Teacher Strike Averted

A tentative agreement has been reached in the negotiations between local teachers and the Manchester School Board. It is expected that ratification will take place by the end of the

Teachers have been proposing a one-year contract, while representatives of the administration and School Board would prefer a two or three year term, according to Superintendent of Schools Ron Niedzwicki.

Celebrated 70th Anniversary

Mahlon Smith and Esther Reidel were married at St. Marv's rectory in Manchester on September 7, 1918. Attendants were his brother. Francis "Sax" Smith and her sister, Mae Reidel.

Esther and Mahlon were joined by their attendants and about 65 other relatives, friends and neighbors at an Open House last Sunday afternoon at the Centennial Smith Farm home in Sharon to celebrate their 70th wedding anniversary. Hayden Carruth and Rev. Fr. Schlinkert brought greetings and best wishes from members of their respective churches.

Mahlon was born in the farm home over ninety years ago and brought his bride there after their wedding trip to Ypsilanti and Detroit in 1918.

The Smiths planned their own modest party with the help of relatives and friends. Punch and cake were served along with coffee and cold drinks. Their large farm home was beautifully decorated with some of Mahlon's garden flowers as well as plants and floral arrangements sent for the occasion. Perhaps the most unusual came from Jeanne Kent England in Florida; she never forgets their anniversary, since she was born on the same day.

Mahlon is retired from his main work which was farming. He worked for several years at the Sharon Ford plant making cigar lighters and stoplight switches. He was also the drummer in his own band which played regularly Thanks again to all of you. for dances in this area for many

All of us join in wishing them the continued blessing of good health and more years of happiness on the farm.

How about this past weekend and its beautiful weather? Rubena reported many 'oh's and ah's' at the Rose Show at Domino's. My mom came up and we attended our family reunion at the park at Shepard - talk of long lost relatives (80 of them)! RESOLUTION

Resolution

To Provide For The Designation of September 13, 1988, As "POW/MIA Recognition Day"

WHEREAS, the United States has fought in many wars, the most recent of which was the Vietnamese Conflict; and,

Friday, September 16, is a day of remembrance for those who suffered as prisoners of war or are still missing as a result of any conflict; and,

WHEREAS, this year officials have focused on the Vietnamese conflict because the Indochinese governments have been less than fully cooperative in accounting for prisoners who did not return or providing information

WHEREAS, although cooperation has increased within the past two years, there are still 2,393 American servicemen and civilians including 75 from the State of Michigan missing and unaccounted for in Indochina, and the uncertainty surrounding their fates has caused their families to suffer great hardship; and,

WHEREAS, the sacrifices of these brave Americans and their families are deserving of recognition; and

, the goal of our government, the National League of Families and Vietnam Veterans of America is to obtain as full an accounting of possible of Americans still prisoner, missing or unaccounted for in Indochina; and,

WHEREAS, increasing public awareness and focusing public attention on this issue is one way to help achieve this goal;

NOW, THEREFORE BE IT RESOLVED by the Council of the Village of Manchester, Michigan, that Friday, September 16, 1988, shall be designated as "POW-MIA RECOGNITION DAY." We urge all of our citizens to take note of this important issue and remember those servicemen and civilians who were prisoners of war and those that are still missing and to commemorate the day with appropriate activities.

On Friday, our Varsity Football squad opened their 1988 home campaign against the Addison Panthers. We simply dominated this contest from the beginning kickoff, as we put points on the

board in each of our first six

We received the kickoff and proceeded to march down the field. On the 11th play, Steve Samonek plowed across the goal line from 3 yards out for the touchdown. Mike Brokaw then rambled in for the 2-point conversion. The very next time we touched the ball, Mike spun free and motored 19 yards for the TD, and with Jason VanDeven's P.A.T. the tally stood 15-0. Before the first quarter ended, Tom Mann tossed 9 yards to John Korican for 6 more points.

The score grew even larger as Jason scored 6 on a 1 yard run, and Tim McGinn snared a 10 yard pass from Tom to hit pay dirt. The battle was half over with the scoreboard reading 35-0.

Jason's kick made it 22-0.

How about that great halftime entertainment supplied by the Manchester Marching Band?

We added only 9 points in the second half as Jason toed an 18 yard field goal for 3 points, and David Wizgard netted 6 points on a 2 yard scamper. Unfortunately, the Panthers tallied 6 points late in the 4th quarter to step the shutout.

Be with us Friday as we host East Jackson. The Trojans now stand at 1 and 1 as they beat Hanover Friday, 15-14. Our Little Dutch won their first
