River Contaminated by Petroleum Product Release

Bales of straw were apparently used to filter the oil substance that was running into the storm line that drains into the Raisin River.

The Village of Manchester and the Michigan Department of Natural Resources are jointly investigating discharges of a petroleum-based liquid which reached the River Raisin on January 17 and again on January 20.

The Village of Manchester handled first response to the spills at the request of the Michigan DNR. With the help of a County Deputy Sheriff, samples of contaminated water were pulled and photographs were taken at several points near where a storm drain enters the river from property owned by Manchester Plastics.

An environmental laboratory is currently running tests on the samples taken at the site, and also on a substance used in Manchester Plastics' manufacturing operations, in an attempt to identify the exact substance which was spilled into the waterway.

Village workers inspected the containment structures which were built as part of the recent expansion of the Manchester Plastics facility, and the separator tank system which was installed at the request of the Village, and found that these pollution prevention structures are still in place as originally approved. Since these have not malfunctioned, investigators will attempt to determine how the suspected 20 to 50 gallons came to be

released each time into the catch basin which drains the company's parking lot.

Following each spill, Manchester Plastics contracted with Bentley Environmental Services to remove the pollutant from the drain. Bentley worked at the site on both Wednesday and Saturday.

Controversy Regarding Mayoral Candidacy

Janet LaBeau Shurtliff

When the petition to nominate Richard Boatwright for Manchester Village President was submitted to the Clerk last Monday, an unusual complication arose.

According to Karen Tucker, Manchester Village Clerk, Mr. Boatwright's name does not appear on the list of registered Village voters, and therefore, he is not eligible to have his name placed on the ballot.

According to the township, however, Mr. Boatwright is a registered voter.

Wilma Lentz, Manchester Township Clerk, verifies that Mr. Boatwright voted as recently as three months ago in the November General Election.

Mr. Boatwright has lived in the Village of Manchester at the same address for 19 years.

The confusion apparently stems

State Grant For Kirk Park Improvements

Village President Mary Kallewaard has released to The Manchester Enterprise a copy of a letter from David Hales, Director of the State Department of Natural Resources, announcing that the Village has won approval of its grant request for \$54,000 (\$40,500 from Recreation Bond) for improvements to Kirk Park.

The grant funds will be combined with tax money which the Village government has been setting aside for park improvements, and the total funds will be used to enlarge and pave the north parking lot, build a full-size basketball court, and build two fenced tennis courts at Kirk Park.

These improvements are part of a five-year plan of parks improvements which was developed by the Parks Commission and adopted by the Village Council last year. The grant application and communications with the DNR were handled by Parks Commissioners and the Village President.

The Parks Commission consists of Jack Gould-Chairman, and Diane DuRussel, Pat Fielder, Lynn Niehaus, Raymond Steele, Pat Swaney and Jeff Wallace. Commissioners who contributed to the five-year plan but whose terms have since expired are Evelyn Panches and Jeff Schaffer.

from a requirement prior to August of 1989 that voters register twice, once in the Village and once with the Township.

This is further complicated by the practice of dropping a person's name from the registered voter rolls (either Village or Township) if they have not voted in a specified period of time.

This dual registration requirement was changed in August of 1989 so that one registration was sufficient for both jurisdictions.

According to Mr. Boatwright, "I was never notified that the Village no longer considered me a registered voter."

Mr. Boatwright stated that in the past he did not always vote in Village elections: "It always seemed futile to vote when there was no contest." He says he consistently votes in state and

Double Tragedy In Clinton

Manchester Enterprise
October 29, 1885

accidentally shooting himself
while playing with a gun.

Shot His Head Off

A Fatal Fall

Dr. Burroughs and Mr. Mills, of Clinton, brought the news here this morning that a 5-year old son of Stephanowski, who lives near W. Hanks' in River Raisin, had shot the top of his head off at an early hour this morning.

Coroner Kapp went down and held a post mortem. The following jury was impaneled: James Watson, Wm. Hanke, Lloyd Conklin, C. Ernest, Albert Green, and M. Dewey. After investigation they concluded that the little fellow got up, took the gun from a corner and in drawing it over a trunk the hammer caught and the gun was discharged, tearing off the top of his head and scattering the skull, brains, etc., about the room. His 9-year old brother was awakened by the report and seeing his brother lying on the floor dead, called to his parents downstairs just as his father who had also heard the report of the gun, started to ascertain the cause.

The jury rendered a verdict that the boy came to his death by

Monday afternoon Geo. Larzelere, a farmer living about six miles west of Clinton, was driving home from town, and when about half a mile from the village he fell from his wagon and was so badly injured that he died within a few minutes. The facts as near as can be learned, are as follows: He had been to the home of his brother-in-law, Chas. Burleson, in Macon, in the forenoon, after a load of lumber, which was put into the wagon box, and a spring seat on top of that, which made a rather precarious position to ride on. When near the residence of Belden Mills, he was observed by Mr. Mills and David Brooks, to fall from his wagon. Going to his rescue, they stopped the team, and picked him up. Not considering him seriously hurt, they conveyed him to the barn, which was near by. After laying him down, they concluded from his peculiar breathing that he was

Village Election To Be Lively

Janet LaBeau Shurtliff

Manchester voters will have several candidates to consider and may very well see a write-in campaign for the upcoming March 12 Village election.

As of the 4:00 p.m. filing deadline for candidacy last Monday, petitions nominating six candidates were submitted for the three available council seats. And two candidates filed for the office of Village President.

Those submitting petitions for Village President were Richard Boatwright and Mary Kallewaard.

The candidates for Council will be Christopher Brooks, Michael Gordon, Deborah Havens, William Kwolek, Joseph Marshall and Raymond Steele.

Also, running unopposed, are: Karen Tucker for Clerk, Sue Koebe for Treasurer, and Delbert Ludwick for Assessor.

Karen Tucker, the Village Clerk, pointed out that any candidate has until Friday, January 26, 1990, to request his or her name be withdrawn from the ballot.

The nominating process took an unusual turn on Monday, however, when the name of one of the candidates for Village President, Richard Boatwright, was dis-

allowed. (See accompanying story.)

It is not certain at press time what the final outcome will be for placing his name on the ballot.

Mr. Boatwright discussed the effect of the Clerk's decision on his candidacy:

I feel very strongly that there must be changes in attitudes and policies at Village Hall, and I will continue to run - even if as a write-in candidate. Whether I win or whether I lose, the people will have had a choice in this election."

Mary Kallewaard, when asked about the number of candidates running for offices, said, "I think it's healthy."

She described the restructuring of the Planning Commission, the re-creation of the Parks Commission, and the proposed Historic District Commission all as ways of involving more people in Village matters.

"I have tried to bring more people into the decision making process and get more people involved," she said. "More people are taking an active role, and that is healthy."

The election will be held at the Village Hall on Monday, March 12, 1990, and is a non-partisan Regular General Election.

Senior Citizens News

The snow and ice rejoined us last Saturday and travel ceased at our house. The Windsor channel is a favorite of hubby's, and I sat and watched Canada's Sesame Street. A puppet was helping a small girl learn the alphabet by the singing method. She was successful 'til she arrived at U, V, W, X, Y, Zed. The border guards on the way in to Canada ask "What is the last letter of the alphabet?" of American naturalized citizens sometimes to trip them up on their way to visit their Canadian families. They had better have remembered to bring along papers or to say "Z" to that question.

Thursday, January 25: Polish sausage is on the lunch menu at 12 noon. Bingo will be played at the Center. Bus pickup begins at 6:00 p.m. for a social eve at the Blacksmith Shop program at 7:00 p.m. A special movie will be shown: "The Bells of St. Mary's" starring Bing Crosby and Ingrid Bergman. Won't it be nice to see that one again?

Tuesday, January 30: Jan is fixing turkey pie with her famous batter crust! She is building up a reputation for her bread and all kinds of crusts. Ask any of the Harrison area seniors who joined us on the 18th. (I watched them take bread along on their bus.) We did enjoy meeting them and eating lunch. Join Rubena at the Center at 12:30 to help cut blocks, etc. Your help is needed and welcomed. Senior bus leaves at 5:30 for Tecumseh and a travelogue. If you wish to go along, call Erma Alber at 428-8707.

Eighteen of us went by bus last Wednesday to the Michigan Center pool for aquacizing. Why not join in on this muscle toning program by calling in your bus reservation to Erma? We will go each Wednesday except the second in each month. Bus pickup begins at 10:00 a.m. I have muscles I'd forgotten about!

Thursday, February 1: Come on all you February seniors who were born this month for your free meal at our February Birthday Bash. A swiss steak dinner with cake awaits you. Come try these fabulous meals. Join the bingo players afterwards for fun and fellowship - we'll be seeing you.

Dial A Garden

The following is a monthly schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. The system is in operation 24 hours a day, 7 days a week. Interested persons are invited to call 971-1129 at their convenience to listen to timely, up-to-date gardening information.

Thursday, January 25: Cherry varieties
Friday, January 26: Apple varieties
Monday, January 29: Peach varieties
Tuesday, January 30: Pear varieties
Wednesday, January 31: Nut varieties

Obituaries

Theodore H. Parker
10705 Lime Center Road
Manchester

Age 82, died Wednesday, January 17, 1990 at his home following an extended illness.

He was born May 8, 1907 in Brooklyn, the son of Edward and Eleanor (Bishop) Parker. He was married to Florence Schlicht on June 6, 1936. She survives. Mr. Parker was a retired Bridgewater Township farmer. He was a member of the Bethel United Church of Christ, Adult Fellowship and Senior Citizens.

In addition to his wife, he is survived by 1 brother, Edward of Brooklyn; 1 sister, Helen Boyce of Brooklyn; also several nieces and nephews. He was preceded in death by a sister, Eliza Wolf in 1988.

Funeral services were held Saturday, January 20, 1990 at Bethel Church. Rev. Roman Reinbeck officiated. Memorial contributions may be made to Bethel Church or to the Saline Community Hospital. Arrangements were made by the Jenter Funeral Home.

Wilma (Strang) Slavin

Age 74, passed away January 15, 1990 in Redford, Michigan. She was married to Clement Slavin in 1950, who preceded her in death in 1980. She is survived by a sister, Louise Place, in Florida; a sister, Ethel Slavin in Redford; and a brother, Alfred Strang in Manchester.

Father Schlinkert Recovering

Janet LaBeau Shurtliff

"Father Schlinkert's full recovery looks certain."

That was the good news contained in the St. Mary's Church bulletin last Sunday in a message from Father David Howell, the Vicar of Washtenaw Region, sharing information with parishioners about Fr. Schlinkert's condition.

Last Tuesday afternoon, January 16th, in a dense fog and on wet pavement, Fr. Schlinkert was driving down Pleasant Lake Road. According to Sgt. Brenda Sutton of the Washtenaw County Sheriff's Department, Fr. Schlinkert missed the stop sign at Pleasant Lake and Parker Roads and struck another car.

The driver of the other car was not injured. Fr. Schlinkert, how-

ever, was taken to the hospital.

He is now (as of press time) in the intensive care unit of the University of Michigan Hospital suffering from a broken and fractured leg, fractured ribs, and a fractured pelvis and hip.

His leg was successfully set last Friday, and he is in a full leg cast. According to a hospital source, Fr. Schlinkert is still in I.C.U. and will be for "several more days."

Father Howell, in the Church bulletin, reminded the parishioners, "Your pastor's recovery will be best served by limiting the number of visitors and allowing him the rest he needs."

However, cards and letters may certainly be sent to: Fr. Raymond Schlinkert, University of Michigan Hospital, 1500 E. Medical Center Drive, Ann Arbor, MI 48109.

Editorial

We are told repeatedly that our village has budget problems, our services are cut, we are paying higher taxes and receiving less for our money, and our Council votes a very large increase for the mayor and council members! Are they thinking about the welfare of our community and what serves the residents best when they decide to give themselves a 150 to 833% raise this year?

While they might deserve an extra amount, isn't \$250 a meeting excessive for the mayor? How about \$50 a meeting for council members?

It is a privilege and civic duty to be a part of our government.

If we have an excess of funds let's fix our streets, drop payment of garbage pick-up, lower sewer rates and have better street cleaning and snow removal!

Friday, February 2: Cheese & Sausage Pizza, Tossed Salad with Dressing, Lemon Pudding, Fresh Fruit, Milk

Fire Destroys Barn

As Judy Wahl gazed out of her window last Tuesday and saw flames engulfing the side of their barn, Manchester's Fire Chief Mike Scully was driving by the farm and also spied the fire.

Action was prompt by fire departments from Manchester, Saline, Chelsea and Sand Lake. They battled the fire blaze from 12:30 p.m. until 7:30 p.m. and were on the scene again at 6:30 a.m. Wednesday when the fire reignited in the lambing parlor underneath the barn.

Quick attention by helpful neighbors was instrumental in getting all of the livestock out of the barn. Over 100 sheep, some of them lambing, 4-H steers and a horse were all housed in the barn at the time of the blaze.

The intense heat melted shutters on the house and caused several windows to break.

Apparently the fire was started by an electrical problem in the workshop which was attached to the barn.

The farm is located on Fletcher Road and is owned by Judi and her husband Lyle, a CPA in Ann Arbor.

Controversy Regarding Mayoral Candidacy

federal elections.

The issue of "interpretation" of the voter regulations and election guidelines was illustrated last Monday first when Karen Tucker stated that the candidates must personally present their own petitions and affidavits of identity to the clerk before the deadline.

This issue was referred to the Washtenaw County Elections Divisions who agreed with Clerk Tucker. However, when the state Elections Office was consulted, they interpreted the regulation that a representative could submit the petitions, and that opinion was accepted by all.

Regarding the status of Mr. Boatwright's registration, Clerk Tucker conferred with Dan Byrne from the Washtenaw County Clerk's office, Elections Division, who concurred that Mr. Boatwright was not eligible.

Mr. Byrne then consulted with the State Elections Office who said they "agreed with that interpretation."

The issue leaves unresolved the question of what the March 12th ballot will look like.

Current Village President Mary Kallewaard's name will appear on the ballot.

If the Clerk does not place Richard Boatwright's name on the ballot, he has stated he is still a candidate and will run a write-in campaign. (See related story.)

Opening Soon!

Brooklyn Living Center

Brooklyn Living Center is not a condominium, not a nursing home. It is a Total Retirement Community under one roof, with reassuring security. You live in your own apartment with your own treasured furnishings. Wall-to-wall carpeting, electric ranges and refrigerators are provided. Draperies are also provided in neutral colors for harmonious appearance from the outside of the building.

Dutch Hoopsters Bury Vandercook Lake

Tuesday's Action: Stefan Knul skyhooks for 2 of his 18 points. Photo by Jon

Two unbeaten Cascade League opponents met Tuesday night when we hosted Addison. Unfortunately, the Panthers had a specific game plan which they stuck to throughout, therefore leaving victorious 58-44.

Our Little Dutch had their one game snapped by Addison.

Both our squads visited the home of the Jayhawks at Vandercook Lake. In the first game of the evening, our JV's saw our big lead whittled from 15 to 3 points.

But that's as close as they got. The Varsity contest was actually no contest. We just scored, scored, with the final being 72-34. We held their big scorer, who had been averaging 21 points a game, to a mere two, as our Stefan Knul led all scorers banging home 24 points. Eight other Dutchmen saw quality court time and all scored including Jamie Hall who hit for 4.

Our next two contests are at home as we meet Napoleon Friday and then welcome Han- over Horton Tuesday.

Engagement

Deanna Lynn Rentaz, daughter of Richard and Carolyn Rentz of Wildwood Circle in Tecumseh, will marry Rick Ladd of Brooklyn, Michigan on May 12, 1990 at the Trinity Baptist Church in Adrian.

The bride-elect is a 1988 graduate of Manchester High School and is employed at Herrick Memorial Hospital. Mr. Ladd is a 1987 graduate of Jackson Community College with an Associates degree in Electronics and is employed at Con-2 in Saline as an electronic technician.

Seniors Look Back On Busy Year

At this time of year we look ahead to a new year with all its opportunities. But it is also a time for reflection on the year just passed. Here are some of the activities and services in which Manchester Area Seniors were involved between December 1, 1988 and December 1, 1989. Information comes from annual reports submitted at our recent annual meeting.

Our bus, maintained by a federal grant, travelled 11,569 miles, carrying 1,854 passengers. One hundred sixty-five senior handicapped were transported and 23 other handicapped were taken to medical appointments. Monthly trips were taken to Saline medical programs, other nursing homes and shopping areas. On serving days, meals were delivered to between ten and twenty shut-ins in the Village and seniors were transported to meals from our larger service area. Approximately twenty-six special excursions were taken, some of them combined with special shopping opportunities.

Meals were served Tuesdays and Thursdays during the school year. Including take-outs and carry-outs just over five thousand meals were served. This program is assisted by the Manchester United Way to assure reasonable costs and low cost or free meals for some who may need them.

Seniors again made handicraft items for shut-ins, assisted in registration for the Manchester Mill Run, sponsored card parties, installed Lifelines, heard monthly clergy presentations and health programs. Some of us had our blood pressures taken monthly. And, just for fun, some of us played Bingo every week. The Senior Center was visited by approximately 1170 individuals during the year.

Only bus drivers and cooks are reimbursed for their services in our programs. All other work is done by the many volunteers who always seem to be available to help us. It would not be possible to list all of them here, but we do appreciate their time and their thoughtfulness on our behalf and should realize that without their efforts we wouldn't be in business.

Square Dance Party

Klager students and their families enjoyed a "Country Hoedown Dance" last Friday night at the Middle School cafeteria, dancing to the music of the "Raisin Pickers."

Sponsored by the Klager PTO and chaired by Monica Brooks, the event featured traditional American folk music as well as dance steps taught by Jon Freeman, a square dance caller from Ann Arbor.

Pictured here are the kids judging a delightful "Barnyard Dance Contest" in which wooden puppets displayed their finest dance steps. Jon Freeman is asking for the kids' applause for the puppet which Sarah Laskowski made dance!

The Raisin Pickers are an all-Manchester bluegrass band composed of Mike Gleason, Bill Farmer, Mark Palms and Carol Palms.

Tragedy In Clinton

more seriously injured than they had anticipated and Mr. Brooks jumped into his buggy and started for a physician. Dr. Tuttle was found and hurried to the scene of accident as rapidly as possible, but before reaching there the unfortunate man had passed away. The doctor examined the remains and decided that death was caused by his neck being broken.

Mr. Mills informed us that after falling Mr Larzelere partially raised on his hands and knees and said "whoa" once, which was the last word spoken by him. It was probably not more than five minutes from the time he struck the ground before death ensued.

The remains were conveyed to his home by Undertaker Hause; the sad news not being broken to his wife until a few minutes before the remains arrived. Mr. Larzelere was about 45 years of age, and leaves a wife and three young children to mourn his death.

Eye Care

Cheryl Huey, M.D.
 Ophthalmologist - Eye Physician and Surgeon
CROSSED EYES

Crossed eyes is only one type of strabismus, or misalignment of the eyes. When the eyes are crossed, more correctly termed esotropia, one eye is turned inward while the other eye looks straight ahead. In other types of strabismus, one eye may be turned outward, up, or down relative to the other eye.

Esotropia is the most common eye misalignment in children. The eye that is crossed in may be "ignored" by the child's developing brain, so vision may not develop in that eye, resulting in a "lazy eye". Also there is loss of depth perception when using only one eye. For these reasons, it is extremely important to recognize and treat esotropia as soon as it is noticed in a child, even if it "comes and goes". Children do not "outgrow" esotropia, and waiting only tends to make it more difficult to reverse the lazy eye.

Esotropia in an infant usually requires surgery to solve the problem. In these cases, it is necessary to surgically detach a muscle from the eye and re-attach it at a different location to re-align the eyes. A child over the age of two years who develops farsightedness. This farsightedness causes the child to glasses to correct farsightedness. This farsightedness causes the child to "focus" their eyes to try to see better, and the crossing-in accompanies the focusing. Sometimes bifocals are necessary to prevent crossing when reading.

Esotropia at any age can be corrected, but if noticed in a child, should be checked by an Ophthalmologist without delay.

Shirley Temple, as a child star, wore exactly 56 curls in her hair. The curls were set by her mother who thus made sure of their exact number.

Freedom Township

SYNOPSIS OF MEETING January 9, 1990

The meeting was called to order with all Board members present. Minutes and Treasurer's Report were approved with \$39,719.33 in the General Fund and \$11.34 in the Liquor Fund.

Various communications were read and discussed. Uphaus reported that a meeting to consider the conditional use permit proposed by Wolverine Pipeline and Total Petroleum will be held January 23 at 8:00 p.m.

Under old business, the Board approved \$32.50 per inspection for building permits and \$24.75 per inspection for inspectors' wages. There was no new business.

Bills #2681 through #2702 were approved for payment. Meeting adjourned 8:40 p.m.

DOWN PAYMENT

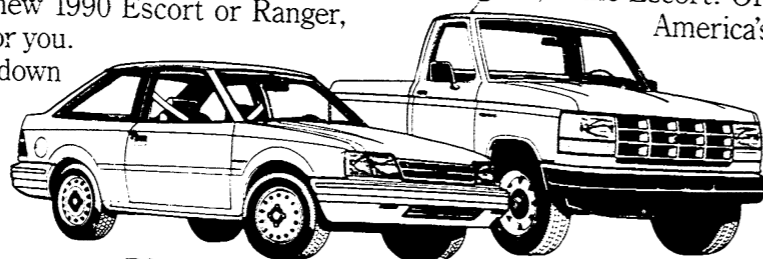

Once Again, Ford Runs Circles Around The Competition.

Right now your Greater Michigan Ford Dealers have one of the best offers on a new car or truck around. Because through February 5th when you buy a new 1990 Escort or Ranger, we'll make your down payment for you.

Not only will we make your down payment for you, we'll also offer you low monthly payments

that fit your budget. Like \$156 per month on the world's best-selling car,** the Escort. Or, just \$177 per month on Ranger, America's most popular compact truck.†

So hurry to your Greater Michigan Ford Dealers because after February 5th, this deal will have run its course.

ESCORT PONY
\$156/MO*

RANGER S PLUS 4x2
\$177/MO*

*MSRP. Freight, title, tax and other options extra. 13.66 Annual Percentage Rate financing for 60 months. \$1000 down payment from Ford in lieu of other use. Qualified buyers must take retail delivery from participating dealer stock by 2/5/90. Price/Payment/Terms will vary. **Based on '82-'88 worldwide sales and export data. †Based on manufacturers' reported retail deliveries from 1987-1989.

NOTICE

There will be a joint work session of the Manchester Township Board and the Manchester Township Planning Commission on Monday, January 29, 1990 at 8:00 p.m. at the Township Hall, to discuss updating of the Master Plan and Zoning Ordinance.

Wilma E. Lentz
Township Clerk

Reading Celebration At Klager

The used book sale in the library provided everyone with a book to read for quiet reading time. All students recorded the number of books that they read at home and recorded that number on the all-school graph.

Special reading and writing activities centered on an agricultural theme were the focus of the "Make Friends with Books" week at Klager Elementary School last week. Students wrote, edited, illustrated and shared their stories that were about farm life, farm animals and agriculture.

A special edition of the "Klager Kids' Korner" was published this week that included many of the stories and pictures of the special activities. This annual all-school activity is planned by Mrs. Liz Beuerle, Librarian and Mrs. Yvonne Henry, Principal.

In Physical Education classes students learned how to square dance. They used their new dance routines at the Country Hoedown Dance sponsored by the PTO. The dance was the Grand Finale of the special "Make Friends With Books" week.

Notice of Adoption Village of Manchester Ordinance No. 179 Adopted December 18, 1989

This ordinance repeals Chapter 24, Water and Sewer Rates", of the Manchester Village Code, and adopts a new Chapter 24, "Water and Sewer Rates", which establishes definitions and a new format for calculating user charges for water and sewer services. It also provides for an annual report of the wastewater treatment system to system users; and an annual review of the costs of operating, maintaining and replacing the wastewater treatment system and retiring debt upon the system; and adjustments of user charges as may be necessary to ensure that the system generates sufficient income to meet its expenses, and to ensure that all user classes pay their proportionate share of the costs.

This ordinance does not establish new rates. These may be changed from time to time by Village Council resolution.

A complete copy of Ordinance No. 179 is available for inspection at the Manchester Village Hall during regular office hours.

Ordinance No. 179 is to take effect 30 days after publication.

Karen Tucker
Manchester Village Clerk

Village Planning Commission

Regular Session
December 12, 1989

PRESENT

Schiller, Lowery, Palms, Way, Hinkley, Walton, Gleason, Daverman. Absent: Boone. Also present: Guy Little and Don Dickerson

CALL TO ORDER

The meeting was called to order at 7:37 by Chairman Daverman in the Council Room of the Village Hall.

APPROVAL OF AGENDA

Under Regular Business add: A. Sign Permit Application Review-Don Dickerson.

Walton made a motion to approve the agenda with the above addition. Hinkley seconded the motion. The motion passed on a voice vote.

MINUTES OF PREVIOUS MEETING

Add under Victory Baptist Church: "Little will check with Village Council on the concept of informational signs being placed in the easement between the sidewalk and street (Public Domain)".

Little did talk to Council on the matter and Council expressed disapproval of placing such signs in areas of Public Domain.

Lowery made a motion to approve the minutes with the above addition. Schiller seconded the motion. The motion passed on a voice vote.

REPORTS

Daverman read the letter he had drawn up concerning the installation of informational signs at the main entryways into the Village. The Commission agreed this letter should be sent to Council.

REGULAR BUSINESS

Don Dickerson, H&R Block, Comerica Building, 135 E. Main, Suite 100; Lowery and Dickerson noted that the permit application was in on time to be considered at this meeting. However, neither the Chairman nor Commission members had received it. Dickerson described the sign and stated it would be backlit with fluorescent bulbs. He also presented a photograph of the front of the building it would be placed on. The sign would state: H & R Block - Income Tax. The discussion included the following:

- Palms noted that a Historic District Ordinance was now in place and a backlit plastic sign was not in keeping with the intent of this ordinance.
- Little asked Dickerson if his company could furnish him with other options considering the adoption of the Historic District Ordinance. Dickerson answered "No."
- Hinkley questioned the frontage used to calculate the size of the sign. This question dealt with whether all three stories should be included in the figure or just the frontage of the area he was actually renting.
- The Commissioners strongly

recommended he consider other sign options which would be more in keeping with the Historic District. Daverman gave him an example of an affordable option, but Dickerson felt it would not be cost effective in his case.

Hinkley made a motion to table the issue due to lack of an application being available at the meeting. Palms seconded the motion. The motion passed on a voice vote.

Commissioners expressed concern that there is a need to tighten and clarify the Sign Ordinance.

Exit Gleason at 8:45. Remainder of meeting recorded and noted by Daverman.

Palms, Daverman and Little will get together to work on a proposal to amend the Sign Ordinance.

SITE CONDOMINIUMS

Way presented his recommendation on a Site Condominium Ordinance. The following points were made:

- He used Freedom Township's Ordinance as the primary example. Noted most others were similar.
- Stressed that all proposals should go through the Washtenaw County Condominium Advisory Group for review prior to adoption.
- Site Condominiums would be recognized as a legitimate form of land development.
- All Site Condominium projects might fall under the PUD zoning ordinance regulations of the Village. The Commission should request verification from the Village Attorney, and the Washtenaw County Condominium Advisory Group, if it is decided to use this approach.
- It is necessary to have some local jurisdiction or the developer will go to a higher level for Site Review and come to the Village for just the building permit.
- It is necessary to define Site Condominiums in the Ordinance.
- It would be necessary to expand Article 20-PUD 9.

Way will contact the County concerning the Ordinance process. Daverman made a motion to table the Site Condominium Ordinance. Palms seconded the motion. The motion passed.

MASTER PLAN

The Master Plan was discussed, and Saturday, January 6, or 13, 1990, the Ad Hoc Committee will meet to work on this Plan.

ADJOURNMENT

The meeting adjourned at 9:45. The next regular meeting will be held January 16, 1990.

Susan Gleason
Secretary

Bridgewater Township Planning Commission

Minutes

January 8, 1990: The meeting was called to order by the Chairman, Gabe Dull, at 8:00 p.m. in the Bridgewater Townhall, 10990 Clinton Road.

Present: Gabe Dull, Jim Fish, Leonard Dayss, Mark Iwanicki, Vic Mann, Louise Fraumann.

Respectfully submitted,
L Fraumann, Secretary

Do You Mask Your Stress?

Attend Systematic Stress Management™ and Relax!

Disguising your stress is only a temporary solution. The long-term results of stress can be devastating — heart disease, high blood pressure and ulcers, to name a few. In fact, according to the American Academy of Family Physicians, two-thirds of all office visits to family doctors are stress related.

Systematic Stress Management™ teaches you to control stress, changing it from a negative experience into a positive motivator. The techniques are easy to master, and they have a dynamic effect on your ability to cope with day-to-day events. The program can be used at home or at work, and will make a profound difference in your ability to relax.

Classes Held Wednesdays

The Wrestling Report

Wrestling action last week.

Photo by Jon

After a period of some not-so-od wrestling and I guess what you could call a midseason slump, the team hit the bricks again. With the Napoleon Pirates coming to town and the 16-team Napoleon Invitational on the other side of that, the bricks would be more like block.

When Napoleon showed up at 6 p.m., I was anticipating a long fight. Without two of our key people in uniform, our chances of coming out with a win were cut in half.

The match was preceded by a couple of exhibition matches which gave Napoleon the mental edge as they won two of the three. As for the varsity match, it started out different to say the least. The first five weights were forfeits with the Dutch taking 12

of the possible 30 points. (A team receives 6 points for every weight class their opponent does not offer a match.) Things started out well for the Dutch as Darren Hock, Isreal Clouse and Duane Hopkins all pinned their foes. Then in the 152 lb. match the Pirates pulled to within 6 by pinning our man. Chris Fosket said he would have no part of that as he stepped on the mat for the 160 lb. match. Chris quickly hammered his man in 1 min. 43 sec. The next match could seal a victory for the Dutch or pull Napoleon back to within 6 points. One fired up Bill Day stepped on the mat to face a big gun named Steve Hollister. Behind 2-0 in the second period, Bill put some magic on ol' Steve and put the Dutch on top to stay with a pin in 3:01. The final ended up

42-33 good guys.

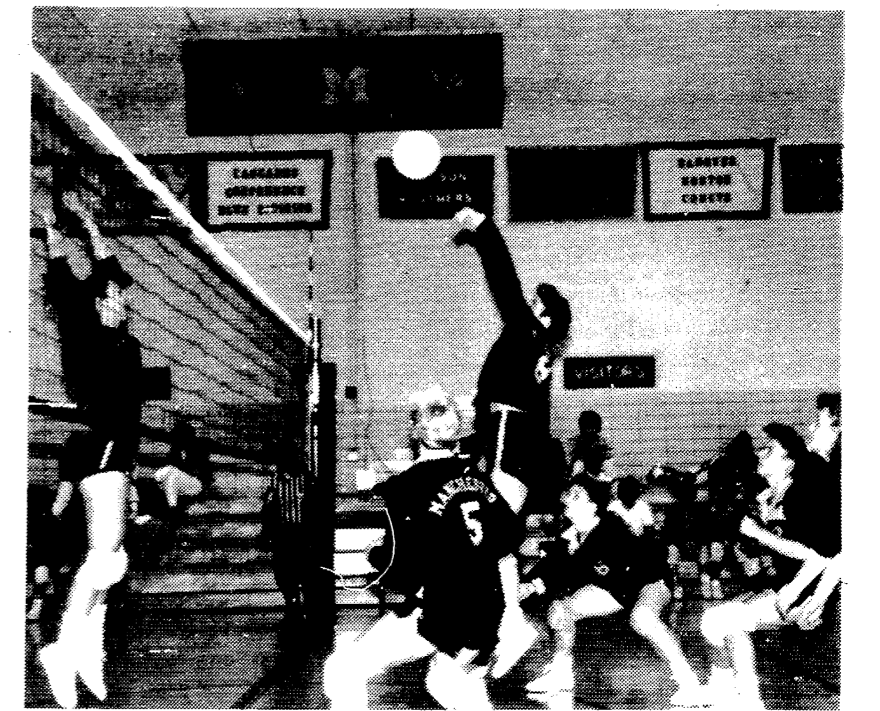

On Saturday, the 20th, the varsity headed to Pirate country to compete in the Napoleon Invitational. Trying to keep the gears in motion and have a solid performance was the main concern of this expedition. And for the most part we did.

Chris Carson got a pin at 112 lbs to give his team 3 points. At 119 lbs. Chris Wiethoff was absolutely ripped off in his semifinal match but came back to place 3rd. 125 lb. Jason Woods wrestled a very solid tournament and placed 3rd. Darren Hock technically falled his opponent in the consolation finals to place 3rd. Isreal Clouse, 135 lbs., wrestled his best tournament of the season so far and took a 3rd place in very good competition. Only 3rd ranked in all classes, Mike Baird of Jonesville, was able to slow "Is" down. Stacy Clouse got a pin in the 140 lb. weight class to add 3 to the Dutch score. Duane Hopkins placed 5th and went 4-1 on the day. Brian Ball wrestled well by getting two pins and adding 6 to the team score at 152 lbs. Chris Fosket placed 4th on that day and added two bars to his headgear with two timely pins. Bill Day overcame injury to place 6th at 171 lbs. Tim Fenelon got a pin at 189 lbs. as did Tim Beckett at hwt. Tim Beckett just missed coming home with a medal late in the tournament but lost a 11-10 overtime match.

The team ended up in 4th place overall in the tournament. Just 2 points out of second place. Just two points from the runner-up trophy. Just 2, oh well, it's water over the dam.

Tuesday, January 23, we go to the house of the Vandercook Jayhawks and on Thursday we travel to the home of the always-powerful Addison Panthers. Both matches start at 7:00 p.m. Saturday the 27th, we have a JV tournament in Napoleon and the following Saturday we collide with all the conference schools in the conference tournament. Also, the published schedule was inaccurate on the remaining conference dual meets. The varsity will start at 7:00 p.m. and not the published 6:30 time.

Lady Dutch Spiker Update

Volleyball action last week.

Photo by Jon

Since no stats have been made available to me, I can only report on secondhand information. On Saturday, January 6, we competed in the Bath Tournament and finished in sixth position. On January 11, we traveled to Vandercook Lake and won our first league game. Our first home

match of the season was against Jackson Northwest last Monday. We played well in the beginning, but Northwest overpowered us to win. The very next day saw us on the road again and unfortunately we lost. Saturday was the Clinton Invitational. We did well and finished in second place.

Our next home meet is February 5 against Columbia Central.

Finrock's Celebrate 50th

Kenneth and Estelle Finrock of Manchester were honored at a 50th wedding anniversary celebration on October 28, 1989 with family and friends at the Freedom Township Hall at Pleasant Lake. The celebration was hosted by the couple's children, Daniel Finrock,

Sandra Smith, Fayette Haft, Deborah Powers and Barbara Keviatkowski. They have 11 grandchildren.

Kenneth and Estelle were married January 9, 1940 in Ohio. They have lived in Manchester 35 of those 50 years.

VIP Advantage SALINE COMMUNITY HOSPITAL

How can we begin to thank all our family, neighbors, and friends who offered their support during the January 16th fire that destroyed our barns, and during the days that followed? Without your physical and emotional support we never would have made it through this terrible time.

Our heartfelt gratitude goes out to the firefighters from the Manchester, Saline, Chelsea and Sand Lake Fire Departments for their immediate response. To Luke, Dan & Mike Schable, who helped get the livestock and machinery from the barns, well, our loss would have been much, much greater without your help.

We can't begin to name each of you individually because the list of names would be endless. You've lent your time, you're helping by "babysitting" our livestock, you've brought hay and straw, you've called or come to our house to offer any help in any way we might need. We are grateful beyond words to you all.

In closing, Mike Scully, Chief of the Manchester Fire Department, it is just miraculous that you happened down Fletcher Road when you did. God bless you always!!

Again, our love to you all.

Lyle & Judi Wahl
Adam & Amanda Erskine
Jordan & Evan Wahl

Money Management

QUESTIONS AND ANSWERS ON YOUR 1989 TAXES

To help taxpayers get a head start on their 1989 tax returns, the Michigan Association of CPAs has supplied the answers to some of the most commonly asked questions on 1989 taxes.

What are the tax rates for 1989?

They are the same as last year. The good news is that the brackets have been adjusted for inflation. As a result, you can earn a little more money before moving into a higher tax bracket.

I served on jury duty recently and had to surrender the check to my employer. Will I still have to declare the jury-duty pay as income?

Yes. But a new tax law will enable you to take a deduction for that same amount - even if you don't itemize. As a result, you will no longer be taxed on money you didn't actually keep.

My son received a scholarship for the past school year. Will he have

to report the money as taxable income?

The answer depends on how the money is used and whether your son is a degree candidate. Scholarships or fellowships made after August 16, 1986 are tax-free only for degree candidates who use the funds for tuition and course-related expenses. You can no longer exclude from income any money awarded for such expenses as room, board and travel. Nor can you exclude any funds received in return for teaching or research services - even if they are required for the degree.

I sold some stocks this year. How do I figure out how much capital gain or loss I need to report?

Basically, you calculate the amount of gain or loss by subtracting the amount you paid for the investment from the amount you sold it for. The latter information is provided on the 1099-B form that your broker or mutual fund will send you. If you haven't received your statement by the time you're ready to fill out your return, you're not off the

hook - a gain must still be reported. Keep in mind that certain activities, such as participation in a dividend reinvestment program, may make calculating gain a tricky matter. In these cases, your best option may be consulting a CPA.

I'm self-employed and maintain an office at home. Will I be able to deduct my business expenses?

If the space in your home is used regularly and exclusively for business and is separate from your living space, you may be able to deduct a percentage of the costs of running your house, including your utilities and even a home security system. But keep in mind that the home-office deduction may be a red flag for IRS audits.

What are the guidelines for deducting IRA contributions?

You can still fully deduct your IRA if neither you nor your spouse participated in an employer's retirement plan in 1989, or if your adjusted gross income is under \$25,000, if single, or \$40,000, if married. Once you satisfy either of these requirements, you can shelter up to \$2,000, if single and up to \$4,000, if married and both spouses work. If only one spouse works, the most you can contribute is \$2,250.

What happens if I do participate in a retirement plan and make more money than the limits allow?

If you (or your spouse) are covered by a company-sponsored plan, the amount of your IRA deduction will drop by \$200 for every \$1,000 of adjusted gross income over the income limits just mentioned.

Has the deduction for personal interest changed again?

Yes. For 1989, you can only deduct 20 percent of the interest

charged on consumer loans and credit cards. This year, the deduction drops to 10 percent. And in 1991, the deduction will disappear entirely.

I recently bought my first home. What deductions are available to homeowners?

First of all, if you paid points to obtain a mortgage, you may be entitled to deduct these in full this year. Also, you can deduct any other mortgage interest you pay (within limits), as well as your property taxes.

Do I have to pay tax on the gain from selling my home?

That depends. Generally, you can defer the gain from selling your primary residence by buying another home of equal or greater value sometime within 24 months of the date of the sale. Alternately if you are at least age 55 or older and meet certain qualifications, you may be able to exclude from taxable income up to \$125,000 in gain by claiming a special provision of the tax law. Ask your CPA for details. In either case, you will still have to report the sale of your home on Form 2119.

Have the rules on miscellaneous and medical deductions changed?

No. The rules in 1989 are exactly the same as those in effect in 1988. Miscellaneous expenses are deductible only to the extent that they exceed 2 percent of your adjusted gross income. Medical expenses are deductible only to the extent that they exceed 7.5 percent of your adjusted gross income.

For further information on 1989

tax rules, you can request a copy of "The CPA's Survival Guide for Taxpayers" from the Michigan Association of CPAs by writing to P.O. Box 9054, Farmington Hills, MI 48333. Please send a stamped, self-addressed envelope.

Jolly Farmerettes

Vice-president Michelle Mann called the first meeting of the new year to order at 1:00 p.m. The flag pledges were led by Suzanne Lowrey. Next came roll call. Do you like winter or summer best? Secretary's report was given by Sarah Feldkamp. Treasurer's report was given by Andrea Clark. We would like to thank Lucile and Arthur Williams, Jim and Virginia Hendly, Florence Widmeyer and Marjorie Wahr for the nice cards. The Jolly Farmerettes family potluck is going to be January 28 at Sharon Township Hall. We voted on a Spring Achievement theme, "Let Your Heart Beat With 4-H". We are waiting until April to continue buyman meetings. Mrs. Feldkamp distributed project completion certificates. Andrea Clark then gave her demonstration on angora goats. For recreation, we sang a song. Then we made a handkerchief necklace, had refreshments and adjourned the meeting.

The next meeting will be an album making, soup tasting meeting on February 17, 1990.

Krauss Pharmacy and Laurel Home Health Care Centers

Working Together To Bring Quality Home Health Care And Durable Medical Equipment To Your Community

Laurel has been providing quality home health care service for 10 years in Washtenaw County. Laurel is a family owned and operated business. They have a fully trained staff to provide the best possible care.

Through the efforts of Krauss Pharmacy and Laurel the residents of Manchester and surrounding areas will have durable medical equipment available at their local family pharmacy.

These items will be available at Krauss Pharmacy, with direct insurance billing provided by Laurel Home Care:

WALKERS WHEELCHAIRS QUAD CANES CANES
BLOOD GLUCOSE METERS NMT SUPPLIES BEDSIDE COMMODOES

Krauss Pharmacy will be able to assist you in all other home care needs; such as hospital beds, Oxygen equipment, TENS units and supplies.

Laurel accepts and will do direct billing for most major health insurance plans including Medicare, Medicaid, Care Choices, M Care HMO and Major Medical. Laurel can bill direct to many private insurances.

All home health care equipment covered by insurance requires a physician's prescription.

KRAUSS PHARMACY

TOTAL FAMILY HEALTH CARE

Grant Money Comes To Manchester

"Resolved, that a grant of \$3500 to the Community Resource Center, Inc. to support a senior outreach project, is approved."

And so the announcement was made that the Community Foundation for Southeastern Michigan agreed to fund a Senior Outreach Project proposed by our Manchester Community Resource Center.

The Community Foundation for Southeastern Michigan is built around a concept first originated seventy-five years ago. It is a permanent community endowment built by gifts from hundreds

of community citizens and organizations who are committed to the future of southeastern Michigan.

The Foundation is governed by a 40-member board of civic leaders and serves the seven counties of Wayne, Oakland, Macomb, Washtenaw, St. Clair, Monroe, and Livingston.

Since its founding in 1984, the Community Foundation for Southeastern Michigan has provided more than 1,000 grants totaling over \$5.5 million for projects in the fields of education, arts and culture, health, civic development, and human services.

Dianne Schwab, director of the Community Resource Center, described the objective of the Senior Outreach Project as "to increase community awareness of services for our senior population (age 65+)."

The purpose of the project is twofold. First, according to the proposal, "so that our seniors and their families will increase their use of existing services."

And, second, "So that local agencies delivering senior-related services can better target areas of unmet need in the Manchester area."

Using the resources of Washtenaw County agencies providing services to seniors, Manchester-area senior groups, census information, a state-wide survey of seniors, and University of Michi-

gan graduate students, the Community Resource Center will first survey local seniors and Washtenaw County agencies.

The purpose of these surveys will be to determine needs and means of meeting needs.

Then the Community Resource Center, using the same resources, will share survey results with area agencies, develop a CRC Resource file highlighting senior services, and develop an information packet detailing area services for seniors.

The Senior Outreach Project has been deemed eminently worthwhile by the Community Foundation for Southeastern Michigan.

Degree Candidates

University of Michigan students who expect their degrees this winter attended the University's commencement ceremonies December, 17, 1989. Candidates from the Manchester area include: Mark Arnett, College of Social Work, Master of Social Work; Sean A. Mosser, College of Engineering, Bachelor of Science in Engineering in Naval Architecture & Marine Engineering; Nathan T. Munson, College of Social Work, Master of Social Work; and Loring F. Nies, Rackham School of Graduate Studies, Master of Science in Engineering.
