THURSDAY, OCTOBER 19, 1989

Receives Optimist Award

Optimist Club member Mary Kalawaard, Brian and Mr. and Mrs. John Ball.

The Optimists awarded the honor of Outstanding Student for the month of September to Brian Ball. Brian is a senior and the son of John and Beth Ball of Sharon Township. He has been Class Vice President in 9th, 11th, and 12th grades and a member of the National Honor Society since his junior year. His other academic achievements include the Quiz Bowl Team this year and last, and the Academic Games Team this year. Brian has participated in

football, wrestling and track since his freshman year. He has also been a member of both the Drama Club for 4 years and president of the Lamb Club for 2 years.

Brian is a member of the Leadership Class this year and has been a member of Students Against Drunk Driving since his sophomore year. He has served St. Mary's parish as an altar boy for almost 8 years and plans to major in aerospace engineering at Western Michigan. Optimist Mary Kallewaard presented the award.

Michigan Bell Tour

Michigan Bell is inviting customers in the Manchester area to tour the company's 326 Madison Street facility during an open house October 26 when they'll be able to see the latest generation of telephone-call processing equipment.

Installed in the renovated central office at a cost of \$800,000, the new computerized processor serves the 2,500 business and residence customers in Manchester's 428 exchange, said Marcia Buhl, Michigan Bell's local public relations director.

Buhl said the processor will be activated October 14 and will provide area customers with Touch-Tone and Custom Calling Services such as Call Waiting, Three-Way Calling and Speed Calling.

"With the new switch," she said, "callers must remember to dial all seven digits of a phone number—and not just the last four digits, as they've been doing for years."

The telephone call-routing center will open its doors from 4:00 p.m. until 6:00 p.m. Light refreshments will be served.

Allan Curry Chairman of Manchester United Way

dentical practice in Manchester. Al has always been involved in the Manchester community. His hobbies include bowling and softball. He was one of the organizers of the Manchester Men's Softball League which is in its fifth year, and plays on one of the teams—Al's Drilling. Al has been a member of the Manchester Optimist Club for the past 3 years. He is serving as the 1989 Vice-President of the Optimists. He is also a member of the American Dental Association.

Al wants to emphasize the importance of the United Way Campaign to the community of Manchester. Many people think of the United Way Fund as merely a commercial that is shown at the beginning of football games, and

The Manchester United Way Board is please to announce that Dr. Allan Currey is serving as General Chairman of the Manchester United Way 1989 Campaign.

Dr. Currey spent his childhood in Almont, Michigan, which is in the lower Thumb area. He earned his undergraduate degree from Michigan State University in 1972 and in 1976 graduated from the University of Michigan School of Dentistry.

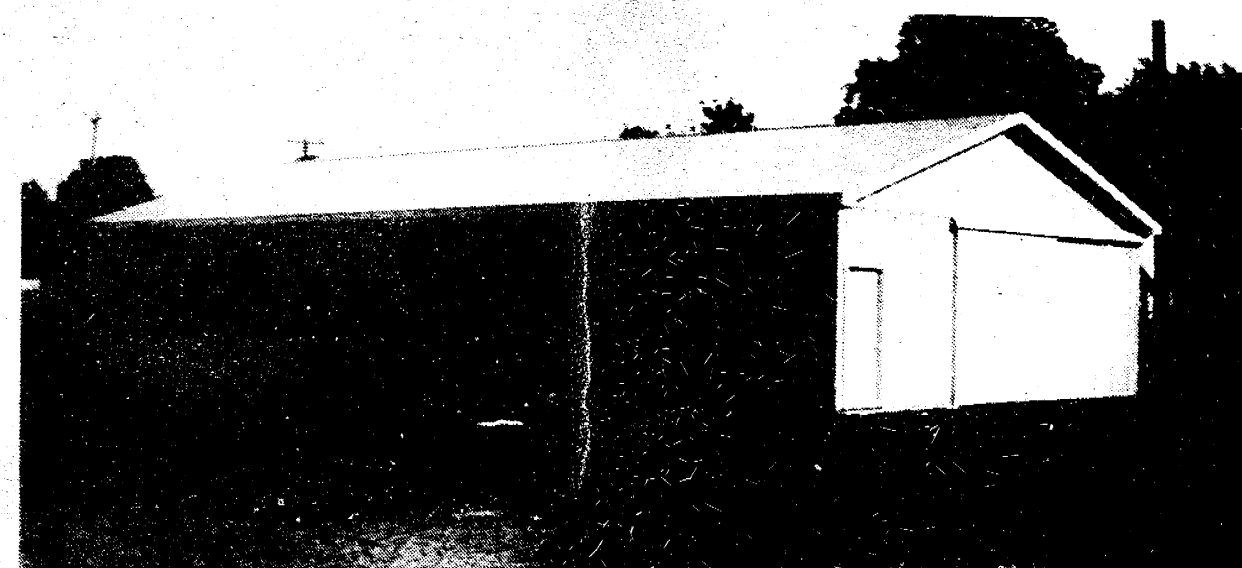

Al moved to Manchester with his wife, Chris, in 1976. The following year, they opened Al's

fail to realize the vital function it serves in their community. Each family should have recently received a letter from the United Way which specifies where the contributions are allocated. If everyone would take the time to re-read the information, they will see that most all the money stays in the community.

Al and the United Way Board are confident that the residents of Manchester will continue their tradition of generosity in this campaign.

"It's Time To Share - Let's Give The United Way!"

New Exhibit Building Completed

New exhibit barn on fairgrounds

Photo by Jon

Several Manchester Community Fair Board members spent October 14 and 15 putting stain on the new exhibit building that has just been built.

This building has been made possible from two sources: One, a grant from the Michigan Department of Agriculture, this year only, money that has been made available through the Fair Enhancement Program.

The second source of help for the construction of this building is

YOU, the supporters of your community fair. For several years, Fair Board members have asked you to donate that dollar by purchasing a drawing or "300" club ticket. The proceeds from these donations have been kept in a separate account for the advancement of the Fair.

With these two sources, the Manchester Community Fair Board is proud to give you a 30' X 64' building to replace the exhibit tent.

Start working on those projects now for your entries at the Fair. Help us fill that new building with crafts, baked and canned goods, plants and flowers, photography and fine arts.

This building will have a double use. Many items have had to be stored in several different areas through the year. They can now be stored right in this building and be ready to use at Fair time.

Help us celebrate. Let's make the 1990 Manchester Community Fair the greatest ever.

What They Say About Us

Manchester Enterprise
September 29, 1987

The Manchester Enterprise put out a splendid eight-page paper on the beginning of the 21st volume last week. It was a very interesting number. — Clinton Local

At the end of another year Mat Blosser will make the Manchester Enterprise 21 years old, and one of the prettiest little publications in Michigan. — Detroit Evening News.

The Manchester Enterprise issues a double number this week to celebrate its 20th anniversary. Blosser is a good printer and knows how to get out a lively paper. — Observer.

The Manchester Enterprise, one of our most valued county exchanges, this week enters upon its 21st year. It is always newsworthy and abreast with the times on all matters of public interest. — Register.

The Manchester Enterprise commences its 21st year this

week. Right in the prime of life, it is bright, wideawake, and an honor to the people of Manchester and of Washtenaw county as well. — Courier.

The Manchester Enterprise issued a double number last week in honor of its 20th anniversary. It is an interesting number and reflects credit on Mat's abilities as an enterprising printer. — Tecumseh News.

The Manchester Enterprise was 20 years old last week, and celebrated the event by publishing a double sheet. It was the best single issue of the paper ever put forth from the Enterprise office. — Tecumseh Herald.

The Manchester Enterprise came out last week with a double sheet in honor of its 21st birthday. The Enterprise is one of the best local papers in Washtenaw county and is full of spicy matter. We hope that it will prosper and live to that good old age, three score and ten. — Chelsea Herald.

Senior Citizens News

Osage oranges are back on the table at senior lunch, ready to combat the winter spider crop. There seems to be an abundance of deer and pheasants who must cross the roads. Daughter Bev told us of riding her cutting horse in the deep grassy field recently when a pheasant flew up under the front legs and hit her gelding on its nose. Told her that was an interesting way to hunt! And aren't the trees pretty - fall is a nice time up north. It's a great time for us seniors to enjoy the trips planned.

Thursday, October 19: Noon lunch will be new lasagna and go to the Center afterwards to play bingo.

Obituary

Stuart A. Wykes
13940 Sheridan Road
Manchester

Age 68, died Wednesday, October 11, 1989 at his home. He was born November 5, 1920 in Gaines, Michigan, the son of Robert and Florence (Lee) Wykes. He was married to Marjorie Weitz on November 21, 1944. She survives. He was an Army Air Corp veteran of WW II.

In addition to his wife, he is survived by 3 sons, Joseph Wykes (Barbara) of Ann Arbor, Bruce Wykes (Jacqueline) of Belleville, John Wykes (Sheree) of Farmington Hills; 1 daughter, Mrs. Cecil (Patricia) Adams of Milan; 6 grandchildren; 2 brothers and 1 sister.

Cremation has taken place. Memorial contributions may be made to the Leukemia Foundation or to Individualized Home Nursing Care.

Monday, October 23: Chelsea is the trip designation and the Depot Museum there. A time for shopping will be allowed, so call Erma Alber at 428-8707 to go along on the senior bus.

Tuesday, October 24: Blood pressures will be taken starting at 11:00 a.m. by one of our local nurses. Danish meathalls will be served at noon. Health talk at 12:30 will be presented by Sylvia Brown on topic "Vaccination, Who Needs It?"

Thursday, October 26: This is fish day and Jan has come up with Broccoli Stuffed Scrod. I'm confused-did she mean the scrod will be stuffed with broccoli or (you know what I mean). Stay tuned, fish is going to get fancier names as time goes on. Come and get it at 12 noon, but first, call 428-8359 ahead or 428-7690 on meal days before 10:30 a.m. Starting at 8:00 p.m., seniors are sponsoring their monthly card party at Freedom Township Hall. Come on, you eucheir players and enjoy.

Looking ahead: Chore Day begins at 8:30 a.m. by members of the National Honor Society. They are anxious to help do those chores that you cannot do around your homes. Senior citizens may call Rubena at 428-8655 to be placed on the list.

The date for flu shots given by the Washtenaw County Public Health Division will be Thursday, November 9 from 9:00 a.m. to 12 noon. These will be given at Emanuel UCC dining room.

King's Daughters

The King's Daughters will have their meeting Thursday, October 26, 1:00 p.m. at the Manchester United Methodist Church.

Teen Helps Out At Health Center

Diane Vedder, 17, of Manchester, went career exploring this summer at Catherine McAuley Health Center. She was one of 55 area teens who helped out as volunteers in the summer teen program.

An eleventh grader at Manchester High School, Diane volunteered because, "I like to help people." She also has an interest in a future career in either psychology or nursing and wanted to get some firsthand experience in a hospital setting.

She helped out in central supplies, getting supplies ready for surgery and running supplies up to the operating rooms.

She says her summer volunteering was a success because she learned a lot about the hospital. Another bonus was meeting lots of interesting people.

"I really enjoyed the people there. They're really nice."

Signup for the fall program for adults and teens is underway. Now that the summer teen volunteers are back in school, many volunteer openings will be available throughout the Health Center.

Volunteers can work directly with patients or in non-patient contact positions. Weekday, evening and weekend hours are available. A six-month commitment is requested. Complete orientation and training are provided for all volunteer programs. To find out more about volunteering, call the volunteer office, 572-4159.

Surplus Foods

Federal Surplus Foods will be distributed on Friday, October 20, at the United Methodist Church, 501 Ann Arbor Street. Distribution will be from 9:00 a.m. until 11:00 a.m.

INSURANCE

Notes

Why Are Auto Rates Higher Some Places Than Others?

The simple answer is experience. For example, statewide, one out of every 181 cars is stolen each year. However, in metropolitan areas, this can increase to a whopping one out of every 20 cars! The cost of auto repairs may vary as much as 30% and differences in medical costs are even higher. To avoid requiring everyone to pay for problems in other areas of the state, companies have developed state-approved territories which are used for setting fair rates based on each territory's own experience.

Community Resource Center World Community Day

The Community Resource Center Board meeting will be October 25 at 7:30 p.m. at the Freedom Township Hall. All Board meetings are open to the public. This is a special invitation to participate in "An Evening with the CRC."

The evening will consist of pie and coffee at 7:30 followed by a short presentation by Board members, participating organizations and the director.

There will be an opportunity to ask questions about the Community Resource Center and to make suggestions for its involvement in the community. Come and become acquainted with the mission of the CRC.

Substance Abuse Public Hearing

The Livingston/Washtenaw Substance Abuse Coordinating Agency will hold a public hearing on the substance abuse treatment/prevention needs for Washtenaw County.

The hearing will be held on Wednesday, October 25, 1989, at 4:30 p.m. at the Washtenaw County Service Center Cooperative Extension Building, located at the corner of Washtenaw and Hogback Roads, Ann Arbor.

Written testimony will be accepted before November 3, 1989 by Livingston Substance Abuse Coordinating Agency, 110 Fourth Ave., Ann Arbor, 48104 telephone 994-2601.

Church Women United will observe World Community Day on November 3rd at the Sharon United Methodist Church at 1:30 p.m.

The theme for this year's observance is "To Pray Is To Risk". The worship service materials were prepared by a team of Korean-American women who have lived immigrant lives in the U.S. Mr. Neil Ericson of Prescott, Michigan, will have slides to help illustrate his experiences as he participated in a work Mission trip.

An offering will be received for Church Women United. These monies are used for building relationships between Christian women all over the world, aiding women in poverty, and for programs of peace and justice in the U.S.

A time of fellowship will follow the service.

The Manchester Community Schools, Board of Education meeting was called to order by President Sahakian at 7:30 p.m. in the High School Library with a Pledge of Allegiance.

Members Present: Sahakian, Gaughan, Gordon, Kluwe, VanBogelen, Gilbert, Turk

Also Present: Supt. Niedzwiecki; Ken Roof, Auditor; Principals Henry and Morrison; and, Director of Student Services A. D. Lewis

Communications: Board members discussed the correspondence received from the Huron Services for Youth meeting to be held on November 11, at the Ypsilanti High School.

Visitor Input: Mr. and Mrs. Jack Kurrie from the Tri-County Bicycle Association, Lansing, addressed the Board regarding a bicycle tour from Lansing to St. Ignace in July of 1990, and the use of school facilities.

The Minutes of the regular meeting on September 18, 1989 were approved as corrected. The minutes of the special meeting on September 27, 1989 was approved as presented.

Financial Report: The financial

report was approved as presented with a cash balance as of September 30, 1989 of \$1,369,209.07. Bills Payable - Total bills in the amount of \$1,607,896.67 were approved for payment.

Mr. Kluwe presented the Board with a proposal regarding a position statement: 1989/90 Tax Collection Payments.

Financial Audit: Mr. Ken Roof from the firm of Gross, Roof & Company presented the financial audit report to the Board. After discussion, the Board accepted the financial audit as presented.

Discussion Items: The Fourth Friday Pupil Membership report was given to the Board by the Superintendent. Enrollment for 1989-90 is 1,094.

Board Policy 5144-Prohibition of Corporal Punishment. The Superintendent is recommending the revision of this policy which prohibits the threat to inflict and cause to be inflicted corporal punishment upon any student. The policy also defines the use of reasonable force. This was the first reading of the revised policy and Board action is not required at this time.

Board Policy 5300-Tornado Procedures. This policy is also being recommended by the Superintendent for revision. The revision would call for keeping the students in school during a tornado watch, until the regular dismissal time. This is the first reading for policy 5300 and Board action is not required at this time.

If anyone has any questions regarding the policies revision,

please call the office of the Superintendent.

The Financial Reform Proposals A & B, which are proposals which will be on the November 7 election, the Board directed the Superintendent to provide appropriate information regarding these proposals to the district residents.

The Van Bid from Midwest Ford, of Manchester, was accepted for a 1990 Ford Super Club, 15 passenger wagon, in the amount of \$17,482.

Two vehicles were purchased from the State of Michigan Auction on Saturday, October 14, 1989. 1-1984 Chevrolet Van 12 Passenger and 1-1983 Chevrolet 1/2 ton pick up. These are replacements for the maintenance brown van and the 1/2 ton blue pickup used for grounds.

Meeting adjourned at 8:50 p.m.

Chapter I Parents Night

If you are a parent who's child is receiving Chapter I services in reading or math, if you would like to meet the Chapter I staff, or if you would like to learn more about helping your child learn outside of school, you should head for Klager Elementary School on Thursday, October 26 at 7:00 p.m.

A special parent's information night has been scheduled to share information on these topics. Please come join us for the evening.

Village Council Minutes

October 2, 1989

PUBLIC PARTICIPATION

None

TREASURER'S REPORT

The regular meeting of the Manchester Village Council was called to order with the Pledge of Allegiance to the Flag by President Kallewaard at 7:00 p.m. Council members present: Kallewaard, Wallace, Reinhart, Kwolek, Becktel, Cooper, Marshall and Schaffer. Also present: Tim Daly, Karen Tucker, Brad Roberts and D. E. Limpert.

The minutes of the September 18, 1989 regular meeting were presented to Council and approved as corrected on a motion by Becktel, supported by Cooper. Ayes - all.

APPROVAL OF AGENDA

Council approved Agenda as amended, moving appointment of Clerk on motion by Marshall, supported by Reinhart. Ayes - all.

APPOINTMENT OF CLERK

Council approved appointment of Karen Tucker as Village Clerk on motion by Becktel, supported by Kwolek. Ayes - all. Clerk was sworn in by resigning Village Clerk.

RESIGNATION OF CLERK

Council accepted the resignation of Constance Schaffer as Village Clerk with regret and expressing appreciation.

CORRESPONDENCE

None

ACCOUNTS PAYABLE

Marshall offered the motion, supported by Wallace to pay the bills as presented with two exceptions: (1) Hold McNamee, Porter & Seely's invoice #24777 in the amount of \$1,000. (2) Pay only \$468.75 of the \$5,250.60 bill from Reading and Etter, making the total payables \$62,740.92. Roll call vote: Ayes - all.

REPORTS

Sheriff's Report: Becktel stated the Sheriff will report October 21. There was a reminder that Manchester has a Burning Ordinance and failure to comply is a Civil Infraction. Some discussion was made on the possibility of traffic problems in the future at Main St. and Clinton St. when the Post Office moves to their new location.

Planning Commission: Discussion was held on the vacancy on the Board left by resignation of Claire Turk. Motion was made by Kwolek, supported by Marshall, to appoint John Hinkley to fill out Turk's term. Motion carried. Ayes - all.

- all.

DPW Report: Kwolek reported on several items. Motion was made by Becktel, supported by Kwolek, to accept the bid from Layne Northern Co., quote number 926328F dated 9-13-89 for \$2,000. Vote: Ayes - all.

Becktel questioned status of repair of holes in street. Responsibility for repairs lies with Consumer Power Co.

Discussion was held on Layne Northern test well site. Decision was made to table until next meeting.

Village Hall Maintenance: Motion was made by Becktel, supported by Marshall, to accept bid from Kleinschmidt to repair four existing windows. Roll call vote: 6-Ayes, Wallace abstain.

Kallewaard reported on bid for removal of tar, nothing received yet. Agreed to table until spring.

Parks Commission: Kallewaard reported that Jeff Schaffer had resigned and recommended Pat Fielder to fill this vacancy. Motion was made by Wallace, supported by Reinhart, to approve appointment of Pat Fielder. Vote: Ayes - all.

Ordinance Committee: On Agenda for next meeting.

Finance Report: Reinhart reported on Budget. Dick Kuntz to get final figures for next meeting.

Motion was made by Marshall, supported by Becktel, to impose a 90-day moratorium on expenditures with approval of 4 Council members on any request over \$200. Vote: Ayes - all.

OLD BUSINESS

Discussion on recycling station. No grant funding possible at this time due to program criteria.

Motion by Kwolek, supported by Wallace to approve an annual increase for Brad Roberts, effective from this pay period from the Wastewater Treatment Budget due to job classification as required by DNR Operations Manual. Roll call vote: 6-Ayes, Reinhart-No. Motion carried.

NEW BUSINESS

Site Plan Review: Manchester Manor Mobile Home Park, motion by Kwolek, supported by Becktel, to table until Site Plan provided. Vote: Ayes - all. Discussion was held on fall leaf pickup. Nothing was decided. Tabled until next meeting.

OTHER BUSINESS

Transfer Site Rate Increase. Motion by Becktel, supported by Marshall, to approve new rates with amending of Brush to \$15 for stake truck. Vote: Ayes - all.

Council adjourned at 9:50 p.m.

Karen Tucker, Village Clerk

Women's Sexuality

"Perspectives on Women's Sexuality" will be the topic of the Women's Night Out for the Health of It lecture at 7:00 p.m. Tuesday, October 24, at the Raddison Center, 1275 Whittaker, Ypsilanti.

Sylvia Hacker, associate professor of community health nursing at the University of Michigan, will discuss the elements of sexuality and how women's roles have been affected by societal changes.

There will be a social hour at 6:30 p.m. with dinner at 7:00 p.m. The cost of \$19.50 per person includes dinner.

Women's Night Out for the Health of It is sponsored by Millrose Women's Health Center, a unit of Saline Community Hospital in Saline.

Reservations are required by Thursday, October 19. For more information, call Barb at 429-1555.

Village Planning Commission

Regular Session
September 19, 1989

CALL TO ORDER

The meeting was called to order at 7:35 by Chairman Daverman in the Council Room of the Village Hall.

ROLL CALL

Present: Way, Walton, Gleason, Daverman, Schiller, Lowery, Pals. Absent: Boone.
Also present: Paul Monohon, Ken Monicatti, D. E. Limpert, Diana Roberts.

APPROVAL OF AGENDA

Recommended additions to the agenda under New Business:
A. Sign Permit U.S. Post Office
B. Historic Criteria for the Bed & Breakfast Ordinance
C. Planning Commissioner Resignation
D. Final Site Plan Review for Jenter Funeral Home
Lowery made a motion to approve the agenda as modified. Way seconded the motion. The motion passed on a voice vote.

MINUTES

Palms made a motion to accept the minutes. Schiller seconded the motion. The motion passed on a voice vote.

REPORTS

At the request of the Manchester Township Planning Commission, a joint Planning Commission meeting was held August 17, 1989. Daverman and Gleason attended. Daverman reported that it was an informational meeting which dealt with computer systems, and the exploration of how such a system might benefit the Village and Townships. The practicality of such a system was questioned. However, there was definite interest expressed in getting the Village and surrounding townships together to work for their mutual benefit.

The Manchester School Board invited a member of the Planning Commission to attend a meeting which concerned goals and objectives for the Manchester Schools. Palms attended this meeting. He noted the main topic centered around the concern that the school is running out of classroom space due to an increase in school age population. A major building program will have to take place within the next five to ten years if this trend continues, and temporary solutions need to be found immediately. A committee has been formed to study this problem.

Daverman mentioned that he had been asked by Ron Niedzwiecki to serve on a Facilities Group.

REGULAR BUSINESS

SITE CONDOMINIUMS

Way had contacted the Metropolitan Planning Commission on the matter of site condominiums.

should be consulted.

2. Palms noted that if portions of the right of way are sold, it could leave small sections which would be unusable, and it would make it difficult to bring the right of way together again if there was ever a need to do so. The neighboring property owners could work around the right of way, and ownership could be retained by the Village.

3. Walton noted that water mains run down a portion of the right of way, but he had no problem with the land being sold as long as an easement was maintained.

4. Lowery questioned why, if an easement was required, should the Village sell the property. He also noted that if in the future there was a need for sewer and storm water systems to be added, they would, combined with the water line, take up 60 feet of the 66 foot right of way.

Lowery recommended waiting until the Master Plan has been developed and then looking at the uses which border the right of way. Limpert commented that the right of way should be considered along with the Master Plan or before. Daverman noted that the right of way is valid for consideration as a part of the Master Plan.

Lowery will consult with Kwolek concerning plans for possible future water lines, and Daverman will call Kallewaard for some historical background on the right of way.

Limpert noted that there was an alternate service route proposed on the north and east side of the treatment plant. It was a joint proposal which was approved by the Village engineer,

and it had the preliminary agreement from Council, but at a later date, the proposal was made null and void. Limpert also noted that the right of way prevents him from being able to develop his property.

Lowery expressed the need for a legal opinion as to whether the Village can sell part of the right of way without having to sell all of it.

Daverman made a motion to table the issue. Way seconded the motion. The motion passed on a voice vote.

MOBILE HOME PARK - L. CIOTTI, PRELIMINARY SITE PLAN

Monohon noted that a Wetlands Determination has been made and referred to a letter from the DNR concerning the determination (the Commissioners had copies passed out just before the meeting started). This letter states that "only one wetland, located along Hibbard Road near the northwest corner of the property is regulated by the Wetlands Protection Act." Monohon noted that this wetland would be used to control storm water runoff. The runoff rate would have to be equal to the agricultural runoff rate.

Schiller expressed concern that this determination did not consider discharge into neighboring ponds, Monohon stated that their project will not effect the runoff which during storms affects the Schiller property, since the topographic maps shows this runoff to be caused by land configurations which are not a part of the mobile home site.

Daverman questioned how site

Continued on next page

grading would be accomplished and not affect the surrounding land. He noted they had presented no proposed topography. Monohon stated that the Mobile Home Park Act states they do not have to provide specifics at a Preliminary Site Plan Review. Daverman responded that he was not asking for engineered drawings, but for hypothetical grades. Monohon noted that they could not drain water underneath an improved site to an adjoining piece of property, and that whatever drains from this property now underneath as a normal agricultural runoff, can be retained. Daverman questioned Monohon if they would have to cut 30 to 40 feet of hill to even start draining. Monohon replied in the affirmative.

Schiller asked why the small pond could not be maintained. Monohon responded that they would lose five lots.

Palms emphasized to Monohon that the community doesn't want to see mobile homes sandwiched in, and there is concern that the mobile home park could be unsightly. He stressed that the community would like to see some areas preserved in order to enhance the looks of the property. The main issue of concern being to make the site look appealing to the community. He expressed the need to come to a compromise.

Limpert questioned Monohon on how much cut and fill would have to be done to meet the requirements of the site and noted that the drainage proposed

does drain through a natural spring-fed pond, and runoff from paved parking lots and driveways affect the quality of the water. Monohon answered that it could be as much as a 30-foot cut.

Daverman questioned whether the cut and fill process would possibly involve the north triangle. Monohon said they planned for all cut and fill operations to take place within the area zoned MHP.

Limpert also expressed concern that if he built a house or houses near the edge of his property, he would be looking down on house-trailers. Daverman explained that according to the topo and the proposed cuts, Limpert would be looking at the sides of the mobile homes, not onto the roofs.

Monohon noted that the Mobile Home Act supercedes the Village Ordinance. This includes the Commission's concerns over the location and size of the recreation area, buffers, street widths, grading, etc. He emphasized the fact that they are meeting all of the State requirements.

Daverman questioned if the mature trees in the greenbelt would be left. Monohon stated they would have to remove them in order to put in underground utilities. He was asked why these utilities had to be placed in the back. Monohon responded it presented a neater appearance.

County Health Commission, through the DNR. He referred to a letter from Mr. Coles of the Surface Water Division of the DNR.

Daverman stated that the other items of the Preliminary Site Plan had been addressed. He noted that the cut and fill is extensive and the visual impact on neighboring properties has always existed as an issue. The fact that it is zoned as a mobile home park site, is something the property owners do have to contend with, and stressed that we are trying to minimize the effect on neighboring properties. Daverman didn't think there was anything at this point which would prevent them from doing this cut and fill, but that preventing them from doing so could hamper their development of the site and possibly constitute a potential taking of that area. Daverman stressed that what we are trying to accomplish is the development of a quality mobile home park. He also stated that the requirements for a Preliminary Site Plan have been met.

Walton made a motion to approve the Preliminary Site Plan for the Manchester Manor Mobile Home Park. Lowery seconded the motion. Roll Call Vote: One Abstention (Schiller). Six Yes votes and 0 No votes. The motion passed.

NEW BUSINESS

SIGN PERMIT U.S. POST OFFICE

Daverman made a motion to approve the Sign Permit for the U.S. Post Office. Lowery seconded the motion. The motion passed on a voice vote.

HISTORIC CRITERIA FOR THE BED AND BREAKFAST ORDINANCE

It was noted that Council approved the Bed & Breakfast Ordinance at their last meeting. Planning has been asked to develop historic criteria to be applied to the Bed & Breakfast Ordinance. Daverman recommended the proposed Historic District Ordinance be used as a guide. Palms volunteered to work on developing criteria.

PLANNING COMMISSIONER RESIGNATION

Daverman informed the Commission that Turk had resigned, and therefore it is necessary to find a new Commission member. He suggested notifying Kallewaard of any recommendations Commissioners' might have.

FINAL SITE PLAN-JENTER FUNERAL HOME

Daverman noted that not all information has been filled out on the application. The drawing also does not provide enough information. Daverman recommended the Commission make a statement on what information needs to be provided. The following problems were listed:

1. Jenter's plan places parking in the front setback.
2. Gravel can spill onto the

sidewalk create a safety issue.
3. At the time the parking lot was put in, an unshielded high intensity light was installed which affects the neighboring house.

The following suggestions were made on how to remedy the problems:

1. Shield the high intensity light.
2. Eliminate one parking space (10ft.) and use this space as a greenbelt. It was noted this would still mean there would be parking in the front setback. It was stressed, however, that lack of sufficient parking space is a problem, and that due to the nature of the business, parking is infrequent and short term. It was recommended that a provision be made stating that parking in the front setback be for funeral purposes only. No other parking would be permitted in this setback.

Daverman made a motion to table the Jenter Final Site Plan so that all necessary information could be provided and to advise Jenter of the Commission's recommendations. Also, if at a later date, the lot is to be upgraded to a paved surface, the issue would have to come back before Planning. Schiller seconded the motion. The motion passed on a voice vote. Lowery will present the recommendations to Jenter.

ADJOURNMENT

The meeting adjourned at 10:30.

Michigan Bell Service Bulletin

ANNOUNCING SERVICE CHANGE, OPTIONAL FEATURES EFFECTIVE OCTOBER 14 FOR MANCHESTER CUSTOMERS

Your Michigan Bell Public Relations Manager, Marcia Buhl, announces that beginning Saturday, October 14, 1989, new electronic telephone switching equipment will begin serving customers in the Manchester 428 exchange. There will be a change in your phone service, and some optional features will become available.

The service change is:
• You'll hear a noticeable difference in your dial tone.

Here's more information about the optional features:

- CALL WAITING***
You won't miss incoming calls while you're on the phone. When another call comes in, a beep tone tells you another call is waiting. Monthly charge: Residence, \$3.74; Business, \$5.91.**
- CALL FORWARDING**
Missing important calls while away from home or business? Call Forwarding lets you automatically forward incoming calls to another number, local or long distance. Monthly charge: Residence, \$2.00; Business, \$3.74.**
- THREE-WAY CALLING**
Talk to two other people at the same time to arrange meetings, reunions or just to enjoy an old-fashioned gabfest. Monthly charge: Residence, \$3.74; Business, \$5.24**
- SPEED CALLING**
Save time, make fewer mistakes and make it easier for children to make calls, especially in an emergency.

Dial fewer digits. Monthly charge: Residence, \$2.30 for 8 numbers, \$3.74 for 30 numbers; Business, \$3.74 for 8 numbers, \$5.24 for 30 numbers.**

TOUCH-TONE CALLING
Only Michigan Bell Touch-Tone Service transmits a special high-speed signal that gets you from one phone to another with great speed and accuracy. Monthly charge: Residence, \$2.43; Business, \$2.50 per line.**

These services have a one-time connection charge of \$30.50.** To start enjoying them soon, residence customers call toll free **1 800 482-8055** and ask for extension **156**; business customers call **1 800 445-5MBT, Ext. 340**.

If you have any questions about your service, you'll find the telephone number on the Michigan Bell Current Charges page of your bill.

*Cancel Call Waiting is provided automatically with Call Waiting at no additional charge where available.
**Rates effective April 23, 1984, subject to change on approval of the Michigan Public Service Commission. Taxes not included. These features (except Touch-Tone Service) are available only to customers with one-party service.

Jolly Farmerettes

The fall organizational meeting of the Jolly Farmerettes 4-H Club was held September 30, 1989. There were 9 members, 4 leaders and 3 visitors present. The meeting was called to order by President, Jodi Parr, who also led the flag pledges.

The secretary and treasurer reports were given and approved. Under Committee reports, Andrea Clark distributed flyers regarding October 7 Club Cookie Bake Sale. A review of upcoming 4-H Week activities was given by Mrs. Feldkamp. Under old business we recapped club meeting dates, club dues and club officers.

Under new business, we were reminded to cash our 4-H Fair premium checks. Important upcoming dates were reviewed as follows: October 18, 7 pm a 4-H Camp meeting at the 4-H County office; October 20 reservations due for November 18 Recognition Breakfast; November 7 County livestock meeting at 4-H County office. Club members signed up for the 1989-90 Club Chairperson activity.

Under Leader's report, Mrs. Feldkamp reviewed the Sounder information and distributed member year completion pins. Receiving 1st year pins were: Karen Goodell, Joelle Armentrout, Jodi Feldkamp, Sharon Goodell, Suzanne Lowery, Jody Mitchell and Kelly Parr. Receiving a 3rd year pin was Sarah Feldkamp. Fifth year pins were given to Michelle Mann and Jodi Parr. Mrs. Donna Clark received her 1st year pin for Adult 4-H Leader.

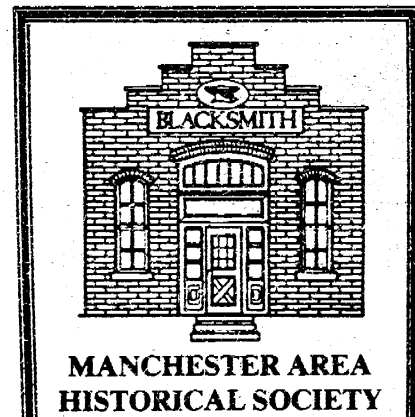

There will not be an October club meeting. The next club meeting will be Saturday, November 18, 1:30 pm, Sharon Township Hall. Refreshment committee will be Joelle Armentrout and Jodi Feldkamp.

For club activities, Jodi Feid-

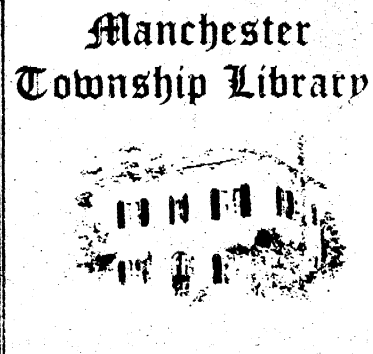

Twentieth Century Club

Sharon Mills Winery was the setting for the annual fall mystery trip of the 20th Century Club on Tuesday October 10.

We had the opportunity to taste a variety of new Michigan wines and toured the facilities. A catered dinner of chicken divan was enjoyed by all.

The Manchester Area Historical Society held its monthly meeting on Monday, October 16, at the Blacksmith Shop. The speaker for the evening was Charles Shiner, owner of Shiner Reservations in Tecumseh and Chelsea Woodworking in Chelsea. When restoring old buildings, it is important to accent the existing architecture and use harmonious colors. He showed slides of different buildings he restored in Chelsea, Tecumseh and Manchester and pointed out various aspects of the restoration process. Refreshments were provided by Howard and Lenora Parr.

An autumn slumber is NOT what is happening at the Library. While the leaves have been turning bright colors, presaging a crisp, new season, events at the Library also indicate the beginnings of perhaps crisp new vistas as well.

As of the October 3 meeting, the Library has a bright, highly competent new Director. Dorothy Davies, who had been serving as the Assistant Director, now replaces Margaret Goodrich who resigned on September 25 to take on a new position elsewhere. At the same meeting, however, Mrs. Susan Gleason, who had served as the Board's president since last November, also resigned because of personal and other civic duties. Mrs. Gleason had served on the Library Board for six years and her grace and cool wisdom will be sorely missed. The Library has lost an invaluable and steady hand. Replacing Susan on the Board is Janet Shurtliff who needs little introduction to either Library users or Enterprise readers.

Barbara Parker's resignation in June due to ill health was another loss. Although she had served only since last November, her assistance, especially in the drafting of personnel policies, was extremely valuable. She was replaced in August by Mr. Russell Smith whose common sense and mechanical expertise have already left the Library in his debt.

Bill Shurtliff, meanwhile, has given the Library a lovely drawing of itself which can be seen just to the left of the check-out desk. That same drawing graces post cards which can be obtained for 50 cents apiece. From Mr. Shurtliff, the Library has also obtained six videos of Manchester's history from 1983-1989. These can be taken out overnight for a dollar each.

More youthful patrons of the Library might be interested in Marcy Alsgaard's Story Hour for pre-schoolers. The fun starts at 10:00 a.m. every Friday morning beginning October 27 and running through Friday, December 8. And it is fun! Marcy has a knack for bringing children and story books together in the happiest way. She asks, however, that you call the Library to enroll in the program.

AND last but by no means least - the MURDERS! That most tantalizing of crimes again is the subject of Manchester's pre-Halloween celebration. And this Thursday should delight anyone interested in rosaries. Rosaries?!

Ah, corpses of priests and nuns - perfectly nice people who would not think of violating any of the Ten Commandments turn up with rosaries in their lifeless fingers. Now who would do a thing like that? Well, the author of "The Rosary Murders", William Kienzle himself, will be present to discuss Catholic murder. And is Catholic murder different from non-Catholic murder. And is Catholic murder different from non-Catholic murder? Perhaps Mr. Kienzle can tell us. Ghosts, goblins and ordinary folks are all invited Thursday night at 7:30 at the Blacksmith Shop.

Birth Announcement

Keith and Pam Alber are very happy to announce the birth of the final addition to their family, Jason Richard.

Jason arrived October 6 at 9:13 a.m. in Adrian at Bixby Medical Center. He weighed 7 lbs. 1 oz. and was 20 1/2 inches long.

He has a big sister Rebecca who is 5 years old and a brother Bradley who is 14 months old. Jason's paternal grandmother is Jean Alber of Manchester. His maternal grandparents are Ken and Jackie Furgason of Mason, Michigan.

Manchester Township

BOARD MEETING
October 10, 1989

Synopsis

Meeting opened on the above date with the Pledge of Allegiance at 8:00 p.m.

All Board members present: also Mary Jo Finney, Dan Fleck and Linda Coppock.

Accepted various minutes as submitted.

List of bills paid since last month presented.

Mary Jo Finney voiced concerns regarding Manchester Stamping's current adherence to the zoning. She was advised to write a formal complaint and present it to the Zoning Board. He will send his findings to the Township Board.

Harvey Peters is in compliance with his building permit. Thompson's trailer is a travel trailer and will require a license.

Dan Fleck, Westside Automotive, explained he had met with the neighbors regarding his light and everyone appears to be in agreement with the hours it is lit. If there is a problem, he is willing to cooperate.

Various correspondence presented.

Received resignation from Susan B. Gleason from the Library Board of Trustees.

Approved payment of \$5 per hour for general office help.

Received \$100 from Michael Lowery and \$200 from the insurance company for repair of cemetery fence. VCR will be covered by insurance. Videos from library are not covered. Grant for \$930 has been received from the DNR for the Scot Air Pack.

Russell C. Smith has been sworn in as Library Board Trustee to fill the vacancy created by the resignation of Barbara Parker.

Constable and zoning report presented. Mann will contact Road Commission regarding tree by Iron Lake.

Mann reported on meeting regarding recycling and also on the MTA district meeting.

Meeting adjourned at 9:10 p.m.

Submitted by Wilma E. Lentz
Approved by Ronald E. Mann, Supervisor

A Field Day With Firemen

Manchester Cooperative Preschoolers recognized National Fire Safety Week by touring our local fire department last week. Escorted by Glenn Glinski, the children were to learn many basics of fire safety and prevention. They were first shown a movie on fire safety and then began learning about firemen, to know that they are our friends here to help us. To demonstrate this, Glenn and the children took turns dressing in a fireman's suit from boots to hat. Although the full-masked appearance was a bit frightening to some, Glenn was quick to recruit others as future Manchester firefighters.

The excitement continued as the children then toured the garage to see up close those shiny trucks they have all hoped of riding some day. Students ran to each truck learning about hoses, gauges, pumps and nozzles. Dreams were filled as each child was given the chance to sit up in the biggest truck of all. Sirens, whistles and horns ended this tour and busy week for these preschoolers and their families when they brought home many safety reminders. Whether they learned about smoke detectors, tot-finders, matches, or emergency exit plans, these children have already begun to Learn Not to Burn!

Village Council Report

October 16, 1989

- Confirmed Halloween Trick-or-Treat hours from 5 until 7 p.m. on Tuesday, October 31.

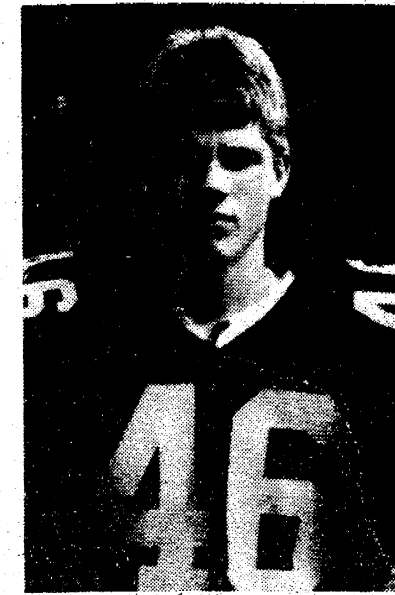

- Adopted Ordinance #175, "Historic Districts", which provides definition and standards for the creation and maintenance of historic districts and sites within the Village.

- Adopted Ordinance #176, which amends the Weed Control Ordinance with new provisions for notifying owners, destroying weeds and recovering costs from property owners.

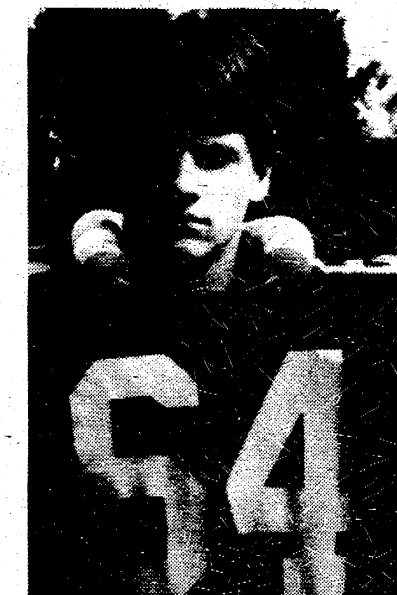

- Adopted Ordinance #177, which amends the Sewer Ordinance by clarifying the Residential Equivalent Unit upon which fees are based.

- Approved a plan for fall leaf pickup that includes bagging, pickup of loose leaves, and composting. (See notice elsewhere in this week's Enterprise.)

JV Dutchmen Stomp Grass Lake

Thursday night, the Manchester JV football team travelled to Grass Lake in search of a victory. They found it, as they beat up the Warriors of Grass Lake by a score of 12-0.

Fired up to start the game, the Dutchmen stopped Grass Lake on its first drive due to a fine interception by Robert Spork. The Dutch offense drove 42 yards but was unable to score as the Grass Lake defense tightened.

Once again, the Dutch defense stopped Grass Lake forcing them to punt. A mishandled punt snap gave the Dutch the ball deep in Grass Lake territory and this time the Dutch found the end zone. After two short running gains, Jaimie Sloat scored on a trap play from 8 yards out. The conversion failed and the Dutch led 6-0.

The second quarter was controlled by both teams' defenses. Although the Dutch moved the ball on the ground due to some fine running by Cary St. Charles, they were unable to add to their score. The Dutch defense also played tough in the quarter thanks to fine tackling by Chris Armstrong and Robert Sloan. An Andy Corwin interception also stopped a Grass Lake drive.

The turning point of the game occurred to open the second half as Robert Spork returned the kickoff 74 yards down the Grass Lake 9 yard line. Four plays later, St. Charles found Pat Clark open in the end zone on a halfback pass for a touchdown. The conversion failed and the

Dutch led 12-0. The Dutch defense was unpenetrable as they would not let Grass Lake pass their goal line. St. Charles intercepted a pass deep in Dutchmen territory and Grass Lake never threatened again. Some fine running by Jeremy Davis and Ritchie Lutton sealed the win for the Dutch.

Leading the Dutch in rushing was Rich Lutton with 57 yards and Jeremy Davis with 49 yards. Robert Sloan led the defense with 7 tackles. The Dutch travel to Michigan Center this Thursday to conclude their season.

Football Contest

The Manchester Optimist Club will hold a Tri-Star football contest at 12:00 noon on October 21, 1989 at the High School football field. The program tests the skills of contestants in three of the basic skills of the game - place-kicking, passing and punting.

Boys and girls will compete in six age groups, 8 through 13, against youth only of their own age. All that is needed to compete is a pair of gym shoes. Football spikes or hard-toed shoes will not be allowed.

There will be awards for the first three winners in each age group. Every contestant will also receive a Tri-Star patch.

Entry blanks will be available at the Elementary School, Middle School, Kraus Pharmacy, or at the contest site on the day of the competition.

8th Grade Football

The 8th grade football team remains undefeated at 5-0 with the final game of the season scheduled for October 18 in Manchester against Clinton. Although the first half was very close, Manchester made several big plays to score a 35-0 victory against East Jackson.

East Jackson started their first series on their own 20 after the kickoff, a low line drive by Jeremy Strook, bounded into the end zone for a touchback. After getting a 1st down, Mike Bunn dropped the runner for a 5-yard loss and East Jackson was unable to gain any yardage punting on 4th and 15. Shane Ahrens called for a fair catch on the Dutch 47. Manchester scored in 9 plays on a 7-yard pass from Mike Barnard to Matt Fielder. Matt also had an 18-yard reception on 4th and 6 which kept the drive alive. Jeremy Strook kicked the PAT. Score: 7-0.

East Jackson picked up the kickoff at the 10 and returned to the 19 thus ending the 1st quarter. Matt Fielder knocked down a pass attempt and East Jackson kicked on 4th and 15 from their own 15. Manchester started at midfield but lost the ball on a fumble at the EJ 31. Both teams lost the ball on their next series when 4th down attempts fell short of the 1st down marker. E. Jackson then gained a 1st down, but Bryan Schneider stopped them with an 8-yard loss on the final play of the half.

Manchester exploded for 3 TDs in the 3rd quarter to remove any doubt in the outcome of the game. The Dutchmen received the kickoff starting at their own 34. A

clipping penalty moved them back to the 21. A pass to Brandon Woods brought them to the 25. Mike Barnard then tossed to Matt Fielder who out-distanced the defense for a 75-yard TD run. The kick for PAT was no good. E. Jackson covered the next kickoff at their 40. On 4th and 11 they punted to the Manchester 30. A 5-yard penalty and a 10-yard run by Brad Davis gave Manchester a 1st and 10 at their own 45. Shane Ahrens then took a pitch from Mike Barnard and ran around the right end, cutting across field and going out of bounds at the 5. Brad Davis scored from the 5 and also ran the 2-point conversion. Score: 21-0.

E. Jackson took the next kickoff at the 18, returning to the 25. They lost 4 yards on the first play before Matt Fielder stepped in front of their intended receiver, intercepted, and took it in for the TD. Jeremy Strook kicked the PAT. Score: 28-0.

Nearing the start of the 4th quarter, E. Jackson took the next kickoff at their 32. Their 4th down attempt was short and Manchester took over at the EJ 41. On 4th and 15 from the 31, quarterback Shane Ahrens threw to Nate Kloster who caught it one-handed and went in for a TD. PAT kick was good. Score: 35-0 with 6:30 to go in the game.

E. Jackson took the kickoff at their 26 and made one 1st down. Mike Bunn made a good defensive play for a 4-yard loss forcing a punt. Brad Davis returned to the 48 of EJ. Robby Davis covered a Manchester fumble on the final play of the game.

8th grade football action Photo by Jon

7th Grade Football

The East Jackson Trojans came to town Wednesday, and although the Manchester 7th grade team gave up its first 6 points of the season, the Dutch easily handled them, 20-6, to remain undefeated.

The Trojan opening kickoff was returned to the Dutch 43. On 2nd down, Geoff Brooks scrambled to the East Jackson 29 and 2 downs later Jeff Steele found running room to the Trojan 17. The Trojan defense stiffened, forcing a 4th and 8. Geoff Brooks again was up to the task, going 16 yards for the touchdown. Mark Kueffner's pass to Troy Niehaus was good for a 2-point conversion and at 4:23 in the 1st quarter, it was Manchester 8, East Jackson 0.

Manchester's kickoff was returned to the East Jackson 45. Three plays and a punt later, the Dutchmen took over on their own 25. After moving to a 1st down, the quarter ended with the Dutch on the Trojan 45.

The Trojan defense again forced a 4th down situation, but once again, Geoff Brooks got the needed yardage to the East Jackson 20. The Dutch marched to another 1st down at the Trojan 7 yard line and ended up on the East Jackson 3 after a Trojan face-mask call. It took only one play for Geoff Brooks to sid his 2nd touchdown of the day. The

P.A.T. failed, but the score moved to 14-0 Manchester. The Dutchmen kicked to open the 2nd half and the Trojans returned to their own 37. Unable to pick up a first down, they punted to the home team on our own 46.

Manchester moved to the East Jackson 22, but a fumble returned the possession to East Jackson at their own 19. Two plays later, a completed pass play appeared to be a Trojan touchdown, but Andy Winzenz made a saving tackle at the 49 yard line. The Dutchmen defense toughened up and took the ball over on downs to end the quarter.

The 4th quarter opened with the home team driving to a 1st down at the Trojan 36. Super blocking by the offensive line enabled them to pick up another 1st and 10 at the East Jackson 24. Micah Puscas then sprinted 14 yards to the Trojan 16 yard line.

It took four tough downs, but Jeff Kemner plunged in from one yard out to add 6 more points to the Dutchmen lead. Another extra point try stalled, and the tally was Dutchmen 20, Trojans 0.

East Jackson returned the following kickoff to their own 38, but Bill Bennett intercepted a first-down pass to give Manchester possession on the Trojan 46.

The visitors regained possession on downs on their own 37. A long completed pass moved the ball to the Dutch 37.

The Manchester defense tried to regain control with Chris Schaible making a great quarterback sack, back to the Dutch 45. East Jackson refused to quit though and three straight pass completions gave them a touchdown with two seconds left in the game. The extra point try was stopped and the score was Manchester 23, East Jackson 6.

Klager PTO Minutes

September 25, 1989

The meeting was called to order by President Gail Kuhl at 3:22 p.m. with 19 members present.

Minutes for the August 28, 1989 meeting were read and approved.

Principal Yvonne Henry introduced two new staff members: Suzanne Birgy, who is in charge of pre-kindergarten and the migrant program, and Debbie Okray who is in charge of 1st and 2nd grade special education.

The Treasurer's Report was read and approved. We have a balance of \$3,098.84.

Yvonne Henry gave her school update and showed the new 1989-90 Klager Handbook.

Music teacher Kay Miller thanked PTO for their help with the circus, and asked about the possibility of PTO sponsoring a trip to either Toledo or Greenfield Village to see "Babes in Toyland" this year. This will be decided at a later date.

Virginia Johnson made a motion to book the Good Time Players to perform "The Frog Prince" for an assembly this year. Elsie O'Dell seconded it. The motion carried.

Monica Brooks gave a report on the progress of the fund raiser. Although all the figures were not in at the time of the meeting, it looked as though the sale was a huge success.

Shirley Haeussler made a motion that we award the top dollar amount sellers in some way. Sonja Schulz seconded it. Motion carried. It was decided to award gift certificates from Toys R Us to be distributed as follows: \$35 for sales over \$400, \$25 for sales over \$300, and \$10 for sales over \$200. Patsy Aikens made the motion. Elsie O'Dell seconded it. Motion carried.

Volunteers were asked to attend a sales tax seminar at the Holiday Inn in Southfield October 6.

The sand box that Margaret Goodrich donated to the pre-kindergarten has been approved. Gail Kuhl will get the sand and \$10 was allocated for sand toys.

Yvonne Henry reported that the birthday pencils are in and ready to be distributed.

Under New Business, the teachers have begun to compile their Science Wish Lists. The lists will be completed soon and it was decided to allocate a preliminary amount of \$300 to get started. Vicki Miller made the motion. Betty Gregerson seconded it. The motion carried.

Goals for the 1989-90 school year were discussed, including the purchase of more playground equipment.

A Hobby Day in May and a Young Authors' Day in March were discussed.

It was decided to try to keep meetings at their new time after school. Notes will be put at the high school for sitters.

Patsy Aiken made a motion to adjourn and Shirley Haeussler seconded it. The meeting was adjourned at 4:15 p.m.

Respectfully submitted,
Monica Brooks, Secretary

New Business Measured Service Plan

Michigan Bell will begin billing business customers in Manchester for local calls on a per-call basis as the company phases out business flat rate service starting October 22. The system will not affect long distance or residential service.

The change will go into effect for approximately 400 business customers in the 428 exchange.

Under the business measured service plan, the monthly rate for each business line will drop by half - from \$21.82 to \$10.84 - and customers will pay 8.2 cents for each local call they complete.

"It's a usage-sensitive plan that gives businesses a way to control their telephone costs," said Marcia Buhl, Michigan Bell's local public relations director.

Buhl said the new plan - which is already in effect for more than eight out of ten Michigan businesses - also offers an equitable method of offsetting the company's cost of providing state-of-the-art equipment.

"It's no different from charging

for electrical or gas usage," she said. "If you ran a one-chair barbership, you wouldn't want to pay the same utility rates as a large department store."

Business measured service is not new, Buhl noted. It's been in effect in Detroit since 1918 and in large metropolitan areas like Grand Rapids, Lansing and Saginaw since 1974.

In 1984, the Michigan Public Service Commission (MPSC) approved a company request to extend the usage-sensitive billing plan to smaller communities. Michigan Bell is putting the new billing method into place as it installs advanced call-processing equipment that permits call measuring.

With the \$10.98 savings in the fixed monthly rate, businesses can make up to 133 calls a month without paying more for their phone service.

The capacity built into Michigan Bell's network is based on projections of customers' usage, Buhl

explained, "so it makes sense to charge customers on a more usage-sensitive basis."

Buhl said the new billing system is not designed to produce additional revenues. "When you balance the lower monthly rate against any additional revenues produced by per-call charging, it's pretty much a revenue wash," he explained.

While Michigan Bell believes all local exchange services ought to be billed on a more usage-sensitive basis, said Buhl, "we view it as a gradual process that starts with the customers - businesses - which require us to invest the most dollars in our network."

Businesses represent less than 10 percent of the company's customer base but order approximately 30 percent of all telephone access lines in the state and place more than 60 percent of all local calls.

The Scots did not invent the bagpipes. It is actually a very ancient instrument, which was introduced into the British Isles by the Romans.

New Books for Young Readers

"The Goat in the Rug" by Charles Blood, "The Box with Red Wheels" by M. Petersham, "Pentunia" by Roger Duvoisin, "Gilberto and the Wind" by Marie Hall Ets, "Mirandy and Brother Wild" by Patricia McKissack, "Two Bad Ants" by Chris Van-Allsburg, "Stringbean's Trip to the Shining Sea" by Vera B. Williams, "Bainey Bippie's Magic Dandelions" by Carol Chapman, "Spinky Sulks" by Wm. Steig, and, all by Joy Wilt, "A Kid's TV Guide", "A Kid's Guide to Understanding Parents", "The Nitty-Gritty of Family Life", "Needing Each Other", "A Consumer's Guide for Kids", "A Kid's Guide to Making Friends", "A Kid's Guide To Managing Money", "Keeping Your Body Alive and Well", "Handling Your Disagreements", "Saying What you Mean."

American Legion Auxiliary

The American Legion Auxiliary met at the Legion Home on October 11, 1989 with 15 members present. Our membership quota is 96 and, to date, we have 82 paid members.

Voluntary contributions were voted upon and made to the following funds: Past Presidents Nurses Scholarship Fund, Foreign Relations Fund, Auxiliary Emergency Aid Fund, and H. M. Keeney Americanism Fund.

Kay DuRussel gave a report on the Substance Abuse Workshops that are being held in Manchester through the Community Resource Center.

Joanne Scheil and Mary Smith are co-chairmen of the Veterans Day Dinner/Dance that will be held in the Legion Hall on November 11, 1989 for veterans and their guests. Music will be provided by Luke Schaible's band and the dinner will be catered.

Two-year pocket planning calendars are being sold by Auxiliary members.

Our next meeting will be held on November 8, 1989 with the refreshment committee being Cindy Wurster, Eleanor Schmidt and T. V. Ludwick.

LaLeche League

La Leche League of Western Washtenaw County is holding a meeting entitled, "There's a New Baby in Your Life", on Tuesday, October 24 at 7:30 p.m. Hostess will be Mary Vigilanti, 8310 Chelsea-Manchester Road.

The meeting will focus on the aspects of having a nursing baby in your home, and the changes and needs faced by the family. All women who have an interest in breastfeeding are welcome to attend League meetings and nursing babies are always welcome.

For further information or directions to the meeting, or for breastfeeding help or encouragement at any time, call Ellen, 475-3092 or Marsha, 428-8831.

Kindergarten "Colors"

Front (l-r) Olivia Crites, Miss Koziski, Megan Coutts, Megan Busch. Back (l-r) Adam Knapp, Anthony Neal.

Thursday was "brown day" in the kindergarten classes and the students enjoyed a very special brown snack. Miss Koziski, student teacher, baked gingerbread cookies for the 100 students and she also brought cider. The children decided "brown day" was one of their favorite color days.

Italian-Style Chili

Italian-Style Chili can be quickly fixed for supper, even at the end of a busy day.

ITALIAN-STYLE CHILI
(Makes about 2 quarts)

1 pound lean ground beef	2 ounces sliced pepperoni (½ cup)
¾ cup chopped onion	1 tablespoon Wyler's® or Steers® Beef-Flavor Instant Bouillon or 3 Beef-Flavor Bouillon Cubes
1 (26-ounce) jar Classico® Di Napoli Pasta Sauce	1 tablespoon chili powder
1½ cups water	2 teaspoons sugar
1 (14½-ounce) can tomatoes, undrained and broken up	
1 (4-ounce) can sliced mushrooms, drained	

In a large kettle, brown meat with onion; pour off fat. Add remaining ingredients; bring to a boil. Reduce heat; simmer uncovered 30 minutes. Garnish as desired. Refrigerate leftovers.

**FOR HEART-HEALTHY EATING,
BE CHOOSY AND YOU CAN
CHOOSE RED MEAT.**

How can beef, pork and lamb be a delicious part of cholesterol-conscious eating?
Easy. By process of elimination. First, buy the leanest cuts. Then trim all visible fat. After broiling or roasting, discard the drippings and serve modest portions.
For more tips on how to put meat back on your table — without guilt — visit a participating supermarket during American Heart's Food Festival days, September 10-16. Learn what matters to your heart — and enjoy staying healthy without giving up the foods you love.

IT'S ALL A MATTER OF WHERE YOU DRAW THE LINE.

Money Management

A BEGINNER'S GUIDE TO MUTUAL FUNDS

If you are a newcomer to the world of mutual funds, get ready for an adventure that could daunt Indiana Jones.

Call a mutual fund for information and you will soon receive a document that is as easy to read as an ancient Latin text. Terms like "back-end load" and "redemption fees" combine with pages of legalese that can send you scampering back to your simple savings account in the bank down the street. But retreat may not be necessary. Armed with this guide, you should be able to venture into mutual-fund investing with confidence.

What Is a Mutual Fund?

According to the Michigan Association of CPAs, a mutual fund is a financial service that pools the money of individual investors—or shareholders—to purchase a specially selected group of investments. Designed for both large and small investors, many funds accept opening deposits of \$1,000 or less.

A primary advantage of mutual funds is that they permit access to a wide selection of securities, some of which might otherwise be available only to big-time invest-

ors. Equally important, the diversified nature of mutual funds tends to minimize the individual investor's risk. After all, one poor performer among a score of investments is unlikely to drag down an entire fund. In addition, a mutual fund enables you to have your money invested and managed by a team of professionals who study the investment market daily. And you can easily redeem your shares any time you choose.

Types of Funds

According to the Securities and Exchange Commission (SEC), approximately 3,500 mutual funds are available nationwide. These funds are grouped into basic categories that reflect different investment objectives. For example, you can choose among aggressive-growth funds, growth funds, income funds, growth-plus-income funds, balanced funds, bond funds, international funds, money-market funds and specialty funds.

Each type of fund has a different risk factor. In general, aggressive-growth funds focus on building capital over time and tend to be somewhat volatile. Conservative investors do best with an income or money-market fund. If you are an expert in a particular industry, say retailing,

you may want to select a specialty fund investing in that market.

Since most investors have several financial needs and the economic environment is constantly changing, many funds are part of a "family." What this means is that you can often move money from one fund in the family to another with just a phone call. Let's say you invested \$1,000 each in a money-market fund and a growth fund belonging to the same family. Suddenly, the international stock market takes off. You could then quickly switch all or part of your investment into an international fund in the same family. Just keep in mind that such an action may result in taxable capital gains or losses.

Open-End vs. Closed-End Funds

Mutual funds are distinguished by a lot more than just their investment objectives. For instance, mutual funds can be open-end or closed-end.

Most people select open-end funds, which create new shares for investors as money comes in. The price is set daily by the fund's net asset value per share—in simpler terms, the fund's total assets after deducting liabilities, divided by the number of outstanding shares. Closed-end funds issue a fixed number of shares which are then traded either on an exchange or over the counter. The price of the shares may sell above or below the net asset value, based on supply and demand.

Watch For Charges

All funds charge investors for

Manchester, Michigan
Phone 313-428-9538

brokerage commissions and daily management fees, usually in the form of an annual charge collected from the fund's assets. But do not make the mistake of assuming that all funds charge the same amount.

Load funds, for example, require you to pay a sales commission—or load—when you make a deposit. In return for the load, you should expect expert advice as to what fund is most appropriate for you financial objectives. You could then quickly switch all or part of your investment into an international fund in the same family. Just keep in mind that such an action may result in taxable capital gains or losses.

Up-front loads generally range between 2 percent and 8.5 percent of the total price of the shares you purchase. In other words, if you invest \$1,000 in a fund with an 8.5 percent load, the fund will automatically shave \$85 off the top—reducing your investment to \$915. Let's say the fund has a bad year and its return is only 9.5 percent. Your account will earn a rather paltry \$87 for a total net gain of \$2.

Yet another type of load is charged by "contingent-deferred" or "back-end funds. Instead of an up-front load, these funds charge a redemption fee. Back-end load funds charge a certain percentage if you redeem your shares within a certain period—similar to the early-withdrawal penalty that banks charge if you redeem a certificate of deposit (CD) prematurely.

Most investment experts advise investors to narrow their selection of funds to those that do not charge a load at all. The management of the fund will still provide information on the types of funds offered, but you will not have the personalized services of a broker.

To know exactly what load, brokerage and management fees your fund charges, make sure you

read the mutual fund's prospectus. As a result of a new SEC requirement, the prospectus must now include a table listing all fees, including sales charges, overhead expense, portfolio management fees and a 12b-1 fees (which pay for the fund's marketing and advertising costs.) The table must also present a hypothetical example of what impact expenses and fees would have on a \$1,000 investment growing at 5 percent a year.

CPAs say that in selecting a fund, you should look for consistent performance and a ratio of expenses to average net assets under 1 percent. You should also note the fund's portfolio turnover rate. A 100-percent turnover rate means the fund trades every stock in its portfolio every year. Be aware, too, that a 12b-1 distribution plan that costs 1.5 percent a year may seem insignificant, but over 20 years those fees can reduce your overall earnings by 80 percent.

Fall Leaf Pickup Village of Manchester

BAGGED LEAVES will be picked up beginning Monday, October 23 and continuing through Friday, December 1. Pickups may be on Mondays, Tuesdays, Thursdays or Fridays, depending on availability of Village truck and labor.

LOOSE LEAVES will be picked up from Monday, October 30 through Monday, November 6 and again from Monday, November 27 through Monday, December 4. Each pickup will follow this order: (1) M-52 (2) Main Street (3) remainder of town, working from west to east. Leaves should be raked to the edge of the road, and wetting them down will help to keep them in place while waiting for pickup.

COMPOSTING SITE is open during the same hours as the Transfer Site, and there is no charge. Loose leaves should be deposited along the existing windrows; bagged leaves must be emptied along the windrows and the bags taken away from the site.

Merit Scholarship Commended Students

Cindy Schulte

Jamie Hall

Manchester High School is pleased to announce that members of the senior class have been named Commended Students in the National Merit Scholarship Program. These two students are Cindy Schulte, daughter of Carol and Thomas Schulte of Austin Road, and Jamie Hall, son of Sheryl and Mark Puro of Pleasant Lake Road. A Letter of Commendation from the school and the National Merit Scholarship Corporation, which conducts the competition, will be presented to these outstanding students.

Halloween Fun At Old Athletic Field

Janet LaBeau Shurtliff

The prettiest, the ugliest, the most unusual. These are the very appropriate categories into which masquerading Manchester children will happily find themselves classified on Halloween evening.

The trick or treating will begin as is the custom at 5:00 p.m. And it will last until 7:00 p.m.

Following this ritual of children in all manner of disguise moving through the streets, knocking on doors, and accumulating large stashes of goodies, the young people may make their way to the Athletic Field behind the Middle School for a Grand Finale.

A Costume Judging will begin at about 7:15 p.m. during which prizes will be awarded for "The Prettiest," "The Ugliest," and "The Most Unusual."

There will also be a Grand Prize of \$5 awarded for the "Most Outstanding Costume."

This event is sponsored by the Manchester Recreation Task Force with the support and partnership of the Kiwanis PTO.

Kids will gather in groups by grade - preschool through sixth - and then the judges will begin their work.

Following the judging, cider and donuts will be served to the children.

Last year's Costume Contest was great fun. It allowed the Village's many ghosts and witches, ballerinas and wizards to see each other and really experience the wonder of so many people in such a wonderful array of costumes.

As in any "contest" not everyone wins the official prize, but in this event, EVERYONE WINS THE THRILL of seeing so many amazing characters, so may brilliant costumes, and such perfect casting in some cases - all gathered together in the cold darkness of Halloween night!

And then you might notice Dracula sharing donuts with Snow White, Brunhilda drinking fresh cider with Buffalo Bill, and perhaps even a giant pencil whispering to a mad scientist!

Bring the little ones, and prepare to be impressed! On Halloween evening, beginning at about 7:15 at the old Athletic Field.

Village Must Pay Judgement

Manchester Enterprise February 20, 1913

Manchester Must Look To Bonding Company For Its Money

Ann Arbor Times, Feby. 14

Judge Kinne this morning over-ruled a motion to quash a writ of garnishment for \$683 against the village of Manchester.

The writ was secured by the Buckeye Traction Ditcher company of Findlay, O., in lieu of an appeal to the supreme court in the case against the Fitzgerald Construction of Lima, and the National Surety company, the construction company's bondsman.

The Fitzgerald company took the contract last spring to put in a waterworks system for the village of Manchester and secured a bond from the National Surety company binding the performance of the contract. The construction company rented a ditcher from the Buckeye Traction ditcher company agreeing to pay at so much a foot of work done. Last September the Fitzgerald company defaulted and failed to carry out the rest of its contract. At that time the company using the Buckeye ditcher had excavated something like 8,000 feet of trench and the Buckeye company claimed that it owed \$683 for the use of the machine. Suit was brought to force payment either by the construction company or its bondsman, and the ditcher company obtained judgement against the construction company in the circuit court here, but not against

the bonding company, which had defended the suit, as the court held that the Buckeye company was a foreign corporation doing business in this state, and as such should have obtained a license from the secretary of state. Attorney James Waters, on behalf of the Buckeye company having merely leased its machine to the Fitzgerald company, was not doing business in the state, within the meaning of the statute, and took 60 days in which to perfect an appeal to the supreme court. In the meantime he decided to take advantage of a recent statute permitting a writ of garnishment to issue against the village and took out such a writ against the village of Manchester for the \$683. As the village would naturally look to the bonding company for reimbursement should the writ be sustained the bonding company's attorneys moved to quash the writ and this was the motion that was heard this morning. By refusing to quash the writ Judge Kinne has virtually placed the Buckeye company in the position of victor in the litigation and puts the next move up to the village or the bonding company. As the village will have to pay \$683 on the writ or have it quashed in some way and as it will probably demand repayment from the bonding company if it does have to pay, the Buckeye Ditcher company seems to have attained the object of its suit, temporarily at least without an appeal to the supreme court.

Chamber Considers Education

Janet LaBeau Shurtliff

"Employers say, 'Send us workers who can read and write because that's what we need.'"

Thus began Mr. Bert Chapman from the Washtenaw Intermediate School District as he described the need, rationale, and goal of the "WE2 Program" when he spoke at the Manchester Area Chamber of Commerce monthly luncheon last Wednesday.

The luncheon commenced at noon at the K of C Hall with a good crowd in attendance, including some new faces to the community.

Ron Mowers, manager of the Pilot Industries Manchester Division, the company soon to occupy the old Double A building. Mr. Mowers said Pilot "would be moving in within about two weeks."

Deborah Havens, owner of the English House on West Main Street was also present. The English House (whose previous owner was Jim Hurd, curator of the Antique Bicycle Museum) is on its way toward becoming Manchester's first Bed and Breakfast under the care of Ms. Havens and her husband, Jim Lembaugh.

Also, Cynthia Hudgins, assistant to Representative Carl Purcell, attended to keep in touch with Manchester through this
