meters (52.7), 4th in the High Jump (5'10") both tying his personal best. He was a

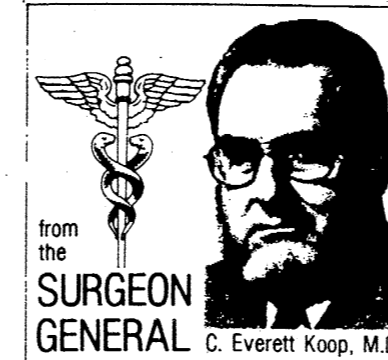

member of the medal winning 400 Meter Relay (5th place) along with Allan Carson, Mike Brokaw, Dwayne Archibeque. He also ran the second leg of the medal winning 6th place 1600 Meter Relay along with Mark Fenelon, Mike Brokaw, Brad Wilson. Congratulations guys!

Tuesday night is the final meet of the season. The League Meet at Michigan Center. I hope I'll be writing about winning more medals next week after that one! Good Luck Boys!

Optimist Tri-Star Baseball Contest

The Optimist Tri-Star Baseball Contest will be held on Saturday, June 11th at 1:00 p.m. at Kirk Park. Boys and girls ages 8 to 13 are welcome to compete in batting, base running and throwing. Boys and girls will compete separately in their own age groups, with 1st, 2nd and 3rd place trophies being awarded for each group. Entrants may use their own bats. Entry forms will be available at Dr. Bates office and Krauss Pharmacy. They will also be available the day of the contest.

From The Surgeon General

A Smoke-Free Society

At first, I had the assignment simply because it belonged in my office. It was the Surgeon General, after all, who warned people about the dangers of smoking. I had no choice in the matter. But now, having been immersed in the smoking issue for all this time, and after closely observing just how the cigarette industry operates, I make no apologies for the fact that I'm keeping this assignment by choice!

In addition to my own yearly reports on smoking and health, I have called for the goal of making the United States a smoke-free society by the year 2000. Since then, I am pleased to report, this goal has been adopted by other Federal agencies, by state governments, and even by foreign governments.

I announced that goal almost four years ago. At the time, I must admit, I wasn't sure it could be achieved. But the response

from average Americans—from the people at the "grass roots," as we say—has been very positive and very strong. Many voluntary and professional associations, including all the major ones in medicine and public health, plus literally millions of ordinary citizens, have taken up the challenge of making America smoke-free by the year 2000.

Why are these people and institutions so enthusiastic about clearing our air of the smoke from cigarettes? The answer is to be found in about 30 years' worth of top-drawer research. For about that period of time, biomedical researchers, physicians and public health personnel in more than 80 countries have been generating studies—more than 50,000 studies, in fact—about the effects of smoking on the health of smokers and those around them. What we have learned...what the overwhelming majority of all these studies has concluded...is that cigarette smoking is either a contributing factor or the primary cause of far too many cases of unnecessary illness and far too many premature deaths each year in this country and abroad.

Thanks to this vast body of research (and I might add that about 2,000 new studies are added annually), we know...that a smoker has a risk of sudden cardiac death that is three times that of a person who does not smoke...that about 85 percent of all lung cancers in the U.S. are caused by cigarette smoking. People who smoke a couple of packs a day have a lung cancer death rate that is as much as 25 times greater than the rate for people who don't smoke at all...

...that cigarette smoking is the

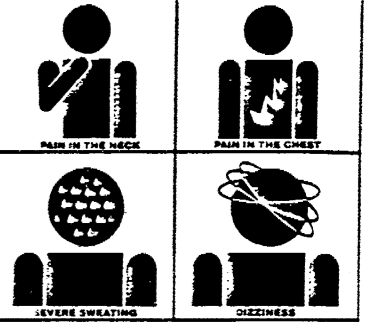

major cause of chronic obstructive lung disease, especially emphysema is quite common among older people who have smoked, but it is rarely found among older non-smokers; and...that women who are pregnant have an increased risk of delivering their babies prematurely, or of aborting the fetus spontaneously, or of delivering a stillborn child or of giving birth to a child who is unable to survive more than a few days outside the womb.

These are the facts. They are incontrovertible. They have been published in 18 official reports by U.S. Surgeons General over the past 24 years. What they add up to is this: if you smoke, you are playing a kind of Russian roulette with your health and, perhaps, with your life.

There is an old saying, a saying that young people find humorous and many older people find cruelly ironic. "If I had known that I was going to live this long," the saying goes, "I would have taken better care of myself."

Will you help me clear the air? No, don't do it for me; do it for yourself and your family. Stop smoking today so that, someday, you won't have to look back and wish that you had quit while there was still time...

WERE FIGHTING FOR YOUR LIFE
American Heart Association

DON'T GIVE THESE SIGNALS A SECOND THOUGHT.

ACT IMMEDIATELY.
These signals may be the warnings your body gives you of a heart attack. And by ignoring them, you could be risking serious problems. Remember each year 350,000 Americans die from heart attacks before reaching the hospital.

- WARNING SIGNALS OF A HEART ATTACK**
1. An uncomfortable pressure, fullness, squeezing or pain in the center of your chest behind the breastbone.
 2. The sensation may spread to your shoulders, neck or arms. If it lasts for two minutes or more, you could be having a heart attack.
 3. Severe pain, dizziness, fainting, sweating, nausea or shortness of breath may also occur, but are not always present.

PEOPLE WHO BUY DIFFERENT HOMES SHOULDN'T BE LOCKED INTO THE SAME MORTGAGE ARRANGEMENT.

Not everyone fits in a three-bedroom-ranch world. After all, if everyone's tastes were the same, you'd never see an English Tudor between a French Colonial and a Cape Cod.

Which is why, at First of America, we offer almost as many mortgage loans as there are homes to choose from. And one of them is sure to fit your needs.

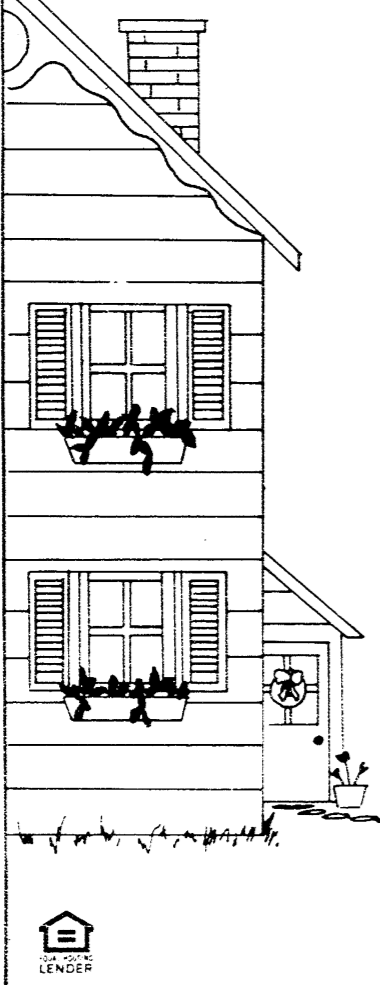

Maybe you're looking for a traditional 15 or 30 year mortgage. We've got those.

But we also have 15 and 30 year loans with rates that adjust annually. So each year, your rate is among the best in the market.

Then there's our 3 or 5 year balloon mortgages. Or, a bi-weekly payment arrangement that lets you pay off your loan quicker, and could save you thousands in interest.

Ask your realtor for more information. Or stop in to one of our branches.

We could be the key to a mortgage that's as individual as the home you finance with it.

NOTICE OF PUBLIC HEARING

A Public Hearing will be held before the Manchester Village Planning Commission, beginning at 8:00 p.m. on Tuesday, June 14, 1988, in the first floor meeting room of the Village Hall, 120 S. Clinton St., on a proposal to rezone a parcel of land owned by Manchester Plastics, Inc. from AG (Agricultural) to I-2 (General Industrial). The land is generally described as being immediately to the west of the existing Manchester Plastics facility at 500 W. Madison St., and bounded on the north and south by former railroad rights-of-way. A map showing the exact location and other pertinent information, is available for inspection at the Village Hall during regular business hours. Anyone wishing to comment on the proposed rezoning but unable to attend the Hearing, may submit written comments, which will be read aloud at the Hearing. Written comments should be addressed to: Secretary, Manchester Village Planning Commission, 120 S. Clinton St., Manchester, MI 48158, and should be received no later than 4:00 p.m. on Tuesday, June 14, 1988.

Hospital Fun Walk A Success

John K. Pribel and Art Cathey were among the Manchester residents who participated in the May 14, 'Walk With Your Doc'. The event was co-sponsored in Manchester by the Manchester Recreation Task Force and took place on the Manchester Walking/Jogging Trail. The photograph was taken by Jon Hardenbergh.

2nd District American Legion

Next meeting of the 2nd District of the American Legion will be at Onsted Michigan Legion Post 350. The meeting to be held at the Onsted Post Headquarters on Sunday, June 12th and will begin at 1 p.m. and will feature information on veteran's benefits and the Legion program.

At 2 p.m. there will be a general membership meeting of the 2nd District with reports on all programs.

The Michigan Second District consists of 32 American Legion posts in Washtenaw, Jackson, Monroe and Lenawee counties. The District Committeeman is Dallas Turley of Pinckney, Michigan.

The new commander will be sworn in at that time, Roy Russell of the Onsted Post. The 2nd District under the Guidance of Dallas Turley has led the American Legion Department of Michigan in membership for the most of this membership year of 87-88. We have two of the leading candidates for the highest office in the State of Michigan. They are Thomas P. Cadmus from the Glen H. Daykin Post No. 156 in Britton and Mary Jane Choate from the Wilbur-Bartlett Post 315 of Brooklyn. The Second District has had a great record in the past but is has really accomplished a

great thing this past year. The main object of all Legionnaires is to help the veteran to promote Americanism, to give youth of the Nation a better understanding of the Government and the Constitution so they can continue to run our great country for the people and by the people.

Bunnies Go To School

Anthony Micallef, a newcomer to Manchester and a Dutch Rabbit raiser for many years, had an interesting and exciting day last week when he took rabbits and visited his daughter-in-law Kathy Micallef's (also of Manchester) classroom, a Special Ed class at Estabrook/New Horizon School in Ypsilanti. Combined with Mrs. Kamoi 4th grade pupils, Tony spoke to the boys and girls on rabbit raising, showing them at various competitions, how to handle them, etc. Each boy and girl got to take turns holding a rabbit. Mr. Micallef gave each one a prize ribbon and raffled off one of his prize trophies. Thru this he would like to see more young people involved in rabbit raising.

Drive With Your Headlights On

Safety Belts - A Bright Ideal Light up your life with a bright idea!

If you're driving in Michigan, Ohio, Wisconsin, Minnesota, Indiana or Illinois during a summer holiday weekend, you can help save someone's life by driving with your headlights on during the daylight hours.

Drive with your headlights on during the Memorial Day, Fourth of July, and Labor Day weekends. Your headlights can remind motorists to buckle up. And that can save their lives.

Surprisingly, most accidents and fatalities occur in the summer months when the sun is out and the roads are dry.

So the smartest way to extend your summer fun time is to drive with your headlights on and buckle your safety belt.

Drive with your headlights on during the summer holiday weekends and help save lives.

Light up your life with a bright idea - SAFETY BELTS!!

300 Club Winner

The winner of the Manchester Fire Department 300 Club was Connie Schaffer with ticket #048.

Spring Dance Recital

Left to Right: Kathryn Rice, Eran Carruth, Angela Cooper; Front Row - Amy Gall, Lindsay Jacob.

Left to Right: Sarah Jefferson, Michelle Alber, Lindsay Jorgensen, Lisa Arnsdorf, Kim DeVries, Emily Tucker, Annie Hinkley.

The Dance Arts Academy approximately 250 students under the direction of Susan Buck had their Spring Dance Recital May 14 and May 15, at the Chelsea High School Auditorium. The Theme this year was dancing with Mother Goose. There were approximately 250 students involved many of which are Manchester residents. They had been taking dance lessons during the school year to prepare for their performance. Both shows were sold out.

6 important facts about wheel alignment

- Extend tire life**
It's happened to almost everyone: buy a set of tires, and before long one or two tires are wearing out before the others. On today's cars, this applies to the rear tires as well as the front tires. The most common cause of unusual tire wear is improper alignment. Over the years, a properly aligned vehicle can save hundreds of dollars in tire wear.
- Spot problems early**
A suspension system inspection is an inherent part of the wheel alignment operation. This gives the mechanic a chance to spot worn parts that would affect vehicle alignment. It also gives him an opportunity to spot small problems before they become big, costly ones.
- Ensure safe driving**
A periodic four wheel alignment makes sure your car handles properly and, more importantly, provides an opportunity for inspecting the suspension system for defective parts. In some ways, the safe driving aspect may be the most important benefit of wheel alignment.
- Stretch fuel mileage**
Fuel mileage increases as rolling resistance decreases. Proper wheel alignment sets all four wheels parallel which, in turn, assures minimum rolling resistance. This plus proper tire inflation provide top efficiency for maximum mileage.
- Improve handling**
Does your car pull to one side, does the steering wheel vibrate, do you have to constantly move the steering wheel to keep your car traveling straight ahead? These and other handling problems can generally be corrected by four wheel alignment.
- Get a better ride**
Proper alignment helps the front and rear suspension systems do their job. With all the system components in proper relation, road shock is efficiently absorbed so the vehicle is more stable, and you get a smoother ride.

Money Management

Where There's A Will,
There's A Way

Three out of four Americans die without a will. The reason is obvious. No one enjoys contemplating one's own death. But consider this: if you die without a will, you do something that you would probably never have done while alive. You relinquish control over your assets and your survivors to the government.

According to the Michigan Association of CPAs, if you want to have a say over what happens to your family, your home and your financial assets after your death, you need a will. If you still have doubts, take a quick look at what can happen if you die without a will. The state will name an executor for your estate, appoint a guardian for your children (if necessary), draw on your estate assets to pay creditors as well as state and government taxes and distribute the rest of your estate according to state laws. As a result, your child could end up being raised by a family member you distrust, your spouse could be saddled with exorbitant fees and taxes and if your spouse remarries, somebody else - or somebody else's children - could inherit your estate. If no blood relatives survive you, your assets could go to the state itself.

Some states will automatically divide your property equally between your spouse and children - with the surviving spouse unable to access funds placed in trust for minors even if he or she needs the money to provide for their present comfort and support. If you are survived by several children and no spouse, many states grant each child an equal right to administering your estate - a situation that has resulted in more than its share of family feuds.

A carefully prepared will, which most lawyers can draw up after one meeting, can prevent the state from enforcing decisions

about your estate that you would never have made. Before you consult an attorney, take an inventory of your assets and decide how you want them distributed. Remember to think in percentages rather than dollar amounts.

Consider the implications of each provision of your will. Do you want to divide your assets equally between your two children if one of them has five children and the other none? Who would be able and willing to raise your children with values similar to yours if both you and your spouse died in an accident? Should your children have full access to their inheritance as early as age 18? Do you want to incorporate safeguards against the consequences of a spouse's future remarriage into your will?

One of the most critical decisions you can make about your estate is the selection of an executor. As overseer of your estate, he or she will face arduous and time-consuming tasks. Executors have to inventory all

your assets, collect all money owed you, pay outstanding debts, notify insurance companies and collect the proceeds, arrange for your immediate family's living expenses, liquidate your assets, prepare and file all tax returns and distribute your estate. Because of the position's complex responsibilities, you may want to select a third party, such as a bank, to serve as executor or co-executor with a family member.

Besides insuring that your estate is distributed according to your wishes, a will can also reduce the financial burden placed on your heirs. For example the administrator of your will is required to post a performance bond to protect your estate from fraud, embezzlement or negligence. Bond fee premiums cost about \$5 per \$1,000 of the estate's gross value and are payable annually until probate is completed - which ranges from a few months to several years. The bond is meant to protect your estate, but may be unnecessary if the executor is a trusted friend or family member. If you wish, your will can waive this bond requirement in certain jurisdictions.

Tax claims on an estate can also be substantial. Since state laws vary, ask a tax specialist to review your particular state's laws on estate and inheritance taxes. Under the federal estate tax law, you do have a degree of protection. If the gross estate, including the value of all lifetime taxable gifts, is under \$600,000, filing a federal estate tax return is not required. However, if estate assets exceed \$600,000 even after deducting administrator's fees, funeral expenses, outstanding debts, and executor's fees, the federal estate tax rate kicks in at 37 percent and goes as high as 55 percent.

There is one major exception to this rule. Under the unlimited marital deduction, you can leave your entire estate to your spouse without incurring federal gift or estate tax - regardless of your estate's worth. But when your surviving spouse dies, tax will be charged against your estate and your spouse's combined, thus placing a potentially tremendous tax load on other heirs.

If your estate is substantially higher than \$600,000, you can minimize the tax burden on future heirs by dividing your estate between your spouse and a

credit-shelter or bypass trust, which can provide your spouse and children income for life and enable you to take full advantage of the unified tax credit. Another option is to divide assets equally between you and your spouse prior to death. Or you can make tax-exempt gifts of up to \$10,000 (or \$20,000 with your spouse's consent) per year per person. You can even consider educational or nursing home bills as gifts if you pay the bills directly. If minimizing the tax burden on survivors is a primary concern of yours, consult a tax professional or attorney about these procedures.

Once you draw up a will, keep it up to date. Revise a will after a marriage or divorce, or when tax laws change. Keep your will in a central location with a copy of all other essential records. Don't keep the will in a safe deposit box. When someone dies, the box may be sealed until tax authorities can inspect the contents.

Careful planning with a tax advisor and an attorney will enable you to create a will that provides for the well being of your family and insures your peace of mind in the here and now.

Top Students Named

Jacqueline Miller

Tracie Robichaud

Deanna Gilbert

Manchester High School is proud to announce their Co-Valedictorians and Salutatorian for the 1987-88 school year. These two awards, given for academic excellence, honor the number one and number two students in the class rankings. The honor of Valedictorian has been earned by Jacqueline Miller and Tracie Robichaud who both had a grade point average of 4.00. The honor of Salutatorian has been earned by Deanna Gilbert with a 3.934 grade point average.

Jacqueline Miller is the daughter of Lillie and Robert Miller of 10955 Hieber Road, Manchester. Jackie has participated in a wide range of activities in high school in addition to her academic accomplishments. These include National Honor Society, band, pep band, quiz bowl, academic games math and english teams, varsity choir, drama club, and school plays. While in high school Jackie has won numerous awards and honors. In ninth grade she took

first place in the Michigan Technological Computer Contest in the educational division. During tenth grade she was selected as the Optimist Student of the Month. At the academic games competition she placed third in the English essay division during tenth grade and first in eleventh grade. She has received highest ratings for four years in regional and state-wide solo and ensemble. During the summer of 1987 Jackie was chosen to participate in the University of Michigan's Women in Science Program. Recently she has been selected to the Detroit Free Press All-State Academic Team.

Jackie will be attending Reed College in Portland, Oregon next year studying liberal arts. She has already been awarded a Reed College Merit Scholarship, the State of Michigan Competitive Scholarship, the Aid Association for Lutherans Scholarship, the Robert C. Byrd Honors Scholarship, the Lutheran Brotherhood Scholarship and the National Merit Scholarship.

Tracie Robichaud is the daughter of Joyce and Ray Robichaud of 7046 English Road, Manchester. During her high school years Tracie has participated on the Academic Games History team and has been a library assistant. She is involved in the music ministry at her church and her church youth group. In addition, she has competed in bible quizzing competitions. Tracie plans to attend Oral Roberts University next year. She has won an Oral Roberts Honors Scholarship and a State of Michigan Competitive Scholarship.

Deanna Gilbert is the daughter of Nancy and Dewey Gilbert of 9231 Noggies Road, Manchester. While in high school Deanna has participated in band, track, and cheerleading. She has been a

Why We Boys Leave The Farm

Manchester Enterprise
January 27, 1987

Farmer Boss and his son Dick lived in Central Iowa, and Dick, at the opening of our story, was attending the district school. The term of four months, of which Dick had attended about three, was nearly ended, when one day in March Mr. Boss told Dick he must stay at home and help him clean seed wheat. This fell upon Dick like a thunderbolt, for well he knew that his summer work had commenced, and he would miss the "last day," and the good-bye of his teacher with whom he was always a favorite.

Well, Dick obeyed and stayed at home, as a dutiful son should do. But fortune favored him and it snowed so on the "last day" that he couldn't harrow, therefore he improved the opportunity, and bounded joyfully away to school, and at the close came home with a sad countenance. Now he went to work with a will, and tramped after the gelding, on plow and on harrow, until his legs were almost ready to break off.

Dick worked faithfully and hard, and when in May his school mates organized a base ball club, he wanted to go one Saturday afternoon and pitch for them, that being his particular place. But Mr. Boss had laid out some particular work for that day, and he could not possibly spare him. He could go next time, but next time came and he did not go and finally, to make amends for a

guilty conscience, his father promises him a new suit for the Fourth of July, if he will work well till then. The Fourth comes, and - another broken promise with it. Dick swallows his grief, and goes without his new suit, thinking some day he will buy clothes for himself.

Boys forget injustice very quickly and are ready to let some one do the same thing over again. Let it be said, to Mr. Boss's credit, that he did give Dick fifty cents for the fourth, but not very willingly.

One day after harvest Mr. Boss told his son that he might have that "runt of a pig," which was standing on its head in the front yard among the "rose bushes. Dick took possession, put the swine in a dry-goods box and fed it milk until it actually began to grow. Thus things went until the last of November when Mr. Boss's hogs were ready for market, and somehow Dick's "runt" got mixed with the rest, and had turned into one of his father's hogs, and of course the money must be his. Dick's heart was almost broken, and he went up stairs to bed in tears. Poor fellow; that was only the beginning - more broken promises were to follow.

School was soon to commence, and Dick had expected to go, but his father told him that if he would stay at home this winter, he might commence a two year's

Library Celebration Planned

Recently the community was invited to come together to plan a year of celebration honoring the Manchester Township Library's 150th Anniversary. That meeting though small was very useful and specific plans were able to be made. We invite those of you who were not able to attend to still be involved in the preparations - and certainly to enjoy the fruits of the planning.

Sand Box Fill Day

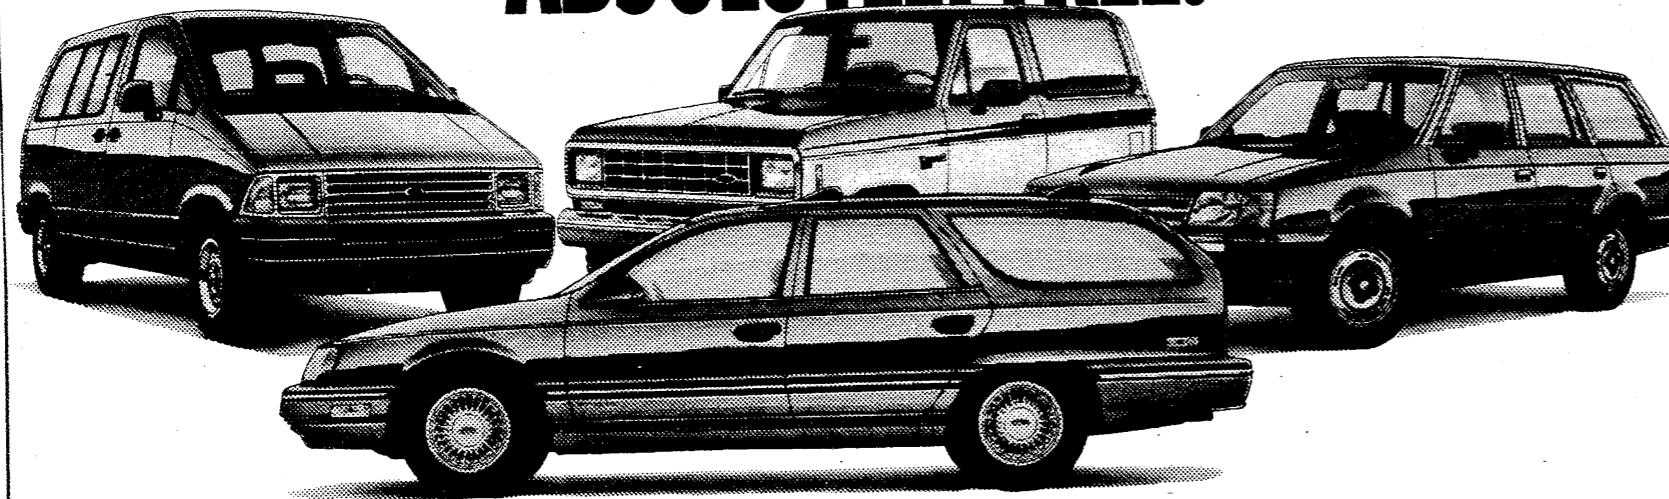

The Manchester Mens Club will have their Annual "Sand Box Fill Day" on Saturday, June 11. Please have someone at home to have your sandbox filled. To have your child's sandbox filled please call Keith's Barber Shop at 428-8584 or Dave Little.
