

Leaf Identification 1989

Do leaves have you stumped? Help is available! Every year the fall season brings the assignment of leaf collections for many classes and scouting groups. The University of Michigan Matthaei Botanical Gardens Docents is offering help with identification of already collected leaves from 2:00 to 4:00 p.m. on Sundays, September 24, October 1 and October 8.

To facilitate the process, students are asked to attempt to identify their leaves before coming to the Gardens and to indicate what they think the leaf is. Notes

with the following information are also helpful: Type of plant (tree or shrub or vine); age of plant (young or mature); arrangement of leaves on twig; type of leaf (simple or compound); color or characteristics of the bark; characteristics of fruit, if present; characteristics of the buds; habitat (where the plant is growing).

Tree identification guidebooks and pressed, identified leaves will be available for comparison and use while at the Gardens.

Students should be aware that many of the trees and shrubs

found in residential areas are horticultural varieties or exotic species which are not easily identified with the commonly available guides to trees and shrubs.

Please remember that the Docents are volunteers at the Gardens, not experts in the subject; but, they are interested and willing to help as much as possible.

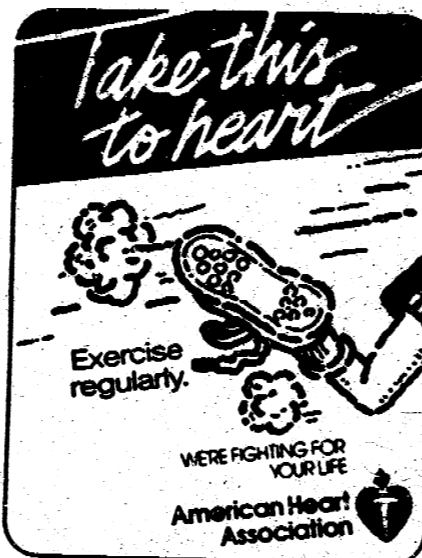

The Matthaei Botanical Gardens is located at 1800 N. Dixboro Rd., Ann Arbor, 1/2 mile south of the Plymouth Rd. intersection.

Calamity Jane's real name was Martha Jane Canary.

Gingham got its name from a town in Brittany, France called Guingamp.

Railroad Inspection

Manchester Enterprise
February 24, 1887

The regular Sunday freight train on the Jackson branch of the Lake Shore Ry., under charge of Conductor Stout, drew a special car containing Mr. W. E. Beals, assistant in Supt. Worcester's office in Detroit, who had come over the line to inspect the employees in hearing, sight and color blindness. He was a pleasant gentleman and the boys all liked his appearance.

Railroad companies have found out that it is of great importance that men in their employ should be pretty good judges of colors, also that they should be able to see and hear, as often the lives of many people and the safety of much property depends upon the actions of a single man. This is why these examinations are held and if a man passes one he is given a certificate, but should he fail in many points we have no doubt that the company would try to fill his place with a better man.

Each employee is admitted to the car singly and examined in private. As a test in colors he is given a stick on which many different colors are painted and after picking out the red, white and green, he is told to match, say the green, with as many shades as he can find, worsted yarn of all shades being handed him for the purpose. This done he is placed at

one end of the car while, the inspector crouches behind a counter at the opposite end, quickly flits out red, green and white flags or raises globes or lanterns of the same colors, dropping them quickly and compelling the employee to tell what color they are. He also selects some object, as a house in the distance, and questions him regarding the color, number of windows and of glass in same, testing each eye separately and both together.

He also has a contrivance for testing short-sightedness and it is often found that a man can see distinctly at long or short range, but at an immediate point he cannot see objects, especially letters or figures, well enough to tell what they are.

In hearing he first speaks in his natural tone of voice gradually letting it fall while keeping up the questioning.

We learn that some of the men could not tell green from red but they may have been pretty correct in other things.

No certificates have been received here yet and some of the boys are "on the ragged edge," as it were, fearing that they may lose their jobs. We hope that they will not, but the company seems determined to improve their service and make travelers and shippers feel perfect safety in entrusting their lives or goods to their keeping.

Share The Vision

The Community Resource Center and the Substance Abuse Awareness Committee extend an invitation to everyone concerned with the community of Manchester to participate in a program titled SHARE THE VISION. The vision being "a dynamic community committed to healthy living."

The Manchester United Methodist Church was the host Wednesday, September 20, for a group of concerned citizens of the community. Business in the community donated food for a dinner that was served to approximately 60 people. Following the dinner, Cooper, McCoy and Associates presented a substance abuse awareness training proposal. The initial awareness activities are for school leaders, staff and students; business management, employees and families and community leaders of civic groups, community agencies, churches, medical profession and general population.

The plan for schools provides for training in recognizing and responding to students experiencing family problems, physical abuse problems, substance abuse and depression. The plan is to work with schools to provide the necessary training in cooperation with the local substance abuse coordinating agency so that school personnel can identify, support

Manchester Area Historical Society

The Manchester Area Historical Society held its annual meeting at the Blacksmith Shop on Monday, September 18, 1989. The following officers were elected for the coming year:

- President Howard Parr
- First Vice-Pres't Jan Shurtliff
- Co-Second Vice-Presidents T.V. Ludwick, Edna Knauss
- Secretary Betty Cummings
- Treasurer Loring Ebersole
- Trustees Gail Curtis and Tom Walton

A new temporary exhibit on the three capitols of Michigan will open on October 2 at the new state museum in Lansing.

The speaker for the evening was John Harriman from the Clements Library at the University of Michigan. He described very briefly the many travels of Jacob Nagle during the late 1700's and early 1800's. He also told the interesting and humorous story of how he and Dr. John Dann verified the accuracy of the

A New Board - A New Agenda

Janet LaBeau Shurtliff

The membership of the Manchester Area Chamber of Commerce spoke - and its new Board of Directors responded!

"We want ACTION, not just talk, not just socializing!" This was the implied sentiment of the Chamber membership.

And so the newly elected Board of the Chamber chose to cancel the social evening scheduled for last Monday and held a working Board meeting instead.

The Annual Meeting for the Chamber will be held at its next regular luncheon on Wednesday, October 18th, at noon.

The Chamber's new Board and officers met on Monday, September 25, for the first time.

"Declared elected," according to Chamber By-laws because no seat was contested, were: Ann Pat Wolf, President; Janet LaBeau Shurtliff, Vice-president; Richard Taepke, Secretary; Jane Finkbeiner, Treasurer; James Linebaugh, Director; Edward Bragg, Director; and Wayne Hamilton, Director.

Ann Pat Wolf, assistant manager at First of America Bank and new Chamber president, presented her Board with an ambitious menu of possible projects for the Board to accomplish. One new project is near to completion.

A color-tour map of the Manchester area indicating especially beautiful spots for viewing the fall colors is nearly ready for publication.

We plan to publicize the

availability of these maps through area newspapers and radio stations," said Ann Pat Wolf. "The maps will be out before the peak times and will be free from area merchants."

Also in the works for the upcoming year are projects such as revising and updating the information brochure about Manchester as well as the Village walking tour brochure.

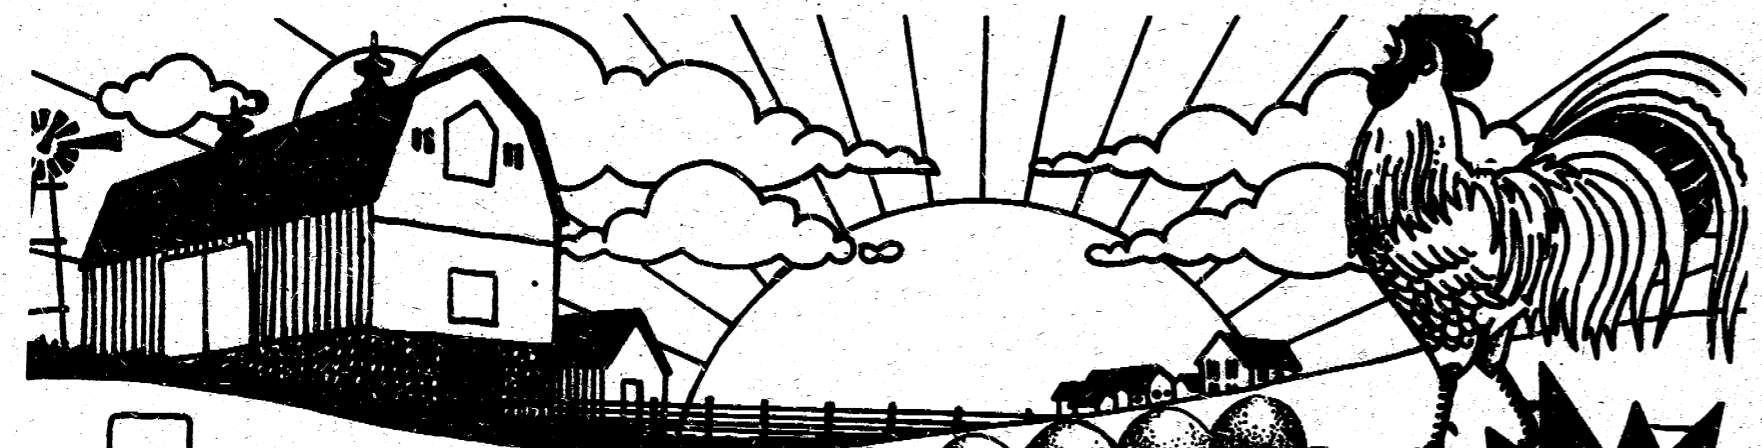

Downtown improvements like additional Christmas decorations and banners from light poles are also being considered and put on a "time-line" for implementation.

"We're going to get things done," said Ann Pat Wolf, referring to the Board as "talented and enthusiastic individuals."

She described the Chamber's role in the community as "potential," saying its purpose, according to its By-laws, is "to advance the general welfare and prosperity of the Manchester Area so that its citizens and all areas of its business community shall prosper. All necessary means of promotion shall be provided and particular attention and emphasis shall be given to the economic, civic, commercial, cultural, industrial and educational interests of the area."

Ms. Wolf hopes to chair a Board which will be active in meeting this purpose through specific projects and activities.

Businesses and individuals throughout the Manchester area are invited to consider membership in the Chamber. For more information, contact Ann Pat Wolf at 428-8389 or any Board member.

Obituary

Florence Shonsheek
Sarasota, Florida
(formerly of Manchester)

Florence (Trolz) Shonsheek, formerly of Manchester, died September 17, 1989 at Blake Memorial Hospital in Bradenton, Florida.

Mrs. Shonsheek was the daughter of William and Elizabeth (Wolpert) Trolz and was born September 27, 1910. She married Oscar Shonsheek October 1, 1932. He survives.

Florence Shonsheek is also survived by nieces and nephews. She was preceded in death by brothers Clarence Trolz of Manchester, Sidney Trolz of Grass Lake, Elmer Trolz of Jackson, Walter Trolz of Manchester and Raymond Trolz of Manchester; 2 sisters, Esther Kuhl of Manchester and Bertha Trolz who died as an infant.

Memorial services will be held at a later date.

S.A.A.C.

The Substance Abuse Awareness Committee (SAAC) will meet Monday, October 2 at 7:30 at the Community Resource Center, Superintendent of schools, Ronald Niedzwiecki, will be present to outline the curriculum for alcohol and other substance abuse in the Manchester Community Schools. New faces are always welcome. Join the group. Take the opportunity to support our schools and community.

Senior Citizens News

One sure thing in this world of knowing and not knowing is that old man winter is coming. Herman's prediction of frost was pretty close to the mark when we got up to 20° Sunday morning. Saturday was so cold that we knew it was coming, but isn't it hard to face? Let me be the first to announce - only 87 days 'til Christmas!

In the meantime, come to Emanuel's dining room on Thursday, September 28 for veal Italian for lunch at 12:00 noon. Bingo will be played at the Center afterwards.

Tuesday, October 3: Jan will be serving chicken terriaki which is good and nourishing and a very nice way of serving our old standby. Come and try it, it is different. Then you are welcomed

to the Center to help with current projects, or to just sit and play cards and/or visit at 12:30.

Thursday, October 5: Today marks the October Birthday Bash for all of you who were born in October and are 55 or older. We invite those in the area who have birthdays this month to come and enjoy your meal free. This should be a large crowd according to our birthday calendar, so come and see what senior meals are all about. Besides birthday cake and candles, pork chops and dressing will be featured by Jan and her loyal crew. Call in your reservation to 428-8359 beforehand or to Jan in the kitchen before 10:30 on the day of the meal. The avid bingo players turn up at the Center each Thursday after senior meals, about 12:30. Won't you come and join in on the fun?

Math Conference

On October 12, 13 and 14, the Michigan Council of Teachers of Mathematics (MCTM) is hosting their 40th Annual Conference, "Changing School Mathematics - Challenges and Opportunities." The Council is pleased to announce a unique opportunity for parents to learn more about current changes as well as strategies for helping their children. On Saturday, October 14, parents are invited to attend any of the following sessions:

- 8:30-9:30 What Parents Need to Know About New Directions in School Mathematics
- 9:45-10:45 Using Calculators at Home and in School
- 11:00-12:00 Helping Children Help Themselves
- 8:30-12:00 Family Math: CAN DO Home Activities

All sessions are at the Radisson Resort and EMU Corporate Education Center, 1275 Huron Street, Ypsilanti, Michigan (exit 183 off of I-94). While all sessions are free, parents are asked to sign in at the MCTM registration booth.

Birth Announcement

Sarah Louise Bowers

Mr. and Mrs. Larry Bowers of Westland are pleased to announce the birth of their daughter, Sarah Louise, born September 14, Sarah Louise weighed 6 lbs. 12 1/2 oz.

The next meeting will be held on October 16 at 7:30 p.m. at the Blacksmith Shop.

Freedom Township

MEETING SYNOPSIS
September 12, 1989

The meeting was called to order with all Board members present. Minutes and Treasurer's Report were approved with \$44,658.97 in the General Fund and \$44.10 in the Liquor Fund.

Various communications were read and discussed.

Old Business included approval of a computer system purchase with service contract, purchase of a clock for the townhall and a discussion of the townhall manager position. Also presented was a request from the Manchester Senior Citizens to review the townhall rent policy with regards to their card parties. It was decided that since these are not limited to Freedom Township residents and that admission is charged, the current policy would stand.

Under new business, the MTA district meeting was discussed and it was decided that requests for written verification of zoning questions would not be sent.

Bills #2579 through #2596 were approved for payment. Meeting adjourned.

INSURANCE

Notes

Who Sets Insurance Rates?

Generally speaking, insurance companies set rates based on the cost of paying claims, administrative expenses and, if they're lucky, a modest profit (over the past several years auto insurers have actually lost money in Michigan). All rates set by the company must be approved by the state insurance bureau... not so high as to be unfair or so low as to hurt the company's ability to pay your claim when it occurs.

Do You Mask Your Stress?

Attend Systematic Stress Management™ and Relax!

Disguising your stress is only a temporary solution. The long-term results of stress can be devastating — heart disease, high blood pressure and ulcers, to name a few. In fact, according to the American Academy of Family Physicians, two-thirds of all office visits to family doctors are stress related.

Systematic Stress Management™ teaches you to control stress, changing it from a negative experience into a positive motivator. The techniques are easy to master, and they have a dynamic effect on your ability to cope with day-to-day events. The program can be used at home or at work, and will make a profound difference in your ability to relax.

Attend one of our FREE introductory meetings. Systematic Stress Management™ will enable you to gain insight and control of your life.

Minimum Wage Hike Pushed Again

The Senate Labor and Human Resources Committee recently approved minimum wage legislation that is identical to legislation vetoed earlier in the year by President Bush.

The bill (S. 1182) was intro-

Academy Applications Available

Applications for appointment to the nation's four academies - Naval, Military, Air Force and Merchant Marine - currently are available from Congressman Carl D. Pursell's office.

The application deadline for classes entering July 1, 1990 is October 20, 1989.

The nomination process is open to all interested young men and women between the ages of 17 and 21 who reside in Michigan's Second Congressional District and will be high school graduates by July 1, 1990.

For more information and applications, interested persons should write to: Congressman Carl Pursell, 361 W. Eisenhower Parkway, Ann Arbor, MI 48103.

While the congressman makes nominations to the academies, final decisions on appointment are made by the individual institutions.

be set at 80 percent of the regular minimum wage.

Almy emphasized that raising the federal minimum wage sets a higher floor on wages for agricultural employers. "Eventually a higher minimum wage will increase agricultural prices and make U.S. farm products less competitive with foreign-produced goods," he said. "The increase would eliminate jobs and increase unemployment, particularly for low-skilled, inexperienced and minority workers."

duced immediately after the White House veto of H.R. 2 on June 3. The Farm Bureau opposed legislation is identical to H.R. 2 in that it would raise the federal minimum wage from the current \$3.35 an hour to \$4.55 an hour within three years of enactment. The bill also contains the 60-day training wage proposal that excludes employers of migrant seasonal agricultural workers from participating in the lower wage program.

"It appears that the Senate move is twofold," according to Al Almy, Michigan Farm Bureau public affairs director. "First, they are trying to prod the administration into negotiating a compromise minimum wage increase proposal by early next year. The second reason is that the vote allowed the senators to go home and talk about work on raising the minimum wage during the August recess."

Almy said the White House appears committed to the position that the federal minimum wage should not be raised higher than \$4.25 an hour and that a six-month unrestricted training wage measure be included. Under the administration's proposal, agricultural employers would be able to offer the lower training wage during an employee's first six months. The training wage would

Taking Charge of Your Health

Most people view arthritis as an "old people's disease." They also assume that you can't do much about it except take a few aspirins and get worse.

But these kinds of myths often produce a self-fulfilling prophecy for people with arthritis. When people resign themselves to the discomfort and move less to avoid pain, they can lose function and the pain can increase, according to Roy Fleischmann, M.D., Clinical Associate Professor of Medicine at the University of Texas Health Science Center in Dallas, and Chief of Rheumatology at St. Paul's Medical Center in Dallas.

Here are some tips for coping with arthritis in daily life:

- Don't ignore the warning signs of arthritis—joint pain, joint swelling, warmth, and redness. If you have any of these signs or symptoms, see a doctor.
- Move all joints every day to maintain your mobility.
- Use self-help devices to reduce strain on affected joints.
- Learn relaxation techniques, such as deep breathing and meditation, which can help relieve muscle tension and joint pain.
- Take the medication that is prescribed for you. Be cautious about stopping or reducing your medication without first consulting your doctor, even when you feel good.

Many medications are available to reduce the pain and inflammation of arthritis. They can often permit people to continue to hold a job, care for a home and family, and just enjoy themselves.

Often people with arthritis have trouble finding a medicine that works for them because each person

may respond differently to each treatment. Therefore it is important for physicians to have a broad spectrum of medications from which to choose.

Voltaire, the world's most frequently prescribed antiarthritis medication, was introduced to this country last year. It brings with it a 15-year history of safety and success in relieving the pain and inflammation of certain forms of arthritis.

Voltaire, like other prescription drugs, may have side effects. As with other NSAIDs, the most frequent effects relate to the gastrointestinal tract. Patients should consult a physician regarding the proper use of Voltaren.

Persons who have or think they may have arthritis should consult a physician to develop a treatment program appropriate for them.

Engagement Announced

Tammie VanderKarr and Todd Withrow are announcing their engagement and approaching wedding. They will be married on March 31, 1990.

Tammie is the daughter of Phil and Jo VanderKarr of Napoleon and Todd is the son of Joanne Withrow of Manchester.

The bride-elect is a 1985 graduate of Napoleon High School and is employed by Bruce Bates, D.D.S. as a dental assistant.

Todd graduated from Manchester High School in 1980 and is a self-employed building contractor.

Eye Care

Cheryl Huey, M.D.
Ophthalmologist - Eye Physician and Surgeon

INFECTIONS FROM CONTACT LENSES

About a year ago, major medical centers around the country began to recognize an increased incidence of infectious ulceration of the cornea in persons who wore soft contact lenses. A high percentage of these infections were in persons wearing extended wear soft contact lenses—the kind that can be worn two to four weeks without removal. The daily wear soft contacts—which must be taken out every night—were less of a problem.

Additionally, the bacteria and fungi causing these infections can be virulent, sometimes causing a permanent reduction in vision due to scarring of the cornea. The cornea is the clear dome-shaped structure covering the pupil and iris.

A study recently published in the American Journal of Ophthalmology showed that these corneal ulcers occurred in wearers of daily wear soft contacts only when the patients did not use proper hygiene when caring for their contact lenses. Improper techniques included failure to wash hands before handling the contacts, wearing them overnight, not using a disinfecting system, or having a contaminated case. In contrast, 40% of the extended wear contact patients who got corneal ulcers had followed proper cleaning techniques.

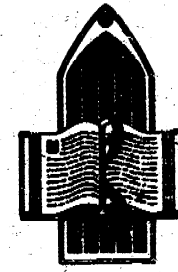

This suggests that daily wear soft contact lenses may be safer than extended wear lenses. Extended wear lenses are still O.K. to use, provided the wearer is educated regarding the possible risks.

Church Women United Fall Workshop

On Thursday, October 5, 1989, Chelsea Unit of Church Women United will host a Fall Workshop for all Michigan Area 3 Church Women at St. Mary's Hall, corner of Summit and Congdon Sts., starting with registration 9:00 to 9:30 a.m. Michigan Church Woman United Area 3 encompasses units of Ann Arbor, Chelsea, Manchester, Milan, Ypsilanti, Jackson County, Lenawee County, Shiawassee County and Grand Ledge.

Program topic for the day will be Migrant Farm Workers. Special guest speakers will be Sister Jean O'Connor, IHM Director, Cristo Ray Community Center, Lansing. Mary Lowery, teacher, Manchester School District, Esmeralda Cantu, a migrant "care giver", Norma Cantu, a migrant farm worker, Rev. Fr. Jerrold Beaumont, St. Barnabas Church, Chelsea, Director of "Faith in Action." Church Women United Michigan president, Eleanor Kinney, will also be present with a message from State CWU.

Chelsea Church Women United extend an invitation to all Area 3 women to attend this informative program on Thursday, October 5, 1989. A salad lunch will be served from 12:00-1:00 p.m. and, as we

did last year, please bring a salad per carload. Table service, beverages and rolls will be provided by Chelsea Unit. The day's program will close at 2:00 p.m. and childcare will be provided.

Birth Announcements

Stephanie Lea Preston

Robert and Pam Preston are happy to announce the birth of a daughter, Stephanie Lea, born September 8, 1989. She was 6 lbs. 11 oz., and 20 inches long. Stephanie Lea joins brother Justin and sister Lynn Marie.

Paternal grandparents are Mr. and Mrs. Vernie Watne of Manchester and maternal grandparents are Ken and Helen Harwood.

Mathew Evan Nisbett

Jim and Jennifer Nisbett are proud to announce the birth of a son, Mathew Evan, on September 19, 1989. Mathew weighed 7 lbs. 11 oz.

Maternal grandparents are Bill Haeussler and Martha Meadows both of Manchester. Paternal grandparents are Helen and Don Nisbett of Clinton.

Dutchmen Demolish Hanover-Horton

Jay Gillow, #12, drives toward the goal line.

Photo by Jon

by Jon
It was Homecoming night and we upped our league record to 3 and 0 with this decisive shutout victory over the Comets. Congratulations to Hikeh Weiss for being crowned the Homecoming Queen, and to Michelle LaRue the runner-up.

There was no scoring in the 1st quarter as both teams seemed to be getting over their nervous-

ness. The 2nd quarter began with the Dutch showing more assertiveness. Jay Gillow, quarterback, tossed a 20-yard pass to John Ward to Hanover-Horton's 6-yard line. Two plays later, Jay dove in for the touchdown. Still before halftime, Andy Pagel swept right and went for 47 yards to up the score to 12-0 at the intermission.

In the 3rd quarter of play, Andy plowed in from 1 yard for the 6-point TD. Then Jay hit John

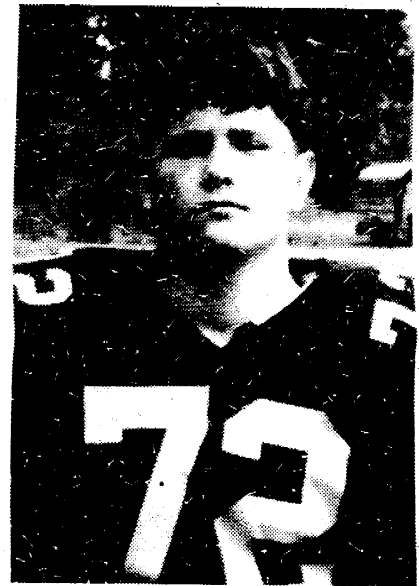

Ward on a quick slant in pass to complete the 2-point conversion, 20-0.

Rob Gonyer scampered across the goal line from 2 yards out to cap our scoring for the night. This left the final, 26-0.

Statistically, Andy Pagel rushed for 57 yards as Jay Gillow completed four passes for 57 yards.

Be with us Friday as we trek to Napoleon.

In the first quarter, Manchester mishandled a punt snap. Hanover Horton got the ball on the 5 yard line and four plays later scored a touchdown. Their 2-point conversion was good and the score was 8-0.

Manchester scored in the 2nd quarter with Rich Lutton's 1 yard touchdown run and a 2-point conversion on a pass from Bryan Hoeft to Pat Clark.

In the second half, Manchester scored on a 5 yard touchdown pass from Bryan Hoeft to Pat Clark. The 2-point conversion failed. With 27 seconds left, Hanover-Horton threw a 45 yard touchdown pass; their 2-point conversion failed. The final score was 14-14.

Rich Lutton had 94 yards rushing on 17 carries.

Jamie Sloat had 53 yards on 11 carries.

Andy Corwin and Ken Lane each had an interception.

Last Day To Register To Vote TUESDAY, OCTOBER 10, 1989 FOR

SPECIAL ELECTION

Tuesday, November 7, 1989

TO: QUALIFIED ELECTORS OF BRIDGEWATER TOWNSHIP

NOTICE: I will be at my office from 5:00 p.m. to 7:00 p.m. or by appointment, to register-qualified electors and amend registration records.

TO: QUALIFIED ELECTORS OF FREEDOM TOWNSHIP

NOTICE: I will be at my office from 1:00 p.m. to 5:00 p.m. or by appointment, to register qualified electors and amend registration records.

TO: QUALIFIED ELECTORS OF SHARON TOWNSHIP

NOTICE: I will be at my office from 8:00 a.m. until 8:00 p.m. to register qualified electors and amend registration records.

IF YOU HAVE MOVED RECENTLY,
you must amend your registration record.

Election is being held to vote on the following proposals:

STATE PROPOSAL A

A PROPOSAL TO INCREASE THE SALES/USE TAX FROM 4¢ TO 4½¢ PER DOLLAR AND CONSTITUTIONALLY DEDICATE FUNDS FOR LOCAL SCHOOLS

The proposed constitutional amendment would:

- 1) Constitutionally dedicate to schools:
 - a. ½¢ increase in sales/use tax;
 - b. Current statutory revenue sources, including lottery profits and some cigarette/liquor taxes;
 - c. Increased share of existing sales/use tax (51% to 68%) to substantially replace annual school appropriation.
- 2) Distribute dedicated funds to school districts as provided by law.
- 3) Activate increased statutory penalty to deny 100% of state funds to schools not adopting core curriculum and improvement plans.

Should this proposal be adopted?

YES
NO

STATE PROPOSAL B

A PROPOSAL TO INCREASE THE SALES/USE TAX FROM 4¢ TO 6¢ PER DOLLAR, REDUCE SCHOOL PROPERTY TAXES, SET PERMANENT SCHOOL OPERATING MILLAGES NOT SUBJECT TO VOTER RENEWAL, AND CONSTITUTIONALLY DEDICATE FUNDS FOR LOCAL SCHOOLS

The proposed constitutional amendment would:

- 1) Constitutionally dedicate to schools:
 - a. 2¢ increase in sales/use tax;
 - b. Current statutory revenue sources, including lottery profits and some cigarette/liquor taxes;
 - c. Increased share of existing sales/use tax (51% to 75%) to substantially replace annual school appropriation.
- 2) Reduce property taxes in most school districts. Replace school taxes with permanent statewide millage (9 - mills on residential/farm; 14 - mills on businesses) plus non-voted local millage not subject to voter rollback. Limit voter-approved increases to 4 - mills.
- 3) Set per-pupil funding guarantees subject to change by law requiring 2/3 vote.
- 4) Activate increased statutory penalty to deny all non-guaranteed state funds to schools not adopting core curriculum and improvement plans.

Should this proposal be adopted?

YES
NO

7th Grade Football

Manchester 14
Vandercook Lake 0

The 7th grade Dutchmen extended their season record to 2-0 with a 14-0 victory over Vandercook Lake Wednesday afternoon September 20. The Manchester defense once again dominated the game.

The Dutch took the opening kickoff and with 4:35 left in the first quarter, Micah Puscas scored on a 30-yard touchdown run. Geoff Brooks carried the ball for a 2-point conversion to put Manchester ahead 8-0.

With no scoring in the 2nd quarter, Manchester kicked off to open the second half and again stopped the Jayhawks on downs. The resulting punt was returned 40 yards by Brent Hoeft to the Vandercook 30-yard line. On the first play, Micah Puscas went the entire distance for his second touchdown of the day. The extra point try failed; the Dutch led 14-0.

The defense again was out-

standing with Jay Eiss intercepting a Jayhawk pass with 1:34 left in the 4th quarter.

The offense ran out the clock and Manchester had 2 in a row. Defensively, Shane Goodell shined with 2 quarterback sacks; Geoff Brooks also had several tackles.

Geoff Brooks had a big day offensively as well with several big runs. Jeff Kemmer accounted for additional big gains. The entire Dutch line did an outstanding blocking job the entire game.

Notice To Village Residents

8th Grade Football

The 8th grade football team, undefeated as 7th graders, marked up their 2nd win this year beating Vandercook Lake 34-6. Vandercook Lake found it difficult to pick up yardage against Manchester's stingy defense while the Dutch did not have to punt once during the game.

VL took the opening kickoff by Jeremy Strook and returned it to their own 30. They were forced to kick on 4th and 15 from their own 25. Brent Woods returned the punt to the VL 18 and Mike Barnard tossed to Matt Fielder for the 1st touchdown. Conversion was no good.

VL then took the kickoff to their 30 again and were held to 2 yards before punting. The first punt was called back on a penalty but the next punt left the Dutch on their own 42. Shane Ahrens ran to the VL 35 before Tom Fielder took over. An offside penalty at the 20 put the ball on the 15, and Tom carried it in on 2 plays. Again, the 2-point conversion failed.

VL returned the next kickoff from the 25 to their own 37. They again punted and the Dutch had the ball on their 49. On a 4th down and 2 to go, Tom Fielder carried to the 35 of VL. Then Brandon Woods carried to the 11. This time Shane Ahrens took a pitch and ran around right end for the TD. Mike Barnard completed the 2 point conversion by tossing to Matt Fielder. The score with 35 seconds to go in the half was 20-0. VL again took the kickoff at their own 20 and returned it to the 33. Two pass plays put the ball at the Dutch 25 when time ran out in the half.

Manchester received the 2nd half kickoff and scored their 4th TD on a 20-yard run around the right end by quarterback Mike Barnard. Brent Woods scored on the 2 point conversion. Midway through the 3rd quarter it was 28-0. But VL was not about to be shut out. They returned the ensuing kickoff for a TD as their return man was spun around at mid-field, but outdistanced 2 Dutch defenders in hot pursuit.

Brandon Woods received the kickoff at the 20 and returned it to the Dutch 42. Tom Fielder gained most of the yardage in this series, with Mike Barnard picking up a crucial first down on a 3rd and 12 situation. Shane Ahrens ran around left end for what looked like a 25 yard TD, but it was called back to the VL 43 on a clipping penalty. After an incomplete pass Mike Barnard ran out of bounds at the 33 and then threw a TD pass to Matt Fielder. Conversion failed. Score 34-6.

VL took a short kick at their 47 and, after several plays, made it to the Dutch 20, where Gordy Gilbert knocked the runner out of bounds. Tom Fielder then intercepted VL at the 18 and Manchester moved the ball to the VL 37 before time ran out.

Dutch Golfers Fall

On Tuesday, we hosted Onsted on our home course, Clark Lake, and lost 184-180. Tim Burkhardt was our low shooter with 44 as Chris Spalding had a 45. Dave Mitchell stroked 46 and Chris Wiethoff tallied a 49. This leaves our season's win-loss record knotted at 3.

Statewide Campaign Comes To Manchester

The Michigan Citizens Lobby's statewide Campaign to Cut Auto Insurance Rates will come to Manchester September 25 to October 20. That's when 30-50 MCL canvassers will begin discussing the issue "door-to-door with local residents."

The largest consumer organization in the state, MCL is a nonprofit, nonpartisan organization working to promote the interests of consumers in the legislative process, according to MCL President Richard Stoddard.

"We believe Manchester residents, like those across the state, deserve auto insurance rate relief," said Stoddard. "And they can win a reduction in premiums if they'll join our efforts. Together, I know we can convince the Legislature to act."

Stoddard said canvassers would be informing Manchester residents of pending legislation to reduce auto insurance premiums and reform the way rates are set in the future. He said they would also seek petition signatures, memberships, and contributions in support of MCL activities.

"In the battle to reduce auto insurance rates, we are taking on one of the wealthiest and most powerful lobbies in the nation: insurance companies," Stoddard said. "We can only be successful

with grass roots support from communities throughout the area. Your legislators need to know this issue is important to you. They need to know the folks back home will be watching their votes on this one."

Stoddard said canvassers will be asking residents to sign petitions of support for legislation which would:

- Roll back auto insurance by at least 20 percent from their May 1, 1988 levels;
- Require future rate changes to be at least one year apart, approved in advance by the State Insurance Commissioner and based upon actuarial data from the auto insurance only;
- Prohibit the Insurance Commissioner from employment with an insurance company 10 years prior to and after serving in the office;
- Prohibit kickbacks or bribes in connection with the resolution of auto repair claims;
- Require greater disclosure by insurance companies of costs, revenues, profits and losses;
- Require the Insurance Commissioner to maintain a computerized rate registry, containing up-to-date premium information on insurance companies throughout the state, with access by consumers.

Shakespeare Reading Club

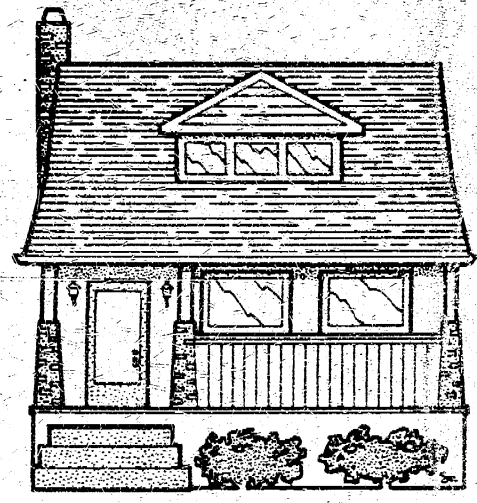

Nine Shakespeare Club members journeyed to Ann Arbor to the Bentley Historical Library. The original Club's member's minutes from 1897 through 1985 were presented for addition to the Michigan Historical collections of the University of Michigan. Copies of these minutes have been made and are now in the Historical Room of the Manchester Township Library.

The group was given a tour of the Bentley Library. The climate-controlled storage area was of particular interest.

The next meeting will be held at the home of Patty Swaney at 2:00 p.m. October 3. Her topic is on Varina Howell Davis.

IMMOVABLE OBJECT

IRRESISTIBLE CREDIT

Your house is a fixed investment, but it can take you around the world. With equity-based credit from Comerica, you can consolidate debt, pay tuition or medical expenses, or even take a vacation.

FIXED EQUITY INSTALLMENT LOAN
 Comerica's new Fixed Equity Installment Loan provides financial freedom of \$5,000 to \$25,000. From Hollywood to Hong Kong, it provides access to the leverage you need to take on the world.

IDEAL LINE
 Our Ideal Line has the same great advantages, but with available credit of \$5,000 to \$200,000. As an added convenience, an optional VISA® card* is offered with the Ideal Line. Either account can be accessed by simply writing a check. The interest for both accounts is only 2% over the Comerica Bank-Detroit prime lending rate.** This is usually much less than unsecured financing, i.e. credit cards, personal loans, etc.

EQUITY LINE
 Equity Line is a powerful financial management tool offering credit between \$20,000 and \$200,000.

If you apply before **October 31, 1989**, we'll waive the loan processing fees. Stop into any Comerica branch, or call 1-800-292-1366 for full details on our equity-based lines of credit. With Comerica, the world is as close as home. *Ideal Line will be subject to a \$24 annual fee after the first year. **Rate subject to change.

Just for Me!

"I was looking for a way of eating and preparing food that I could stick with for life. I didn't only want to lose the weight. I wanted to keep it off. Forever. I've learned to cook the healthy way, and as a result, my whole family is benefiting. And the best part is that it's not a 'diet' in the way I used to think of a diet. I don't count calories and the food isn't 'diet' food — it's good, real food. The fact that the program is medically based is important to me, too. Having the benefit of a dietician to help me plan my program and talking with a nurse three times a week has made all the difference. So far, I've lost 24 pounds in this program, and I honestly believe that they're as happy for me that I've lost the weight as I am. That means a lot to me."

Cards of Thanks

The Community Resource Center and the Substance Abuse Awareness Committee wish to say THANK YOU to the Manchester United Methodist Women, Manchester United Methodist Church, Walco Foods, DuRussell Potato Farms, Baker's Dozen, Alber Orchard, Rollie Grossman, Joe Moore and Cooper & McCoy Associates for donations of time, food and energy for the kick-off event for SHARE THE VISION, a substance abuse awareness training program for the community.

We wish to extend our most sincere appreciation for all of the many gifts of love, kindness and support that we received as we mourned the loss of our husband, father and special friend.

Thank you Rev. Kuntzman, Rev. Doty, Ron Jenter and Ladies of Emanuel Church.

The family of Allen W. Schaffer Joe & Pat Fitzgerald

Our great thanks to this warm and caring community for the sincere concern shown our family since our son Vida's recent accident. A special thank you to Dr. Hwang for his immediate care - and also to all the folks at Saline Community Hospital! Deeply heartwarming was the caring and attention of Manchester young people - especially the 7th grade football team. Thank you all so much.

Sincerely, Janet and Bill Shurtliff

Village Planning Commission

Regular Session August 15, 1989

PRESENT Daverman, Lowery, Palms, Way, Walton, Gleason, Boone (entered 7:36), Schiller (entered 7:43)

Absent: Turk
Also present: Don Limpert, Joan and Sam Beal, Betsy Rhine (architect)

CALL TO ORDER The meeting was called to order at 7:36 by Chairman Daverman in the Council Room of the Village Hall.

APPROVAL OF AGENDA Gleason made a motion to approve the agenda. Lowery seconded the motion. The motion passed on a voice vote.

MINUTES OF PREVIOUS MEETING Daverman made the following additions: under Hop-In Sign Permit, last line, add "future" between "on" and "sign", and under Manchester Post Office, line 7, change "has" to "had" and add "not" after "had".

MEMO ON SITE PLAN VIOLATIONS Daverman informed the Commission that Council appreciated receiving this memo, and added comments and further notations. Boone recommended the use of surety bonds to help insure compliance, and noted the bond

Way made a motion to approve the minutes. Walton seconded the motion. The motion passed on a voice vote.

Daverman noted that a letter concerning Site Plan construction violations has been sent to Council.

A letter from Mr. Kellum, Chairman of the Manchester Township Planning Commission was read which invited Planning Commission members from the Village and surrounding townships to attend a meeting August 17, 1989 at 8:00 in the Township Hall. The main purpose being to explore ways in which the five Planning Commissions might work more closely with each other.

Daverman asked for a volunteer to read a packet on Site Condominiums from the Washenaw County Planning Commission, and present a report on the material at the next meeting. Way volunteered.

Daverman asked Boone if he would write a rough draft for discussion on Special Use Permit Zones.

Daverman asked for a volunteer to read a packet on Site Condominiums from the Washenaw County Planning Commission, and present a report on the material at the next meeting. Way volunteered.

VARIANCE FOR OFF STREET PARKING, SAM BEAL PETITIONER

Discussion centered on the number of on-street and off-street parking spaces and their locations, ease of getting in and out of spaces, loss of Village on-street parking, blind spots created by the block building which divides the parking area (affecting both pedestrian and vehicular traffic), and placing the handicapped parking on Main Street.

Lowery made a motion to recommend approval of the Site Plan for the parking lot expansion with the following changes:

1. The handicapped parking be located near the corner on Main Street;
2. The width of the parking spaces be reduced to the code minimum of 10 feet each and the difference be used to provide more space between the block building and the nearest parking space to it, thereby creating less of a blind spot while maintaining the same number of parking spaces.

Schiller seconded the motion. The motion passed.

Daverman made a motion to recommend to Council the approval of the variance request that four on-street parking spaces be used in the count to meet the requirements of the code. Schiller seconded the motion. The motion passed on a voice vote.

RAILROAD RIGHT OF WAY: PLANNING COMM. REVIEW The Village Council requested the Commission consider uses for the Railroad right of way located within the Village. Questions were raised as to who actually

owns the right of way. Discussion included possible use as an emergency roadway (eastern portion), private development, and questions concerning the possible sale of sections (legal).

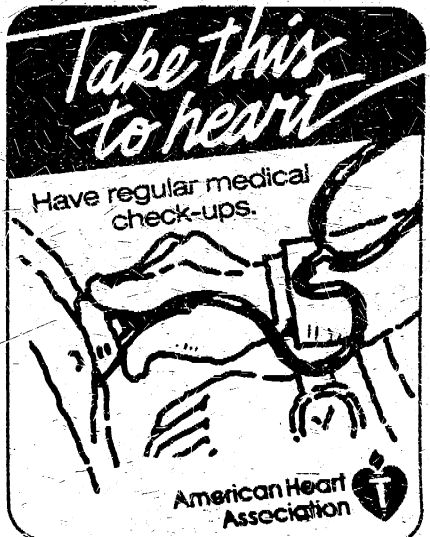

Boone made a motion to table the topic until the next meeting in order to provide the opportunity for on-site examination. Palms seconded the motion. The motion passed.

NEXT REGULAR MEETING Daverman noted he would not be in town on the date of the next regular meeting. The Commission decided to hold the meeting the following week (September 19, 1989 instead of September 12, 1989.)

ADJOURNMENT Daverman made a motion to adjourn the meeting. Palms seconded the motion. The motion passed. The meeting adjourned at 9:44.
